COMICS **GROWGETTER**

Dear Fans, Lurker, everyone else

Our comics are made by hands, from artists who work with us for years. They count on us to feed their families and have a dependable source of income. This project has been able to improve the lives of our staff and all of us are very grateful for your support.

At the same time, we completely understand that not everyone has the means to chip in and help make this dream a reality. In that, we are one of the few that gives away so much of our art, with the majority of it being available for free, as well as everything eventually being made for free.

Since this is not a large organization, pirating this stuff really does hurt the people that try their best to make the best content we can and lowers the amount of content that can be generated.

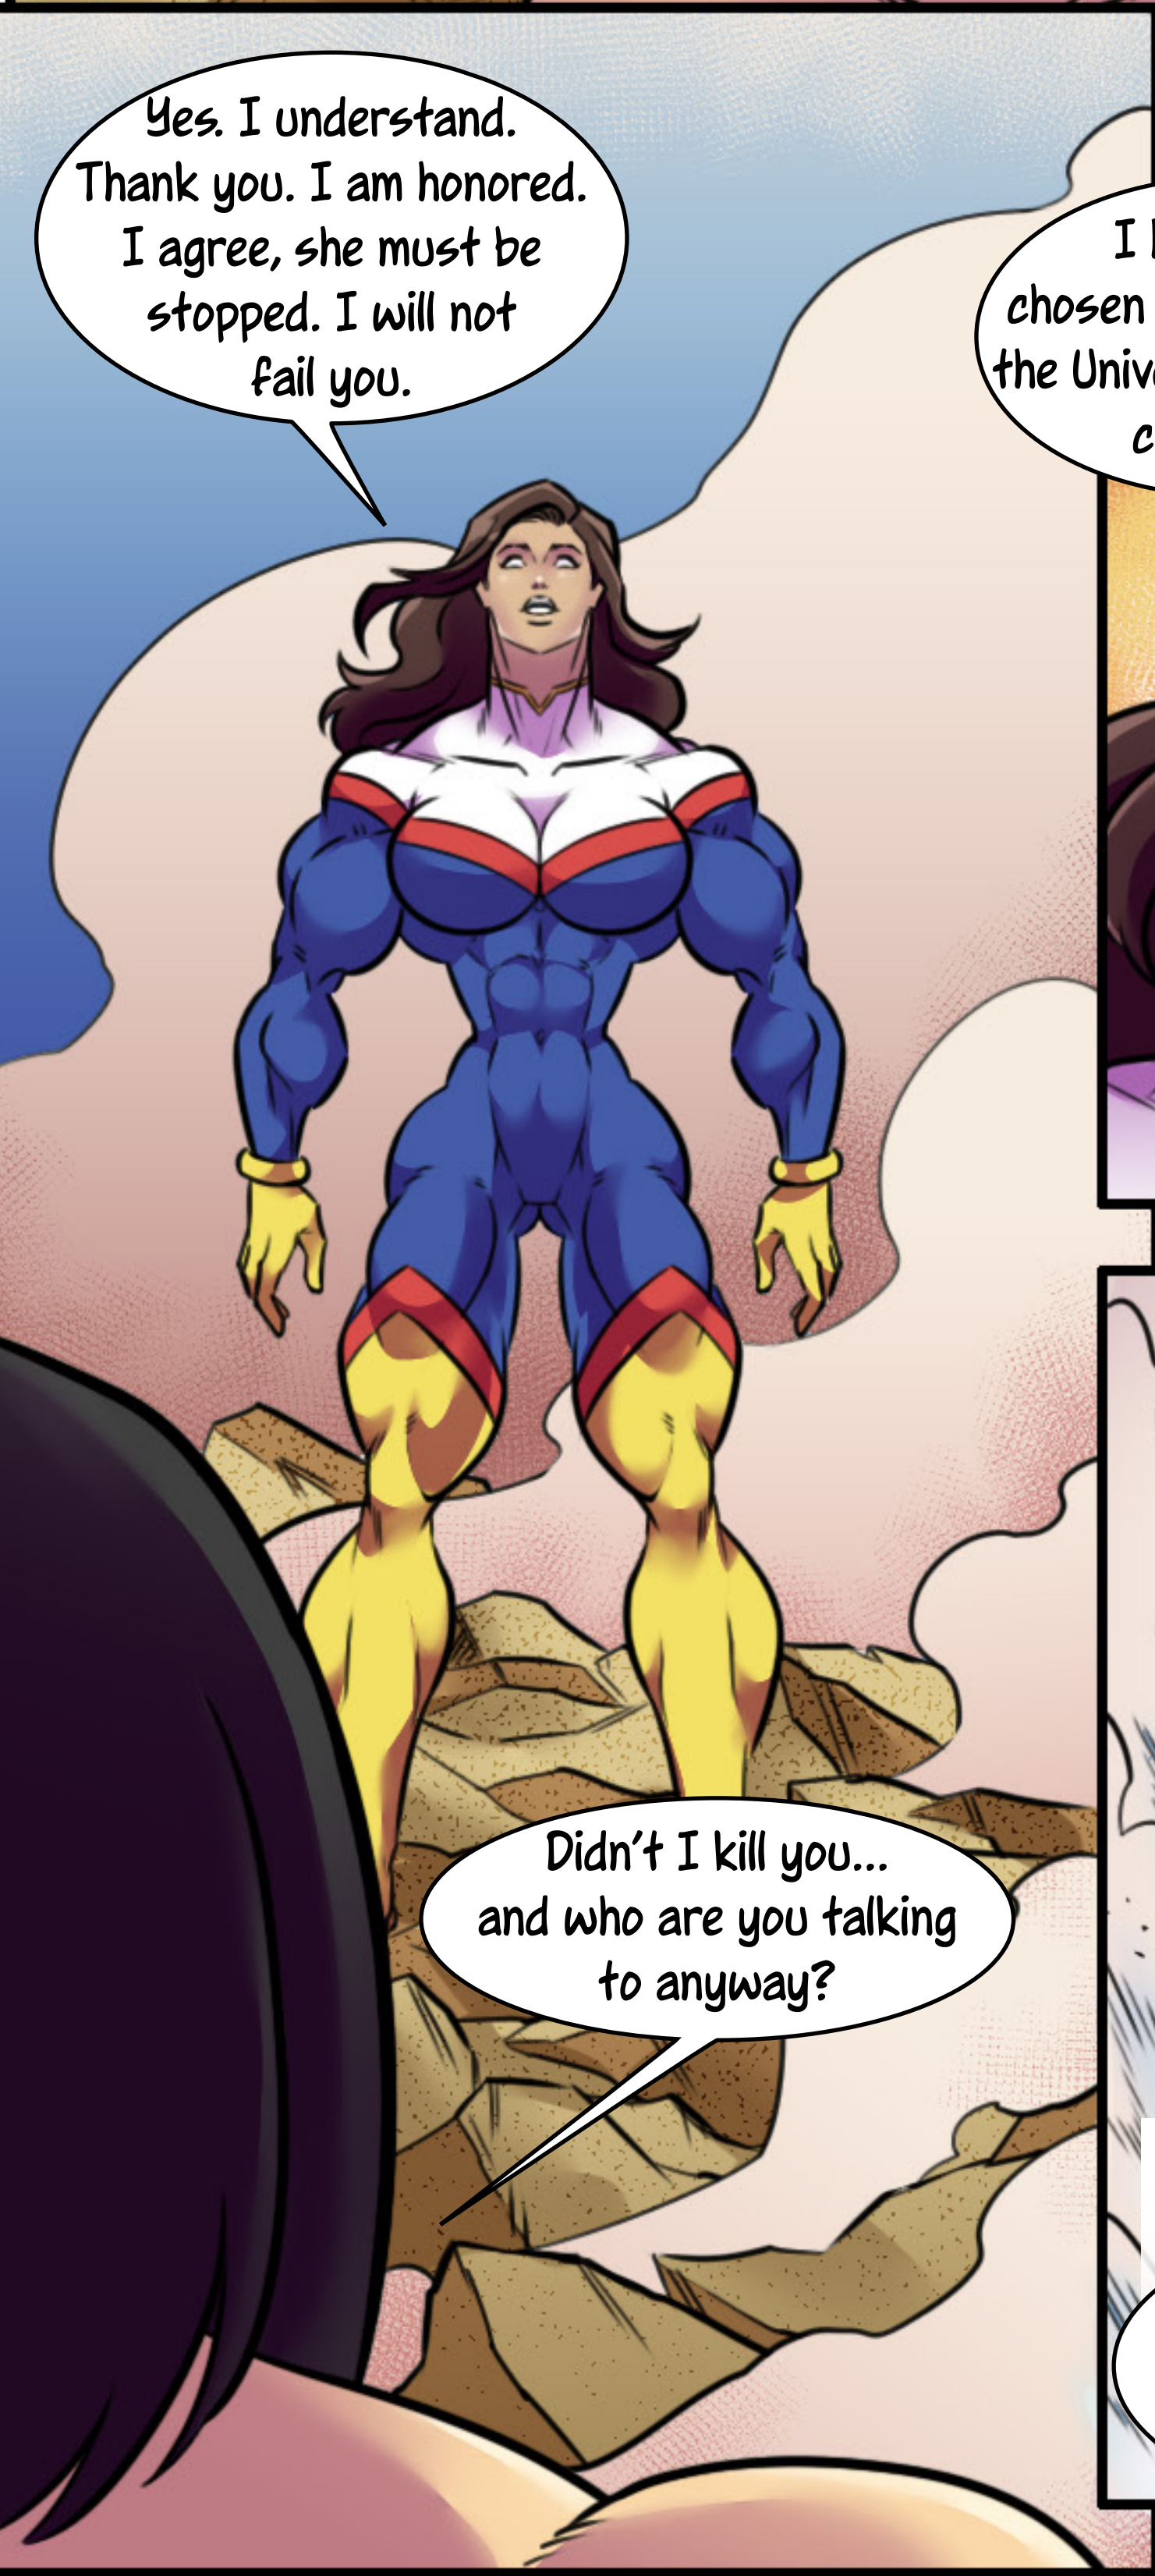

If there is something we can do better, please let us know.

Thank you

GrowGetter and Staff

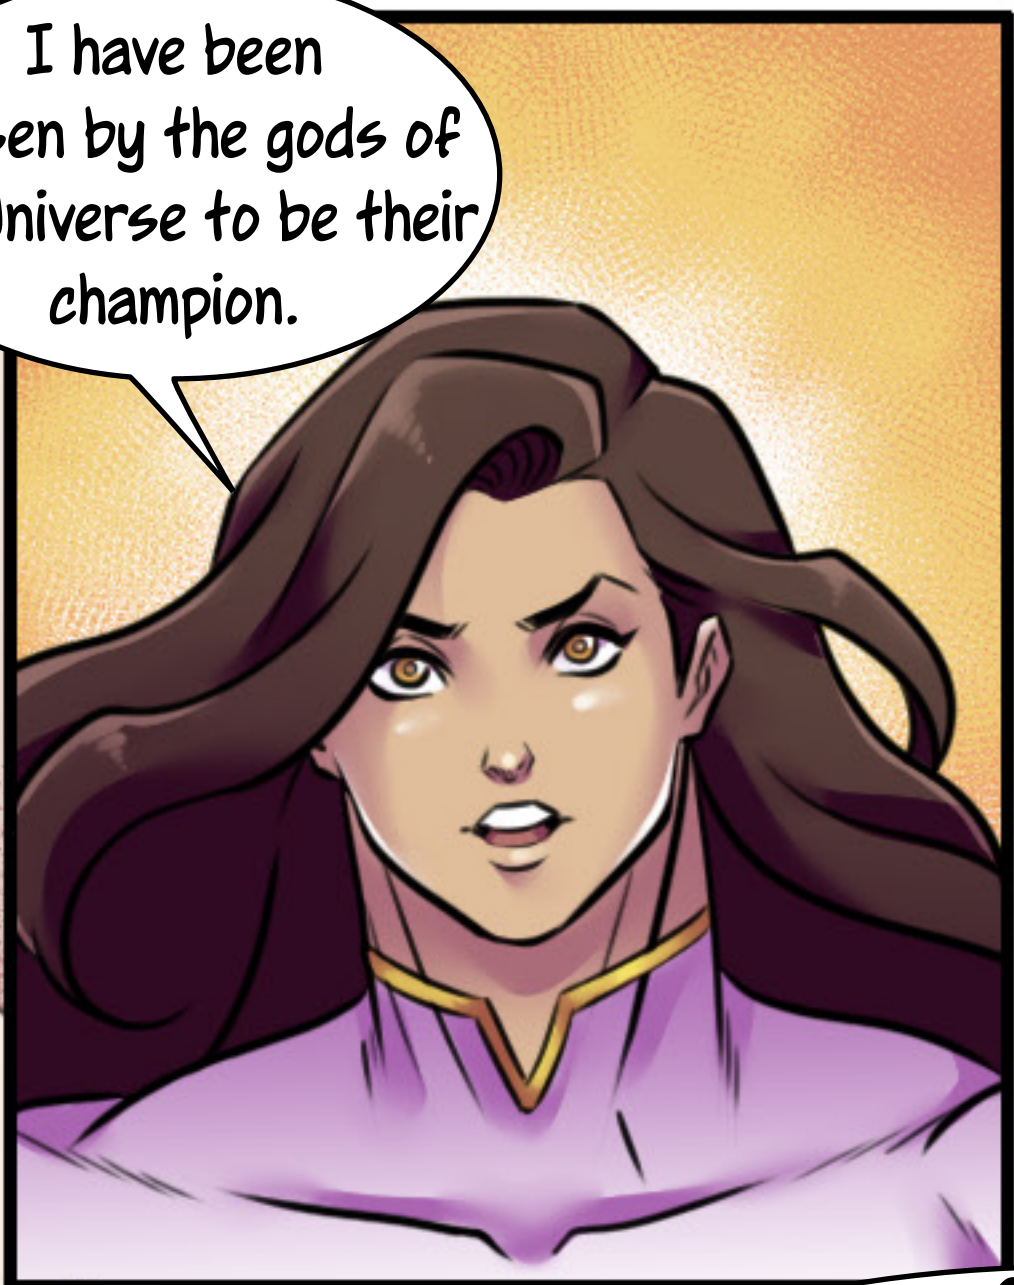

Huh?

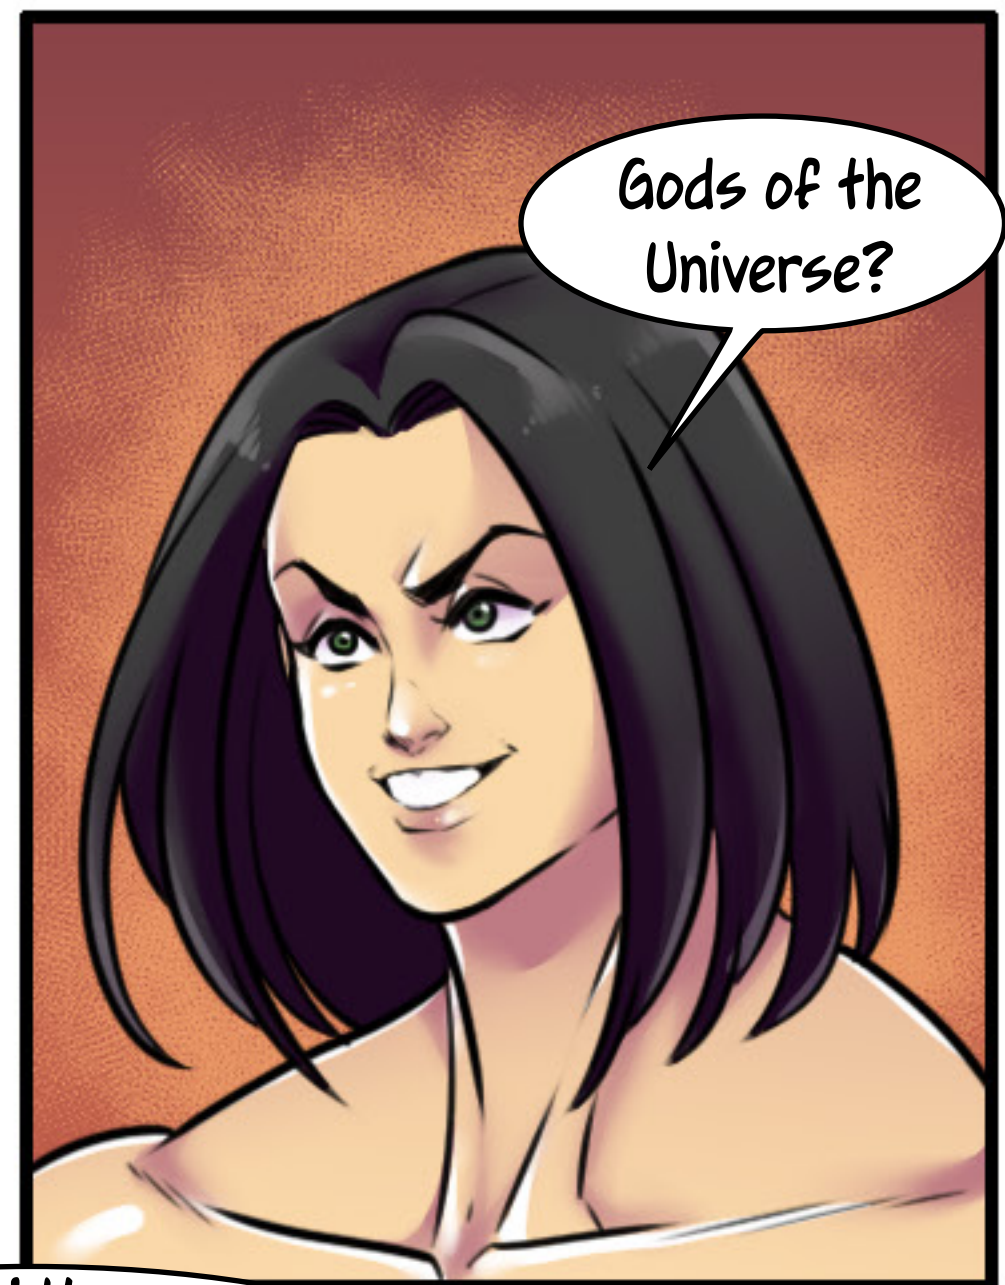

Yes. I understand. Thank you. I am honored. I agree, she must be stopped. I will not fail you.

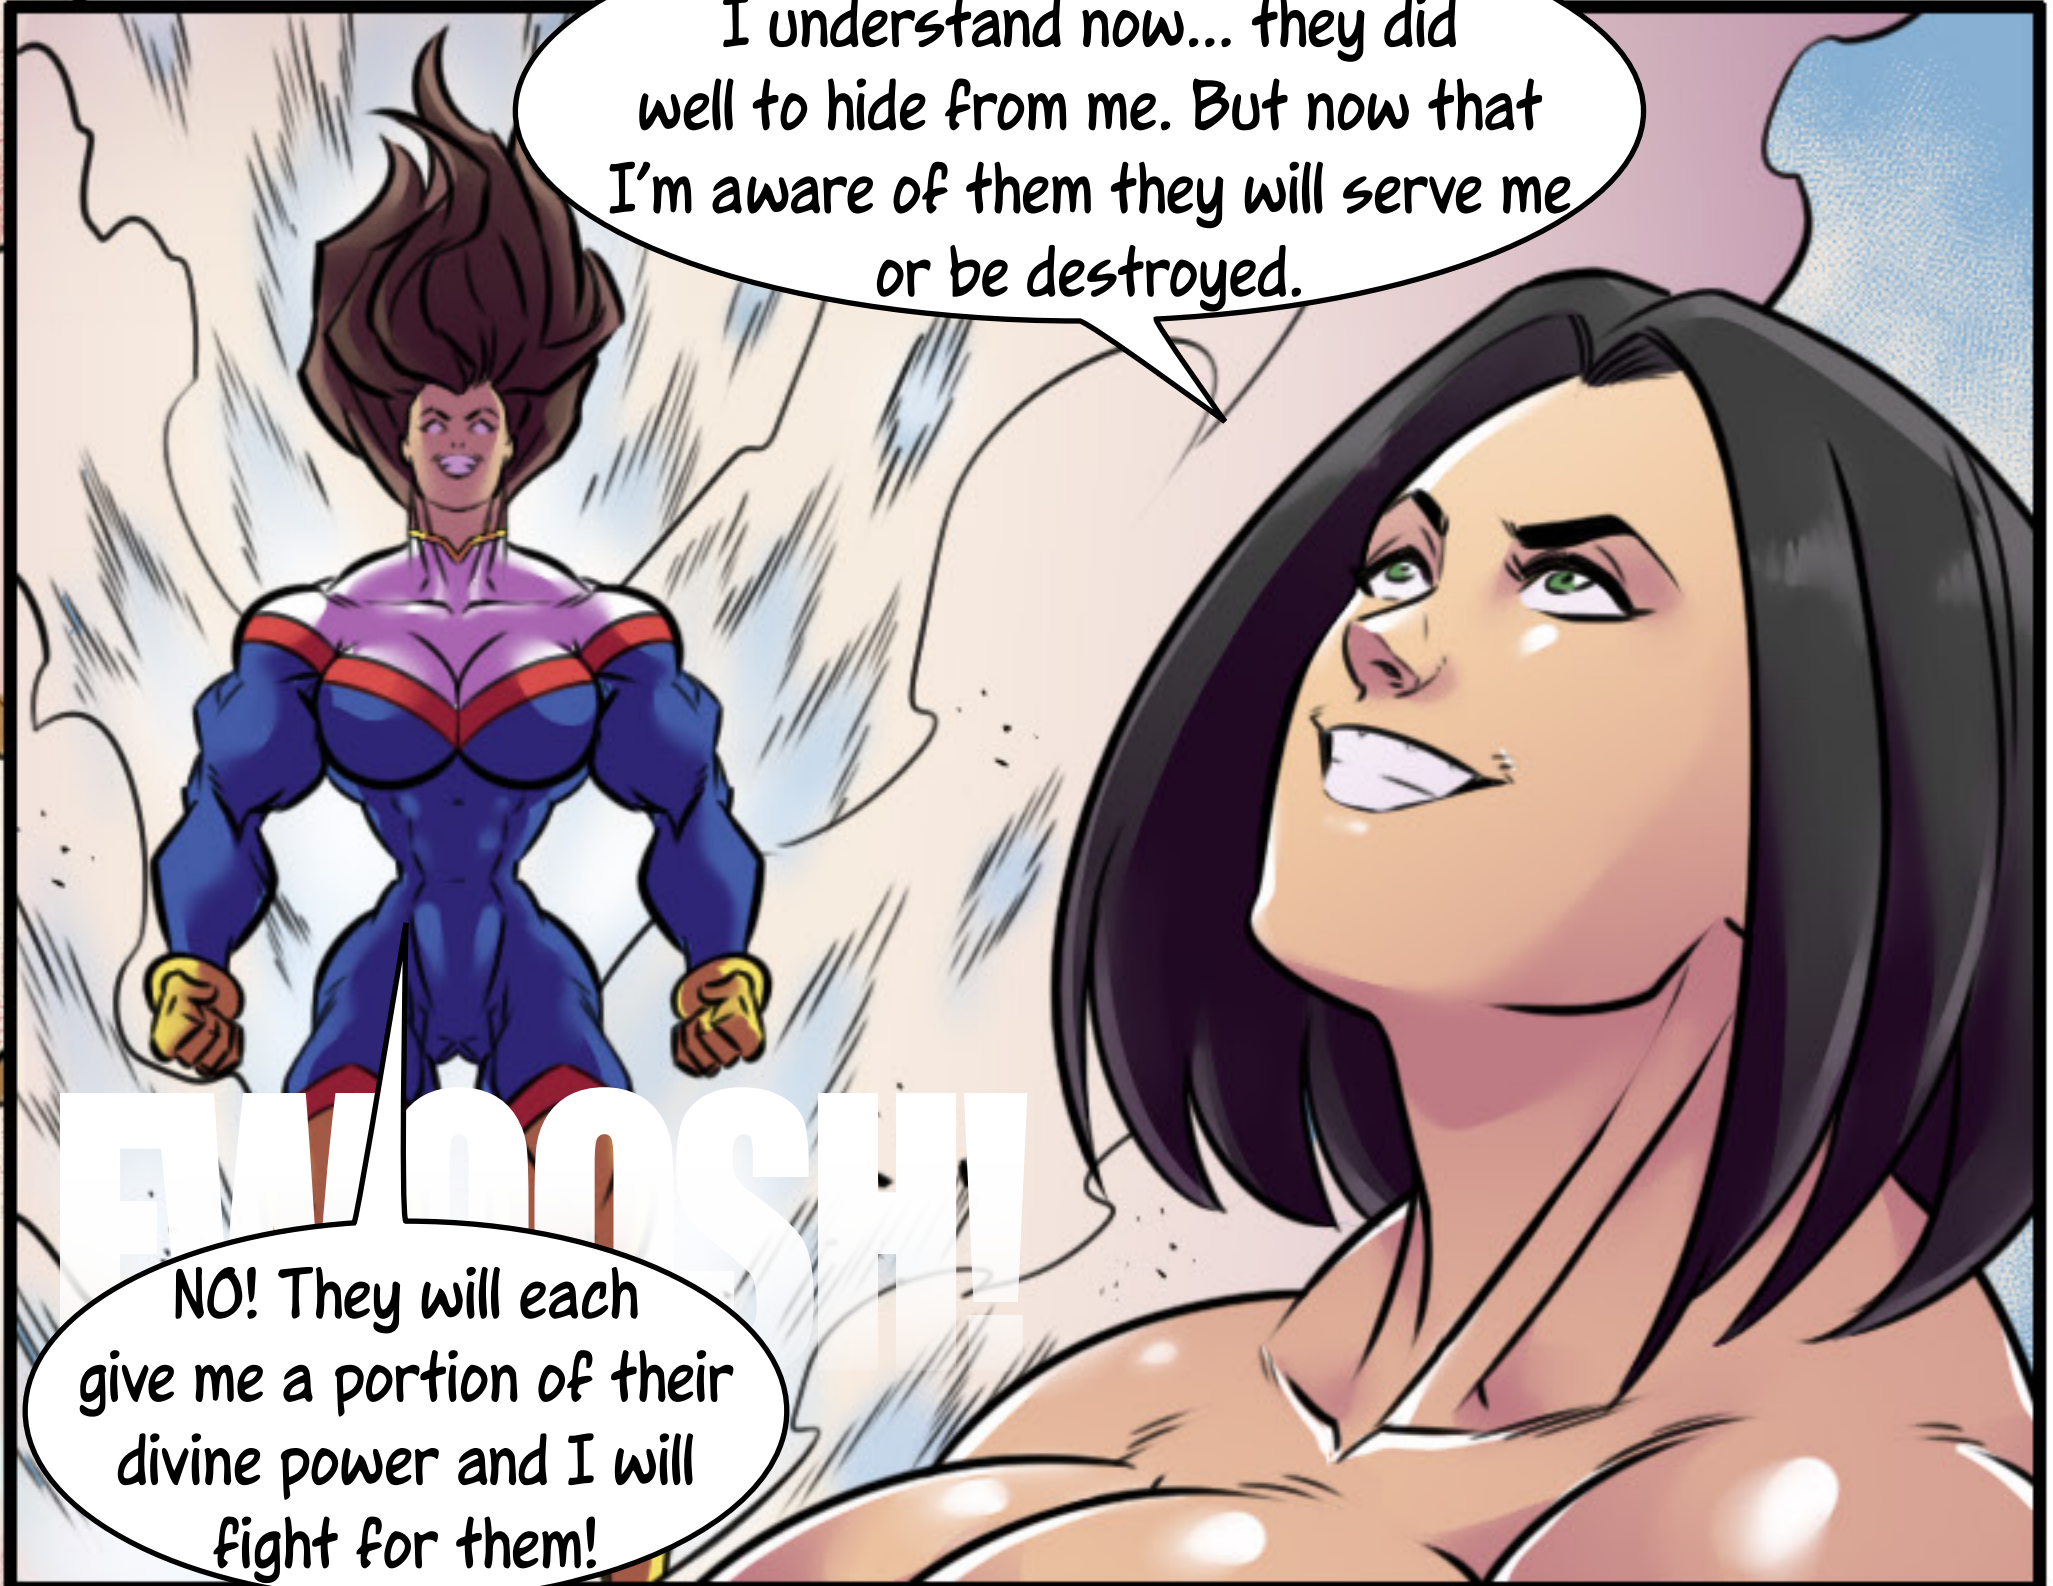

Didn't I kill you... and who are you talking to anyway?

I have been chosen by the gods of the Universe to be their champion.

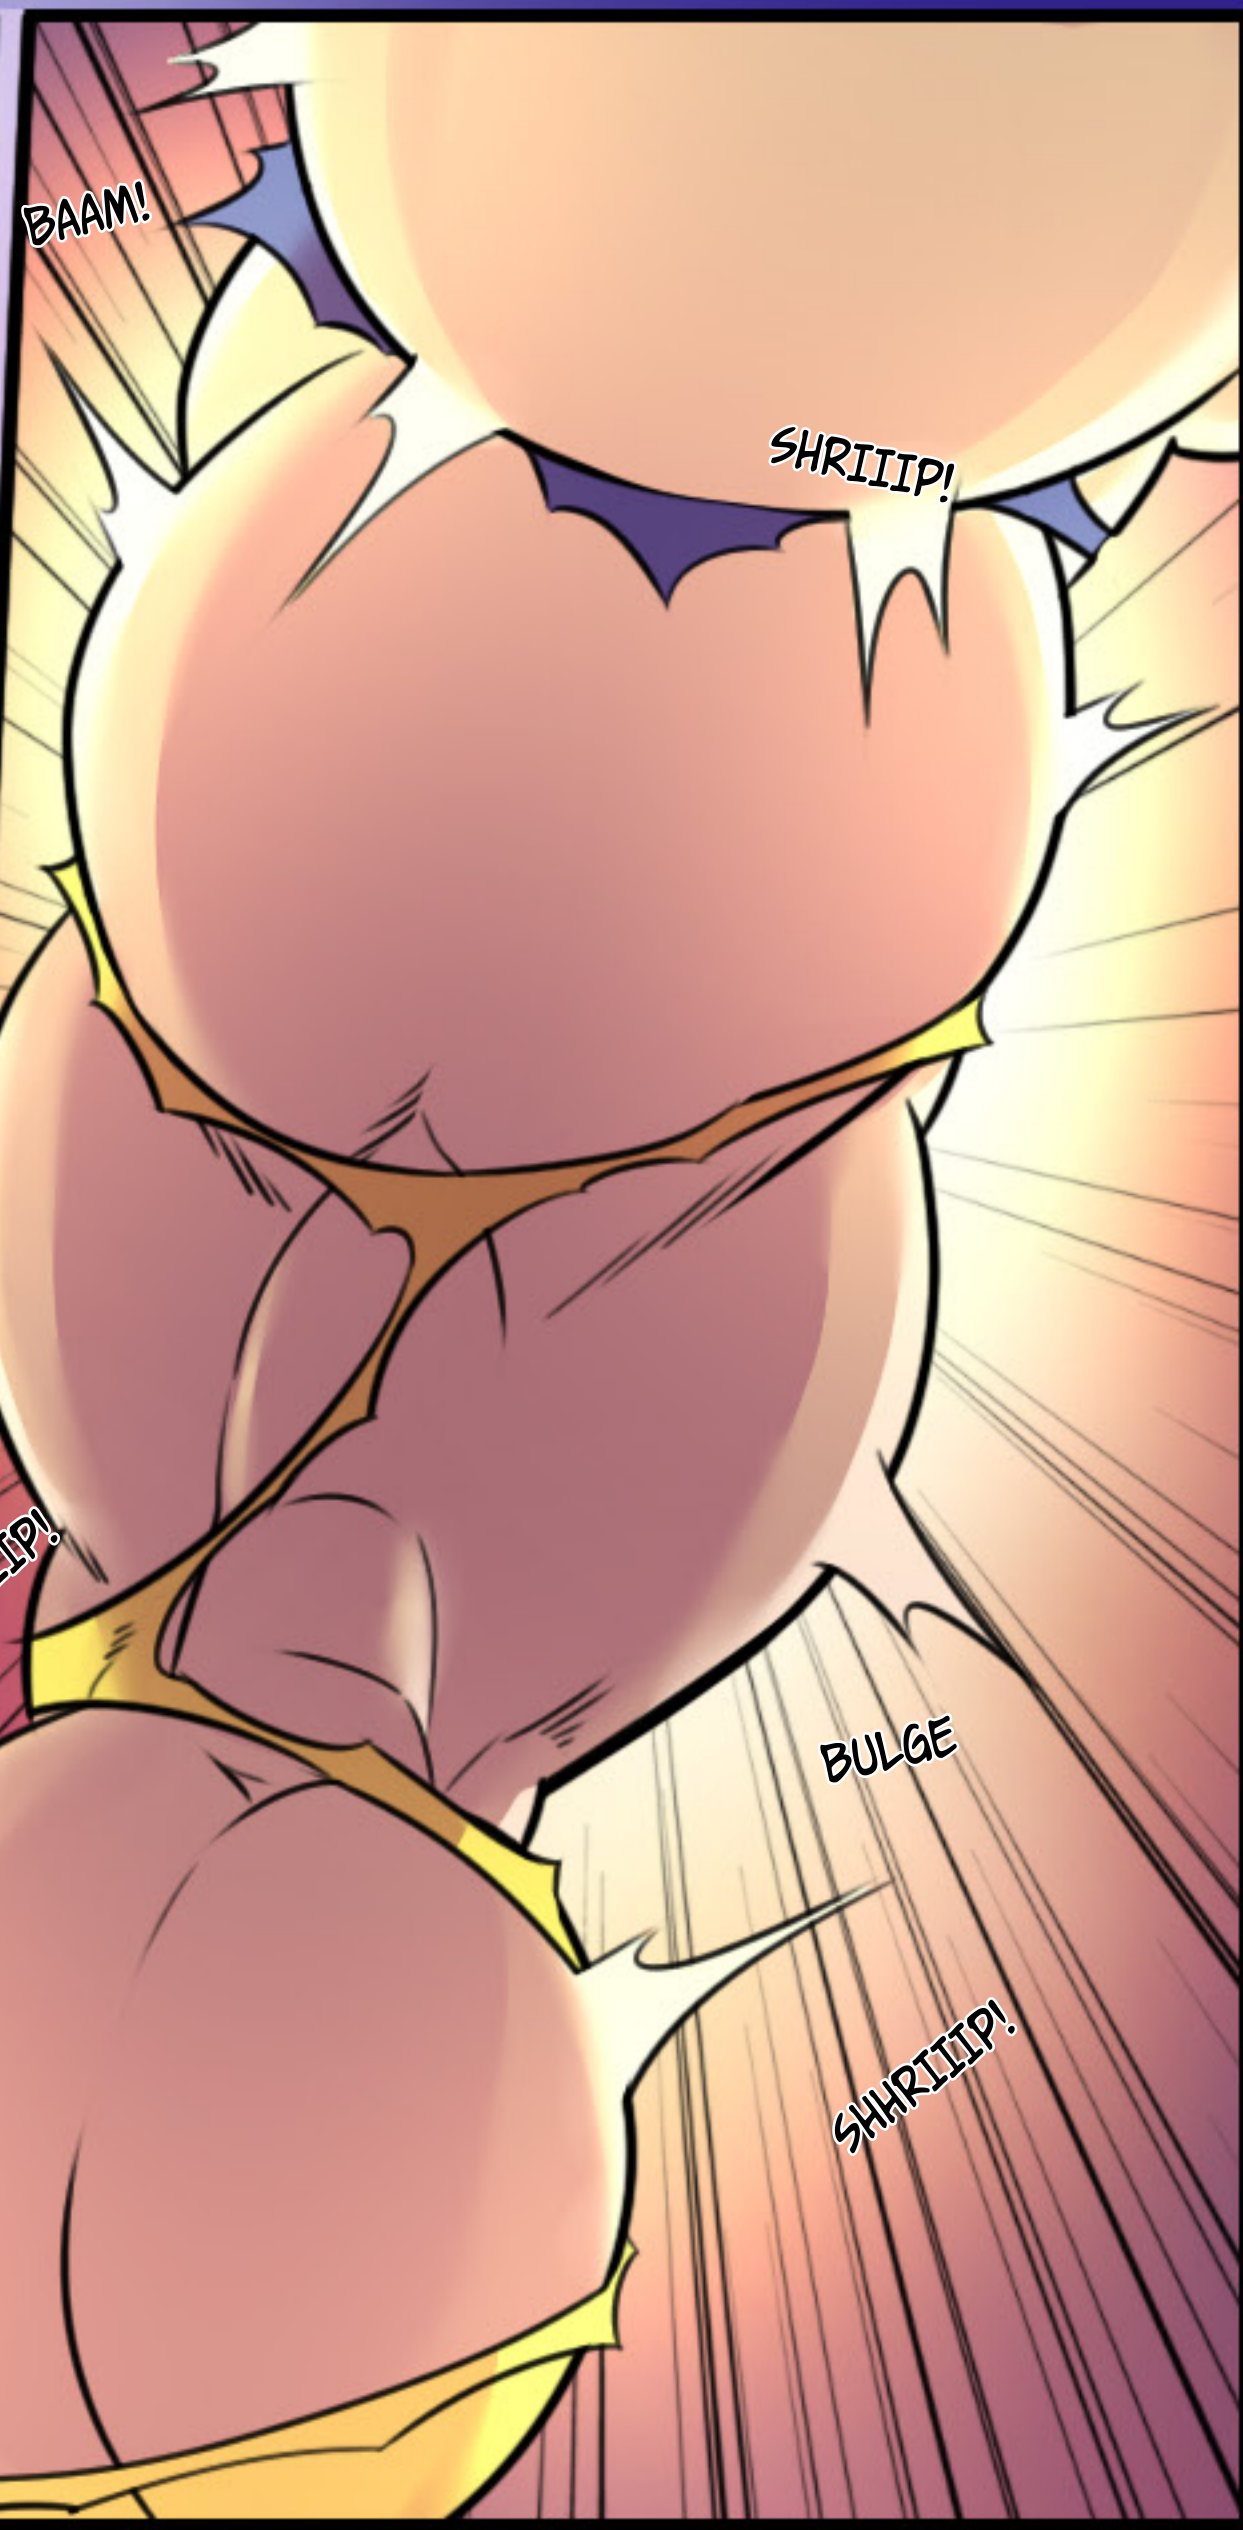

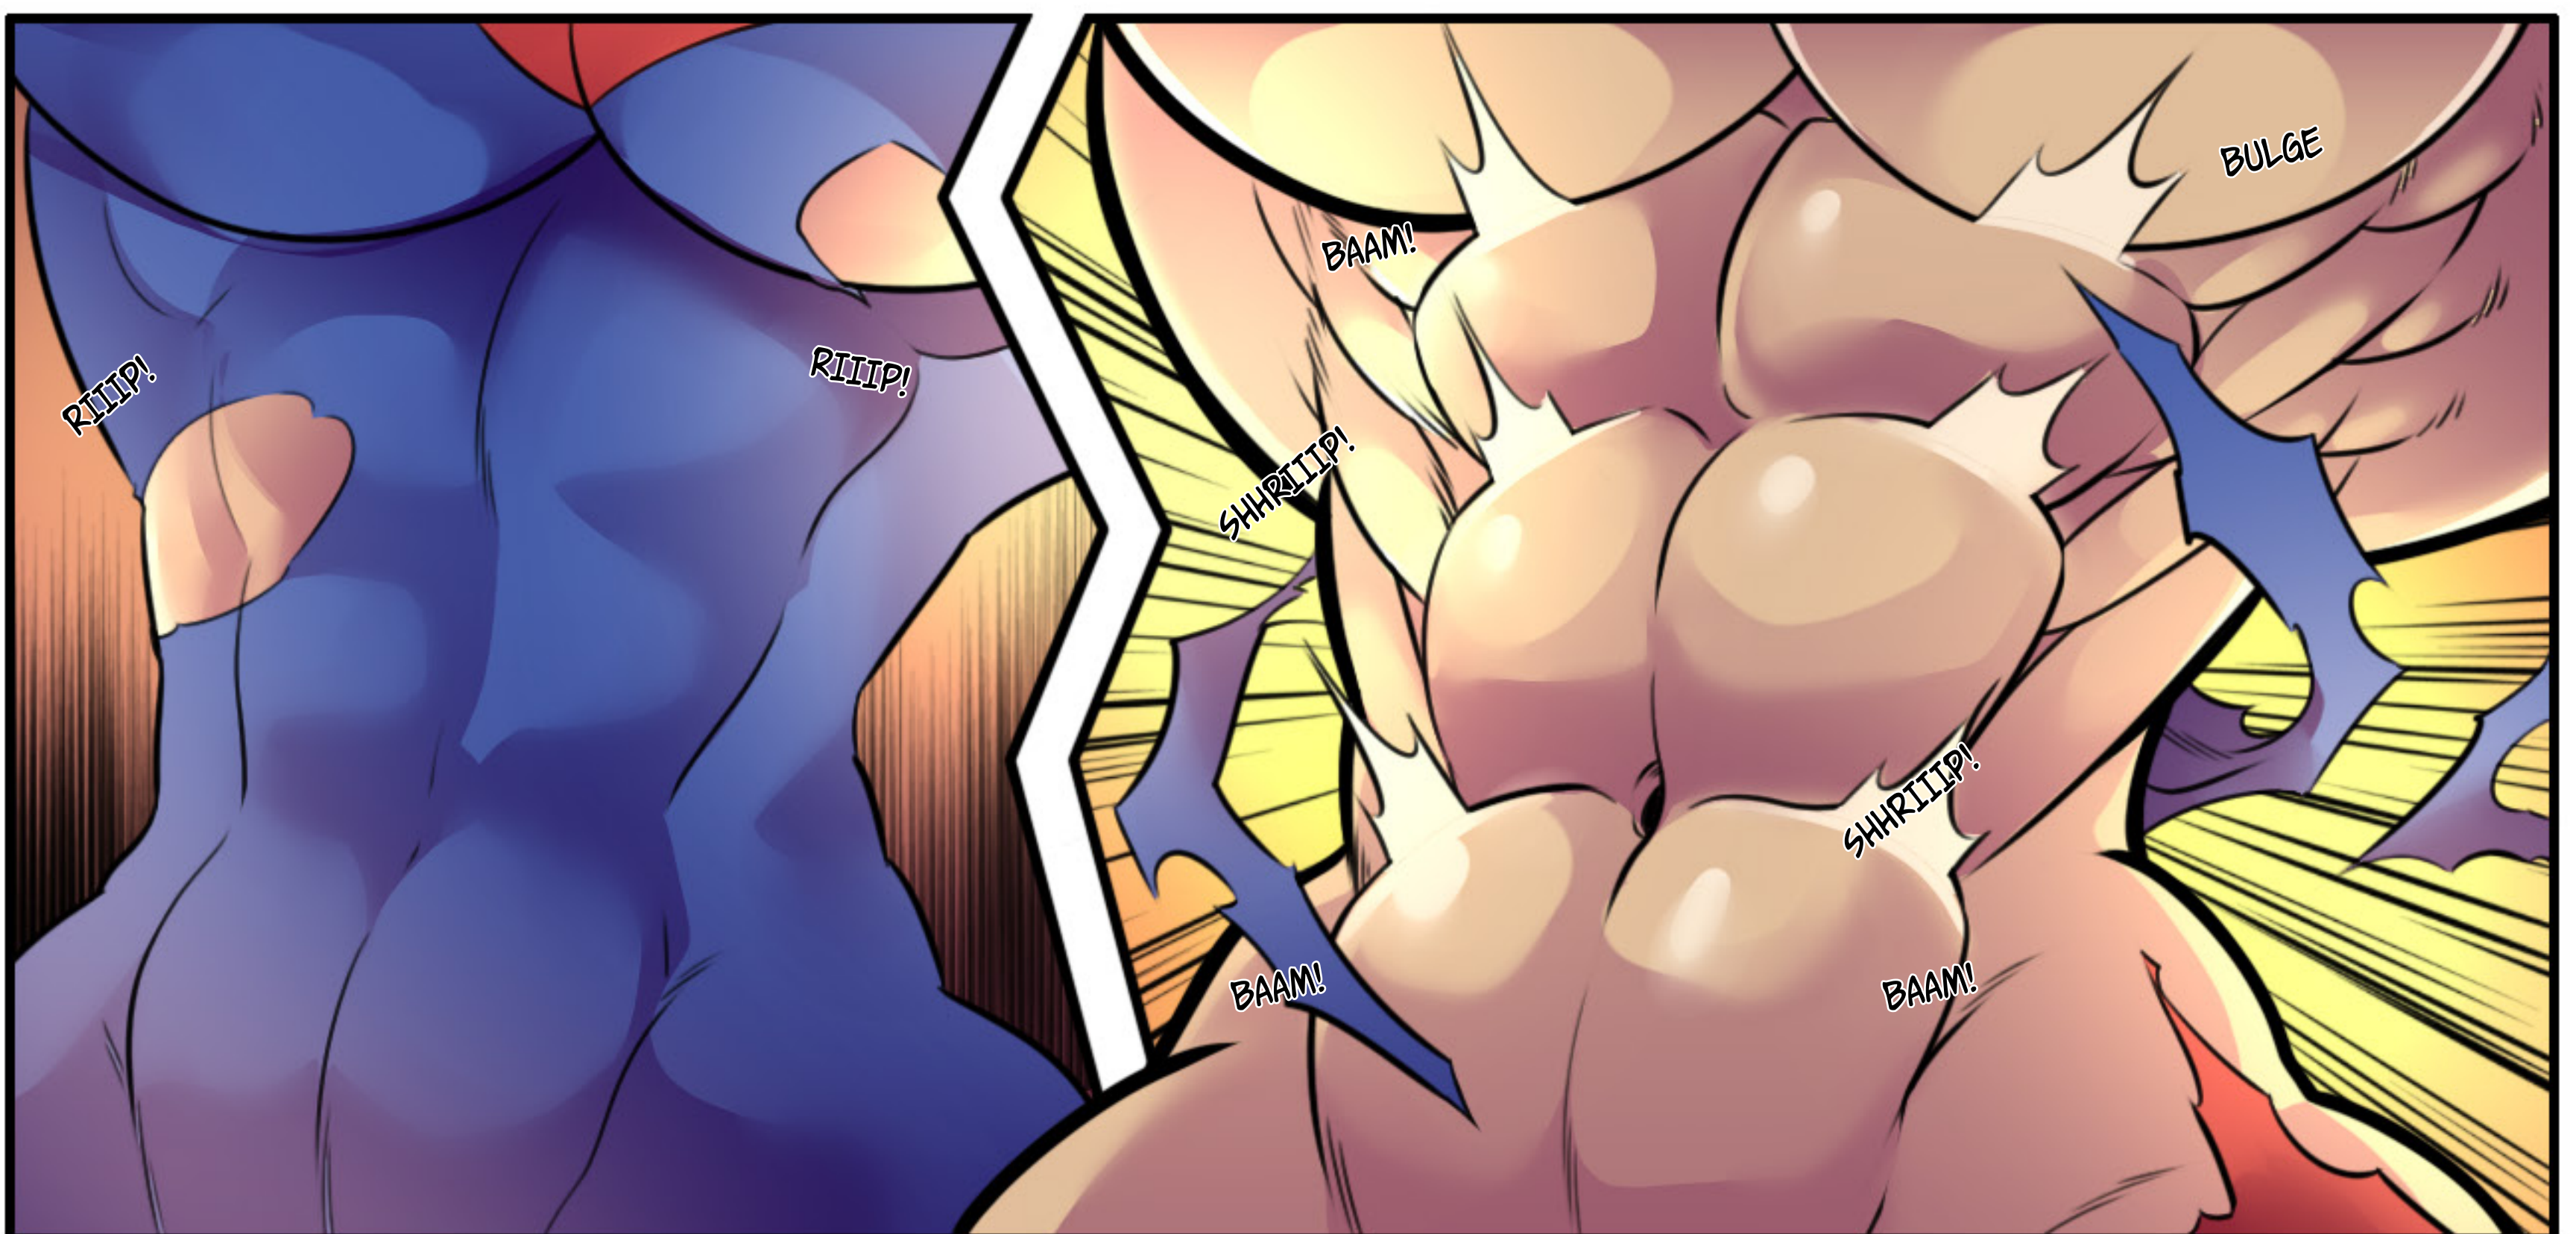

Gods of the Universe?

Oh! Yes. I understand now... they did well to hide from me. But now that I'm aware of them they will serve me or be destroyed.

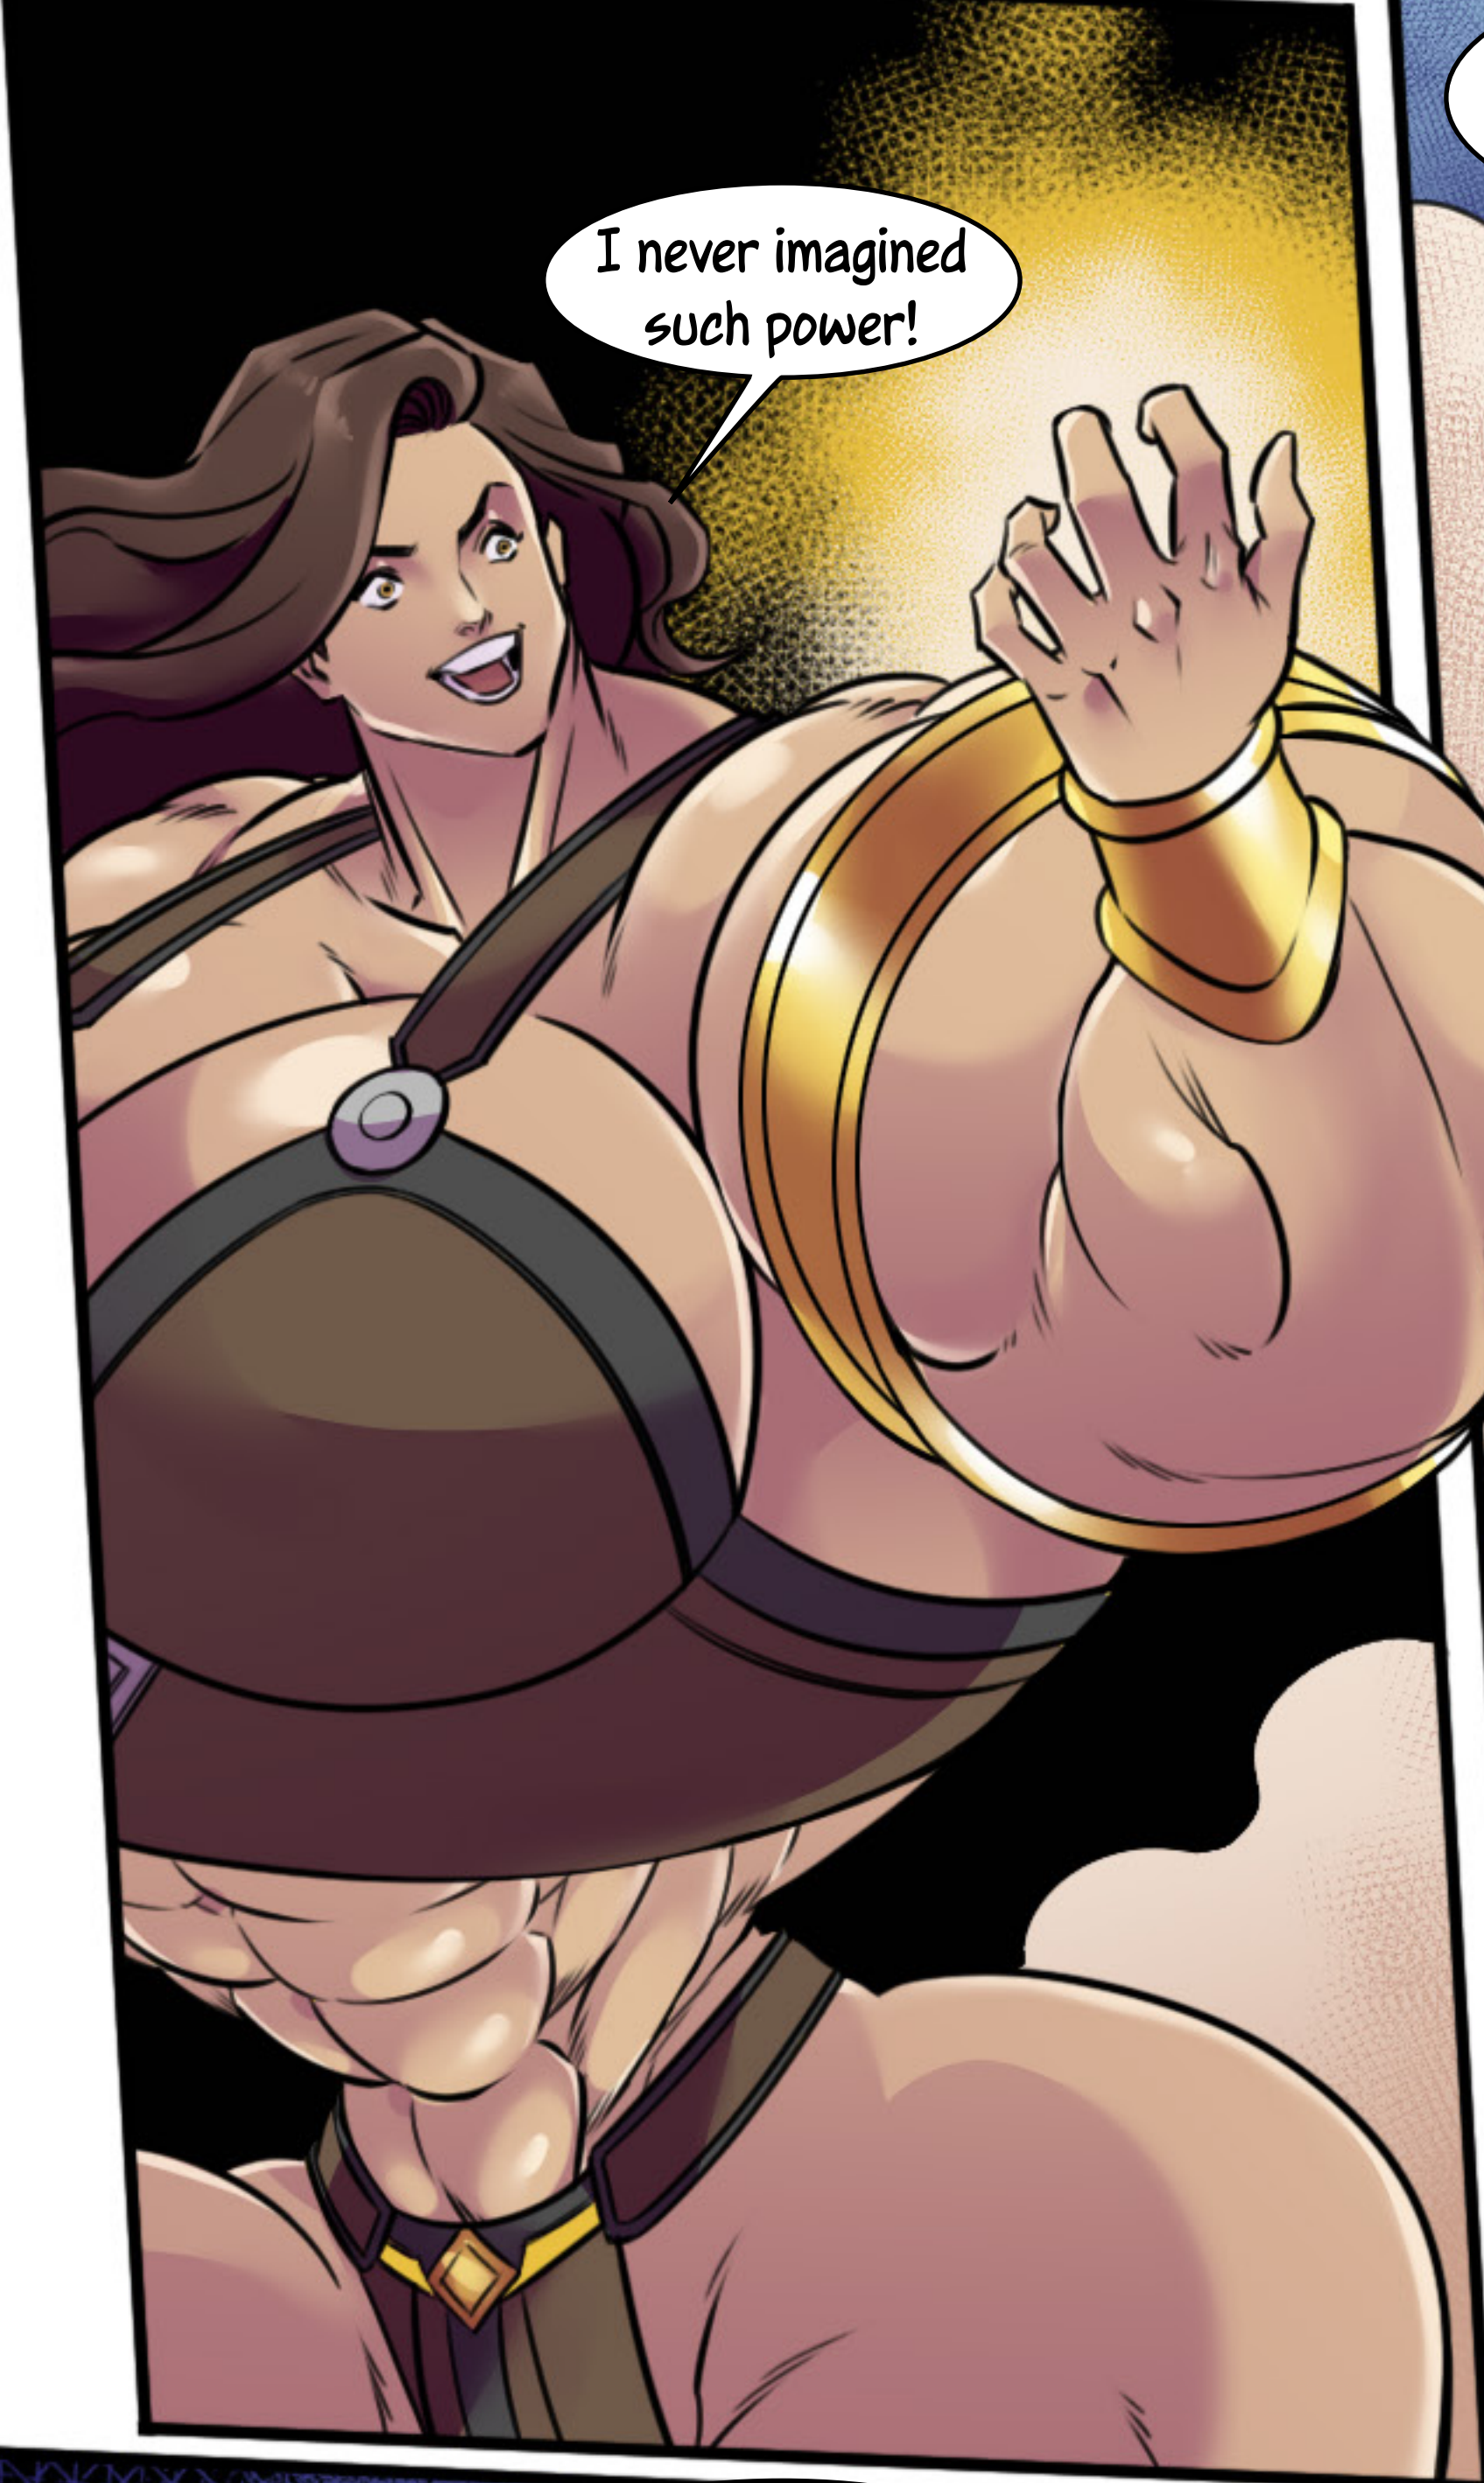

NO! They will each give me a portion of their divine power and I will fight for them!

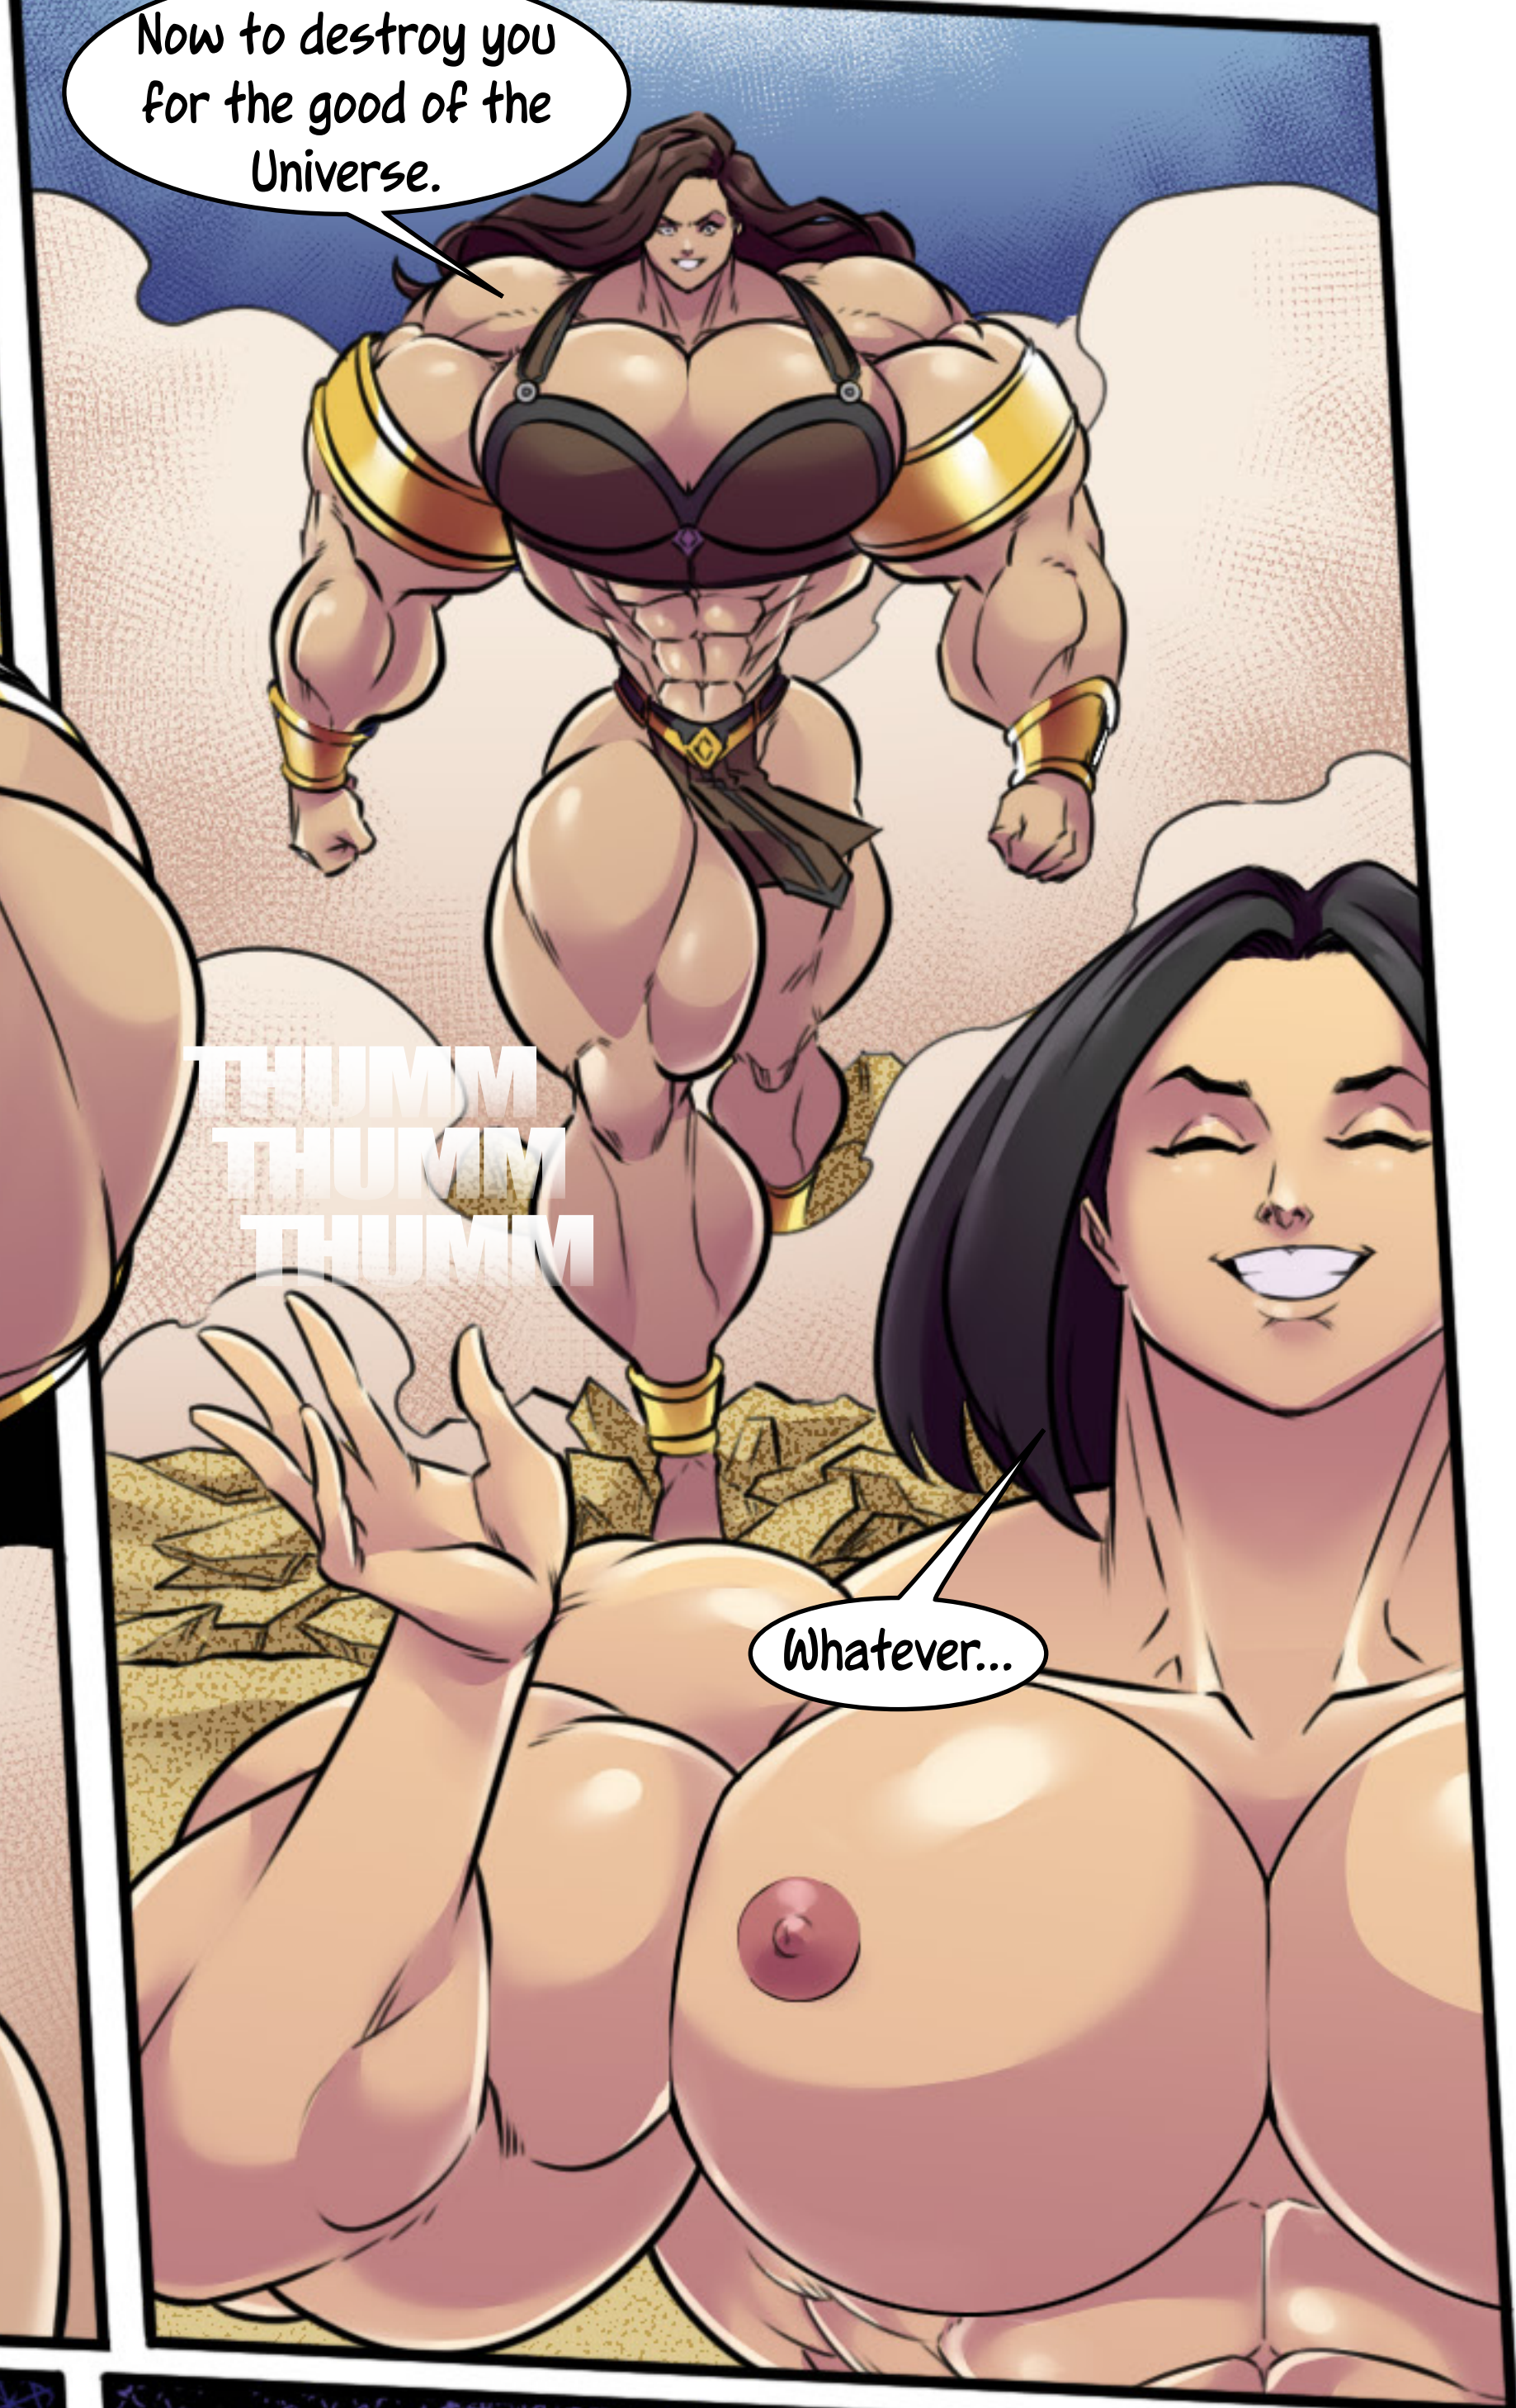

Yes!
Oh fuck yes!

I never imagined such power!

Now to destroy you for the good of the Universe.
