ACT 3

SLAVE  
TRAP

所帯庵  
SHOTAIAN

Got it?

During your training you're going to wear this suit all the time.

Good.

Now give me your hands.

Yes...

...

I've...

[OREC]

Raise your butt higher...

All right.

Let's check your asspussy.

...finished dressing...

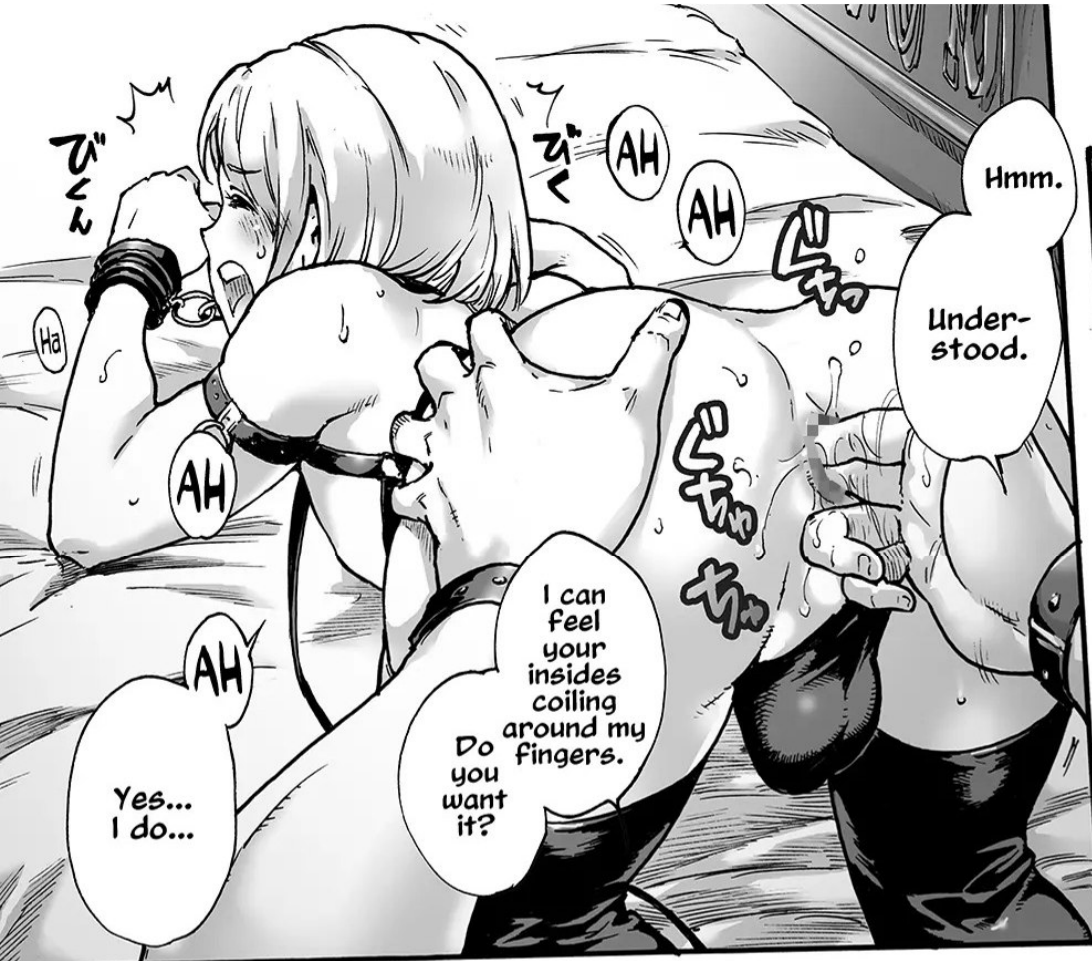

It feels surprisingly loose.

AH...

What's this?

And how many cocks had drilled this hole?

Yes... I do...

I can feel your insides coiling around my fingers. Do you want it?

Understood.

It's just... that I've stretched myself to this state...

No... not a single one!

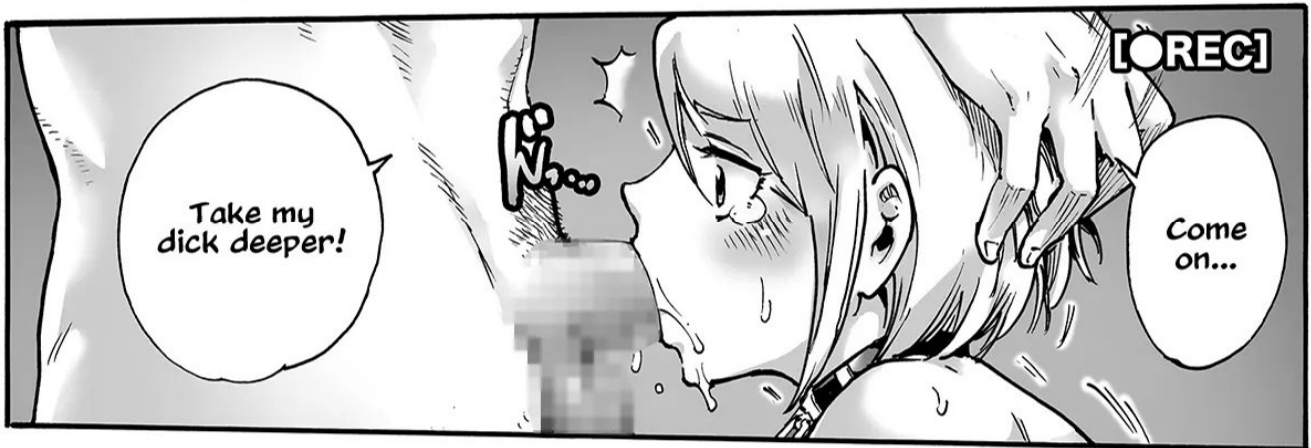

...Okay.

Right, to begin with you have to service your master's cock.

[OREC]

!..

[OREC]

AAH...

Hmm...

KHA

OOH

It means that you are a masochistic pervert...

You've got such a boner after I fucked your throat.

KHE

Well? How do you like your first sperm load?

Is it tasty?

Ha

Yes...

Ha

My... my ass... I beg you...

Master, please, plunge my ass with your cock!...

Do you want to try something even better?

If you do, beg it yourself.

むに...

おっ

Oh...

Great hole.

AAH!

Well said.

Have a taste of your reward!

This ass pussy is so nice and tight...

おっ

Ha

AH...

You're so big...

No... My ass is gonna break...

Ha

おっ

AH

AH

おん

[OREG]

What a lewd ass pussy.

Don't you think it wants to devour my cock?

AAH

おん

おん

No!

It's just...

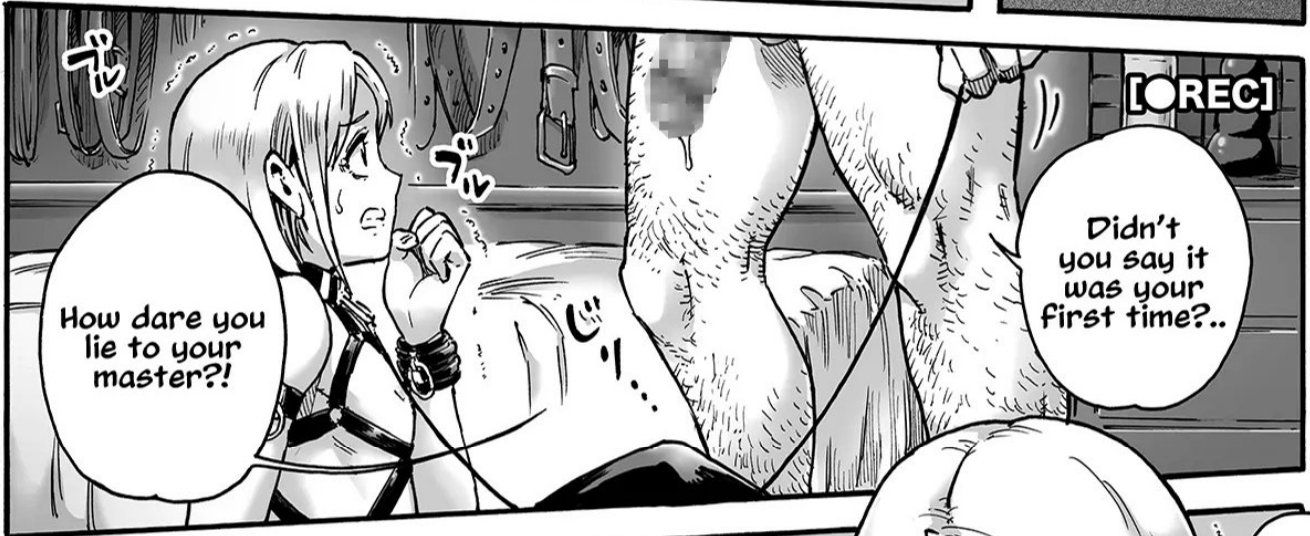

かば

!!!

...

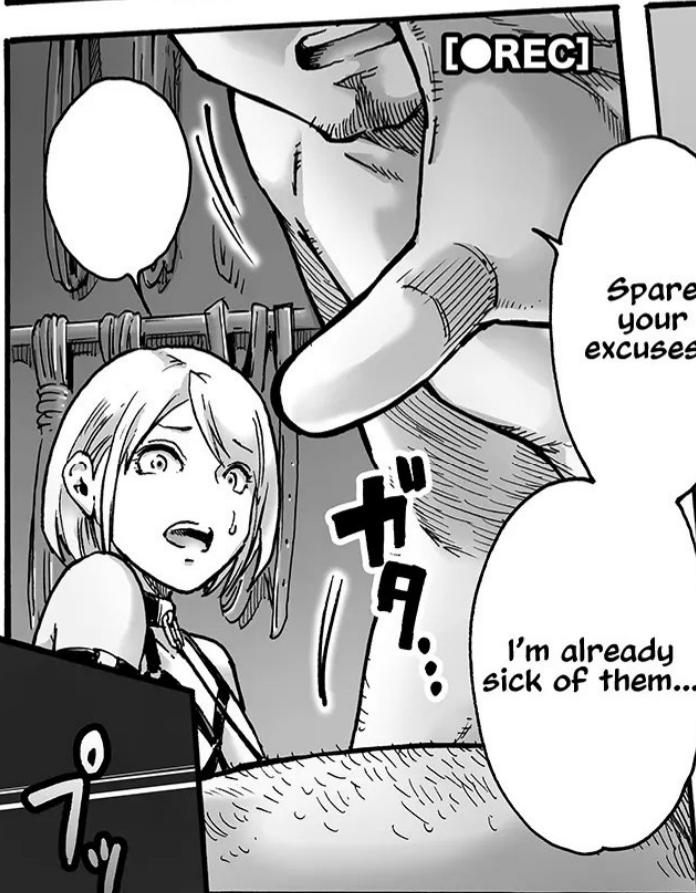

Best sex in your life, you say?..

How dare you lie to your master?!

Didn't you say it was your first time?..

[OREC]

[OREC]

Spare your excuses.

I'm already sick of them...

ガァ

You...

You're wrong!

It's...

I'm not...

アァ...

POWER

MMH...

OOH...

MMH...

て...!

You look great...

This posture is excessively suitable for a liar like you.

You pretend to be a cute naive boy-toy...

But in reality you're just a lying lewd slut.

ギイ

ギイ

!!!  
NGH!

て

NGH... NGH

[OREC]

...you shall be punished.

For trying to deceive your master...

ギイ...

Stop that fidget!

To think you could fit my fist so easily...

Take this!

It seems, you're ten times sluttier than I thought, bitch.

Come on!  
Come on!  
Come on!

Cum as hard as you can!

NGHA!

[OREC]

NGH...

This will teach you not to lie to your master.

Understood?!

...It's not over yet.

NGH... UGH...

I shall continue this...

until not even a single drip of sperm is left within you.

NGH?!

ずぬ

UGH...

NGH...

Hmm?

It's just me, or you're really making a happy face?..

Damn it.

It's no longer a punishment. Rather, it's a reward?..

Fin.

I have to wear this EXTRA THICC anal plug, so master would always be able to insert his dick inside me.

Master allows me to suck his big dick and drink all of his sperm until nothing is left.

I'm allowed to cum only with my prostate gland.

Also I cannot masturbate with my dick.

This time  
master  
allowed me  
to play with  
his friends.

Also I  
service  
them with  
my mouth  
now.

I'm... so  
happy...  
♡

I can drink  
a bunch of  
sperm every  
day.

The end ♡

# THANK YOU FOR READING THIS BOOK.

This book, just like the previous and the one before previous is done in POV Format.  
I don't know, whether it's good, or bad, but, as I think, - it's quite interesting.  
I liked making this SM-theme book, but I want to draw some other things in future.  
I hope I can figure out something.
