She is strangely drawn to it.

The unfamiliar creature known as Bushywig, senses Sue-Anne's dopamine levels rising. Time to take advantage he feels.

Sue-Anne feels good. She feels complete. Nothing else matters. She lets herself go and be taken by Bushywig.

But she was however feeling some sadness. Somehow she knew that this otherworldly experience was coming to an end.

So she allowed herself to enjoy every last moment.

Bushywig tells Sue-Anne a secret. The secret is that he's always been there. "I've been looking after you, my dear." says Bushywig.

**Bushywig goes on to explain that he first appeared to her as the white unicorn.
"Now get up and show me that lovely ass one more time!" says Bushywig!**

"Ok, Mr. Bushywig."

Bushywig thrusts his cock deep into Sue-Anne's warm and wet, inviting pussy. "Oh how I will miss fucking you again and again." says Bushywig.

"But why, Mr. Bushywig, why must you let me go? asks Sue-Anne.

"Because, my dear, there are greater forces at work here and I must obey them."

"What are these forces? asks Sue-Anne."

"I'll give you a clue, my dear. They are the same forces that are making you horny right now." says Bushywig.

"Tell me more, Bushywig, tell me more! Will I ever meet them?" asks Sue-Anne.
