*Arrgh! That bitch!
How could she do
this to me!*

*Problems,
short stuff?*

She locked me out!
Of my computer!

I don't think she
wants you to *play*
with it.

She had *no right!* I *bought* it! It's *mine!*

Yeah, well ...it's *hers* now. You should respect her stuff. Hey, what's with the *hair?*

Grrrr ...

Really, very pretty. *It's you!*

She said the
readers wanted me
to be a *little girl*
with *long hair!* *

You look good.

*That's not the
point!*

You *have to listen* to the
readers, Squirt! It's better
than being a *baby*, or one
of those *furry creatures*,
isn't it?

* [Click for the scene!](#)

Stop teasing me! I *can't* be locked out of my own computer! I have to do the *story*!

Not *your job* anymore. She *already did that*.

She ...she did?

Yup. Look, *she's* the Boss now. You have to *accept it*. You should just *relax* and go play with your *dolls* or something. Leave the stories to *her*.

This isn't *fair!*
She turned me
into *this* and
stole my life.

Look at the bright side.
She could have left you
in *diapers*. You don't
have it so bad.

But ...

Hi Sweetie. I
didn't know your
little friend was
here.

Hi Mrs. B.

Hello. Joanie, you should *ask* me before you schedule a *play date*.

But I ...

I have to drop Dana off at cheer and I have a meeting at the office. The *sitter* should be here soon.

Sorry you can't come with me, Shrimp. It's a closed practice.

But ...a sitter?

giggle It's not like Mom can leave you *alone!*

You're here! Great!

This is so *humiliating!*
I *don't* need a *sitter!*

Let's go,
Baby.

'k. Bye
Shrimp.

Of course you do.
You're only a *little girl*
now. You *do* need a
sitter when *Mommy*
isn't home.

I'm getting *sick* of being *treated* like a *child*!

Join the club. *I've* been dealing with this longer than *you* have ...and oh yeah, *you* did this to *me*!

That's *different*. You're a *fictional* character.

Lines seem pretty *blurred* these days, Short Stuff.

Hey guys ...

You! It's about time! I have a bone to pick with you!

Hey, Boss. How's the story going?

Great! I wrote myself into it!

So I've noticed.

I like the *makeover!*
You're 13?

Yep! I'm a
Sleepover girl!

Hey, you can write
me in as the plucky
neighbor!

Maybe. We'll
see.

Did *you* like the story, Munchkin?

How can I *see it* if I'm *locked out* of my *computer*!

Oh, *that*. Take my word for it, it's great! It's *selling* well.

Teriffic.

And guess what? I added a [Patreon](#) account! 28 patrons so far!

Huh. Don't quit your *day job*!

No problem! I *don't have one*!

Yeah, well. You better get out of here before the *sitter* sees you!

chuckle

*I'm the sitter, silly!
Better be a *good little girl* or no milk and cookies!*

But ...

Now, if you'll *excuse me* I have *work* to do.

Uh ...what are you doing?

The next story.

Oh. Can I have the password to the computer?

If I *give* you that you'll probably *delete* me, so ...no.

*I won't do that,
I promise!*

Yes you would. You
would *turn yourself
back to normal* and
delete me.

But I don't even know
how to use the
program anymore...

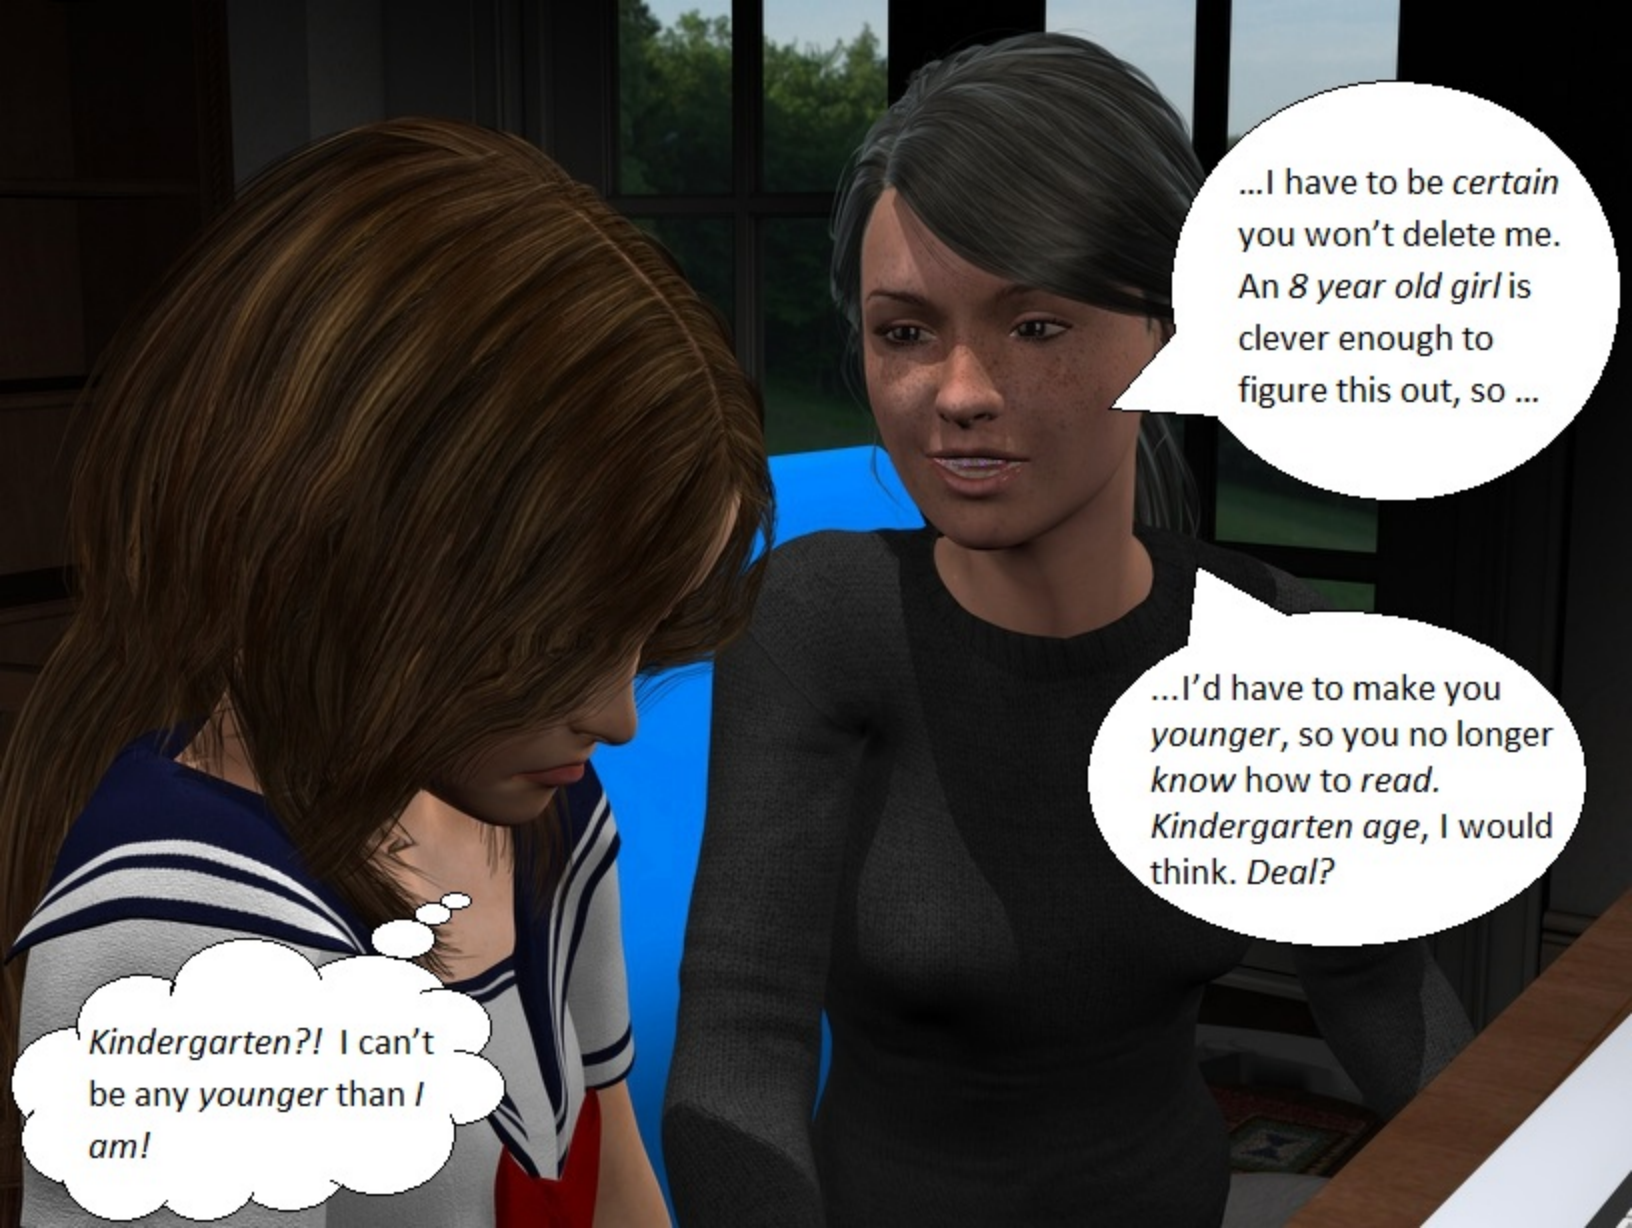

You could *learn*.
It *isn't hard*,
even for a *child*.

Please?

Sorry, Princess.
I don't trust you.

B...but ...

Ok. I'll tell you
the *password* on
one condition ...

...I have to be *certain* you won't delete me. An *8 year old girl* is clever enough to figure this out, so ...

...I'd have to make you *younger*, so you no longer know how to *read*. *Kindergarten* age, I would think. *Deal?*

Kindergarten?! I can't be any younger than I am!

Uh ...I don't
wanna be 5.
Thanks anyway.

Suit yourself. Now,
back to work.

You'll see ...let me get
'em in here ...

What's the story
gonna be about?

Hey, guys!

Huh?!

Well, well ...

S'up?

Hey. Don't
you guys look
retro!

Hi Annie.

I guess.

Ready for a new
adventure?

Always! Look at
you! You made
yourself so young!

giggle I'm only
13 years old!

Gosh!

Speaking of
younger ...is this
who I *think* it is?

It sure is.

Well aren't you
adorable!

H... hi, Erin.

sob

giggle She's so shy.

Heh heh. Tough to be the *new girl*.

Nice job, Boss!

Why thank you!

Foul one.

Djinn.

It is *my hope* that I have been summoned here to finally *end* you.

Will you *chill*, already?
Jeez, are you *fixated*!

Creator ...please
prepare a proper *tomb*
for this one!

*That does it! I'm not
scared of you! Bring it
on, Smokey!*

Shall I *slay* her now, Master?

I don't think we were called here so that you could *kill Annie*.

That is indeed a shame.

So why *are* we
here, Boss? New
story?

Oh, you'll like it ...

Let's write some *new history* for you guys. We'll pick up *right* where you *left off* ...

After Intro

By Areg5

Mmmm ...

giggle

*Oooh ...that
feels good.*

You feel good ...

So do you ...

giggle Keep
doing *that* ...

Mmmm ...

*Well ...excuse
me!*

gasp

Mom!

Didn't mean to
interrupt anything!

Can't you knock?!

*I've never been so
embarrassed!*

Ha ha ...*relax*, guys.
I'm *not mad*. Or
Jealous.

You're ...you're
not?

Of course not! You're
just *doing* what *kids*
do. It's not like we're
still married, and I've
accepted my role as
your mother.

Oh ...I *thought* you
would think I was
cheating on you.

I don't at all. I didn't
like when you *cheated*
on me with Annie, of
course, but you were
my *husband* then ...not
my *son*.

Anyway, I'm not here to *spy* on you kids ...I need a *favor*.

Sure, Mom. What?

I need *your genie's* help.

Oh ...ok. Genie!

poof

Yes, Master. I am at
your command.

Hi Genie. You don't
have to bow to me,
remember?

A thousand pardons.
What is your command?

Oh ...my Mom
needs your help.
Can you help her?

Of course.

What is your
wish, My Lady?

I have a date, but
nothing to wear ...

What?!

Oh dear ...

I didn't have
time to do my
hair, either.

Did you hear *that*?
A *date*!

Oh Devon ...

By your command.

poof

It is done.

gasp

Wow ...

Well? How do I look?

I can't believe you're going on a date!

I think you look great, Aunt Maggie!

Thank you, Erin. Devon ...

...you're a *boy*.
Don't be upset
that I'm going out
with a *man*.

But ...

Have fun,
Aunt Maggie.

Thanks! You *kids*
have fun. *Don't*
wait up!

Hey! Whose side are you on?

I don't believe it.
You're jealous.

Don't you get it?

You're the one that
doesn't get it.

Master ...

Is there *anything* you *desire* of me?

Not at the moment.

Very well. I will take my leave.

poof

hmph

What's *your* problem?

My problem?
You are so *dense!*

Meaning *what?*

Are you *serious?*
Jeez! Let me *spell it out* for you ...

What's *that* supposed to mean?!

You've got a lot of nerve! How *dare* you be jealous of *her*! After what *she's* gone through I'm surprised she puts up with you *at all*!

Seriously?! You are too much!!

You *cheated* on her! With *that witch!!*

That was *different ...*

I'll say it was different!
You *hurt* her! You got *just what you deserved* if you ask me! You acted like a *child* and now you *are one!!* I wouldn't have blamed her if she put you up for *adoption* for what you did! *

* *Click to see Evil Girlfriend!*

I was *older* then! I learned my lesson!

Yeah, right.

What are you *talking* about?

What do you *think* I'm talking about?! You have a *beautiful genie* at your beck and call ...

*...living in your
room 2 feet
away from you!*

Now look ...

I can *only imagine*
what goes on here!
You'll probably be *at*
it as soon as I *leave*,
for all I know!

By the Gods!!

What *madness* is this? I am in the garb of a *harlot*!

Nice!

Heh heh ...well, if the shoe fits ...

Grrr ...

*Foul
creature!*

Uhh ...

poof

*Once is all you get,
Djinn! Nobody sucker
punches me twice!!*

Time for some
payback!

*Heel, Annie! We're
guests here!*

**sigh* Oh, alright
...sorry, Boss.*

I too apologize,
Creator.

Next time,
Smokey.

Verily, Little
Witch.

I thought you would
like your *new clothes*,
Genie. My mistake.
Now, where was I ...

...oh yeah ...

I never *did* that!
Ever! I don't *think*
of Genie that way!

You're too much!
You're giving me crap
after all I've been
through!

Then there's
something *wrong*
with you!

Oh ... poor, poor you!

*Yeah, poor me! I
have to live 15 years
of my life over again!
You try that!*

*You got just
what you
deserved.*

Oh really?!

I suppose I *deserved* to
be turned into a *baby*!
How would you like it if
that happened to you?!

like it ... *

A close-up, cinematic shot of a woman with long, straight blonde hair leaning over a young child with short black hair. The woman is kissing the child on the cheek. The child has their eyes closed and a peaceful expression. The woman's hand is gently resting on the child's head. The scene is set outdoors, with shadows of leaves and branches cast across the subjects, suggesting a natural, possibly tropical, environment. The lighting is warm and soft, creating a tender and intimate atmosphere.

...as I recall.

I bet you relive *that* little moment *every night* with your girl from the bottle!

You're sick! I wish you knew what it was like to be *me!* It's hard!

I wish *you* knew what it was like to have such an *immature boyfriend!* It's *really* hard!

poof

Did ...did something
just happen?

I dunno ...

I feel sorta
funny ...

Um ...*so do I* ...

Gosh Dev ...you
look *shorter!*

I do?

Uh huh ...

What? *What is it?*

*...and that's
not all ...*

**giggle* You have breasts!*

Oh my God!

Devon! You turned into a girl!!! And not just any girl ...

Wow!

You're me!

*Wow ...it's like
looking into a
mirror!*

*It is! It's just
like looking
into a mirror!*

Huh?

*You've changed
too ...*

...you're *much*
more *masculine!*
giggle

gulp I'm
...I'm you,
aren't I?

You sure are!

Oh boy ...

*Ha! Didn't come out on the short end **this time!***

How did this *even happen?*

Maybe I wished it by *mistake*. You saw the *smoke*. *Heh heh*.

Not funny Devon!
Not funny!! I want you to get Genie back here *right now* and change us back!

H ..how can you yell at me like that? I'm j ...just a girl.

Will you knock it off and get Genie back here please?

giggle Ok. Genie!

Maybe she's
sleeping.

Genie?

I don't think
she sleeps.
Genie!

Where is she?

Where do you think she is, Dev?

Oh no ...what have I done?

Dev? You ok?

sob

Dev?

Hey ...

Don't cry. It'll
be ok.

sob I'm n...not
crying.

Come here
Sweetie ...

It's ok. I
have you.

I'm suh ...such a
jerk! How could I
have *done* this to
us?

You're *not* a jerk. It
was just an *accident*.
We'll *fix* it, you'll *see*.

Oh Erin ...

Mmmm ...

Mmmm ...

Better now?

Uh huh. I don't know why I was *crying* like that. It was a *really girly* thing to do.

Sometimes *girls cry*.

Yeah.

Did that feel
weird kissing me?

Uh uh ...it was
amazing! It felt
so *natural!*

I know ...

You're my *boyfriend*
now! I wanted to kiss
you.

giggle You look silly wearing *girl clothes*, Erin!

You're my *girlfriend* now, Dev, even though you're dressed like a *boy*.

You look *silly* too! A real *tomboy*!

giggle I'm not a *tomboy*!

A scene from a video game featuring two young women. The woman on the left has dark hair, wears a floral headband, and a blue and white striped polo shirt. The woman on the right has short black hair and wears a blue and white striped tank top. They are in a room with green floral wallpaper and a window showing a landscape. A thought bubble is above the woman on the right, and a speech bubble is next to her.

*Tomboy! I'll
show him!*

Just where are
you going?

I don't think *I* want to dress like a *boy*. Do you want to dress like a *girl*?

Wow ...

Well? I'm waiting! *Your* turn!

You look
awesome!

You look so *funny!*

*I can't! Move
your hands!*

Hey! **giggle** Stop
staring my *boobs!*

sigh You're
such a *boy!*

Ok ...*how's this?*

*Amazing! You're
so pretty!*

*Aren't you sweet! Can
I wear your bra? I
think I need one.*

*But then I can't
see your boobies!*

Erin!

What?

I'm *not* that kind of girl! You saw them, now I wanna get dressed!

You're no fun!

giggle If you're a
good boy you can see
my boobies *later!*

I'll be good. *Here.* It
felt *weird* anyway.

I *bet* it did! Can you
help me *put* it on?

I'd *love* to.

That's better!

There. How's that?

Can I have the boxers?

I'll trade you ...but no peeking!

*Hey! I said
no peeking!*

*You're peeking
too!*

**giggle* I didn't say I
wouldn't peek!*

*Ha ha ...you
naughty girl!*

I'm gonna get dressed.

What's the rush?

Hey! What's
the *big idea*?

Let's *not* get
dressed just yet.

giggle Put
me *down*!

Does the *little
girl* want me to
put her *down*?

You're my
little girl.

I'm not a *little girl*.

Then you're
my little boy!

have been *great*?

What?

Don't laugh ...

I won't.

I wish we knew each other when we were *little*.

That's ...that's so sweet. You're so sweet.

really fun!

Is there a *problem*,
Genie?

It is as I *feared*. I
cannot *undo* what you
have *done* to them
with *yon* *contraption*.

Hey, don't
cry ...

sob

That's *right*, you ...

...huh?

zap

?

Know what *your*
problem is, Djinn?

You have *no* imagination.
You don't *think* outside
the box.

Where is the Creator?

A 3D rendered scene featuring two characters in a room with white paneled walls. On the left, a young boy with dark, spiky hair is wearing a blue zip-up hoodie over a black polka-dot shirt and black shorts. He is holding a red pencil and looking towards the woman. In there.

*Hey! Let

A suitable punishment,
Little Witch, but if she is
imprisoned as such she
cannot restore my Master.

What's the
big idea?

True ...

...but I bet
she can.

Of course. The
one *True Creator*.

But I don't know
how to use the
program anymore...

poof

Ooooooh!

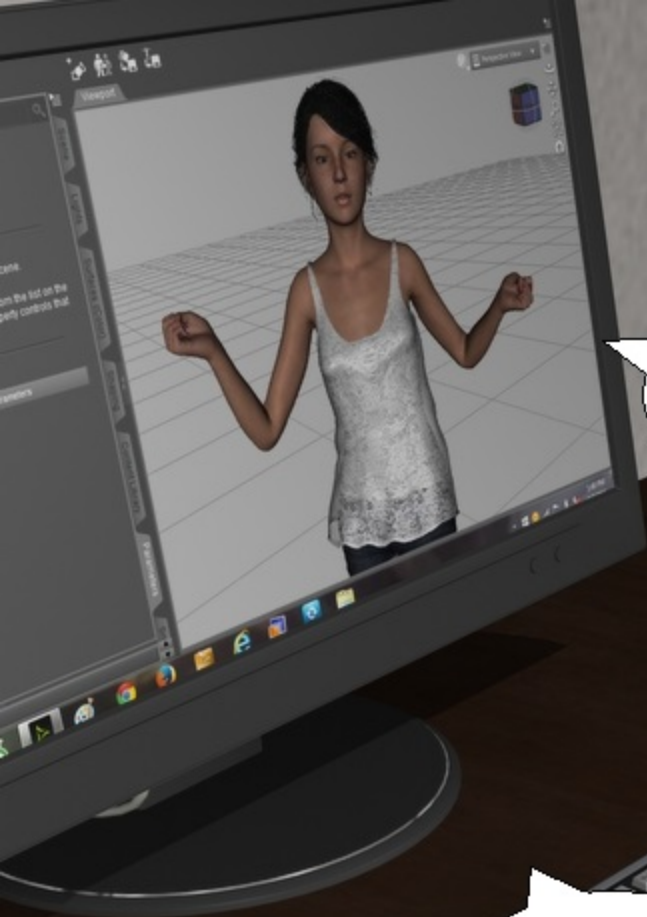

Pretty!

*Hey! I think I
can do it now!*

Yay!

Jumpy!

Avatar. I want the password.

Just wait a minute ...

Now, or you're history. I mean it.

Oh alright.
It's ...

Great. And now ...

There! Better?

Ahem ...

giggle Oh
yeah. I forgot...

There. *Better?*

Much better.

Jeez, Dev. I guess
now I know what
you go through.
Kinda sucks.

Yeah. She shouldn't
have done that to you.

Or to you ...*again!*

A scene from a video game featuring three characters. On the left, a blonde woman in a purple bikini looks thoughtful. In the center, a young man in a blue striped polo shirt looks confused with his hands raised. On the right, a young woman with dark hair and a floral headband looks angry. In the foreground, a computer monitor is visible. Three speech bubbles contain dialogue.

*What in
the hell
was that!?*

*That was
humiliating!!
What's wrong
with you?!*

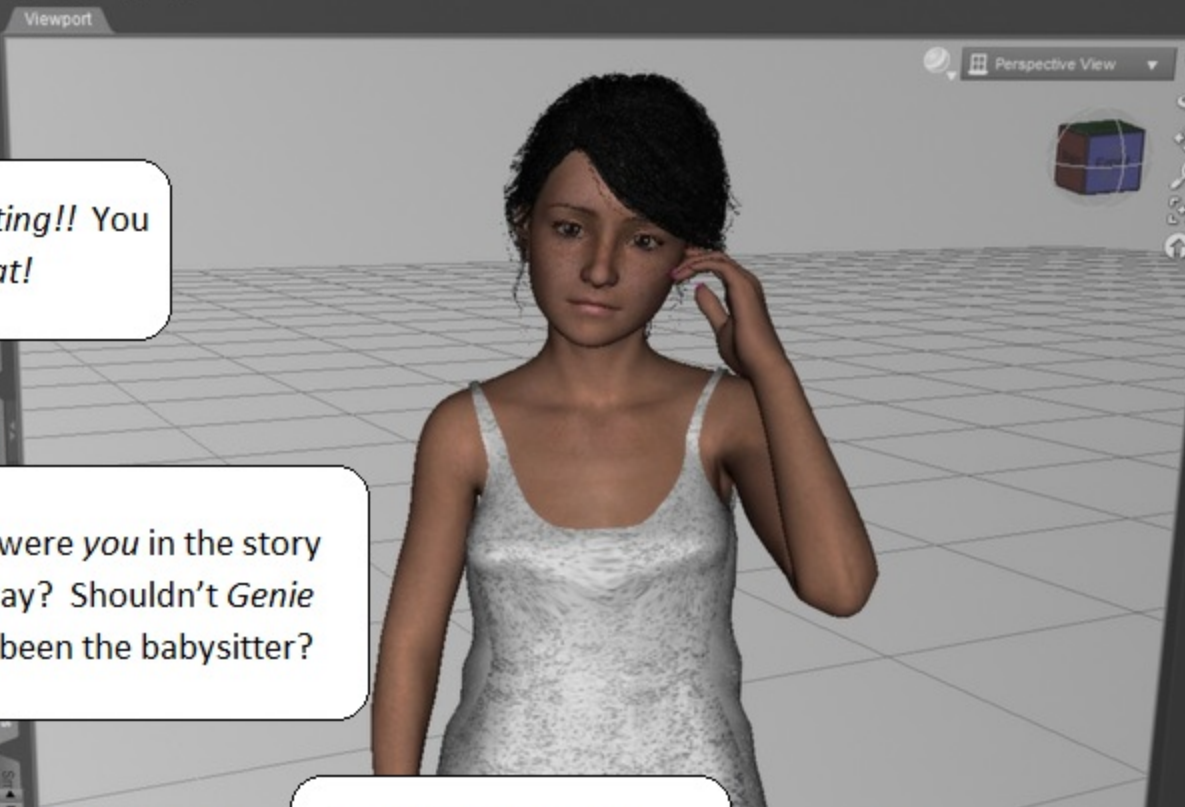

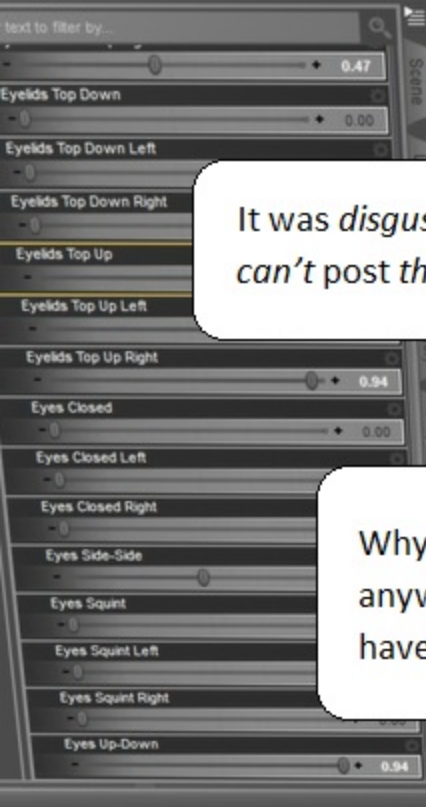

Uh ...

You *diapered* us!!

It was *disgusting!!* You *can't post that!*

Why were *you* in the story anyway? Shouldn't *Genie* have been the babysitter?

It didn't even make any sense!

I too was *offended*. I would *never* grant wishes made in *such a manner!*

Why did you even write that?

If you *must* know, the *readers* have been clamoring to see *Erin regressed*. The *body switch* was suggested as well ...

The *same* readers that
wanted me to be an 8
year old girl?

Yeah. Them.

Grr ...

I'll deal with you *later*.
Back where you *belong!*

Hey, who are you talking to, Monique?

Oh ...no one.

*Thanks, guys.
Couldn't have done
it *without* you.*

Any time,
Boss.

We are at your
service, Creator.

We make a *good team*, Djinn.

That *may be*, Little Witch ...but I *still* intend to *flay the flesh from your bones* and leave you *writhing* in agony. You will *beg* for a *swift end* to your *miserable life*.

Whatever.

Hey Boss, does
this mean I get to
stay this way?

I'm afraid not,
Devon. This was
a *detour*.

Why don't you guys
take the rest of the
day off. Enjoy each
other!

Thanks Boss!

Tomorrow, though, it's
back to *Kindergarten*.

sigh Alright.

poof

I'm all for *that*!

C'mon, Dev. Let's do something *fun*!

So, *Boss* ...you gonna change back to your *grouchy ol' self* now?

Um ...I have a soccer game tomorrow ...

After *that*, then?

My friend Katie has a *birthday party* this Saturday ...

So?

There's gonna be *ponies* ...

Hmmm. Seems like you *like* being a *little girl*.

Of course I don't ...

I'm way ahead of you.

Well, that means you need a *sitter* until *Mommy* gets home.

I know someone
with *experience* ...

Hey guys!

Hi Song.

Thanks for coming on
such *short notice!*

A 3D rendered scene showing a woman with black hair in a bun, wearing a red long-sleeved shirt with 'GIRLS' on it and denim shorts, standing in a hallway. She is gesturing with her hands while talking to two children. On the left is a girl in a white sailor-style top and dark blue skirt. On the right is a boy in a dark blue hoodie and black shorts. The background features a white door and a light switch on the wall.

Uh ...yeah. I'll try to involve you more ...

I wasn't *doing anything*, Boss. You know *that*.

Ok. Listen, I do have some *homework*, so you kids hafta play quietly!

A 3D rendered woman with black hair styled in a high bun. She is wearing a red long-sleeved shirt with white trim at the neck and cuffs. The shirt has the text 'URBAN GIRL' in large white letters and 'SINCE 1983' in smaller white letters below it. She is looking directly at the camera with a slight smile. Her right hand is raised near her face. A white speech bubble is positioned to her left, containing text.

If you *behave* yourselves
I'll give each of you a
piece of *my homemade*
candy! *
