

Last chance Kyle... do you have the money for the rent for this week? You are behind 2 months now...

nah, mate. Next week for sure. You can have a french toast if you want.

*\*sigh\**  
Hey, can you look at this real quick?

Hypnosis App? what are you...

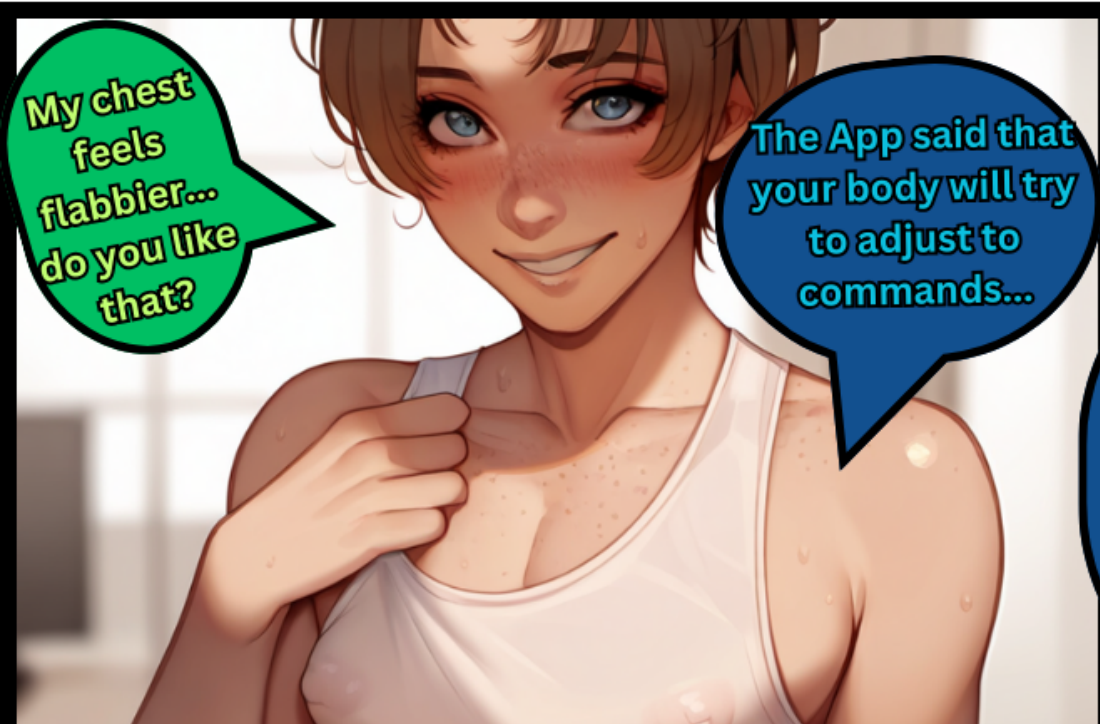

*\*brain rerouting\**

OMG IT WORKS!  
that's what you get for trying to rip me off!

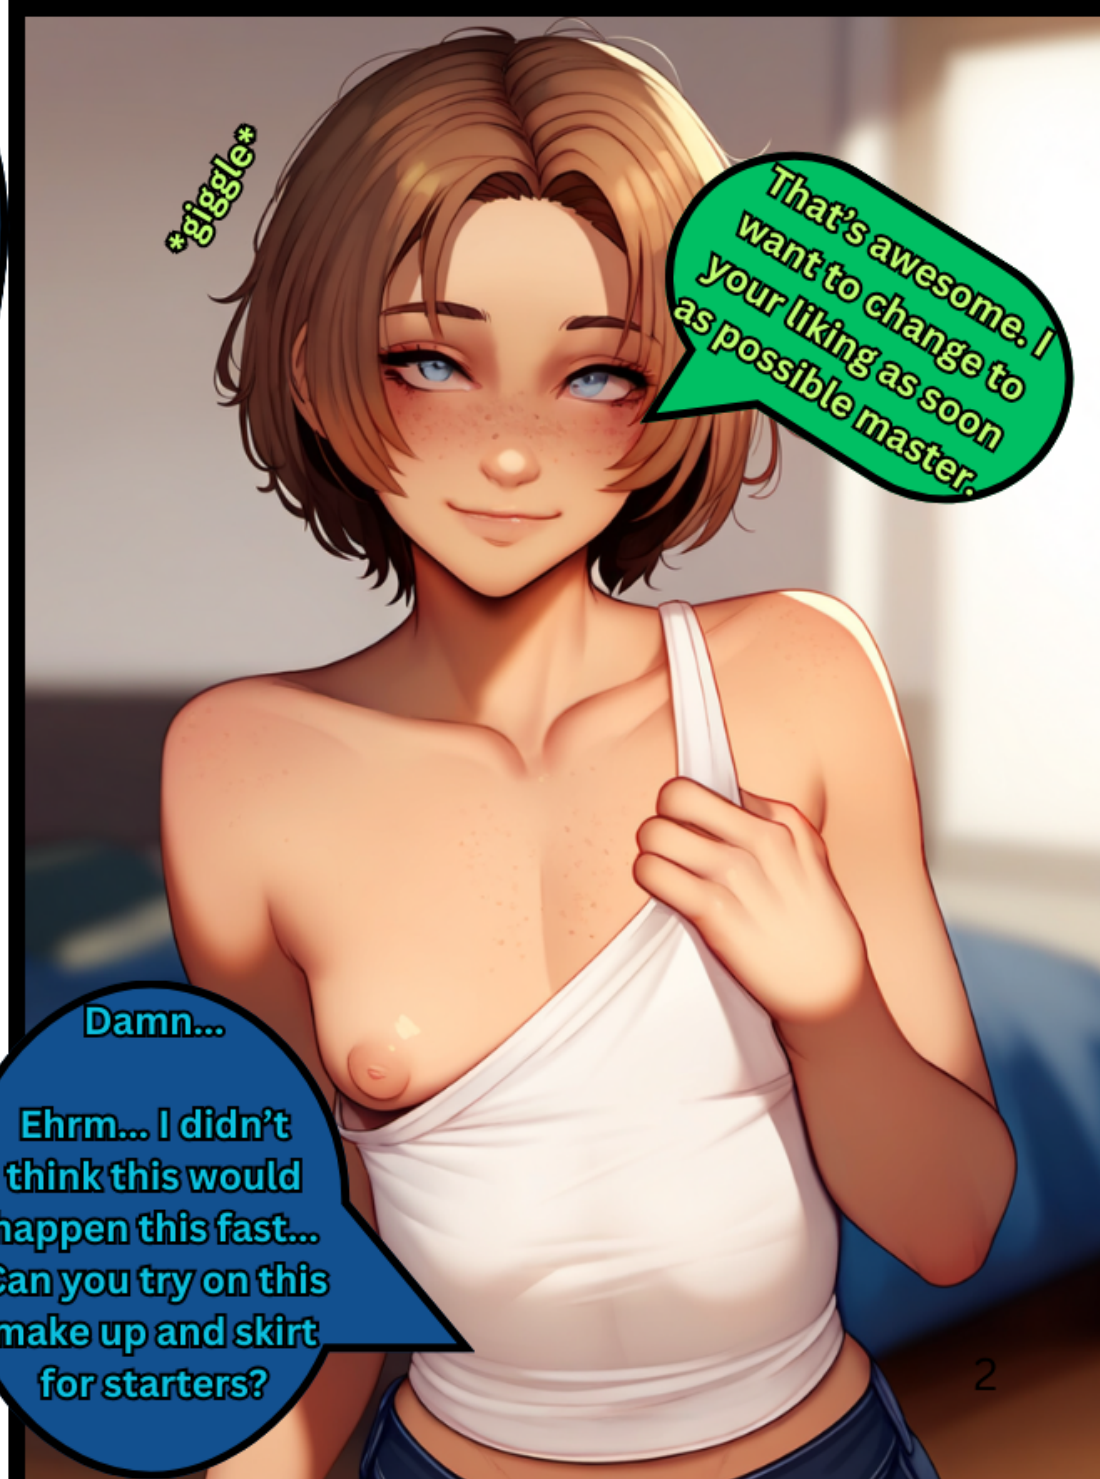

Oh Markus... I mean... Master. Are you angry with me?

Fuck yeah I am...  
Now go and put this on. I want you to make yourself useful for once.

My chest feels flabbier... do you like that?

The App said that your body will try to adjust to commands...

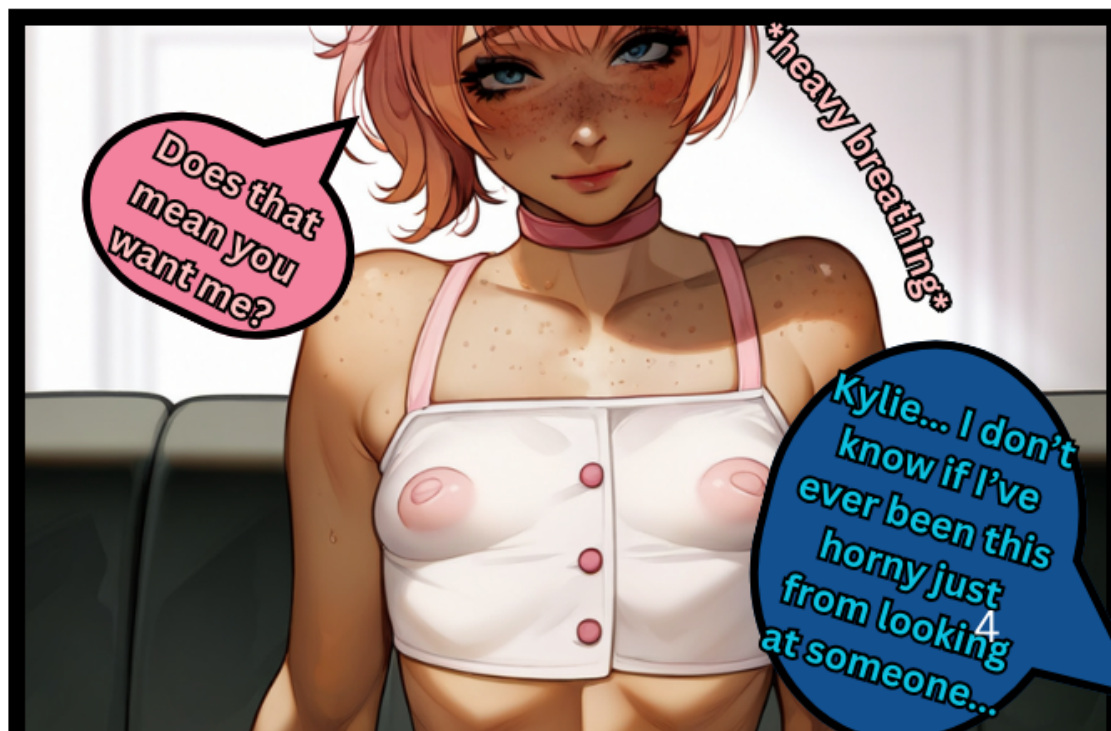

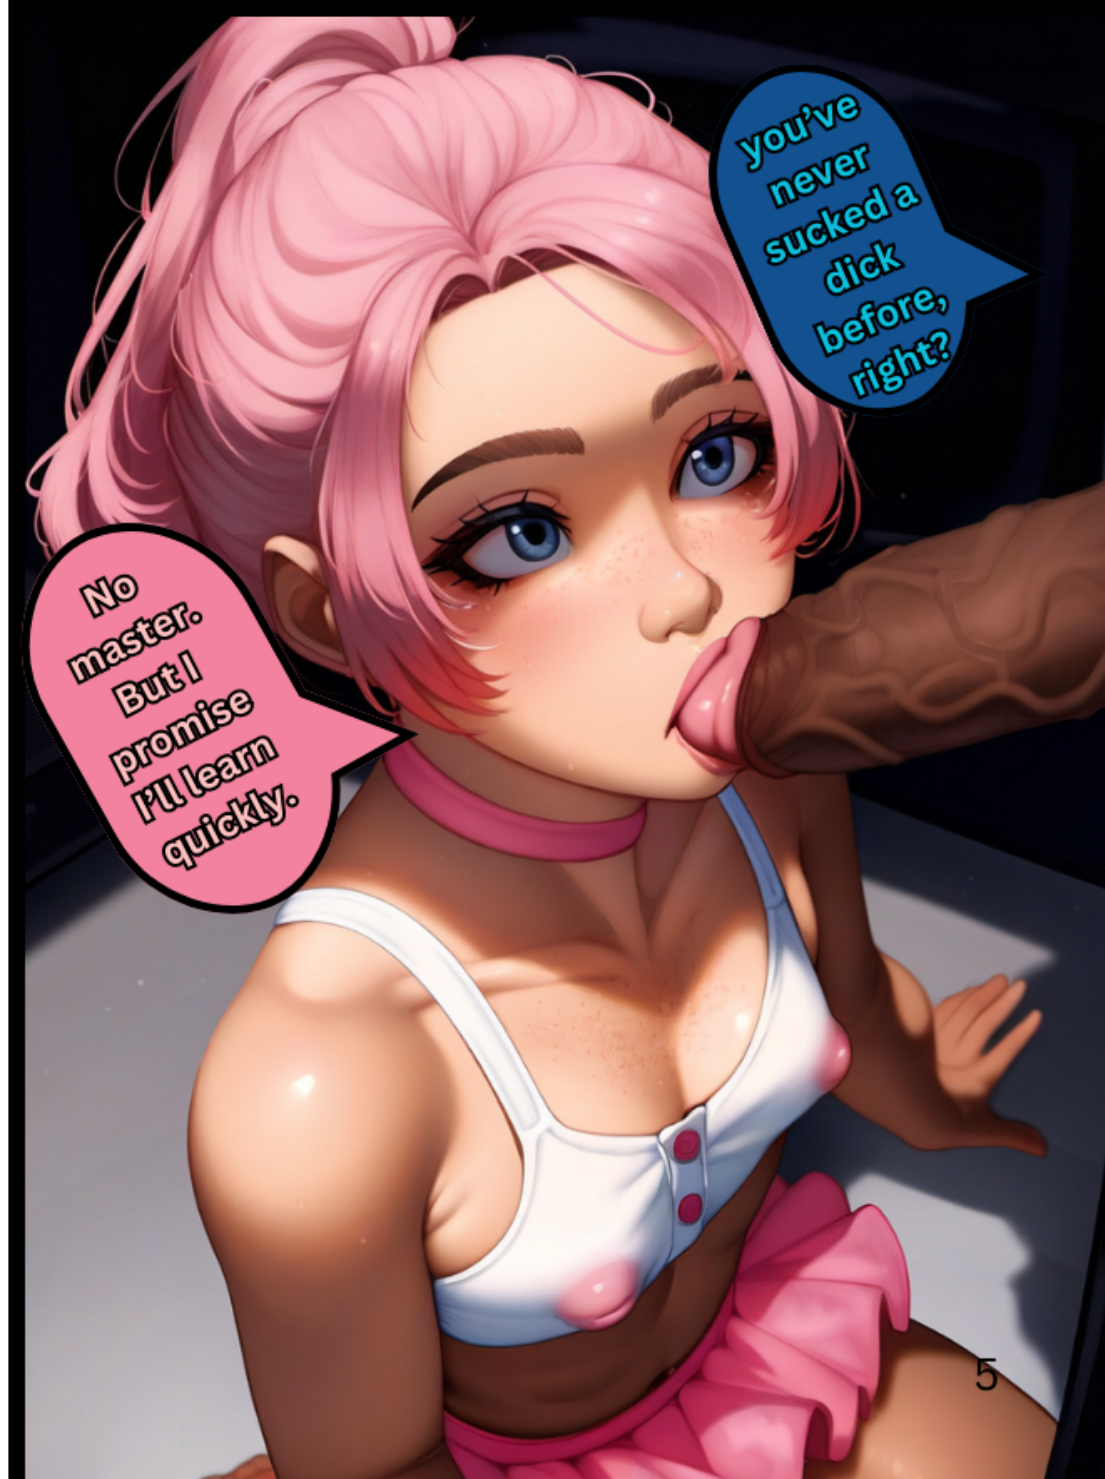

*\*giggle\**

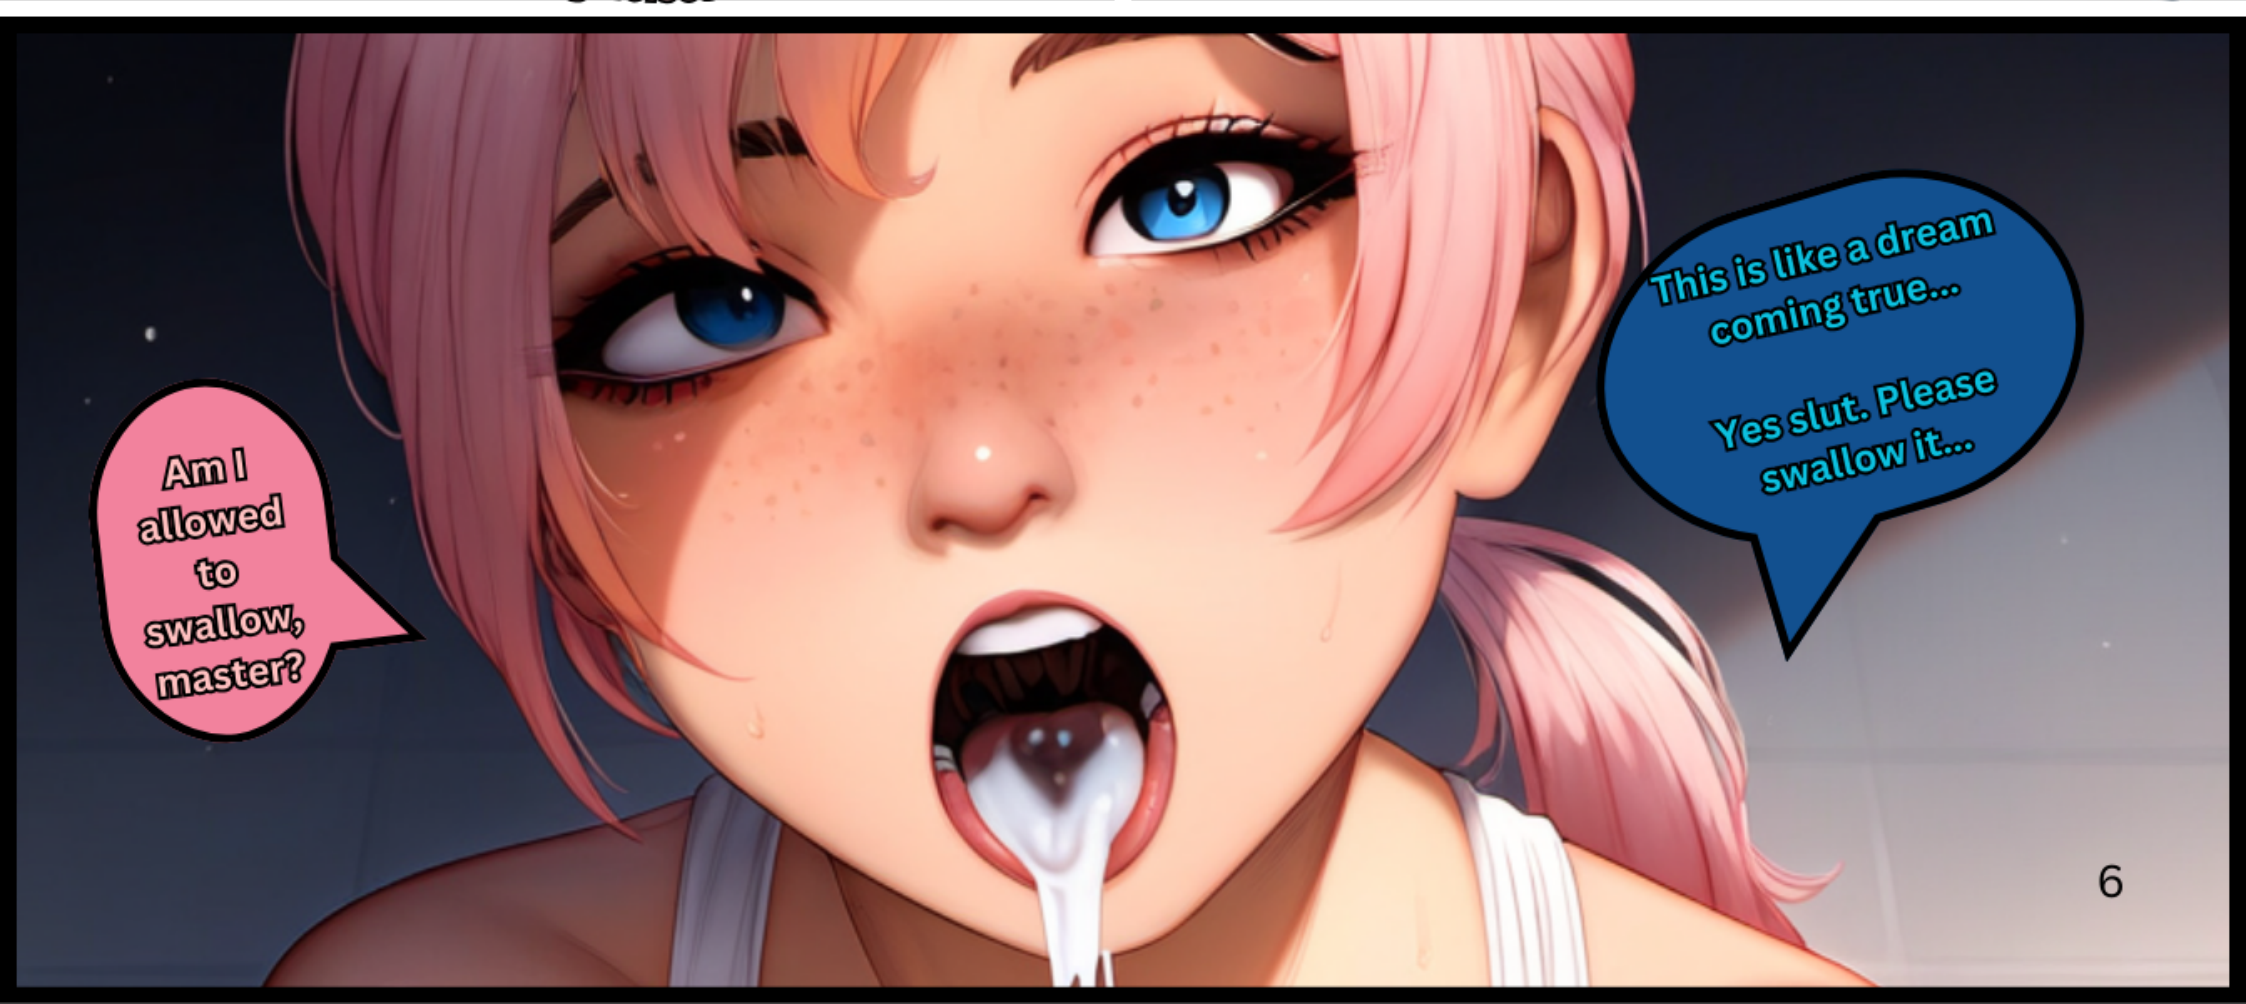

That's awesome. I want to change to your liking as soon as possible master.

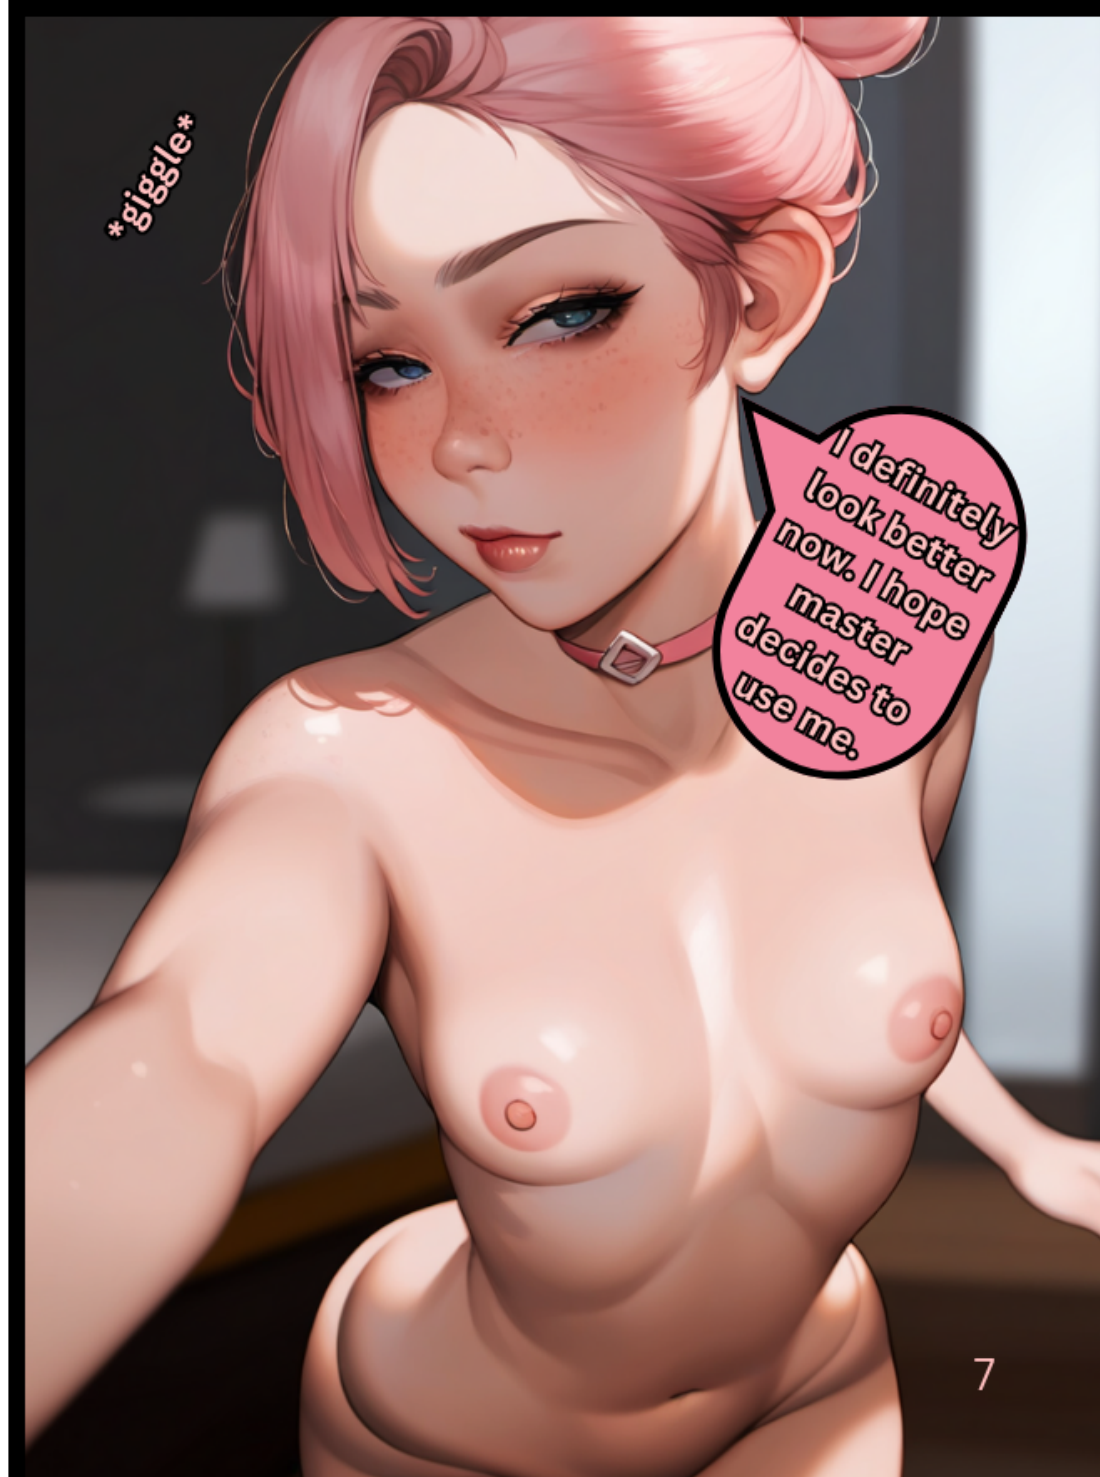

Damn...  
Ehrm... I didn't think this would happen this fast... Can you try on this make up and skirt for starters?

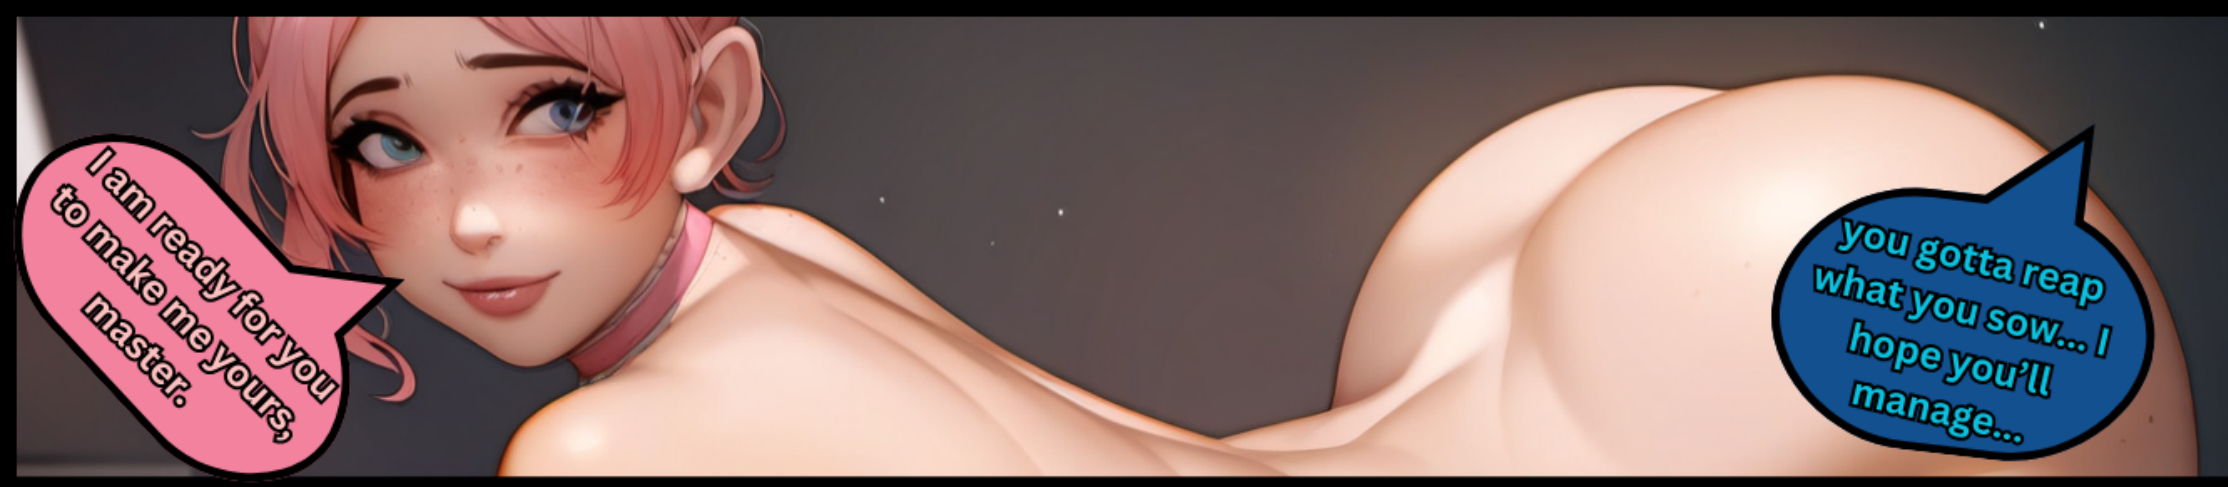

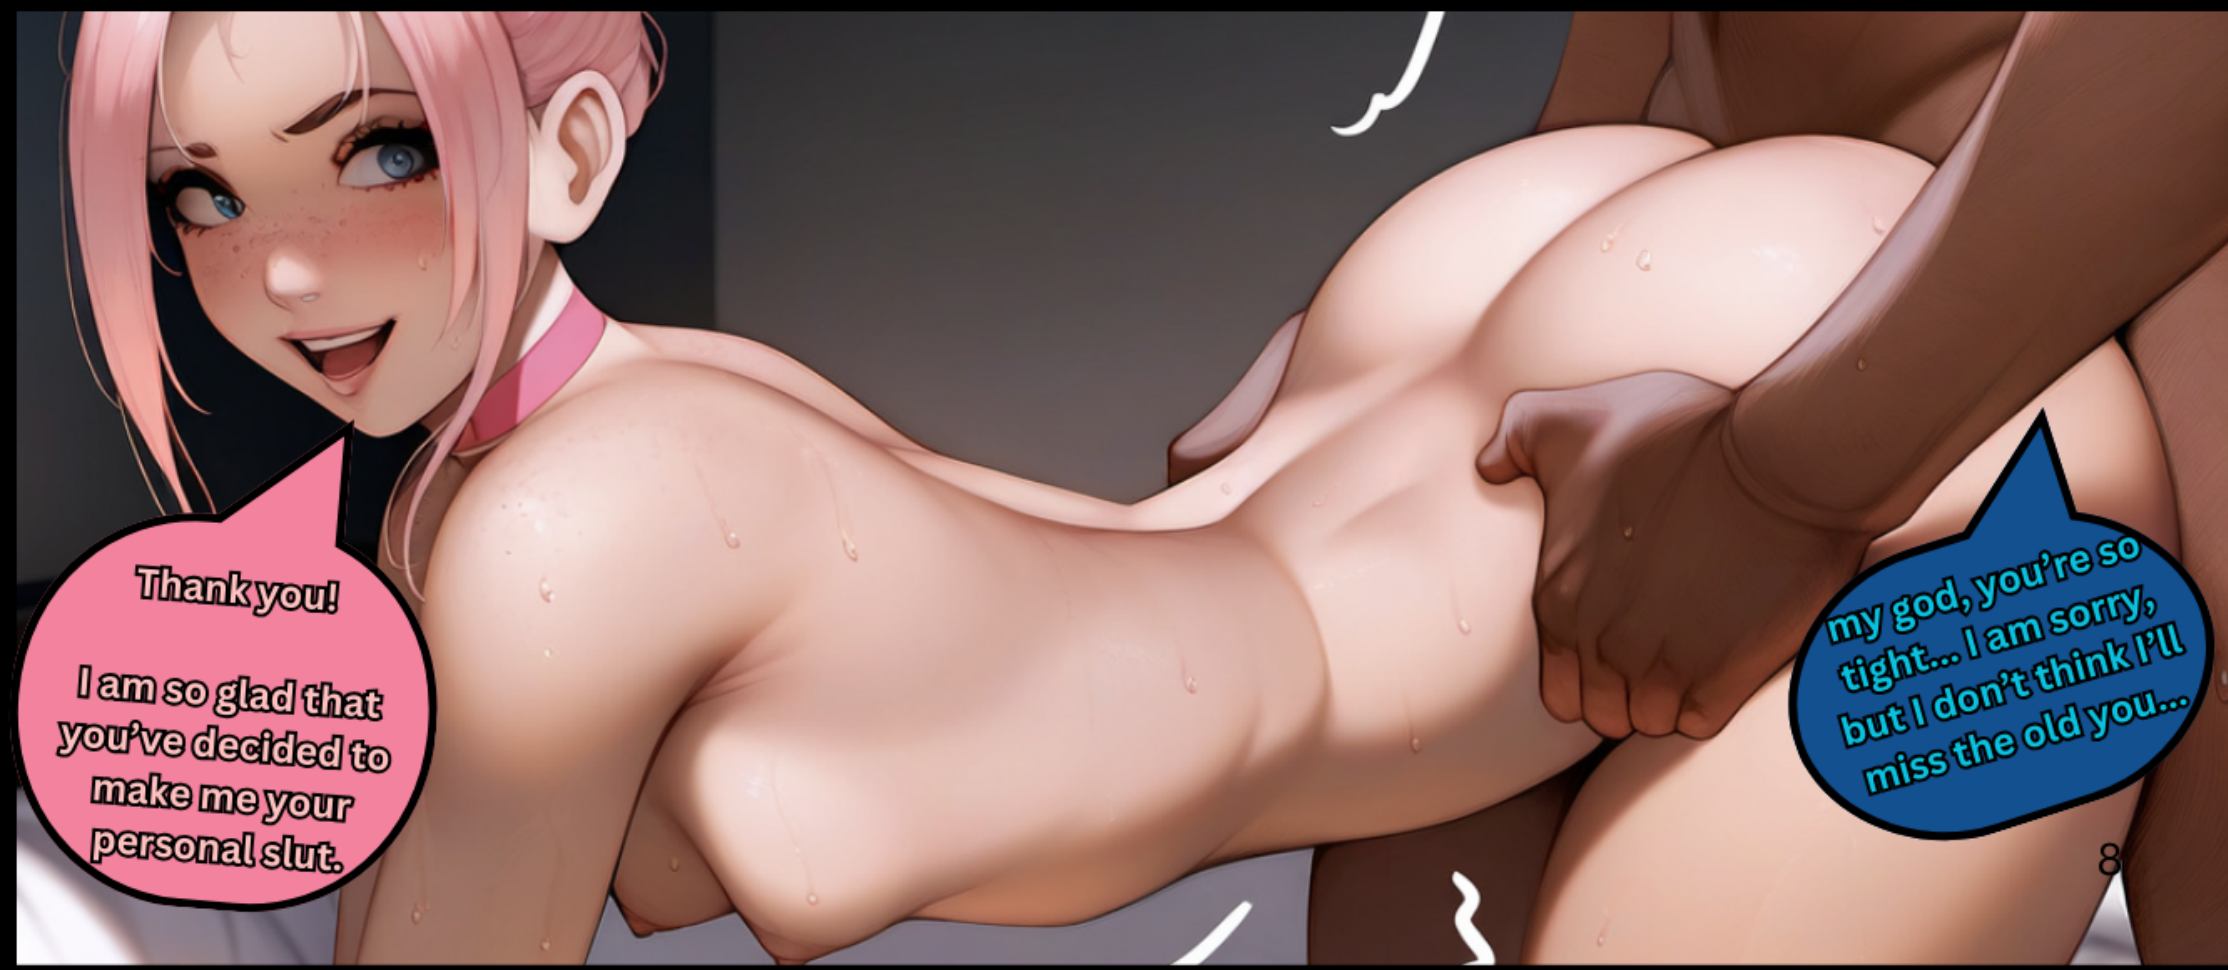

I am ready for you  
to make me yours,  
master.

you gotta reap  
what you sow... I  
hope you'll  
manage...

Thank you!  
I am so glad that  
you've decided to  
make me your  
personal slut.

my god, you're so  
tight... I am sorry,  
but I don't think I'll  
miss the old you...

I am going to fuck  
the old self out of  
you until there's  
nothing left!

YEEES!!  
I am nothing but  
your new  
cumdump now,  
master.

\*slap\*

\*clap\*

GOD!!! Your butt is amazing!  
I am going to fuck you every day now!

\*panting\*

\*moaning\*

this makes me soo happy, master!  
Am I allowed to cum too?

\*huff\*  
ehrm... yea, I guess. But clean up afterwards.

Master is so nice to me... he even allows me to cum myself... I love him so much... 

Hey, Kylie...

Do you want me to bend down again master? I'd love to!

Some of our... some of my friends will come over later.

I want you to pretend that you do all of this by your own will...

Would you be ok with serving them as well? I mean...

It flatters me that you ask for my opinion master. But I am your property and it is up to you if you want to share me. They might've been my former selve's friends, but that doesn't matter anymore.

God, I'd love to see that...  
I'll tell them before they arrive...

Is that really Kyle...?

I am ready to do whatever you want guys.

Are those real?

Kylie... why don't you lay down and start serving our guests?

of course!

AAH...

Wake up slut, I  
want you to suck  
me  
simultaneously!

Did he... she  
just cum from  
me putting it  
in? Damn she  
is tight...

god, how often did you two do it Markus?

Shit, I'm about to finish! Can I do it inside?

That's a good slut!

Feel free. She loves that!

one hour and some friends later...

*\*moaning\**

Is she ok?  
she  
barely  
seems  
conscious

Don't ruin it  
for me dude!  
I'm about to  
nut!

Damn. I can still  
see Kyle  
somewhat. I like  
her way better  
this way. He was  
always so  
obnoxious.

many hours and all of her former friends later...

*\*panting\**

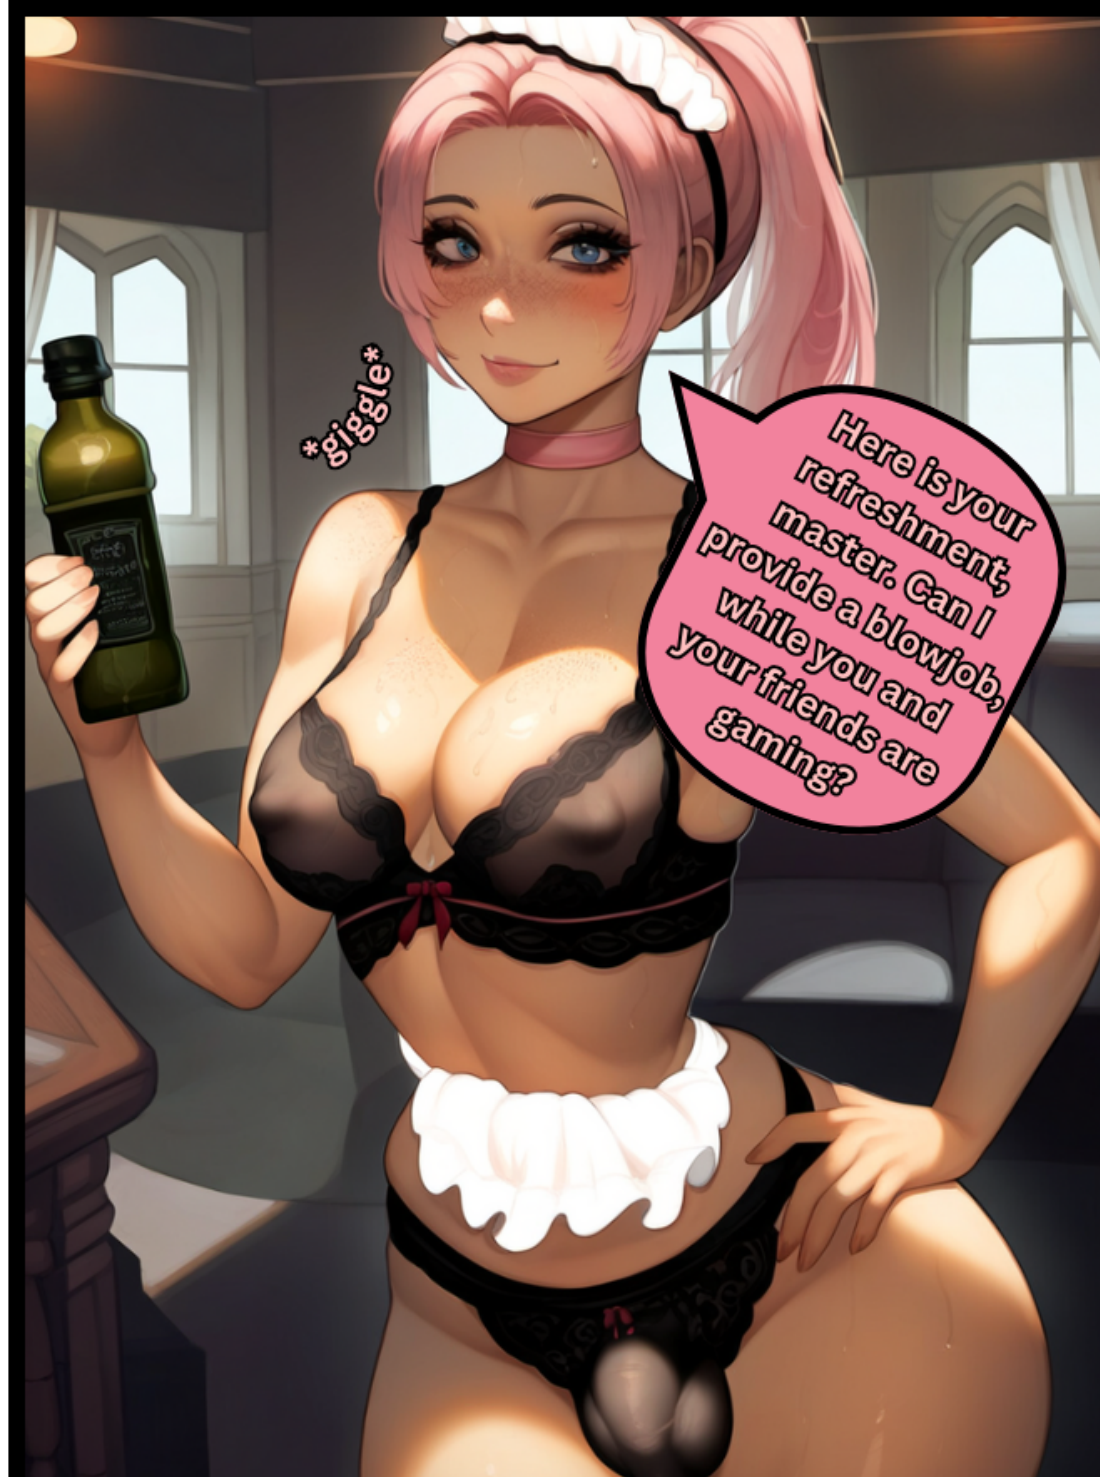

this is my  
2nd...  
damn!

Fuck, she jizzed  
on me...

HAHAHA...  
yeaaah...  
AAAH...  
MORE...

Looks like  
we fully  
broke  
her...

One year later...

♥  
Welcome home Master!  
♥

Dude, please tell me I'm imagining things...

Damn... you knocked her up...

Well... fuck...

Some weeks later...

Cmon babe, you are my fiance now. You don't need to dress like a maid anymore.

Being your future wife and mother of your children, doesn't erase my desire to be your fuckslut.

I don't know if that's good or bad...
