

You call me that again, you stupid bimbo, and I'll spank you on my lap like a naughty little girl. Does it sound serious enough?

Oh, you're playing shy and innocent, today, aren't you? Well, if you don't want to miss your daily reward for being my property, you better act like yourself, slut!

Of course, you don't know, you airhead! You can start from getting on your knees and moistening your precious dildo.

H-Hey, Vanessa, you're, like, not being serious, right?

B-But, Mistress... Umm... W-What are you going to do with this thing?

I'm... Umm... I-I don't know, Mistress...

Sounds simple enough even for a ditz like you, right? Unless, of course, you want to go rough. I know what kind of slut you are, so...

M-Moistening?

N-No... Umm... I'll do it!

Gosh, what the heck Vanessa has come up with? And am I really going to play along with it?

I've never seen her so intimidating before... I just feel so small... and disgraced... and... t-turned on?

No, no, no, Sophie, there's, like, no way you find all this exciting!

A woman with brown hair in a ponytail, wearing a pink lace top and large hoop earrings, is shown from the side, licking the buttock of a person wearing a black leather outfit. The person's hand is on the woman's head. The scene is set against a blurred background of a room with a pink sofa.

You should lick it more thoroughly, slut, it's in your own interests.

Yes, yes, you'll thank me later.

Mhhmm...

See? When you're a good obedient slut, Mistress treats you nice.

My, my, aren't you all flustered already?

Of course, the dildo is the only thing on your bubbly, dirty mind. You can't wait for it any longer, right?

Moan

N-No... umm... it's just you're poking me with that thing, Mistress...

W-What? No... It's not like that...

Don't worry, we won't waste any time...

M-Mistress, I don't think this is a good idea...

Shush, you better not think at all, dummy. Mistress knows better what's good for you, slut. Now you better relax your buns...

Naughty Slut

Yes, moan for me,
like a horny bitch you
are!

Aaahh!

Look, you're already pushing your hips back. Admit it, you're enjoying being fucked as my submissive slut.

I'm... I'm not...
Moan

Are you sure you want to lie to your Mistress like this? Doesn't my slut want to cum?

No? Well, then...

So should I keep fucking you until you cum?

Good girl!

I-I...

Yes, yes, I want to cum!

Y-Yes, please... please, make me cum, Mistress! I love being fucked as your submissive slut!

I'll make you feel so good that you won't be able to walk.

Aaahh! Yes, don't stop, Mistress!

See, now you're riding it all by yourself, Sophie. It turned out you're really into being my obedient slut.

Shh, it's perfectly fine. Just let your girly self have fun...

V-Vanessa? It just feels sooo good... I-I can't do anything...

Moan Uh-huh...

A woman with long brown hair in two pigtails, wearing large hoop earrings, is reclining on a purple couch. She is wearing pink lace fishnet stockings and high-heeled sandals. The background is a blurred interior of a house at night. Several speech bubbles are overlaid on the scene, containing dialogue.

I can't believe it,
Vanessa... You made me
cum with that thing and
I... and I...

It's just... Gosh, I'm
so confused...

A-Another round?

I-I... I want it!

And you enjoyed
every minute of it,
didn't you?

Well, I think you need
another round to clear
your mind, slut!

Well, whatever keeps my slut happy...

Oh, you're spoiling me today, Mistress.

A few weeks later

You have an appointment with the doctor, Sophie. Don't you remember?

Giggle Like, tell me again what are we doing here, girl?

An appo... hmm...
appointment? *Giggle* Well,
maybe I have one... But what
are you supposed to do here,
huh?

Ohmigosh, someone is, like,
totally jealous! *Giggle* Don't
worry, my doctor is old and
nosy... Oops, he isn't anywhere
around, is he?

Well, I just wanted to check if
some handsome doctor doesn't
try to steal a cute button like
you from me.

Oh, Mom! And what are you doing here? Teehee, are you all going to look after me now?

I see you're in such a good mood today, sweetie. Let's just wait for the doctor and he'll explain everything to you. Thank you, Vanessa, for bringing her here.

No problem, ma'am, after all I want to help Sophie as much as you do.

W-Wow... I feel kinda
woozy... Mhmm, your
girls are, like, sooo soft,
Vanessa.

Do you like them?

Have a sweet dream, girl.
Soon you'll have your
own squishy pair.

I looove them... I'll...
I'll take a little nap on
them, okaay?

M-My own?

Alright, she's out! Let's
move her to the operating
room! Chop, chop, guys,
we've got a lot of work to
do!

Huh? W-What happened? Where am I?

I remember going somewhere with Vanessa... And then everything turned hazy...

Wait, am I at home? It's my room, isn't it? But it looks, like, totally different...

Ohmigosh, what the heck are these?!

Ghmm... Also my voice sounds weird... Like, what does all this mean?

H-Huh? Oh my gosh...
Mom!
