Christ, I've got myself into a right mess this time!

And this fucking dog! Flopping his hard-on in my face all day. It makes me sick. And he's bitten me too. "Get the fuck out of here, you stupid mongrel!"

"I'll teach you to treat Sultan like that, you dirty slut! Think you're too good for my dog, do you? Answer me!"

"Lift your ass! Higher! You know what I think? I think Sultan's too good for you. I'll mate you with a pig. That's what you are, after all! You're a big, fat, shitty, titty sow!"

"Time to earn your keep. You came to work, not to make my dog randy. First you're going to do a bit of licking though. You're gonna treat your mistress like a nice little lapdog, aren't you? You're gonna make me wet with your tongue and you're gonna lick it all up. Nice and soft... Now get down on your knees and put your tongue out!"

[www.BDSMartwork.com](http://www.BDSMartwork.com)

"Oooh! That's the way... get your tongue right in between my lips... ooohh! Open your mouth wide and kiss my lips... Do you like that, you bitch! Do you like your mistress running her wet lips all over face? Now you're gonna lick me, faster... OOOOOOOOH!!! ... Yes! ... Yes ... NOOOOW! OOOOOOOOOOOOOOOOOHHHHH!!!"

"Time to work, slave. Hurry up, we're losing the sunlight. Move your ass!!!"

Beth works seven days a week in the hot sun, under the watchful eye of her mistress, Mrs Harshride. The girl's sweat mixes with the strong smell of the horse as they pull the same plow. The whip makes sure the girl pulls with all her strength... "Good news for you, slut... My dear husband Mr Harshride is going to come and make good use of you. You must be looking forward to it, you randy bitch!"

In the afternoon Mr Harshride and his dog take over.  
"Keep quiet, Sultan, can't you see the bitch is working?  
You can have her tonight, don't worry. And as for you,  
you fucking bitch, push harder or I'll whip the skin of your  
buttocks and those pretty legs!"

Night falls, and Mr Harshride enjoys his slave...

"Please ... stop ... noooooo!"

"You can't beat a good beating for softening a woman up before a fuck! It makes the master horny and it makes the slave compliant. Now turn round and sticks your tits out!"

[www.BDSMartwork.com](http://www.BDSMartwork.com)

"You're a lucky slave. A lot of girls would be glad to have a master as friendly and potent as me... Tell me you like the way I rape you!"

"I hate you, you filthy bastard! You're sick! And you make me sick. You and your disgusting dyke of a wife!"

"I've just been too kind to you, kid! That's over now. I'm gonna tame you, I'm gonna break you in! You're gonna be a submissive little bitch before long! You'll crawl on the ground and beg me to fuck you!"
