## Miss Zoey's Dominating Lesson

“You *want* me to put on the strap-on?” blonde and dominating Selena asked. She held the toy in her hand as she stood before me in the middle of the Black Rose Dorm. The other seven girls were all staring at us.

“I do,” I said, amusement in my voice. I was so ready for this. So excited for the fun that we were going to have today. “And the rest of you girls, strip.”

A shiver ran through them. I could tell they were all excited. I had fucked them all but Selena. All but the dominating lesbian. That changed. Clothes rustled. They were all so gorgeous. So wondrous to stare at.

Hikaru, who I was still a little angry with for blackmailing me, was ripping off her tartan tie and throwing it on her bed. Her fingers worked at the buttons of her blouse with such eager fury. Her black hair swayed about her face, her slanted eyes so bright.

Mary Kate was almost just as fast. The quiet ones always turned out to be hiding the most perversion. I had popped her cherry with Sister Esther Rosa, and ever since, Mary Kate had thrown herself into the kinkiest sex. The English girl was eager for it. So ready to do whatever wicked things I wanted. Her braid of blonde hair swung behind the petite girl as she tore off her blouse.

My, my, she wasn't wearing a bra today. How utterly kinky of her. Those small breasts were firm mounds with just a delicious amount of jiggle to them.

Malika opened her blouse, too, her chocolate breasts held by her white bra. The Senegalese girl was a delicious treat. She reached behind her to unhook it. I couldn't wait for her to reveal the big, Black futa-dick she had. That would make the girls moan.

And so would Linda when she revealed her big, White futa-cock. The brassy-haired girl undid her bra, her round breasts popping out. She tossed her bra down and unhooked her skirt, an expression of eager delight on her face. She had been ashamed of being a futa, but I showed her to be proud of it.

She was standing by her girlfriend, Aisha. The Arabic girl wore her tartan headscarf hiding her black hair as she peeled down her panties, her dusky, round breasts swaying as she bent over. She had a yummy, shaved cunt that was just a delight to enjoy.

“Mmm, this is going to be hot,” moaned Amelia. The busty redhead shimmied out of her thong, a V of fiery hair pointing at her shaved folds. She stepped out of her thong and placed her hands on her hips, a bold gleam in her eyes.

“Yes, it is,” said Selena, her large tits jiggling before me as her submissive, Bella, knelt behind her and pulled off her panties. A gleam shone in Selena's blue eyes while her shaved pussy dripped with excitement.

Bella was the only girl not naked now. She bound to her feet and started changing that. The second-year girl, nineteen and nubile, had hazel eyes set in a heart-shaped

face. Her fall of brown hair framed her cute features as she quickly ripped off her tie and undid her blouse. She wore a red bra that she quickly doffed, round tits popping out. She stripped in record time. She ripped off her skirt and panties in a single go, revealing a landing strip of brown hair that led to her shaved pussy.

And her pierced clit. The gold ring gleamed nestled between her juicy folds.

“Let me help you don that, Mistress,” a naked Bella said as I began stripping. The other girls moved in, their nipples all hard, their cheeks flushed. Mostly White girls, but Hikaru, Aisha, and Malika added a nice splash of color to the room.

Belinda took the strap-on from her mistress's hands and knelt before Selena. She held the black vinyl harness out so she could step in it. As she did that, I undid the buttons of my blouse. I worked fast, eager for the fun to begin. My clit throbbed.

I opened my blouse and noticed Hikaru. I handed it to her. She took it with a bright smile and folded it up while I unzipped my skirt. I slid that off, revealing I had forgotten to wear panties today. My black bush dripped with my excitement. I stepped out of my skirt, heels clicking on the floor.

Hikaru was more than happy to take that, too.

Belinda worked the harness up her mistress's thighs, Selena's blue eyes smoldering with her excitement. She wanted to dominate me. I had to put her in her place. I had to cuckold her. Take her sex slave from her. I had something that Selena just lacked.

I didn't have to put on a fake cock.

I undid my bra, freeing my round breasts. My black hair swayed down my back as I tossed it to Hikaru. The Japanese girl smiled at me, eager to stay in my good graces. With everyone looking at me, including Selena who had her strap-on donned, I let my cock grow.

A collective groan rose from my girls. Aisha clutched to Linda's arm. Amelia licked her lips. Mary Kate fanned her face, her green eyes widening. Malika rubbed at her own pussy through her thick bush and Bella stared at my swelling cock with such intensity. Selena sneered, of course. I grew thicker and longer, my cock the same pale-olive hue as the rest of me.

They said Chinese men had small dicks. Well, Chinese futas were hung. I put my hands on my hips, my big futa-cock throbbing before me. A foot of fun for my girls to enjoy. And I was more than eager for the fun to begin.

“Finished showing off?” Selena asked.

“Am I?” I asked her, arching an eyebrow.

“Good,” she said and snapped her fingers as she pointed at the ground before her. “Kneel and suck my girl-cock, Miss Zoey!”

“Naw,” I said and walked past her to her sex slave standing behind and to the right. My futa-cock bobbed before me. Bella swallowed as I grabbed her shoulders and kissed her.

I pressed against her body, my futa-dick throbbing against her belly. Our round boobs kissed as my tongue thrust into her mouth. She whimpered as my hands tightened on her shoulders. I pushed her back and turned her right for Selena's bed.

“What are you doing?” demanded Selena. “Miss Zoey!”

Bella whimpered as she kissed me back. Then she froze, stiffening as she realized what she was doing. Her legs hit the back of Selena's bed. I pushed her down on it. The brunette fell back and gasped, her tits bouncing as she settled on the bed, her legs spread, that naughty clit ring gleaming in the folds of her pussy.

“What do you think you're doing, Miss Zoey!” demanded Selena as I crawled onto the bed between Bella's thighs.

“I'm going to fuck your sex slave,” I purred. “What does it look like I'm going to do?”

“Bella, don't you dare let her do that,” Selena hissed as I pushed Bella's thighs further apart and loomed over her. My futa-cock thrusting at her pussy. “Stop that right now, Bella! Close those thighs!”

“Bella,” I purred, pressing my cock into her juicy pussy. I nudged her clit ring.

She shuddered, her eyes so wide. She whimpered and bit her lower lip.

“I'm a teacher.” I slid my cock to the entrance of her wet cunt. Her juices soaked my tip. “Who are you going to listen to? Who really is in charge here?”

Bella swallowed and said not a word. I winked at her and thrust my girl-cock into her pussy.

She squealed in delight, her back arching as my girl-cock penetrated her. I groaned, loving the way her juicy twat swallowed my thick shaft. Her silky flesh swallowed inch after wondrous inch of my dick. Her boobs jiggled as she shuddered her delight.

I smiled at her and grabbed her boobs. I squeezed them. Kneaded them. Her eyes stared up at me with such shock in them. I pinched her nipples. Her cunt squeezed down on me as I played with them. I savored her warmth around me.

“Miss Zoey,” she whimpered as she squirmed.

I glanced back at Selena. She glowered at me, her blue eyes angry. If they could rip out my heart, they would. The other girls were watching and fingering their cunts. Hikaru had done something with my clothes, one hand pinching a dark nipple, the other thrusting fingers in and out of her cunt.

“Selena, feel free to fuck me,” I told her. “You look like you have some pent-up energy you need to release.”

“Oh, I'll fuck you,” Selena hissed and advanced.

“Oh, that's wonderful,” I groaned.

I drew back my hips as I leaned over Bella on my left arm. My right played with her boob, squeezing and kneading her. She groaned, her pussy clenching about me. She held me tight as I pumped away at her. I thrust at her, burying into her snatch. I loved the way she gripped me. Held me.

She made me feel amazing. My pussy drank in the delight flowing up my cock. The bed dimpled as Selena joined us. She smacked her fake shaft down on my ass, the rubbery toy making my butt-cheeks jiggle. I loved it, my pussy on fire.

She shoved the dildo down to my crack, not nuzzling in but just tracing it to my taint. She found my thick bush and the folds of my pussy. I smiled as she rammed her rubbery dick into my cunt. I groaned at that wondrous treat.

My pussy clenched around her. I savored the delight. It was quite the thrill to have her fucking me. She would pound me hard and fast. It would be a delight to have her ramming into me. I clenched down on her as she thrust away.

“Yes, yes, yes,” I groaned as she plunged away at me. She buried to the hilt in my cunt again and again. I loved the feeling of her plumping away at me. It was outstanding to have her thrusting deep and hard into my cunt, my dick twitching in Bella's. “Oh, that's how you fuck your teacher, Selena.”

“No, this is,” she hissed and ripped her dildo out of my pussy and slid it up to my asshole.

“Ooh, I like it up the ass,” I moaned and drew back my hips. As my dick slid out of Bella's cunt, my asshole swallowed the lubed dick of Selena's dildo. I groaned as she popped past my anal ring and sank into my bowels. “Good choice, Selena. A-Plus effort.”

“Are you mocking me?” Selena hissed and rammed her dildo into my asshole hard, her crotch smacking my rump and driving my futa-dick into her sex slave's cunt.

“Of course not,” I moaned. “I'm grading you. Mmm, you have good choice on holes, now let's see your technique. Don't forget my tits. I love having my tits played with when a cutie fucks my ass with a strap-on. Now go on. I want at least a B effort from you. I'll be irked if you do worse.”

She hissed in frustration as she drew back her hips. I clenched my asshole down on her dildo, the velvety friction heating my pussy. So did the silky friction engulfing my cock as I chased Selena. Bella's tight twat sent pleasure flooding down my shaft that spilled through my cunt.

The two delights mixed as Selena thrust back into my asshole, driving my cock back into the depths of Bella's pussy. She gasped, her hands shooting up to grab my boobs. She squeezed them as Selena pumped away hard and fast at my asshole.

“Very good, Bella,” I moaned. “Mmm, you heard my tip. Yes, yes, squeeze my tits. Play with them. You're earning that A. And your pussy... Wondrous.”

“Thank you, Miss Zoey,” she moaned.

“Don't play along with her,” gasped Selena, her hands clutching my hips as she sodomized me with hard strokes. Her boobs smacked together from the force of her thrusts.

“You have real vigor to your strokes,” I groaned. “Mmm, that's a good technique, but your hands are just on my hips. So boring. I'm only getting a B from you. It's

adequate, Selena.”

“You want to be fucked with A-Plus technique?” hissed Selena. She grabbed a fistful of my hair and yanked my head back. She pressed her big boobs into my back and licked my ear. “How's that, slut? You like my big girl-dick fucking your whore-ass.”

“Ooh, dirty talk and hair pulling,” I moaned. “Now you're getting that A-Plus. Yes, yes, pound my whore-ass. I'm going to cum so hard in Bella's pussy. Just flood my naughty student's twat. Pound me harder, slut. Really work that dildo in and out of my bowels. Come on, you dirty dyke. Ass-fuck me!”

She nipped my earlobe as she drove her fake cock in and out of my anal sheath. I loved it. My ovaries drank in the heat while my clit-dick ached in Bella's tight pussy. Her cunt massaged my futa-rod as I pistoned it in and out of her hole. She squeezed down on me, sending delight rippling through me.

It was heaven fucking Bella and being ass-fucked by Selena. My boobs jiggled in the naughty submissive's hands. The brunette squeezed them while the blonde yanked hard on my hair, her crotch smacking my rump. I loved the force of Selena's thrusts. My bowels melted around her fake dick.

“That's it, dyke!” I moaned. “Oh, yes, yes, pound my asshole. Just fuck it while your little toy squeals on my dick. She's going to cum on my big cock.”

“I am, Miss Zoey!” she moaned, her cunt clamping down on my cock. “Oh, yes, yes, I am going to cum on your huge dick. Just keep pounding me. Keep fucking me!”

“And how are you doing, Selena?” I moaned. “Mmm, is my dirty dyke going to cum from ass-fucking me? Are you going to explode ramming that big, thick dildo into my bowels?”

“Yes, whore!” she growled into my ear. She nipped my lobe again. “I'm going to burst with rapture fucking your slut-ass. You're my fucking bitch now! I own your ass, Miss Zoey.”

“Mmm, A-Plus dirty talk,” I moaned. “Keep fucking me. You and Bella are both doing amazing. I'm going to cum so hard. Pound my ass!”

“Say it. Say, 'I'm your bitch, Selena,’” she snarled in my ear.

“Ooh, that's hot. So creative. Now bring it home. Make me cum on that fake dick. Make me spurt all my cum into Bella's cunt. She wants it. Right?”

“Yes, yes, I want you to cum in me, Miss Zoey!” she gasped as my cock popped into her pussy. I pinched her nipple. Twisted it. “Oh, my god. I... I... Yes!”

Her pussy went wild around my aching dick. Her flesh rippled around me. She suckled at me with such hunger. My face contorted at the delight of her cunt spamming around my dick. The ache swelled. My ovaries quivered.

“Miss Zoey, yes, yes, cum in me!” howled Bella.

“Are you cumming, slut?” hissed Selena, her dick drilling into my bowels.

“Yeeeeeeesssss!” Bella bucked, her round tits jiggling, her cunt suckling at my futadick.

I drew back, my asshole drinking in the hard thrusts of Selena's dildo. My ovaries tightened. I buried into her and groaned. The pressure at the tip of my futacock erupted. My cum fired into Bella's young cunt. I basted her barely legal pussy.

“Oh, my Lord,” I moaned, spurting over and over, my asshole writhing around Selena's dildo. “I'm cumming! I'm cumming in that pussy and on your cock, Selena!”

“That's right, bitch!” Selena gasped and plunged her dildo to the hilt in my spasming asshole. She yanked on my hair as her boobs jiggled against my back. “You're mine!”

We were all cumming. My pussy convulsed, juices soaking my thighs while rapture washed through my body. I spurted over and over into Bella's cunt. I basted her with my spunk. Spurt after spurt of my cum flooded her.

The dual delights washed through me. I groaned as Bella milked my cock. Selena groaned into my ear, her nipples sliding around my back as she trembled through her own climax. A big smile spread on my lips. I loved this rapture. This was a wondrous moment.

“Yes, yes, you are mine, bitch,” moaned Selena.

I fired the last of my spunk into Bella's cunt. I basted her with all my jizz. A big smile spread on my lips as my orgasm died down to euphoria. I sucked in deep breaths. The other girls were whimpering as they fingered themselves.

“Bella, you had such a delightful pussy to fuck, and the way you played with my tits was outstanding,” I purred. “You came hard and milked my dick. You earned an A.”

“Thank you, Miss Zoey,” she cooed.

“And you, Selena,” I groaned. “Damn, my ass is still burning. I love it. You fucked hard, you pulled my hair, and your dirty talk was superb. A-Plus. Well down fucking my asshole.”

She hissed. “I'm going to do more than that.”

“Oh, that's cute, you're still trying. Want some extra credit or something?”

“Sure,” she said and ripped her dildo out of my asshole and slipped off the bed.

I was more than happy to oblige her. I groaned as I slid my cock out of Bella's cunt. She had a nice and juicy one. I popped out, dick bobbing before me. I turned, cock dripping in pussy cream, and slipped off the bed to find Selena smirking at me. She opened her mouth.

I preempted her. “On your knees, Selena, and suck my big futadick!”

A gasp ran from the other girls. They knew Selena was a lesbian. She wanted nothing to do with dicks. She wouldn't even touch me, just make me fuck her sex slave and watch. She would pound me with her dildo, but never would she touch my dick.

“What?” she gasped.

“You wanted extra credit,” I said. “Let's see your dick-sucking skills, dyke. On your knees, open your mouth, and blow me!”

“I'm not going to do that,” she hissed, her face twisting in disgust. Her blue eyes fierce.

“After I seasoned it for you?” I asked. “I drenched it in your favorite pussy. Look at Bella's cream coating that shaft. You are going to suck my cock, Selena. That's an order.”

“Going to report me to the old bag?” demanded Selena. “Going to send me to the Headmistress with a note. 'Please spank Selena's ass for refusing to suck my futa-dick! She's been a naughty, naughty girl.' Yeah, you're not going to do that.”

“No, I'm not,” I said, glancing around at the girls gathering. “Amelia and Linda, Selena's a little shy. Help her out!”

Linda and Amelia both flashed me big grins. They surged in, their tits jiggling, and grabbed Selena's shoulders. They shoved the startled blonde to her knees. Selena's big boobs bounced as she came face to face with my big dick. It twitched before me, throbbing with my heartbeat.

“Look at that,” I said, my cock pulsing and throbbing. “That's a big girl-dick, isn't it? You just open your mouth wide and suckle on it. I know you want to. All you dykes are secretly eager for it. You're all just so horny for it. Just wanting to suckle on my cock. I've fucked plenty of them.”

“There is no way I am going to open my mou—”

I thrust my cock into her mouth, my dick sliding past her lips to the back of my throat. Soaked in my juices, I throbbed in her oral cavity. I gripped the side of her head, her blue eyes bulging with shock that I had done it.

I smiled down at her, my round tits jiggling. Amelia and Linda both winked at me, the two girls were the wildest. I knew I could count on them to help me dominate Selena. The other girls were watching us, squirming. Malika really worked her hips from side to side. I bet she wanted to grow her clit-dick.

Bella swallowed. She sat up on the bed watching me dominate her mistress. What did she think? Would she still be Selena's sex slave after she watched how much of a slut the blonde was about to become for me?

“Mmm, I can see the anger in your eyes, but I'm allowed to use corporal punishment on a naughty student. And you've been naughty.” I smirked at her as she glared up at me. “You called me, 'bitch.' I can't let that pass. I'm your teacher. You will show me respect. Now suck my cock.”

Amelia fell to her knees and smacked Selena on the ass.

SMACK!

“You heard Miss Zoey, get to sucking on her beautiful cock.”

“Mmm, we know you want to,” Linda said, dropping to her knees.

CRACK!

Selena groaned around my cock, her eyes squeezing shut. Her moan hummed around the tip of my dick in such a naughty way.

“So suck it,” Linda cooed. “Or Amelia and I are *really* going to discipline you for Miss Zoey.”

“Oh, yes, spank her naughty ass,” Mary Kate moaned, her fingers buried in her quim.

“I think it's only fair,” Aisha said. “You should obey our teacher and dorm mistress, Selena.”

“Yep,” Hikaru said, nodding along. She suckled on her fingers wet from her own cunt.

“Suck her dick,” Malika moaned, her voice thick and throaty.

“Yes,” breathed Bella. “Suck her cock, Mistress. You'll love it. I know you want to. I've seen how you stare at her. How you lust for her. It's wondrous. We can still be gay and love her dick. She's a woman. That's a *girl*-cock. A real one. Not a dildo. Isn't that wonderful?”

Selena growled, still glaring up at me with defiance. She crossed her arms beneath her big breasts like she planned to wait until the end of time with my cock in her mouth, held in place by Amelia's and Linda's hands. They still gripped Selena's shoulders even as they cocked back their hands again.

I nodded slightly. Barely a gesture.

CRACK! SMACK!

Selena squeezed her blue eyes shut and moaned around my dick. The stinging sound echoed through the dorm. It was silent save for everyone's heavy breathing.

“Mmm, this is your punishment for being such a bitch to me since I arrived, Selena,” I purred. “It's Friday night. I have *all weekend long* to punish you if I choose. We won't leave this room at all. The girls will bring us food as I teach you to obey me. To respect me.” I smiled. “To pleasure me like that slutty cunt wants.”

“I bet she's so wet,” moaned Mary Kate. “I would be so wet.”

“You are so wet,” Hikaru said. “Look at you fingering that twat. You turned into a real slut, Mary Kate. It's shocking.”

“And hot,” purred Linda. “Wow, look at her. I bet you're dripping as much as Mary Kate is.”

“Oh, she is,” Bella said. “Mistress, you want Miss Zoey's cock. I know you do.”

“So start sucking,” Amelia purred. The redhead leaned in and licked Selena's ear. “Just worship that cock. Mmm, it's soaked in those yummy pussy juices you love. Just nurse.”

SMACK!

Selena groaned around my dick at the next spank then shuddered as Amelia groped her ass. The redhead squeezed the blonde's rump. Selena's moans turned to whimpers. They felt wonderful around my cock. Her tongue twitched, stroking my crown.

I shuddered, my pussy drinking in that delicious delight. My breasts rose and fell.

“You know you want to,” Linda cooed into Selena's other ear. “Your pussy is on fire, isn't it? You're dripping wet. You love futas. Every woman does. It's what we all crave: a big, fat dick. But it's attached not to some ugly guy with chest hair and a five-o'clock shadow. But to a sexy, Chinese woman with round tits and a gorgeous face. And her pussy... She has a yummy pussy.”

Selena shook her head.

“You're such a liar,” Linda purred, her hand moving. Selena's eyes snapped wide open. She squealed. “Oh, my, you're wet. Mmm, my three fingers just slid into your pussy. You're hungry for futa-cock, aren't you?”

“I know I am, Linda,” Aisha said. She drew in a deep breath. “I'm a lesbian, and I love big futa-dicks.”

“Yes, she does,” purred Linda. “I've seen her playing with them.”

“Me, too, Mistress,” Bella moaned. “I love being your lesbian submissive, and it was so hot when you made me fuck Miss Zoey's cock. You can still be gay and love her dick. It's a better strap-on. It fires cum. It's wonderful.”

“Suck on her,” Malika moaned. “Love her girl-dick. We all have.”

“So yummy,” Mary Kate whimpered. “Her girl-cum is so yummy. You have to try it, Selena.”

“Try it!” Hikaru moaned “Please, please, try it.”

“You won't regret it,” purred Amelia. “And we know you want it. You're just being a stubborn cunt. It's why the Headmistress has to spank your ass three times a day. But you know what, this isn't following that dried up hag's rules. This is sucking a wondrous futa-dick. This is having a dorm where you can throw down Bella and fuck her when you want. Or any of us.”

“This dorm is a safe place for you girls,” I said. “You can have all the sex you want in here. You just have to acknowledge who rules it. And it's not you, Selena.” I smiled at her. “Now suck my cock and drink my cum!”

She shuddered as my voice echoed through the dorm. She swallowed, her breathing quickening. Her exhalations from her nose washed across my cock. I shuddered at the sensation. It was a delicious thing to experience.

Her tongue moved. It explored around my cock.

“That's it,” I groaned as she swept around my crown. “Now just suck on it, Selena. Suck on my cock. Nurse on me. You just have to pleasure me. You're going to love it. I guarantee it.”

She groaned and nursed on me. She suckled on my cock with her hungry mouth. A big smile spread on my lips as I enjoyed what she did to me. My pussy clenched. This wondrous heat shot through me. My fingers flexed. My heart pounded in my chest. This wild beat that pounded through me.

It was intense. Wondrous.

She bobbed her head. The other girls gasped in delight as Selena worked her lips up and down my cock. She suckled with passion in me. She nursed with such rapture. I groaned, my dick throbbing in her mouth as she loved me.

“That's it, Mistress,” Bella moaned, such joy in her eyes. “Just love her. Oh, you're doing so wonderfully. I'm so proud of you.”

“Yes, yes, that's it,” Linda purred. “Mmm, just suckle on Miss Zoey's big dick. Work your mouth up and down that girl-dick. Ooh, your pussy is clenching down on me. Isn't that nice?”

She whimpered around my cock, nodding. Her blue eyes stared up at me. I smiled at her, my hands gripping her head. I held her still and fucked her mouth. I pumped my girl-dick in and out of her oral cavity, her suction incredible.

I groaned, my pussy drinking in the delight. My ovaries quivered with all the cum I would drown her in. Her mouth-pussy felt amazing around my cock as I thrust away. Her warm tongue danced about me. It was amazing. I loved it.

My boobs bouncing, I groaned, “That's it, Selena. You're such a good girl. Mmm, that's it. Nurse on my cock. Use that tongue. Yes, yes, you're going to get my cum.”

“It's so yummy,” Hikaru moaned.

“It is,” Mary Kate purred. Then she ducked her head down and latched onto my right nipple. I gasped as the eighteen-year-old cutie nursed on me. The White girl suckled hard.

Then the Arab hottie latched onto my left nipple. Aisha suckled with passion, pleasure bursting from my nubs and shooting down to my cunt. The current zapped my ovaries and shot to the tip of my cock plunging in and out of Selena's mouth.

I groaned, my black hair swaying down my back. It was so hot having one White girl suck on my dick and another nursing on my nipple. The Arab beauty loving my other nub only sweetened the pot. The other girls watched, frigging cunts.

Well, Linda fingered Selena's twat and Bella just kept a hand over her pussy. It was like she knew what I wanted next. Anticipating what I would make her Mistress do next.

I thrust to the back of Selena's throat over and over again. The sloppy, slurping sounds the girl made were delicious. Her tongue danced around my crown. She stimulated me in just the right ways. It was magnificent to enjoy.

A big smile spread on my lips. I loved it. Her mouth nursed on my cock. She suckled with such passion on me. It was outstanding. I savored every moment of her nursing on me. The ache built at the tip. My pussy getting hotter.

“Mmm, let's see if you can handle deep-throating my big futa-dick,” I moaned and slammed forward.

Her blue eyes widened in shock as I hit the back of her throat. This time, I kept going. I plowed down her throat. She gurgled, her hands grabbing my hips. Her fingernails bit into my flesh as I eased down her gullet.

“That's it,” I purred. “Mmm, you're doing great.” Her lips slid down my cock closer and closer to my black bush. My boobs, and the two girls suckling on my nipples, obscuring my vision. “Just a few more inches.”

“You're doing wonderful, Mistress,” Bella moaned from the bed. “That's so hot.”

“It is,” moaned Linda. “Just enjoy my fingers churning up your cock and take all of Miss Zoey's big dick. That's it. Doing wonderful.”

“Such a futa-slut, Selena,” Amelia cooed in awe. “Ooh, that's it.”

My bush rustled. Selena's lips reached my clit. A shiver of heat rushed through me. I groaned, loving that sensation of her lips nuzzling into my pussy lips. I shuddered, my cunt on fire. My heart pounded in my chest.

“Oh, wow, that's a delight,” I purred, her exhalations from her nose washing over my pussy lips. “You're doing so good. You know that?”

Selena moaned around my cock, the vocal hums massaging me. I shuddered then gasped as her tongue licked at my pussy folds. My dick throbbed, the ache to erupt swelling. I drew back my hips. She suckled on me and hummed.

The crown of my dick drank in her vocal cords buzzing away. The massage made my boobs jiggle. My face contorted with that spasming delight. I pulled out more and more. My face twisted with rapture. A big smile spread on my lips.

I popped out into her mouth, her tongue sweeping around the crown of my dick. Her blue eyes stared up at me with such lust. Mary Kate and Aisha suckled on my nipples with such hunger. It all swirled through me.

My ovaries burst.

My futa-dick erupted.

“Lord, yes!” I howled, throwing back my head and erupting into Selena's mouth.

“Are you cumming in her mouth, teach?” Linda asked, her brown eyes wild with lust. “Huh?”

“Yes,” I gasped, spurting over and over again. “Oh, Lord, I am cumming in her mouth.”

I fired blast after blast of futa-jizz into her mouth. I basted her with my orgasmic joy. My cunt writhed, juices soaking my bush and spilling down my thighs. My boobs jiggled and quivered. I groaned, reveling in this delight.

I bucked as Selena gulped down my cum. My nipples throbbed in Mary Kate's and Aisha's mouths. They nursed on me with almost as much enthusiasm as the blonde loving my futa-dick. The twin pleasures rushed through my body and drowned my mind.

“Ooh, Selena, you're such a wondrous slut. Yes, yes, yes!” I gasped. “Keep drinking my cum!”

“Keep drinking it, Mistress,” moaned Selena. “Oh, yes, yes, that's so wonderful. Just gulp it all down.”

“It is so wondrous,” whimpered Hikaru. “Oh, wow.”

Selena squealed. She moaned around my cock while Linda grinned. I could tell the blonde had just joined me in rapture, her twat spasming around Linda's digits. The three White girls kneeling before me were all looking so sexy. Especially Selena with her lips wrapped around my cock.

"Yes, yes, swallow all that cum," I moaned. "Just gulp it down."

"It's such yummy cum," Malika groaned. "Oh, it's wondrous. I love gulping down her jizz."

Mary Kate ripped her mouth off my nipple. "Me, too, Malika. I love it so much!"

I hit the peak of my orgasm. I panted, my breasts rising and falling, Aisha still nursing on my other nipple. Selena kept suckling as she squealed through her orgasm. Linda ripped out her fingers and held them up to Amelia's lips.

"Oh, how generous," the redhead said and licked at Linda's fingers.

"You're welcome," Linda purred and joined her, their pink tongues sliding over Linda's digits. It made my dick twitch in Selena's still suckling mouth.

Finally, the blonde slid her mouth off my cock. With a wet plop and a spill of drool down her chin, she was free. She sucked in breaths, her big boobs heaving. Her pink nipples looked so fat and suckable. She licked her lips.

"That was... delicious, Miss Zoey," she purred. She squirmed there. "Would you... I mean..." She drew in a deep breath. "Miss Zoey, will you fuck my cunt with your big futa-dick and make me cum? I want your cock in me! I've never had a clit-dick in me before! I've always said no!"

"You know a futa?" I asked. Clitoral Erectile Hermaphroditism Disorder was a very rare disorder. Only 1 in a million women had it. The fact that there were two others futas in my dorm was so shocking. Perhaps it was the Lord's work bringing us together.

"Yes," Selena said. She swallowed. "And I never let her fuck me. But you... I can't help it. You did something different from her."

"What?" I asked.

She glanced at Bella. "You got my sex slave on your side." Selena bit her lip. "And she's right. I do want it. I'm just a stubborn bitch."

"The Headmistress has broken a few paddles on her rump," Bella said. She smiled at me. "Thank you, Miss Zoey."

"Oh, it was all my pleasure," I purred, my clit-dick throbbing before me. "Trust me."

The other girls all giggled wickedly.

"I bet it was," Selena purred. "I mean, you fired so much cum. And it was so good. Just so yummy. I can't believe how good it was. Part of me wishes I had given in, but that other futa is such a cunt."

"Yeah," Bella said. She glanced at me, arching an eyebrow. I gave her a slight nod. She beamed and said, "Mistress, if you want more cum, I have a pussy full of it I saved for you."

“Oh, now you want me to eat your cunt, slave?” Selena said, rising. “Getting a little full of yourself. I'm going to have to discipline you later. Disobeying me, ordering me around. Naughty, naughty.”

“I will submit to whatever you think is fair,” Bella cooed. “I'm ever your loyal slave, Mistress.”

“Luckily, I do want to lick all that cum out of your pussy, so it's your lucky night,” purred Selena. “Don't get used to me going down on you. You're *my* slave. My strap-on is still going to ravish that tight cunt and naughty asshole of yours.”

“Whenever you need me,” she whimpered.

“God, they're cute together,” Linda said. “Need me to eat your pussy out, Aisha?”

Aisha popped her mouth off my nipple. “Oh, that's so sweet of you. Of course, of course.”

“Let's trib,” Hikaru said, grabbing Mary Kate and dragging her off to a bed.

“Malika, want to eat my pussy?” Amelia asked. “We can sixty-nine.”

“Er, no, no, I'll eat yours,” Malika said. “I think Miss Zoey has something planned for my pussy once she's done with Selena.”

“That's right,” I said, winking at her. A shiver ran through me. The girls were all pairing off to have their fun.

Linda crawled on her knees to Aisha. The White futa buried her face into her Arabic lover's shaved twat and licked at her. Aisha groaned, her *hijab* rustling about her face. Hikaru yanked Mary Kate onto Malika's bed, probably chosen at random, and started instructing her how to scissor their legs together. Amelia sank on her own bed. Malika crawled between her thighs, her chocolate rump and thick bush aimed at me. I bet her poor clit needed to grow. She ducked her head down and started feasting.

On the other side of the room was the main course. Selena crawled between her sex slave's thighs. The blonde's bubbly rump jiggled. Her shaved cunt dripped juices down her thighs. She leaned down and nuzzled into Bella's cunt.

“Mistress,” the sex slave moaned as Selena devoured that sloppy cunt.

“Oh, fuck, your cum is even better out of her pussy,” moaned Selena, wiggling her rump. “Mmm, you have some wondrous jizz, and combined with this delicious twat... I'm in heaven.”

“Good,” I purred, advancing.

I passed Linda munching away on Aisha's cunt. The Arab girl winked at me and smacked me on the rump. I grinned back at her. Mary Kate and Hikaru both squealed, the two eighteen-year-old cuties grinding their furred muff's together, their small tits quivering. The contrast of Hikaru's pale-olive skin and Mary Kate's light-beige made me smile.

Interracial sex was so fucking hot.

I mounted the bed, my futa-dick throbbing and pulsing with this aching need to ram into her asshole. She sodomized me. It was time to return the favor. I shuddered, my

heart pounding with delight as I pressed my girl-cock into her butt-crack.

“Oh, I see how it is,” Selena purred as I slid my futa-dick down her crack and nuzzled into her asshole. “Butt-fucking that goes around, comes around, eh?”

“Yep,” I purred and thrust.

She moaned into Bella's cunt as her anal ring surrendered to my futa-dick. Wet with her saliva and my copious amounts of precum, her backdoor stood no chance to resist my entry. Her sphincter slid over my crown. I savored that velvety caress then groaned as I penetrated her bowels.

Her hot flesh clenched about me. All that velvety delight massaged my cock as I sank deeper and deeper into her asshole. Her head moved, platinum blonde hair swaying. She feasted on Bella's cunt as I sank into that yummy hole.

“Oh, Mistress,” Bella moaned. “That's so hot feeling you licking out Miss Zoey's cum.”

“So good, too,” purred Selena. “And that futa-dick... So warm. That's not a toy.”

“Enjoy,” I purred.

“Wow, this is called tribbing?” Mary Kate gasped from the nearby bed.

“Or scissoring,” Hikaru moaned, the two humping their cunts together.

“I love it!”

“Yes, yes, yes, Linda,” Aisha moaned. “Ooh, get your tongue deeper into my cunt!”

“Fuck, Malika!” Amelia gasped. “Just... fuck. You know how to eat cunt!”

I loved the sounds echoing around us as I bottomed out in Selena's asshole. The entire dorm loving each other. What a wonderful night. I gripped Selena's hips and drew back my cock. Her bowels clenched about me. I shuddered, loving the friction.

My crown drank it in. My ovaries savored all that delight. They brimmed with all the cum I would fire into her. I would flood her with so much jizz. It would be excellent. I would just pump load after load of spunk into her.

I thrust back to the hilt in her bowels. I fucked her with such delight. Hard thrusts that plunged to the hilt in her. She groaned, her asshole holding me tight. I buried into her again and again. It was wondrous to enjoy.

My boobs bounced. My crotch smacked her rump. Her butt-cheeks jiggled from the force of my thrusts. She moaned into Bella's twat. The brunette shuddered, her round tits jiggling. She squeezed them as she whimpered.

“Mistress! Oh, Mistress, thank you for eating my pussy!”

“Mmm, it's full of all that yummy cum,” groaned Selena. “Though not for long!” Suckling sounds echoed, the blonde's bowels clenching on my futa-dick.

“Oh, yes, yes, nurse out that cum, Mistress!” squealed Bella.

I loved it. I pumped away harder, my pussy drinking in the pleasure flowing up my cock. A big smile spread on my lips. My dick twitched and throbbed in her asshole. Her bowels felt incredible wrapped around me. She wiggled her hips, adding another delight.

I loved what she was doing to me.

I thrust harder. Faster. My pussy drank it in, warming my ovaries. The girl-cum in there heated, the pressure swelling and swelling. I would fire so much spunk into her bowels. Just unload everything that I had into her flesh.

“Yes, yes, yes!” I gasped, slamming into her bowels. “Oh, my god, that's so good. That's amazing. You're going to milk my cock. Just work out all that cum.”

“That's the plan,” whimpered Selena. “Ooh, just keep fucking my asshole. I'm going to cum.”

“Mistress!” gasped Bella. “Thank you for playing with my clit. Oh, thank you, thank you.”

The other girls' moans swirled around me as I pumped away at Bella's asshole. Her thick dick gripped me in such a delightful way. I loved it. This was the moment that I craved. I drove my girl-cock harder and faster into her bowels. I loved every second of it.

I buried into her depths. I slammed hard into her anal sheath, her flesh squeezing about me as I pulled back. My pussy grew hotter and hotter. I couldn't take much more of this. I watched Bella shuddering on the bed.

She looked so cute.

“Mistress!” Bella gasped, her round boobs jiggling. “Oh, yes, yes, that's so good. Thank you!”

The girl bucked as she came. Her face contorted with delight. She tossed her head from side to side as she quivered through her orgasm. She moaned, her hair sweeping from side to side. She looked so happy as she came. I loved the sight.

“Damn, drown me!” moaned Selena, her bowels clenching on my thrusting dick. “Ooh, yes, yes, drown me, slut! Fuck, yes!”

Selena's asshole went wild around my futa-cock as I drew back. Her hungry anal sheath suckled at my rod. I gasped, the pleasure shooting up my shaft and soaking through my juicy twat. I slammed back into her, reveling in her bowels rippling around my dick.

“Cum in me!” she gasped, her flesh suckling at me. “Flood my bowels with your jizz. Just spurt into me, Miss Zoey! I want to feel your cum soaking my flesh.

“Yes!” I gasped, slamming hard into her. I buried to the hilt in her bowels, my boobs jiggling from the delight of her flesh suckling at me.

I erupted. I fired blast after blast of my cum into her asshole. My head threw back. My round tits bounced. Stars burst across my vision as I flooded her bowels. I pumped blast after blast of my cum into her asshole.

“Oh, my Lord!” I moaned, spurting over and over again.

“Yes!” Selena groaned, rubbing her face into her sex slave's cunt. “That's it, Miss Zoey! You rule this dorm! I'll do whatever the fuck you want!”

“Wonderful!” I breathed, my cunt rippling and sending delight washing through my body.

“Oh, Linda!” Aisha whimpered behind me. “I love you so much! Yes, yes, drink my pussy cream. Oh, drink it all down!”

“Mary Kate!” squealed Hikaru. “Oh, Mary Kate, that's so good!”

“It is, Hikaru!” the blonde cutie moaned. “Your pussy juices are gushing over my twat. I love it. I love scissoring with you!”

“Malika!” gasped Amelia. “Damn, girl. The mouth you got. You African cutie! Fuck, yes!”

“Ooh, you have such a yummy pussy,” purred Malika in her French accent. “Just drown me in all that spunk.”

The sounds of my girls moaning around me was such a delight. I fired the last of my cum into my student's writhing asshole. I had conquered my dorm. I had claimed all eight of my girls. I shuddered, savoring my victory.

The Black Rose Dorm was my futa-queendom. I would rule it for as long as I worked here.

“Oh, my god,” Selena moaned, her bowels working out the last of my cum. “That was incredible.”

“It was,” I groaned and pulled out of her asshole. I found myself sinking on the bed beside Bella. She smiled at me then kissed me.

Our tongues danced together as I savored the delight. It was time for Malika and Linda to unveil their cocks. Only Aisha knew they were both futas. The other girls would explode with shock. I couldn't wait for their reactions.

“Slut,” Selena said, “suck Miss Zoey's dick clean of my asshole.”

Bella broke the kiss. “Yes, Mistress.”

I smiled. “She doesn't even have to order you. I know you want to, dirty girl.”

The brunette winked at me as she crawled over me and down my body. She grabbed my dirty dick, opened her mouth wide, and engulfed me. I shuddered as she buffed me clean. Selena sank beside me, her face smeared in spicy pussy cream.

“So,” I said, just so curious. I had to know. “Who is this other futa that's been after you? Who did I beat to fucking you?”

“You sure you want to know?” she asked as she leaned her lips closer to mine, the tangy aroma of Bella's cunt filling my nose.

“Yes,” I breathed.

“The Headmistress.” She kissed me while my mind exploded in shock.
