COMICS **GROWGETTER**

Dear Fans, Lurker, everyone else

Our comics are made by hands, from artists who work with us for years. They count on us to feed their families and have a dependable source of income. This project has been able to improve the lives of our staff and all of us are very grateful for your support.

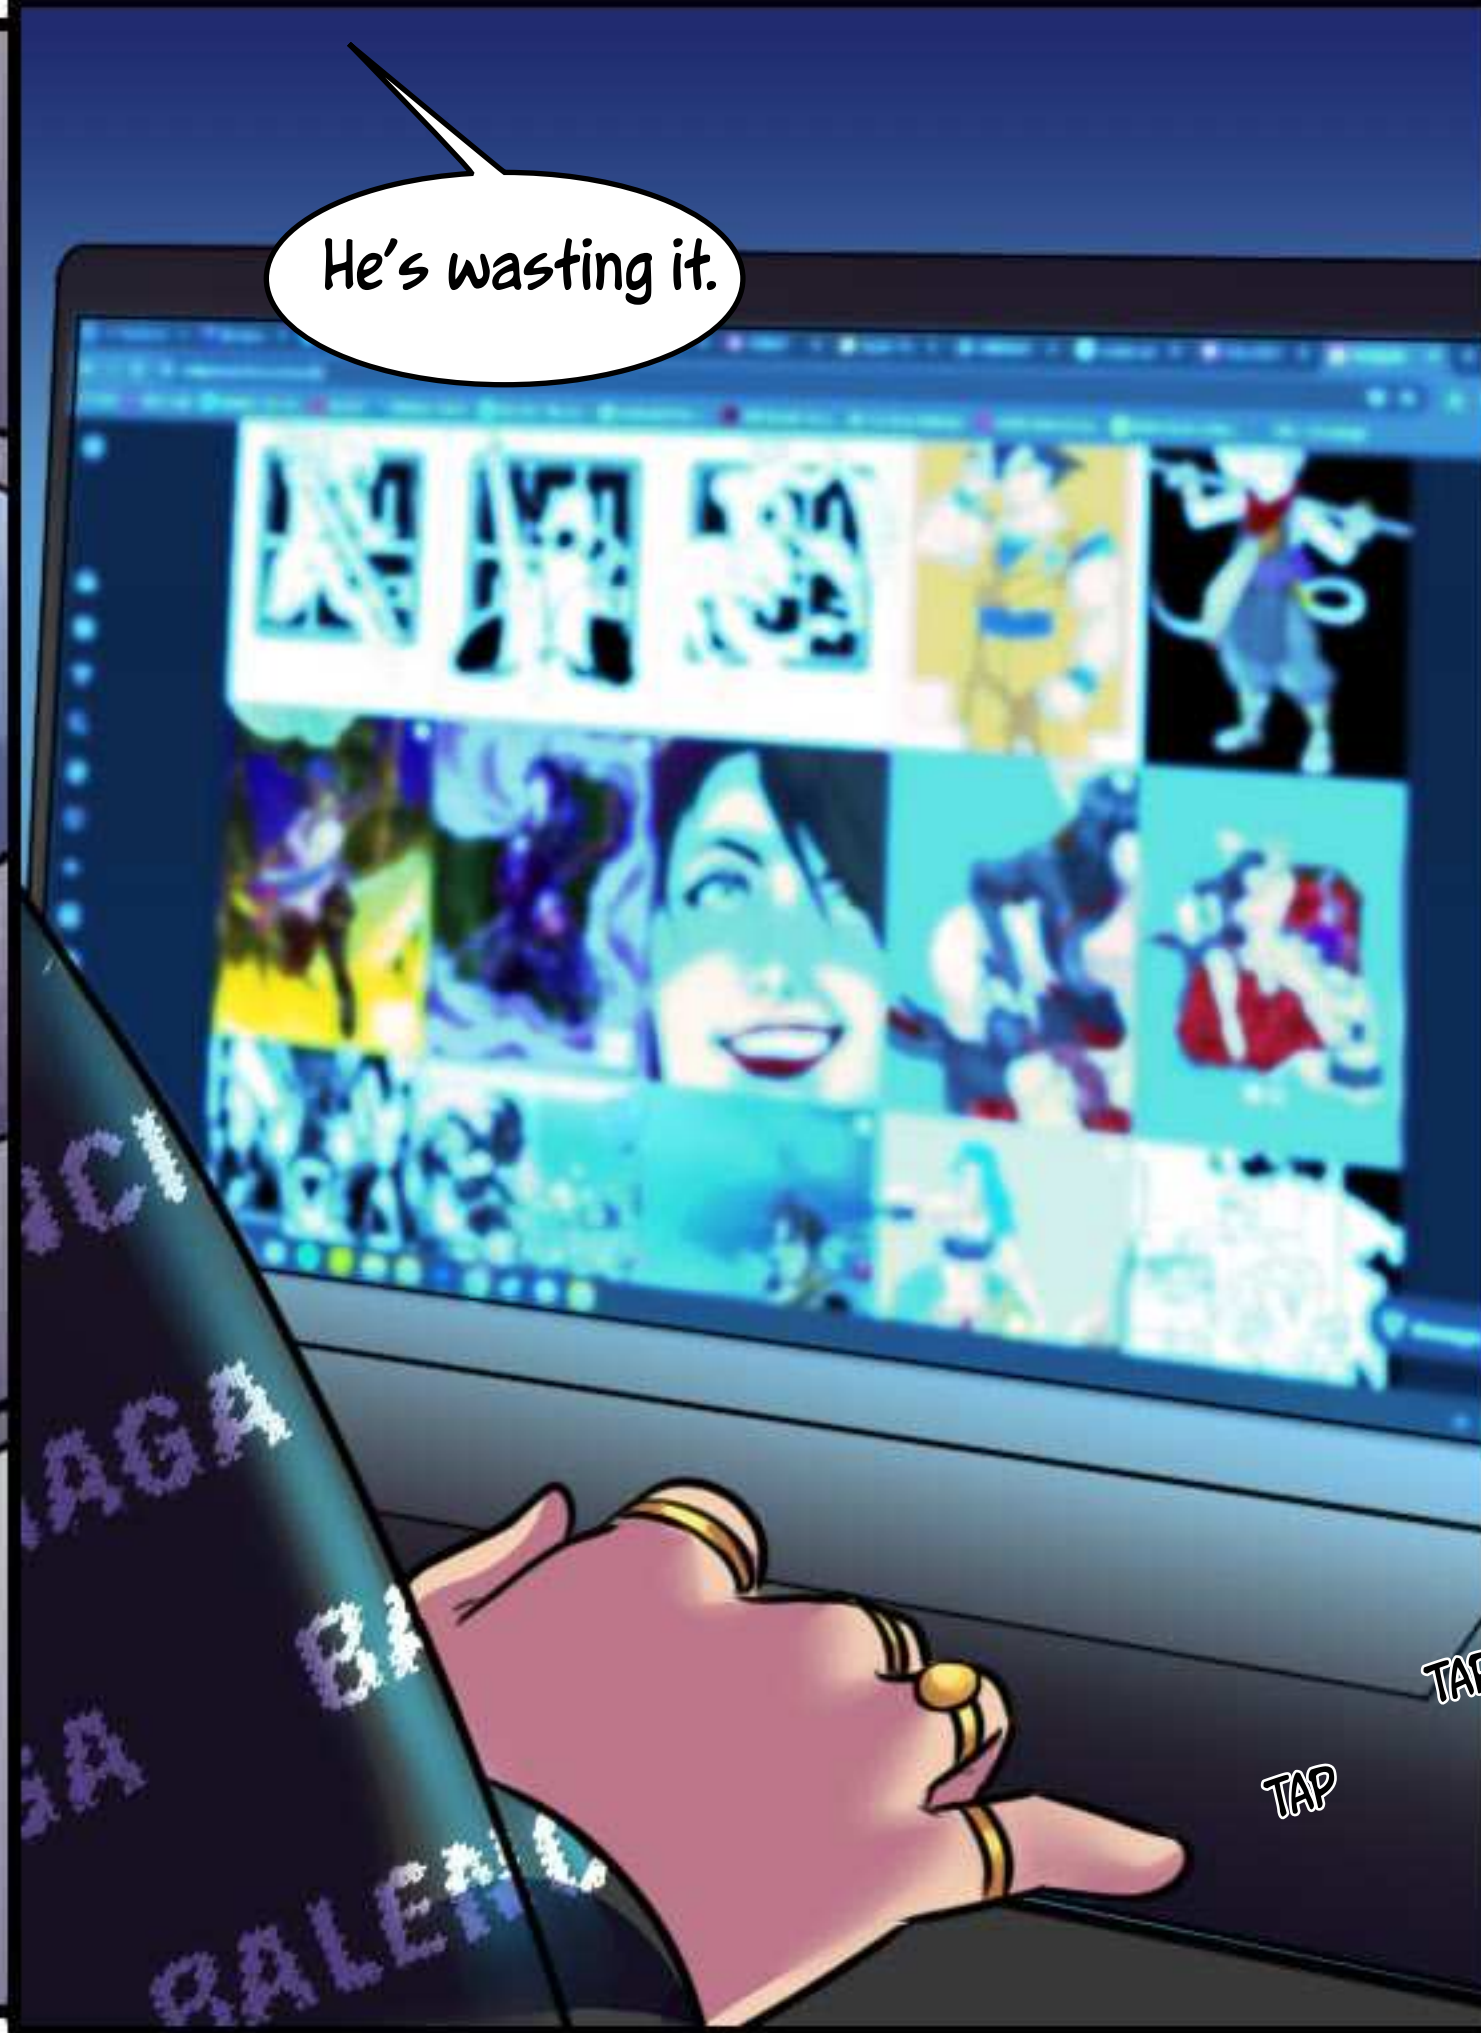

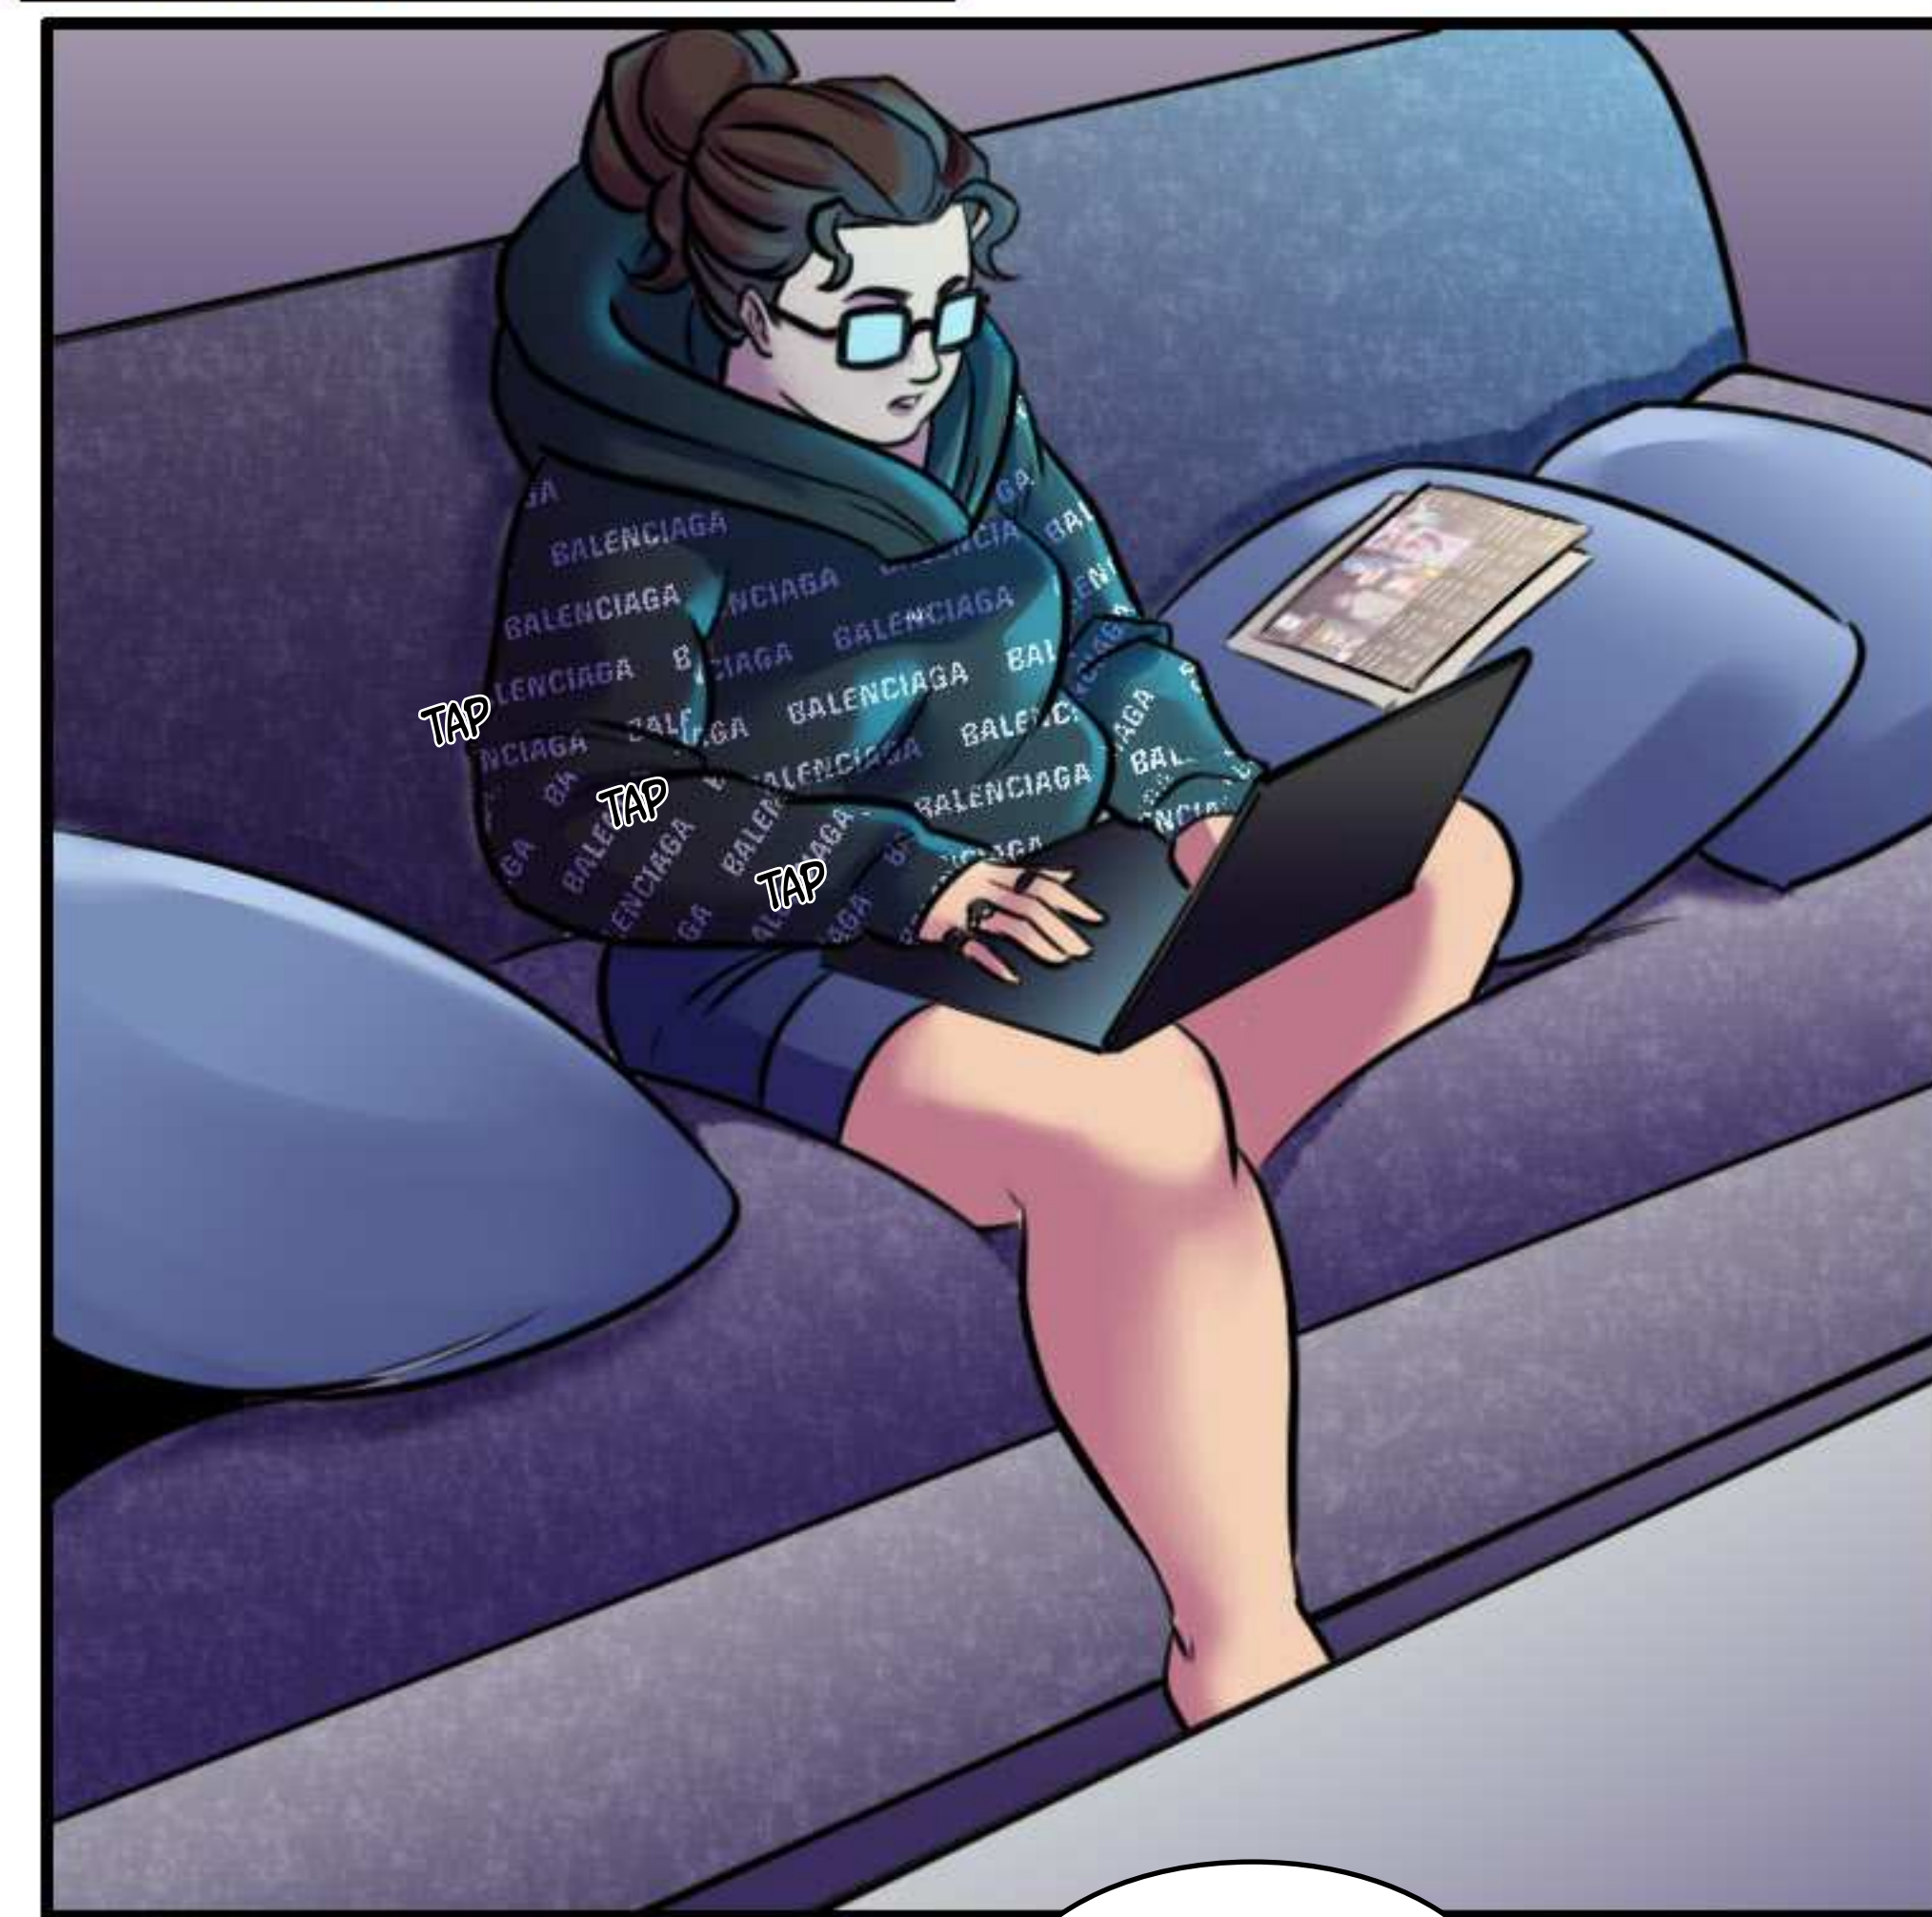

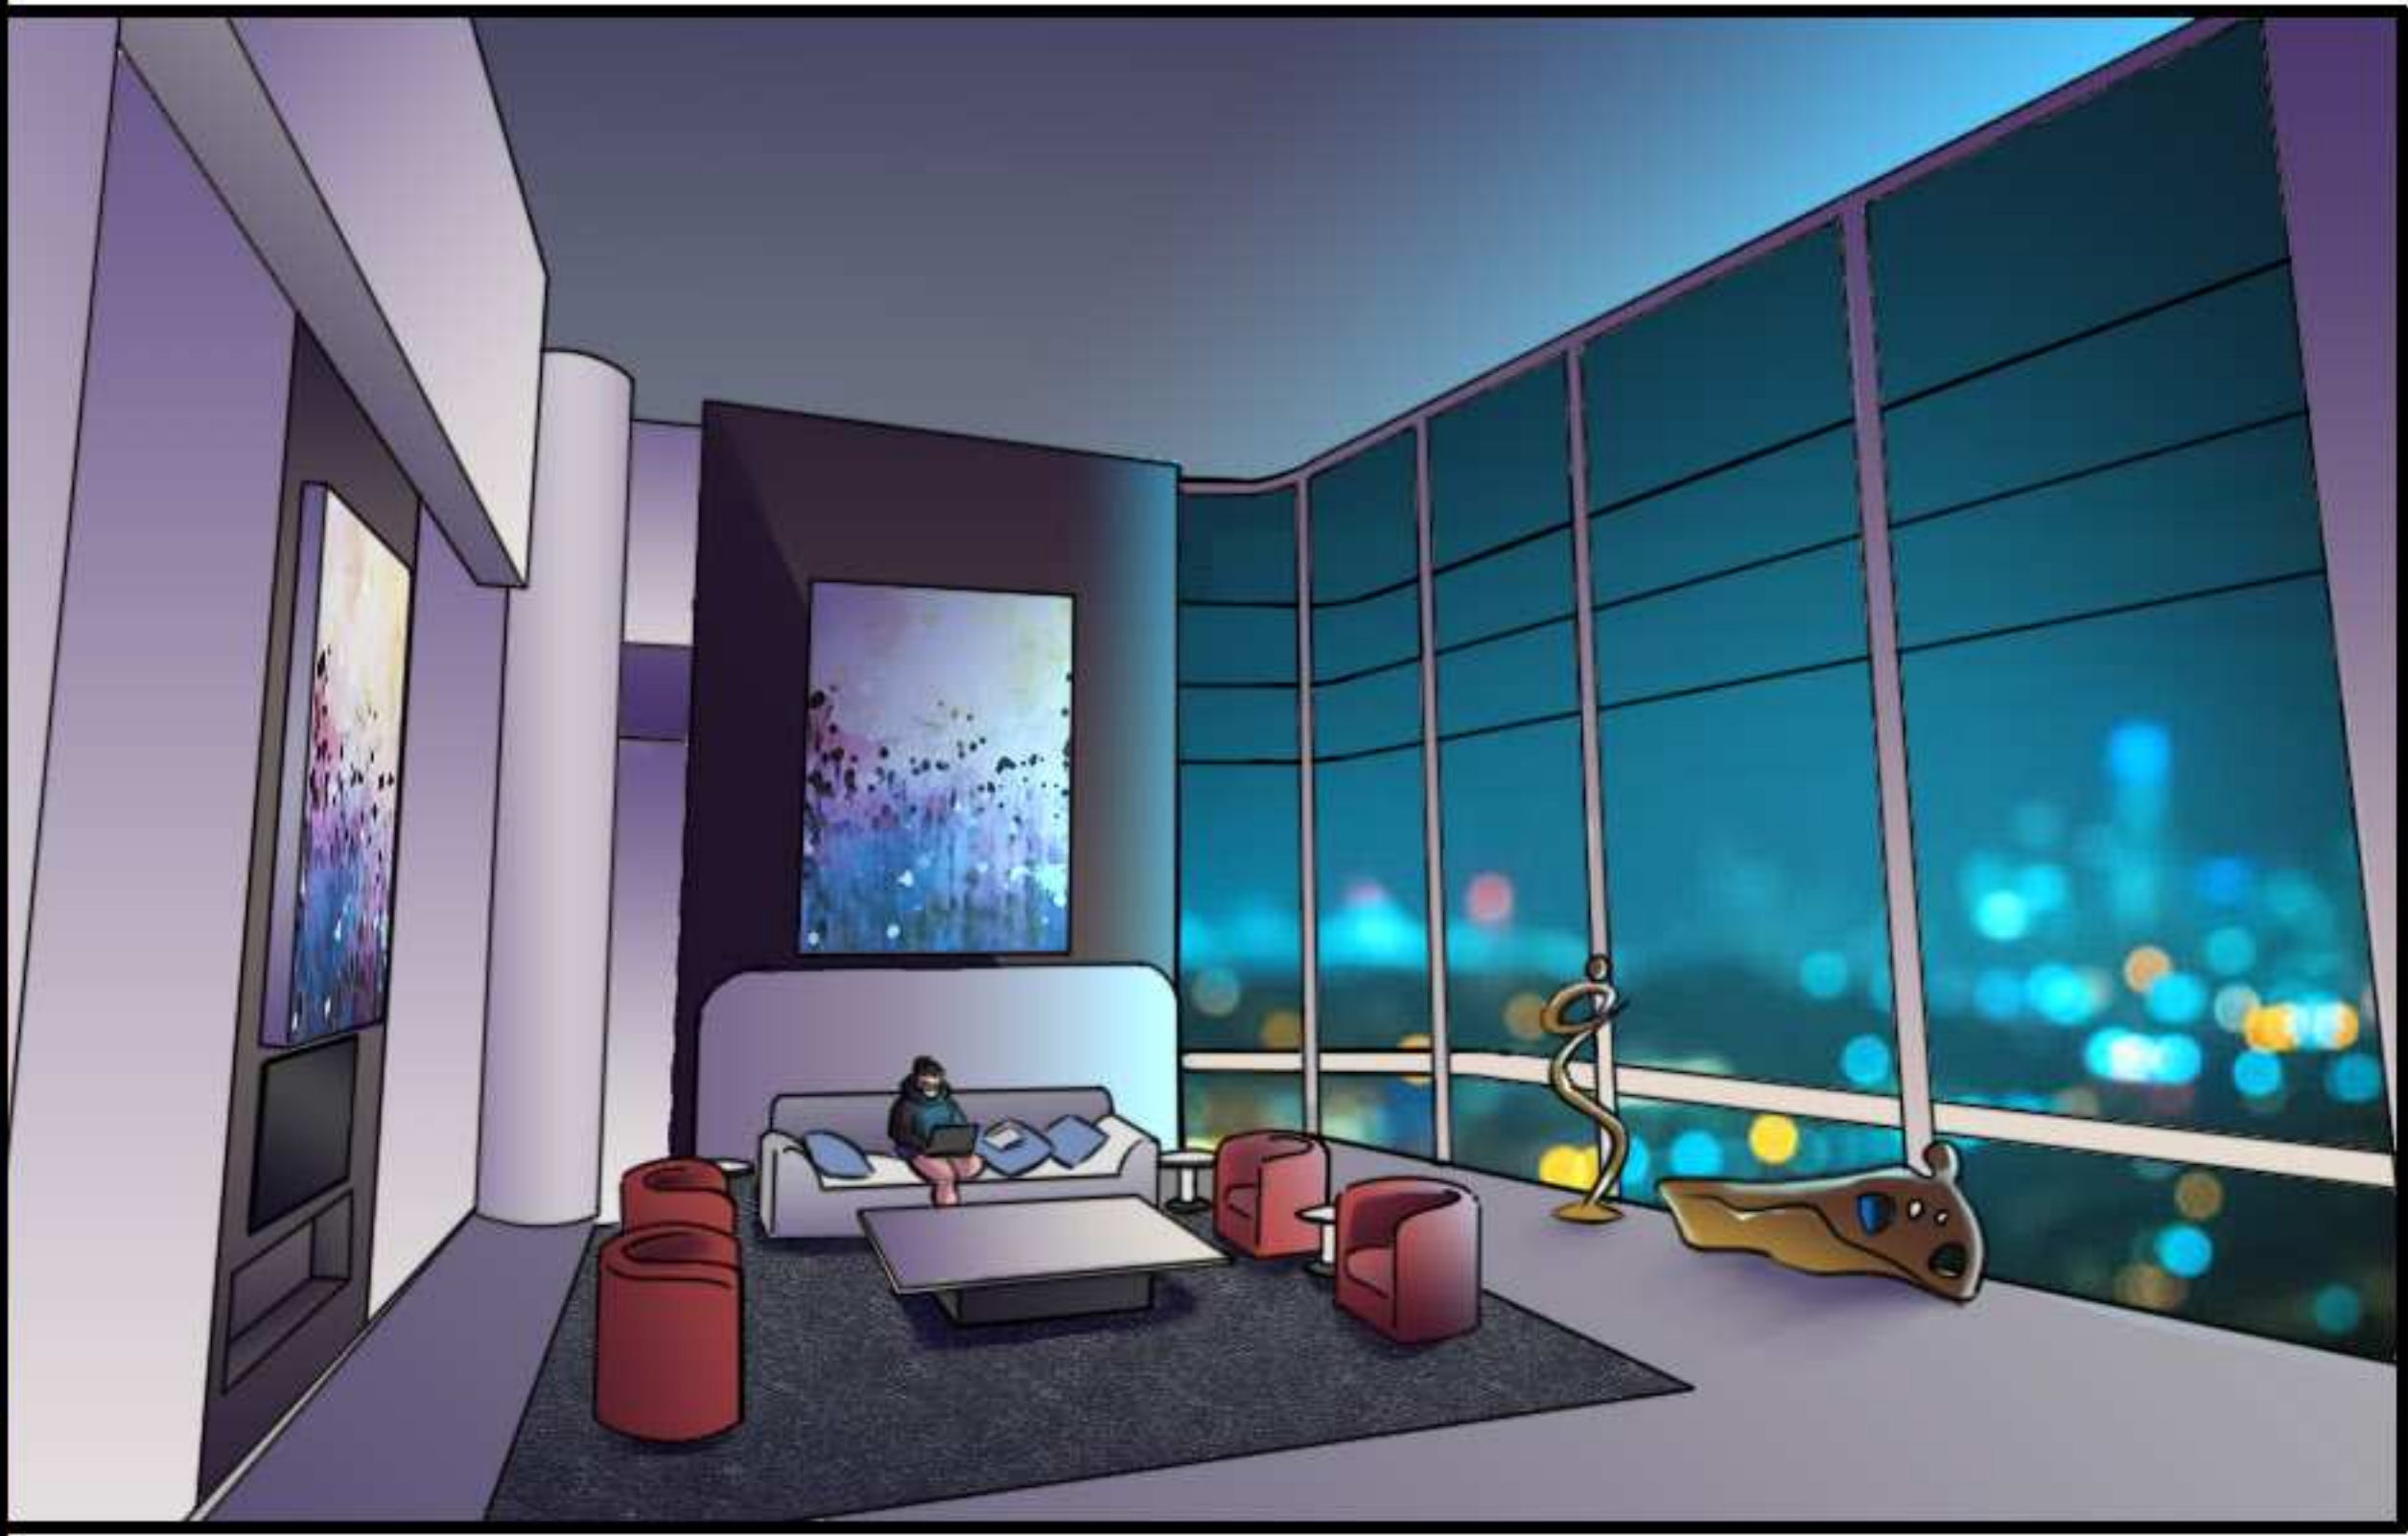

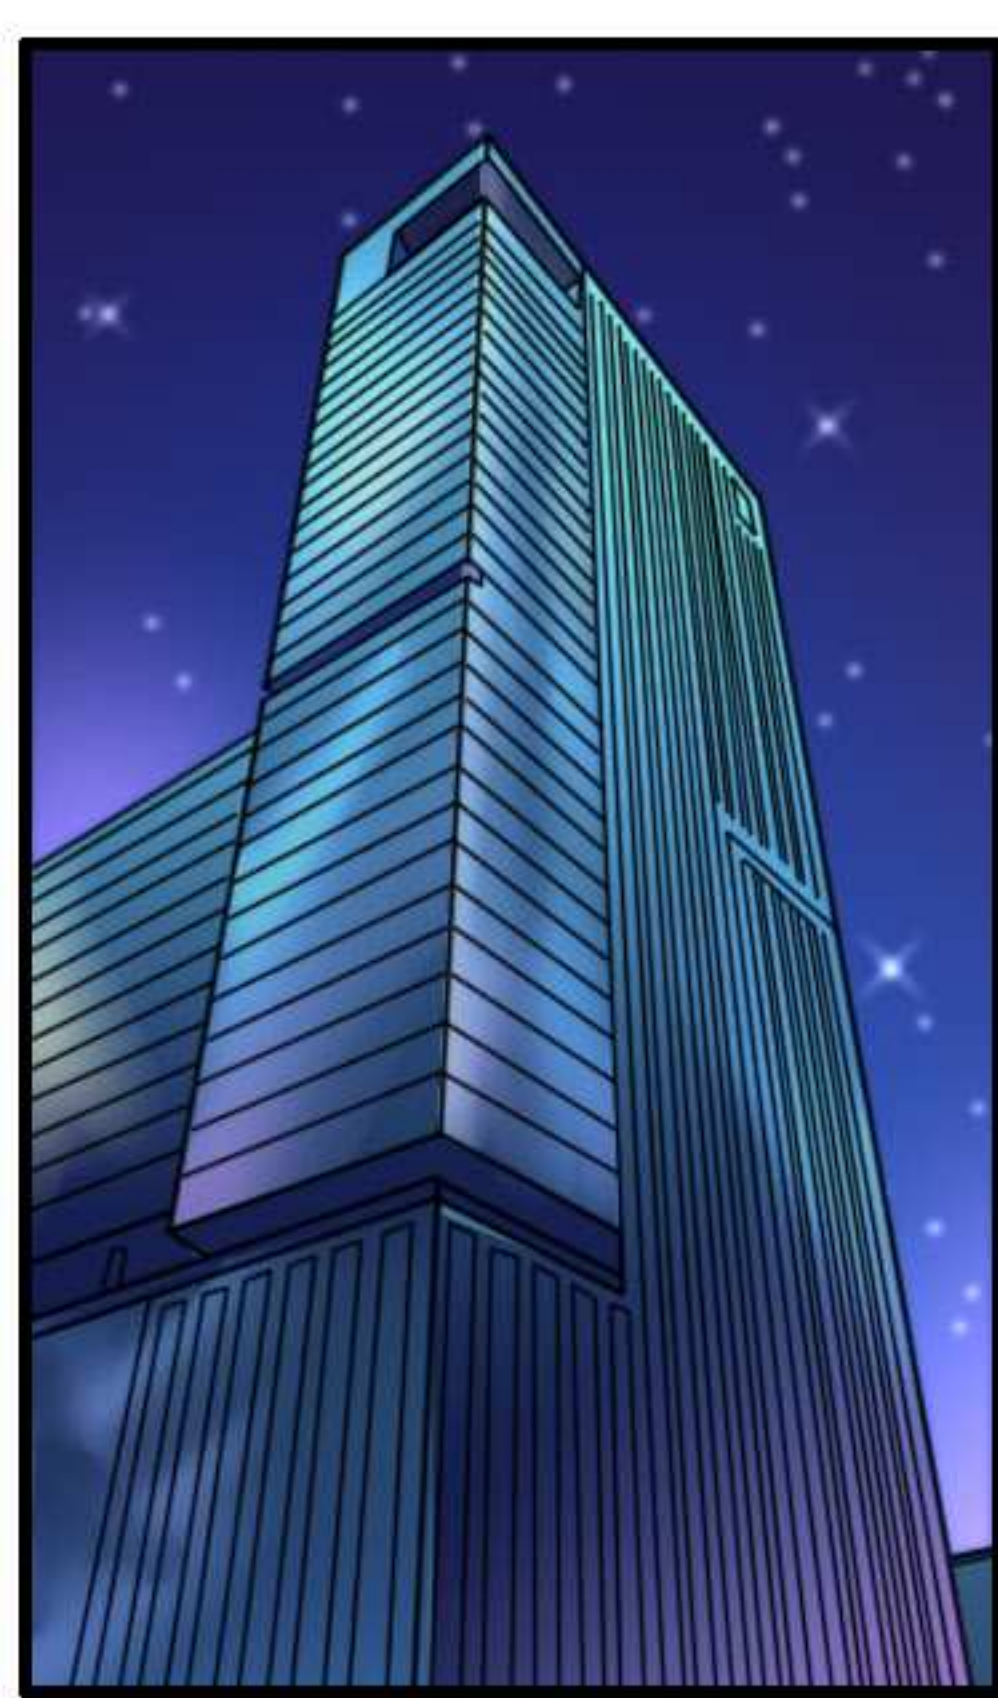

At the same time, we completely understand that not everyone has the means to chip in and help make this dream a reality. In that, we are one of the few that gives away so much of our art, with the majority of it being available for free, as well as everything eventually being made for free.

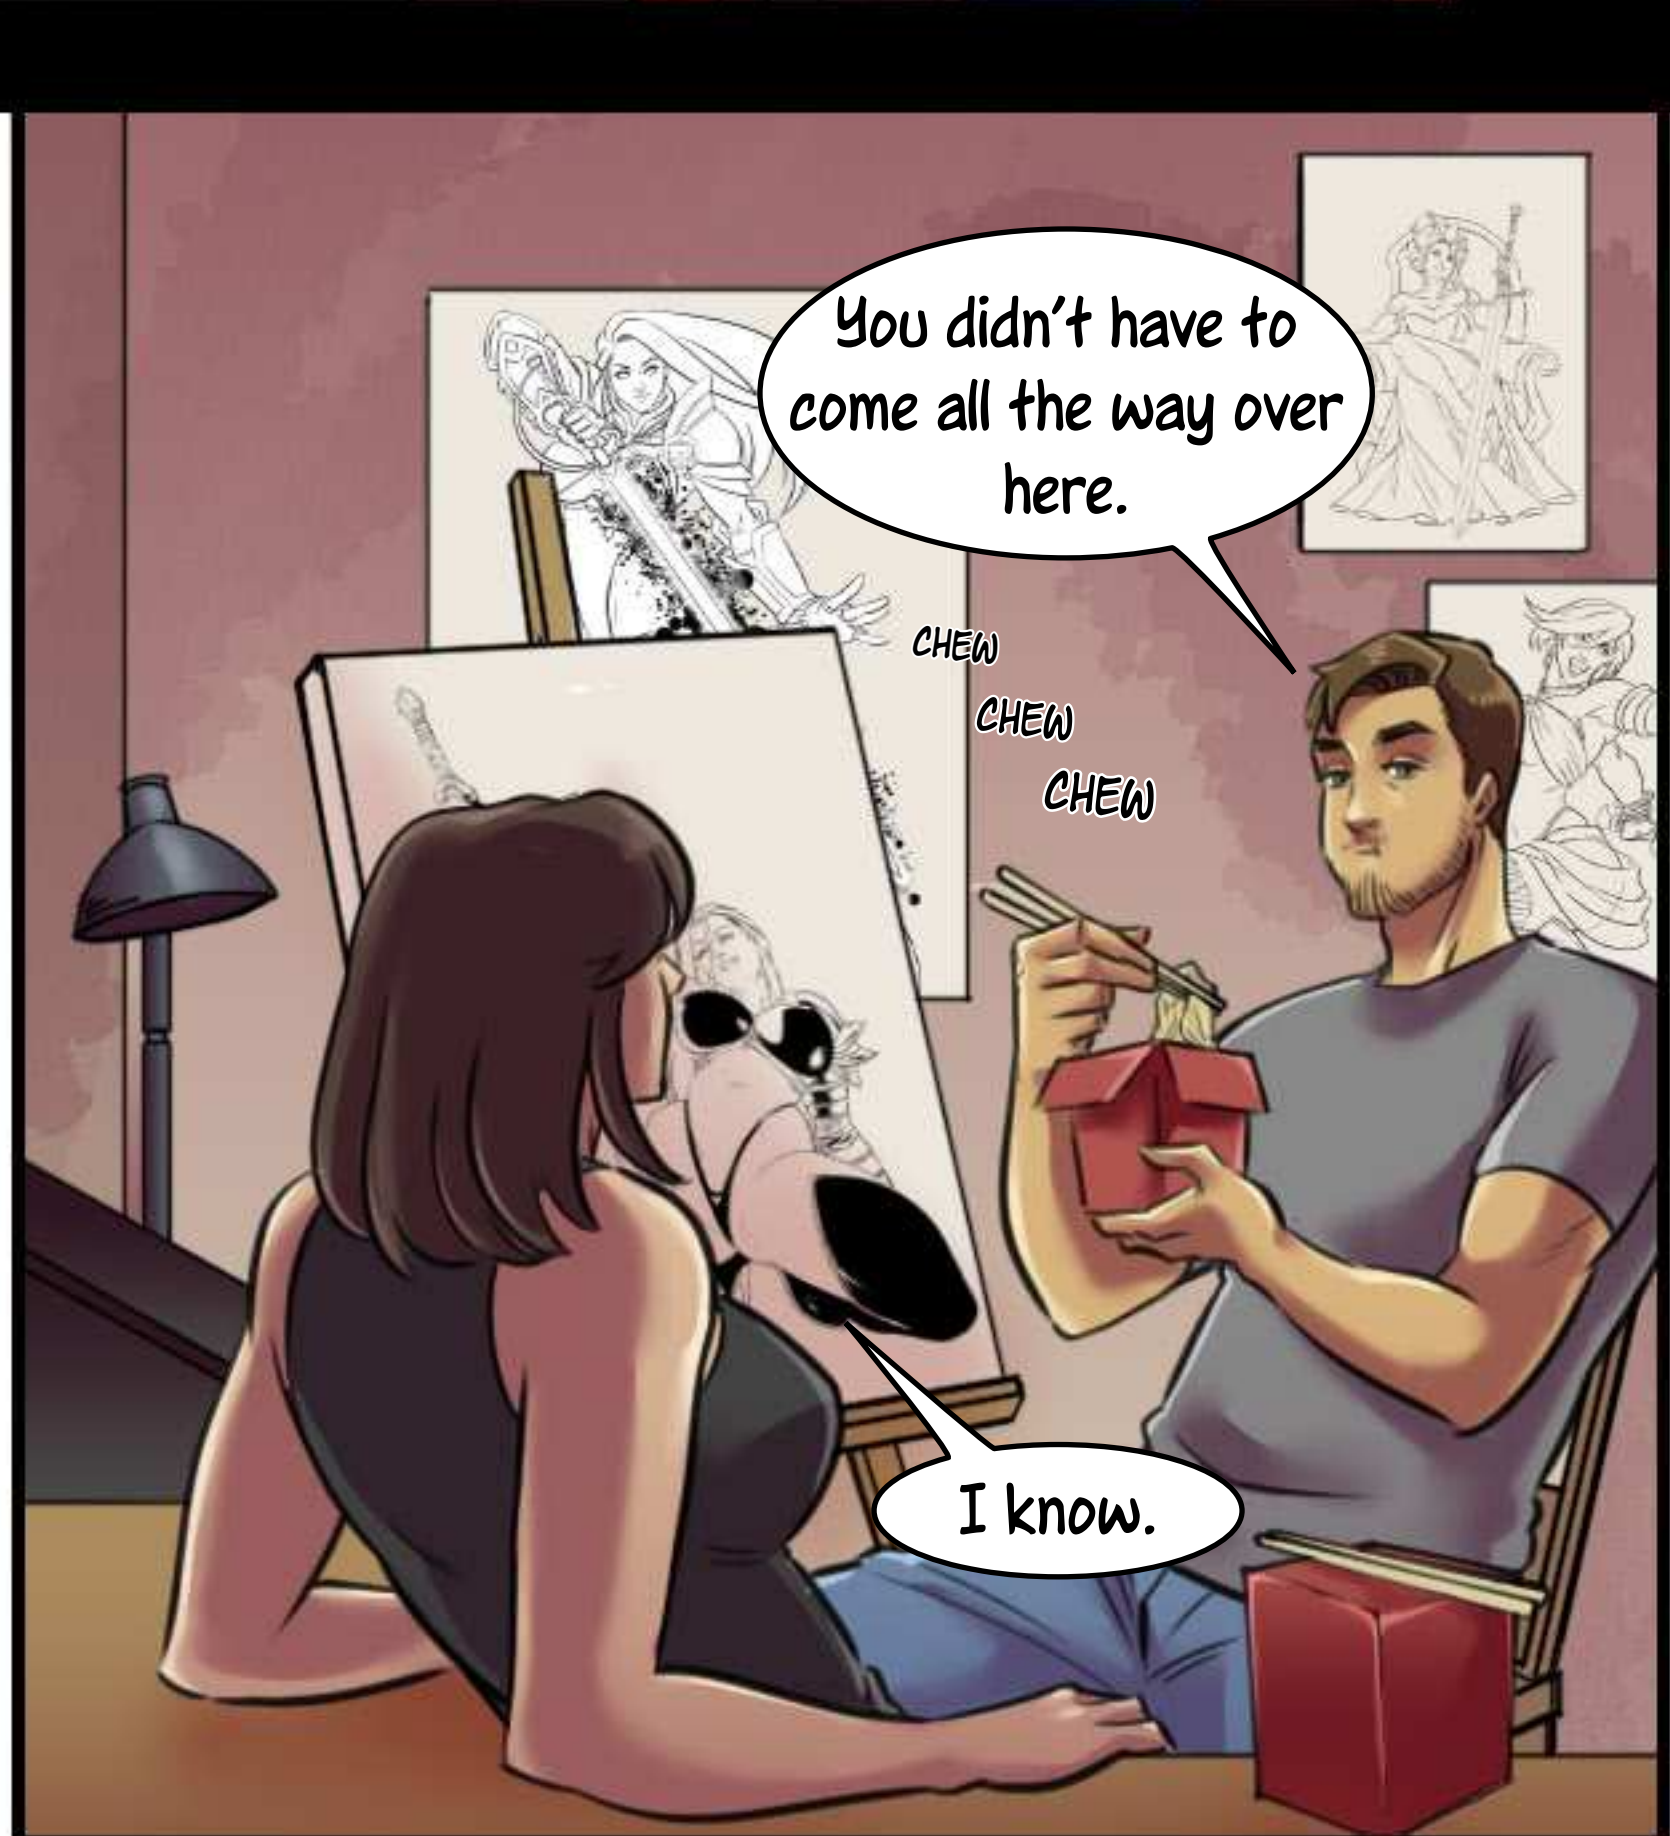

Since this is not a large organization, pirating this stuff really does hurt the people that try their best to make the best content we can and lowers the amount of content that can be generated.

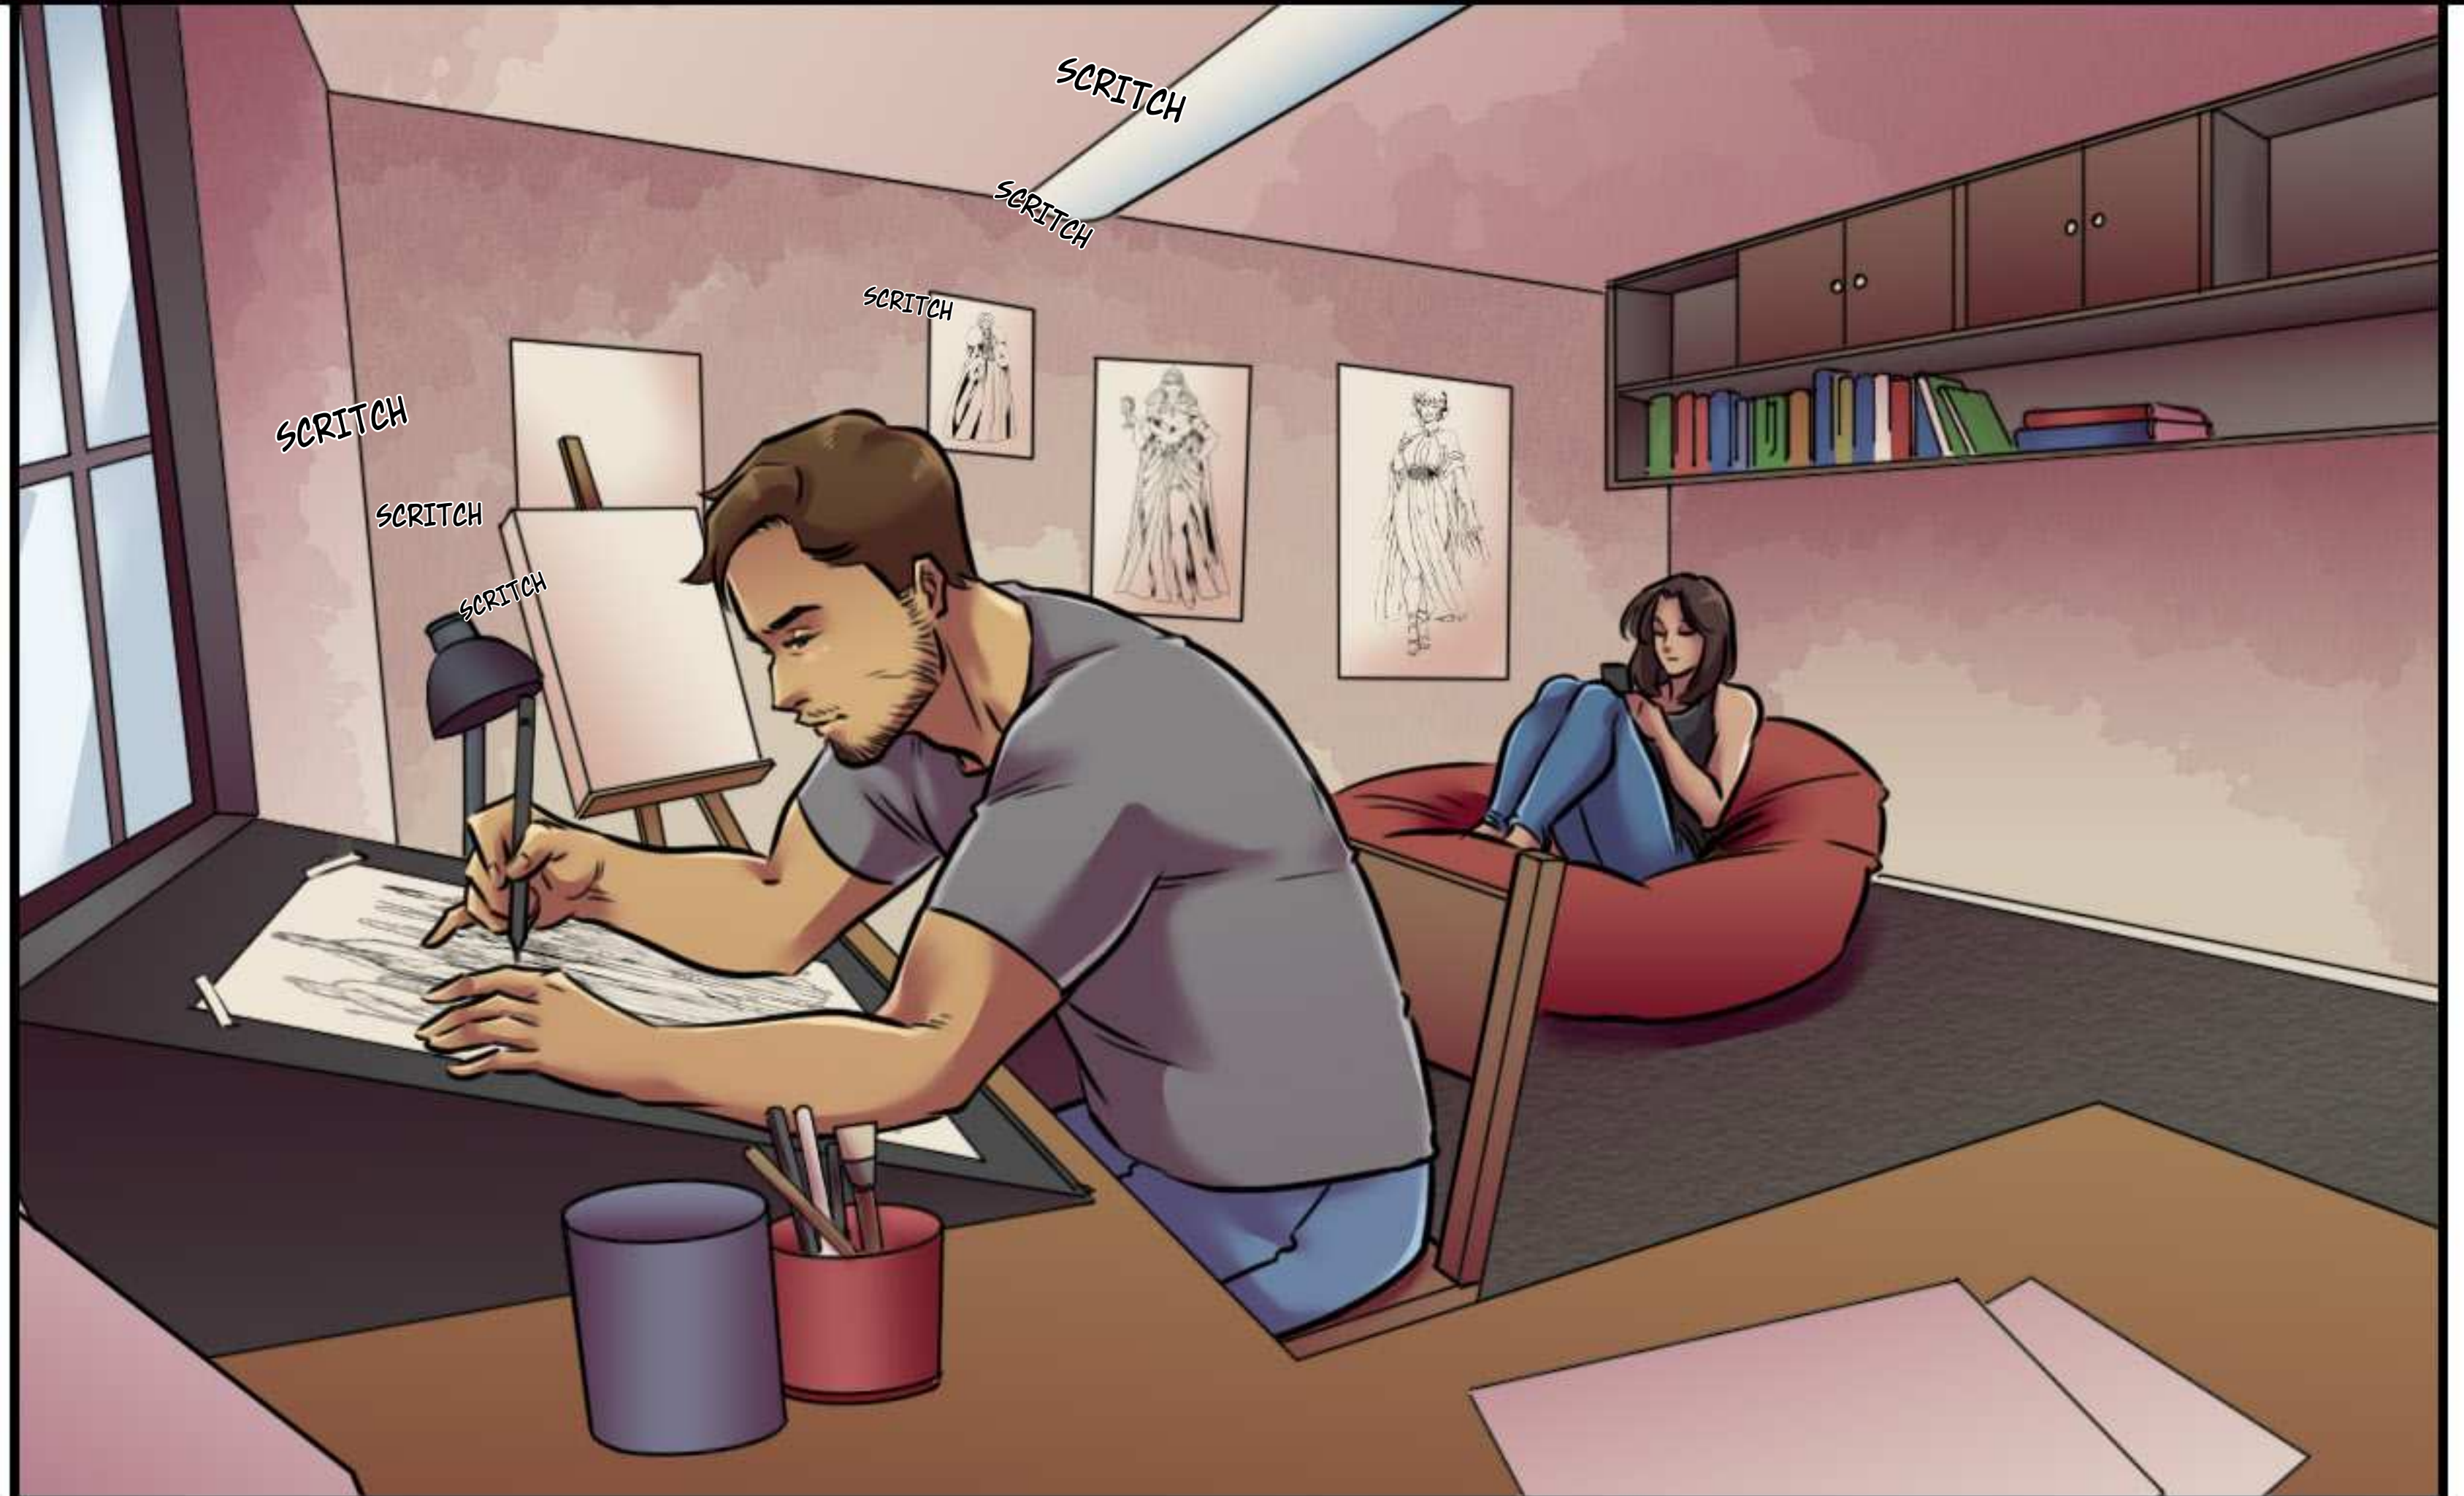

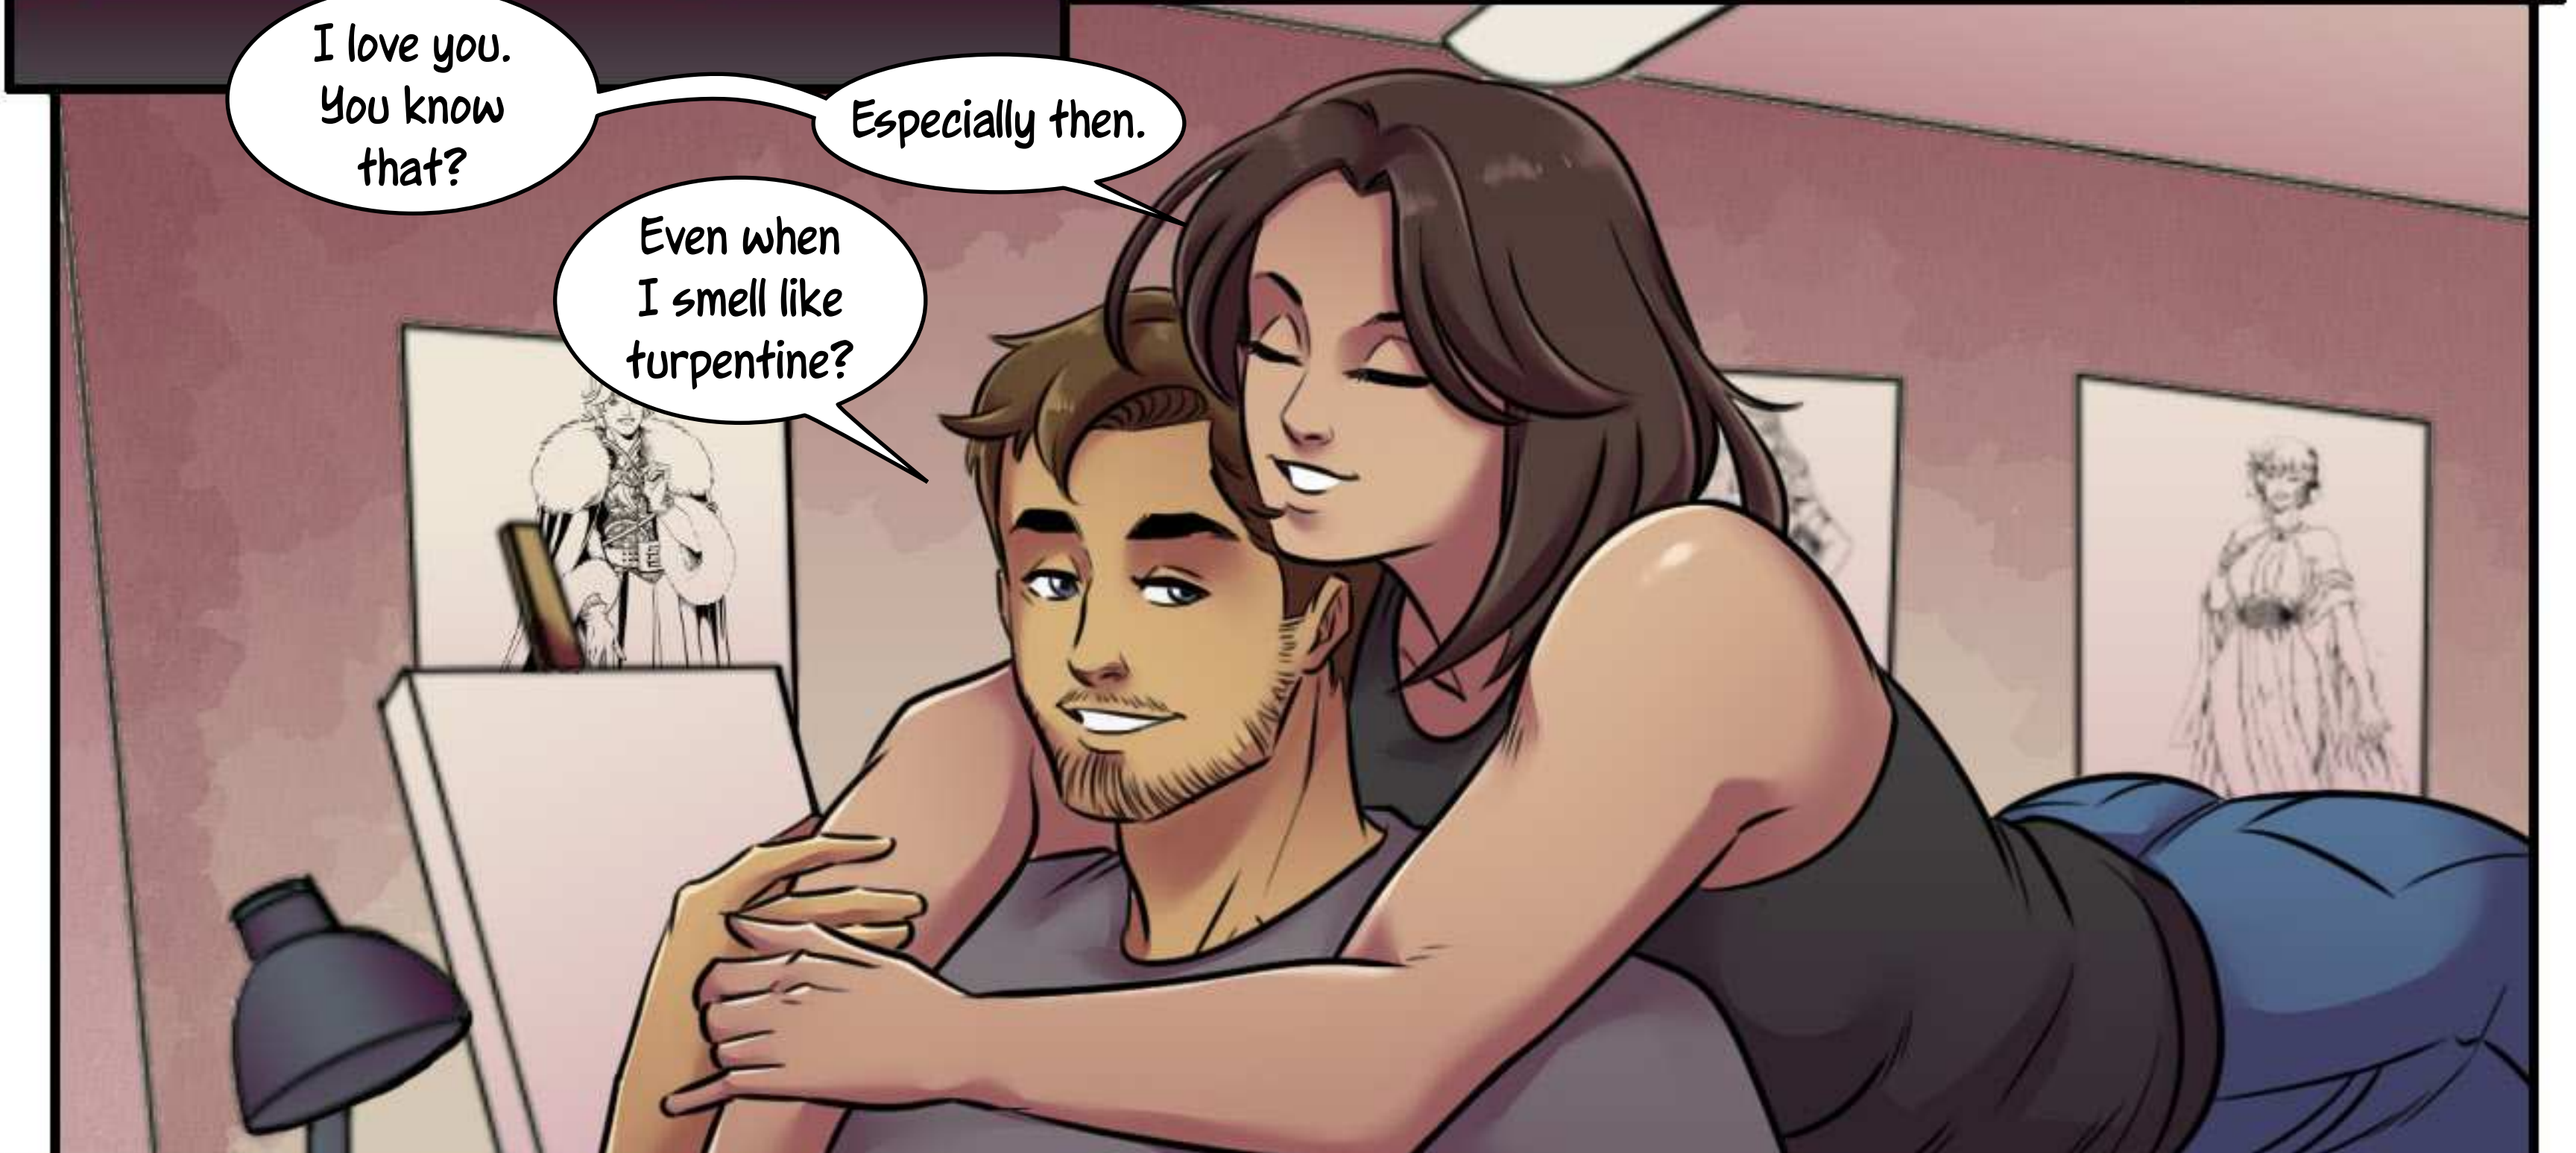

If there is something we can do better, please let us know.

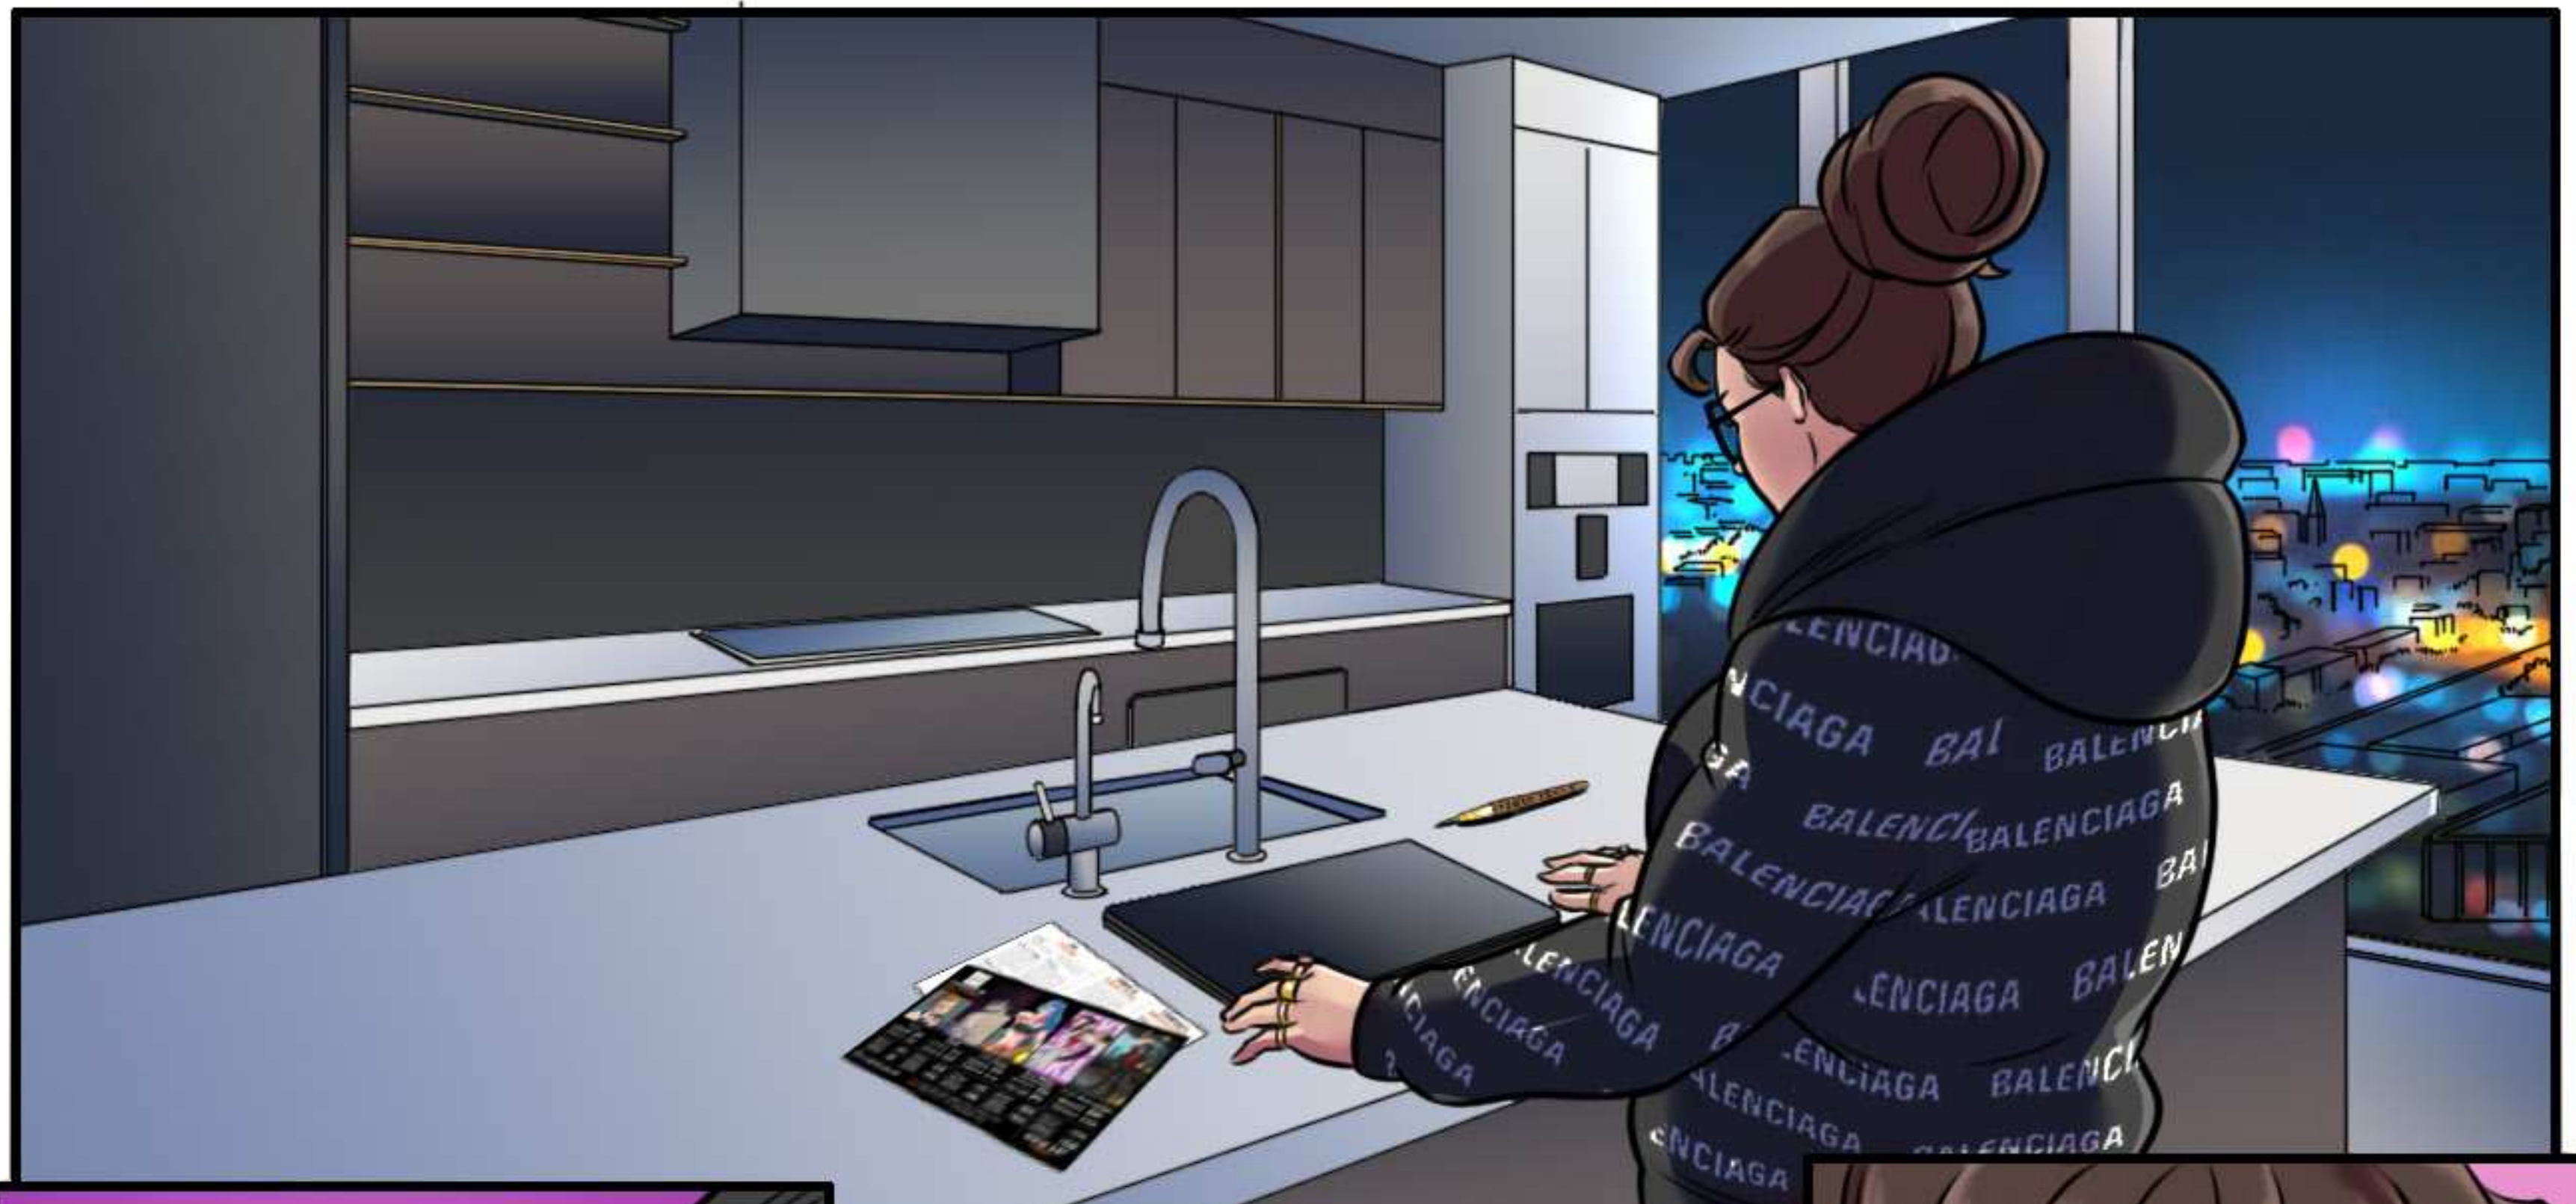

Thank you

GrowGetter and Staff

Draw what you want to become.

Simple enough.

He just needs to be the one holding it.

Mr. Ruiz.
My name is Victoria Hale.
I'd like to discuss a commission.

The next morning...

Smaller than I expected.

Yes.

The studio?

So — you mentioned you wanted a portrait. Full figure, idealized style?

I want you to draw me as I should look.

And you'll use this.

...Where did you get this?

Does it matter?

Try to relax if you can. Natural reads better than—

I am relaxed.

You know I've followed your work for a long time.

Oh yeah? Thanks.

I don't mean online.

You've always drawn beautiful women.

It's figure work, yeah.

I want to be one of them.

...It's finished.

Oh.

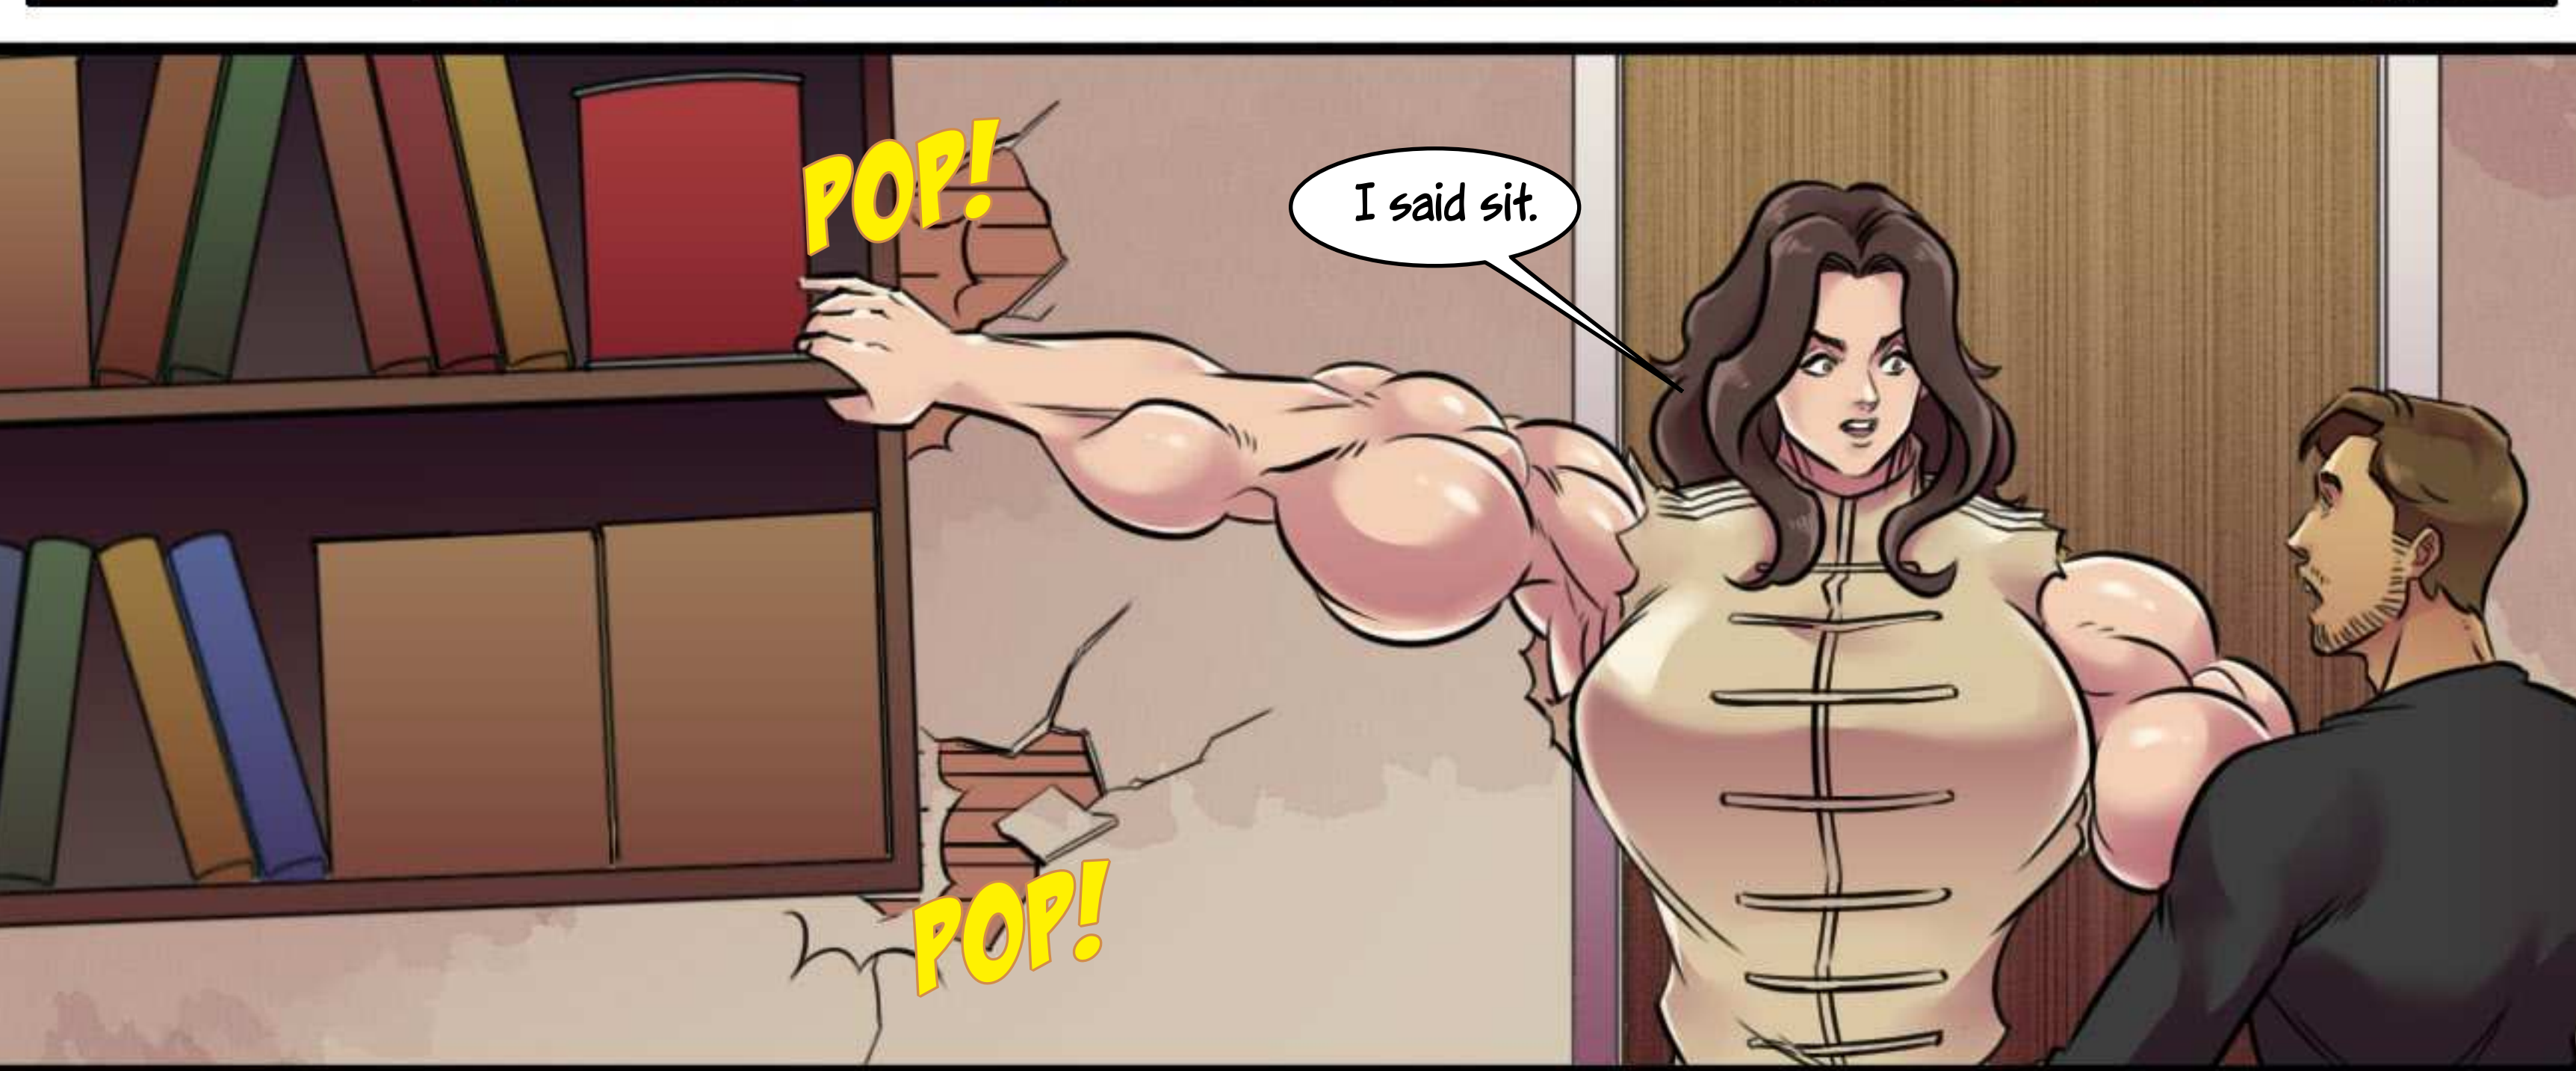

There she is.

You built this. Don't you want to see what it can do?

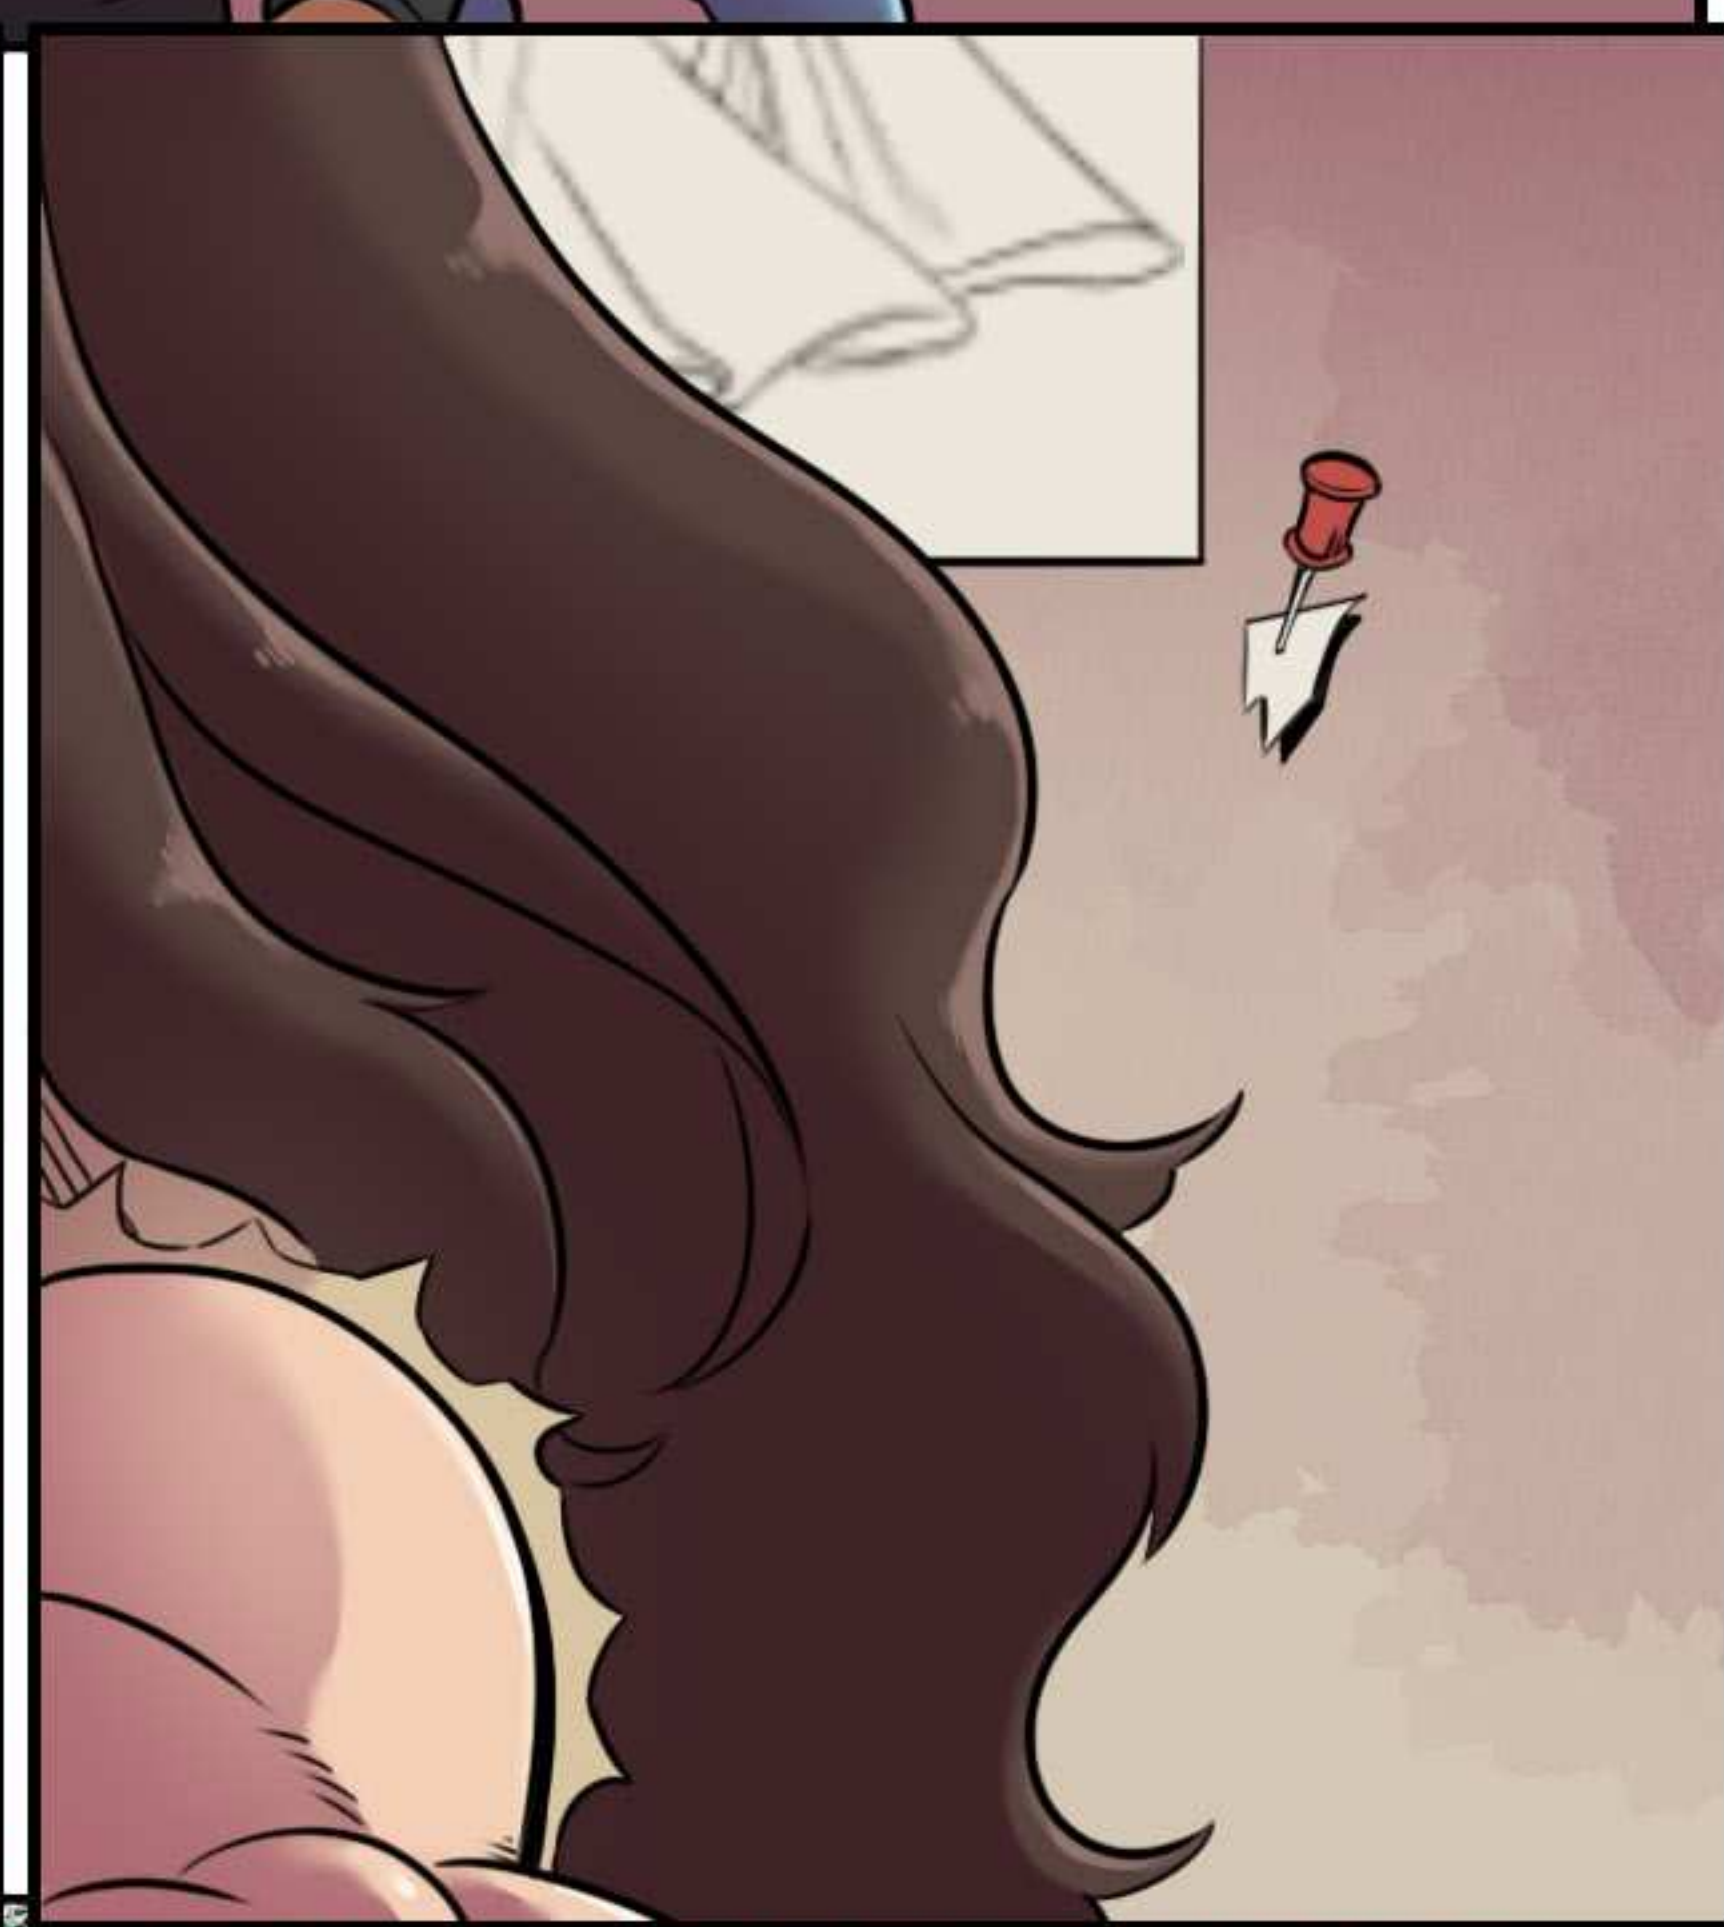

Okay. The drawing is done. So whatever that was - we're good. I'll send you the file and-

Do you know how long I've known about you?

I didn't say met.

We'd never met before today.

You've been wasting yourself.

Small commissions. Small apartment. Small life.

You'll like mine better.

I like my life.

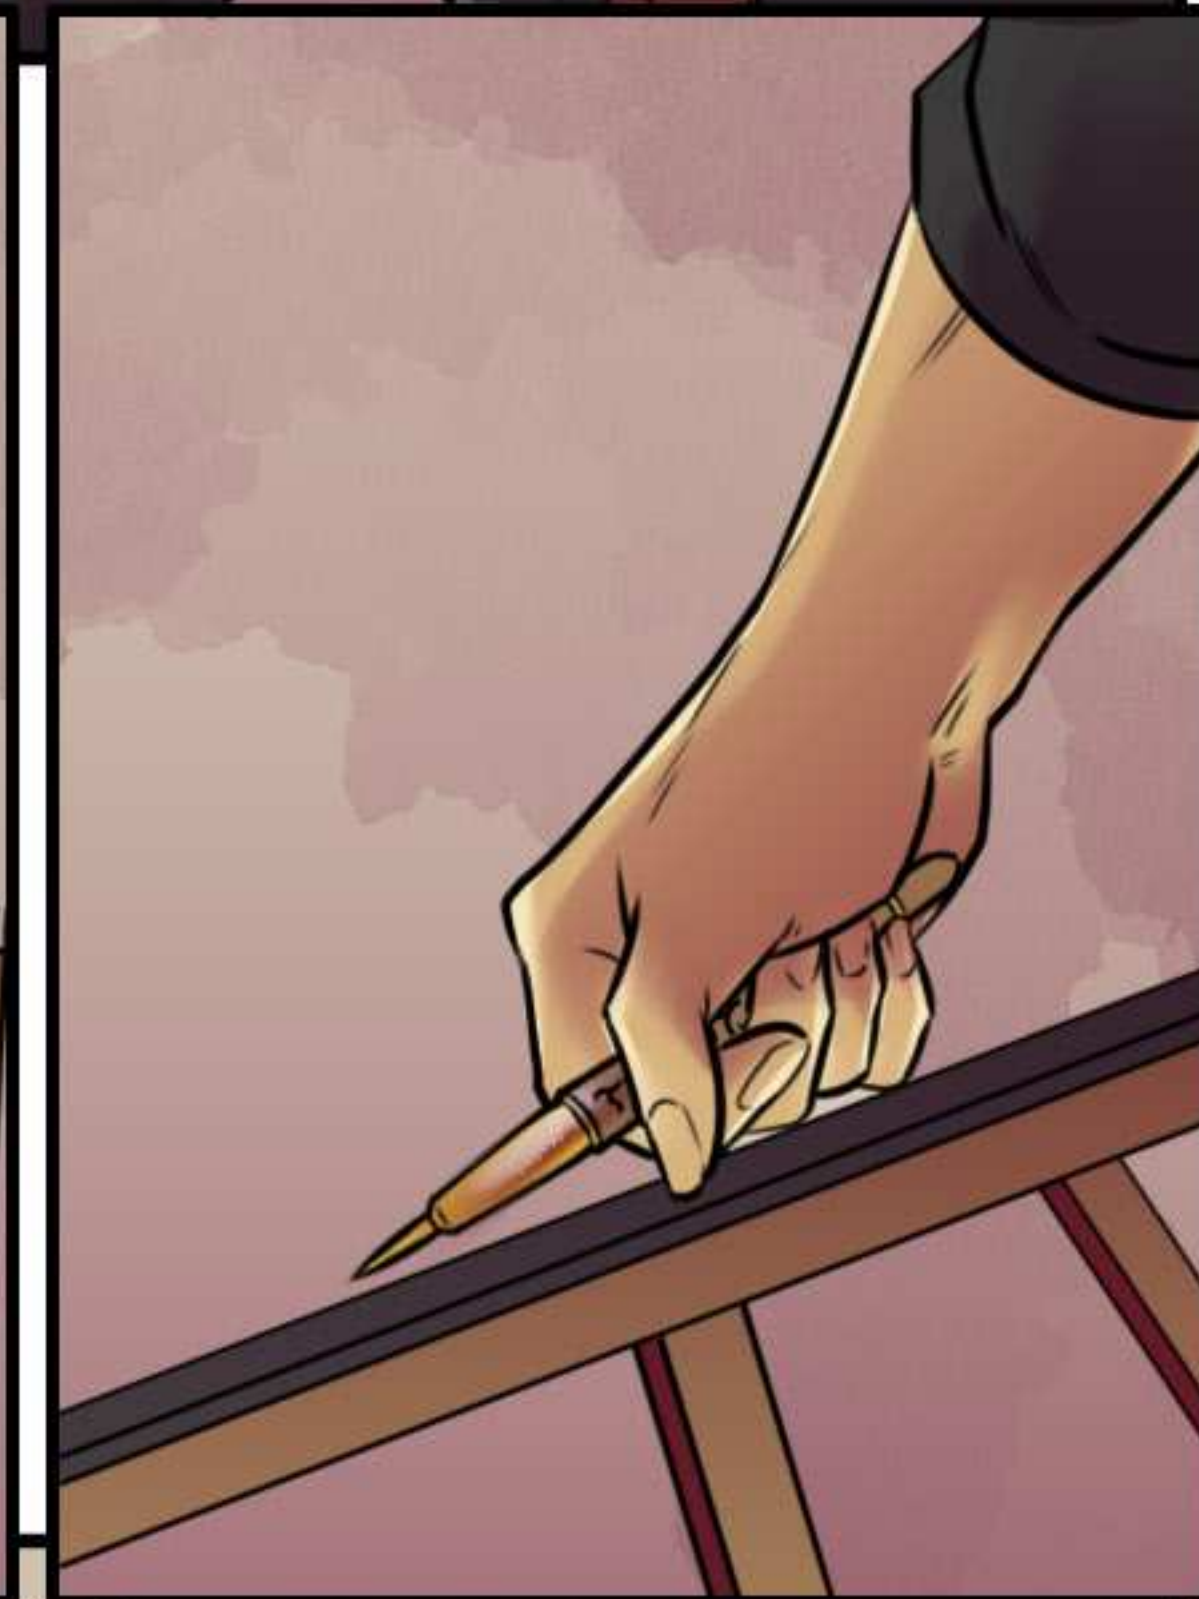

I've thought about this for a long time, Daniel. What we'd be together. You making the art. Me making everything else possible.

That's not—

I'm not asking.

You're going to see. Once it's done. Once you feel what I felt.

You're going to understand why this was always inevitable.

...

When it's done this will all be set. You and I. Permanent.

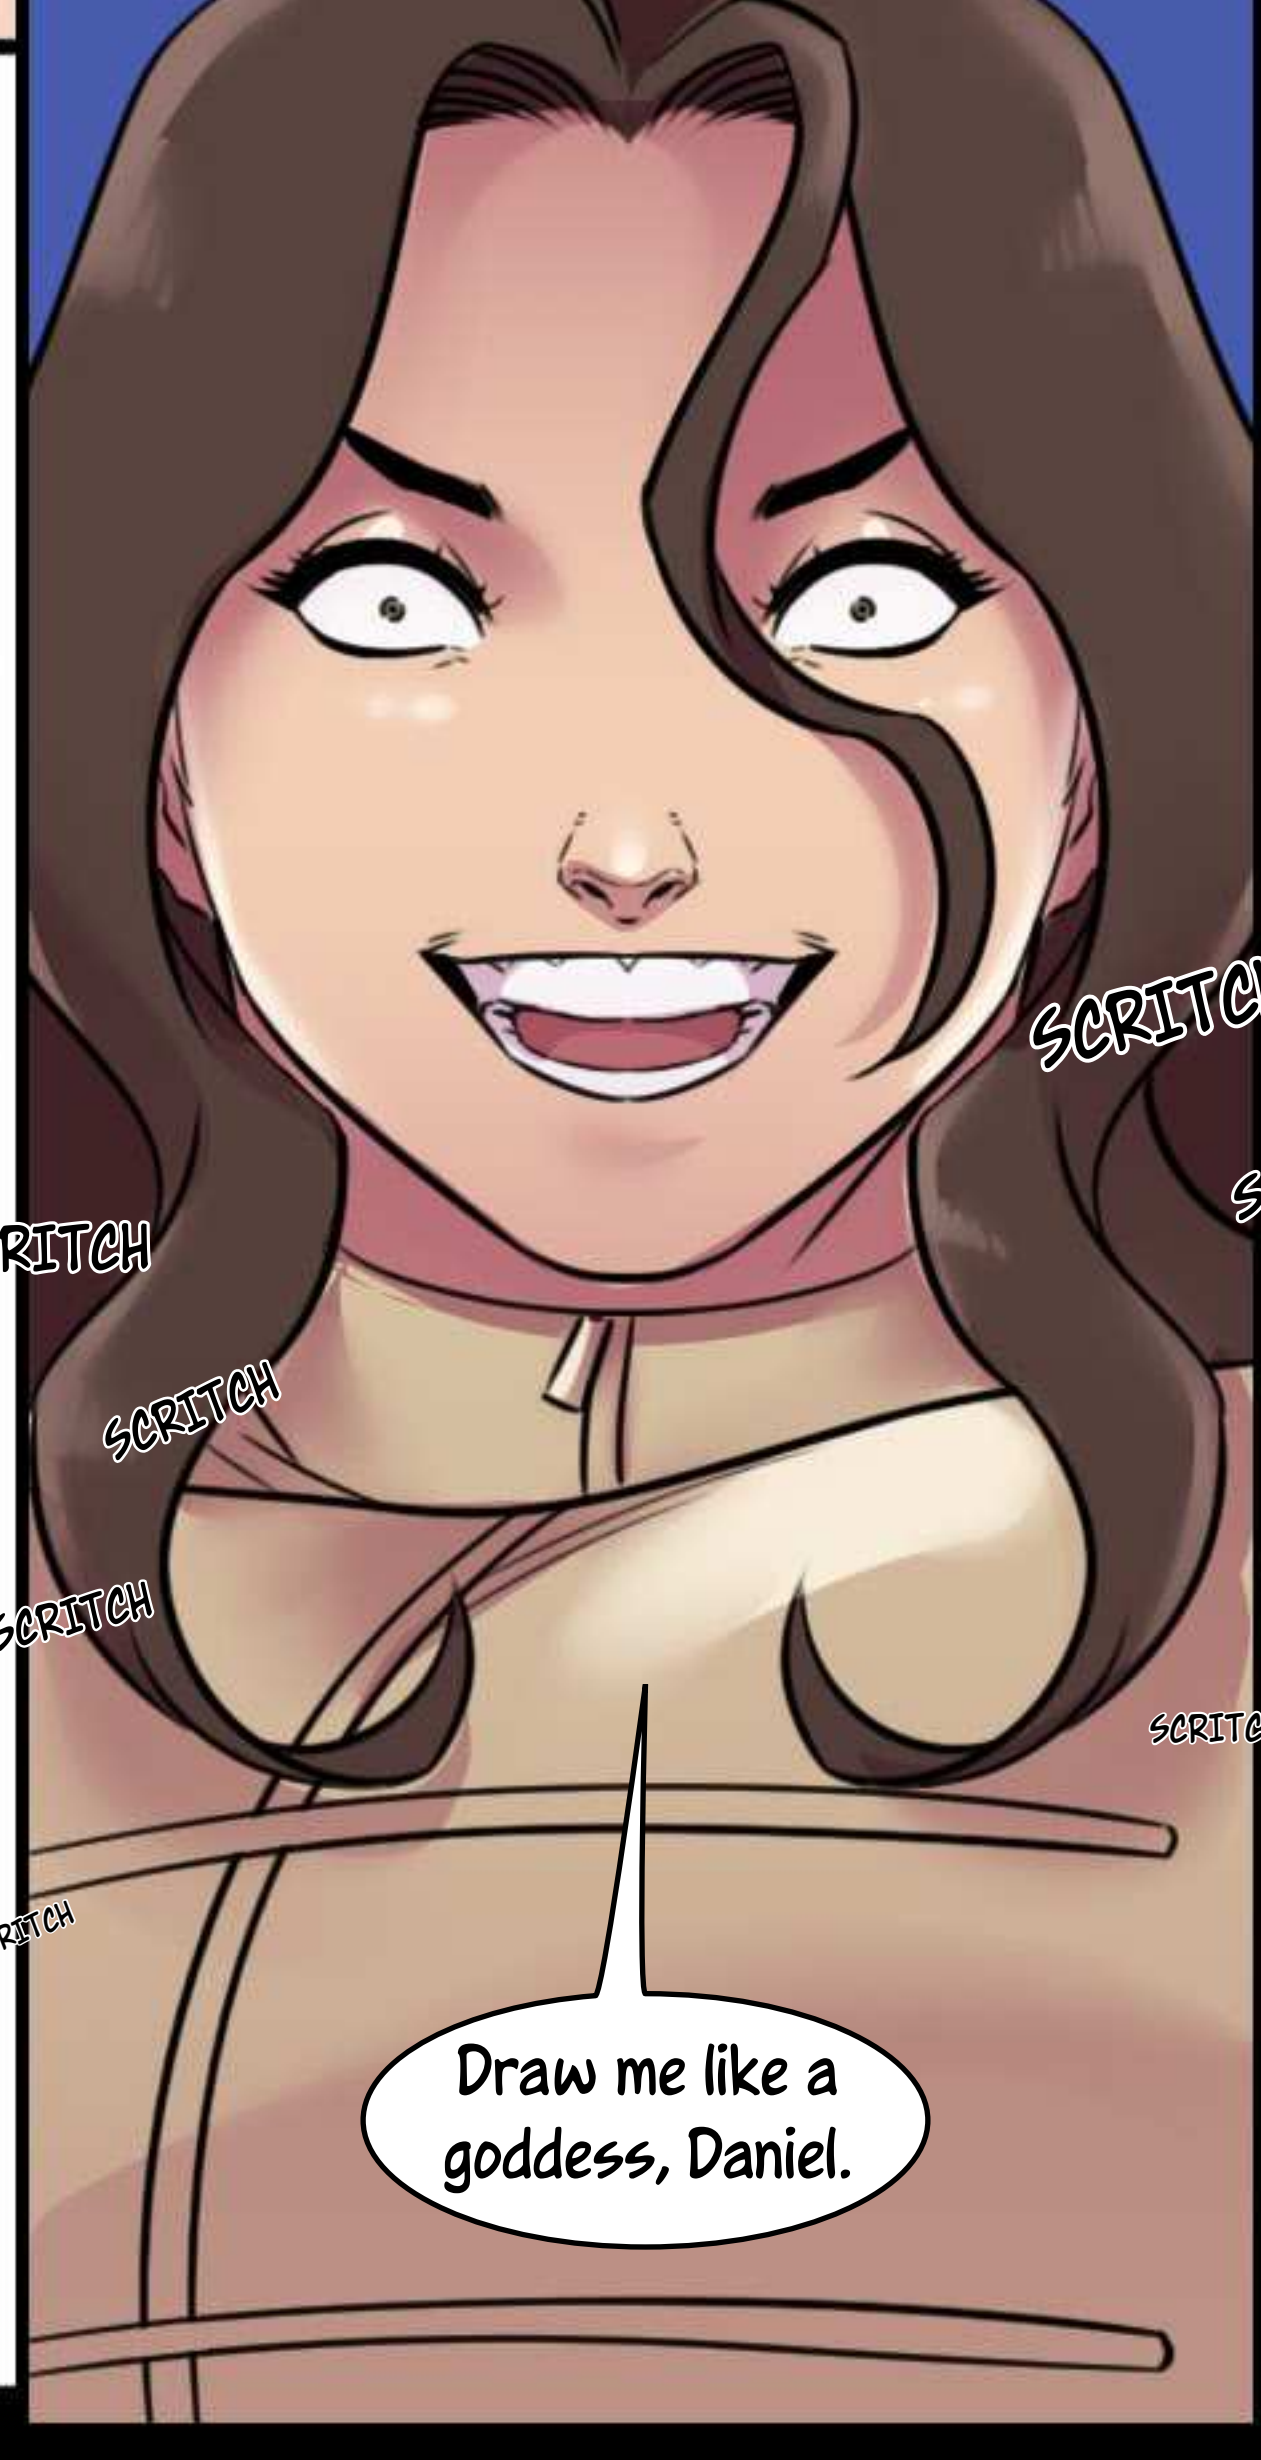

Permanent.

The pencil doesn't just draw. It decides. Once the image is complete - it's real. It can't be undone.

But that's not even the best part.

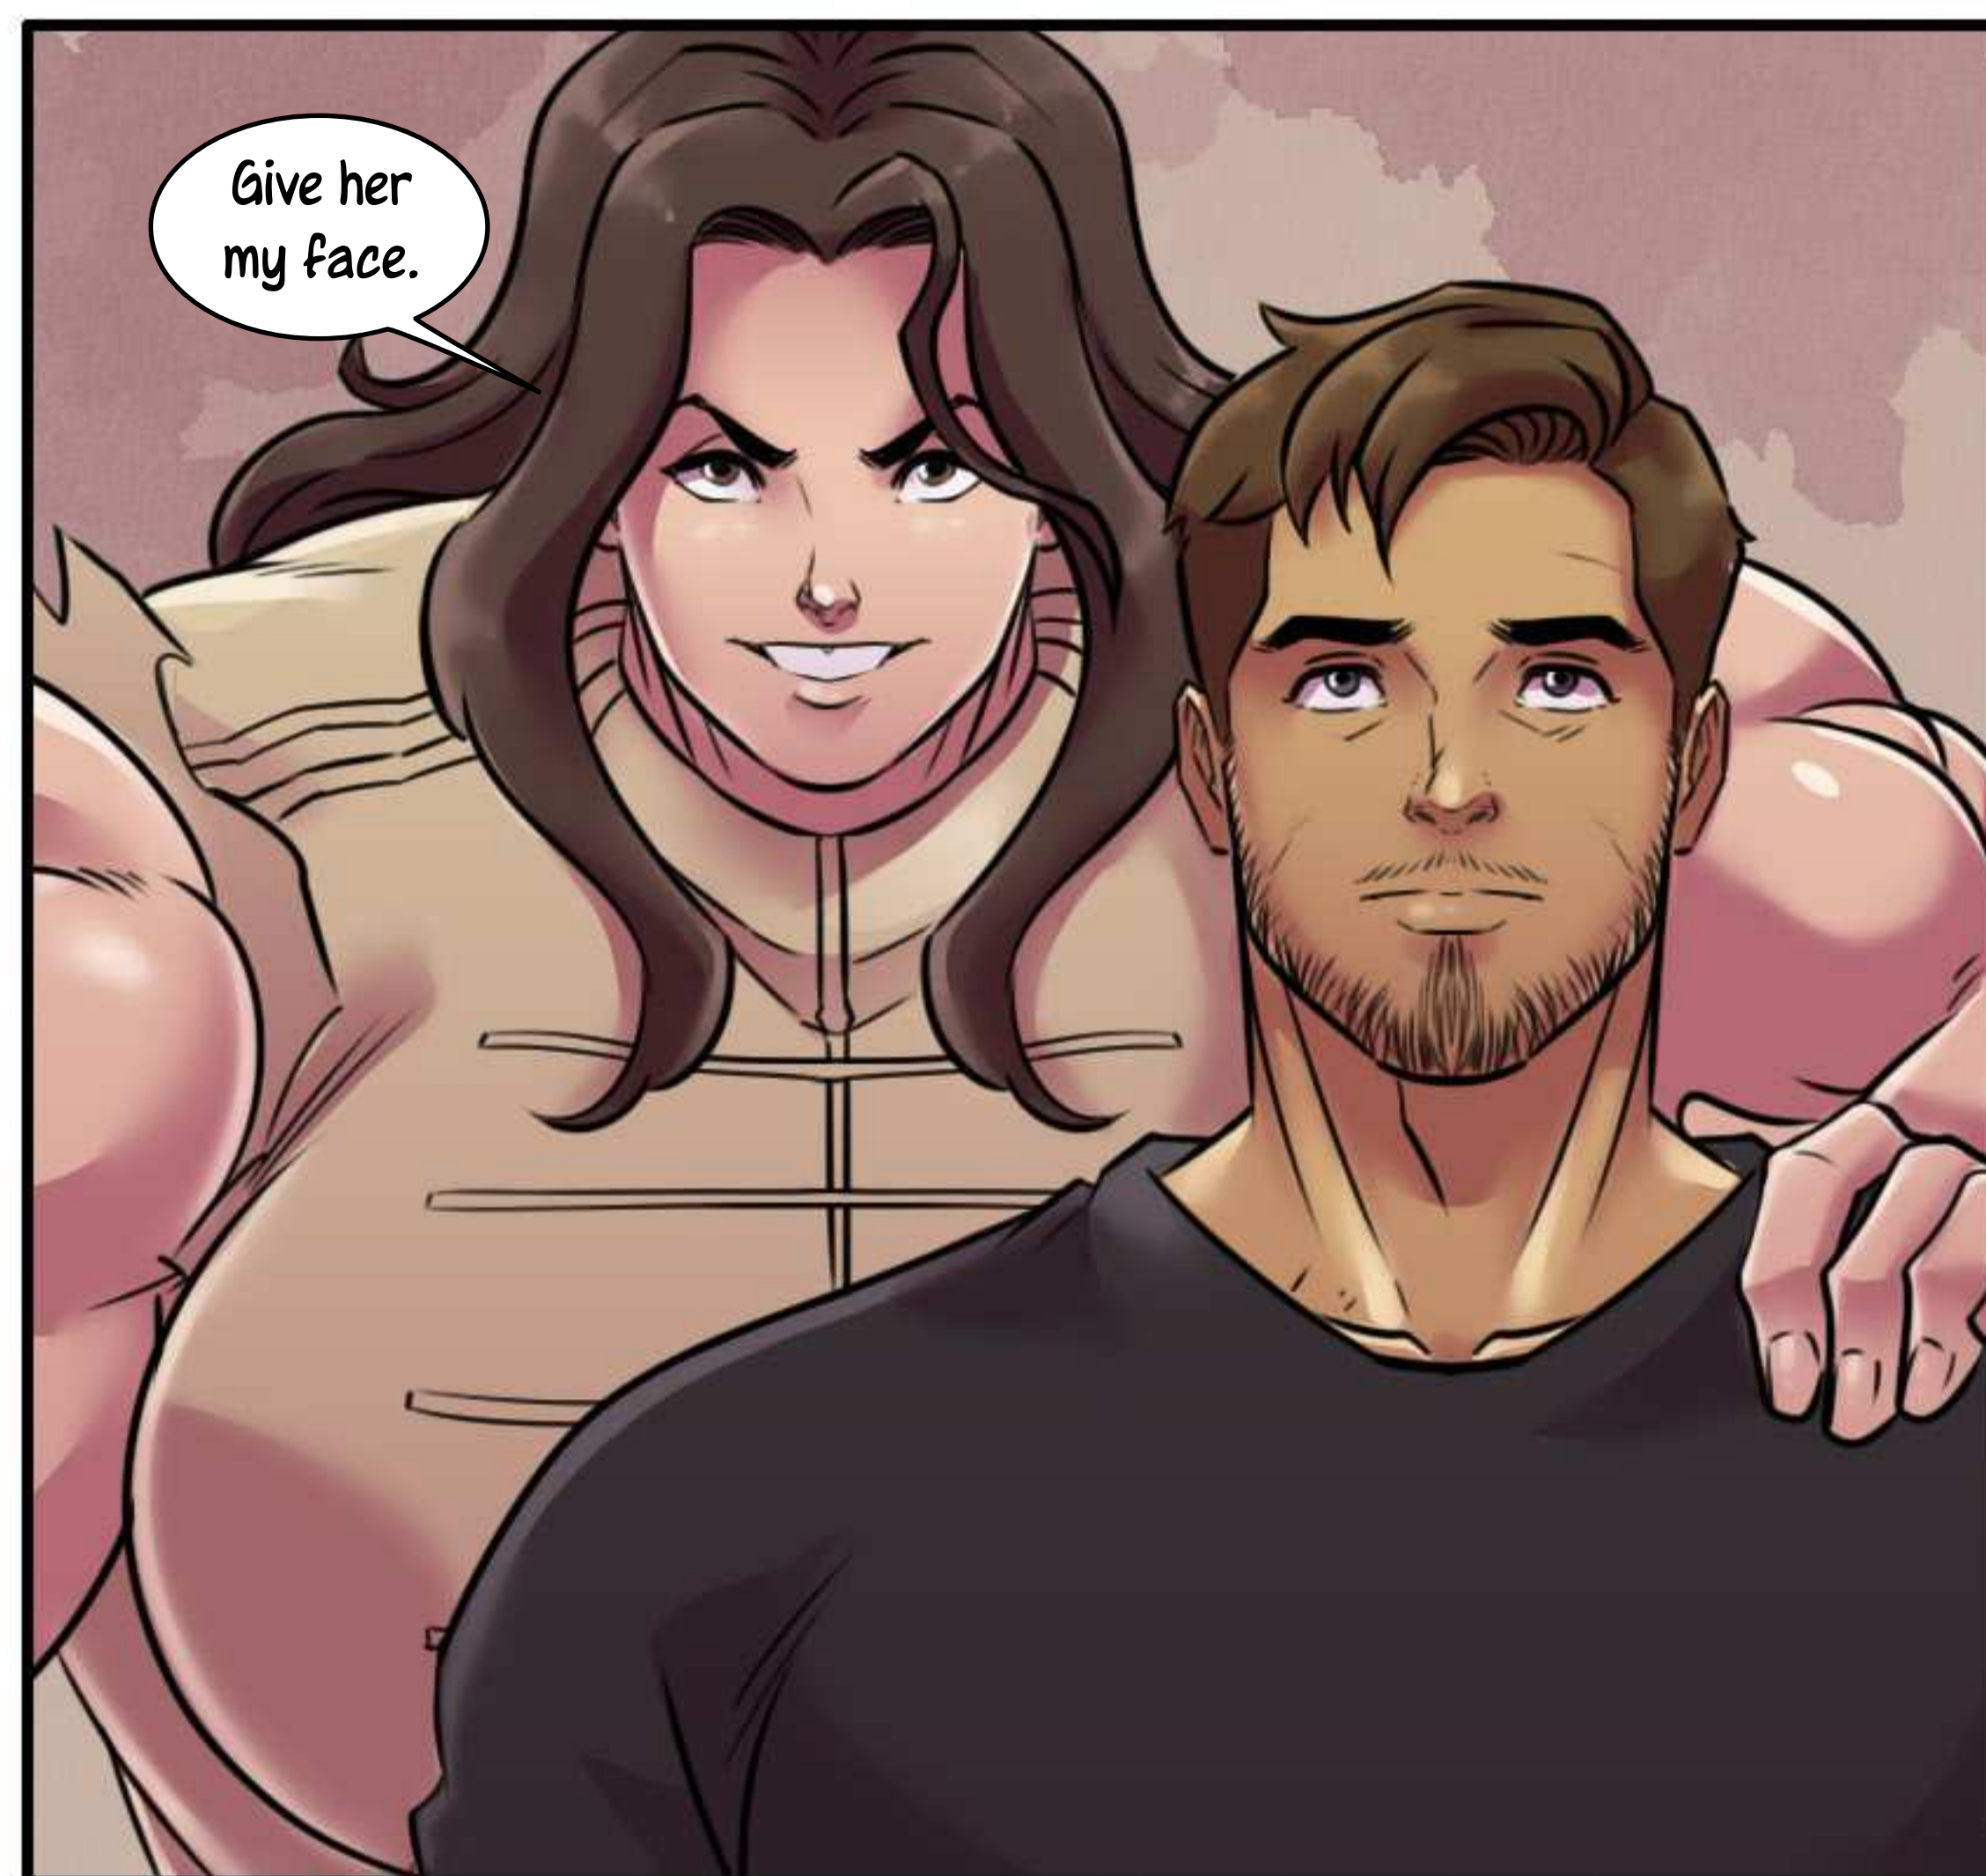

I want you to draw me one more time. After. Even more powerful. No limits.

Draw me like a goddess, Daniel.

Finish it.

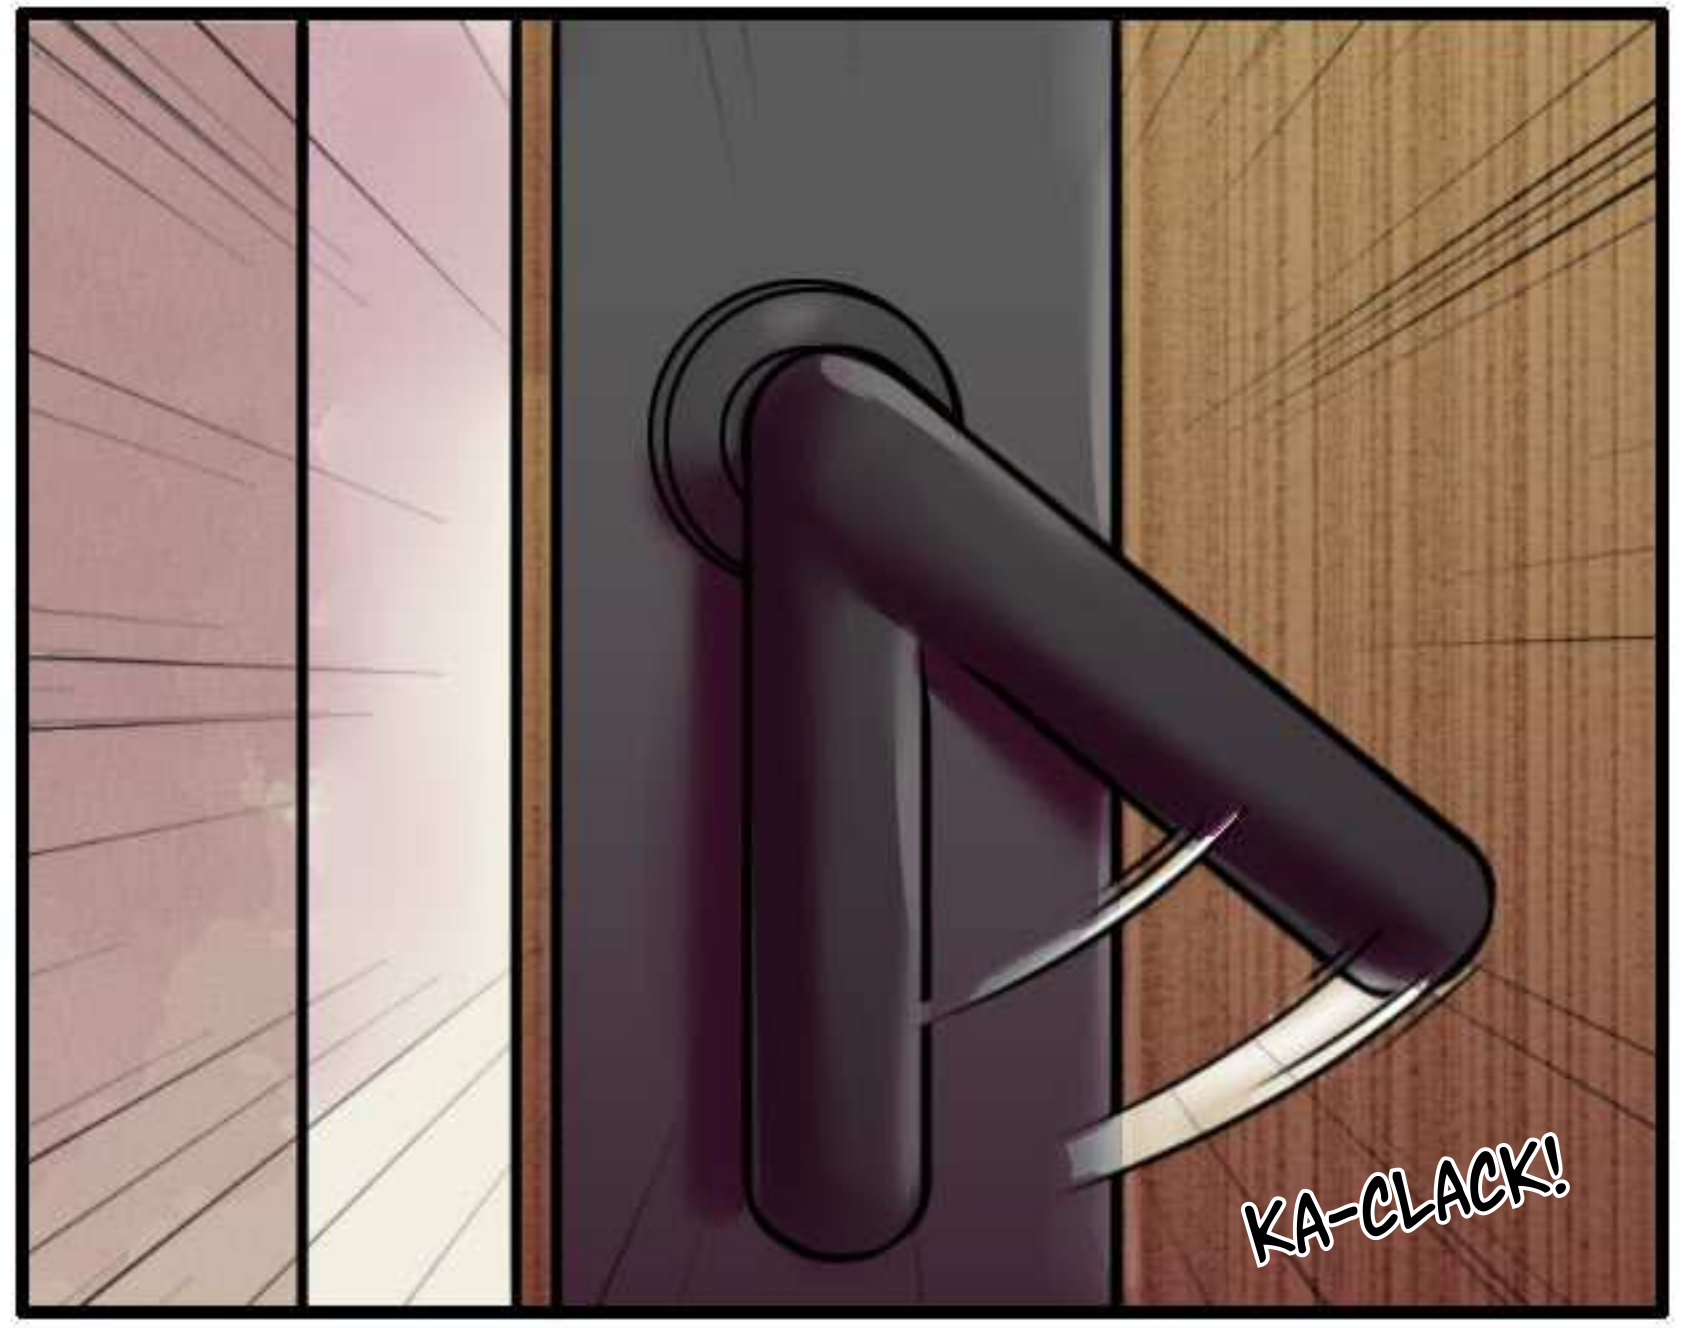

Give her my face.

FWOOP

Her face,
Daniel. Put my
face on her.

KA-CLACK!

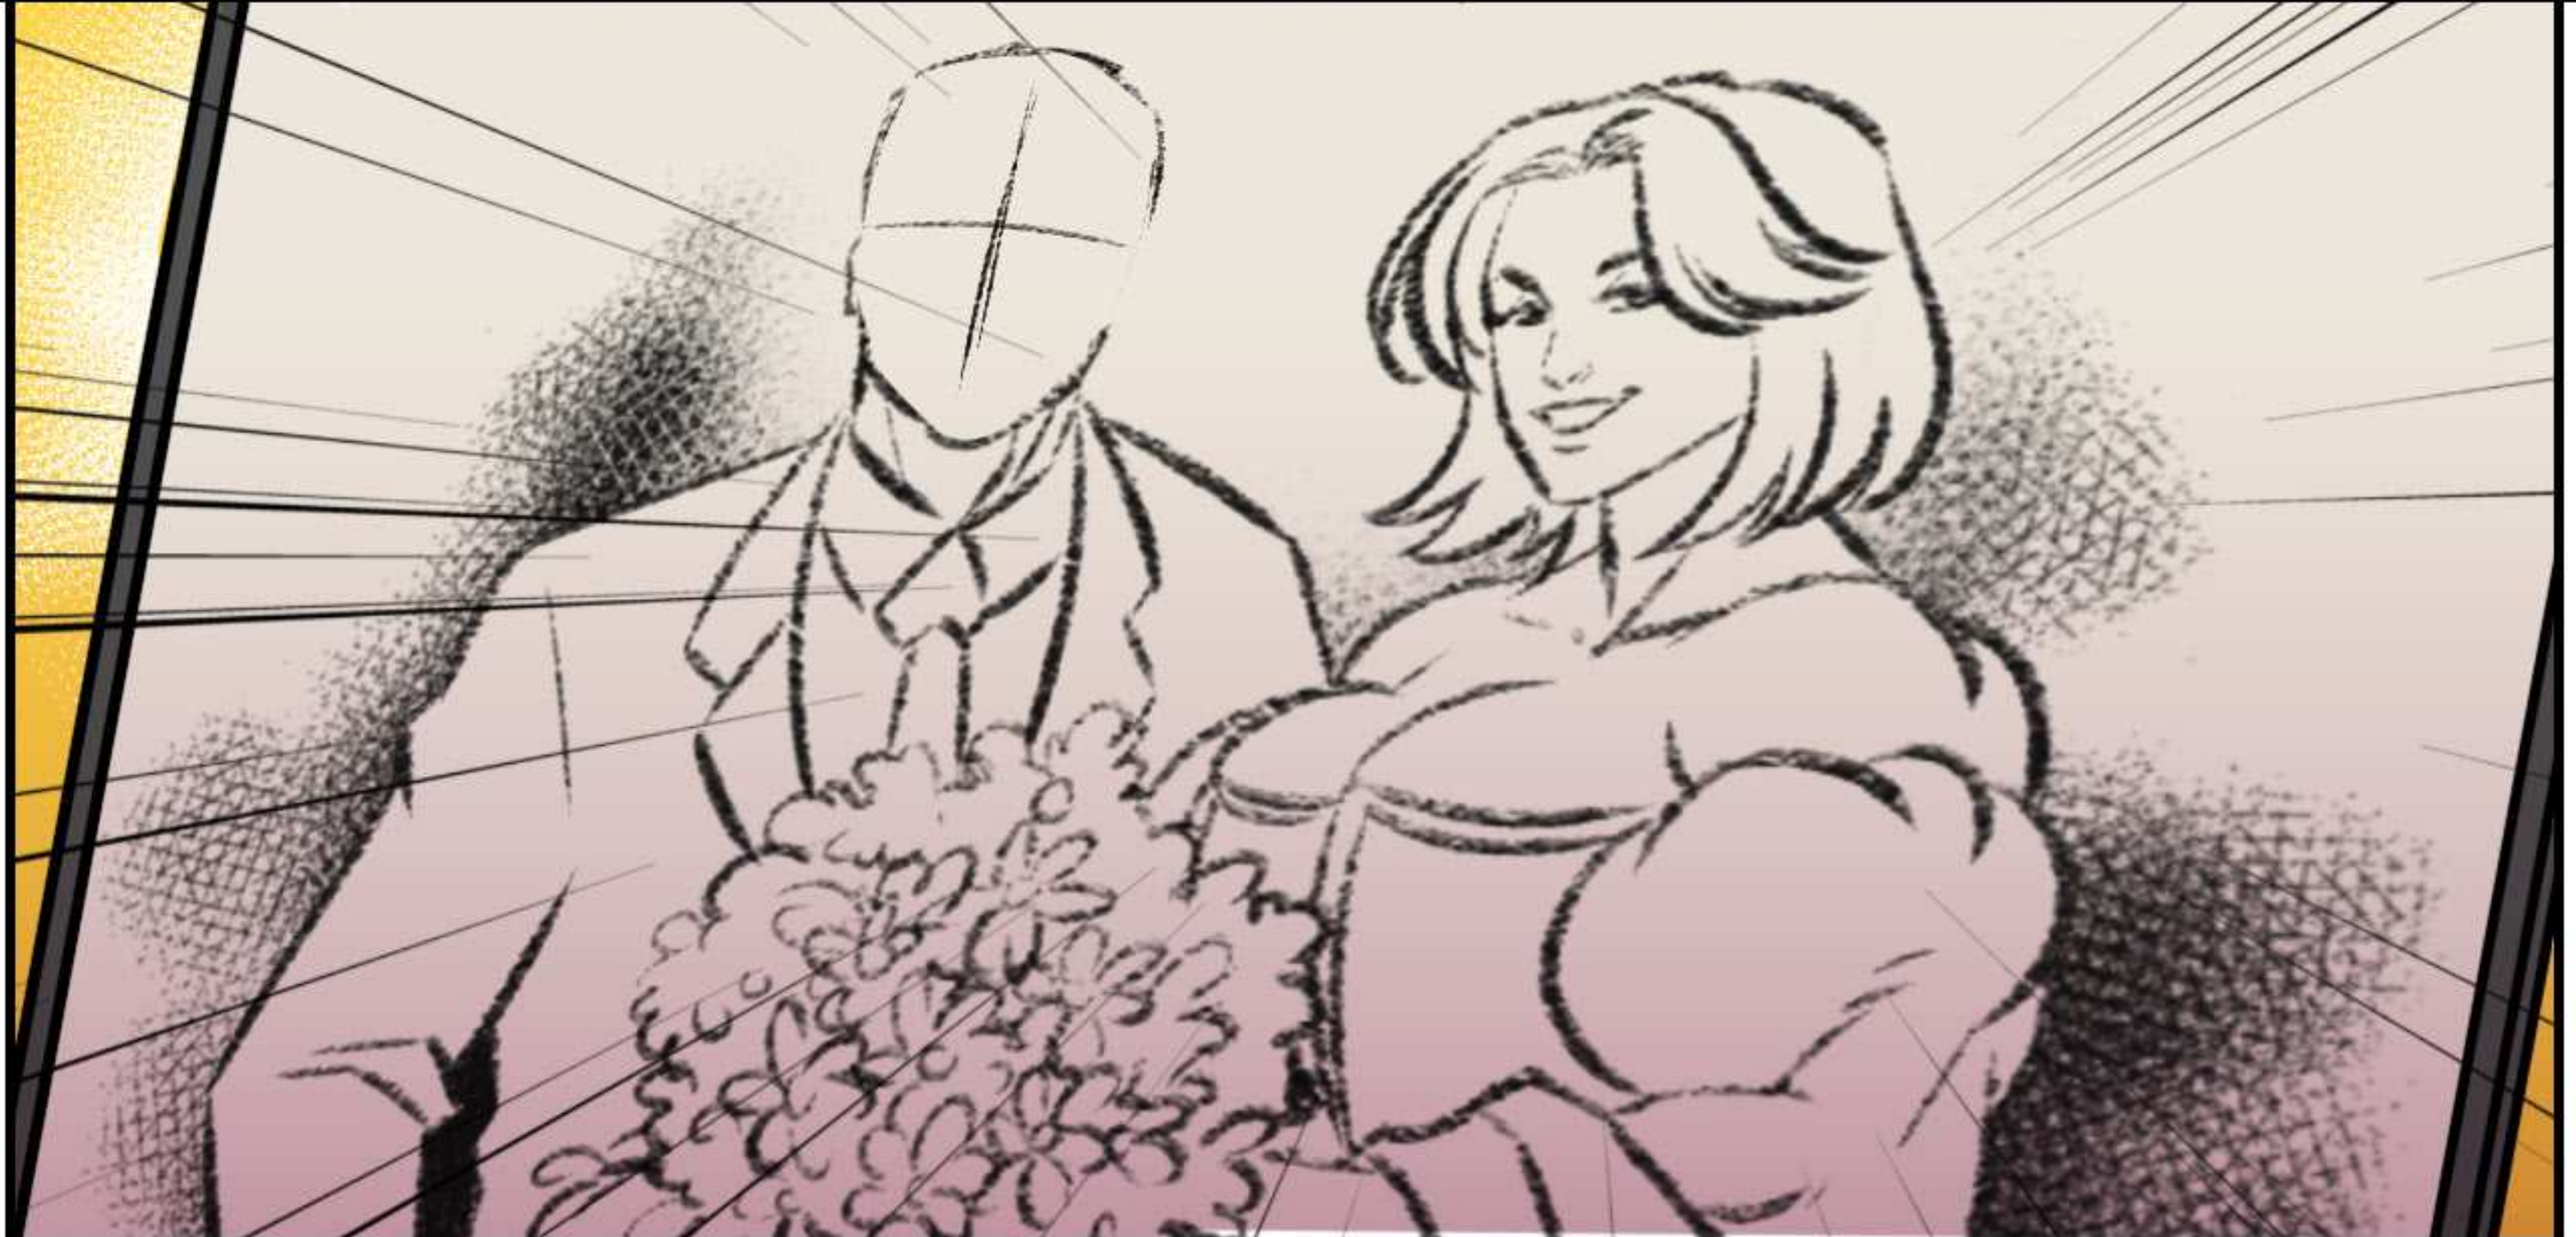

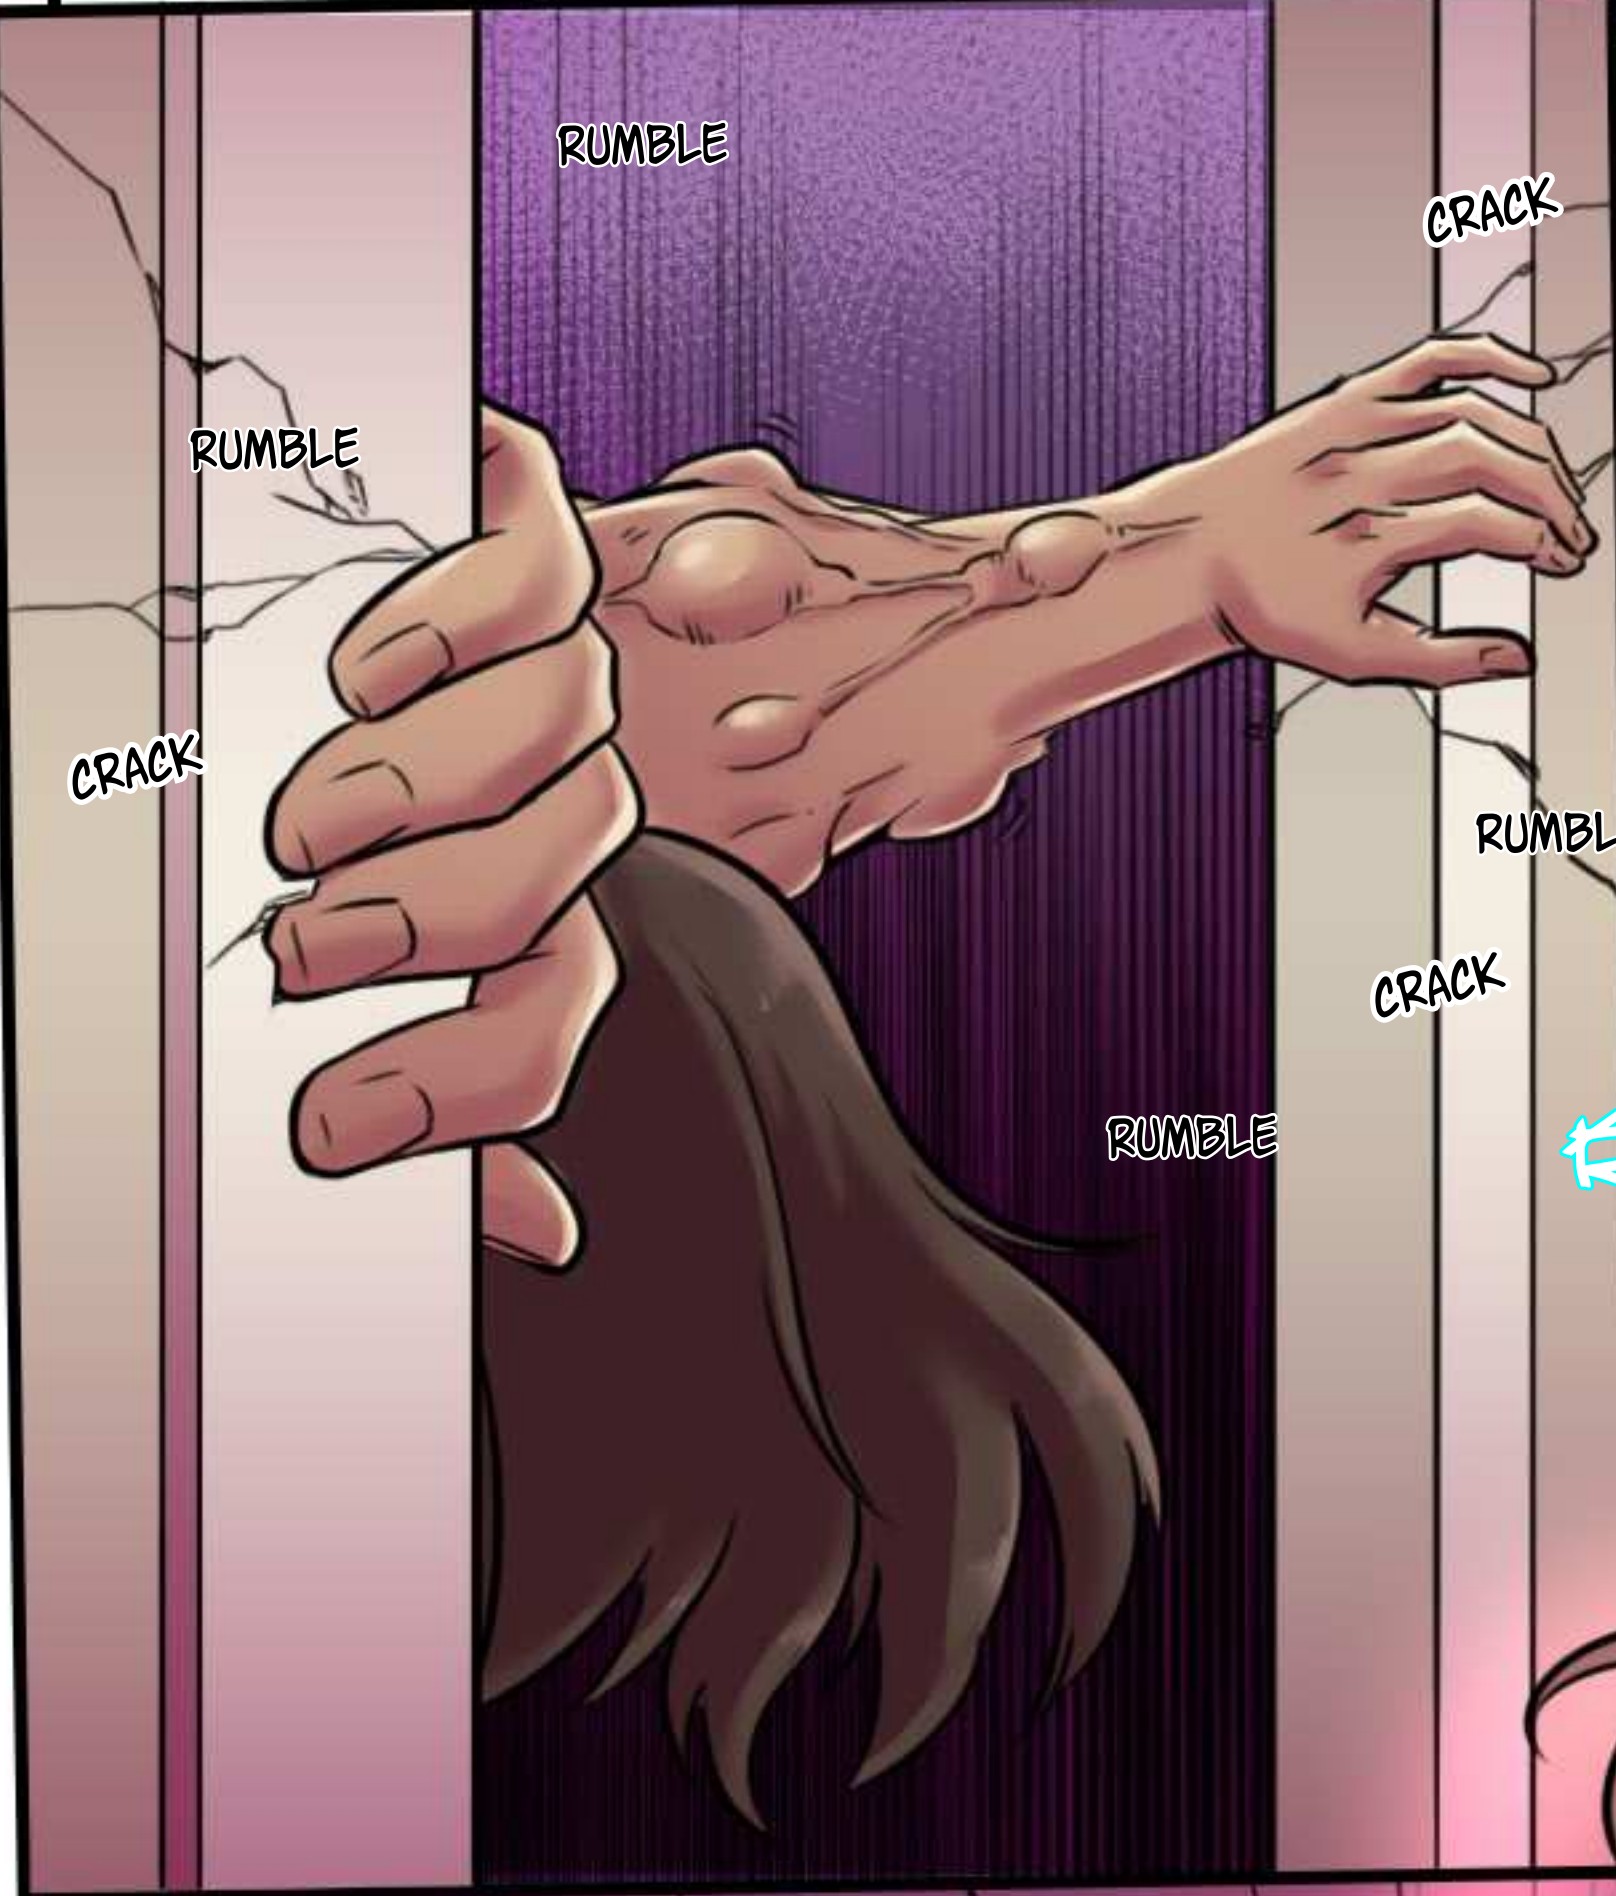

Danny—

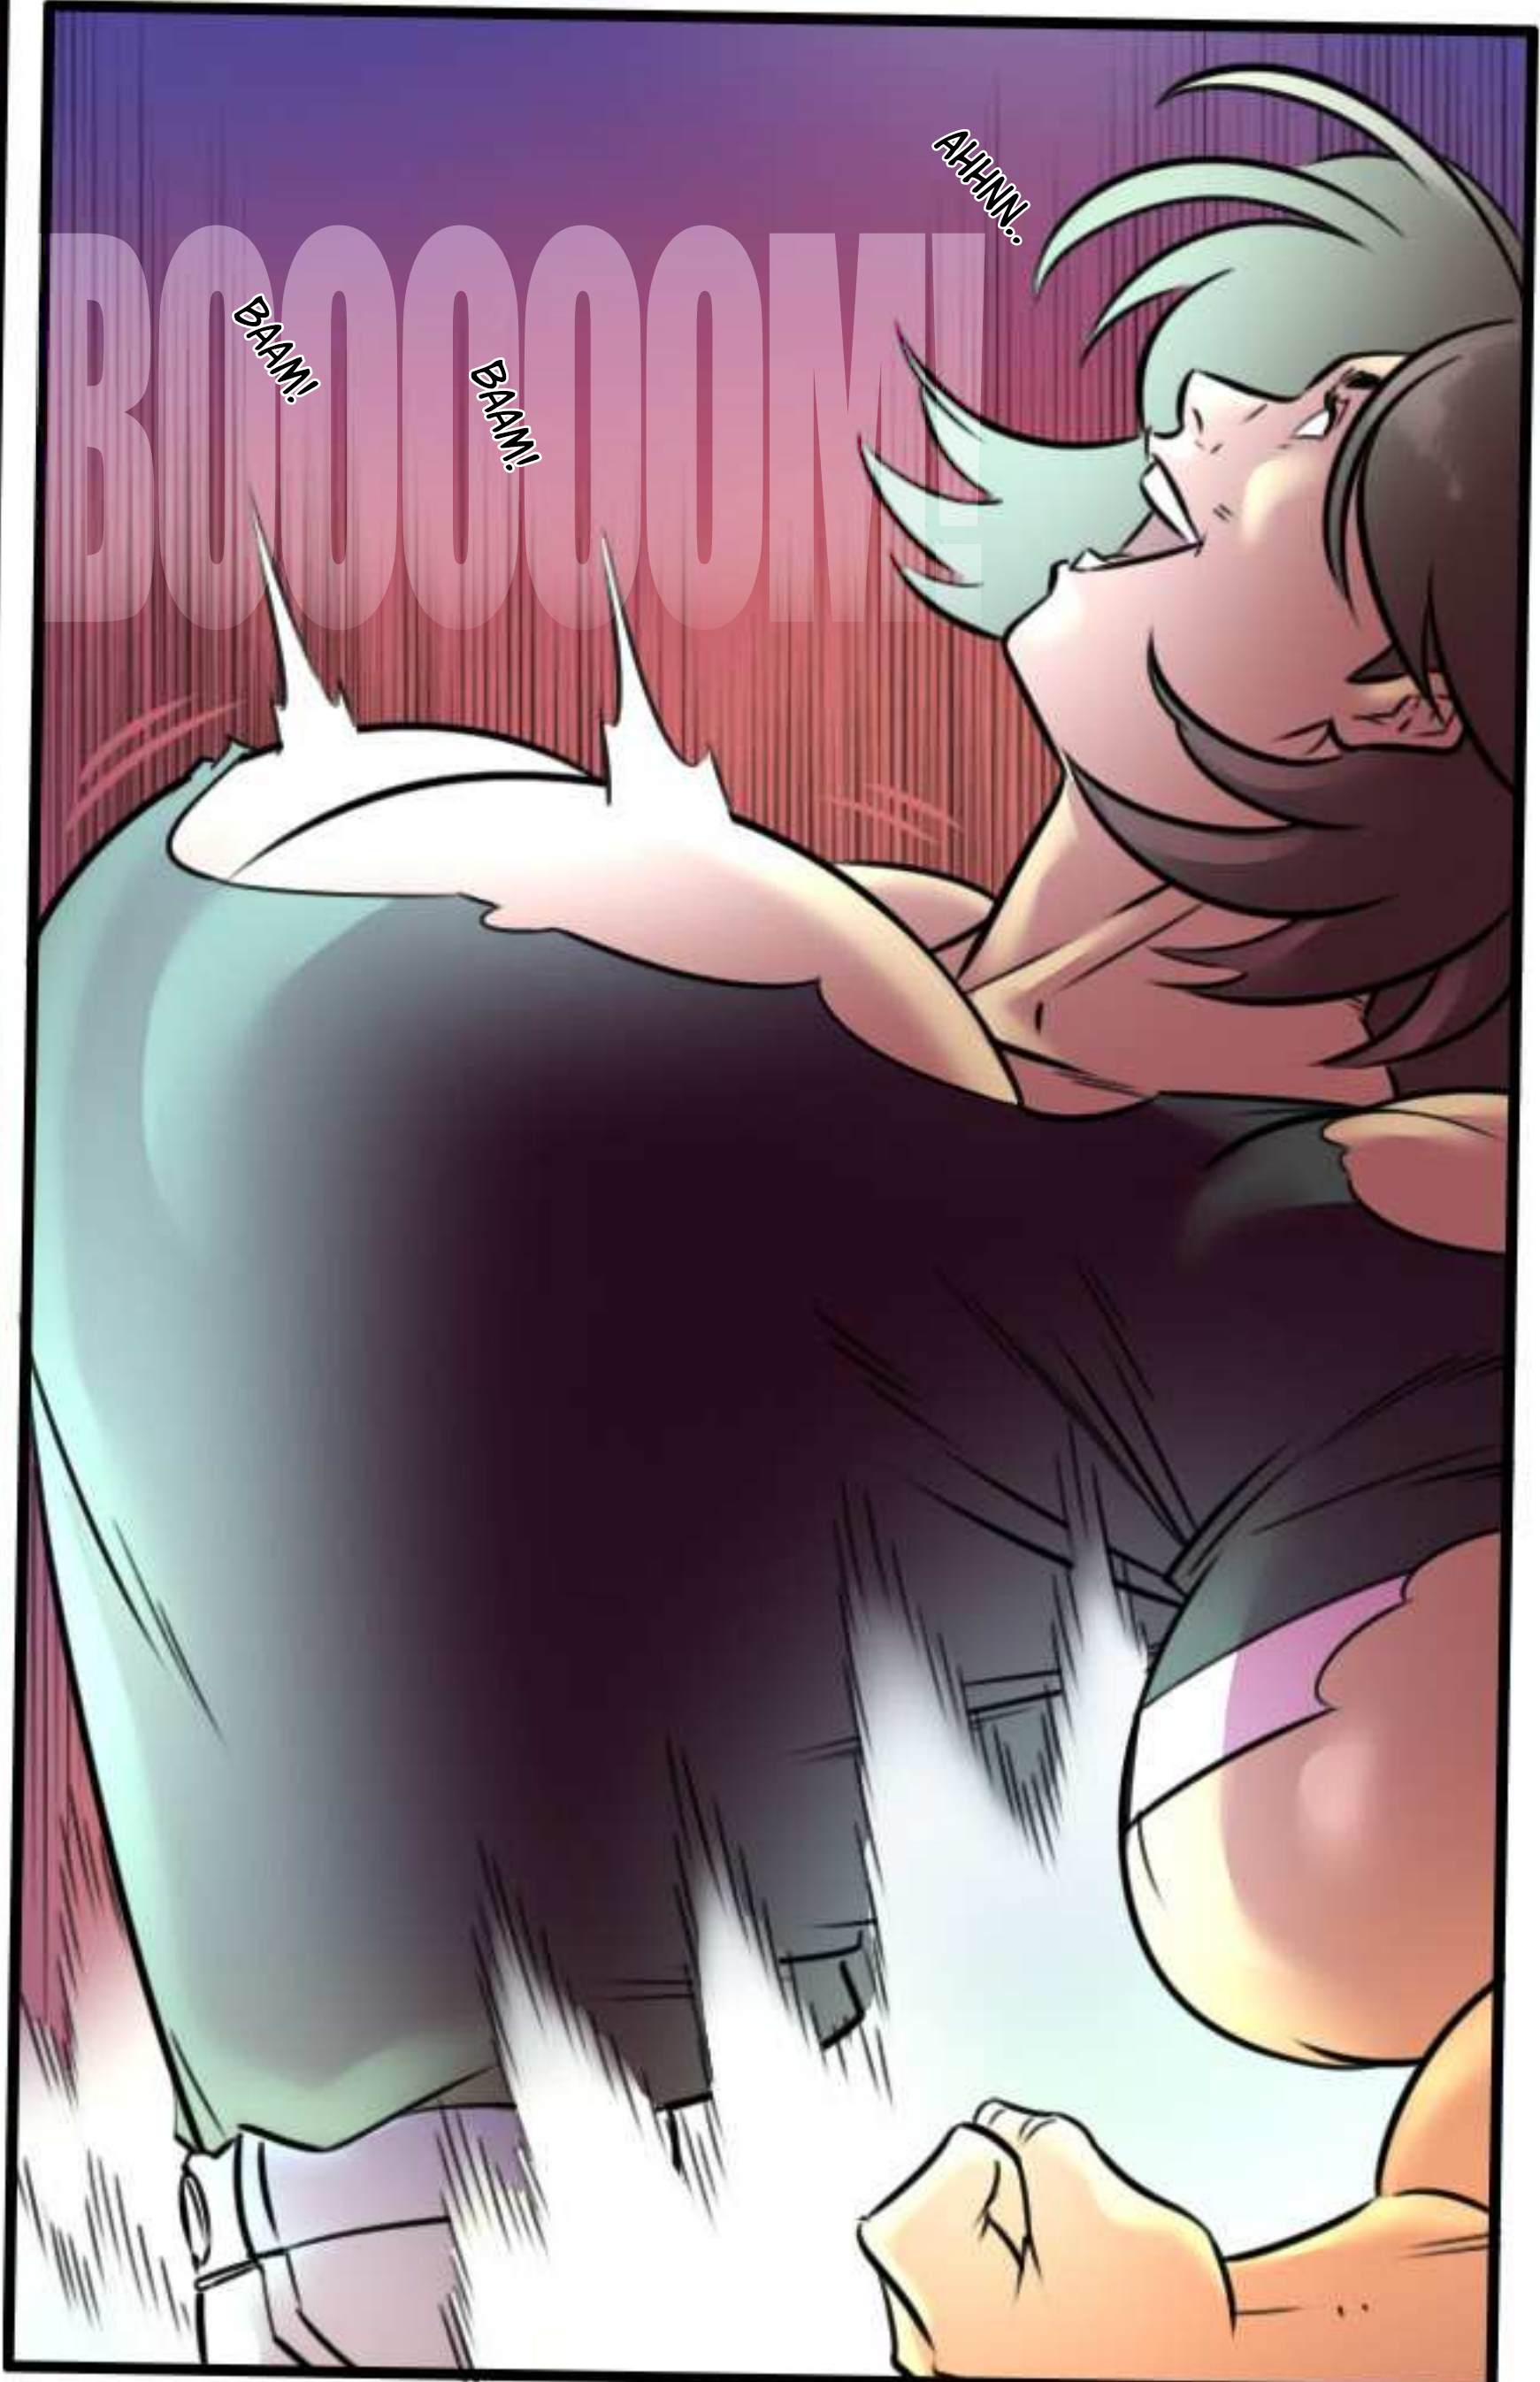

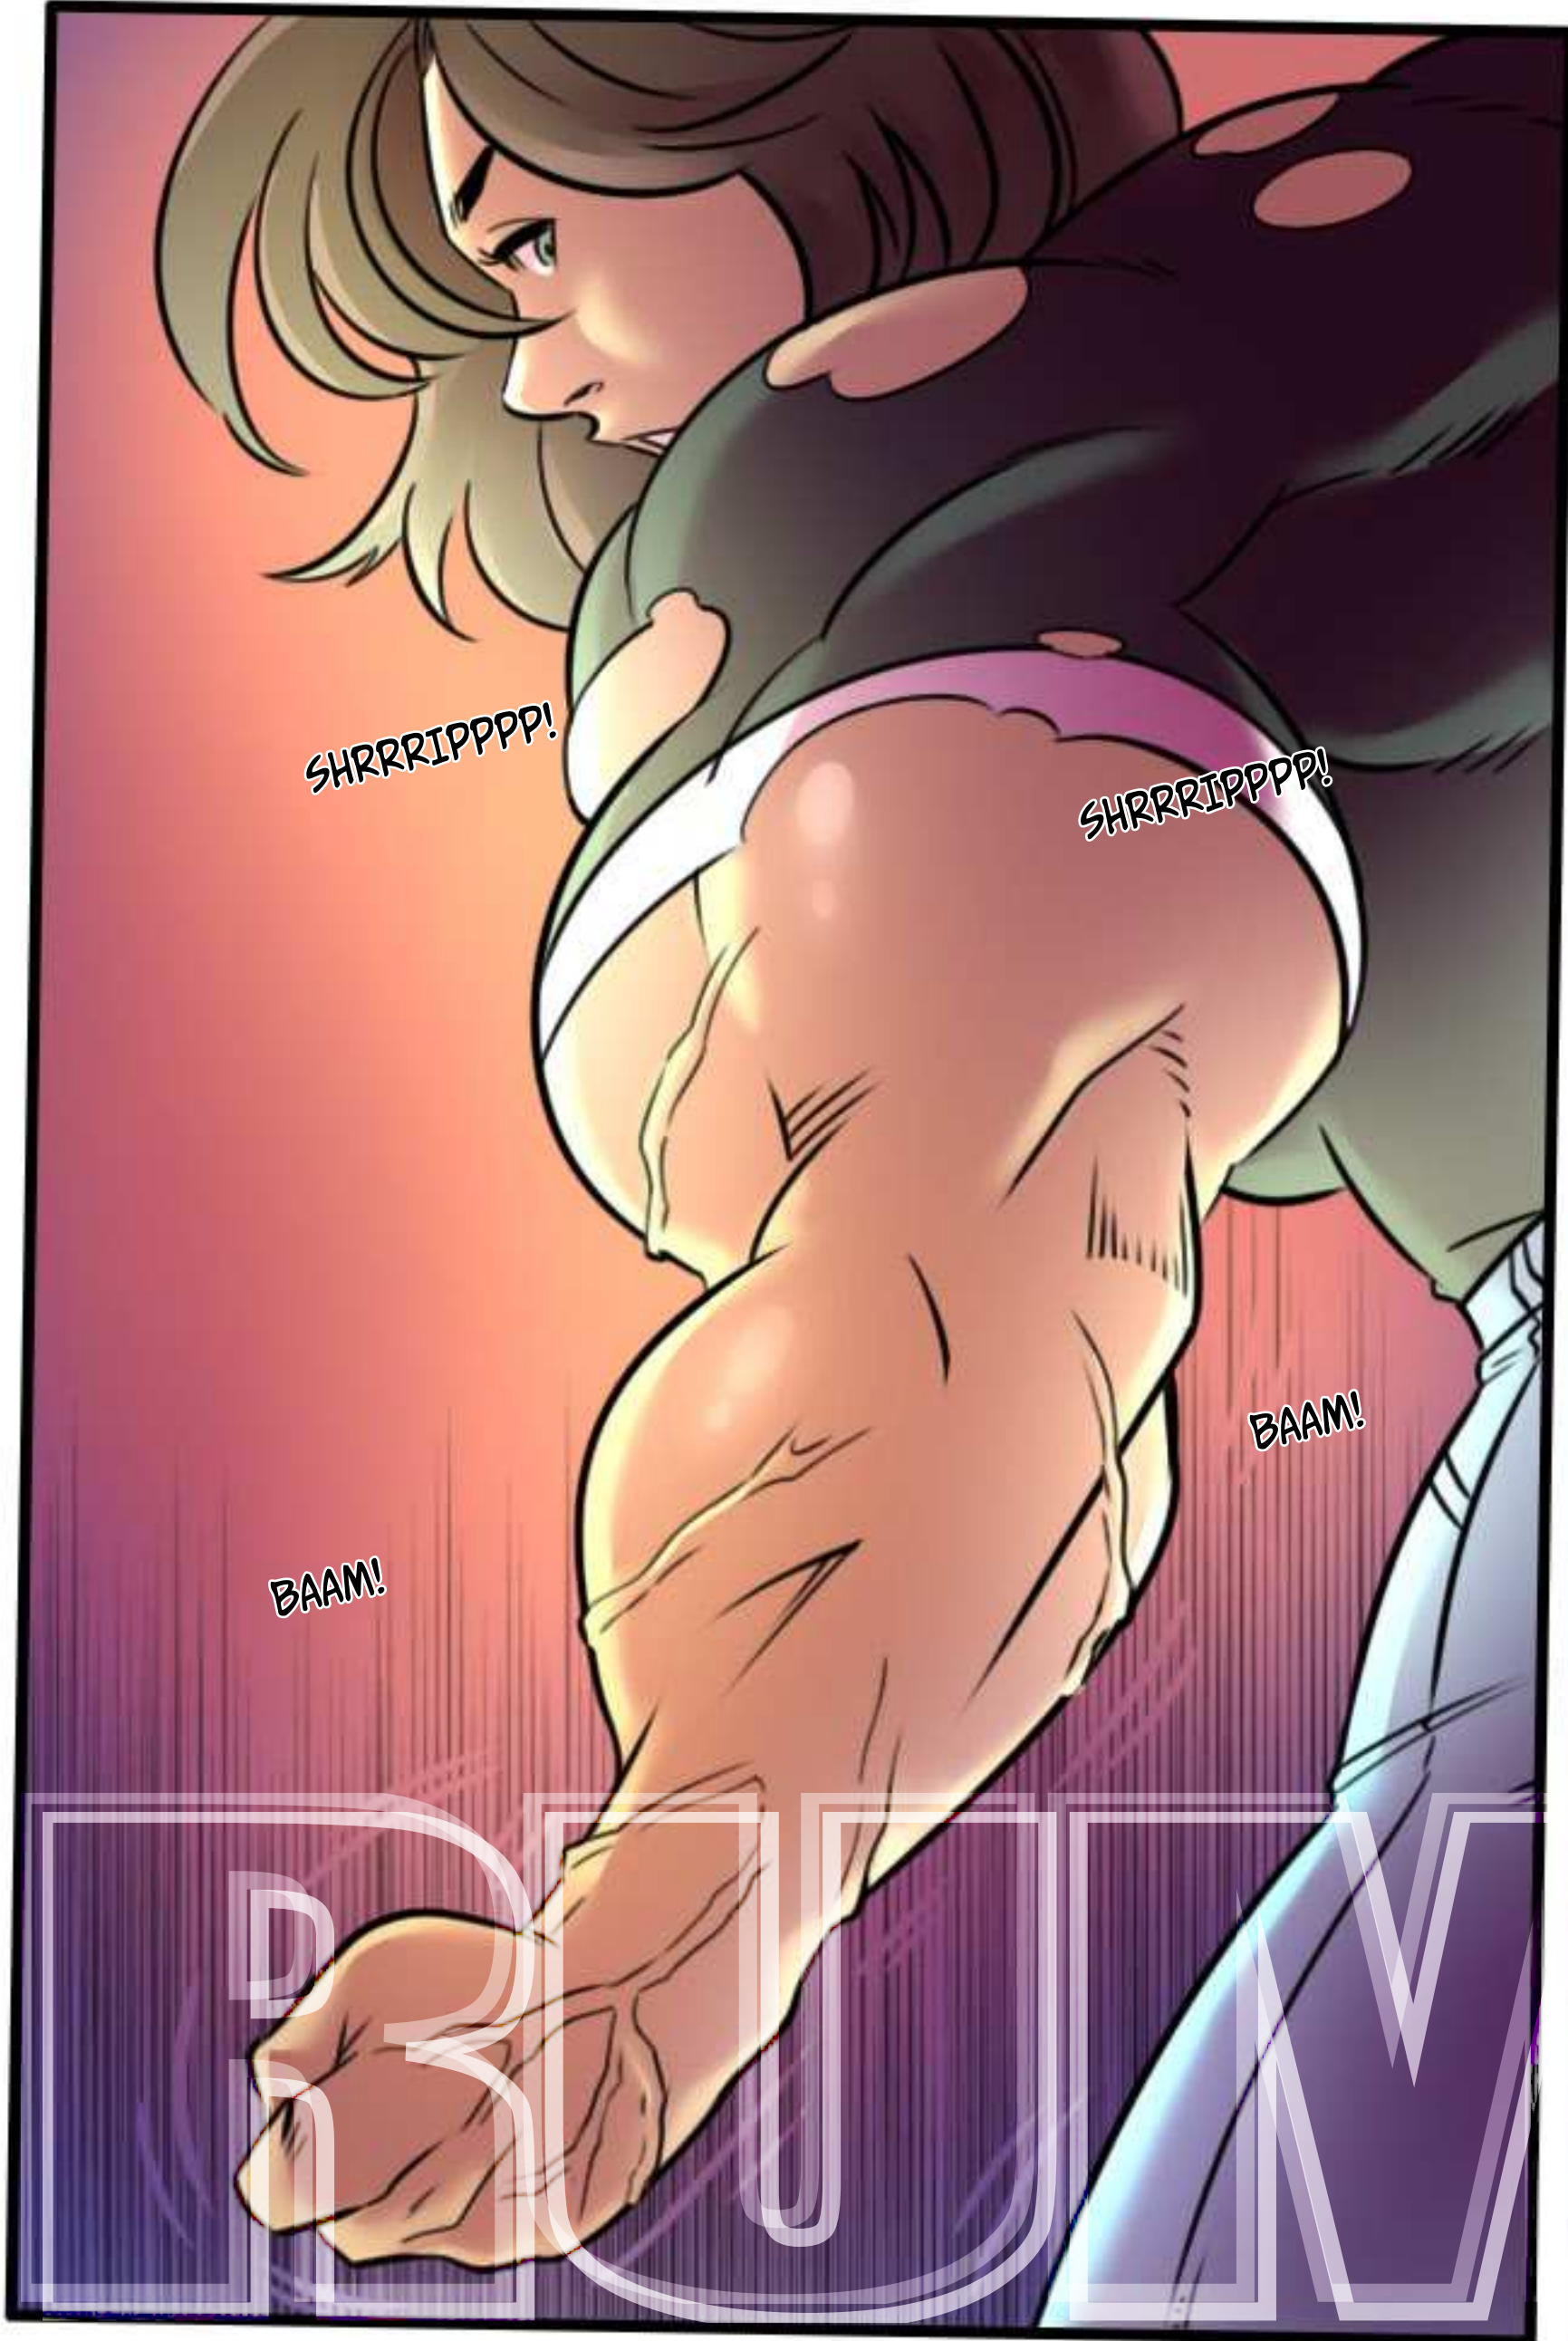

What are you—

I'm sorry
it took me so
long.

Step away from him.

You think he drew you that because he loves you?

He did it to save himself.

I know why he did it.

FWAHHH!

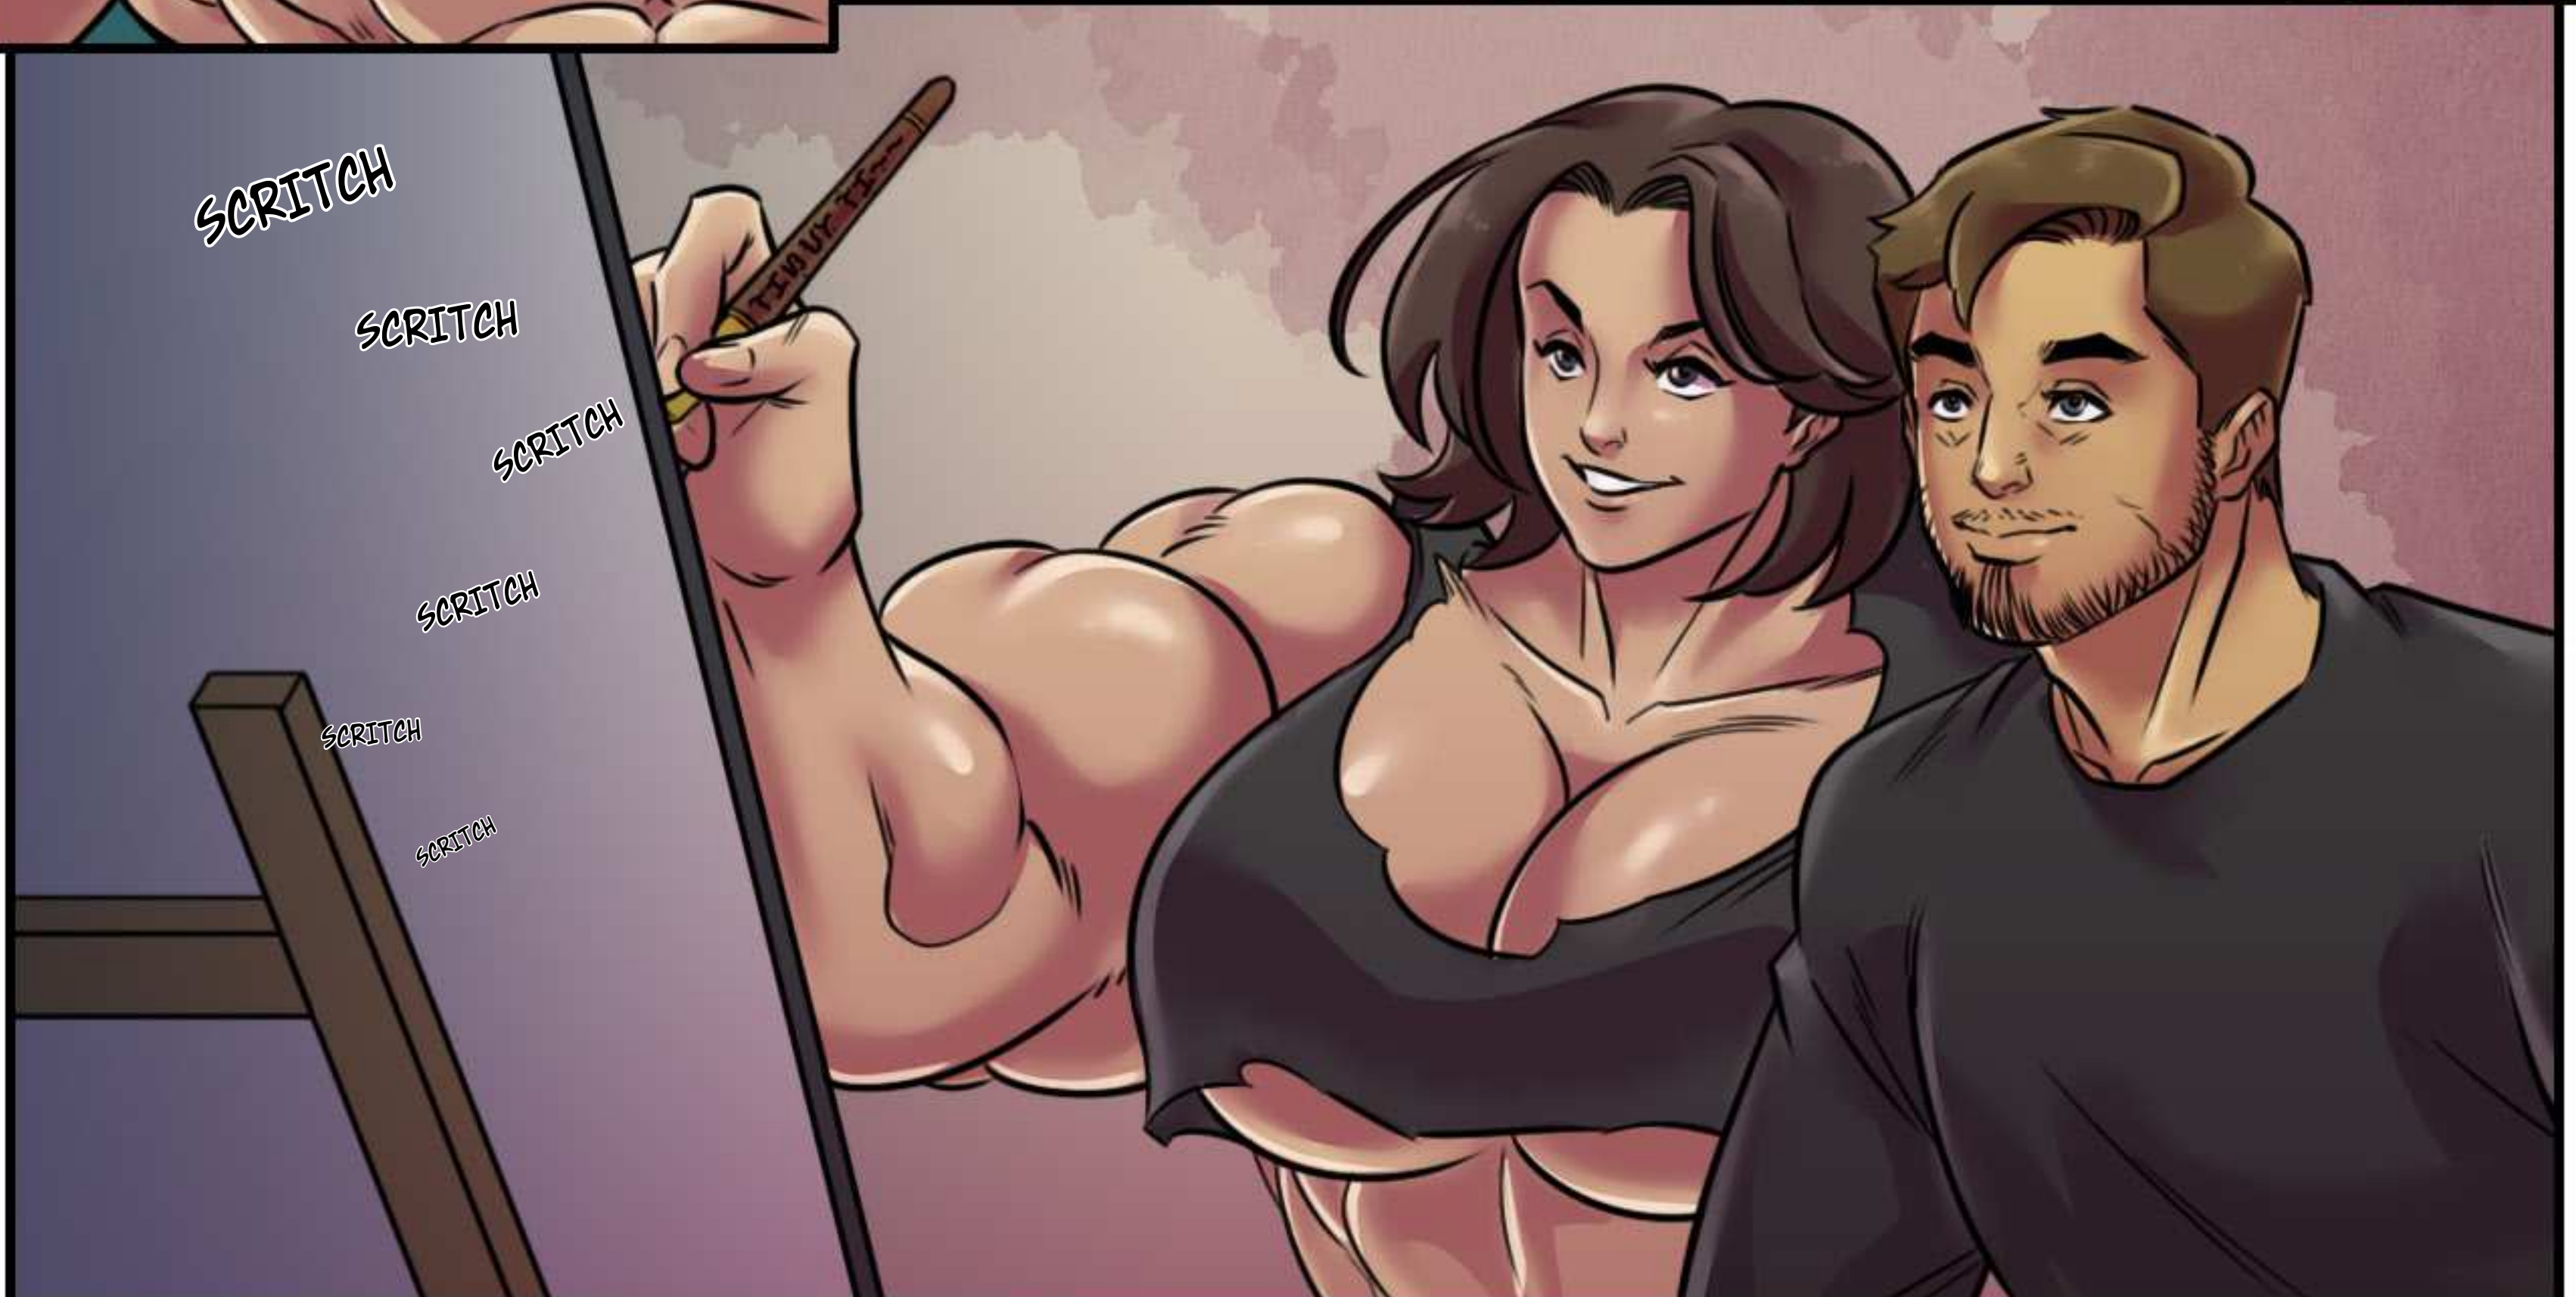

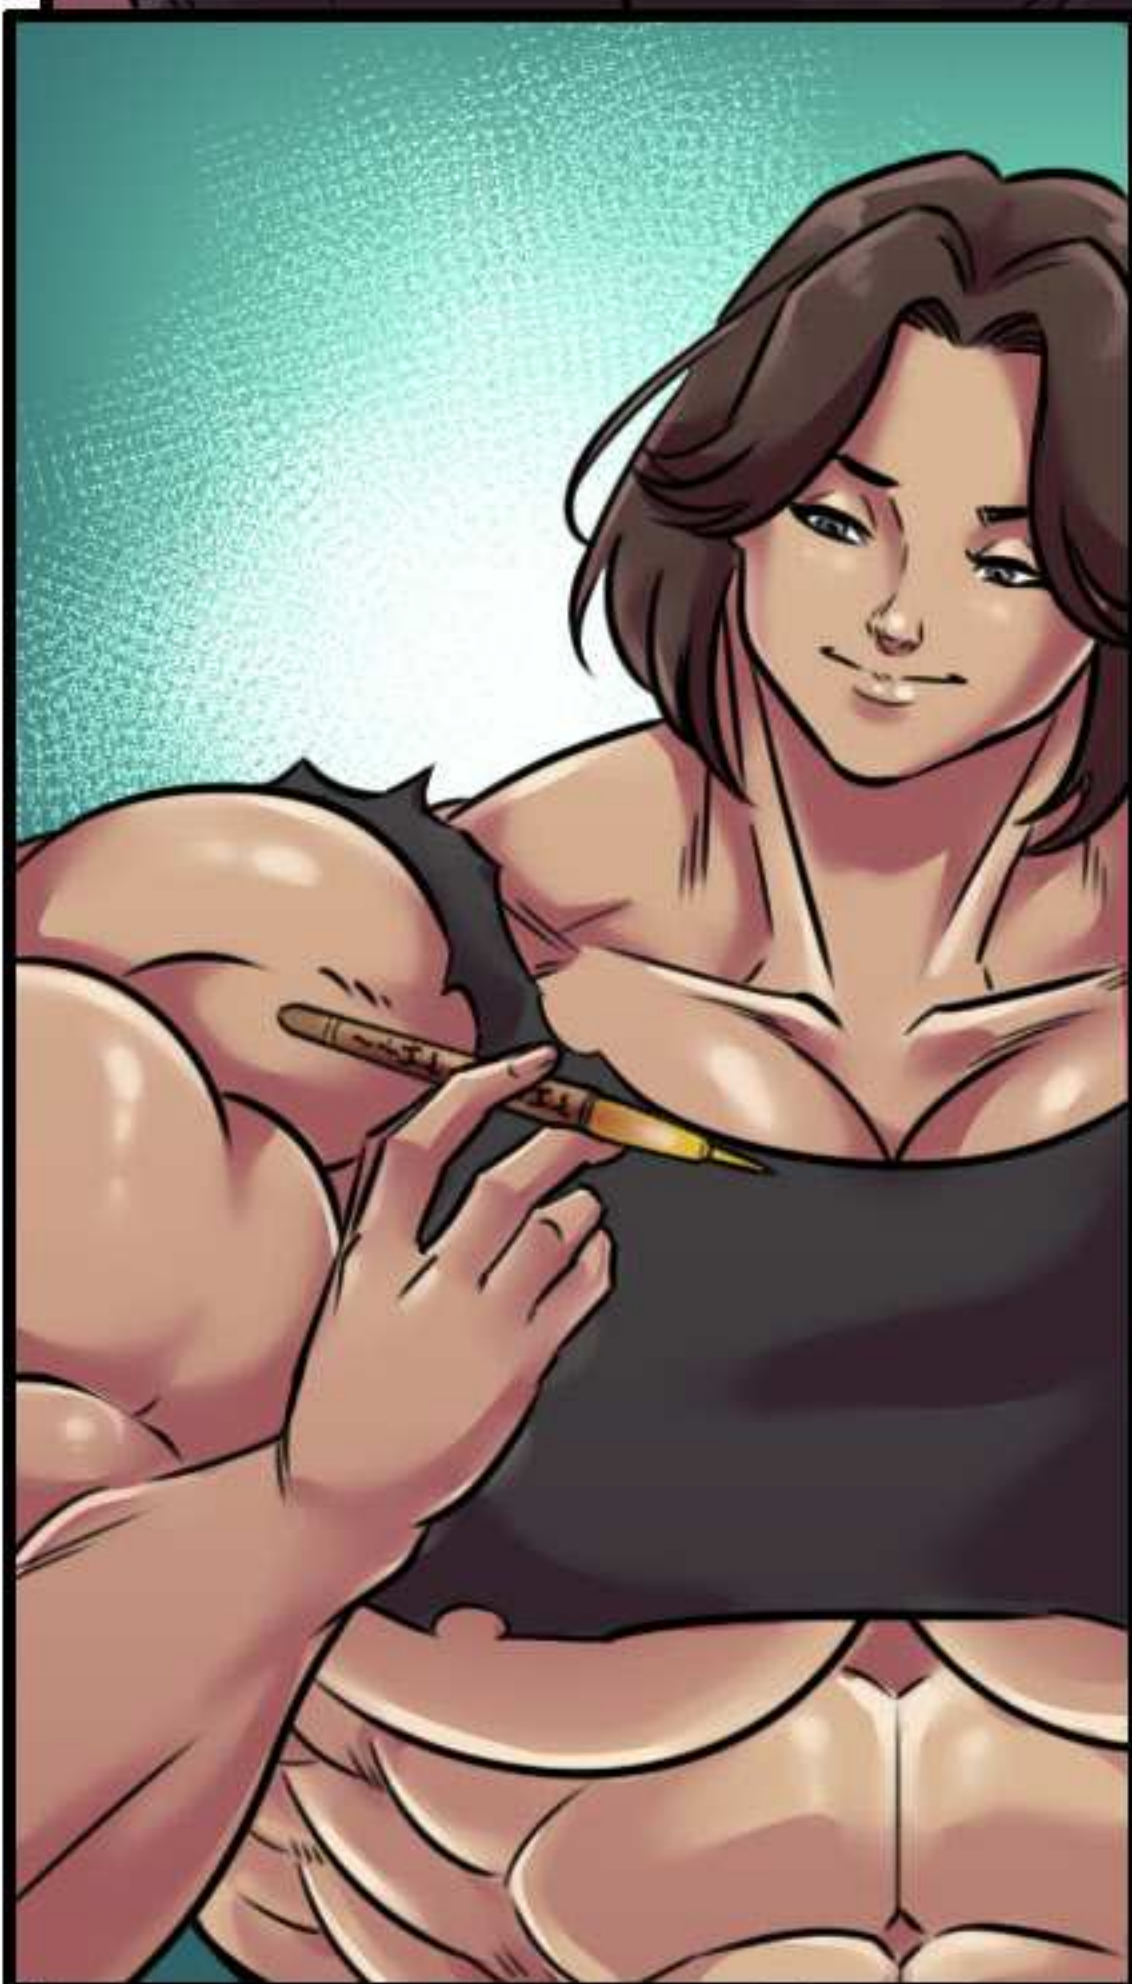

This is his place.

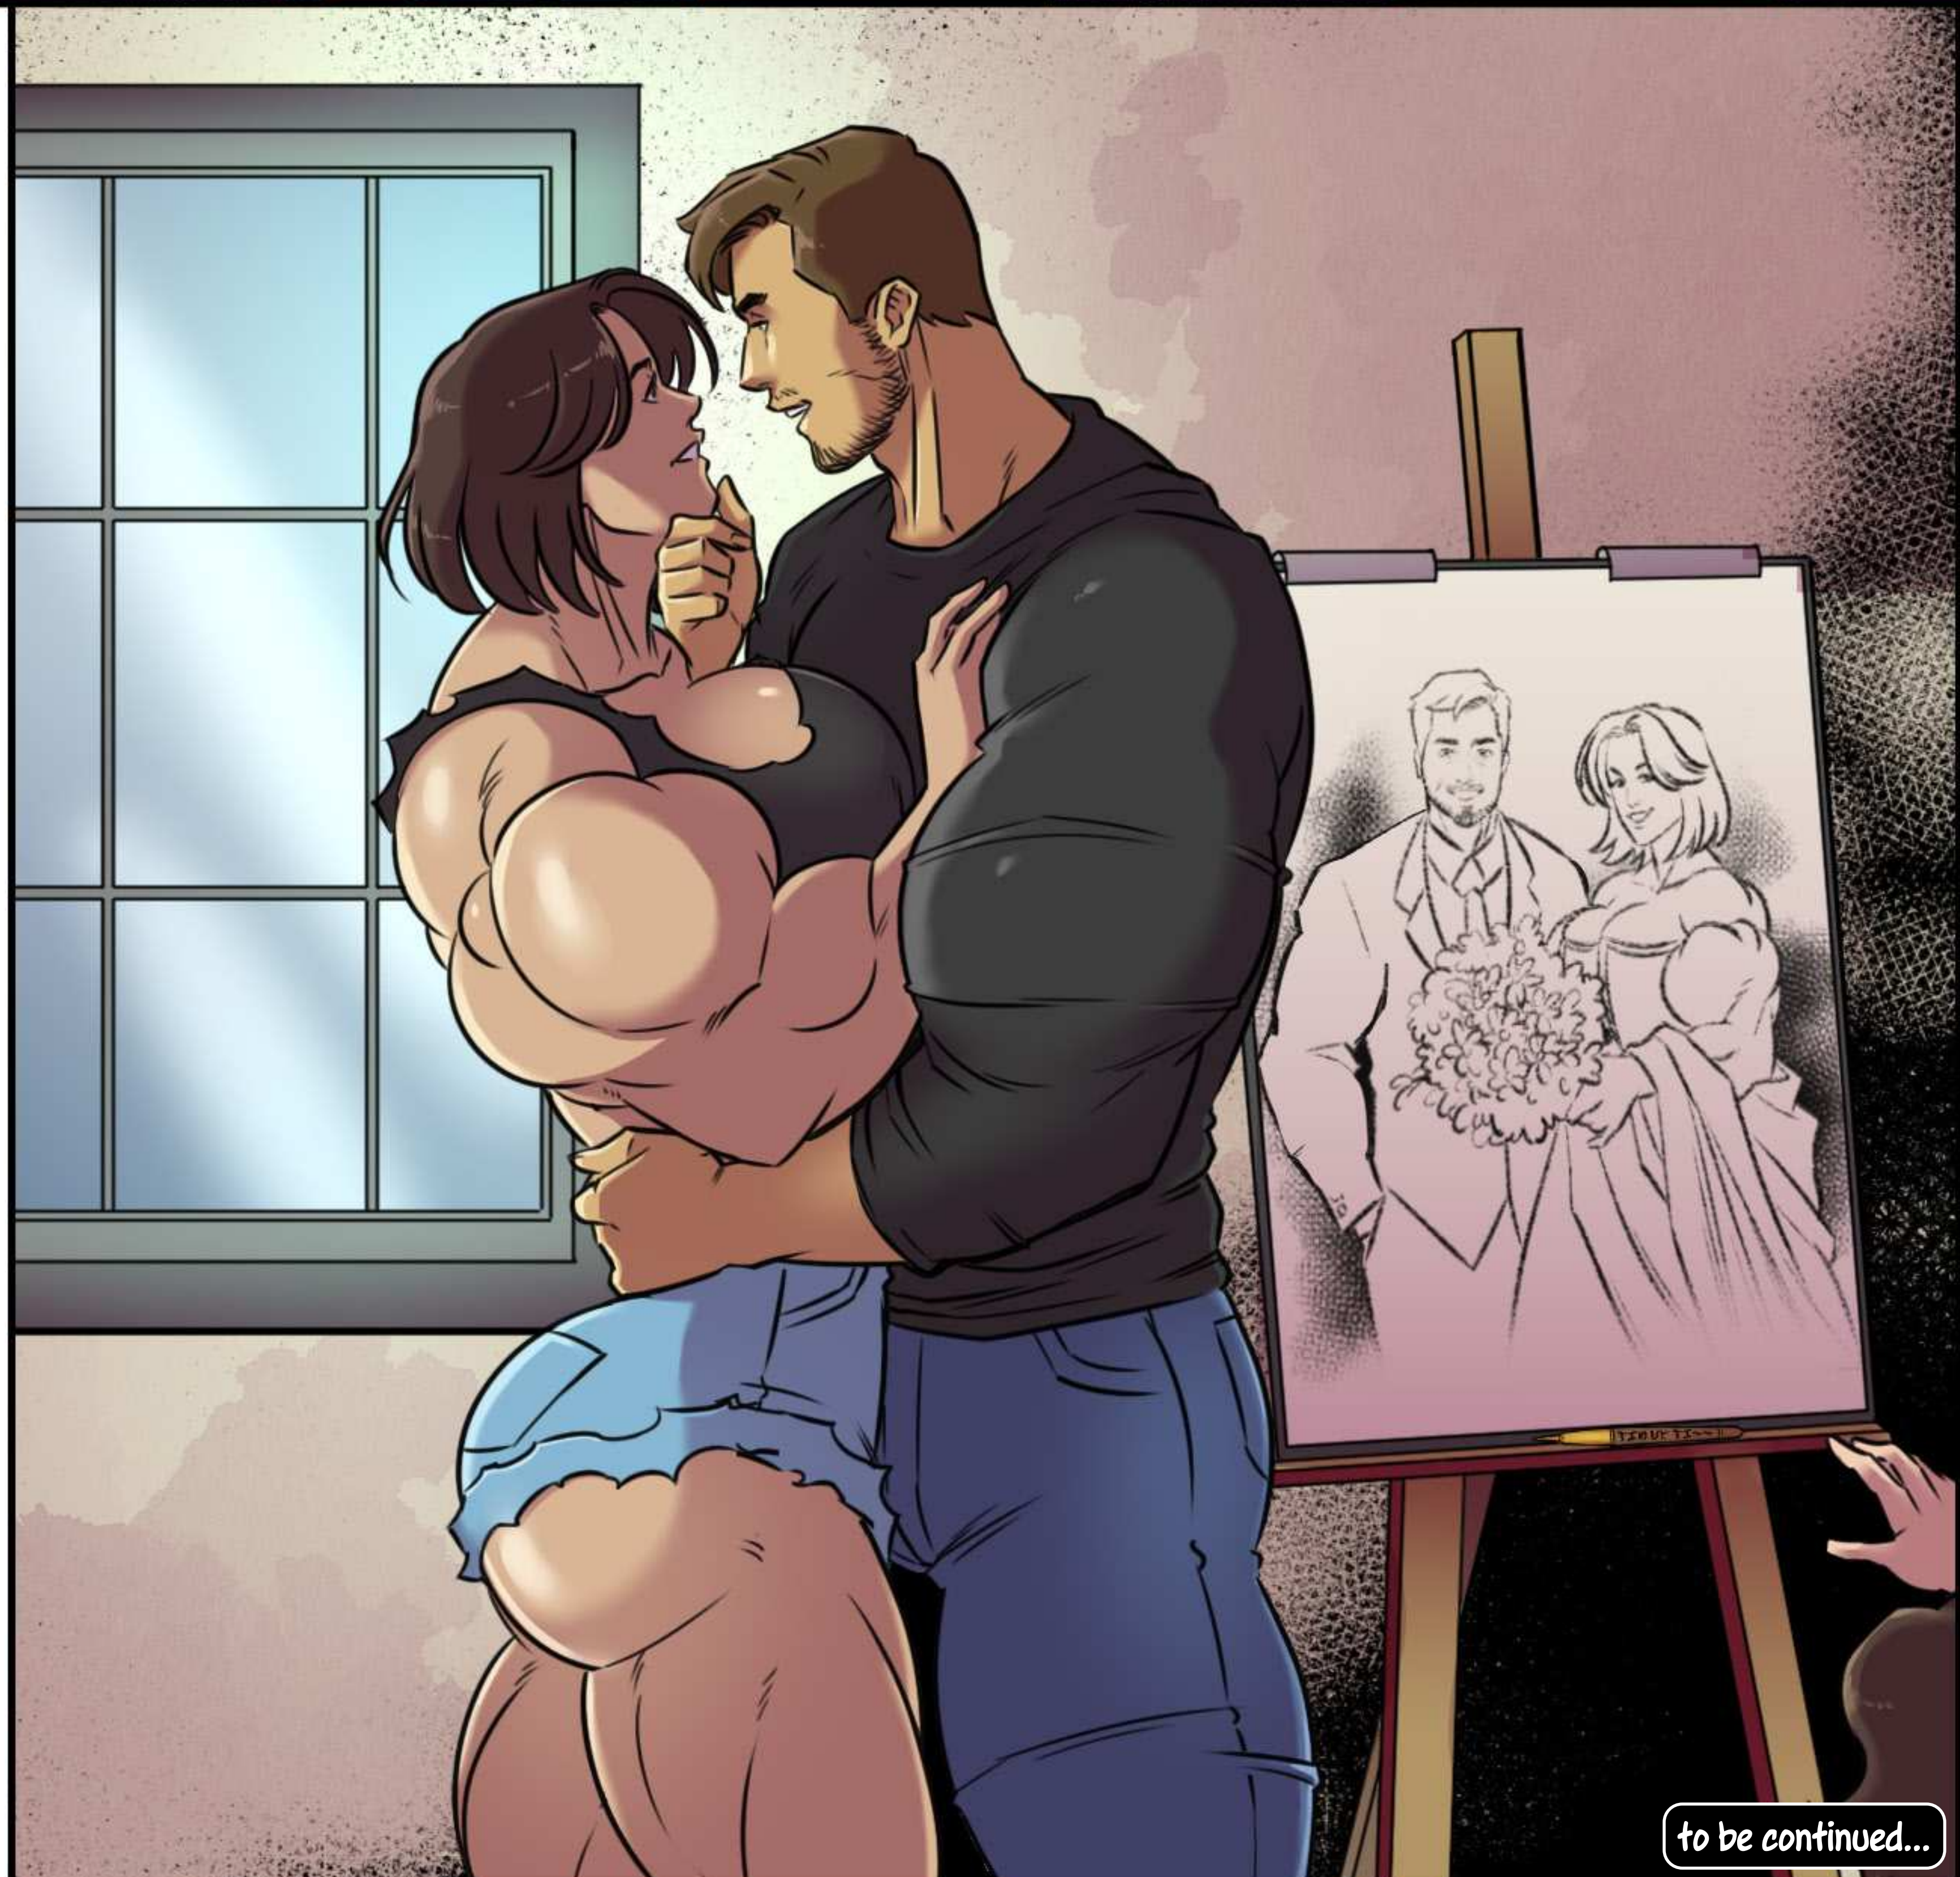

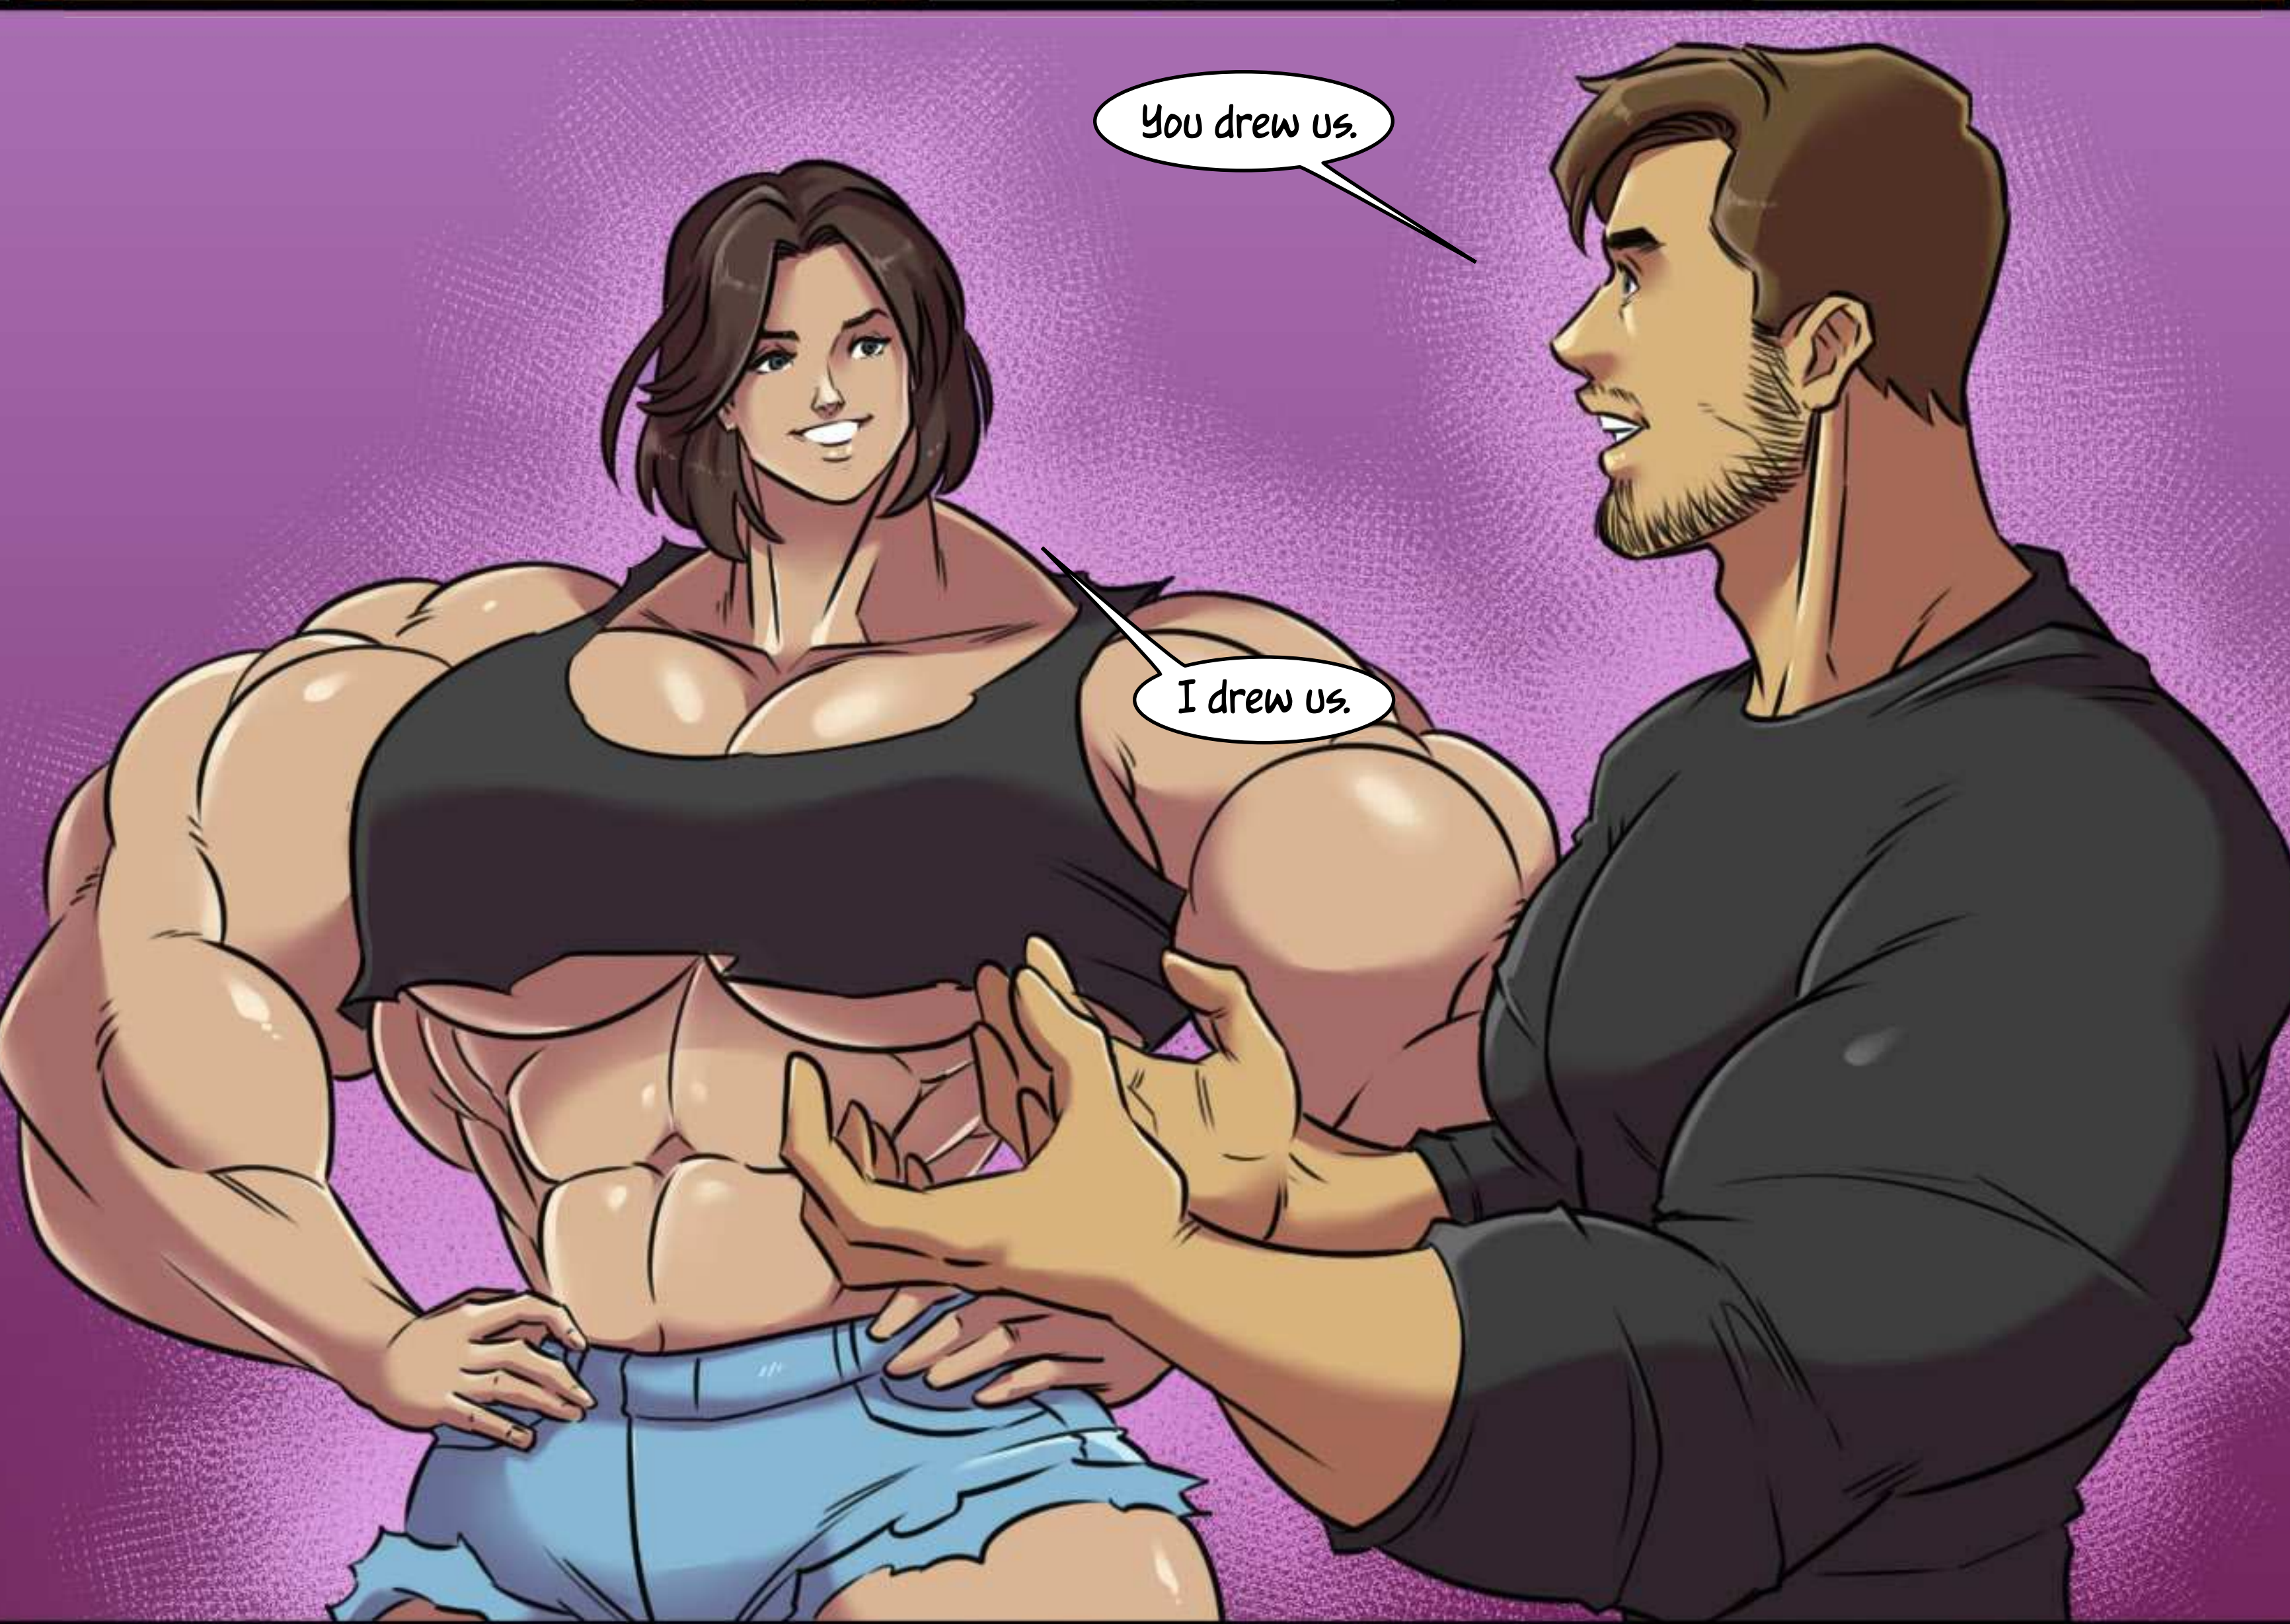

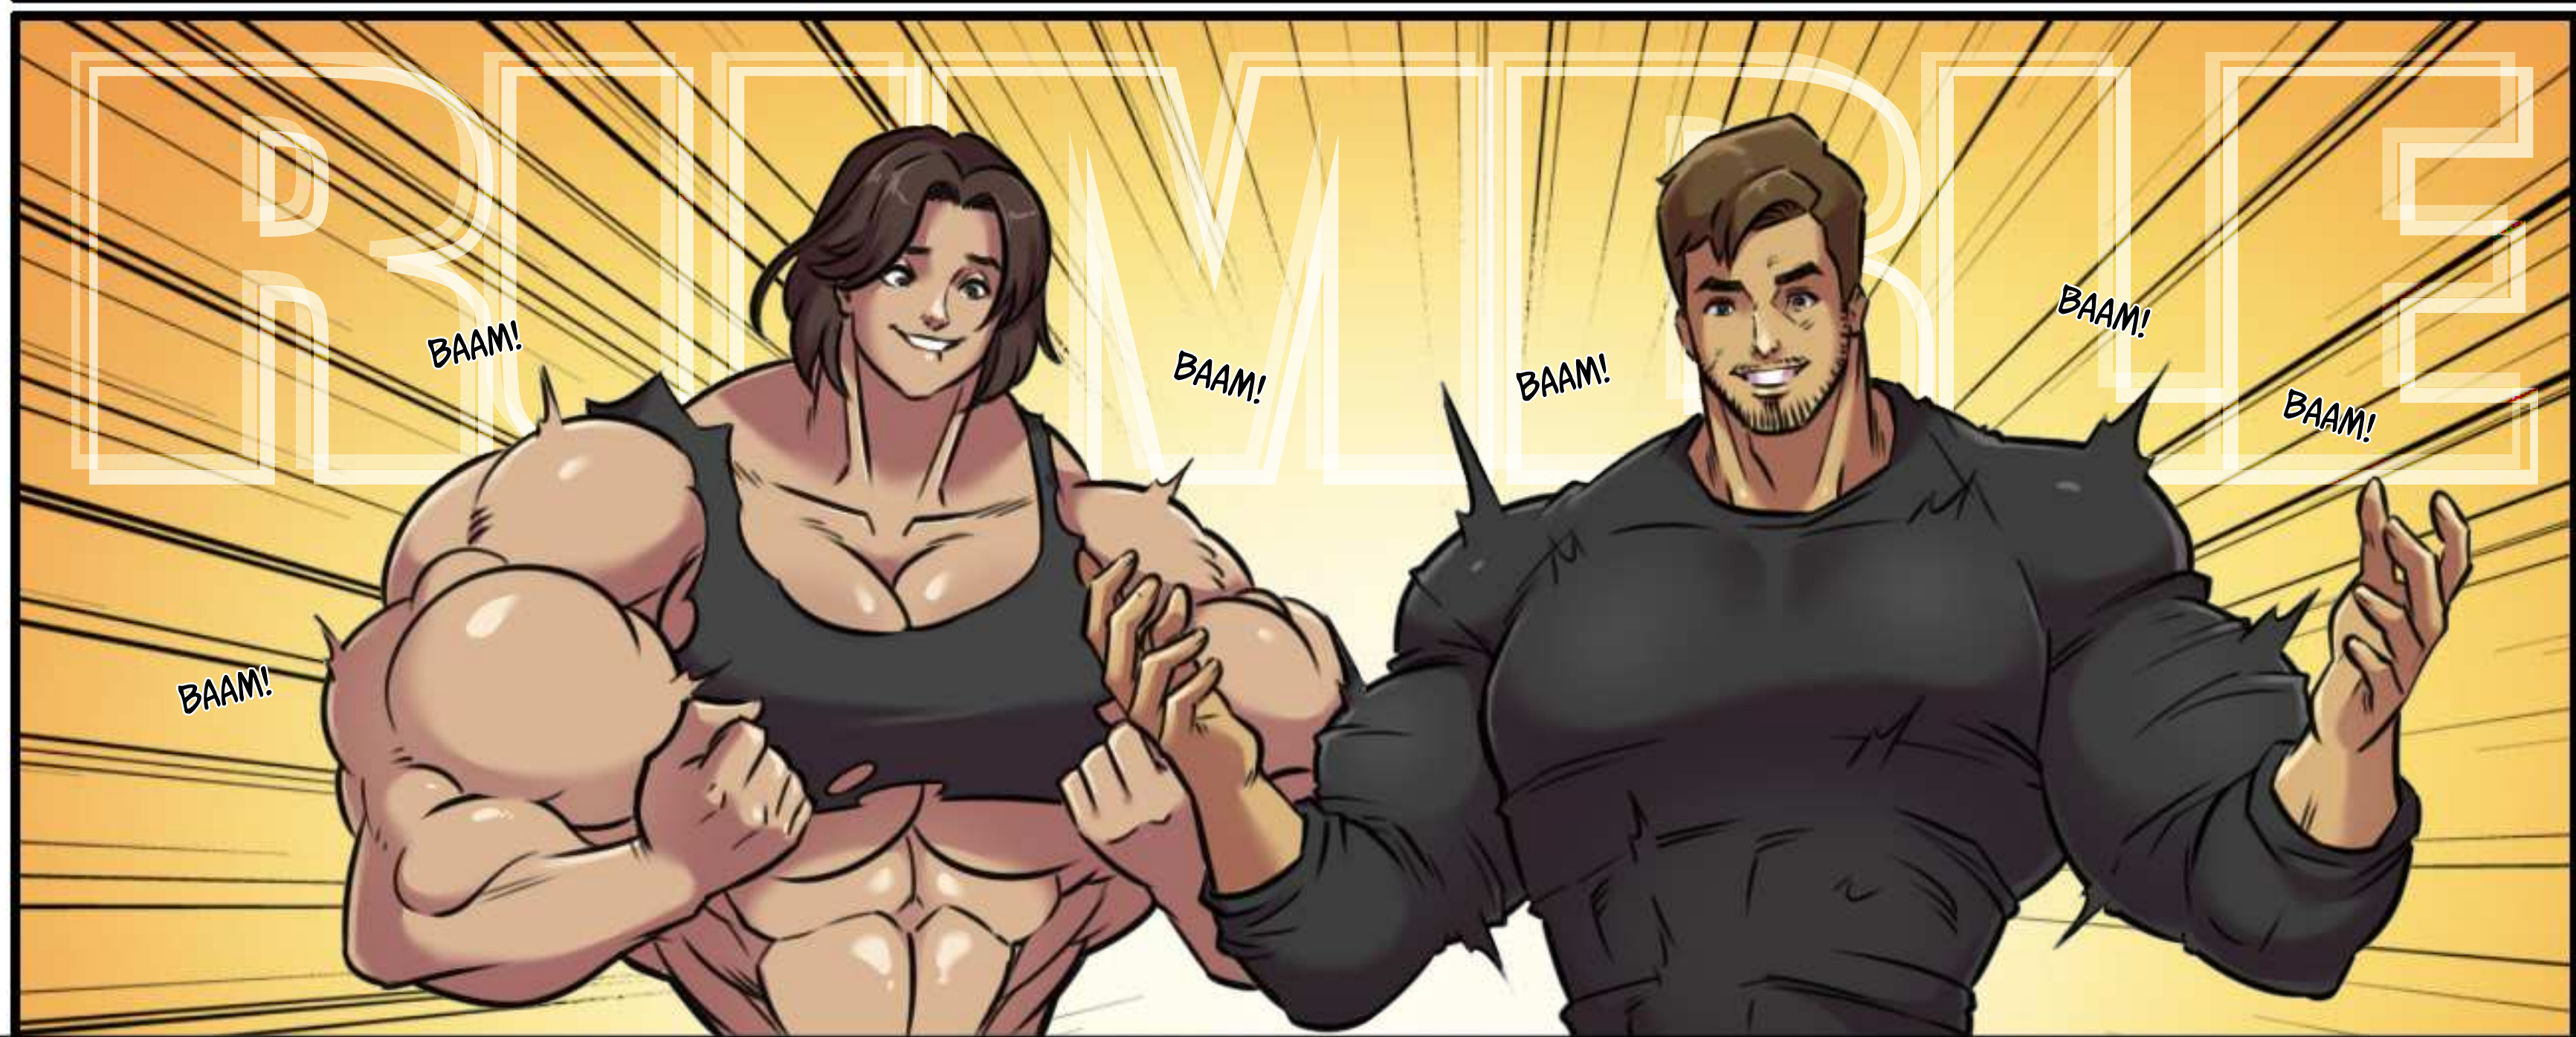

KRRAGOOSSSHHH!

You don't get to be here anymore.

WOOOSH!
