

So, Gabriel...

Your performance hasn't been up to expectations

And unfortunately, I have no choice but to let you go

W-wait... you're firing me?

A-are you serious, boss?

This is my first job...

I promise I'll work even harder!

I'm sorry, but this is not negotiable

However... there may be a position available in another department

If you're interested

D-do I really have to dress like this, boss?

This is... t-they're... women's clothes!

I offered you a position as my **PERSONAL** secretary

Which comes with certain expectations

Looking like a woman is part of your job!

Whatever it is, I'll do it!

What's on my calendar for today?

In one hour, you have a meeting with the shareholders

Hmmm, an hour?

That's enough time to show you your most important duty as my secretary!

I-I don't know if I'm ready for this...

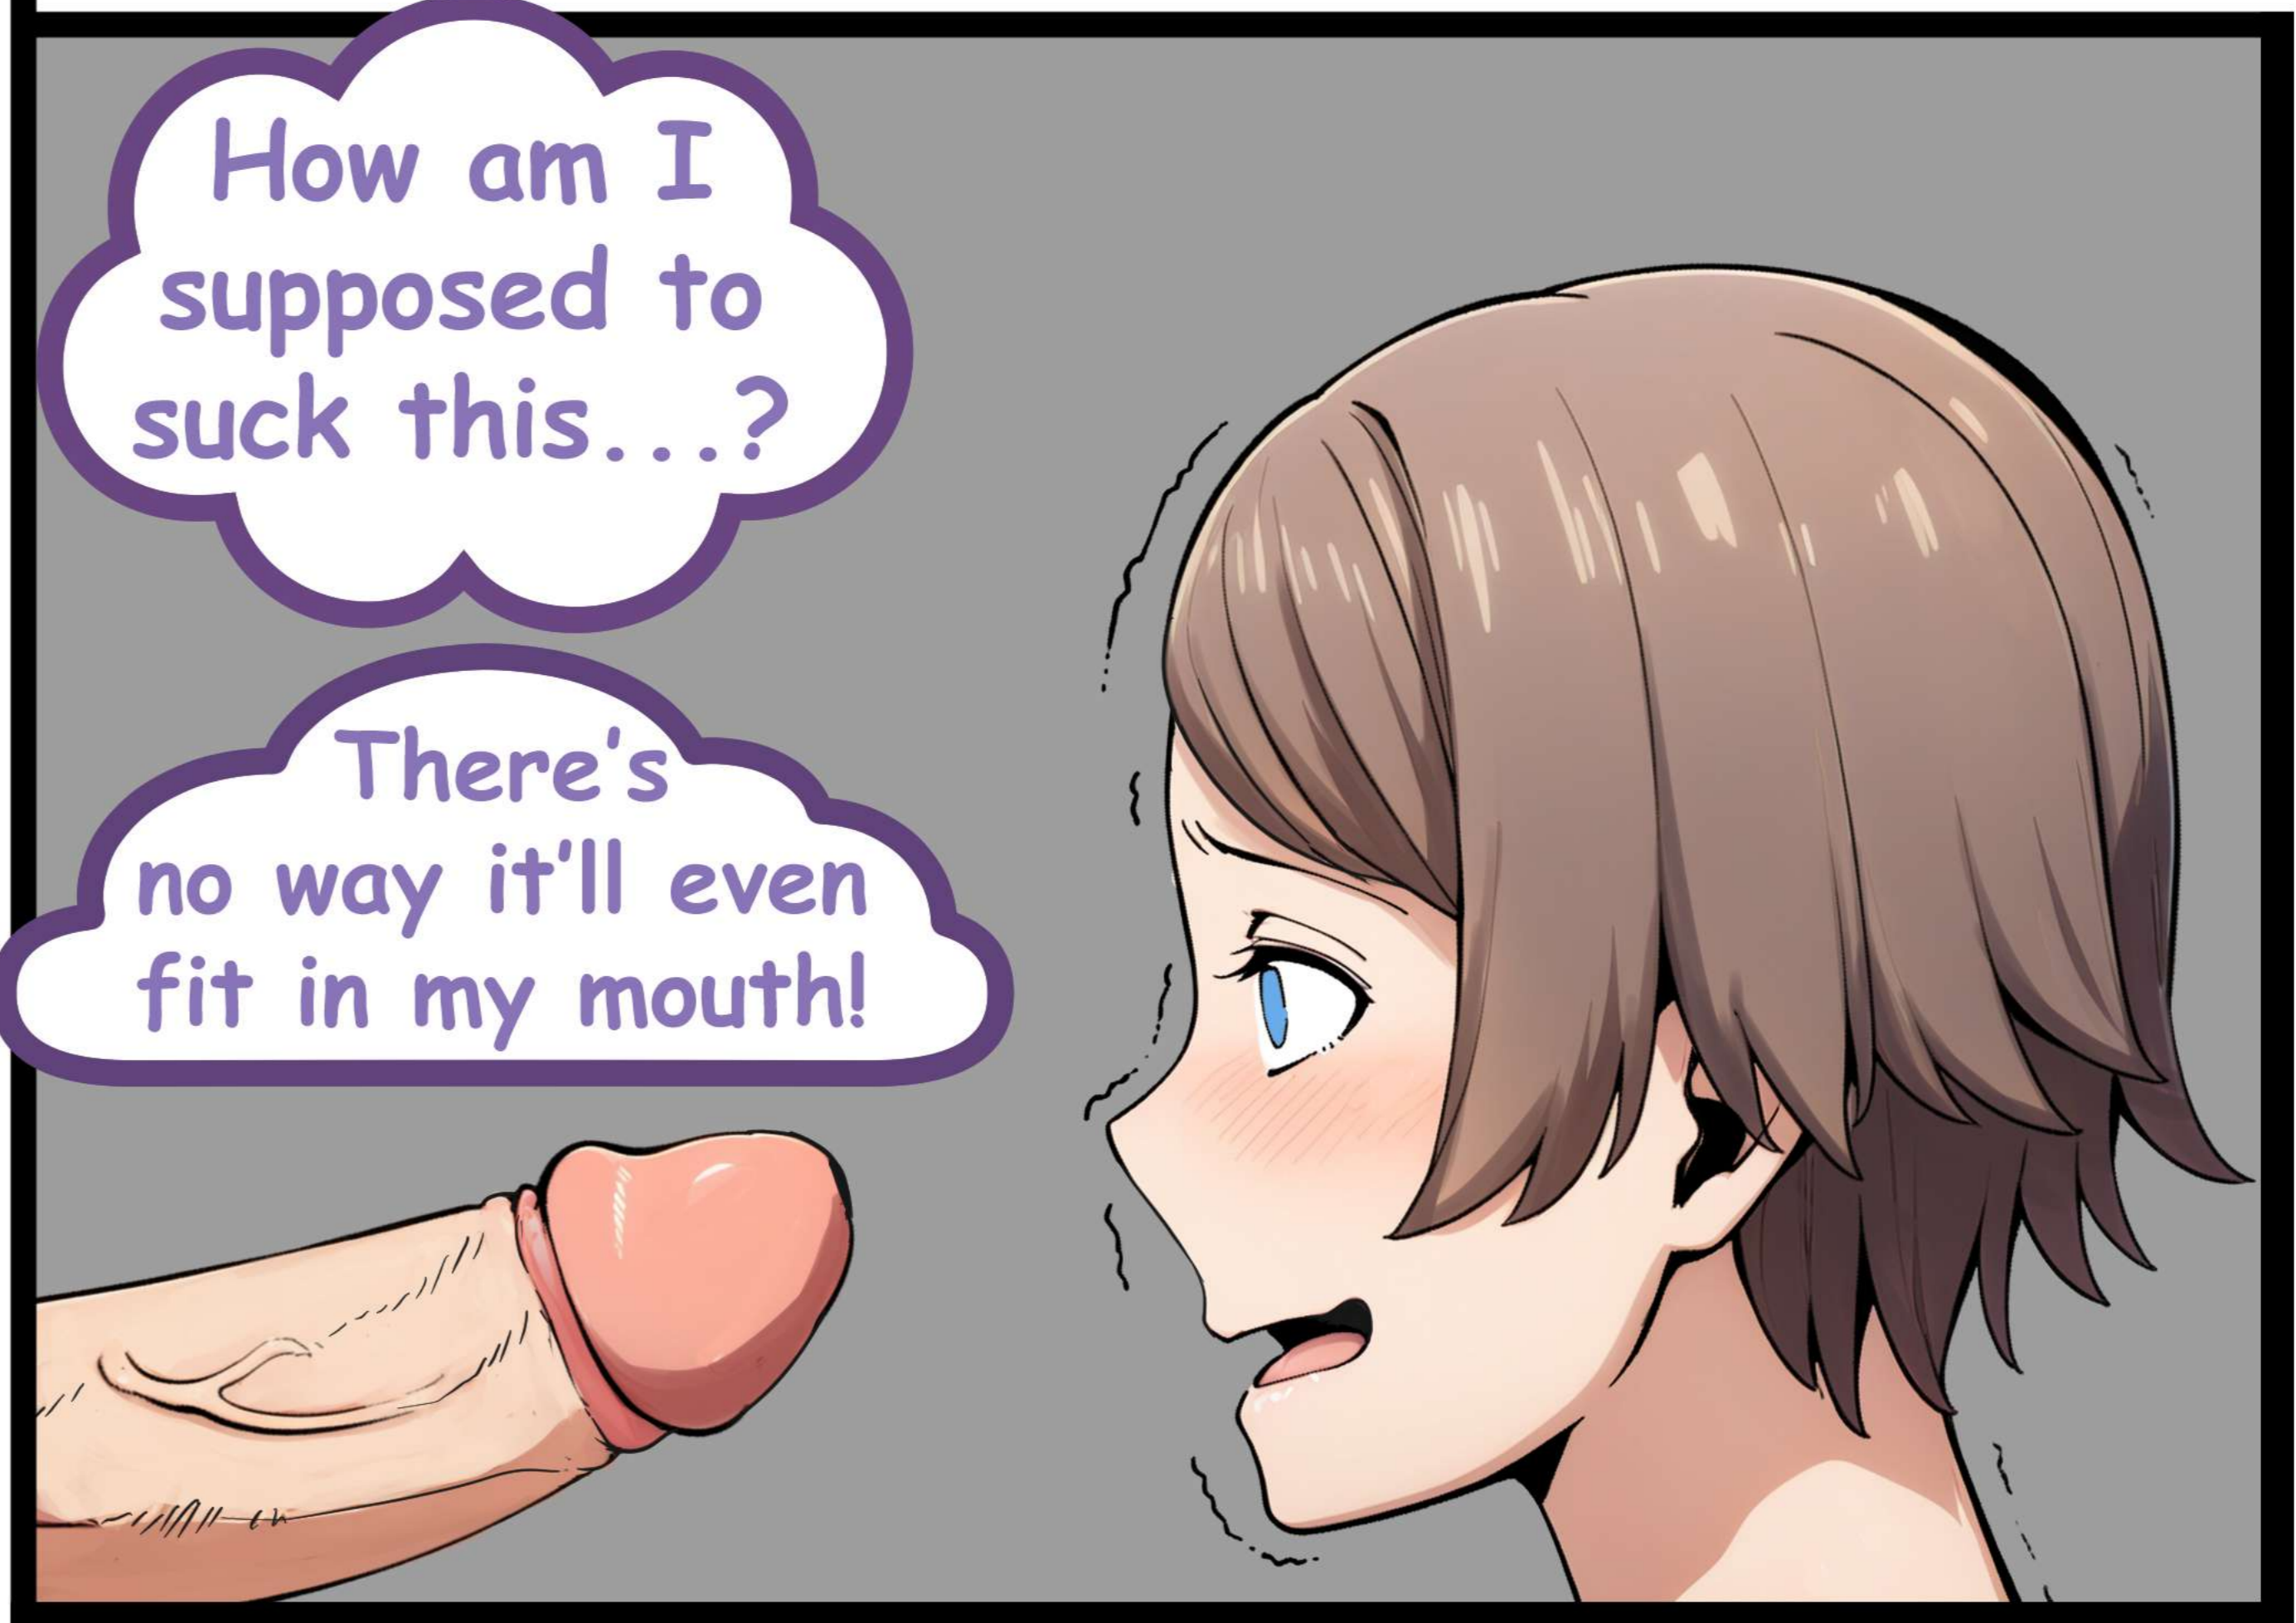

Don't worry

I'll use you so much that soon enough, you'll be a pro at being my littlen slut

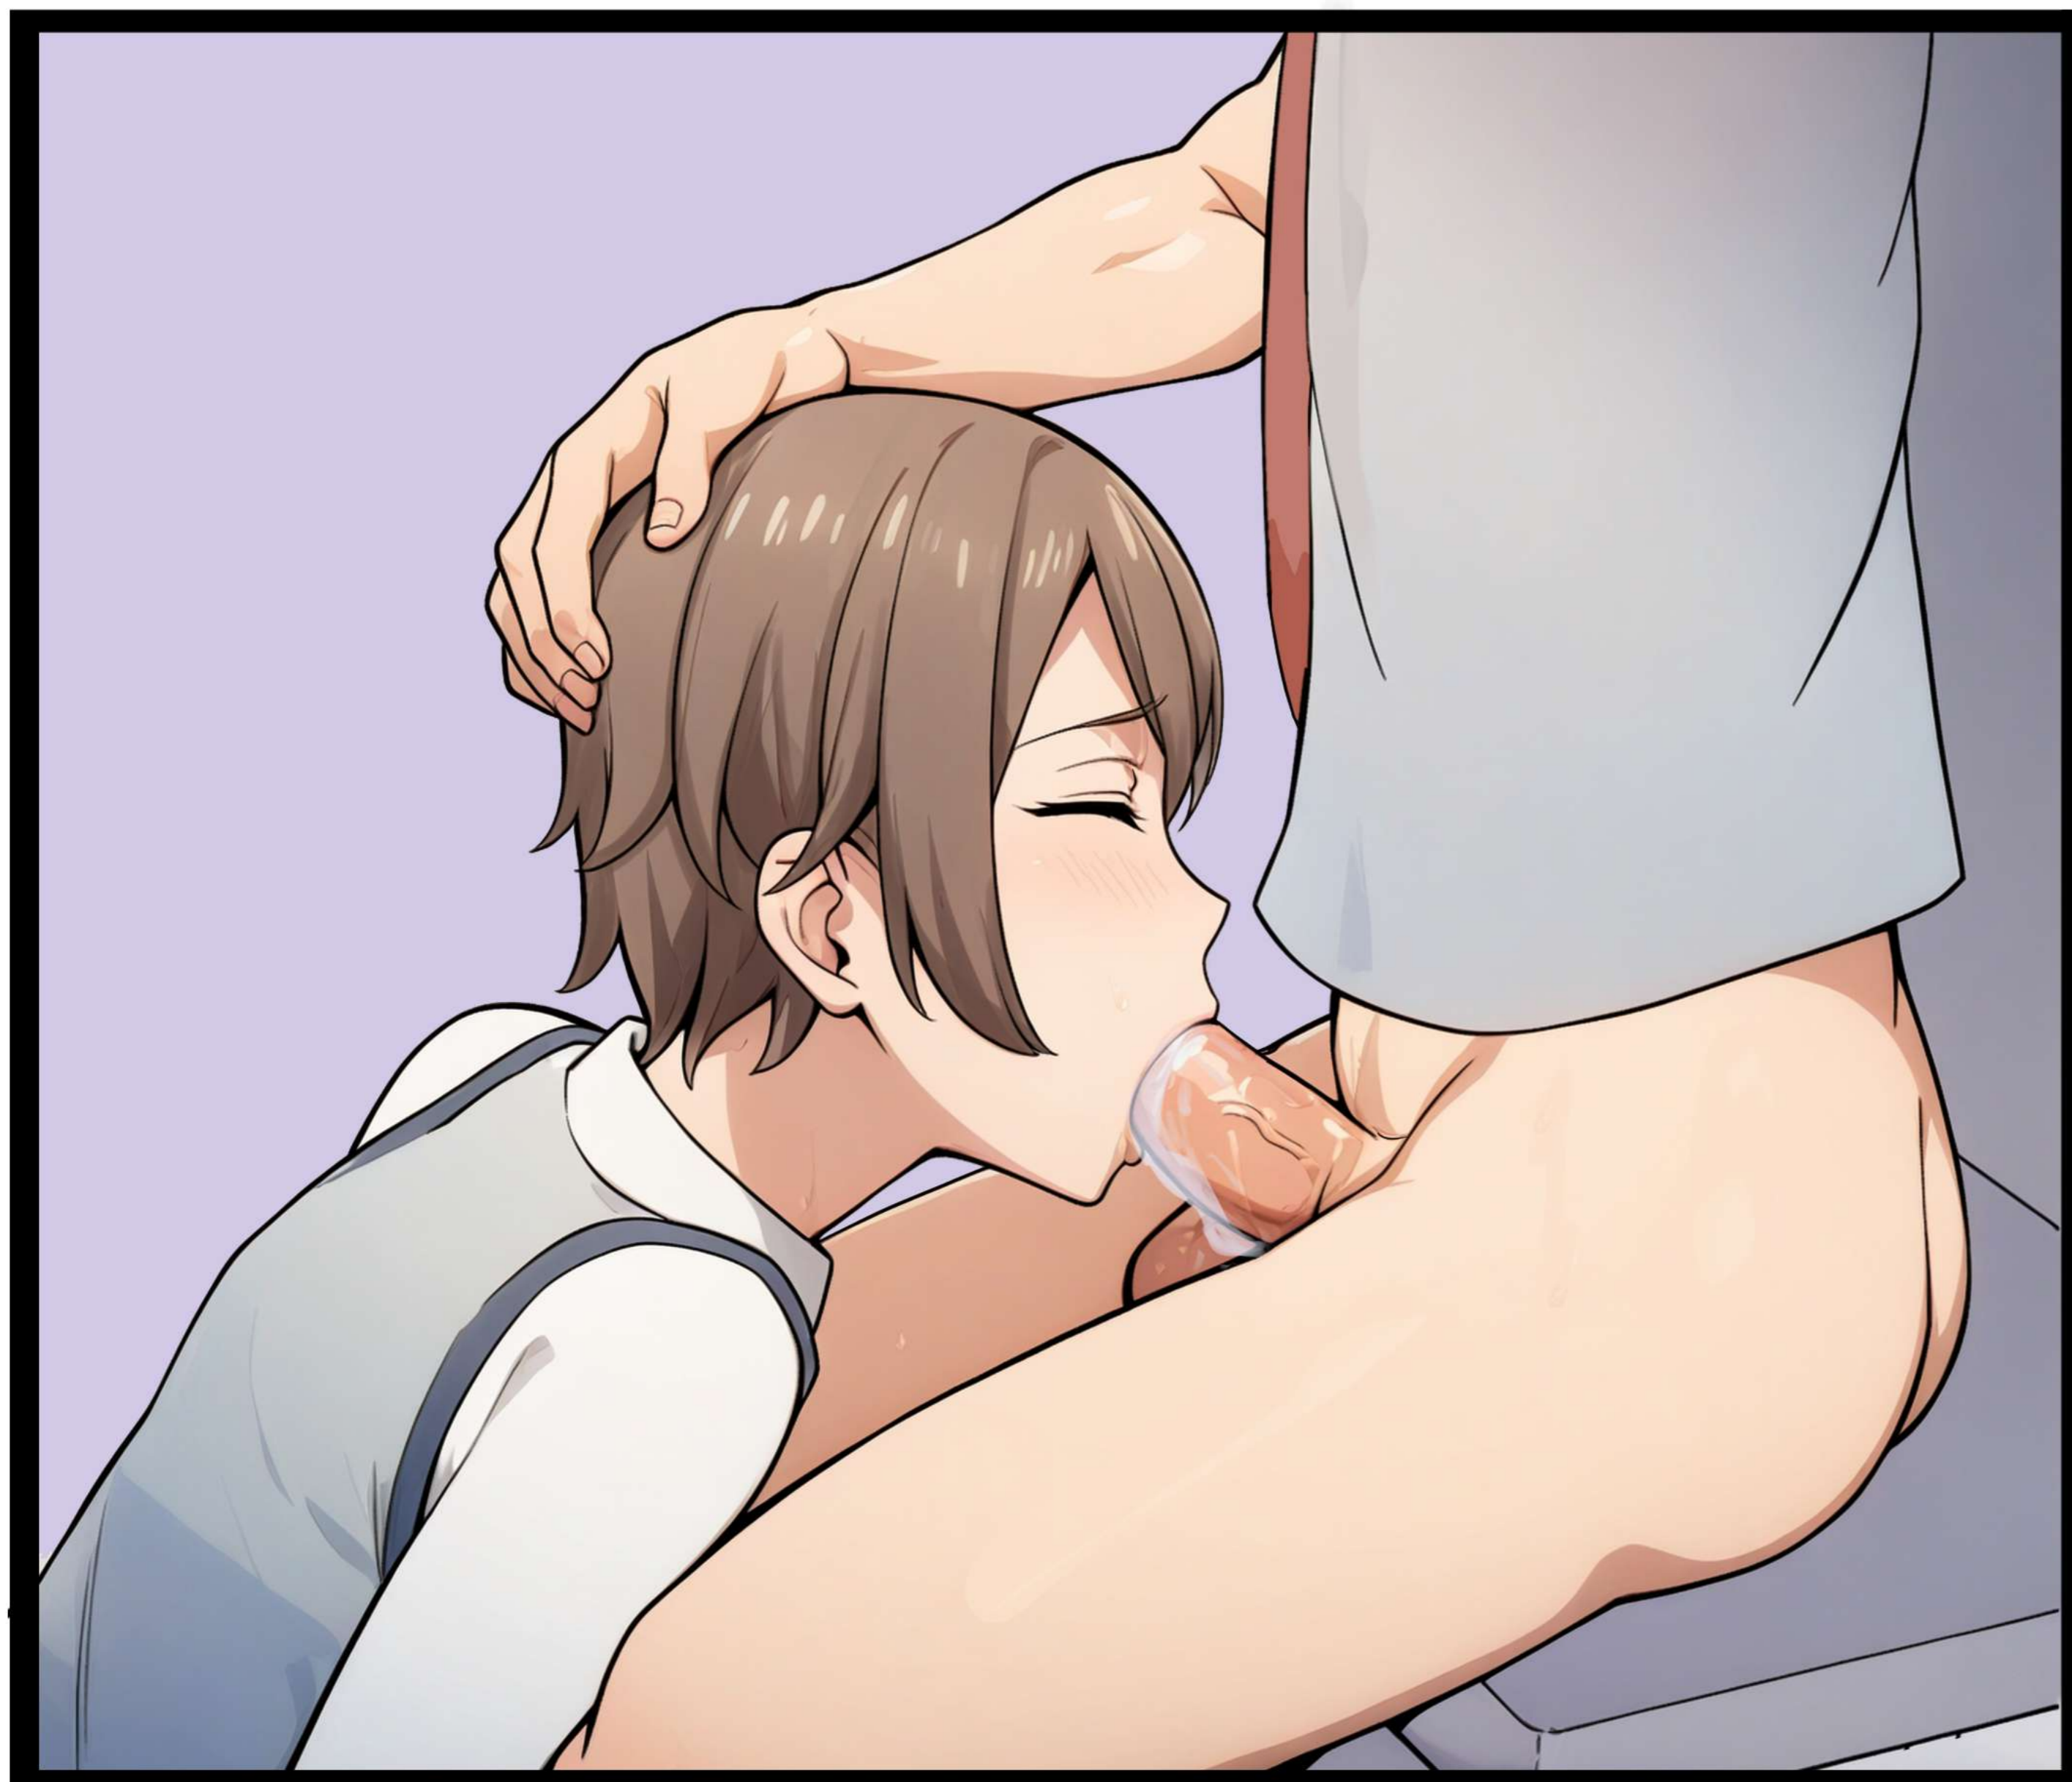

Is his dick really that big...?

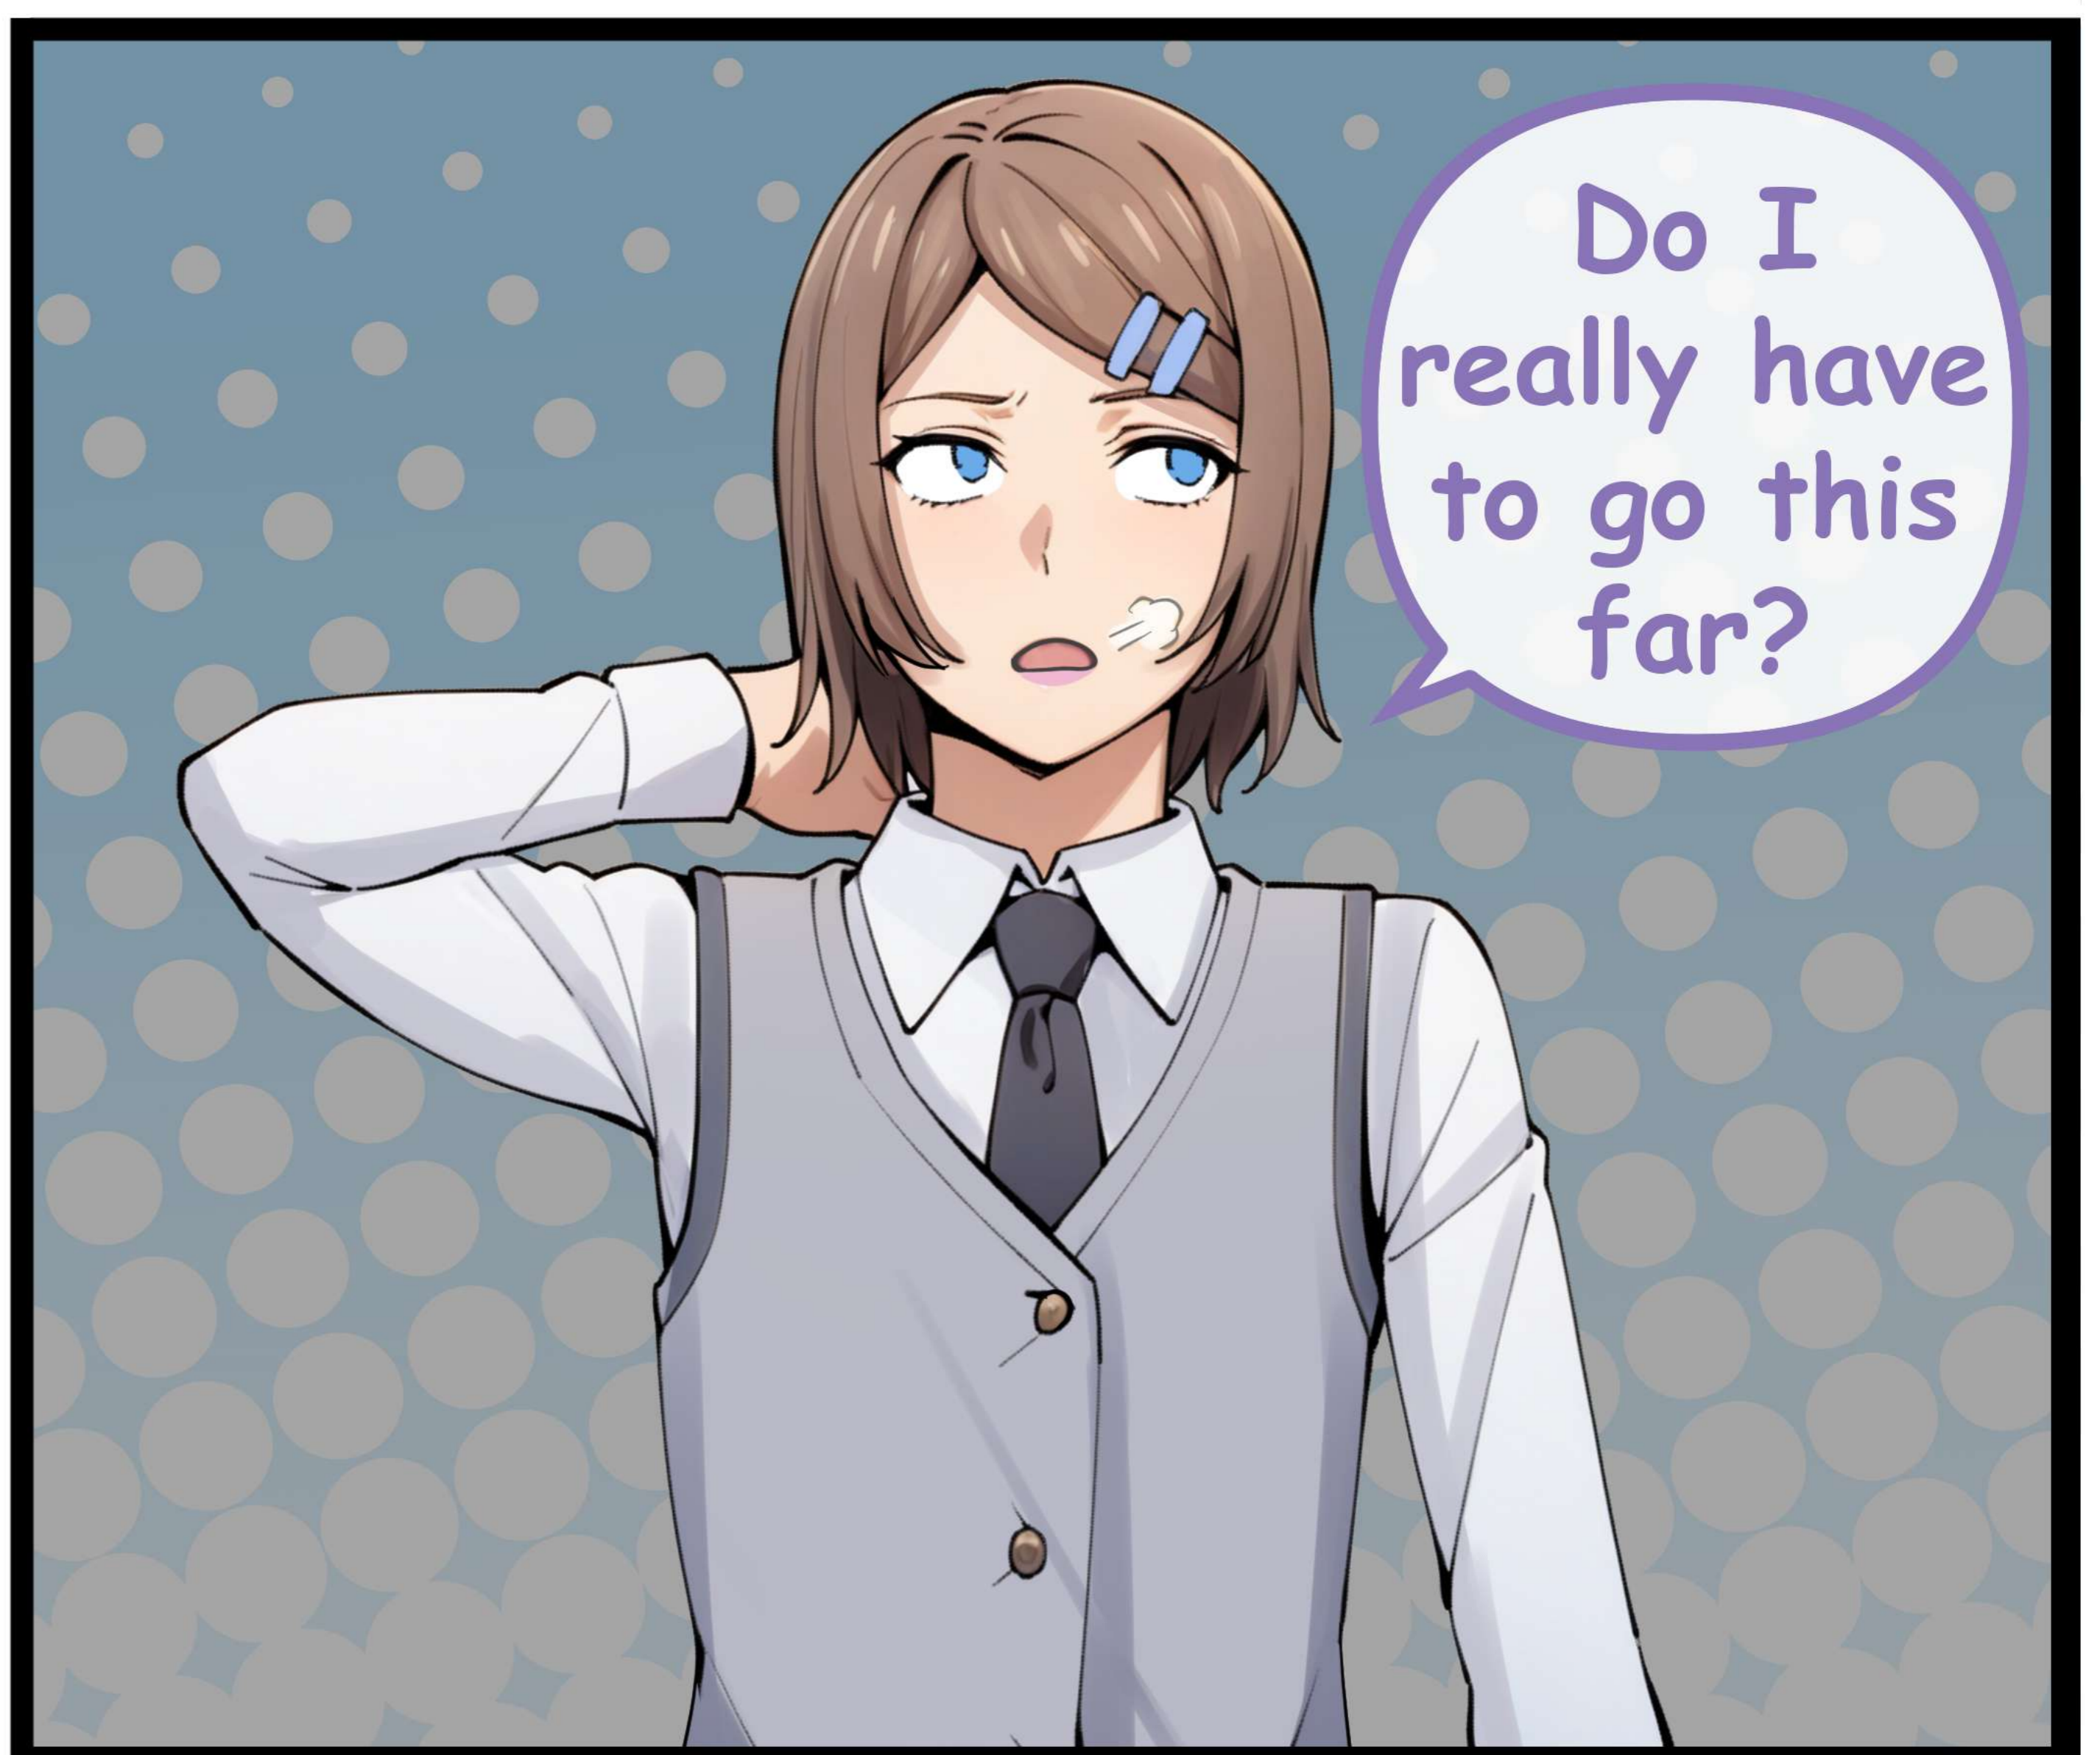

Don't be shy, it's all yours!

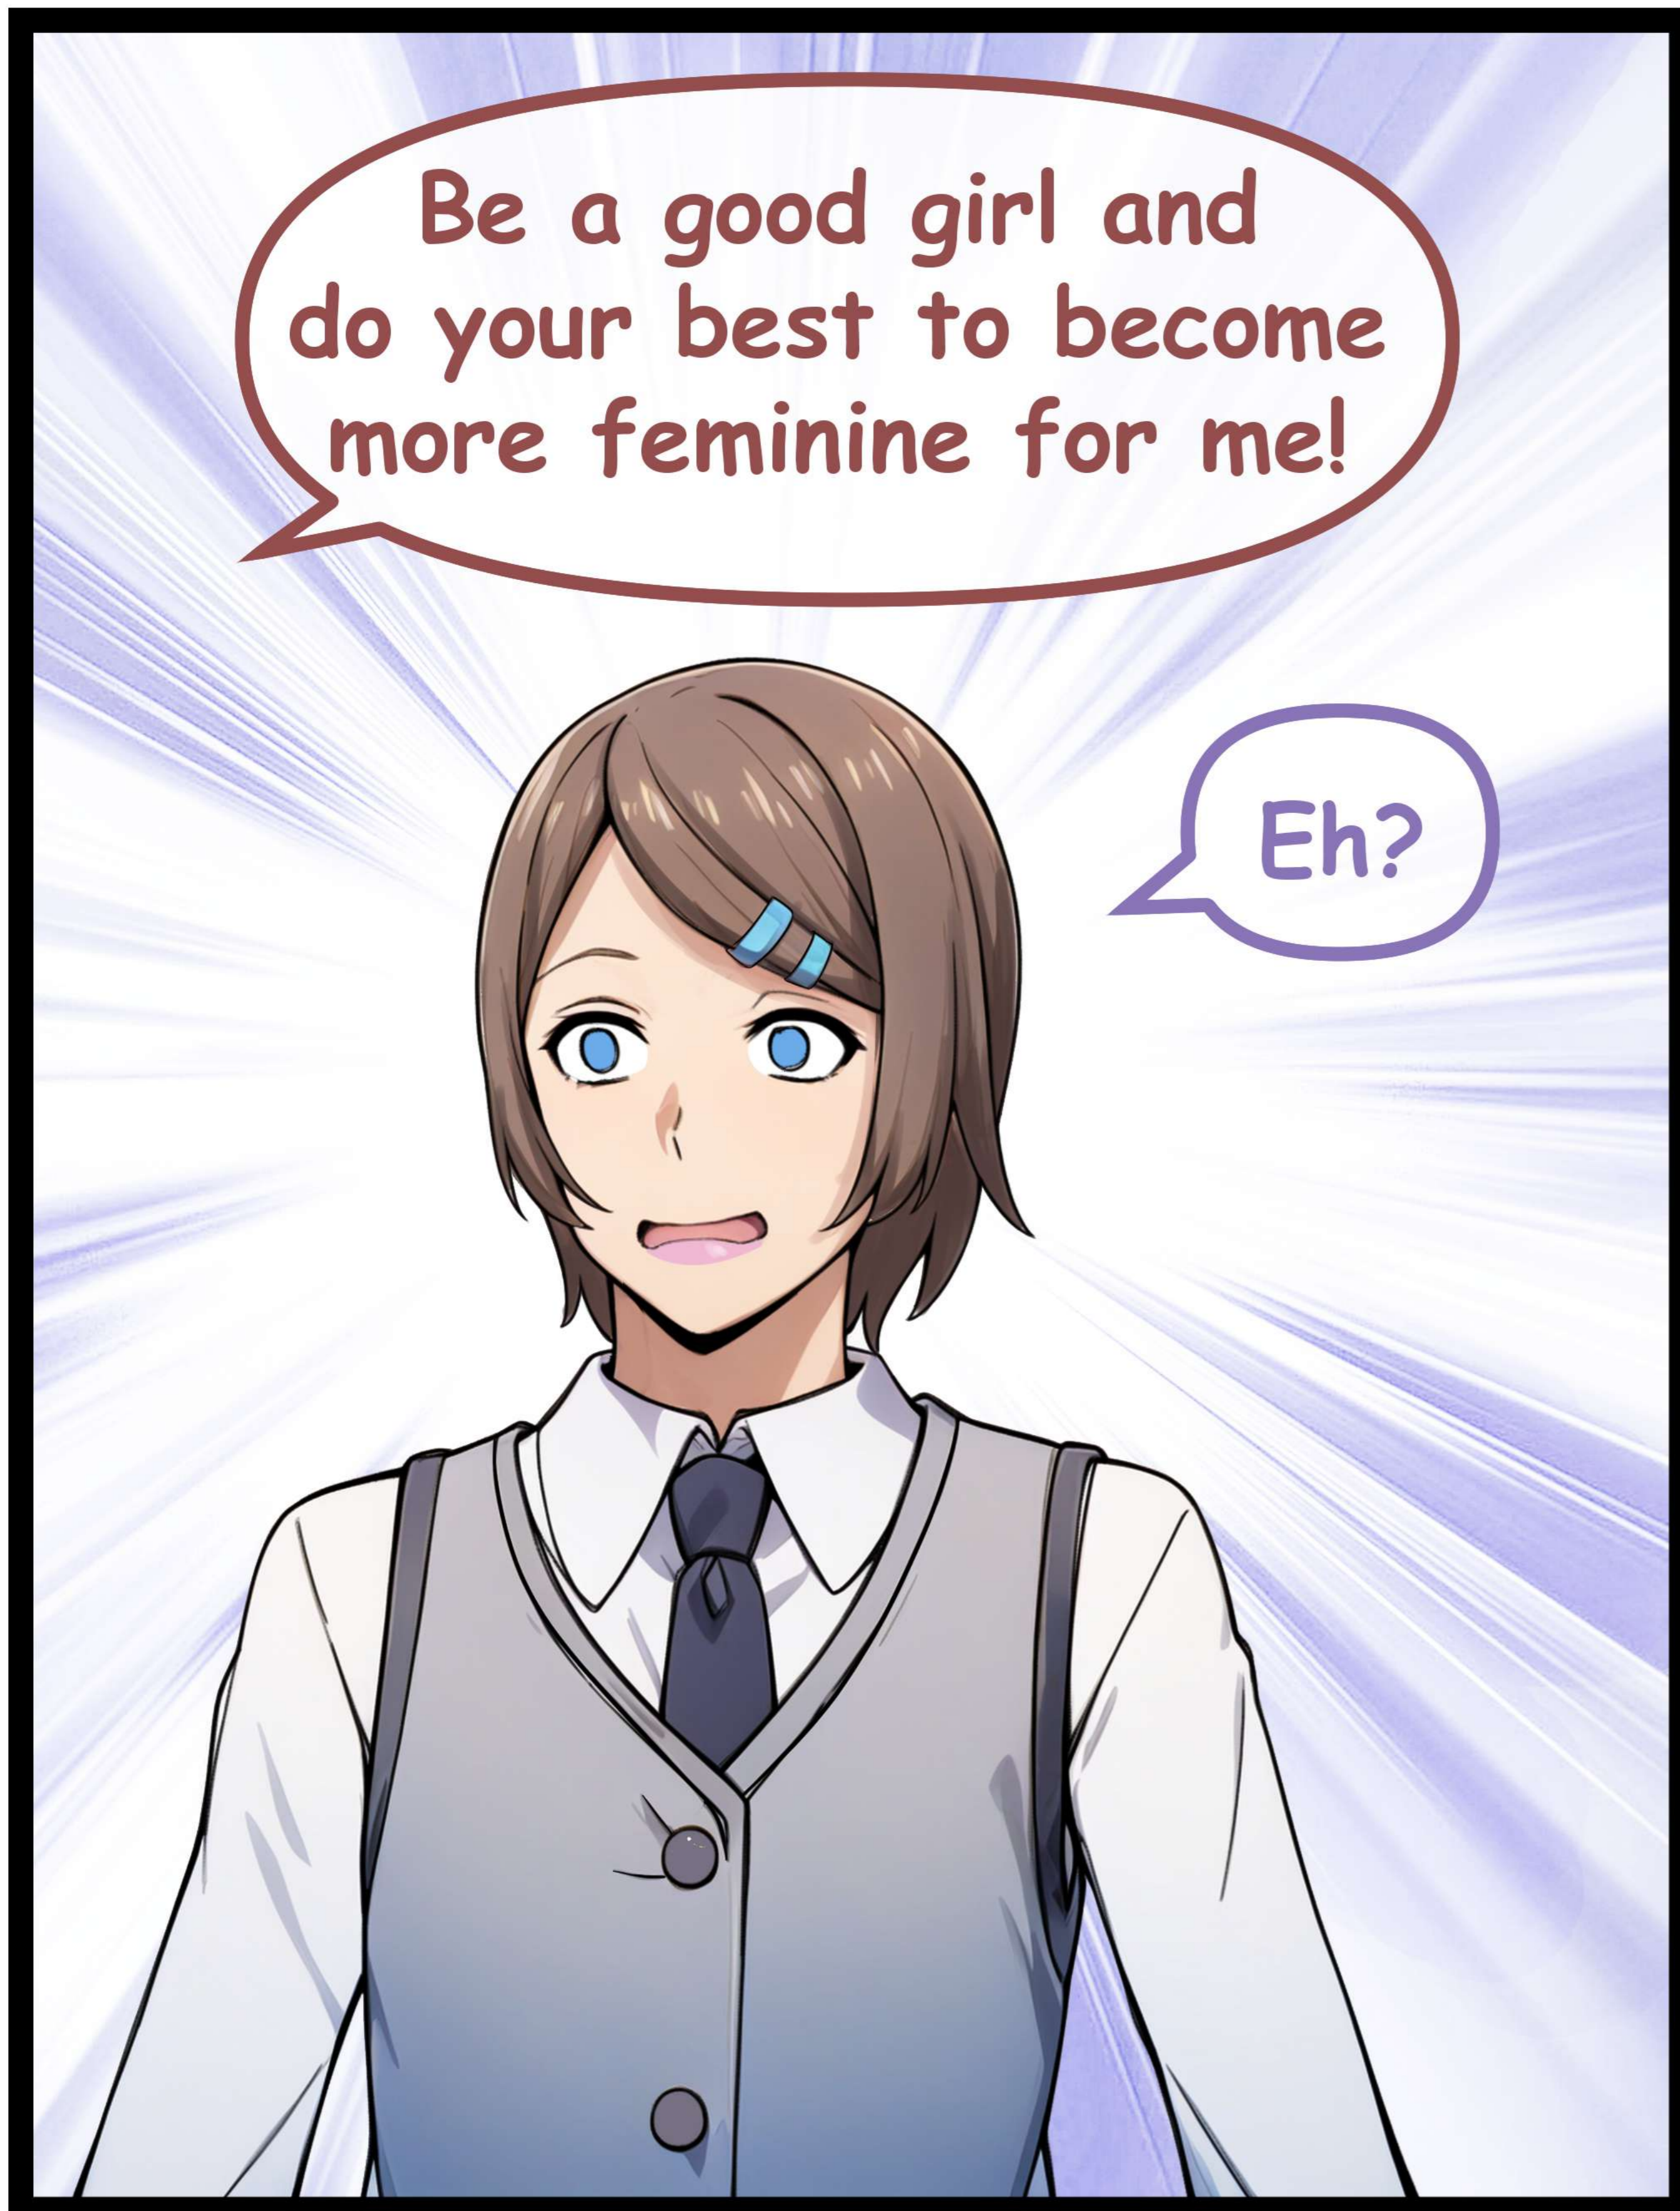

How am I supposed to suck this...?

There's no way it'll even fit in my mouth!

Be a good girl and do your best to become more feminine for me!

Eh?

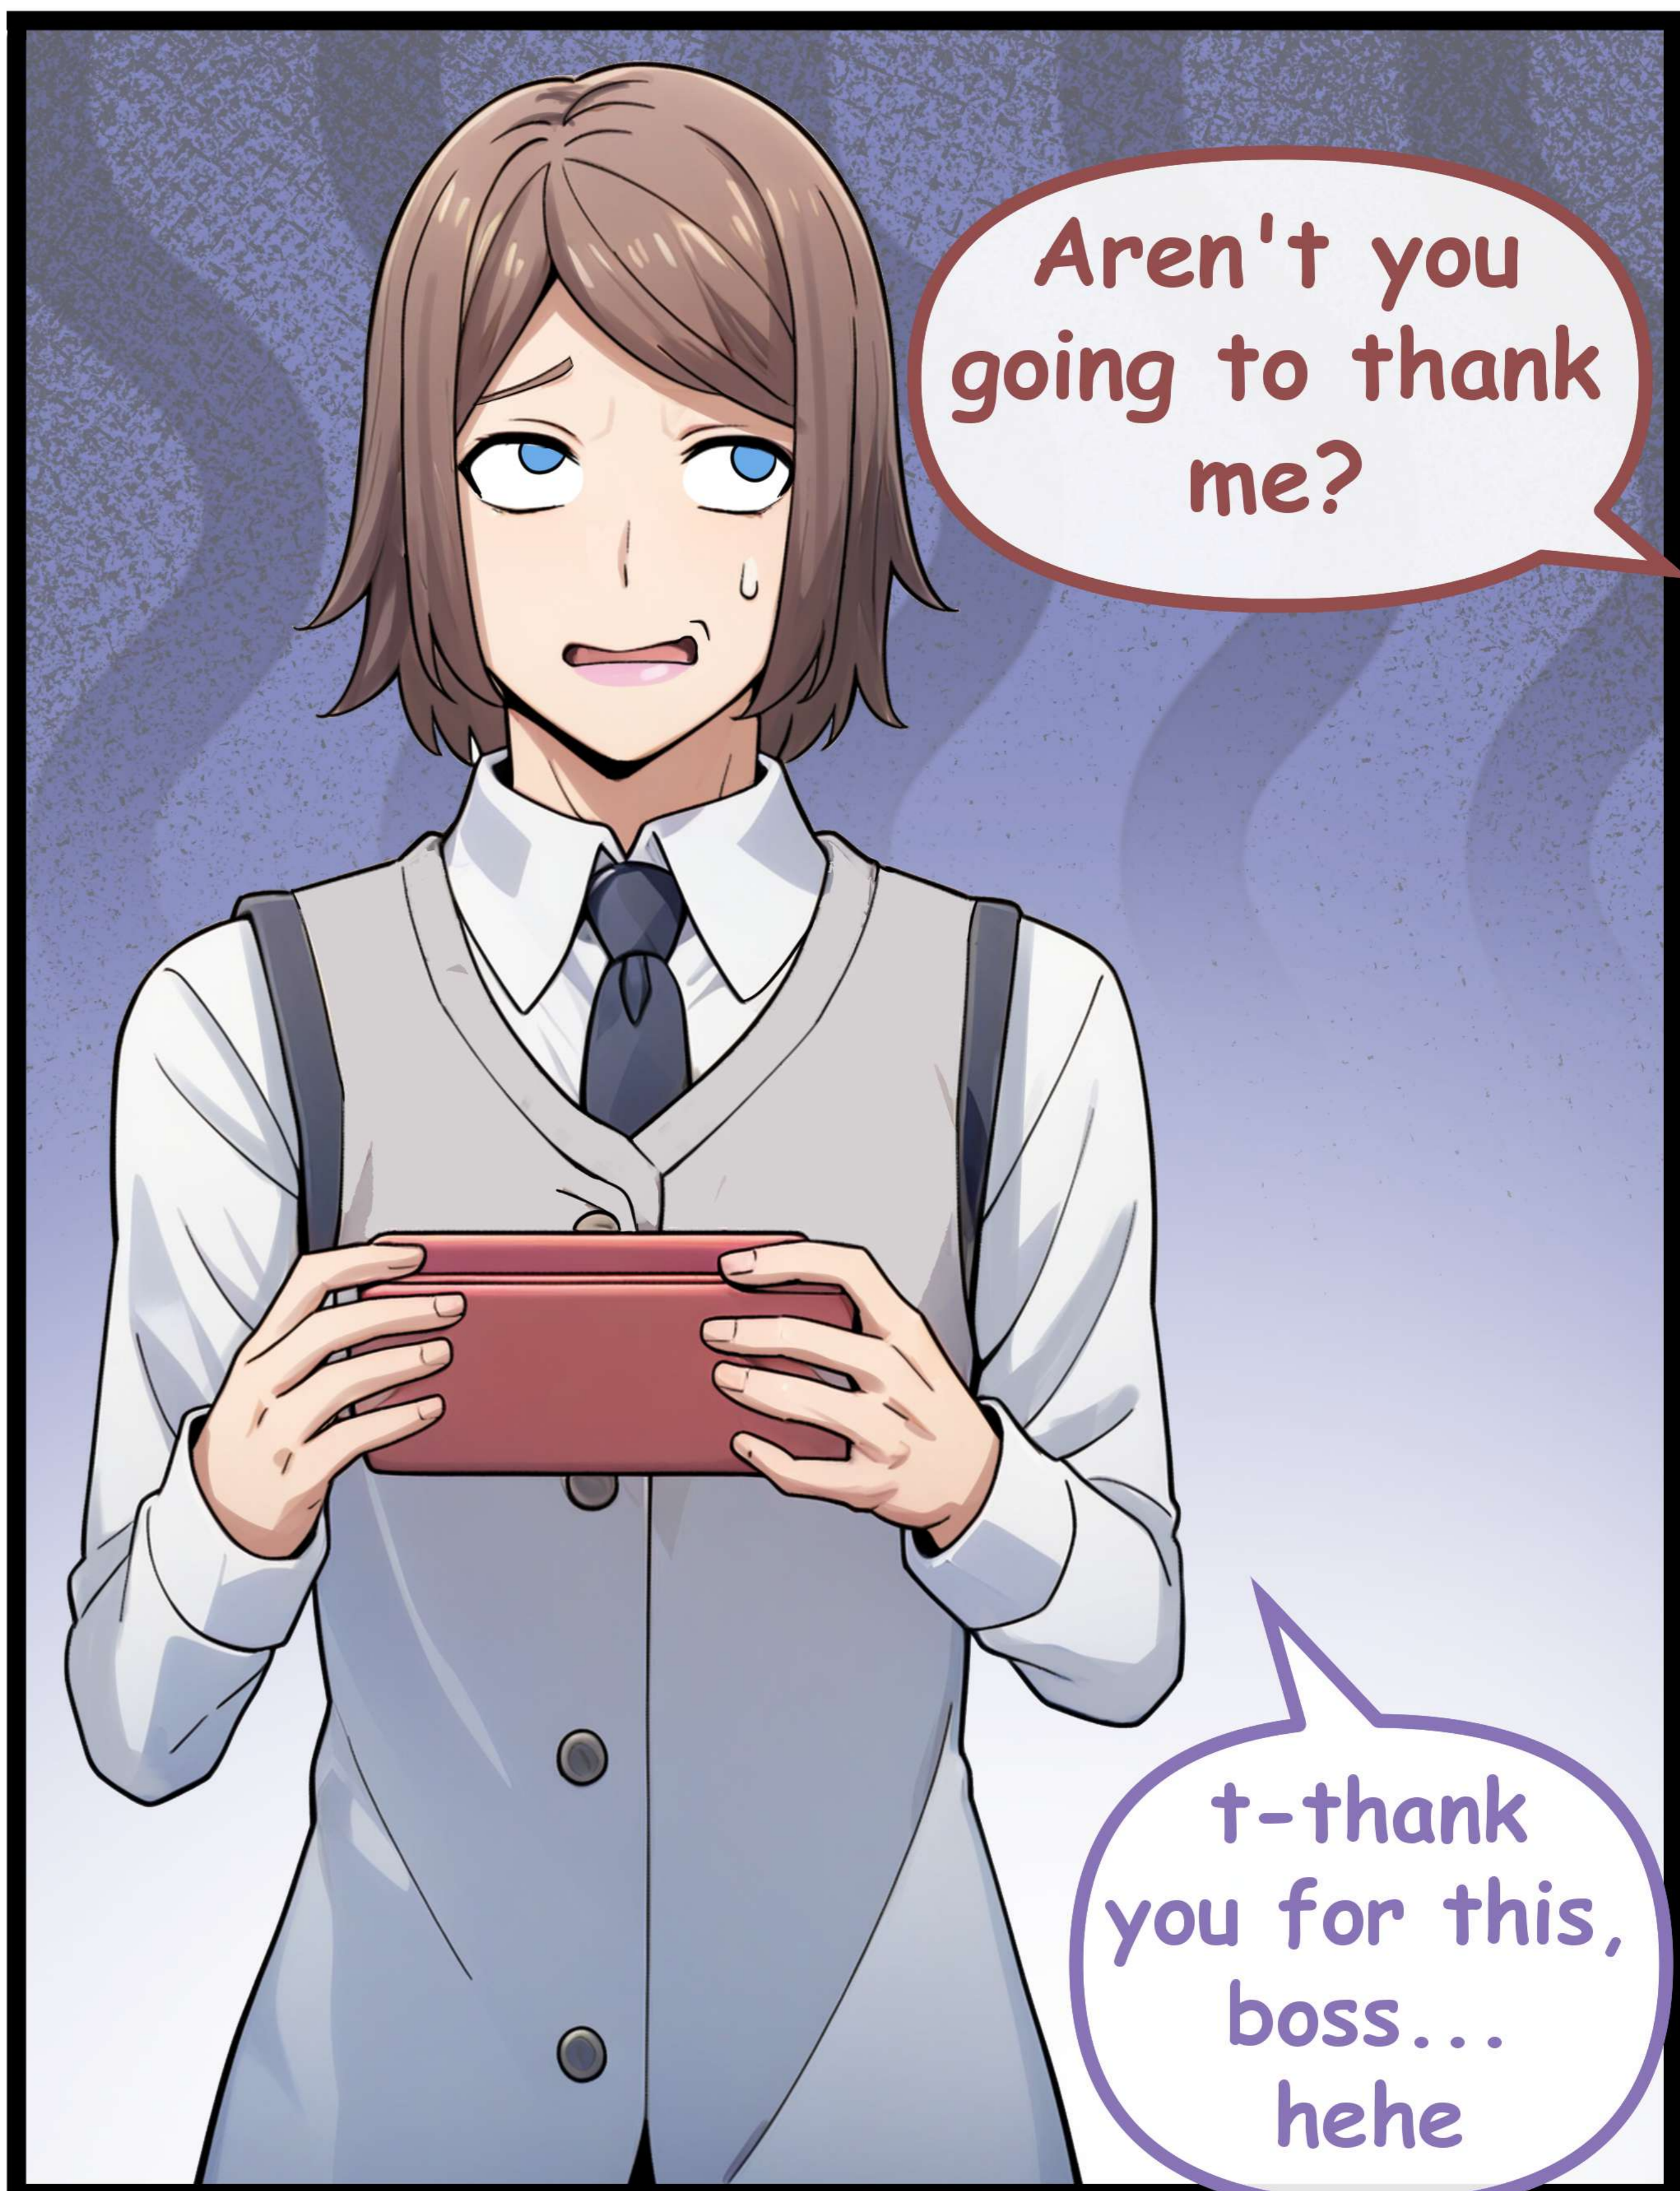

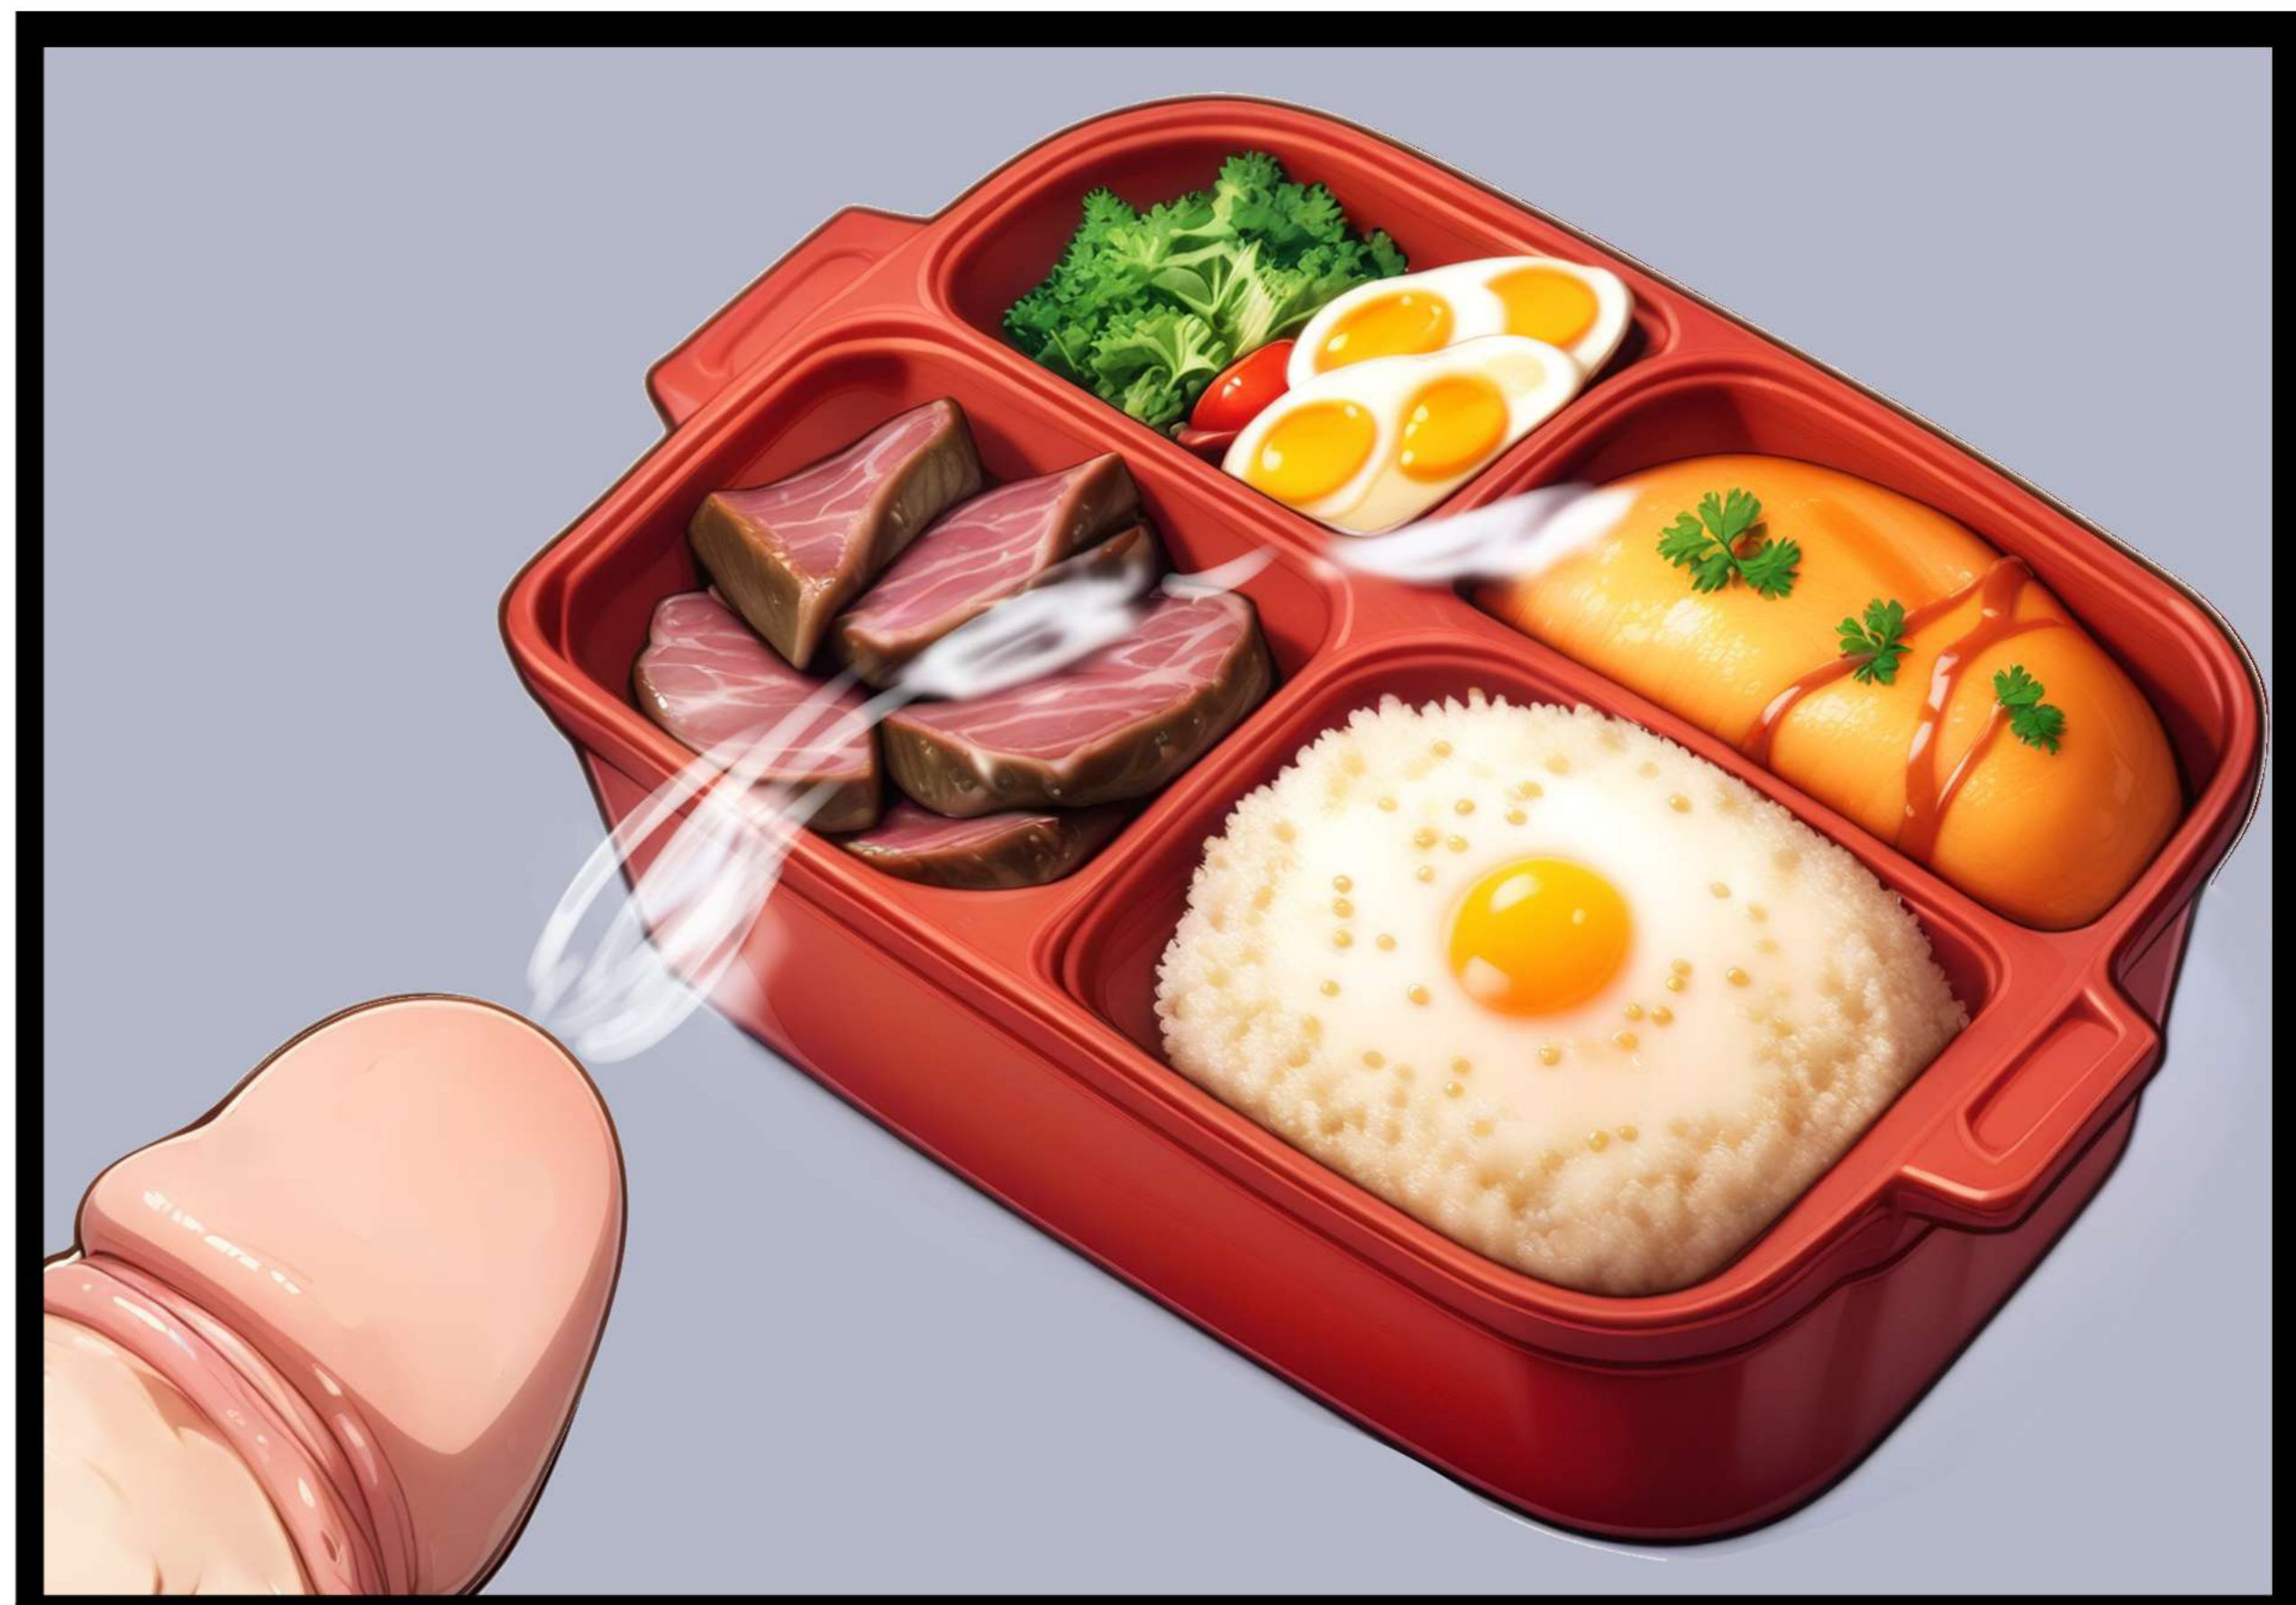

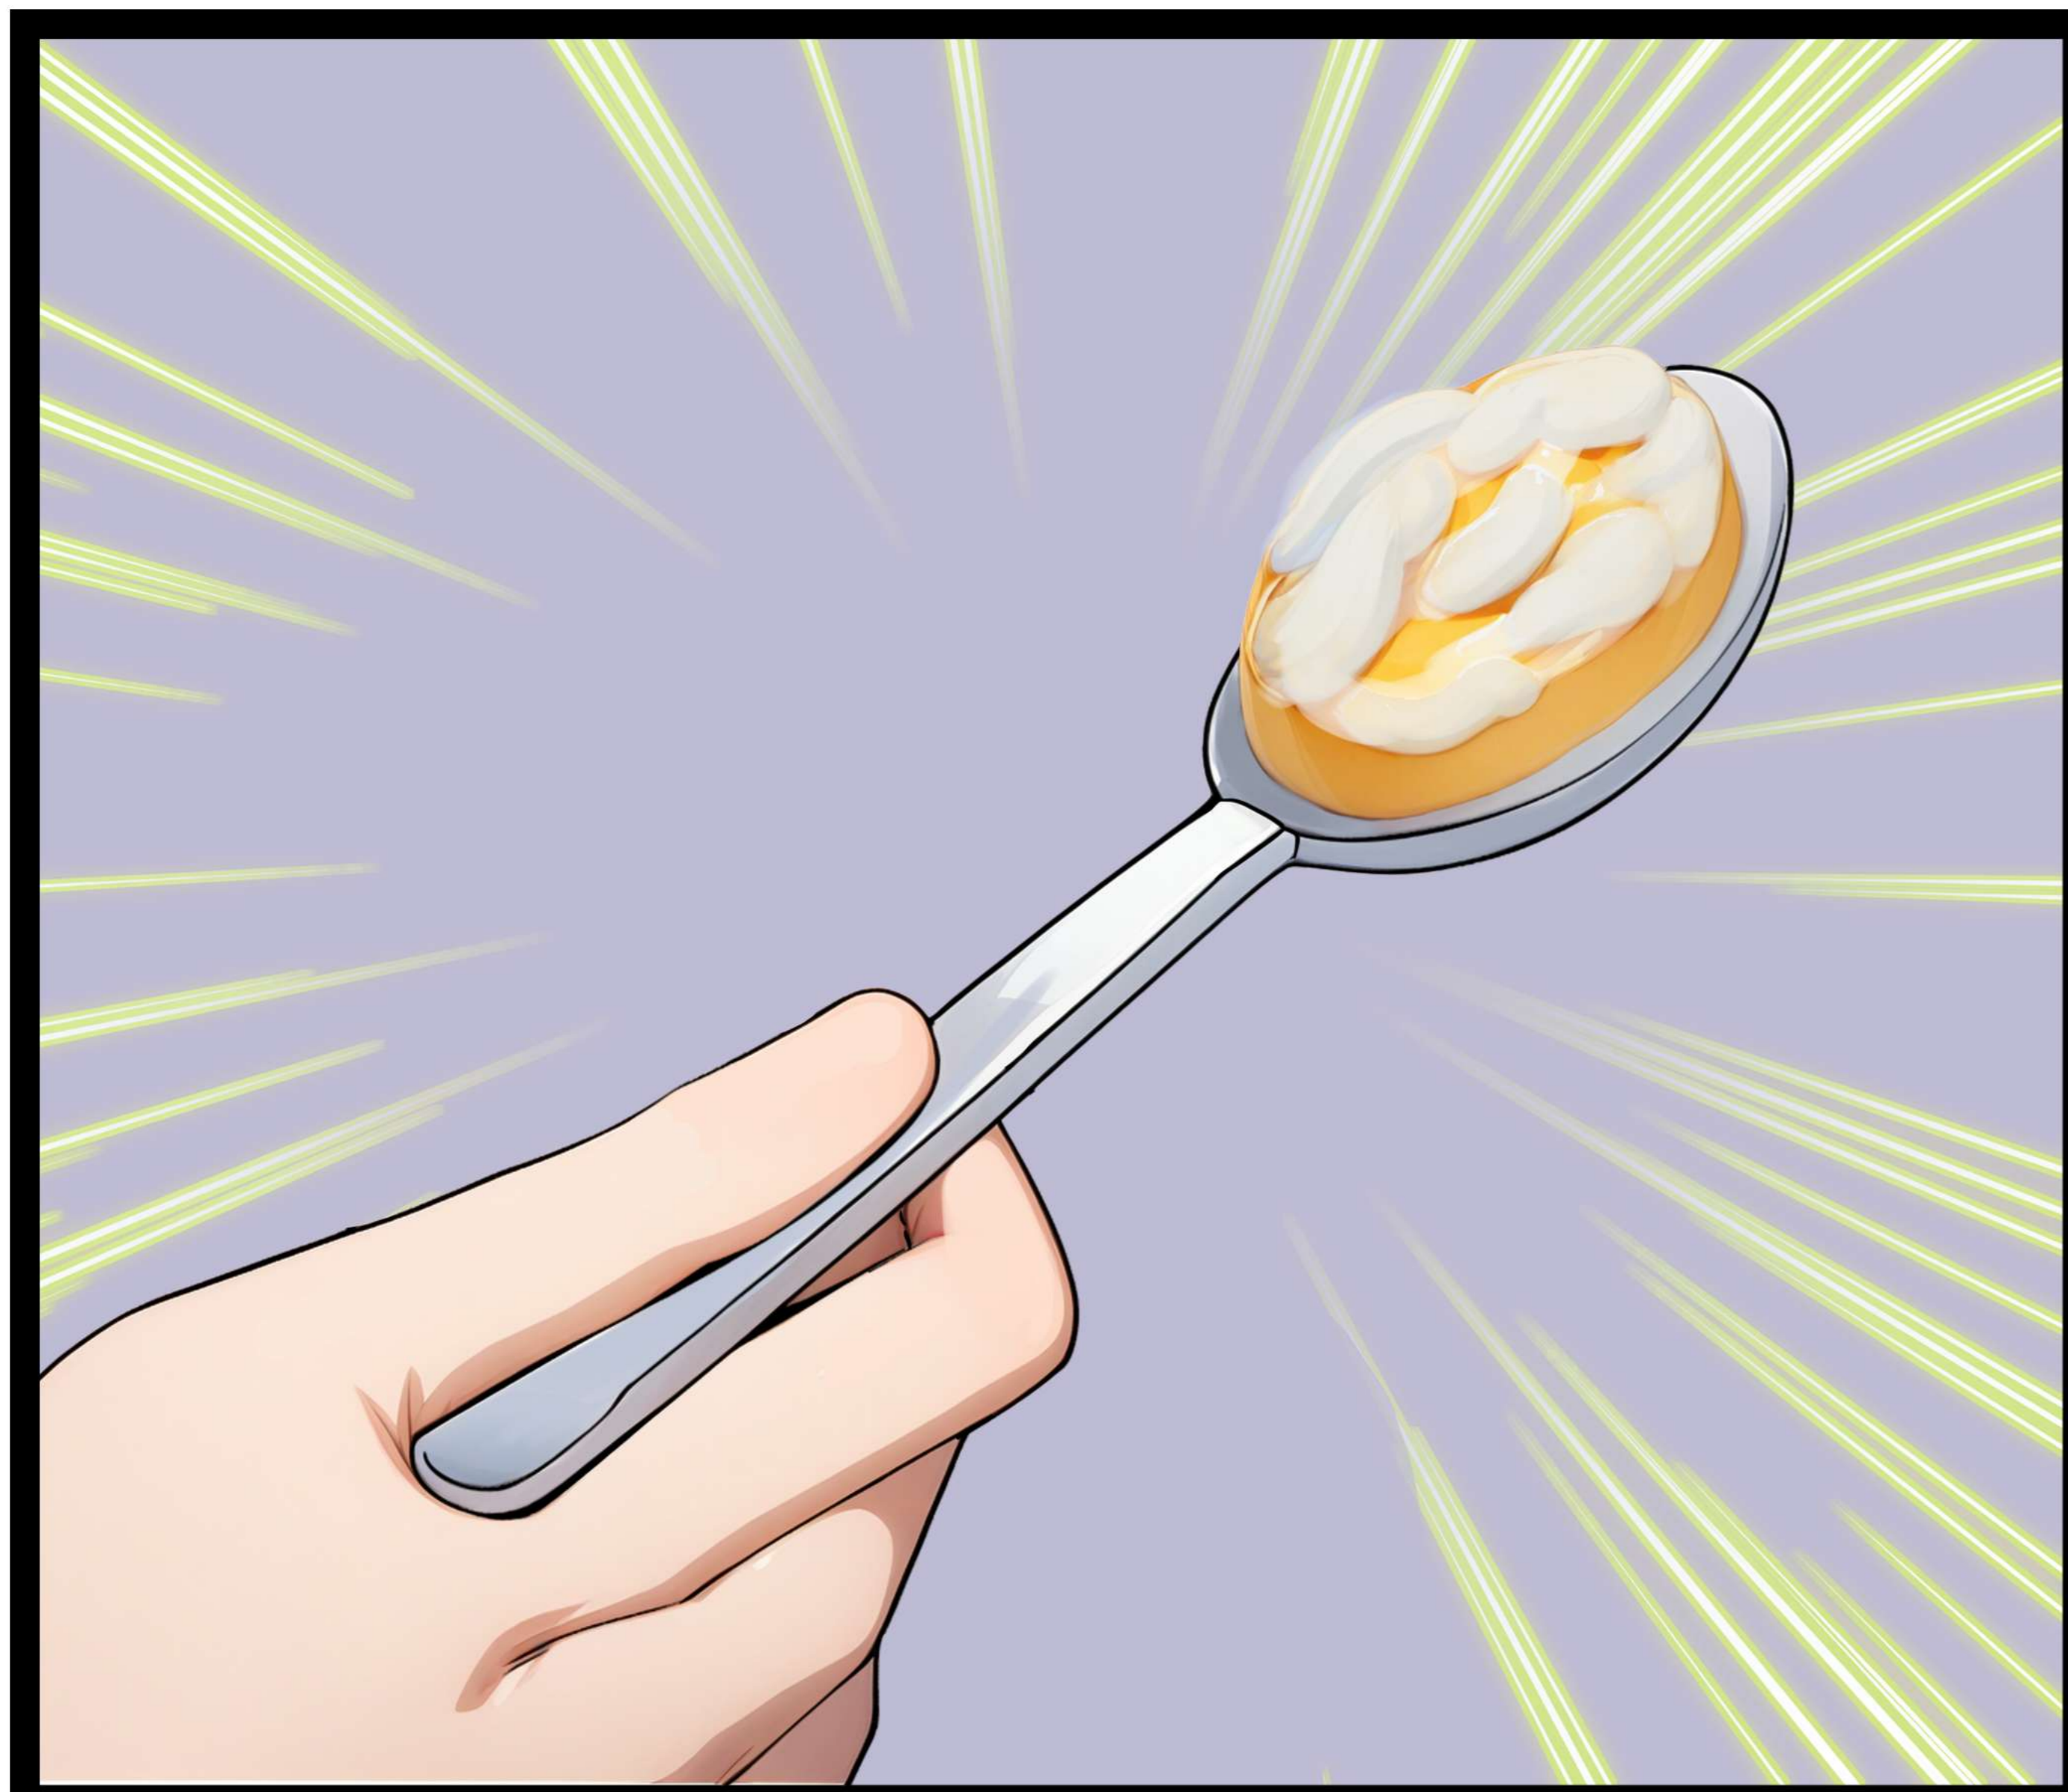

See? It's not so hard to be a good girl!

I... I guess so

Aahrrg, why does it feel so good to be called like that?

Are you serious, boss?

Why do I have to wear this?

It's part of your uniform, and your training

From now on, you're caged

Until I deem you worthy of release

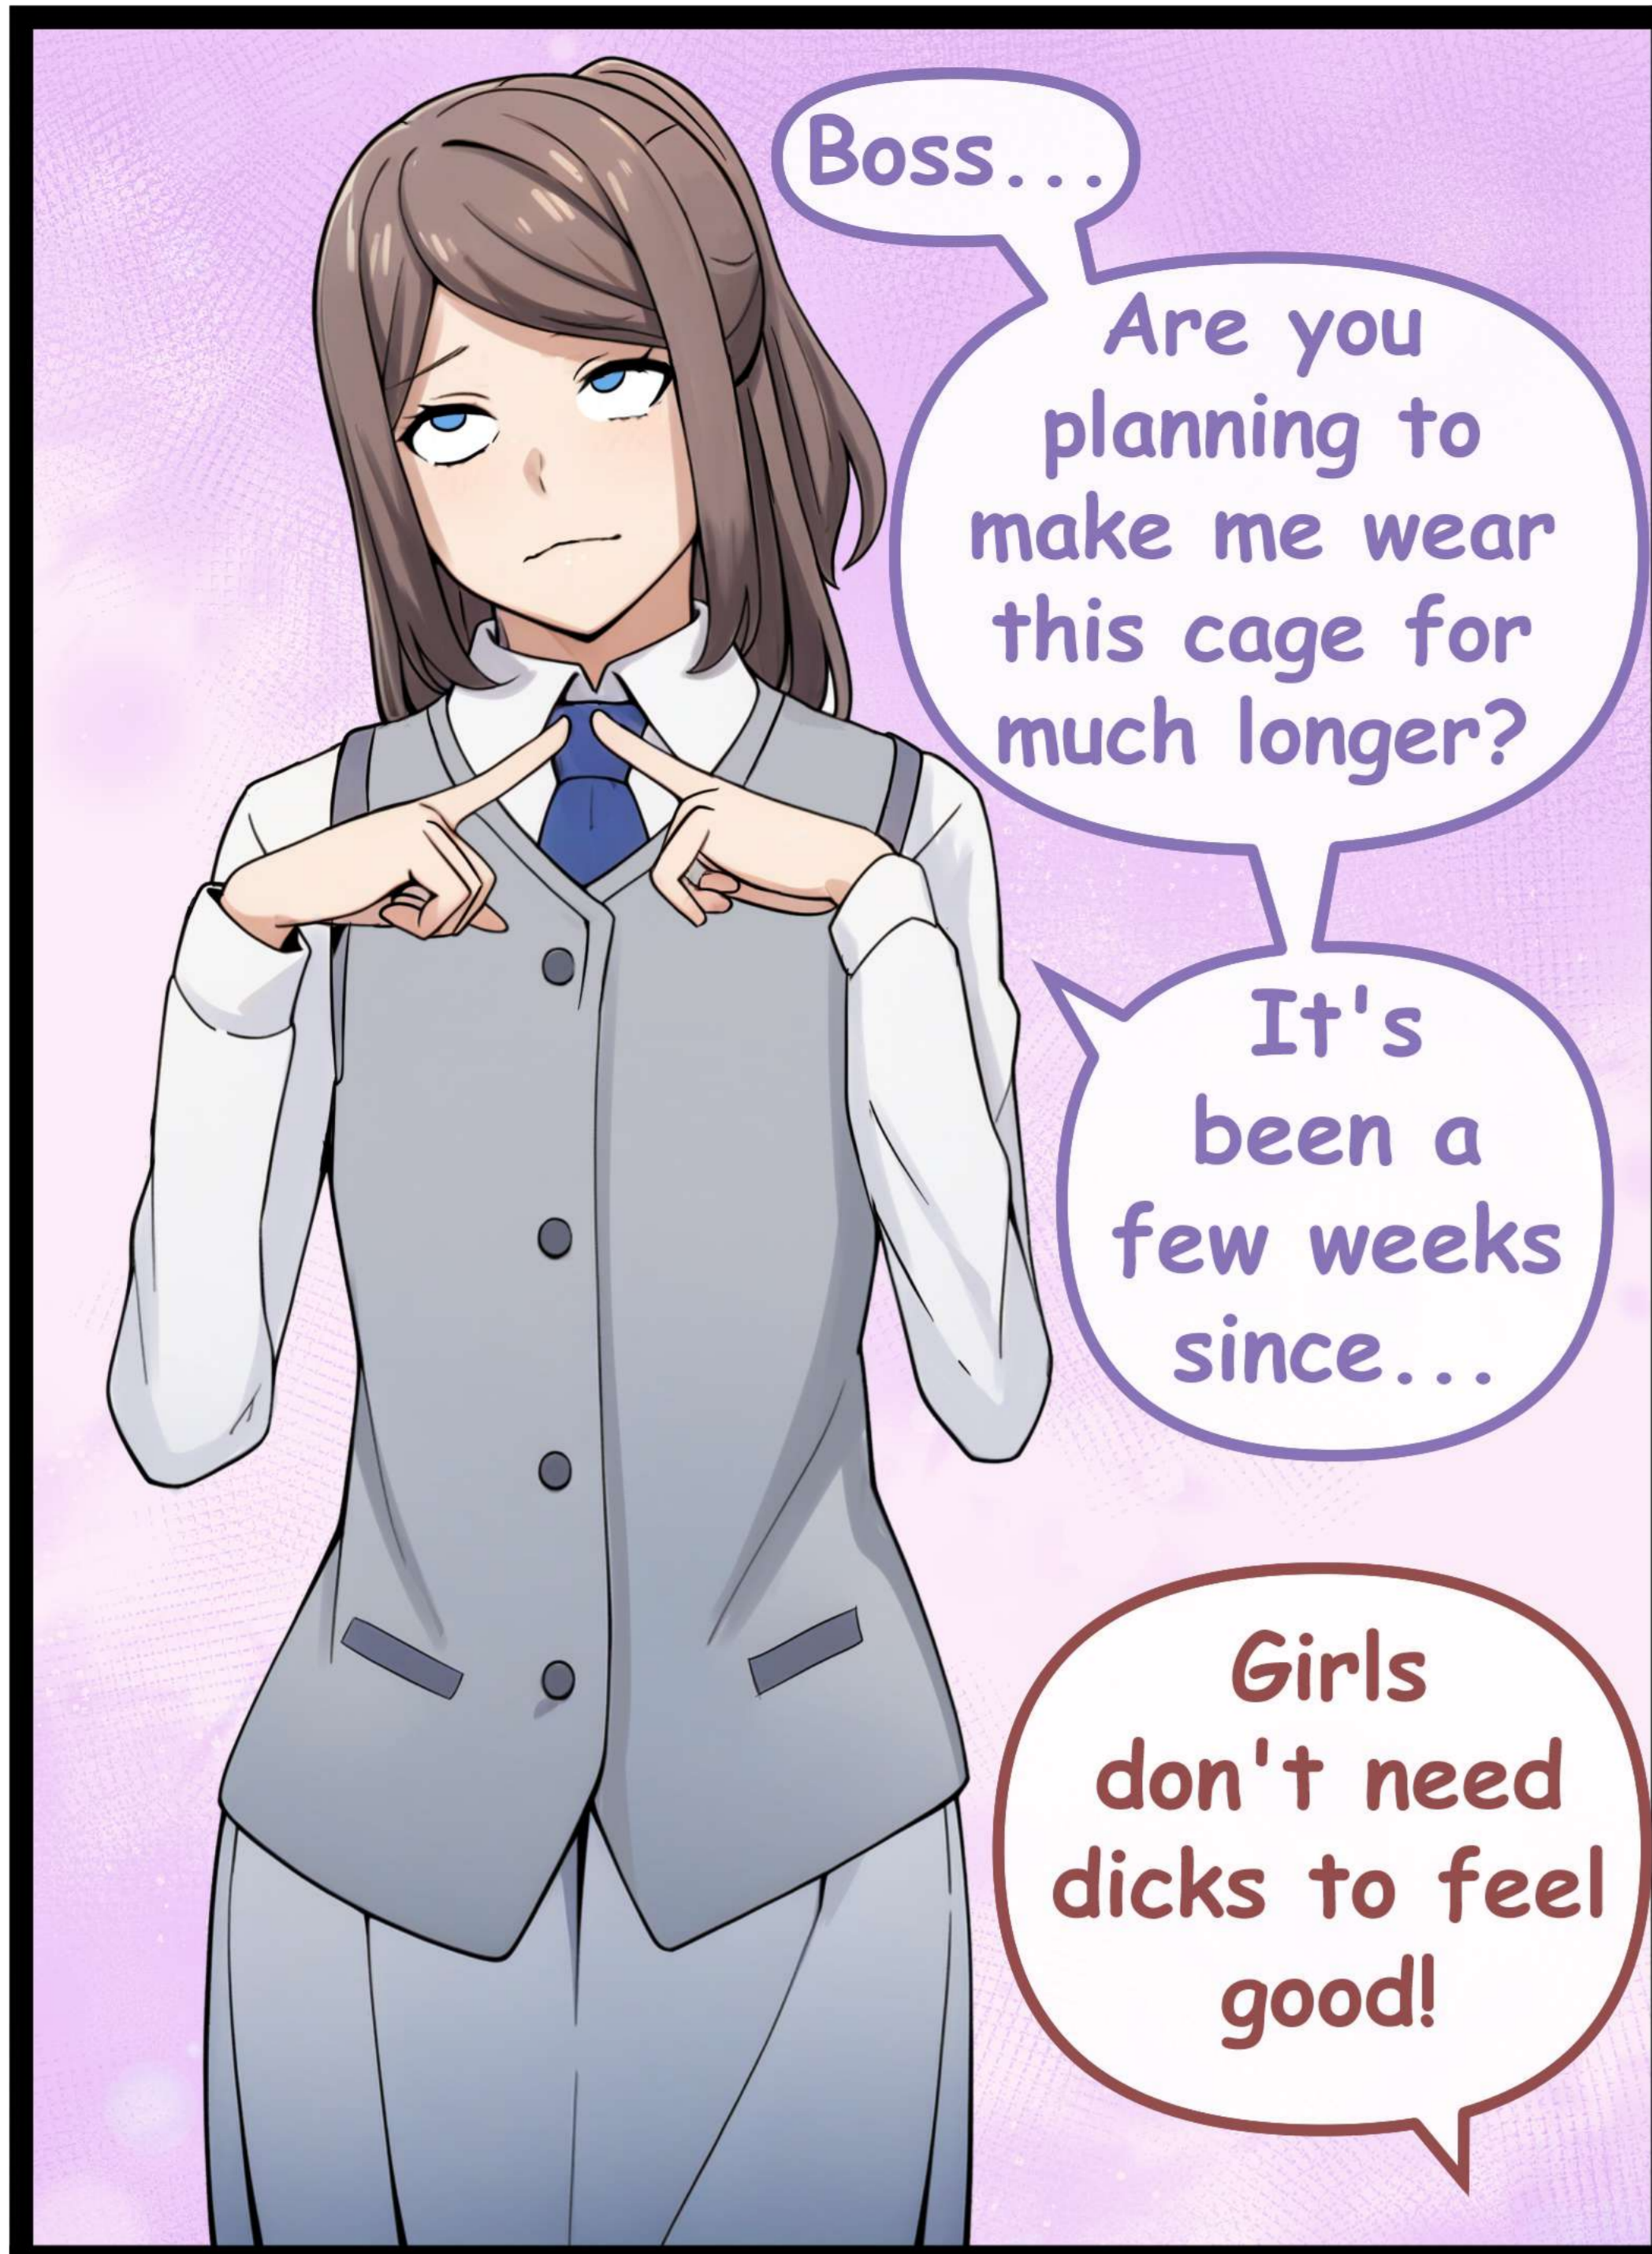

Are you serious, boss?

Why do I have to wear this?

It's part of your uniform, and your training

From now on, you're caged

Until I deem you worthy of release

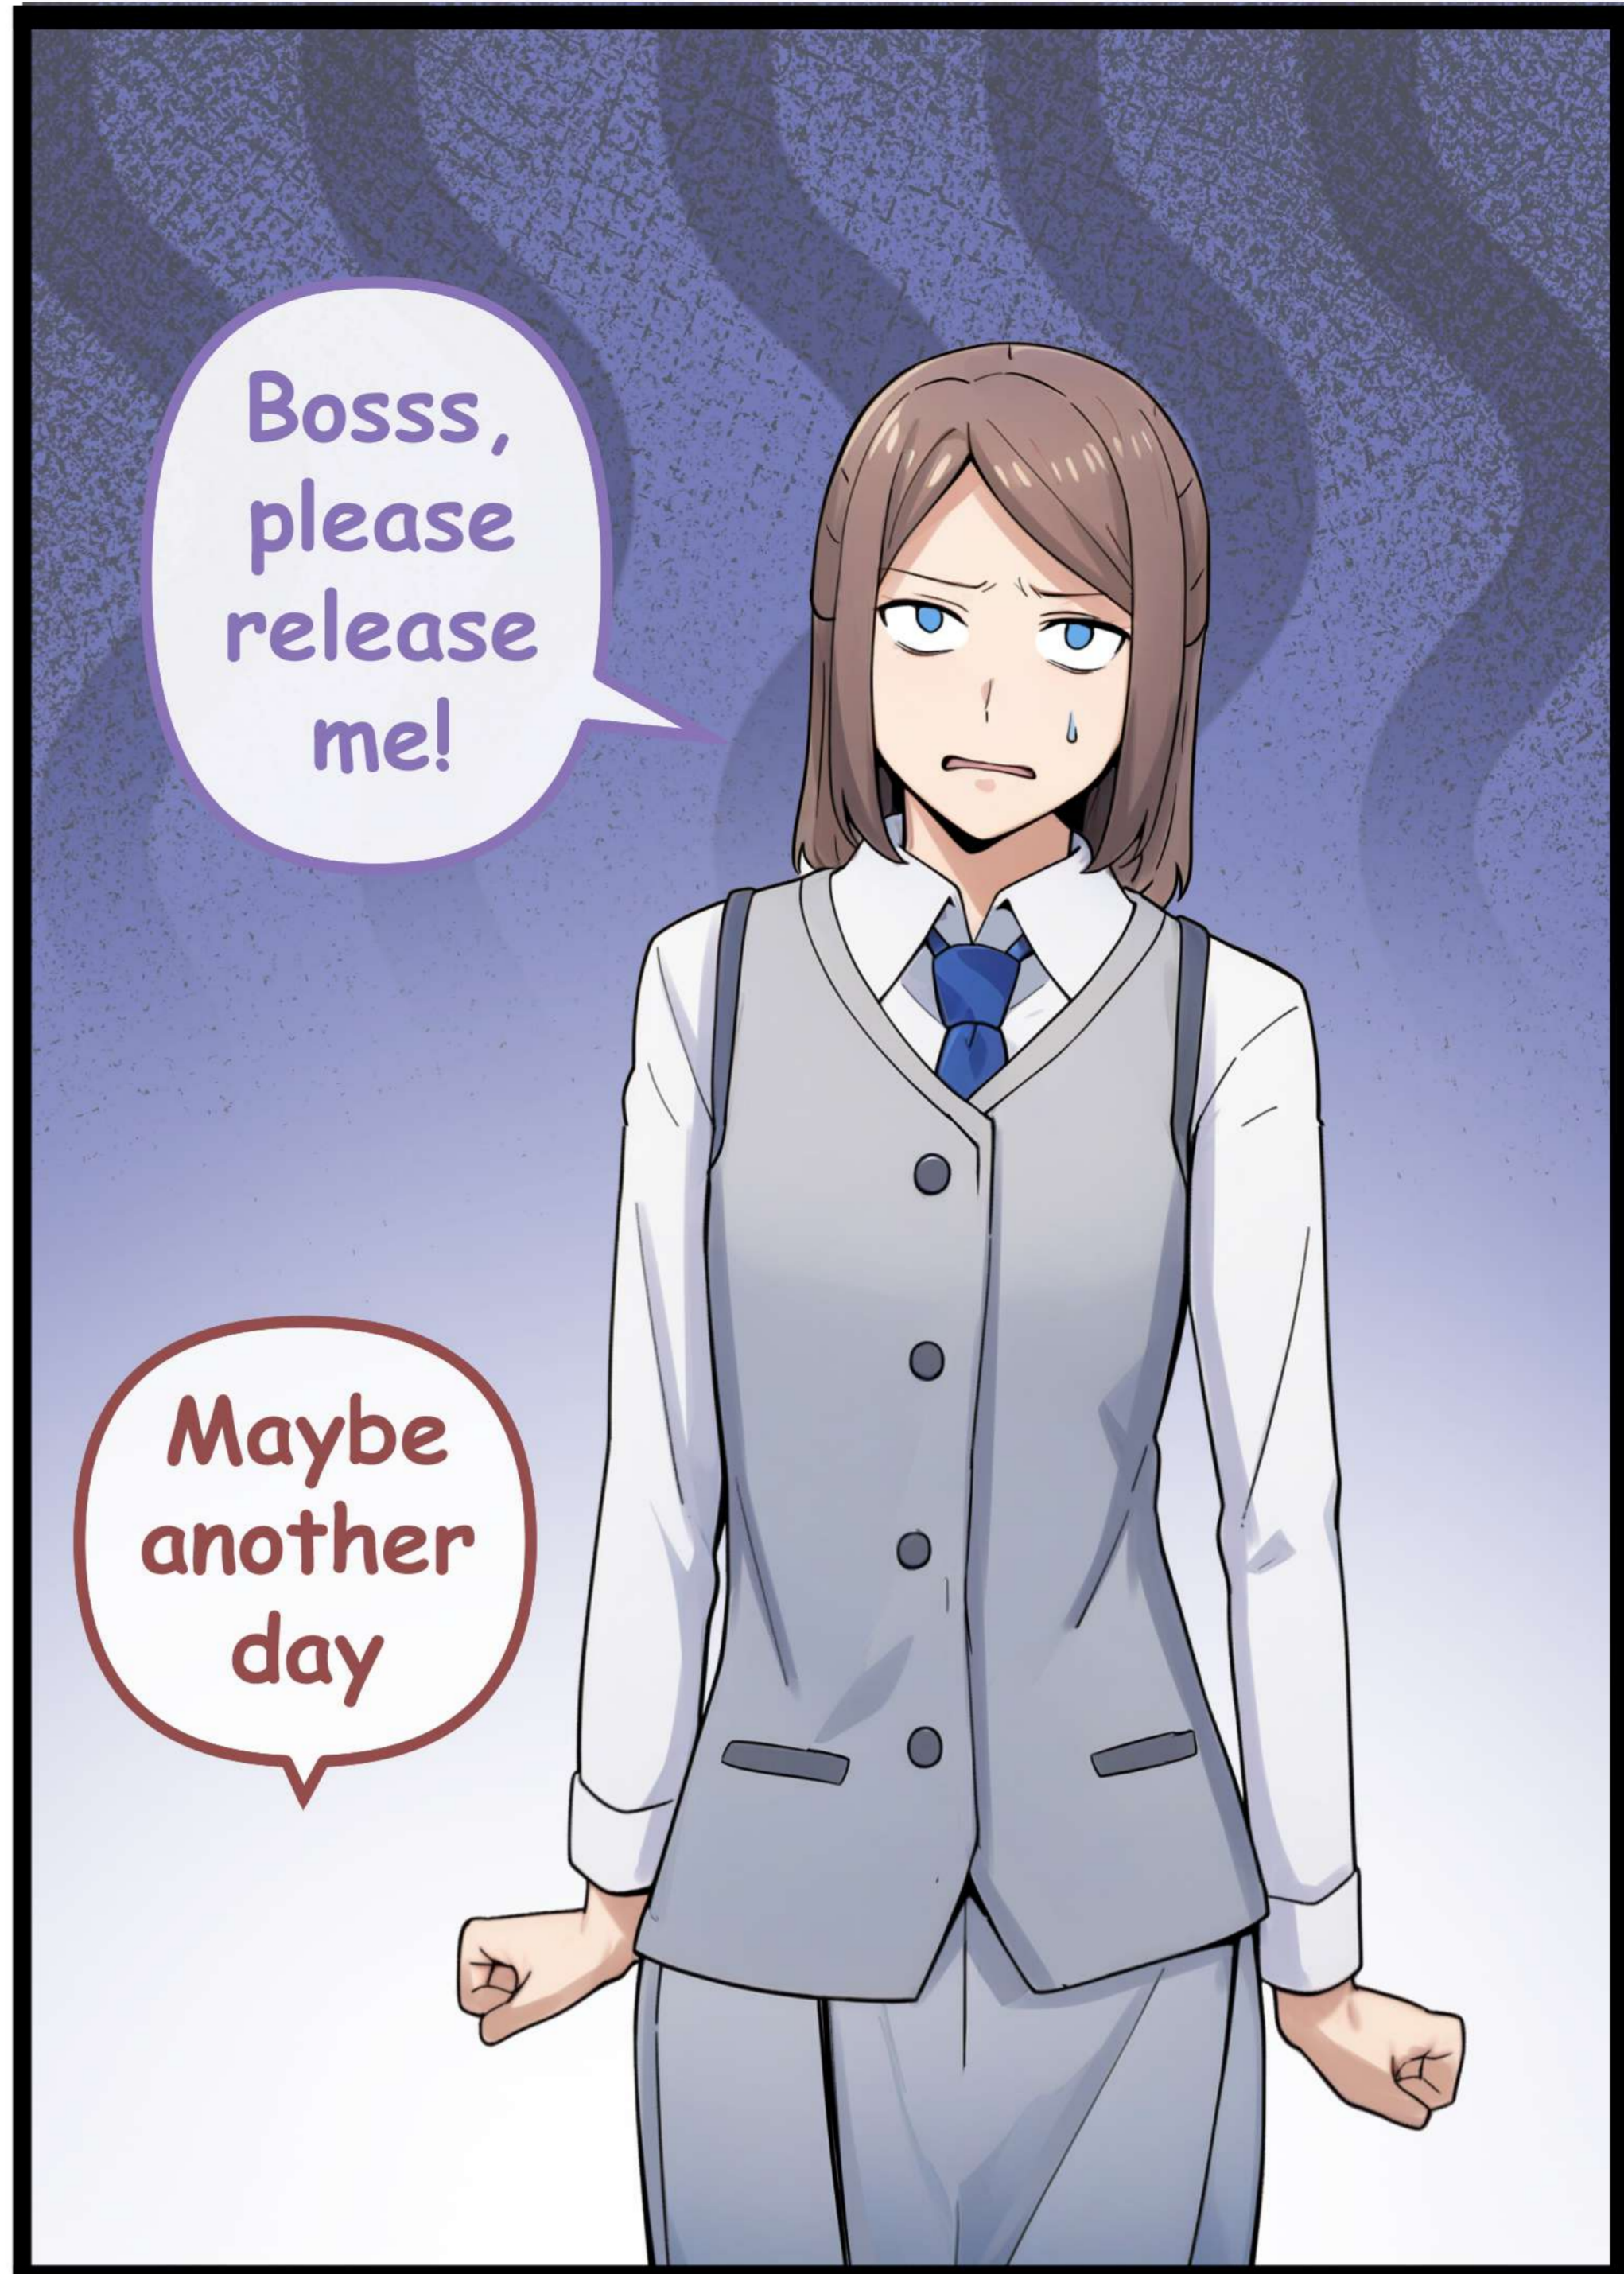

Boss...

Are you planning to make me wear this cage for much longer?

It's been a few weeks since...

Girls don't need dicks to feel good!

Bosss, please release me!

Maybe another day

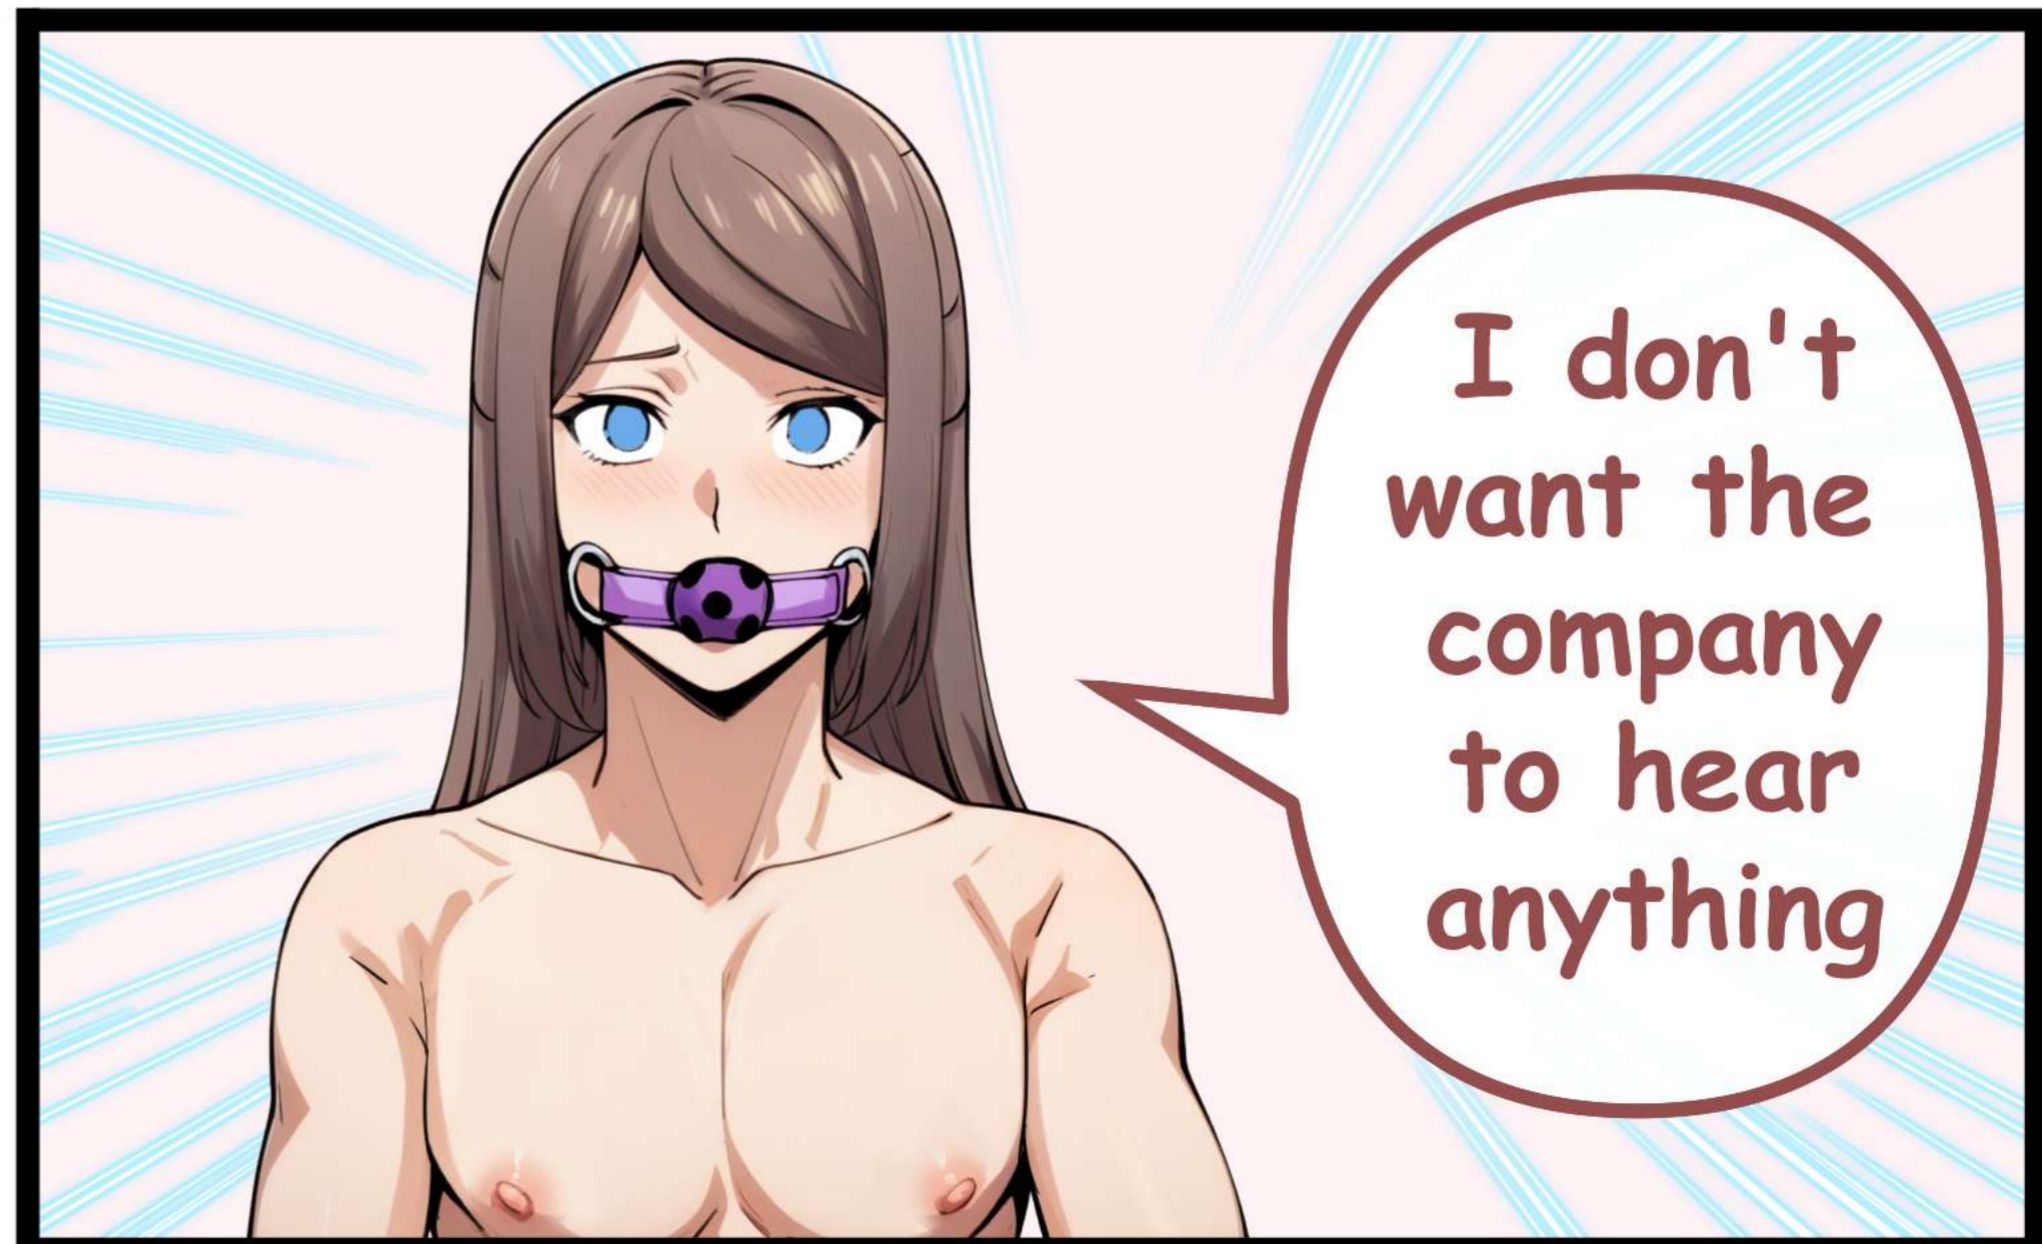

Because today

We're moving on to the next stage of your training!

Get undressed, you have a ton of work to do

Let's shut you up as a precaution

I don't want the company to hear anything

So, how do you feel about being gagged?

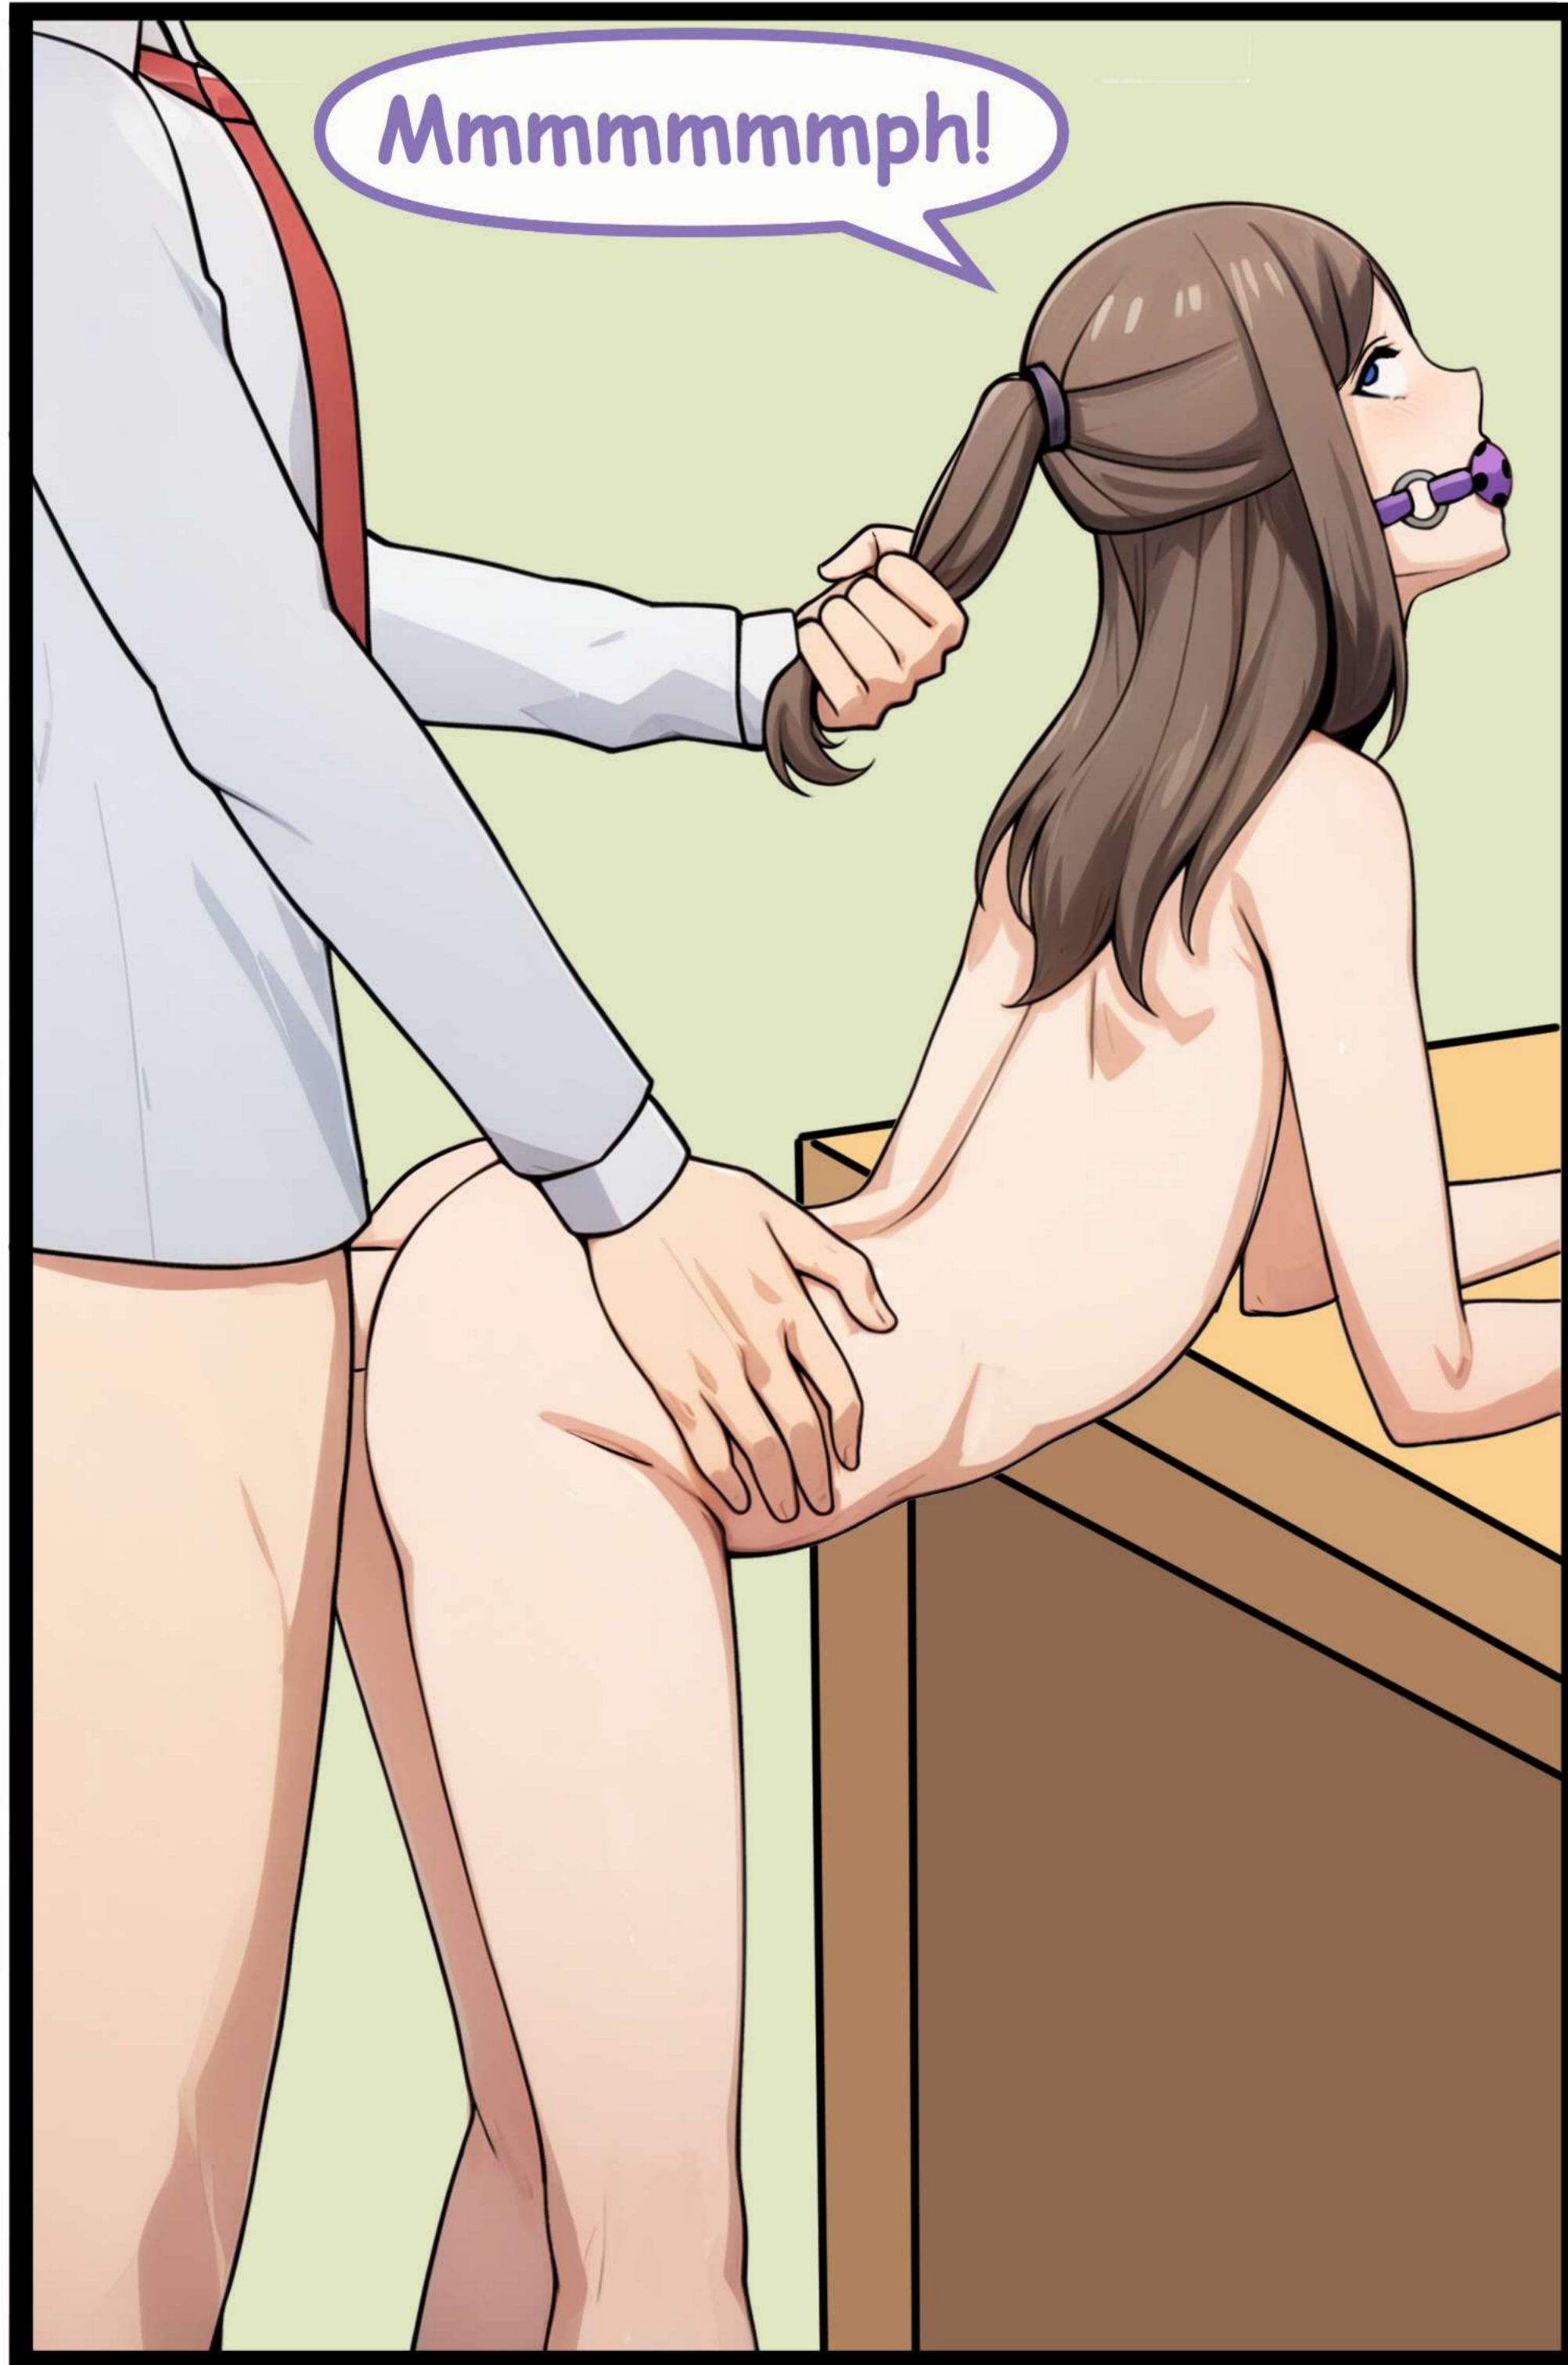

Mmph! Mmmph!

I can't talk, boss your idiot!

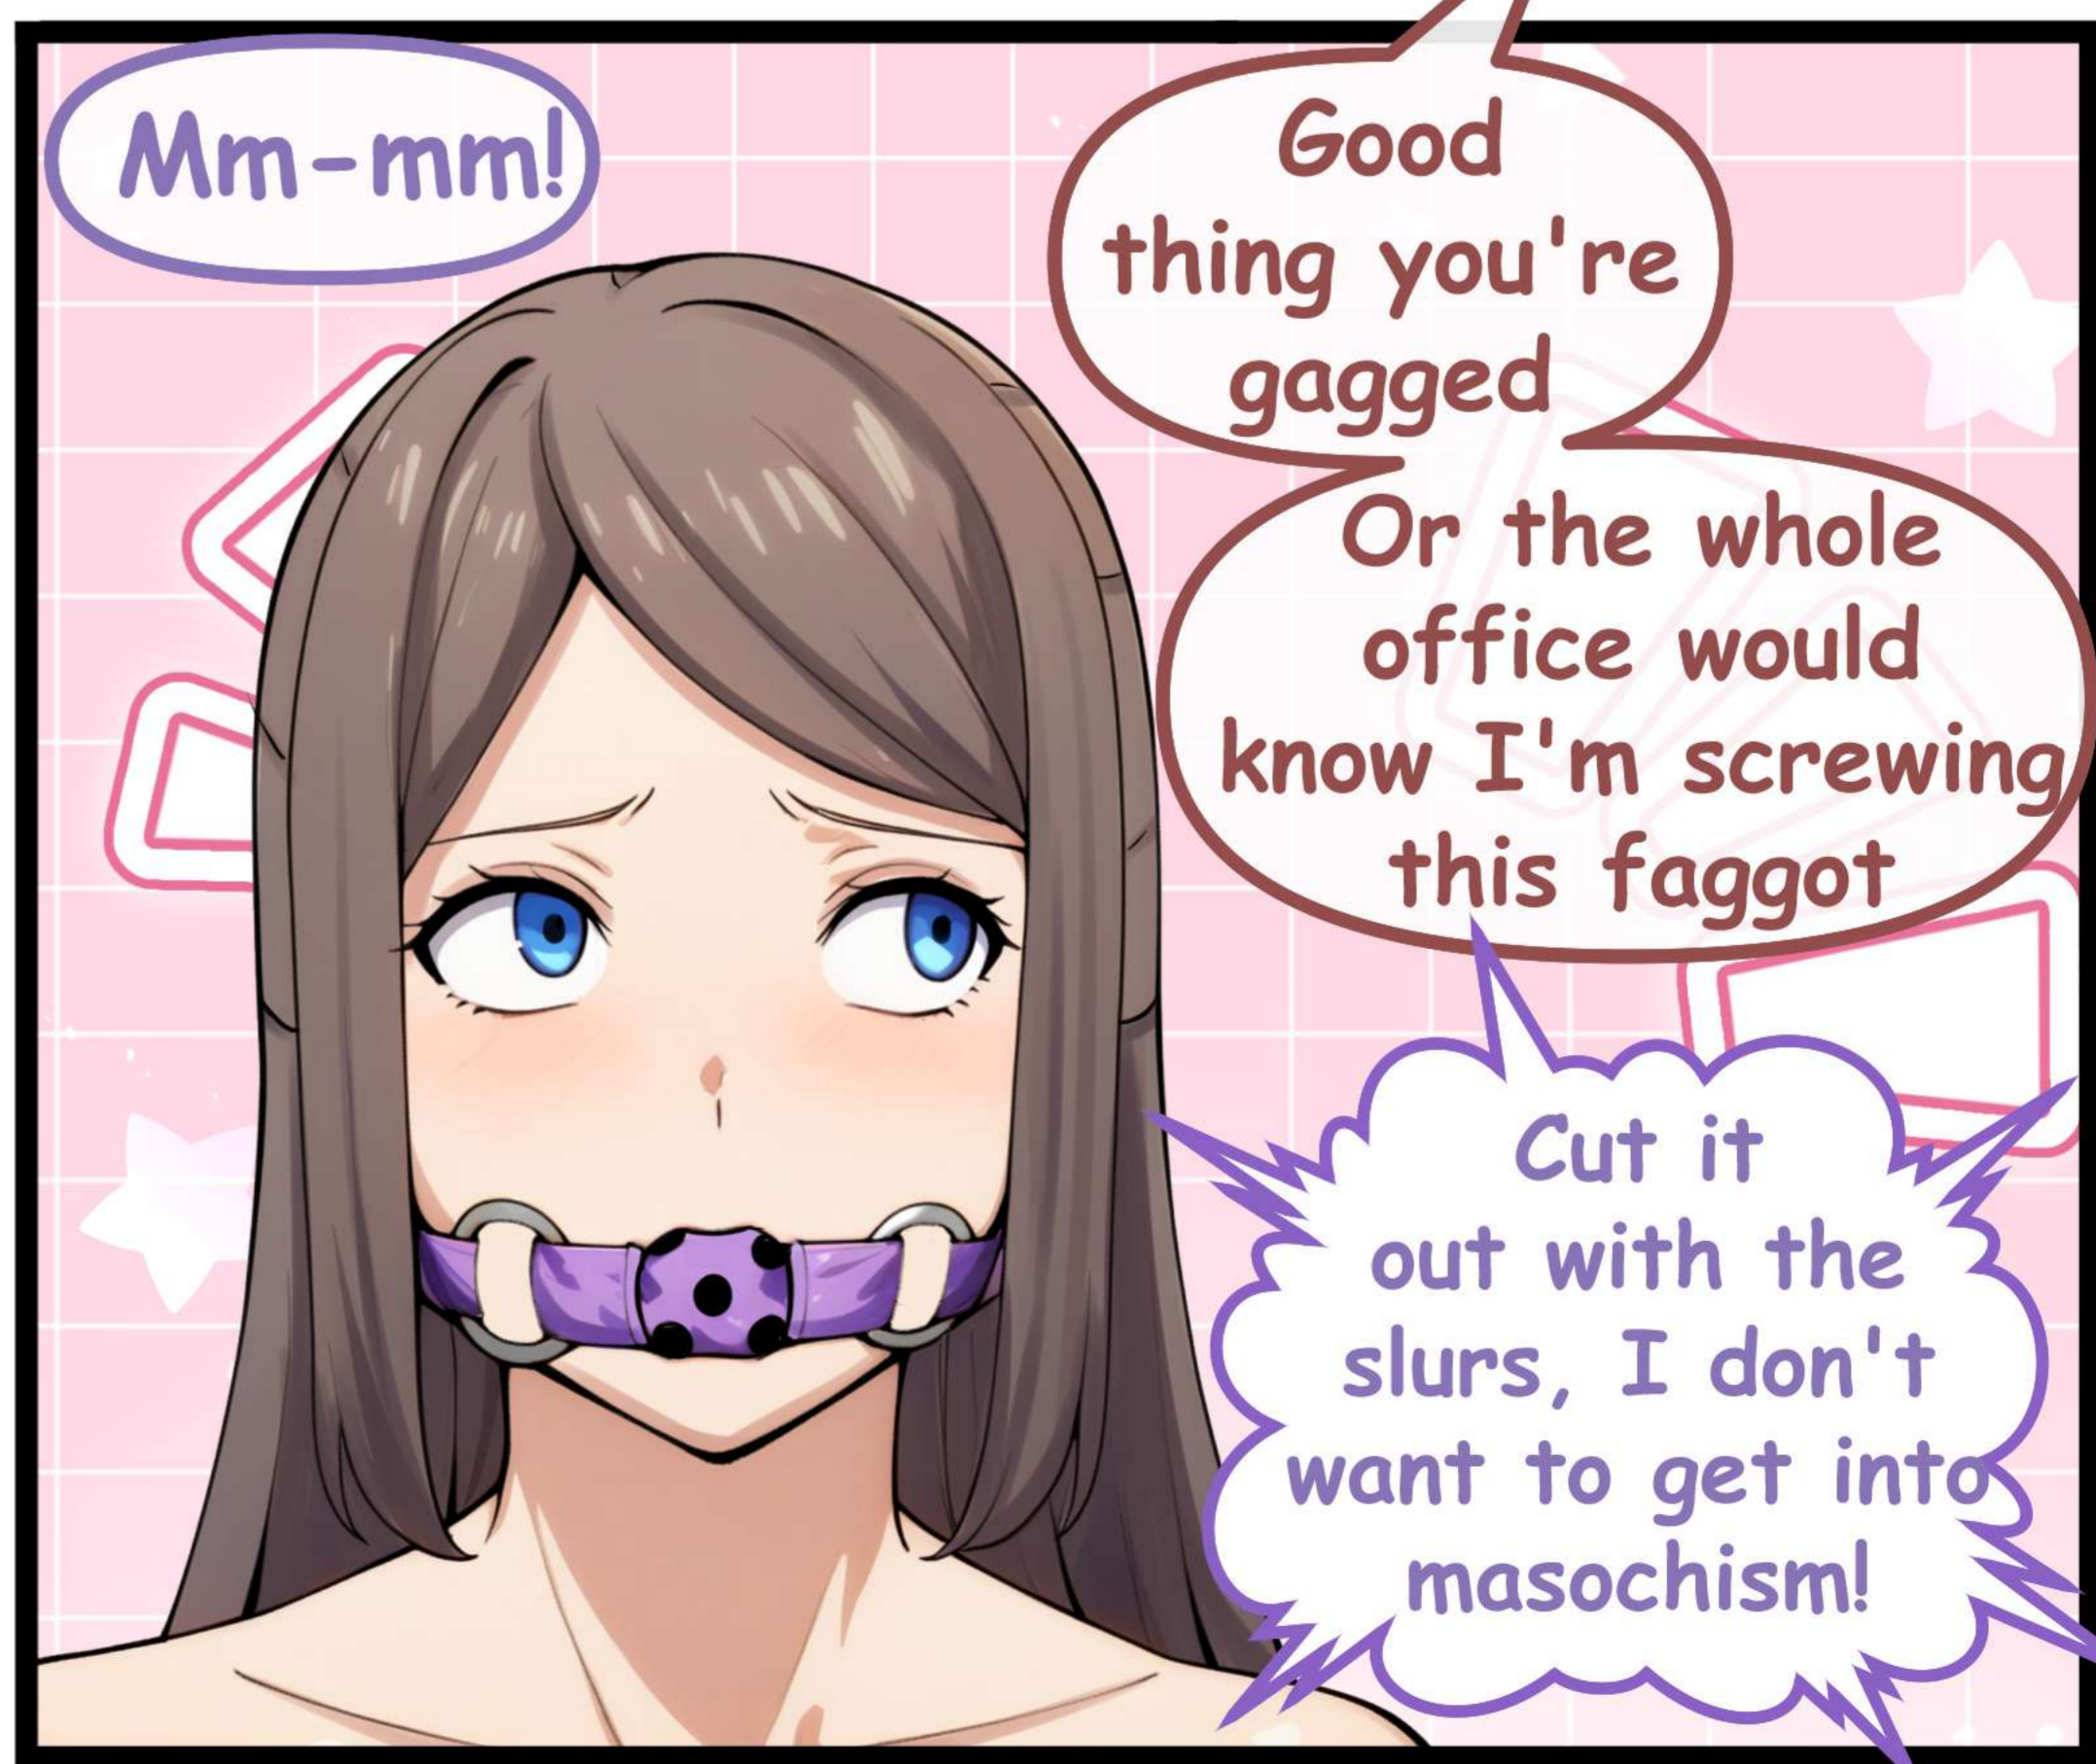

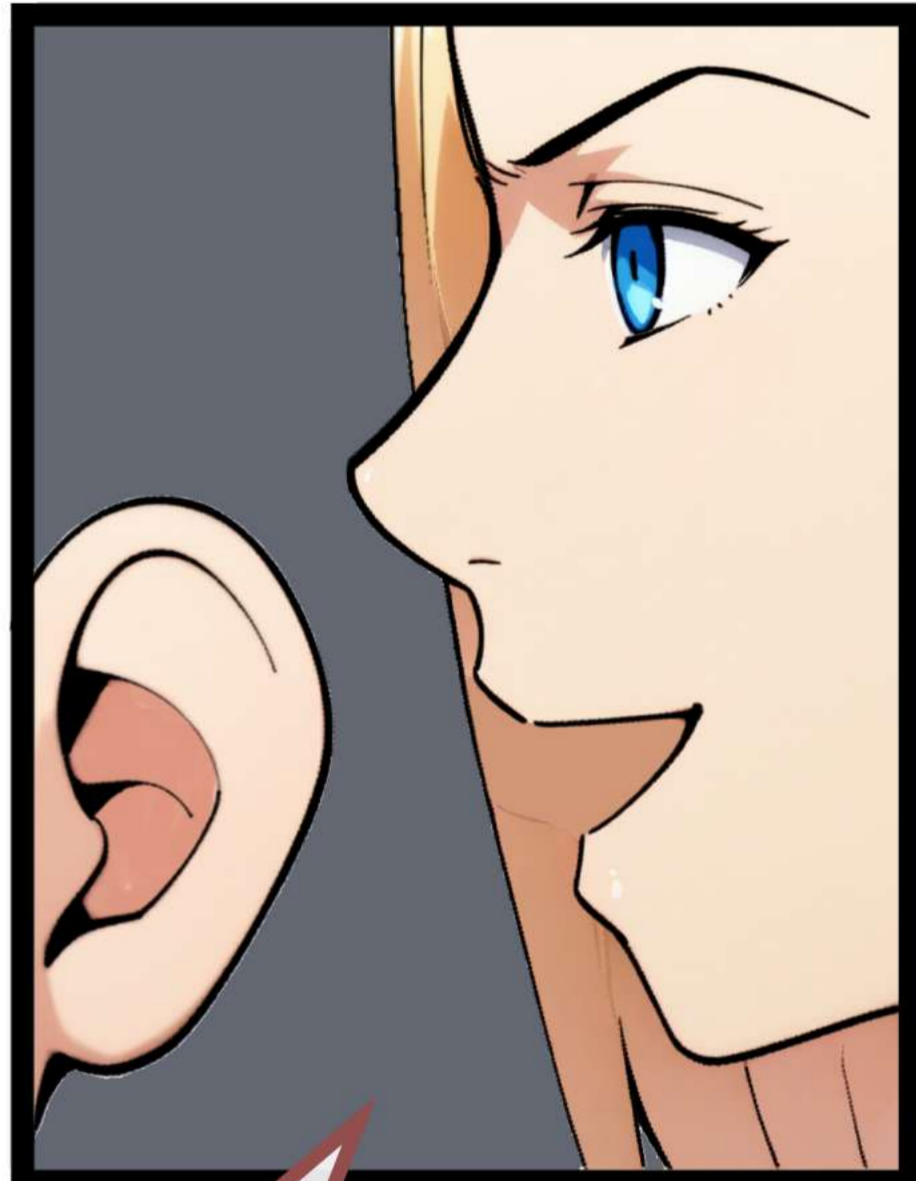

hmmm hmmm

Boss, be gentle!

Mmmmmmmph!

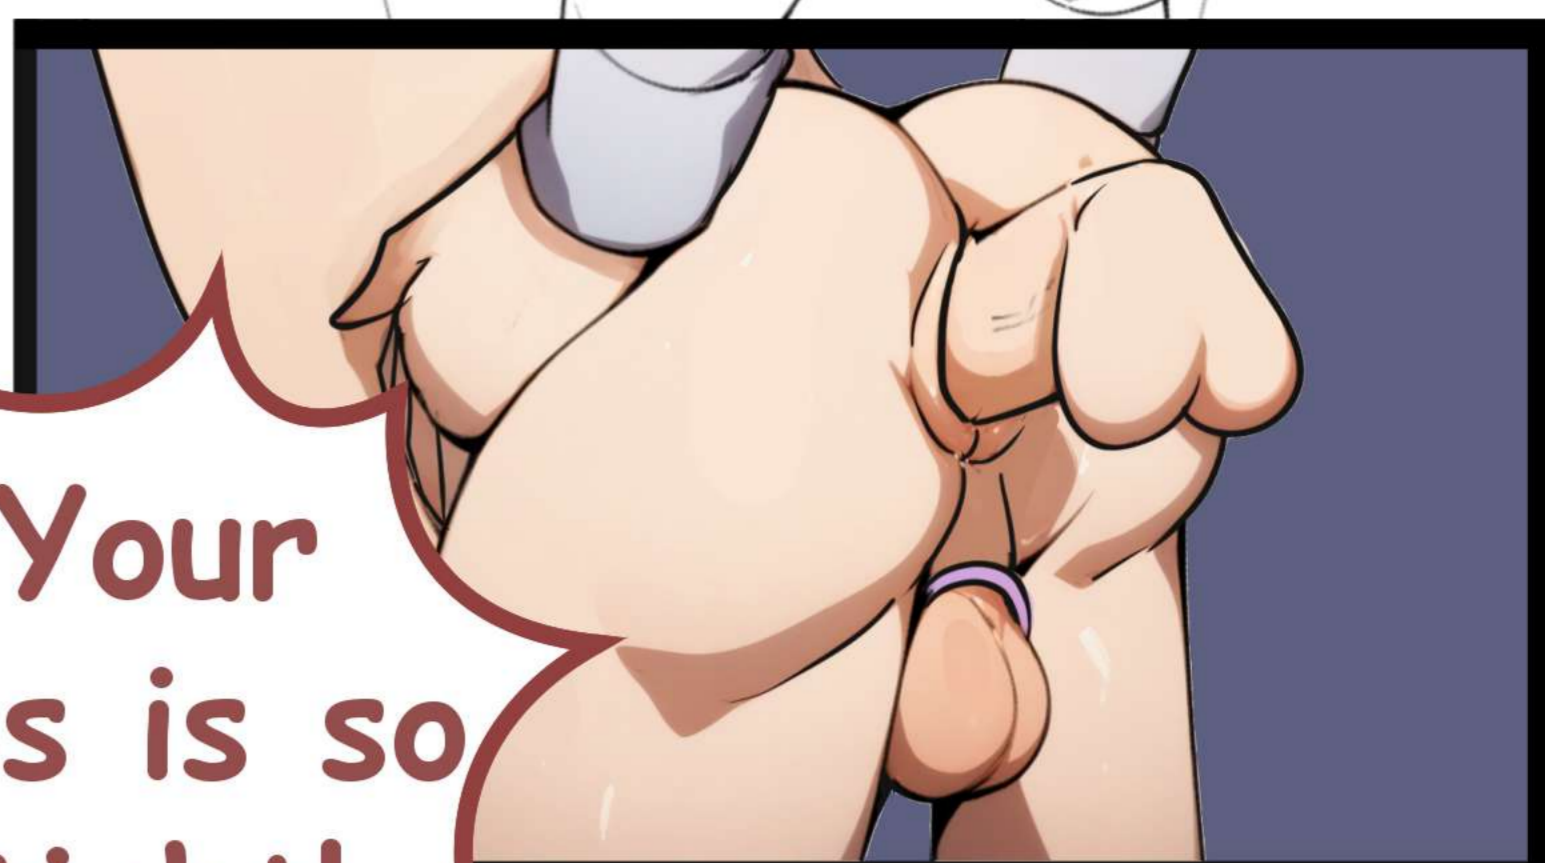

Mm-mm!

Good thing you're gagged

Or the whole office would know I'm screwing this faggot

Cut it out with the slurs, I don't want to get into masochism!

Your ass is so tight!

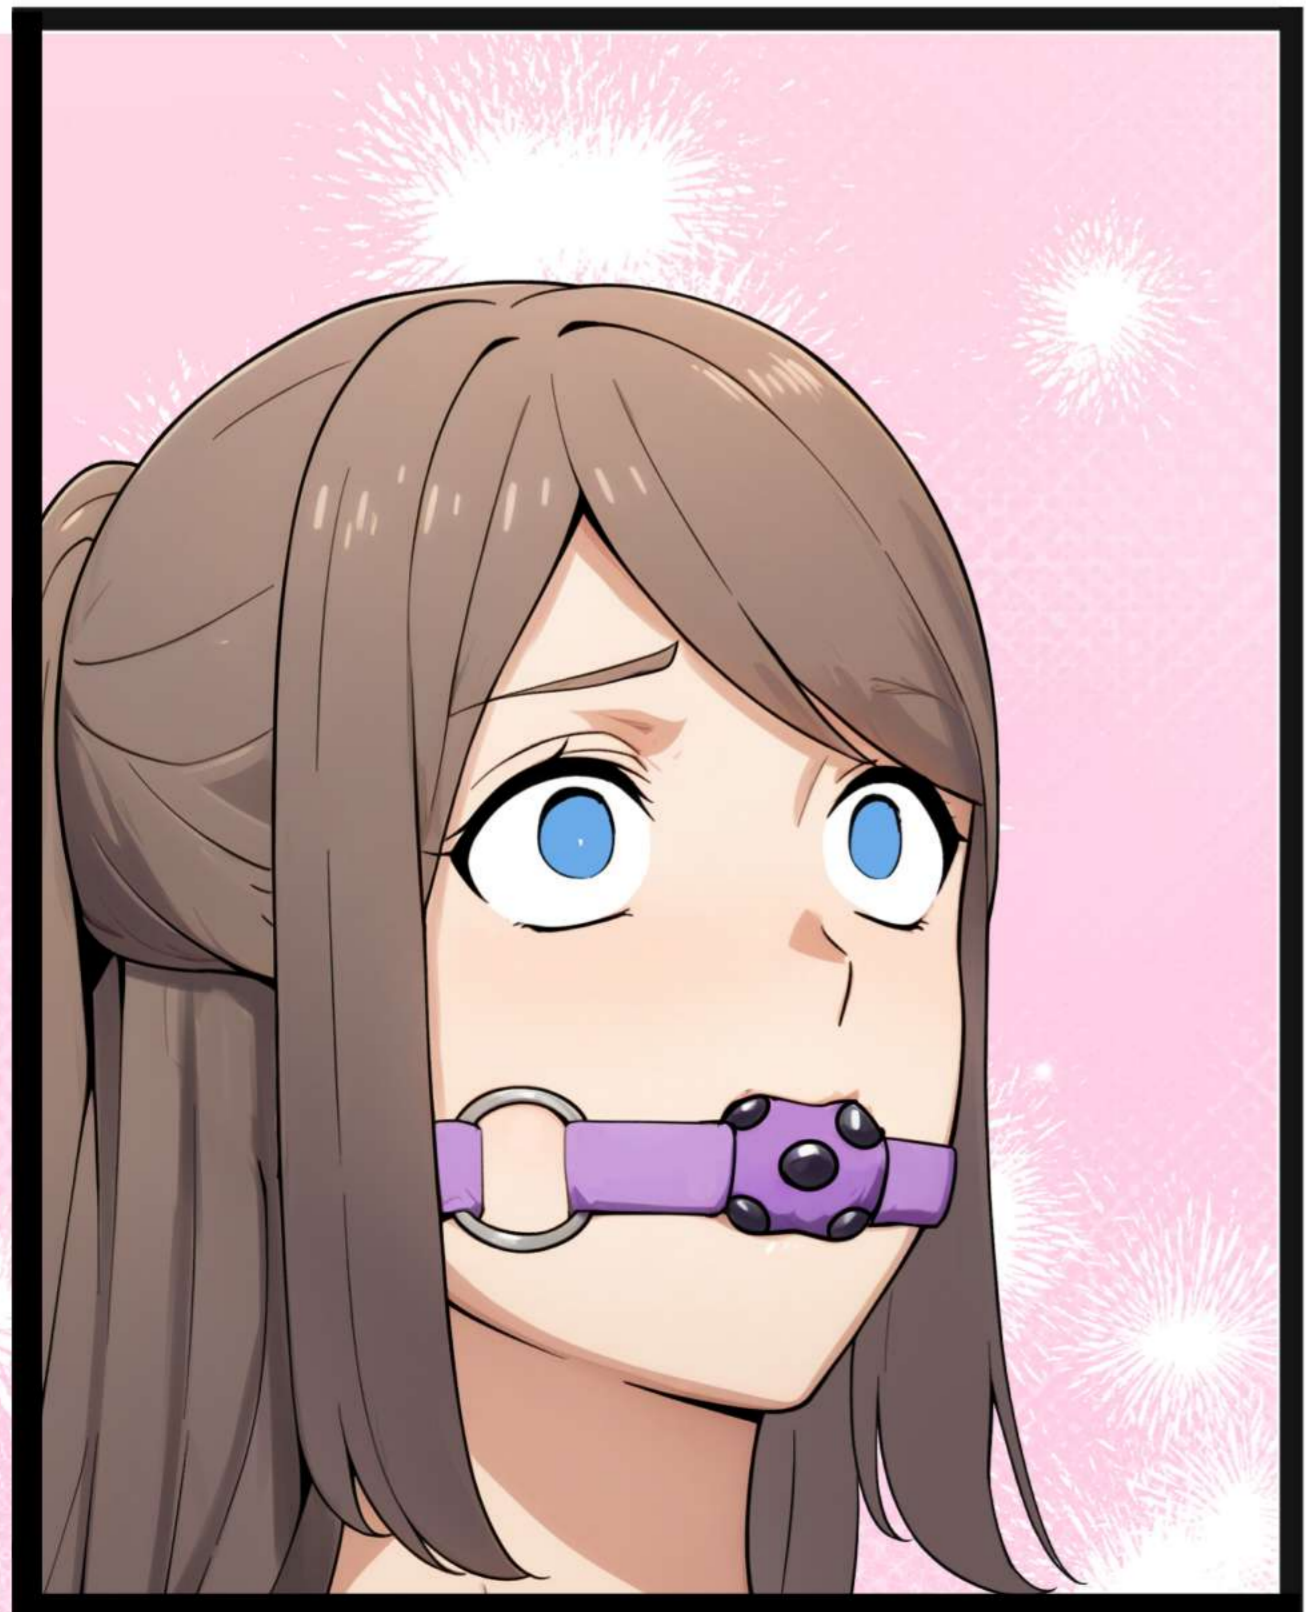

I can't hold on anymore!

Looks like I couldn't make you cum without touching your dick

But nothing a month caged and a lot of training won't fix

I... I thought you'd release me...

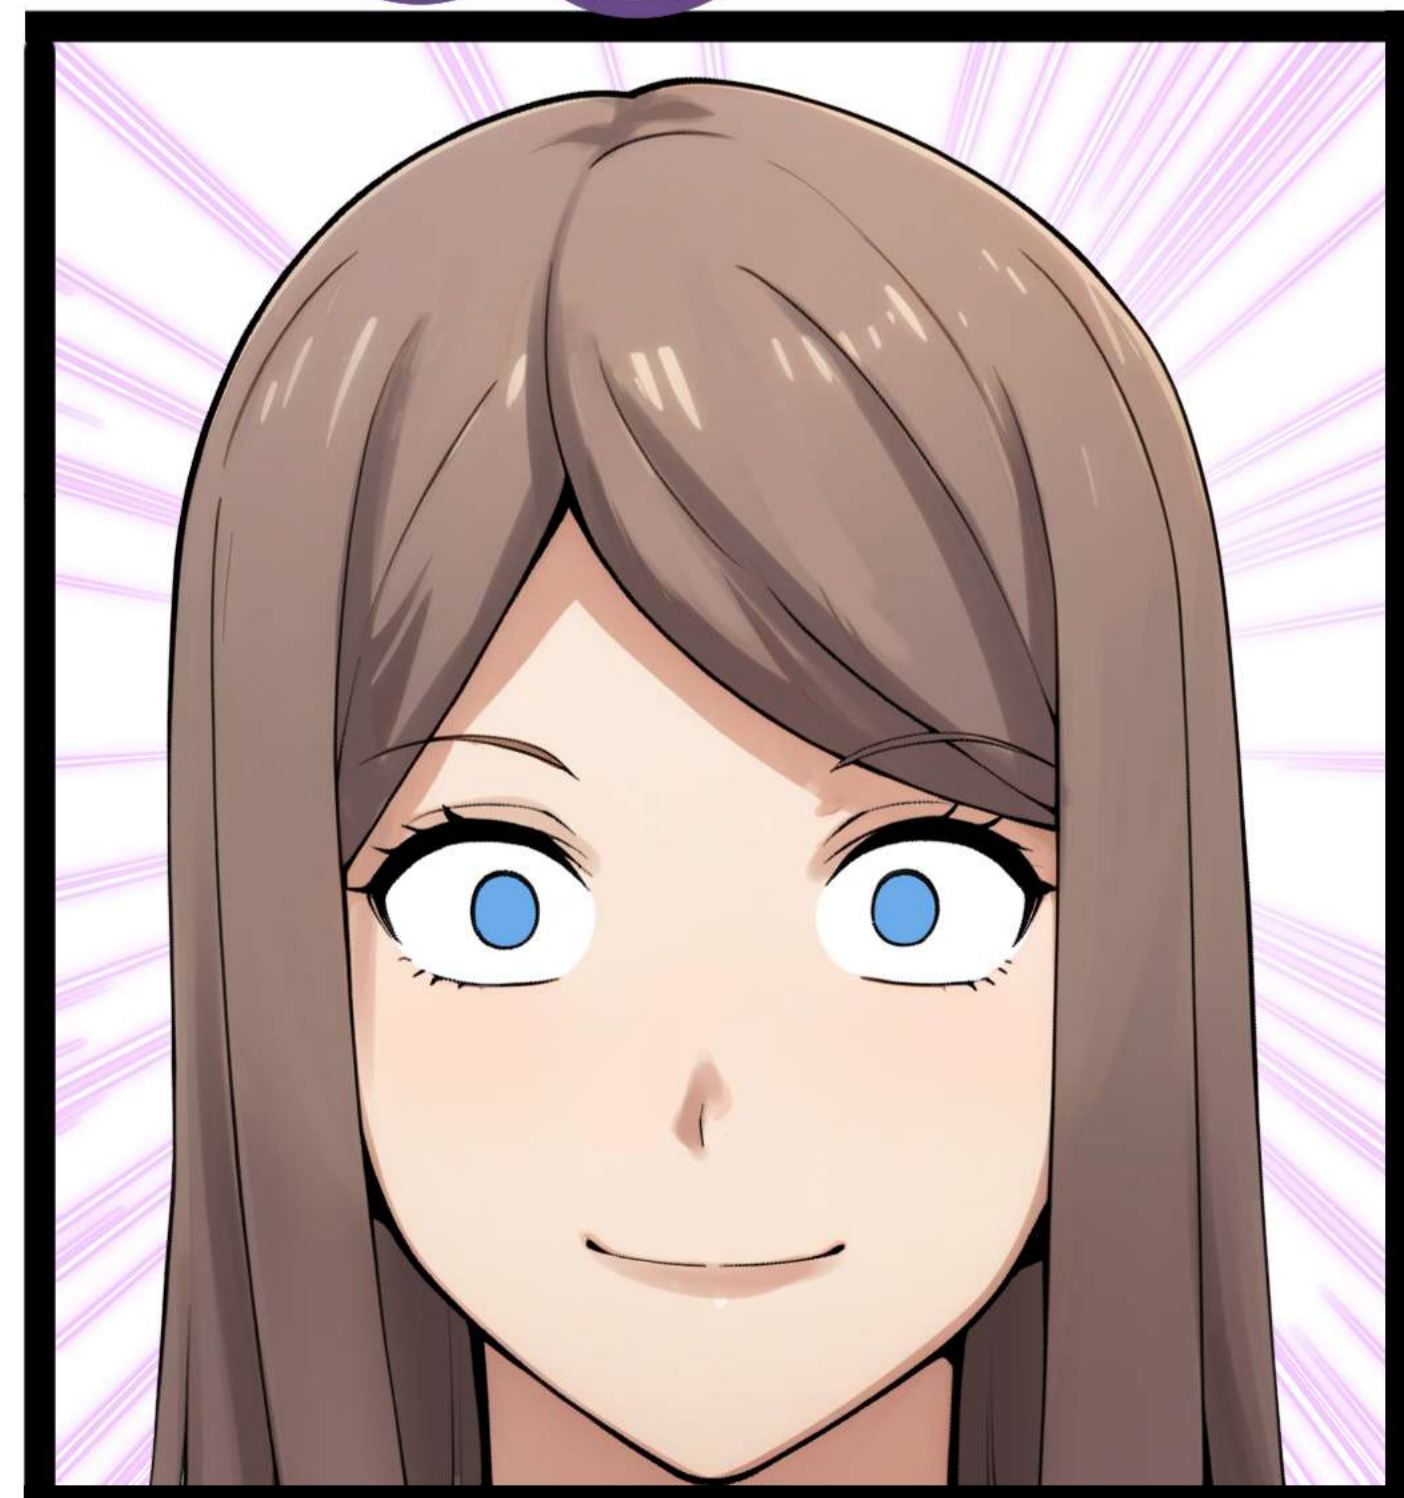

But you put my dick in an even smaller and more uncomfortable cage...

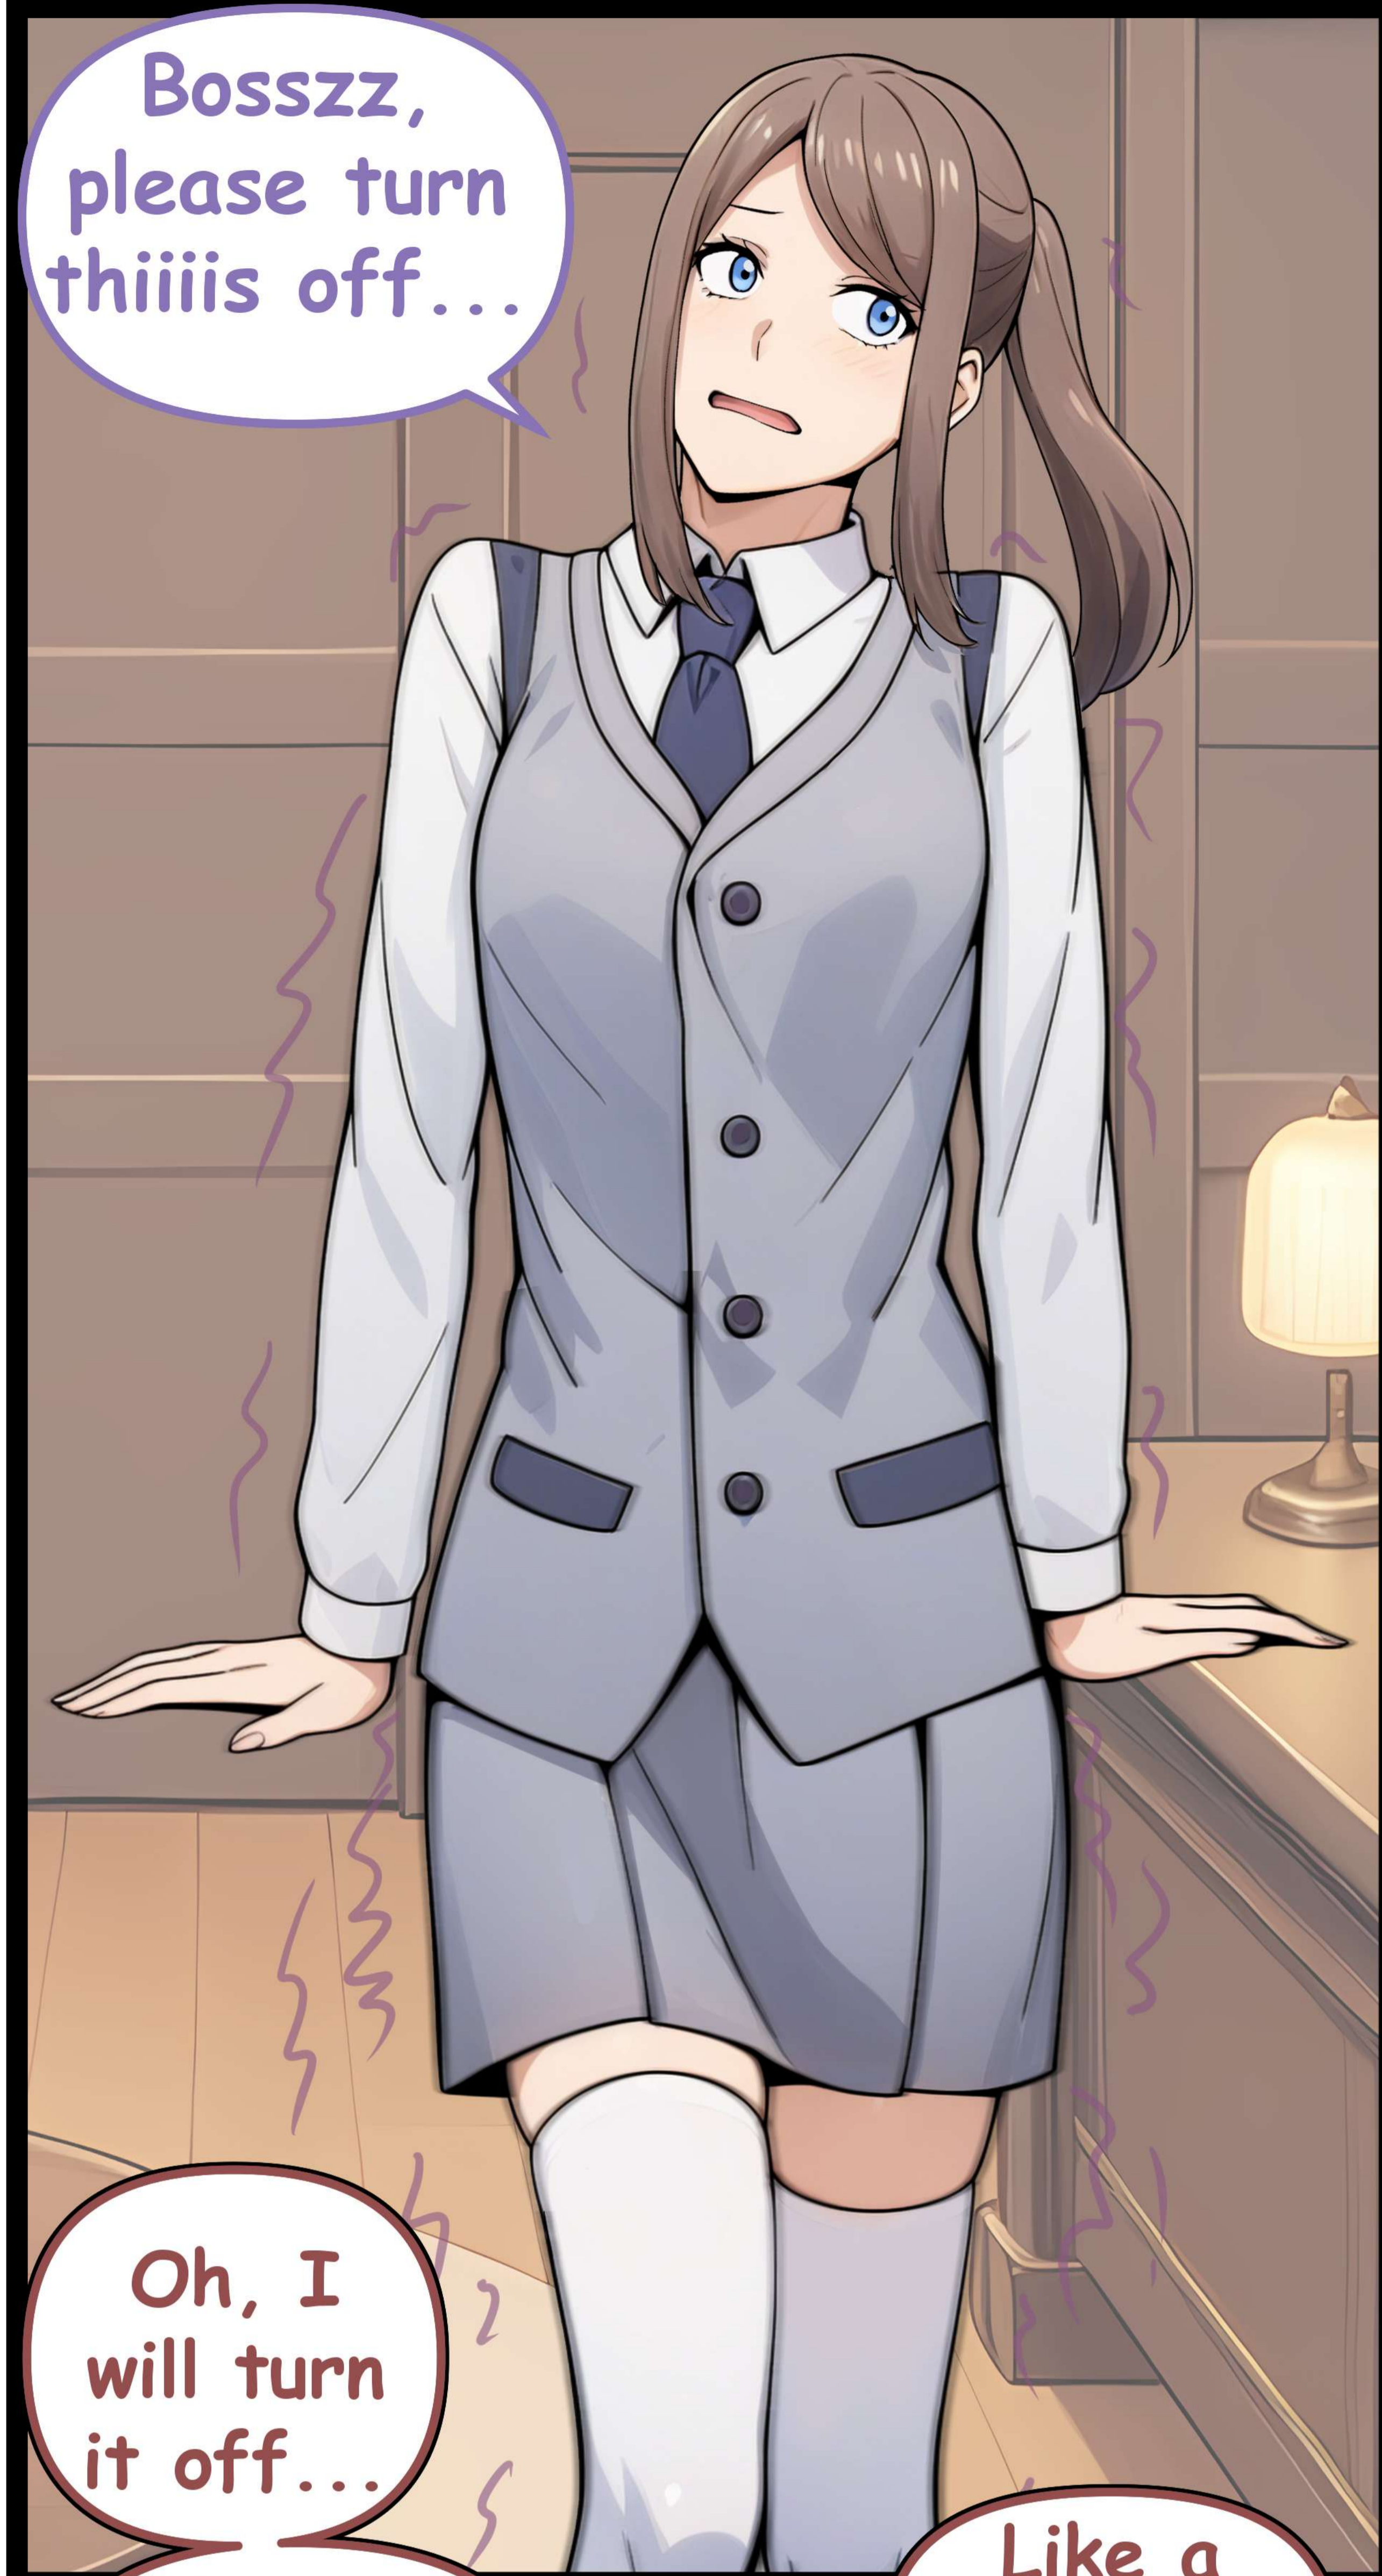

This cage fits so much better a sissy who will never use his dick for pleasure again

Y-you're joking, right, boss?

And you look cuter this way

Do I look cute?

Bosszz, please turn thiiiis off...

Oh, I will turn it off...

But only after you fetch those files from the company's main printer for me

Like a good little assistant

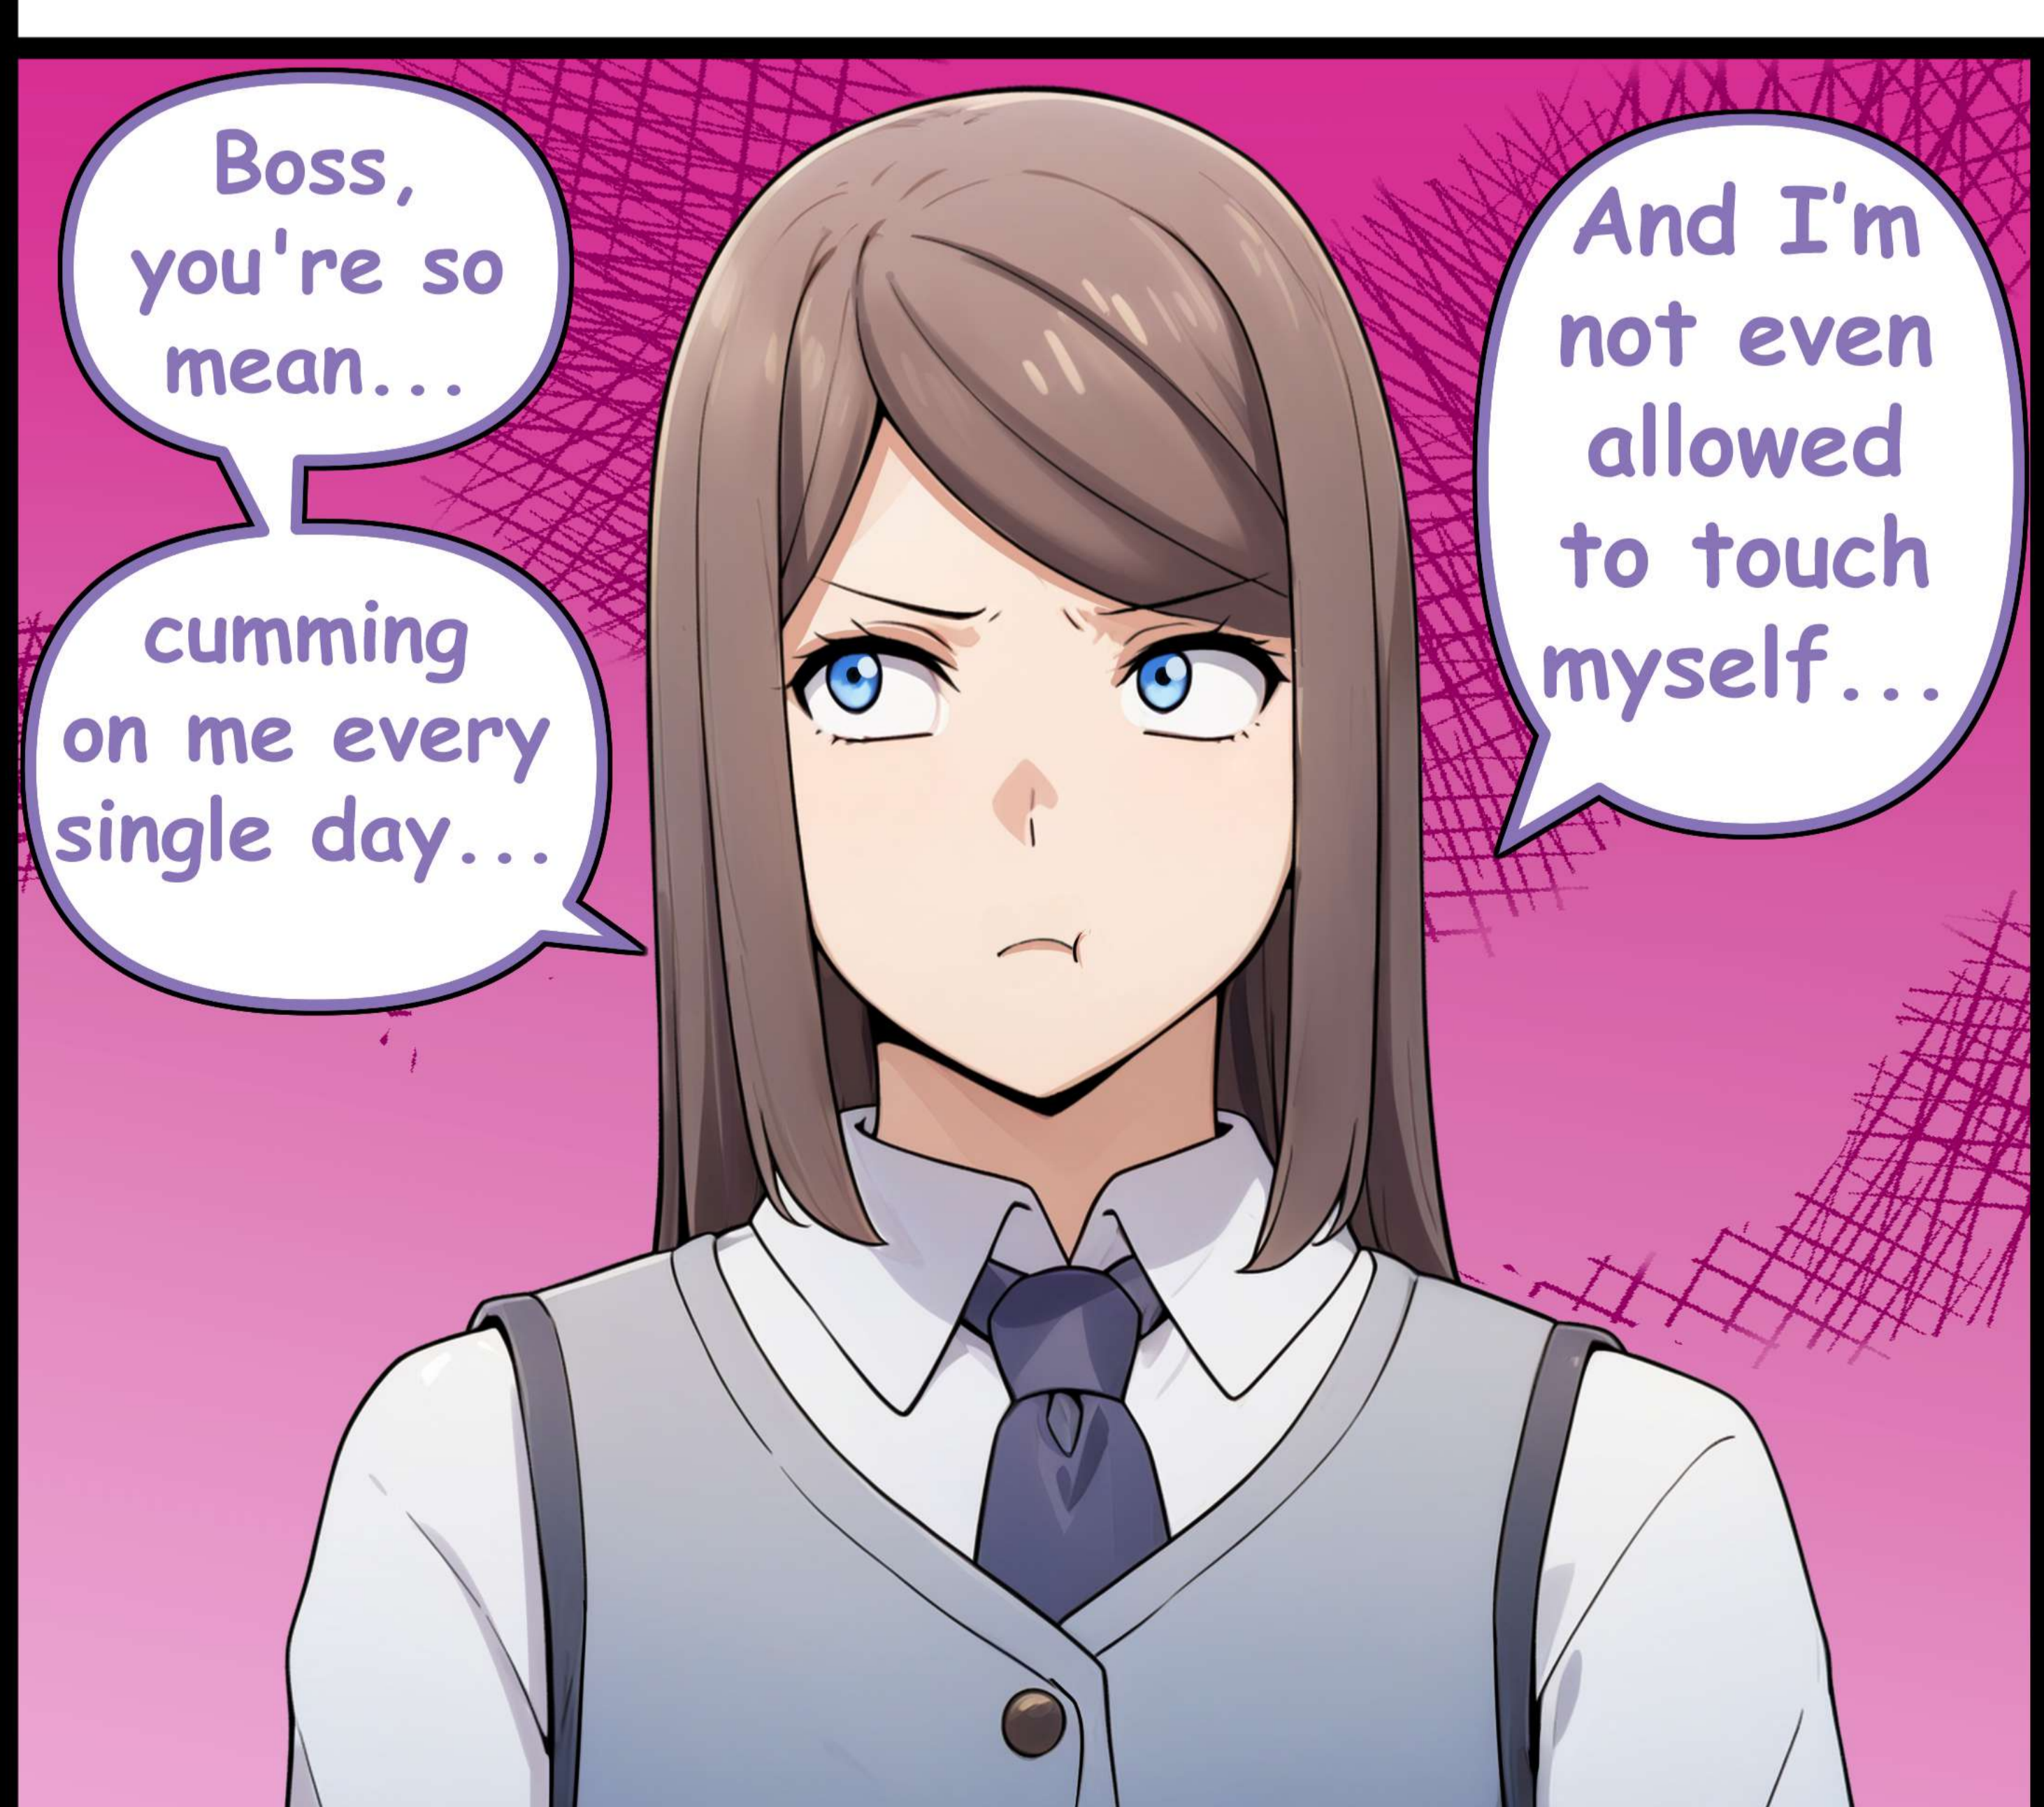

O-Okay... whatever you say, bosszz...

Your ass is really getting used to being my personal toy...

Stretched out perfectly for my cock

~Ahhhhh

Boss, you're so mean...

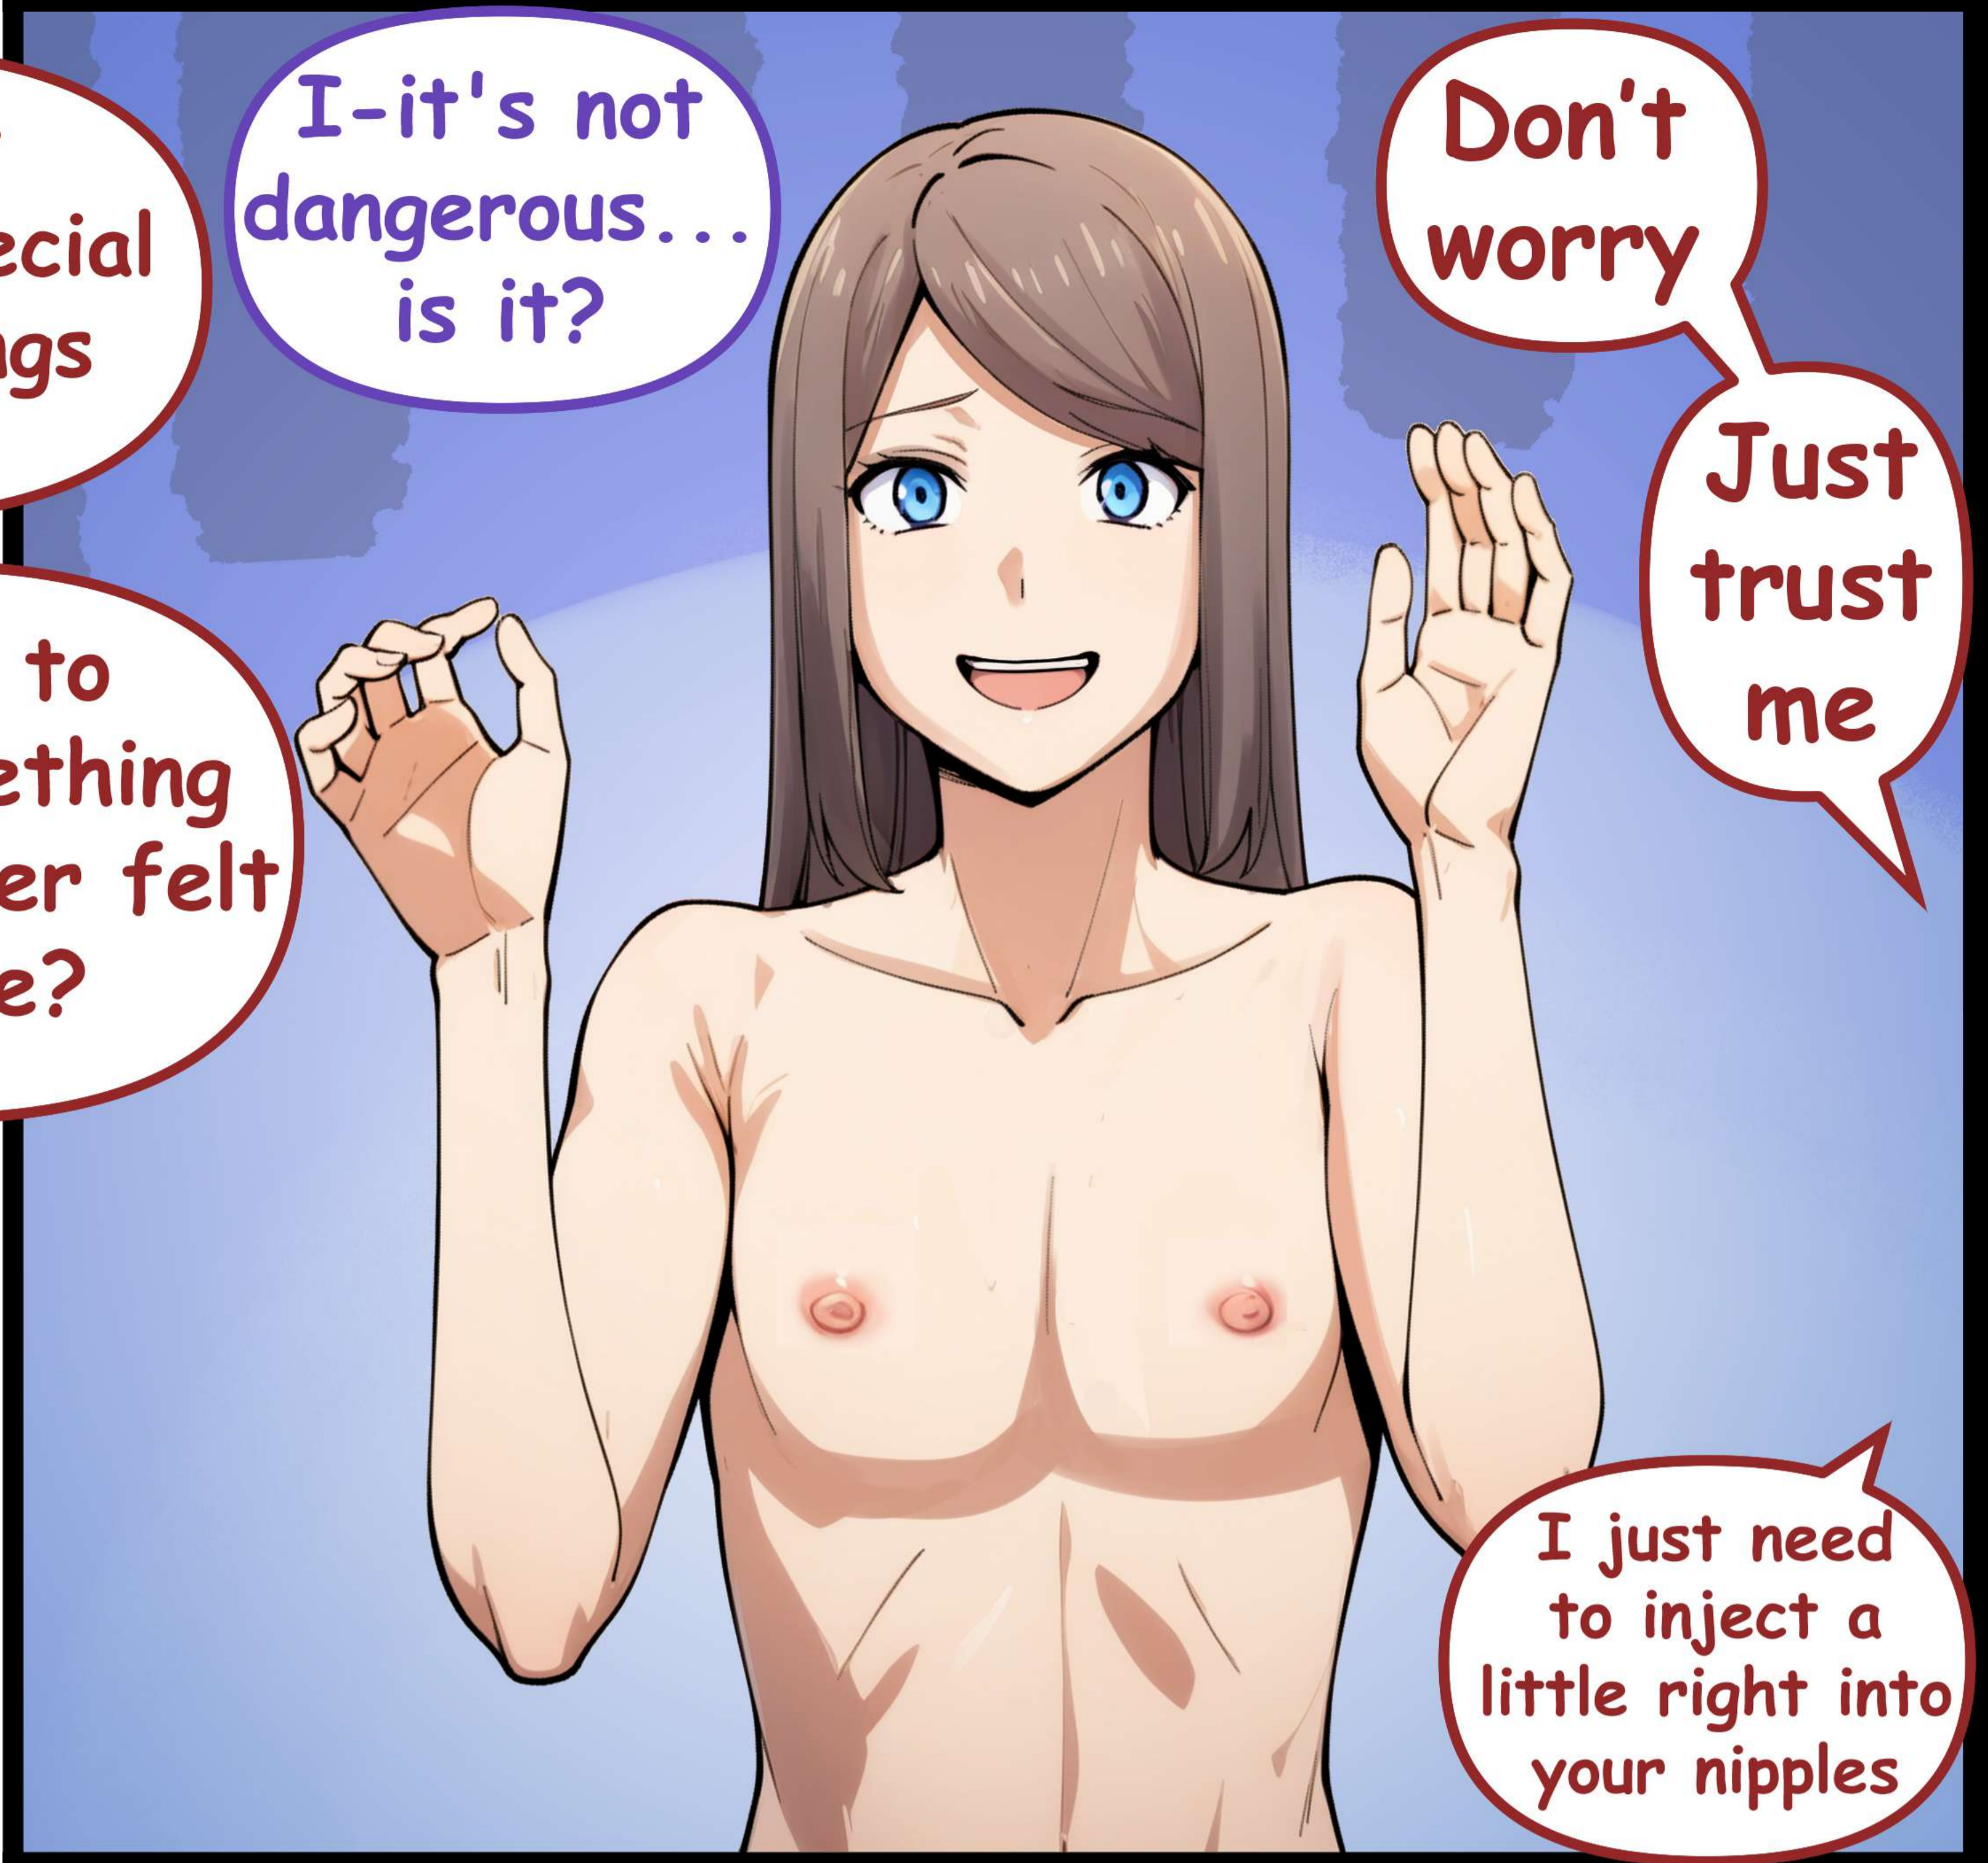

cumming on me every single day...

And I'm not even allowed to touch myself...

I brought something special to heat things up

Ready to feel something you've never felt before?

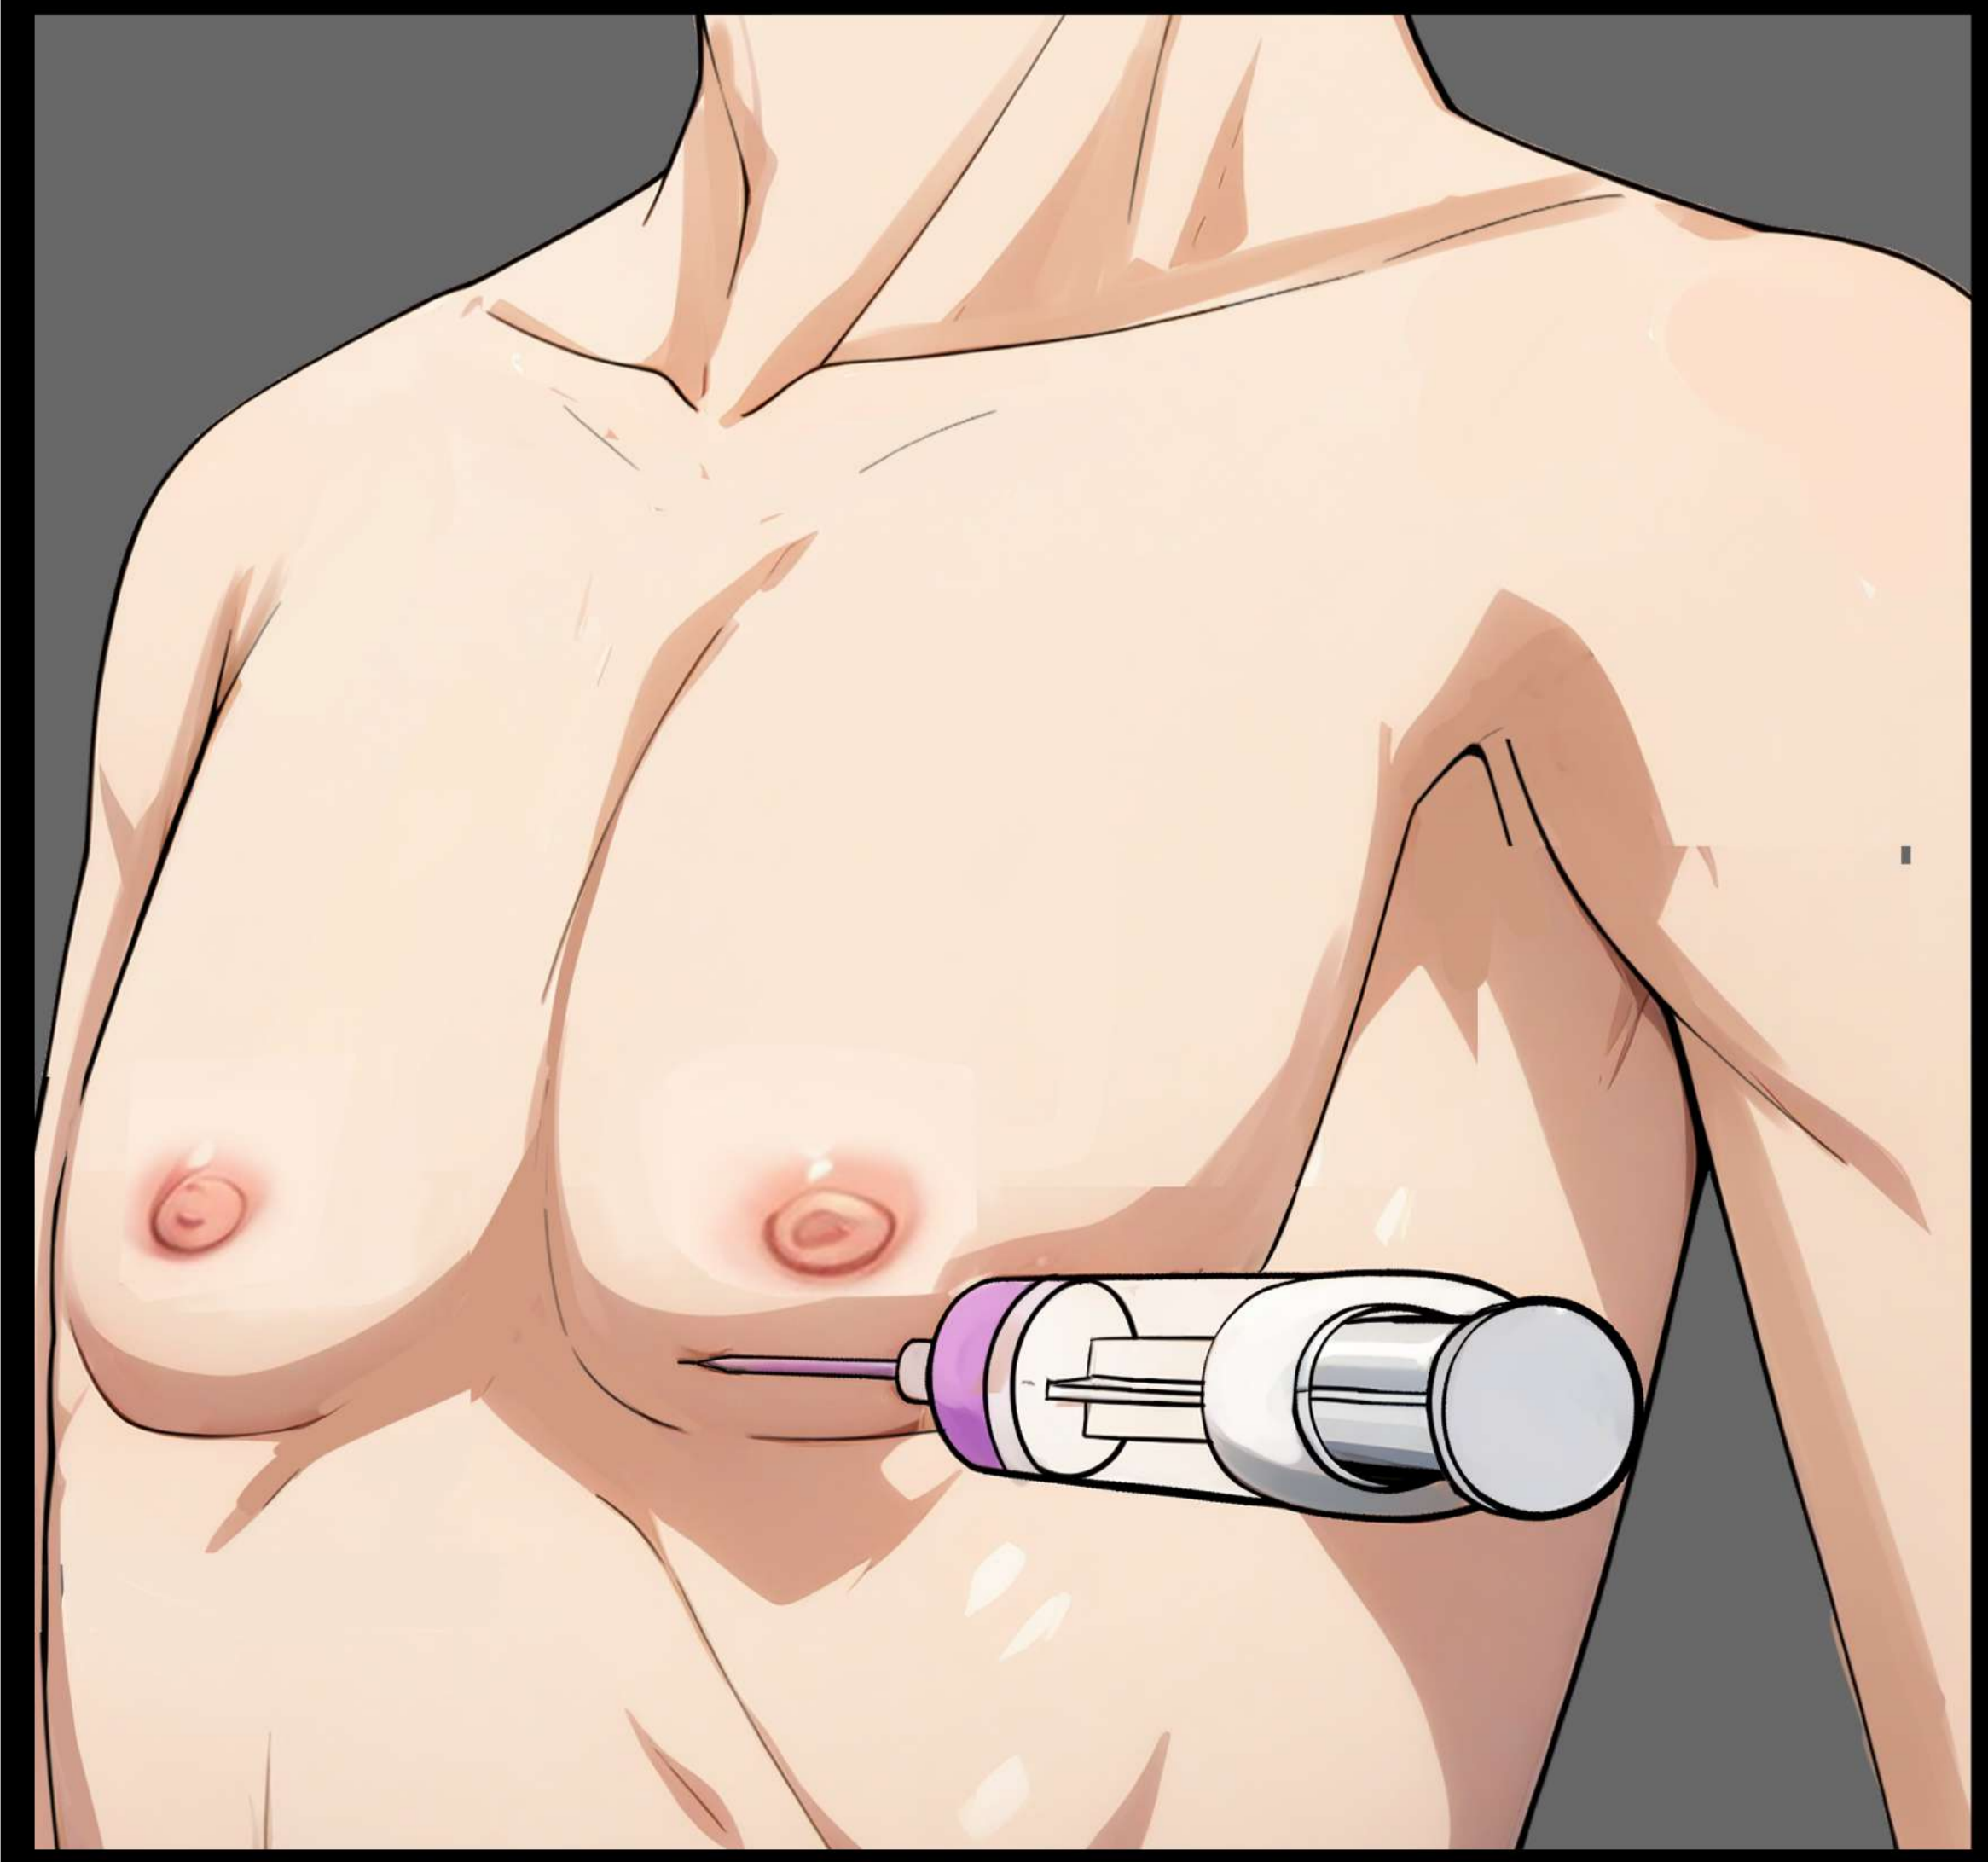

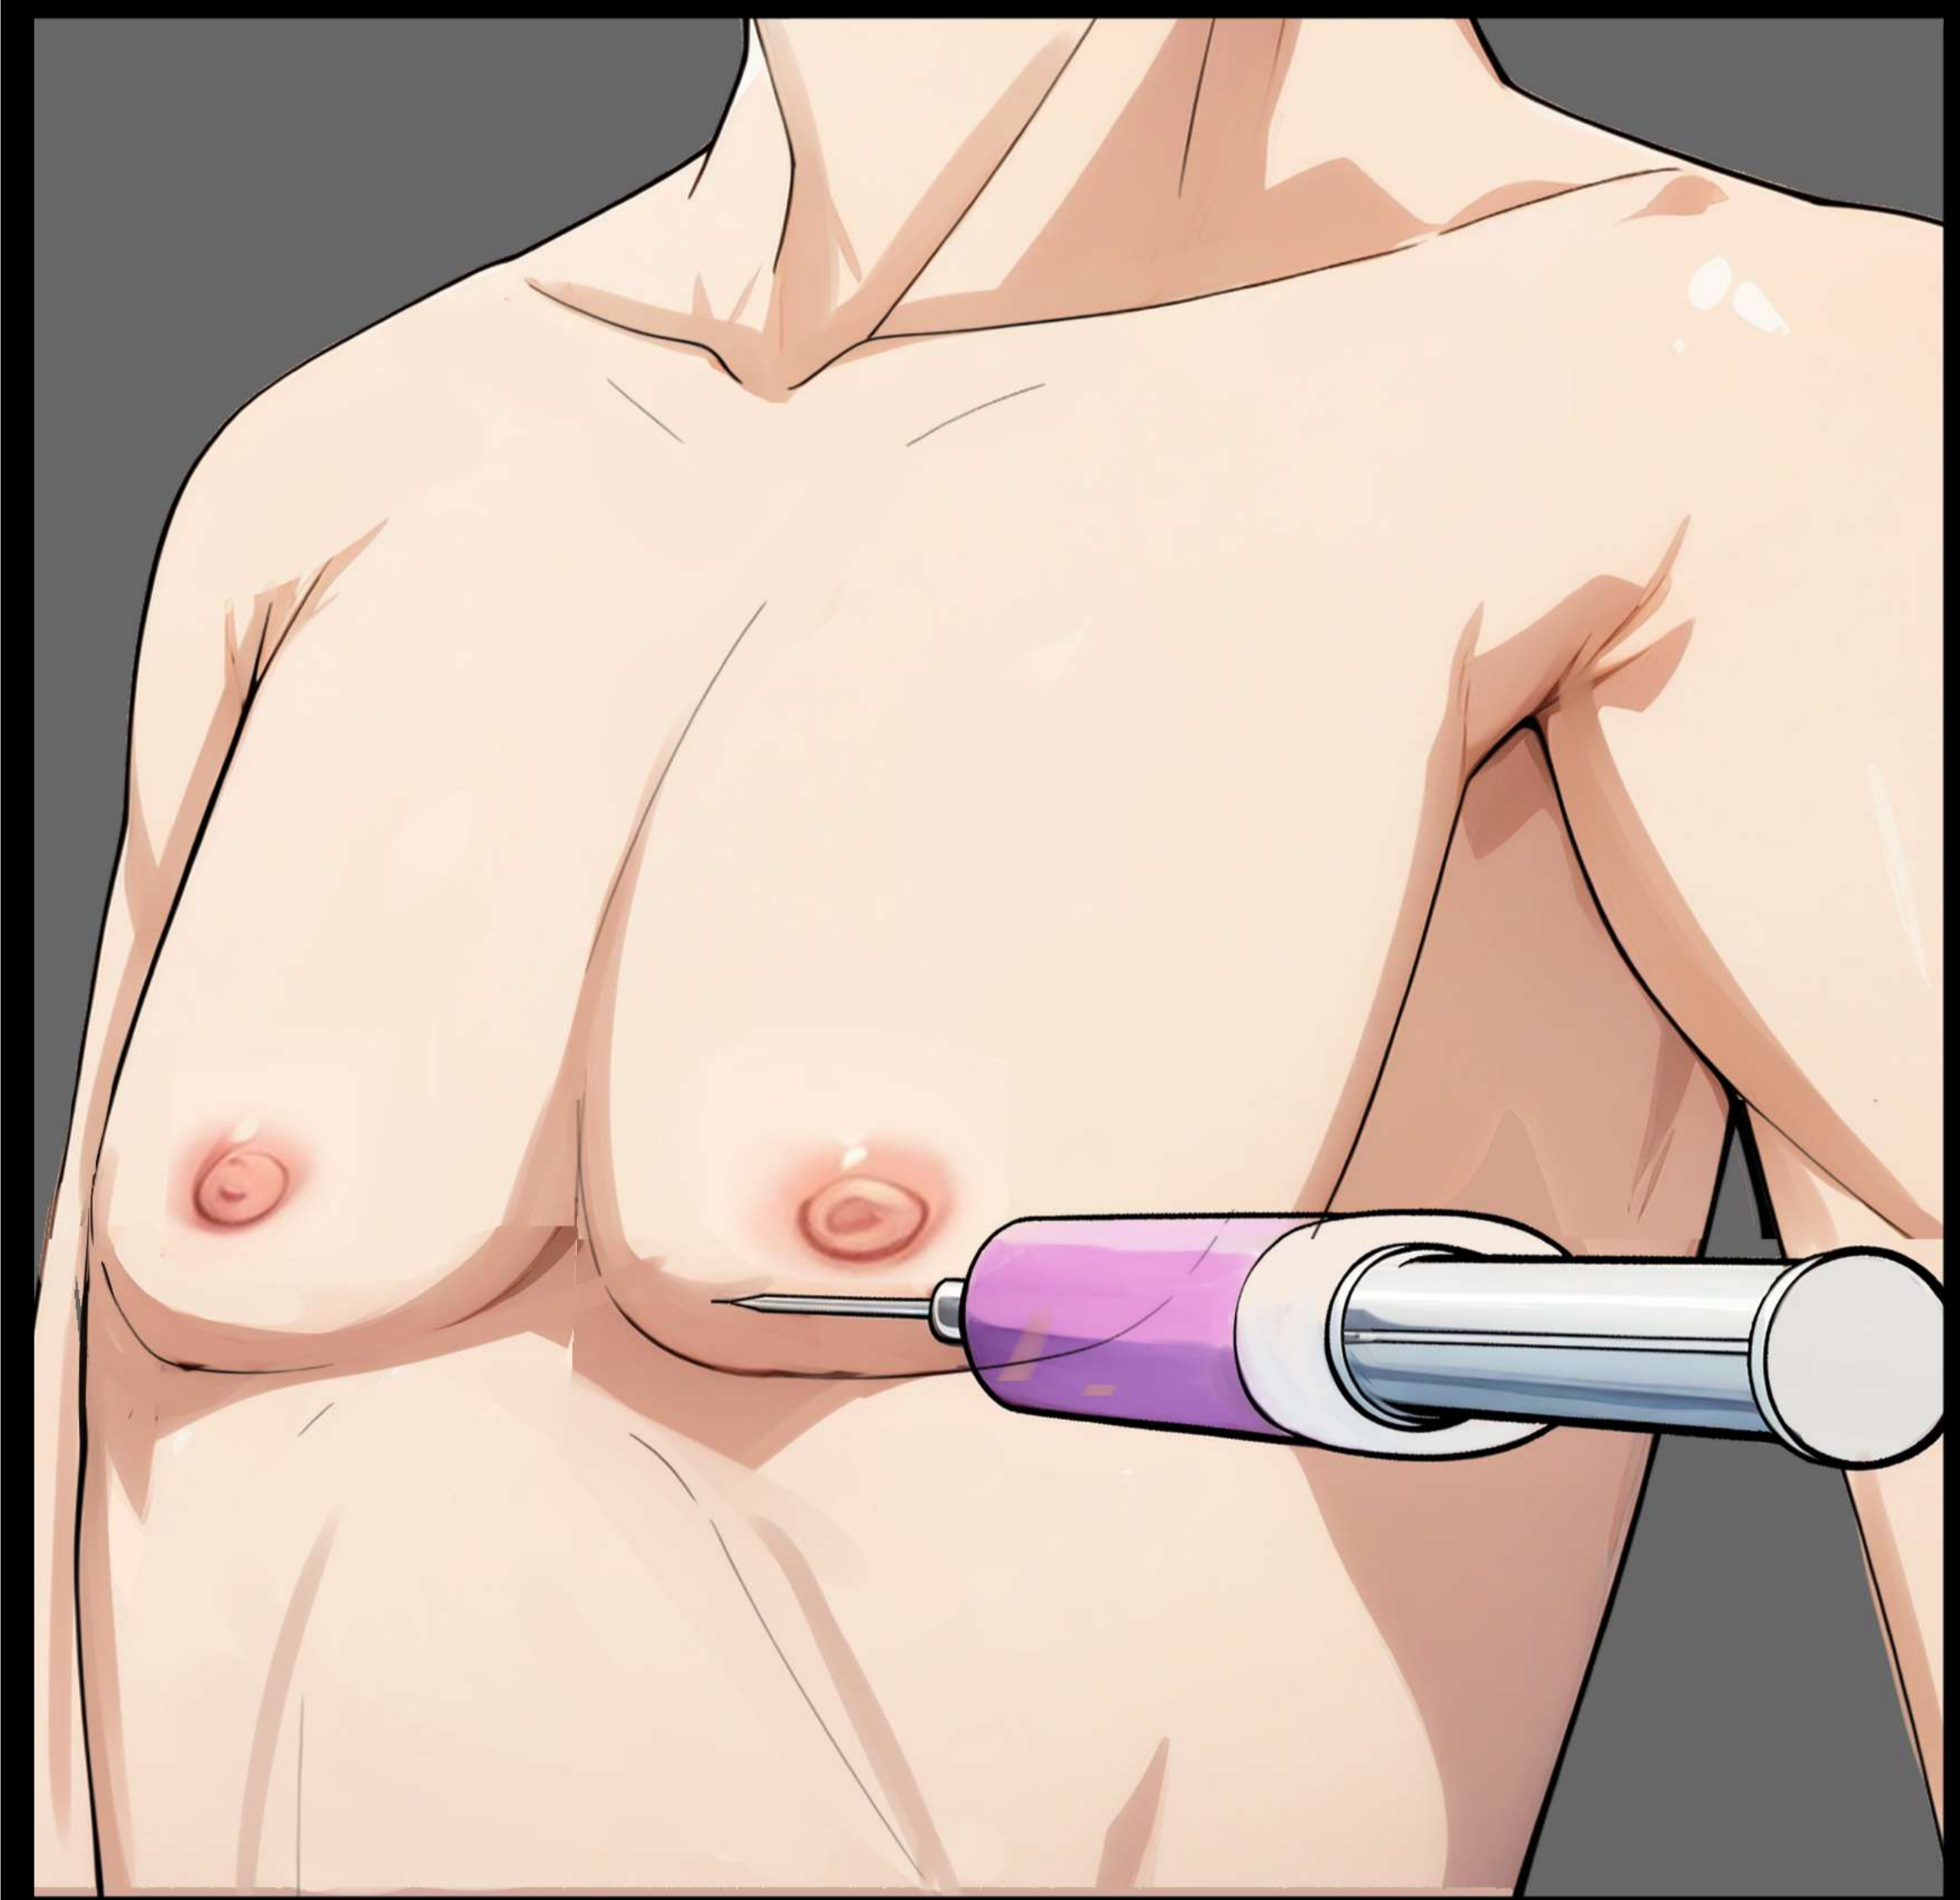

I-it's not dangerous... is it?

Don't worry

Just trust me

I just need to inject a little right into your nipples

Aaaand... voilà. How do you feel?

M-my nipples... feel kinda hot.

What did you do?

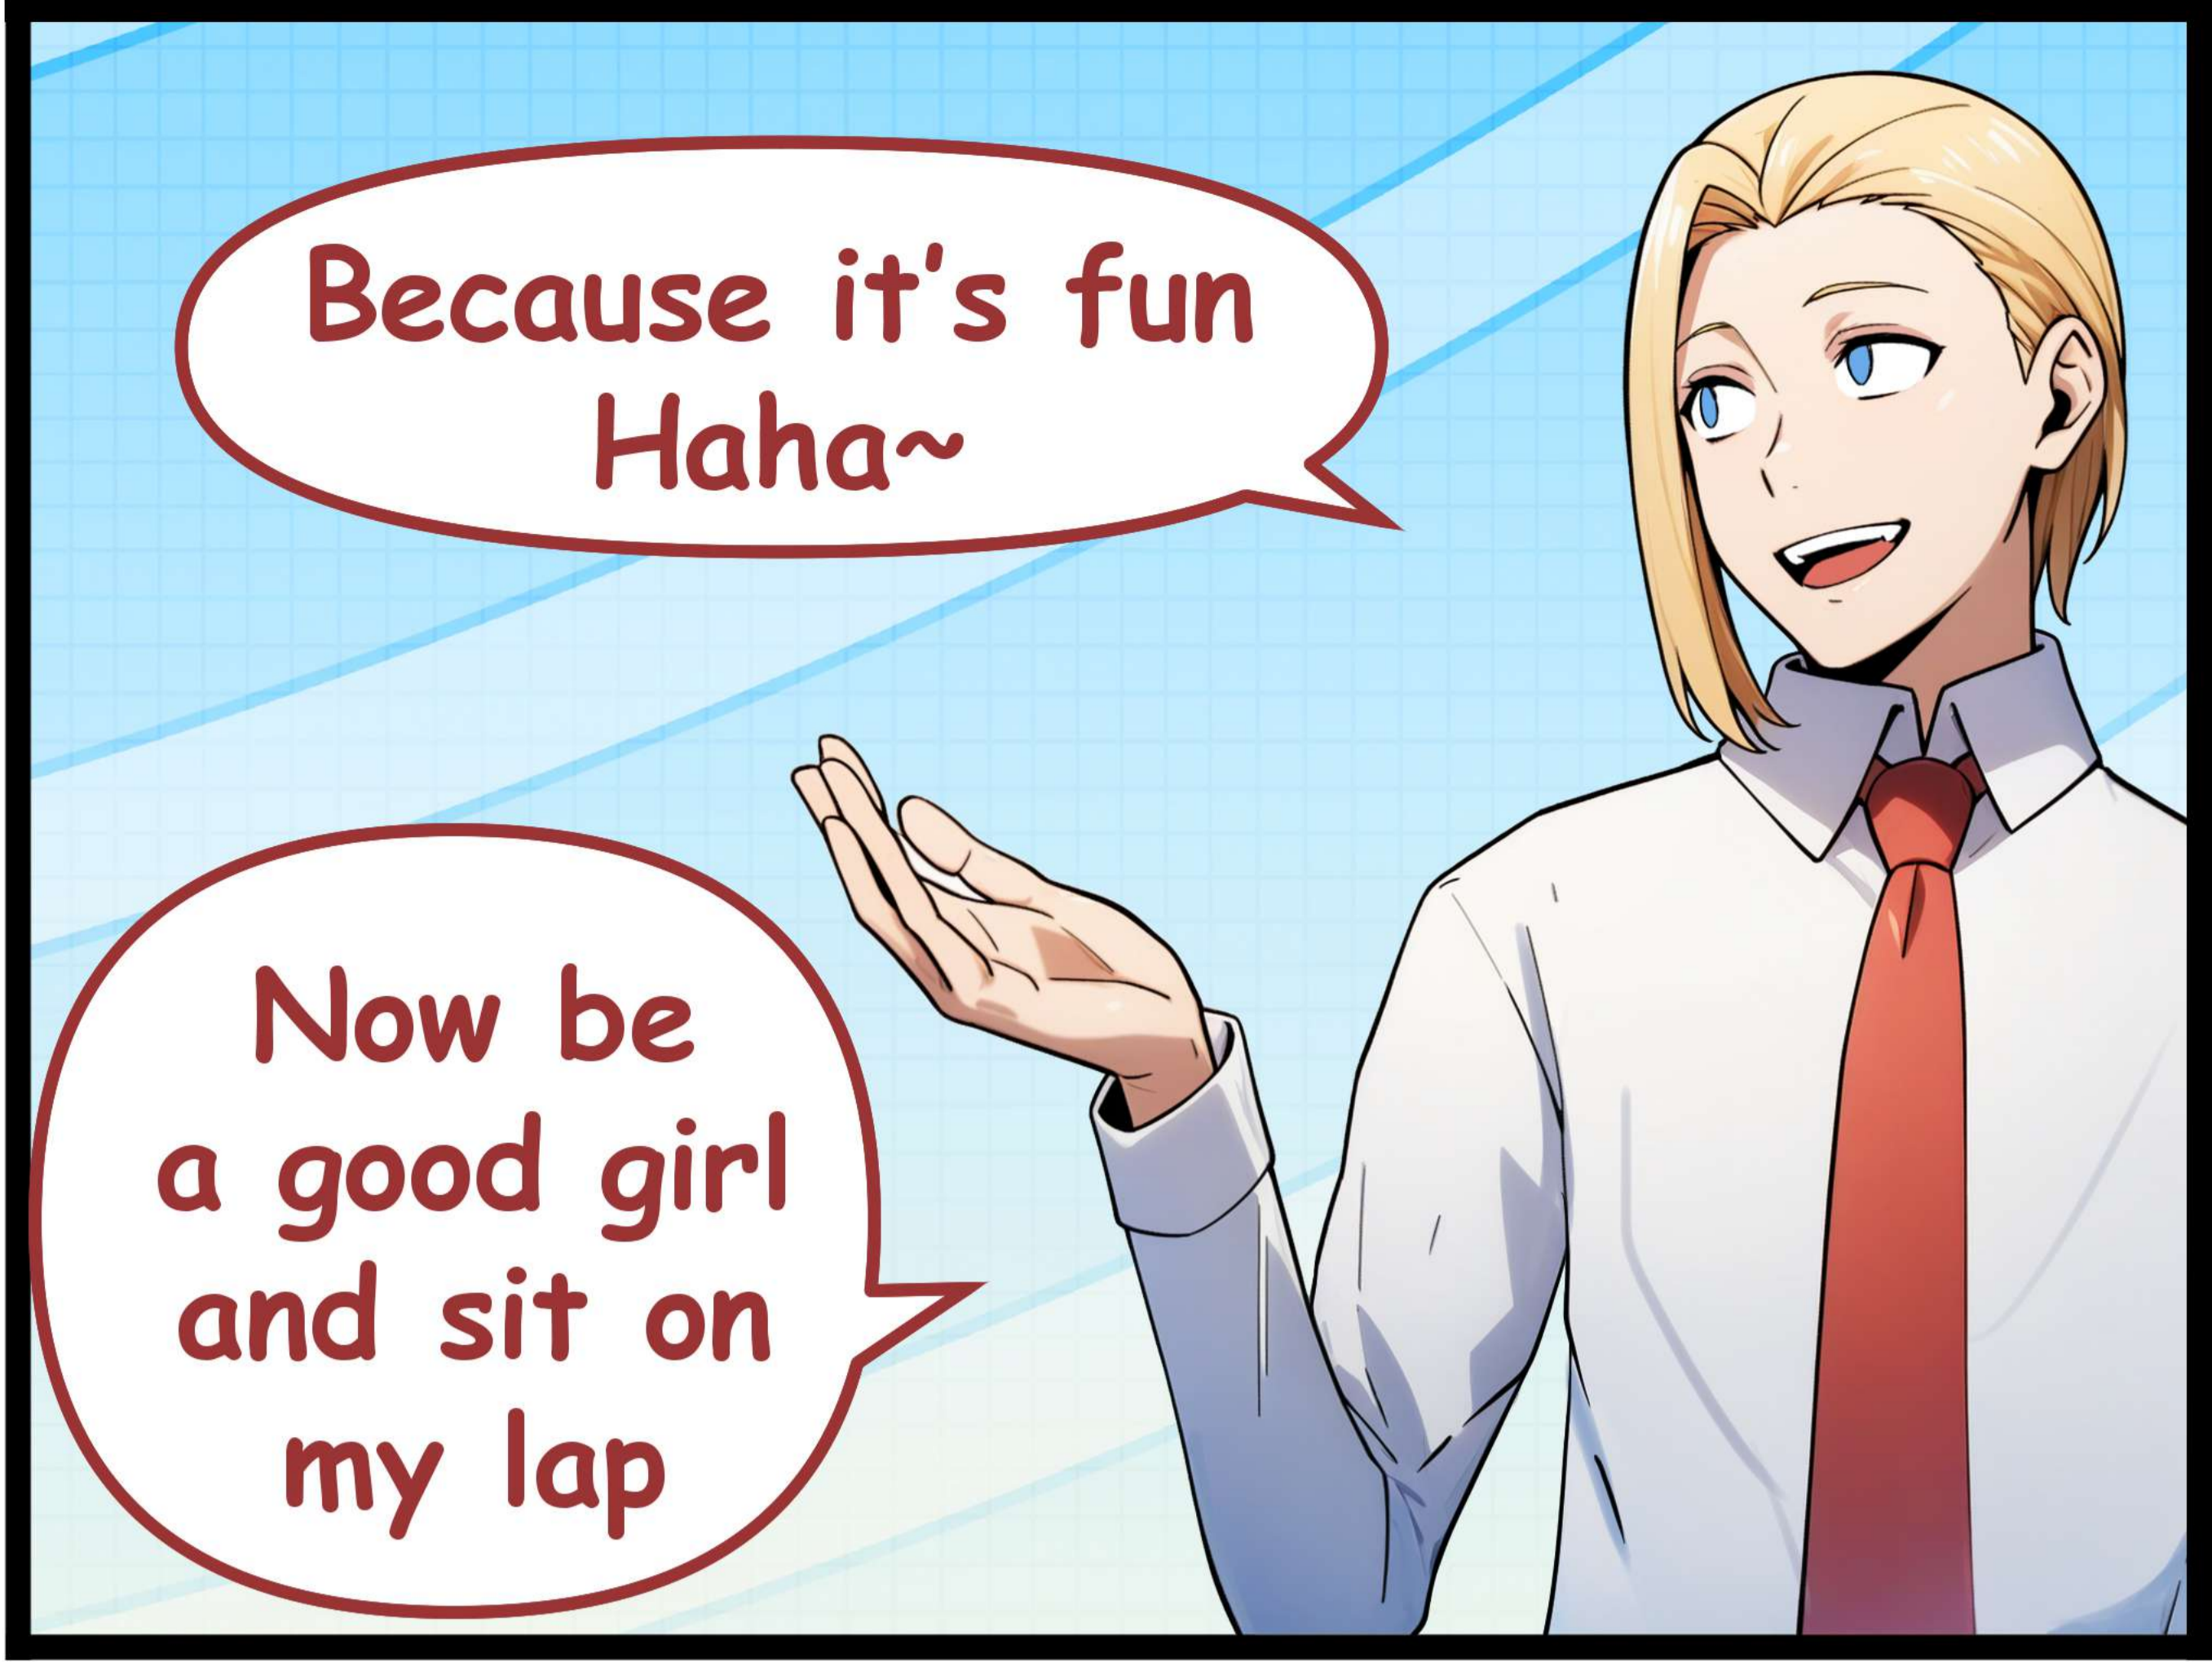

I'm Just making them a little more sensitive

No big deal

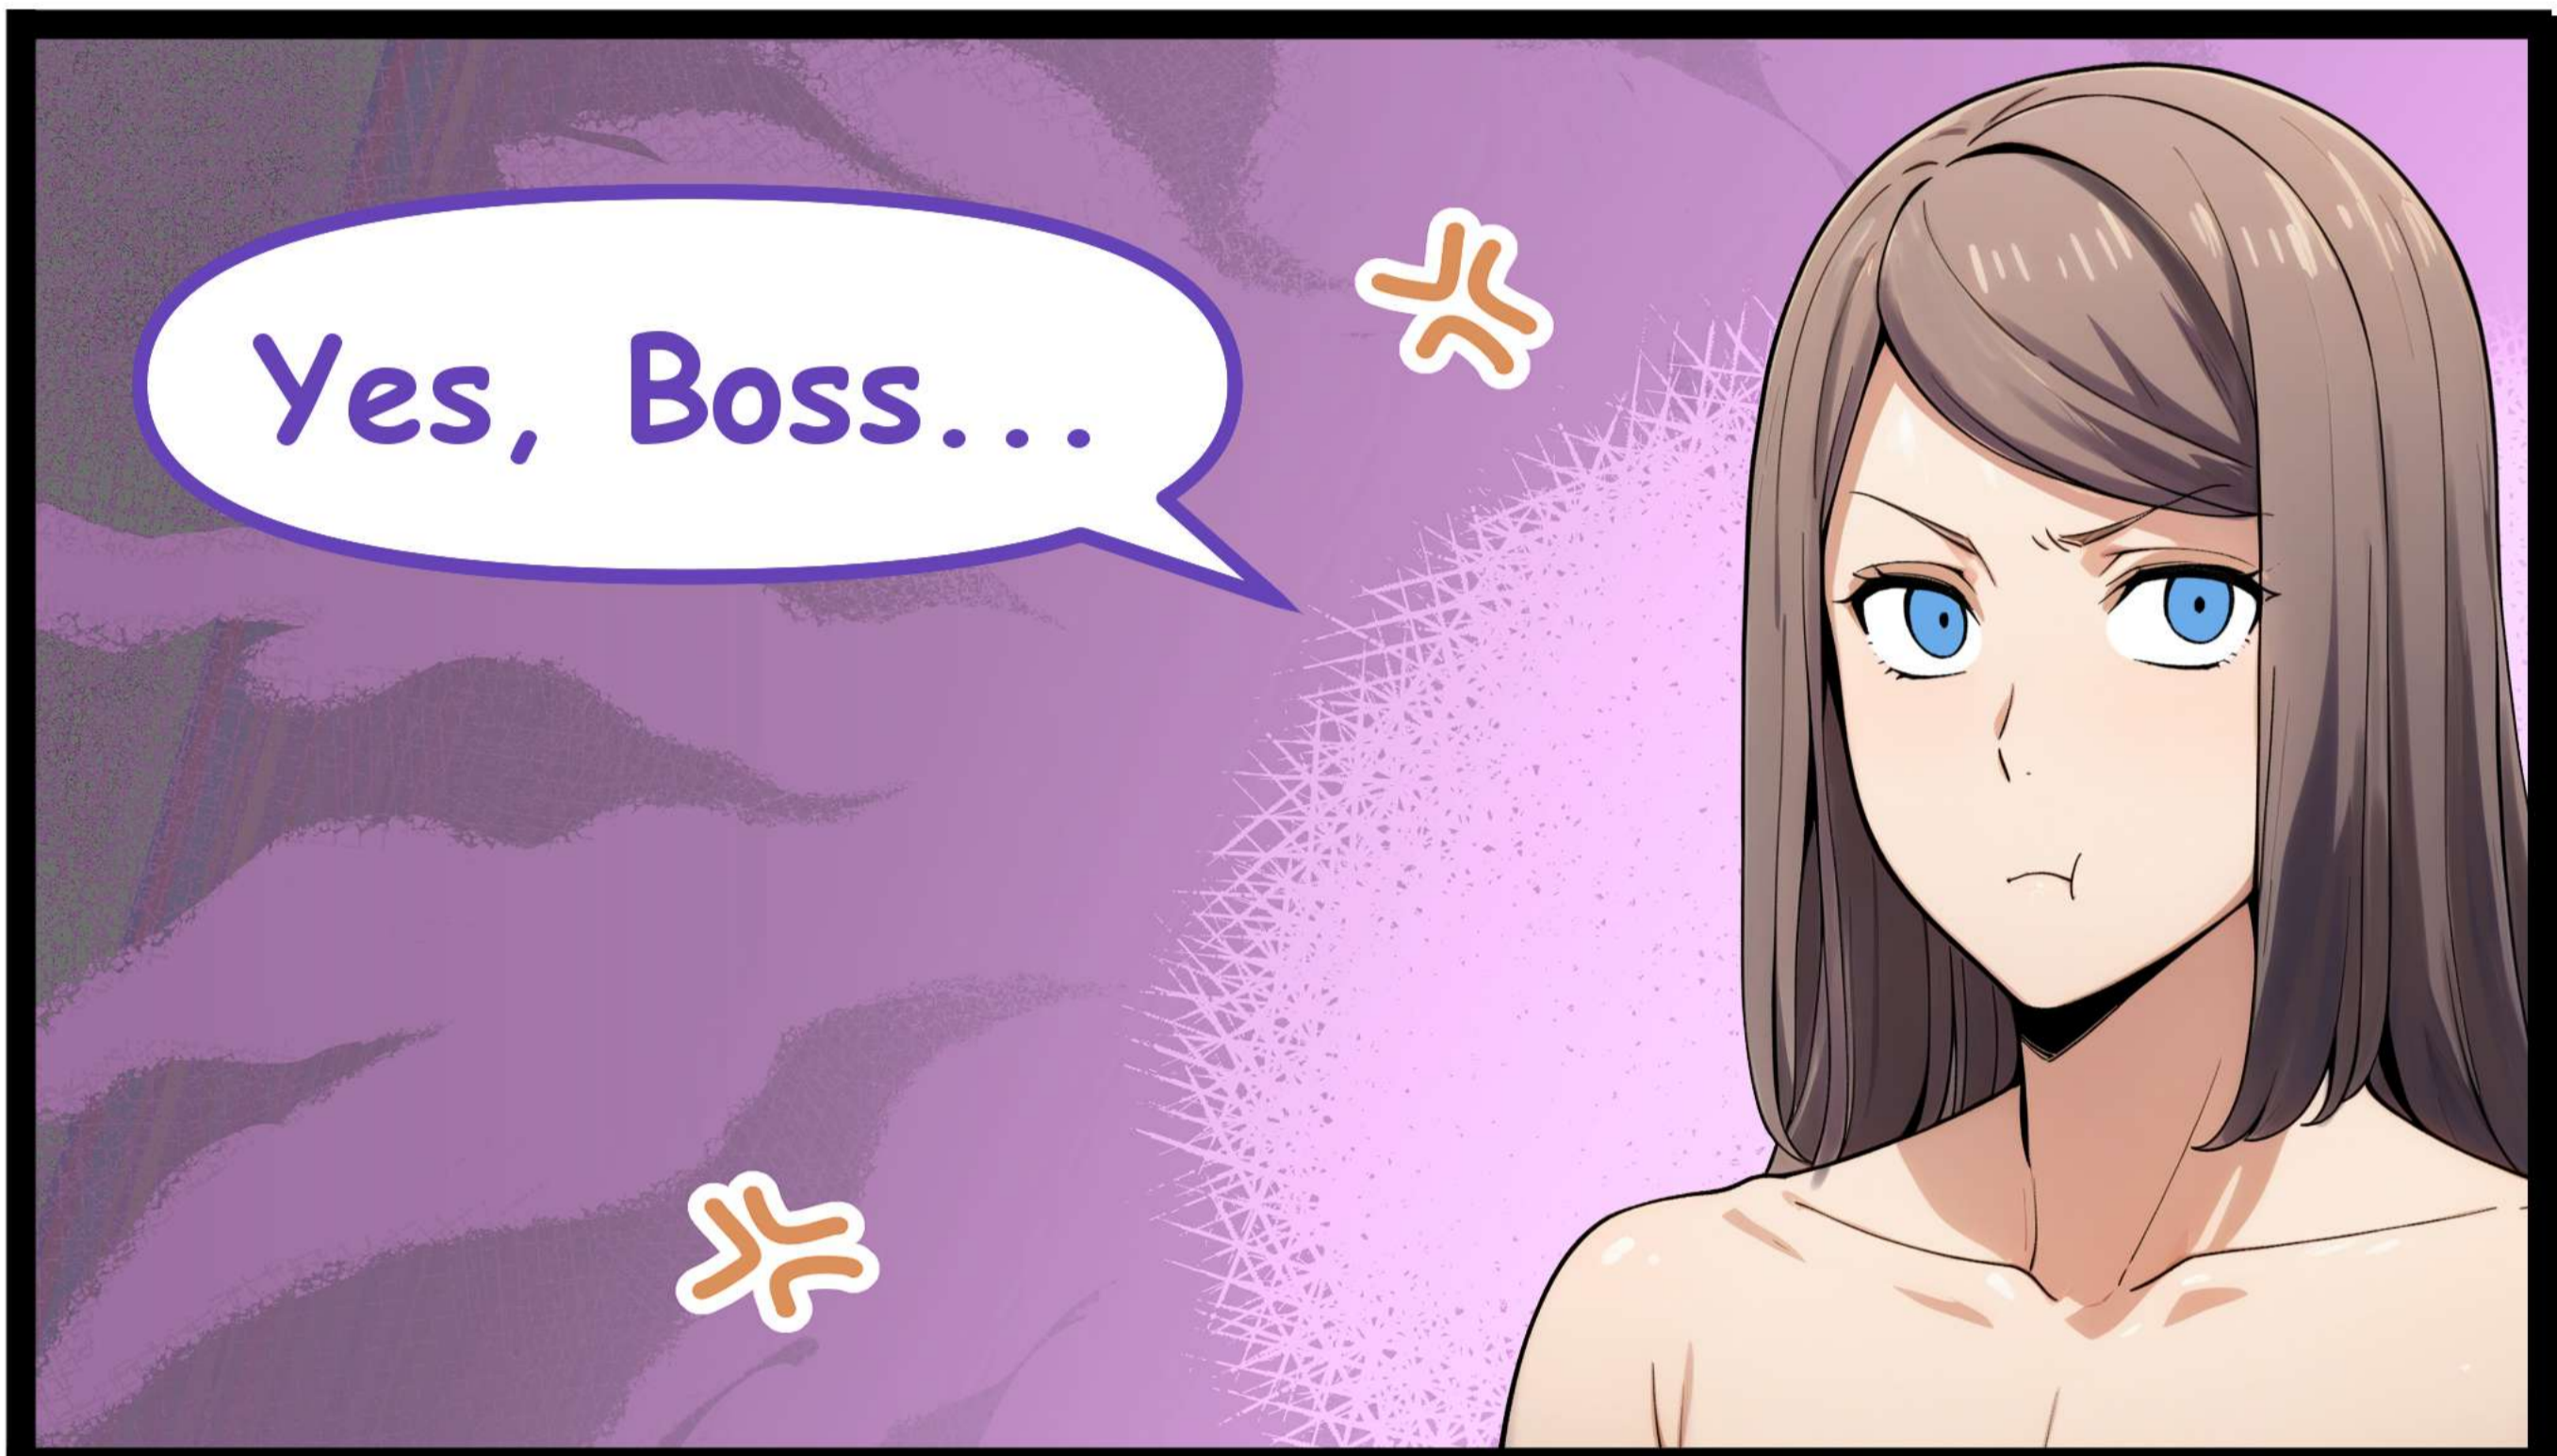

Hmph... Boss!

why are you always trying to feminize me?

Because it's fun Haha~

Now be a good girl and sit on my lap

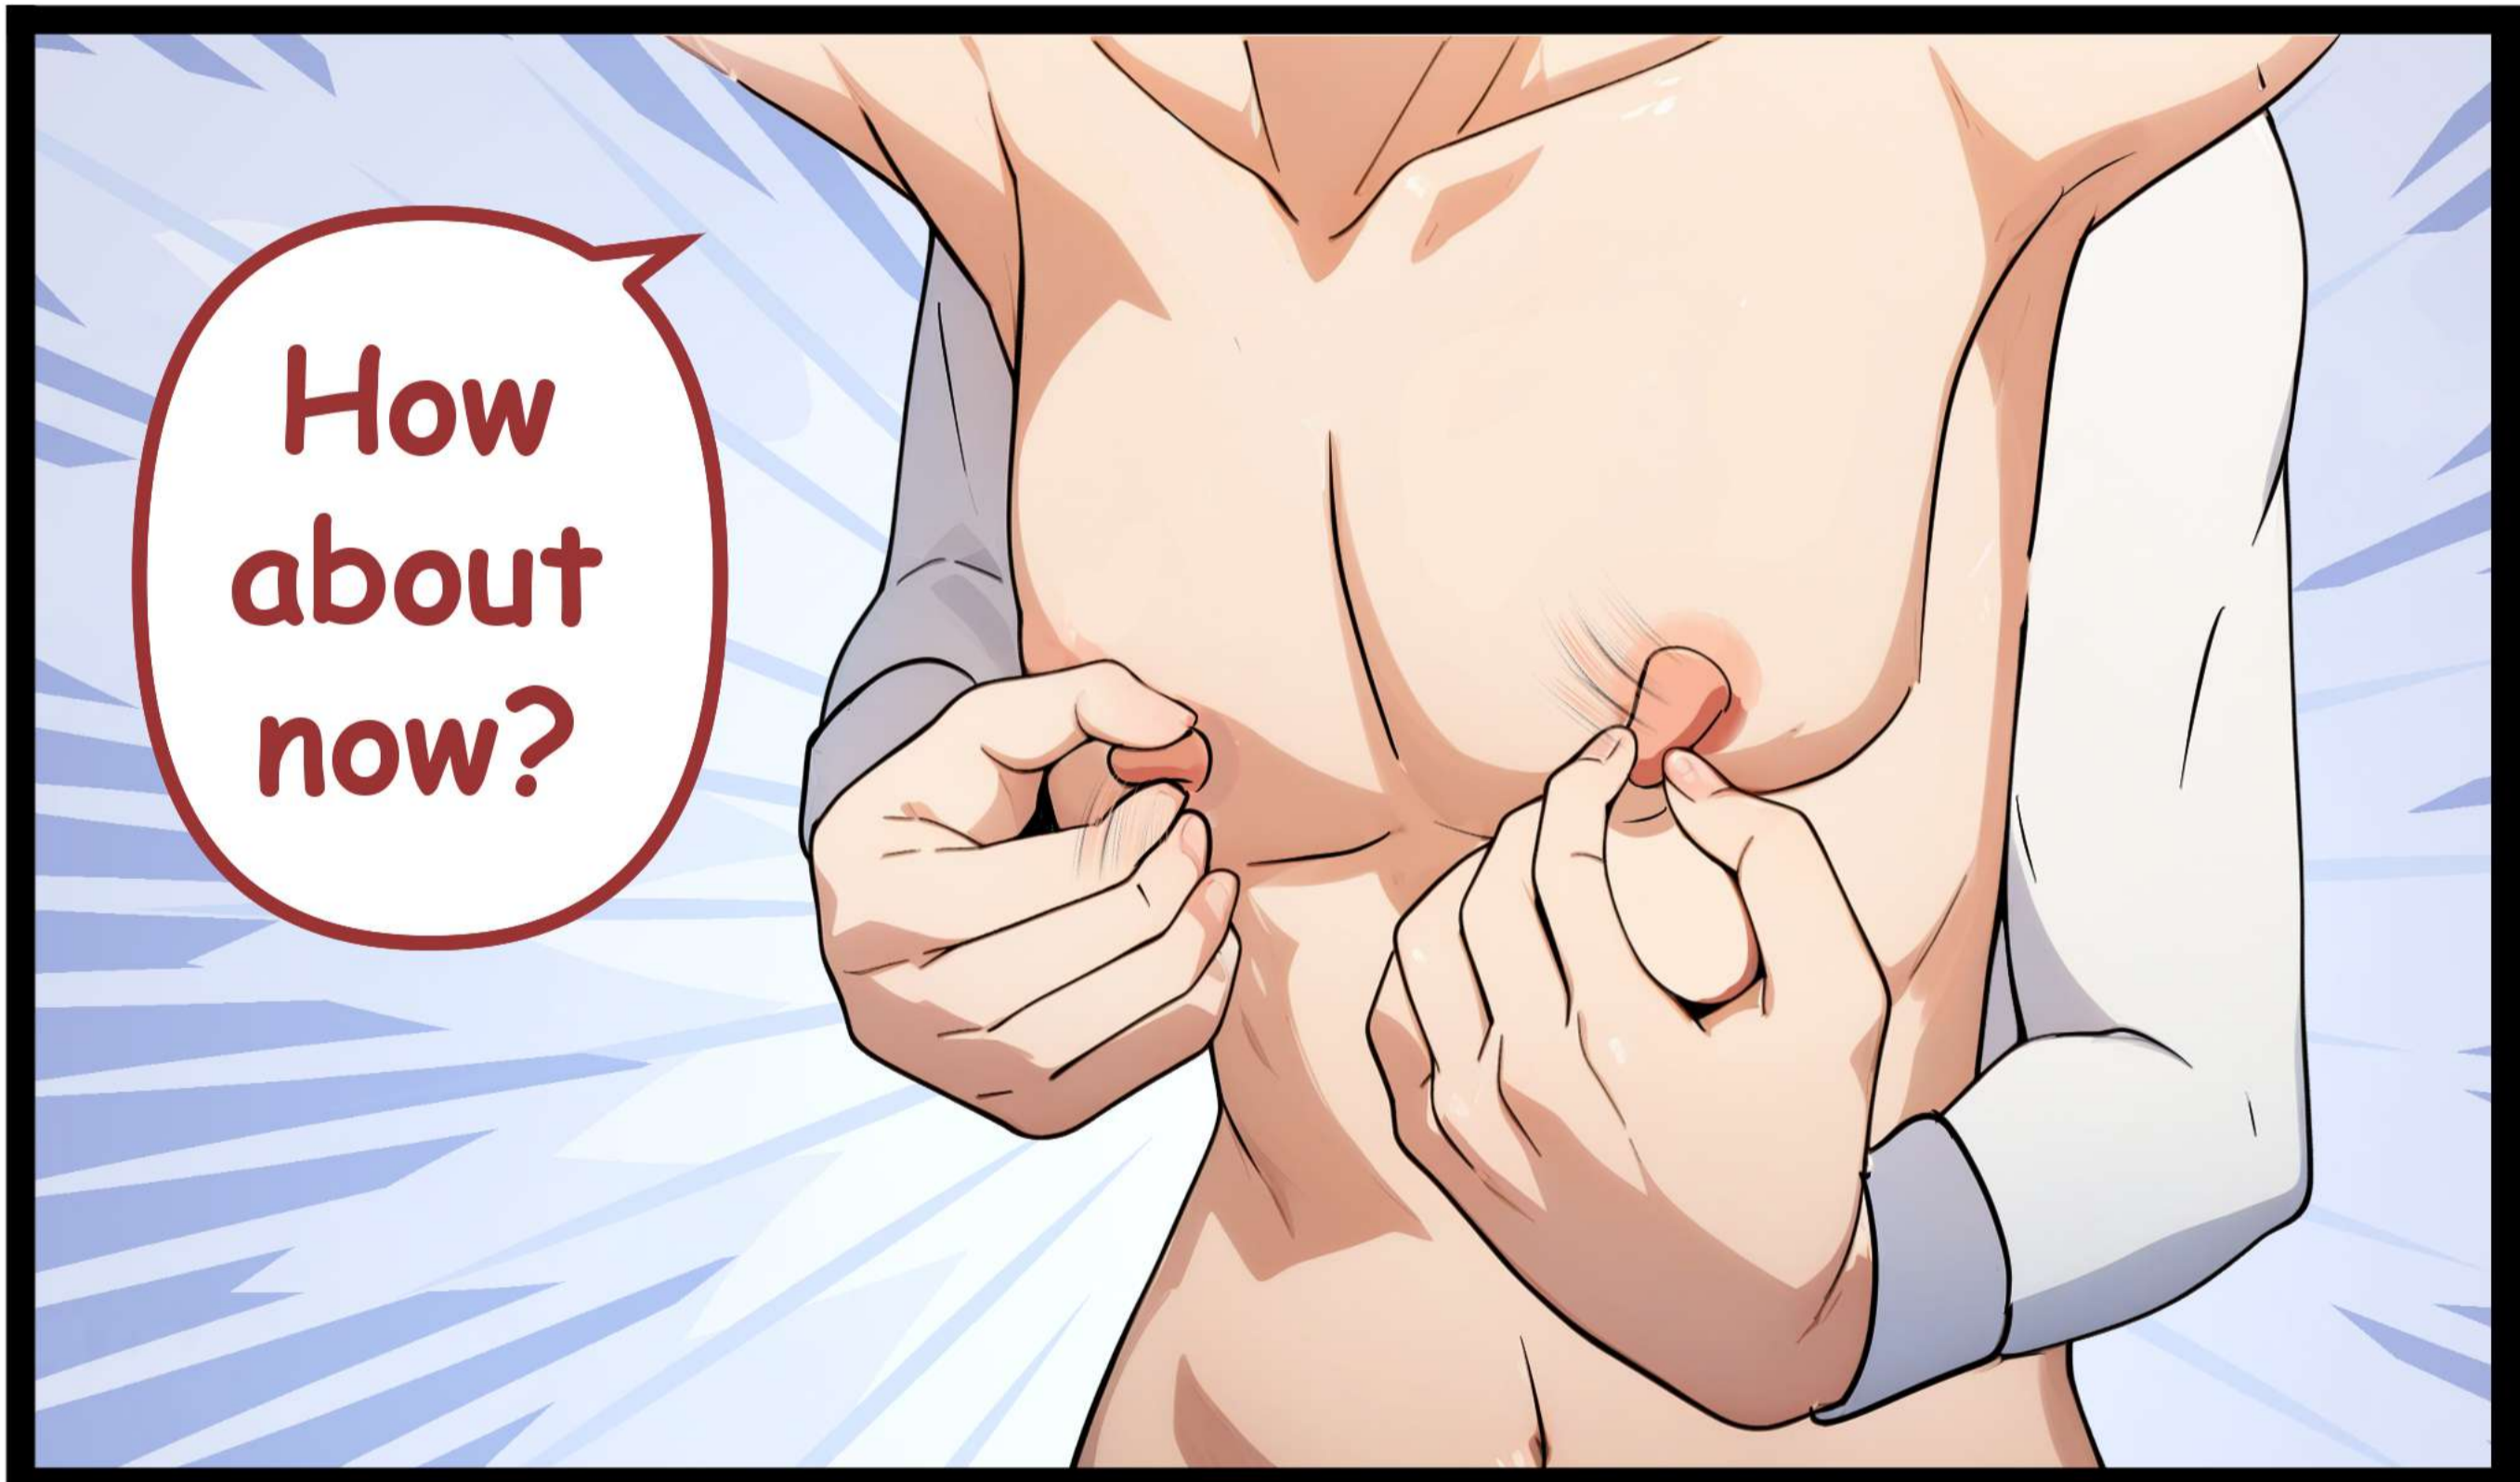

Yes, Boss...

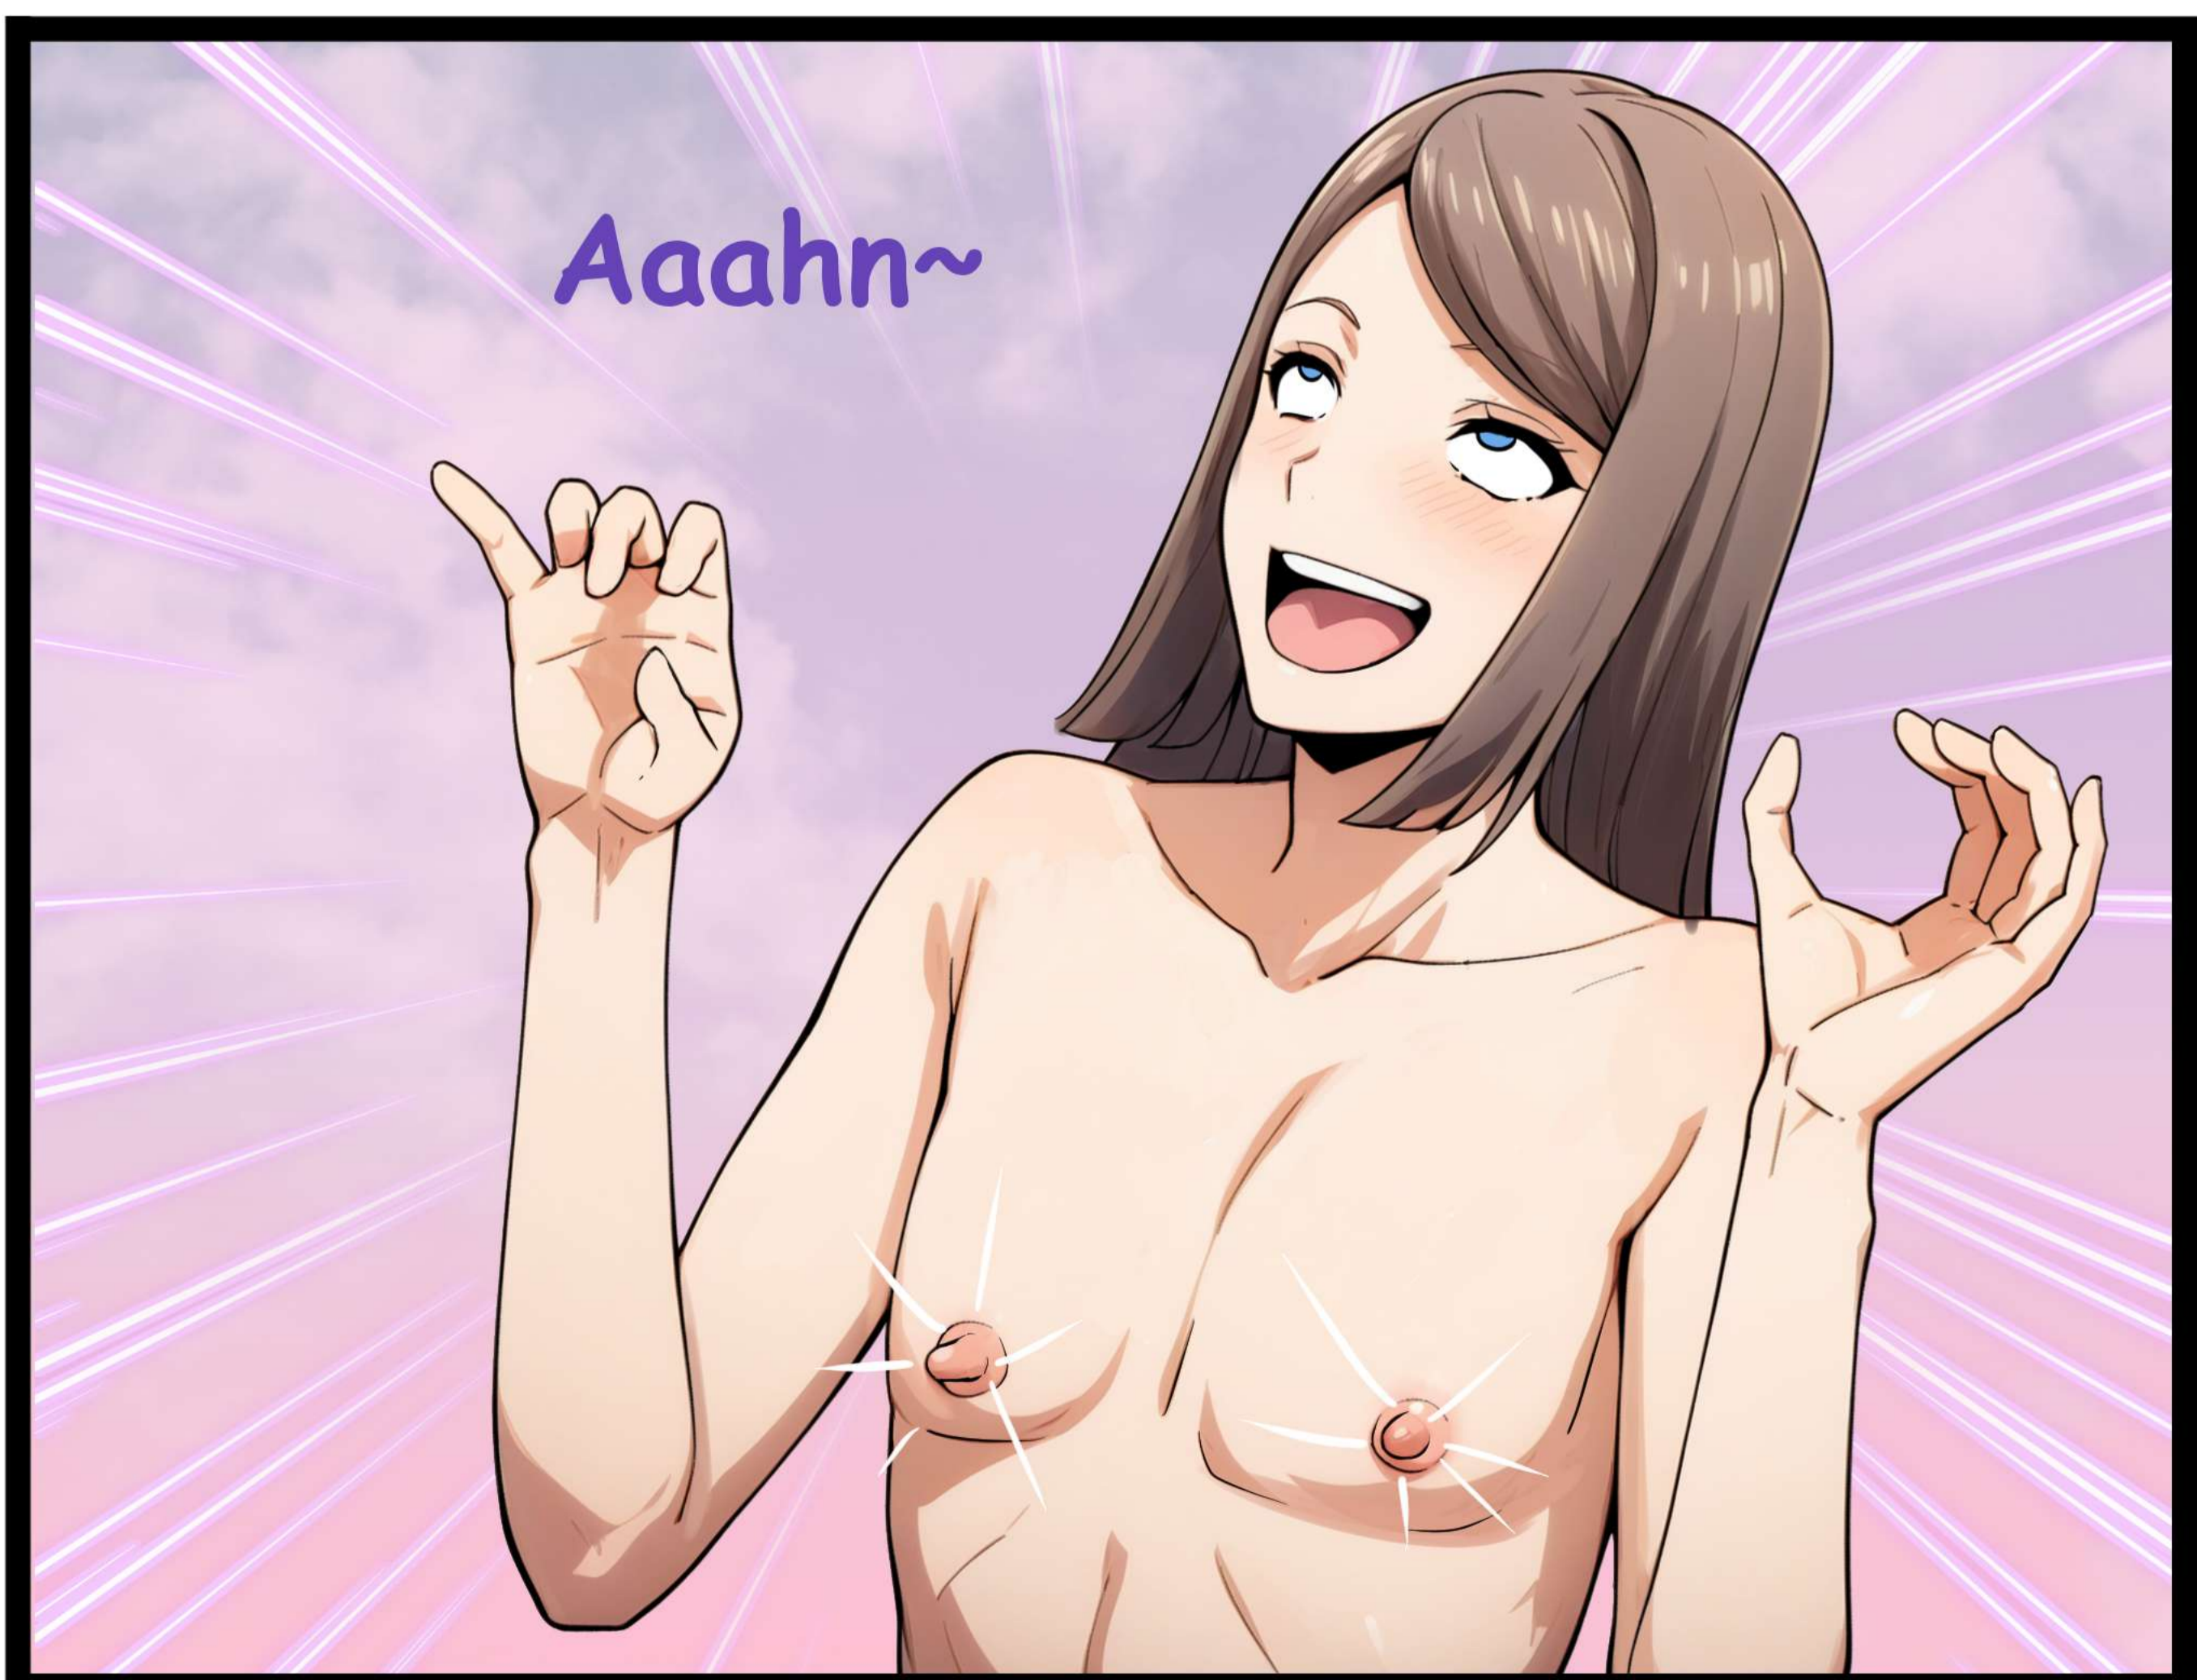

Does it feel good?

J-just a little...

How about now?

Aaahn~

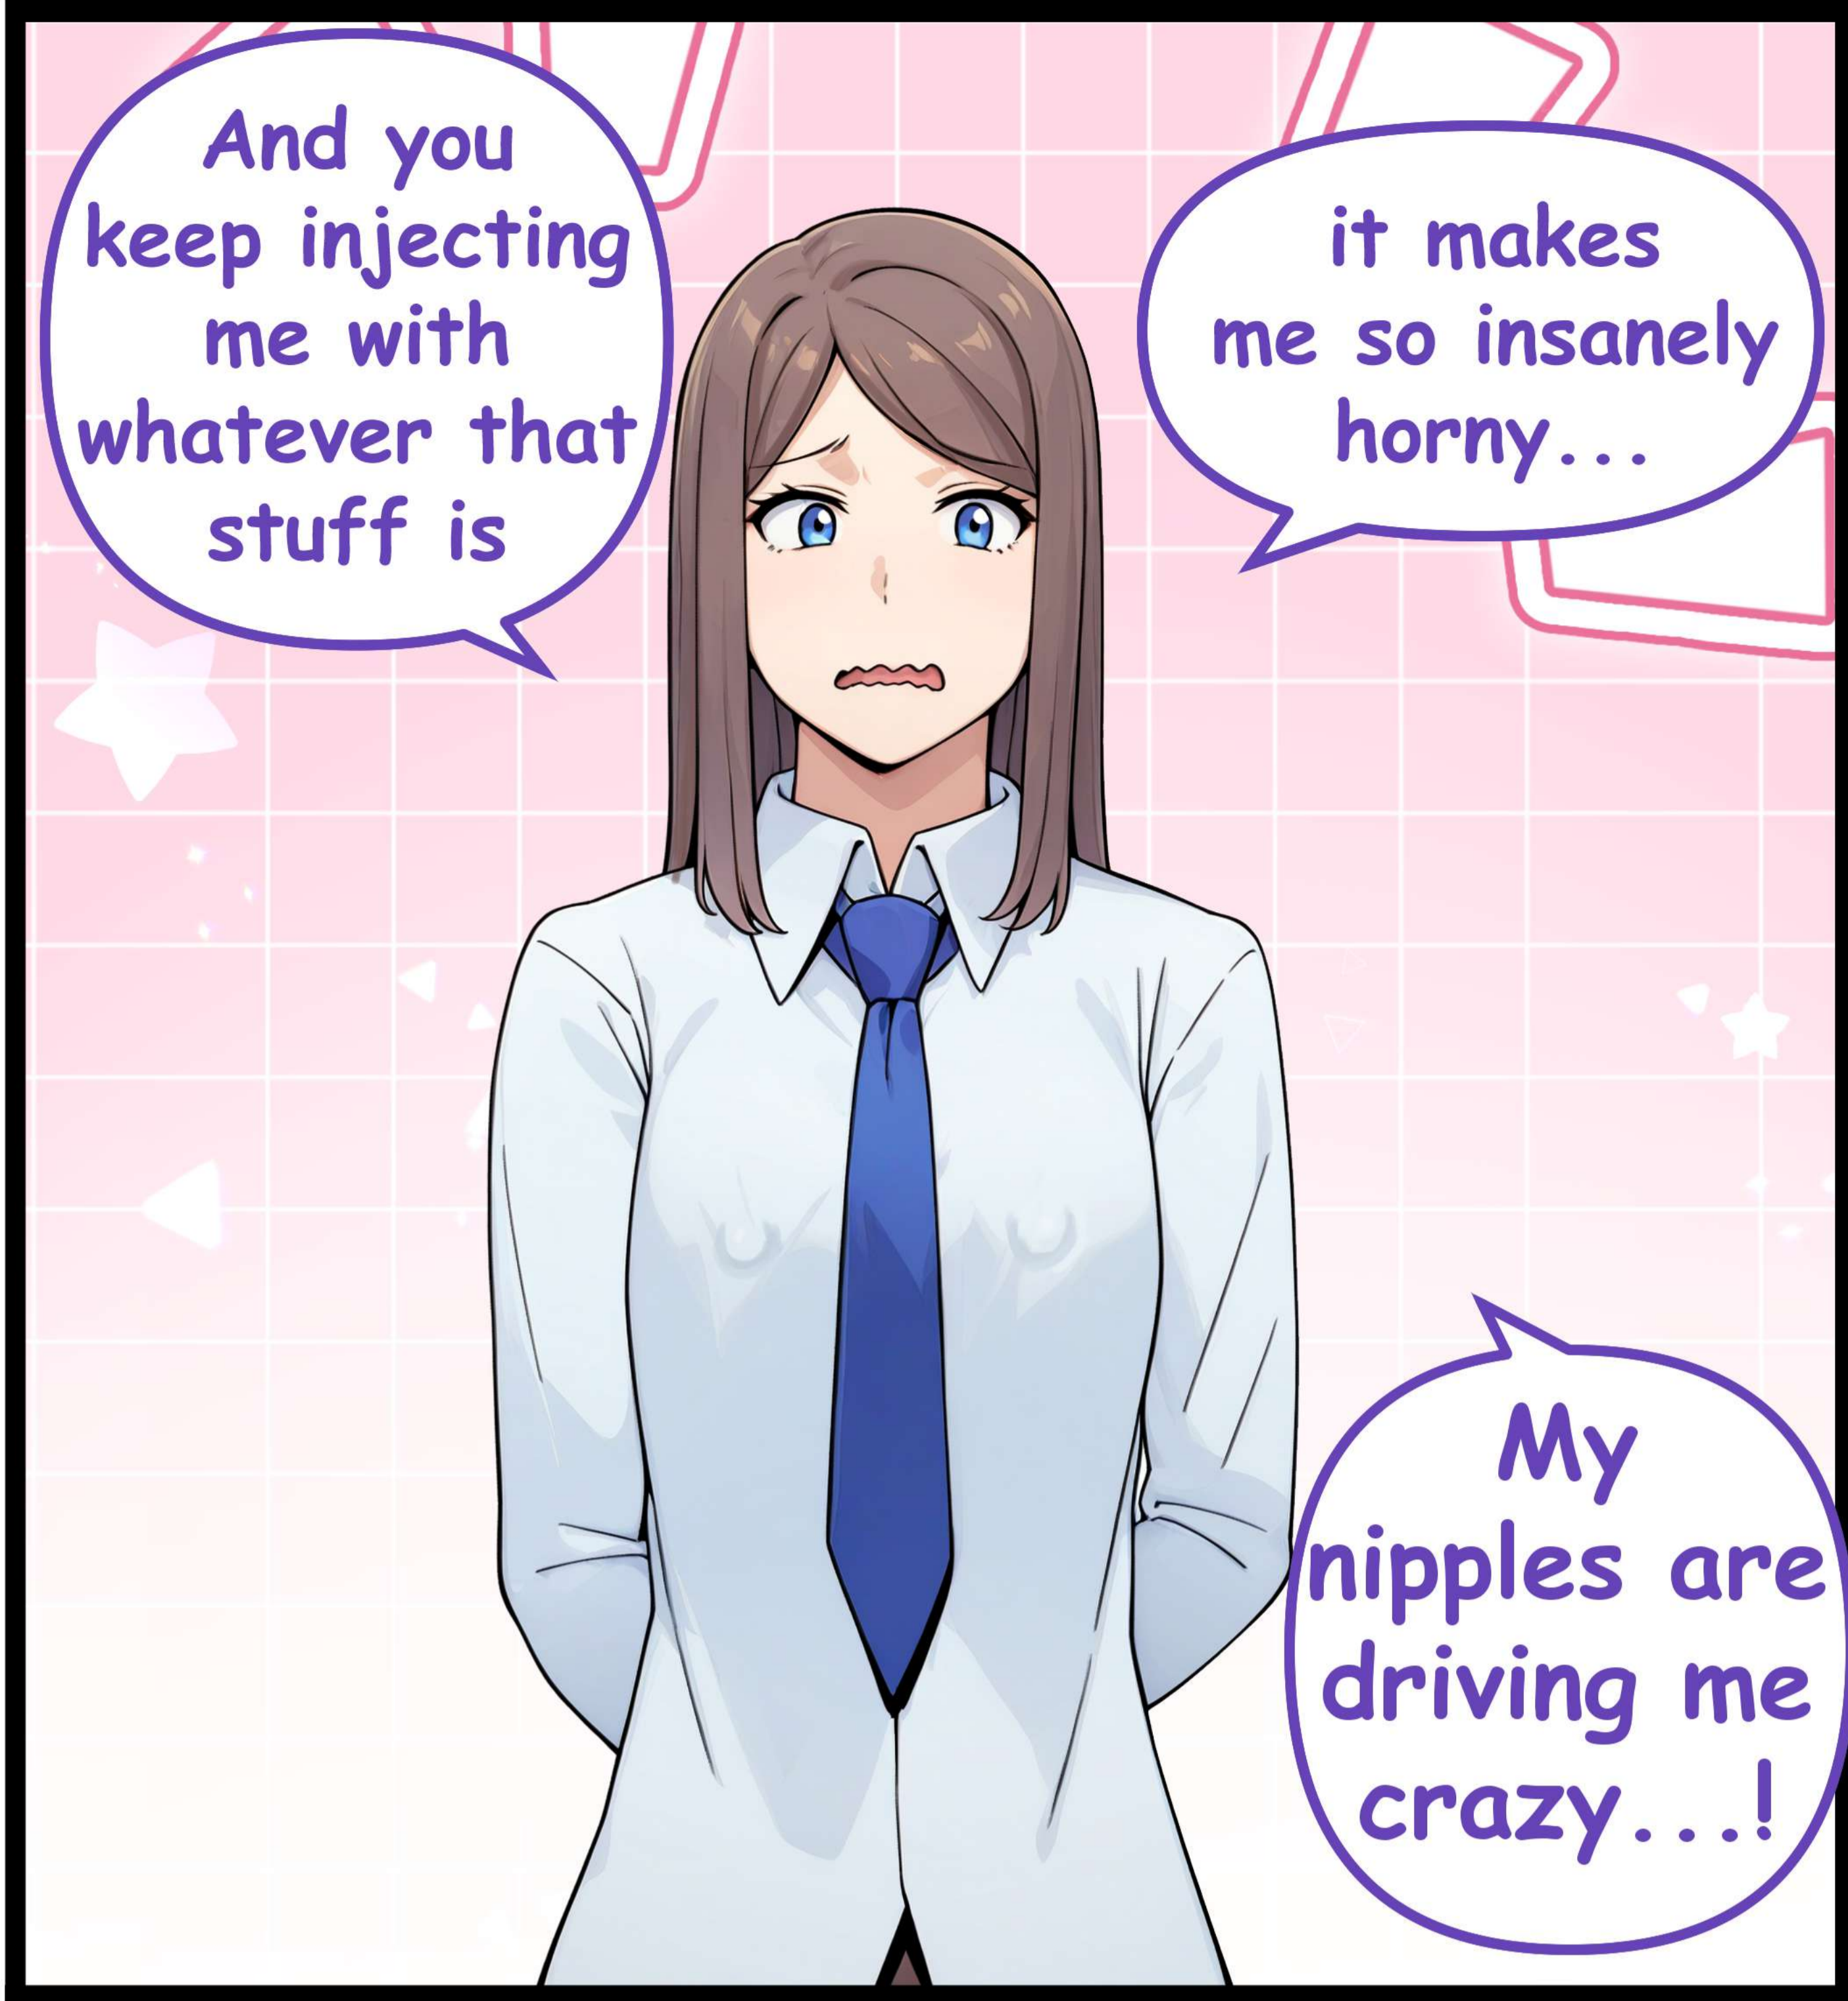

Boss, please...
Pleaseeee...

I can't
take it anymore!

It's been
a month since
you caged
me...

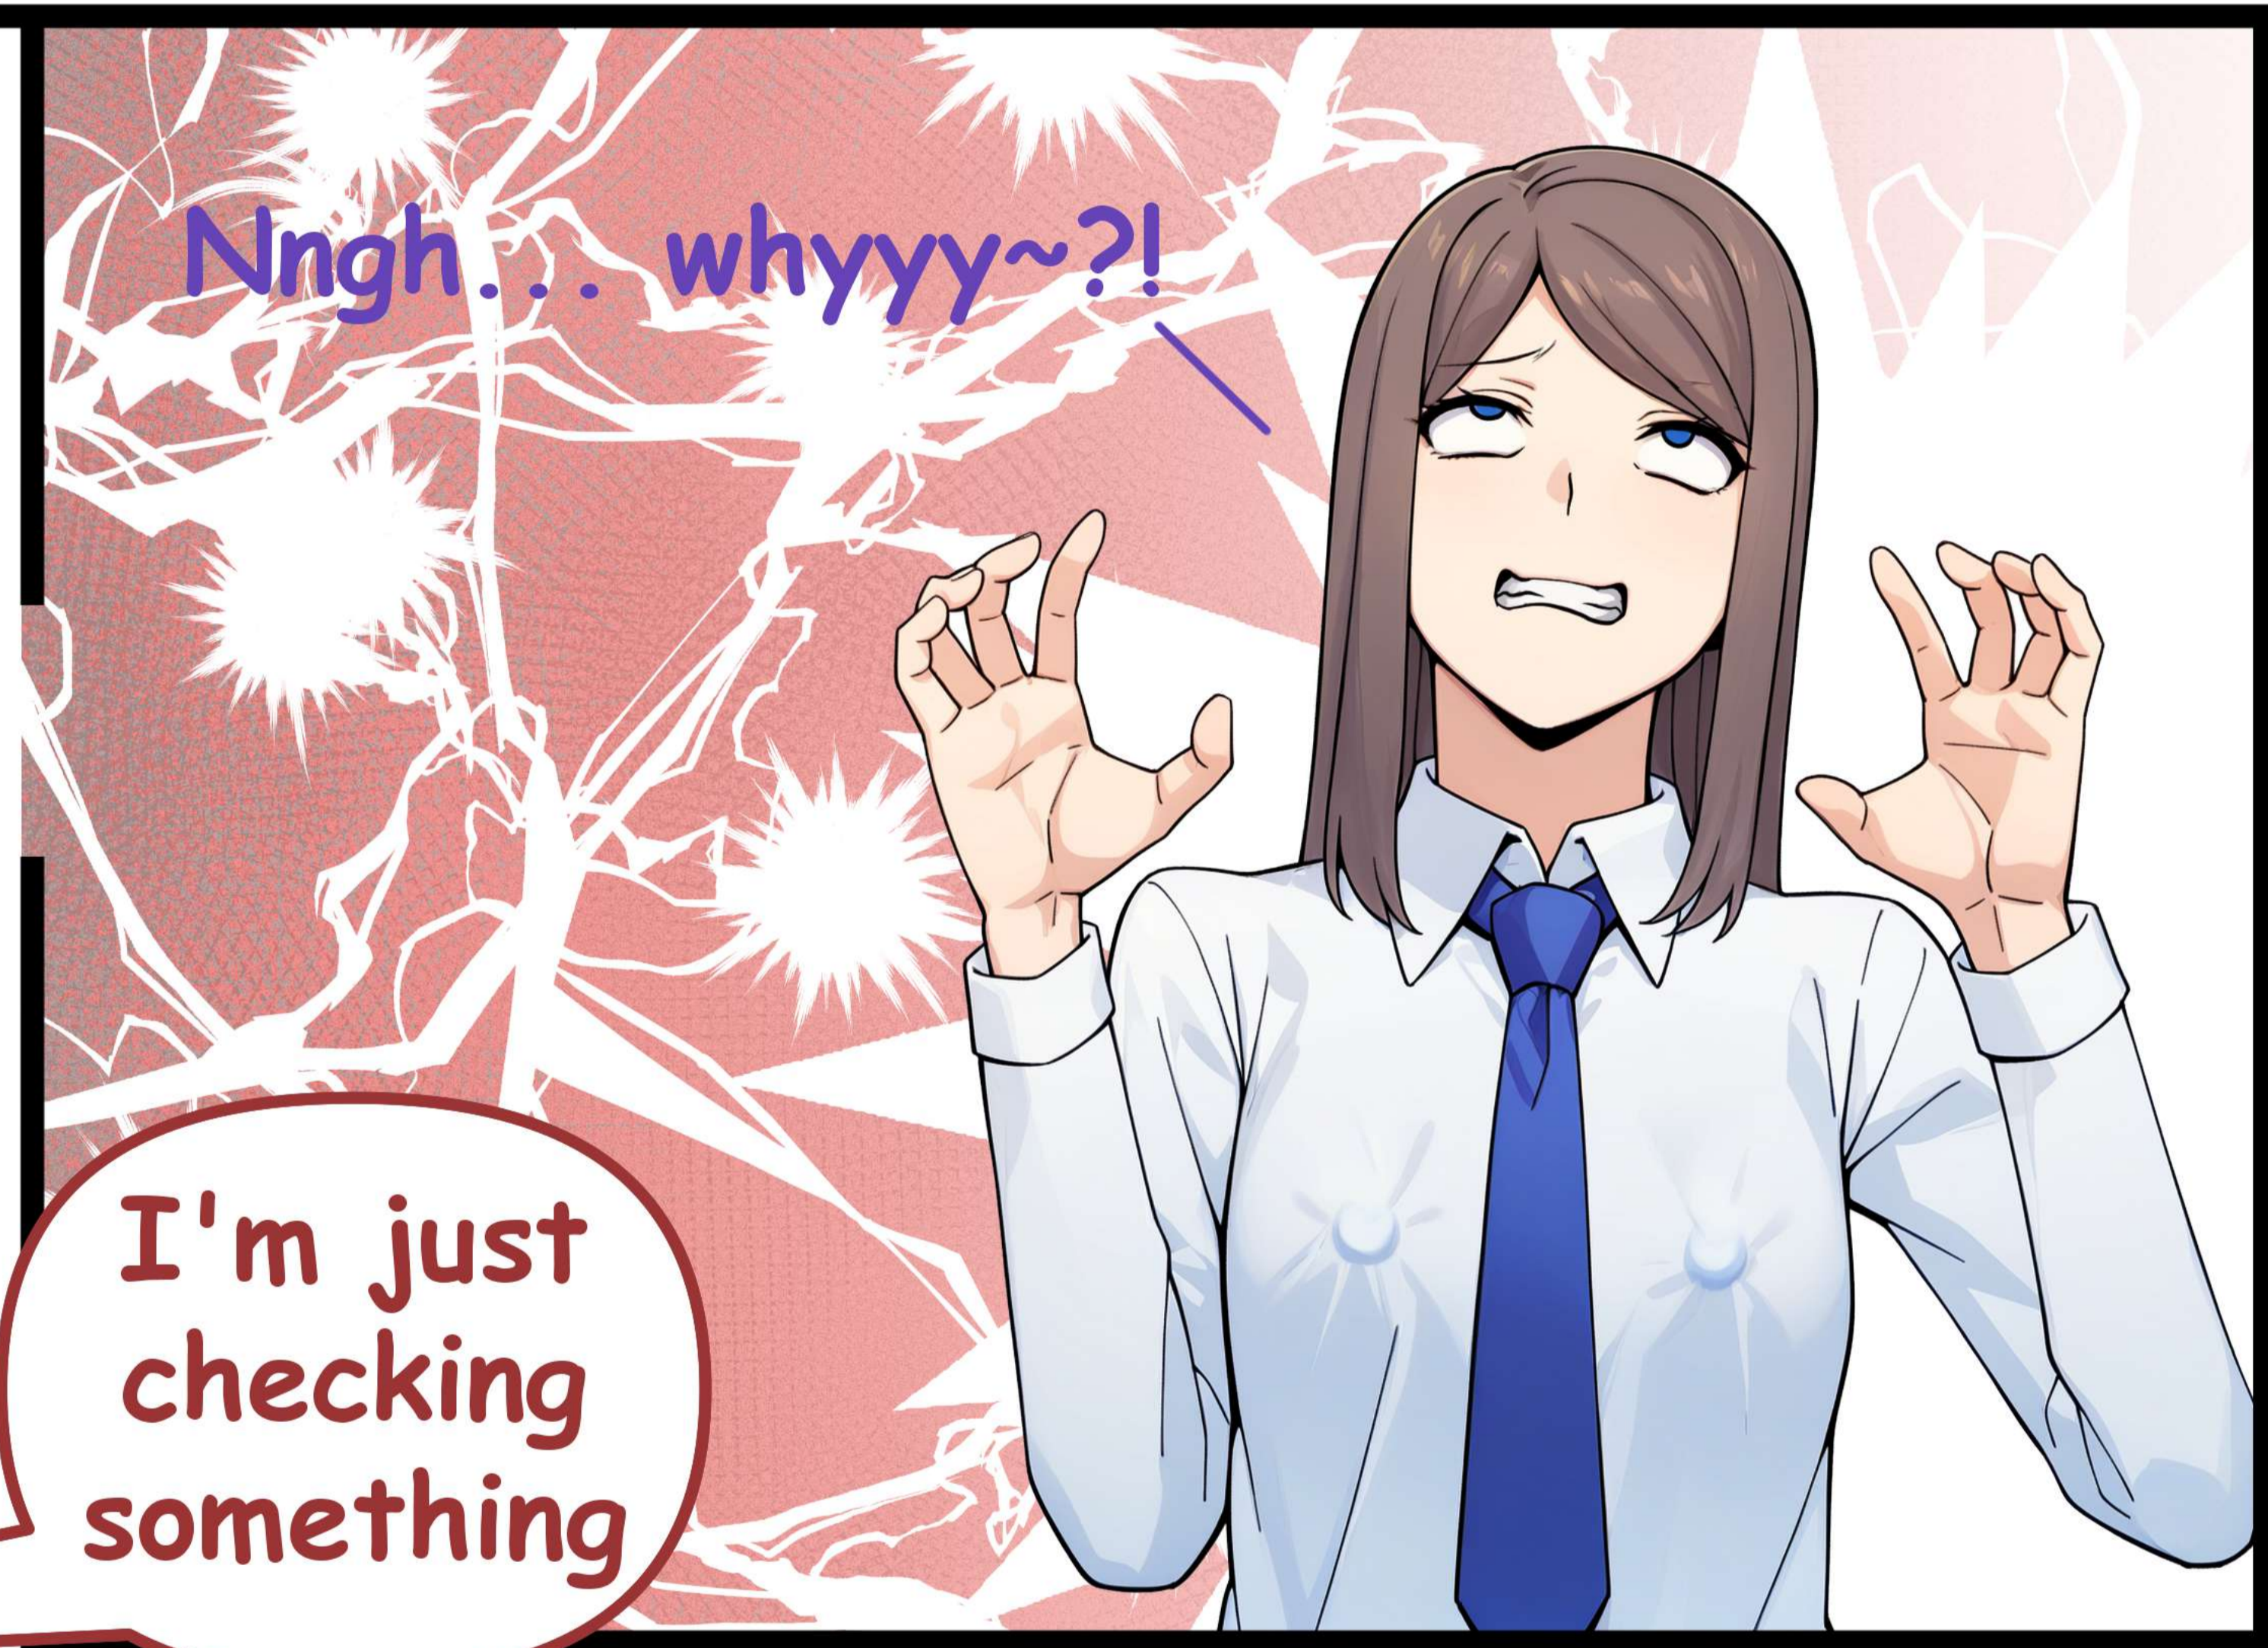

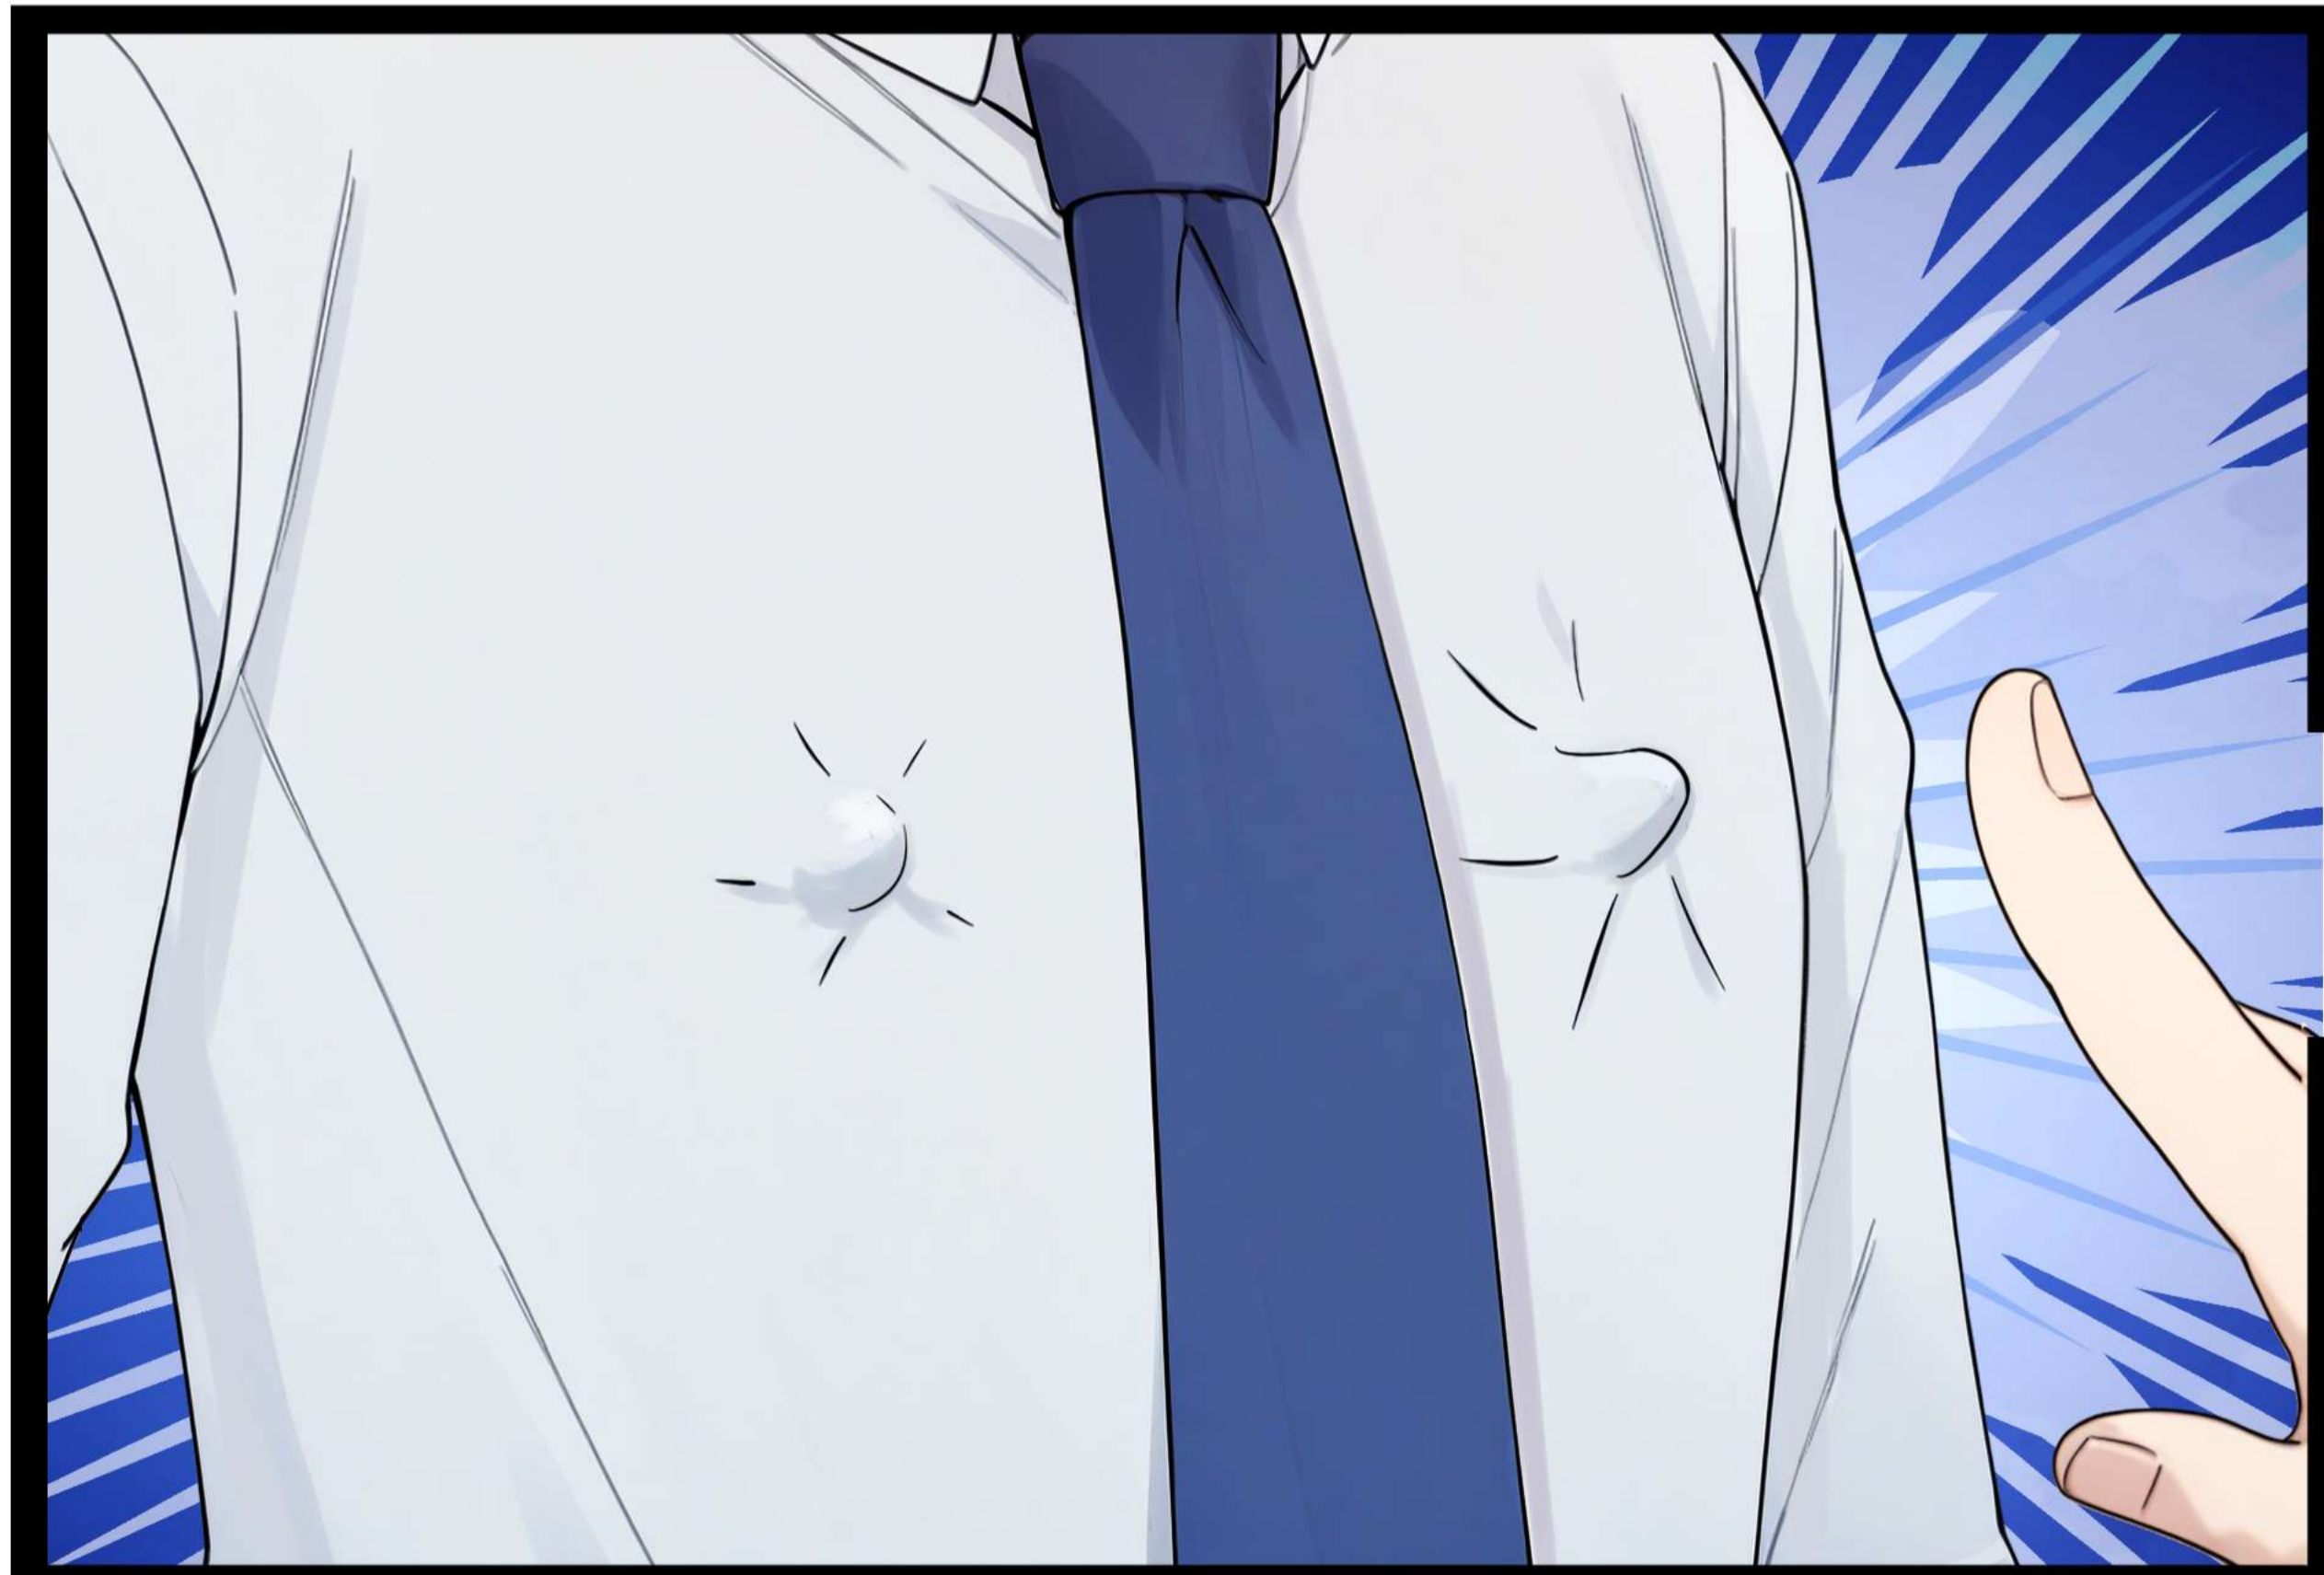

And you
won't even
let me touch
myself...

And you
keep injecting
me with
whatever that
stuff is

it makes
me so insanely
horny...

My
nipples are
driving me
crazy...!

Nngh... whyyy~?!

I'm just
checking
something

Alright, alright...
You've been so
obedient lately.

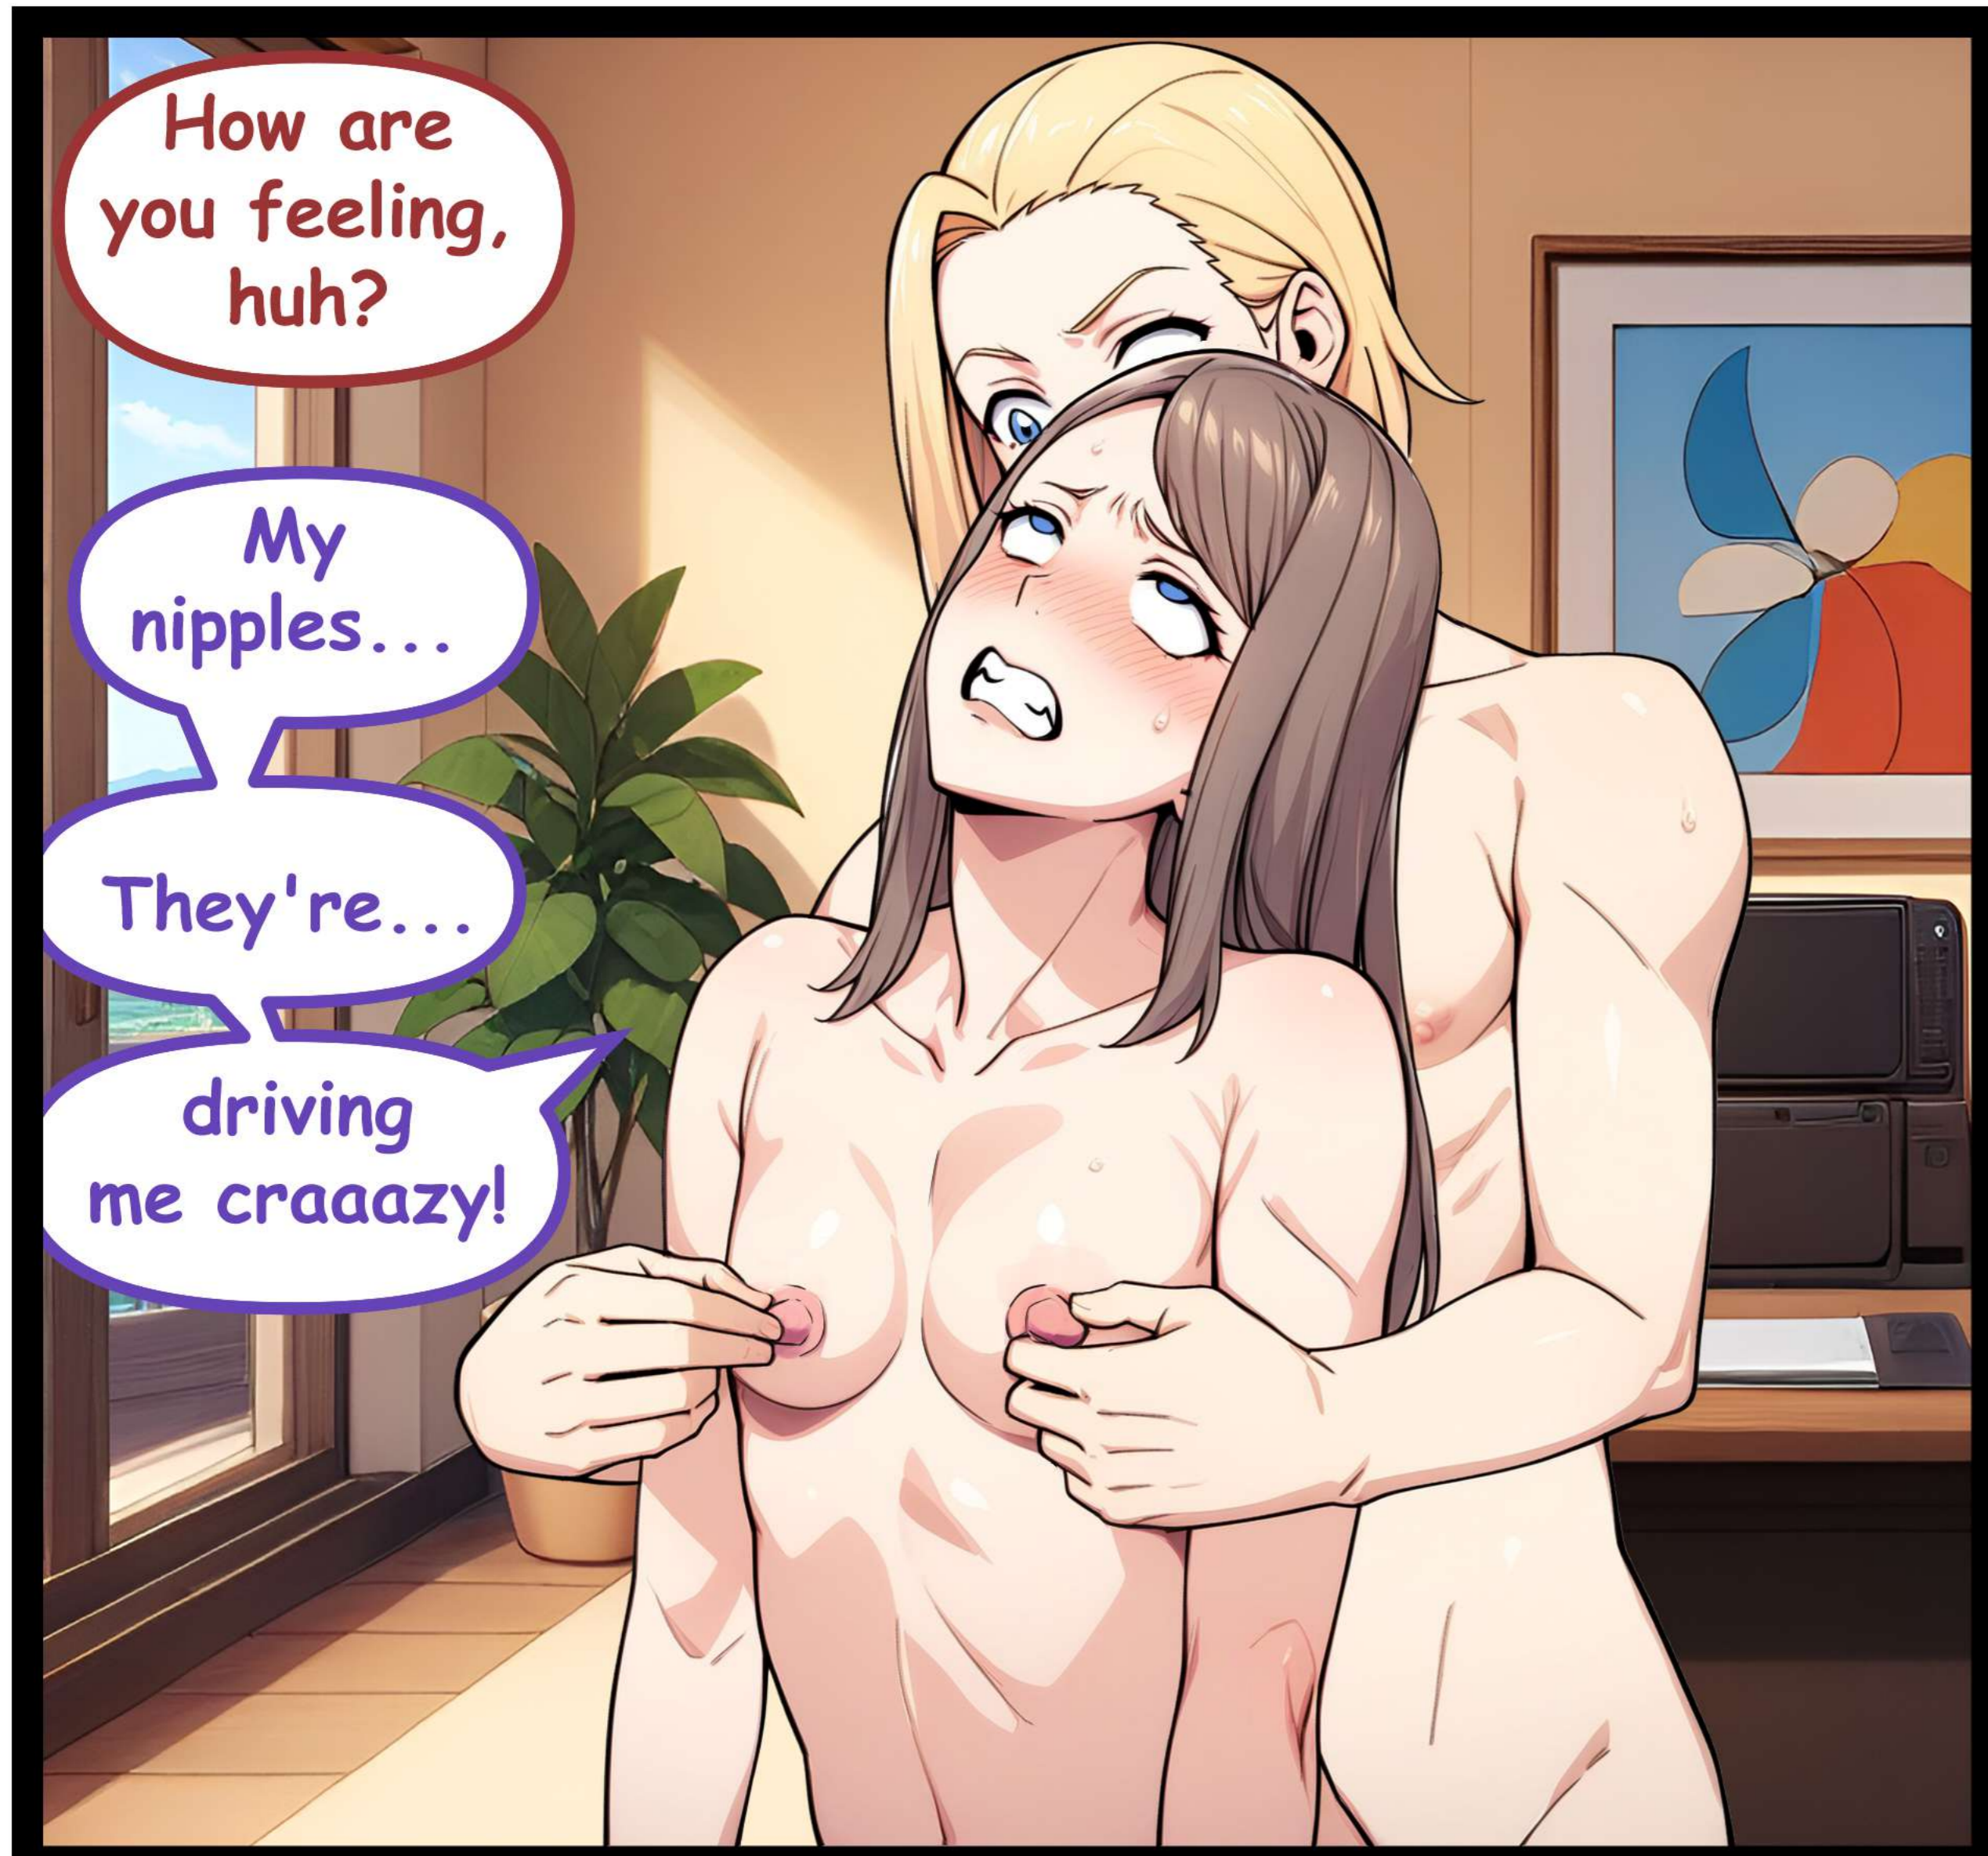

As
a reward
I'm going to
turn you into
a girl today

Just do
whatever you
want!

Just let
me cum!

I don't care
anymore!

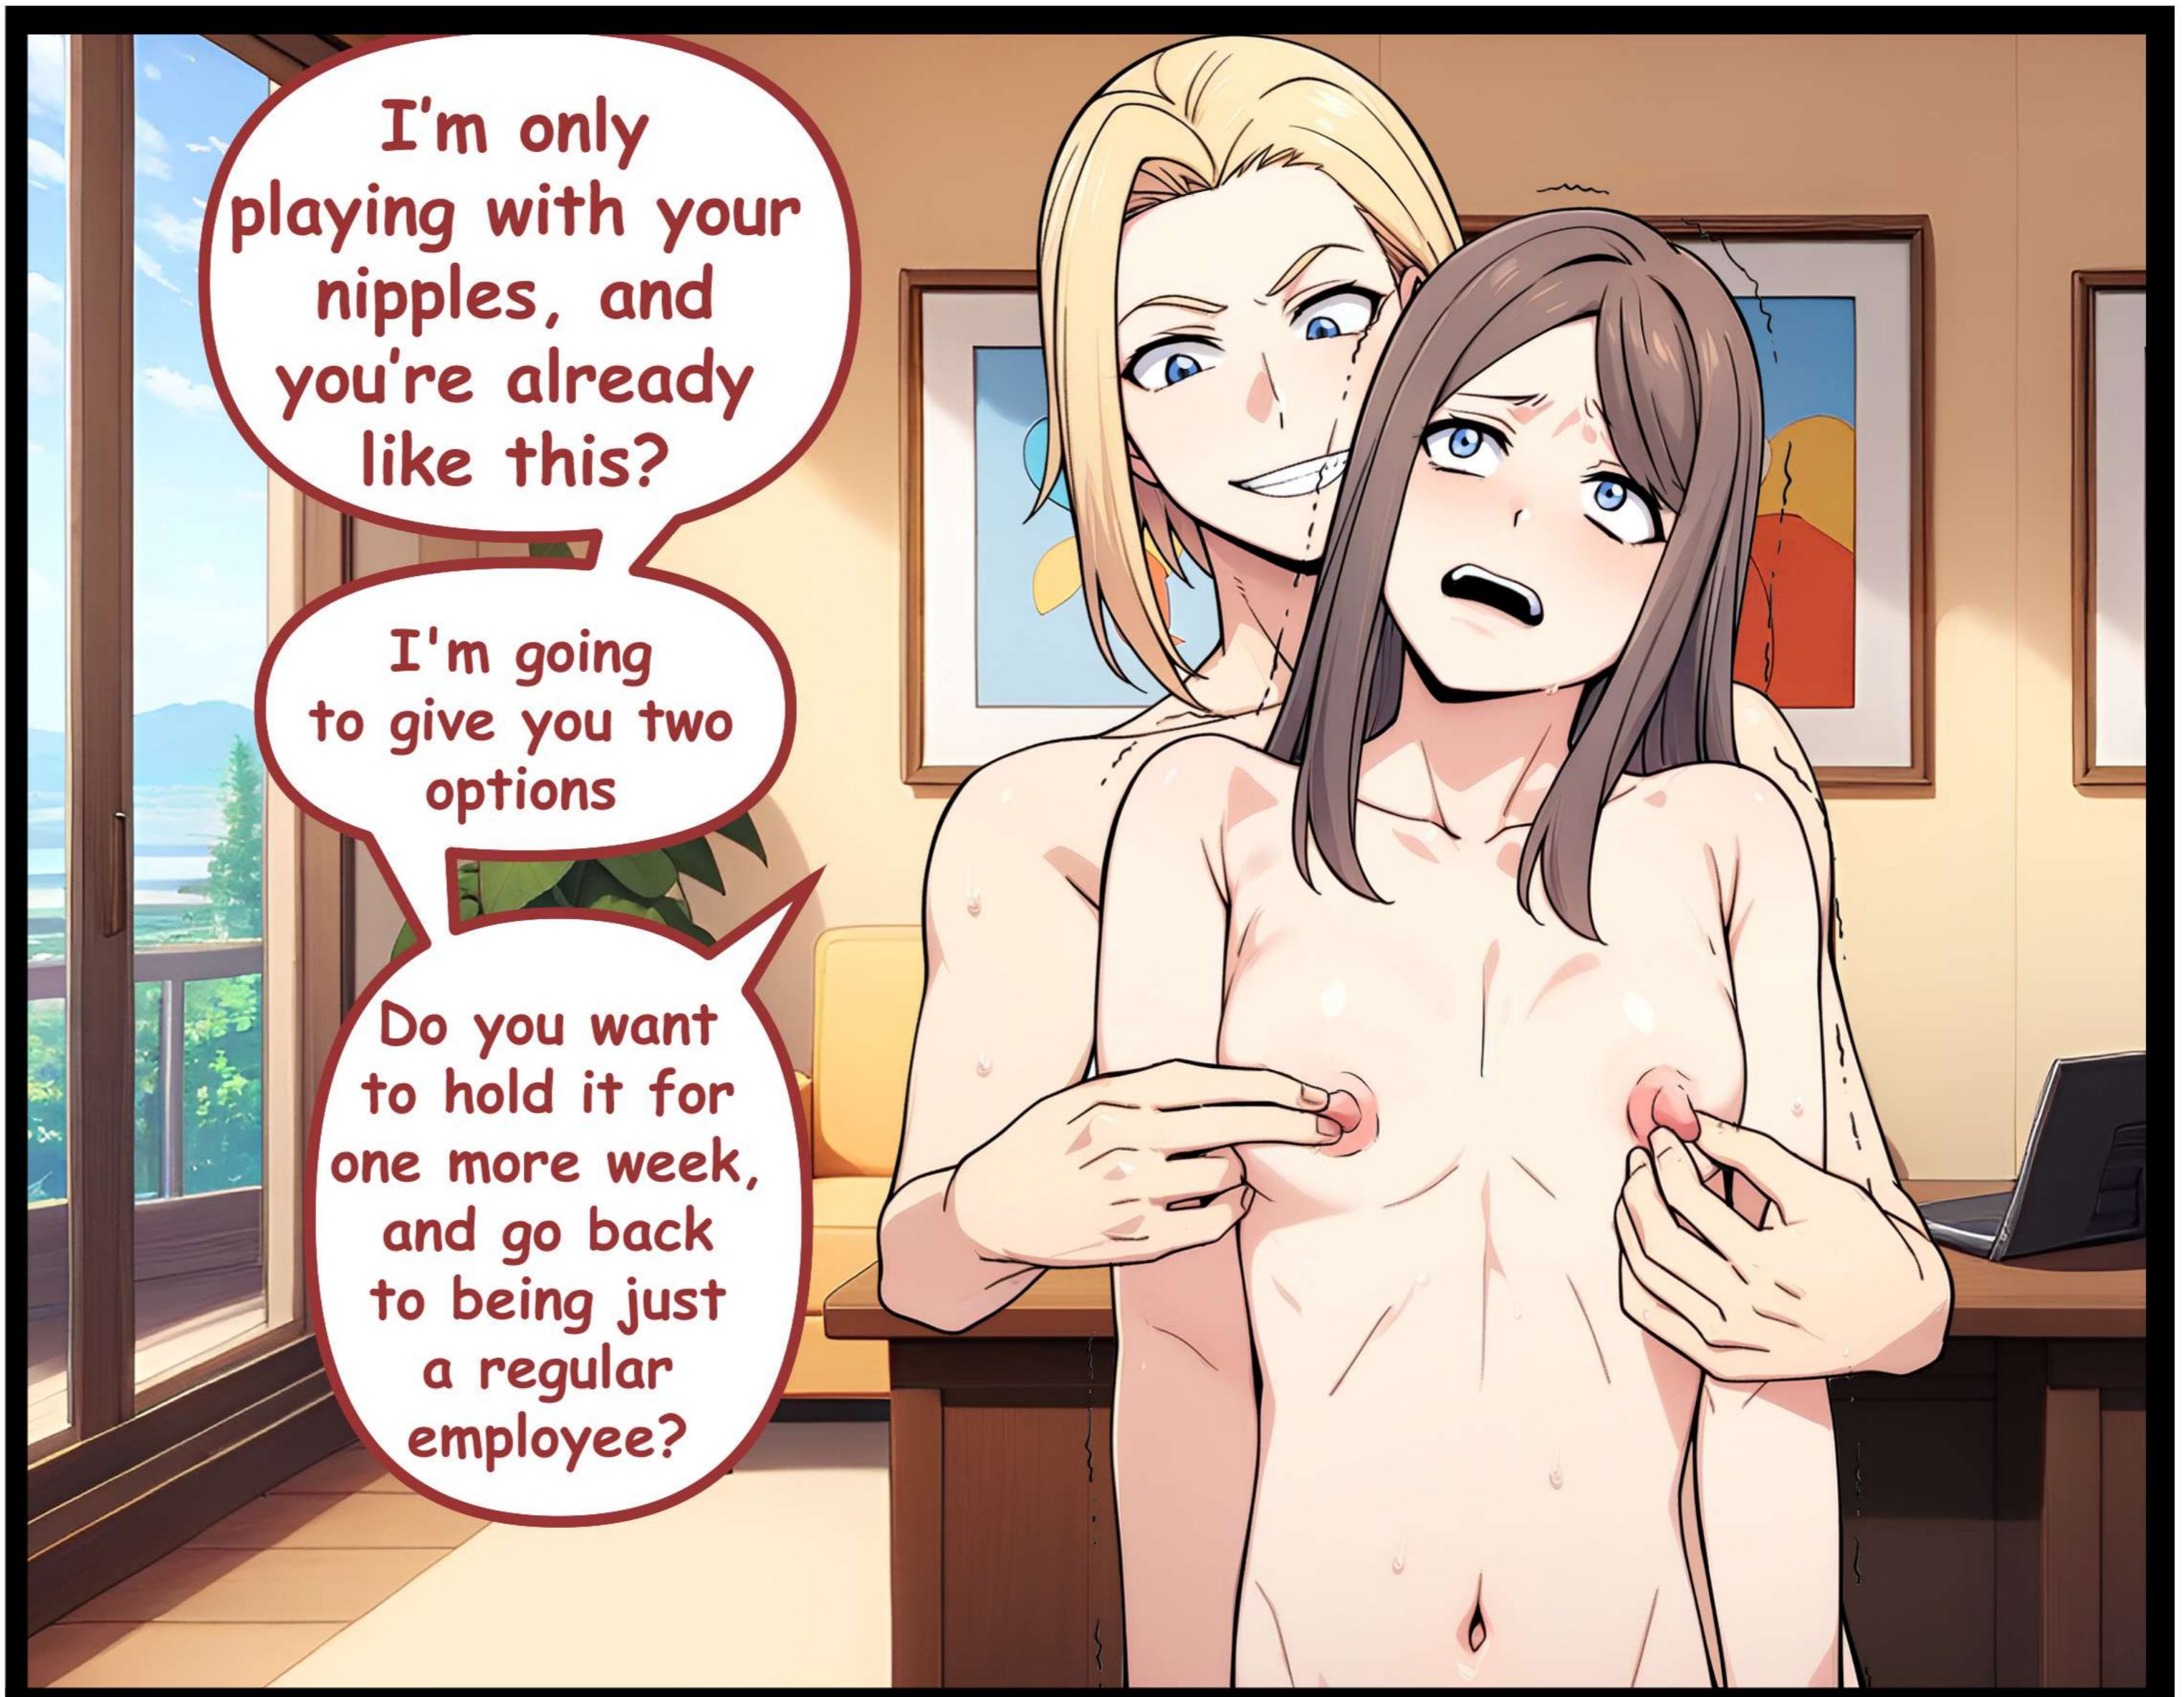

How are you feeling, huh?

My nipples...

They're...

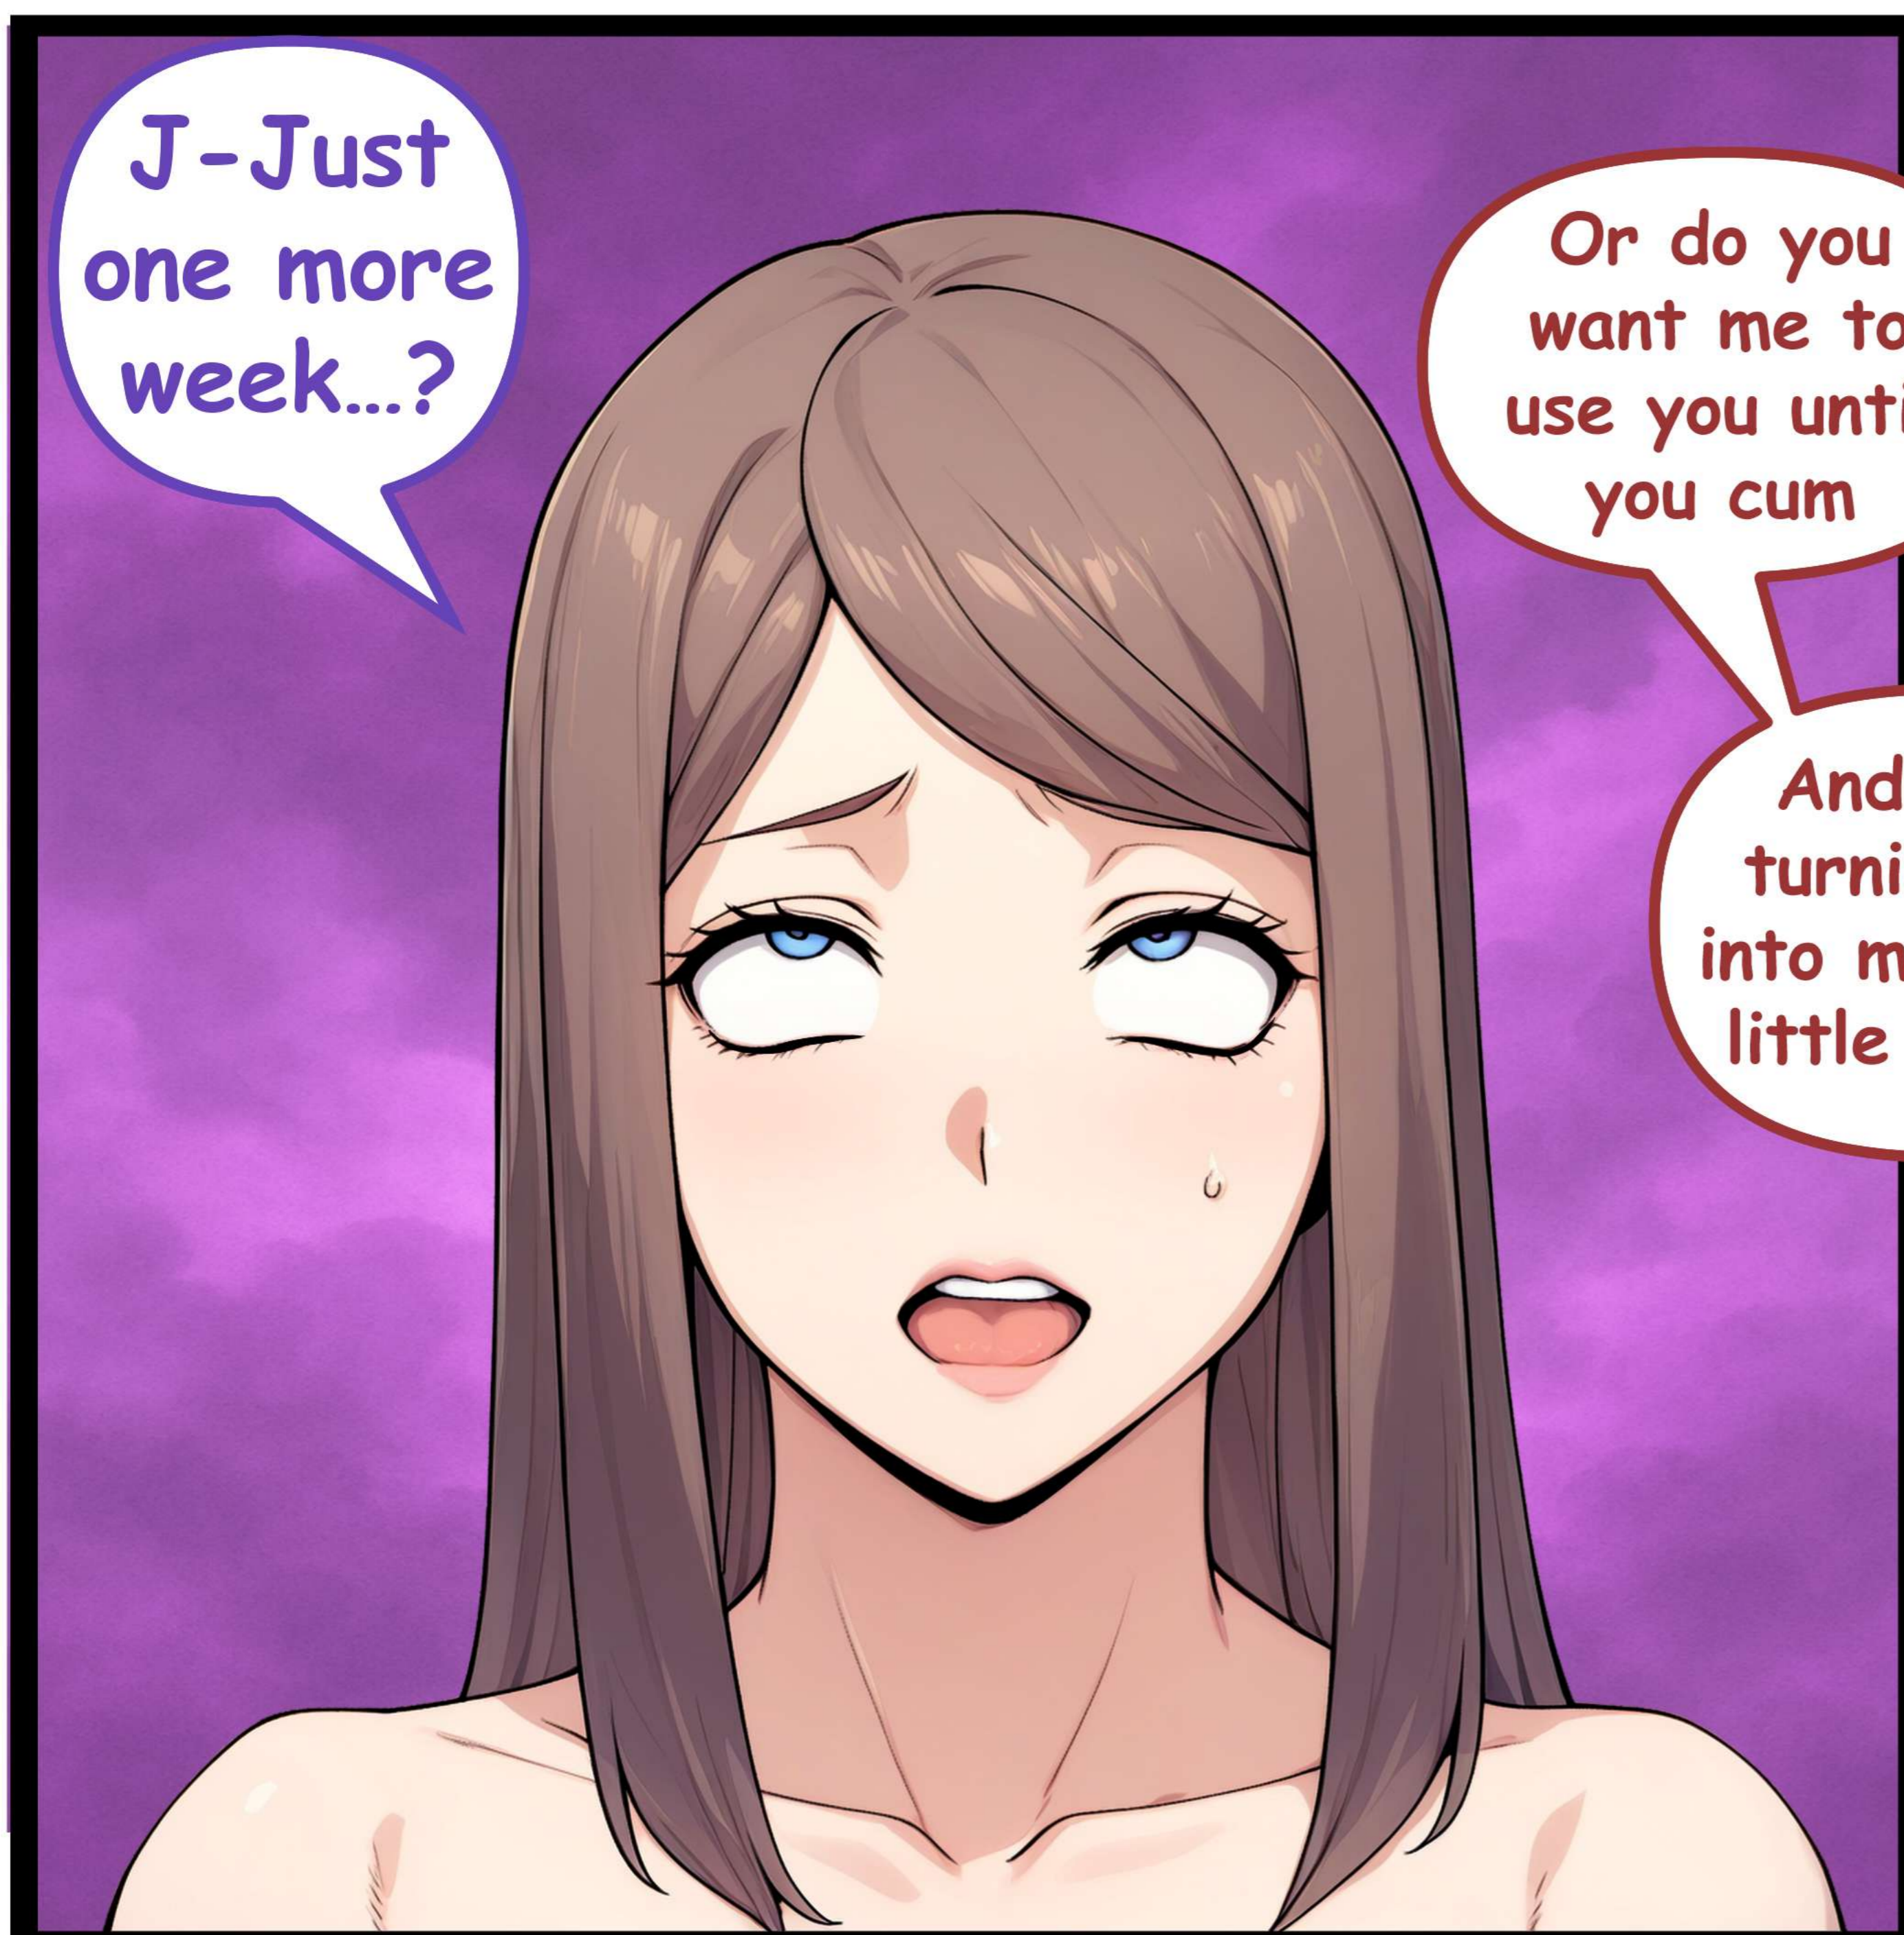

driving me craazy!

I'm only playing with your nipples, and you're already like this?

I'm going to give you two options

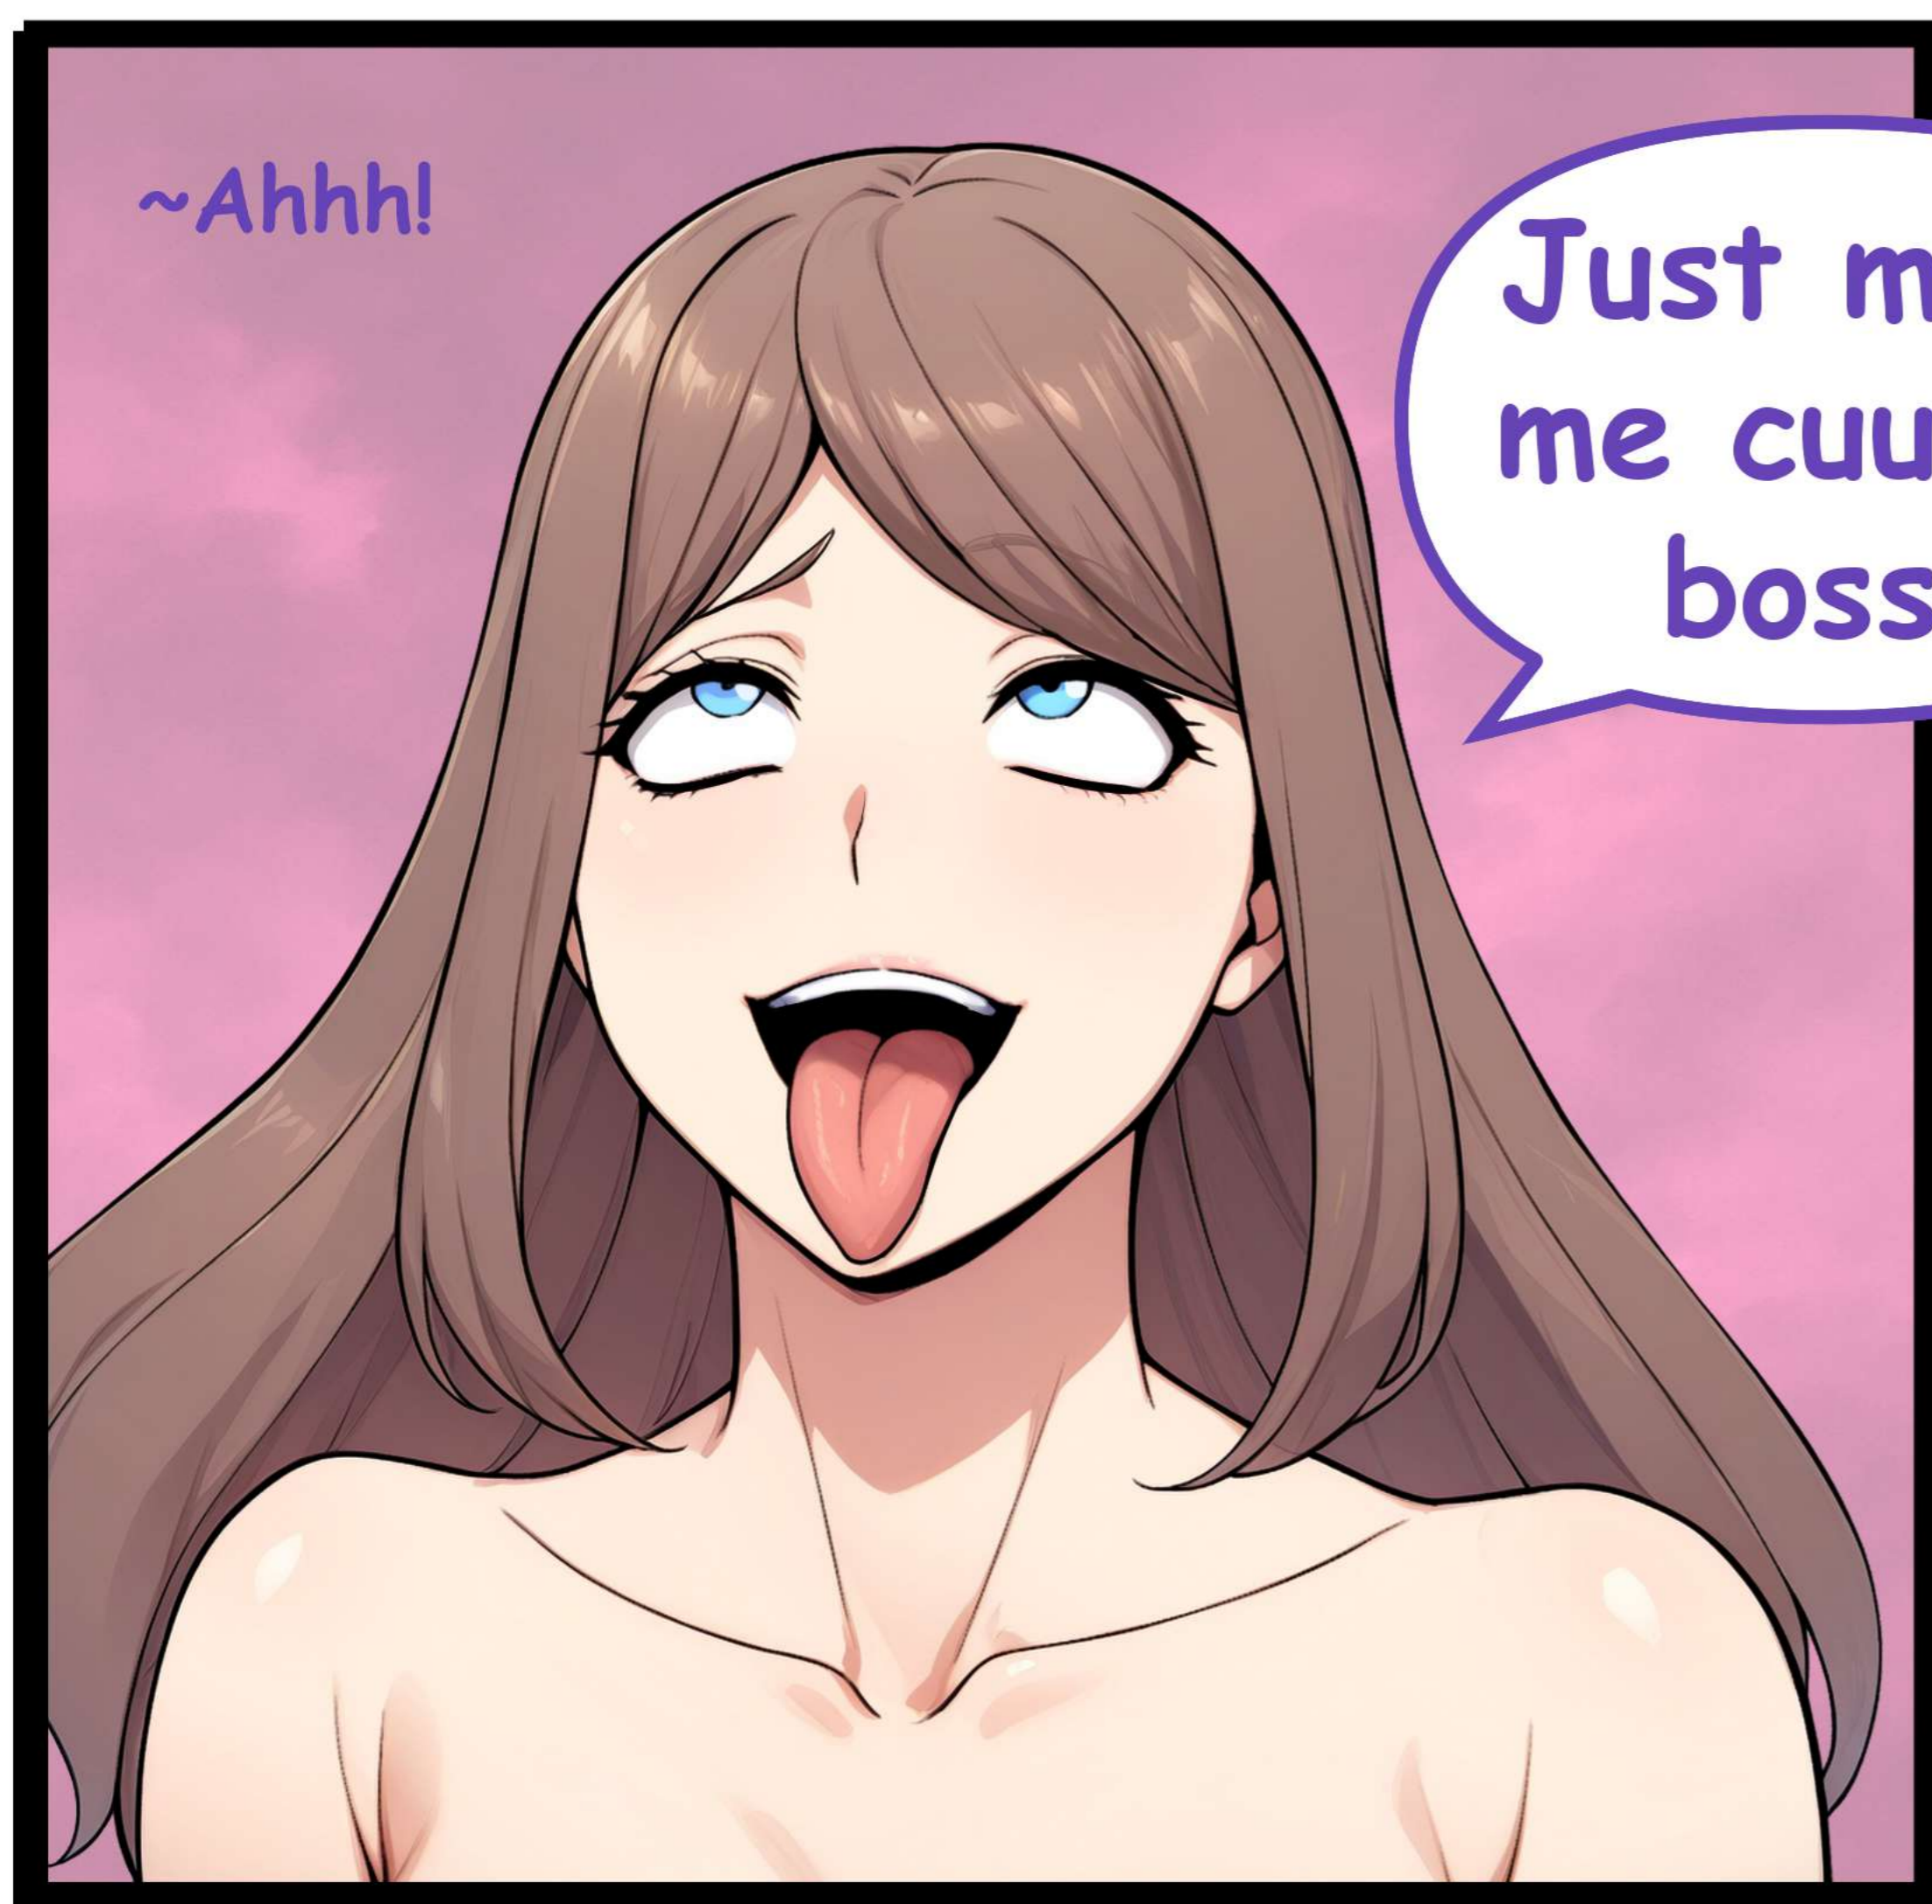

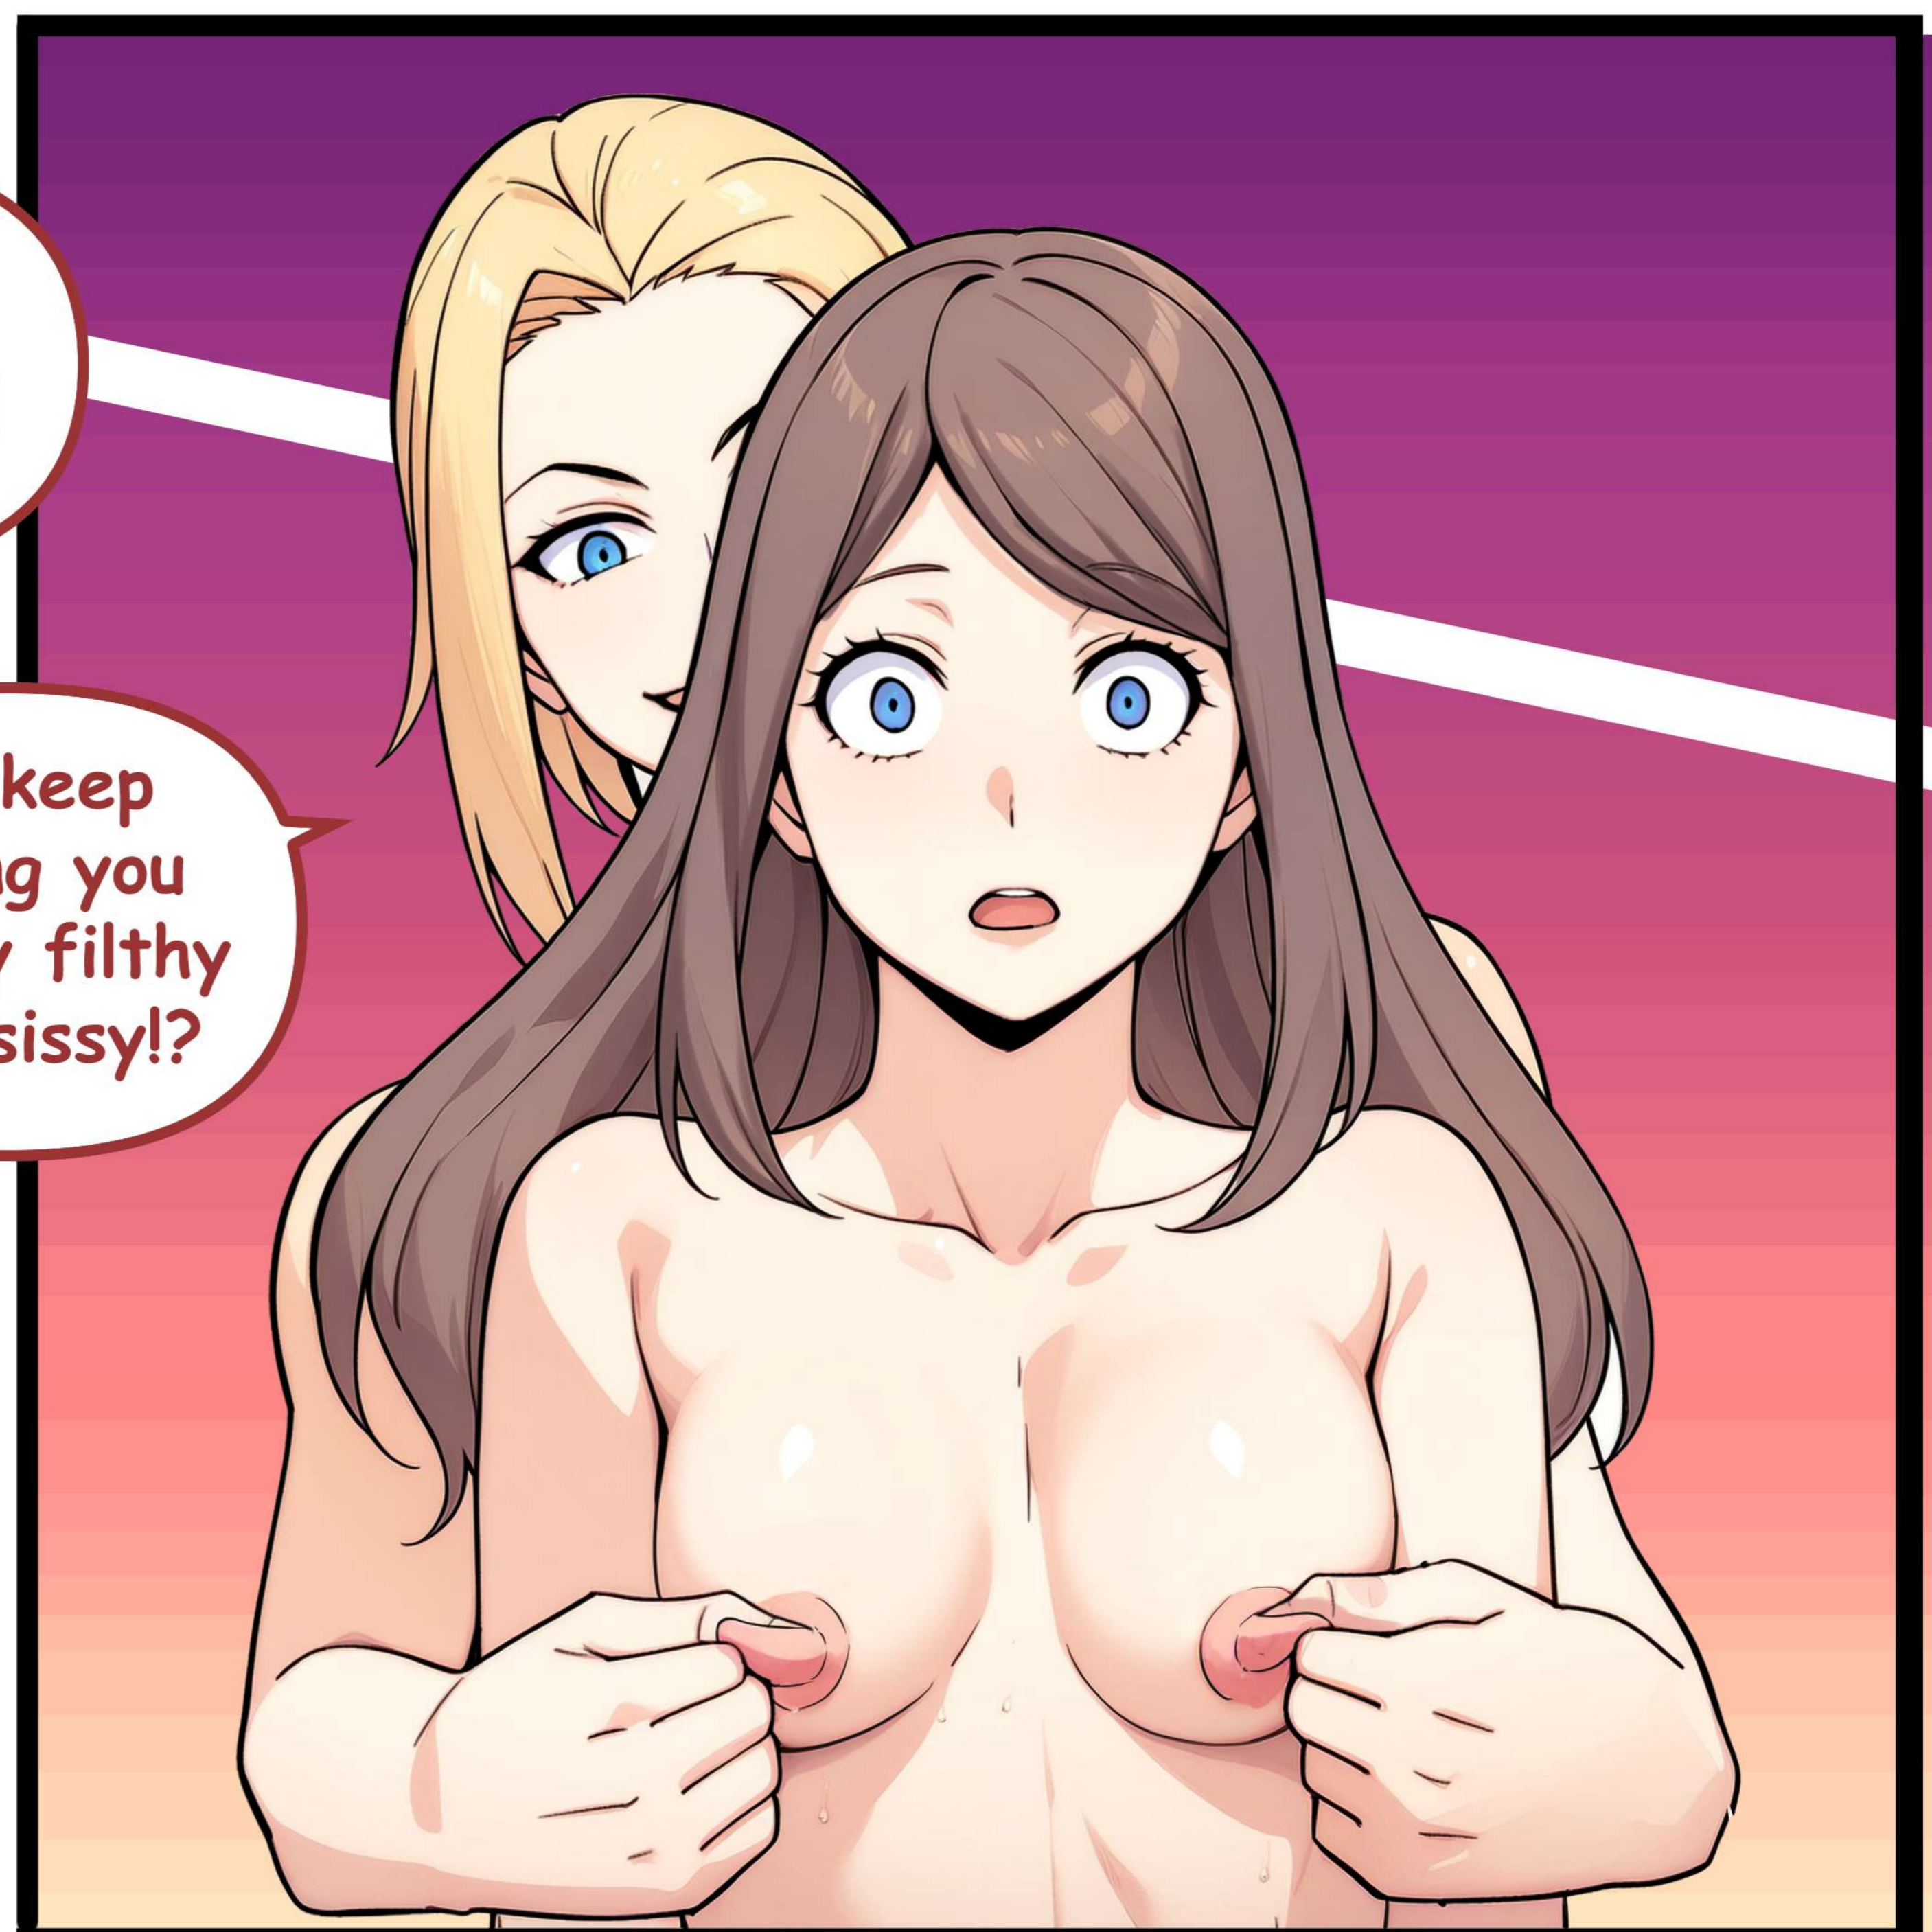

Do you want to hold it for one more week, and go back to being just a regular employee?

J-Just one more week...?

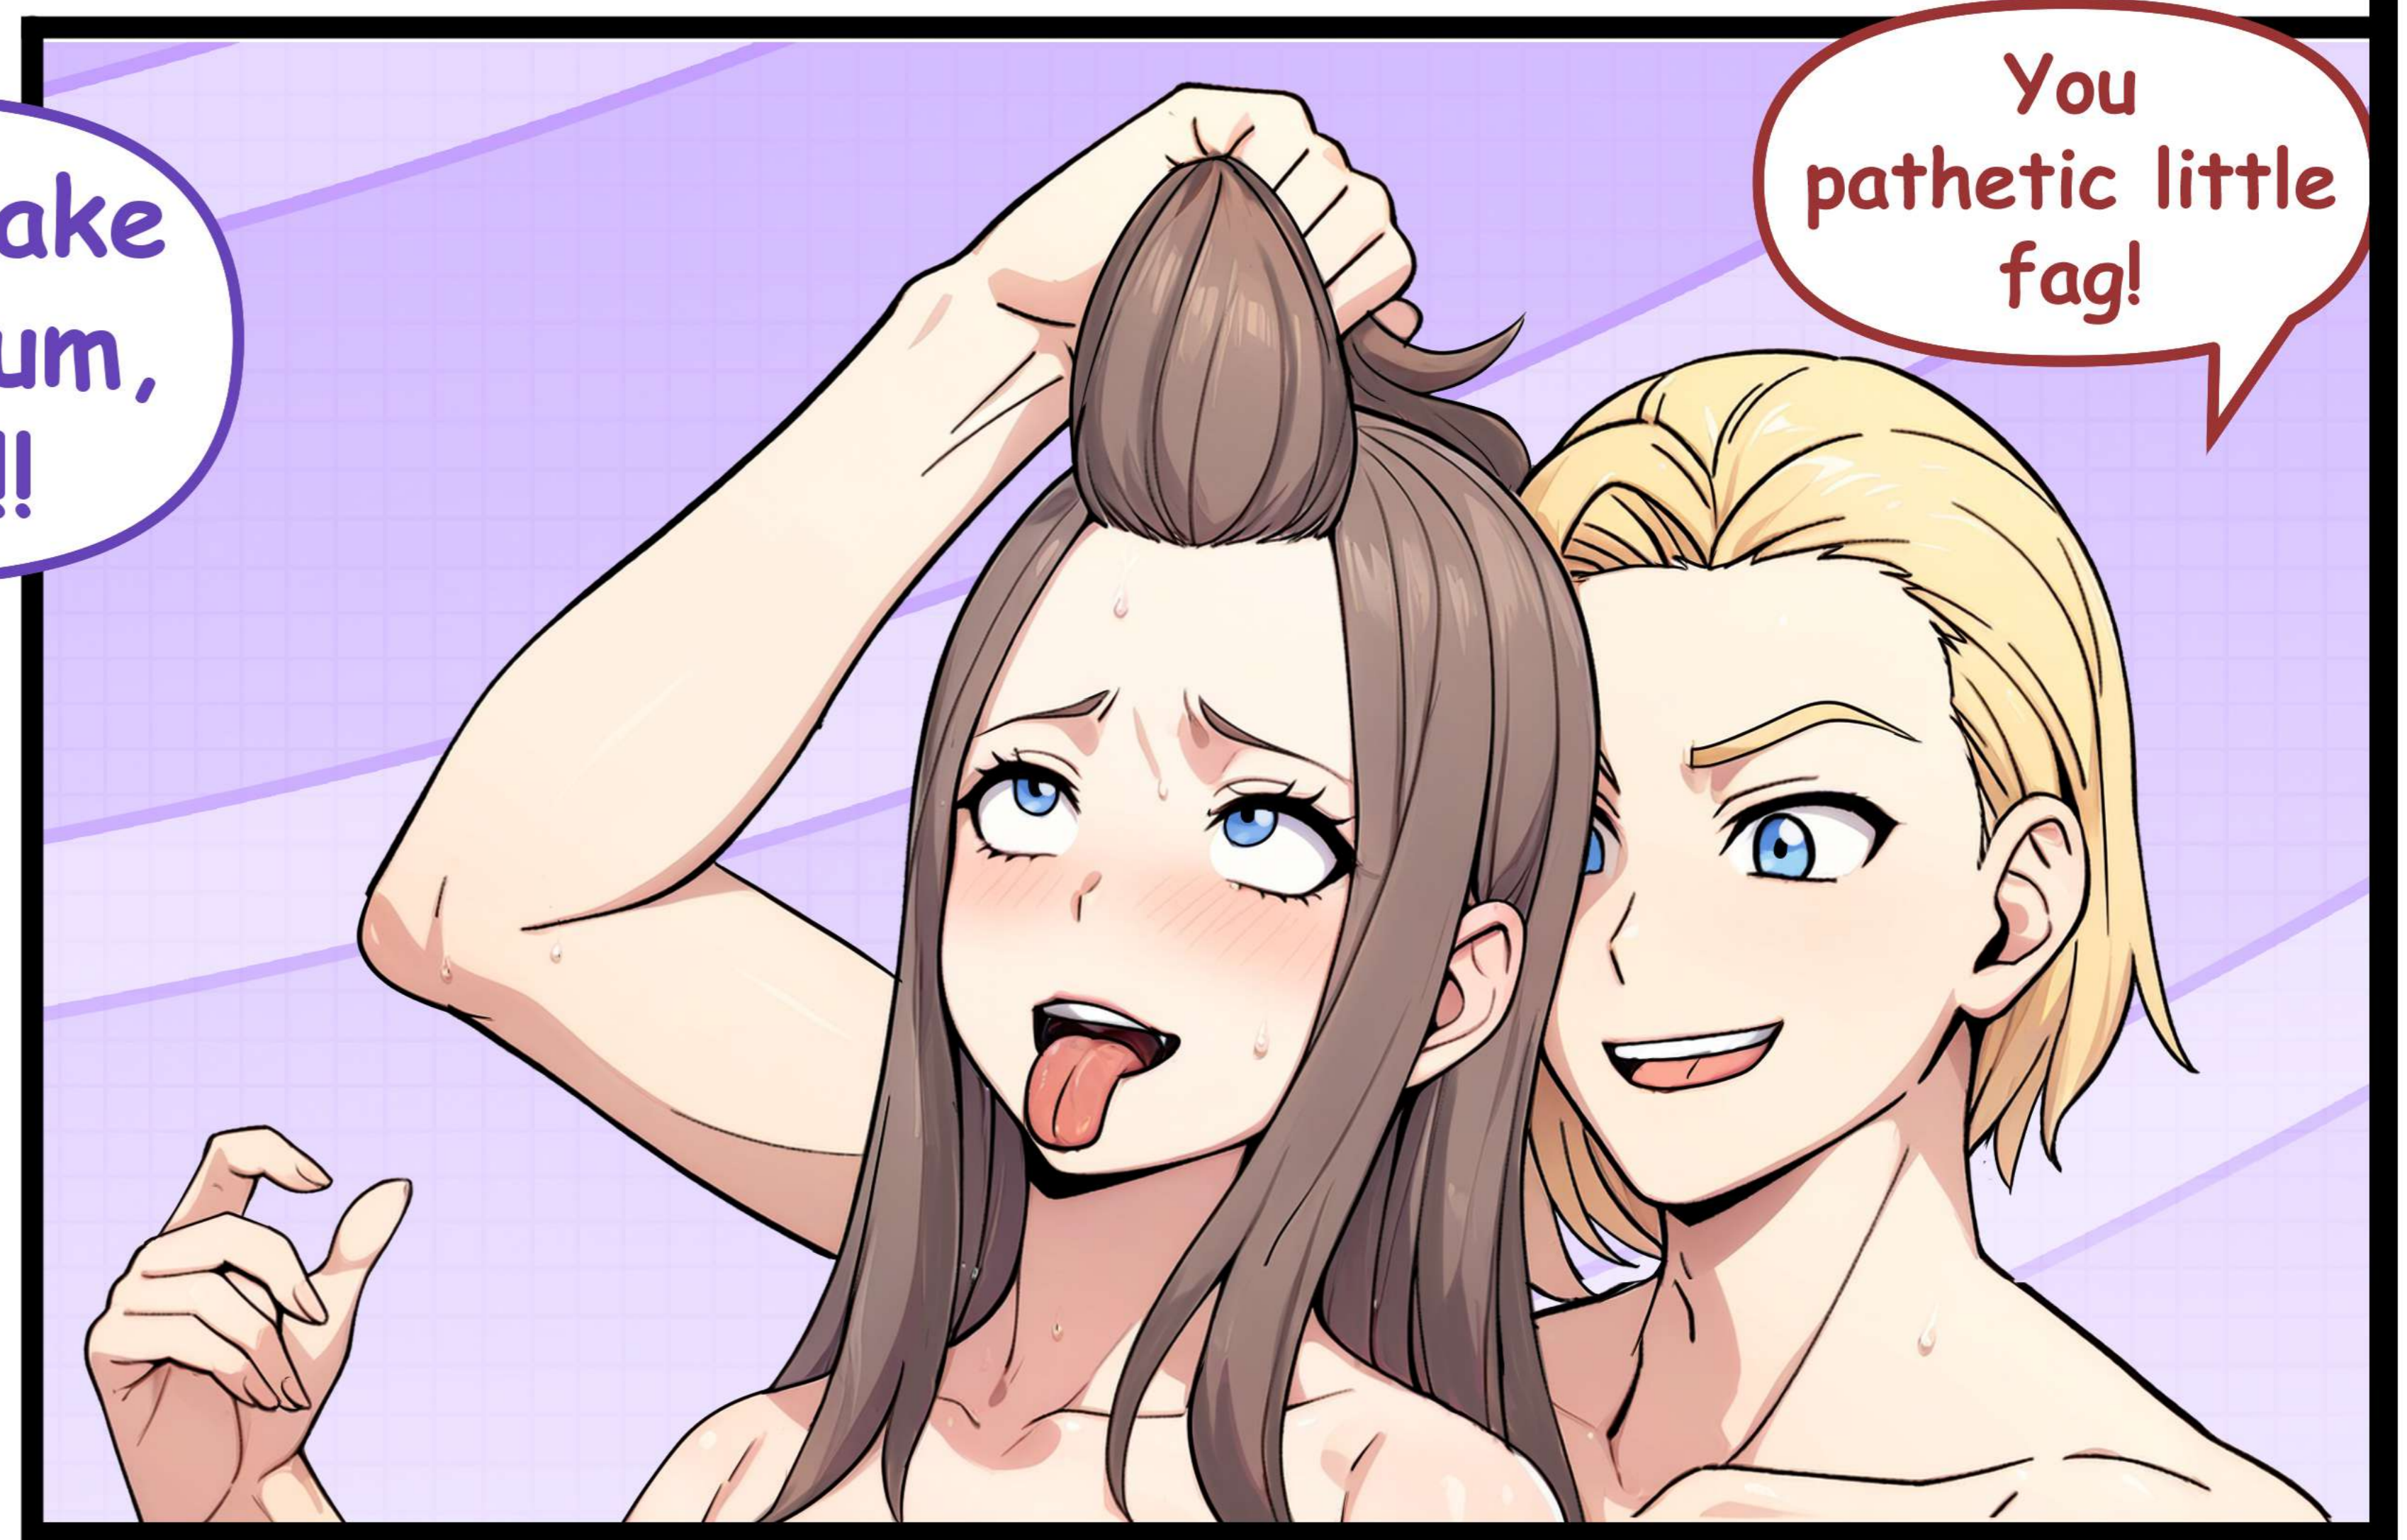

Or do you want me to use you until you cum

And keep turning you into my filthy little sissy!?

~Ahhh!

Just make me cuuum, boss!!

You pathetic little fag!

You gave in completely after just a few months of training

I really picked the filthiest faggot to turn into my personal toy

Ahhh nooo... ahhh! I'm not a filthy faggot!

Oh really?

A guy who loses his mind getting used and dominated by his boss?

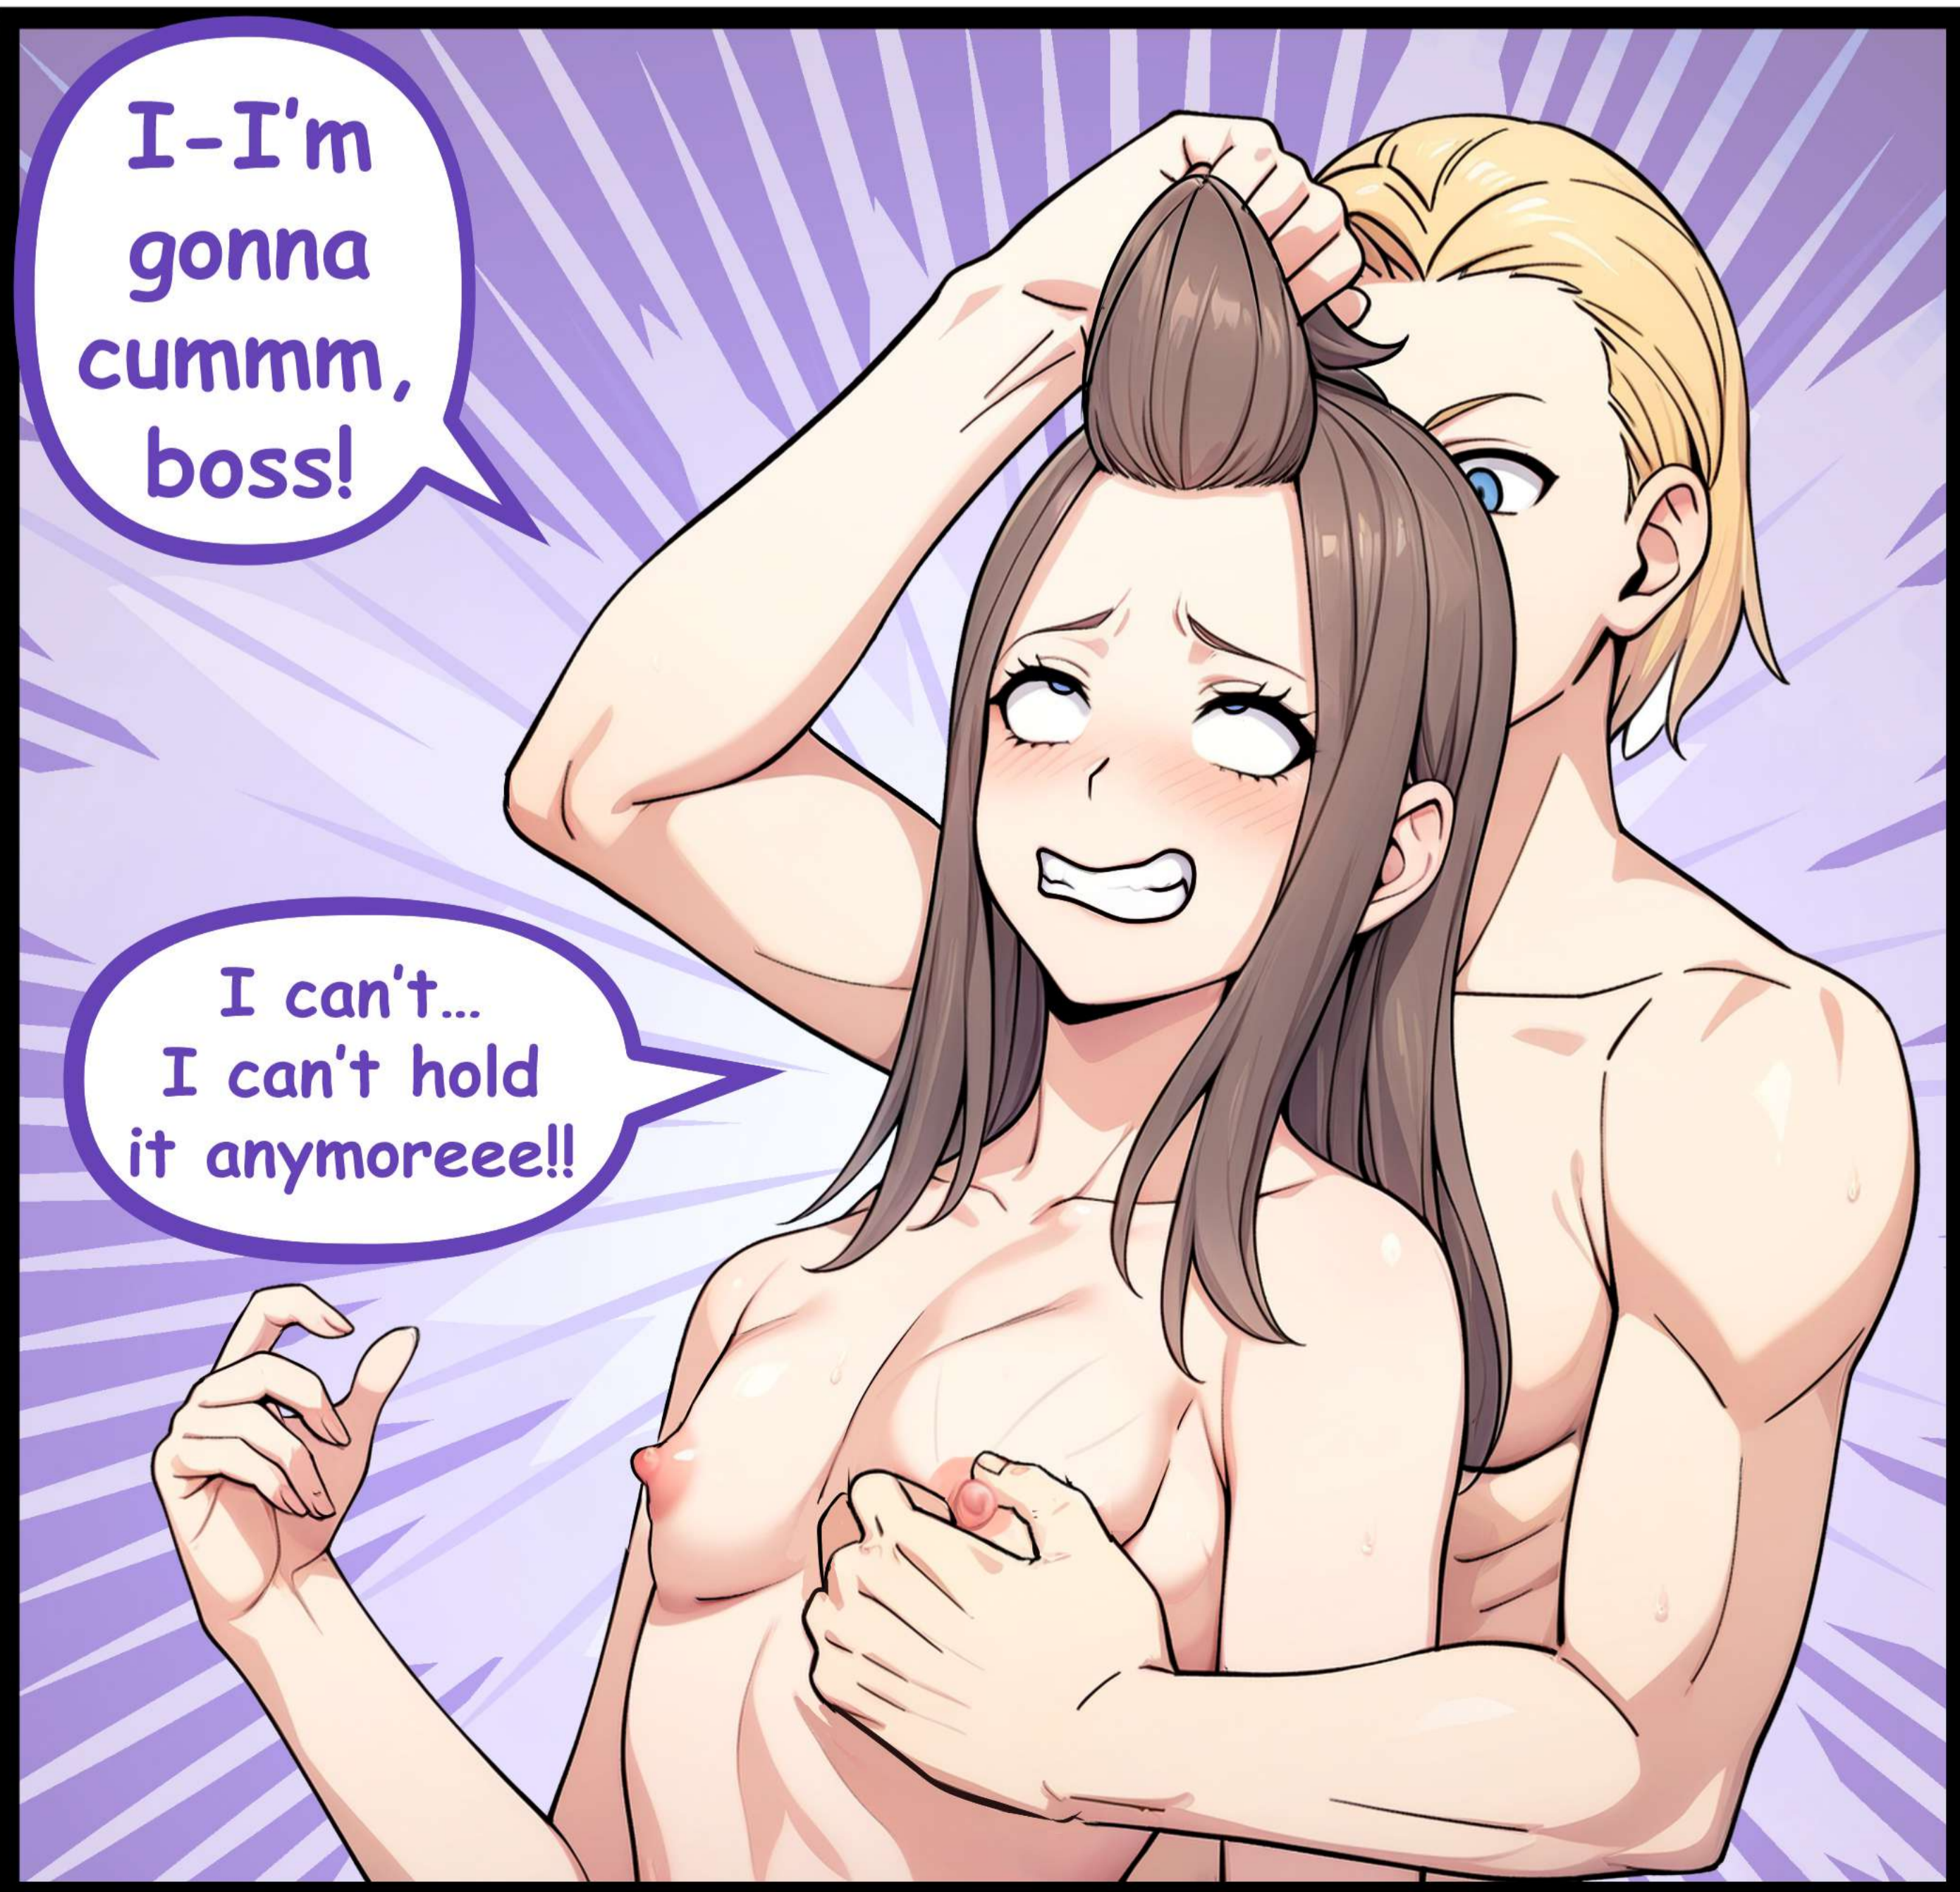

You're not even man enough to be called a fag

Wait... are you trying to rub your little clit

while I'm fucking you?

Hahaha... you're hopeless!

I-I'm gonna cummm, boss!

I can't... I can't hold it anymoreee!!

Ah...
Ahhhhhhh...
I'm cumming...
booooo!

Good girl.
You came
without even touching
your pathetic little
cock.

I'm your
good girl...
Boss's
good girl...

Ahhh...
yesss...

To celebrate,
how about I
take you out
tomorrow to change
your look?

I love
chicks with
really
long hair...

but I
already
have the
perfect idea
for your hair
while it's
growing
out

Please...
boss...

make me
look...

just like
you want...

You'll look
even more
like the
hopeless faggot
you truly are

Yes...
boss...

I can't believe I actually agreed to let the boss choose my haircut...

I really hope he doesn't go overboard and do something extreme with my look.

I mean... I do have a social life, even if I'm not the most outgoing person...

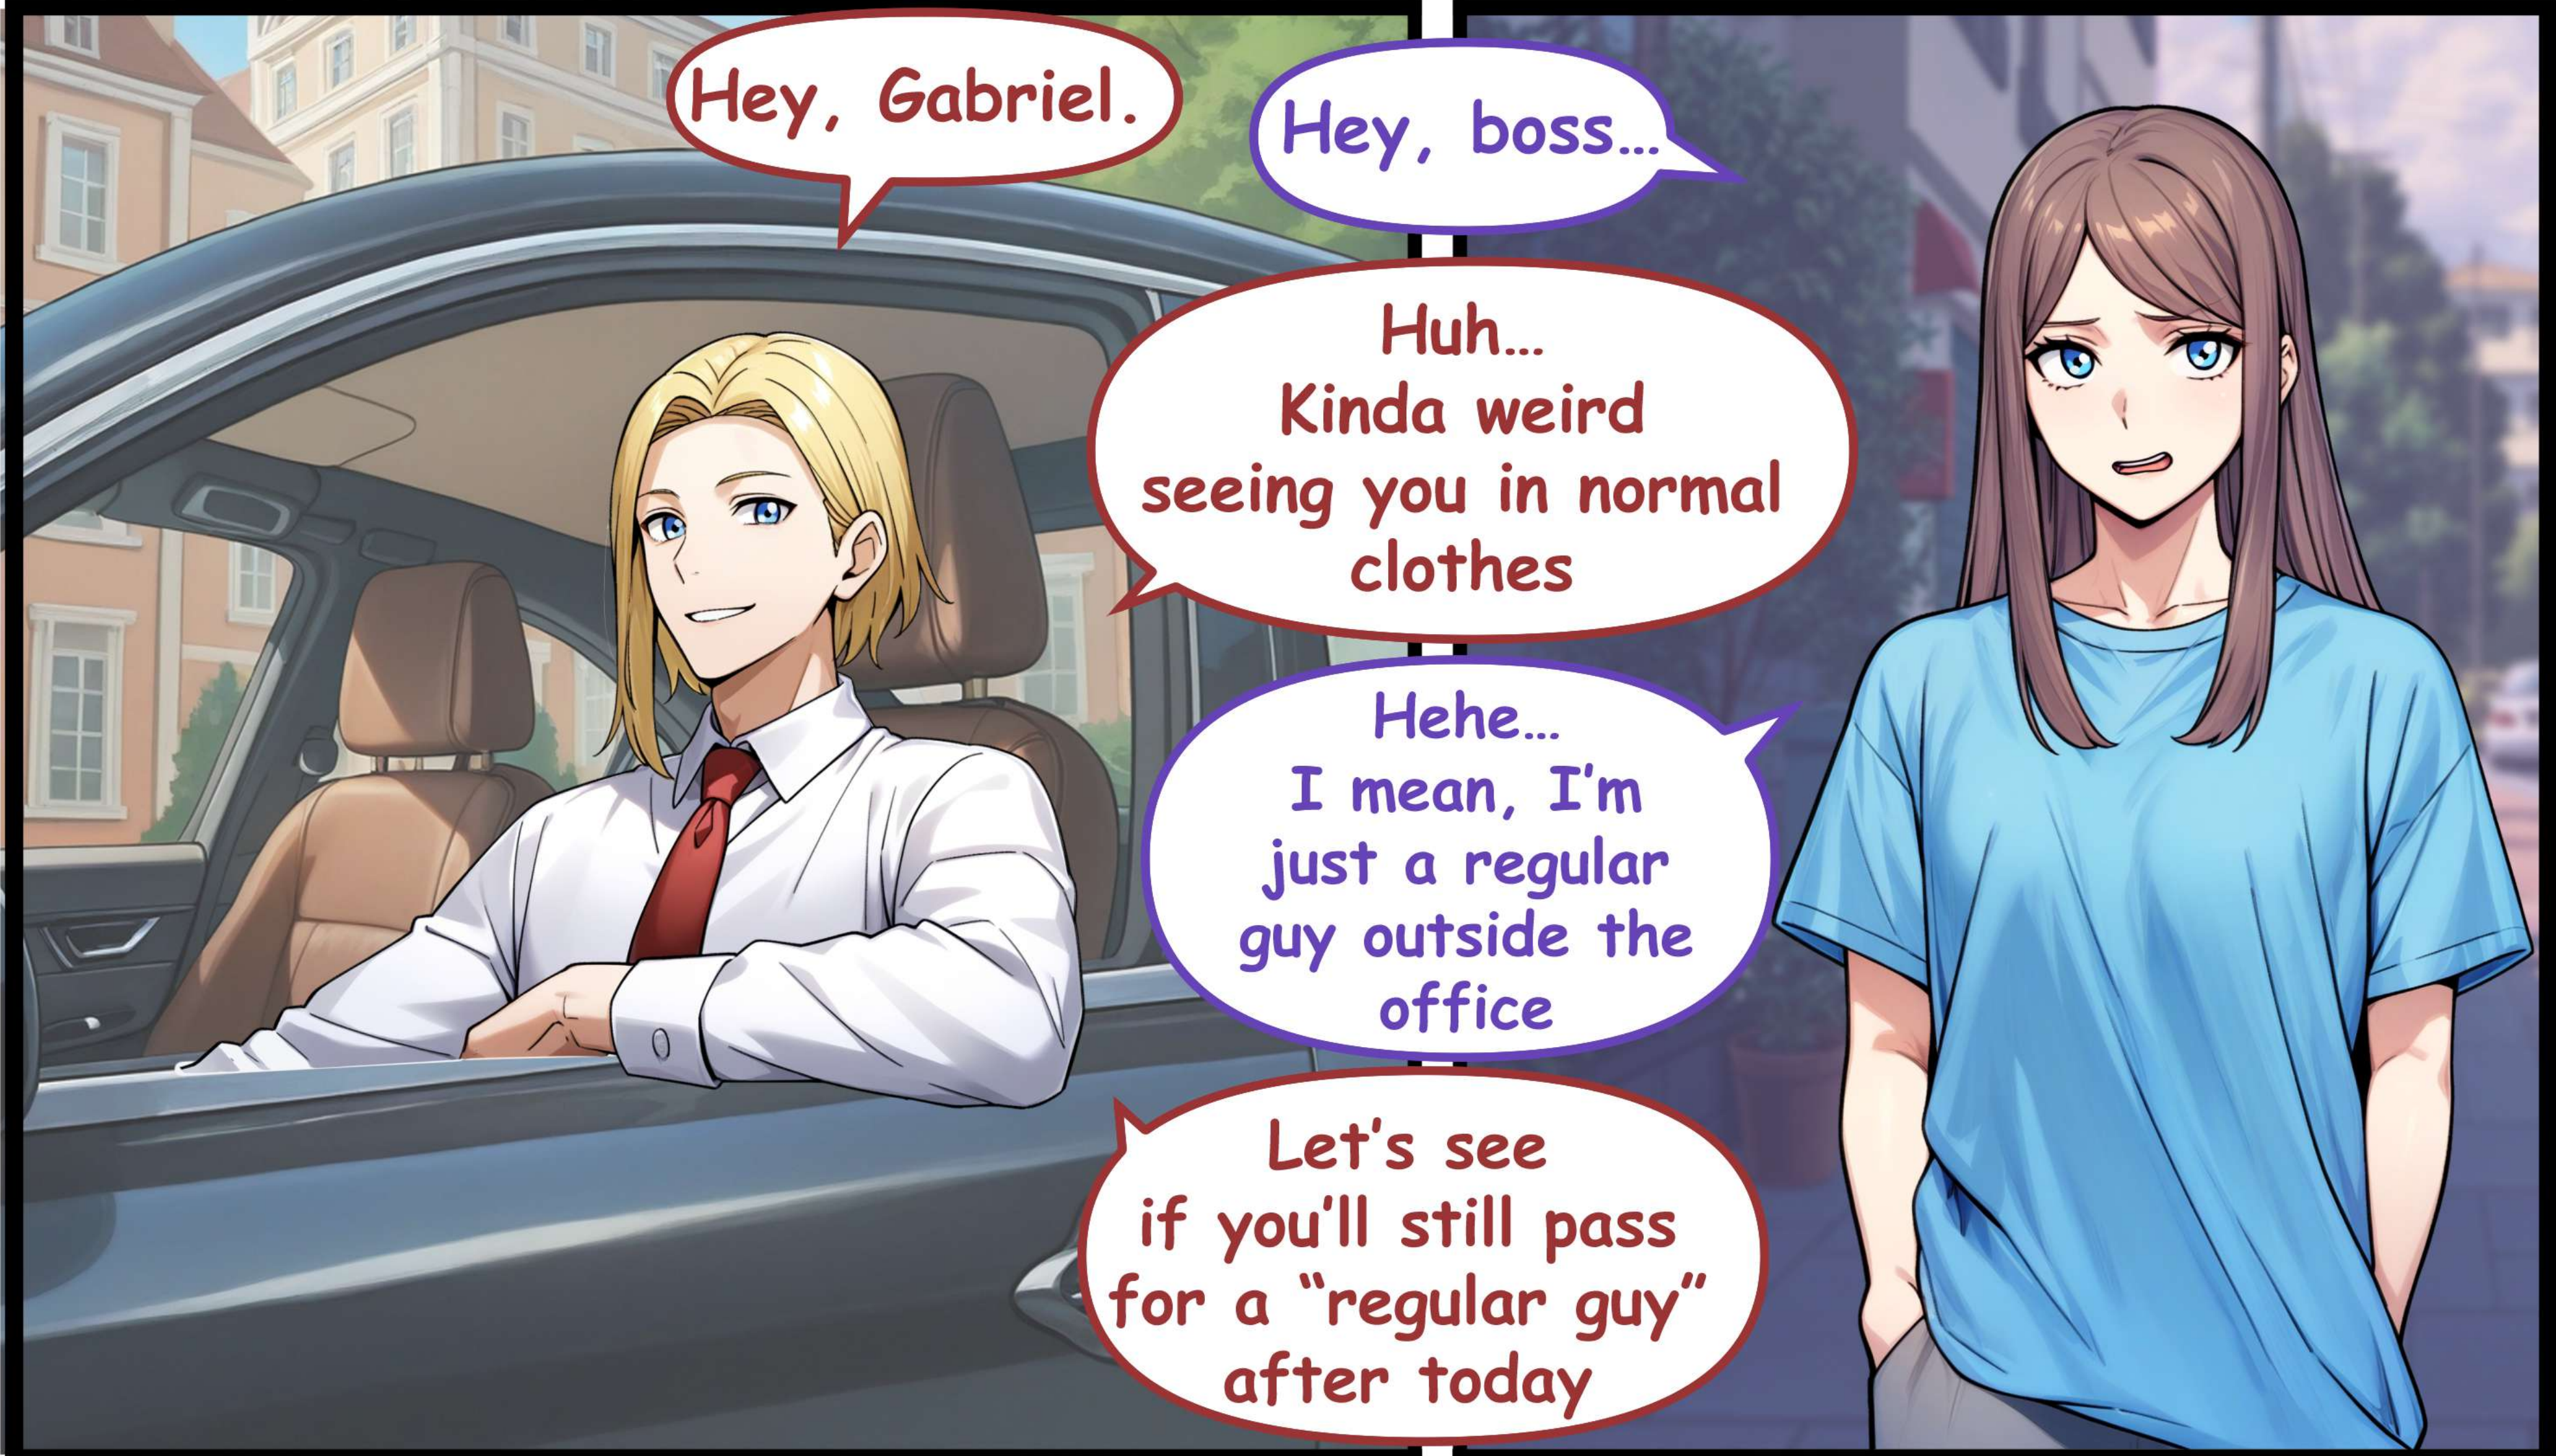

I really need to ask him to tone it down with those things he makes me take...

And whatever the hell he's been injecting into me.

Why do I let him do whatever he wants to me whenever I'm horny?

Next time, I'm definitely having a serious talk with him! ...Definitely...

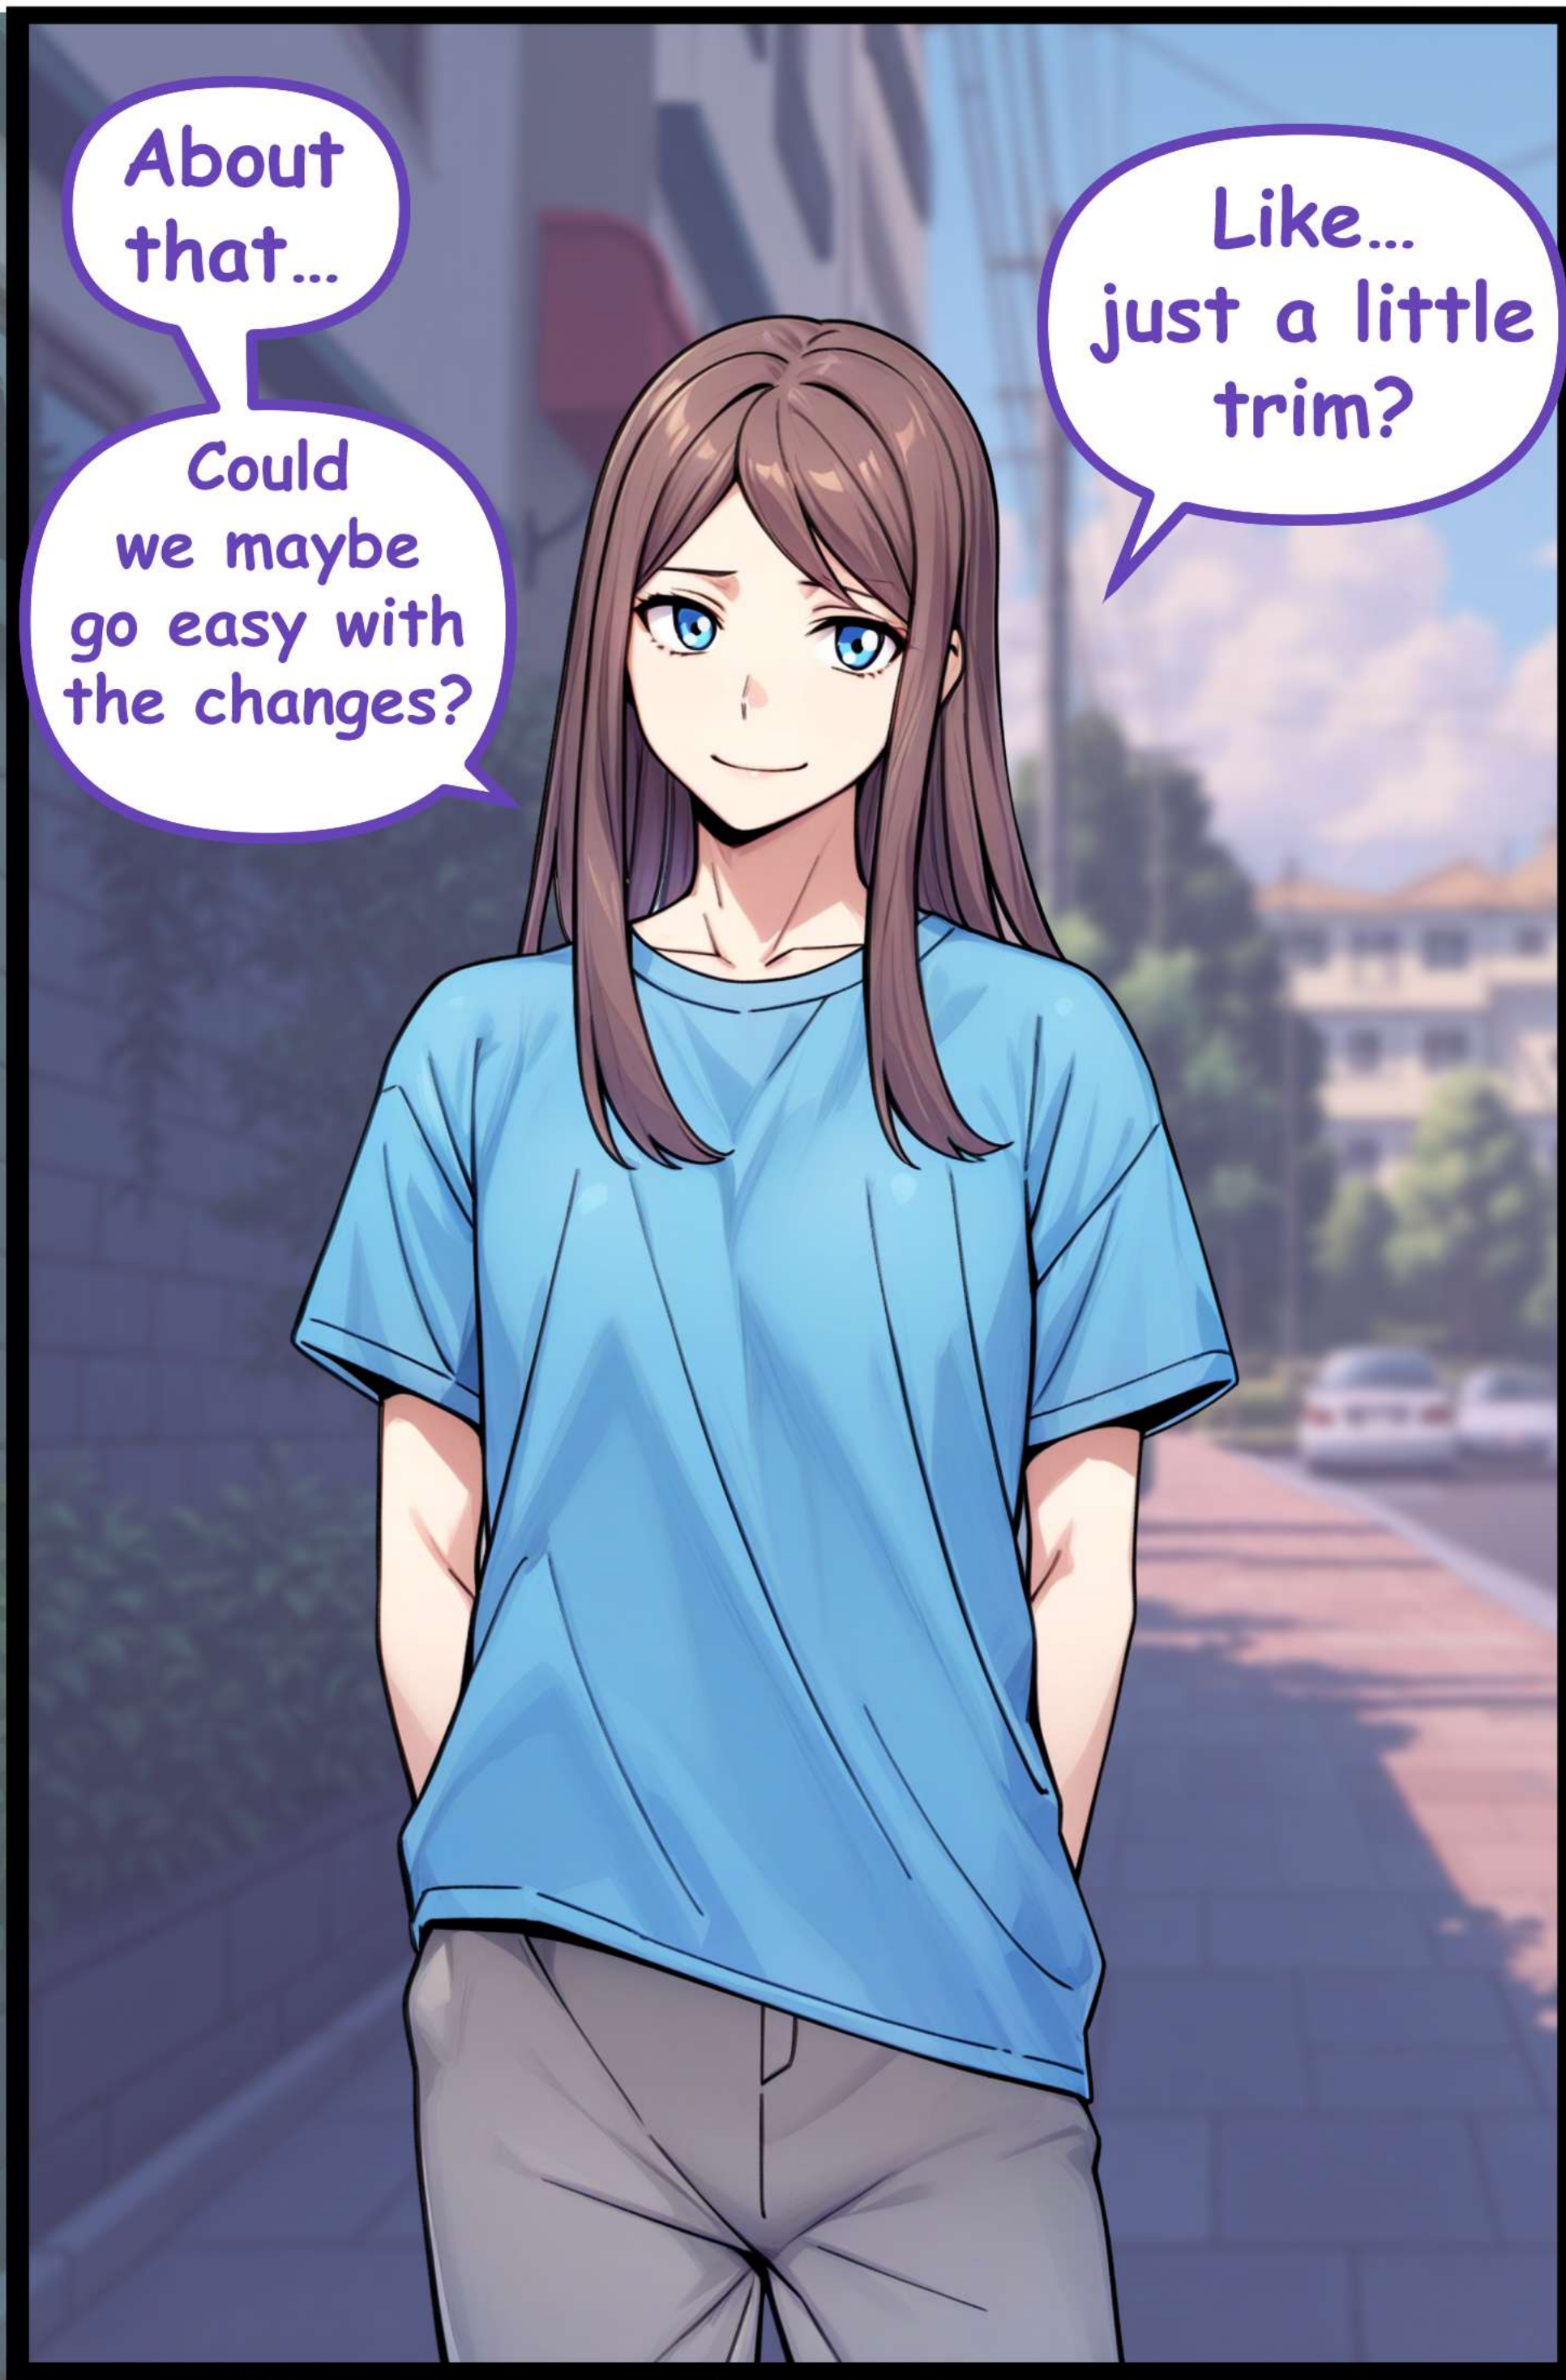

Hey, Gabriel.

Hey, boss...

Huh... Kinda weird seeing you in normal clothes

Hehe... I mean, I'm just a regular guy outside the office

Let's see if you'll still pass for a "regular guy" after today

About that...

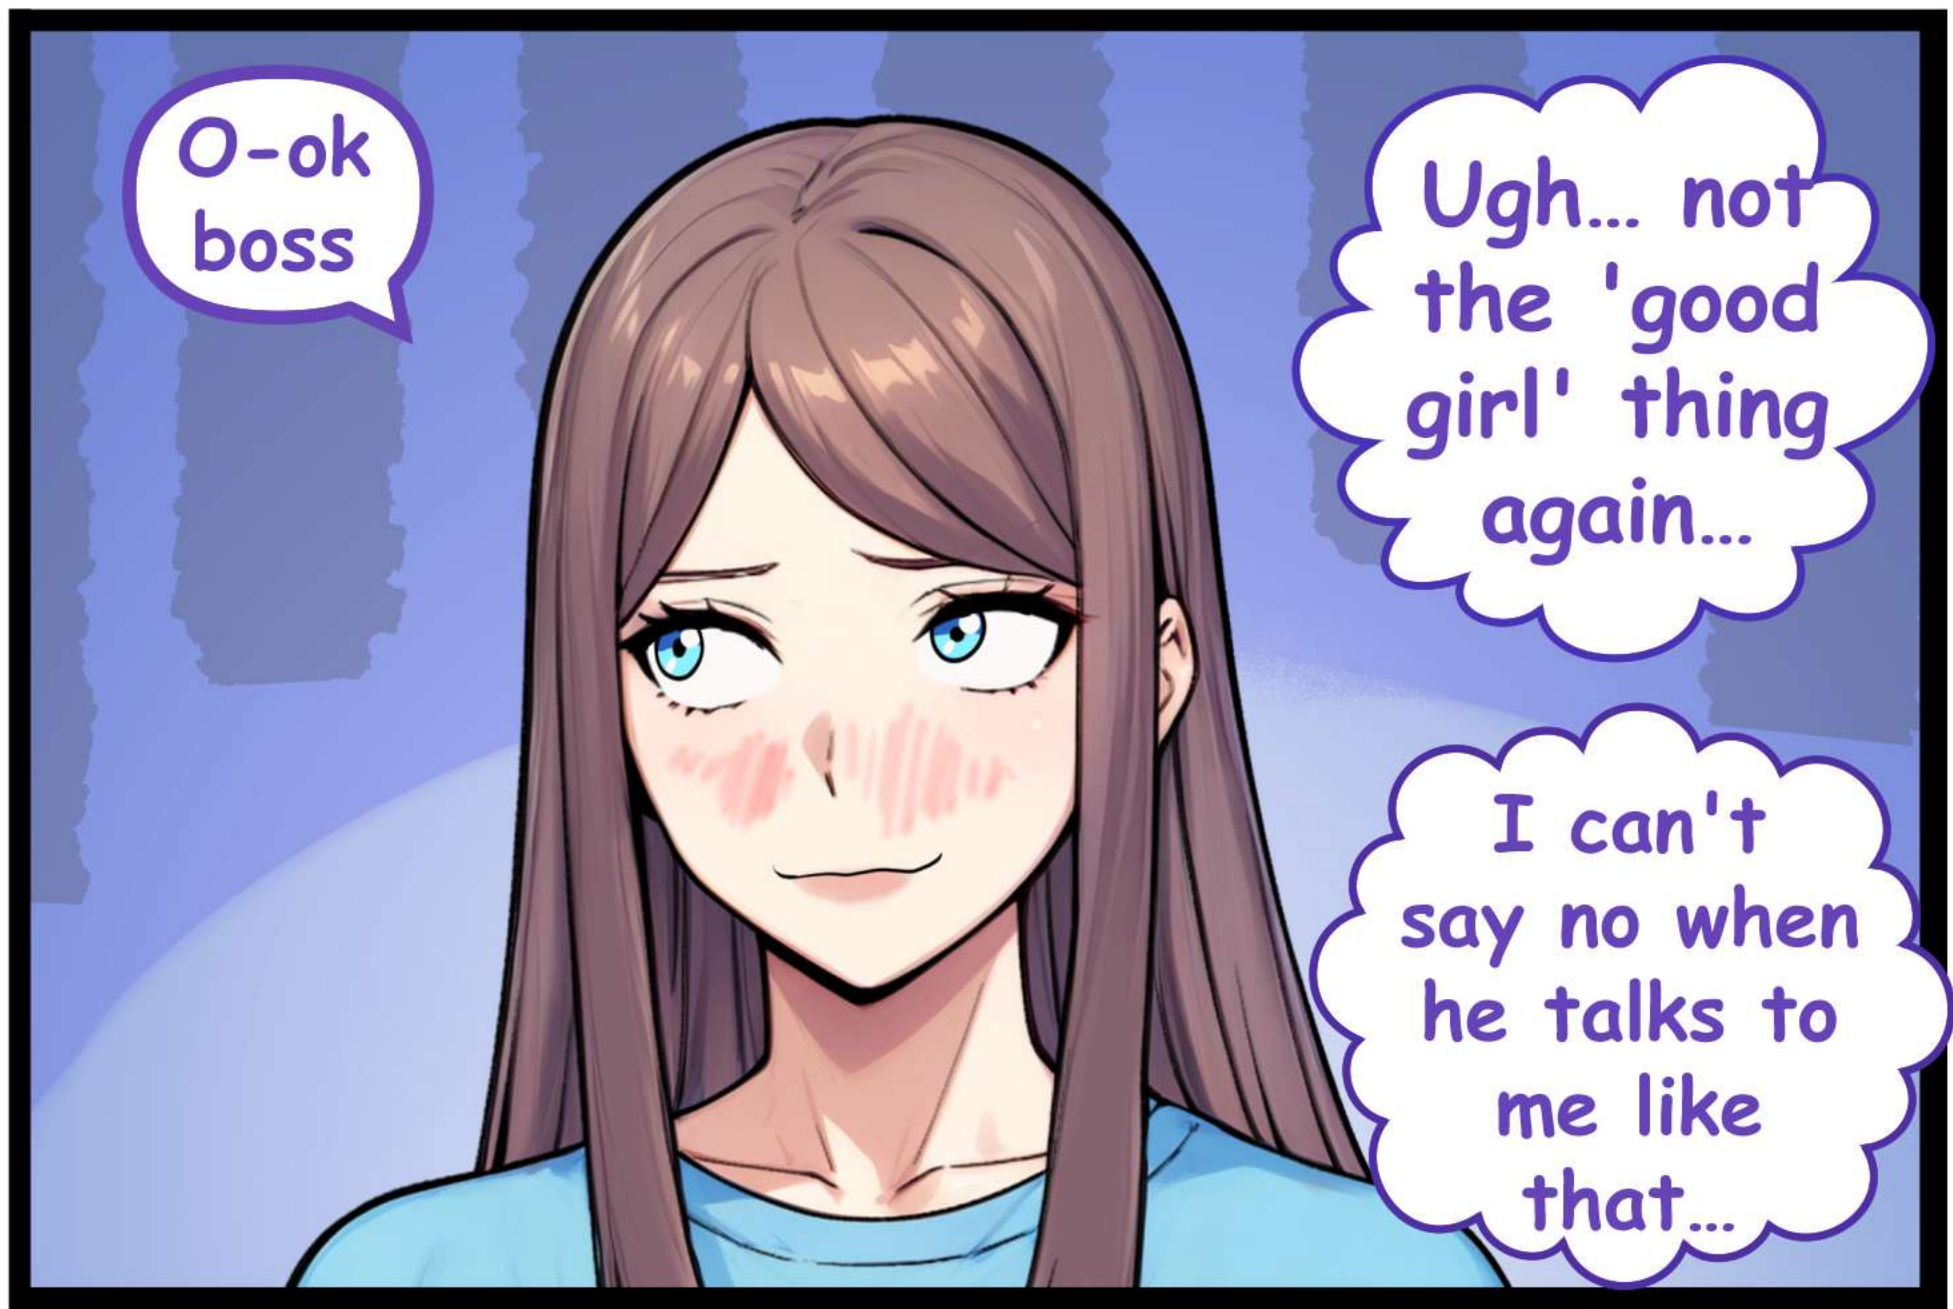

Could we maybe go easy with the changes?

Like... just a little trim?

Hmm...

How about you just be a good girl and leave it all to me?

O-ok boss

Ugh... not the 'good girl' thing again...

I can't say no when he talks to me like that...

So, miss, how would you like your hair today?

Uh... well, I...

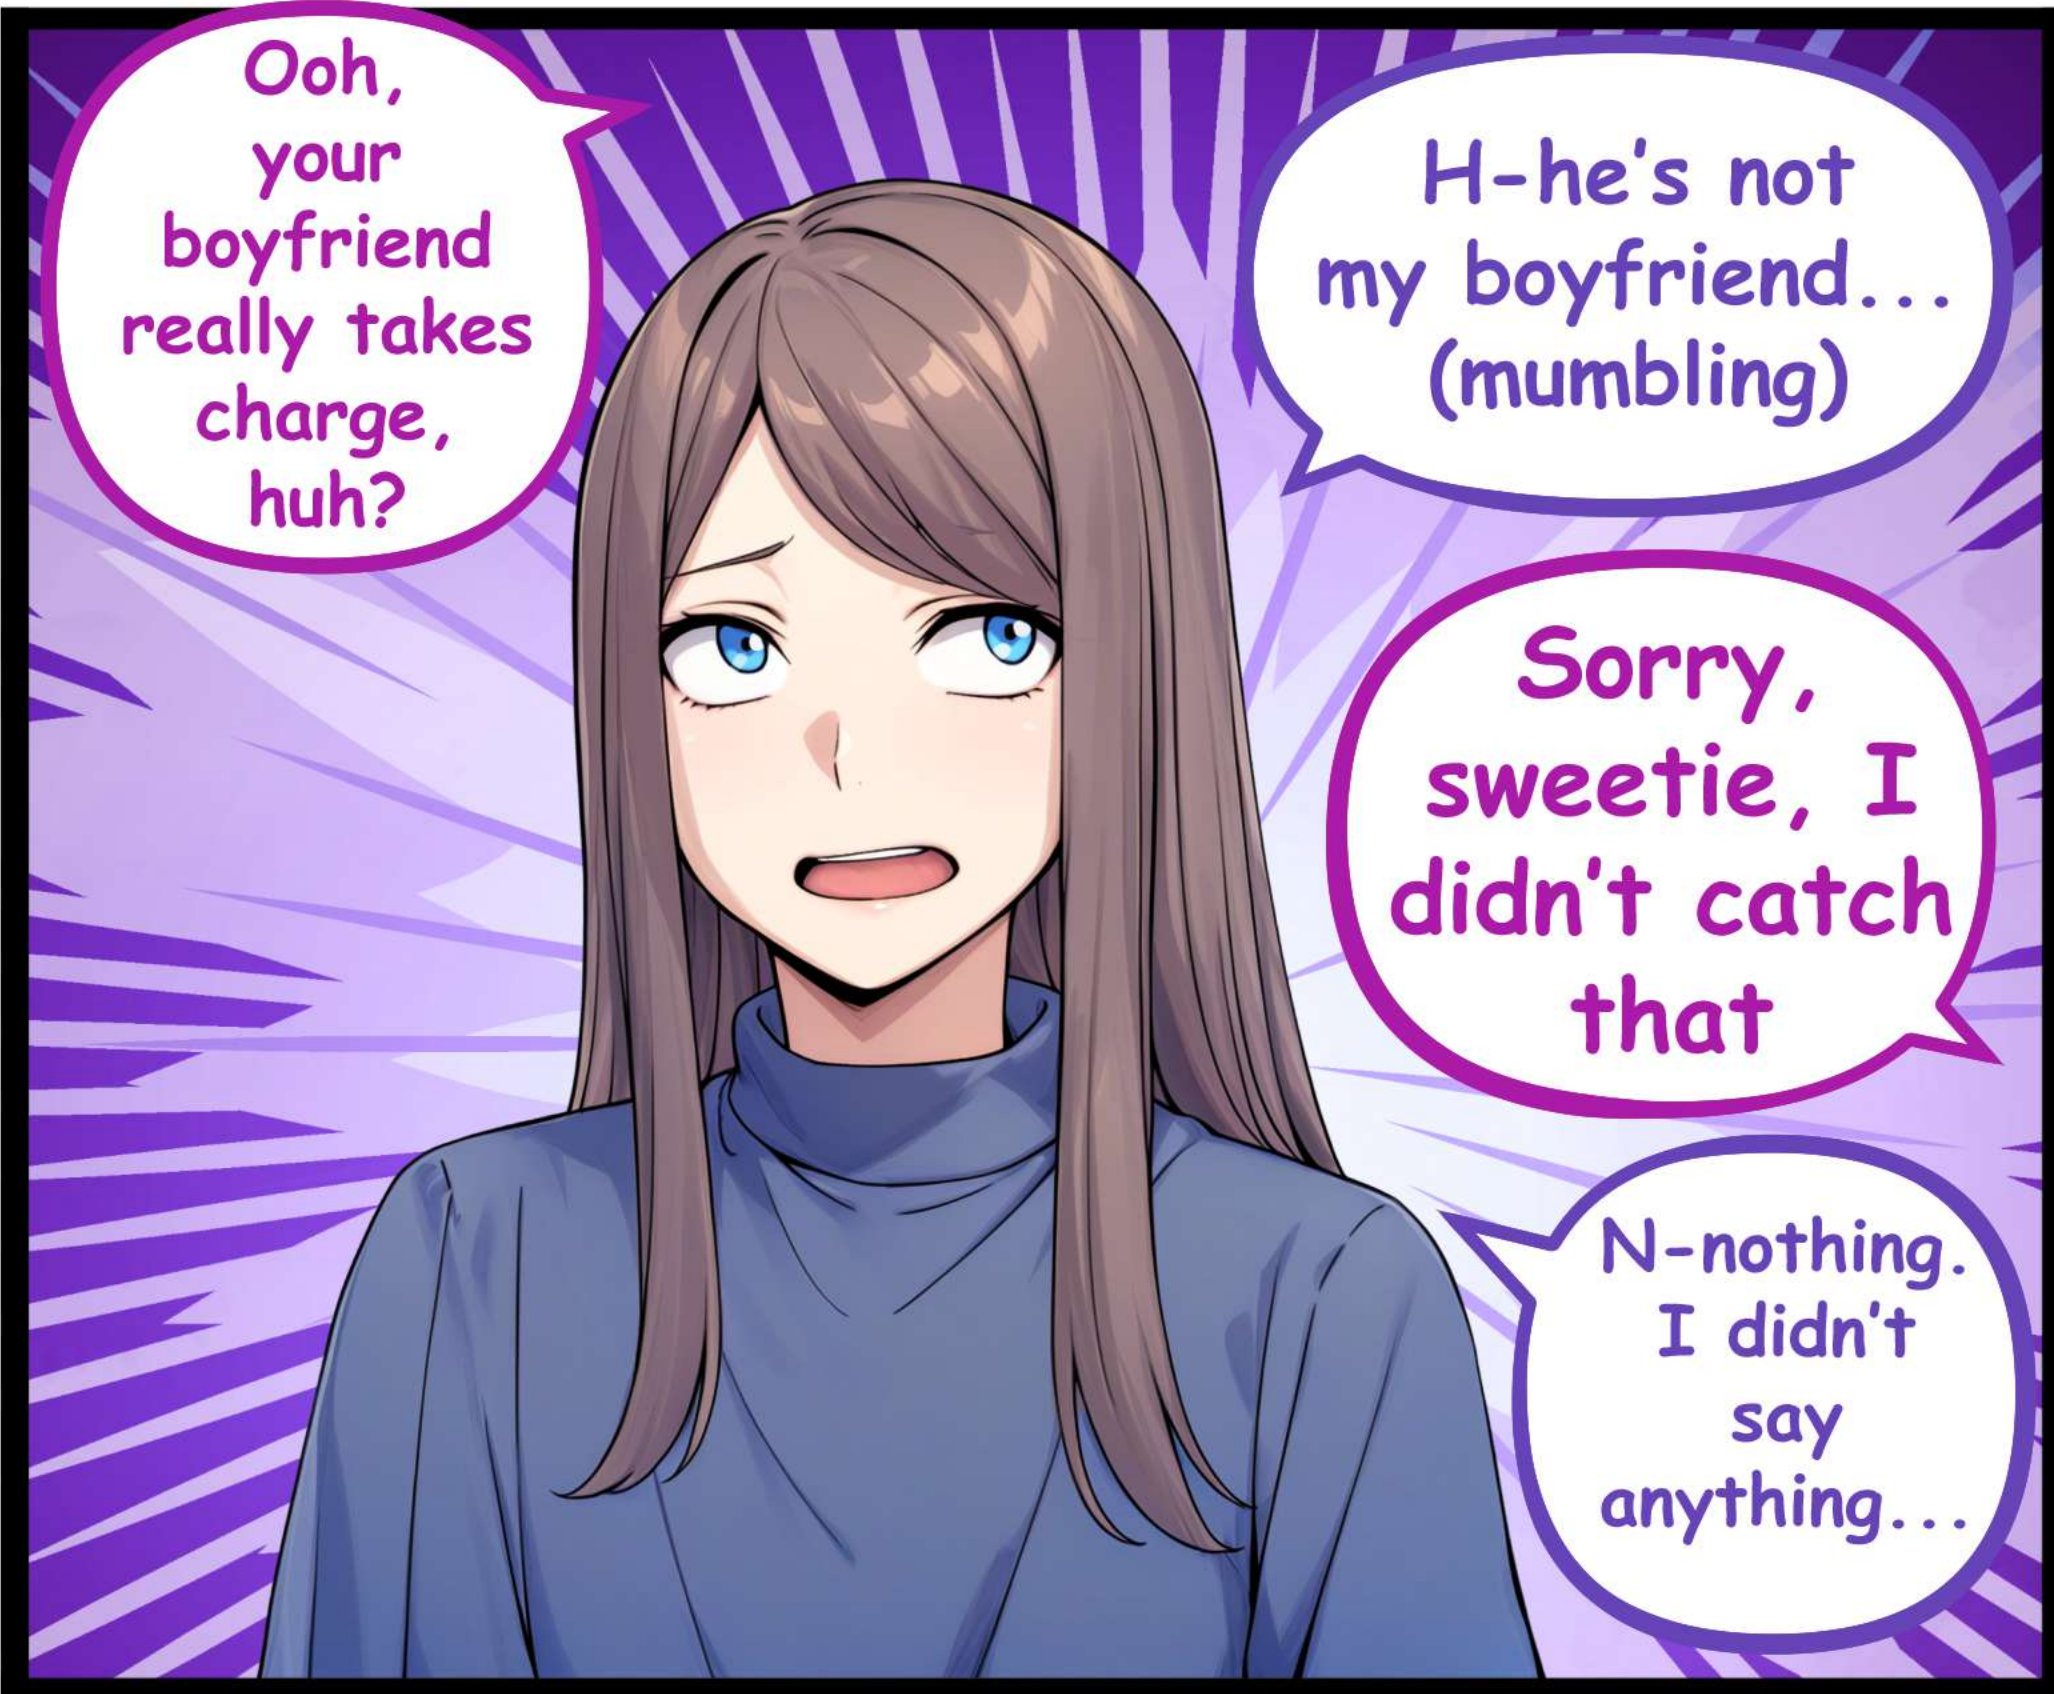

M-Miss? Did she really just call me that...?

Is that what I look like now?

You can leave it to me

I already have something in mind

Ooh, your boyfriend really takes charge, huh?

H-he's not my boyfriend... (mumbling)

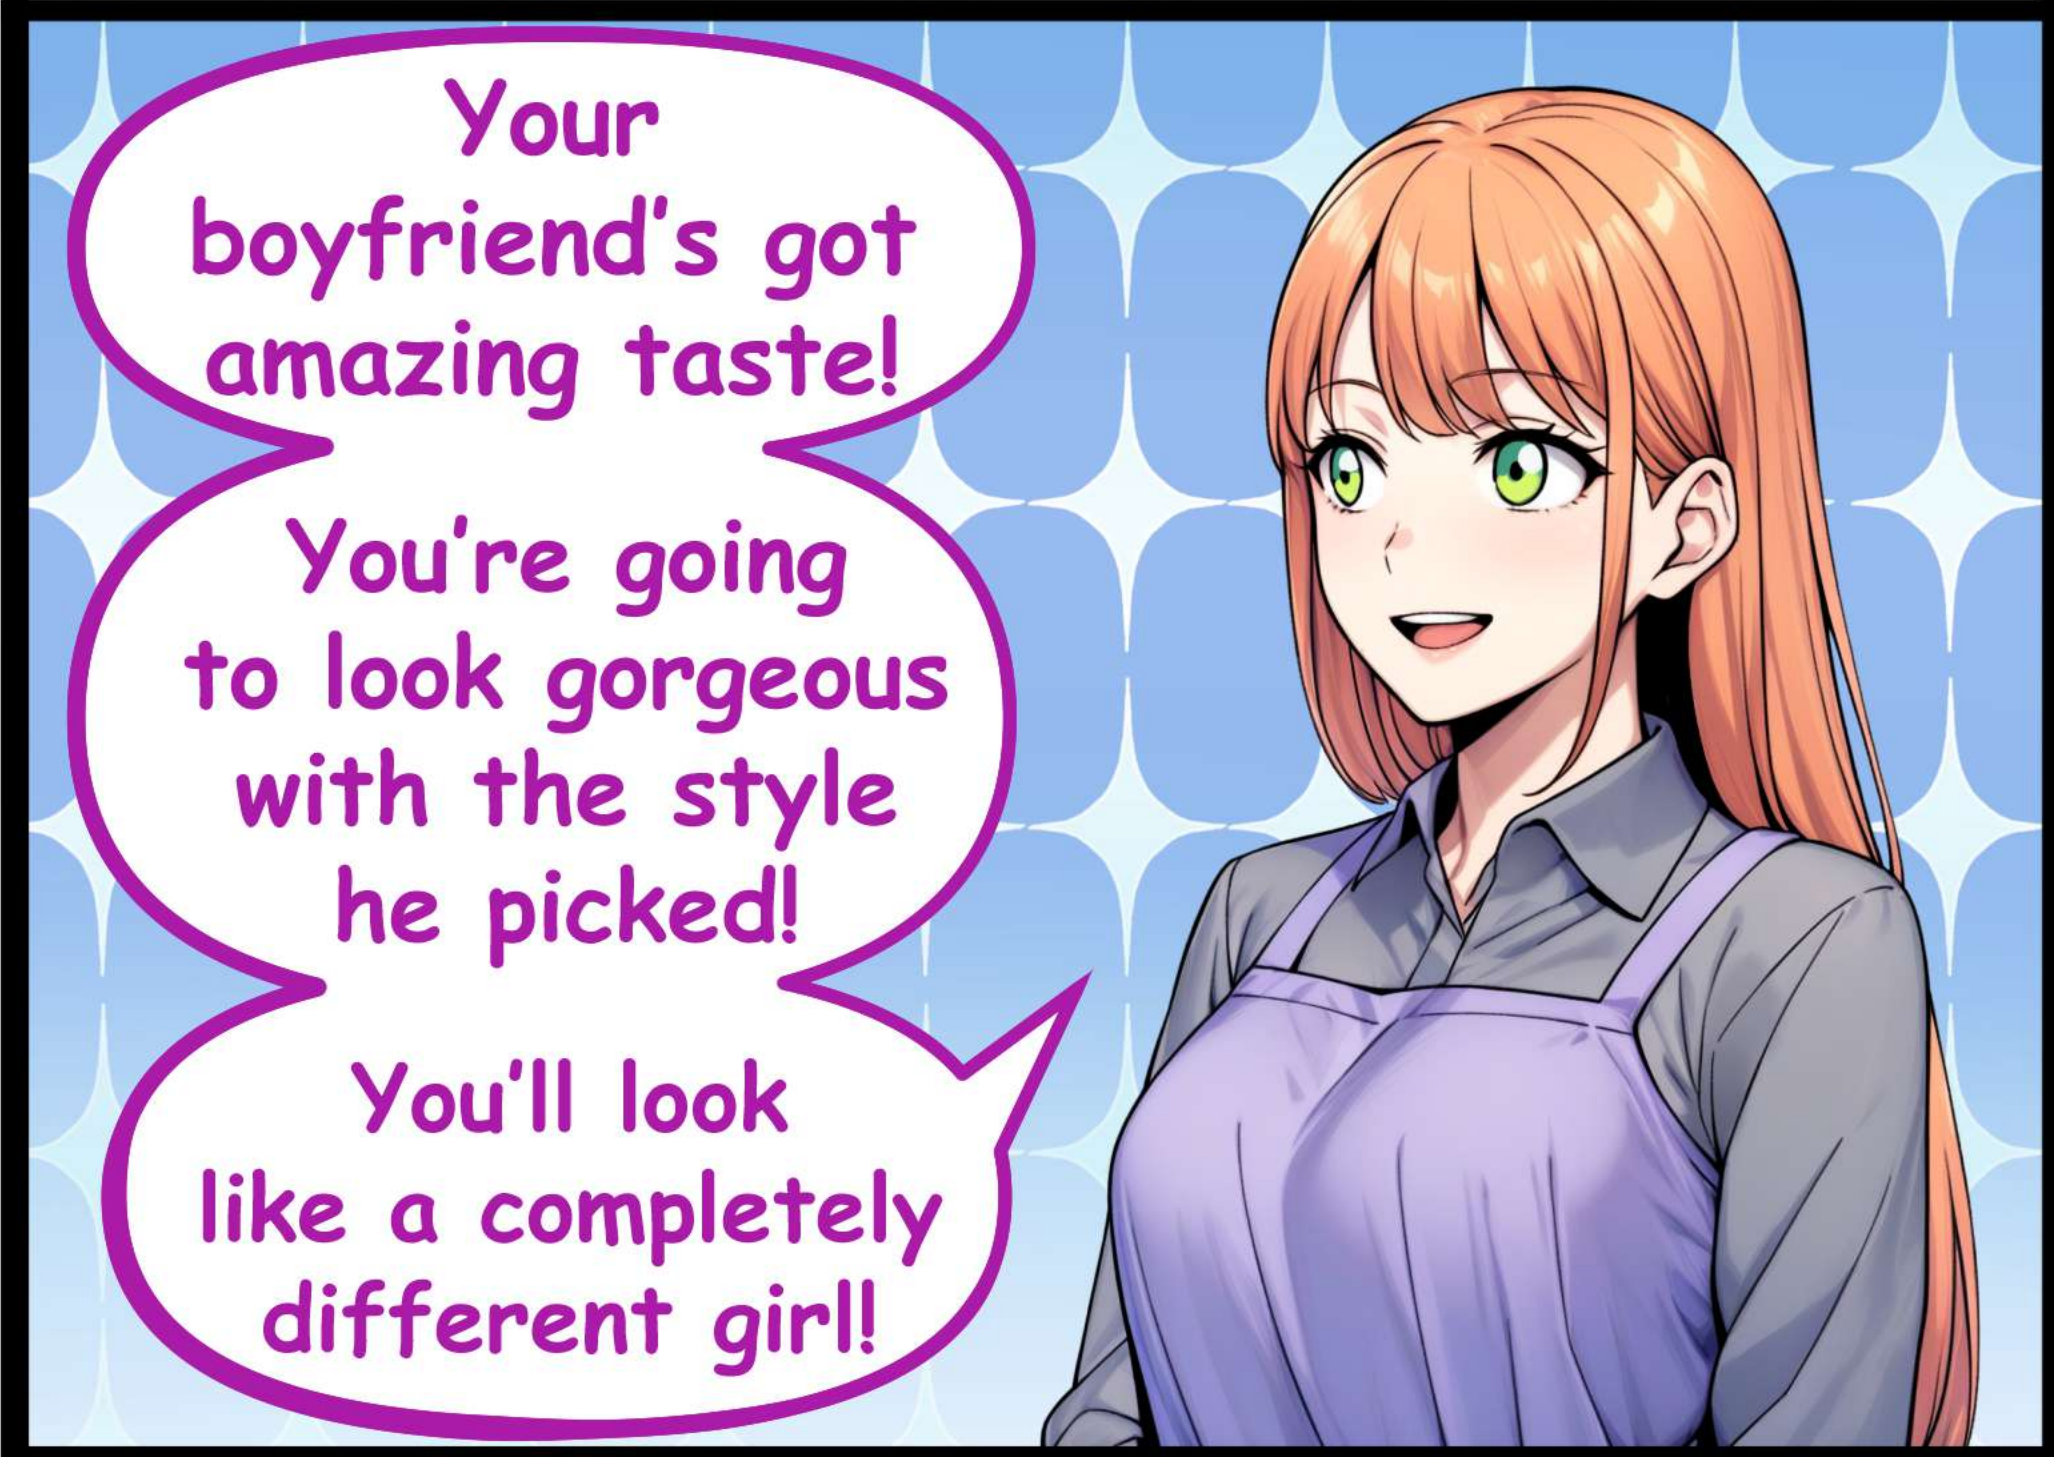

Sorry, sweetie, I didn't catch that

N-nothing. I didn't say anything...

What kind of haircut are they planning...?

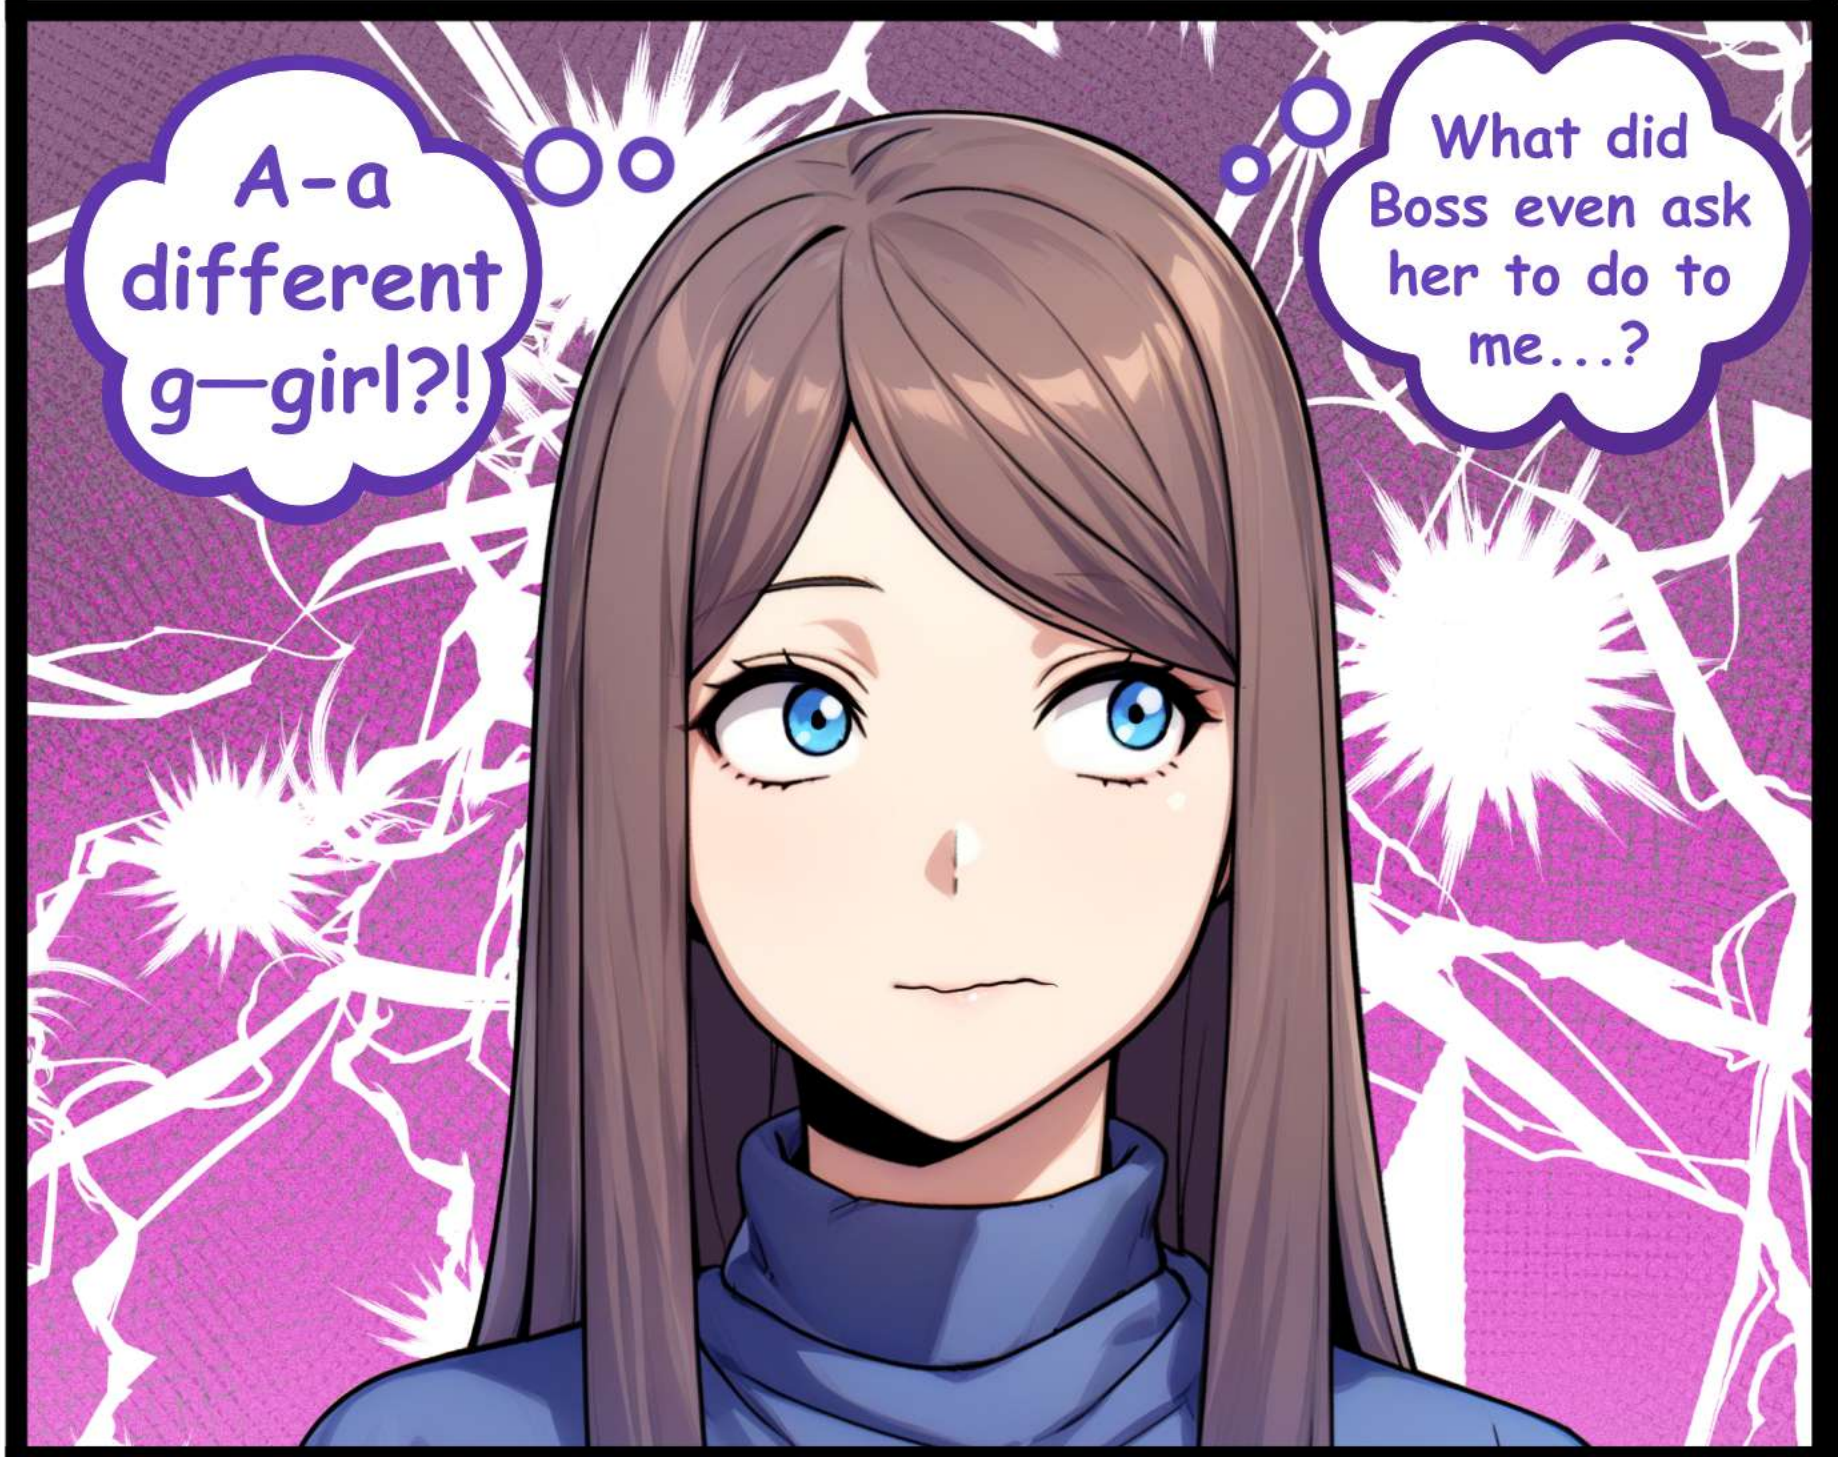

He wouldn't go too far... right?

Your boyfriend's got amazing taste!

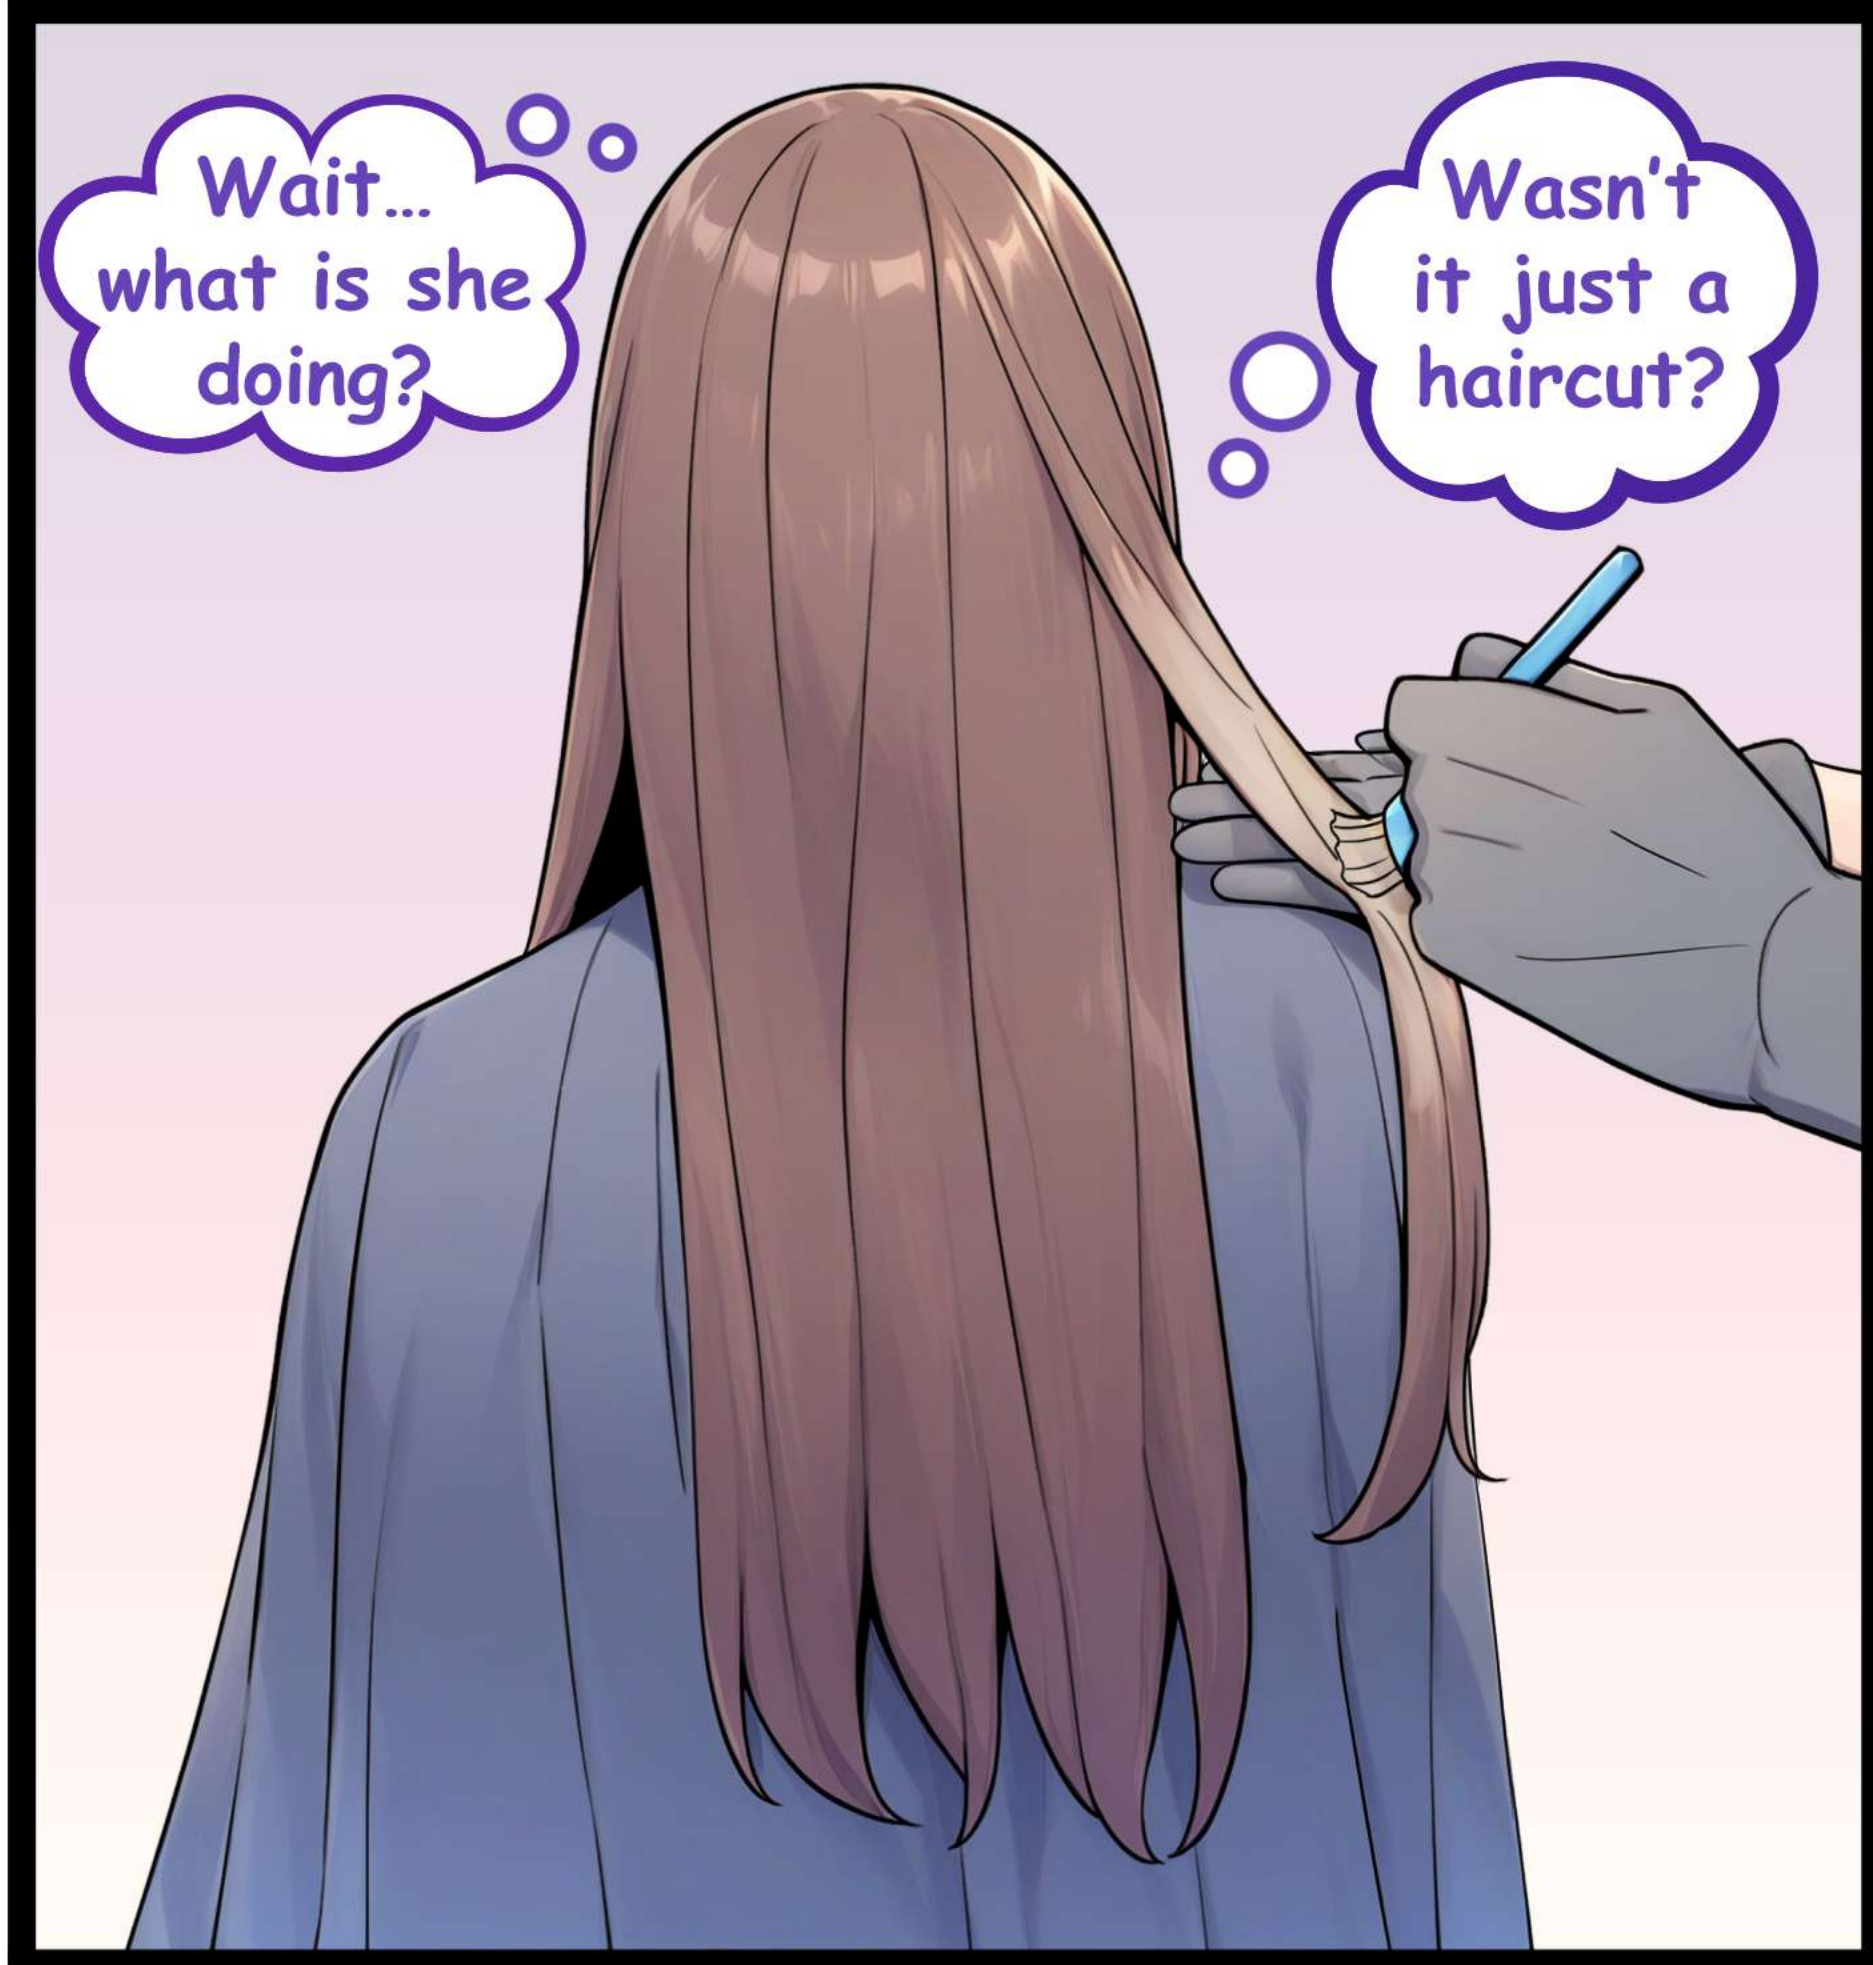

You're going to look gorgeous with the style he picked!

You'll look like a completely different girl!

A-a different g-girl?!

What did Boss even ask her to do to me...?

Wait... what is she doing?

Wasn't it just a haircut?

Just wait a few minutes!

Let the product do its magic~

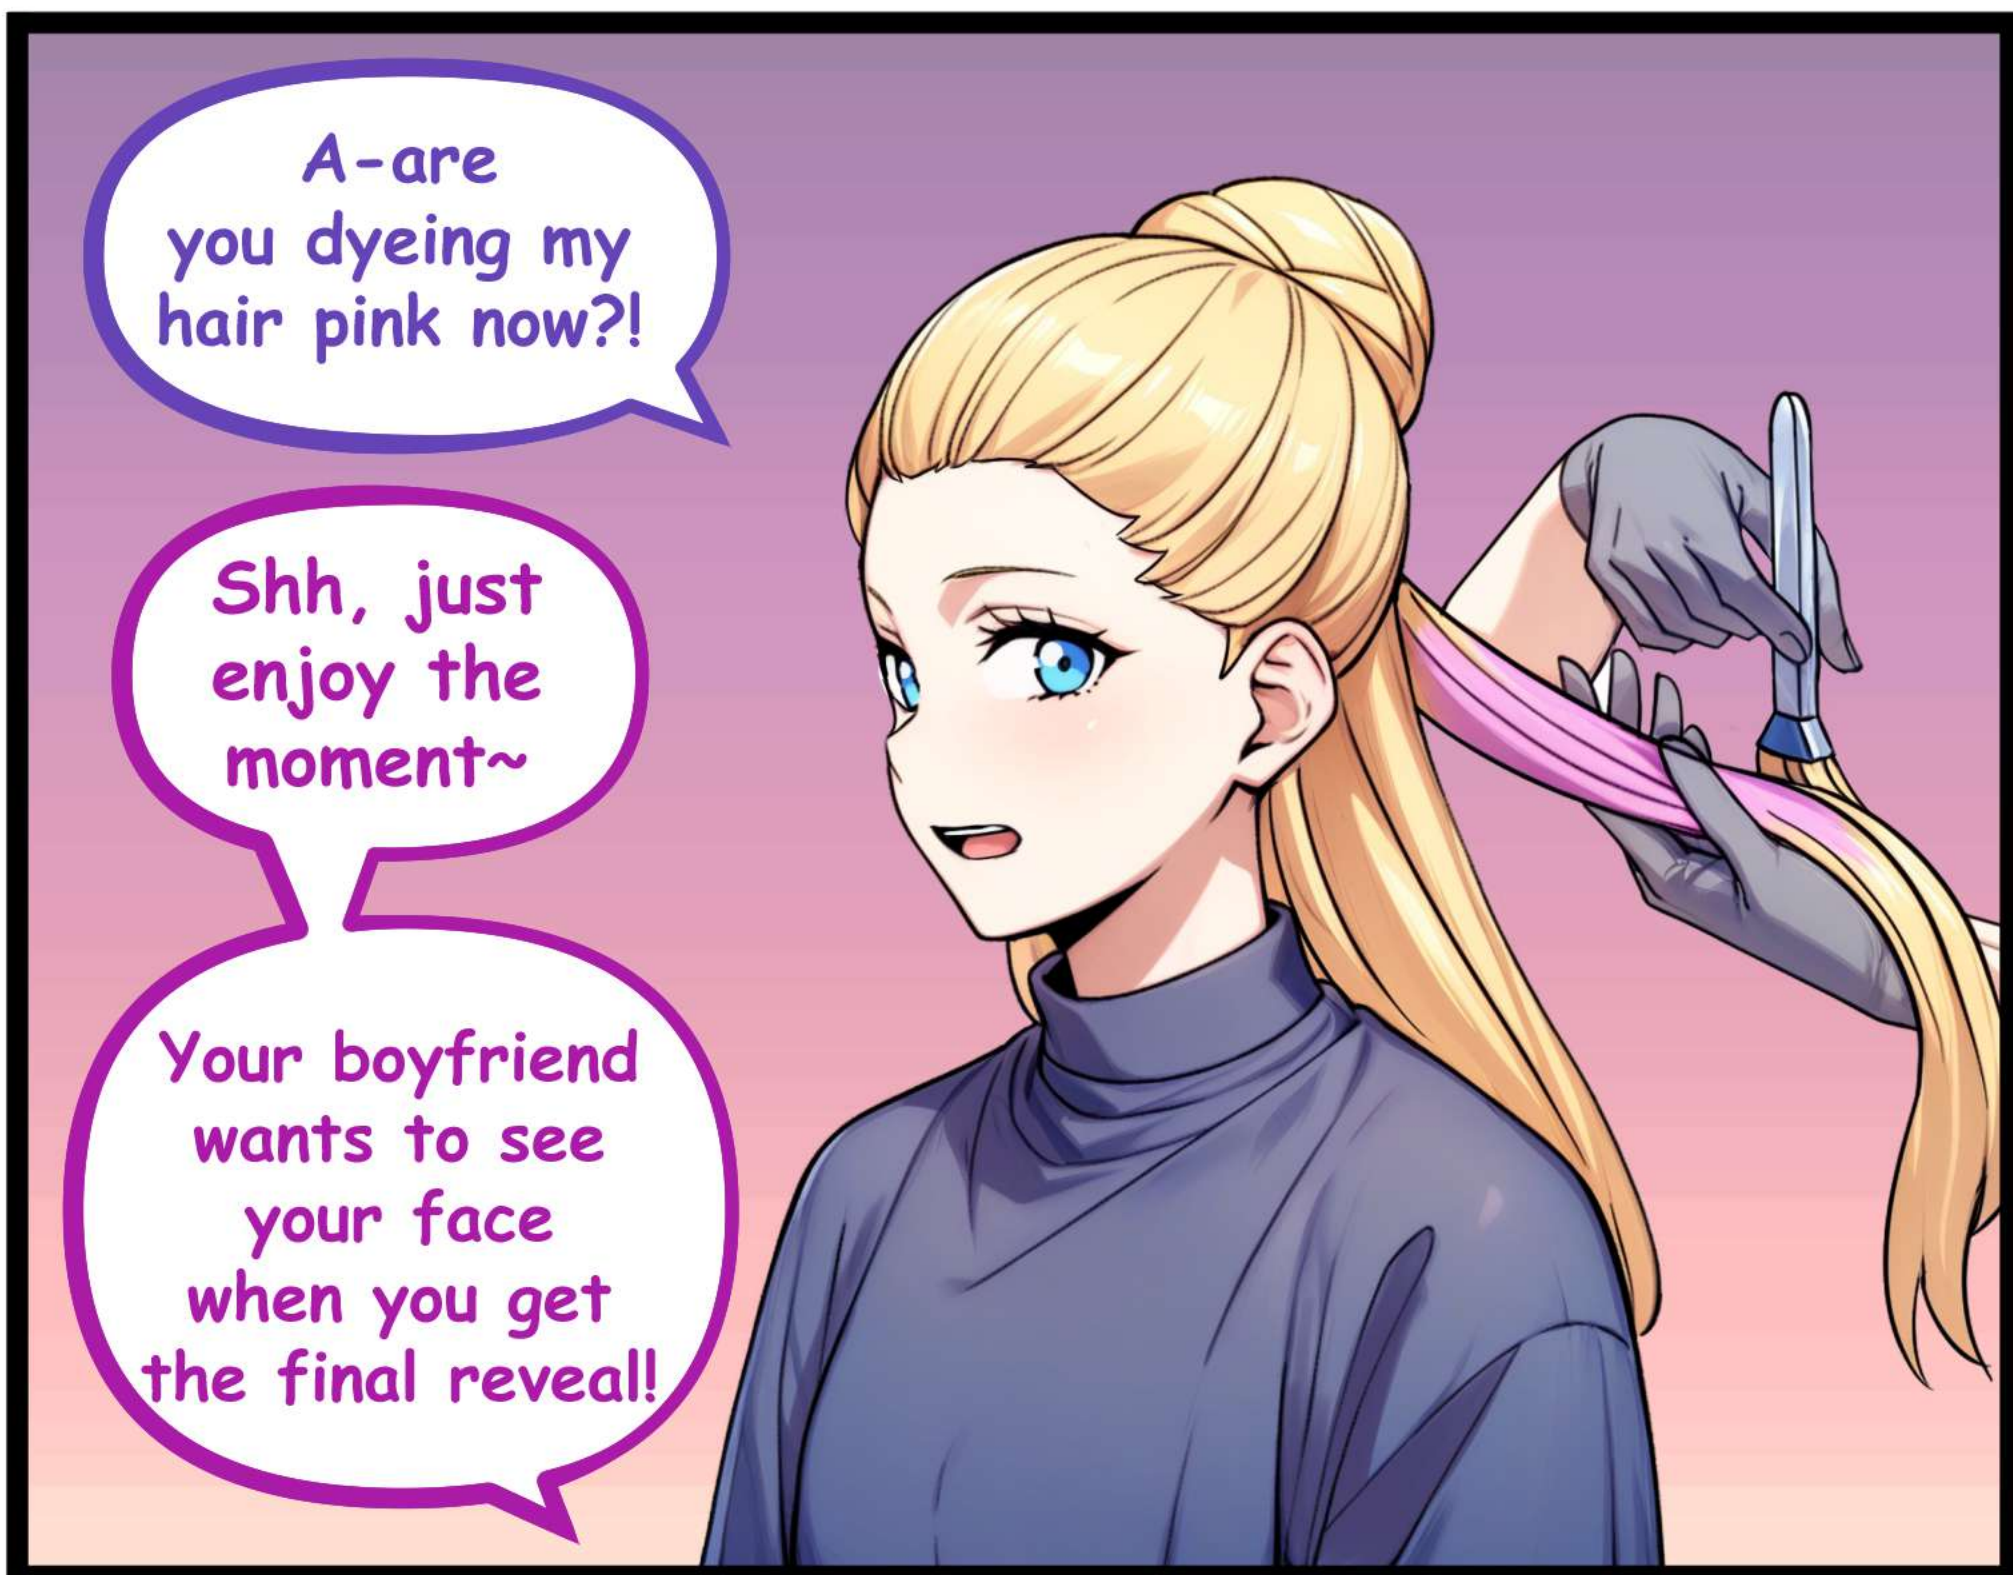

O-okay...

15 minutes later

A-am I going... blonde?

Boss is definitely not going easy on me...

A-are you dyeing my hair pink now?!

Shh, just enjoy the moment~

Your boyfriend wants to see your face when you get the final reveal!

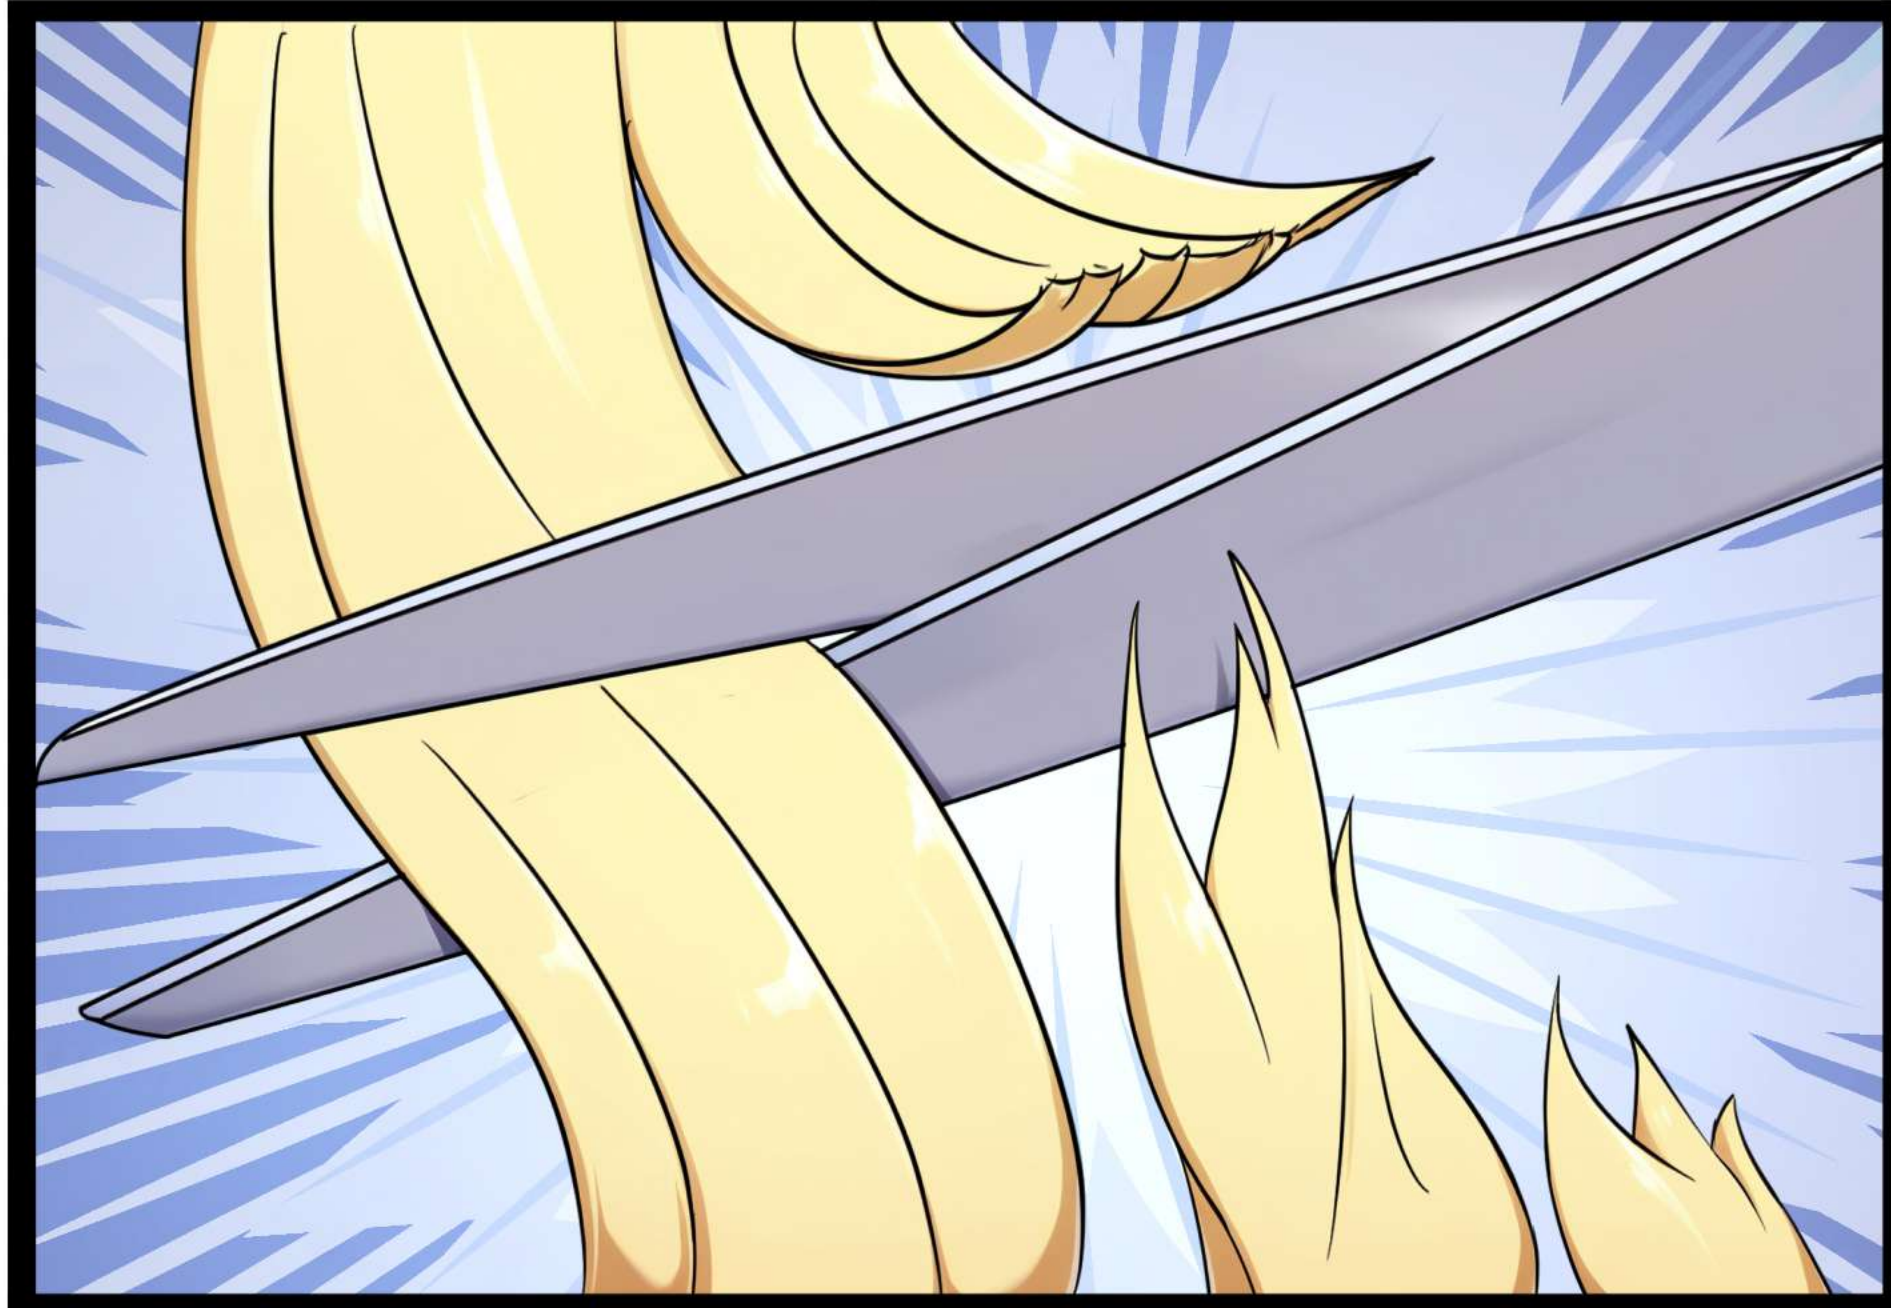

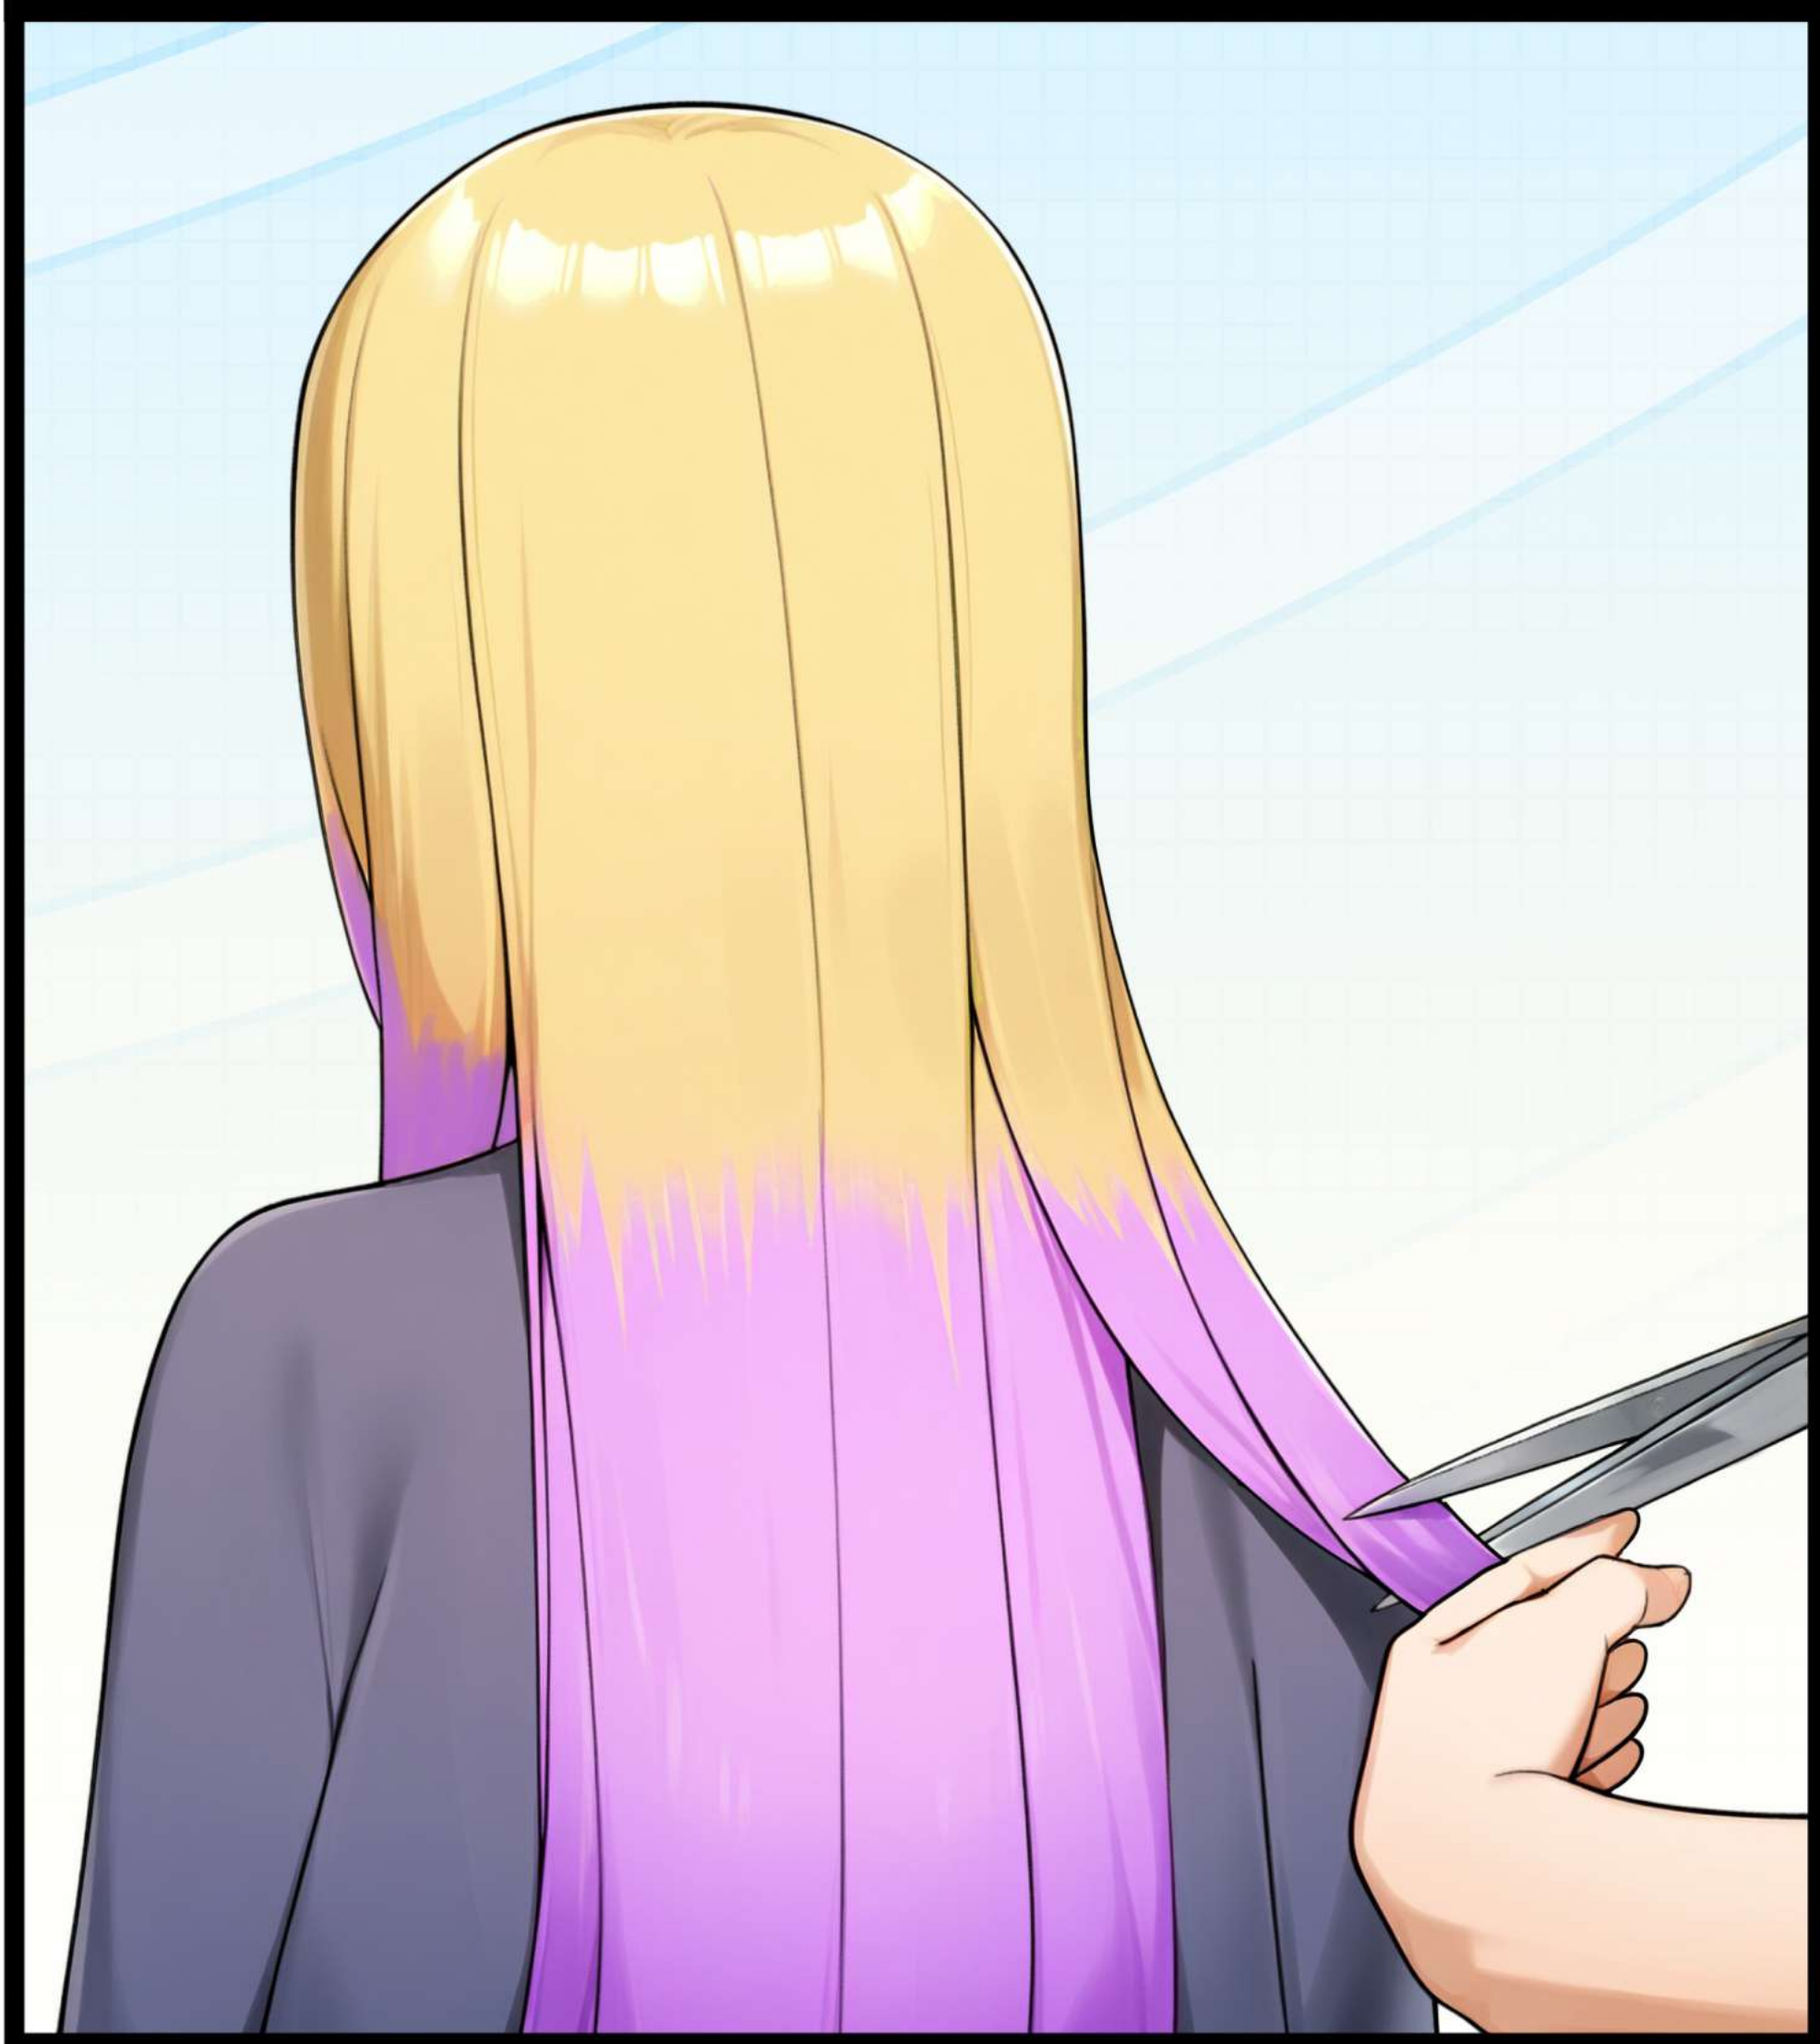

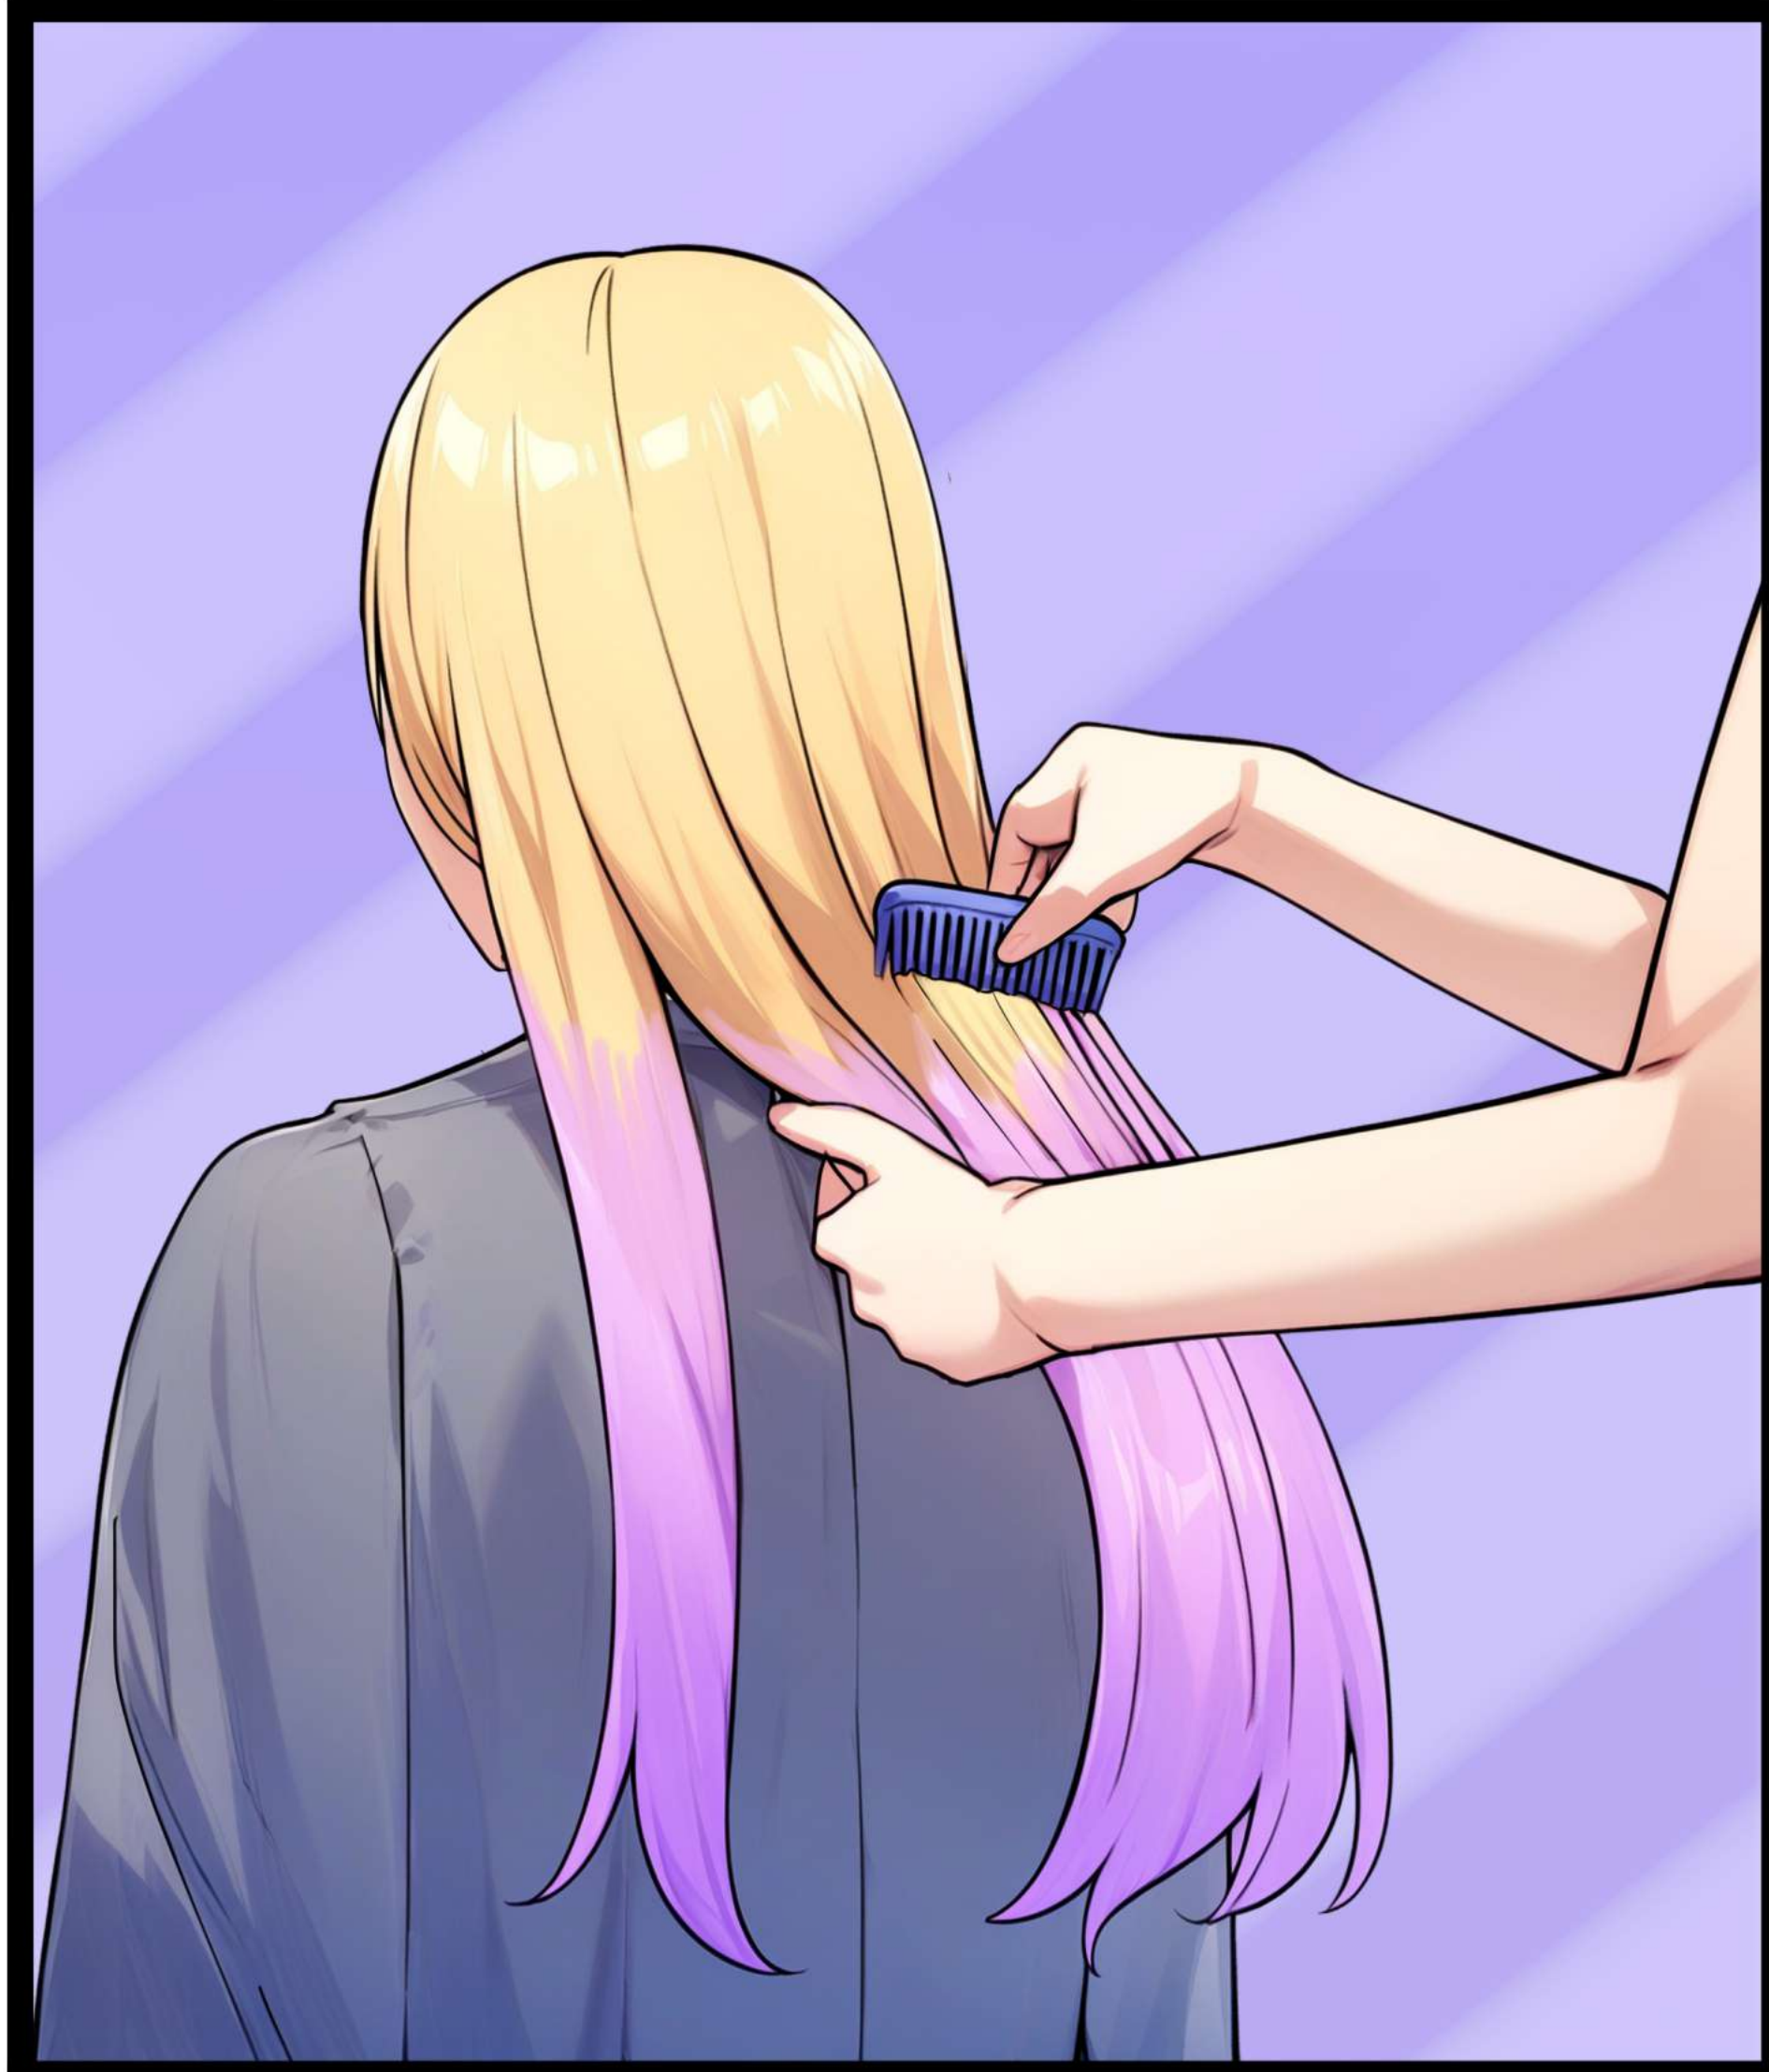

P-pink?! Did you really dye it pink??

Relax, only half of it's pink~

We're just getting started

Now let's take care of that new haircut!

You're going to love it!

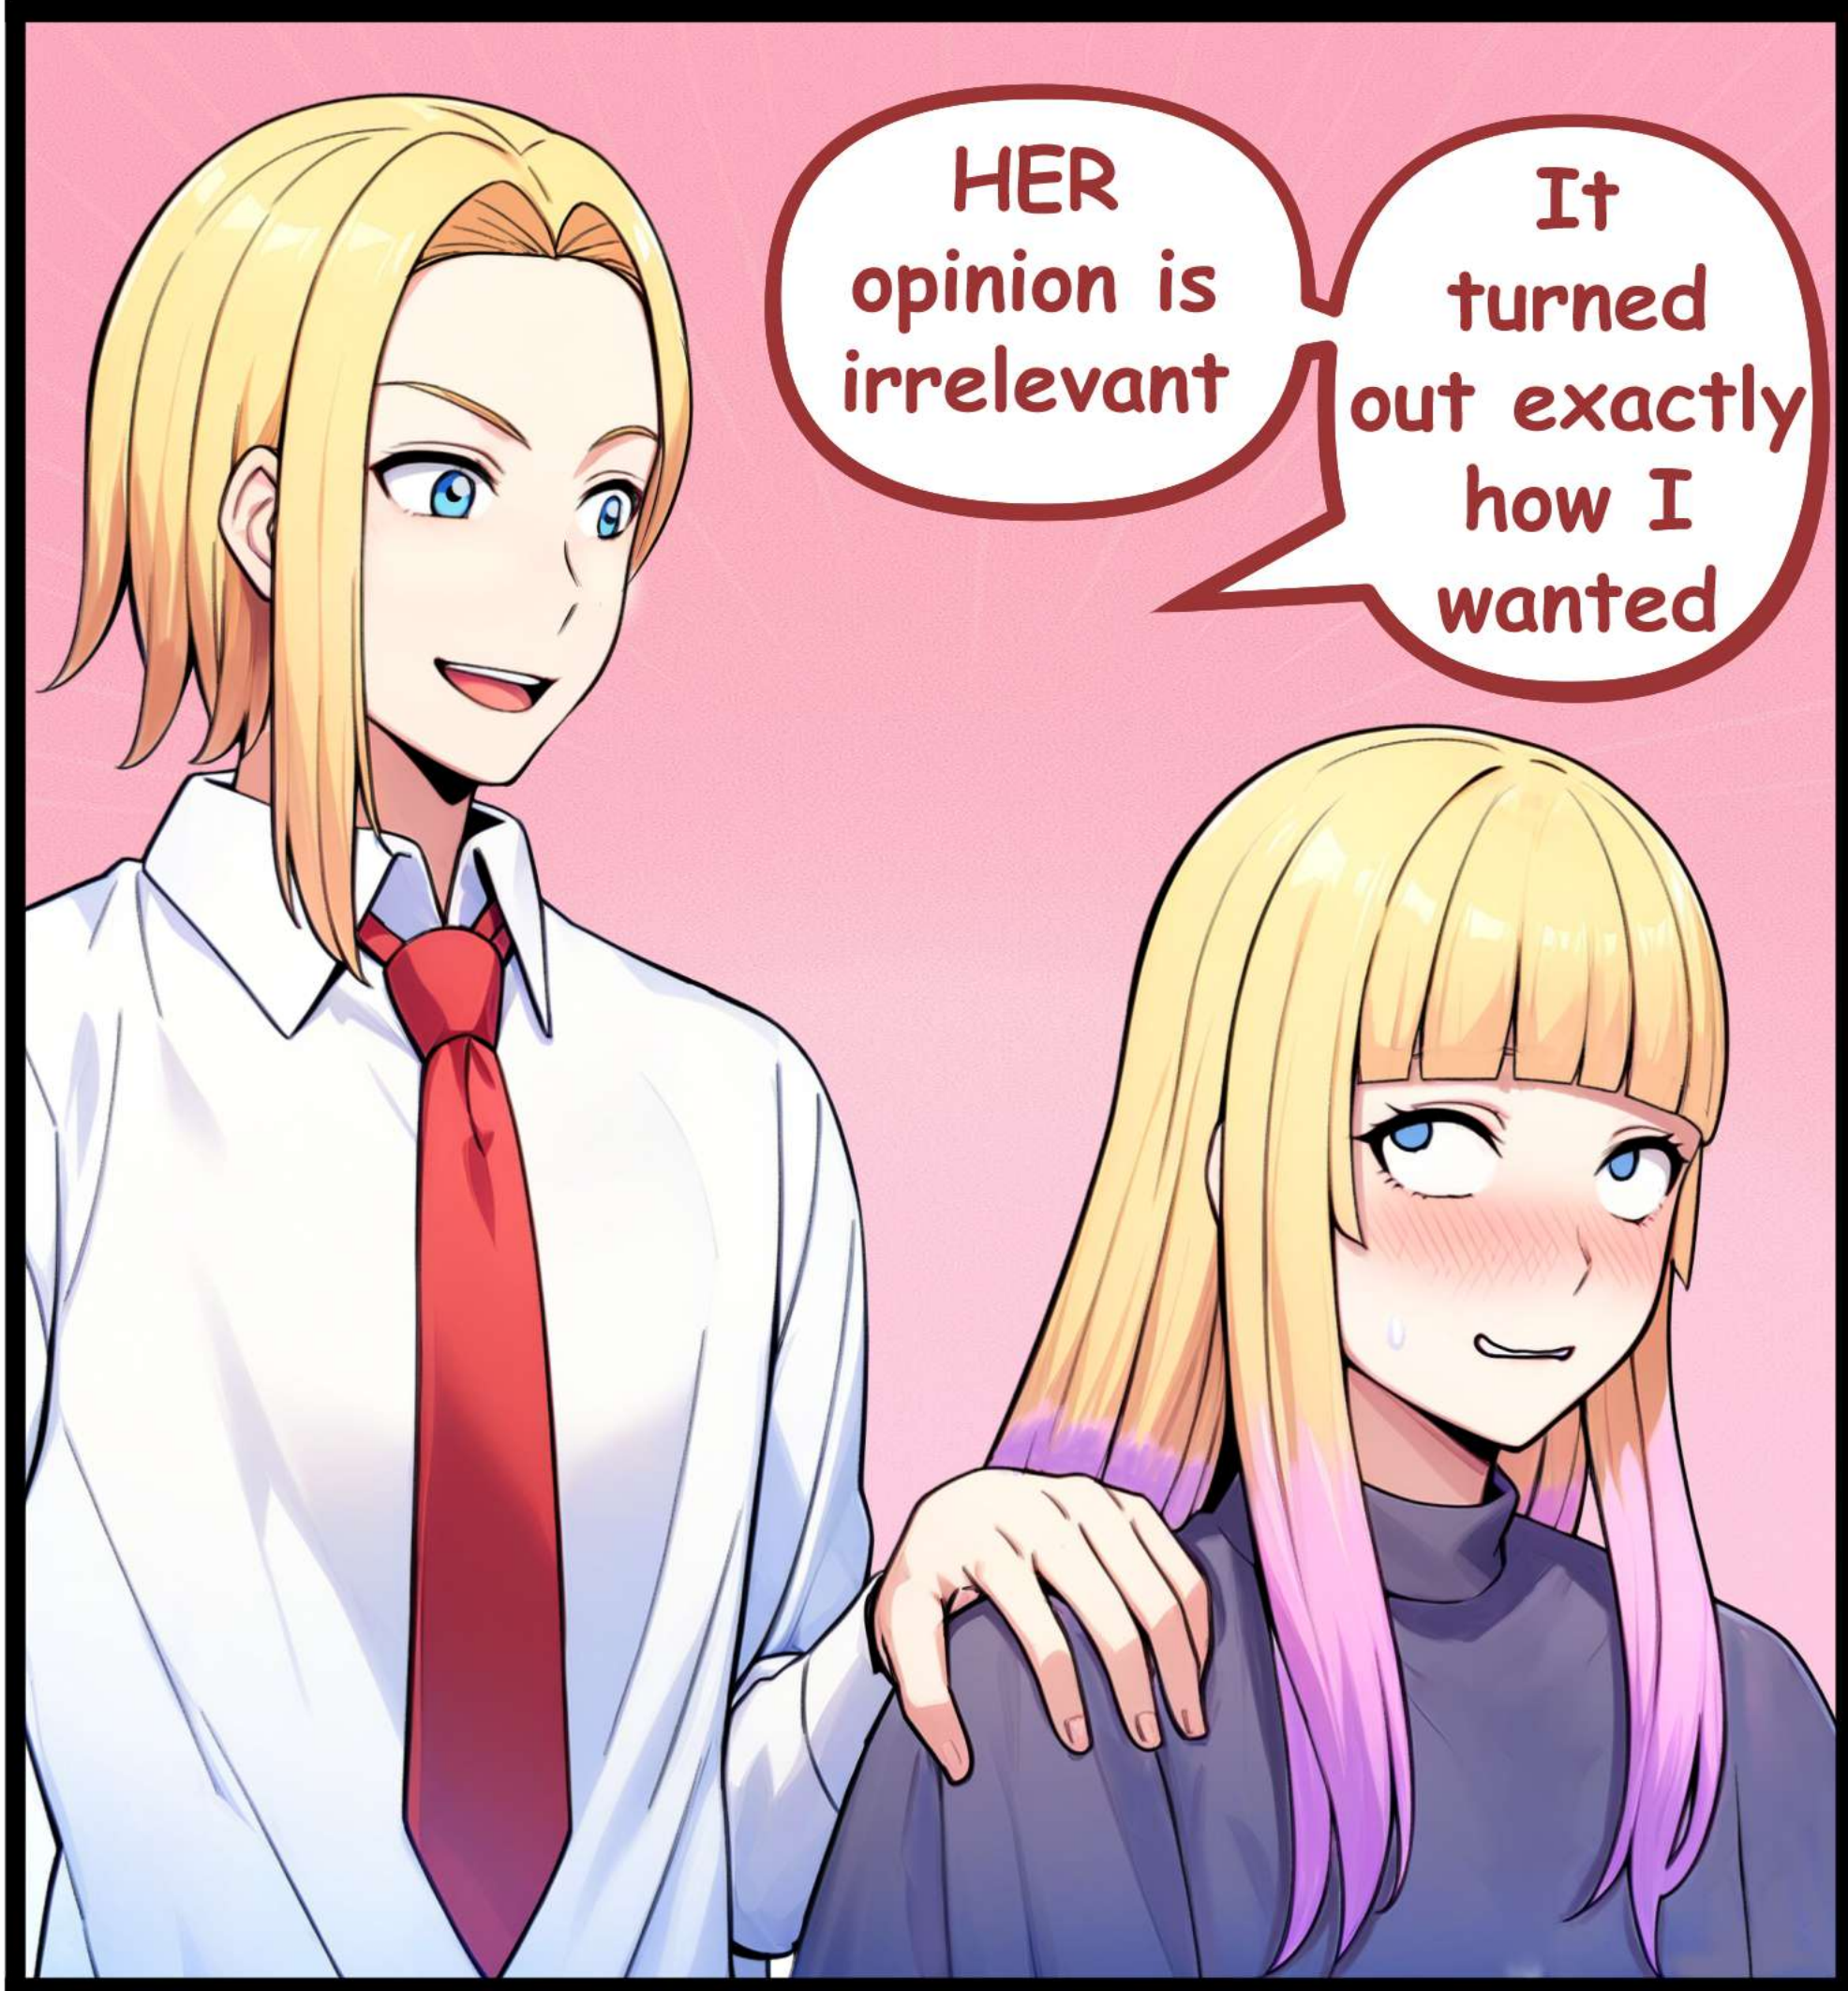

D-Damn it... Why am I this turned on...

J-just from looking at myself?

I don't even... look like a guy anymore!

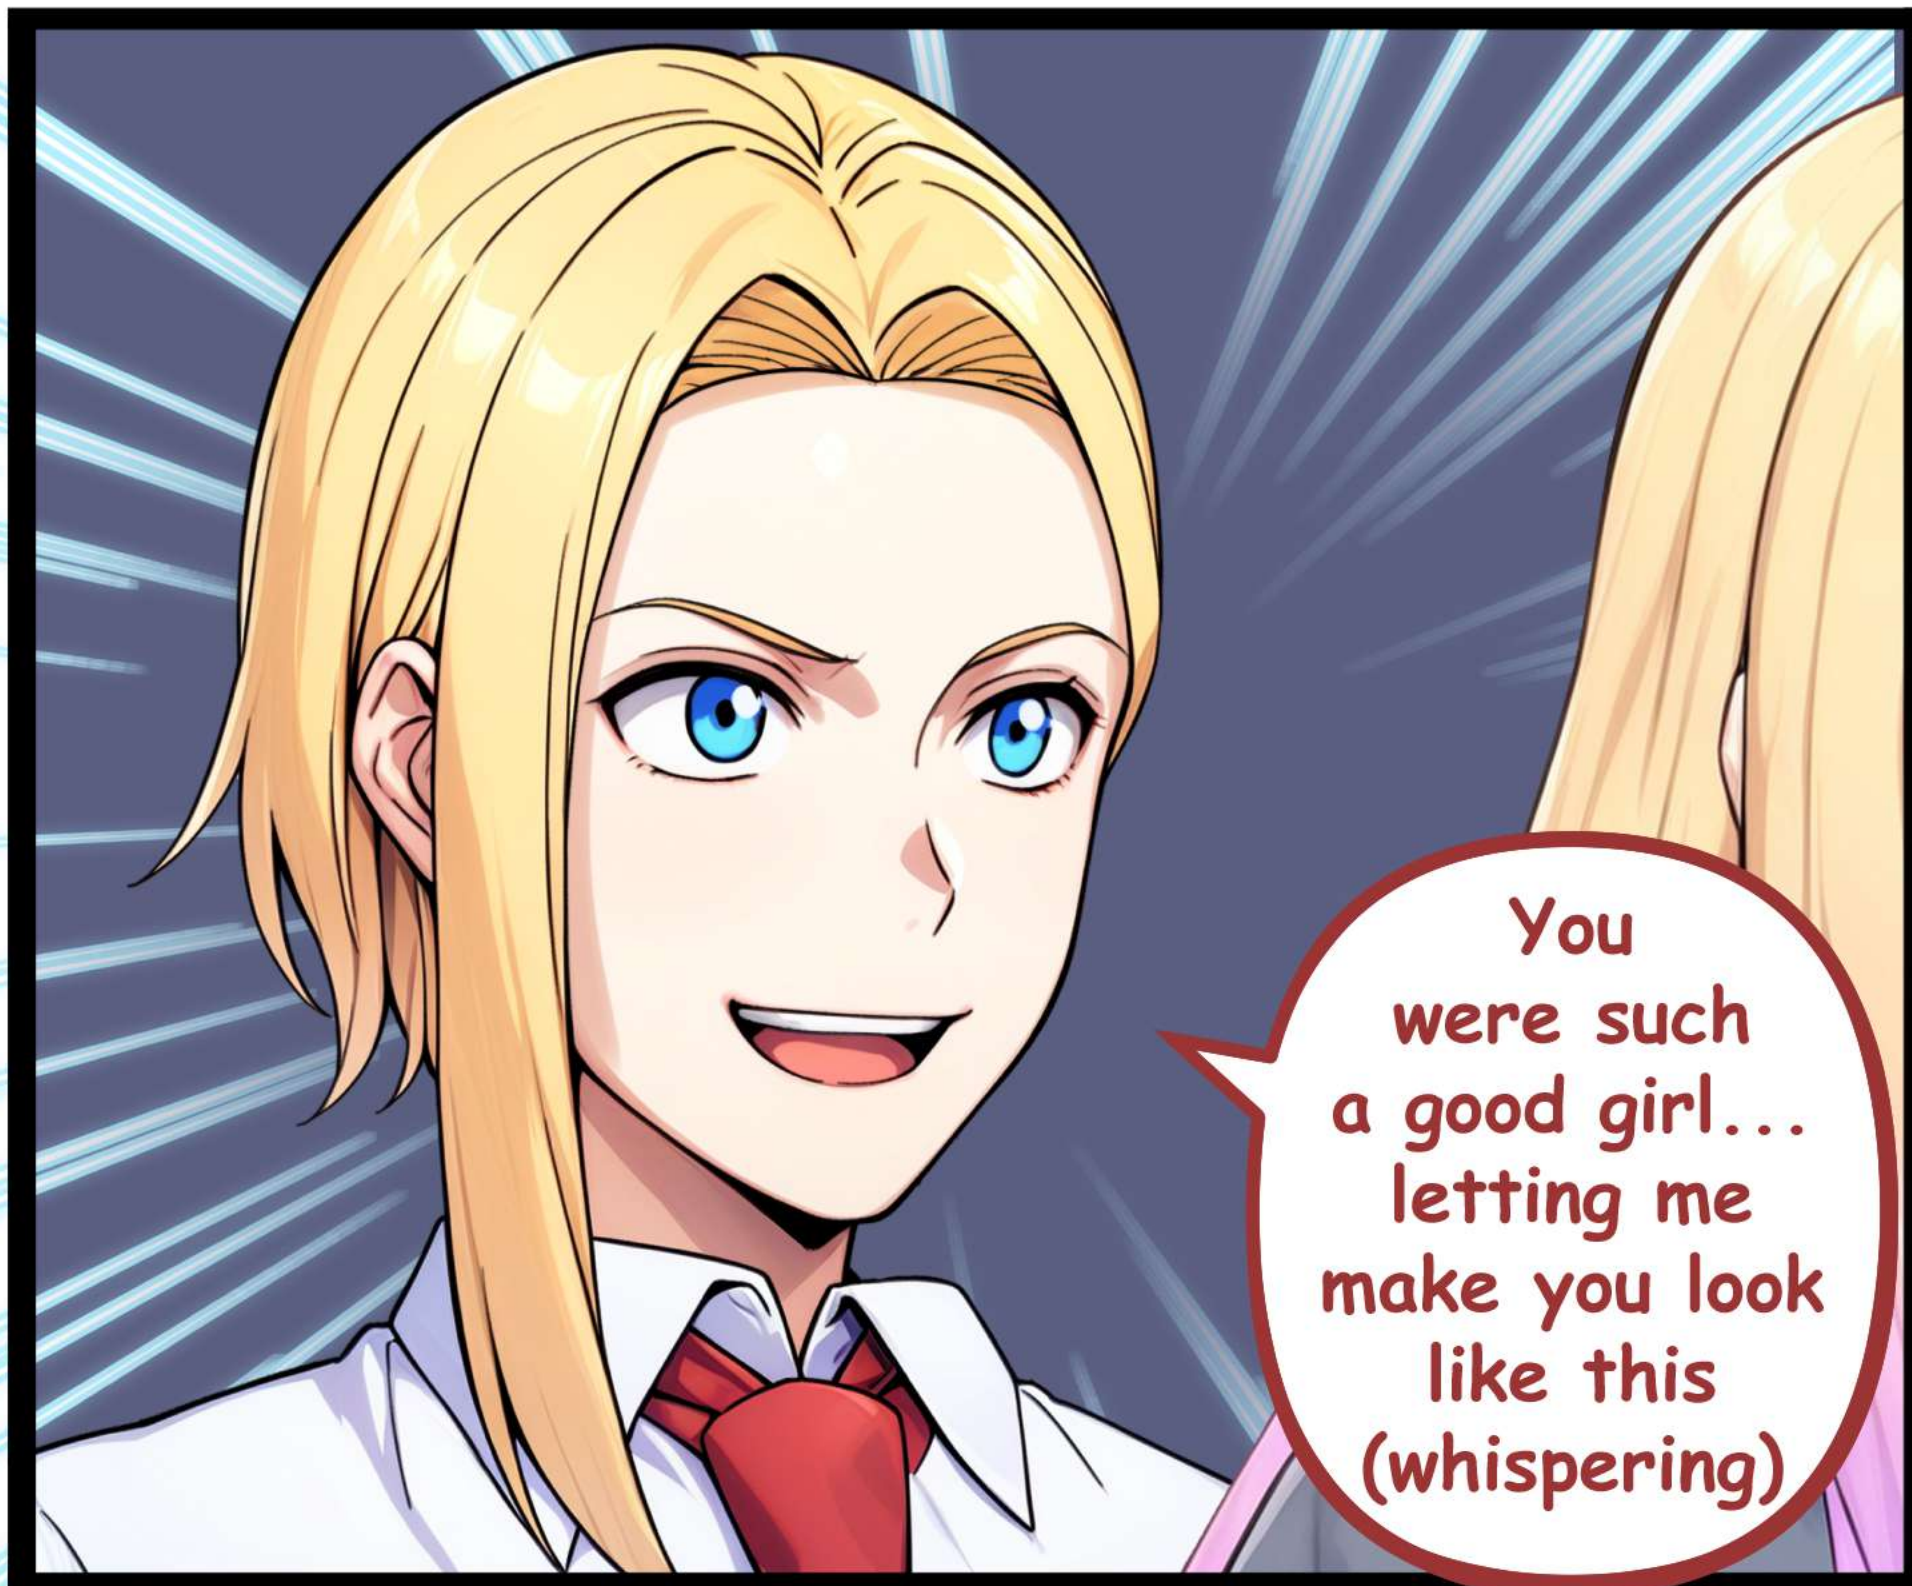

So? Do you love how pretty you turned out?

I-I... I... m-

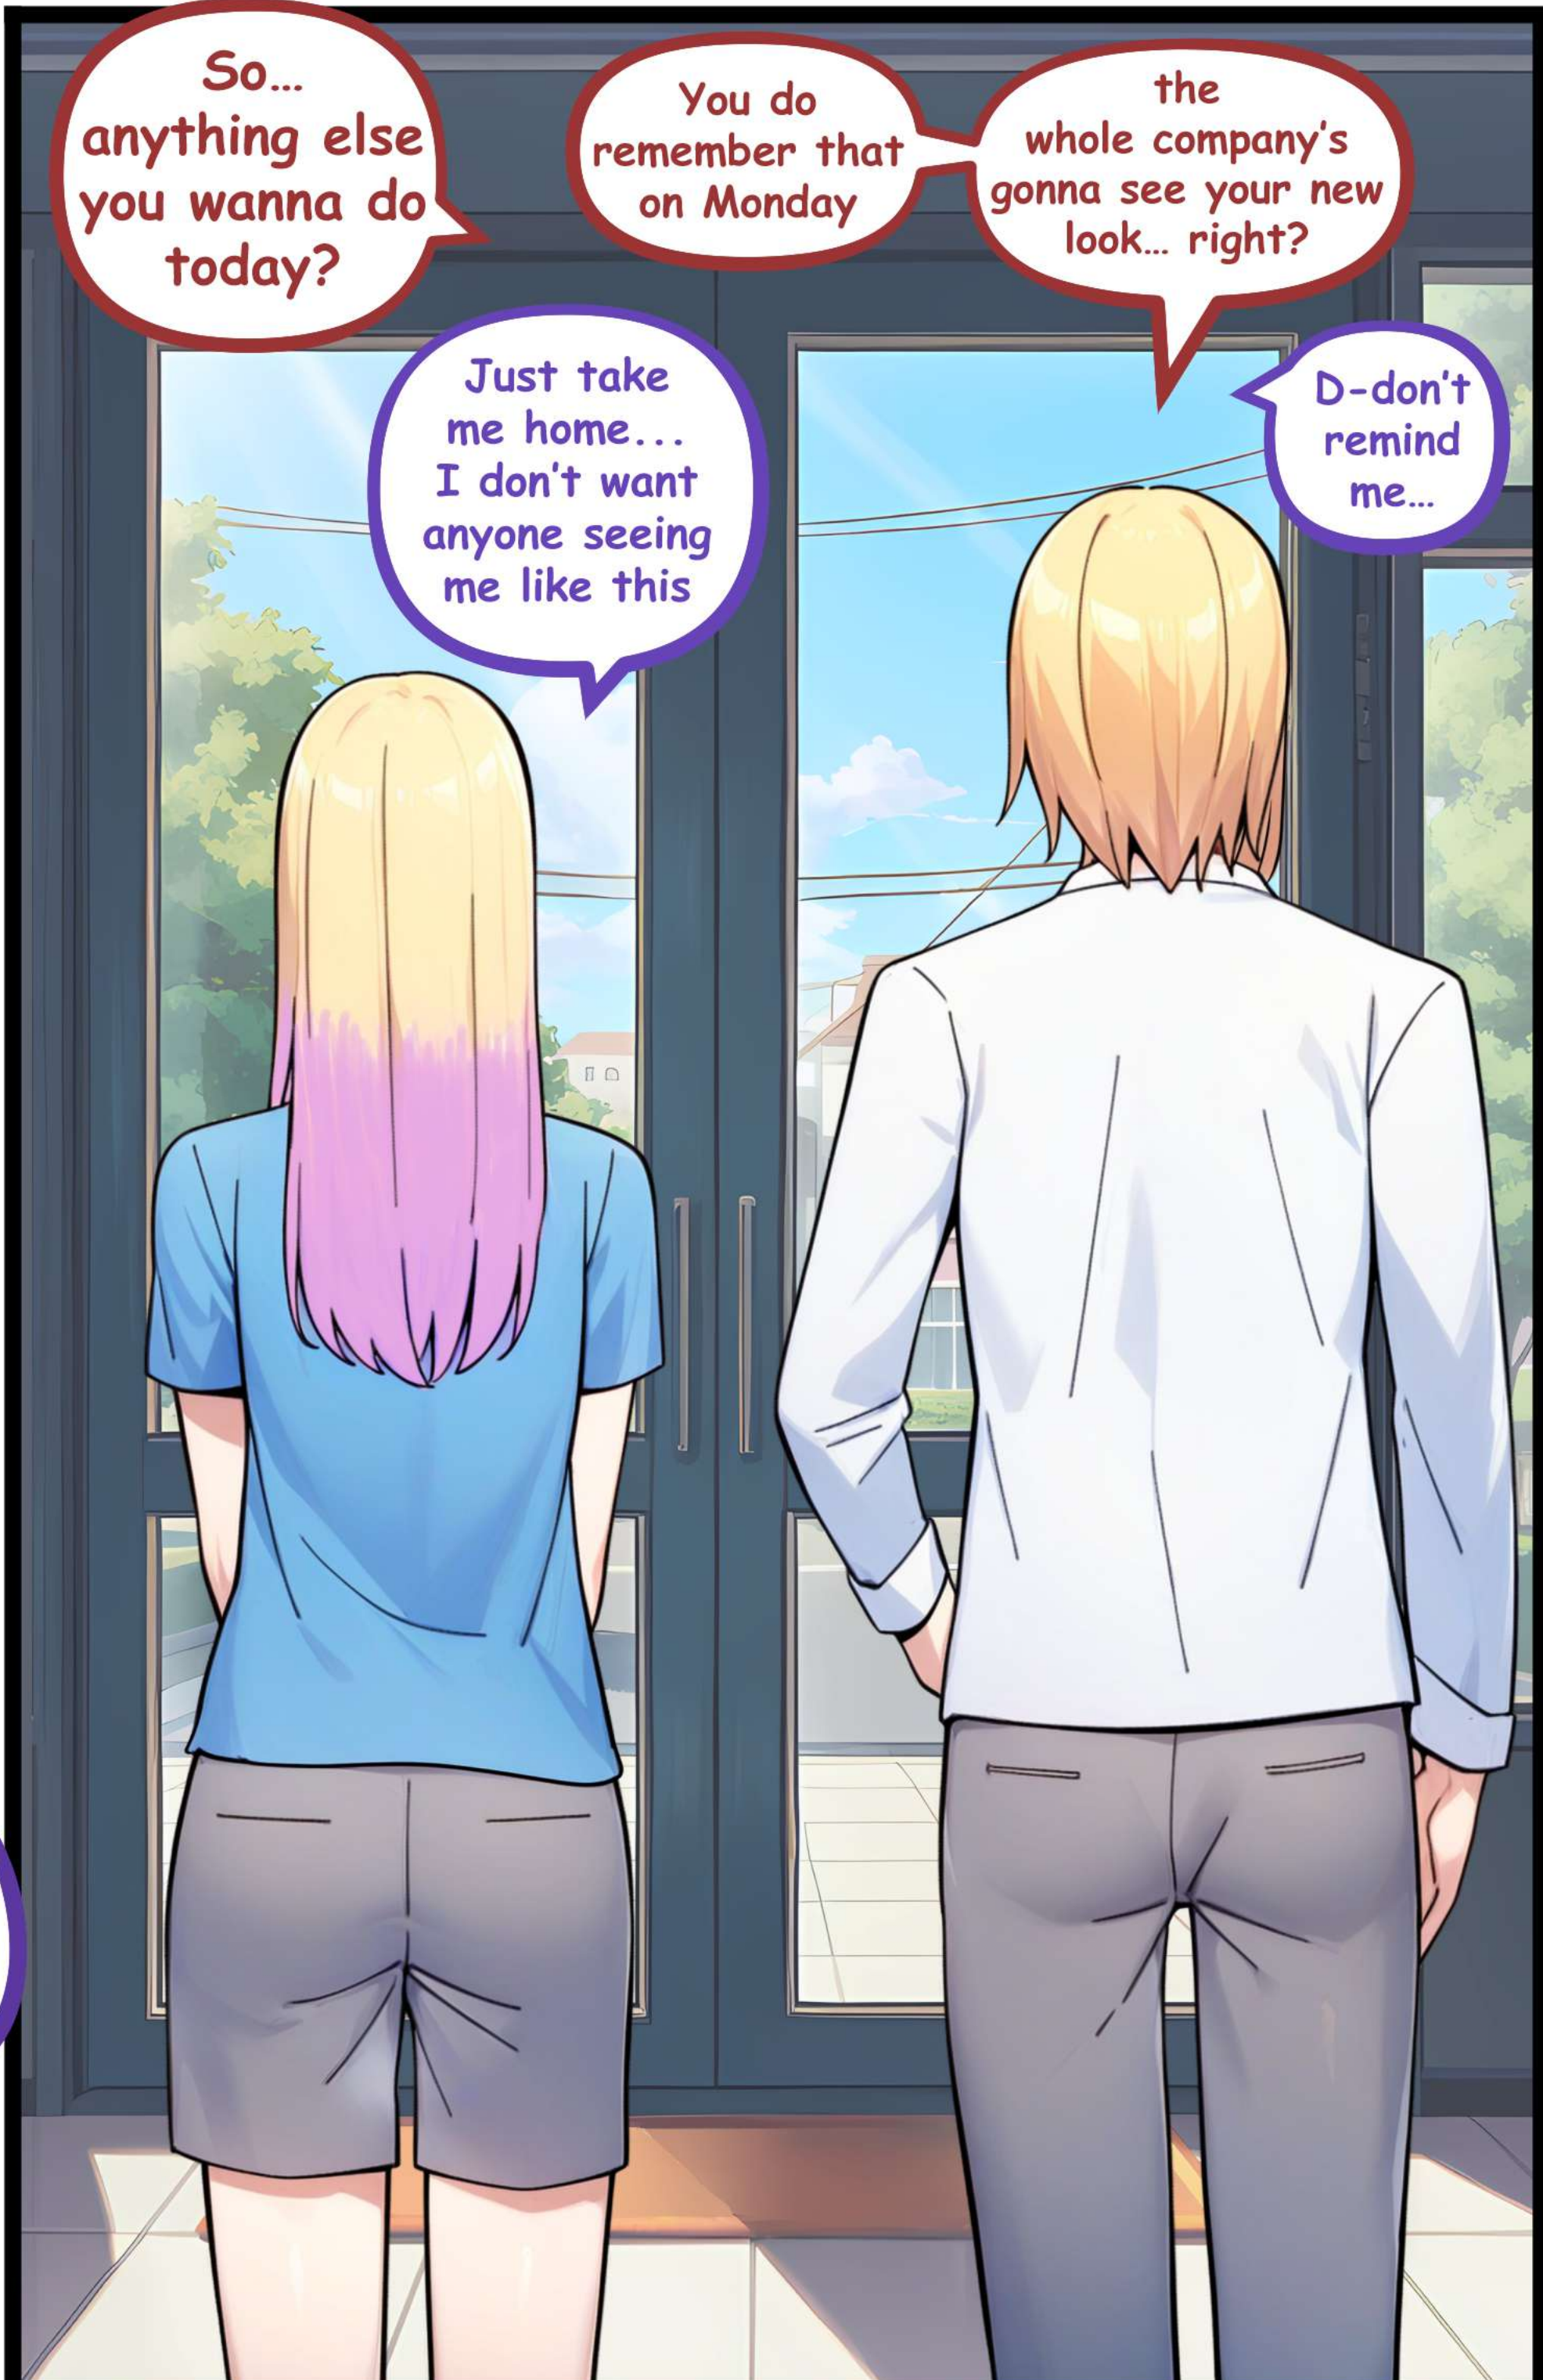

HER opinion is irrelevant

It turned out exactly how I wanted

You were such a good girl... letting me make you look like this (whispering)

So... anything else you wanna do today?

You do remember that on Monday

the whole company's gonna see your new look... right?

Just take me home... I don't want anyone seeing me like this

D-don't remind me...

N-nooo...

Don't call me a good girl...!

Damn
it, boss...

Not
even a
loose shirt
can hide
these boobs
anymore!

What am
I supposed to
do now?

I can't meet
my friends with
my nipples
poking through
like this!

Hmpf.
My chest
looks totally
like a girl's
now

How am
I supposed
to hide
these?

This is
all the boss's
fault.

Hmm...
Maybe...

Maybe
I can flatten
them down
with
something
...

Perfect
the bandages
worked better
than I
expected

But...
I still have
to deal with
my hair.

If it were
just blonde,
maybe I could
pass it off as
a weird
phase...

...but
the pink?
There's no way
they won't say
something

Tying it
back won't
work either...
it only makes
the pink
stand out
more

Maybe...
maybe I
can cover
it somehow

Why do I look more like a girl with less hair showing?

This wasn't supposed to make it worse!

sigh...
If a fake bob doesn't work, maybe a hat?

Hmm...
if I hide all of it, they'll definitely get suspicious...

Alright...
I guess
this works

I
definitely
don't look
like a guy
anymore...

But at least
it doesn't look
like I'm trying
to be a girl
either

During the get-together with his friends, everything went smoothly. Gabriel's plan to hide the volume on his chest worked, and no one seemed to notice. There were only a few comments about him looking "a bit different," especially about his bangs. Embarrassed, he brushed it off and made up a story about losing a bet at work.

By the end of the day, Gabriel was relieved he had gotten away with it, after all, no one realized that the changes went far beyond a slightly feminized face and a strange haircut. But deep down, he couldn't stop worrying: with each passing day his boss was making him more and more feminine, and Gabriel knew it wouldn't be long before he couldn't hide it anymore.

You look...
kinda different

Hehe,
you noticed,
boss?

I figured
out how to
hide my
breasts using
bandages...

Well...
I think you'd
better take
those bandages
off right
now

B-but...
why, boss?

Your
breasts showing
through is part
of the uniform

See how much better it is without the bandages?

~Ahhh, bossss...

How could I grope your breasts with those bandages in the way?

N-not like this!

my chest is too sensitive...!

And you don't need to worry about hiding anything

No matter how many bandages you use...

Soon it'll be impossible to hide your breasts

Damn...
why does
it feel so good
to touch myself
like this...?

Ever since
boss started
controlling
me, I can't even
jerk off
the old way
anymore...!

Ahhh...
nghhh...
my nipples
feel sooo
good!

Even
without the
cage...

They
make me
lose my
mind...

I can't
cum with
just my
cock!

W-why
can't I stop thinking
about being used
while I touch
myself...?

Damn boss...
he's rewired me
completely...

turned
me into a
pervert
who love
this...

Ahhh~
it feels
too good...
I-I can't
stop...

Ahhh~
nghhh...
I-I'm
gonna
cum...

like a
girl... boss
turned me into
his little
slut!

~Ahhhhnnn!

Keep your mic on...

Answer them while I fuck you

Y-yeah... I'll take the left side, cover me...

He's inside me while I'm talking...

I can't let them notice...

Week after week, Gabriel grew more and more accustomed to obeying. The boss's domination intensified relentlessly, until it became part of his daily life.

There were nights when "overtime" meant being with boss, not working, but being used as part of the job.

There was no resistance left anymore. Only obedience, his body responding on its own, ready to fulfill any desire the boss demanded.

We should... ahhh—!

Huh? What was that?

N-nothing! Just my mic acting up...

Anyway, let's push forward...

Pathetic... your nipples are even more sensitive than a girl's

Ahhh... why does it feel so good...

Come on,
cum for me
while your
friends are
listening

Ahhh...
I-I can't—
ahhhhhnnnn~!

Gabriel?
You there?

Hey, what's
going on?
You're not
moving

You
muted your
mic without
permission...

looks
like you
deserve to be
punished

I can't believe I have to go out like this...

Be grateful it's night... in daylight, everyone would see what you've become

S-stop it... this is so embarrassing, boss...

Come here! let me clip on your leash!

Tonight you'll be my obedient sissy puppy

Boss...
it's hard
to walk in
these
heels...

Don't
worry...

Soon you
won't even
remember how
to walk like a
man.

B-Boss...
w-what if
someone sees
me dressed like
this?

That's
the price for
not following
orders, puppy

B-boss...
hhhah~ the heels...
are bad enough...
ahhnn~

but the plug...
it's s-shaking
inside me...
nghhh~

I-I
can't
walk...!

That's
the idea!

I want
you to feel
every step, tail
wagging like my
sissy puppy

-what if...
ahhh~ s-someone
sees me... dressed like
this... mmmhh~ with the
plug v-vibrating...
I-I'll... nghhh~

Keep moving.
If you stumble,
I'll turn the
vibration
higher

Ahhh~
b-boss... not
here... nghhh~
w-we're
outside...

M-my chest...
ahhh~

it's too
sensitive...

S-stop
squeezing them
like that...!

Look
at you...

Moaning
louder every
time I squeeze
your tits

Ahhh~ nghhh~
b-boss...

I-I can't...
ahhh~ I'm gonna
cum...!

Do it. Cum
in public like
the dirty slut
you are!

Moan louder,
puppy!

Ahhhhhhhhnnnn~
I-I'm cumming...
I'm cumming...!

Let
everyone hear
you cum from being
used like this!

-Flap
Flap
Flap-

Hmmm...
these last months,
your tits haven't grown
much at all

But I
know exactly
how to fix
that

On our
business trip
I'll mold you into
the perfect fuck
toy for me

B-boss...
they're
already big
enough, aren't
they?

Big
enough?
Not even
close!

At least we're traveling...

Do you like the new clothes I picked out for you?

I-it's... embar-rassing...

Embar-rassing?

You don't even look like a man anymore!

I'd die if anyone recognized me like this

No one's going to think you're a sissy freak in girl's clothes

Ahh... Y-you're so mean... boss...

And you can't even hide how hard you get being treated like this

Look closely at yourself

This is the last time you'll ever see a normal body in the mirror

W-why... why does it turn me on so much to think about all the degrading things boss is going to do to my body...?

I... I...

You what? Forgot you're standing here naked?

I can see how hard you are, you filthy little degenerate

B-boss!

Now
tell me,
Gabriel...

Who's the
pathetic little
sissy that's going
to turn into a girl
just to please
his boss?

K-kyah...
Boss...!

I-I'm
sensitive
there...
ahhh~

Say
it. Out
loud!

I... I'm your filthy sissy...

the pathetic one who'll let you turn me into a girl just to please you...!

Ahhh~!

You came from the thought of throwing away your identity...

and what little masculinity you had left

Truly pathetic

Basically,
this isn't a surgical
procedure. Your body will
be given a combination of
medication and nutrients that
stimulate the growth of the
mammary glands. It's a relatively
simple process, but it does require
time for full absorption

Y-you'll just make them grow a little... right, boss?

So... are you ready to become even sexier for me?

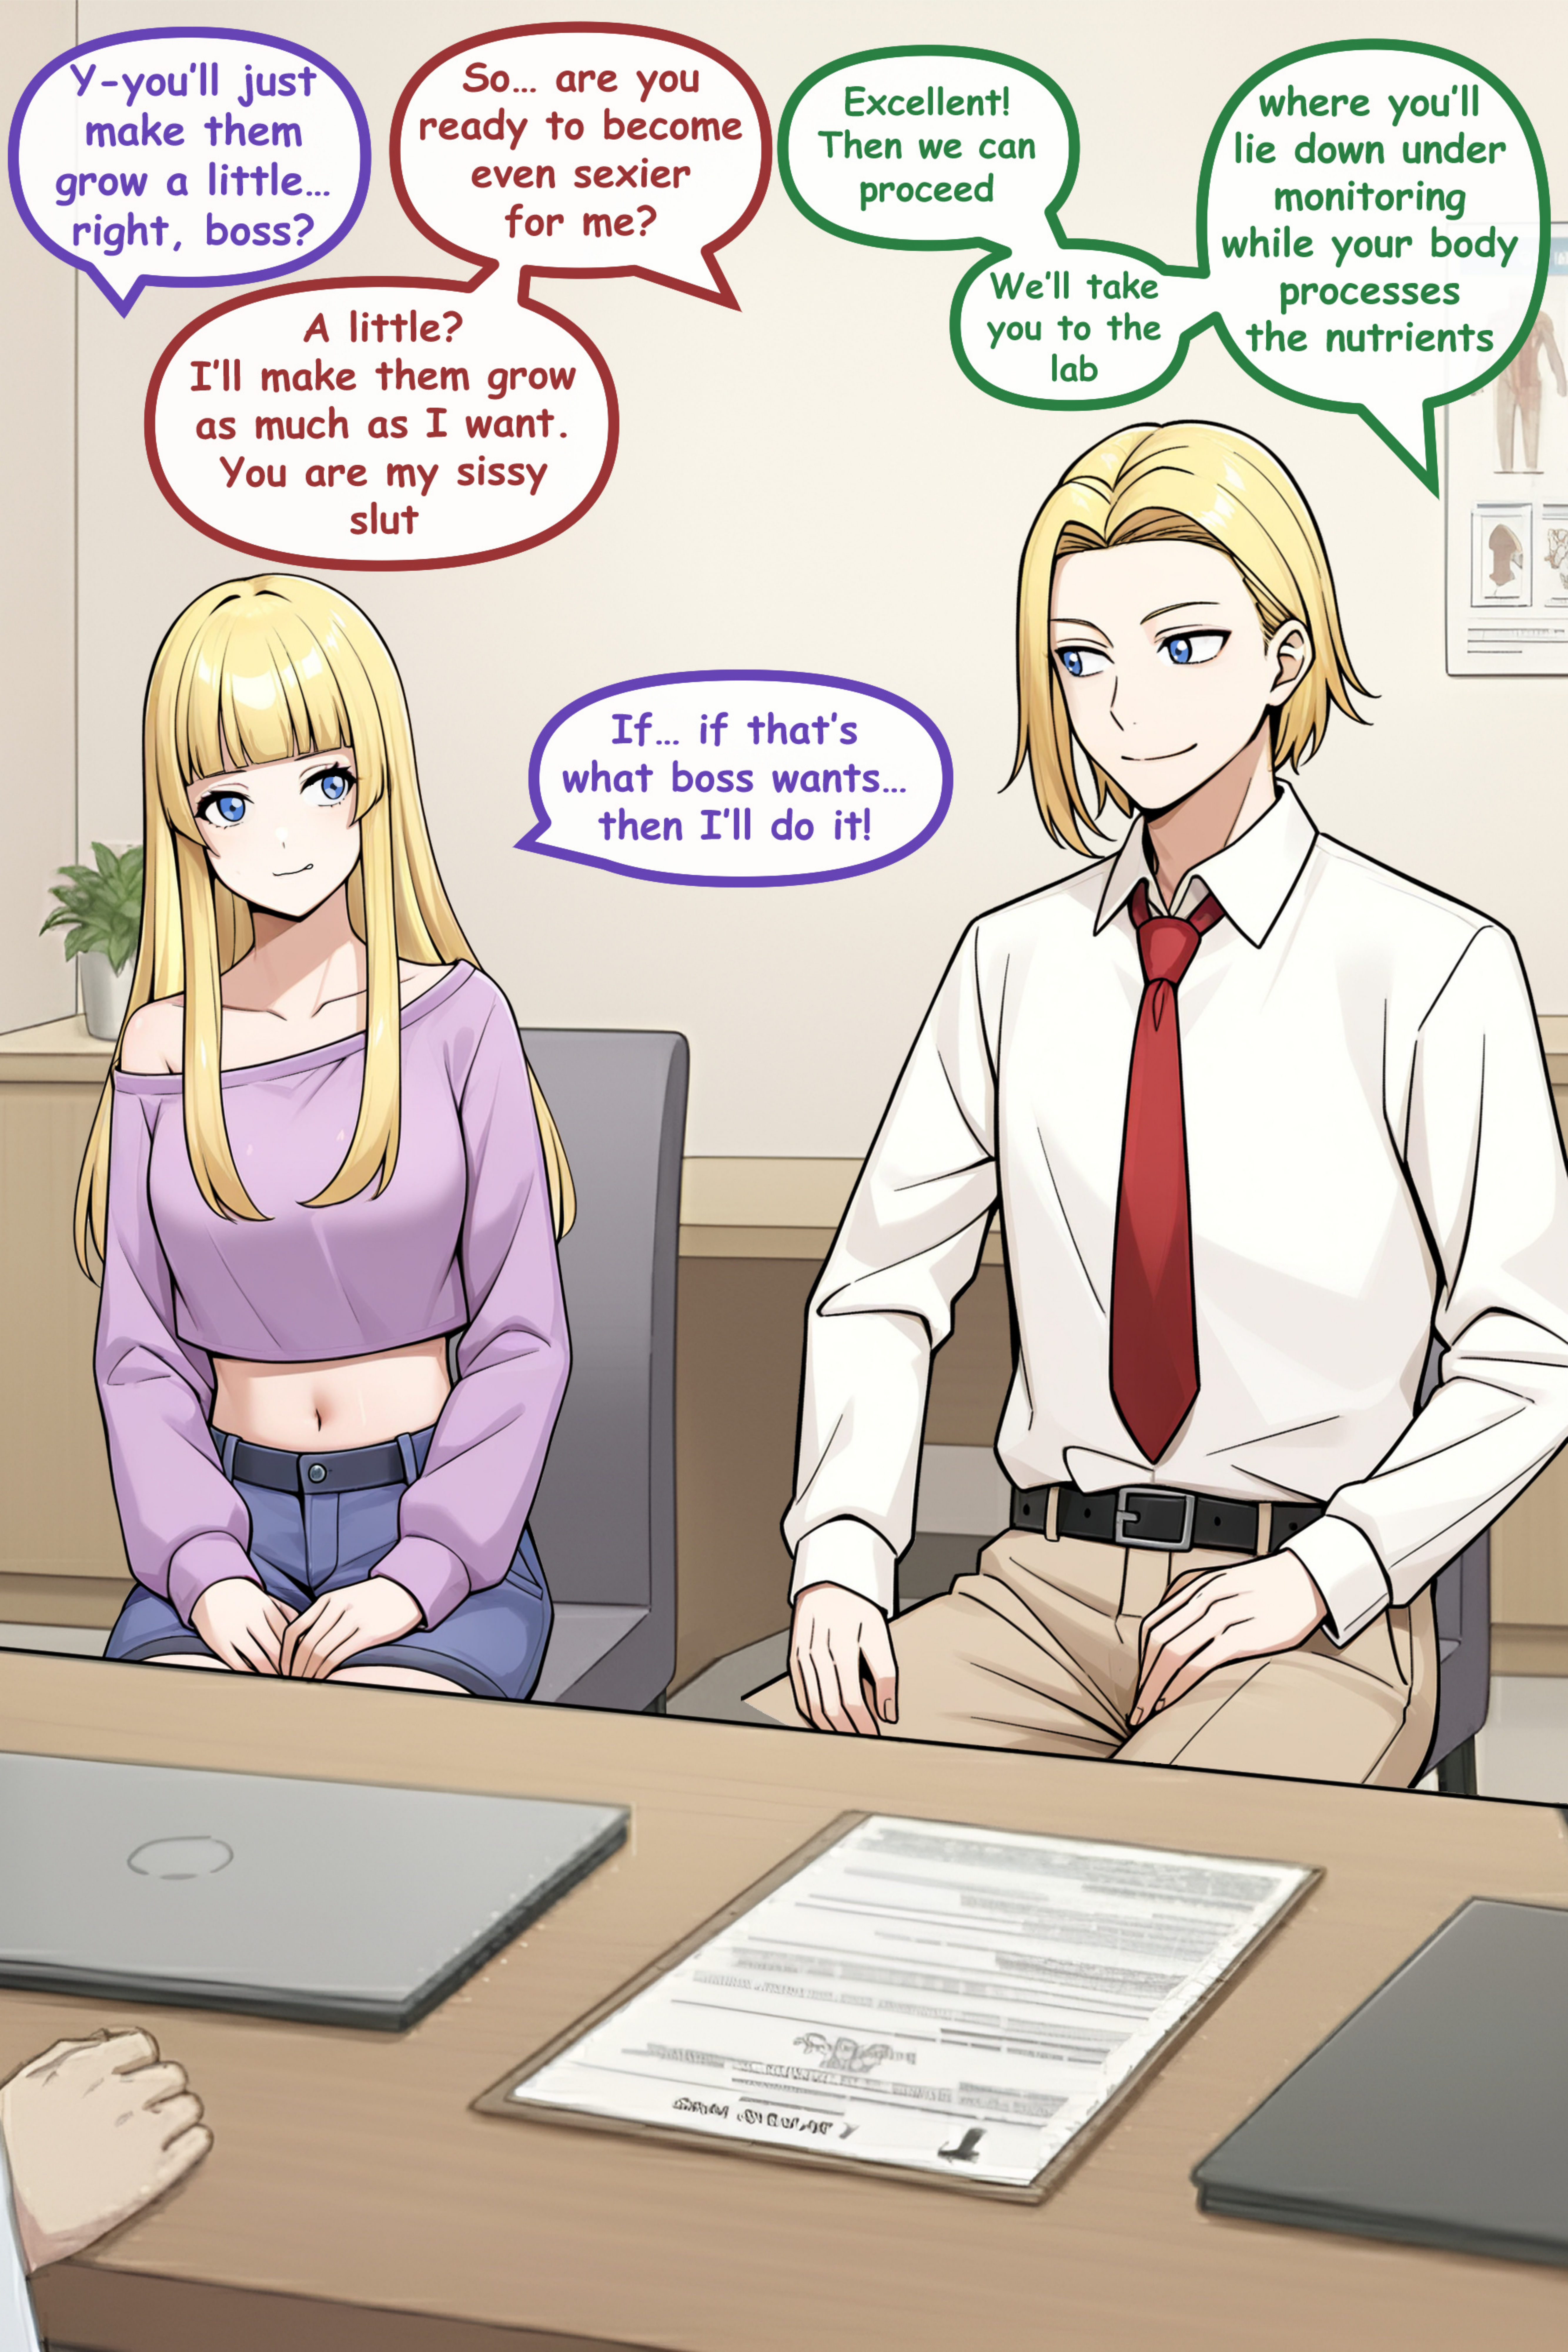

Excellent! Then we can proceed

where you'll lie down under monitoring while your body processes the nutrients

We'll take you to the lab

A little?
I'll make them grow as much as I want.
You are my sissy slut

If... if that's what boss wants... then I'll do it!

The absorption period is approximately twenty-four hours

T-twenty-four hours... lying there...?

Don't worry. You won't be bored... in fact, you might even enjoy it

What am I even supposed to do all that time?

Huh...?
