It's almost Halloween, and Clarissa and her best friend, Vella are sitting at the big dining table planning their party.

Who else should we invite?

Vadim!

And he's Vadim's best friend. So it would increase chances of Vadim coming...

Hm... Marco is kinda cool...ish.

Yes, yes. I got you the first time you said that.

I mean aside from your secret crush...

How about the Décor? Do we have enough pumpkins?

Who do you think you are talking to?

The garden house is stacked to the brim with pumpkins... fake tombstones, zombie hands...

**Nice!**  
Our party will be remembered for years to come!

As the girls keep planning, their landlady Erika returns home.

Damn... they look cheery.

Hello, Mrs. Williams!

Damn, she looks hot for a forty-year-old.

Nice outfit!  
We are just checking the last details for the big Halloween party!

I won't have this house trashed by a horde of drunk teenagers!

You can't do that!

We've already prepared so much!

We told our friends!

Sorry, girls. This is my last word.

We'll behave-Promise!

I'm sorry to disappoint them...

But after what my work colleague told me happened at her daughter's party...

No way!

And with that, Erika,  
withdraws to her bedroom...

No  
means  
NO!

Please, Mrs.  
Williams!

Please  
reconsider!

This sucks...

So, much money spent on pumpkins now rotting for no reason...

Huh?

Who might that be?

Ding

Dong

Still depressed about having their party cancelled, the girls stand up and answer the door...

But as they open...

Huh?  
Nobody's  
there...

Look, Vei, it's  
a package...

Addressed  
to us?

Hurry up.  
What's in  
there?

Huh...  
Weird!

Who'd send us  
a toy gun?

You mean like this?

click

Naaap

What  
the...

As Vella is hit by the strange beam, her sentence breaks off, and she is engulfed in a strange static light...

Her clothes become more and more transparent...

Until they fade out completely...

And then... Vella starts to  
change!

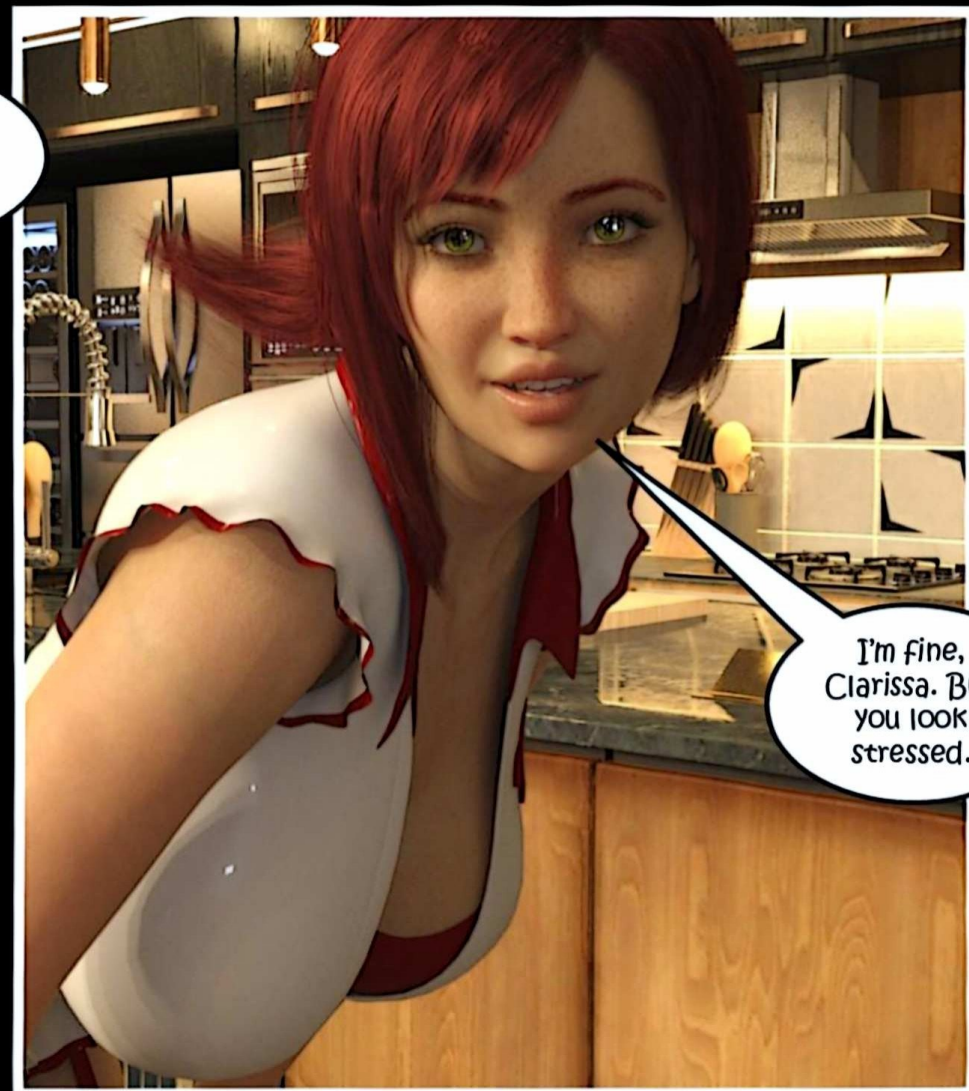

White fabric forms around her...  
and a hat like thing fades into  
reality atop her head?

It's a nurse uniform!

Hm... you are not feeling too hot. So, it should not be a fever.

Maybe you ate something bad...

There must be a reverse option! Please!

But don't you worry! Nurse Vella will get you back to full health in no time!

Oh, thank god!

Huh?

Please let  
this work!

Again, the beam hits Vella...

And a moment later, she is back in her original appearance..

Remember what? 2

You don't remember? 1

The girls keep talking about the strange device, obviously confused and flustered...

This is crazy!

Who'd send us something like this?

And what's it even for?

Huh?!

Why?

Wait a second!  
I've got an idea!  
We can use it on  
Mrs. Williams!

And seeing Mrs. Williams in a skimpy party outfit might be pretty hot...

We just zap her into someone who's okay with it.

That... could actually work...

Duh!  
To have our party, of course!

But we really shouldn't.

Who knows what it would do to her.

Come on, Vei!  
We need that party!

And we can turn her back afterwards just like you!

A little bit later...

Hungry...

Let's see...

Hey, Mrs. Williams!

gasp

Let's talk about that party some more.

We'll behave!  
We'll be super well-behaved for a whole month. Okay?

Please, Mrs. Williams!

*\*sigh\**  
There will be no party!

There will  
be no party!

Why are you  
doing this to  
us?!

Yeah. Cause shouting at her will work...

It's for the best!

Is not!

turn

Watch where you point that thing, even if it's just...

Watch the birdy!

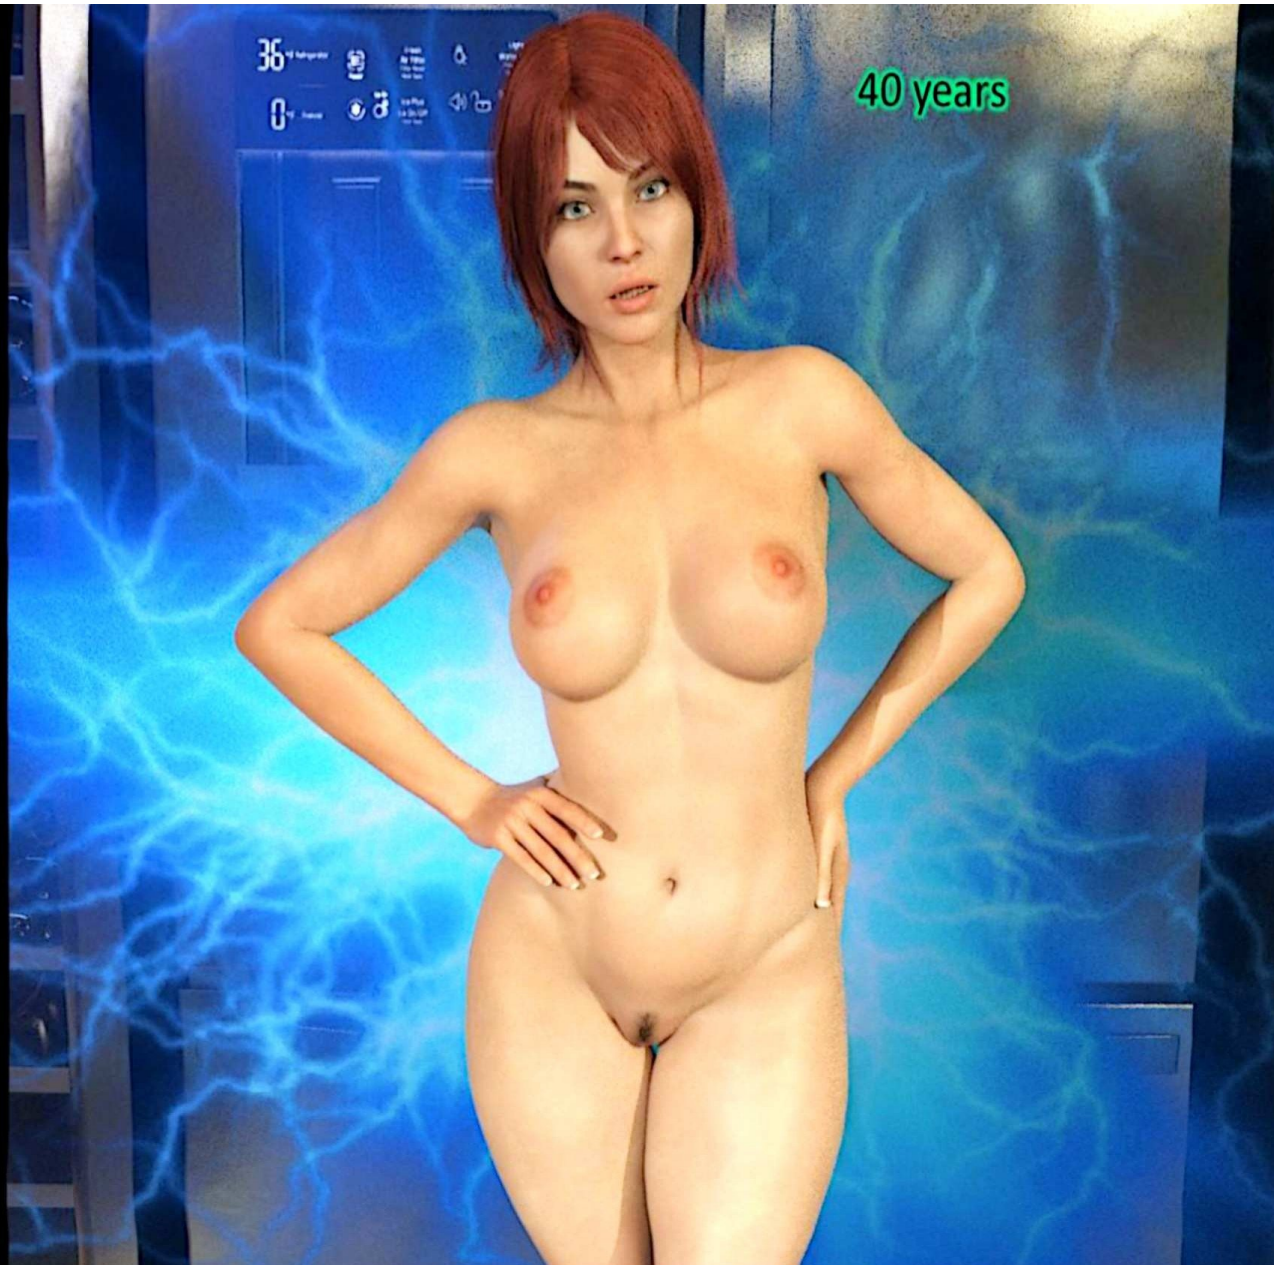

The beam hits its mark, and Mrs. William's body is surrounded by a static field...

Her professional business clothes grow transparent...

And vanish completely – leaving  
her naked for a moment...

40 years

Her body starts to tighten. Her face becomes smoother, losing some wrinkles...

She loses an inch or two...

20 years

And her breasts grow smaller,  
but perkier.

18 years

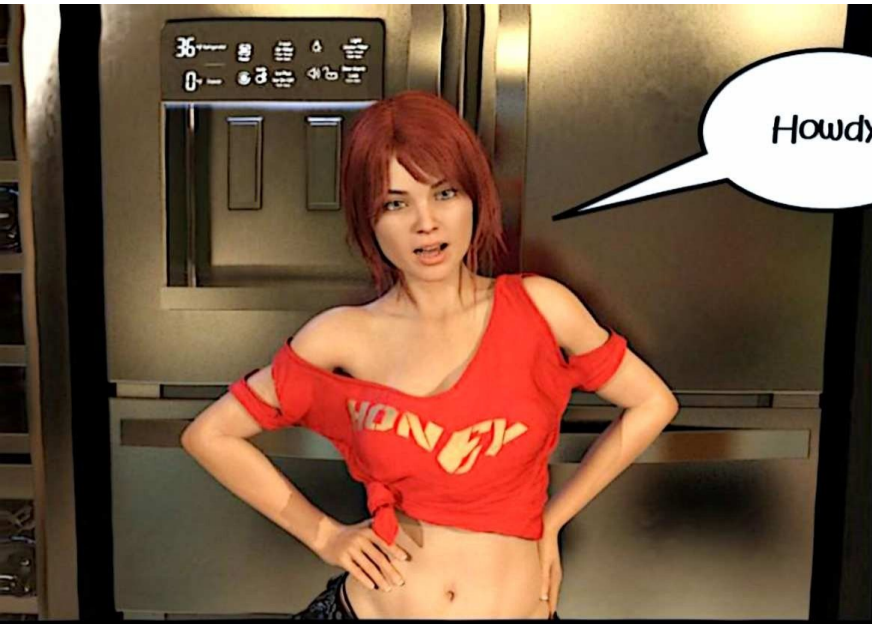

New material forms around her body - fading into reality...

A micro skirt and a loose red top!

Howdy!

So Cool!

Are you alright, Mrs. Williams?

Holy Shit!  
She is super hot as a teen

Cringe!  
Don't call me  
that! That makes  
me sound old!

Call me  
Erika!

*\*giggle\**  
Will do,  
Erika.

So, what were we  
talking about,  
girls?

Halloween party  
incoming. You  
fine with that?

Woohoo!

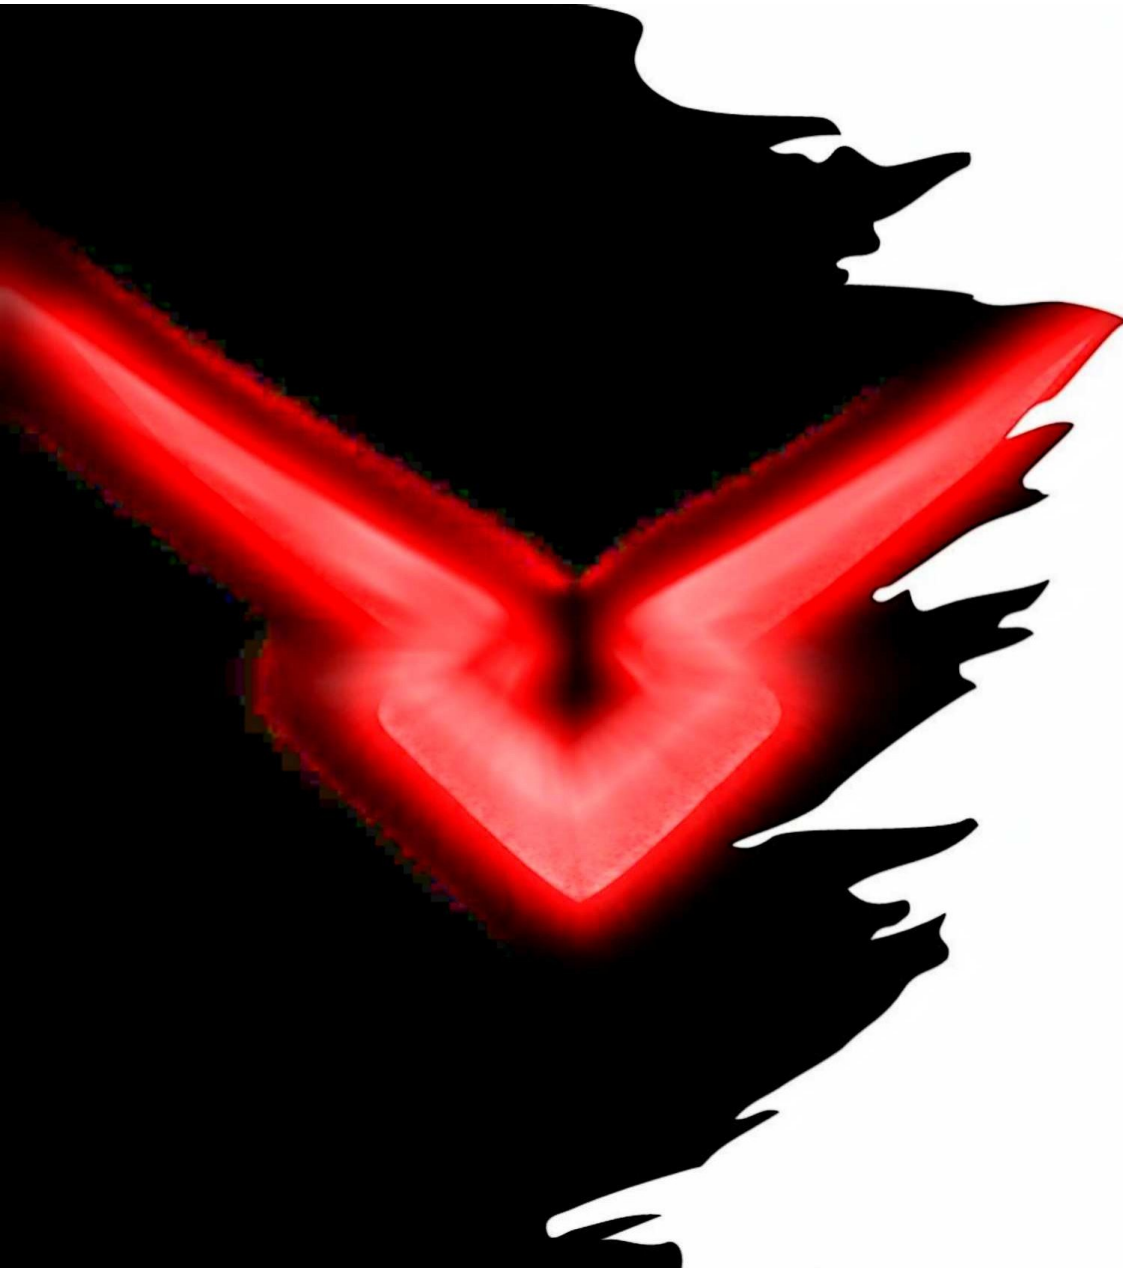

Halloween Party? Stay!

I'm in!

Yeeee!

To be continued...

# Thank you for reading!

Hello, Hexxet here,

And so that personality-changing ray gun saved the day and the Halloween Party. The girls will have their party, turn Erika back afterwards, and everything will be fine, right? Right? RIGHT?! (Two more chapters are planned for this story ^^)
