HE BIT OFF MORE THAN HE COULD CHEW.

There were few movie producers as influential as Trevor Grant. A few consecutive successful films catapulted him to the highest level, and he used his cunning and charismatic ways to make a lot of connections. He was a powerhouse, and he made sure to surround himself with equally or more powerful people.

Trevor Grant was a middle-aged man of average height, a slight gut, product of years of leisure and inactivity, salt and pepper hair that he kept short and styled in the best beauty salons that money could pay for, and a mischievous smile. His glasses had a thin rim and were always squeaky clean, as a smear on them could give him a headache.

He used his charisma to put the people around him at ease, and it was a valuable tool to get what he wanted. He was as manipulative as could be, and he hid his true nature well enough that people didn't have the faintest idea.

Trevor wasn't a normal, friendly man. He was a man of twisted desires who used his position and power to his advantage. His favourite targets were young aspiring actresses that wanted to enter the industry and had nowhere else to go and nobody else to turn to. Trevor showed his sweet side, offering

them help and mentorship, only to take advantage of them and use them to satiate his cravings.

The one who activated a chain of events that would change his life forever was a young aspiring actress named Britney. Like many others, she was trying to get a job as an actress and make her dreams come true instead of going back to her rural hometown. She worked as a waitress to pay the bills.

The movie producer roamed around during the casting for one of his new movies to find some fresh meat. He maintained a professional front, and the people around him were impressed by his commitment to the projects he was involved with—usually movie producers as important as he was wouldn't bother visiting the castings.

Britney's beauty and naivety instantly hooked him, and he approached her casually during a break when she was grabbing a cup of the free coffee that the casting office offered. That was one of his ideas to have the applicants lower their guard while they drank a cup of coffee and snacked on a biscuit. Her long legs and fair skin got his attention, and her solid ass and the shape of her tits under her top convinced him.

“Do you think you'll get the part?”

Britney jumped a little because she wasn't expecting to be approached so casually. She looked at the man, well-groomed and dressed. His warm smile disarmed her.

“Maybe. I don't know. I hope so.”

“What did they tell you?” asked the man.

“Not much. They took notes and thanked me, and they said that they would get in contact with my agent if I get the part.”

“An *agent*? I see that I'm in the presence of a true professional.”

Britney giggled.

“No. She’s my roommate, but I think it gives you a better chance in these things when you have an agent. She even made a profile online to give it more credibility.”

The young girl blushed when she realised that she said more than she intended.

“Let’s keep that between you and me, please,” she continued. “I don’t want them to think I’m a fake actress.”

“Don’t worry. My lips are sealed.”

“Thank you. Are you here to audition?”

Trevor laughed at the girl’s confusion.

“No, not at all. I’m the main producer of the movie.”

Britney’s eyes almost fell out of their sockets. Her face quickly gained a red tone, reflecting the embarrassment and stress that quickly took over her.

“Oh my God. I didn’t know. Please don’t think-”

“Relax. I respect that you got your roommate as your agent to better your chances. You’re smart.”

“I... thank you.”

“I’m Trevor. Trevor Grant.”

“I’m Britney. Nice to meet you.”

“Likewise.”

The girl seemed to relax after they shook hands. His smile was inviting, and his demeanour was relaxed. He looked like a regular man in a suit, but in reality, he was the most powerful man in that building.

“Do you think that I have a shot?” she asked.

“It’s hard to say. From what I gathered, there are many applicants.”

Her face showed a slight disappointment.

“But,” he continued, “maybe I can help you out.”

She was shocked that someone like him would offer to help her.

“Really? I don’t know how to thank you, Mr. Grant.”

“Call me Trevor.”

He knew he had her. She was innocent and hopeful and utterly oblivious of his true nature. She would make an excellent addition to his long list of conquests.

“Okay, Trevor. I don’t know why you would help a girl like me, but I appreciate it.”

“I saw something in you, and I know that you’ll pour your heart out in your performance. Come to my apartment later today, and we’ll talk about the finer points.”

“Are you sure? I don’t want to be a bother.”

“Nonsense. Give me your number, and I’ll send you my address.”

The girl gave him her number, and he added her contact in a second cell phone, one that was dedicated to collecting the numbers of the girls he abused. They parted ways, and he went to attend some work-related duties, but he only thought of Britney and her fantastic body.

Trevor headed to his apartment after he was done with his duties at the studio. He still had an hour before Britney was scheduled to drop by, so he took a shower and relaxed while eating some chocolates. He opened the door for her when she arrived, but all his charm and the smile were gone.

“Took you long enough. Take off your clothes.”

The girl was taken aback.

“What?”

“You heard me. If you’re too stupid to know why you came here, then I can’t help you. Undress, or I’ll have you fired and blacklisted from the whole industry.”

He jumped on her like a lion does to an antelope once she started to remove her clothes. His hands groped her body with force, hurting her. Red marks appeared quickly on her skin where his hands were. He put his cock inside her pussy unceremoniously, and she moaned in return. She wanted to triumph in the industry, so she had no choice but to sleep with him. At least she’d try to enjoy herself.

He threw her on his bed and fucked her roughly. His glasses slipped down with every thrust, almost comically. She thought about someone else and even managed to cum before he did. He came inside her and wiped his cock against her belly.

“Good girl. We’ll see each other often.” He said with a sleazy smile on his face.

She left his place crying tears of anger and bitterness.

The girl showed up for the script reading the following weekend. It was pleasant to focus on something else other than what Trevor put her through. Everyone took a break after an hour of reading the script and headed to the little table with pastries. One of the main actresses, Victoria, sensed something when she saw Britney. She had sad eyes, and she was a newcomer. It was easy to assume that Trevor had gotten to her already, forcing her to do stuff that she didn’t want to do.

Victoria was an actress that was going to appear in the same movie as Britney, but she wasn’t a first-timer. The mature woman had been working with different directors who had connections with Trevor, and she had been subjected to his abuse as well.

“Are you nervous?” Victoria asked.

“A little. It’s my first time acting in a movie.”

“What did you do before?”

“I’ve done a couple of commercials, the kind that air at three in the morning. I’m a waitress.”

“I was, too, a long time ago.”

Britney looked at her from head to toe. Victoria was a tall woman, even taller with heels, which she always liked to wear. Her tan skin, straight hair, and defined and sharp features gave her the appearance of a living statue—the statue of a Greek goddess.

“How did you get the part?”

The young girl looked to the floor. Her face showed deep shame and anger, and that’s when Victoria was sure that Trevor put his hands on her.

“I’m sorry about what happened,” said Victoria, as if Britney told her the whole story. “Many of us have been through the same thing.”

“Really?”

“Yes. It’s not your fault.”

“I’m such an idiot for going to his place.”

Victoria embraced her in a motherly hug.

“A few of us are planning on bringing him down. You can help us.”

“What do I need to do?”

“It’ll sound hard, but I want you to be alone with him again. This time we’ll record it, and it will be the end of his career and his life altogether.”

The young girl remained silent, thinking. Her anger was greater than her shame, so she agreed to do it.

“Okay. But I want to get even with him before you do whatever you’re planning to do with the video.”

“You can count on it. All of us feel the same as you.”

The two women returned to the reading desk and carried on as if nothing happened. Their conversation remained a secret.

During the first day of filming, Trevor Grant was there, and he went straight to Britney’s dressing room. The girl was done recording for the day and changed into his regular clothes when the movie producer barged in without knocking.

“I missed you, my beautiful Britney.”

If looks could kill, Trevor would have dropped dead.

“Did you miss me too?” he asked.

“What do you want?”

“You know what I want. Get on your knees.”

She got tears in her eyes. She was angry that it was going to happen again, but she was prepared this time. Victoria installed a hidden camera in Britney’s dressing room, and Trevor was standing in front of it without knowing. The camera captured him entering her dressing room and the audio of him telling her to get on her knees.

The young actress complied with the order and the man unzipped his pants after she kneeled. He took his cock out and slapped her face with it, slowly getting erect. He looked down on her like he had done with so many other girls before, and, like them, she took his cock into her mouth and started sucking it. Her tongue slipped along his shaft, tasting him, taking all of his cock down her throat.

“Good girl.”

She rubbed his shaft and sucked on the tip, getting deep moans out of him. Judging by the taste of precum in her mouth, he was close to having an orgasm. She kept going. Initially reluctant and upset, she was happy to carry this to completion since it would get recorded thanks to the hidden camera. It disgusted her but filled her with happiness when she imagined how his life would get destroyed.

She never imagined that they would break him completely.

He came suddenly while Britney was distracted by those thoughts. Her mouth got filled with warm cum, and she swallowed all she could before some of it spilled out of her mouth and onto her clothes. The producer simply put his cock back into his pants and walked away.

“See you soon,” was all he said before leaving the dressing room.

“Sooner than you think,” said Britney, cleaning the cum from her face and top.

Victoria entered the dressing room shortly after Trevor left. She had seen everything on her phone since the hidden camera was connected to it. They hugged, happy that they had the evidence that they wanted. Britney wasn't sure how they were going to proceed since everything was Victoria's idea.

“Are we going to report him to the police?” asked Britney.

“Not exactly. I have something planned for him, but let's eat first. A few friends of mine are already waiting there.”

“Where are we going?”

“There's a coffee shop across the street. We're going there.”

“Okay.”

The two women went to the coffee shop, where Victoria's friends were already waiting. The three women that were there had been abused by

Trevor as well. Victoria introduced them, and they got down to business.

“Yeah, we can report him to the police, and he’d be done, but I have something else in mind.”

“Is he going to suffer?” asked one of her friends.

“Yeah.”

“Let’s do it, then. I trust you, Victoria.”

Per her instruction, the whole group had an abundant meal. It was delicious, and Victoria paid for everything. She was the movie’s protagonist, after all, and she wasn’t hurting for money.

Victoria had rented a small abandoned warehouse by the docks. It was the perfect place to enact their revenge: cheap, isolated, and it wouldn’t attract any unwanted attention. It wouldn’t matter if he screamed his lungs out. The rest of the group headed for the warehouse, and Victoria went to Trevor’s office. His secretary wasn’t there; perfect.

She strolled into his office. It wouldn’t matter even if anyone saw her outside or around his office. It was normal for an actress like her to see him.

“Victoria. How can I help you?”

Trevor had his characteristic smile that hid the monster that he really was. Instead of being disgusted, Victoria returned the smile because she knew what was about to happen.

“Let’s cut to the chase,” she said. “You’re going to come with me.”

“I’m a busy man,” he said, letting his smile fade a bit. “I don’t have time for you today, but you can call my secretary tomorrow and-

“I’m not asking, Trevor.”

He looked at her, puzzled and amused.

“You’re on thin ice, girl.”

“And you’re fucked.” She said, looking at him with pure disgust.

Victoria pulled her phone out and played the video that the hidden camera in Britney’s dressing room recorded. The color drained from Trevor’s face.

“As I was saying, you’re coming with me.”

“I’ll bury you with my army of lawyers.”

“I have this video and many others, as well as plenty of girls willing to come forward to testify against you.”

The mature woman was bluffing, but she was an actress, after all. The producer bought it.

“Don’t do anything stupid.”

“Come with me, and maybe I won’t.”

He got up and followed her to her car. She opened the door for him with a smile and exaggerated movements, mocking him. She got on as well, turned the engine on, and drove off with a roar.

They arrived at the small warehouse.

“After you,” she said.

“I don’t know what the fuck-”

“Trevor. Love. You can drop the tough guy act now, I’m in charge, and you’ll do exactly as I say, or your life will be over before you can open that little mouth of yours again.”

His lip quivered as he accepted defeat. The girls were shocked when Victoria walked into the warehouse with Trevor in tow. They didn’t expect her to deliver so quickly.

“Girls, I present to you Trevor Grant, powerful movie producer.”

The tension was palpable. Victoria had complete control of the situation, and she wanted to make the most of it. She was done waiting. She had been doing it for years.

“Get rid of your clothes.”

The command took Trevor by surprise. She was serious, and he could see it.

“Now,” she punctuated.

The man timidly took his shoes, socks, shirt, and pants off. Only his underwear remained on.

“I said get rid of your clothes, not of almost all of your clothes.”

The rest of the girls looked attentive at how this man complied. Victoria pushed him to his knees once he was fully naked.

“I’m going to enjoy this,” she said.

Victoria stood over Trevor, lifted her skirt, and pulled her panties aside. A stream of golden liquid came down from her pussy and onto the man’s face and chest. The girls looked in shock at how Victoria nonchalantly humiliated him. She sighed in relief once she was done pissing on him.

“I’m sure some of you could use some relief as well,” she said.

Britney was the first one to come forward. Her abuse was fresh, and she wanted revenge.

“Open wide, *maggot*,” she said.

“Please, please font do this...”

The young girl leaned down and..

BOOM!

She slapped him hard enough that it echoed through the whole warehouse.

“I said open your fucking *mouth!*”

The movie producer did as instructed, and Britney let out her own stream of piss. She laughed as the liquid poured down into his mouth and down his throat. He coughed and spluttered, but eventually gulped the warm stinky urine down, and a drop slid down his lips and chin. Britney rubbed her pussy to soak it in the remaining piss and rubbed it on Trevor's face.

"That felt good," she said.

The girls joined in the fun, going one after the other to piss on him until his stomach was almost full, and he was on the floor in a yellow puddle. He started sobbing, which only made the girls laugh.

"Can we do whatever we want with him?" asked Britney.

"Of course. He's our little pet now," said Victoria.

"Come here, boy."

Britney used her index finger to motion him to go to her. Trevor tried to stand up, covering his cock with his hands, but the girl stopped him.

"On your knees."

The man crawled to her, leaving wet spots of piss on the ground.

"You better eat it all, or you'll regret it."

Britney took off her panties and squatted over him, leaving barely any room between her ass and his face. She had just pissed, but she had more to give him—something from her bowels. The girl pushed and got red in the face when a brown nugget peeked out from her asshole. Trevor was full-on crying now.

"I made this just for you," she said.

The log of shit slowly made its way out of her asshole, stretching it. He couldn't refuse it. His mouth opened wide, and the shit coming from Britney landed directly on his tongue. She kept pushing between grunts and gasps from her audience. She spread her ass cheeks with her hands to make

sure that she got every particle on him. He masticated the shit to be able to swallow it. It got all over his tongue, teeth, and even the rough of his mouth. The flavour and consistency were like nothing he had ever eaten before.

“Chew faster. I have more coming for you.”

Britney pushed again, and a second log of the same size made its way out of her asshole. He wasn't ready, and he wasn't able to catch it with his mouth—the turd landed on his closed mouth and then on the floor.

“What did I tell you?” asked Britney, almost yelling. “Fine, if you're too stupid to follow instructions, you can eat it from the floor.”

Trevor looked at the piece of shit on the floor, then at her, then back at the floor. The man, defeated, reached for it when Britney interrupted him again.

“No hands. Since you behave like a dog, you'll eat like a dog too. You like to make people swallow, so it's your turn now.”

He buried his face in the shit, taking bites out of the floor between sobs. He chewed down on it and swallowed. He did it again and again until there was nothing but a smear on the floor. Britney made him lick that, too.

The once mighty and well-connected movie producer was reduced to a human toilet. Empowered by Britney's display, the rest of the girls took turns shitting on him as well. It clicked for them why Victoria wanted them to have an abundant meal.

The small warehouse was filled with the smell of shit from all the girls. Trevor was dizzy and mind broken, and his stomach was bursting from all the piss and shit that he had to consume. Victoria took a bit of shit from the floor and smeared it all over his face and chest, making all the girls laugh. They humiliated him like nobody before, and it was only the beginning. He didn't know it yet, but he was going to serve them for longer than that day; the warehouse was rented for the whole week, and Victoria and the girls were going to enjoy having Trevor as their personal toilet.

“Let’s go have dinner, girls,” said Victoria. They all grinned and nodded in agreement. They left Trevor chained to a pipe and went on their way. They had to eat so they could feed him some more. The man stayed there, captive and covered in their waste. Nobody would ever know what happened inside that small warehouse.
