## HELPING THE PEOPLE WE LOVE.

**A**n alert from his phone let Jonah know that he had a match. It had been a rough patch for him since he broke up with his girlfriend, and he turned to Tinder to find someone to hang out with and, hopefully, fuck until they passed out from exhaustion.

It was his first match since he installed the app, and he was already thinking of giving up on using that method to get with a woman. He opened up his phone and arched an eyebrow when he saw her profile. It had to be a joke or someone using those pictures to trick people.

“She’s far too good looking,” he said to himself.

Jonah wasn’t doing poorly in the looks department. He was a tall man with an athletic build but not too muscular. He had short black hair and thick eyebrows with intense, equally black eyes. On the other hand, Nancy, the woman that matched with him, looked like a goddess walking the Earth. She had luscious blonde hair that got to the middle of her back, a body that was so perfect that it looked like it came out from a dream, with big breasts and wide hips, as well as thick thighs. Her ass was her best asset, round and just the perfect size.

The man locked his phone and tried to forget about the obvious scammer that was probably using some model’s photos to trick people.

“Not today, sir. I won’t fall for it.”

He fixed himself something to eat while he watched a movie in his living room. Unfortunately, he couldn’t focus on the screen because his eyes kept going back to his phone on the kitchen counter. He brought his attention back to the movie, but his eyes trailed off every time.

“What if…”

He finally stood up and went for his phone.

“I have nothing to lose. I’ll entertain myself with whoever this is and call them out in the end.”

The man sent an opener and, to his surprise, he received an answer almost instantly. They had some small talk to pass the time, but the woman was obviously flirting with him, which only sent more alarms blaring inside his head. “Whatever, let’s end this once and for all,” he thought.

“Hey, this may sound weird but I need to be sure that this is you. Can you send me a picture holding up three fingers or something?”

“Yeah, no problem.”

They exchanged their social media, and she took a picture like he requested, holding up three fingers. The photo was provocative, as she was wearing a low cut top, and she pressed her arms together, making her tits almost burst out from her clothes. It was undeniable; a scammer couldn’t get a picture with a specific pose like that one in such a short amount of time.

The conversation kept going, and he suggested a video call. She was happy to do that too, and that left him with no doubts at all.

“Well, I guess today is my lucky day,” he thought.

Nancy was the one who suggested going out for a date first, which surprised him again. The truth is that she was way out of his league. He

would need to have a fat bank account and an even fatter cock to attract that kind of woman. He did have a huge cock, but he lacked the bank account to go with it.

After some more back and forth, they decided on an Italian restaurant downtown. Jonah had been at that place a couple of times, and fortunately, it was within his budget. Even though things were going great, he didn't want to complicate them by suggesting a different place. What if she backed off?

They agreed to meet that night. Jonah couldn't believe his luck, and he allowed himself to put his guard down after double-checking that it was indeed a real woman that she was talking to and not some greasy scammer tricking him from a dim-lit basement. He took a shower and scrubbed himself well. His mind kept going back to that picture of her showing a generous amount of cleavage, and he got an erection before he knew it. He touched himself thinking about her and came to calm down because his nerves weren't going to do him any favours.

He dressed in a fancy shirt and freshly-ironed pants and went on his way. She placed a reservation under his name.

“Jonah Summers. Table for two,” he said to the hostess that greeted him when he arrived at the restaurant.

“Yes, sir. Please, follow me.”

The restaurant was packed. He didn't see any families around that day; he only saw couples going on a date and enjoying some quality time with some of the best Italian food in town. He sat down and looked at his phone: no new messages. He was 10 minutes early, but he was getting nervous again. It was a mixture of nervousness and excitement because it was a real possibility that he would get to fuck the most beautiful woman he had ever seen.

The clock kept ticking, and he grew restless. But there she was, right on time. She walked into the restaurant like she owned the place, with a degree of grace and elegance that any woman would kill for. The hostess guided her to his table, and, soon enough, they were facing each other.

“Hi. I hope I didn’t keep you waiting.”

“Don’t worry about it, I just got here myself.”

Her voice was sweet, and it filled him with joy. She was wearing a tiny black dress that accentuated her assets and revealed enough skin to lure him in but kept enough hidden to make his imagination go wild. Her perfume smelled of lavender, but not the cheap kind.

A waiter approached their table to greet them and take their order, and Jonah smiled when he caught him checking his date out. Nancy looked spectacular, and most of the men at the restaurant tried to get a good look at her. She ordered the risotto with shrimp while he asked for the meat lasagna.

The first few moments were a little awkward, as it took a while for Jonah to get over his insecurities and nerves. He acted cool, but Nancy saw through his act. She didn’t say anything to avoid embarrassing him.

Thankfully, the waiter arrived with their food, and the conversation trailed off towards their meal, their favorite restaurants, and their usual favorite spots in town in general. Nancy wasn’t just a beautiful face and a stunning body; she was an interesting person and had a few hobbies. Jonah finally relaxed and talked about his own hobbies as well. There wasn’t much of an overlap, but it was enough to keep the conversation flowing.

Jonah didn’t want to ask her outright why she picked him to fuck that night, but he felt more comfortable as time passed. He pushed it to the back of his mind, but it came back, and he figured that he could get it over with.

“Do you want to try my food?” she asked.

The man was surprised at how comfortable she seemed to be with him, and nodded once. Nancy used her own fork to give him some of her food. The food was good, but what he was really thinking about was how she would look with that black dress on the floor. She tried his food too, but she didn't like it as much.

Curiosity got the best of him, and he outright asked her what kept bouncing on his mind.

“So, Nancy.”

“Yeah?”

“Let's be real for a second. You could have any man that you want, why did you choose me?”

“I'll tell you if you really want to know.”

The beautiful blonde leaned in and motioned him to come closer with her index finger.

“I know that you have a huge cock,” she whispered.

He was surprised. She was correct, but they never talked about the size of his cock before that moment.

“And why would you assume that?”

“I'm not sure, but I saw the imprint in some of your pictures.”

“The ones in my dating profile?”

“Yeah.”

So she was after his cock. It made sense, and it was a boost to his ego that she admitted it so casually. Being that close to her face got his cock rock hard, which was silly because it was only her face.

She smiled as if she knew somehow.

“I bet that huge cock is already awake and can't wait to be in my tight little pussy.”

Jonah instinctively reached for his pants to fix his cock so his erection wouldn't be too obvious, but she just giggled and leaned back in her seat. She took one of her heels off and slowly rubbed her foot against his leg, starting from the ankle and going all the way up to his inner thigh until she reached his groin.

The look on his face was priceless. The gorgeous woman used her foot to rub his monstrous cock through his clothes, but she stopped before he got too into it, putting her foot down and in her shoe.

“I'm happy to see that I was correct; you're quite big.”

“Are you sure that you're going to be able to take me?” he asked, with a cocky expression on his face. All that ego-boosting got his courage through the roof.

“We can try. I'm sure that we'll be able to work something out.”

She grabbed her fork and dug into her food while the man tried his hardest to keep his jaw closed by tightening his muscles. Was this real life? Jonah smiled and tried his food as well. It was good.

The night went on, between flirtatious comments and the gaze of onlookers. The man acted casually, although he was dying inside when he asked the question.

“My place or yours?”

“Let's go to my place,” she said. “I have some wine that I'm sure you'd like. We won't be doing much drinking, though, unless you prefer to play with a bottle instead of me.”

“I can't wait to get my hands on you, Nancy.”

They paid their bill, and off they went. He followed her in his car until they arrived at her apartment, which was in the nice part of town. She welcomed

him to her place, and he pounced on her, but she stopped her and kissed him on the cheek.

“Easy, there. Didn’t you hear me when I said that I wanted to bring out some wine?”

“Yeah, but-”

“Come on, Jonah. Sit down and make yourself comfortable.”

The eager man sat on the couch and admired her figure as she walked to the kitchen. Her ass bounced with every step, stretching the small black dress. She came back with two glasses filled with the best red wine that Jonah had ever tasted, although he wasn’t an expert when it came to wine. He preferred cheaper options to get wasted.

“This is really good,” he admitted.

“I’m glad you liked it.”

Her thighs were visible when she sat down, and he couldn’t keep himself from staring.

“You want to touch them, don’t you?”

“With all my heart.”

“Go ahead.”

Jonah caressed her soft skin and squeezed her thighs while the woman giggled. His cock got hard instantly, which excited her more.

“I felt it back at the restaurant and it seemed huge, but I want to take a good look.”

“Go ahead,” he said, mimicking her words.

The woman unzipped his pants and revealed the most impressive cock she had ever seen. His veins pulsed with desperation as his angry cock looked at her, red and throbbing. There was a drop of precum coming out of its head.

“Bigger than I thought.”

“Do you still think that you can take it all?”

“Why don’t we find out?”

The woman leaned in and kissed him on the lips, an act that he quickly reciprocated. His hands explored his body through her small black dress, reaching and enjoying every spot and crevice. She was soft, but her abs were solid. Her nipples poked through her thin bra and turned him on more.

“Let’s go to my room,” she said, escaping the kiss for a second.

“Okay.”

The woman guided Jonah upstairs and into the main bedroom. The bed had white sheets, and it looked pretty soft. The room smelled terrific, like it was freshly cleaned. They finally let their lust take over and took their clothes off in record time. Jonah had to pause and appreciate the sheer beauty of that woman: the tiny lace underwear barely hid her nipples and her wet pussy. He got rid of them, being careful not to tear them apart.

Nancy lay down on the bed, spreading her legs for him and spreading her wet pussy so he could take a better look.

“Let’s put that cock to the test. Come and get me.”

Jonah didn’t have to hear that twice. He became an animal, and his feral aura excited Nancy. He got on top of her, roughly kissing her on the lips and biting her tits and hard nipples before rubbing his big cock against her lower stomach. A trail of precum remained on her skin where his cock had been.

“I need to tell you something,” said the woman between kisses.

“Can’t it wait?”

“I don’t think so.”

The man backed off for a moment, barely able to suppress his desire.

“I have a boyfriend.”

The room was silent. He stopped to think about it, but there was nothing to think about: a hot woman wanted his cock, and she was right there, with her legs spread and her pussy wet.

“I don’t care,” he finally said.

She smiled from ear to ear.

“I need you inside of me. Right now.”

He returned the mischievous smile and pressed the tip of his cock against her entrance. She moaned and grabbed her tits, squeezing them and playing with her nipples. His cock made its way into her tight pussy until it was halfway inside. Tears formed in her eyes as the thick piece of meat split her in half, or that’s what she felt, at least. It was the most delicious kind of pain, and she didn’t want it to stop.

“Harder. Almost there.”

Jonah made an effort to thrust harder. She was so wet that his cock had no problems with friction, and he managed to be fully inside of her at last. The thrusts were slow and deliberate, but her pussy stretched enough for him to go faster after a few minutes. Her moans were delightful and filled the room, along with a few grunts coming from him.

He took her tits into his mouth, playing with her nipples with his skilled tongue. He left a thin saliva coating on one of them before moving to the next, sucking on them and biting them gently. Her soft skin had red marks from his fingers from his rough handling.

“You’re mine now,” he said. “The entire world should see it.”

“Yes, mark me. I beg you.”

Jonah kissed her neck so hard that a hickey would form. Her sensitive skin would bruise up in the morning, and they both knew it.

Everything combined made Nancy float in the sky. She was in another level of pleasure, and her body couldn’t resist much more punishment.

Her pussy squeezed the soul out of his cock with every movement of her hips. She was warm, and she knew how to make him feel good. He put his right hand on her neck and lightly choked her, which made her roll her eyes to the back of her head and bring her thighs together. Her orgasm was coming, and her body wasn't ready. It was sudden and explosive, destroying her hips and numbing her thoughts as her entire being shook to its core.

He couldn't handle her erratic movements and intense twitching, and he emptied himself inside of her with a deep grunt. His cum, warm and thick, filled her up and spilled on the bedsheets. He got lightheaded from the intense orgasm and made sure to pump her full by thrusting a few more times until he was confident that there was no semen left inside of him.

He fell on her, both panting and exhausted. Their desire was explosive and consumed their energy reserves. She pushed him away, and he rolled over next to her, both smiling.

"I'm glad that you agreed to the date," he said.

"I told you that I needed to have that huge cock of yours."

They caught their breath, and the man got up from the bed.

"I'm sorry for leaving you so soon," he said, putting his clothes on. "But I have to get up early to work, and I can't go all sweaty and smelling of booze."

"It's okay, I understand. Let's stay in touch, though."

"We'll be in touch. You can count on it."

"I'll stay in bed for longer."

"I'll let myself out."

Jonah stopped once more before leaving the room to burn that image in his mind: Nancy, in bed, exhausted and happy, with his semen inside of her. He

went downstairs, and the front door closing confirmed his departure. The car roared in the distance as he left the area.

“You can come out now.”

A few grunts and shuffling came from under her bed, and a naked man emerged from there, kneeling and then standing up from the floor. Mark, her boyfriend, heard it all and felt them fucking through the bouncing of the bed. His cock was rock hard, and he climbed on the bed and on top of the woman.

“Did he-”

“Yes, he came inside of me. I didn’t even have to ask. I guess my pussy is too good.”

“It is.”

Mark licked his lips as he eyed her sweetest spot between her legs. It wasn’t her that he desired, not precisely.

“It’s all yours,” she confirmed.

The man started by licking her inner thighs, getting a mixture of her sweat and a few drops of cum that landed there. He smiled and went for the bigger prize. He used his hands to spread her pussy and stuck his tongue inside of it, getting as much cum as possible. He passed Jonah’s essence mixed with her juices around in his mouth, savouring the thick semen and making the moment last as much as possible.

He couldn’t get enough, and he reached for his cock as he went for more. He massaged the shaft and teased the head as he swallowed the fresh cum, kept warm inside of his girlfriend.

“That was wonderful, baby,” he said. “You did an amazing job.”

Nancy closed her eyes and had her pussy licked clean by her boyfriend. The man picked up the pace and punished his cock while he swallowed the last bit of Jonah’s cum. He reached his boiling point and pointed his cock to the bedsheets, creating a small puddle under him. Nancy loved watching Mark

as he came, and that night was no exception. He ate all the cum that she squeezed out of her Tinder date, and he looked even more satisfied than her.

“I’m telling you, such a wonderful job.”

The man cleaned his lips with the back of his hand and licked it clean as well. He didn’t want to let anything go to waste. Jonah didn’t know, but Mark had eaten all his seed.

“I’m glad you liked it,” said Nancy.

“It tasted great.”

The couple kissed on the lips, and Mark got in bed after turning the lights off. It had been a long day, but one that they would both remember for a long time.
