

UNLOCKED 5 - The Finale

Teenaged Brandon was drowning in pussy.

Literally.

As soon as one of the nude, smooth, older chaperones squeezed her surprisingly strong thighs around his ears and orgasmed loudly while sitting full weight on his face, flooding his eyes and nose and mouth with even more wet slippery delicious female juices that he could BARELY keep up swallowing to prevent choking-

-she would get up and-

-another one would take her place!

And the older women only SAT on his face-

-the hot experienced mothers would only mount the caged boy cowgirl or reverse cowgirl-style on his head, grinding their hot smooth wet trimmed but not fully shaved pussies against his nose and chin, pressing the struggling boy down harder and harder into the soft hotel bed-

-while LAUGHING at how HARD his tiny little trapped teenage dick got and how DESPERATELY the blue-balled boy LEAKED and MOANED in frustration!

"Oh god I LOVE sleeping with caged boys!" a tall stunning long-legged redheaded mom panted, her long smooth freckled legs LOCKED around the struggling boy's ears, GRINDING her smooth pussy against his frantic tongue, pulling on her own hard pink nipples with BOTH hands, making her well-lubricated pussy gush even MORE freely onto the drowning Brandon's face!

"The hornier they get- the more they naturally VIBRATE!" she laughed, squeezing her long strong legs around his ears, in a tight figure-four leg-lock!

"Mmmmmph!" the oxygen-starved Brandon moaned, licking for his life!

And out there-

-somewhere where Brandon couldn't see, one of the other nude, waiting mothers leaned forward and sucked on his tight straining metal cage with her hot wet talented mouth, making the blue-balled boy SCREAM in frustration!!

"MMMMMMPPHHHH!"

"Mmmmmm-ohhhhh!" the redhead moaned, getting even wetter, holding him even tighter-

And then this tall, stunning, long-legged, athletic redheaded mother who could have easily been a jerk-off fantasy to the horny teen a month ago gasped and squeezed her strong thighs harder around his bulging head-

-and came very hard, all over his red licking face.

"AH-HHHHHH-YESS-YESSSSSSS-YESSSSSSSSS!"

And the amount of her juices on his face doubled.

It was so HOT-

-the grip of her hot smooth thighs around his head so PASSIONATE-

-FEELING her HARD orgasm through his mouth, her vibrations ELECTRIFYING his body, all the way to his SHAKING caged LEAKING dick-

-Brandon would NEVER forget this night as long as he lived!

Even if he could barely breathe!

"MMmmmph- MMMPPPH!" the boy begged, frantically tapping her tight ass, smooth thighs, as he ran out of air!

The satisfied older woman laughed and finally released her leg-lock, leaving him GASPING on the bed, his red face DRENCHED with her juices, his hands rushing down to PULL at his tight bulging little chastity cage for even one MILLIMETER more room for his expanding dick!

She smirked down at him, a nude, flushed, post-orgasmic laughing MILF Playboy goddess.

"Ready for your next customer?"

"NOO!" he begged, his cock straining in its cage as the women laughed! "PLEASE!!"

But the next woman-

-a small hot petite Asian mother with an IMPOSSIBLY smooth tiny body-

-was already grabbing his hair and straddling his face!

"Too bad! Because I'm ready for you!"

And her pussy was even WETTER than the redhead's had been at the beginning-

-she must have been playing with herself while watching!

"MMMMMPH!"

Her squeezing legs cut his protests right off! He had to swallow or drown!

All three laughing mothers and Vice Principal Victoria took turns manhandling the nude cock-caged boy exactly how they wanted-

-they seemed to have all trained from the same playbook-

-GRABBING his messy brown curls like a firm HANDLE-

-PULLING the gasping boy into exactly the spot between their legs that they wanted-

-FORCING his face right up between their hot, wet, already-dripping lips EXACTLY how they liked-

-LOCKING their gym-toned thighs around his ears and head to hold him in place-

-sometimes locking their KNEES or ANKLES too, to really SQUEEZE the boy-

-and then GRINDING their slippery pussies against the breathless boy's tongue and nose and chin and eyes and sometimes lips with powerful rolls of their hips, unstoppable as any industrial MACHINE, for as LONG as they needed to get off-

-not really caring if the straining nude boy could actually BREATHE, in fact getting a little wetter the more he struggled, fighting to keep swallowing while tidal waves of slippery female arousal were POURED onto his face and his air cut off-

-his helpless virgin dick reacting to each new MILF's taste like a double shot of VIAGRA injected RIGHT into his SHAFT-

-LEAKING pre-cum all over his thighs just like a horny helpless SCHOOLGIRL-

-his cock only a THIRD as long as his young virile male body WANTED it to be-

-the women LAUGHING as his young, helpless, eager, VIRILE cock was CRUSHED in its tiny little prison, making the very blue-balled boy to MOAN into their pussies-

-which only made the women even WETTER!

"OHHHH-That's IT- right THERE!" the hot Asian mother laughed after a sudden moan, holding his hair tighter!

Her thin smooth legs TIGHTENED around his head-

-in any other context, feeling those silky smooth forbidden legs even with his HAND would have had Brandon furiously JERKING OFF in the bathroom and CUMMING in under a MINUTE-

-he had never even touched a naked girl's LEGS, before this trip-

-but all he could do was MOAN and GRAB this naked mother's ASS as yet ANOTHER MILF took his entire caged cock into her POWERFUL mouth, sucking him like a PORN STAR, to help their sister out!

"MPPPHHHHHHHHHHH!"

"OH!" the Asian mother laughed, and came hard on his face!

Brandon couldn't HELP it-

-he grabbed that smooth white ass HARDER and MOANED, PULLING her hips towards him in an attempt to get his tongue just a LITTLE deeper into that holy, sacred, forbidden, hot, slippery, wet womanhood!

"MMMMPPPHHH!"

"OH-MY-GOD!" the Asian mom laughed, grabbing his hair back as she came! "He's- REALLY DESPERATE!"

That tongue inside that tiny laughing mother as she came was the deepest Brandon had ever penetrated a woman.

Brandon was still gasping for air and licking his face after the Asian mom patted the top of his head and rolled away when the next mother took her place.

This was a slim blonde trophy wife with HUGE fake tits on a petite body-

And she was taking him reverse cowgirl unlike the others, not facing his head, but his toes-
-putting her pussy on his lips but her ASS around his nose, as she rode him just as hard as the others!

"I've got to warn you," she laughed before they started, "-I do all my own sucking. And the hornier I get the MORE I'm going to want your cock down my throat."

"NOOOOOOO!" Brandon begged, his eyes going wide-

-his dick hurt SO MUCH already, from just the intermittent caged blowjobs he had ALREADY gotten-

"PLEASE!"

The older woman laughed and enveloped his face with her hot, tight, wet, welcoming pussy and smooth hard ass, while leaning forward and also enveloping his scared trembling cage with her hot, tight, wet, experienced mouth.

"MMMMMMMMPPH!"

Of course, Vice Principal Victoria's extremely talented mouth had been on Brandon's UNCAGED cock before-

-back in his and Mia's and his crush Sloan's room, when Brandon had been blindfolded and tied to the chair, waiting for either Mia or Sloan to come out of the shower-

-he hadn't known WHICH teen girl had been providing the incredibly powerful sucking of his suddenly free long-denied cock, and Brandon had embarrassingly called out both girls' names one after the other, trying to figure it out-

-before his blindfold had been ripped off to reveal it was his Vice Principal, who had then EDGED him like crazy, showing off her INSANE oral skills-

-before caging him back up and CARRYING him out of the room still tied to his chair with the help of three other moms chaperoning the ski trip, like Amazons bringing back a hunting trophy!

And while Vice Principal Victoria's smooth, slippery, aggressive womanhood would have been enough to overwhelm the nude caged virgin when only SHE was sitting on his face-

-now he was in bed with FOUR experienced women at the same time!

And each of those women had grabbed his hair and ground her wet slippery goddesshood all against his swirling tongue to get off with her strong beautiful legs wrapped around his head in different unbreakable holds as his tight metal cage CRUSHED his helpless overeager teenaged cock-

-and for round two, SOMEONE had been sucking his caged cock and FULL balls the WHOLE time with her oven-hot mouth, making the helpless boy MOAN into the pussy of the woman he was licking, only making her cum faster!

After a few hard rounds EACH the women finally let Brandon have a break, sitting around and drinking ice-cold water on the bed with their nude legs draped all across his body, while not letting the caged boy up off his back!

Brandon PANTED, looking around-

These FOUR beautiful confident older women-

NUDE and flushed, with their naked legs and feet RESTING all over his body as they all made room on the king-sized bed-

-made his cock stand up so HARD inside its cage!

He looked at the nearest one, the tall beautiful redheaded mother-

He had made her cum twice and he didn't even know her NAME!

"Please-! Mrs.- ?"

"Robinson," the beautiful naked woman laughed, leaning her tall naked body back against the headboard and pillows, looking like a breathless glistening Playboy model, accepting a cold bottle of water from one of the other nude moms, while crossing her long toned baby-smooth legs, to deny him any more looks at the pussy he had just been intimate with! "You can call me, Mrs. Robinson."

"Mrs. Robinson!" he begged as the other women laughed, at some joke he didn't get! "Please, tell me... was I... good?"

The nude redhead laughed! "You were... adequate. It's not specifically anything you DID young man- I did most of the work finding the magic angle," she laughed! "But honestly, it really was your horny struggling that helped the most!" she laughed, making him blush!

"I could FEEL how horny you were, how your hands GRABBED my body, your beautiful MOANS into my kitty better than ANY vibrator, how DESPERATE you were to empty those young, eager full balls- THAT'S what made me cum." She chuckled and sipped her cold water. "Your tongue helped a little bit too."

He turned red as the other women laughed! "No..! But when I licked you- it CAN'T just have been- the cage! It's got to be something... OTHER than that!"

"The cage definitely gave you the needed stamina," she laughed. "If you had been licking me with your cock free and hearing me cum at the top of my lungs like that, young man, how long do you think you would have lasted before spurting your load all across my BACK?"

Brandon blushed as the other relaxing nude mothers around him laughed-

"...long enough!!"

The mothers around him laughed AGAIN, the motion doing AMAZING things to their casual, free, naked breasts, of all different sizes!

And with his cock still tightly caged!

"UNNGGH!"

But looking at this tall, commanding laughing redheaded mother who had just ridden his face like the world's sexiest cowgirl, Brandon knew-

-she was probably right!

"The cage lets us be FREE with you," the Asian mother laughed, rubbing his shoulders. "To cum as HARD as we want, knowing you won't spurt and end the fun too soon.

And then the redhead was reaching for his hair again! "Speaking of which... ready for your next ride cowboy?"

"NOOO! WAIT!" he cried as the women laughed. "It's- got to be MORE than the cage!"

But she was already pulling him down onto the bed between her thighs!

"Don't overthink it honey, it's not what you're made for."

She rolled him over with surprising strength in her legs and the boy was suddenly on his back again, looking up as her smooth thighs clamped around his ears and the helpless boy staring up into the most beautiful, perfectly smooth, pink and wet pussy-

-that was about to suffocate him again!

"Deep breaths sweetie. I'm going to take you VERY close to passing out this time."

His trapped cock surged even as she pulled his face towards her center!

"NOOOO! Please!" he begged, pulling on his tight cage to try and make more room! "Just-give me a second!"

"I love it when they beg," the tall mom laughed to the others, before lowering onto his face, cutting off his air, his sight, his hearing and his free will, drowning the boy in nothing but wet, horny, very experienced pussy, as yet another insanely hot, EXPERIENCED mouth gave him the longest, most painful caged blow-job of his young life.

"MMMMPPHHHHH!"

Middle-aged Charlie was sweating like a dog in the closet.

Nude, kneeling, collared and caged, the blue-balled husband PANTED in the stuffy closet in anticipation-

-of his wife bringing her first new guy home in twenty years!

Charlie still didn't even know if his loving, faithful, monogamous wife would even DO anything with the man-

-but if she DID-

"Unnnnggh!" he panted, pulling at his tight tiny steel bar chastity cage, leaking from the tips as his balls ACHED!

It was all the Twins' fault-

-the slender, bratty, incredibly hot 18-year-old Norwegian daughters of his wife's sister, visiting for the summer-

-Kim had locked him up WEEKS before the girls had arrived, without even let him have a much needed final wank first-

-meaning he had gone INTO his smallest tightest most painful and inescapable steel chastity cage-

-ALREADY more backed up than comfortable!

And it had only gotten WORSE from there-

-the thin, smooth-skinned girls were SO hot-

Even seeing their smooth teenaged buttcheeks hanging out of tiny khaki shorts as they bent over the couch was enough to give Charlie a RAGING cage boner-

And at Kim's insistence, HE hadn't been allowed to wear clothes ONCE during the entire time the girls had been visiting-

-NOR be let out of his TINY chastity cage for a MUCH needed erection-

-meaning the two laughing innocent hot Norwegian teens REALLY thought-

-that his dick really WAS only 1.5 inches long!

Because they had never SEEN IT OTHERWISE!

The naked middle-aged man PANTED, PULLING at his cage as he remembered the girls SMIRKS-

-as they made him lick their feet every night, making him GRUNT as the pressure in his cage became-

-UNBEARABLE!

Kim's too! She had SO gotten into having Charlie lick her feet casually around the house, after watching the Twins do it-

-and how HARD it made her little-dicked husband in his tiny cage!

But that wasn't what had Charlie panting and sweating right NOW-

For weeks, since the twins had arrived, they had been trying to convince their Aunt Kim to let them use modern 'dating apps'-

-the hot but still virgins wanted to have a sexy 'American Summer fling' before they went back home to their stricter mother-

-they had started browsing hot college boys for themselves-

-but quickly transitioned to looking at boys for their Aunt INSTEAD-

-JUST because of how much it made the nude, horny and tightly caged Charlie SQUIRM!

The girls had GIGGLED as Charlie had lay on the floor beneath their feet PULLING at his tight leaking little cage-

-as his intrigued wife had gotten into being an online cocktease to boys 20 years her junior, sending them dirty texts, showing Charlie their HUGE dick pics, even taking cute shots of her face with an open shirt with just the HINT of her tits showing-

-'It's just a little innocent sexting!' she had told her concerned husband-

-'I'm just SEEING what modern boys are like, nothing more!' she had laughed as the girls giggled-

And then the Instagram-expert girls had helped their tall, hot but publicly-shy Aunt take some GREAT sexy clothed, panty and full nude shots in Charlie's own backyard-

-shots that Kim ordered them to NEVER show him-

-but that she started to send out to potential matches 20 years younger than her!

And had started getting a HUGE response!

"UNNGGH!"

Kim had started flirting back harder online-

-she got SO giddy and excited when a new man would send her something back, running out of the room to answer so that Charlie couldn't see-

She was the ULTIMATE cocktease, both to him AND the boys online-

-Charlie had objected-

-but not really-

-and had admitted it did make his little locked up cock SO hard it HURT-

-thinking about her ACTUALLY being with another man-

-a younger, fitter, BIGGER DICKED man-

-and now he was nude and caged and dog-collared in their bedroom closet, waiting for the guy to arrive!

The pressure on his tiny little locked up cock was almost more than he could BEAR!

He had heard stories of her wild days back in college-

-SO MANY stories-

-from before he and Kim had started dating-

-of her being the ONLY white girl at an entire FRAT PARTY of hot, horny, well-hung black athletes-

-Charlie guiltily relieving himself so MANY times in the boys' open dorm showers late at night, thinking about her with those men, wanking fast in case someone happened to walk in-

-but not having to worry about being caught because the images of Kim like that had ALWAYS made him nut so FAST that he BARELY had time to get his dick soapy!

"Nnggyh!"

Kim of course knew about that-

-teased him about it sometimes-

-especially when he was caged-

-but had gone 'totally straight' while they had been dating and definitely after getting married-

Of course she TOLD Charlie that she still found other men hot-

-especially ones with huge dicks-

-especially when he was locked up-

-but that was just FOREPLAY- marital TEASING-

Charlie STILL didn't know if Kim would actually DO tonight-

-it was really the GIRLS pushing their Aunt on the idea-

-the brattier Ingrid especially, saying: 'Aunt Kim NEEDS some big hard dick around here- all she's got now is a tiny little locked-up button!'

The kneeling Charlie whimpered and PULLED on his tight ACHING little steel chastity belt and the horny stunted cock going WILD inside it-

The thought of that inexperienced bratty girl who couldn't even DRINK in this country-

-pushing his wife to cheat on him-

-while also holding his ONLY chastity key around her slender neck!

Her twin Emma had told him that the brattier Ingrid wore Charlie's chastity key around her neck ALL the time-

Going to get McDonalds-

To the gym-

Even at night in bed wearing just her short sleep shirt and innocent heart-covered panties, sometimes the keys tucked INTO her panties as she slept-

Even in the SHOWER as she soaped and shaved her smooth armpits, long legs and tight pink virginal pussy!

Both Emma and Charlie had sometimes heard quiet MOANS coming from the hall bathroom, while Ingrid took one of her LONG showers in there-

The thought of his young virginal blonde niece NUDE and WET in his own hall bathroom, , her entire body SOAPY as she slid her hands EVERYWHERE as she panted and breathed harder-

-going up on her TIPTOES and fingering herself to many young sharp teenaged ORGASMS-
-while wearing ONLY his chastity key!

"UNNGGH!" the man grunted, PULLING at his leaking chastity cage!

He had heard Emma WHIMPERING during her long baths TOO, although much more shyly-

The INJUSTICE of these two young teens having SO many self-induced orgasms under HIS ROOF while running up HIS hot water bill and encouraging HIS wife to cheat on him-

-while not even allowing him to have ERECTIONS!

The thought made his helpless little cock SO SO hard!

"NNNGGYH!"

He had to get all these noises out NOW-

The closet wasn't sound-proofed, so ANY grunt he made while watching Kim with or without a man would be heard by her, causing a LOT of trouble-

-Kim had promised that-

-that is if Kim ACTUALLY went through with it and didn't have second thoughts and triple guess herself that a woman her age should REALLY be doing THIS with young college-aged boys-

The bedroom door started to open and Charlie held his breath-

But the door opened just a crack and thin EMMA snuck inside!

The beautiful slim teenaged barefooted blonde was in just her sleepshirt and tiny cotton panties-

-brightly COLORED cotton panties, which Charlie got to see as the teen nervously spun to quickly close the door behind her, giving the closet a FULL flash of the lower curves of her golden teenaged ass split by that brightly colored thong and a great view of ALL of her long, slim, golden, freshly-shaven legs all the way down to her sexy pink feet, in PERFECT lighting for Charlie to LOOK at-

"MMpph!"

The slender teen's head SNAPPED around for the source of the barely audible noise-

-and locked eyes on the partially slatted closed closet door and grinned and ran over on light naked feet!

She opened the closet door, looking down at the man in the tightly cramped dark space!

"So THIS is where you've been hiding! Make some room for me! Aunt Kim's date is going to arrive ANY second!"

"Emma, PLEASE!" the man begged, quickly letting go of his tight quivering cock cage which he had been pulling on, making the teen girl laugh! "This closet is BARELY big enough to fit ME in it!" he panted! "You... WON'T FIT!"

The girl laughed!

"I'm tiny, I WILL fit!"

And she gently but firmly PUSHED her way in, kneeling next to him in the dark space-

-her smooth shaved thighs BRUSHING against his face as she knelt down-

-so that the tiny giggling teen and the naked man were practically WRAPPED around each other as they sat on the floor of the closet, one of her thin arms around his naked neck to hold herself on his lap, her slim upper body PRESSED so hard against his arm that he could FEEL the points of her firm young tits PUSHING against his arm, her nipples so HARD-

-and her baby soft long legs WRAPPED around his waist like a monkey!

"You CAN'T be in here!" he whispered, trying not to cum loudly and prematurely in his cage, ruining everything! "Kim will be BACK- ANY second!"

"Yeah I know that's why I'm here," she giggled, getting more comfy, sliding her slim smooth naked legs around him in the cramped space, wrapping him in warm sexy SMOOTH teenage SKIN-

She was basically SITTING on his LAP, so TIGHT against him that warm, soft, cotton-covered pussy-

-was PRESSED against his naked hip, almost like she was a stripper GRINDING on him!

But he looked at the girl's face and it was so INNOCENT- she had probably never even BEEN to a strip club!

She was just sitting on him like she would with ANY close female friend her age-

-if they were trying to peep on the boys' shower through a hole in the wall!

Emma giggled with her naked arms around his NECK, her smooth legs around his WAIST-

"Comfy? Can you still see?"

Oh god he was going to cum!

"EMMA!" he hissed, his untouched cage LEAKING in the air between his thighs, where he couldn't reach it anymore because of the teen's presence-

"I- I-!"

The girl giggled and the man took a DEEP breath, CLENCHING his PC muscles and thinking about IMPORTANT things-

-and pulled himself back from the edge of premature ejaculation!

"You can't- BE here!" he panted, RED faced from the effort! "Kim is... VERY shy about what might happen tonight! I can't make- ANY noise!"

"Well... you know I've never had sex before, Uncle," she said, blushing a little in the dark.

"Yes I KNOW!" he said, straining inside his cage!

"But Aunt Kim sounds like she's had A LOT," Emma giggled, making him ache! "Like, A LOT a LOT," she laughed. "With mostly big-dicked guys. Before she knew you."

"UNGGGH!" he grunted, his tiny cramped cock STRAINING in its airy steel cage!

The girl giggled and settled in sideways on his lap, getting more comfy!

"So to get ready for my first big dick, I guess I wanted to get some tips from an expert."

"NNGGGGYH!" Charlie groaned, his small helpless nub POUNDING in frustration!

The teen giggled as the blushing man couldn't pull or adjust his tight painful cage with her sitting across his lap, her naked thighs and panty-covered ass blocking his path!

"Do you want me to adjust you a little down there? It sounds like your cage is pinching."

"NO IT'S FINE!" the man hissed, BLUSHING-

-KNOWING he might prematurely cum in her laughing hands if she did!

She had NEVER touched him like this before-

-NEVER sat on his lap or lay across his body as they watched TV, like she often did with her twin-

-although sometimes the fully clothes girls often DID use him as a naked footrest while they were texting friends-

But THIS was a HUGE step forward!

If his cock had been uncaged-

-he would have probably been spurting uncontrollably all over her warm inner thigh, just from the touch of her skin!

"UNNGGH!" he panted, THROBBING and caged below her smooth teen leg!

The girl giggled.

"You sure you don't want an adjustment?"

"NO!"

He could smell nothing BUT her light teen bodywash and feel nothing BUT her arms and legs and hips and thighs, SQUEEZING him-

"You can't- BE HERE during this!" he panted, trying to whisper, his helplessly trapped dick PULSING below her smooth teenaged ass! "You'll... I mean... I might make too much NOISE- if you're here- sitting on my LAP like this!" he finally admitted, blushing SO red!

"Don't worry, I'll cover your mouth if your moans get too loud," the teen giggled, making the older man blush harder! "And besides, wouldn't you like to have something to... TOUCH while Auntie Kim is getting pounded?"

And the girl reached behind her and took his shaking nervous hand which he had been keeping on the floor TRYING to stay respectful-

-and put it across her smooth thigh to hold her on his lap like they were DATING and she was trying not to FALL off his lap at a bonfire! The teen giggled as the man almost came, ruined and caged, his shocked hand resting HIGH on her soft upper thigh!

"Only touch what's already showing, okay?" the slightly blushing barefooted girl gulped, swallowing a little harder herself, pulling her cotton top down to cover her legs and ass a little more! "Just to keep me from falling off your lap! But you can touch ALL YOU WANT... of what's uncovered down there, okay?"

And the man could FEEL her RACING heartbeat through his GRIP on her smooth teenaged thigh, PRESSED so tightly against him-

A heart that was beating ALMOST as FAST as HIS right now!

The man PANTED, feeling the girl's smooth silky leg under his fingers for only the SECOND time in his life, his caged cock SCREAMING for attention-

He had NEVER imagined-

-NEVER dreamed-

-that he would be allowed to-

"...yes okay, you can stay!" he sputtered out, squeezing her thigh to keep her steady as the teen's little dance of celebration almost made her fall off his lap!

"YAY!"

"EMMA!"

"Sorry, sorry!"

The laughing teen hushed and then leaned forward to chastely kiss his cheek like you would a relative, except with her hard braless nipples PUSHING against his upper arm through her thin sleepshirt!

"THANK you Uncle! This is going to be the BEST SHOW EVER!"

"SHHHH!" he panted, straining in his cage!

"Sorrly!" she giggled, and adjusted the venetian slats so they could both better see, getting even more comfortable on his lap, squeezing him lovingly between her bare legs around his waist, the man SO aware of how THIN the panties that separated her young teenaged sex from his naked hip bone were-

He could-

-FEEL the HEAT from her MOUND on his SKIN!

The middle aged man panted, CRUSHED by his wife's cock cage around his helplessly erecting dick, SQUEEZED by his beautiful niece' soft sexy angelic teen legs, SMELLING her shampooed hair as she leaned INTO him, wrapping him head to TOE in a silky SOFTNESS which only made his HARD tight COCK CAGE more jarring-

-both of them about to watch his wife possibly get FUCKED.

Emma giggled, her strawberry-scented body wash filling his nose!

"This is nice."

And the blushing blue-balled caged older man PANTED, squirming, LEAKING in his cage as his cock STRAINED

"...yeah," he finally gulped, daring to rub his thumb on her smooth thigh! "I guess it... is pretty nice!"

The girl giggled and hugged him a little harder!

And both of them FROZE as the bedroom door suddenly opened.

But this time it was the slim INGRID who snuck in!

"Oh fuck," Charlie cursed under his breath.

The barefooted sleepshirt-and-panty wearing teen-

-a carbon copy of her twin sister except that her panties were red SILK, not cotton-

-instantly turned toward the source of noise and raced towards a panicking Charlie, throwing open the closet door just like her twin had!

"Make space! I need to get in!"

Charlie was panicking!

"There's no room!"

But sitting on his lap, Emma giggled! "There's only room if one of us sits on his face."

"Shut up!" Ingrid huffed, pushing her way in, her sleepshirt riding up to show the kneeling man an even BETTER and UP CLOSE look at her tiny BRIGHT red silk panties than he had gotten when Emma closed the door, as the half-nude girl FORCED her way into the already cramped space-

"Ingrid! You- CAN'T!" the man panted, as he was pushed against the back wall and the small closet filled PAST capacity-

-they were PUSHED in there like SARDINES-

-like COMPRESSED WATER under HYDRAULIC pressure-

-same as his DICK in that tiny CAGE right now!

"Well MAKE room!"

"There... ISN'T ANY!"

And found his nose suddenly pressed into Ingrid's smooth clean unexpected ASS as she turned and FORCED the closet door closed behind her, him UNABLE to pull away because the back wall of the closet!

"Well HELLO Doggy!" the thong wearing teen LAUGHED, as he didn't remove his nose from deep in her ass! "Getting a GOOD SNIFF?!"

"He CAN'T pull away!" Emma defended. "His head is pushed against the back wall!"

"Maybe I'll just stand HERE and let you SNIFF my panty-covered ASS while Aunt Kim gets POUNDED!" Ingrid giggled, pushing her tight bottom HARDER into the SHOCKED man's face, who couldn't pull his head back even an inch! "That way we'll BOTH have the best view in the house!"

Charlie was STRUGGLING to breathe, even more STRUGGLING to THINK-

She had never even let the older man TOUCH her perfect teen ass that she had teased him with SO often-

-bending over in thongs and dresses and short shorts, just to make the helpless older man GASP and PULL at his cage-

-and now she had his nose buried SO deep into her clean, freshly-showered pantied bottom-

-that he could smell the SOAP she had most recently used on her rear!

And probably pick it out of a line-up!

His shocked lips were PRESSED against that forbidden golden NAKED ass-

-her warm THONG in his TEETH!

Every breath he took was ONLY the smell of her tight PERT rear-

Charlie felt himself getting light headed, his vision going dark!

Emma slapped her sister's leg!

"Ingrid! Stop being MEAN! He can't BREATHE!"

The standing teen laughed! "He'll breathe when I DECIDE he needs to breathe..."

Charlie gulped, his tiny cock SO HARD in his cage, but the sudden lack of light and air overriding his body's other systems, making him unable to even have a ruined orgasm before he would pass out and die-

-maybe this WAS the best way to go, all things being equal-

"Ingrid!" Emma said, slapping her sister's leg again! "Let him GO! He deserves to SEE Aunt Kim get fucked hard TOO!"

The barefoot standing girl sighed! "Fine! Whatever-"

And Charlie GASPED as that tight clean teen bottom was FINALLY pulled from his face, letting him inhale FRESH CLEAN air again!

The standing hottie SMIRKED down at him-

-knowing this older man had just let her SIT on his face-

-but probably not in the way that HE wanted!

"Make room down there!" Ingrid laughed/ordered! "Or else I WILL be sitting on your face the whole time!"

Having no other choice-

-Kim would be back ANY second-

Charlie pressed harder against the giggling Emma to his right, feeling ALL of her young teenaged body pressed up against him-

-he could COUNT her ribs by TOUCH-

-as the equally hot Ingrid SLID down the wall to sit on his left, BARELY fitting in the gaps, adopting the same arrangement her sister was!

"Don't get any ideas," Ingrid giggled, as her legs slid against his arms and her smooth thong-covered pussy pressed as hard against his left hip bone as Emma's was doing to his right! "If I accidentally grind against you while watching- I'm thinking about HIM, not you!"

"Yes- FINE!" the hotly blushing man hissed, trying to find a space for himself, trying to find safe places to put his shaking hands, trying not to think about how HARD and HELPLESS his TINY cock was in its TINY little prison with only a few THIN steel bars holding him back-

-but because of the EXCELLENT design and construction of the airy, custom-MADE chastity belt-

-those few bars were ENOUGH!

The girls giggled as the older man squirmed like a little boy in the closet with two older girls at a sleepover, his teeny, tiny, mostly-exposed cock SURGING and PULSING in its little 1.5-inch prison, DYING for a way out-

-just because of their proximity!

"So fucking tiny," Ingrid giggled, looking down as she wrapped her body tighter around his, to keep from falling off, just like Emma had! "I can see why Aunt Kim has no use for that little thing."

"She has a use for it!" Emma defended from his other side! "She told me sometimes she SUCKS it- right through his little cage- just to give him a good hard tease! Isn't that right, Uncle?"

The man gulped as the girls laughed! "That's not... it's ONLY use!"

And that just made the two teens laugh harder!

"Well she's DEFINITELY not using it for SEX," Ingrid laughed, her soft nude legs wrapped so TIGHTLY around his waist!

"She might.... sometime!" the man blushed!

"She WON'T, after she gets some new big DICK."

And Charlie's helpless button dick got EVEN HARDER as the teen smirked in his face-

He was SO horny and confused-

-He DIDN'T want Kim to do this-

-He WANTED Kim to do this-

-He didn't even know if she WOULD do this-

-She was SO faithful to their marriage, even though his dick was SO much smaller and quicker than she had been used to-

-but she had always said all that wild stuff was BEHIND her!

And Charlie had BELIEVED her!

"...she hasn't.. DONE anything yet!" he protested, breathing hard!

"She will."

"She might... have a change of heart!" he said hopefully!

Emma giggled, rubbing his back. "Don't you want to see her HAPPY, Uncle? And HORNY? She was VERY horny, when she was sexting this guy all day yesterday! You might even get to lick her Kitty a lot MORE than you used to- if she starts really liking this new guy!"

Charlie blushed as the girls laughed!

He had told them, in a late night session on their first night here-

-that that's what him and Kim's sex life mostly consisted of!

That and her jerking him off!

Ingrid laughed! "If I get horny tonight, Doggy, the only thing of mine you'll be licking is my FEET."

"Yes- FINE!" the nearly hyper-ventilating man panted! "-just... stay QUIET in case Kim walks in! ...IF she walks in!"

Emma gave him a little fake salute! "Aye aye Uncle!"

Ingrid just whispered in his ear. "We won't NEED to stay quiet if Aunt Kim is MOANING as this new guy-"

And everyone shut up as the door to the bedroom opened a third time.

With Kim entering first-

-still dressed in her new, expensive, slutty, slick and lace red lingerie bra and panty set and SUPER sexy stockings and garters set the like of which she NEVER wore for Charlie!

She looked SO hot, like a super-spy seducing James Bond-

-dragging behind her a TALL, heavily-muscled, shirtless and VERY attractive young black man!

While making out like CRAZY, their hands ALL over each other!

And both teenaged girls on either side of Charlie GIGGLED quietly into their hands as they watched their tall hot Aunt Kim MADLY kiss and grope this new young shirtless man-

-they were making out-

-like horny teenagers after Prom!

The sight-

-made Charlie's stomach drop to the basement!

And then the couple turned and both twins GASPED at the sight of the ABSOLUTE WEAPON straining down one leg of the man's pants, which Charlie's wife was EAGERLY squeezing through his tight blue jeans.

"HolyFUCK-"

"-THAT'S A HUUUGE DICK!" Emma panted into his ear, and Charlie almost came.

It was a long night for Brandon.

The three experienced moms used the caged boy much longer and harder than any shy, self-conscious girls his own age would have-

-since he wasn't their lover or son or even a male with a dick that could get properly hard, the women seemed more FREE with their moans as they rode him, YELLING beautifully at the top of their lungs as they CAME, holding his hair to keep his face BURIED between their SHAKING thighs.

"OHHH-OHHHHFUCKKKKKKKKKKKKKKKKKKK!" the big-breasted blonde trophy wife GROANED, cumming a THIRD time on his face, FLOODING him with her juices!

And Brandon HAD to admit-

-if he hadn't been caged as these beautiful, aggressive, experienced women RODE him so hard-

-his cock probably would have SPURTED into the air UNTOUCHED, just LISTENING to the unrestrained MOANS these sexy woman were making on his face!

Uncaged, this pussy-licking session might have been over-

-halfway through his first mother!

But as it was, as he licked the slim petite Asian mother of the group, all he could do was run his hands over her porcelain thighs and tight ass and imagine his virgin cock entering ANY of those-

-imagine himself being with this woman uncaged for a night, his dick free to PUSH into her tight wet holes that only his TONGUE could currently enter-

-making her MOAN in pleasure from his big young HARD dick-

"MPPHHGGHH!" the boy strained, his caged cock causing him PAIN!

The mother grinding on his face laughed!

"OH! He's really TRYING to get it UP!"

"Another benefit of young strapping boys," the redheaded mom laughed. "Newly caged dick just doesn't know WHEN to give up."

And the women laughed as the petite Asian mom rode him even harder!

In fact, this petite Asian mother seemed more aggressive with her hip thrusts than even the others had been, laughing as she 'face-fucked' the helpless teen's licking mouth as hard as some women of her generation must have been used, by hard cocky cocks during her youth-

-all while Brandon's modern dick PUSHED and SQUIRMED and STRAINED inside its 1.5 inch metal prison, unable to get hard, but unable to stop trying and causing him discomfort!

For most of the night, these laughing moms demanded the boy's tongue with the self-confidence of religious priestesses-

-maybe that what was he was doing, praying at the Altar of Womanhood-

-when one of them was sitting on his face, another would usually be sucking on his ACHING cock cage or FULL balls, making him MOAN into the pussy of the woman he was servicing, making her squirm and squeeze her thighs harder around his ears-

-when his tongue got too tired, one of the women would grab his strong right hand and show him how to finger her properly, letting him FEEL every slippery curve inside of her that his young dick would NEVER get to touch, pulling his face CLOSE to hers with an urgent hand around his neck like they were Lovers as she got close-

-MOANING just inches from his lips when she was about to cum, KISSING him hard when she did, so he could FEEL her orgasm vibrate all up his arm AND down his throat-

-Brandon had never felt a woman orgasm before this trip-

-and now he had felt SO many!

"Oh, how I do LOVE our yearly ski trips!" the tall stunning redheaded mother laughed, lying on her back for the first time, wrapping her long STRONG legs around Brandon's neck and SQUEEZING his licking face hard into her pussy, letting him lick her from 'the top' for the first time that night but still TOTALLY in charge, RAKING her bare feet eagerly along his back and butt, SPURRING him on like he was a champion racehorse-

-or a hot guy thrusting his COCK into her and not his tongue!

Brandon felt so USED-

-but his cock COULDN'T get harder!

"NNGGGYHH!"

His moans caused her orgasm with was so long and so hard it almost DEAFENED him!

"OHHHHHYESSSSSSSSSSSSSSSSSSSS!"

Brandon PULLED on his tight crushing little chastity cage as he rode out her orgasm with his head still trapped between her strong thighs, licking her through her aftershocks like Victoria had taught him, his helpless teen dick HELD in such an unnatural CURVED state-

-he would need beat off for DAYS as soon as he got home, to get over all THIS!

Hopefully he could remember all the details-

-the flashes of taste and sound and touch which BURNED itself into his memory as he licked these older women's hot HUNGRY pussies-

-memories which would probably make him cum by himself within a MINUTE, the first few times he stroked after this!

"MMMMMPHHH!"

And there was another thought-

-which made him also get SO HARD-

-that he was starting to be able to tell the women APART-

-just by their TASTE-

-or by the SMELL-

-of their pussy.

Or by the different ways their thighs QUIVERED as they approached orgasm-

The different ways they GRABBED his hair-

The beautiful unrestrained MOANS they made as they CAME.

He was building up-

-and entire pussy licking LIBRARY!

He tried to MEMORIZE each beautiful older woman's feel-

-her pussy-licking personality-

-to enjoy in his dreams later!

The constant straining of his tight cage started to become more bearable and Brandon started to focus on using his tongue in more creative ways on the hot,

slippery, responsive older pussy in front of him, really exploring his newfound skills, tailoring each licking to what THAT woman's quivers were telling him-

-until one of the other mothers decided to WRAP her hot wet amazingly talented mouth TIGHT around his caged cock again, sucking him THROUGH the metal bars like she was trying to suck his cock OUT of captivity, swirling her sauna-hot tongue ALL around his exposed skin and aching full balls like a DESPERATE porn star BEGGING to get him off inside her mouth, making him break concentration and YELL into the beautiful redheaded mother's pussy at FULL volume!

"MMMMMMPPPHMMMMMMMMMMMMMMMMMM!"

The beautiful tall nude mother sitting on his face shuddered and grabbed his hair more urgently-

"YES! THAT'S ITTTT!"

-there was laughing and the sucking on his cage and balls got even more insistent-

It was like the hidden mouth was trying to get him off THROUGH his cage!

"MMMMMMMMMMMMMMMMMM!!!"

"OH FUCK-OHHHH-OHHHHHHHHHHH!" the tall redhead yelled, laughing, moaning, grinding and cumming HARD on his face, soaking him with her delicious juices once again, as he struggled to swallow and keep pace! She held him tightly in place until he had licked her through her long, shuddering, beautiful aftershocks, just like Vice Principal Victoria had taught him, and then finally let go of his hair with a laugh, raising her hips up and brushing his wet hair away from his forehead!

"Nice job. You're definitely getting better down there!"

And the slick faced Brandon blushed, as the other mothers laughed, at how his helpless little dick SURGED in his cage at the compliment!

"Hey!" the Asian mother protested! "It was mostly ME helping you get off, by making him squirm harder by sucking on his cage!"

And he GULPED as the women laughed, and his caged cock BOUNCED-

-the boy suddenly realizing that while he could now tell the women apart from how they RODE his face-

-ALL of their caged-cock-sucking skills were almost uniformly excellent and hard to separate!

Brandon despaired, his cramped cock PUSHING against its bars-

Could it be possible that-

ALL WOMEN of his mother's age had-

-THAT kind of TALENT with their mouths?!?!

And what that implied-

-about his beautiful mother's red smirking lipsticked lips which kissed his cheek goodbye every morning-

"OH GOD!"

The four women laughed as the helpless boy's little trapped cock SURGED in its tiny metal prison, and he pulled at it, to try and relieve the pain! "UNNGGH!"

The tall redheaded mother-

-who could have been on any Sports Illustrated Swimsuit Magazine cover Brandon had ever jerked off too-

-leaned back against the headboard as she sipped cold bottled water and crossed her long supermodel legs, hiding her pussy from him, making his eyes instantly go to what he could no longer see!

"So... tell us about this girl you're running away from!"

He pulled on his surging little cage, no longer having any shame in front of these mothers!

"What?! I'm not... running away from anyone!"

The blonde trophy mom with the great fake tits laughed and nudged him in the ass with her smooth bare foot.

"Oh come on- that girl whose room we pulled you out of? She obviously wants you- she tied you up and gave you a SHOW! But you haven't tried to run out of here and get back to her ONCE- this entire time!"

"Because one of you has been sitting on my face the whole time I've been in here!"

The naked women laughed, as Brandon tried to memorize the different jiggle of each of their bare breasts, for later-

"Not the ENTIRE time," the Asian mother giggled.

"Well almost," the redhead laughed.

"He totally could have gotten away if he had wanted too," the blonde agreed.

"Not if he knows what's good for him," Vice Principal Victoria laughed, coming out of the shower refreshed, her wet inky-dark hair contrasting with her nude body in such a way as to be a work of art!

One that even made Brandon's tired cock stiffen!

"But the point is that he didn't even TRY," the redhead chuckled. "The girl obviously wants him, but he's obviously unsure about it. Ergo, the running away." She

nudged his chest with her naked foot, making his trapped cock BOUNCE! "So, what's the deal with you and her?"

"Nothing! We're just... FRIENDS!"

The redhead laughed. "Tell us, or we can just take turns sitting on your face again. I'll suck your caged dick first this time."

"Her name's MIA!" the naked boy blurted out, his cage bouncing as the women laughed! "And SHE'S- I don't know- she's been my best friend forever!"

All three mothers nodded.

"Ahhhhh..."

"...friends to lovers..."

"-the oldest story in the book!"

"And the toughest to navigate without hurt feelings," Red laughed. "I can see why you ran your little locked dick out of there!"

"You all CARRIED me out of there! Tied to a CHAIR!"

The women laughed!

"That doesn't remove the fact," the blonde said, "that you've KNOWN this girl for YEARS and NEVER tried to make a move on her."

Brandon blushed again, harder this time!

"I didn't- I don't know, maybe I did run away! Emotionally, I mean!"

And the mothers laughed again!

"A rare wise boy!" the blonde trophy wife said, ruffling his hair! "He's learning!"

"Locked cocks will do that to boys," Victoria chuckled, now done drying off and starting to slip into her lacy expensive panties, bra, and silk stockings again!

Brandon gulped as he couldn't help but watch her dressing-

-sitting on the edge of a chair and slowly rolling her sheer stockings up her long toned legs, clipping the tops into an incredibly distracting lacy garter belt-

-adjusting her garters, sliding her tiny lace panties up her long powerful legs after that, tucking her breasts into her tight expensive push-up bra and adjusting them in front of the mirror-

-and then putting on her tight pencil skirt and crisp white shirt and heels!

Something about her height-

-her professional yet erotic clothes-

-her tight pencil skirt and dark stockings and sexy high heels-

-her demeanor, her long dark hair-

-reminded him so much of his mother as she went to her lawyer job each morning!

And it made his young helpless dick PRESS against the bars of his cage against his will, the tight ring PULLING on his smooth overfull balls too hard as his cock couldn't HELP but erect!

"Nnnngyh!" he panted, pulling on his cage by reflex as it got too tight!

"Thinking about your girlfriend?" Victoria laughed.

"NO!" the boy panted, PULLING his hand away from his bouncing dick, to not pull on his trapped cock in front of them anymore!

Maybe he had a LITTLE shame left!

The fully dressed professional woman put her hands on her tight pencil-skirted hips, smirking down at him from her tall black high heels, her shiny legs looking a MILE long.

"I suppose you're right, young man. There IS time for one more quickie, before I head out on patrol!"

And Brandon tried to beg off but Victoria came to the bed and pulled her panties aside and rode his face in bed one last time, leaving all the rest of her professional outfit in place, except for the heels-

-and REALLY took her time, ROCKING her pussy back and forth on his face, letting the boy FEEL her silky stocking legs ALL around his ears and hands as he stayed TOTALLY NUDE-

There was something about how the silk stockings RUBBED on his body as he licked-

-the tight pencil skirt haphazardly PUSHED up to give him access-

-the way the tall older dark-haired woman with the beautiful legs and confident liquid voice had her breath and pants getting faster as his tongue did its slippery work-

-that made Brandon picture he was licking his MOTHER before she went fully dressed to work in the morning, this time with his key around HER neck!

And the intrusive thought made his little caged dick SO hard!

"UNNGGH!"

He TRIED to push the thought away, but the age difference between him and Victoria-

-the maturity difference-

-and this FUCKING outfit-

-made the horny blue-balled boy UNABLE to stop thinking about it, making his cage SURGE and HURT and his breath go faster and his tongue go into OVERDRIVE and his legs KICK as he licked her!

"MMMMPH!"

The older woman gasped in surprise and her stockinged legs gripped him harder.

"Oh! THERE you GO boy..."

And she rode him, her silky legs SLIDING along his back, her breaths getting shorter, her beautiful pussy getting wetter and hotter-

-until she came on his face one more time, gripping him tight!

"OHHHHH!!!"

Brandon's dick PUSHED against its bars, feeling the older woman's orgasm VIBRATE through him-

-and then she was standing up and letting him go and pulling up her panties back into place with a laugh!

"WELL! I don't know what THAT was, young man- but if you can do that to EVERY woman you meet- you'll have a LONG career as a pussy licker!"

And the caged boy BLUSHED as the older woman strode off on her high heels without even giving him a last look.

But not before gathering up his chastity key from the dresser as she passed, putting it around her elegant neck as she left!

She stopped at the door.

"Well Ladies, I've got to do another patrol of the halls, to make sure horny drunk girls aren't shoving the tips of beer bottle up boy's rears in the hot tub. Again," she added, making the mothers laugh! She pointed off-handedly at Brandon! "Enjoy the amenities here ALL you want- just... drop him off in my room when you're done?"

And Brandon BLUSHED as the older women cheered and one of them massaged his aching shoulders, knowing that-

-he'd be back on his back licking each of their hungry pussies again very soon!

While his dick stayed SECURELY locked!

The helpless boy watched the only key to his chastity cage walk out the door on incredibly sexy high heels.

As soon as the door closed, the tall redhead pulled him back into her with the other naked ladies. "Okay! Now tell us more about this girl you're running from!"

And by the way the other mothers were eagerly nodding-

-he knew he'd have to agree!

"Tell us!"

"YEAH, tell us!"

The two other women sat around him in a circle crossed-legged, casually letting him STARE at their beautiful pink freshly-licked pussies ALL he wanted!

If they weren't totally naked and him caged, it would be a scene from a teenaged girls sleepover!

"I mean- I already TOLD you," he gulped, his cage bobbing! "Her name is Mia- and we're just FRIENDS!"

And Brandon gasped as the redhead's long strong fingers gently closed around his defenseless exposed nuts, slowly massaging them in firmer and firmer circles, just to make sure she had his FULL attention!

"And how does she feel about YOU....?"

"She's- UNGH!- I DON'T KNOW! Sometimes she's really nice to me- and sometimes she's MEAN! I CAN'T- NNNGG- understand her!"

"Knowing that you can never know the full female mind is the first step towards wisdom," the nude blonde trophy mom laughed, sitting cross-legged in the lotus position.

Behind her, the Asian mother rolled her eyes.

"But you like her?" the redhead laughed, as she squeezed his most sensitive male organs just a bit more firmly, making sure he answered!

"UGH! YES!"

And he was helpless to stop her!

Another meaningful squeeze, just hard enough to make him gasp!

"What specifically do you like about her?"

"I don't KNOW!" the panting boy replied, the pressure on his balls making it hard to think! "She's- FUNNY! And... sarcastic! And likes the same video games and anime and TV shows as I do! Probably even MORE than I do!"

The beautiful redheaded mother was just slowly increasing the pressure on his testicles, only going one way, like a ratcheting vise grip-

Brandon realized, she was probably testing how much he could take!

"It's a good sign you didn't start with her body," the redhead laughed.

"Relationships based on looks never last," the blonde trophy wife agreed, making the Asian mother roll her eyes again.

The redhead increased the pressure on his caged nuts just a little more!

"But what about her body DO you like?"

The women laughed as Brandon blushed hard and his cage tightened!

"I DON'T KNOW!" He grabbed her wrist! "Please stop! It's TOO MUCH!"

She laughed! "I'LL decide when it's too much. Now let GO of my wrist. Or else."

The scared boy did!

And the woman did finally relieve the pressure on his nuts somewhat, but didn't let go, only started rolling his heavy, sore, smooth testicles around in her strong fingers at just below the previous level, keeping him on the EDGE of pleasure and pain at the same time!

And paying LASER attention to what she was saying!

"You were saying... about Mia's body?" she laughed. "You can tell us now, or we can teach you how to properly lick a woman's backside while she plays with herself..."

"I guess her legs are really hot!" Brandon blurted out, grabbing the bedsheet! "And- her butt!" the boy gulped, making the women laugh!

The pressure on his nuts increased!

"And I guess her feet too!"

The pressure decreased and the women laughed!

"Another good sign," the Asian mother chuckled, flexing her own smooth very-lickable feet on the bed, in his full view! "If you're a lucky boy, you'll be spending a lot of time down there with your girlfriend..."

The redhead squeezed his nuts harder again! "And have you... pleased yourself to thoughts of her?"

The women laughed as the boy's cage tightened!

"...only a FEW times!" Brandon panted, blushing and squirming!

Her fingers got a little tighter.

"OKAY MORE THAN A FEW!" he admitted as the women laughed!

The trophy wife tossed her long silky blonde hair. "And have you TOLD her you've done that?"

"NO! OF COURSE NOT!"

The pressure on his nuts lessened.

"You should," the tall woman laughed. "The next time you see her."

The Asian mother nodded. "It's important for keyholders to know you find them hot."

Brandon was pulling back, his caged dick surging, but his hips held from moving too much by the redhead's firm grip on his nuts!

"I- CAN'T! It's- TOO HUMILIATING!"

She squeezed again, like a business woman using a stress ball!

"You should. Keyholders love hearing that sort of thing."

"Girlfriends too!" the Asian mother chuckled, rubbing his sore neck and shoulders, getting him ready to lick again!

The blonde's fingers started meaningfully drifting down towards his crotch again-

ALL the women on the bed were getting closer to him now-

He could FEEL the tension in the air changing-

The women sitting with a totally different posture towards him-

Predator to prey.

"But- I- UM- OH GOD!" Brandon panted, as his young hard teenaged cock started to SURGE and FILL and LEAK again in his tight little cage as they all got closer, realizing what was coming!

"You should tell her," the tall redhead repeated, putting him on his back, getting in a position to ride his face again! "You'll be happy that you did."

With her knees on either side of his head but her pussy six inches above his face, the tall redhead closed her eyes and started rolling her pink nipples around in her hand, starting to take deeper breaths-

-as she got herself ready for sex again!

She panted and Brandon could SEE her pussy preparing itself for him and the virgin boy almost came, just LOOKING at it!

"NO! !! UM- it's TOO embarrassing!"

The Asian mother wrapped her arms around the shocked boy's legs and LIFTED them over her shoulders, laying her soft chin gently on his inner thigh, getting ready to suck the trembling boy's cock cage and balls as he licked out her friend!

She slid her smooth hands up his trembling stomach to feel his hard pecs and roll and pinch each of HIS sensitive nipples, making jolts of electricity shoot ALL through his body, to his caged leaking cock, but also to the very tips of his fingers and his feet, hung in air above the laughing woman's shoulders, making the embarrassed boy whimper and squirm!

"Sometimes, embarrassment makes a female dominated relationship even MORE fun," she laughed, playing with the boy's nipples until he was PANTING and his toes CURLING. "Some girls play with your cock... some girls play with your mind." She whisper-giggled into his ear. "And the luckiest boys are the ones where their keyholders do BOTH."

"Most teen boys think that their silly penis is their only erogenous zone," the blonde mother laughed, taking one of his hands and sensually sucking the pointer finger into her tight hot mouth and swirling her tongue around it, making him PANT!

The Asian mother giggled next to his cage. "But the beauty of a nice tight chastity cage-"

"-a nice tight inescapable chastity cage-" the redhead panted, still pulling on her nipples, straddling him!

"-is that you can finally learn how to think like a WOMAN," the tiny Asian mom laughed, rubbing his chest, his nipples, kissing his full tight balls, driving him INSANE. "To stop thinking about your own silly MALE orgasms- and start thinking about HERS."

"It's not about spurting your load anymore," the redhead laughed, getting her pussy closer. "Having a caged dick is the ONLY way for a nervous teenaged boy to last long enough to satisfy his girlfriend." She rocked her hips in the air above him! "The next time you're with her, forget about cumming- just feel HER rhythm, just RIDE the waves of HER orgasms- it's not about EJACULATION... it's about ELECTRICITY and CONNECTION-"

The blonde pulled his finger from her mouth and giggled.

"Wouldn't it be FUN to just GET on your KNEES in front of this girl and OFFER up your chastity key to her and tell her you'll NEVER say NO to ANYTHING she wants you two to do, and just SEE where that roller coaster takes you?"

"NO!" Brandon gasped, squirming on the bed!

The Asian mother's mouth closed around his tight caged cock again, sucking him off.

"AHHHHHH!"

The stunning redhead straddling her pussy just above his face laughed!

"No? What's keeping you from pledging your orgasms to this cute girl for life?"

And the Asian mother used that moment to suck on Brandon's crushing cage like an industrial vacuum, making the boy's hips LEAP off the bed, if the other laughing mothers hadn't been holding him down!

"BECAUSE I'MMAFRAAAAAIDD!" he wailed as the woman seemingly tried to free his cock by sucking it OUT THROUGH the gaps in his bars!

The woman straddling is head laughed! "Afraid OF...?"

"THAT SHE'LL NEVER UNLOCK ME!" Brandon yelled, the overload of stimuli making him default to the truth and nothing but the truth! "THAT SHE WON'T LET ME CUM AS MUCH AS I NEED AND SHE'LL ONLY DATE OTHER GIRLS AND TEASE ME AND KEEP ME HORNY ALL THE TIME!"

The three beautiful naked mothers laughed as they positioned themselves on the bed, one ready to ride, one ready to suck, one ready to stimulate the other two, to ensure as many simultaneous (female) orgasms as possible at the same time.

The beautiful redheaded mother with her smooth thighs straddling his ears just laughed.

"And what makes you so sure that wouldn't happen, even without your friend Mia doing it to you?" she said, and then dropped her bald slippery pussy down around his eyes and nose and mouth, grabbing his hair to make him lick exactly where she wanted, as she started rolling her hips against his face in that eternal, ancient, timeless rhythm.

Charlie panted, still in SHOCK at the SIZE of the cock BULGING down the pant leg of the new guy his wife had just DRAGGED into their bedroom-

-and at how AGGRESSIVELY the man and his wife were KISSING!

His forty-something wife and this twenty-something Stud were making out-

-like horny teenagers after Prom!

Charlie could barely BREATHE, watching his hot lingerie-clad wife FURIOUSLY kiss the young, tall, attractive, muscular, shirtless college boy-

-and how HUNGRILY she was GRABBING that dick through his tight jeans!

Like she was-

-DYING for it!!

The twins were silently SQUEALING into their hands on either side of him, KICKING their feet, AMAZED at how... DIFFERENT their Aunt Kim was acting around this new man!

"Ohmygod," Emma giggled at a barely audible level, which sounded like a YELL in Charlie's ears! "She's SO horny for him."

"I'd be TOO," Ingrid giggled into his other one. "That cock is fucking HUGE."

Charlie panted, SO embarrassed-

-but also starting to get so INCREDIBLY hard inside his cage!

His wife THREW her stockinged leg UP around the young man's hips to PULL him closer, like a hungry PREDATOR-

And pushed her tongue even deeper into the man's mouth-

-all while KNEADING that hard cock through his jeans, feeling the thick SHAFT, the even thicker HEAD, the BALLS-

-his wife's hand hadn't LEFT that dick-

-since they had entered the room!

The twins giggled, watching Charlie's open-jawed reaction.

"Is she ever that excited to get into YOUR pants, Uncle?" Emma giggled.

He shut his mouth and swallowed hard, unable to speak, his face BRIGHT red!

"Big dicks will do that to a girl," Ingrid giggled into his other ear. "I'm getting wet just looking at it, Aunt Kim gets to TOUCH it. And soon, more."

Emma giggled, watching the couple stagger towards the bed, lips never leaving each other, hands all over each other. "They do seem... sexually compatible."

Charlie panted as this young Stud's big STRONG hands were ALL over Kim's thong-clad ass, GRABBING that smooth sacred round flesh, SQUEEZING it-

-in ways Charlie hadn't dared to in YEARS!

Like he OWNED it!

"Very compatible," Ingrid laughed, getting a little louder.

"sshhhh!" he begged!

Kim was PUSHING against this man-

-GRINDING her silk clad pussy against his leg-

-PANTING hard as they made out-

-the same slim strong manicured hand that always gave Charlie quick Sunday morning handjobs now GRABBING this new BIGGER HARDER BETTER MASSIVE cock right THROUGH the boy's jeans-

-and deftly undoing the belt and button and YANKING down his zipper to fish out his massive cock-

-like she was an expert!

The girls SQUEALED even higher pitched as that huge long BLACK shape came out into view for the first time-

-and Kim INSTANTLY fell to her knees-

-sucking and worshipping it with BOTH hands AND her HUNGRY MOUTH!

Charlie's whole body tensed!!!

THIS WAS HIS WIFE!

And the girls were HOWLING in laughter on either side of him, hands CLAMPED over their mouths to make no noise, their bodies SHAKING as they fought to stay quiet-

-as they watched their Aunt LICK and SUCK big black BEAUTIFUL cock-

-like a woman POSSESSED!

He was TENSE-

-like a fraying strand of twine stretched PAST its BREAKING point-

-dying inside-

-but with his tiny cock SURGING inside its tight little metal prison, leaking ALL over the girls' feet as he watched!

Emma giggled into his ear. "Does she ever do that for you?"

Charlie blushed even HARDER, totally UNABLE to answer!

Ingrid cleared her throat-

-just one decibel louder than her whispering voice, but sounding like a cymbal clash to Charlie's paranoid ears!

"She asked- does Aunt Kim ever do that- for YOU."

And he PANTED, KNOWING that the brat with nothing to lose would just get LOUDER and LOUDER until-

".....no!" he finally hissed, as the girls laughed!

"Not... ever?!" Emma marveled.

And he blushed even hotter, down to his neck and chest, as he swallowed!

"....she... used to! Back when... we were dating! But I... always came too fast for her to enjoy it!"

And the girls HOWLED into their hands as the older man PANTED and TURNED on the spit, all three of them watching wide eyed as Kim sucked and sucked and SUCKED that HUGE dick-

-which was still getting BIGGER!

Charlie PANTED, going DEEPER into despair-

He had THOUGHT he had seen Kim worshipping a cock before-

On his birthday-

Their anniversary-

The night he had proposed-

But now, watching this new woman make LONG eye contact with her date-

SMILING up as she lovingly LICKED her married tongue ALL around that huge smooth SHINING cock head-

Moving her head powerfully UP and DOWN and SWIRLING her big SOFT red lipsticked lips EVERYWHERE she could around that thick THROBBING beautiful cock-

THIS was PURE enthusiasm-

-THIS was COCK WORSHIP!

Charlie PANTED, realizing, in ALL their years-

-he might have never really SEEN his wife give a blowjob before!

Not to her full Power!

Emma lowered her hand just a millimeter to giggle into Charlie's ear!

"Wow, Aunt Kim really loves giving head."

And he panted, his cock going CRAZY inside its TIGHT little cage!

"She must have been the blow-job queen of her high school." Ingrid giggled, making it even worse!

"...she was!" he panted back, DYING to stroke! "...or so her friends told me!"

Emma giggled in his other ear, as she watched Kim's hands and mouth DEVOUR that shiny dark black cock, sucking and PULLING it to ever GREATER levels of hardness!

"Well now you can tell YOUR friends about it, Uncle- I'm sure some of them would love to help Auntie out!"

"Or WE could keep telling hot college boys through the app," Ingrid laughed. "We could probably get an entire FRATERNITY over here for Aunt Kim to suck off... one after the other!"

And his helpless little locked dick THROBBED even HARDER!

"sshhh!"

And then Kim-

-while still keeping up her pace and rhythm and rotation of her head, like she was a beautiful industrial cock sucking MACHINE-

-grinned as she put even MORE of the HUGE cock into her mouth, her lips sealing TIGHT around that thick veiny shaft-

-and gave the closet a quick WINK as she sucked her cheeks in even harder!

And the girls quietly LOST IT, SQUEALING into their HARD PRESSED muffling hands and KICKING their little bare feet-

-realizing that-

-their Aunt Kim was sucking on a strange young Stud's cock MORE enthusiastically than she normally would-

-simply BECAUSE she knew her caged husband was watching!

"Ahhhhhhh!" Ingrid laughed.

"OhmyGOD!"

"sshhhhhhhh!" Charlie BEGGED!

Their squeals were BARELY more than a whisper said under the breath from across the room-

-the big-dicked Stud getting an amazing blowjob from his wife sure wasn't going to notice-

-but to Charlie they sounded like SCREAMS!

"So she NEVER does stuff like this for you?" Emma giggled a little more quietly, and Charlie felt SO TINY!

"....no! Not... anymore!" he panted, WISHING that was his cock instead!

"No girl likes sucking small quick dick," Ingrid agreed. "But look at what she does to a REAL cock-"

Charlie PANTED, watching his wife's cheeks hollow, her tongue SWIRL around that head-

-while MOANING and taking breaths in between HARD sucks-

-and pulling off to say her first words of the evening.

"Oh FUCK you're SO FUCKING BIG," she giggled, LICKING every side of the the huge throbbing dick between words like a cock-starved cheerleader! "SO much bigger than my husband!"

The twins were DYING!

The young Stud let Kim pull his pants and briefs the rest of the way down while STILL sucking him, laughing as he stepped out of them, her feverish mouth still around his cock!

"How MUCH bigger?"

And Charlie DIED as Kim measured with her fingers-

-while STILL sucking his cock head, giving it the MOST amazing swirls with her tongue as she marked off the count, before pulling off to laugh-

"THREE times bigger? NO- FOUR!"

And Charlie's face BURNED as the girls giggled-

-because based on what he could see-

-that might even be true!

"AND SO THICK," Kim giggled like a schoolgirl, before trying her best to deep throat him again! "I don't know if you're going to FIT!"

"Oh I'll fit," the man laughed, putting a hand on the back of her head! "I haven't met a married white bitch who couldn't take my cock yet. It takes a few tries for some of them- especially if they're married to tiny-dicked old guys- but I always get them all to take it all. Even if I have to stretch them out some."

The kneeling Kim giggled with two hands still around that HUGE dick, the entire TOP HALF of that ten inch monster SLICK with her saliva, and she didn't look like she was stopping! "You can stretch ME out- ALL you want!" she laughed between sucks of his hard shaft. "My pussy is open to this dick ANYTIME you want- come over any time my husband isn't home- I'll fuck you seven days a week until I can take this hard dick like your other girls!"

Charlie CLENCHED!

He hadn't agreed to THAT!

The girls were silently laughing SO hard!

It was making their smooth, sexy, nearly nude bodies SHAKE against him!

And his cock as SO HARD in its PAINFUL little cage!

The tall young man laughed, still making Kim take his cock deeper with a hand on the back of her head!

"That sounds like a deal."

And within barely the space of a breath the man BENT over and GRABBED the kneeling Kim with two HUGE black hands on her SMOOTH white ass-

-and deadlifted her like she weighed NOTHING, PICKING the laughing woman UP into the air until her legs went OVER his bull-strong shoulders and his face was IN her pussy, SLAMMING the shocked woman against her own wall and starting to EAT her pussy with her head almost TOUCHING the ceiling, YANKING on her new panties so hard-

-he ripped them RIGHT OFF.

And next to Charlie, Emma gasped.

"Oh....wow."

And the older man BLUSHED-

-because he knew, no matter WHAT he did-

-he could NEVER make a woman or girl make THAT sound! Kim OR one of the twins!

On his other side, Ingrid was dead still as well.

"Yeah," the girl gulped, swallowing hard, watching the powerful man devour Kim's pussy while the not-tiny woman was SUSPENDED in air, her legs over his shoulders, her back hard against the wall, her feet QUIVERING in the air! "That was... pretty hot."

Kim seemed to think so too-

-based on how much her body was shaking!

"Ohhhh-FUCKKKK!" the married woman LAUGHED, her airborne feet TENSING. She GRABBED the back of the strong man's head as she squirmed and BUCKED, panting HARD-

Charlie's face turned RED, as he realized-

-without even GETTING that dick in her-

Emma giggled. "Aunt Kim's about to CUM!"

"I'M about cum," Ingrid panted out loud.

"Sssssh!" Charlie hissed!

And the girls LAUGHED into their hands as the humiliated man SURGED into his tiny cage, his hard scrunched dick POUNDING inside STEEL-

-as he watched his wife getting eaten out by a MUCH STRONGER, MUCH taller and more POWERFUL man.

Emma giggled. "Do you do THAT for Aunt Kim sometimes too?"

Charlie's face turned SO red!

Kim was MOANING, GRABBING the back of the man's head, SLAMMING her other hand against the wall at her back-

-as her legs started to QUIVER!

The laughing woman had NEVER been picked up like this-

-at least not in TWENTY YEARS!

"OhhhhhhHHHHHFFUCCCCCKKKKKKKK-"

And Charlie's helpless tiny jealous cock THROBBED-

-as all three of them watched-

-in shock and AWE-

-as the lifted moaning panting Kim TIGHTENED her panting stomach-

-and CLENCHED her long beautiful stockinged legs-

-and POINTED her shiny stockinged TOES-

-then SQUIRMING-

-then SHAKING-

Charlie was FROZEN, watching his wife MOAN, TREMBLING in the air-

-ABOUT to CUM-

It was BEAUTIFUL in a way-

He had never really seen it from this angle before-

But it WAS beautiful, a work of ART-

-his wife's impending first orgasm with another man!

"OHHHHFFFUCCCCKKK!" Kim laughed, GRABBING the young man's head HARDER, getting her pussy EXPERTLY licked-

-and then Charlie noticed-

-FELT it really-

-the young slim slender twins BREATHING harder, pressed next to him-

-PANTING more-

-and really squirming!

And when he looked down instead of at his wife-

-he saw that both girls had their hands down their panties.

Sometime during the night, Brandon passed out.

He remembered each of the nude mothers using his tongue one last time, as a final send off, this build up long and slow for each woman, letting her really SAVOR the desperation in the painfully horny boy's tongue as long as she wanted, no rush-

-each of them 69'ed Brandon cock and balls themselves this time, using their own hot wet talented mouths to make the boy moan into their pussy at just the PACE and VOLUME that THEY needed-

-the women's mouths MOANING around his caged cock as his mouth SCREAMED in frustration into their slippery pussies-

-as each of the mothers CAME on his face one LAST TIME!

The exhausted boy woke up the next morning in Vice Principal Victoria's bed, still tasting strange pussy on his lips.

And handcuffed with BOTH hands to the solid hotel bed's headboard!

The Vice Principal was sitting at the small hotel table, barefoot and naked under a short white fluffy hotel robe, her long tanned legs crossed, her long elegant nude foot bobbing in the air, sipping coffee and reading the newspaper.

She laughed. "Oh good, you're up."

And she set down her coffee and newspaper and stood up and came to the bed, opening her robe and straddling his face in one smooth motion, as nonchalantly as if she was ordering room service!

"Lick. I woke up horny this morning."

The shocked Brandon reacted by instinct, his brain still sleepy, but his tongue finding her folds automatically, the woman laughing as she felt the boy stiffen when he realized-

-she was already slippery in anticipation of straddling him!

"I told you I woke up horny," she laughed, using her hands on his hips for balance.

She was straddling him reverse cowgirl like the tall redhead liked-

-her face above his caged cock and his nose DEEP against her smooth hot asshole as she RODE him-

-he could SMELL the soap from her fresh morning shower!

His brain having trouble reversing everything she had taught him, missing her clit as he struggled to become fully awake-

"You know that I'm legally empowered to keep you in that cage for the next month, right? the woman grinding on his face laughed. "I don't legally have to return that key to your mother for the next 30 days."

And the older woman laughed as his tongue automatically started licking her more urgently, sticking out FARTHER and FINALLY locking onto her hard clit and sliding against her sensitive hood in just the way she liked-

-even as the taste of her familiar pussy made his young cock strain in its tight little cage and even immediately start LEAKING with need!

"Someone else woke up horny too I guess," Victoria laughed, letting the trapped boy feel the rhythm of her strong smooth muscles and round sexy hipbone as she used him. "Too bad there's no help for that," she laughed, grabbing his hips and leaning forward to grind her slippery folds against his face harder. "Let's see what you've learned- make me cum as FAST as you can and we'll see if you might get unlocked in the shower this morning."

And she LAUGHED as his tongue went into OVERDRIVE!

Brandon panted as he went to hot sweaty work beneath her, the sexy long-legged older woman using his face exactly how she wanted, laughing as the squirming boy licked even though his tight restrictive chastity reminded him of exactly who was in charge-

-occasionally getting glimpses of his key still around the woman's neck, bouncing freely between her large round freely bouncing tits!

And every brief gap when she lifted off him to re-position, letting him see her in the throes of passion for just a millisecond-

-her long dark hair and long sexy legs-

-her pencil skirts and white dress shirts and stockings and high heels the nude woman normally wore-

-her VOICE-

-reminded the guilty boy SO much of his MOTHER-

-that it made his cage THROB and the helpless boy MOAN and lick FASTER!

He couldn't HELP it-

The way she was RIDING him-

Left no space for RATIONAL thought-

-only INSTINCT!

The boy MOANED and PUSHED his face and tongue UP to get DEEPER inside her, MOANING against her pussy lips like the other mothers liked and DRINKING up her juices like he was STARVING in the DESERT-

The beautiful nude older woman in the open robe eventually had a short but powerful morning orgasm on his face, squeezing his head with her thighs in a way that was almost becoming like a Pavlovian trigger to the cock-caged boy-

"-ohhhhhhhHHHH THERE IT IS!! YESSS!!"

His tiny caged cock QUIVERED in response to her orgasmic vibrations pushing through his body. And leaked pre-cum ALL over his stomach and thighs!

The woman let him leisurely lick her through her aftershocks still sitting on his face until she was satisfied, and then finally lifted up, letting the sweaty boy breathe cool unfiltered air for the first time in minutes.

"You're definitely getting better. SO much improved since your first silly clumsy attempts this weekend."

The handcuffed boy blushed, unable to even cover himself, as she got off his face and retied her robe!

"...thanks! I guess!"

"Oh, that's definitely a compliment you should want. You're going to have to do a lot MORE of that, if you're going to be spending long amounts of time with your cock caged."

His steel cage JUMPED!

"...I'm NOT!"

The tall standing dark-haired woman laughed, her long legs looking amazing under that short white robe.

"You're not?"

"NO!"

"Not even for a girl? Or did you just get your cock locked for the weekend just because you HAD to get a little fresh powder skiing in?"

He blushed hard! "It wasn't... like that! She... tricked me!"

"Sure she did." The woman sipped her coffee again and laughed! "Just now, you started off clumsy but then kicked your tongue into high gear. Were you thinking about her then?"

He blushed harder and pulled at his tightly cuffed wrists! "NO! Now- let me go!"

The older woman laughed, letting her loose robe fall open again, to reveal her smooth nude front and well-licked pussy and shiny slick thighs with a confidence that made his cock ACHE.

"Well whatever you were thinking of, keep it up. Plenty of girls would like to have that PASSION going between their legs, when your little caged tongue goes to work on them." She laughed and tossed her shiny hair, her amazing tits swaying.

"Have a good night last night?"

Brandon pulled at his cuffed wrists! "NO!"

She laughed and tapped his cage with her fingernails, pointing out ALL the different shades of lipstick on it! "No?"

"I mean- I guess! Those women- wouldn't let me REST!"

"Rest from licking their pussies or rest from getting hot caged blowjobs?"

"BOTH!"

She laughed! "A young athletic boy like you couldn't keep up with some married forty-something moms?"

He looked away and blushed! "...no! They... each needed to cum... SO many times!"

The older woman laughed again! "Sexual prime, like I told you. Those women could fuck you into the FLOOR, especially if your dick was free Even with that little cage protecting your weakness, you barely stood a chance of lasting long enough to satisfy."

The boy blushed even hotter-

-and that somehow made his tight little cage strain HARDER!

"Can you just unlock me already?!?"

She laughed and sat on the bed, her robe riding up to show a LOT of leg. "You are pretty sweaty, it would be good to get you in the shower. But are you sure you want to wash all these cute lipstick marks off your cage? They're like notches in a chastity boy's belt!"

His cock PUSHED against his bars as her fingernail tapped them!

"YES!"

"Okay okay. And after the shower I'll get you some breakfast. All you've probably had to eat in the last twelve hours has been pussy."

The boy blushed more as the laughing older woman unlocked his left wrist cuff from the headboard-

-and pushed it down behind his back to attach to his right!

She unlocked his other cuff from the bed with a laugh, pulling the shocked boy off the bed by a firm grip on his balls!

"Come on boy! Into the shower."

Brandon BLUSHED and let himself be pulled along by his testicles-

-his wrists still tightly cuffed behind his back!

"Aren't you going to- unlock my hands?!"

"And your cock at the same time? I'm not stupid."

And his little dick SURGED at that!

The older woman just laughed at the boy and pulled him along faster by his sore nuts!

"Come along, quick like a bunny."

She laughed when she saw the huge, solid, metal, handicap-assistance railing bar running waist-high around BOTH walls of the large corner shower.

"Perfect."

With such confidence that he didn't even think of objecting, his wrists were uncuffed for a brief millisecond and behind the railing this time, leaving him standing trapped in the shower nude and cock-caged, like some prisoner of war!

He tried pulling against the railing-

-which felt like it was solidly bolted into the steel frame of the building!

Only then did Vice Principal Victoria fully throw off her robe, to stand nude and statuesque in the shower with him, taller than him by a few inches in her bare feet!

And wearing ONLY his chastity key, on a thin silver chain around her neck!

She laughed as his cock stiffened at the sight, his stubby little cage pointing straight UP for her-

-all of 1.5 inches long!!

"Unggh!"

The woman laughed and turned on the shower, soaking them both in relaxing hot water almost instantly, and then leisurely took her time, wetting and soaping her lean, full-breasted, very long-legged body RIGHT next to the handcuffed boy, laughing as he STRAINED, because she was wearing ONLY his chastity key on her tall soapy body-

-and NOTHING ELSE!

He closed his eyes because he couldn't STAND it anymore-

-and Victoria laughed when he always lost the fight and opened them again, no matter WHAT it did to the tiny cock in his cage!

After cleaning herself up she turned to HIM-

-and laughing, she FINALLY reached up to the chain dangling between her wet slick soapy amazing mature tits- and the tiny little shining key at its end!

Brandon MOANED when she slid the key into his tight integrated lock.

"I love it when boys do that," she laughed, and turned!

His tight metal cage and even tighter ring behind his balls dropped off, leaving him free-

-for what felt like the first time in WEEKS!

"Ungnggggghh!" he grunted in RELIEF, feeling air as the pieces fell away, immediately starting to get fiercely and uncontrollably HARD!

"I love it when boys do that too," she laughed, soaping and cleaning his cage pieces right in front of him-

-and even THAT was erotic!

She leaned out of the shower to put his cleaned metal cage pieces and key on the bathroom counter, giving him a great view of her ass, bending right in front of his free, STRAINING cock. She turned to catch him looking at it!

"In your dreams," she laughed, making the boy blush even more!

She soaped up her long slim elegant confident hands using a LOT of the hotel's fancy smelling soap-

-and smirked.

"If you cum while I'm washing you, I'm throwing you back into that cage for MORE than a month."

The boy grit his teeth!

And then the older woman washed him from head to toe-

-quickly, smoothly, efficiently, like a mother washing her helpless little naked boy-

-NEVER ONCE touching his cock and balls-

-and even THAT made him so hard that he could barely TAKE it!

"Mrs Victoria!!! PLEASSEE!" he begged, his young dick STRAINING in the air between them, totally UNTOUCHED!

At the end she giggled, thoroughly and completely washing the slippery soap off her hands.

"You have thirty seconds to get fully soft or I'm squeezing your balls until you fit back into your little cage. And adding two weeks to your sentence."

"Miss Victoria!"

"Yessss?" the taller older naked woman laughed, looking at him.

The naked boy STRAINED, his PAINFULLY hard cock THROBBING, untouched in the air!

"....I-.... thought... you might-"

"Jerk you off a little?" she laughed. "PULL that quick little penis with these SLIPPERY hands until you spurt a big load all over my tits?"

He only blushed HARDER!

"I'm your Vice Principal," she laughed at the embarrassed but still painfully hard boy. "I can't be giving students hand-jobs in the shower no matter how QUICK and FUN it would be."

Brandon PANTED, NOT looking forward to going back into that cold HARD steel again-

"Which is why I will make sure you NEVER enter my school uncaged AGAIN, if you tell ANYONE that I did this."

And then she was on her knees in the shower, her hot mouth around Brandon wet and somewhat clean cock.

He SCREAMED and PULLED at his cuffs, going on TIPTOE!

"AHHHHHHHHHHHHH!"

It was JUST as good-

-as her blowjob in Mia's room last night!

BETTER even!

"AHHHHGGGGHHHHHHHHOHHGODDDDDDD!"

Brandon panted and PULLED at his cuffs-

-the sight of this beautiful, tall, powerful older woman SUCKING his dick-

-she seemed so intent on PLEASING the young man that Brandon RACED to the CLIFF of orgasm SO hard and FAST at just the FEEL of her hot mouth, after ALL he had been through-

"NNGGGYHHHHH-"

And then her mouth was gone.

"Not quite yet," she laughed, using her strong fingers to PINCH the tip of the 18-year-old's dick, waiting for his edge to cum.

"NOOOOOOOO-GGHHHHHH-ARRGGGGHHHHHHHHHHHH!" the nude boy yelled, his entire body DESPERATE to finally CUM-

-but being prevented by the pressure and sudden sharp pain of her fingers on the end of his dick!

AND a tight ring of her fingers around the throbbing BASE of his cock too!

"GGGHHHHHHH!" he panted, going up on his toes, ACHING!

She laughed as the boy didn't cum. "Good boy."

"WHYYYY?!" the boy asked.

She giggled. "The other chaperones wanted me to thank you for servicing them last night. They said you were VERY responsive to their needs." She laughed. "And answered all their questions about the girl you like?"

And then her OVEN hot mouth was on his COCK again.

Her tongue swirling even HARDER than LAST time!

"NOOOOOO!! VICE- PRINNNCCCPAALLLLLL!!!"

His body RACED towards orgasm even FASTER than last time, his EVERY muscle TENSING in preparation for a HUGE, WORLD-ENDING cumshot-

"AHHHHHHHHGGGGHHHHHHH-"

Mouth off, tip pinched and root squeezed, just like last time!

"NOOOOOOOOOOOOOO!" the boy SCREAMED, going UP on his TIPTOES, his CALVES and THIGHS and ASS and STOMACH SO TIGHT, STRAINING against her FINGERS-

-and lost, just like last time.

"GGHHHTHTHHHHHHHHH!!" he cried, PANTING with the EFFORT of holding it IN-

-to NOT have a huge RUINED cumshot-

-and still get himself in trouble ANYWAY!

"NNGGGHHHHHHHHHHH!"

The tall woman on her knees just laughed, looking up at the straining boy, her fingers pinching the tip of his desperate dick. "Hold it in. Hold it IN...."

"GGHHHHHH!" he PANTED, wrecked with the effort.

He was breathing as HARD-

-as if he had just SPRINTED a quarter MILE!

Victoria laughed as it became obvious the boy wouldn't tip over the edge. "You know, I gave a LOT of blow-jobs when I was your age. I was head cheerleader," she laughed. "AND prom queen. It was EXPECTED of me."

Brandon PANTED, hanging off his wrist cuffs!

Victoria started lazily stroking his tired cock again!

"And with ALL those boys, I let them cum HARD and FAST in my mouth, AND swallowed, like a good girl- THAT was expected too," she laughed. "And with ALL those boys, unless I was their first, they've probably totally forgotten the blowjob I gave them."

Her fingers continued to keep Brandon from going too soft!

She grinned.

"But if you take a boy to the EDGE and NEVER let him cum-" she laughed, rubbing the underside of his cock. "-you're definitely going to remember this one."

"Noooo! MISS VICTORIA!! PLEEASEEE!"

She laughed, giving his thin cock a LONG LOVING LICK while smirking up at him.

"How many orgasms did you give those women last night again?"

And laughed as Brandon SCREAMED as he realized.

A panicked Charlie tried to shush both increasingly squirmy teens pressed tight on either side of him, as they both panted and masturbated louder!

"Mmm-!"

"-oooh!"

Charlie hissed as loudly as he dared! "Ingrid! EMMA! Shhhhh!"

The bratty Ingrid didn't even open her eyes while masturbating RIGHT next to the panicked man-

-but he saw her smirk.

And open her glossy pink lips just a little bit wider-

-to whimper even louder as she masturbated RIGHT next to him!

"MMMM-ohhhh-OH YESS!"

"INGRID!"

"Oh GOD-"

There was nothing else Charlie could do-

-he had no other choice-

-the older bigger stronger man wrapped his left arm around the squirming girl's shoulder-

-and clamped his strong hand over her mouth, muffling her!

"-mmmmph!"

And he could feel the teenaged grin under his hand, as she realized that now-

-she could let go and be as LOUD as she wanted!

It wasn't true, but Ingrid didn't seem to care!

"Mmmmmph!" she moaned loudly and sexily into his palm as she fingered herself, making his cage vibrate! "MMyyyhhhhph!"

Charlie could FEEL her lips laughing under his hand-

-as she let the horribly-horny, helplessly-caged, VERY blue-balled older man-

-FEEL her rising orgasm through her mouth against his palm!

And it was KILLING him!

"oh-fuccckkkk!" the man grunted, his caged cock SWELLING a LOT beyond what would be painful in his unyielding cage-

-listening to a girl he had never even seen naked-

-squirm and moan and have a beautiful, erotic, masturbating orgasm-

-with her entire half-naked body pressed TIGHTLY against his!

"fuckkk!" he hissed, PULLING at his ACHING cage!

And then, on his other side-

-EMMA started moaning and panting louder TOO!

"I'm... SORRY Uncle!" she whispered, about to cum! "He's just so... DOMINANT!"

And Charlie glanced back at the tall, STRONG athlete who was still eating out a laughing Kim as he had her LIFTED onto his shoulders, legs on either side of his head, Kim's back HARD against the wall.

And she was LOVING it!

"OH...GODDDDDDDDD THAT'S GOOODDDDD!"

Charlie panted as he realized-

-that the other man's TONGUE was probably bigger and STRONGER than his, too!

Emma was throwing her head back and starting to shudder!

"Ohhhhhhhggodddddddddd-"

And Charlie had NO choice!

He reached his RIGHT arm around Emma-

-and clamped a hand over her mouth TOO!

"-mmmmphhh!"

Now with NO free hand to adjust his PUMPING cage, Charlie was completely at the MERCY of what the women were doing-

Ingrid smirked under his hand as she masturbated and fully opened her mouth to let him FEEL her orgasm start to rip through her young teenaged body-

-a passionate, raw ECSTASY that he-

-would NEVER be involved in giving her!

"OhhhhhmmMMPPPHHH!!"

Her muffled moans were STILL SO loud!

But luckily his wife's ecstatic screaming as she got DRILLED by a big thick college boy's tongue, feet totally off the floor covered up any quieter moans Ingrid had made.

"OHHHHHFUCCCCCKK-I'MCUMMMMMMMMING!"

Kim was laughing-

-shaking-

-but also trying to get away, being overwhelmed by having one of the hardest longest cunnilingus orgasms of her life-

-and still getting licked by a thick hard tongue that wasn't even CLOSE to stopping!

"AHHHHHHHHH!" she laughed, cumming!

And still the man licked!

"OOHH GODD- I CAN'T TAKE ANYMOREE!!!! I'M- CUMMMMMMING AGAIINNN!"

Emma came, quietly and beautifully, under Charlie's hand, at the same time Kim had her second.

"MMppppphhh!"

All three women finished cumming, and then it was quiet.

Except that Kim was still pinned against the wall, getting tongue-fucked harder than she ever had in her life.

"NO!" she laughed, squirming her feet helplessly in the air! "I'm SERIOUS! I- CAN'T TAKE ANYMORE!!!"

The muscular black man laughed and FINALLY stopped licking out Charlie's beautiful wife, letting her EXHALE in relief, and then slowly slid the woman down his body with strong careful hands, steadying the woman as he gently put her down on her feet!

Kim was shocked, Charlie could see-

Her face and breath flushed from her TWO sudden, hard, powerful orgasms-

-she hadn't been planning to cum like that-

-so FAST and so HARD-

-without even getting that dick inside her pussy!

Charlie could tell, from the look on her face-

-she might just be-

-starting to fall in love!

"Oh wowwwwww," she panted, brushing her hair from her face as the man laughed. "That was... AMAZING!"

The Stud grinned. "Your husband doesn't do that to you?"

"NO!" she laughed, rubbing the man's dick again, making Charlie's heart break! "Not like- THAT! He... can't even LIFT me!"

The girls under Charlie's hands giggled!

The man's huge black cock throbbed inside his wife's small hands.

"SO...." the Stud laughed. "Ready to have me inside of you?"

And Charlie saw-

-with his own eyes, or he would never have believed it-

-his tall confident wife lick her lips-

-and BLUSH!

The bottomless Kim panted, still recovering from her two strong sudden orgasms! "I... don't know... if it will fit!"

Emma reached up and PULLED Charlie's hand a few inches down from her mouth.

"That thing definitely won't fit," she whispered to Ingrid. "It's the size of a BEER BOTTLE!"

Ingrid pulled down his protective hand too!

"Oh it will. Girls have a way of getting extra slippery around BIG BEAUTIFUL cocks... isn't that right Uncle?"

And Charlie BLUSHED as his cage as the teens silently giggled!

"We'll MAKE it fit," the Stud laughed, pushing the shaky Kim towards the bed. He winked at her! "I'll go real slow."

And he pushed her hands of his dick to give himself a few hardening strokes-

Even after getting an whirlwind blowjob from Kim-

-one that would have had Charlie shooting in under a MINUTE-

-and eating her out to TWO amazing orgasms, the sound of which had ALMOST made Charlie CUM right THROUGH his cage-

-the Stud wasn't even close to cumming!

His steel-hard cock was as ready as ever, every vein on the outside bulging!

It looked as powerful as a nuclear missile.

"Oh wowww," Emma panted, starting to squirm again next to him! And licking her lips!

"Wow," Ingrid agreed, as she watched that huge cock bob as the man walked.

And Charlie felt SO small!

But he SNAPPED back to attention when he saw a giggling Kim JUMP onto the bed-

-Charlie knew this was the point of no return-

-she had given a blow-job but a lot of faithful wives did that-

-but she hadn't yet been FUCKED!

She could still decide to stop him!

Still turn back!

The boy wasn't even wearing a CONDOM- they had both been tested before, but Kim could still INSIST, putting at least SOME barrier between their bodies-

-Kim could still turn back if she wanted too!

And then his loving wife giggled like a schoolgirl and rolled her back and THREW her legs up in the air, holding her legs apart at the knees!

"I think I'm ready," she panted, holding her legs WIDE apart.

His wife of TWENTY years-

-waiting with her feet up in the air, like just another horny college girl-

-waiting to get FUCKED.

And Charlie saw-

-that her smooth bare pink pussy was absolutely DRENCHED.

"Just- go slowwwww!" she laughed, licking her lips just like the girls had done! "Like it's my first time?"

"Anything you want, Slut."

Kim giggled and opened her legs wider!

Charlie was TREMBLING.

On either side of him, the girls were vibrating with excitement-

As this young cocky Stud-

-his hands were so much BIGGER than his, Charlie saw-

-his veiny FOREARMS even bigger than Charlie's BICEPS-

-GRABBED Kim by her bare hips and PULLED her on her back across the bed, her sliding on the silk sheets towards his dick, making the older woman GIGGLE like a little girl-

-it was such a POWER MOVE that Charlie HAD to admire it-

-and PUSHED his huge HARD black cock into his wife's tight pussy, going SUUUUUUPER slow.

And Kim was almost cumming again already.

"OHFUCK-OHFUCK-OHFUCKKKKKKKK!" she cried, breathing like she was giving CHILDBIRTH! "SLOOWER! OHHFUCKKK YOU'RE BIGGGGGGGGGG!"

Her eyes were rolling up back into her head.

Her mouth was making shapes Charlie had never SEEN before.

But he knew he probably wanted to see them again.

The Stud grinned but didn't stop.

Kim GRABBED the sheets, her legs once again over the Stud's shoulders, her beautiful bare feet TREMBLING in the air behind his head!

"SLLOOWEER!! OHHHH FUCKKK THAT'S BIGG!" Charlie's wife PANTED, GRABBING the sheets harder! "I'M- OH FUCK- I'M GOING TO CUMMMMMMMM- JUST FROM THE SIZEEEEEEEE- OF YOUR COCKKKK!"

On his left side, Ingrid started masturbating again.

As did the blushing Emma on his right.

"OHGOD-OHGOD-OHGOD!" Kim screamed, facing the closet! "IT'S- SOO- BIIGGGGG!"

The young stud thrust once and she was cumming.

"OHGODOHYESSOHHHHHHHHHMYYYYYYYYYGODDD!!" his wife WAILED, lost.

Charlie could see from her face, she had forgotten all about him in that moment-

About being married-

About being his keyholder-

About him hiding in the closet-

Her animal mind had taken over-

And all it was thinking about-

Kim GRABBED the bedsheets-

-expensive silk sheets Charlie had bought her for Valentine's Day-

-and screamed.

"HARDER! FUCK ME HARDER!"

And THRUST herself hips up towards the laughing stud.

"Harder WHO?" he prompted, obliging!

"HARDER DADDY!" his wife screamed at the much younger man, in a voice Charlie had NEVER heard. "FUCK ME HARDER DADDDDDY!"

The young man laughed and REALLY started fucking her now, using her hips as perfect handles, going deeper, going harder, going faster, and making the beautiful older woman SCREAM and start to cum again.

"OHFUCK-OHFUCK-OHFUCKK-THAT'SSSSS GOODDDDD DICCCKKKKK!"

The FACES she was making-

Charlie had never SEEN her mouth make that shape-

-probably because he had always been nose down in her pussy whenever his wife had orgasmed-

"OHHHHHHGODDDOHHHHHFUCK- I'M CUMMMMMMMMMMMMMMING!"

Charlie realized with a shock-

-that he might have never really SEEN his wife orgasm before.

Clitoral orgasms, sure-

-she always came from him licking her clit, and it was usually 'nice'-

-relaxing-

But this was something DEEPER-

-a DIFFERENT set of nerves-

-sensations from DEEP inside her hot TIGHT clamping pussy making her entire BODY lose control-

"AHHHHHHHHHH I'MMMMMM CUMMMMMMMMMMMIINNG!!!"

Charlie couldn't tell if it was a new separate orgasm each time or one continuous one-

All he knew is that he was UNABLE to look away, as his wife became something ELSE-

Something SEXIER-

Something WILDER-

Something ELSE.

"OHGOD-OHGOD-OHGOD!" she SCREAMED, mouth OPEN, back ARCHED, legs QUIVERING! "I'M.... NEVER..... FUCKING SMALL DICK EVER AGGGGAAAAAAAAAAIINN!"

Vice Principal Victoria COULDN'T give Brandon as many edges as he had given orgasms to the older mothers last night-

-NO teenaged boy could survive THAT-

But she definitely WAS going to give him so many that he lost count.

And maybe went a little crazy.

"NOOOOO!! FUCKKKK! I'M CUMMMMMMMIINGG!"

She pulled off and squeezed his tip to hold him off! "Not yet!" she laughed, watching his face! "And if you DARE cum on my face... you're staying locked for a YEAR."

Brandon GRIT his teeth and STEELED himself-

-and BARELY managed to hold off, spurting a ruined cum into her pinching fingers!

"NNGGGHHHHHHHHHH- NOOOOO!" he PANTED, SHAKING with the effort! "AGGHHHH!"

The woman holding his cock by root and tip laughed.

"You know, of ALL the HUNDREDS blowjobs I gave, BOTH times I was in high school... denial blowjobs to boys going RIGHT back in their cage afterwards are the MOST fun."

"NOOOOO!" he begged, TRYING to get away!

But he had-

-NO way to STOP HER!

"WHHHHHHY?!?" he begged again!

"The ladies report you were very good last night," she laughed, using her hands to keep him stiff while she let him rest again! "VERY responsive to their needs, willing to answer ALL their questions about your little friend, drinking their pussy juices like a DYING man in the desert-"

The boy blushed, trying not to get any harder!

"And so the mothers asked me to give you a big reward. For excellent pussy-licking services rendered. And since NONE of them had your key last night..."

She started sucking him hard and fast and without mercy again!

"AHHHHHHHHHHHHHHH!"

She pulled off before he was about to cum!

"WHAT do you say? To an older woman WAY out of your league, taking pity on you to suck your free cock- and not your caged one?"

"THANKS! I- guess!" he blabbered, UNABLE to THINK.

"You better say thanks," she laughed, angling his dick down towards her mouth again, increasing the pressure. "I've locked up crying boys' dicks for a YEAR for less."

And Brandon almost CAME when tall beautiful naked kneeling woman SUCKED his cock into her mouth again, her lips EASILY RESTING at the ROOT of his dick, RIGHT up against his PUBIC BONE!

"THANK YOU VICE PRINCIPAL VICTORIA!" he SCREAMED, going UP on his toes as her lips sealed TIGHT around the root of his shaft, her tongue already SWIRLING around his head in a way-

-that would have him spurting in SECONDS!

"THANK YOU THANK YOU-AHHHHHH-THANK YOUUUUUU!"

The woman chuckled around his throbbing dick, then got a more secure finger grip on the base of his shaft and prepared to give him the ride of his life.

And she did.

Brandon was SCREAMING at the roller coaster of up and DOWN pleasure FLOODING from his dick through EVERY nerve in his body, making his heart RACE and his feet ONLY touch the shower floor with the very EDGE of his TOES-

His hips THRUSTING into that tight hot wet SUCKING tunnel and NEVER finding its bottom, his smooth balls being rubbed in that PERFECT rolling loving fashion and her long slender fingers even pressing on his prostate from the outside, UPWARD behind his balls, making the virgin's knees shake and his mouth OPEN from the INCREDIBLE blowjob-

-with her always stopping at just the right time.

"NNNNNNNOOOOOOOOOO!!! FUCKKKKKKK!" the boy screamed, SHAKING!

"Didn't I say to THANK me....?"

He closed his eyes! "THANK YOU VICE PRINCIPAL OHGOD OHHHHHFUCCCK!" he SCREAMED as her mouth closed on his ENTIRE cock again, fitting PERFECTLY around it-

-like a GLOVE!

The older woman laughed as the handcuffed boy DANCED for her time and time again, STRAINING on his toes, his cock as HARD and THROBBING as it could possibly get, right in her face-

-only to be pinched and denied!

"NNNNNOOOOO FFFFF-THANK YOU VICE PRINCIPAL!!!"

She laughed and gave him ten seconds of break before starting the ride all over again.

And Brandon DID feel like he was on a rollercoaster-

-his stomach DROPPING out of his body each time the beautiful wet passionate older woman started sucking his SOUL out of his cock, doing things with her mouth he hadn't thought POSSIBLE-

-because he KNEW how this ride was going to end!

"--NNOOOOOOOOOFUCCCKKKKKKK!" Brandon yelled, CRYING as he thrust into the empty air!

After four-

Five-

SIX edges like that, Brandon was AFRAID of what that mouth could do-

-take him to the edge SO quickly-

-and KEEP him there with PERFECT control-

-make him HARD even when his tired cock started to flag!

Make him feel mind-numbing, eye-rolling pleasure in overwhelming waves like he was being tossed in the stormy ocean and thrusting his dick into the best tightest tunnel in the world, leaving his words jibberish-

-but before ALWAYS stopping on the pitch-perfect edge of orgasm, leaving him SCREAMING with ACHING blue balls as he edged!

"AHHHHHHHHHHHHH!"

She was a PERFECT edging MACHINE-

-and he had NO way to stop her!

"NononoVicePrincipalVictoria- PLEEEEEEEAAAAAASEEEEE! PUT ME BACK IN THE CAGE! I WANT TO GO BACKKKK!!"

The kneeling woman popped her mouth off his cock with a laugh. "You know... normally I would."

And then her professional mouth fell onto his hard and straining cock again, making the desperate boy MOAN and YELL and go up on TIPTOE again, DESPERATE to CUM, as if he had ANY control of the situation at all-

"AHHHHHH!!! NOOOOO- NYGGGGHHHH!"

The kneeling woman took her time and edged Brandon TEN more HARD times with her mouth in the shower, taking him up and down that roller coaster again and again until he couldn't THINK-

-until he couldn't even stay HARD-

-the last couple of edges she gave the JUMPING boy-

-were to a mostly SOFT cock!

"NNNNNOOOO!!! FFFFCCCUUUUKKK!" he cried, NOT sure if he would be ABLE to HOLD back-

-but she pinched his orgasm off just like every time, leaving the virgin boy LIMP dicked and HANGING off the bar by his handcuffs behind him, soft-cocked and PANTING and SHAKING on weak legs.

She finally pulled away, giving his limp, quivering, tired cock one last long lick, making him TREMBLE!

"EEEEEE-AHHHHH!"

She stood and played with his soft cock with her finger, satisfied.

"THIS is how I left most dicks I ran into, back in high school," she laughed, flopping the soft tired dick around her pointer finger like a wet noodle! She smirked. "But it's a lot more fun to leave you like this WITH your balls still full of cum."

She stood up and left the shower with a laugh, starting to dry off even as the hot water still poured over the naked panting boy.

Once dry, she turned off the water and batted her fingers against his drooping, half-hard dick, checking to make SURE it was dead.

"Five more minutes out and I thread this limp noodle back into that cage for a WEEK," she laughed as the boy PANTED. "I'm going to go get dressed. You can even try to get hard one more time, if you can."

She laughed as the horny teen BLUSHED, KNOWING his dick was now useless for a few days-

-KNOWING this older woman's practiced mouth had more stamina than his young virile teenaged DICK-

-even though most boys would brag about the reverse!

Victoria paused at the door, about to walk out, a big fluffy towel wrapped around her long shiny body.

"Oh. And one last treat before you go back in. For your good behavior. You're free to make as much or as little of it as you wish."

And she left.

And, a minute later, a confused Brandon gasped when an equally confused, black-shirted, black-jeaned and barefooted Mia walked into the bathroom, immediately laughing and

pointing when she saw the wet, shocked, naked, and uncaged Brandon hanging there by handcuffs behind his back, his soft exhausted dick hanging totally limp between his legs.

"OHMYGODDD! Why is it SO SMALLLLLL?!?!"

"OHMYYYYGODDDDD IT'S- SOO- FUCKKKING- BIIGGGGG!" Kim SCREAMED at the TOP of her lungs, as the new THICK, MONSTER BLACK cock PUSHED into her again, inch by massive INCH!

The black stud was now fucking her doggy style, having flipped Kim over after she had had FIVE huge, toe-curling orgasms in missionary.

In twenty years, Charlie's dick had never even given Kim ONE orgasm from penetration in missionary before he came inside her.

The young stud's cock hadn't even flinched.

In fact, if anything-

-it was BIGGER and HARDER than when they had started!

They were turned sideways to the closet, and all the shocked hiding people could see was that HUGE, GLISTENING BLACK MISSILE going in and out of a MOANING Kim's pussy, PICKING her ass up with EACH stroke.

A masturbating Emma pulled her Uncle's hand off her mouth!

"Are... black guys... ALWAYS like this?"

The white man blushed! "...sometimes!" he whispered!

Ingrid pulled his hand off her mouth too. "Sometimes we get videos, of our Insta followers jerking off to our pics. White guys NEVER last this long."

Charlie blushed for his entire race! "They're only... sending you the end of the video!"

Ingrid smirked. "No they're not."

"OHHHHH- FUCK ME HARDDDDDEERR-"

Emma giggled, slowly playing with her fingers inside her wet panties, practically sitting on Charlie's lap! "Well THIS one seems to have no problems.. um... lasting."

The slowly masturbating Ingrid laughed. "All the boys in Norway are going to be SO sad," she panted, going a little faster! "...when Emma and I come back from our US trip... wanting big black cock only!"

She was breathing harder now-

-squirming harder-

-obviously going for-

-a second orgasm!

"no! ingrid! don't!" The blushing man whispered urgently!

She grinned at Charlie-

And by the way she opened her quivering mouth the whole way, as her body started to tremble-

"OhhhhOHHHH-mmmpph!"

-this was going to be a LOUDER one!

Charlie clamped his hand over the trembling girl's mouth again, using his other hand to PULL on his CRUSHING little cage as he watched his wife get TAKEN.

But on his other side-

-Emma started trembling again too!

He turned in shock to see the kinder, shy, more reserved twin-

-with her whole HAND down her panties AGAIN, her body TENSED in such a coiled position-

-and her eyes WIDE OPEN, as she watched her Aunt Kim getting FUCKED.

"ohgoddd-" she whispered, tensing against him! "He's... just SO... DOMINANT! Mmmph!"

Covering BOTH girls' mouths again, a panting blushing Charlie looked back-

-the young stud was still absolutely RAILING his normally dominant wife for MINUTES on end-

-giving her SHAKING toe-curling ORGASM after ORGASM-

-reducing her to a SWEATING, PANTING, COCK-DRUNK MESS-

-without even flinching or acting like he was going to cum!

The man flipped Kim over and put her in different positions however he liked-

-no slow easing in of his huge cock now-

-just SHOVING it into her wet hole without any preamble-

As was Emma!

"MMMM! AHHH!" the helpless teen moaned, closing her eyes and opening her mouth WIDE-

-Charlie clamped his right hand around her mouth HARDER, just a SECOND before the young teen SCREAMED into his bare palm!

"Mmmmmmpph!" the beautiful blonde teen MOANED into his bare right hand-

"nnnnnggyyhhhh!" her beautiful twin sister MOANED into his LEFT-

"OHHHHFUUCKKKKKK!" his wife SCREAMED into the air, FUCKING her lover back with as hard as hip thrusts as she could manage! "THIS IS MY NEW FAVORITE COCK! MY FAVORITE ONE- IN THE WHOLE WOOOOOORRRLLLLLDDDD! I- ONLY FUCK BLACK DICKS NOWWWW!"

And the naked man could only clamp his eyes closed and silently SCREAM, trapped in the middle of all this female PLEASURE, his little dick SO TIGHTLY locked away and UNTOUCHED-

"Nnggy!"

But then the squirming, nearly nude, distracted teenaged girls pushed and BUMPED against his airy cage with their cute naked feet as they orgasmed and ORGASMED watching his wife get FUCKED-

And that was enough to send the helpless Charlie over the edge.

"UNNNGGH-NNYGGGGH!" he whimpered, TRYING to hold it in-

-and failing!

"UNGGGGGHH!"

And his helpless little cock CAME, right inside its tight unbending 1.5 inch steel cage, spurting jets of white, even compressed and curved as it was!

"NNNGGGYH!"

Because of how they were all wrapped up together, Charlie's backed up, months denied, non-pleasurable cage spurts-

-went ALL OVER Ingrid's and Emma's nude feet, absolutely COATING the delicious soles with jet after JET of his painful FORCED cum-

-ALL over their smooth white arches and pink soles and some even got between their cute manicured TOES.

Ingrid felt his curved cum shots SPLASH all over the sole of her bent foot-

-and far from being grossed out she just LAUGHED, pressing the bottom of her naked foot HARDER against Charlie's straining cage-

-just to make his ruined orgasm even LONGER and MORE humiliating!

"NNnnnggyh!" he gasped, shooting MORE, because of how the bratty laughing orgasming girl was PRESSING her naked foot against his cage!

He was shooting out over a MONTH of cum, not with pleasure, not with a straight orgasmic shot a hard dick wanted to have-

-but a humiliating cramped PERVERSION of pleasure, his cum being FORCED out out of his body against his will, BURNING his curved cock and getting his balls CRUSHED by the pitiless steel ring, getting NONE of the RELEASE his body wanted!

"AHHHHHH!"

Ingrid laughed and pressed her naked foot harder against the nearly-crying man's cage, making SURE it was as long and unpleasurable as her soft little teenaged foot could make it.

Charlie COVERED it with his cum.

Emma was cumming too, on his right side-

Her perfect smooth girlish slim legs SHAKING just like Kim's were-

-her naked feet now accidentally pressing against his blue swollen BALLS, making even his LAST spurts a stomach-turning VICE of ball pain!

Charlie nearly CRIED, they were both so alike-

And Emma arched her back and CAME, MOANING against his naked hand.

"UNNNGGGH! MMMM!! MMMMMMMMPHH!!"

And the whole time Kim was still cumming.

"OHFUCKOFGOD- I'M NEVVVVVEERRR FUCKING SMALL DICKS AGAIINNNNN!"

Charlie spurted harder onto a laughing Ingrid's foot, wondering how it had come to this.

And then it was over.

All three women had finished cumming and screaming.

The beautiful sleepshirt-and-panty-wearing Emma had finished, now SLUMPED against her naked Uncle's shoulder, panting, spent, in a giggly, hazy post-orgasmic bliss.

She looked up at him in the darkness.

"Wow."

And that made his little cage ache!

Even as his tender balls were still under her hard toes!

Ingrid had finished cumming too, breathing hard, giving a wolfish grin over at her 'more mature' Uncle, the older man blushing hard and knowing he would NEVER be able to look the haughty teen in the eye ever again-

-after he had had a ruined CAGED orgasm all over her soft pink foot-

-from watching his wife getting fucked by a HUGE black dick!

In an amazing act of gymnastics, the limber girl raised her cum COVERED foot up out of Charlie's lap, to hover in front of his face!

"Lick it off," she giggled, flexing her foot and wiggling her toes!

Charlie blushed! "...no!"

"Lick it off or I'm YELLING."

And the desperate STILL horny older caged man-

-had no choice but to agree!

Emma GIGGLED as the red-faced man started licking his own ruined orgasm off of her twin sister's foot, amazed.

"Wow Uncle. You're SUCH a beta..."

And somehow, that just made it worse!!!

Charlie's face BURNED as he tasted his own hot salty sweaty cum for the FIRST time-

-off of a young teen's soft slightly-sweaty smooth foot!

And as soon as he had halfway finished-

-Emma raised her foot to his face too!

"Emma!" he whispered!

"You did it for HER," the teen giggled!

And Charlie-

-had no CHOICE but to AGREE, holding her delicate foot in his hands and tenderly LICKING his ruined orgasm off her tender toes, her smooth arch, her ticklish sole-

-the teen GIGGLED as it tickled, TRYING to stay quiet-

-and THAT'S when a very well-fucked, sweating, post-orgasmic Kim THREW open the closet door, her laughing male lover relaxing on Charlie's bed STILL with a rock-hard, unspent cock jutting up from his crotch.

"WELLLL!" his wife laughed as she caught Charlie with Emma's cum-covered toes in his mouth! "Isn't THIS just the most COZY little sleepover?!"

A naked Brandon JUMPED against his cuffs when his laughing fully-clothed best friend walked in.

"WHAT ARE YOU DOING HERE?!" he cried, trying to turn his hips away, blushing a deep red!

Mia could barely talk between laughs!

"One of the chaperones! Asked me if I could get dressed and-" The barefooted girl pointed at his soft limp dick again! "Is THAT what it looks like out of its cage?!?"

He tried to cover himself-

-and Mia laughed as the chain of his handcuffs CLANGED against the solid metal bar behind his back, leaving him still totally exposed!

"Don't cover up on MY account."

The girl who had been his friend since they were babies-

-his best friend in the world-

-the only girl he really trusted-

-was seeing him totally head-to-toe NUDE and chained up in the shower, OUT of his chastity cage for the first time-

-his tired exposed dick SOFT and FLOPPING between his legs!

And there wasn't a THING he could do about it!

Her eyes hadn't left his crotch the ENTIRE time.

"Oh my GOD it's so CUTE!"

"IT'S NORMALLY BIGGER!" he cried, blushing SO red!

"Dick Up or Shut Up, Brandon," she laughed, waiting!

And the blushing Brandon PANTED in desperation-

-Miss Victoria had sucked him SO HARD-

-edged him SO many times with her hot PROFESSIONAL mouth, leaving his balls a BURNING ACHING shade of PAINFUL PURPLE-

-but also leaving the muscles around the base of his thin cock SO tired!

After that brutal edging-

-his cock might be limp-

-for DAYS!

"Get... OUT of here!" he wailed, humiliated!

His best friend laughed-

-and took another step inside!

"I must say, this is sort of interesting," the slim barefooted goth giggled, coming around to where she could see him even BETTER! "In the romance novels I read, when a character gets abducted and tied up naked by a gang of horny pirates..." She laughed! "...usually the damsel in distress is the girl!"

And the nude Brandon PANTED-

-his body totally exposed for his best friend-

-with his soft cock limp and tiny between his legs for her to laugh at!

He was barely an INCH right now, all tired and shriveled up!

Mia giggled. "You DO make a cute damsel in distress, however."

He blushed as she took even another step closer!

"With your smooth little mound down there and all."

And just then-

-the SIGHT of his best female friend-

-FULLY dressed in tight black jeans and a loose black indie band T-shirt-

-except for her beautiful naked white feet with her striking black painted toenails-

-seeing him TOTALLY naked and LAUGHING at his the size of his TINY dick while he was totally UNABLE to cover himself-

-HELPLESSLY tied up and EXPOSED-

-did something to Brandon.

His head and fingers and toes sent an unexpected charge all through his body and down his chest and up his legs to the TIP of his soft sensitive dangling dick, making it TINGLE and feel that horrible anticipation that every post-puberty boy knew!

He squirmed on his feet, trying to turn his hips away further!

"Mia! ...please!! Get... OUT of here!"

But she just laughed and hopped her tight-jeans-clad butt up on the bathroom counter directly across from him, swinging her smooth arched naked feet with their lickable black-painted toenails below her, as if she had ALL the time in the world.

"One of the chaperones said, you had something to say to me?"

And Brandon gulped-

-because he KNEW how little time he had, before-

-and he KNEW what the three chaperone mothers probably wanted him to say-

-he just didn't know if HE wanted to say it!

OR wanted her to see what was about to happen!

"Mia! I- uh- um!" he stammered, not getting anywhere!

And watching his cute confident barefooted childhood friend just waiting for him to speak, her slim naked feet just swaying in the air, while she was giggling and looking right at his soft little dick-

-caused the tingle to spread and his soft cock to TWITCH upwards!

"Well! THAT'S certainly a conversation starter!" Mia laughed, looking right at it!

And Brandon PANTED and blushed HARDER-

-which just made his helpless little cock rise even faster!

Mia laughed out loud! "Is it ME making you do that?!"

"Oh god!" he gulped, unable to control it lifting up even faster!

And Brandon blushed HOT red as his heart raced and his confused teenaged body PUSHED all the spare blood it had towards his tired little cock, making the soft boy stretch and tingle and-

-stick out in front of him!

Mia laughed! "Well I guess it does get a little bigger!"

And that just made him erect FASTER!

It SHOULD have been impossible-

-as THOROUGH an edging as Miss Victoria had given him-

-but there was just something about the way Mia was STARING at it-

-GIGGLING-

-that made his cock tick upwards with EVERY heartbeat!

He was almost HALF hard in front of her now!

He was-

-too embarrassed to BREATHE!

Mia LAUGHED and watched the boy's rebellious cock steadily rise for her, like a magic trick, stretching and lengthening even as he fought to stop it!

"If you get any bigger you won't be able to fit into this," she giggled, picking up the pieces of his washed and cleaned chastity belt Mrs. Victoria had left on the bathroom counter!

And just watching his best female friend HANDLE the pieces of his smooth, shiny, oh-so-tiny steel chastity belt-

-one of her slender fingers going RIGHT where his cock would normally go-

-her delicate fingertip sliding around the smooth inside, feeling what the very sensitive head of his PENIS usually felt-

-made the horny naked boy GRUNT and made his helpless teenaged dick rise even FASTER, a painful RUNAWAY erection now, rising strongly towards the ceiling with NO way for the boy to stop it!!

"-ungh!"

Mia LAUGHED, looking at the helpless boy and his equally helpless rising dick!

"The Chaperones hinted that your confession might have something to do with ME... and... this?"

And she picked up his only chastity key which Miss Victoria had carelessly left on the counter, now holding ALL the pieces of his chastity equipment in her slender hands!

Brandon grunted as his cock got even HARDER, watching his giggling barefooted best friend hold his ENTIRE sexual future in her little hands!!!

"Unnggh!"

She hopped off the counter, still holding the pieces of his belt, now taking a big step TOWARDS the chained boy in the shower!

"What's that? Does your happy little guy want to go BACK into its tight little cage? For ME?"

NO- NO NO A MILLION TIMES NO! Brandon screamed inside his head, not being able to imagine a more horrible end to all his potential futures!

He wanted to be HARD and FREE!

To JERK OFF WHENEVER he WANTED!

Thinking about Mia's smooth perfect little FEET-

Or anything ELSE he wanted to!

Brandon was PANTING, humiliated, as his cock wouldn't STOP rising, getting harder and harder against his will, as strongly as it did when he was FIRST unlocked this morning!

It SHOULDN'T have been possible-

-but there was just SOMETHING about Mia's smirk-

-and every step closer she took just made his cock strain upwards HARDER-

-like she was stroking it with a lubed hand!

"UNNGH!"

Mia laughed and took another step closer.

She was close enough to TOUCH his cock-

-if she dropped straight down, to SUCK his cock-

-but all she did was LOOK down at his cock, giggling.

"I guess it DOES get a little bigger, out of its cage."

And just the NEARNESS of her-

-he could SMELL her perfume-

-Mia wore PERFUME?!?-

-any closer and her tight jeans-clad crotch would be grinding against his nude exposed dick-

-made the horribly blue-balled boy squirm and his cock SURGE even straighter!

The TENDONS in his dick were ACHING now!

"Holy fuck Brandon," Mia laughed, her eyes GLUED to his member. "I can see your VEINS."

The boy blushed SO hard-

Even though he hadn't said anything-

-his red THROBBING cock-

-was making his internal thoughts OBVIOUS!

He noticed Mia was breathing a little faster now too!

She licked her lips nervously!

"So... what did you want to tell me?"

Brandon couldn't TALK-

-ALL the potential outcomes were too terrifying!

But his young defenseless dick spoke for him, getting harder than hard, bending past straight into a painful, touch-seeking banana curve, throbbing and ACHING for a touch-

-ANY touch!

And leaking a little drop of pre-cum from the tip!

Brandon panted-

-he was so hard it HURT!

-HURT from a HARD dick going totally UNTOUCHED by a pretty young girl-

-hard cocks were meant to be TOUCHED, all teenaged boys knew that-

-Miss Victoria had been EAGER to touch it, she had touched it TOO much in fact-

-but MIA-

-hadn't even touched him ONCE!

She was denying him-

-even THAT!

"UNGGH!"

Mia giggled.

"Now THIS is more of what I pictured," she gulped, "when a horny lawless pirate abducts an innocent virginal city girl, and lashes her nude to the mast of his ship..."

-and reached out with her hand-

-to touch his cock-

-not with her soft hand-

-but the COLD tip of his chastity belt against the side of his ACHING dick.

"Arrrrrrrrr."

The COLD steel made his aching dick JUMP!

This was probably-

-the HARDEST Brandon had EVER been-

-WITHOUT touching himself!

-just from being NEAR her!

It was making it IMPOSSIBLE to think!

She licked her lips again!

"Is THIS really how you are? After just one WEEK?"

Brandon GULPED, hearing the excitement in her voice-

-like she was making PLANS!

Brandon COULDN'T speak!

She tried again, reaching out with her soft beautiful hand-

-the one he had seen grip SO MANY game controllers-

-to place the entrance to his cold steel chastity cage over the head of his dick!

It didn't fit, but just the icy TOUCH of STEEL, ALL around the rim of his hyper-sensitive cockhead-

-was enough to make the cuffed blue-balled boy GASP and JUMP!

"AHHHH!"

Mia pulled back as he CLANGED against his handcuffs!

"Oh GOD! Is THIS how you are, after only one WEEK in the cage?!"

"NOO!" he finally blurted out! "It's... a LOT of OTHER things!!!"

She laughed, rubbing the head of his painfully hard cock with his own hated steel belt, making him grunt and leak even harder, his dick touching only the ICY steel!

"Do you WANT to go into my TIGHT steel HOLE, Brandon? And be my hot HORNY chastity boyfriend FOREVER?"

Brandon grunted-

If he talked now he would SCREAM!

She hadn't even touched him with her HAND yet!

It-

-WASN'T FAIR!!!!

Mia was waiting, just smirking, and oh so lightly rubbing the head and sides of his STRAINING cock with the smooth curves of his own hated chastity belt!

"Yes? No? Maybe?"

He COULDN'T speak!

"Brandon?"

His cock was a HARD PAINFUL spear stabbing UP from his tight groin, pulling ALL the nearby muscles towards it in a MIND-BENDING clench-

Mia cleared her throat.

"As much as I enjoy having a one-way conversation with your dick, Brandon, you're going to have to say SOMETHING here, or I'm going to start to get pissed off."

Brandon took a deep breath, as difficult as if he was ten meters underwater-
-and finally spoke!

"NO!"

She laughed! "No?"

"NO! I DON'T- want to be your CHASTITY BOYFRIEND!!!"

He felt the steel pull away from his cock immediately!

Replaced by her HARD SUDDEN GRAB of his heavy hanging BALLS!

"Why the fuck NOT?!"

"AHHHHHHHH!" he cried, jumping UP-

-but there was NO escaping her hand!

And somehow-

-that made his hard dick even HARDER!

Even as she CRUSHED his nuts!

"EEEEEEEEEEEE!"

She squeezed even HARDER!

"WHY the FUCK don't you WANT to be my BOYFRIEND?!"

"BECAUSE OF YOU AND SLOAN!!!"

The grip on his nuts lessened!

"Sloan?" she laughed. "What about her?"

Her vice grip on his nuts had backed off from painful to just the EDGE of pain-

-but still tight enough to make him feel VERY vulnerable!

ALL the blood was in his DICK, not his BRAIN-

And realized how EXPOSED he was-

-nude and hard with his hands CUFFED behind his back-

-his nuts in the PALM of her hand!!!

And when the panting boy opened his eyes-

-he saw Mia scowling!

Harder than when she had lost a ten hour save on Dark Souls!

She squeezed a little harder!

"What ABOUT me and Sloan?!"

He took a quick DEEP breath!

"Aren't you two... LESBIANS now?!"

He watched the scowl on her face get deeper-

-and change-

-and then turn into a laugh!

"Oh. That? That was just a ski trip thing."

"WHAT?!"

She laughed, still squeezing his nuts! "Just two experimental girls, wanting to lose their V-cards in a safe space. She's a hot girl and likes to be dominated. And I like to top. So we fit together like two Lego bricks. But I've probably gotten that out of my system now." She grinned, rolling his nuts around in her fingers! "Not to say I wouldn't experiment again, if Sloan AND my boyfriend were up for it..."

And Brandon BLUSHED at how little about women he understood-

-and how much his untouched dick HURT-

-even as his best friend SQUEEZED his nuts!

"UNG!"

Mia laughed, watching him THROB!

"So? Do you know any LUCKY boys who WANT to SLIDE their dick into nice TIGHT chastity belt, for a chance to watch two HOT girls in BED together?"

And she squeezed!

"UNGGGHHH!!"

Brandon panted-

And wished he was ANYWHERE else-

-but there was no denying how much ENGERY his body was PUMPING into his straining twitching PAINFULLY hard DRIPPING dick-

-just because of her presence!

"NO!"

"What?!"

"You... KNEW how much I liked Sloan!" he cried, his nuts in her grip! "But you... SLEPT with her ANYWAY! And then... TEASED me about it!"

"We WAITED for you, you Dummy! Until it was OBVIOUS you didn't care enough to come see me!" She waved with her other hand. "Because you were... what- tied up NAKED and HARD in Miss Victoria's SHOWER I guess?!"

"NO!! It's not LIKE THAT! She- ABDUCTED me!"

"She TOLD ME that you LICKED HER OUT JUST THIS MORNING!!!!"

"NO! I- she- um... kept me caged the whole time! And taught me... forced me- how to please her- with my tongue!!"

The angry girl squeezed his full nuts HARDER!

"Well WHICH was it? Did she teach you? Or FORCE you?"

"NNNGGGYGH!"

And Brandon gulped, realizing he was in SUCH a danger zone-

-Mia was going from hot SIMMERING anger to cold VENGEFUL anger-

-he had seen her do this hundreds of times, usually to stupid noobs in online games who kept messing up her perfect team score-

-and she had BROKEN plastic controllers more than ONCE in her hands in anger!

Controllers with were MUCH tougher than his soft helpless testicles!

"MIAAAA! PLEASEEE!!"

"So you'll lock your dick up to go on a ski trip with SLOAN?!" she growled, fingers digging into him!

"MIA! It's NOT LIKE that-"

She waved around her at the shower, the hotel room, everything!

"And you'll spend ALL NIGHT locked with VICE PRINCIPAL VICTORIA?! LICKING HER OUT?! BUT NOT ME???!!!!"

Oh fuck-

-she was getting ANGRIER!

"NOOO!!"

He was-

-SECONDS away from being CASTRATED!

"...MIA!!"

"WHAT."

He was RED from FACE to CHEST, SO humiliated at what he was about to say-

"I'VE JERKED OFF TO YOU!" he blurted out, almost cumming!

And it was like her shell broke.

Her fingers relaxed on his nuts. No longer crushing the life out of them. But just holding them. Possessively. Like a girlfriend would.

"Really?" she giggled.

And the humiliation of TELLING her-

-made his helpless thin dick SO much HARDER!

"YES! UNGH! Ever SINCE- I- LEARNED HOW!"

She LAUGHED out loud, her anger draining fast, now only giving his balls thoughtful squeezes!

"For ALL your orgasms?!"

"No!" he panted, wanting to DIE! "But- A LOT of them! When YOU- UNGH- wore a cute DRESS to school! That showed off YOUR LEGS! OR- UNNGH- YOUR FEET!"

"My FEET?" she laughed!

"YES! I-" He was blushing SO hard, but- "I'M SORRY! YOU JUST HAVE REALLY PRETTY FEET!"

Mia laughed and FINALLY let go of his nuts, letting the impossibly horny, helpless, handcuffed, naked teenaged boy EXHALE in relief. She looked down, scrunching her smooth perfect slim little feet with their shiny black painted toenails on the shower floor.

"Thanks. I guess. Perv." She looked up at him! "I guess if you were my boyfriend, I might jerk you off onto my feet from time to time. Like, on your birthday or whatever."

And now her soft FINGER not the cold cage was rubbing the throbbing side of his COCK.

"OH FUCK MIA!" the boy cried, ALMOST cumming!

From just ONE finger!!!

She stopped moving her hand instantly, as if she was psychic!

"Oh GOD!" she laughed, holding her fingertip still so he wouldn't cum! "You really DO like my feet!"

He couldn't SPEAK again!

"Are you about to cum?"

...!

"From just me touching you... with ONE finger?!" she howled!

...!!!

"Are you about to CUM Brandon?"

"YES!" the boy WAILED, his penis SO TIRED-

The goth girl LAUGHED, again sliding the side of the hated COLD steel cage around and over the top of his THROBBING cock, now PUSHING it IN, even while she stroked him with one finger!

"Become my chastity boyfriend and I'll let you cum on my feet on your birthday. After cake, of course."

"OH FUCK!" the boy grunted, straining and pulling against his wrist restraints again! "PLEASE- MIA! Can I BE- your boyfriend WITHOUT any chastity?!!!"

The hot goth laughed! "Sorry, not an option."

He was SECONDS away from CUMMING!

"How.... HOW OFTEN WOULD YOU... LET ME CUM- IF I WAS YOUR BOYFRIEND?!?!"

"Let me lock you and you'll find out."

"NOOOO!! FFUCCK MIA!"

She stroked his shaft with one finger, even while the head of his cock was being pushed badly into his tiny chastity cage!

"Oh GOD Brandon you're SO sensitive right now..."

And she switched from using the side of ONE finger-

-to using TWO in a soft 'V' shape, playing around the sides of his dick-

-like he was sliding his cock UP and DOWN her soft sacred slit!

"NNGGYH!"

"Oh GOD Brandon- all that from just TWO FINGERS?!" she howled, watching him get SUPER-hard for her, BOUNCING and LEAKING pre-cum like CRAZY. "Imagine what I could do if I used my WHOLE HAND," she giggled.

He was UP on his TOES-

-FUCKING the soft V between her two fingers with desperate THRUSTS of his hips-

-and TOO embarrassed to even look at her!

"MIAAAAAA!!!"

He was getting SO CLOSE!

This CUMSHOT-

-might make him PASS OUT!

"MIAAAAAAAA!!!"

She laughed, still stroking him with two fingers!

"Yes?"

He could barely STAMMER!

".... I... I USUALLY JERK OFF EVERY DAY!"

"So?"

"SO IF YOU ALWAYS KEEP ME LOCKED... I'LL GO CRAZY IF I CAN'T JERK OFF!"

"Oh, is THAT all?" she giggled, speeding up her soft fingers. "I'll jerk you off every day if you WANT, Brandon. I'll be your hands. I'll get the SLIPPERIEST lube and the BEST grip and jerk you off in your room for thirty minutes EVERY DAY if you want," she laughed. "And then we can play Dark Souls."

"WITH CUMMING?!"

"God no. I LOVE how desperate you are right now!" she laughed, watching his reactions as she slid the cold steel slowly around the hard throbbing veins on his shaft and leaking head, making his cock JUMP! "When you become my helpless chastity boyfriend I'm going to keep you this HARD and HORNY and DESPERATE ALL the time!"

"WHY?!"

"Because I told you, I'm a dom," she laughed, now almost approaching Brandon's dick scientifically, using the side of her fingers on different areas of his leaking cock with different pressure, to see what would make him respond the most! "I LIKE being in charge, even MORE than Sloan liked being a bottom! I'd LOVE having your orgasms in the PALM of my hand, I'd LOVE to wear your key to school EVERY DAY, Brandon if you gave it to me and I'd LOVE to have you locked in my bed and do SO MUCH stuff to you it would BLOW your MIND."

She grabbed him with her FULL hand.

He fit like a GLOVE.

HE WAS ALMOST CUMMING!

"AHHHHHHHHH!"

"You'd be the LUCKIEST boy in school, Brandon- your cute girlfriend would give you LONG handjobs EVERY MORNING and AFTERNOON and let you lick her FEET WHENEVER you want and even get BLOWJOBS once I learn how." She gripped his cock! "All you have to do is get locked."

"FOR HOW LONG?!"

"For as long as I want."

"WHY?!?"

"Because I LOVE you, you Dummy."

"WHY DIDN'T YOU SAY THAT EARLIER?!"

She laughed, holding his orgasm in her hand! "Why didn't YOU?"

And he BLUSHED.

He blushed SO hard-

Remembering ALL the time they had spent together-

ALL the Friday nights together in his room playing video games instead of going to parties-

NEVER touching each other, NEVER even TRYING to hook up-

But NEVER dating anyone ELSE EITHER-

He had been-

-SO STUPID!

".....YES! FINE!"

"Yes WHAT?!"

"I'LL BE YOUR CHASTITY BOYFRIEND!" the boy wailed, his sperm PUSHING up through his tubes-

BOTH her hands were immediately off his cock and around his neck, pulling him in for a hot HARD MESSY kiss-

-one MICROSECOND before he would have had the cumshot of his LIFE.

"Oh BRANDON-"

Their FIRST KISS-

-and it was happening like THIS!

The helpless boy STRAINED on his TIPTOES on the RAZOR'S EDGE-

-it would have been HORRIBLE to cum all over her favorite skin-tight black jeans right now, his cock TOTALLY untouched-

-but the PASSION with which Mia kissed him-

-the THINGS her tongue did to his-

-the FEELING of her strong HAND behind his THROAT and another GRABBING his NAKED ass, possessively CLAIMING him-

Brandon HELD off from having a HUGE ruined SPURT-

-by the SKIN of his TEETH!

"MMMPPHPPPHHHHHH!"

And so when she broke their first kiss-

-Brandon was SHAKING!

And BLUSHING!

And GASPING for air!

The barefooted Goth girl giggled, biting her lower lip and squirming on her naked feet in the shower, grinning up at him.

"Were you trying to keep from cumming the entire time I was kissing you?"

His balls felt like LEAD! "Yes!"

"That's SO hot. I am NEVER letting you cum again-"

And then she was kissing him even harder, her slim skin-tight-jean-clad thigh GRINDING up against his naked cock and balls, PRESSING against them!

"MMMMMPPHHHH!" he MOANED, ALMOST cumming again!

Just from the touch of her JEANS!

She broke the kiss again!

"I could FEEL your desperation through your lips," she giggled. "You are SO fucking HOT when you haven't cum in a while. And this is just the START of your lockup for me!"

Brandon's head was SWIMMING, his vision BLURRY-

"-HOW OFTEN ARE YOU PLANNING ON LETTING ME CUM?!?!?"

And she LAUGHED.

"Oh, as LITTLE as I could POSSIBLY get away with."

And they were kissing again!

Her leg GRINDING on his hard cock and balls.

He felt his balls TIGHTENING!

She stopped before he shot.

"You okay with letting me lock you up today?" she giggled, panting. "WITHOUT orgasm?"

"NOOO! MIA! I- NEED TO CUM TODAY!"

"No fucking chance."

"MIAAA!!!"

"Either I'm locking you or Miss Victoria is, you choose," she laughed. "And only ONE of those is going to let you cum down her throat sometime. If you take her to dinner. And get her drunk enough."

"YESSSSS! FINE! LOCK ME UP!"

She was practically vibrating! "With NO defined release date? I PROMISE I'll play with your cock EVERY day but we can't put ANY rules on when I have to let you cum, okay?!?"

"YESSS! FINNNNEEE! JUST- AHHHHHHHHHHHHHHHHHHHHHH!"

Her hand was on his dick again!

Their first handjob!

And he WASN'T going to cum!

"It's so hard for me to decide!" she giggled, holding his cock and the cold pieces of his cage against his dick! "If I should spit on my hands and stroke your helpless dick some more until you're even MORE crazy- or let you get soft so we can lock it up faster!"

"LET IT GET SOFT!" the boy begged, truly and emotionally exhausted! "I CAN'T TAKE- ANY MORE EDGES TODAY!"

"Oh FUCK Brandon, that just makes me want to stroke your cock EVEN MORE-"

And they were kissing again, the girl forcing her tongue down the cuffed boy's throat-

-while grinding her jeans-clad thigh against his dick like a stripper!

-AND using her palm on TOP of his dick to rub it DOWN against her hard thigh!

"MIAAAAAAAA!" he begged when she finally broke the kiss!

"What!"

"PLEASE LET ME CUM!!!"

"FUCK no. You're too hot like this."

"THEN PLEAAAASEEEEE!"

"Please WHAT?"

"LOCK ME UP BEFORE I GO INSANE!"

The hot goth squealed and jumped out of the shower, to hop back up on the bathroom counter, sitting on the marble top with her pretty white feet swinging happily, waiting for her new boyfriend's dick to go soft.

It had been four weeks since that night Charlie had been cucked. The first time.

Since then, a few big things had changed around the house. Some good for him, some tortuous.

The naked caged man with no remaining body hair below his ears thought about all of these, as he lay alone in his new, wide, soft, comfortable, dog bed-

-in the isolated laundry room in the downstairs basement, pulling at his little caged dick as it tried to expand!

The new bigger softer more comfy dog bed had been Kim's idea-

-but the placement of it had been the girls'!

The twins were understandably shy about having their nude, horny, cock-caged uncle sleeping at the foot of their bed as they 'explored their sexuality', since that night in the closet-

-and as a result, Charlie hadn't been able to see any of the fun new activities the girls had been getting up to-

-but oh boy could he HEAR, through the long wide metal laundry chutes that ran from each bedroom to empty DIRECTLY above his new sleeping area-

-laundry chutes that seemed specifically designed to bring sounds from the upstairs down to him-

-amplifying the vibrations along the way, like megaphones!

And so Charlie heard every soft sigh and unzipping of tight teenaged jeans-

-every light giggle as thin teenaged panties were eased down slow or yanked down fast-

-every SPANK!

Every MOAN when something got licked or fingered the just right way-

-all the way up to the LOUDER bits!

It was like each girl was SCREAMING right in his ear as she came-

-even LOUDER than they had been that night in the closet!

"UNNGGH!" the man grunted, pulling on his tight painful leaking cage-

-a new tight painful cage which was one size SMALLER than when he had STARTED the Summer-

-at INGRID'S insistence!

The man blushed, thinking about how much POWER the young bratty key-wearing teen held over his most precious male organ-

-his new cage was smoother and rounder and cuter looking, at Emma's insistence-

-more comfortable for long term wear at Kim's insistence-

-but it had been the bratty blonde teen picking the SIZE of Charlie's new chastity cage-

-really for her amusement and nothing else-

-because that meant Charlie was now ACHING and PULLING at the TIGHT PAINFUL steel-

-at the SLIGHTEST stimulation!

"NNGGYGH!" he grunted, his cock POUNDING as he remembered the SCREAMS of female pleasure that had echoed down those metal laundry chutes in the last few days-

-both young AND old!

And he blushed as he heard light female giggling from somewhere above him.

Air ducts went both ways.

Charlie panted and let go of his aching throbbing leaking chastity cage-

-for a few minutes.

Charlie gulped to stay quiet and blushed even harder, feeling his new smooth freshly-shaven legs rubbing against each other as he squirmed on his bed-

-his hands unable to stop touching his baby-smooth hips and crotch and thighs-

-his perfectly-smooth ass, sexy newly shaved arms, stomach and chest-

-each rub of his soft smooth skin making his helpless little button THROB and leak inside his tiny crushing prison even as he blushed so deep dark red-

-because his entire body was now as smooth and lotioned and as hairless-

-as Ingrid's and Emma's were!

He blushed even harder, remembering his wife's wolf-whistles, when the twins first paraded the newly pinked man out of the bathroom, to show off their very thorough 'handiwork'-

-how Kim couldn't stop touching him with her hands or legs or feet, as they all watched TV together in the living room that night, her and the girls on the couch, him laying blushing on the floor by her side-

-constantly commenting how SMOOTH he was-

-and how she finally broke and DRAGGED the shocked blushing man upstairs to their bedroom as the twins cheered, to suck and suck and SUCK on his smooth caged cock and smooth tender balls like a PORN STAR as she sat with FULL weight on his face, and rubbed

and rubbed and rubbed his newly smooth legs, his smooth crotch, his heavy super-smooth balls and chest and arms with her hands and face and EVERY part of her body-

Charlie gulped as he remembered how heated Kim was that night-

-his wife cumming much more quickly on his tongue than usual-

-her manic sucking of his caged cock taking his confused body to new heights of crushing pleasure and pain-

-an act she repeated EVERY time the twins Brazilian waxed the caged, protesting man!

He panted, still remembering the TASTE of his wife-

-she had been SO hot and slippery-

-SO turned on by his newly emasculated body-

-her smooth gym-toned legs wrapped SO HARD around his ears-

-cumming SO fast and hard on his tongue, MOANING and SQUEEZING him until he thought he might PASS OUT-

Charlie never dared ask Kim WHY him being shaved and smooth like a girl turned her on so-

-he just knew-

-they hadn't had this much oral sex-

-in YEARS!

He was getting ten TIMES more blowjobs than he EVER had before-

-but ALL of them through the cage, as his wife sat on his face cumming!

Charlie didn't know whether to thank the mischievous twins-

-or SPANK them!

But it wasn't just his completely shaved body-

Kim had become an animal since she had started taking lovers-

It was almost like all of her extra activities-

-were making her into a-

"Oh Fuck!" Charlie grunted, PULLING at his PULSING PAINFUL LITTLE cage as his caged cock leaked, his balls a HEAVY aching shade of blue!

And he heard more teen giggling from upstairs!

And the smell of cooking bacon!

The nude man ROLLED off his dog bed and RACED up the carpeted stairs-

-all still on all fours, of course-

-to find Kim at the kitchen stove in a SHORT silky SEXY pink robe that BARELY covered her full round ass-

-making pancakes and bacon!

The panting nude man stopped on all fours, struck-

-she looked so beautiful, standing there totally barefoot and NUDE under that short sexy silk robe-

She really did have a new glow about her, since she had started taking younger lovers-

-she had started hitting the gym much harder for the younger boys-

-focusing on legs and ass and tummy and back and arms-

-becoming even more incredibly lean and tight and toned up top, and a little THICKER down below-

-her legs-

-looked like a Greek statue's now!

The body of a woman 15 years younger!

She also kept up on her waxings and manicures and pedicures much much more, looking stunning even in the morning, even without any makeup on-

Charlie panted as his helpless, horny, trapped little dick SURGED to MAXIMUM levels in its cage, seeing her like this, her back to him, humming and happy, her round hips bopping side to side to the tune in her head as she cooked a huge weekend breakfast-

-her long toned GODDESS legs wrapped tightly around each other, one nude foot flat on the tile floor, the other one up on her pink toes, slowly swaying her raised naked heel back and forth in a HYPNOTIZING fashion-

-BACK and FORTH-

-letting Charlie look at ALL of her shiny, toned, smooth, newly gym-carved legs-

-as MUCH he wanted!

Her full ass swayed as she hummed and rocked her hips to the music in her head, the bottom of the smooth globes just BARELY visible to his low eyes-

Kim swayed her soft naked heel side to side, the smooth pink sole pointed RIGHT at him-

And Charlie couldn't help it!

Crawling over soundlessly on his hands and knees, he snuck up behind his beautiful humming cooking wife-

-and began LICKING her exposed arch from toe to heel, making the standing woman SHRIEK in surprise and laughter!

"CHARLIE! STOP THAT!" she howled, squeezing her nude legs tightly together and pulling the hem of her robe down over her ass, so that Charlie wouldn't see any of her bare pussy!

Sometimes she denied him seeing her naked for DAYS before a 'date'.

She tried pulling her bare feet away from his reach while still trying to stay close to the stove! "That TICKLES!!"

But he just found another angle and kept on licking the sides of her feet!

"CHARLIE- THAT TICKLES!" she laughed, spinning further to get out of his way, while still holding down the hem of her short robe and pressing her smooth thighs so tightly together as she tried to avoid him-

-she REALLY didn't want him to see her bare pussy-

"Do you want me to BURN the pancakes?!?"

The nude man pretended to think about it for a second, like a playful puppy, then dove forward to try and lick and suck her freshly-manicured toes again, this time backing her up against a counter!

"I said STOP!" Kim laughed, crossing her thighs VERY tightly now, giving up her feet but preventing him from seeing her pussy again! "Do you want to RUIN your breakfast?!"

Charlie kept licking!

A laughing Kim raised up her wooden spatula to SPANK the man right on his ass from behind, hard and fast, right across BOTH naked cheeks!

SPANK!

SPANK!

SPANK!

The sudden impact of bare wood across his ass made his hard little cock tremble even harder inside its cage-

-as he grinned and went in for another lick!

"CHARLIE!" Kim laughed, turning to pull her bare feet away from his thrusting tongue again, still holding her thighs so strangely tightly together, giggling as the nude man chased her across the kitchen just like they were newlyweds, sometimes getting his tongue on the sides or bottoms of her naked feet, sometimes being denied because of her agility!

Back near the stove, Kim pressed her knees tightly together and raised her spatula again!

“Do you WANT a spanking tonight?!” she threatened, holding it above his ass! “Because I can ARRANGE that!”

Charlie pretended to think about it-

-then lunged forward with his tongue to try and lick her beautiful bare soles again!

She dodged him just in time, reaching around to connect his quickly-reddening ass hard with her spatula again, even harder than last time!

SMAACCK!

SMAACCK!

SMAACCK!

He whimpered at the sting!

Even as his caged boner dripped so much harder onto the floor!!

Kim laughed and returned to the stove, flipping the pancakes with the same tool!

"That's IT! You're DEFINITELY getting a long, hard, SPATULA-spanking tonight, bent over the ARM of the couch- hands HANDCUFFED to your dog collar so you CAN'T escape-"

Charlie smirked as his ass burned and his caged cock dripped onto the floor-

Kim smirked as she flipped the bacon.

“-for as long as Ingrid wants to give you one."

"NO NOT HER!" Charlie blurted out, forgetting the rules! "I wanted YOU! Ingrid-"

"-spans like a DEMON, yes I know!" Kim laughed at her helpless kneeling husband! “HARDER and LONGER than I EVER would, because she LOVES seeing you BEG her to STOP! And without any warm up, without any loving teasing of your cute little Button like I do-"

-Kim laughed as his caged cock bobbed in response to its new name-

"-and with your hands handcuffed to your neck, you'll be HELPLESS to escape!" she finished, laughing at the forlorn look on his face! “A PURE PUNISHMENT spanking is what your ass is in for tonight, Dear!”

“NOOOO!! KIMMMMMMM!!”

She turned to the stove, confident enough to raise one nude foot seductively up on its toes again, DARING him to lick her again!

"I'll let Ingrid decide if she wants to film it and send it to my sister for laughs."

“NOO-MMMPHH!” Charlie whimpered, remembering to shut his mouth at the last second!

His beautiful, barely-clothed wife giggled at his distress!

“Nothing else to say?” she laughed, swaying her naked foot on her toes! “No more... objections?”

Charlie whimpered and shook his head, his little caged cock getting SO hard!

A pure punishment spanking from that hot young brat was HORRIBLE while it was happening-

-but so HOT to anticipate!

Ingrid really-

-had the makings of a NATURAL Dom!

Kim giggled.

“I’m sure Emma will rub soothing wet lotion on that hot red ass afterwards. Maybe she’ll even straddle your back... in her panties... grinding against you, just like last time.”

She smirked he cried, his cock PUSHING against the cruel steel with new power!

“MMmppph!”

"And maybe I'll even sit on your face a little after. Remind you of the tight pussy Darren owns now."

Charlie's cock and heart ached!

“Now GO! No more distracting me while I cook!” his wife laughed, pointing away with the spatula, her strong bare legs still tightly crossed at the thigh! “Go wait under the table for breakfast! Unless you want another spanking from Ingrid tomorrow night!"

And Charlie scampered away on all fours, his hard cock LEAKING inside its TIGHT cage-

-before things got any worse!

Kim giggled as Charlie ran away to lie where she pointed, underneath the large wooden dining table on the annoying hardwood floor-

-a spot where she could keep an eye on him but he had nothing but her long naked legs to look at-

-sometimes-

-only when she crossed the kitchen to get something out of the fridge-

-but otherwise had to lay there on that hard annoying floor, without any stimulation!

It was extra boring with nothing to do or look at or scroll through-

-but that was the point.

Doggy Time Out.

Charlie sighed, lying nude and smooth on the hard hardwood floor for who knows how long, his helpless caged dick THROBBING against its bars-

He had nothing to DO-

Nowhere to BE-

Charlie sighed, eventually feeling his heart rate slow, his breathing relax, even as his cock occasionally tested the limits of his new tight, slippery, nearly permanent bars-

On a normal day he'd be checking social media and news sites every five minutes-

Getting more and more anxious about the world without even knowing why-

But NOW-

Times like this he could actually close his eyes and RELAX-

-with NOTHING expected of him except to LAY THERE-

-breathing more free and unhurried than he probably had since grade school!

In.

Out.

In.

Out.

He had to admit, even as embarrassing and sexually frustrating as this summer had been-

-he was now, probably-

-more relaxed than he EVER had been!

All he had to do was lay and ache and WATCH-

Charlie grunted as his leaking cock tested the bars of his tight cage, thinking about Kim's long beautiful legs again-

-and what she wrapped them around EVERY weekend-

-oh god the FACES she made-

-the NOISES-

-and his ears and eyes perked open when he heard the sounds of giggling female feet coming down the stairs!

Laying with his face on his arms, his arms on the floor, his hard cage pressing against the hard wood and his hard cock pressing against his tight bars, Charlie waited with a pounding heart and cock to see what would come down those stairs today-

-the girls had gotten so much more FREE around him in the last few weeks-

-since that night in the closet-

He silently MOANED in anticipation-

-as two young barefoot Norwegian teens skipped down the steps-

-wearing ONLY tight cotton panties and half-cut shirts stretched over their young firm bra-less breasts, their hard nipples making HARD little points on their chests!

Because of the thinness of the thin cotton-

-these girls were wearing LESS than bikinis!

"NGGYHHH!" Charlie cried, his trapped cock CRASHING into the bars of his cage like a runaway TRAIN, his helpless male body TRYING to erect, PUSHING blood and lust and attention into a TINY UNYIELDING VISE as his eyes couldn't HELP but POUR over those soft slender GLOWING curves and PERFECTLY manicured feet-

-no matter WHAT it did to his helpless caged cock!

"GGGGYHHHH!"

The girls lounged around the house in panties and half shirts like this ALL the time now-

He was SO desperate to FINALLY get to jerk off, thinking about those tiny girls in their even tinier cotton thongs-

-which EVERY woman in the house knew he would probably NEVER get to do!

His helpless cock STRAINED against the bars of his tight unbending cage as the giggling teens stopped in front of the table, bending over at the hips, to talk to him!

"Your painful little morning wood wake you up again this morning, Doggy?" Ingrid laughed, watching his face! "We could hear you whimpering down there." She grinned. "Or is it what we've been feeding you?"

The girls laughed as the nude man whimpered, his aching cock responding fiercely to her words as if by magic-

The girls had started giving him special 'Norwegian Supplements' to make his automatic morning wood even stronger and more intense-

-Ingrid called them his 'Wake Up Pills'-

And Charlie had to swallow the gross-tasting pill Ingrid forced down his throat EVERY dinner-

-because dogs weren't allowed to choose their own food!

Charlie's stunted cock crammed against the inside of his tiny tube, hearing her amusement at the strange vitamins this young teen was force-feeding him-

-for no reason other than to make his caged morning wood more painful!

“UNGGGH!”

“Awwww, I’m sure Uncle likes the Wake Up pills for his little Button,” Emma giggled, sliding her smooth legs together! “Those times in the morning when he gets so HARD in his cage just like he USED to- that’s when you feel like a REAL MAN again, right Uncle?”

And Charlie WHIMPERED, his helpless cock STRAINING!

No matter what the ‘meaner’ twin said to taunt his little dick or his lack of cumming or stamina-

-the ‘kinder’ one somehow always made worse!

“NNGGYHH!” he moaned, PULLING at his PAINFUL leaking cage as both teens laughed!

But at least he didn’t talk!!

Ingrid was playing with his chastity key around her neck!

“Real man? Hardly! If you ask me, this Doggy will NEVER have a REAL erection again.”

Emma giggled, seeing where his eyes had locked! “She wears that key ALL the time now, you know. When she’s getting dressed in the morning... when she’s putting on makeup for a hot date... when she’s alone and naked in the shower with her soapy little wandering fingers...”

"UNGGGHH!"

Ingrid stamped her bare foot, crossing her arms over her braless tits and blushing! “You didn’t have to tell him THAT!”

And Charlie roared as his helpless little dick THROBBED against the crushing metal bars, imagining his young niece-

-his bratty, pouty, sometimes petty but always achingly beautiful young niece-

-NUDE in the shower-

-RELAXED and WET-

-panting, going UP on her TOES as her slippery fingers slipped INSIDE of her tight pink folds-

-while wearing ONLY his chastity key!

“AARRRGGGHHH!” he grunted, PULLING at his painful little metal cage!

"You shouldn't have TOLD him that!" Ingrid repeated, blushing harder!

“Why do you SHOWER with it then?” Emma laughed. “We can all HEAR you moaning outside, you know-”

“UNNGGH!” he cried, remembering to keep his lips shut at the very last second! His cock was PUSHING the thin steel bars out as far as his heavy balls would allow, a SOLID knot of

desire STRAINING between the naked man's helpless shaved legs, totally untouched by human hands- "NNNYYYGGH!"

"Girls, take your seats!" Kim called from the kitchen! "Breakfast is almost READY!"

With Ingrid still mad and Emma giggling, the twins immediately disappeared from Charlie's table-constricted view, to reappear a second later as they took their usual seats- one on either side of him.

And BOTH pushed their slim naked feet under the table towards Charlie's face expectantly-
-to see whose he would lick first!

The nude man panted!

The twins regularly tested him like this-

And he knew they kept track, in their secret twin language, of whom Charlie chose the most or most recently or licked most eagerly-

-at breakfast, lunch and dinner, or while watching TV-

-because of how they acted around him when he chose differently!

Charlie panted, looking over his options-

-Ingrid's beautiful toes were painted a bright, aggressive, eye-catching cherry red-

-Emma's a deeper shade of dark purple-

-but even though only one of these girls was holding his chastity key right now-

-Charlie turned and licked Emma's smooth soft bare feet first, simply because she usually TRIED to be kinder to him!

The cute girl giggled and curled her ticklish feet, pressing them harder against his face and tongue!

"Ohhhh Uncle... I love you too!"

Which only made his helpless caged dick hurt even more!

But as he licked the giggling Emma's feet, enjoying the soft but hard feel of every feature against his tongue, Charlie could just feel Ingrid stewing behind him-

-probably with that look on her face above the table knowing she had just come in 'second place' to her own sister again-

-the girl was a pure 10-

-with perfect poses and thousands of boys falling ALL over her for every Instagram post she made-

-but somehow her stupid Uncle mostly chose to lick her shyer sister's feet first!

He could just FEEL Ingrid's burning hate-

He was facing Emma under the table, no choice but to point his undefended rear towards the other girl-

-and Charlie grunted as the brattier twin took her unlicked naked foot and popped it up fast and hard into Charlie's helpless hanging nuts, taking out her frustration!

"Gggghhh!"

Emma giggled as Charlie grunted while still licking her soft instep- because his tongue never left her smooth naked sole!

Her smooth bare legs still angrily crossed at the knee, Ingrid kept pulling back and popping the top of her dainty foot up into the bottom of Charlie's balls as Kim laid out the breakfast plates, mashing his full nuts into his body or his hard metal cage, she didn't care which, his open thighs providing perfect guides to always lead her foot right to his jewels, so that she couldn't miss!

"Unnggh!"

Emma giggled. "Don't hit too hard, sister... or Uncle won't be as horny when he turns and licks YOUR feet in a minute!"

Charlie panted, thankful for the small defense-

-but noticing that Emma hadn't told her sister to 'stop'!

And how she had subtly pointed out who was number one again!

Which only made the bratty teen huff and pop her foot up into Charlie's balls even HARDER-
-hard enough to take his breath away this time!

"Nnyoooooofff!"

Both girls giggled at that, at the silly noises they could make their Uncle make, as they abused his most sensitive male organs-

-without him being able to lift a FINGER to stop them-

-and not just because of the cage around his cock!

Pop!

"GGHHHHH!" Charlie grunted, breaking from licking Emma's foot, clenching in pain-
-but also DRIPPING onto the hardwood floor!

Ever since that night-

-the more Ingrid abused his nuts with her slim naked foot-

-sometimes even just idly MASHING his balls into the floor as she completely ignored him, talking to her friends on the phone-

-the HARDER it made Charlie's tiny caged dick and the MORE it burned into the sexual fantasies that he thought of, pulling at his cage, late at night!

The grinning girl-

-was getting him ADDICTED to ball torture!

Kim came into the room, carrying a large tray of chocolate-chip pancakes and bacon.

"Oh and Ingrid, I forgot to mention!" his wife laughed! "Your Uncle broke the 'no-talking' rule earlier this morning before you were awake- how would you like to give him a nice LONG, HARD, HANDCUFFED paddle spanking later today? You won't have to hold back- I won't need him sitting comfortably for a few days!"

Charlie tensed! Oh fuck he had forgotten!

The teen LAUGHED.

"Oh Aunt Kim, I would LOVE TO!"

And her tiny nude foot kicked HARD up into Charlie's dangling nuts one last time, catching BOTH of them perfectly, the quickest and hardest hit yet, the hard bones at the top of her foot grinding his nuts up against his body and unyielding metal cage, as if she was trying to kick them up into his stomach!

"NNNYYGH!"

He instantly turned and started licking her smooth perfect manicured feet instead!

"Good," Kim chuckled, sitting down. "Use my wooden spatula from the kitchen. Don't worry about breaking it- I can always buy another one."

"Thank you Auntie! I won't!"

Charlie MOANED-

He licked with ALL the submission and humility that he had!

Because he just PRAYED that Ingrid wouldn't try to use that painful wooden spatula-

-on his BALLS later tonight, when he was handcuffed over the arm of the couch, face down and ass up, unable to STOP her!

The inexperienced teen was just reckless enough-

-to TRY!

Kim chuckled.

Emma giggled.

And Ingrid smirked.

"Looking FORWARD to it, Uncle."

And the man blushed SO hard as the haughty teen giggled, spreading her toes to give him more room, feeling his tongue slide between her digits, feeling the supplication behind every desperate lick, even though both she and Charlie knew-

-that would probably only make her spank his helpless nude ass harder!

And that image made Charlie grunt and expand into his tight leaking cage even more, as the helpless horny older man anticipated getting his ass roasted-

-by a hot, laughing, absolutely ruthless teen later tonight!

"Unnngh!"

And behind him, Emma-

-sweet, kind, gentle Emma-

-slid her cute, arched, soft foot between Charlie's open thighs-

-using his thighs as guides just like Ingrid had-

-and started gently POPPING the top of her foot into Charlie's caged balls too!

Not nearly as hard as Ingrid had-

-but just enough to make him grunt and remind the helpless male he still HAD smooth huge sensitive nuts-

-and couldn't do a THING to defend them!

"MMGGH!"

Sometimes it was hard telling who the 'kinder' twin was.

Kim smirked at the scene, her naked husband getting spit-roasted by two tiny teens and their feet and grunting and dripping furiously in his tight restrictive prison so hard his thighs shook.

"You're welcome, Honey," she chuckled to him, sitting down to eat herself!

And Charlie blushed SO hard as all three women laughed-

-and started to eat their rich, freshly-made breakfast!

"I hope I didn't keep you guys up last night," Ingrid giggled, as she got her pretty feet licked-
"-my Tinder date, had a lot of, um, 'tension' to work out!"

And Charlie grunted around her toes, remembering the orgasmic CRIES pouring out of the girl's room last night-

The dominant teen was surprisingly shy with PDA in front of them when bringing boys over-
-but was a RELENTLESS dirty talker when she was alone with her man in her bedroom!
When she knew Charlie was locked in his basement room with no CHOICE but to listen!
Charlie had almost pulled his cock and balls OFF, lying frustrated on his dog bed in the
laundry room last night, listening to his hot slim beautiful blonde niece get RAILED by a
HUGE, THICK, BLACK COCK-
-for what seemed like an HOUR last night!

"MMmmpph!" Charlie grunted, dripping on the floor as the giggling teen turned her foot,
so he could get all sides of it!

Emma giggled. "Mine too."

Ingrid's feet got tense in his mouth! "I thought your date canceled!"

"He did. But I sent him some texts that changed his mind," the teen giggled, still
softly kicking her slender naked foot Charlie's helpless nuts, making him feel so tiny and
cared for!

"I didn't hear you bring anyone up to the room!"

Emma giggled! "Oh, we just hung out a little... downstairs."

And Charlie MOANED around Ingrid's feet, remembering-

Unlike Ingrid, Emma had snuck her date quietly into the house and down the stairs late at
night-

-making enough noise making out down the stairs so that the trapped naked man would
wake and realize what was happening and scramble into the laundry room's only closet to
hide-

-to see his beautiful innocent niece burst into the room getting MANHANDLED by a tougher,
taller, hot muscular young black man, while Charlie could only quietly watch!

The hot guy ripped off Emma's shirt almost instantly-

-her rear was to Charlie so all he could see was her beautiful slim back lit by a single shaft of
pale moonlight-

-her shoulder blades and bra like the arches of a delicate suspension bridge-

-before the innocent teen grabbed the guy's big cock through his jeans and grinned-

-and sunk to her knees while unzipping his fly and eagerly fishing out and SUCKING his
suddenly growing cock-

-just like her Aunt Kim had taught her.

The angle, the motions, the PACE were exactly like Charlie's wife used on big black cocks-
-even down to the sly wink to the horny helpless caged man hiding in the closet!

The helpless caged man could only WATCH as the younger version of his wife WORSHIPPED that laughing young boy's HUGE cock, panting and moaning and playing with herself with one hand down her tight shorts and panties-

-telling the guy how BIG he was and how WET that was making her-

-while the trapped and cock-locked Charlie had to just sit there and WATCH!

Charlie had still NEVER seen the girls nude-

-her back was to him and the room was dark, just one shaft of pale moonlight spilling down her strong back and rounded ass and the boy's HUGE glistening dick going IN and OUT of her mouth-

-but it was enough to make the gasping man whimper and pull on his cage!

"What was that?" her date had suddenly asked, looking around the darkened room!

Emma giggled as she stood up and started unzipping her jeans!

"Just a little air in the vents. You probably won't hear it again. But you can pretend it's a helpless horny little nerd watching us if you want," she giggled, pulling down her tight jeans to her bare feet, bending over with her ass towards Charlie, letting him see that perfect round teen behind and pussy lips-

-covered only in the most delicate white thong in the world!

Charlie had covered his mouth and PULLED on his cage!

A giggling Emma had turned then and BENT over the washing machine, hiding her bottom half from the closet but letting Charlie see ALL of her slender, bra-clad upper body that he wanted!

She had looked back at her boyfriend with a grin.

"Now RIP my panties off and fuck me like a slut you'll never see again."

And the eager boy DID as Charlie could only sit there and WATCH-

-his own little dick STRAINING and SURGING inside his tight little metal cage-

-his young pony-tailed niece getting happily POUNDED by a huge hard black dick, her bottom half completely bare and wet but invisible to Charlie-

-her top half facing the closet over the machine with a PERFECT shaft of moonlight highlighting her young blushing features-

-blushing because Emma was an involuntary SCREAMER around Big Black Dick.

Just like her Aunt Kim.

"OHFUCK YOU'RE FUCKING HUUGGGGGGEEEE- OHFUUCKCK- I'M CUMMMMMMMING!"

And the helpless man just had to WATCH-

-his view of her lower half obscured by the huge appliance-

-but her face EXPRESSIVE enough for him to know EXACTLY what was going on-

-as his beautiful naked niece half-lit by the scant shafts of moonlight got PLEASURED, BENT OVER a washer, by a stronger, THICKER, HARDER, LUCKIER cock than Charlie would EVER have-

-even if he COULD get it out of the cage-

-the slender teen UP on her toes-

-SCREAMING and CLOSING her eyes-

-her beautiful neck straining-

-her young mouth OPEN-

-as she CAME-

-SUDDENLY and LOUDLY and REPEATEDLY-

-just like his wife would have.

After a LOT of fucking-

-Charlie would have blown his load in a tenth that time, he knew-

-and loving couple sweating and laughing-

-the guy had grabbed Emma urgently by the hips!

"Where do you want it?"

"IN ME!" the teen laughed, bending over harder! "CUM INSIDE ME!"

"You on the pill?"

"NOO! BUT- UNNGH- I'LL GET ONE TOMORROOWWWWWW!"

And the guy pulled her head back by her cute ponytail and came inside Charlie's tight innocent visiting niece.

"UHGGGGHHHHH!"

The surging of his cock making the nude girl moan and cum herself.

"OHHHHHHHHHHHHHHHHHHH YESSSS!"

And after ALL that-

-the bottomless teen wiping herself with her own panties-

-and led the happy guy upstairs, giving a little secret wave to her caged Uncle-

-as she left him with her used cum-FILLED panties in the laundry basket!

Back upstairs in the present, Emma giggled above the dining table,

"So yeah," she laughed, her bare foot still massaging Charlie's heavy nuts from behind! "We mainly just hung out on the couch a little."

And Charlie couldn't help it-

-he turned away from Ingrid's licked feet to kiss and worship Emma's soft playful loving toes again-

-in thanks and appreciation for the show she had given him last night!

"OH UNCLE!" she giggled at the sudden worship! "You're... WELCOME!"

And Ingrid fumed, knowing she was missing SOMETHING-

-she had been too cock-drunk and passed out in bed after multiple screaming orgasms earlier in the night to be awake when Emma's date happened-

-but unable to say what!

And Charlie did more than usual-

Not just kissing and licking those soft pink angelic feet-

-but also holding her tiny ankles in his hand-

-a familiar touch he didn't usually dare-

-and even then kissing higher, to her shin, holding her slender calves in his shaking hands-

-he never would have tried this four weeks ago, but so much had changed-

-he had seen the girls do so much-

-HEARD them do so much-

-and the giggling girl LET him, spreading her legs a little wider, letting him go-

-his lips kissing up to her KNEES!

She rubbed his burning cheeks with her smooth knees as he kissed her legs, patting his head!

"Oh Doggy... I love you too."

And Charlie's face burned in humiliation-

-even as his little caged cock THROBBED!

His wife coughed.

"You know Honey, my feet are getting a little cold..."

And Charlie blushed!

And Emma gave him a quick pat on the head and nudge with her knee, to tell him to go-

-and the man disengaged with the girl-

-he had almost kissed her thighs!-

-to hurry on all fours to kiss and worship the longer more solid feet of his taller wife! Rubbing and touching her smooth ankles and solid calves and even daring to reach up and touch her shapely tightly crossed thighs as he worshipped her toes!

The woman chuckled and let him.

After a bit, she laughed.

"You know girls, it's a special day today..."

"Which one, Aunt Kim?"

"Well, way back at the START of the Summer... your mother and I decided to allow your Uncle to have ONE orgasm by his own hand while you were staying with us- but only if he came on my bare FEET and then LICKED it all UP! On his BIRTHDAY!"

The girls were HOWLING in laughter as Charlie's face got BRIGHT red-

-and Kim raised the table cloth to peek down at him!

"Did you forget? In all the excitement of watching me take all the big black dick I could get my mouth on?"

The man was blushing SO hard-

-he hadn't used a calendar in WEEKS-

"...yes!" he admitted, turning red!

She laughed, holding his head to make sure he didn't kiss above her knees!

"Just ONE orgasm for the WHOLE Summer..." she teased, looking down at him. "I was actually thinking of breaking the rules and giving him a Big Wet Birthday Blowjob, just like I used to..."

Emma giggled. "I bet he'd LOVE that!"

"He would," Kim laughed, but looked at him again! "Unless you'd like to be a good husband and donate that blowjob... to one of my Bulls?"

Charlie's heart nearly burst!

"NO!" he protested, as the girls LAUGHED!

"Donate it!?" Emma howled!

Ingrid was still mad! "He shouldn't get ANY orgasms this summer! OR blowjobs!!"

"That's up for HIM to decide," Kim laughed, still looking down at her shocked kneeling husband! "What do you say, Honey? I can plug my pussy and ass with a VIBRATING TOY, dress up like a HOT SCHOOLGIRL in a SHORT skirt and NO panties and get down on my KNEES... and either suck you for a MINUTE... or invite Darren and his friend over to suck and fuck them for HOURS."

The girls were DYING in laughter, as Charlie thought he might DIE!

"...his friend?!?" he croaked, on a throat as tight as a garden hose!

"THAT'S ANOTHER SPANKING FOR TALKING LIKE A HUMAN!" Ingrid laughed, and Charlie KNEW she would keep his word!

"He can get it after his birthday blowjob," Kim chuckled, looking down at him again! "As soon as he decides who's getting it."

Charlie's cock throbbed while her hands lovingly rubbed the top of his head, as his cheeks BURNED!

"You can talk," she laughed! "No more penalty spankings until I say so! I want to hear what you'd rather have," she giggled. "Me sucking YOUR cock dressed as a naughty hungry HORNY little schoolgirl..." She smiled. "Or the cocks of TWO hung black guys at once. Darren's roommate is SO hot, Honey- we've been trading nude pics for about a week! His dick is fucking HUGE. I REALLY want to get my lips around that one."

The trapped man PANTED in desperation as the teens HOWLED.

"...Kim!"

"One will last for SECONDS," his wife teased. "And one will last for HOURS." She pulled her robe up a little higher, showing even MORE of her nude legs! "I'll even let you FILM it."

"He can use our Ring Lights!" Emma laughed! "For the best quality video! To jerk off to later!!"

"He shouldn't get to jerk off AT ALL," Ingrid countered. "Or even WATCH!"

"It's his BIRTHDAY!" Emma laughed. "We have to give him SOMETHING!"

"Not the key around my neck!"

"Then you have to KEEP wearing it," her sister teased, "WHILE we're ALL dressed as a naughty schoolgirls as we BOTH act as hostesses, for ALL the guys waiting downstairs to fuck Aunt Kim! I KNOW my boyfriend would LOVE a chance at her- he always SAYS how hot Aunt Kim is!"

Charlie's heart almost stopped!

"Now WAIT a MINUTE-"

"My boyfriend too," Ingrid giggled. "The guys on his team ALWAYS talk about how good Aunt Kim's blowies are- last time he heard a story about Kim sucking some guy off in his car while Doggy was locked downstairs, he asked when HE could get in line!"

"That's at least FOUR!" Kim laughed at her shocked husband! "I could probably do... up to six in a night, if I remember correctly!"

"It will be an old-fashioned team gang-bang!" Emma went on, excited! "Just like you used to do in college!"

Ingrid giggled. "I do look pretty hot, in schoolgirl thigh highs..."

And Charlie PANTED, KNOWING the girls-

-and what type of boys they now liked-

-realizing that all THREE would probably be riding huge black dicks in the house at the same time, if he agreed!

"...KIM!"

His wife was laughing, looking down at him, loving his difficult decision!

"Come onnnn Honey... please? You KNOW how wet I get, thinking about sucking BIG dick..."

"Wetter than she EVER gets sucking YOURS!" Ingrid laughed, as his face burned!

Kim was rubbing the side of her smooth calf against his face!

It was hotter than before!

"I'll put on the BEST show you've EVER seen... and EVERY time a new boy splashes his cum deep inside of me, I'll look to the camera and say... 'Happy Birthday Honey!'"

The girls were LAUGHING!

"Us TOO Uncle!"

Charlie was almost CUMMING!

He replied the only way he was allowed, making the women laugh.

"...yes! Okay! BARK BARK!"

Kim's grip suddenly got very tight in his hair.

"Well then you're going to LOVE this-"

And she pulled him FORWARD-

-while OPENING her long legs wide-

-to MASH him up against her hot, salty, freshly-fucked pussy-

-and holding him there by a TIGHT grip on his hair as a HUGE load of wet, hot, FRESH cum POURED out of her folds, COATING his face!

Charlie started licking out of HABIT, even as his eyes got HUGE at the unexpected cum!

"MMMMPPPPHH!"

He hadn't KNOWN-

-that Kim had even gone OUT last night!

"It was a sudden thing!" she laughed, as if reading his mind! "Darren texted me in the early morning- saying he was SO fucking horny- he wanted to BEND me over the hood of his Lexus and fuck me hard for EVERYONE in the neighborhood to see-" Kim panted, HOLDING Charlie against her leaking pussy and FORCING him to lick, if he wanted air!

"So before anyone woke up I ran out JUST like this, Honey, nude in my just robe, across our lawn to his car- RIGHT there in the driveway Honey- I GUARANTEE you the neighbors heard- I wasn't trying to hold back at all- I was SCREAMING as those two big dicks fucked my pussy and ass at the same time, my feet sticking out the sunroof of his Lexus as Darius and his friend made me cum over and OVER and OVER from just their cocks- oh, did I mention he brought his roommate with him already?"

The girls were laughing SO HARD!

Kim's grip tightened around his head, her long legs going over his shoulders and squeezing!

"FOUR fresh loads of cum Honey," she giggled, her pussy GUSHING onto him as he licked, trying to keep up! "It was SO hard to keep them from slipping down my bare thighs, while you were playing with me in the kitchen earlier!"

Charlie MOANED as he remembered-

-how tightly Kim had kept her thighs pressed together while cooking!

Because she had been trying to keep all that cum inside her!

The red-faced Charlie looked up while still licking-

-and found his panting wife leaning back in her chair, looking right back down at him!

"I already told the boys yes on the gang-bang. They'll be here in an hour. Happy Birthday, Honey."

And the girls laughed and laughed as Kim locked her legs firmly over her locked husband's shoulders, her naked thighs pressing hard onto his straining ears, as she made him lick up ALL the hot salty fresh sperm from his most recent cuckolding, while orgasming very hard and very satisfyingly, all over his shocked, red, and soon to be very very messy face.

Brandon blushed as Mia pulled him possessively towards their tour bus, hand in hand like a loving couple-

-or a stern mother taking her naughty boy back home!

Her smooth hand firmly gripping his palm like she had gripped his cock last night made his energetic young penis tighten quickly inside his cage against his will-

-so quickly that it HURT!

"Mia!"

And made the crotch of his jeans WAY too tight!

But he COULDN'T adjust himself here-

-too many girls could see!

"MIA!"

"We have to HURRY Brandon- I want a GOOD seat!"

Some of the richer girls putting their skis away giggled as they passed.

"Ooooooooooooo- so you two FINALLY did it, huh?"

"Another happy Ski Trip couple!"

"We could HEAR you two lovebirds finger-banging in your room last night!"

But a fourth rich girl scoffed! "Eh, I give 'em a week."

And Mia stopped cold and turned to the girl with a flare of her long, flowy black lace dress with a long slit up the side that showed off a LOT of her slim smooth pale legs-

-and held out the thin silver chain around her neck, which ended in Brandon's small shiny chastity key! "Oh really?"

And the other girls howled!

"OHHHHH!"

"PLOT TWIST!"

The hot rich girl who had scoffed, now laughed at the blushing boy! "Oh no! Now it's not over until SHE says it's over!"

One of the other girls were laughing at Brandon too!

"I hope you like your dick being in her VISE!"

Mia smirked. "Oh, he does."

And she grabbed the surprised boy by the front of his polo shirt and back of his neck and pulled Brandon over to her for a hot DEEP French kiss-

-while using her suddenly raised leg to POP up against his unguarded crotch, GRINDING his nuts UP against his cage and making his SHOCKED dick FILL with SO much blood SO fast-

-that it made his head spin!

"Urk!" the boy cried, going up on his toes as he was getting kissed!

And the rich girls laughed as the surprised boy turned RED and went HIGH up on his tiptoes but STILL got his tender nuts PRESSED by Mia's strong smooth insistent naked leg, daringly sticking out through the long slit in her black lace dress!

"Now THAT'S how you kiss!"

"Eh, I'd use my hand instead-"

"But the knee is more elegant-"

Brandon clenched as he couldn't go any higher but STILL got his heavy nuts mashed by Mia's insistent knee as she held him in the TIGHT kiss-

"NUNNGH!"

And only THEN did she let Brandon break the kiss but not before giving him one last hard upward PULSE with her naked knee on his sore tender helpless nuts that left the boy red-faced and gasping-

"Nnyggh!"

She grinned, still holding him close by the collar. "I think it's so romantic, that EVERY kiss I've ever given you," she giggled, "has left you panting and breathless."

And Brandon BLUSHED as the watching girls whistled and cheered!

Mia grinned at his panting RED face-

-because they BOTH knew it was true!

Starting with that first kiss in the shower-

-EVERY time she had kissed him since then, the inventive girl did SOMETHING-

-to tighten his cock in its cage and take his breath AWAY!

A lot of them starting to center around putting pressure on his helpless nuts!

"Please!" he begged, blushing as his cock tightened even more- "we DON'T have to do... THAT sort of stuff- in PUBLIC!"

"But I'm not shy about showing everyone that you're ALL mine."

The goth laughed and suddenly her hand had replaced where her knee had just been.

Brandon GASPED as she SQUEEZED his nuts HARD right through his jeans, even HARDER than her knee had done, right in front of EVERYONE!

"Mine!" she laughed, pulsing her grip!

Brandon squirmed, gasping and UP on his toes! "MIA!"

"Oh shut up- I know you're nice and hard inside your hot little cage right now."

And Brandon flushed as his cock tightened even harder at those words, even as she squeezed his nuts a little harder, and the nearest girls laughed!

"What a ballbuster!"

"Get 'im, girl!"

"I wish I had a boyfriend I could nutbust like that..." one rich girl sighed.

Satisfied, Mia gave him one last HARD squeeze that made the boy dizzy and then finally let go of his aching nuts, to pull him by his hand like a child towards the bus again!

The dizzy boy followed, his helpless cock PUSHING against the bars of his cage and his tender nuts aching!

"MIA!" he panted, trying to adjust his hard cage through his jeans as they walked! "...Please don't... grab my nuts like that- in public!"

"Oh I'll grab your nuts WHEREVER I want," she laughed. "And you'll LOVE it."

"But-"

And she turned on her toes just as fast as she had for the snobby girl and GRABBED his crotch through his jeans again, PULLING him in by the neck for a hot tongue kiss a second time as her lower hand SQUEEZED the life from his tender, helpless, UNPROTECTED nuts- while SUCKING on his tongue in her mouth, leaving him dizzy and REELING and HARD and LEAKING in his TIGHT little cage!

Even as he got nut busted!

"UNNGH!"

And then her hand on his balls was gone and she was happily pulling the breathless dizzy boy along again, as if they were a normal couple!

He gulped and STRAINED in his cage, trying to keep up-

He had never considered what it might feel like before, to be a hot helpless little submissive cheerleader, dating a big horny football stud who LOVED grabbing her tits or ass or pussy in public, SQUEEZING them until she yelped-

-but this was probably close!

She giggled as the boy stumbled, trying to keep up! "I only do that in public because I know it turns you on."

He blushed, his caged cock hard and his balls aching! "...I know!"

"And because it turns ME on too."

"I know!"

She giggled, her hand down the back of his pants, grabbing his ass as they walked, like HE was the girl!

"The more I can embarrass my helpless little subbie in public, the hotter I get."

"Well just maybe- not so much ball squeezing?"

"Awww, that just makes me want to do it MORE..."

And she tried to grab his crotch again through his pants!

"Mia!"

Her grin was her only response.

After a moment, she giggled as they walked.

"Did you enjoy last night?"

And he almost came in his cage.

They had spent the entire night in bed.

After their shower 'talk', it seemed that Mia no longer carried any of the doubt and uncertainty she had entered the weekend with-

-with his cock in a cage and the only key around her neck, she had let herself relax and fully open to him-

-DRAGGING him back to her room and getting TOTALLY nude before the unbelieving boy for the first time-

-they had spent the entire night under the covers, Mia letting Brandon's nervous hands go WHEREVER he wanted-

-for as LONG as he wanted-

-Mia giggling as she held his caged balls as he touched her, so she could feel his reactions to her body-

-and give him a few loving squeezes-

-he had seen her amazing pert breasts for the first time-

-sucked on her hard pink nipples for as long as SHE could stand-

-they had talked about anything and everything, her usually holding his nuts securely in her hand-

She had even let him go down on her for the first time.

For REAL this time.

And even though Mia was surprised at how skilled her 'virgin' boyfriend was with his surprisingly practiced tongue-

-each girl liked to be licked differently.

And Mia so spent a LONG time instructing her new boyfriend EXACTLY how she wanted to be licked, HOLDING his hair, SQUEEZING her thighs around his head, LAUGHING as he sometimes struggled to breathe, sometimes letting Brandon be on top, more often with HER on top, RIDING his face, USING his tongue for only her pleasure-

-her cumming and cumming and CUMMING so MANY times on his face-

-that someone had called a NOISE COMPLAINT on them!

They had even gotten a little skiing in.

"We'll have a more formal ceremony when we get home," Mia said, pulling him up into the bus! "I'm sure your Mom will want to be involved."

"Formal?- My Mom?!" Brandon gulped, still remembering the taste of her pussy, confused by the sudden change in direction, as they sat down side by side in an empty row! "For WHAT?!"

"For officially handing over your keys to me, silly. I want them ALL." She pulled him close, to whisper into his ear! "So I own ALL your future orgasms."

And Brandon's cock SCREAMED inside his cage, SURGING and PUSHING against the crushing too-tight bars-

"Mia!" he blushed, trying not to adjust the tight crotch of his pants! "I'm not sure if we need to go THAT far-"

"Oh? You don't want to go as far as we did this morning? Every morning?" And her fingers were lovingly squeezing his nuts through his jeans again!

"URK!"

Early this morning Mia had borrowed Vice Principal Victoria's handcuffs-

Cuffing BOTH of Brandon's wrists to the very solid IRON headboard of the hotel bed-

Before removing his cage for the first time with a giggle-

To use her baby-oiled hands to get Brandon HARDER than he had EVER BEEN.

Edging him time and time and TIME again, ALWAYS with a new twist or rhythm to her hands-

-LEARNING his reactions, HONING the timing and pressure of her strokes-

-until he was SCREAMING with a PAINFULLY hard erection JUTTING up from his crotch as she used her slippery hands to make the trapped boy's toes CURL and his stomach CLENCH and his breath STOP in his chest as he SCREAMED-

-edge after edge after edge after edge-

-Brandon had NOT been allowed to offer ANY suggestions on what she should do next-

-whatever Mia had decided, he had to live with-

-all Mia had wanted to hear from his mouth were his INVOLUNTARY reactions, to what she was doing to his horribly denied cock and heavy, ACHING blue balls-

-to better learn how to edge him.

Before scooting her naked hips back and sitting on his face with her full weight and CUMMING-

-HARDER than she had with him yet, almost drowning the trapped boy with just HER juices alone.

Before locking him back up and asking if he wanted bagels or donuts for breakfast.

"MIA!" he grunted, his cock cage getting WAY too tight inside his jeans! "How did you-" he blushed- "-know how to DO all that stuff?!" he whispered! "With your hands?!"

She had used strokes on him this morning-

-he had never KNOWN existed!

She laughed, sensing how tight he was inside his cage!

"Well... for the last few years you've probably been watching a lot of porn and just jerking off. Probably as quickly as you can. But I'VE been watching porn to learn how to JERK boys off. If you skip past the stupid crap made by men to get men off, there's actually a LOT of stuff out there made by very talented women-" she giggled- "-on their semi-willing male partners, on how to tease and edge and stroke a poor helpless boy's cock until they're a CRAZY, SCREAMING, PANTING MESS."

She giggled as she could tell his cock was straining inside its cage!

"All I've needed was a cock to practice on. And now I've GOT one."

And Brandon blushed as Mia gently laid her head on his shoulder, getting comfortable for the long trip home, as if everything was completely normal!

"I'm going to be an EXPERT at stroking your cock," she giggled. "Remember how I was when we were playing Dark Souls? When I practiced and practiced and practiced every day for WEEKS? Until I could do those boss fights almost PERFECTLY?" She played with his cage and balls through his pants! "I'm going to be like that for your dick. It's my MISSION now. I'm going to get a Ph-fuckingD in Edging you, baby. So just mentally prepare for that."

He gulped, his little dick SO hard!

"You don't have to get... THAT good at edging me!" he whispered, blushing hard!

"But I WANT to, Brandon," she giggled, snuggling up and whispering into his ear, like a couple sharing secrets! "If I'm going to be the ONLY hand stroking that dick for the FAR FORSEEABLE future-"

His cock tightened!

"-I want you to REMEMBER it. I'm not on the pill so my HAND is ALL you'll be sliding into for a long LONG time," she giggled.

He was BLUSHING so hard, remembering what Vice Principal Victoria had said-
-about being remembered!

"But you could also... let me cum sometimes too!"

She kissed his cheek! "Oh god, you're TOO fucking HOT when you're like this! I may NEVER let you cum again."

"MIA!"

"JOKING!"

But from the look on his face-

-he wasn't sure she was!

"Luckiest boy in school," she reminded, slowly scratching a fingernail over his sensitive balls through his jeans! "Getting your dick played with by your loving girlfriend EVERY day and EVERY night after school- football jocks are going to WISH they were you!"

He blushed, his cage crushing him!

"Football jocks... get to cum!"

"Football jocks don't make their girlfriends cum NEARLY as hard as you made me earlier this morning," she giggled, snuggling up. "With you THRASHING in your cuffs and SCREAMING into my pussy as I sat on your face and edged you-"

And he remembered the taste of her pussy-

-his lubed cock SO HARD in her SLIPPERY hands-

-a totally nude Mia sitting FULL weight on his face as she edged and edged and EDGED him-

-Brandon able to FEEL her getting hotter and slipperier the more DESPERATE he got-

-her having HARD slippery aching orgasms on his tongue as she used her feather-light fingers to edge him to a shaking trembling desperate MADNESS!

He gulped as his curved cock got SO hard!

"Is there... ANY woman on this ski trip... who doesn't get hotter the more they edge me?!"

Mia giggled and patted his thigh!

"Probably not."

And Brandon PANTED, thinking about EVERYTHING that had happened, this weekend-

-like the ENTIRE school trip had been PLANNED-

-only to introduce girls to the joys of male chastity!

"Oh god!"

"What?" she laughed.

"Nothing, I just... had a horrible thought!"

She giggled and got a little quieter. "We can practice together like that every morning before school if you want," she said into his ear. "I'd really like that."

"I- DON'T KNOW- if I could TAKE THAT!"

She nibbled on his ear, making him shiver!

"I said I'd really like it."

And Brandon's face flushed hot, his heart starting to race!

Because that meant-

-they were DEFINITELY going to do it!

"Urk!"

His laughing girlfriend slid her hand lower on his crotch, openly rolling and squeezing his helpless balls- right in front of everyone!

And the MORE she did it-

-the safer and more cared for the boy felt!

And the HARDER he got in his tight little cage!

"Unggh!"

Mia laughed but suddenly there was a shrill cheerleader cough in the aisle above them!

"So you two finally did it, huh?" the cheerleader Valentina sneered, arms crossed as she stood above them! All the cheerleaders were fully made up today, in short cheerleader uniforms with their ass and panties nearly always visible, pink bows in their hair for the ride home! "Became a Double Loser couple?"

Brandon braced himself for his girlfriend's sudden angry reaction-

-with his nuts still in her fingers!

But the hot-tempered Mia-

-just laughed!

She didn't even stop squeezing Brandon's aching balls as she answered! All she did was look the angry cheerleader in the eyes and say:

"Sloan likes to be kissed on the back of her knees."

"WHAT?!"

"Kiss the back of her knees the next time you've got her in bed. And the back of her neck. Everyone tries to kiss her front, she likes it from the back instead; makes her feel taken. Take off her shirt slow but her panties FAST, hold her down and edge her until she's SCREAMING for it, then give her a hard bare-bottomed spanking and she'll melt into a puddle in your arms and be yours forever," Mia laughed. "Make the spanking EXTRA hard if you do, and tell her it's a goodbye present from me."

The short cheerleader huffed and crossed her arms even tighter!

"You're really... never going to see her again?!"

Mia laughed! "No... I've got these to play with now."

And her fingernails were still obviously squeezing Brandon's full balls hard through his jeans, making him grimace and gasp in embarrassment-

-and leave a HUGE embarrassing wet spot on his crotch!

Mia squeezed him extra hard for the cheerleader!

"UNGH! Mia!"

Valentina looked down at the panting boy getting his balls squeezed and the HUGE embarrassing wet spot on his lap-

-and paused-

-and laughed!

"Well, just keep that dick away from my Sloan!"

"Oh, this cute little dick will be far away from EVERY pussy in the world for a long LONG time. AND VERY far away from ANY orgasms." She squeezed even harder! "Isn't that RIGHT Baby?"

He was SO red! "MIA!"

And the haughty cheerleader laughed harder as Brandon blushed! "Well... good!" She grinned. "Squeeze those nuts a little EXTRA hard tonight, just for me."

"I will."

"MIA!"

The cheerleader turned to go, her tiny skirt flaring to give the seated Brandon a quick cage-tightening peek of her hard smooth panty-covered ass! But before she left, she turned and raised her chin at the goth by a bare millimeter.

"Congrats."

And Mia smirked!

"You too."

And then the tiny blonde bounced off to sit with the other cheerleaders in the back, her skirt barely covering her tight hard kissable ass as she walked!

Brandon was blushing SO hard!

"Mia!" he hissed! "We don't NEED to- tell HER- about my orgasms!!"

"Why not? Afraid Val and her hot friends will tease the FUCK out of you back at school, knowing I'm keeping you locked for WEEKS with NO release?"

"YES!"

And Mia laughed! "Maybe that's what I want."

"MIA!"

She giggled quietly into Brandon's ear. "Maybe having a super-horny, super-caged and super-blushing boyfriend at home is what every girl wants, but is too afraid to ask for?"

He panted, SURGING in his cage!

"And maybe it's better to have a super-turned on, super-slippery happy girlfriend at home too than not, right?"

"....I guess!"

Her fingers clamped on his nuts! "Then I'm telling EVERYONE about your happy new cage."

Brandon gulped and got ready for every girl in school to know he was caged-

-for the rest of the year!

She laughed. "Hey, wanna watch some cheerleader porn when we get back? I know of a few with some really good shower scenes, and I can squeeze you while I tell you which of them I did with my fingers inside of Sloan in that hotel room-"

And she laughed as he pulled at his suddenly tight SURGING chastity belt through his jeans! "MIA!"

She laughed as he squirmed hard in his seat, his balls still in her hand! "Just offering!"

A tall, older, very professional looking woman in sexy open heels and a tight sundress came down the center aisle, marking names off a clipboard, making sure everyone was aboard.

Brandon's heart stopped as she came closer, knowing his tongue had been inside those smooth rolling hips-

-tasting her HOT center while her long strong legs CLAMPED around his ears-

-the stunning redheaded mother!

A taste he would NEVER forget!

She stopped at their row, her sundress-clad hips and thighs right at his nose level-

-he smelled her light perfume again-

-and his cage surged!

But all she did was smirk and move on, leaving Brandon tight and THROBBING in his cage!

Mia grabbed his arm! "Was that one of the....?"

"YES!" he blushed, red all the way down his neck and chest! "And I don't even... know her name!"

And Mia was up and turning around in flash, her knees now up on the seat next to Brandon!

"THANK YOU FOR TEACHING MY BOYFRIEND HOW TO LICK PUSSY!"

"MIAAAA!"

And the tall redheaded mother LAUGHED, turning around with such grace and elegance in the tight aisle in her high heels that it made Brandon's cage ACHE.

"My pleasure, my dear. I just love teaching caged boys how to be useful."

And ALL the girls seated around Brandon and Mia HOWLED, knowing what was under his pants right now, knowing what Mrs. Robinson was implying-

-and knowing what Brandon would be doing a LOT of-

-for as long as Mia held his key!

Red laughed! "Just make sure you put him to use regularly."

"I already DID! TWICE this morning!"

"MIAAAAA!" Brandon hissed, SO humiliated!

And ALL the girls around them were laughing now!

And a few were looking at Mia jealously.

Red moved on and Mia turned back around and sat back down next to him, satisfied!

"You're so cute when you blush! You're going to be doing that a lot with me as your keyholder."

His cock surged when she used the 'K'-word!

"Why... do you DO stuff like that to me?"

Mia sighed and laid her hand on his thigh next to his tent again!

"Brandon, I TOLD you- it's just the way I'm WIRED. I've always WANTED to control someone- sexually- make them ache and do silly humiliating tasks to serve me- make them squirm and give them the most INTENSE sexual experiences of their LIVES- and now I finally GET TO. With someone I really LIKE!"

Brandon gulped! "I... guess that's a compliment!"

"It is." She laid her head on his shoulder again, like a normal loving girlfriend! "Did you like being tied up and uncaged and naked around me getting a silly hard boner you couldn't stop? We can do that a lot more if you want." She giggled. "With OTHER girls."

"NO that's OKAY!"

"Your little guy really seemed to like it."

"No it's too embarrassing!"

"How about we make it a rule you have to be naked whenever you come over to my house? My mom won't mind, as long as I give her your key before we head up to my room."

"MIAAAA!"

His hard cage tented his jeans!

"Your mom probably wouldn't mind either," she laughed. "She's been subtly trying to get us together for YEARS."

"... I KNOW!"

She squeezed his nuts! "Then why didn't you DO anything about it, Dummy!"

He gulped as his cock STRAINED! "Because... I guess I was too SCARED to!"

Mia laughed. "Yeah. Me too, I guess." She rolled his balls, not painfully, but not gentle! "But at least we're together now."

"But when will I-" he whispered! "-get to cum?!"

And Mia just laughed and kissed his red cheek, not answering!

Finally, one last tall shape stopped in the aisle above them.

"Well aren't you two looking cozy!"

"...Sloan!" Brandon gulped, his throat suddenly going dry! He looked up at his former lifelong crush, the short hem of the very long-legged girl right at his eye level, his view nothing but her long smooth naked legs, which the girl sitting on his other side had spent most of the weekend having sex with! "I- um- Mia and I-"

The tall blonde submissive laughed! "Oh don't worry! I'm happy for you two!"

"Oh! ...good!" he gulped! "I just wanted to make sure... there were no hard feelings!"

The angel laughed. "Oh, don't get me wrong, I'm jealous! The things that girl can do with her fingers-"

Brandon strained!

"-but we both knew it couldn't last," Sloan giggled. "It was just a Ski Trip thing."

"Just a Ski Trip thing," Mia agreed, in a tone that made Brandon's hopeful dick SO hard!

Sloan giggled. "In fact, she spent most of our early time together talking about YOU, how worried she was when YOU didn't show up, how hot YOU looked in your cute tight chastity belt- she practically wouldn't shut UP about you- until I pulled down her panties and seduced her!"

"It was ME who seduced YOU!" Mia objected, laughing!

"Oh? WHOSE panties hit the floor FIRST, hmmm?"

"Whose TONGUE hit PUSSY first?!"

And Brandon's erecting cage PULLED on his balls, the tight steel ring behind his nuts CRUSHING his nuts, as he had no more room to erect!

"UNNGH!"

Both girls laughed, looking at the huge wet spot on the front of his painfully tented jeans, just from leaking through his cage!

"Well, I can see he's very happy with you," Sloan giggled.

Mia laughed and fingered the key around her neck! "He better be!"

"I AM!" Brandon gulped, to protect himself and his nuts, as the girls laughed!

The tall cheerleader bent over at the waist towards the seated couple, close enough to almost KISS both their faces. "You know, he's about as wet right now as I was with YOU, that first time."

"That's the great thing about locked virgins," Mia giggled. "EVERY time is their first time!"

Both she and Sloan laughed as Brandon blushed!

It was true-

-BOTH of these girls had lost their virginity on this ski trip, but Brandon still had his-

-with NO end in sight, as long as Mia held his key!

She might keep him a penetration virgin-

-FOR YEARS!

"Unngh!"

The tall cheerleader, now much more bold than she had been at the start of the weekend, licked her lips and whispered to them.

"About as wet as I am right now."

And Brandon's cock jumped in his cage, smelling the light perfume applied around Sloan's slender neck, but also smelling something different-

-something he had only smelled in that hotel room tied up with a blindfold around his eyes-

-as Mia had been licking Sloan to orgasm after orgasm!

"Oh?" his girlfriend laughed. "In that case, Slave... FREEZE- right where you are!"

And Brandon saw the tall cheerleader BLUSH-

-the blood rushing so cutely to her face as that word must have triggered some secret memory from the weekend-

-but she DID freeze, bent over exactly how she was, like time had STOPPED for her!

And Mia laughed and leisurely took her hand off Brandon's balls-

-to slowly run it up the bare nude legs of the tall slim cheerleader, making her shiver-

-right up under the edge of her short cheerleader skirt, making her blush-

-going up those long toned thighs like she owned them-

-and disappearing up underneath that loose skirt!

BOTH Brandon and Sloan gasped at Mia's boldness-

-especially as Mia's finger pulled back DOWN those strong golden thighs-

-dragging Sloan's pink cheerleader panties down with them!

And they were soaked.

The tall cheerleader GASPED and blushed HARDER as her wetness was EXPOSED to the laughing girls behind her but still DIDN'T move-

-her cute face getting SO red right in front of Brandon's unbelieving eyes-

-as Mia SLOWLY pulled Sloan's pink panties down her long tanned legs, RIGHT in front of EVERYONE-

-SO slowly-

-the submissive girl not putting up any protest-

-except for a hot blush and little 'eeeek!' of embarrassment!

The blushing girl GULPED-

-and LET it happen, Brandon saw, even leaning forward to let Mia better pull her tiny panties down her long legs, down her smooth knees and long calves, her pussy and butt and asshole now TOTALLY exposed to the row of girls behind her as they LAUGHED-

-and Mia dropped her panties to her ankles!

"Do the rest yourself, Slave, I can't reach. And then GIVE them to me."

And the blushing Sloan-

-didn't MOVE!

Making Mia LAUGH!

"Oh, I forgot! UNFREEZE!"

And the hotly blushing girl GULPED and DROPPED down fast (hurriedly keeping her rear covered with a tight hand on the back of her skirt) and blushing and stepping out of her own soaked panties-

-before submissively handing them over to Mia!

Who laughed and sniffed them, like they were roses!

"Ahhhhhh. Something to remember you by. No panties for you for the rest of the trip. And you're not allowed to cross your legs."

The panty-less girl blushed SO hard, now going commando under her VERY short flared cheerleader skirt that she had to hold down with BOTH hands to stay decent!

Sloan's cheeks got SO red, and Brandon could see her long smooth thighs RUBBING together, being PRESSED together, like girls did when they were too horny-

-he realized she was probably trying to keep her juices from running down her legs!

Being treated this way-

-really DID turn her on!

Mia waved the girl away! "Don't let Valentina finger you too hard back there."

And the tall cheerleader blushed harder and RAN off to sit with the other girls, but with a smile, holding down her short skirt as she ran, to keep from flashing everyone!

Brandon gasped as his cage BUCKED and SURGED at what he had just seen, his head swimming-

Mia held the soft- and still warm- panties up to his nose!

"Wanna sniff?"

"NO!" he cried, even as the smell of Sloan's arousal hit the back of his nose, making his painful cock stretch even harder inside his cage! "UNNGH!"

"Sure you don't," Mia laughed, stuffing them into Brandon's tight front jeans pocket, ensuring he would be aware of them the whole trip home!

"It never would have worked out between you two, you know," she said, toying with his balls through his jeans again! "Two submissives, each trying to trick the other into dominating the other... It'd be like trying to slap two female ends of an extension cord together- it just wouldn't work!"

"I'm not... THAT submissive!"

"Oh no?"

"NO!"

In response, Mia just chuckled.

"Okay."

And her slender left hand casually slid up his leg to FIRMLY grab his balls right through his jeans in a STRONG commanding grip, BLATANTLY grabbing his crotch in front of ANY nearby girls that might be looking!

"MIA!" he gasped, blushing as his cock strained even HARDER against his bars!

The girl laughing as the boy BLUSHED and PANTED and SQUIRMED-

-but didn't push her away!

He just sat there and TOOK it-

BLUSHING as the smirking girl SQUEEZED his tender nuts HARD, right THROUGH his jeans in a maddening, commanding, rhythmic fashion!

Each SQUEEZE making the boy GULP-

And BLUSH-

And start to go a little DIZZY-

All while his sensitive leaking squirming little cock got HARDER and HARDER inside its tiny crushing steel cage, adding ANOTHER type of squeeze to the confused boy!

And it went on for one minute-

Then another-

Then ANOTHER-

"What... what IS this?!" he panted, SO hard and dizzy!

"It's called sub-space," Mia laughed, still squeezing his tender nuts meaningfully! "You should read up on it sometime. You're going to be spending a LOT of time in there."

She softly kissed his neck as she firmly squeezed his nuts, making the boy pant and sweat!

"It's- making my cage VERY tight!"

"That's good. You're going to be spending a lot of time in THERE, too."

"Mia!" he cried, THROBBING in his cage, imagining what his future held-

The grinning girl took her right hand- the non-squeezing one- and slid it into Brandon's front jeans pocket-

-to pull out Sloan's soaked pink panties again!

And hold them up in front of his face!

"Ever thought of wearing some of these? Under those tight manly jeans?"

A nuclear bomb went off on his face. "NO!"

"Never?" Mia laughed, still squeezing his nuts rhythmically, just DANGLING his crush's wet panties inches in front of his nose!

"NO!"

She laughed as she continued pulsing the sweating boy's tender balls in her strong, confident hand.

"You will. Because I find it hot to make horny subs do slightly embarrassing things they normally wouldn't do."

"Mia- NO!"

"We both know I'm just going to tie you down and edge your cock until you agree."

"UNNGGH!"

She giggled. "Just THINK about it- nice SOFT pink PANTIES around your COCK instead of that mean hard CAGE? We can do it for sleepovers at my house! I'll take you out of chastity ONLY if I get to shave your legs and put you into nice silky panties while we paint each other's nails and watch silly rom-coms and you go down on me!"

His face couldn't GET any hotter!

"MIA! ...no!"

She laughed as his caged cock was harder than it had been before-
-and his protests weaker!

"I'd LOVE to have a smooth shaved blushing horny boy in panties at home, Brandon! The more you hate it the HOTTER the idea gets... oh god, if you let me do THAT to you-" she giggled! "-I'd tie your hands and pull your panties to the side and suck your cock like CRAZY to end the sleepover!" she laughed! "Before locking you back up with ACHING blue balls while we cuddle in bed."

"...please! Don't!"

She put her head back on his shoulder like a loving girlfriend, while laying the panties on his lap RIGHT above his cage, as if he was already wearing them, her hand still squeezing his nuts at just the EDGE of pain!

"We will. And you'll be so horny in sub-space that you'll love it. Love your new silky smooth legs and shaved armpits that you'll touch ALL the time- love your new pink painted nails and HUGE sexy panty collection that you'll wear EVERY DAY... maybe by NEXT year's ski trip I'll have you looking as cute and girly as Sloan!"

"Mia!"

"We can all get a room together next year, and you two subbies can put on a sexy lesbian show for me, all smooth and pink and dolled up in your tightest HOTTEST panties, in a TIGHT 69, trying to see who can edge each other the longest!"

"MIA!"

And she laughed as Brandon strained and made an even bigger wet spot at the tight crotch of his jeans where his crushing steel chastity cage tented hard, all because of her small slender hand squeezing his nuts and the things she would whisper into his ear, on the long ride back home, to their new exciting life together.

THE END

EPILOGUE:

Young teenager Alan lived in his tight, tiny, merciless steel chastity belt for the next years of his life, giving up the best years of the hardest, strongest erections most men have.

He did so because being belted allowed him to suck on the diamond-hard nipples of cantelope-sized breasts of countless tall beautiful laughing topless Amazons on his local nude beach, his hands never leaving those firm divine tits as he sucked!

It allowed him to take regular fully nude showers with his taller hotter older sister Brooke and her equally hot friend Sierra, to watch them both use the thick shower dildo right in front of his eyes with detailed color commentary-

-and to even clean it off with his tongue as they cheered him on!

And eventually use it on his rear hole too. It was tight at first, but with a lot of lube and encouragement Brooke and Sierra got it all the way in, and eventually Alan came to love that more than anything.

When he moved away for college, Brooke gave Alan his own key back AND her shower dildo, and a lot of furious furtive wanking followed, Alan ALMOST getting caught in the dorm showers with a thick transparent plastic cock up his ass, blowing loads bigger than THREE boys his age combined.

But he eventually the uncaged boy found himself...

...craving something...

....missing the security of it all...

...the constant tightness...

-and he surprised his sister by giving his key back to her that Christmas, having had only a few MONTHS with his dick free!

Brooke eagerly took it back and she and Sierra did PLENTY of long-distance teases to the helpless locked boy three states away from his key, giving him LOTS of things to look at and LOTS of interesting games and challenges to play, being around a whole CITY cute hot college girls alone for the first time! With his dick totally locked away from them!

Eventually, Brooke found Alan a cute fun playful girl his own age who was VERY into keeping her boyfriend and potential future husband locked ALL the time, and the boy is still caged to this day.

In that way, Alan and Brandon were the same.

Brandon and Mia dated steadily after that ski trip, and even though the horny Brandon ached and pounded inside his unforgiving belt every night and every morning and almost every time he passed a hot cheerleader at school, he got to pull down Mia's panties every day and give the hot goth girl thunderous orgasms on his face, nearly every afternoon in his room, while they were 'playing video games'.

Mia did drown him in never ending pussy, and Brandon got to use EVERYTHING he had learned, from those older women on the skei trip.

And nearly every morning, Mia snuck in through his bedroom window to cuff his hands to his bed and unlock his cock and test out her latest handjob techniques for making him SHUDDER and GASP and SHAKE with ACHING blue-balls, which usually led to Mia getting super wet and sitting on his face again, quietly this time, to not alert his mother.

Who, by the way, approved of the union and let the kids have their fun but also for some reason started wearing much shorter pencil skirts and higher high heels and even shinier pantyhose to work EVERY day and even STAYING dressed that way long after she got home, even though she always told Brandon 'that was just a coincidence'!

And Mia did, through constant erotic pressure, get Brandon to finally shave his arms and armpits and legs and step into cute pink panties, making him wear either silk or steel under his pants to school every day, the former giving Brandon the strongest uncontrollable most embarrassing random erections he had ever had in class, the latter pure torture when all the cheerleaders found out, even though it did win him a lot of special winks and panty flashes from the sluttiest girls in school and making it VERY hard for him to walk down the halls, especially after Sloan dropped her soaking wet panties off in his locker one day!

The whole gang did meet up again at next year's ski trip, Sloan and Mia and Brandon all sharing the same room together, SOMEONE's tongue between SOMEONE's thighs for nearly the entire weekend.

A blushing, well-spanked Sloan and very blue-balled Brandon DID put on a very raunchy, very submissive lesbian show for the laughing Mia, one that made her so wet that she instructed BOTH subs to lick her at the same time in the shower, Sloan from the front and Brandon from the rear, until she came loud enough and long enough to cause another noise complaint. They even got a little skiing in.

Brandon was even allowed ONE orgasm the entire trip, in Sloan's tight hot EAGER mouth while Mia forcefully French kissed him and squeezed his nuts, just before the bus left on Sunday.

He and Mia went to the same college together, and she wears his key to class every single day. And tells anyone who asks what it is. Sloan spends the night when her out-of-state

cheerleading team competes in the area, leaving Brandon's room with an absolutely DRENCHED pair of panties every time, since neither she nor Brandon are allowed to orgasm, on her competition weekends.

And even though college Mia she sucks his cock nearly every day, she has kept Brandon a technical virgin even after all these years, and says it keeps getting funnier, the older he gets.

In that way, Brandon and Charlie are very much the same.

Middle-aged Charlie was naked for the REST of the summer, caged for a LOT longer than that, and watched his tall, athletic blonde wife take a LOT of cock- mostly black, but also white, Hispanic and everything else besides- as long as it was BIG. And could fuck Kim as HARD as she needed. And as long as Charlie could either watch or listen.

And after much, much, MUCH debate, Ingrid returned to Norway with her Uncle's only chastity key in the world STILL around her neck, but Kim made the girls PROMISE to send him Snaps or Instas or text so he could still see his key every day, while seeing what the girls were getting up to while wearing it. It became their favorite Norwegian fashion accessory.

The couple is planning to visit Kim's sister for Christmas, where Charlie will most likely BEG the twins to let him have his key for even a MINUTE, just to feel blood filling his hard cock for ONE more time. Ingrid will still probably say no.

Charlie wishes he could stroke his cock once more in his lifetime, or even fuck his beautiful wife with more than his tongue, but being in bed with a cum-covered and cum-filled gang-banged Kim nearly every Friday night more than makes up for it-

The couple is closer than ever now-

-Charlie has watched Kim have the MOST beautiful orgasms he could have ever DREAMED-

-watched her have enough sexual experiences for THREE lifetimes-

-tasted fresh cum from EVERY crevice of her toned body-

-sometime MULTIPLE loads mixed together-

-and FELT with his fingers or tongue how HOT she gets, even just PLANNING her wild single dates or group gang-bangs with her big-dicked Studs on the phone. Sometimes Kim even lets Charlie use her pink vibrator on the tip of his cage as he watches her get fucked, enjoying herself, feet high in air, but always makes him stop-

-or has her Bull take it away-

-before he can even have a ruined orgasm.

Charlie still remembers what a hard, UNCAGED orgasm felt like, but every day he forgets a little more, and gets deeper into the real, terrifying, and cage-tightening realization that he may have already had the LAST full cum-shot of his life.

In that way, he and Brandon and Alan are very, very much the same.
