This better work, Nerd.

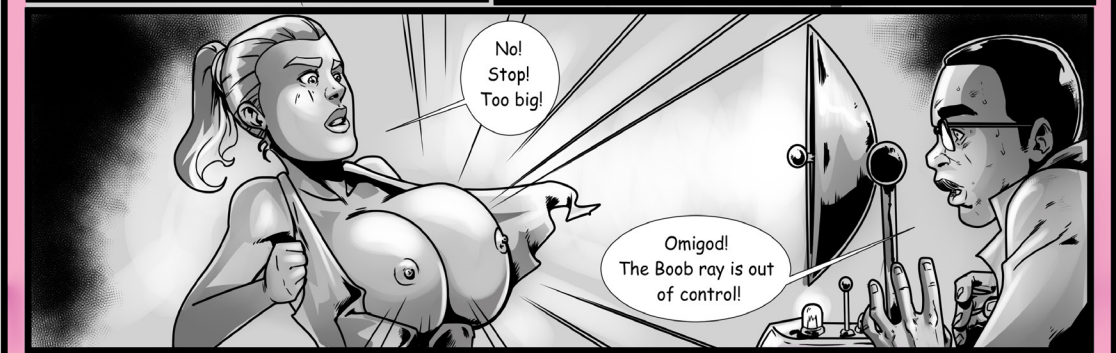

Don't worry Michelle! Nothing can go wrong!

Oh!

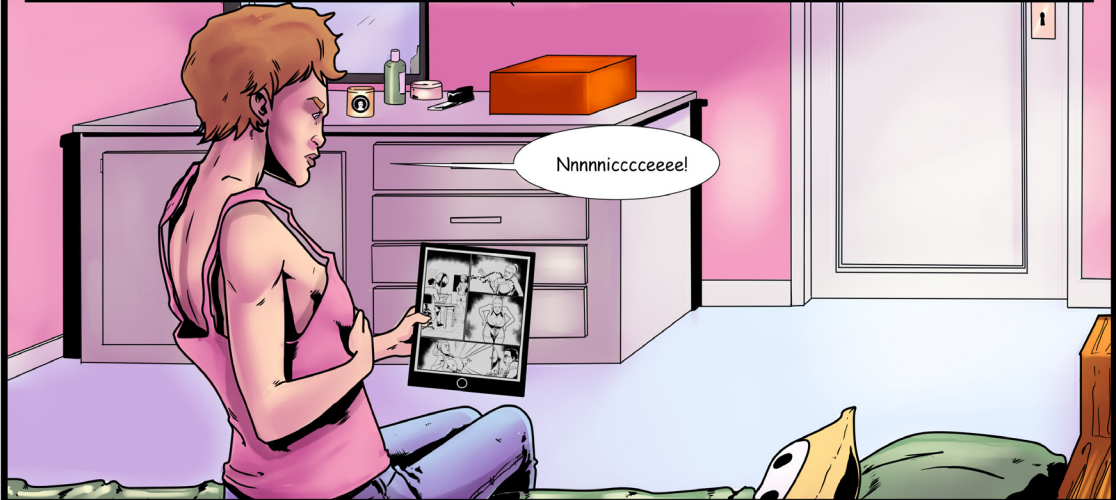

YES!
They're growing!

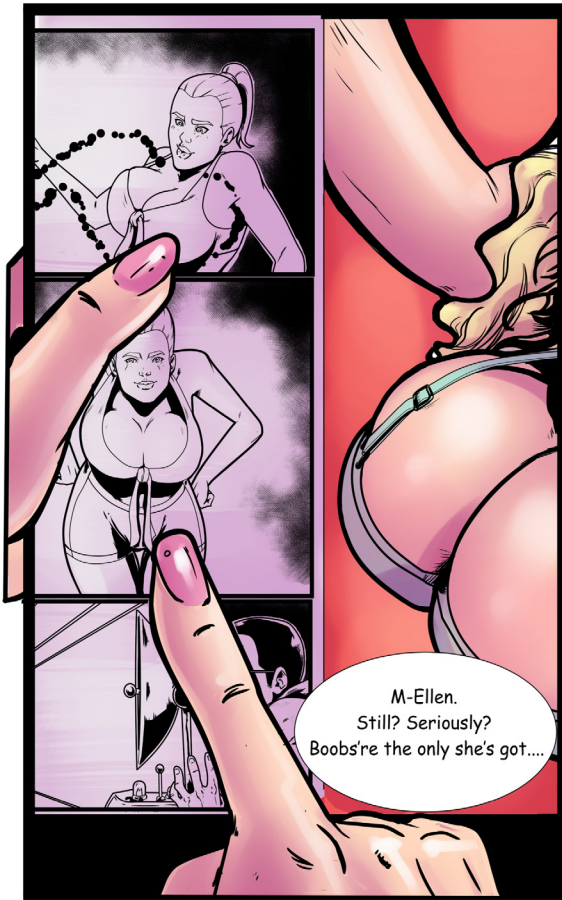

No!
Stop!
Too big!

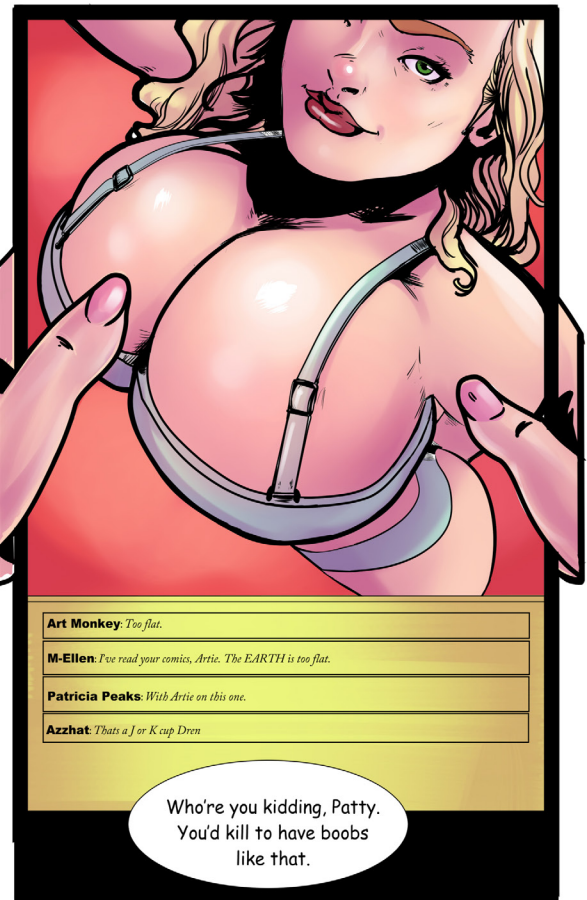

Omigod!
The Boob ray is out
of control!

Nnnnnccccceee!

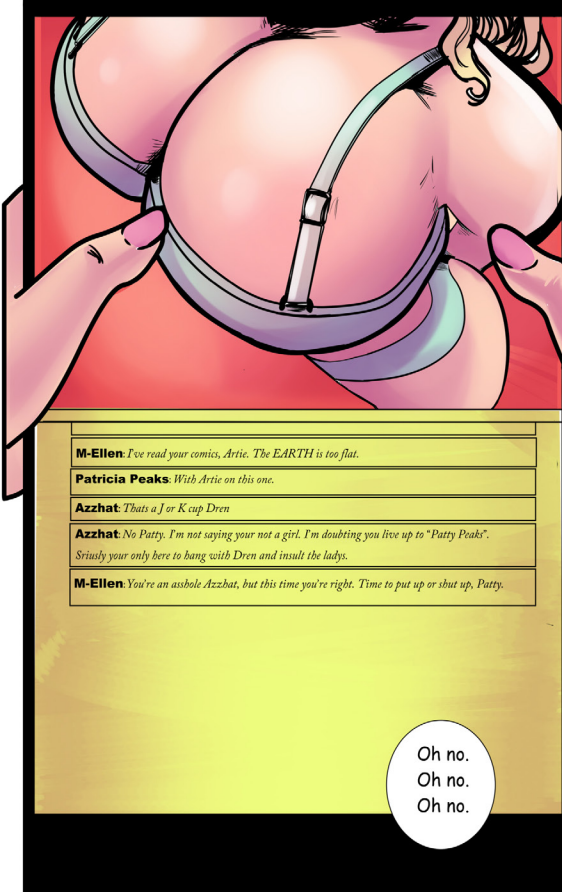

M-Ellen.
Still? Seriously?
Boobs're the only she's got....

Art Monkey: Too flat.
M-Ellen: I've read your comics, Artie. The EARTH is too flat.
Patricia Peaks: With Artie on this one.
Azzhat: That's a J or K cup Dren

Who're you kidding, Patty.
You'd kill to have boobs
like that.

M-Ellen: I've read your comics, Artie. The EARTH is too flat.
Patricia Peaks: With Artie on this one.
Azzhat: That's a J or K cup Dren
Azzhat: No Patty. I'm not saying your not a girl. I'm doubting you live up to "Patty Peaks".
Sriously your only here to bang with Dren and insult the ladies.
M-Ellen: You're an asshole Azzhat, but this time you're right. Time to put up or shut up, Patty.

Oh no.
Oh no.
Oh no.

PIGS OR GTF0

Deb, I don't want them to think I'm a liar!

So you're gonna double down and let them KNOW you're a liar?

I'll blur her face so they can't recognize her.

You seriously think guys are paying ANY attention to her face?

Seriously?

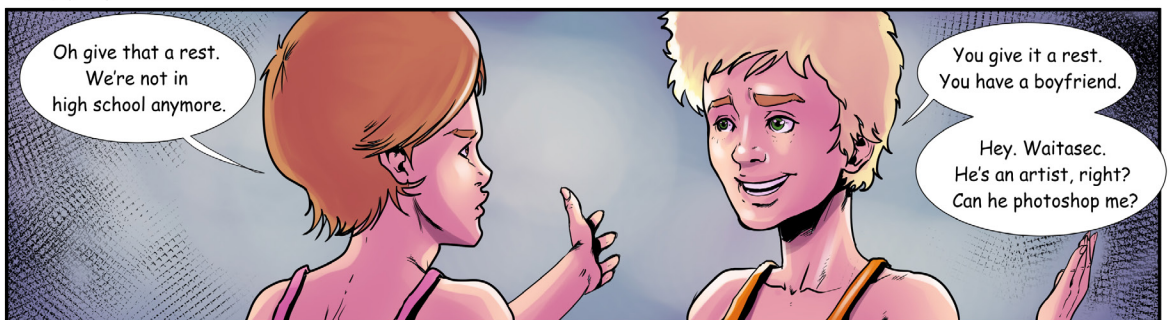

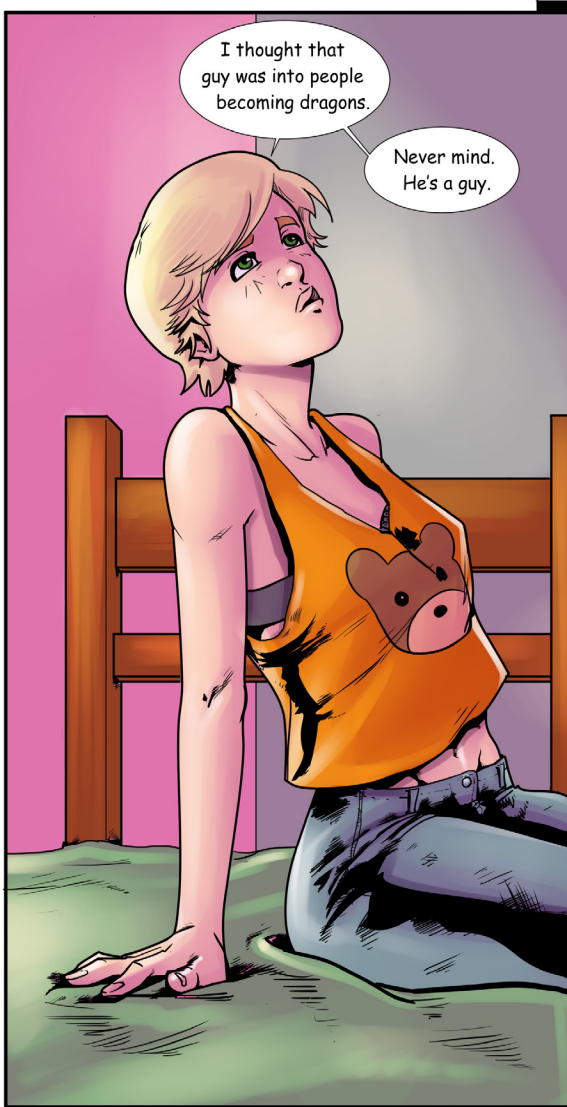

They'll recognize THOSE.

There can't be many people with boobs bigger than her head!

What're you doing on a forum like The Swelling Chest anyway?

Dren's a member.

Oh muh god.
Those aren't real?

No they're not real!
Thank god!
These would weigh a tonne!

I can't believe
you kept them.

Hey, I spent too much
time on this for just one
AniCon.

Plus they're GREAT
for free drinks on pub nights.

'Course I save the inflatable
futa dick for special occasions.

Can you...
I need pictures. Or...

Get the fuck out.

THAT'S
what this is about?

Anything but zombies.

Lot of money in zombie effects right now, but I'm so sick of zombies

This I'm doing for my portfolio. Ought to really give it some kick.

Top off. I need to see what I have to work with and then we make a mold.

A week later

Those are kinda... Uh...

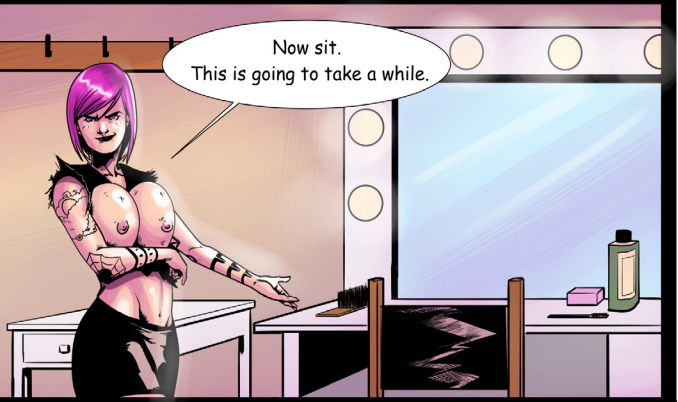

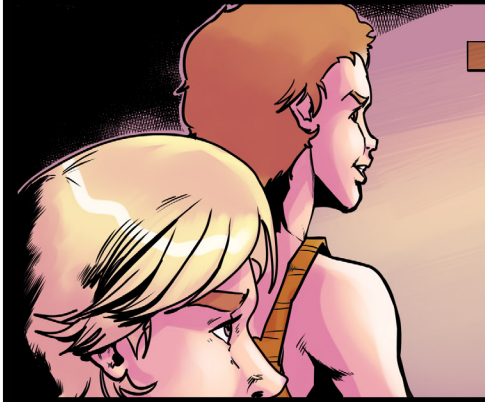

Hey, you wanted big. I deliver big.

That's not big.

Big is easy.
The really hard part
was getting realistic jiggle.

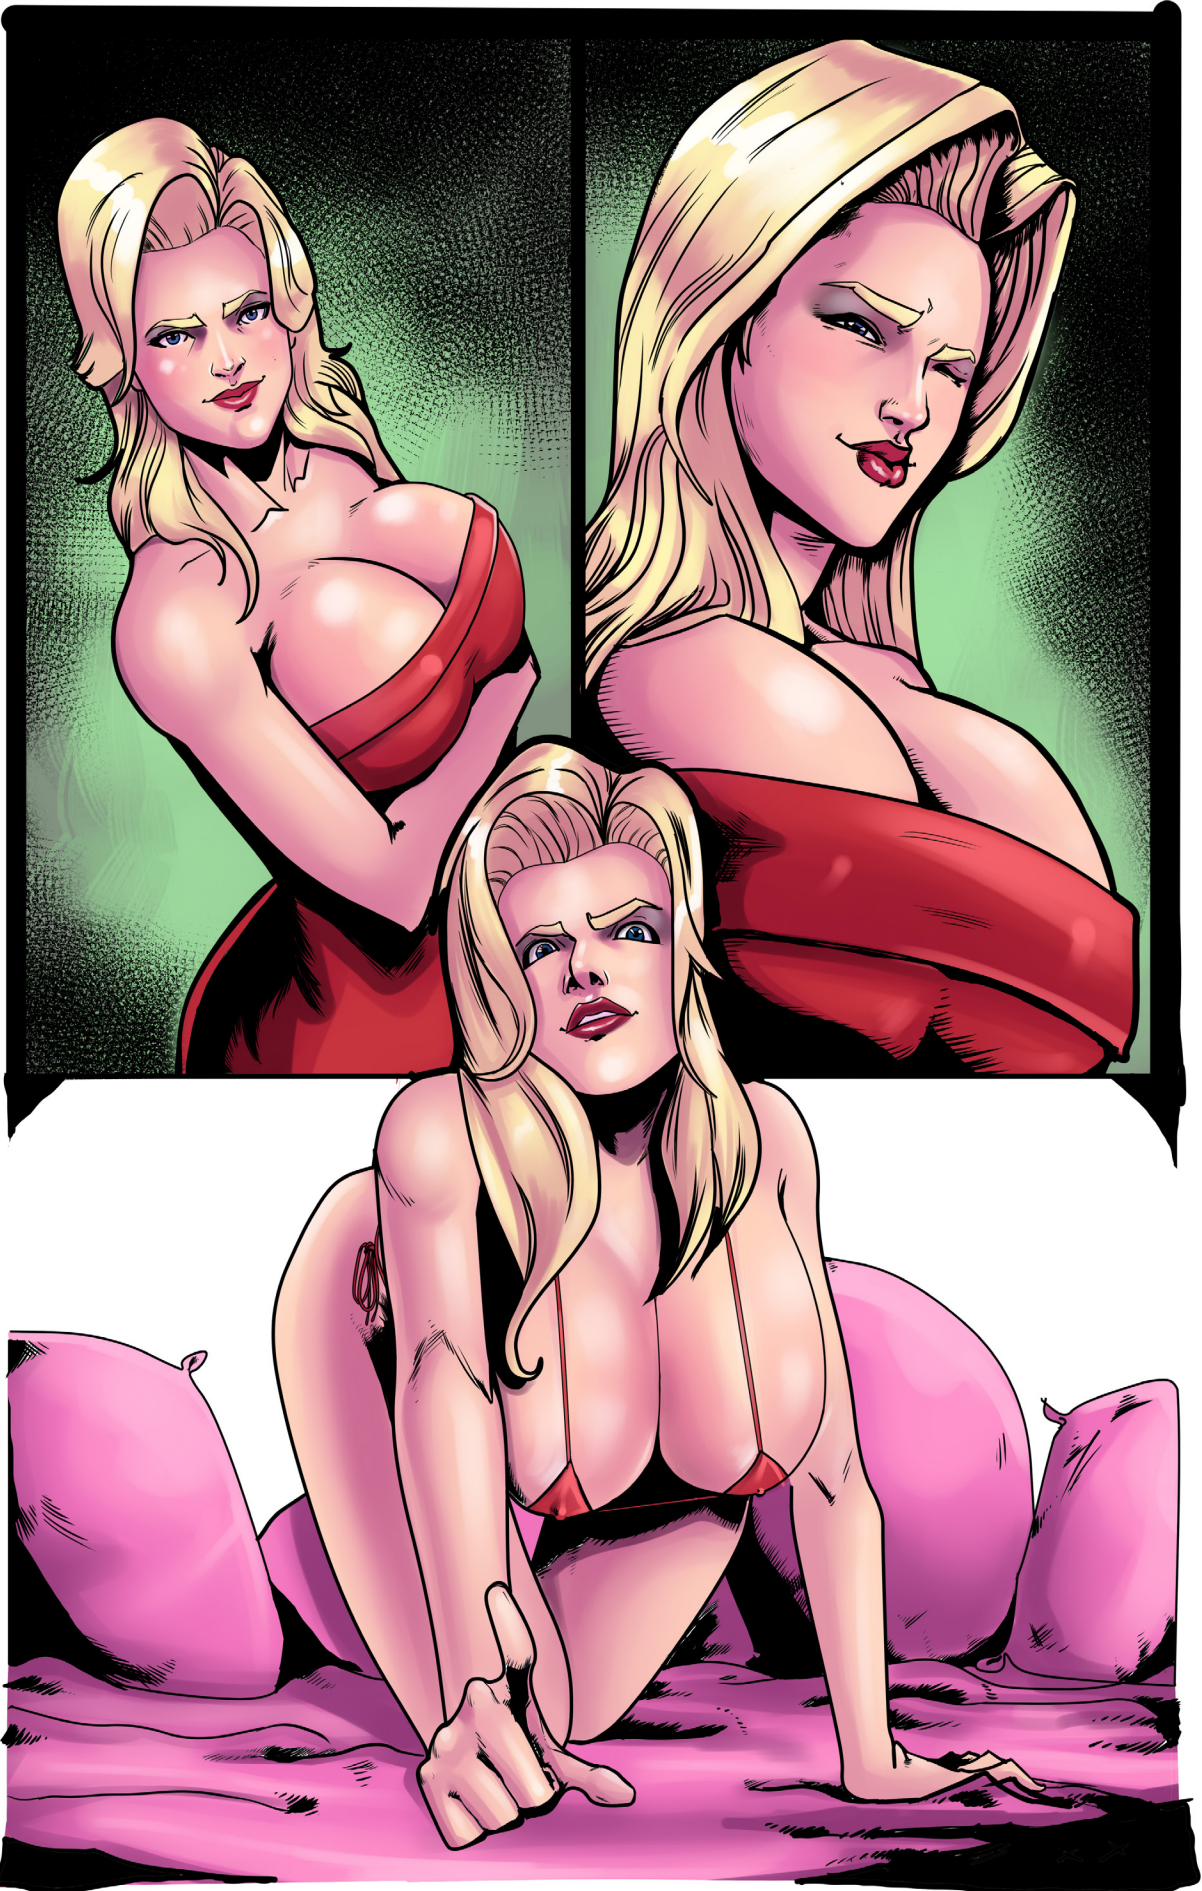

Now sit.
This is going to take a while.

Cool it with the grin.
Look forward and stop smiling
or this'll take forever.

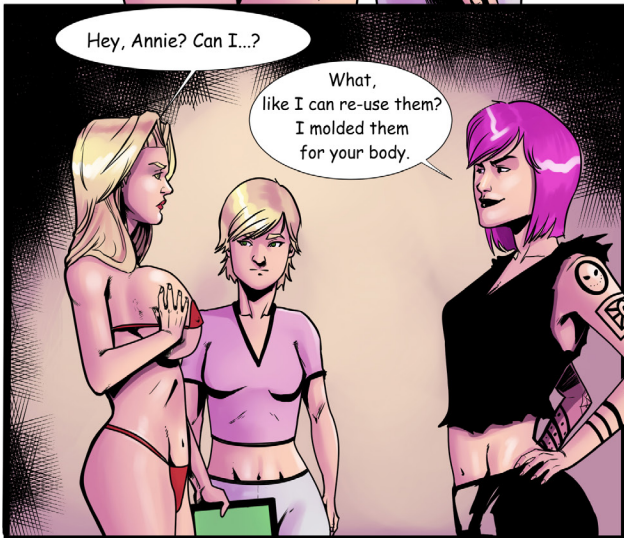

Wow.
These are gorgeous.

Yeah.
In a boobie-bimbo sorta way.

Think that'll be enough for the guys?

Proably too much.

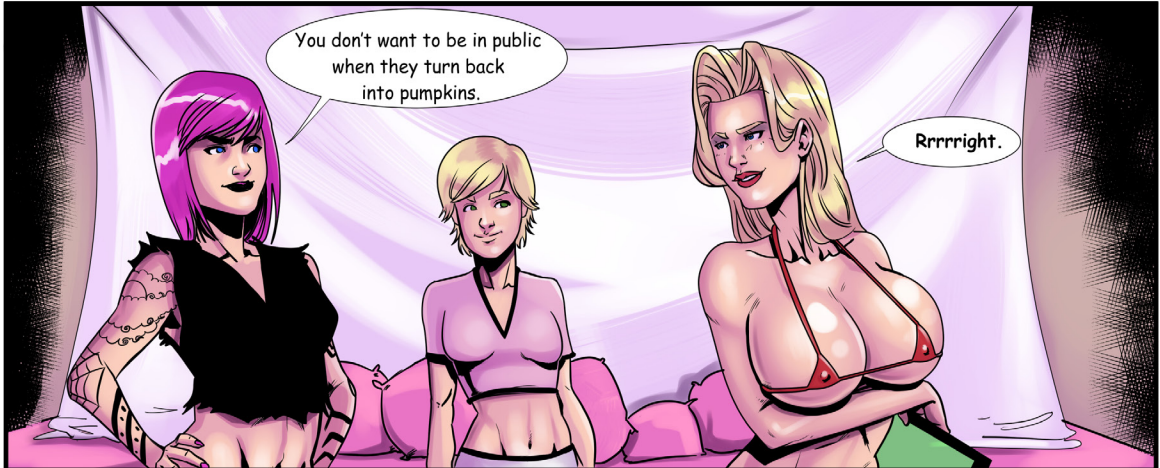

Hey, Annie? Can I...?

What,
like I can re-use them?
I molded them
for your body.

Just get back
before midnight.

Why
midnight?

You don't want to be in public
when they turn back
into pumpkins.

Rrrrrright.
