DAMN
RIGHT!!

Hello, love! sorry for being late again. The office is exploding with more and more work. Too much...

Sorry love. I was about to put them on the closet...

What are my old weightlifts doing on the floor? You doing cleaning on my old stuff?

Let me help you with that. Oh... Oh! SHIT!! I didn't recall they were so heavy.

I was kinda remembering times when you take care of a lot more than only the office, wtc. I use them to work out.

I have a little surprise for you tonight, honey. so get yourself comfortable...

... You been working in that office so hard and so long, I've decided to put myself in shape. You were so busy, you didn't notice the changes.

I've been spending my time between weights and watching and learning wrestling moves.

A lot of hard work. Worthy 100%!

... All to get your attention back, honey.

Damn, love...
I'm so sorry about
all of this time. But I
work hard to give you
what you deserve:
the best!!

that's why I put
myself in shape
for you, silly! ♡

...and after some time...

Wow! That's
something.

So, darling.
Are you ready
to take me
on? ♡

All night, babe!
I would love
to roll over
the floor with
you and you
DO know it,
sweetie...
♡

I'm still trying to
digest all the handwork
you did just to please me...

You want a fight? ok! But first, for safety, we move the lifts back to the basement. ok?

wait a second:
the "backbreaker"
is out? How the
hell?! this one is
so freakin' heavy.
How it ended out
of the basement?!!
