

Humph, I didn't expect that I would be ambushed by me, Caitlin?

You?! Jinx! Do you know what you are in? I am a police officer in Picheng!

Of course I know, but what I need is your identity. Oh, my dear Qiancheng female policewoman

What do you mean?

What are you wearing my shoes?! What do you want?!

You're really scarcely dying, just watch it carefully.

How about it? Do you still like my clothes?

Let me go!! Return my clothes tightly!

Oh, the card is really bad, I brought
a small prop.

Look at this pocket watch with good eyes. You are no longer the city guardian Caitlin, but are crazy about 'Jinx'

Me... Am I Cix?

Very good 'Kinx' Now, there is still a little change in strictness.

Sniff, 'Katelyn' Do you think you really caught me? Wei will come to save me later.

Be honest with Jin Jingsi! Come back to the police station with me!

Very good, it seems that brainwashing is very successful, so the next step is to get close to Daming Cheng Salefanie.

Caitlyn? Why bring it here?

Because my ultimate goal is you

From now on, you're the upper class enough. Caitlin, do you know

I know, 'Salifene' heavenly beings.

Humph, Wang Lam's lackey,
please lick the target.

Obey. Obey order

Breaking, where did you come from this kind of thing, it's like a man's real home.

Do you think it's crazy? I'm jinx! I'm crazy, and I have a certificate issued by a doctor!
