

ANOTHER LIFE

by SculptorMe

I remember wearing these things before I arrived. That's funny. I swallowed you whole, Rachel. I'm you now.

It's funny, I hadn't paid attention before. But my body has such a pleasant odor

I love being you. Your life is much more interesting and enjoyable than mine. Your memory is so beautiful. I'm you now. And it always will be.

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

I still don't get it, Eric

by SculptorMae

by SculptorMae

What a weird feeling....

And yet I don't understand, what do you want to do with this body?

by SculptorMez

by SculptorMez

by SculptorMae

Think about it, Greg. I mean, it's a whole new life.

by SculptorMae

by SculptorMe

by SculptorMe

All our problems, our debts. It's all in the past

You think big Mike's just gonna forget we exist?

by SculptorMe

by SculptorMe

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

Don't be so naive! And there's too many people who know about all of this

by SculptorMae

by SculptorMae

He's right
about that.

by SculptorM2F

by SculptorM2F

That's why I appreciate you, Greg. You're right. We need to screen all of our "gift" recipients. And they don't need it

by SculptorMae

by SculptorMae

I'm sure we need these boxes more

by SculptorMae

by SculptorMae

I don't want to run
into the same kind of
hunters.

Wow, what did I remember.....

We're all in more shit than Eric.

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

In a way, Jessica, me and Melinda are escorts....

A rich man's party in Iatakia. Orgies and lots of money...

by SculptorMae

by SculptorMez

And we played the innocent sheep.

They call me a gymnast for that stretch. That's why I'm Sir Anthony's phoborite.

And that bitch from the bathroom's with us, too.

by SculptorMae

by SculptorMae

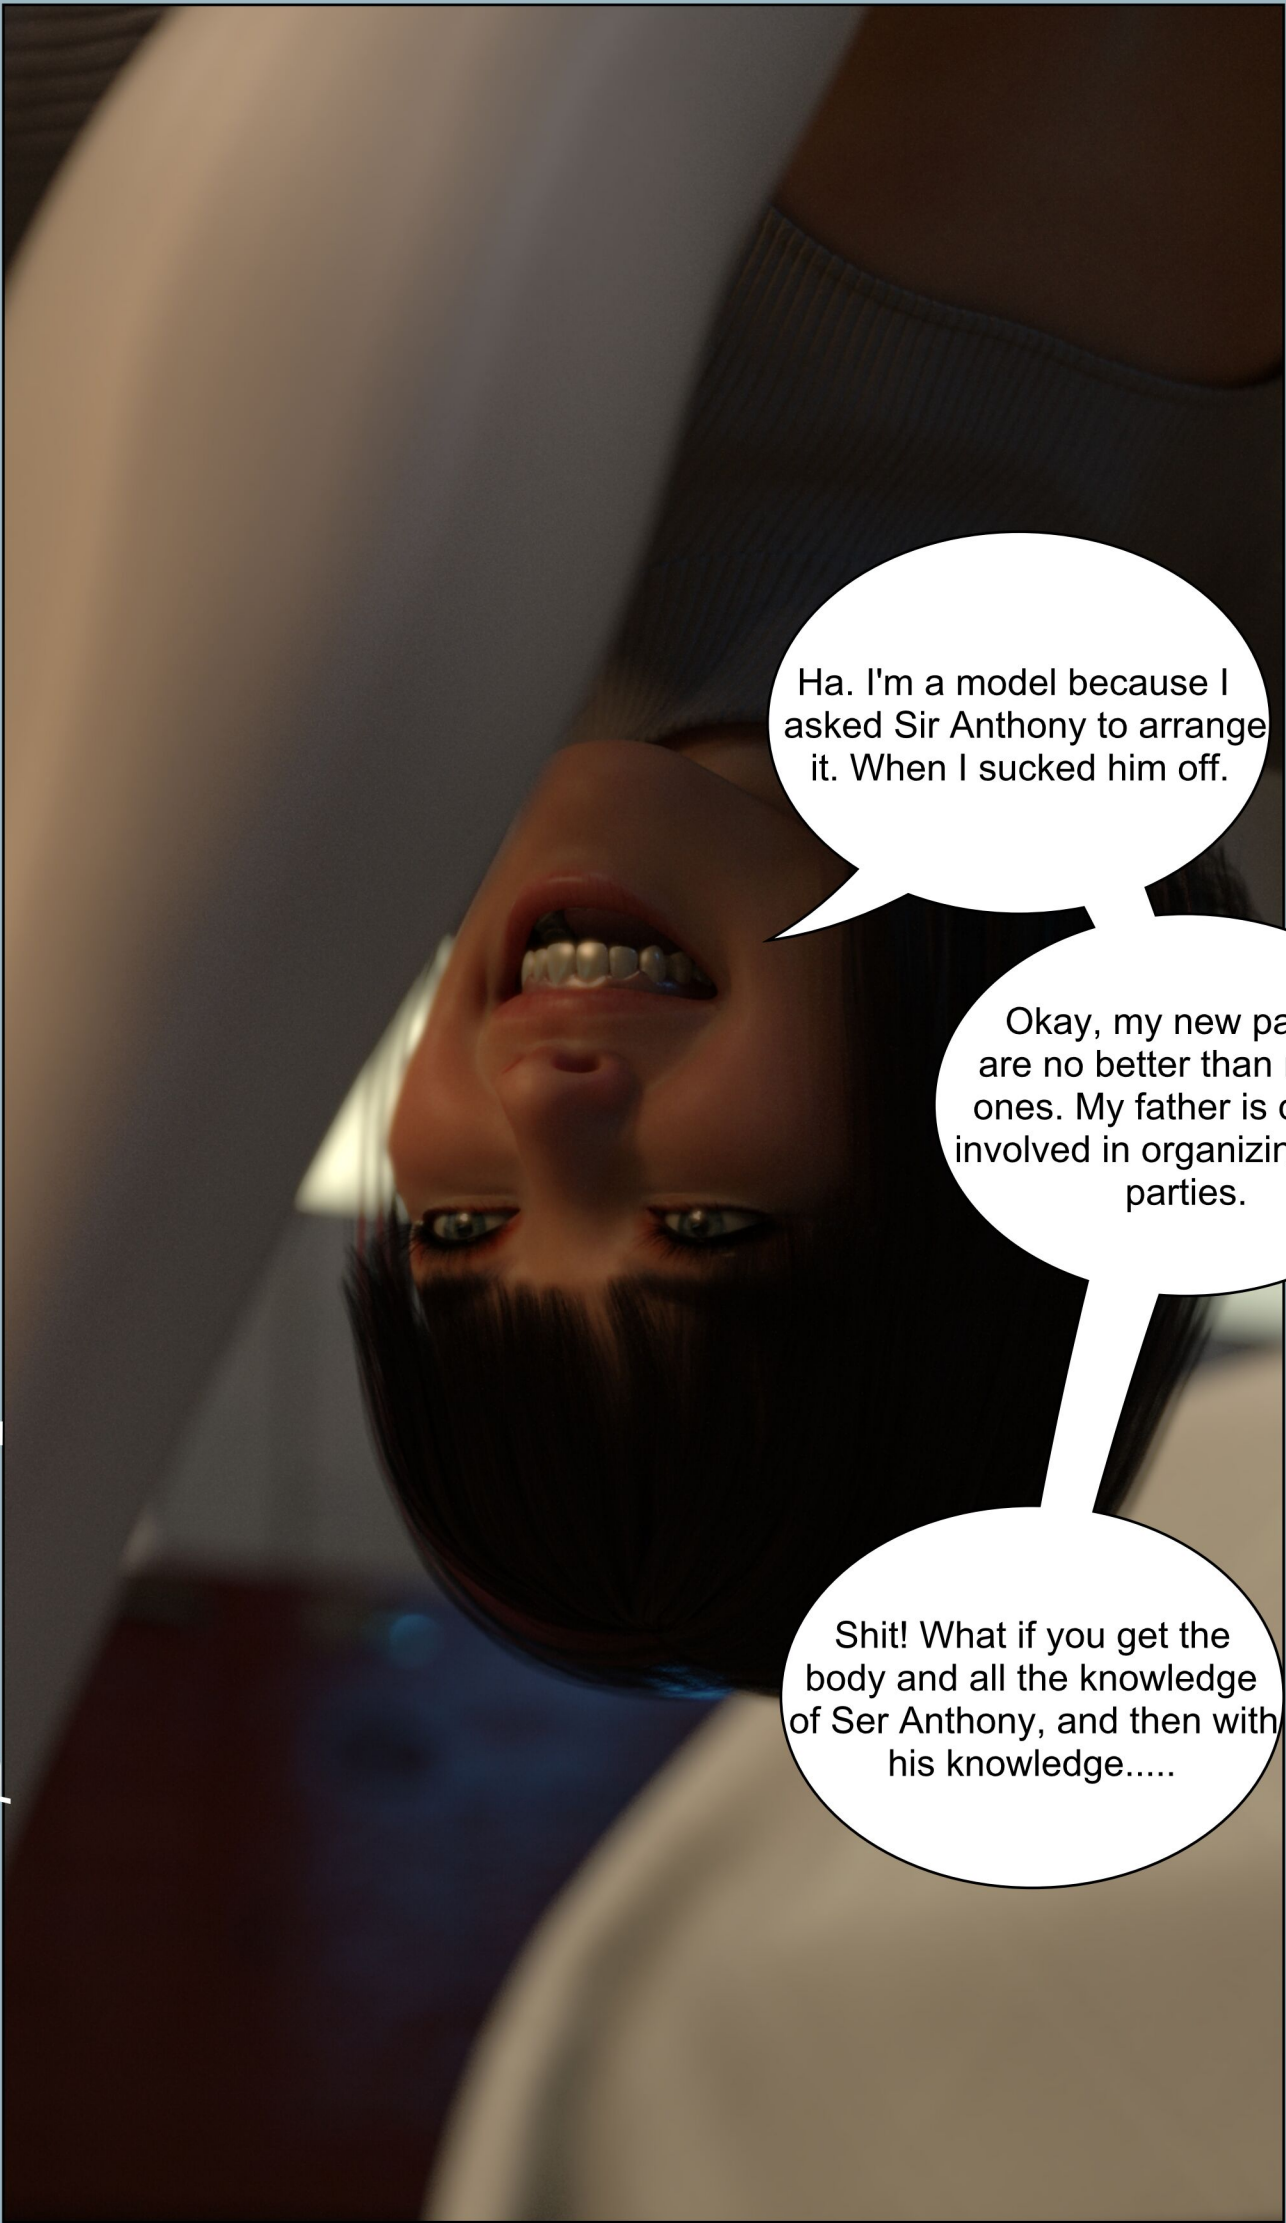

by SculptorMae

by SculptorMae

by SculptorMae

Ha. I'm a model because I asked Sir Anthony to arrange it. When I sucked him off.

Okay, my new parents are no better than my old ones. My father is directly involved in organizing these parties.

Shit! What if you get the body and all the knowledge of Ser Anthony, and then with his knowledge.....

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMez

I need to think this through

Ser Anthony's empire is in my hands. And he seems to have a wife and a daughter.....

by SculptorMae

And what do you want?

Shouldn't you be happy?

by SculptorMae

Eric, stop this and
give me Olivia back
already.

by SculptorMae

by SculptorMae

by SculptorMae

Look, I'm doing this for you. You like her. Take it and do what you want with it. Without her constantly brainwashing your brain will get better.

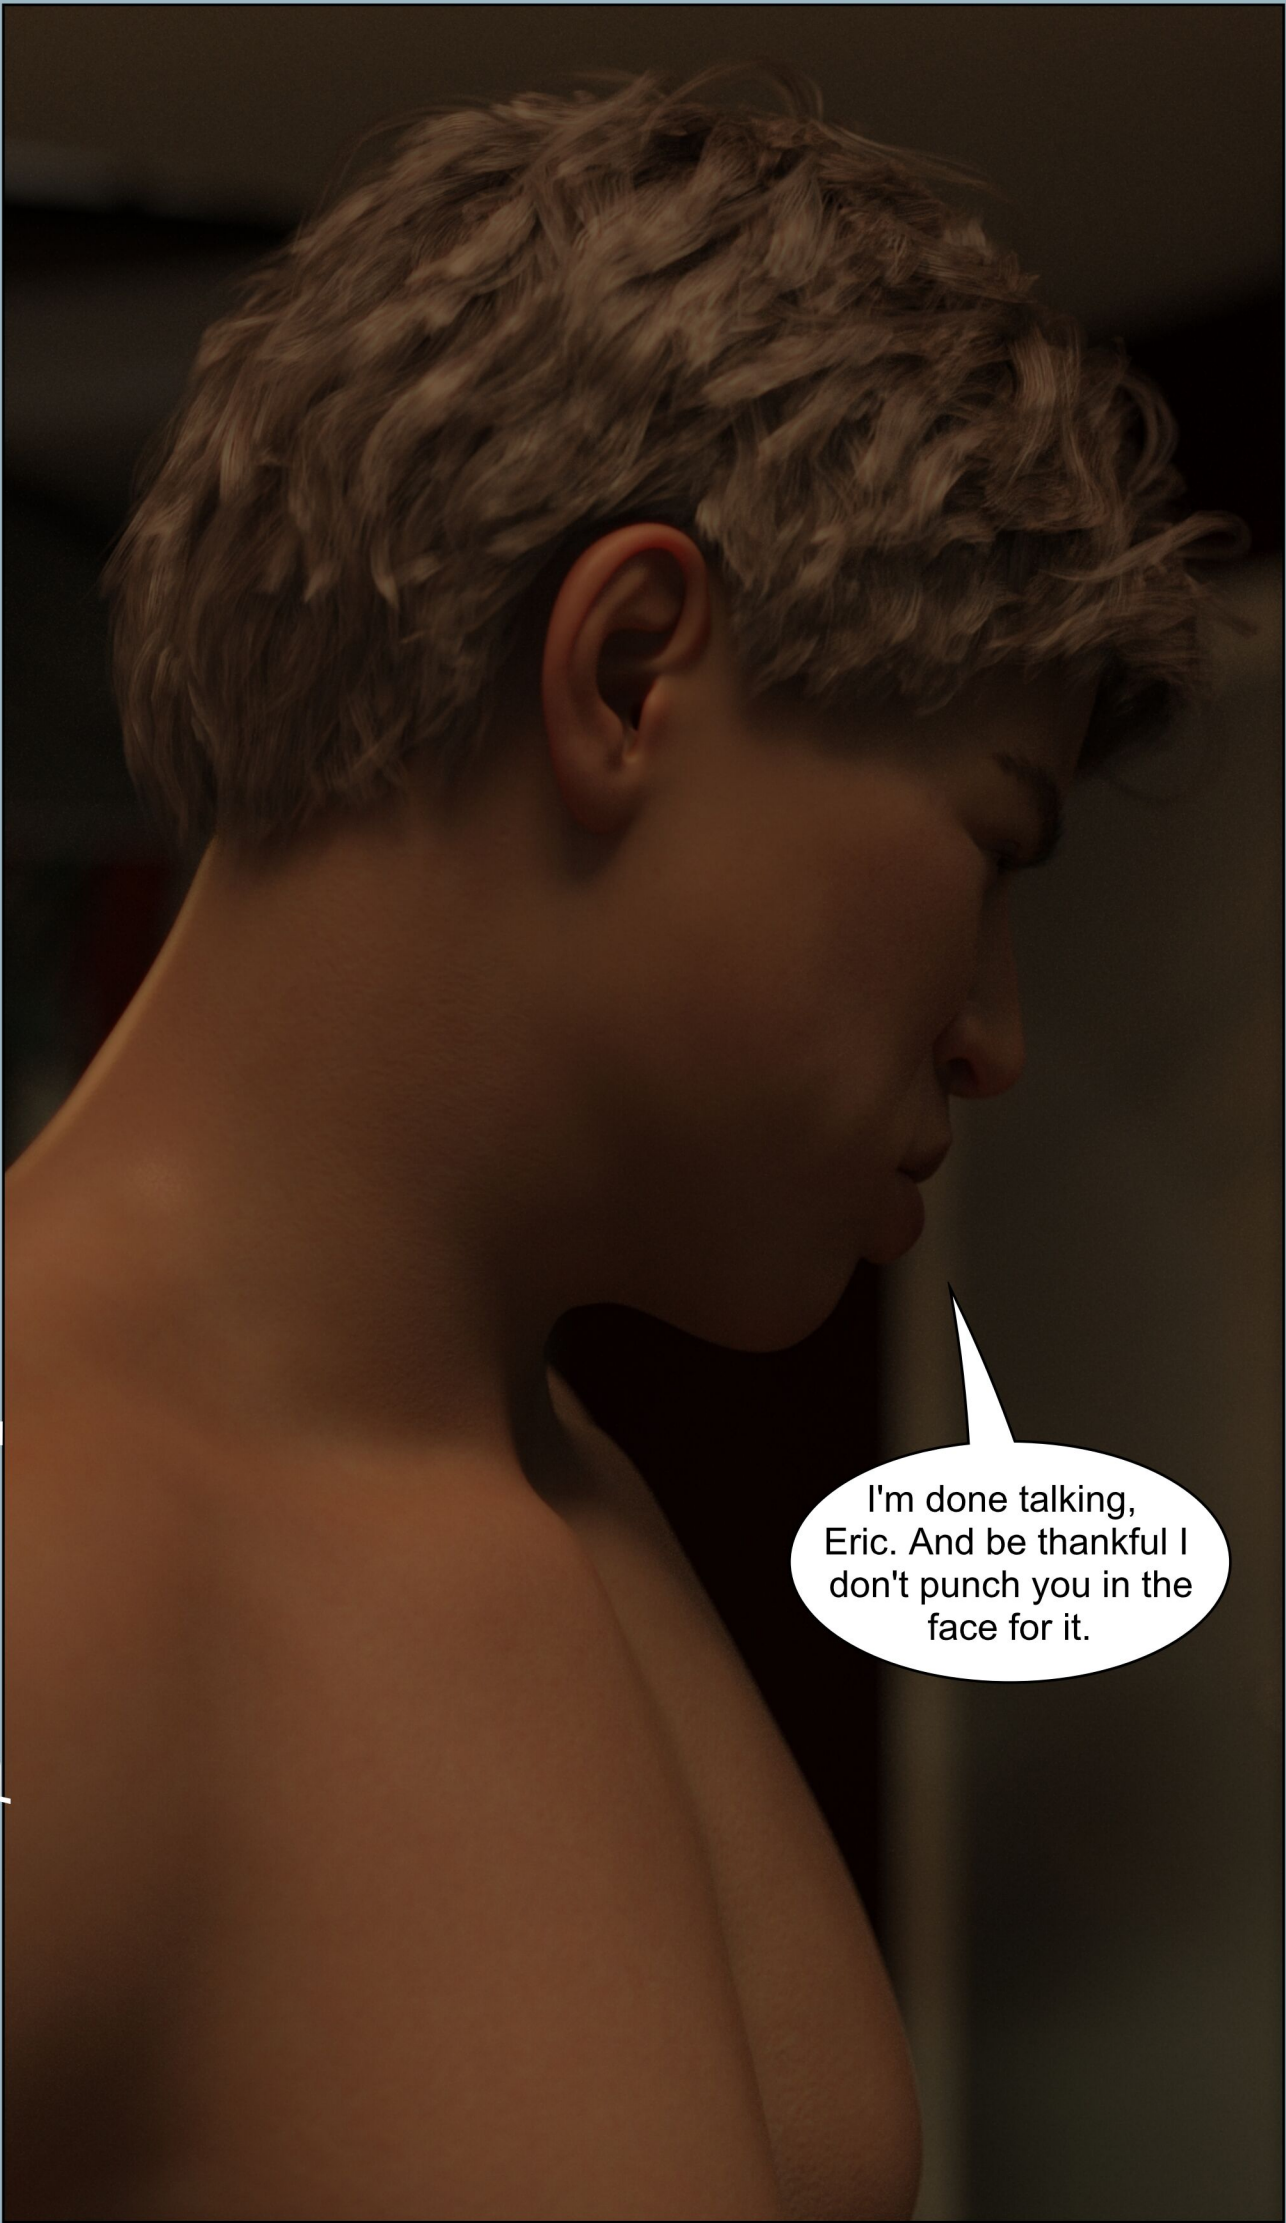

If you need me to, I'll fill in for her at any time. But Olivia in her usual state is just getting in the way of your life.

by SculptorMae

by SculptorMae

by SculptorMae

I'm done talking, Eric. And be thankful I don't punch you in the face for it.

by SculptorMae

by SculptorMae

Suddenly I have a lot to do today.

A woman with dark hair and bangs is shown from the chest up, wearing a light-colored, ribbed, long-sleeved top with a large cutout at the bust. She has a slight smile and is looking directly at the camera. The background is dark. A white thought bubble is positioned above her head, containing text. The overall lighting is soft, highlighting the texture of her top and her facial features.

Still, remembering and feeling are not the same thing. How nice my ass feels tight in pantyhose. Realizing the sexuality of your body is so beautiful.

by SculptorMae

by SculptorMae

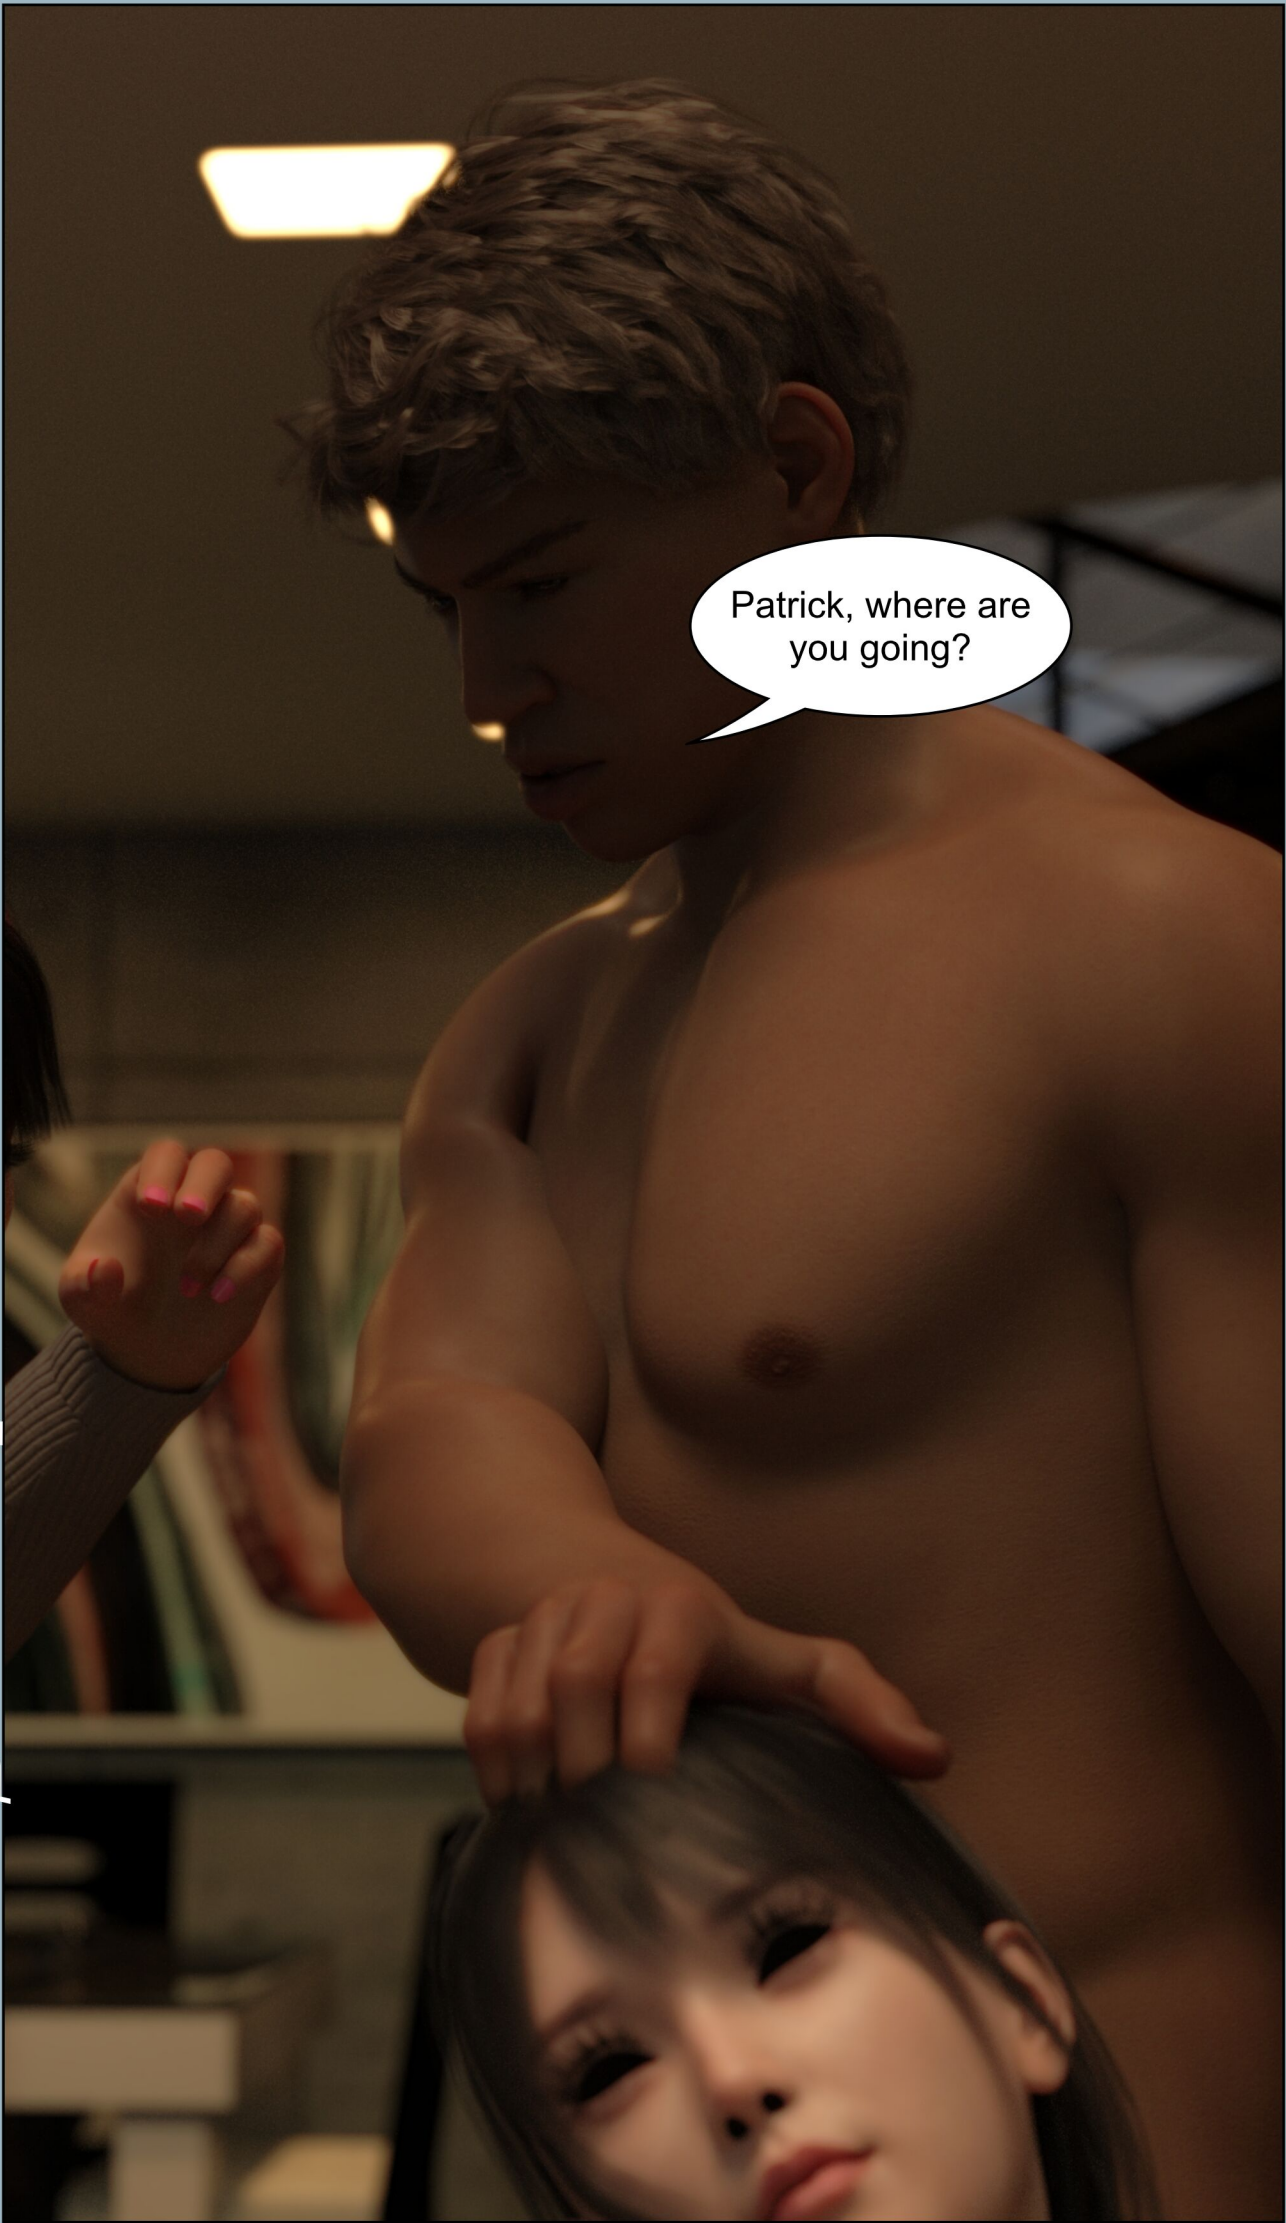

I see you guys are wrapping up

by SculptorMae

by SculptorMae

by SculptorMae

by SculptorMae

Patrick, where are you going?

That's right little one, we have a lot of plans for today.

by SculptorMae

by SculptorMae

by SculptorMez

by SculptorMez

I remember her, I remember that fat hog fucking her. It's amazing. How funny how they behaved socially and what secrets they hid behind the facade.

by SculptorMae

by SculptorMae

Turns out Olivia was the only one who didn't know. But she was going to be dragged to the nearest party.....

by SculptorMae

by SculptorMae

by sculptormae

by SculptorMae

So we saved you, Olivia. Of course, if that's the way to put it at all....

by SculptorMae

by SculptorMez

by SculptorMez

by SculptorMae

Even this house.
Jessica didn't get it
from her parents.....

You're so stupid, Tom

by SculptorMae

T
his place...
There's still a lot of
interesting stuff
hidden in here. But
I'll be back later

by SculptorMae

by SculptorMae

Bye, guys! And I don't recommend taking those capsules.

That's my girlfriend's
body.

The bespectacled man is right though, Olivia's body is hard to let go of. It feels so good in it.

Think about it, though, Greg. It's the best version of Olivia. She doesn't fuck with your brain and she's always ready. If I were you, I wouldn't look too hard for a way to get her back.
