

Pool Party Orgy 3

The next morning came quickly. Too quickly for me. My body protested as I rolled out of bed. My limbs felt heavy and sore, my mind foggy. I shuffled to the bathroom and caught my reflection. Dark circles shadowed my eyes, my skin looked pale. I splashed cold water on my face, trying to shake off the exhaustion. Yesterday had been... intense. Too intense? Maybe. But the thought of Tami's party later that day sent a jolt through me. Excitement warred with fatigue.

Downstairs, the kitchen smelled like coffee and bacon. Mom stood at the stove, humming softly. She turned, spatula in hand, and gave me a knowing look. "Sleep well?" Her voice was casual, but her eyes held a smirk. Lisa sat at the table, already eating. She didn't look up, but I saw her cheeks flush slightly. The silence hung thick. Everyone knew. Everyone remembered. I grabbed a plate, avoiding eye contact. The bacon sizzled, loud in the quiet room.

Tami's party loomed in my thoughts. What would happen there? More secrets? More tangled lines? I pushed scrambled eggs around my plate, appetite gone. Lisa finally met my gaze. Her lips curved into a small, private smile. Mom slid toast onto my plate. "Eat," she ordered softly. "You'll need your strength." Her tone was light, but the implication landed heavy. I swallowed hard, the food like ash.

The doorbell rang mid-morning. Tami stood on the porch, sunlight catching the gold in her hair. Her smile was bright, electric. "Ready for tonight?" She bounced on her toes, radiating energy I couldn't match. Behind her, Tamara leaned against their fence, watching us with narrowed eyes. said "My dad's out of town," she added. "Julia's hosting. It'll be... wild." so "save your stamina," she murmured. Her hand slid low, squeezing. "I want you wrecked tonight." Then she was gone, leaving citrus and salt in her wake. Mom exhaled slowly. Lisa stared at her untouched toast.

The afternoon dragged on. Heat pressed down, thick and wet. I tried to nap but saw Julia's mouth, Tami's hips, Lisa's reddened skin behind closed eyelids. Cold showers helped—until they didn't. Dressing for the party felt like armor: swim trunks, a loose shirt. Mom's eyes tracked me downstairs. She followed me to my room and said she wanted more of me before I left for the party and "We have time," she murmured, stepping closer. The air crackled. Lisa's laugh was sharp. "Race you to him?" they ran and jumped to the bed, mom started kissing me while my sister took off my towel and started sucking my cock. I couldn't resist and let them have their way with me. Mom started riding me and Lisa kissed me deeply. Lisa's fingers tangled in my hair. "Remember," she breathed, "Tami doesn't own this." Her tongue traced my ear. Mom's rhythm quickened, her moans low. "She doesn't own you." I start licking my sister's pussy while my mom rides me, she moans loudly and says keep fucking me harder the bed creaked beneath us. Sweat slicked skin against skin. Mom arched, her back and let kiss her, lisa started licking my balls and mom pussy, she groaned. "Oh god—yes!" moms was breathless. the lisa kissed my neck. My hips bucked. Lisa's hand slid between us, rubbing Mom's clit. "Make her scream." I keep going faster with long strokes mom pussy gripe me tightly she screams loudly and cums all over my cock. Lisa grinned my turn now. She straddled me, sinking down. her tight pussy felt wonderful. Moms' fingers did the same and star rubbing her daughter pussy Lisa rocked faster. "Fuck," she gasped. "Yes—harder!" Mom leaned in, kissing her neck. "Good girl." Lisa's nails dug into my shoulders. Her climax hit sharp and sudden. She shuddered, crying out. Mom's hand kept working her, drawing it out. Lisa collapsed against me, panting. Mom's fingers slipped away, glistening. She licked them clean and she kneel down and star cleaning my dick depthoating me then she shared my dick with lisa and she star licking me then both stars sucking my dick together. "See?" Mom whispered. "We're all yours." I felt my balls tighten and I cum inside my

mom's mouth she swallows it all then she kisses lisa and share me cum with her. Mom smiled. "Now go have fun." She patted my cheek. "But remember who waits for you."

I showered again. Later that afternoon I had dress casually for the pool party she invited me and i went to her house looking for her but her sister open the door and let me in she said she was also going to the party and she was waiting for her sister, we start talking about the other day and she wish she had me some type of move on her first because she also wanted know me better, then Julia and her sister we walk into the living room and said now we can leave she open the door and they follow me to my car, tammy gave me the address and I took then to place where the pool party was going to be, i park the car and they walk in first and i follow them, i saw a lot of people already there and the twins walk to the pool and start talking with other people, i felt a bit shy so i went to the bar and order a beer, i saw tammy talking with some guy and he was touching her shoulder i felt jealous but i didn't know who he was so didn't do anything because I could be just a friend, tammy saw me looking at her and she walk to me and said dont worry he is just a friend she kiss me and said i only want you tonight, i felt better and she took my hand and we walk to the pool, she said lets swim and we jump in the water, she start kissing me under the water and her sister join us she also kiss me and tammy didnt mind, we star touching each other under the water and i was getting hard, tammy took my dick and start rubbing it and her sister start kissing my neck, i was so horny i wanted to fuck them right there but there was to many people around, tammy said lets go to the bathroom i follow her and her sister also follow us, we enter the bathroom and tammy lock the door, she start sucking my dick and her sister start kissing me, i was in heaven, i finger tammy while her sister suck my dick, tammy cum in my fingers and she said now its your turn, she bend over and i fuck her doggy style while her sister kiss her and play with her tits, i cum inside her and she scream, her sister said my turn and she ride me while tammy kiss me, i cum again inside her sister, we clean ourself and went back to the party like nothing happen, i was exhausted but happy, i saw tammy talking with her friends and she wink at me, i went to the bar and order another beer, tamara introduce me to her friends and also tammy join the conversation, her friends were impress by how tammy seems so in love with me ins such a short time, i felt proud, tammy whisper in my ear she want to go home and fuck all night, i said i can't wait, we stay a bit more and then we leave, i took them home and tammy and tamara said i made a good impression with her friends and they invited to dinner, Julia was in the kitchen and said how was the party to their daughter's star telling how i impressed her friends in a good way then Julia said well he is a smooth talker while we eat Julia was looking at me tammy and tamara said they were exhausted and they going upstairs but before leaving she said mom you can have a turn with him tonight we know dad is travelling because of work and that they wanted to talk more about sharing me. The next morning dawned bright, my muscles still humming from the night before. I padded downstairs to find Aunt Judy already in the kitchen, sipping coffee with a satisfied smirk. "Sleep well?" she asked, her voice low and teasing. Before I could answer, Mom and Lisa shuffled in, both looking pleasantly ruffled and sharing knowing glances.

Over pancakes, the conversation turned practical. "We need a schedule," Mom declared, tapping her fork. you can go out with the twins and julia monday to friday but Weekends reserved for us?" Lisa nodded eagerly, while Aunt Judy so I can come over the weekends then? She winked. Mom said you'll have to eat more healthily if you want to have sex with all of us and do some exercises to maintain your stamina. Then my aunt said those big juice balls and that dick are going to have a busy schedule. I laughed and said I agreed.

Later, Tammy called, her voice breathless. "Mom's planning dinner tonight. She wants you... all of you." The invitation hung heavy—a merging of worlds. Mom took the phone, her tone smooth. "Tell Julia we'll bring dessert." As she hung up, her eyes met mine, "Wear something nice," she murmured. Lisa giggled, aunt judy can i borrow one of your skimpy dresses mom laugh sure told her sister.

At the Johnson house, Julia greeted us with a tight hug. Her perfume—warm vanilla—wrapped around me. Tamara pulled me aside, whispering, "Mom bought new lingerie. Red." Tami smirked, we all went to dining table and sit them mom sit next to julia, aunt judy sit next to tammy my sister sit next to tamara and julia saw me deciding were i was going to sit she said seems my husband is travelling i can sit in the master chair then mom said you are the man of the house tonight i did julia sit next to me, her thigh pressed

against mine under the table. Dinner passed in a blur of laughter and loaded glances—Lisa recounting my "stamina," Aunt Judy adding, "He's surprisingly resilient."

Later, Julia led me upstairs, her hand tight on my wrist. "Tammy's idea," she breathed, pushing open her bedroom door. Inside, Tamara knelt on the bed in crimson lace, Tami beside her in matching black. Julia's fingers fumbled with my belt. "We share everything." then my mom sister and aunt appear at the door and said can we have a turn as well they all laugh and aunt judy said we are going to drain those big ball of your but tammy said he is my boyfriend but tonight is all ours julia said they can watch and learn how to satisfy him properly mom laugh and said i know how to satisfy him already julia said then show me and mom start sucking my dick while julia kiss me passionately tamara start kissing julia and tammy start kissing my mom while she suck me aunt judy start fingering my sister and my sister start moaning i was in heaven i star fingering tamara while mom suck me she deepthroat me and i cum in her mouth she swallow every drop julia said my turn she bend over and i fuck her doggy style while tamara lick my balls tammy kiss me mom start eating julia pussy my sister start sucking my dick again aunt judy finger my sister i was going crazy with pleasure i fuck julia hard and she cum screaming tamara said my turn she ride me while tammy kiss her julia recover and start sucking my balls mom start riding my face i cum inside tamara and she scream julia said she want another round i was exhausted but i fuck her missionary while mom and aunt judy kiss and tamara and tammy finger each other i cum again inside julia she collapse on the bed mom said my turn she ride me while my sister kiss me aunt judy start sucking my balls i cum again inside mom then my sister said i want a turn she ride me and i finger her she cum hard aunt judy said my turn she suck my dick and i fuck her doggy style she cum twice tamara said im next she ride me and cums twice as well tammy said my turn she ride me and i piledriver to the bed, julia recover and said she want more in that position i fuck her again she cum hard mom said she want another round i fuck her doggy style she cum screaming aunt judy took the same position as my mom and i star jackhamerring her greedy cunt she cum twice my sister said that iam like machine the i fuck her doggy style she cum hard tamara said to tammy he is going to have come with us to the lake house because we should invite her friends to have turn with him tammy maybe in the future know we have him pretty occupied then tamara said i want another round she bend over and i fuck her hard she cum again julia recover and said she want me to cum inside her again she ride me i cum inside her she collapse again mom said she want to suck my dick clean she did and swallow every drop aunt judy said she want to taste my cum from julia pussy she start eating julia pussy julia moan and cum again tammy said she want me to lick her pussy i did and she cum tamara said me too i did and she cum my sister said me too i did and she cum mom said she want to cum again i fuck her missionary while aunt judy kiss her i cum inside her again she scream aunt judy said she want another round i fuck her doggy style she cum twice and collapse on the bed we all sleep together naked i woke up later and saw them all sleeping i smile and went to the kitcheen to eat something i felt happy and knew my life was going to be full of sex and love from now on.

The next morning, sunlight streamed through Julia's curtains, illuminating tangled limbs and discarded lace. Tammy stirred against my chest, murmuring, "You survived." Julia stretched languidly, her fingers tracing my hipbone. "Survived?" She chuckled, low and throaty. "He conquered." Downstairs, the clatter of pans signaled Mom and Aunt Judy were already orchestrating breakfast—fuel, I knew, for whatever came next. Lisa appeared in the doorway, tousled and grinning. "Pool?" she suggested, eyeing the twins. "The last one washes Jimmy's... laundry." Tamara bolted upright. "Deal." Chaos erupted—bare feet slapping wood, laughter echoing—as bodies tumbled toward the water. Julia caught my wrist. "Stay," she ordered, her thumb brushing my pulse point. "Recovery time." Her kiss tasted like coffee and promise.

By afternoon, schedules were etched onto the fridge—color-coded, absurdly precise. Mondays-Wednesdays: Twins. Thursdays-Fridays: Julia. Weekends: Home base with Mom, Lisa, and Aunt Judy ("rotating shifts," Judy winked). Flexibility clauses were added

("emergency itch-scratching," Mom noted dryly). Later, Julia pressed a key into my palm during dishes. "Master bedroom," she whispered. "Midnight. Bring stamina." Her eyes flicked toward the living room where Mom debated wine choices with Judy the all star talking and I was impressed on how all turned out to be a big happy family.

The lake house weekend arrived—Tamara's suggestion, Julia's funding. the SUVs was packed with anticipation "Mom aunt judy and julia packed the *good* lingerie," my sister and the twins packed some swimsuits, aunt Judy separated and whisper "Remember, Jimmy—hydration breaks." Tamara and Tammy brought their friends Kelly and Pamela while Julia drove us to the lake house. They started a small chat with me and Pamela whispered "Tammy says you're... generous."

The cabin smelled of pine and possibility. Julia claimed the largest bedroom ("Hostess privileges"), while Mom and Aunt Judy commandeered the kitchen, unpacking wine and whispered jokes. The twins dragged me outside to the dock, Kelly and Pamela trailing behind. "Last one skinny-dipping owes Jimmy a favor!" Tamara yelled, shimmying out of her shorts. Water exploded as bodies plunged—pale limbs flashing under the late sun. Kelly surfaced gasping, her eyes locked on me. "Tammy wasn't exaggerating." Her fingers brushed my thigh beneath the surface.

Inside, Julia poured bourbon into heavy tumblers. "Strategic planning," she murmured, handing one to Mom. They leaned against the counter, silhouettes sharp against the dusk-filled window. "The girls are eager," Julia said, swirling her drink. " Mom snorted. "Tell her to get in line. Judy already called dibs on after-dinner cleanup." Their laughter was low, conspiratorial—a pact sealed in amber liquid and shared conquest.

Night draped the lake in velvet. Candles flickered on the porch as Pamela straddled my lap, her hips grinding slow circles against my jeans. Kelly watched from the shadows, biting her lip. "Tammy says you like an audience," Pamela breathed, fingers working my belt. Behind her, Julia appeared, a silhouette against the screen door. "Don't wear him out," she warned, though her eyes gleamed approval. Pamela's hand dipped lower. "Just warming him up."

Inside, chaos simmered. Aunt Judy pinned Mom against the fridge, kissing her fiercely while Lisa giggled, pouring tequila shots. Tamara tugged me toward the hearth rug. "Kelly's turn," she ordered. Kelly knelt, trembling slightly as she took me into her mouth. Julia knelt behind her, guiding Kelly's head with gentle pressure. "Deep breaths," Julia coached, her own dress hiking up as she shifted closer. They all took turns depthoating me until Pamela gasped, "He's leaking!" Julia chuckled darkly. "Good. Now flip her." Kelly scrambled onto all fours, and Julia positioned herself behind her, fingers spreading Kelly open. "Go slow, Jimmy—she's tight." Kelly whimpered as I entered her, Julia's fingers circling Kelly's clit in tandem with my thrusts. Kelly's cries built fast—sharp, startled gasps—until she shattered, collapsing forward. Julia caught her, murmuring praise. "Next," she commanded, eyes locking on Pamela. Pamela didn't hesitate, straddling my hips, sinking down with a groan wow he is big now i know why you like him then julia said and he can go for hours pamela said she can go for hours too she ride me hard and fast julia start fingering her clit tamara start sucking my balls tammy kiss me mom and aunt judy start kissing each other while fingering themselves lisa start sucking my fingers i was in heaven pamela cum hard and scream julia said my turn "She pushed Pamela aside, her dress pooling at her feet. "Stand up." I obeyed. Julia knelt, taking me into her mouth with slow, deliberate suction. Her eyes never left mine—dark, possessive. She pulled back, lips glistening. "Now fuck me like you own me." I lifted her onto the oak table, scattering half-empty glasses. She wrapped her legs around my waist, arching as I drove into her. "Harder," she hissed. Across the room, Mom and Judy paused their kissing, watching Julia unravel. "That's it," Julia gasped, nails scoring my back. "Make me scream." And I did—her climax echoed off the rafters, raw and triumphant. She slumped against me, breathless. "Tamara," she panted, "your turn." Tamara scrambled onto the

table, Julia's wetness slick beneath her. "Ride him reverse," Julia ordered, still sprawled beneath us. Tamara obeyed, sinking down with a moan. Julia reached up, fingers finding Tamara's clit. "Faster," she urged. Tamara rocked violently, her cries mingling with Julia's low commands. When Tamara came, shuddering, Julia smiled—sated, ruthless. "Who's next?" she asked the room. Silence. Then Lisa stepped forward, cheeks flushed. "Me," she whispered. Julia nodded. "Show him what sisters do."

Lisa climbed onto the table, Tamara collapsing beside Julia. Her hands trembled as she guided me inside her. "Look at me," she pleaded. I did—her eyes wide, vulnerable. Julia's fingers brushed Lisa's thigh. "Make her come first," she instructed. I moved slowly, deeply, watching Lisa's breath hitch. Mom appeared beside us, kissing Lisa's temple. "Good girl," she murmured. Lisa's climax built "Now fuck her properly." I did, driving hard as Lisa clutched the table's edge. Behind me, Kelly and Pamela watched, their hands interlaced. Lisa's cry shattered the silence—raw, unguarded. Julia caught her as she slumped. "Next," Julia breathed, her gaze sweeping the room. Aunt Judy stepped forward, shedding her robe. "My turn," she declared, nudging Lisa aside. The table groaned under new weight. Judy's hips met mine with practiced urgency. "Harder, Jimmy," she demanded, her voice rough. Julia's fingers circled Judy's clit, synchronizing with my thrusts. Judy's head fell back, a guttural moan tearing loose. "That's it," mom coaxed. "Scream for us." And Judy did, unhinged release echoing into the night.

The air thickened with sweat and musk. Judy shuddered through her climax, gripping the table's edge until her knuckles whitened. As she slid off, panting, Kelly hesitated—then crawled forward, her eyes locked on mine. Julia guided her onto her back, legs spread wide. "Slow," Julia commanded. Kelly whimpered as I entered her, her body tensing. "Relax," Tamara whispered, stroking Kelly's hair. Julia's fingers teased Kelly's clit in slow circles. Kelly's gasps softened into moans, her hips lifting to meet each thrust. "There," Julia murmured. Kelly's eyes fluttered shut as she arched, crying out softly—a ripple of pleasure that left her trembling. Pamela was next, straddling me eagerly. "Faster," she begged, riding me with fierce abandon. Julia watched, a queen surveying her domain. "Then mom said you really are a stallion while kissing me."

Dawn crept across the lake, painting the cabin in pale gold. Bodies lay tangled on couches and rugs—Kelly and Pamela asleep in a heap, Lisa curled against Judy's shoulder. Julia stood by the window, her silhouette sharp against the light. She turned, her gaze finding mine. "Still functional?" she teased, nodding toward my lap. I grinned weakly. She crossed the room, her steps silent on the wood floor. Her fingers traced my jaw. "Good," she whispered. "Because sunrise is my favorite time." She led me to the empty hearth rug, pushing me down gently.

Her mouth was insistent, hungry—a stark contrast to the dawn's quiet. She straddled me, her movements fluid and demanding. "This," she breathed against my neck, "is gratitude." Her hips rolled, taking me deep, her eyes never leaving mine. Behind us, soft stirrings echoed—Mom watching from the doorway Julia said to my mom that dick is incredible and my mom said i know, Judy shifting on the couch with a sleepy smirk. Julia's rhythm intensified, her nails digging into my chest as she chased her own peak ,mom walk just near of us and kiss julia and said whe we go back he is going to move to my room with a laugh julia said i would do the same i have son like him she start moving faster and faster then mom move aside and told her she wanted a turn she went in all four next to julia do me doggy julia laugh and said she is a greedy girl and i start fuck mom doggy style julia said she wanted to watch and she moved behind me and start licking my balls while i fuck mom mom start moaning loud julia said she wanted to taste mom pussy and she start eating mom pussy mom scream and cum julia start sucking mom clit and mom cum again then suck my cock and told me to keep fucking her mom moun when i enter her again julia start fingering mom ass mom cum hard julia said my turn she bend over and i fuck her missionary mom start sucking my balls watching how i

intensify my thrusting over julia and i finally came, mom and julia said we finally calm down that beast that your son have as a dick.

Later, pancakes sizzled as Tamara draped herself over my shoulder. "Kelly's hooked," she whispered, nodding toward the blonde nursing coffee. Pamela grinned, tracing my thigh under the table. "Weekend tradition?" not just lucky to have a girlfriend that doesn't mind sharing with me. Julia slid a syrup-drenched plate before me. "Eat," she ordered. "You'll need fuel." tamara tammy kelly pamela and my sister said they wanted to go shopping i stay and i went to the living room and turn on the tv while mom aunt judy and julia were cleaning the mess we leave yesterday moments later julia said to me that she was glad that i came to their life and i said the same she kiss me passionately mom said she want a kiss too and i kiss her aunt judy said she want a kiss too and i kiss her mom the told me aunt judy was going to move to our house because she wanted to be with us and her house was going to sell it i said that with the money we could our house some changes to make room for all of us then julia told my mom that her husband didnt really went for a business meeting we had a discussion about what happened at the pool party and even thou we have done it we other couple he saw the way i look at your son and decide he didnt want to compete with me so he left mom was shocked but aunt judy told her she already knew and she was the one that told him to leave to have a better life mom said she didnt know julia told her that she was sorry but she was happy that he left because she could have me all for herself mom said she was happy too aunt judy said she was happy too because she could be with us i was shocked but happy at the same time mom asked me if i was okay with that i said yes as long as they are happy i am happy too julia aunt judy said we could make connecting houses to make more easily to each other house mom said that was a great idea julia said she will call a contractor next week aunt judy said she will pay for it mom said she will help with the money too i said i will help too julia said no you are going to be our sex toy and we are going to take care of you mom and aunt judy laugh and agree i smile and said okay then julia said she want to celebrate she start kissing me mom start kissing aunt judy aunt judy start kissing mom julia told me to lay down on the couch she start sucking my dick mom start kissing me aunt judy start sucking my balls mom start kissing julia aunt judy start fingering mom julia start fingering aunt judy i was going crazy with pleasure julia said she want me to fuck her i fuck her missionary mom start sucking my dick while the other was riding me aunt judy start eating julia pussy mom start fingering aunt judy i cum inside julia she scream mom start sucking my dick clean aunt judy start licking julia pussy clean mom said she want me to fuck her i fuck her doggy style and i star going faster and harder to make my mom cum hard aunt judy start sucking my balls julia start kissing me mom scream and cum aunt judy said her turn she ride me reverse cow girl while i finger julia mom start sucking my balls julia start fingering mom aunt judy cum hard mom said she want me to cum inside her i put her on the couch and star pile driving her with force aunt judy and julia star watching us and said he is her son afterall he going to go crazy with his mom they laugh then mom told then he sure will and that dick is drive me crazy as well while she scream with pleasure i cum inside her she scream julia and aunt judy start licking my cum from mom pussy mom moan with pleasure i collapse on the couch exhausted they start kissing me and said we love you i smile and said i love you too.

The remodeling began Monday—hammering echoing through walls as contractors tore down barriers between houses. Julia supervised with a clipboard, her smile sharp as she pointed out where new doorways would fuse her domain with ours. Aunt Judy draped an arm around Mom's shoulder, whispering, "Imagine the noise insulation—or lack thereof." Mom just laughed, pouring coffee. By week's end, our separate homes bled into one sprawling labyrinth of shared spaces—and shared secrets.

The remodeling began Monday—hammering echoing through walls as contractors tore down barriers between houses. Julia supervised with a clipboard, her smile sharp as she pointed out where new doorways would fuse her domain with ours. Aunt Judy draped an arm around Mom's shoulder, whispering, "Imagine the noise insulation—or lack thereof." Mom just laughed, pouring coffee. By week's end, our separate homes bled into one sprawling labyrinth of shared spaces—and shared secrets. Contractors finish the renovation and we star moving aunt judy stuff to her new room by night we ate some pizza and each of us went to their respective rooms
