

Possession, Exchange?
Neighbor, Succubus?!

A young man with dark hair, wearing a green military-style jacket, is sitting on a subway train. He is looking out the window with a thoughtful expression. The train has red seats and blue carpeting. The background shows the interior of the train with other empty seats and structural elements.

Phew, I'm exhausted... I used to play for a long time without a rest.
Now it's only five o'clock in the morning,
but I cannot hold up anymore.

Lin Fan, who had just played overnight,
was taking the first subway of the morning to go home.
He has not stayed up this late since the fourth year of college.
Today, his best friends sensed his depression
because of his recent break-up with his girlfriend;
they insisted on bringing him out to play overnight to relieve his depression.
Although tired, Lin Fan is feeling much better.

A 3D rendered male character with dark hair and a green jacket is sitting in a red car seat. He is looking out the window with a thoughtful expression. The background shows a blurred outdoor scene with a building and a tree.

But as a man, no matter what the situation,
his eye always fall on beautiful women.

Is this a high school student nearby?
Go to school at this hour?

A person in a school uniform (white short-sleeved button-down shirt, dark pleated skirt, white knee-high socks, and black Mary Jane shoes) stands on a train platform, holding a yellow bag and looking at a smartphone. In the foreground, the back of a person's head and shoulders are visible, looking towards the person on the platform. The background shows a train platform with a blue carpet, a red bench, and a yellow vertical pole.

What a struggle.

When he was in high school,
Lin Fan especially liked this kind of cute girls.
But now, he prefers gorgeous girls to cute ones.

Even though, who can refuse beauty white stocking?

Ah ~ wait!

pa pa pa pa

Lin Fan hates this kind of people who have to rush the elevator.
But he still blocked the elevator just for the sake of politeness.

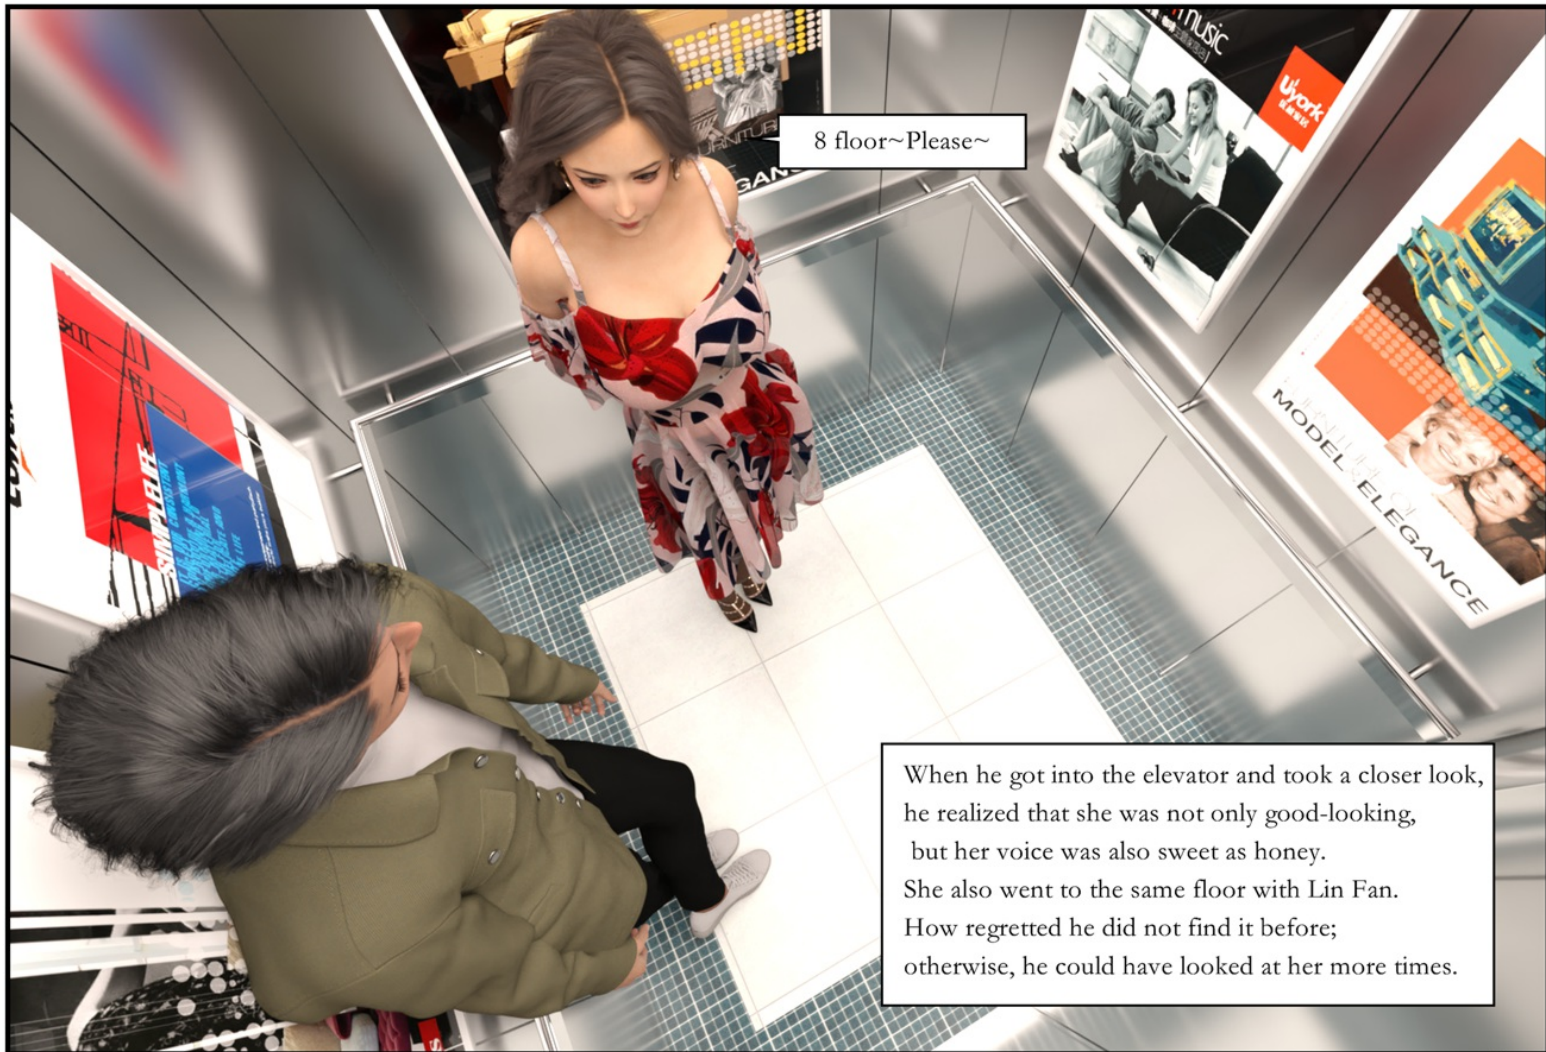

A mannequin is displayed in a store window, wearing a short, flared dress with a bold floral pattern in red, white, and blue. The dress is cinched at the waist with a large red bow. The mannequin is also wearing black sheer tights and black high-heeled mules with gold studded details. To the right, another mannequin is partially visible, wearing a green jacket and black leggings. The background includes a poster with the word 'LIFE' and a blue sign. The floor is a light-colored tile with a blue grid pattern near the entrance.

Sorry, handsome.

He looked at the woman in front of him.
He had seen her twice before in the building.
Last time she went out in the uniform of a stewardess.
It seems that the work turn her days and nights upside down.

8 floor~ Please~

When he got into the elevator and took a closer look, he realized that she was not only good-looking, but her voice was also sweet as honey. She also went to the same floor with Lin Fan. How regretted he did not find it before; otherwise, he could have looked at her more times.

Its corret, she is the stewardess

Sorry for let you wait

A man with short dark hair, wearing a green button-down jacket over a white shirt and black pants, stands in an elevator. He is looking down and slightly to his right with a shy expression. To his right, the lower half of a woman is visible; she is wearing a white dress with a large, bold floral pattern in red, blue, and grey. She is holding a small, textured brown clutch bag. The elevator has a metallic interior with a control panel on the left wall featuring a yellow emergency button and a floor indicator showing numbers 1 through 4. A window on the right shows a red building outside.

Thats... Thats fine.

The moment he met her eyes,
Lin Fan actually got a little bit shy.
For the rest of the elevator's ascent,
he was too embarrassed to look at the
woman in front of him again.

I'm back...

Lin Fan habitually said I'm back,
but when he awared,
he realized that no one was waiting for him at home.
Once full of happiness in the rental house,
now only lonely.

Although I can suppress the feeling of sadness by being sleepy now,
what will happen when I wake up? I wish I could always be sleepy like this.

Lin Fan Fell asleep with this thought

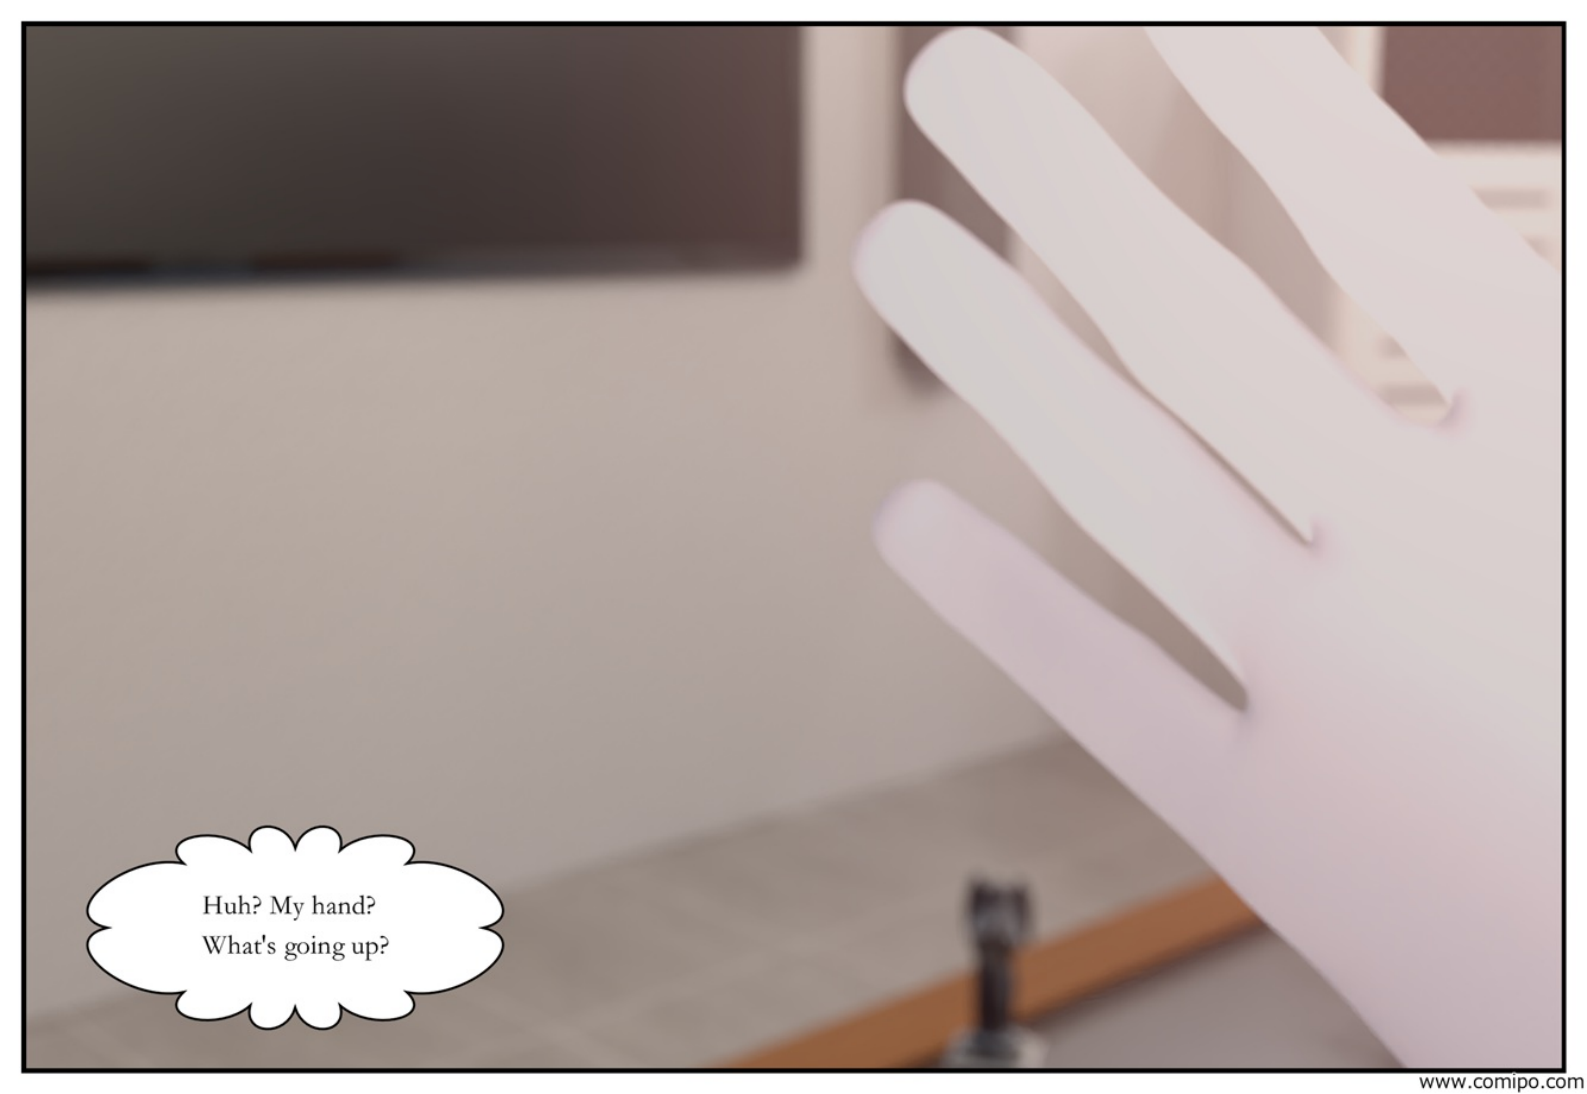

However, during his sleep, the inconspicuous statue in the room underwent a mutation.

A small, dark-colored statue of an angel with wings, standing on a small, dark, rectangular pedestal. The statue is positioned on a light-colored wooden surface, possibly a shelf or table. The background is a plain, light-colored wall. A large, stylized, radiating light effect, composed of many thin, black lines, emanates from the top center of the image, creating a dramatic, almost ethereal atmosphere. The overall scene is dimly lit, with the light effect providing the primary illumination.

Damn, how long have I been sleeping.
My head hurts...

A close-up, slightly out-of-focus photograph of a person's hand reaching upwards. The hand is positioned on the right side of the frame, with fingers spread. In the background, a dark rectangular object, possibly a screen or a piece of equipment, is mounted on a light-colored wall. The overall lighting is soft and indoor.

Huh? My hand?

What's going up?

Am I a ghost?

Although he still does not know why this happens?
But this novelty feeling makes him forget the pain of lost love for a while.

Haha, sure enough, I can do that.

Intresting, I can go anywhere I want.

But he turned his head to find that a woman doing yoga in front of him.

With a closer look, Lin Fan realized that she is the beautiful woman who went home together in the elevator, and now he is standing in front of her like this, more or less embarrassed.

Hey! Beauty! Can you see me?

Can you feel my touch? Ghost feeling?

Oh shit!
What a ghost?

En? What?..

Just as Lin Fan touched the woman's body, a burst of green light hit him, and something strange happened again. He only felt a strong gravitational force \coming from where he touched the woman, a gravitational force so strong that it was as if it was going to Dragged into the woman's body.

A 3D rendered woman with dark hair in a bun, wearing a white tank top. Her face and arms are covered in glowing green energy patterns resembling lightning or veins. She has a shocked expression with wide eyes and an open mouth. The background shows a modern interior with shelves and a framed picture.

What happened! ?
My body feel so hot...AHAAH...

AH AH AH AAH!

Why am I fell down?

A woman with dark hair tied back, wearing a white ribbed tank top and white leggings, is sitting on a dark piano. She is looking down and to the left with a thoughtful expression, her right hand resting against her face. The background is a softly lit room with a piano and some decorative items on a shelf.

I was just...
What was I doing?

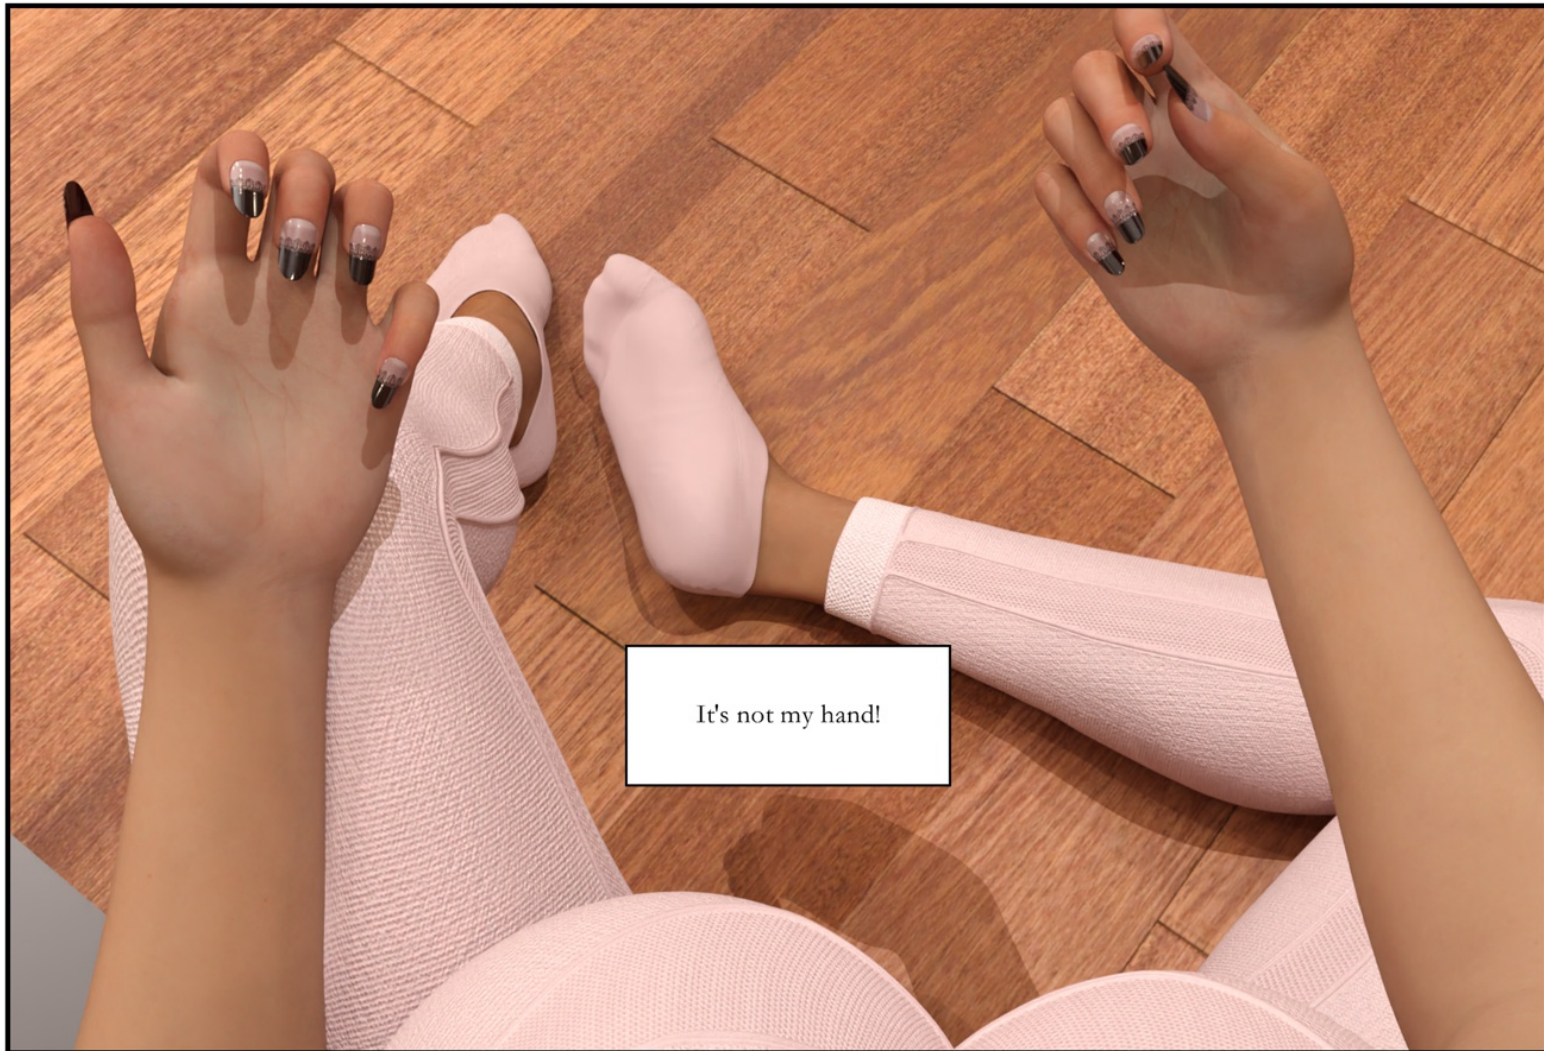

A woman with dark hair tied in a bun is sitting on a wooden floor, wearing a white tank top and white leggings. She is looking down at her hands, which are resting on the floor. A speech bubble is visible in the upper left corner of the image.

I was just doing yoga? I'm...
My name is... Leng Yu Xuan...?
That's not right! I'm Lin Fan, huh?
Didn't I just die and become a
ghost? How come...

A woman with dark hair tied in a bun is sitting on a wooden floor. She is wearing a light pink sports bra and matching leggings. She has a pained expression, with her eyes closed and her right hand pressed against her forehead. Her left hand is near her chest. The background shows a modern interior with a white brick wall, a dark wooden shelf with a digital clock, and a dark sofa with a white cushion.

Hiss... Head... It hurts.

some new memories crowd into his mind

It's not my hand!

What have I become?

He ran quickly toward the mirror that he could see.

Isn't this my beautiful neighbor!
How did I become her?

No, it's uncomfortable,
her clothes are all wet.
I have to change another one.

A close-up, low-angle shot of a woman with dark brown hair styled in a high, voluminous bun. She is wearing a light pink, ribbed tank top. Her right arm is raised, with her hand resting behind her head. She has a soft, slightly pensive expression on her face, looking off to the right. The background is a warm, out-of-focus indoor setting with ceiling lights visible. A speech bubble is positioned near her head.

Sorry about that, beauty.
Gotta see you naked.

A woman with dark hair in a bun, wearing a light green floral sports bra, is shown in profile, opening a clear plastic water bottle. She is in a modern living room with a stone fireplace, a large TV, and warm lighting. A speech bubble above her head contains the text "What should I do after th".

What should I do after th

Maybe because this body just finished exercising,
and maybe because just saw the naked body too excited.
At this time, Lin Fan urgently needs to drink water.

A woman with dark hair in a bun, wearing a floral crop top, is seen from behind, looking towards a man walking away. The man is wearing a black suit and is walking barefoot on a wooden floor. The background features a wall with horizontal white slats and a dark-framed display case. The scene is lit with warm, ambient lighting.

What should I do?

Honey~?

Forget it, I can't run away.
Just do and see what happens.

A woman with dark hair in a bun, wearing a green and pink floral bikini, stands in a modern kitchen. She is looking towards the right. The kitchen has white upper cabinets, dark lower cabinets, and a white countertop with green containers. A white speech bubble is next to her.

Honey... Honey, I am here

A man with short dark hair, wearing a black shirt, is seen from the side, looking towards the woman. He is standing in a hallway with a wooden floor. On the wall behind him are two framed pictures: one of a person walking on a path and another with text. A white speech bubble is next to him.

What are you doing there, sweetie?

A man with short dark hair, wearing a black jacket, is seen from the side, looking towards a woman. The woman has her dark hair in a high bun and is wearing a light-colored floral-patterned spaghetti-strap top. She is looking back at him with a slightly weary expression. They are in a modern interior with wooden floors and contemporary furniture.

Playing peek-a-boo with me.

Oh, that's not true.

Why are you back so early today?
Didn't you go out to play with your friends?

Today, a little tired ...

Come on, husband kiss ~

Why this guy so annoying?

Hubby aren't you hungry?
I haven't cooked yet, so go take a shower.

alright~

A woman with dark hair in a bun, wearing a light green floral bikini top, stands in a kitchen. She is looking down with her hand near her forehead. In the background, there are dark kitchen cabinets and a shelf with green cups.

Finally, it's time to get rid of it.
Do a shit cooking, order a take-out.

At night, in order to muddle through.
Lin Fan lay in bed early and pretended to sleep.

Honey, look at me,
I think I have sbdominal muscles because of training

Why do you sleep so early today? dear?

Fondle

Men's hands are never stop,
Lin Fan now knows the meaning of this statement.
The temperature of the palm of his hand
is not the only feeling that comes from breasts,
but also a tingling feeling.

A man with short dark hair is leaning over a woman with her hair in a bun. They are in a close embrace, with the man's face near the woman's. The woman is wearing a floral-patterned top. The background shows a room with posters on the wall.

Why pretend to sleep, darling

I was asleep, you wake me...

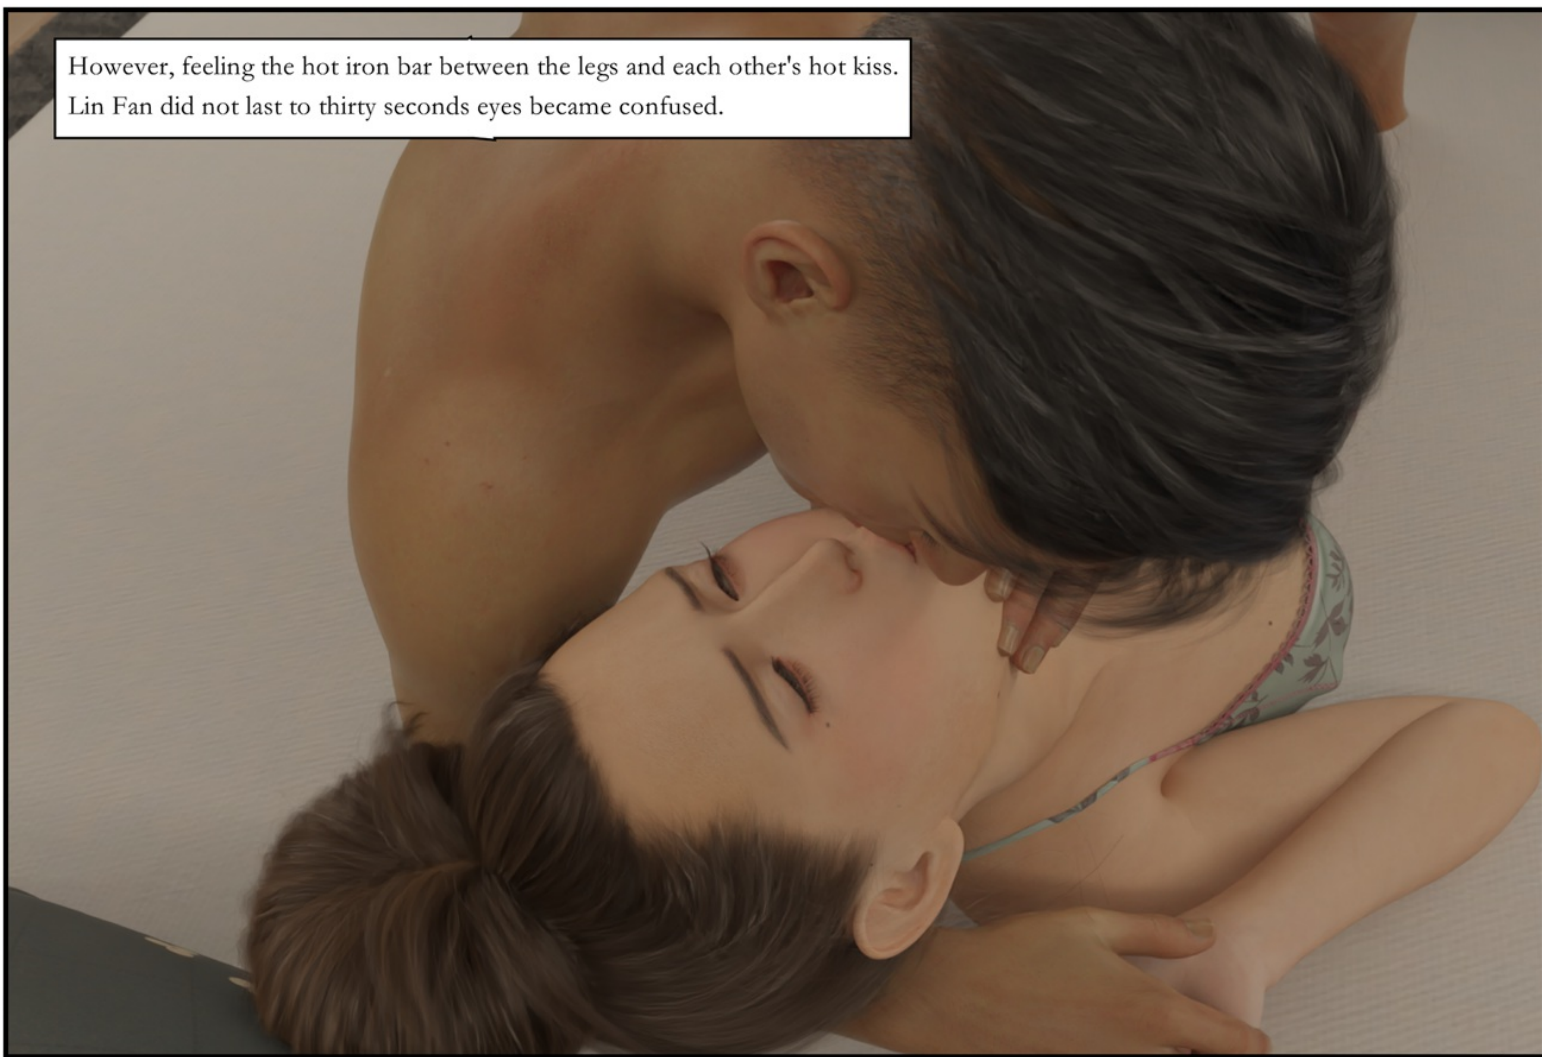

Before he could finish his words,
Lin Fan was kissed.

The man before him didn't give himself a chance to speak.
Lin Fan felt like a toy. At the same time, danger signals were coming from the lower body.

However, feeling the hot iron bar between the legs and each other's hot kiss.
Lin Fan did not last to thirty seconds eyes became confused.

Don't touch, it tickles...

Honey why are you so shy tonight,
it makes me even more excited!

Under the caress, not only the eyes.
Lin Fan's entire body is paralyzed.

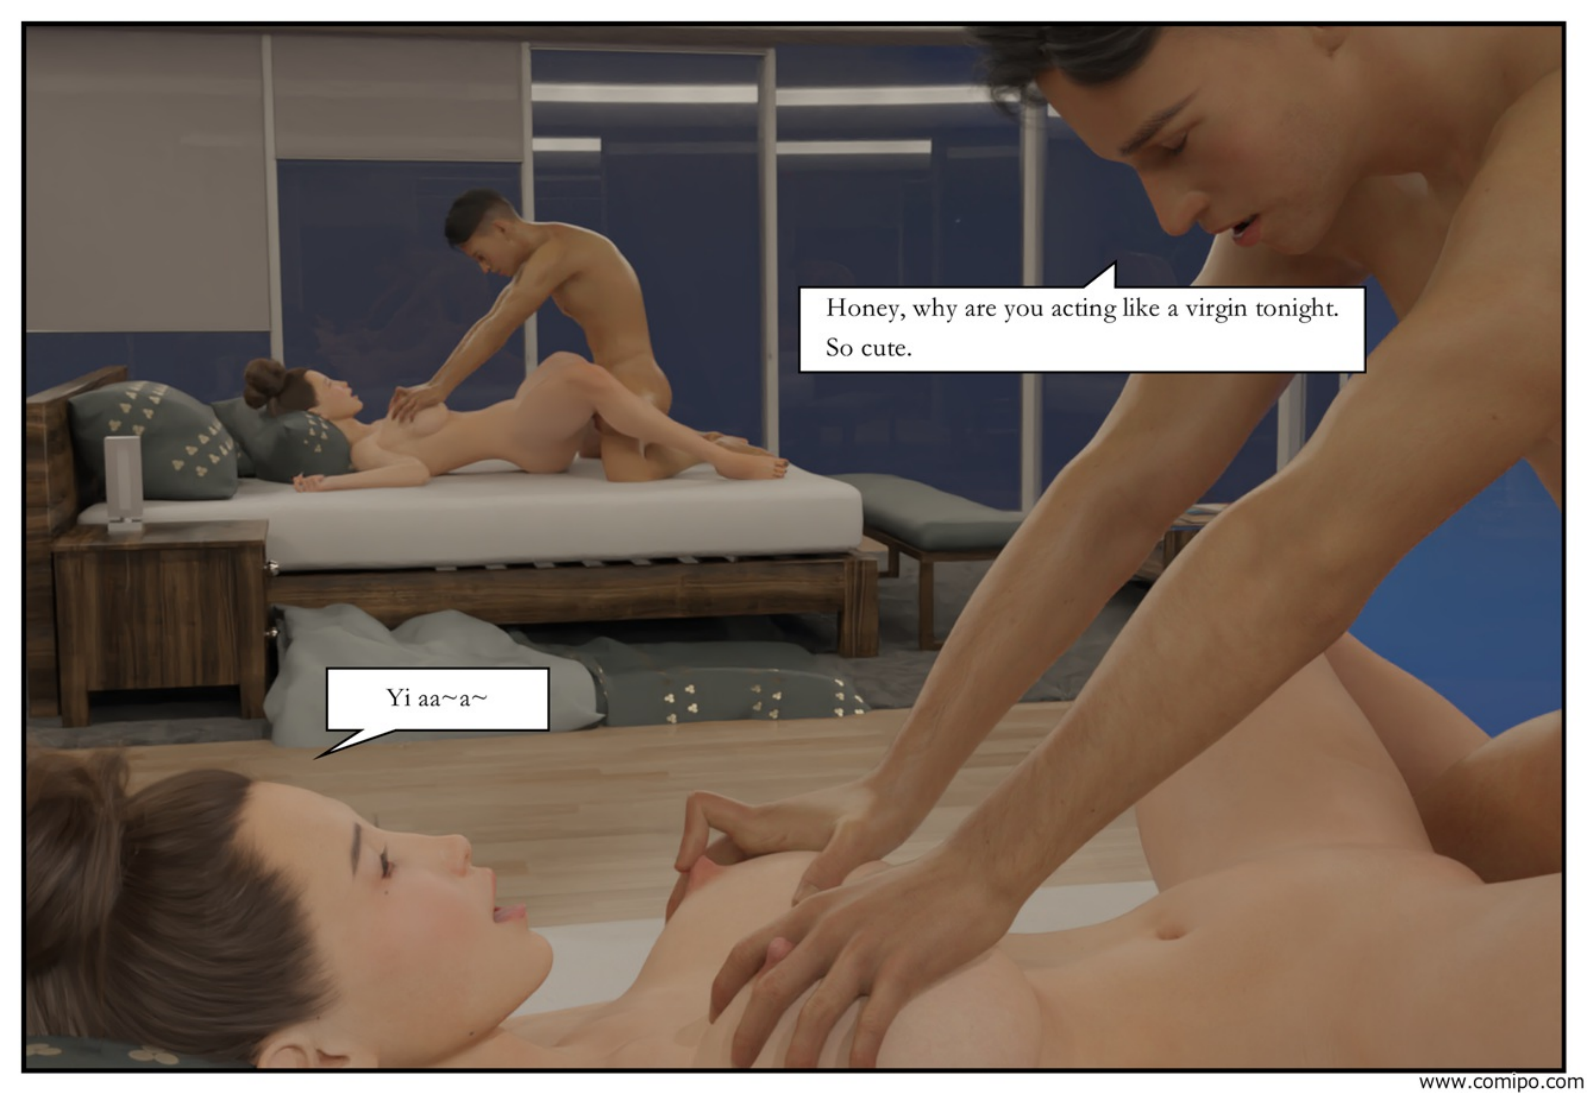

Be gentle, it hurts!

Aha, no more...

Husband's deft tongue drew circles around Lin Fan's current nipples.
The intense tingling sensation made his mind go blank.

A man is kneeling on a bed, massaging a woman's back. The woman is lying on her stomach, propped up on her elbows. The man is leaning over her, his hands on her back. The room has large windows in the background, showing a night view. The bed has a white mattress and a wooden frame. There are pillows with a pattern of small yellow triangles. A small white lamp is on a wooden nightstand next to the bed.

Honey, why are you acting like a virgin tonight.
So cute.

Yi aa~a~

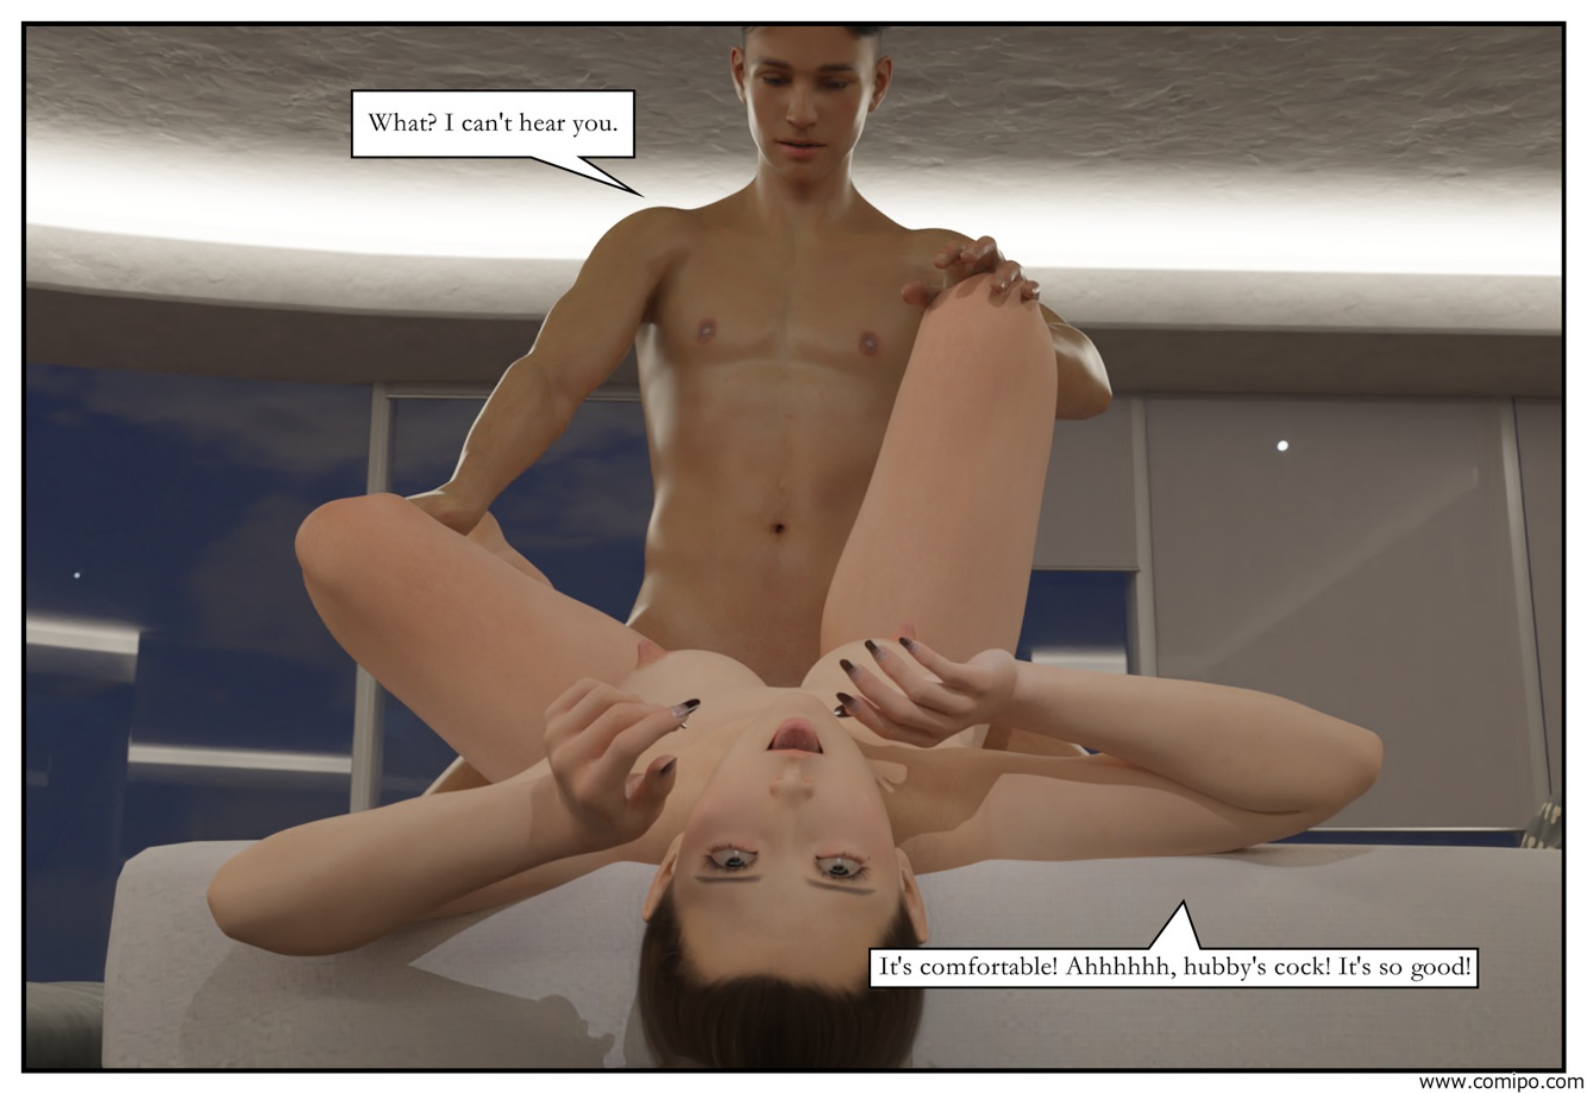

Although he has tried everything Lin Fan eventually did not stop that dick from entering his body tonight. However, at this point, he could not say whether he regretted or resigned.

Ah Ah Ah~

En...

Honey, are you comfortable?

What? I can't hear you.

It's comfortable! Ahhhhhh, hubby's cock! It's so good!

Looking in the mirror now see his lascivious appearance.
He also does not want to have any mental barriers.
Just enjoy this woman's body.

The next morning, when Lin Fan got up, the house
He was already the only one left.

A woman with dark hair in a bun, wearing a light green bra with a pink floral pattern and a pink lace waistband. She is looking down at her chest, where a shadow of a person is visible. She has black nail polish on her fingers. The background shows a modern interior with large windows and a dark door.

It seems that what happened yesterday was not a dream

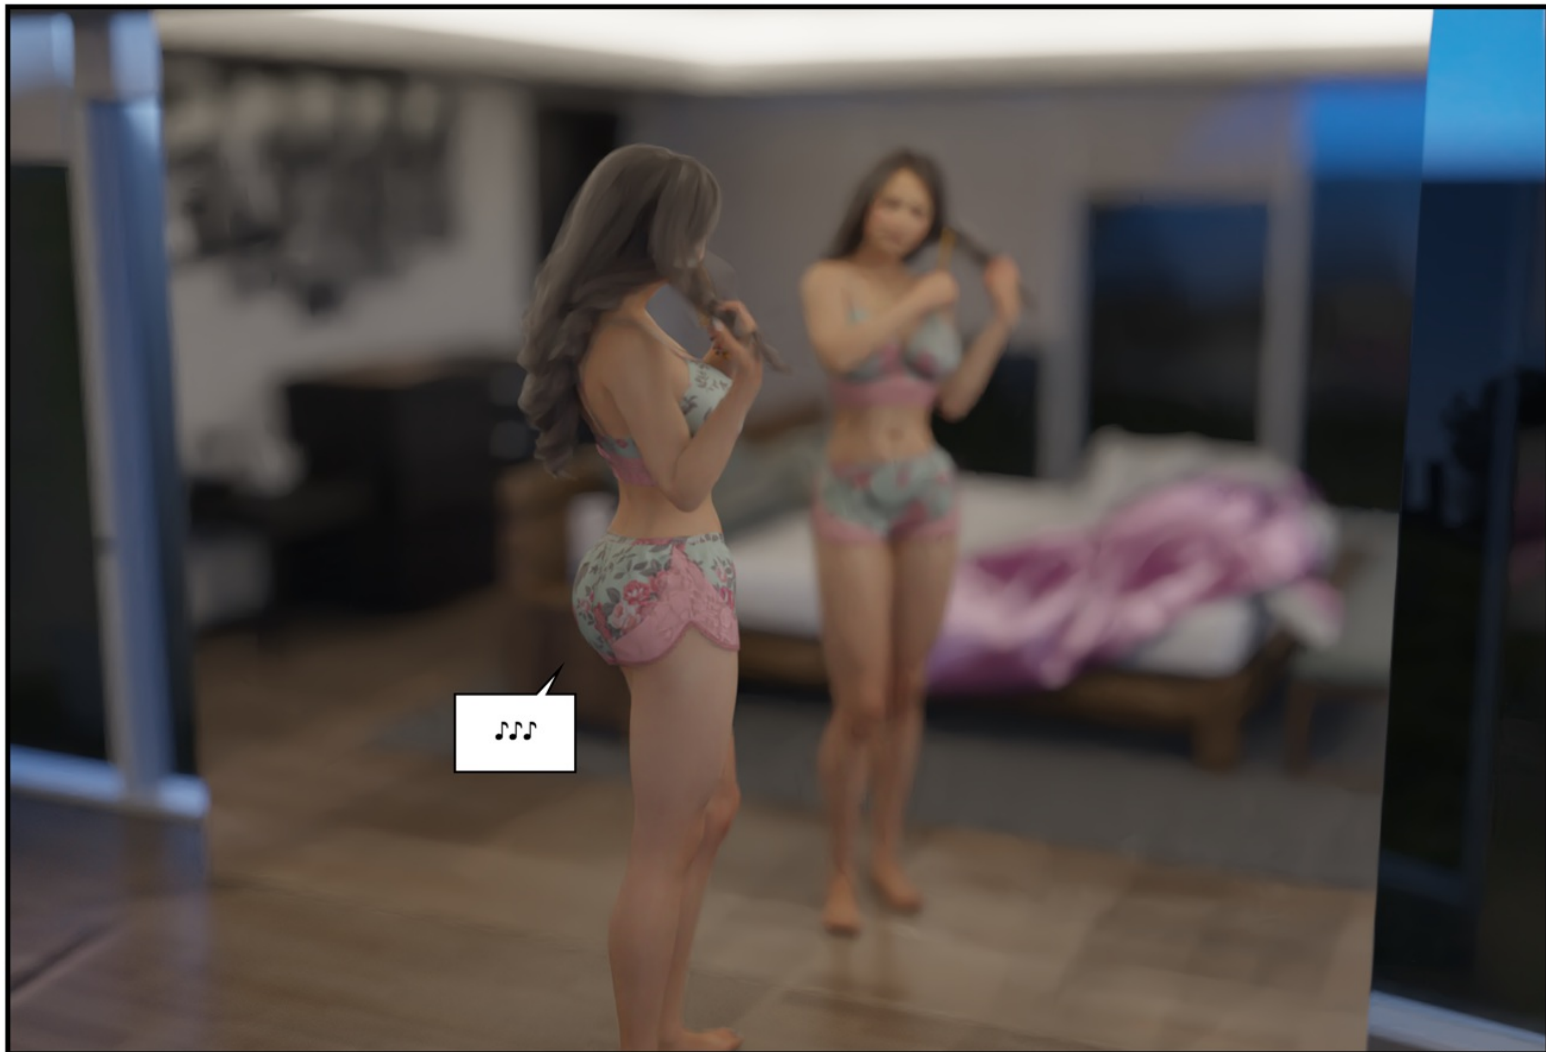

A woman with dark hair tied in a bun is shown from the back, looking at her hand which has some white residue on it. In the background, a man is sitting on a bed. The room has a wooden bed frame, patterned pillows, and a potted plant.

Looking at the mixture of semen and his own bodily fluids on his hands, he remembered what he behaved in bed last night.

This is the husband last night Ah, out of the mouth ... Forget it, forget it, pack up and go to my best friend's place to discuss what to do next.

But at the moment, he must find someone to discuss how to deal this situation. The first guy Lin Fan thought of was his best friend who spent the night with him yesterday.

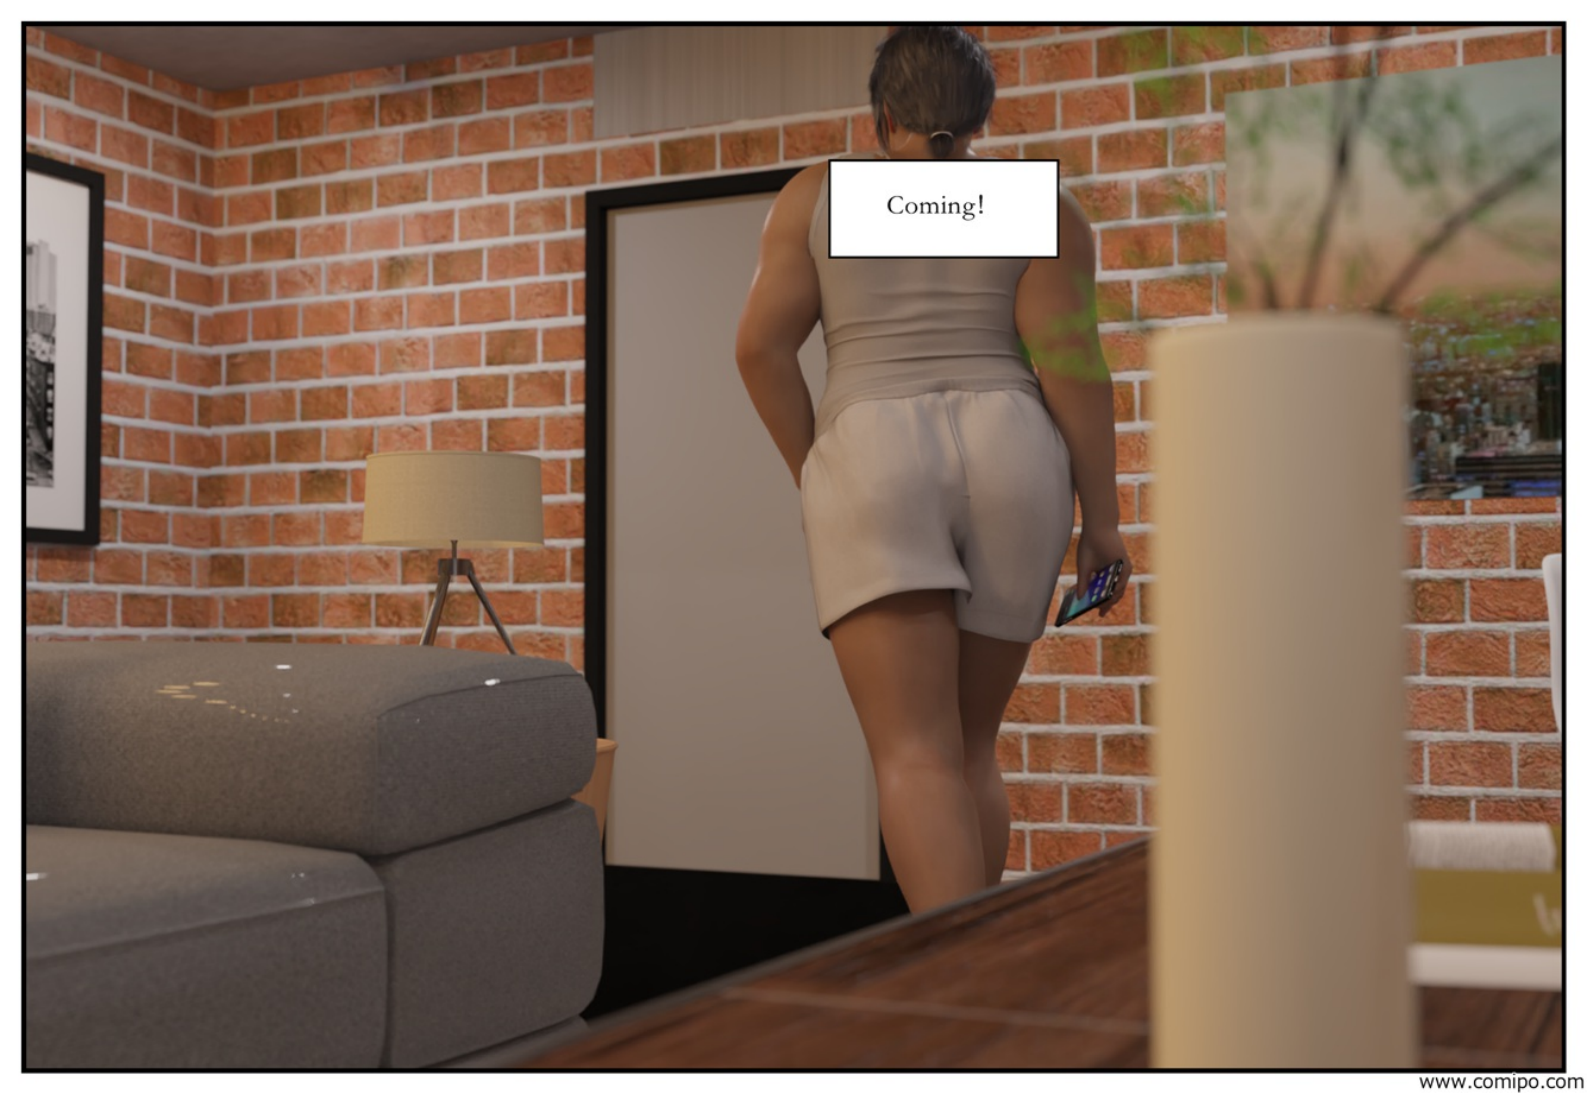

Damn, what's wrong with this guy?
Not sudden death, huh?
Did yesterday go back to sleep until now?
Last night I called him to play the game,
but no response.

A woman with dark hair tied back, wearing a grey tank top and white shorts, is walking away from the camera towards a doorway. She is holding a smartphone in her left hand. The room has a brick wall, a grey sofa, a lamp, and a framed picture. A speech bubble above her back contains the text "Coming!".

Coming!

A woman with short grey hair, wearing a beige tank top and matching shorts, stands with her back to the camera. She is looking at a framed black and white photograph of a city street hanging on a red brick wall. To the left is a white cabinet with drawers. To the right is a white wall and a brick wall with a digital display. The floor is dark.

Who are you looking for?

Ah? Beauty.. Who are you looking for?

Hey, beautiful?
Are you deaf or dumb?

Although did not speak,
but Lin Fan mentally has spit fat 10,000 times.
No wonder you don't have a girlfriend!

Miss!

Speak something.

A woman with long, wavy brown hair is sitting on a grey sectional sofa in a modern living room. She is wearing a light pink, off-the-shoulder dress with a floral pattern, black tights, and gold high-heeled shoes. She has her hand near her chin, looking thoughtfully towards the camera. The room features a brick wall, a window, and a kitchen area in the background.

Lin Fan originally want to tell the fat man who he was directly. But when he see his look and felt funny. Such a good opportunity to play with him. So the words come to his mouth and change.

I am ..your best friend...

your best friend...ordered takeout...

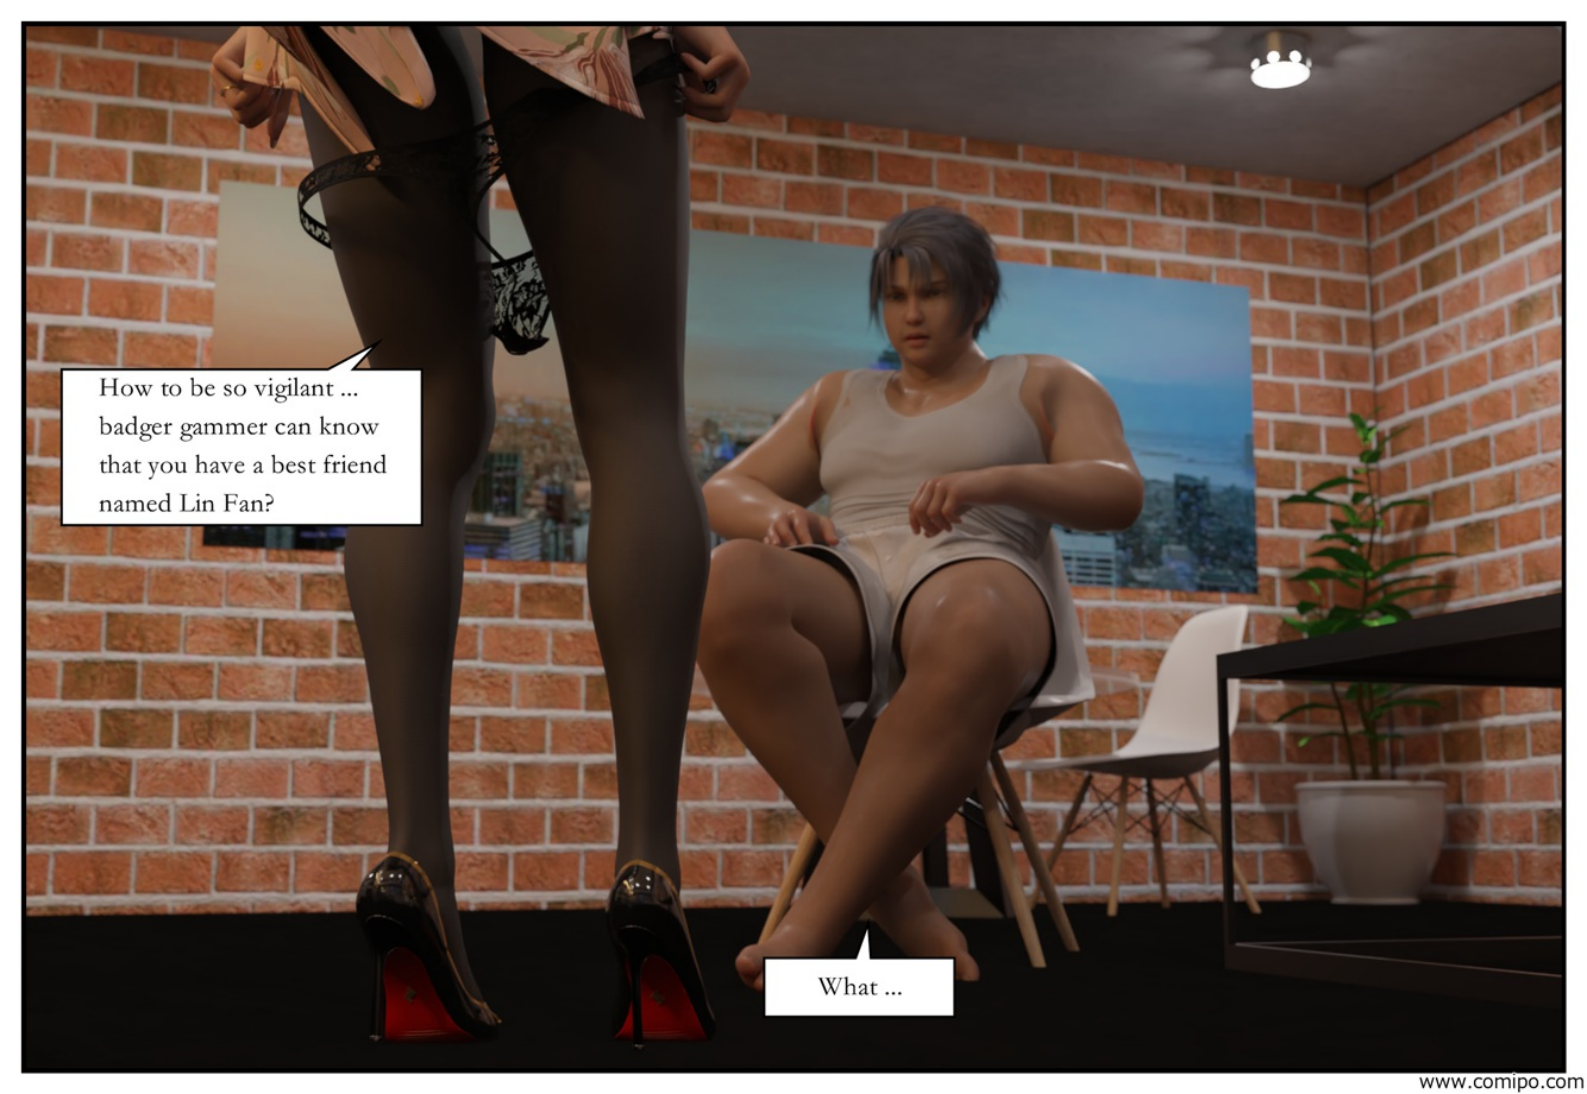

Huh? Lin Fan? The takeout for me?
Where's the takeout? You didn't take anything.

A woman with short brown hair is sitting on a grey sectional sofa. She is wearing a peach-colored, sleeveless, form-fitting dress with a floral pattern. Her hands are behind her head, and she is looking towards the camera. The background features a brick wall and a kitchen counter with a sink and faucet. There are two patterned pillows on the sofa: one with a brown and white zigzag pattern and one with a brown and white floral pattern.

Not the 'takeaway' think, you dumass!
You can do anything to me in two hours.

Huh? You are doing that.
No, you're not playing badger game, are you?

How to be so vigilant ...
badger gammer can know
that you have a best friend
named Lin Fan?

What ...

A small gift for you~

en~take it~

Wait,Wai...

Ah, This...
This is warm.

A 3D-rendered scene set in a modern room with large windows and brick walls. A woman with long, wavy brown hair stands in the center, wearing a light pink, short-sleeved, off-the-shoulder dress with a white and green floral pattern. She has her hands on her hips and is looking towards the left. In the foreground on the left, the legs and lower torso of a man are visible; he is wearing white socks and white sneakers. A speech bubble originates from the man's legs, containing two lines of text. The background shows a view of a beach and ocean through the windows, with string lights visible on the right.

How about the original panties of the beauty
Very good, right.

A close-up shot of a person's legs from the knees down, sitting on a grey, textured couch. The person is wearing sheer, light-colored stockings. On their left foot, they are wearing a black, glossy, pointed-toe high-heeled shoe with a gold-colored buckle and a red sole. Their right foot is bare and resting on a dark surface. A speech bubble is positioned near the right foot.

So two hours.
Anything?

En~

Can we have sex?

Depends on you~

Lin Fan originally wants to make a joke with the fat man. But when he see such a serious look in his eyes, he think, "Forget it, just think of it as a gift to my best friend". Let him have a good time before telling him.

Wa, you are married

What? You think I'm old?
Then I'll leave?

Don't don't, get married or not
... Why does it matter.

All right, forget about that.
Just tell me what you want me to do...

Look, your penis
It's all hard like this already.

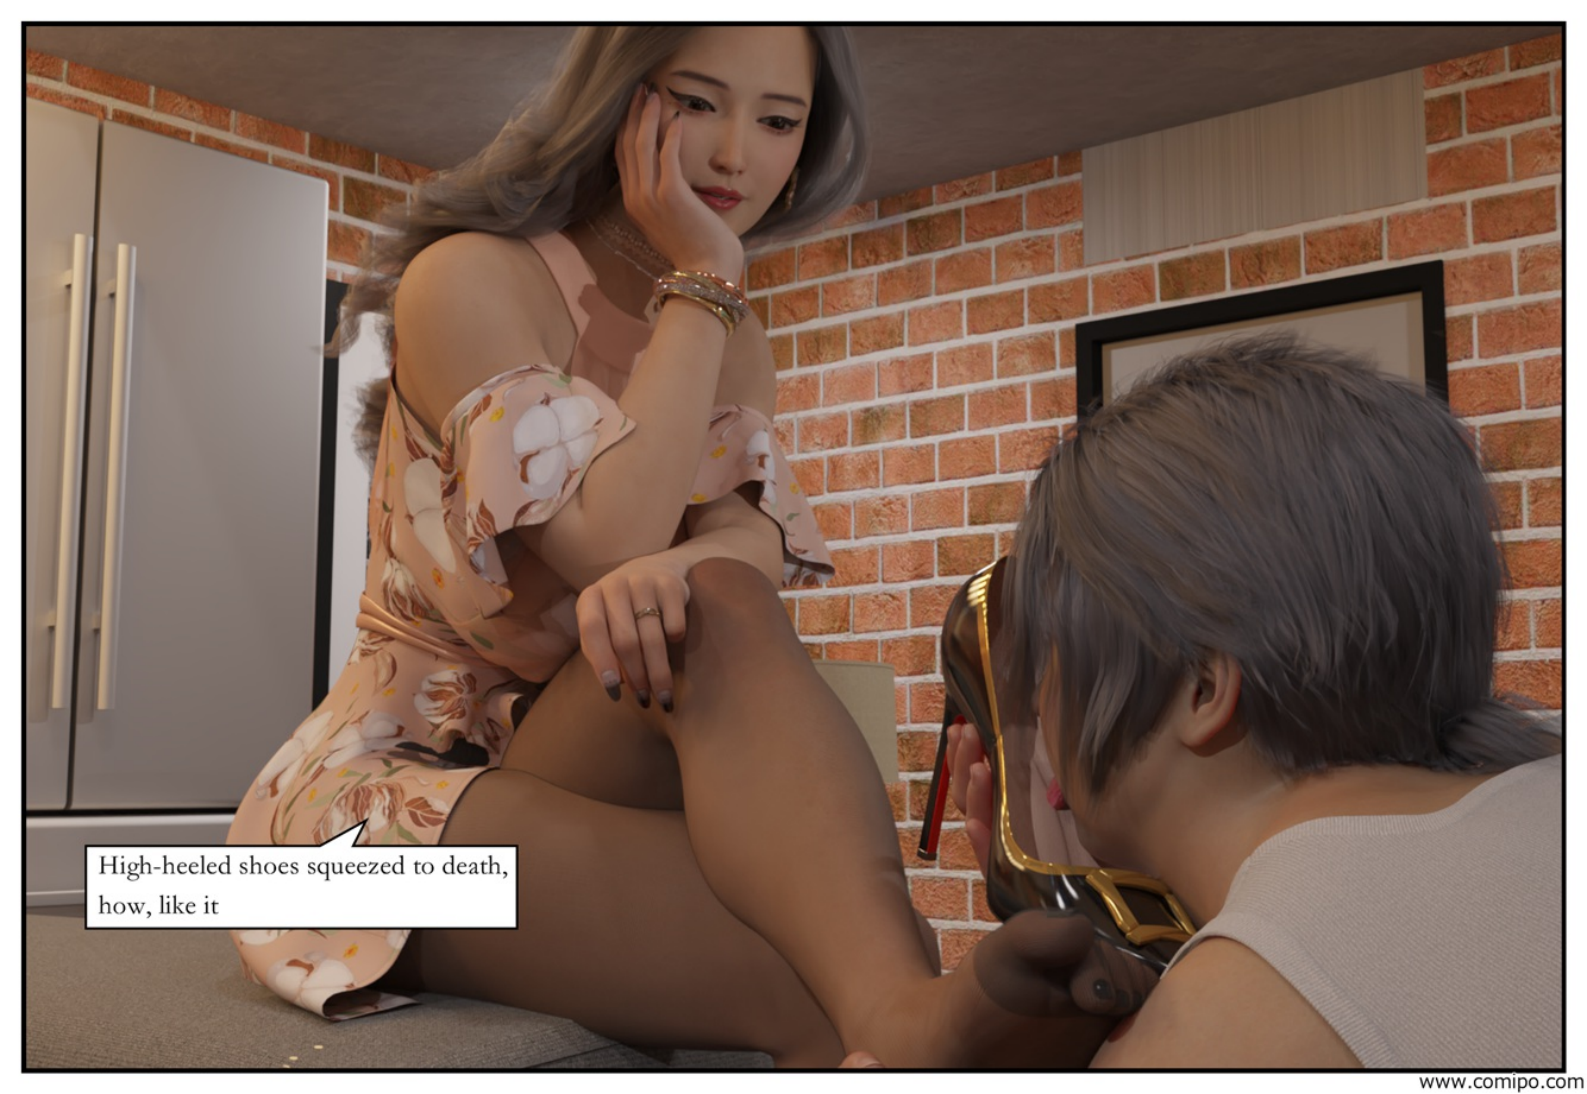

So natural to say these tawdry words and to titillate him.
Lin Fan is stunned by his own action. But he knows he is joking with fatty.
The first thing he needs to do is to have a good time.

Fatty, fatty, it's not bad for you.
I am now such a big beautiful woman
in front of you and you just want to lick my feet?
Fine, If you really want to have sex with me
I will feel strange

How about it, my feet smell good?
Don't just lick the back of your feet, your toes
Also very fragrant.

High-heeled shoes squeezed to death,
how, like it

I like it, sister's feet, smells good.

Seeing his good brother showing this side in front of himself,
Lin Fan couldn't help but feel a little funny.
But this makes it even harder for himself to talk.
With licked by him like this, his own body was surprisingly agitated.

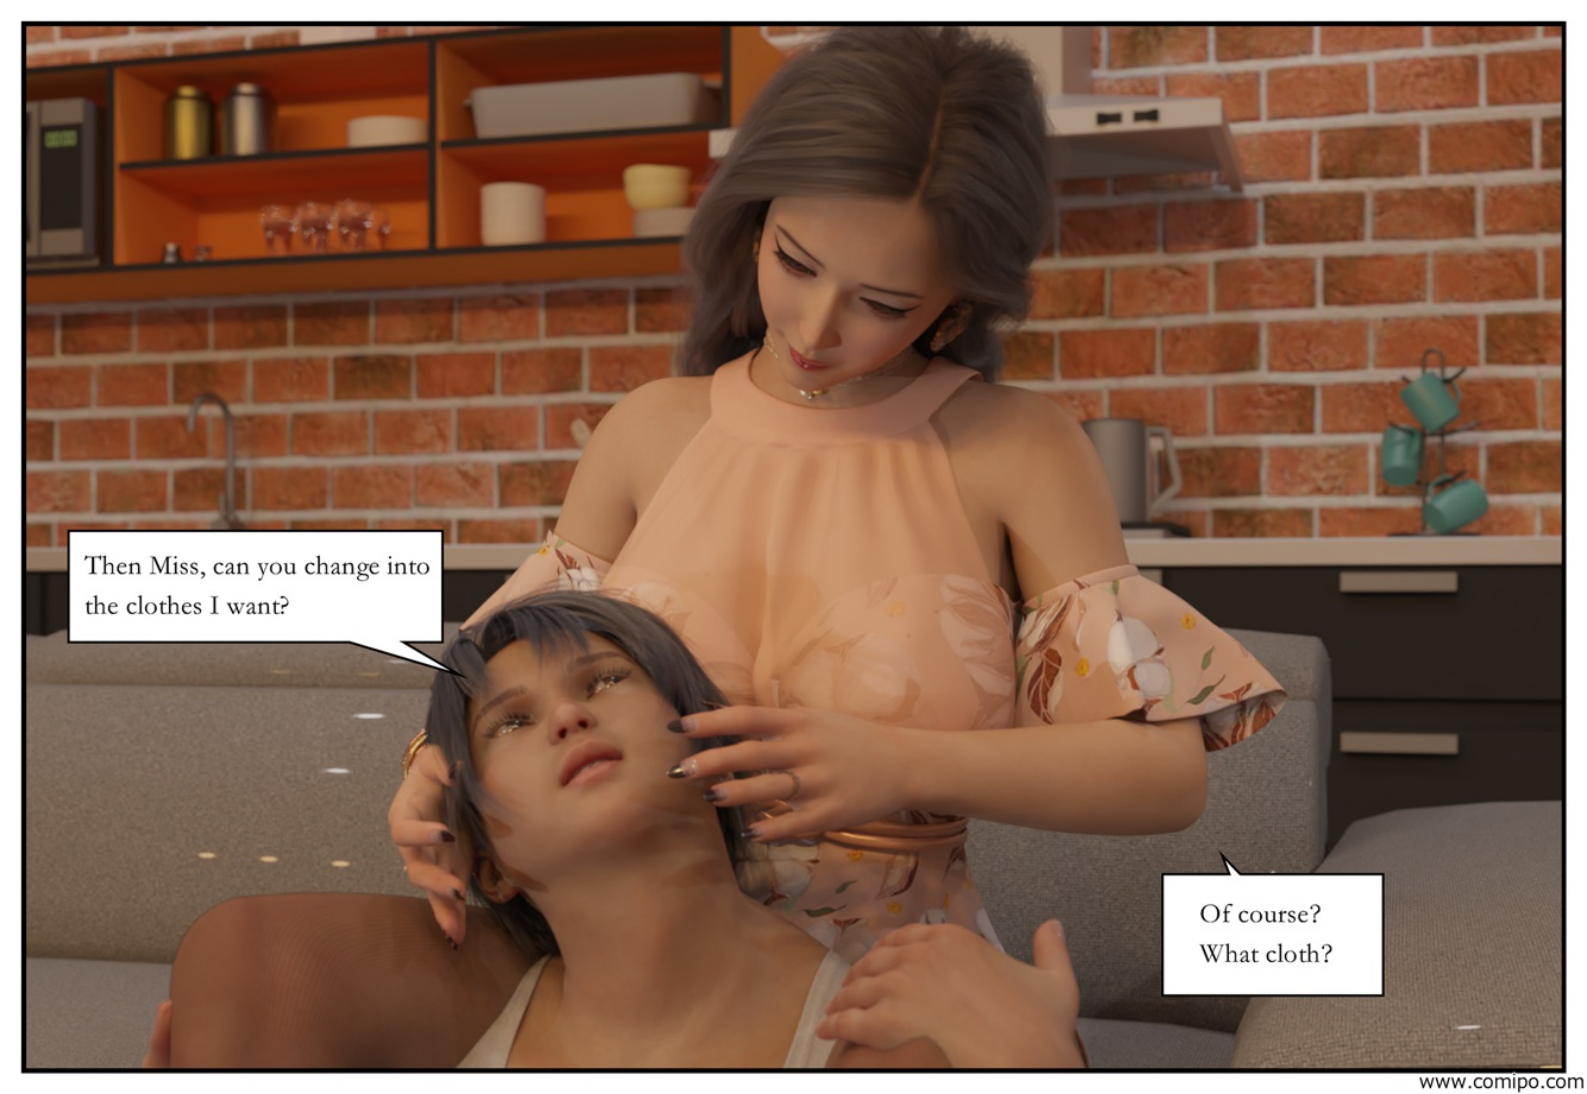

Watching his friend expose such a private side to himself. In this way, if he knows his true identity and teases him like this, he might be so embarrassed that he won't be able to be a friend.

Well, there's another foot.

Of course you can. I said in two hours.
You can do whatever you want within two hours.

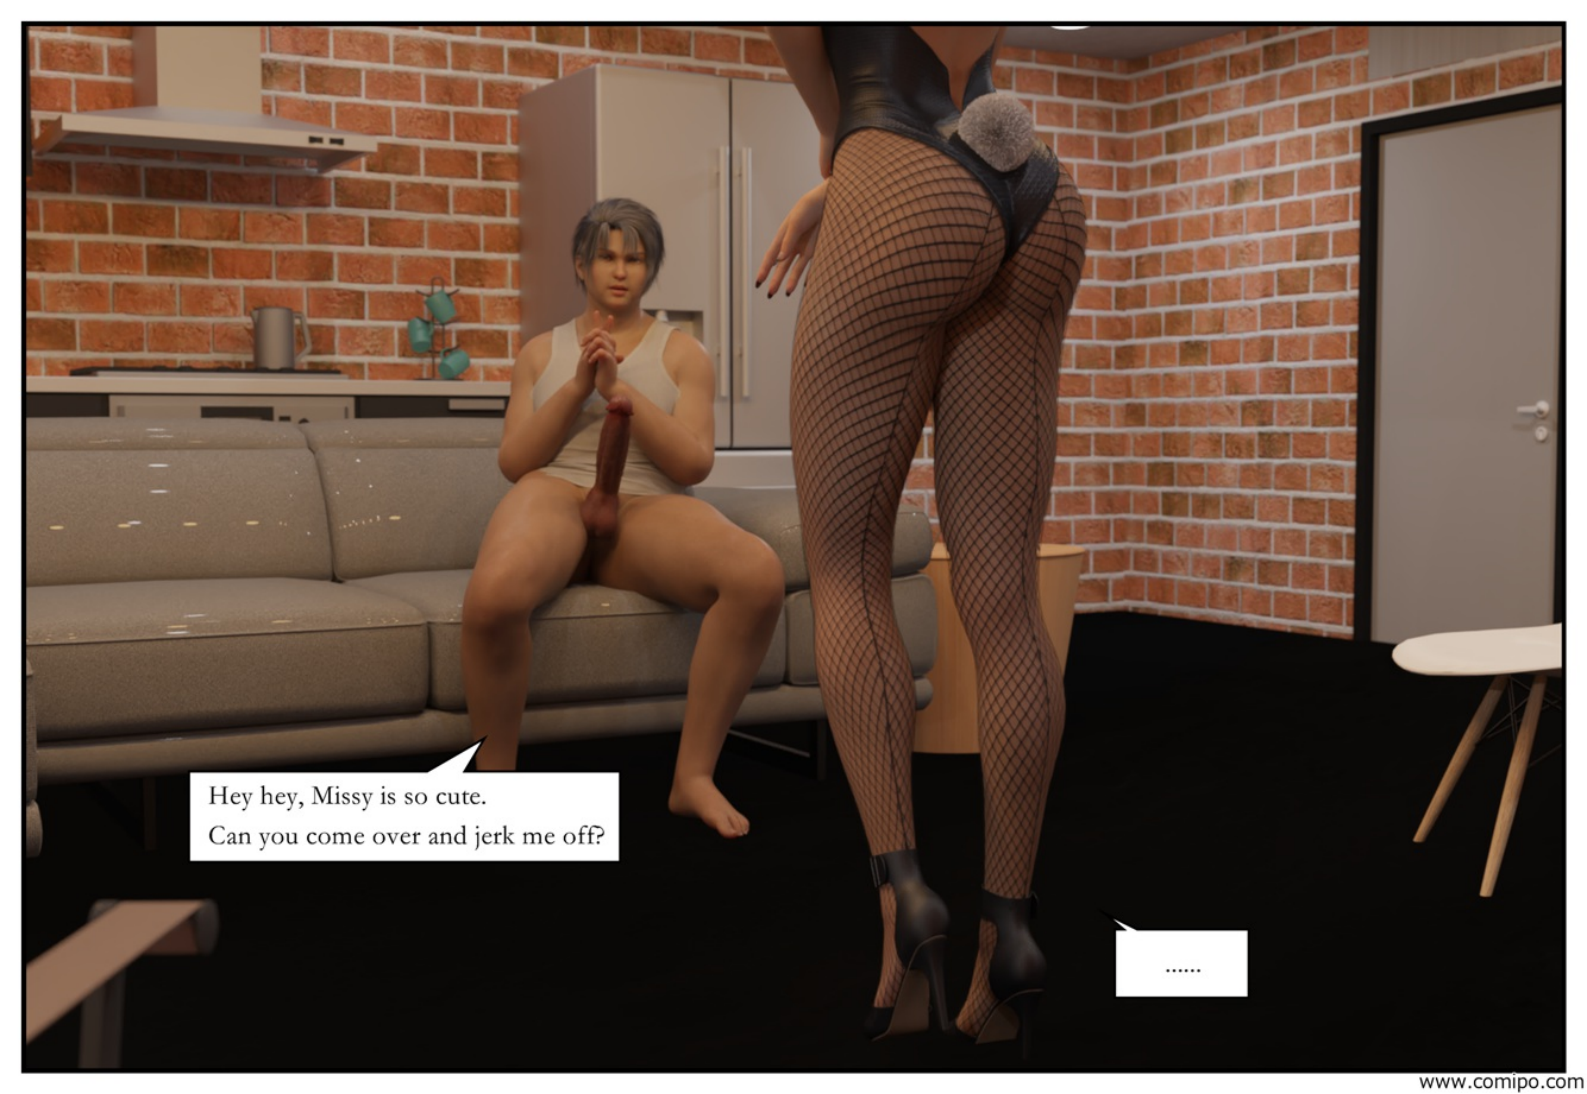

Then Miss, can you change into
the clothes I want?

Of course?
What cloth?

Although the premonition is something erotic.
But really put on such feminine clothes
Standing in front of a man still makes Lin a bit shy.

Why do you have this kind of clothes

Hey hey, Missy is so cute.
Can you come over and jerk me off?

.....

Little sister, you are too good at it!

Although never jerked off to another person in the second person perspective. But after all, as a man, how to get high he still knows very well.

Ah,...

Hm, that's for sure~
I started in middle school

However, the meaning of this sentence
in the fat hearing has completely changed.

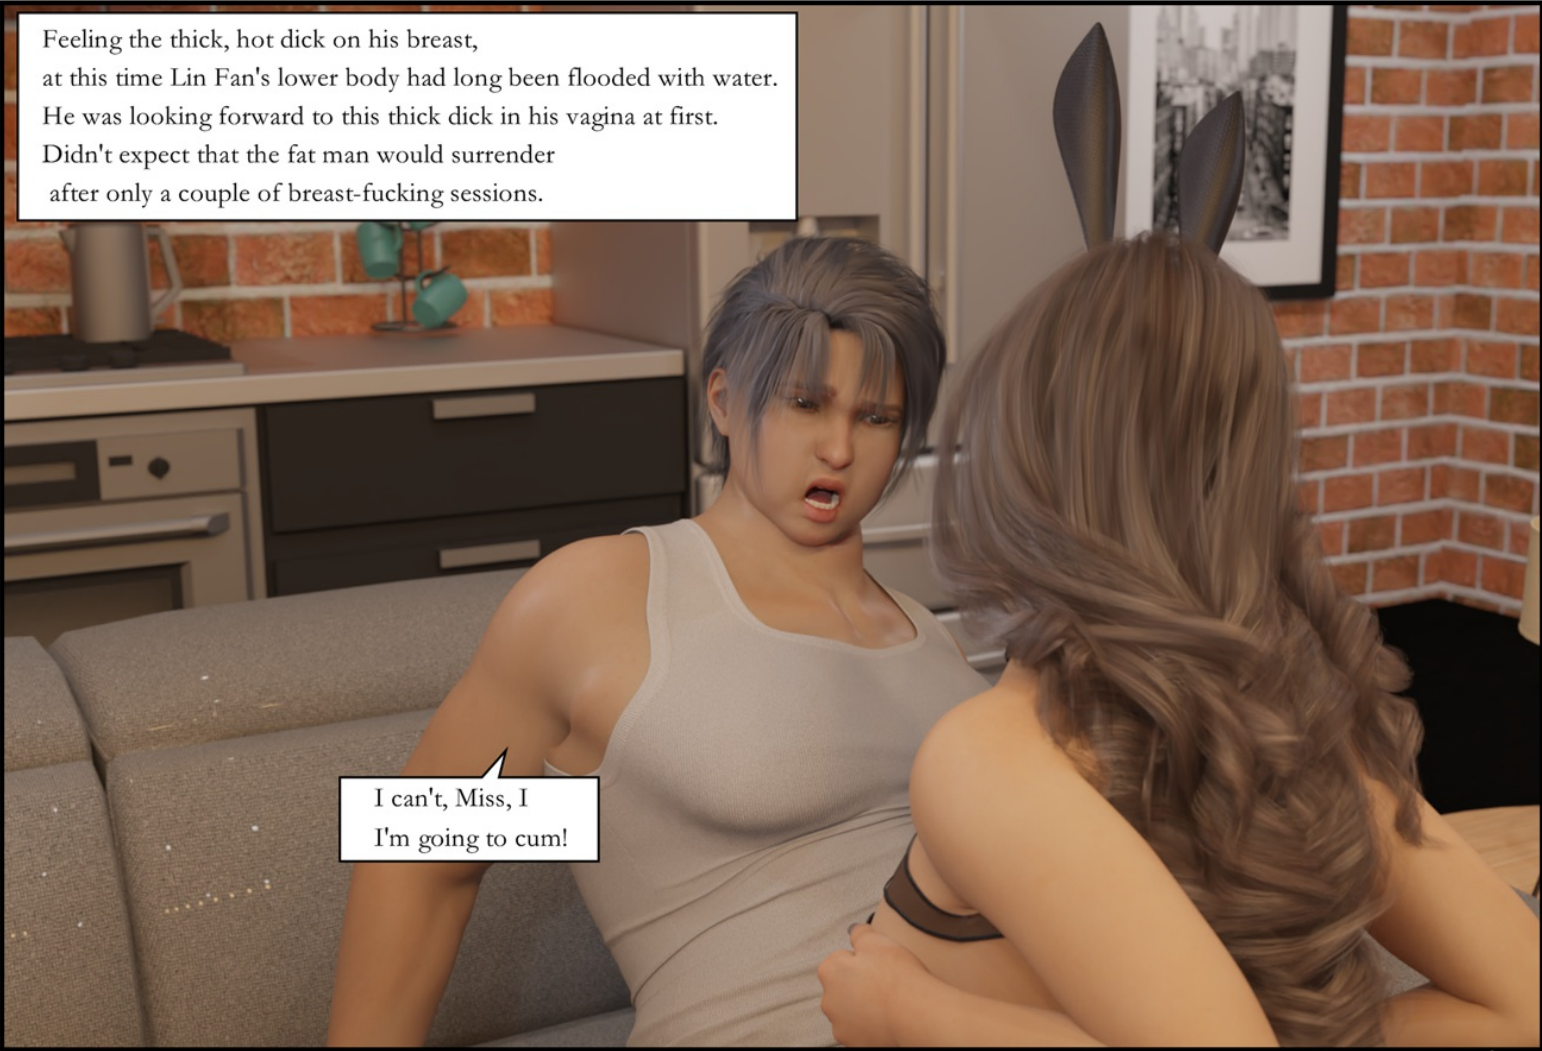

Next, use the breast~

Honestly, because his girlfriend's breasts are too small Lin Fan himself have not experienced the feeling of breast sex.
But with the memory of the action of AV, he still did it in style.

How is it?

Feeling the thick, hot dick on his breast,
at this time Lin Fan's lower body had long been flooded with water.
He was looking forward to this thick dick in his vagina at first.
Didn't expect that the fat man would surrender
after only a couple of breast-fucking sessions.

I can't, Miss, I
I'm going to cum!

Ah Ah!

hey! Too much

A woman with long, wavy grey hair is shown from the waist up. She is wearing a peach-colored, off-the-shoulder dress with a large floral pattern in white and green. She has a black chain-strap bag slung over her shoulder. She is looking slightly to her right with a serious expression, her right hand raised near her face. The background is a simple grey wall with a dark brown vertical panel on the left.

Originally, I wanted to find the fat man to discuss the problem.
As a result, nothing was asked,
and he was cummed on my face.
The most angry thing is that
I did not enjoy it at all, purely as a toy.

Well! Not even clean here.

Ding!

...oying, it's so ichy down

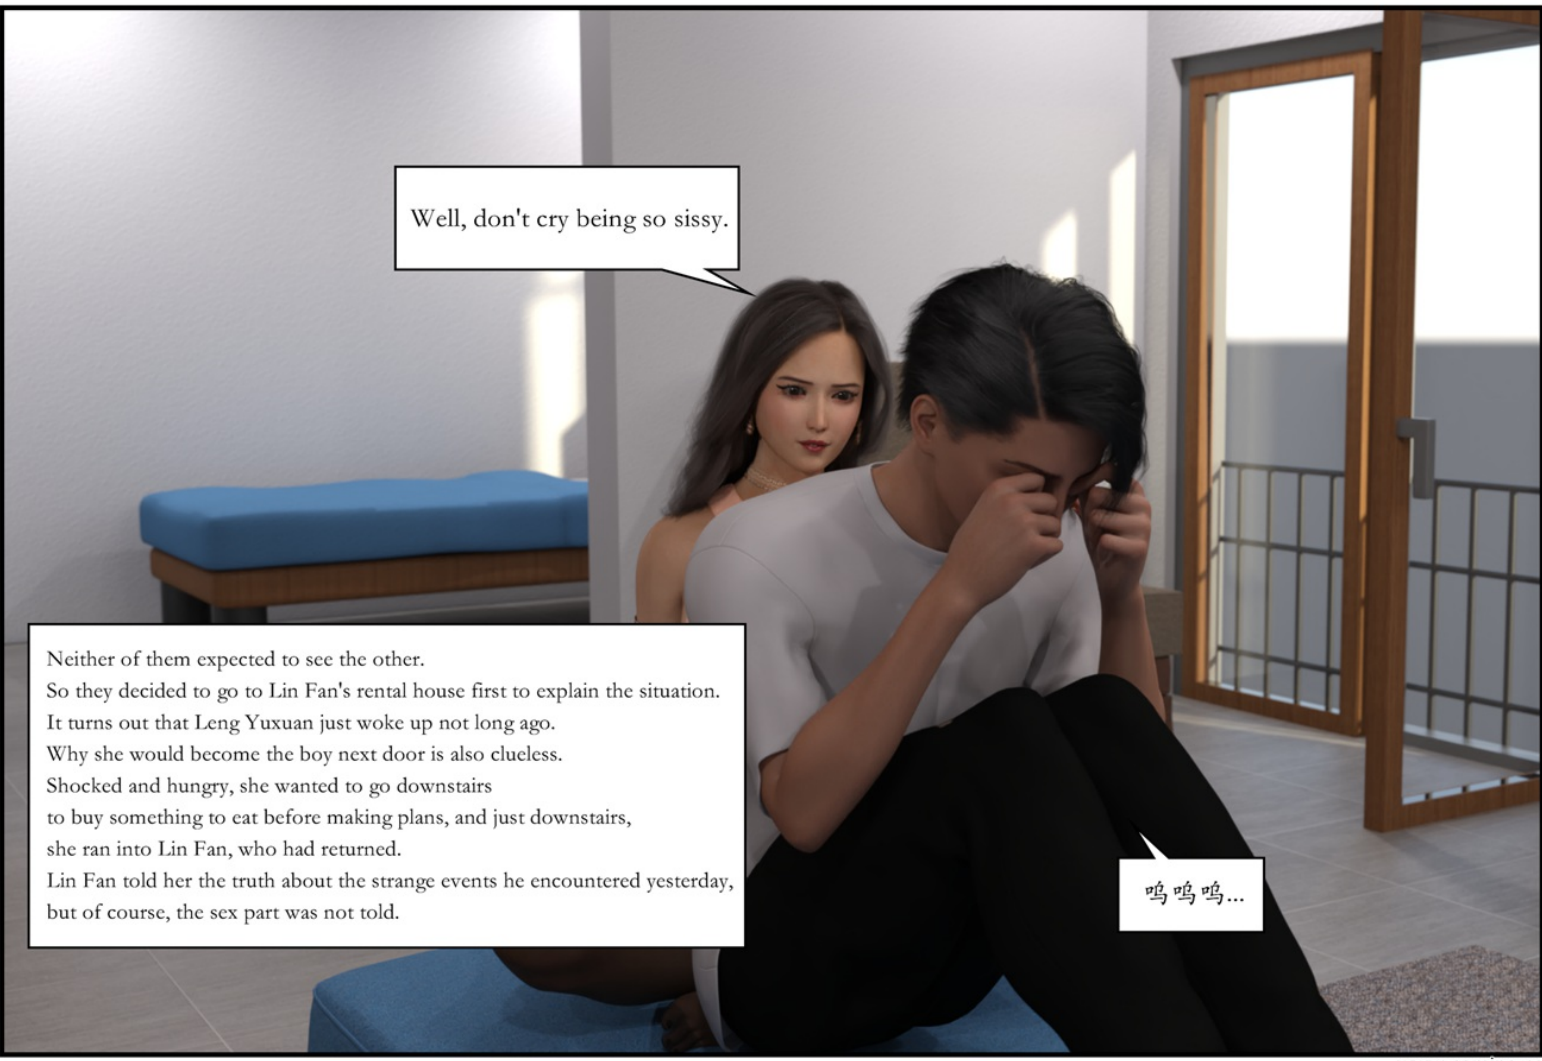

As the elevator doors opened,
an unexpected
ace appeared in front of Lin Fan.

Ah? ! You! !

家具典範

高雅不凡

Well, don't cry being so sissy.

Neither of them expected to see the other.
So they decided to go to Lin Fan's rental house first to explain the situation.
It turns out that Leng Yuxuan just woke up not long ago.
Why she would become the boy next door is also clueless.
Shocked and hungry, she wanted to go downstairs
to buy something to eat before making plans, and just downstairs,
she ran into Lin Fan, who had returned.
Lin Fan told her the truth about the strange events he encountered yesterday,
but of course, the sex part was not told.

呜呜呜...

Well, I'm clueless at this time.
You just get used to it.

Get used to it.? How!

She said so, Lin Fan recalled this day, found that although only one day, he get used to the new body quite well. High heels and makeup and other daily routine he can be comfortable with. Even the speech and movement seems to be unconsciously flawless? Although not sure, but the sixth sense tells him that this change is likely to have something connect with sex.

But there are ways to get used to it quickly... You... Want to try it...? Although I'm not sure...

But it may help ~
Maybe it can also change back

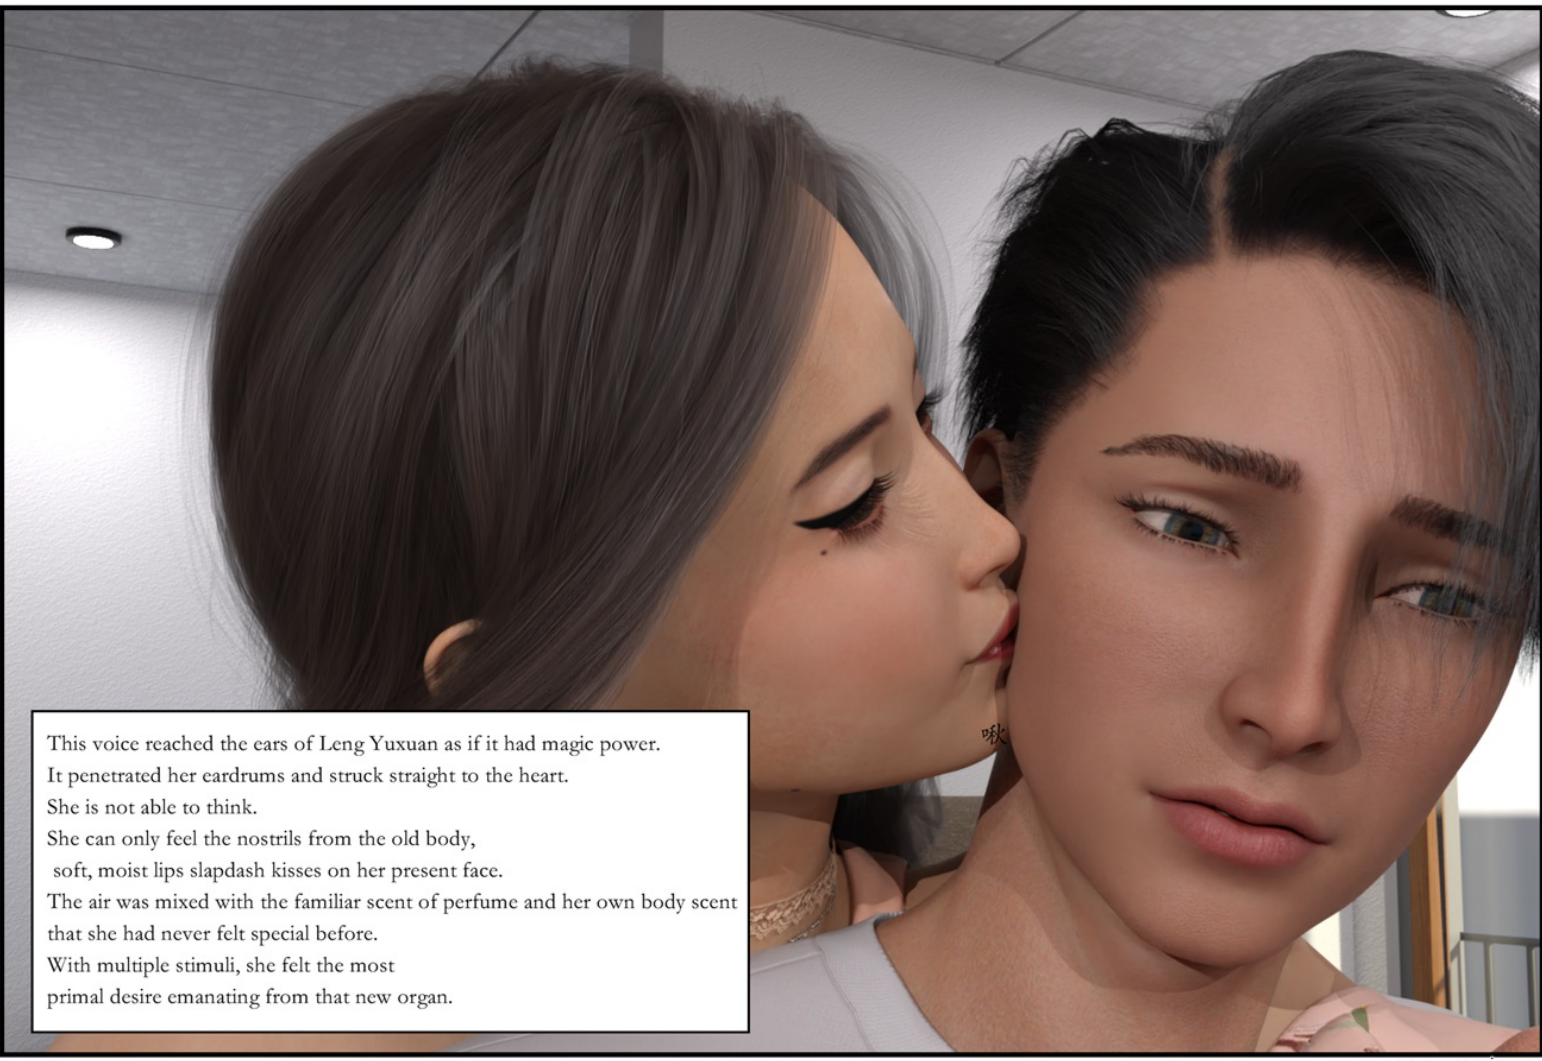

What way...

Have. Sex . With. Me.

Lin Fan used a faint air tone to whisper in the ear of his former body, word by word. He was surprised that he could make such a request so naturally with such a sexy imperial voice in the face of his former body.

Ah?

This voice reached the ears of Leng Yuxuan as if it had magic power.
It penetrated her eardrums and struck straight to the heart.
She is not able to think.
She can only feel the nostrils from the old body,
soft, moist lips slapdash kisses on her present face.
The air was mixed with the familiar scent of perfume and her own body scent
that she had never felt special before.
With multiple stimuli, she felt the most
primal desire emanating from that new organ.

The person behind her suddenly twisted her face and forced a kiss on it. Lin Fan finally could not care about anything else, he only wanted to have a good time with Leng Yuxuan at the moment to make up for the emptiness he felt from just now at Fatty's house. The two tongues were intertwined, and in the process, Lin Fan felt that Leng Yuxuan's body was not stiff anymore.

It's itchy, don't touch...

My nipples are still so sensitive.
If you touch it, the hardness is not only here...

The following but will become more hard Oh ~

Ah~This is...

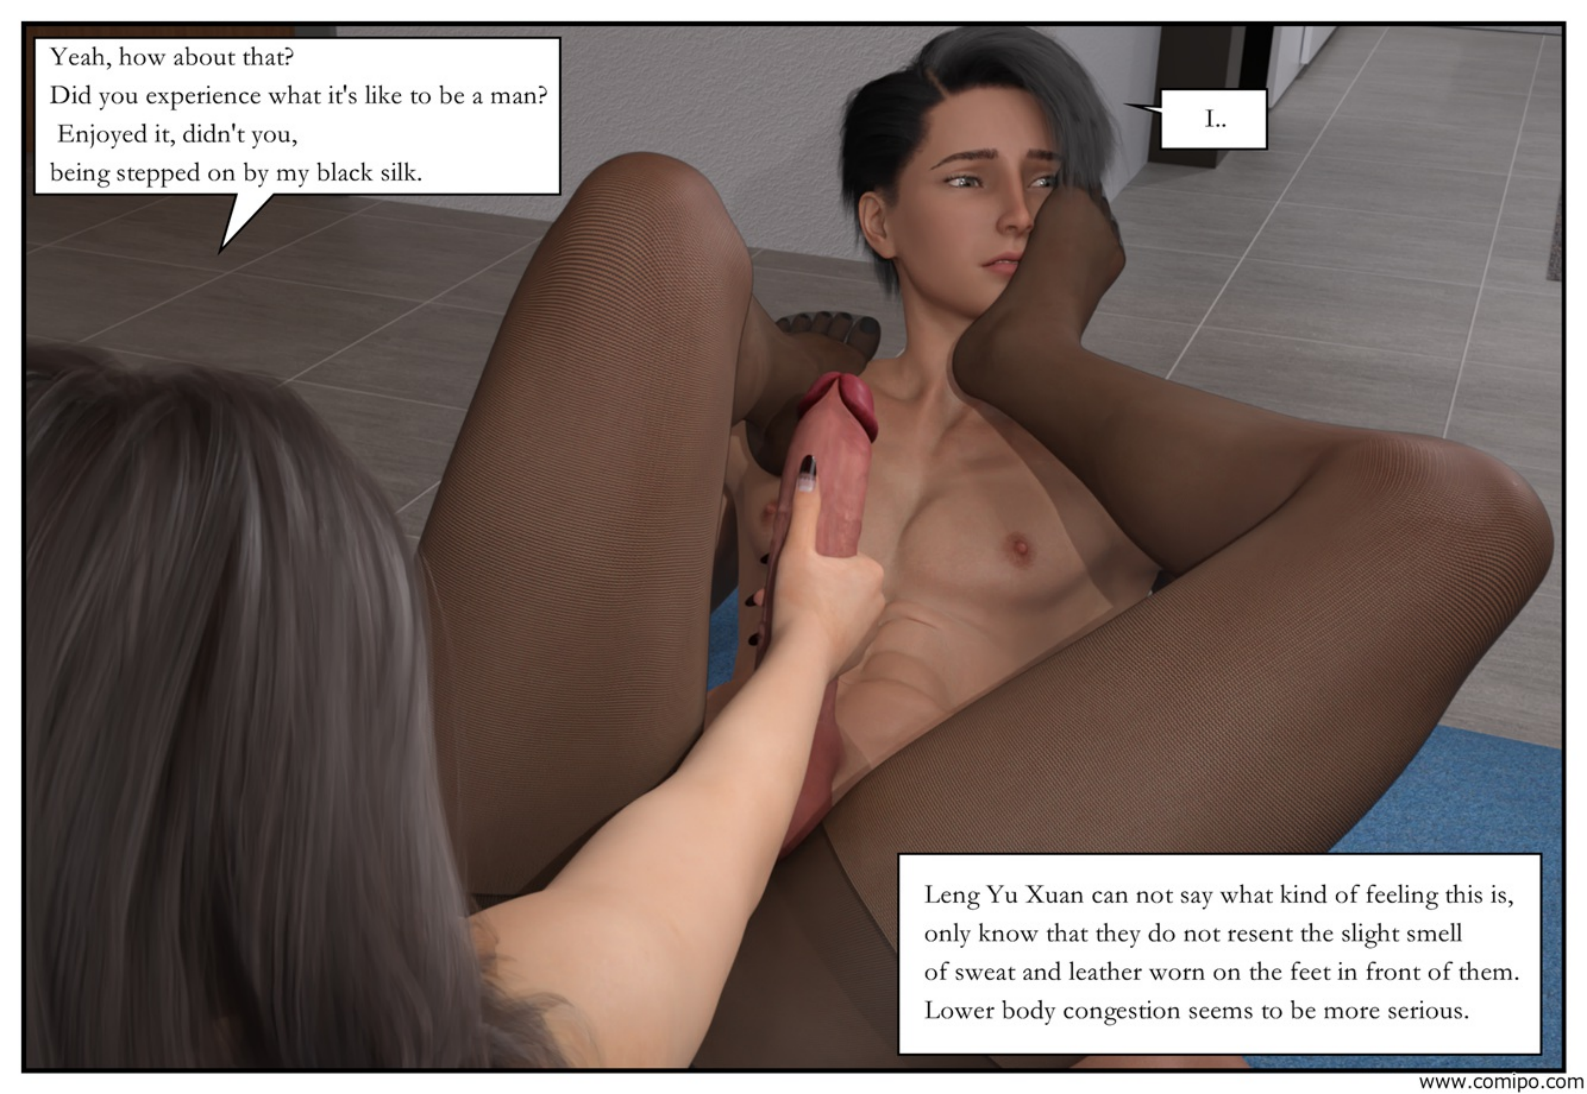

You've just woken up,
have no time to Watch carefully~,
I'll show you How to play~

A woman with long dark hair, wearing a gold choker and sheer black stockings, is sitting on a blue surface. She is holding a large, realistic-looking penis with her right hand. In the foreground, the back of a man's head and shoulders are visible, looking towards the woman. A floor lamp with a white shade is in the background.

How's that?
You are so beautiful,
you have slept with many men before, right?
Have you ever seen such a
big and beautiful one like mine?
But it's yours now ~
of course, hehehe, it's still mine.

My...My cock?

Yeah, how about that?
Did you experience what it's like to be a man?
Enjoyed it, didn't you,
being stepped on by my black silk.

I..

Leng Yu Xuan can not say what kind of feeling this is,
only know that they do not resent the slight smell
of sweat and leather worn on the feet in front of them.
Lower body congestion seems to be more serious.

Hm~ The oozing prostate fluid is
wetting the glans.
Is it that exciting?

How about it, little brother?
You want to put it in your wet pussy?
Do you want to go inside?
I'm itching now.

Yes...

As a veteran of love affairs, of course, she know what to do next,
she also know how impatient her old body.
But this is the first time she has been so passive in bed.
However, she could not care that much.

What do you want? Hmm?

Think, put in... Sister ...

Put it inside your my pussy!!!

En~

Ah! Ah, the glans is in!

After full penetration, the two felt each other's magical experience of the once sexual organ in contact with their bodies together now. It was a pleasure that had never been experienced before.

Ha~ Sister... Are you comfortable with the clamps?

Yes...

Then let sister be more comfortable, okay?

Yes..

Leng Yu Xuan's rod was wrapped tightly around her former pussy. With one thrust at a time, dickit seems that some memories that do not belong to her are awakened.

Ah!!! Good brother, so fierce!
Sister... Sister is going.

Lin Fan the emptiness that had been bottled up all day finally exploded under his own big cock, feeling a stream of hot semen shoot into him while his body was so soft that he didn't even have the strength to hold in his urine.

What about next?

Just let nature take its course.

Since then, the two have been hidden from the people around them to live in each other's identities. After all, this kind of thing cannot be known by others. The good thing is both of them vaguely have some memories of each other, enough for both of them to live. Lin Fan will rest at home when there is no flight. If it happens to be the time when her husband is not at home and Leng Yuxuan does not have to pretend that she is going to class, stay together.

Lin Fan also feels that his sexual appetite is getting stronger, not only at home with his husband but also with Leng Yuxuan. There were even a few times on the plane he could not resist masturbating in the toilet, and she was also fucked by the captain of the plane. People around him also seem inseparable from him, even the fat man.

Lin Fan eventually did not tell the fat man the real situation. After that day, fatty always pestered Leng Yuxuan, who became Lin Fan, to get his contact information. So every now and then, he had to play the call girl door-to-door.

A woman with long brown hair, wearing a leopard-print catsuit, white cat ears, a choker, white gloves, and white boots, stands in the center of a room. She is holding a small black object in her right hand. The room has a brick wall, a staircase with a black railing, and a painting of a cityscape on the wall. Two people are in the foreground, their backs to the camera. One person is holding a smartphone and taking a picture of the woman. The other person is looking at the woman. There are three speech bubbles containing text.

Little handsome, what are you playing today...

The cat's revenge ah!
All you can do today is Meowing oh.
Quick, quick, quick,
I'll give a shot of DikTok.
You're so sexy, you're sure to be hot.
If you become a netizen,
it's better than being a prostitute.

Your trouble, solve it yourself ~

This fatty is still care about others.
All right, all right, As you wish.

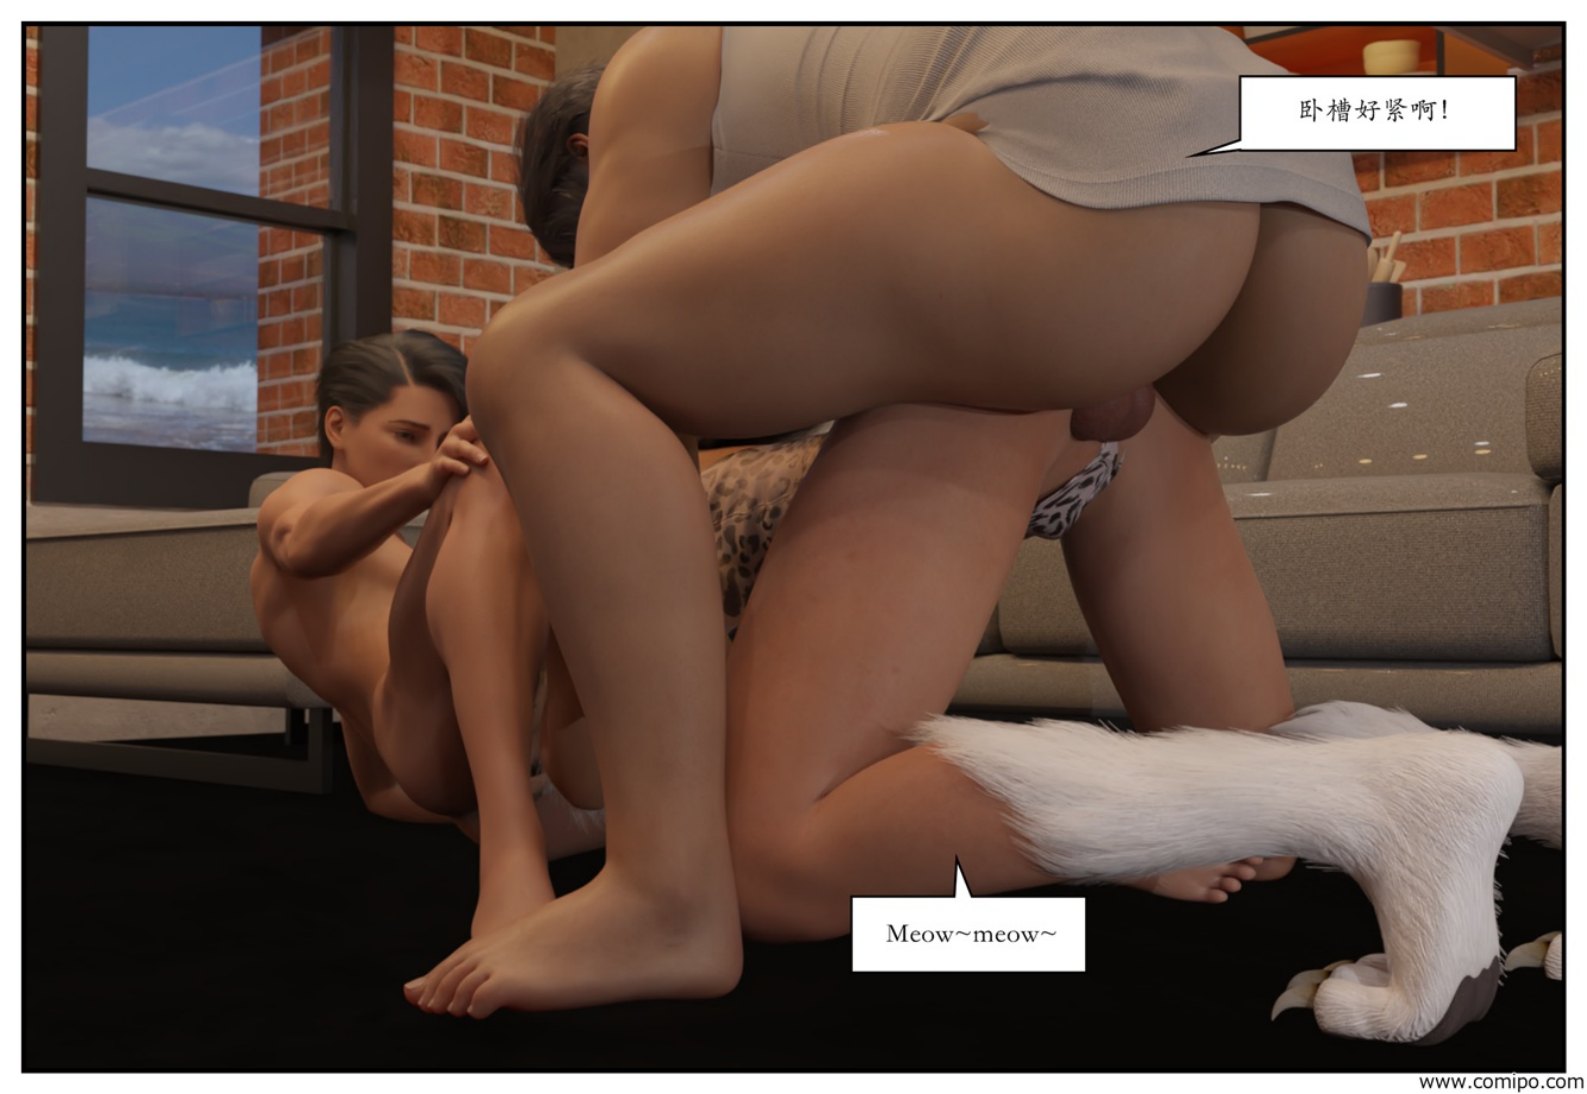

Meow~

Ha ah, really, so...
That's amazing!

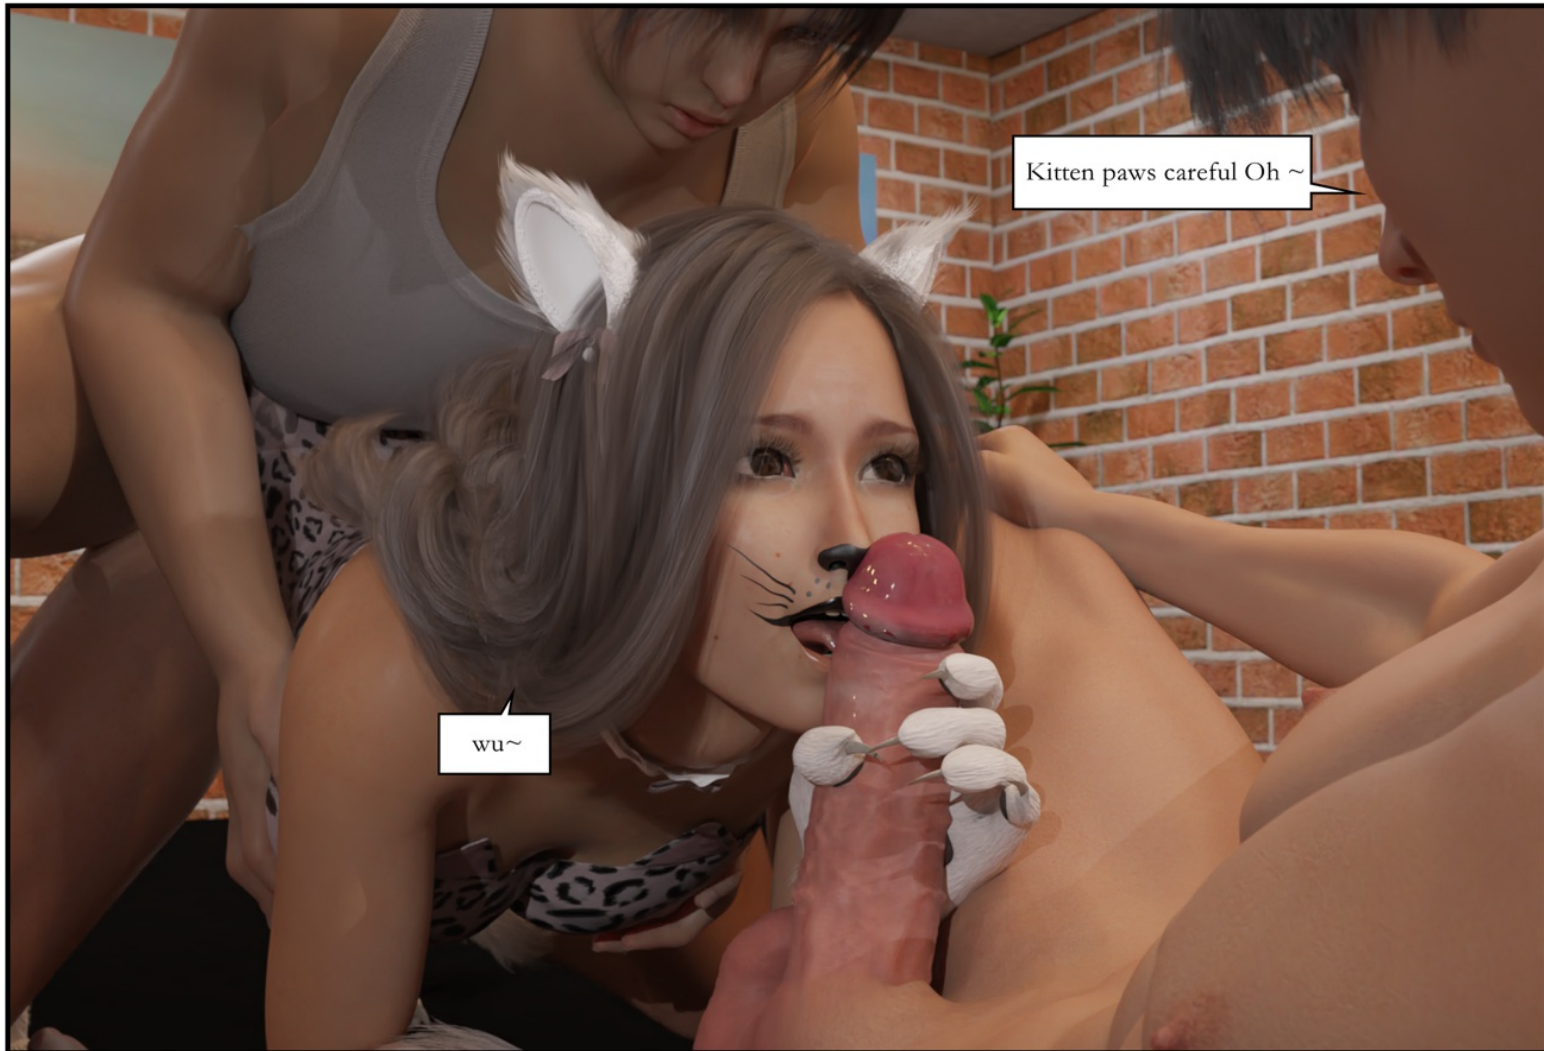

Meow? !

Why does your mouth still want to be idle?

卧槽好紧啊!

Meow~meow~

Kitten paws careful Oh ~

wu~

But more often than not, Lin Fan still prefers to play with Leng Yuxuan two alone. After all, the two bodies fit too well. Each other is in the shape of each other.

After more than a month of living, both have gotten used to living under the other's name.

I can't, Sister Yu Xuan
I'm going to cum.

Well ~ sister also ha, so comfortable

No,
I don't have class this morning.
I'm bored alone.

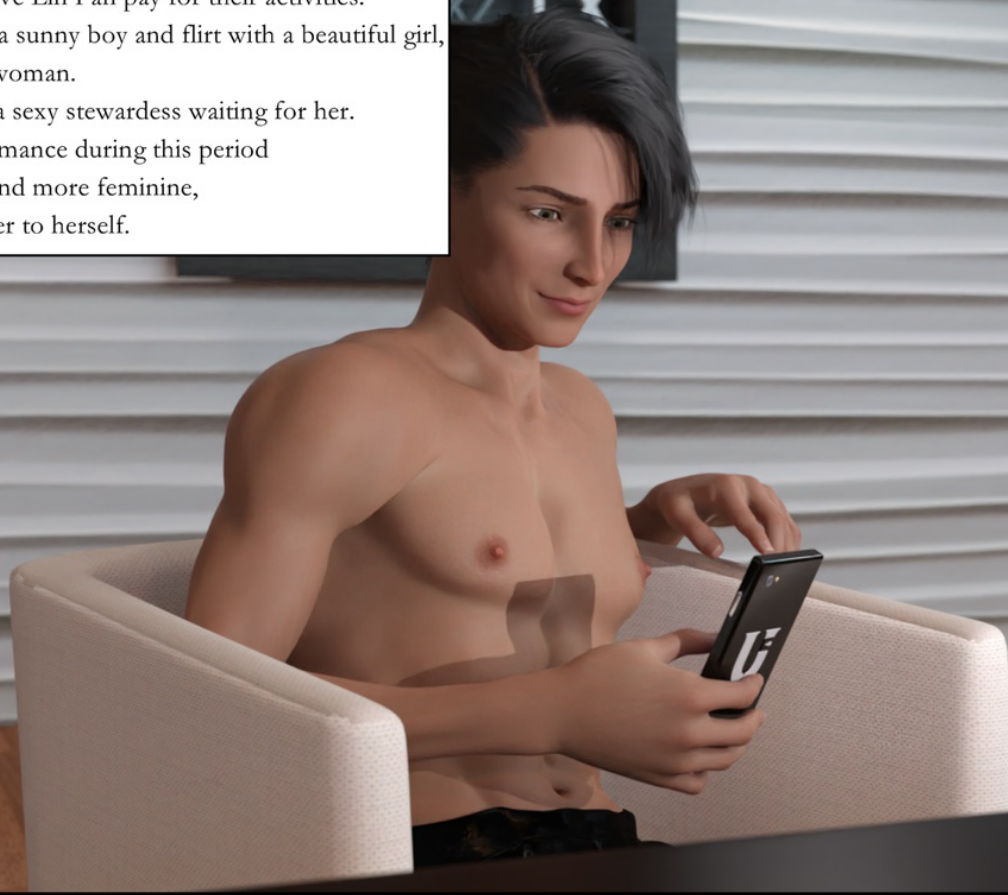

You're here so early,
aren't you afraid that your
husband comes back?

You're hungry, I'll go make something to eat

You sit down~
At least now is my home.
I'll cook for you.

Leng Yuxuan indeed also quite enjoys his current life.
No need to fly flights every day and night,
Lin Fan's family will also pay living expenses every month.
The two of them usually have Lin Fan pay for their activities.
She can enjoy the body of a sunny boy and flirt with a beautiful girl,
which is easy for a former woman.
After going home, there is a sexy stewardess waiting for her.
Moreover, Lin Fan's performance during this period
of time has become more and more feminine,
and he really likes a big sister to herself.

It's okay, I just feel like throwing
up when I smell the fumes.

择目标语言
语 (美式)

A woman with short, dark, wavy hair and light blue eyes is shown from the chest up. She has a surprised or shocked expression on her face. She is in a modern living room with a stone fireplace, a dark wood TV stand, and a large window. A pink, decorative object is visible on the left side of the frame.

You... No...
You're pregnant!

Leng Yu Xuan is correct; her own body is indeed pregnant. Given that every time the two of them have sex without a condom, both of them don't know whose child this is. However, Lin Fan does not seem to care very much about the pregnancy but only spends more time with her husband every day, which is a bit annoying. There may also be a common problem for women; looking at their increasingly bloated bodies will be just a little anxious. But the little life that is being birthed in the belly, Lin Fan, still feels amazing.

Xuan, what's wrong, don't you feel well?

I heard the child called Dad ~

Okay, okay, don't get too excited about it.

A pregnant woman in a light-colored, textured two-piece outfit is standing in a kitchen. A man, whose face is not visible, is embracing her from behind, his arms wrapped around her waist and belly. The woman's hands are resting on her large, bare pregnant belly. The kitchen background includes white cabinets, a grey brick backsplash, and several green mugs on a shelf. The floor is made of light-colored wood.

The belly is so big ah.

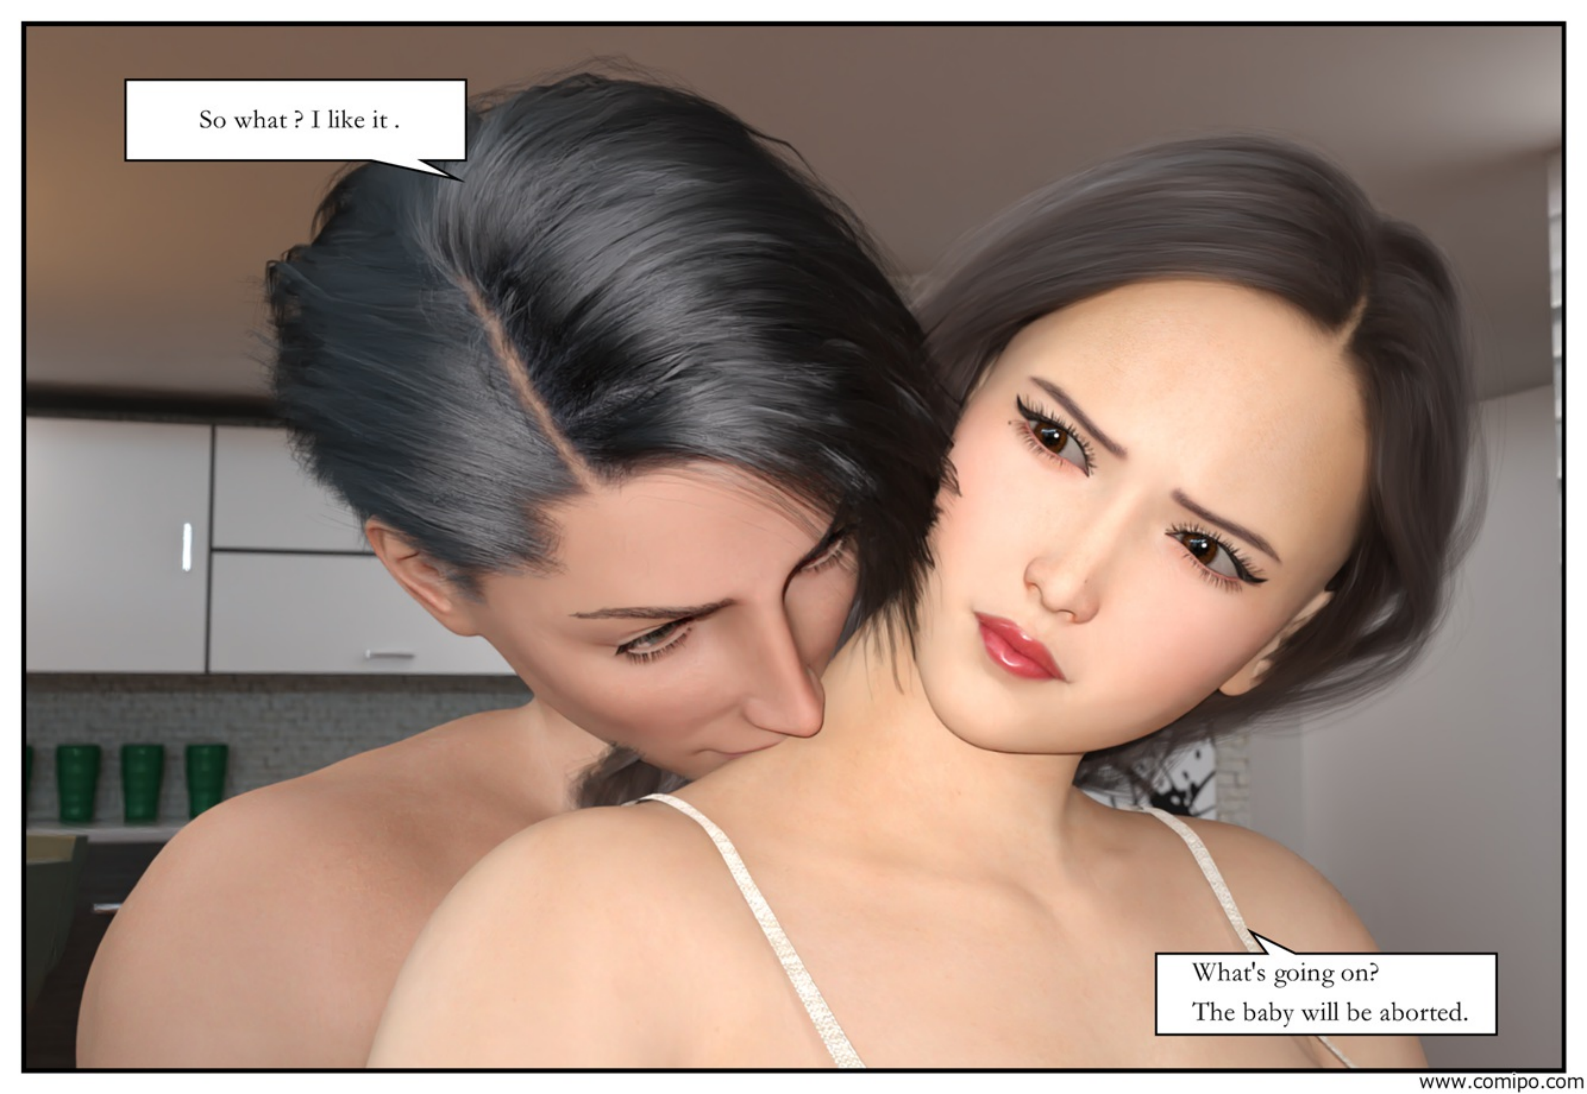

Well, so amazing, right.
You see I helped you carry
the most difficult time for women through.

What do you mean help me,
we still don't know if we can
change back yet.

A digital illustration of two women in a kitchen. The woman on the left has short, dark hair and is looking towards the right. The woman on the right has long, dark hair and is looking towards the camera, with her hand near her face. They are both wearing light-colored, possibly white, spaghetti-strap tops. The background shows a kitchen with white upper cabinets, dark lower cabinets, and a grey tiled backsplash. On the counter, there are several green cups. The floor is made of wood.

He won't be back today?

No, quickly see if people are fat.

So what ? I like it .

What's going on?
The baby will be aborted.

He's not at home

Okey Fine!

ENEN!

Today I can only use hands and mouth!

A woman with dark hair and red lipstick is sitting on a wooden floor. She is wearing a white spaghetti strap top and is holding a red vibrator with both hands. She is looking directly at the camera with a slight smile. A speech bubble in the top right corner contains the text: "How's that? I haven't forgotten How to make your body feel good, right?".

How's that? I haven't forgotten
How to make your body feel good, right?

A woman with short dark hair and a white spaghetti-strap top is lying on a wooden floor. She is holding a red vibrator in her mouth, and a thick, white, wavy stream of liquid is being ejected from the device, splashing onto her face. She has a surprised or intense expression with her mouth open. In the foreground, the back of a person's head and shoulders are visible, looking towards the woman. A speech bubble from the person in the foreground contains the text "Ahhhhh, sister I ejaculated!".

Ahhhhh, sister I ejaculated!

*Ding (Phone ring

ma..ma..

Good boy~, mommy
Here it is.

A few months later, Lin Fan successfully used Leng Yuxuan's body gave birth to a baby. Because of the maternity leave, she could rest for a while. However, the first-time mother did not stop enjoying himself. He returned to the state of non-stop indulgence of his sexual desire.

This... that fat guy came to me again.
I've turned him down many times before.
This time, forget it, I'll go.

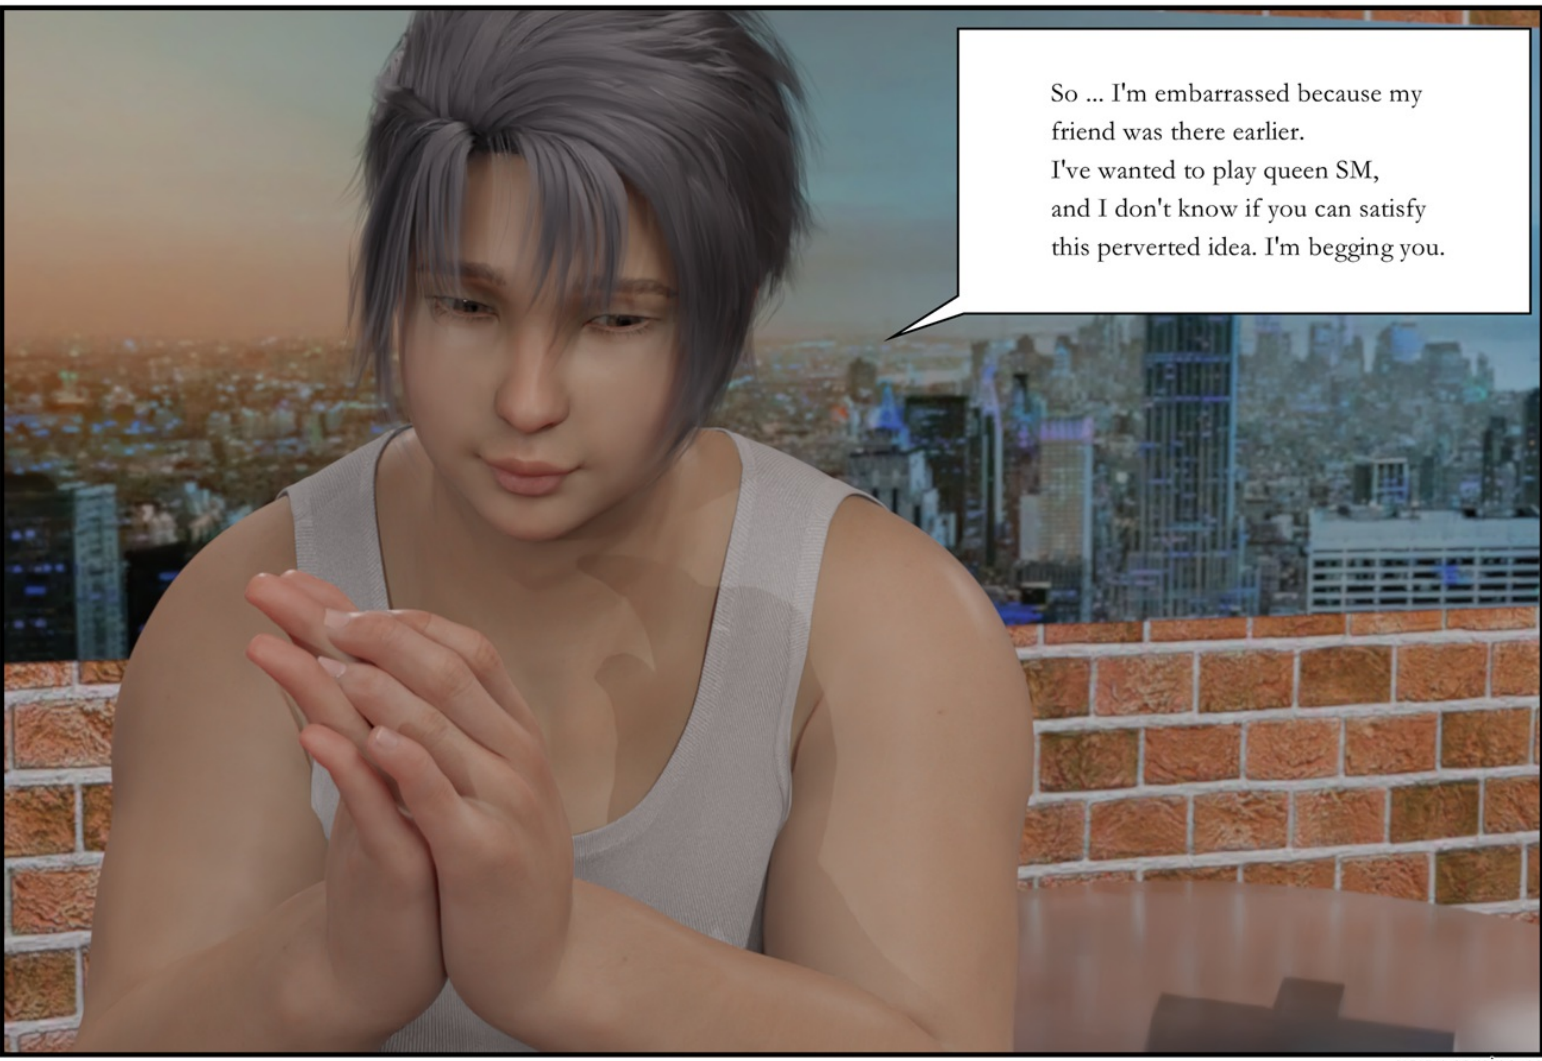

After arranging the baby for the nanny
Lin Fan then go to Fatty's house.

Say it...

What kind of perverted thoughts are in your head today?
Begging me to come over?

Please Please.

So ... I'm embarrassed because my friend was there earlier.
I've wanted to play queen SM,
and I don't know if you can satisfy
this perverted idea. I'm begging you.

I know you have no serious stuff
in your head every day. I agree.

Great, sister! Then I'll go get the props right now!
You put some make up too.

Really, it's so complicated again.

I say ah, your level of perversion is refreshing my bottom line again and again ah. And... You have these props at home, your family will not be suspicious? My underwear...

Won't it be hard to breathe with this on..

No, no, the Queen's underwear
It smells too good.

Was it necessary to make it look like this?
It took two hours to prepare.

Although the Lin Fan complained about this,
but his heart surged with an inexplicable excitement,
that is a sense of conquest pleasure.

But since you asked for it.
Are you ready, my little dog.

Ah, Your Majesty~ Harder~

What a fucking bitch dog!
Do you like the Queen's cock?

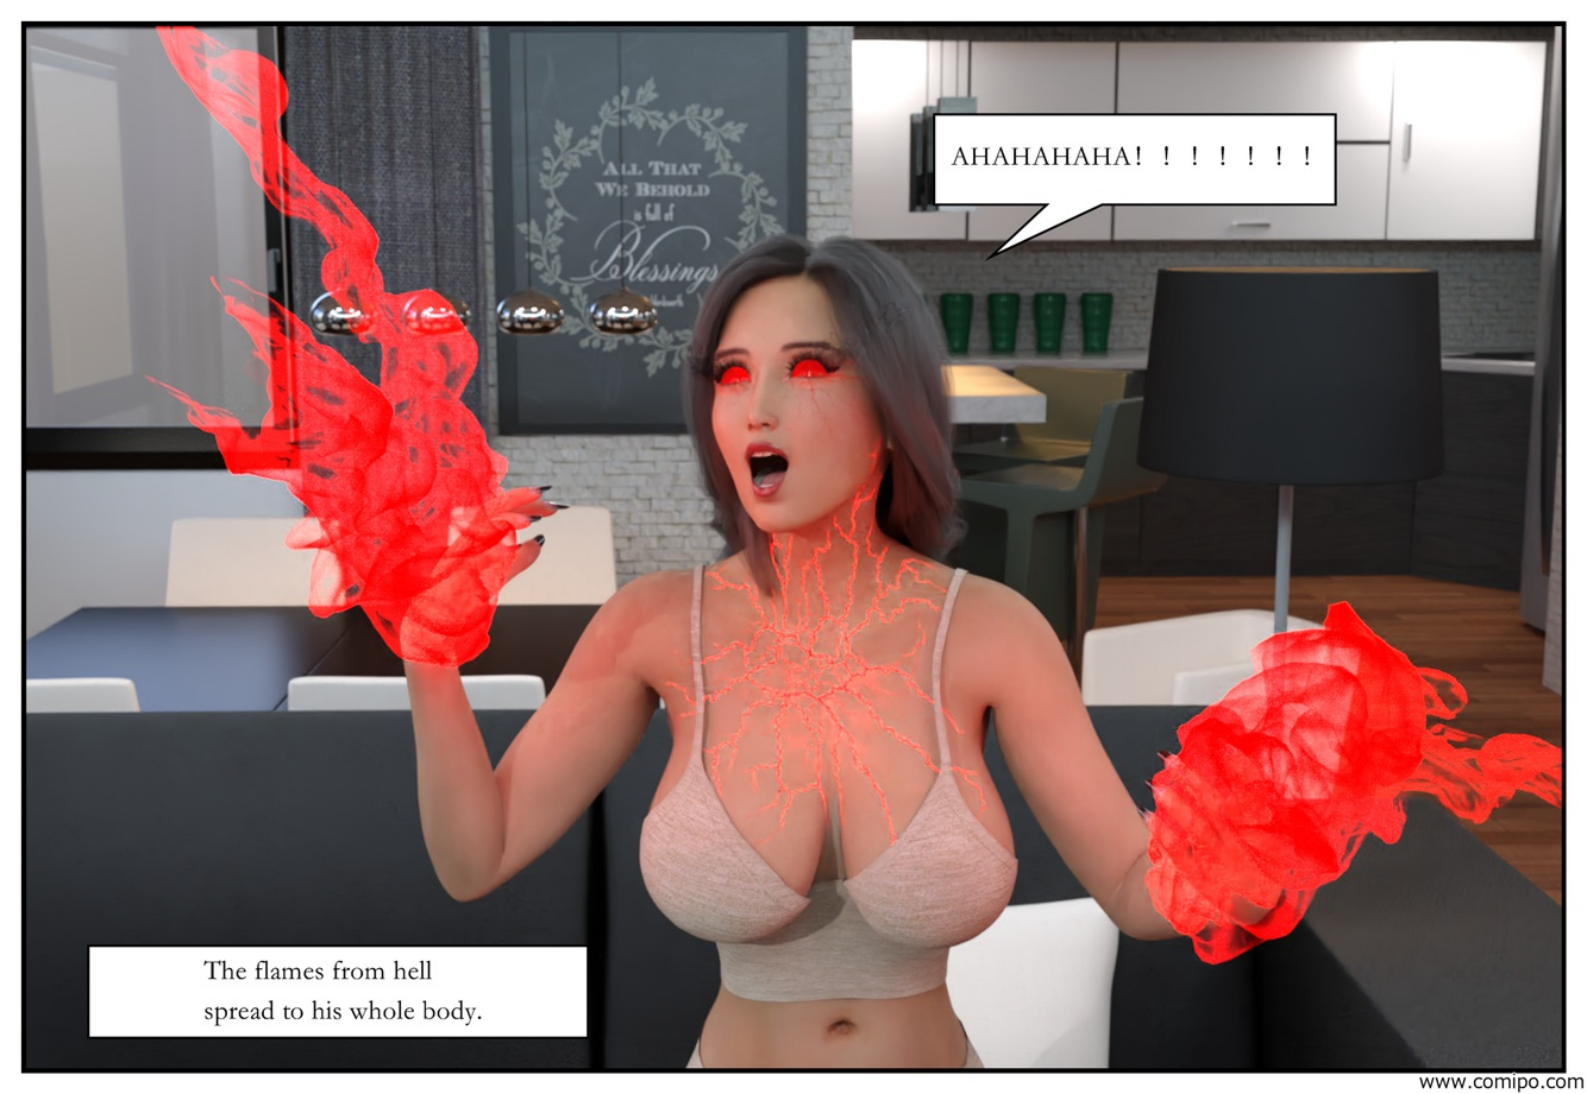

Love it! Love it!

After returning from Fatty's house,
Lin Fan only felt that he was exhausted.
Today's excursions had awakened something
strange in her, the thrill of watching others
succumb to their desires at their feet,
making his body tremble with excitement.
Lying on the couch, she drifted off into sleep.
In her sleep, she felt a strange energy in her
body that kept pulsating... Swelling...

More and more intense,
finally concentrated together and burst out...

A woman with long dark hair and glowing red eyes is shown from the waist up. She is wearing a light-colored, low-cut top. Her hands are engulfed in bright red flames, and a network of red, vein-like patterns spreads across her chest and neck. She has a shocked expression with her mouth open. The background is a modern kitchen with white cabinets, a grey backsplash, and a dark countertop. A framed picture on the wall reads "ALL THAT WE BEHOLD is full of Blessings".

AAAAAAAAHA! ! ! ! ! !

The flames from hell
spread to his whole body.

I'm... I'm... I am... Becoming.

When he came back to his senses,
he found himself hovering in the air.

Turned into a real demon?

Although he didn't know why he became like this,
he now instinctively felt that he needed energy,
and that energy came from the male essence.
The first thing he thought of was to start with the fat man.

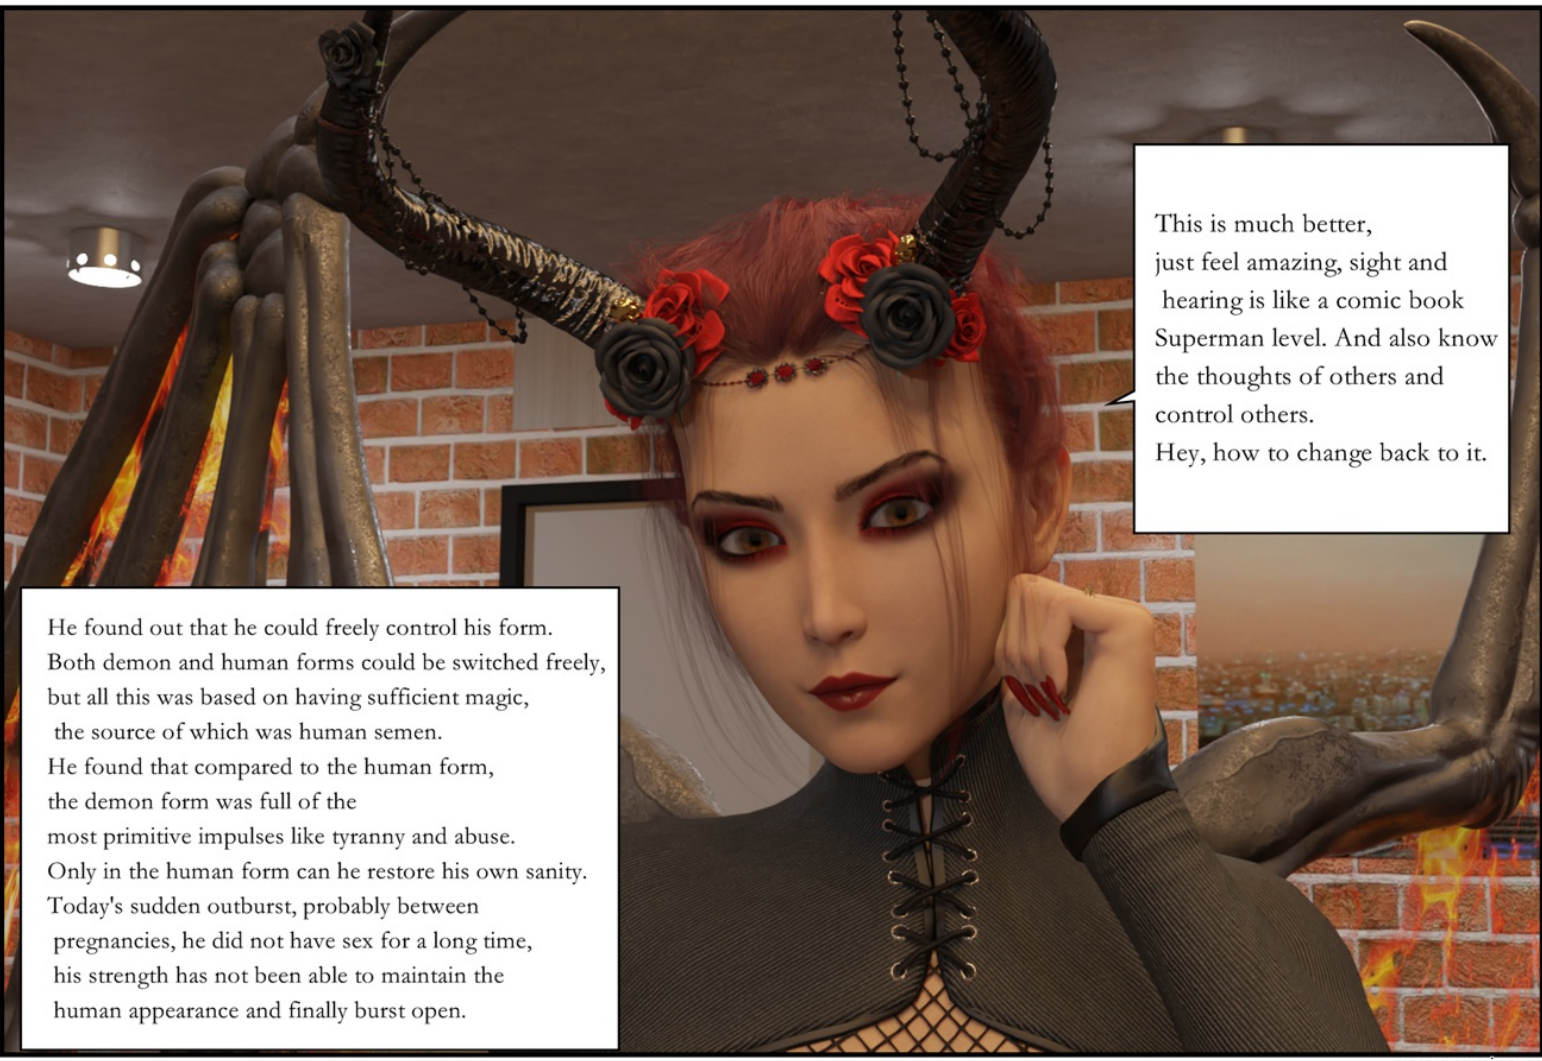

Cum, give me all your cum
Contribute to me!!!

Yes, Master.

When she came to Fatty's house,
Fatty just looked at him and submitted
to her feet very actively.

With the influx of semen, his mind surprisingly gained more over knowledge about demons.

Ah, the power, I feel it.

He found out that he could freely control his form. Both demon and human forms could be switched freely, but all this was based on having sufficient magic, the source of which was human semen. He found that compared to the human form, the demon form was full of the most primitive impulses like tyranny and abuse. Only in the human form can he restore his own sanity. Today's sudden outburst, probably between pregnancies, he did not have sex for a long time, his strength has not been able to maintain the human appearance and finally burst open.

This is much better, just feel amazing, sight and hearing is like a comic book Superman level. And also know the thoughts of others and control others. Hey, how to change back to it.

A devil-themed character with red skin, horns, and a skeletal tail sits on a person lying on the floor in a modern apartment. The character is wearing a red and black corset and fishnet stockings. The person on the floor is wearing a white tank top and shorts. The background features a brick wall, a lamp, a chair, and a potted plant.

Ah, the skin has turned red,
but it seems to be the only way
that I can't feel the burning of the flame.
So can I control the changes other parts
of my body?

Sure enough, I can grow a penis.
It's been a long time since
I've experienced what it's like to be a boy.

A 3D rendered character with red skin, horns, and wings stands in a modern apartment. She is wearing a black and red outfit with a corset and thigh-high stockings. She is holding a white, branching object that looks like a power source. The background features a brick wall, a kitchen counter, a sofa, and a door.

Ahahaha, so cool,
but the power is draining away.

However, for Leng Yu Xuan and her husband, Lin Fan did not want to show his demonic appearance. In front of the two, he never used magic, nor did he change his body. Just increased the frequency of sex to suppress his desire.

But gradually, the three have gradually failed to satisfy him.

En?

So slowly, after nightfall,
he would go to the street to
find a suitable target...

深夜
女孩

Little sister,
go to the woods with me.

I've smelled something strange over here.
You do not look like her boyfriend.

Self-destruction!

AHAHAHAHA!

Why so shocked?

What are you...cosplaying?

What do you think?

Why are you chasing me!

A character with large, dark wings that are covered in bright orange and yellow flames. The character has a long, segmented, yellow-orange tail. They are wearing a red and black outfit. They are standing in a room with a wall covered in glowing graffiti. The graffiti includes a large pink cat silhouette, a green kanji character, and a pink spiral. A speech bubble is coming from the character.

Aren't you a spermatozoa?

No.. No!

By the way I'm also a bit

Looking at their fear-filled eyes.
Lin Fan's heart was both excited and satisfied.

HUNGRAY!

Mmm~ full.
Ready to go home.

Okay, husband, I'll be home soon

Okay, I'm one corner away.

So quickly found it.
The police are quite fast.

But you just rubbed shoulders with the killer Oh ~ police little brother.

A male police officer in a New York City uniform stands in a city alleyway. He is wearing a dark blue short-sleeved uniform shirt with "NEW YORK" and "POLICE" patches, a matching cap, and a black belt. He is looking down and to his right. The background shows a brick wall, a red stool, and a green and yellow checkered pattern.

How many times this month?

A female police officer in a New York City uniform stands in front of a wall of mailboxes. She is wearing a dark blue long-sleeved uniform shirt with "NEW YORK" and "POLICE" patches, a matching cap, and a black belt. She is looking up and to her left, with her hand near her face. The background is a wall of many small, metal mailboxes.

It's the fifth one,
and each one is so miserable.

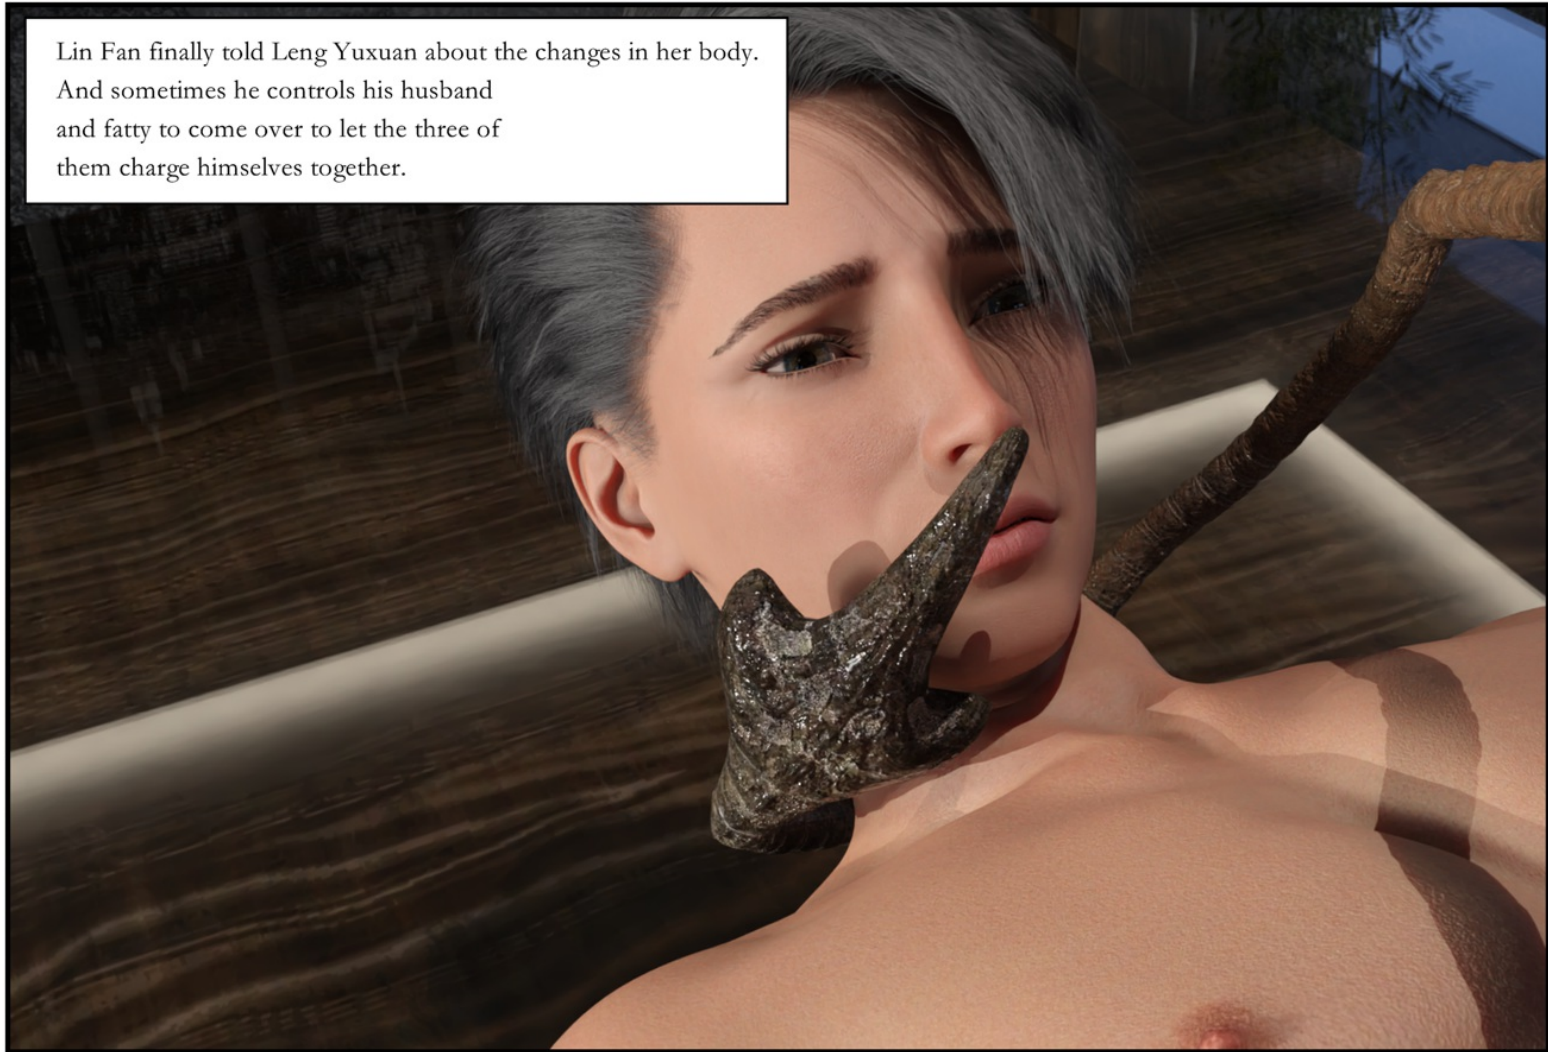

Although the dead are
ex-convicts of the punks,
but what a pervert will
tortured them to death like this.

Yeah, and no fingerprint or
DNA found

Forget it, wait for the coroner to come over.

Lin Fan finally told Leng Yuxuan about the changes in her body. And sometimes he controls his husband and fatty to come over to let the three of them charge themselves together.

But Leng Yuxuan really can't figure out,
is her own body let Lin Fan become like this.
Or Lin Fan let his body become like this.

However, no matter how Lin Fan's body changes,
the human state personality is still as cute as before.
And never do bad things to herself.
In that case, just let him go.

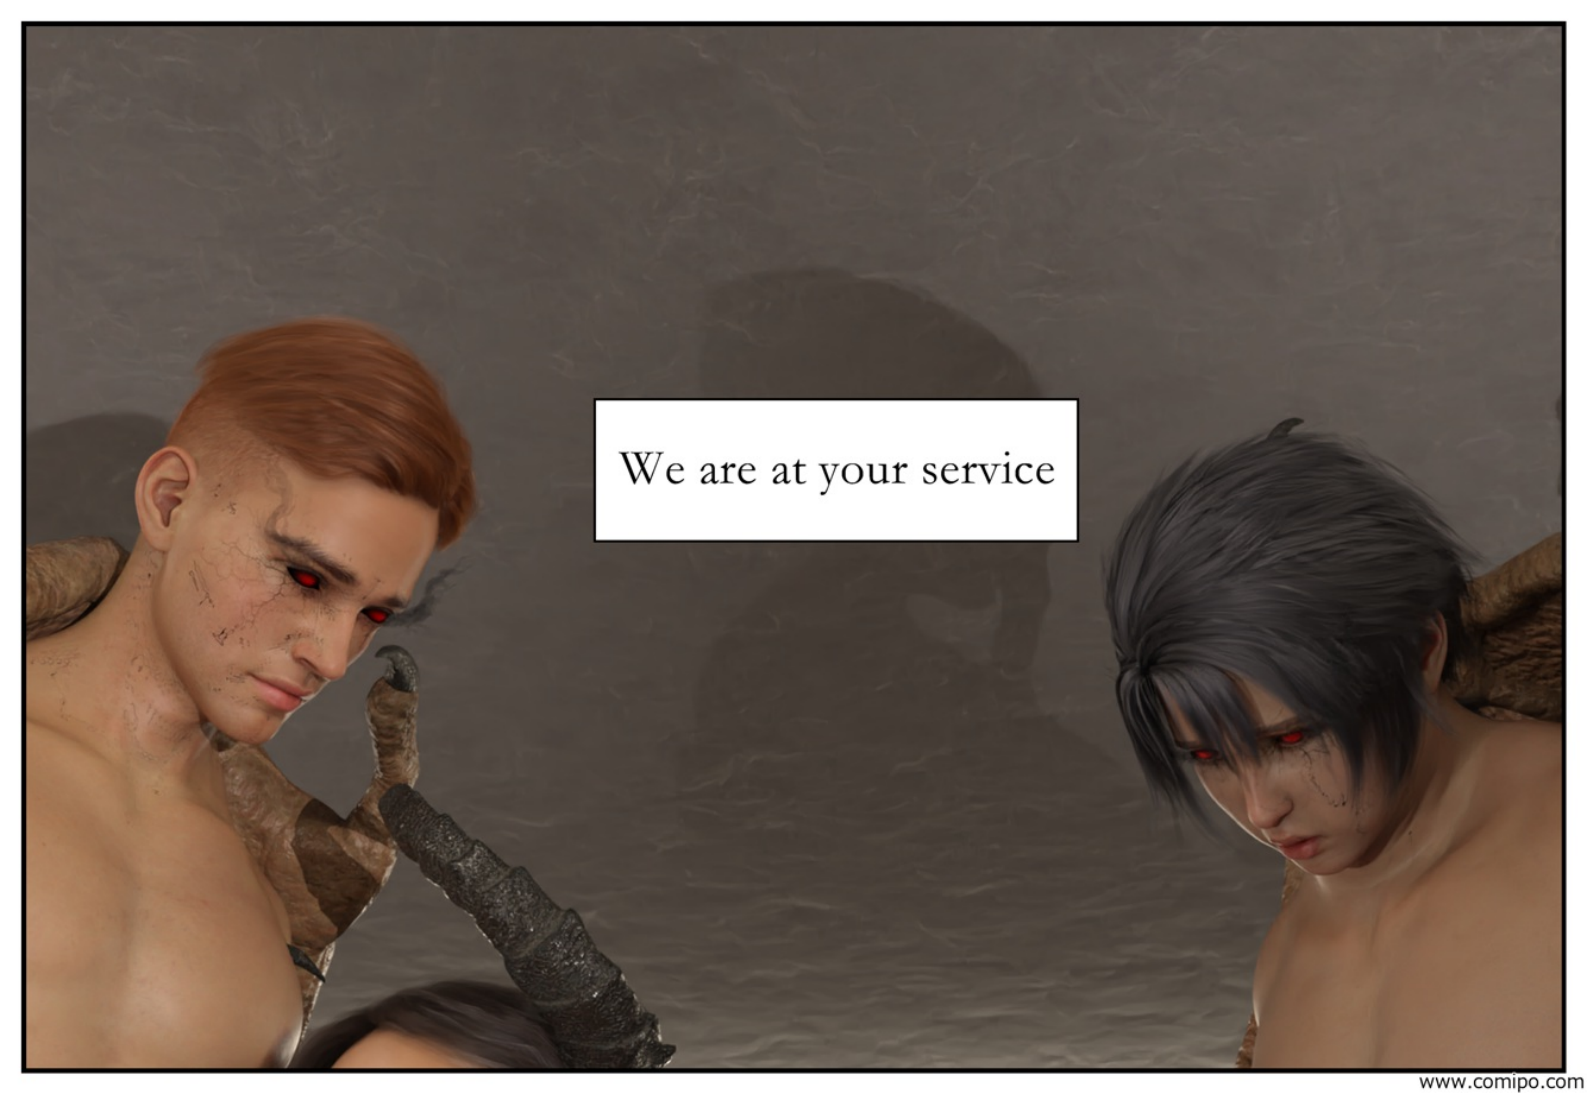

Understood, master

Ah ~ husband's meat stick Xuan'er most like.
Fat brother, you also have to cheer up and
cum a little more oh.

The image depicts two characters, likely from the anime 'Demon Slayer', in a dark, watery environment. On the left, a character with short red hair and red eyes is shown in profile, looking down. On the right, a character with short dark blue hair and red eyes is also shown in profile, looking down. Both characters have small, dark horns on their heads. A white rectangular box with a black border is centered in the image, containing the text 'We are at your service'. The background is a dark, textured surface that resembles water or a cave wall.

We are at your service

Ah~ more, I want more.

That guy was too tortured today.
I didn't even have enough fun.
Don't you think so, fatty.

Yes, Queen~

A dark, horror-themed illustration. In the center, a woman with red horns and a ruff collar stands behind a man who is crouching on a stone altar. The woman has a red, fleshy, horned creature on her back. The man is looking down at something in his hands. The altar is decorated with skulls and candles. The background is a dark, rocky cave. The overall tone is macabre and disturbing.

Recently, I really do not want to turn
into human form to go to work.
If not I don't have to go back to see my daughter,
I'm sure to catch people back every day to play.
No, no, can not degenerate any more.

How does it feel to be my demon?
In the future, in school,
you have to cheat more girls for me oh.

Got it.

But before then I have to enjoy your big cock ~

Human girls should not be able to stand it.
Remember to take it easy when you do
it with them.

Before you do, let yourself feel it.
How about this queen lends you
your lower body once?

For a moment, Leng Yuxuan felt a receptive
and different feeling of emptiness coming
from her lower body.

A 3D rendered scene featuring two female devil characters in a dark, cavernous setting. The character in the foreground is seen from behind, with her back to the viewer. She has long, flowing red hair, a long curved tail, and is wearing a small black collar. She is embracing another character from behind. The second character has red skin, horns, and a long tail, and is looking back over her shoulder at the first character. They are standing on a rocky outcrop. The background is a dark, textured rock wall.

Yes~ Master.
I am yours~

Ah~
