

Jeff was always attracted to Kate, ever since the very first time that he met her in high school. Tall, confident, smart and sexy; everyone had a crush on Kate. They didn't hit it off right away, but when they crossed paths a bit later after college in their home town they found they had a lot in common. Kate had the kind of girl next door good looks that you see in movies. She was tall and thin, with perfect natural red hair and freckles. She had had shoulder length red hair. She had the prettiest large and intelligent blue eyes, that she tried to hide behind glasses or hats. When she made eye contact with you it felt like you were the luckiest man in the room. Despite her slender body she had larger than average breasts, and the contrast between her tiny waist and body with her large chest was especially sexy in any outfit. She exercised for more than 45 minutes every day and had a tight and toned stomach and legs. Although she was turning 27 this year, she had the body that could compete with any of girls half her age and she knew it and was constantly aware of it.

Of course, one of the difficulties for Jeff was that Kate was constantly being hit on by men. Usually guys would just sort of stare at her oddly. Kate had grown a kind of steely angry demeanor to give the guys leering at her an pissed off and outraged expression. For this reason a lot of people described Kate as being "bitchy". It would keep most men afraid to approach her. The ones who did have the confidence to approach her were often drunk or stupid or some kind of a dare, Kate's fierce demeanor was not giving any positive signals. For these guys Kate revealed in tearing them down and humiliating them.

Now at 27 years old and a 2nd year corporate lawyer, Kate was as smart as she was attractive. Most of the meat heads that thought they could bone her would find themselves retreating with their "tail between their legs" so to speak as she would intellectually and physically humiliate them along with her rejection. At 5'11" Kate was taller than a lot of guys when she was wearing heels she could often look down at the men who were trying to get her attention.

Jeff was the sort of man content to let Kate take the "pants" in the relationship. All of the mentioned attention made Kate a bit stuck up about her looks, she always expected to be the prettiest girl in the room, and she always was. This made her very hard to please in terms of gifts and dating.

Jeff worked to solve these problems for Kate and would gladly put up with her bitchy and needy demeanor in return for her amazing body and looks. Jeff made enough money that he could keep pleasing Kate with luxurious trips and dates. Although the sex was mostly vanilla, Jeff was thrilled to have secured such a gorgeous girl and was getting close to making a proposal. He had money saved up and had been dating and living with Kate now for more than 4 years.

For Kates' 27th birthday Jeff had booked the top floor in a fancy apartment right on the beach for a full week. It wasn't until they arrived that they realized that their trip had coincided with "beach week" for the local high school, and a group of teenage boys were renting the cheaper rooms on the bottom floors. Not only that but there was a shared pool and hot tub for the entire building and it didn't look like there was much privacy.

Of course, this made Kate angry. She was expecting to relax at the beach, and loud teenage boys

drinking, and partying was the last thing she wanted to have to hear. At least the rooms on the top floor were much larger and nicer. It was clear that Jeff and Kate were the adults in the situation since they were much older as well as staying in the larger and nicer rooms. Kate and Jeff figured they could complain and get the kids removed if they were too loud tonight.

Kate changed into a two-piece bathing suit that showed off her sexy stomach and nice cleavage. She was sitting on her patio when she noticed the 3 teenage dudes had come out to lounge around out by the pool on the lower level. They had their shirts off and were drinking cans of beer. One of the kids, Jay was a little bit taller than the others and seemed to be the leader. He had a sort of laid back Justin Bieber like appearance. He was more skinny while the other two were shorter and a bit more muscular.

When Jay saw Kate sitting alone on her patio he did a double take.

“Whoa guys! Holy shit! Look how fucking hot that babe is!” Jay whispered to his friends. Even from her patio Kate could still easily hear him even though they were trying to talk softly.

“Damn! Holy fuck she’s fine!” one of the other guys chimed in.

“Hey!” Jay yelled looking up at Kate

Kate, sunglasses on pretended to ignore him.

“Hey Miss!” Jay yelled again, standup up and coming closer, and causing his friends to laugh at his use of “miss” to the older woman.

“What do you want??” Kate finally yelled back angrily. She was annoyed that these teens were going to ruin her relaxing week and they were already getting on her nerves.

“Can you come down here? I just wanted to ask you something” Jay said back laughing. It was clear they were just trying to get her to come down to the pool so that they could get a better look at her body.

Kate stood up so that she could strike her iciest look. In her bikini with her incredible body and sunglass she was a site to behold. She crossed her arms over her chest and glared at the shirtless teens who were all glumly snickering at her frustration.

“Listen you little boys! You better shut the fuck up and keep it down tonight or I am going to get you kicked out of this place!” She yelled, slamming the door behind her and going inside.

The boys gasped, for one because Kate had been so bitchy but also because when she stood up they could see how amazing Kate looked. She was a solid 11 out of 10 and her anger had only made her look more sexy.

The three teenagers laughed and continued to drink beer as Kate and Jeff got dressed to go out for dinner. About 30 minutes later they were both ready to go out. Kate had changed into a tight fitting black dress that hugged her slim and sexy figure.

Although Kate had always been the center of attention, she had relatively little sexual experience before she met Jeff. Jeff was good enough at pleasing her, although Jeff had noticed that Kate was usually pretty quiet when they would have missionary style vanilla sex. At almost 5 and ¼ inches long when erect Jeff was a bit on the smaller side but Kate had never had anything larger to compare and was satisfied by her sex life.

Jeff had much more success at making Kate orgasm with his tongue. And soon after Kate had come back in Jeff started working his hands down Kates body as he eased her onto the bed. He had a routine that he would perform to pleasure Kate with his mouth almost as a duty. Kate usually stayed quiet and let Jeff do the work, every so often giving him gentle encouragement.

This time, however, just as she was getting into it, Jeff and Kate were interrupted by the sound of splashes and loud voices coming from the pool below, the kids were getting louder and this time seemed be joined by more voices. The mood was killed.

“Ughh!’ Those fucking jerk kids! “Kate slammed her fist on the bed.

“They are just going to be loud idiots all night long” Kate groaned. “Are they going to be here the whole week?”

“I can go down and talk to them” Jeff offered.

“What’s that going to do?” Kate was often rude to Jeff as well, she often treated him as weak and pathetic since he was not as aggressive as her. Even though she was implying that Jeff wasn’t going to be able to control the situation she wasn’t exactly promoting a solution either.

Jeff decided to let Kate cool off a bit. He went downstairs to get a soda from the vending machine.

While Jeff was going downstairs Kate opened the patio and stepped out.

The boys whistled in delight as Kate stepped out onto the patio in her amazing and flattering dress.

“Listen, you little brats better be out of the pool by 10pm tonight or we are going to call the manager!” Kate yelled down angrily.

The boys were very casual and non-pulsed, they were not scared at all at the angry hot chick.

“Yeah right! That’s when the girls are getting here!” Jay yelled back laughing.

"You should join us, you got a hot bod!" Jay yelled with a grin and look up and down of Kate.

Kate blushed red, that was uncalled for. She could not believe this idiot teen boys were not backing down, this kid Jay was just so cool and confident that her anger didn't seem throw him off. She was used to cocky men thinking they could win her over but she had another of cruelty she would use in special cases. In this case the kid was barely 18 years old, she was going to make him cry, she thought to herself. She stood up straight and leaned out against the balcony.

"As if!! Ha! You think that you could handle a woman like this!" She stepped up to the front of the balcony and pointed to her tight body as she emphasized "this" . "You little kids have more luck with your hand tonight that pleasing a real woman!" She laughed at the teen males gawking at her flawless tight body.

"Look at your arms your skinny arms you look like you are going blow away haha!" She was pretending to laugh to hurt jays ego. "And you think that tattoo makes you look tough? You look like you are 16 years old!" She made the "loser" sign at Jay. He still was smiling even after all her taunts.

"That's right boys, Better store up the tissues cause that's all the action you're getting, little boys!" She laughed, and looked coldly and at Jay.

Jay had never had such a hot and sexy woman throw so many insults at him. He was both turned on and angered by the way she was making fun of his appearance. While he had been cool and laughing earlier he seemed angry now.

"Calling me a loser, ok I'll show you a little boy, come see who's a real man" Jay puffed his chest up and put his hand on his crotch and acted like he was a big stud. He seemed almost nearly as angry back at Kate as she had been at him. "Come back here later tonight and see !" He taunted at Kate

"Loser!" Kate taunted back and went back inside.

Now downstairs Jeff had heard the yelling. While he couldn't make out what they were saying he could tell from her voice that Kate was pissed. This was going to be tough night. Once Kate was in her angry mood it was hard to get her out of it.

After the vending machine Jeff had gone to use the bathroom by the main lobby and and was pissing when he heard someone else enter the restroom. He realized it was one of the teens. He hadn't yet met them but he was embarrassed to realize this particular bathroom had no separators between the stalls, and his penis was somewhat exposed as the teenager stepped up to the stall next to him. Jeff tried to turn his body away but when the teen pulled down his trunks jeff couldn't help feel himself embarrassed as the size of the teens cock was much larger than his. The teen was skinny and he had a tattoo but Jeff wasn't yet aware this was the bratty teen that Kate had been arguing with.

Jeff was worried that the teen would notice how small Jeff was in comparison, so he tried to end early and hide his penis but he thought he heard a laugh from the teen as he was zipping up. Jeff couldn't help but feel demoralized by the teen having so much bigger a cock than him, and he was suddenly feeling very humiliated. Not only that, but he now had to deal with his angry girlfriend at dinner.

"Ugh that one kid Jay is such a jerk!" Kate told Jeff as he got back to the apartment. Jeff was suddenly worried.

"Which one is Jay?" Jeff asked Kate.

"Oh he's the skinny one with the tattoos on his arm" Kate answered which gave Jeff another lump in his stomach. That was the same teen who had just out sized him easily in the bathroom. Jeff grew flustered again and Kate could tell something was up.

"Let's just go" Jeff said and they started walking out of the complex to go to Dinner.

As they were leaving Jay came running up to Kate and stood in front of her.

Kate made the "L" loser sign again and look at him pathetically and mocking him.

"Ask your boyfriend who's the bigger man!" he laughed, looking at Jeff

Kate didn't understand what the kid meant but she nodded sarcastically and patronizingly

"Ok little boy!" She said and made the "small penis" gesture with her hands. Jeff wanted to stop her as he knew that mocking this kid on his size was probably not a good approach.

"Ask him" Jay said again, looking deep into Kate's Eyes.

Kate was mostly quiet until the two of them arrived at dinner.

"God I hate that kid, what a jerk. He's such an asshole. And Why did he keep bringing you into it?" Kate asked Jeff.

"Did you talk to him or something?" Kate asked Jeff.

"No .. oh not really" Jeff told her.

"What do you mean he was bigger than you?" Kate asked in shock. Kate was a lawyer so Jeff knew he wouldn't be able to get away with lying to her. He sheepishly admitted to the truth, hoping to put an end to this whole thing early.

"Well you see...." Jeff paused. "You know in the men's room we were next to each other and we pulled out, and he was just bigger than me...." He paused again as the color drained from Kate's face. "A lot bigger. He made me feel pretty tiny actually" Jeff admitted shamefully. The fact that the kid was so much younger but also so much bigger did make him feel very inadequate in front of the desirable Kate.

"I've been yelling at that brat for the past hour, Are you telling me that little brat has a bigger cock than my boyfriend? And he knows he's bigger than you?" She asked me in a nearly state of panic. She was nodding her head in disbelief.

"Im sorry, but yes he was bigger than me." Jeff Apologized but Kate was getting madder and madder. To her this was now becoming Jeff's fault for embarrassing her with these kids.

"Jeff, that kid is a teenager, you are a full grown man, how is it possible for him to be bigger down there? Is this some kind of joke. how much bigger is he?"

"I don't know" Jeff said. Kate again looked stunned by the news and she seemed distracted the rest of the night. Whenever Jeff tried to make advances Kate would push him away and seem disgusted in him. She got more and more drunk as the night went on but she wasn't giving Jeff any affection at all.

By the time they got home Kate was really wasted. She was still angry with jeff and when they got home she started pulling down his pants.

"Take it out, let me see it!" Kate demanded Jeff take off his pants and boxers.

Kate was in a weird mood and she looked at jeffs flaccid 2 inch penis.

"How much bigger is Jays?" Kate demanded as she stroked jeff's cock with two fingers.

Jeff didn't like the fact that Kate was humiliating him by talking about the larger dicked teen, but she looked so sexy and she was rubbing so slowly he could help getting hard. Kate was rubbing her clit at the same time she stroked jeffs cock, she made tiny motions to emphasize that she thought Jeff's cock was small and unworthy.

"Just a little bigger?" Kate asked as she stroked and moaned in pleasure

"Much bigger than me!" jeff admitted and Kate stroked his small cock.

"He was the bigger man wasn't he?" Kate asked as she started moaning as she reached her own orgasm while she continued to rub Jeff's cock.

"He put your little cock to shame didn't he?" She moaned

Jeff came and a tiny spurt of cum went onto Kates arm. Even after he came Kate continued with her mean teasing.

“Pathetic” Kate laughed as she wiped the little drop of cum off her arm. Kate laughed again as she went to sleep, still drunk and acting strangely.

The two of them fell asleep but a few hours later Jeff felt Kate playing with his flaccid penis again.

“So small” She laughed.

“Is it ok ?” Jeff asked.

“No... no it’s not..” Kate said.

“I mean, I need to know how much bigger he is” Kate said. She grabbed Jeff and started walking with him down stairs

Kate was acting so strangely that Jeff couldn’t believe it. Soon they were downstairs and she was banging on the teenagers door and it was the middle of the night.

Jay came to the door and smiled when he saw Kate.

“I was hoping you would stop by” Jay said and smiled to Kate as she pushed past him and dragged Jeff inside.

“Look you little shit! I know you think you’re hot shit, lets see how you compare to my boyfriend!” Kate was still acting like Jay hadn’t proven anything to her and she wasn’t giving an inch. “I want to see who is bigger” she demanded to both men.

“Ha ha sounds good to me babe, you think I’m scared of comparing with your guy?” Jay laughed and stepped up next to Jeff. Jay realized that this was a good situation for him so he tried to play it up a little bit.

“Ok let’s stand side by side and see who’s bigger. Who do you think Kate? You think your boyfriend can matchup? ”

Kate continued to play tough, she put up the “loser” sign again and challenged him.

“Stand right here so you can get a good view” Jay laughed as he started to maneuver his crotch closer to Kate.

“Prove it you jerk!” Kate told Jay. She didn’t want to admit it but the idea of the cocky teenager having a bigger manhood was suddenly striking Kate as very erotic.

Jeff already knew that this kid was packing and even standing next to him he felt the energy in the room was shifted. Jeff felt himself almost inferior and it was clear that Kate was mostly focused on Jay as the two stood side by side. Even though Jay was younger he seemed to be the one with all the power in the room. Kate stood in front with her arms folded across her chest, the same post she was using when scolding the teens earlier. This time she was using her body language to challenge Jay, to call his bluff so to speak.

“Ok time to let you see how it is” Jay said as he pulled down his boxers. Kate gasped as Jay’s flaccid cock was at least 7 inches long and very thick. Her arms stayed folded but her big blue eyes grew wide as saucers and her mouth opened at the site of Jays size.

A moment later Jeff reluctantly pulled down his boxes to reveal his flaccid 2 inch cock. He was not even half the size of the teen, with smaller balls and less girth. Kate didn’t even look at Jeff as her eyes were locked on Jay.

“There, now you see how it is!” Jay gloated as Kate just stared. Though she had been tough and forceful now that the large dick was in front of her she suddenly seemed meek and submissive.

“Ok... you win” Kate finally admitted.

“You got the bigger dick kid, fuck!” She was admitting that he had been right all along and she was getting on her knees to look at Jays dick.

“It’s the biggest I’ve ever seen...” she admitted as her face grew red and she looked up at the teen innocently. Though Jay was the youngest in the room it was clear he was the man of the house now in Kate’s eyes. Jay wasn’t finished taunting her now that he had her ogling his massive cock.

“Is Your boyfriend’s cock even close to mine?” Jay asked Kate as she got to her knees and looked closer at Jay’s manhood.

“Its not even close... like you got him beat, you more than twice as big” she laughed, looking at Jeff’s tiny 2 incher.

“And who’s got bigger balls?” Jay asked Kate to inspect.

Kate help up Jay’s large balls to feel in her hand. She looked impressed and told him.

“You do. You have the biggest balls you stud” kate told Jay as she started stroking them.

"Now that you know who's the real man, which dick would you rather take?" Jay asked Kate.

"It's not even close. I want the bigger man to take me. You showed me who the man is, and it's not my boyfriend." Kate told Jay as she rubbed his big balls. Kate was so horny and she had never tried such a large cock before. Even though she had hated this kid so much, the size of his penis was definitely a turn on for Kate. He may have been young but she was so enamored with his large and manly cocksize that she was no longer concerned with his age.

"I'm never gonna let that little wimp dick inside me again, not after I have seen this one" Kate looked up lovingly at Jay.

"You want to be a slut for my big cock don't you? Beg to be my cock slut" Jay asked Kate.

"Yes please! I will be your cock slut" Kate answered from her knees. She kissed Jay's flaccid cock on the tip and it twitched in pleasure.

"That's a good girl" Jay moaned as he took her hair and pulled her head closer. Kate opened her mouth and tried to take in as much of Jay's cock as she could but she could only get a little bit past the head. Her mouth was stretched wide as Jay's cock started to get harder.

"Oh my god it's so big" Kate purred as she realized the cock was easily bigger than any she had ever had.

"Take me upstairs and show me what you want to do to my cock" Jay demanded.

Kate took Jay up to the master suite. Jeff was forced to stay in the living room as Kate and the teen took their place in the master bedroom. The teenager had taken Jeff's place and now the large hung teen was about to take Kate's body. Kate had never been so horny to give herself to the larger and arrogant teen.

At first all Jeff could hear was slobbering and sucking sounds as Kate did her best to suck and throat fuck Jay's giant cock. Now that it was hard it was close to 10 inches, the biggest cock Kate had ever seen by nearly double. Jeff heard her gagging.

"Oh! oh my god! your dick is so big. I will worship you big cock all week long" Kate moaned. She kept pointing out how much bigger Jay was than her previous lovers and how much his big dick was rocking her world.

"I never knew you would be so big! You sure showed me!" She moaned. "Oh that big dick sure showed me!" she admitted and kept inflating Jay's ego. "My boyfriend is nothing next to you! You are superior dick" she told him in a sultry voice. Jeff couldn't believe this innocent stunning girl was worshiping this teen so heavily. She had never been so horny before, the cock seemed to have awakened her slutiness in a way that Jeff had never been able to.

For the next hour, all Jeff could hear was the screaming of Kate, who went through multiple orgasms. Unlike the sex that Jeff had always had with Kate, this time she was loud and screaming.

"Oh God! Oh God! Oh my God I'm cuming!" she yelled over and over again. She kept on comparing the sex with what she had before which was especially humiliating for Jeff. At one point it was clear from the slapping sounds that Jay was fucking Kate Doggy style.

"How's that feel?" Jay asked as he started to enter Kate from behind

"Fucking huge that's how it feels! Damn kid, you got me deep!" She moaned as Jay started stroking in and out.

"OOOHHH!! OHHHHH! OHHH!" Kate yelled with each thrust.

"That big dick feels SOO FUCKING GOOD!!!" Kate yelled.

"You are putting my boyfriend's cock in its place, oh shit my pussy is yours! Oh god you own my pussy!" Kate yelled as Jay fucked her. "I'm CUMMING! OH GOD I'M CUMMING YOU STUD!" Kate screamed as she had a hard orgasm to Jay's doggy-style fucking.

In between orgasms Jeff could hear Kate worshipping the cock.

"It's soo big! Oh god I love your big dick! oh it feels soo good!" Kate was moaning.

"Oh my god! That's the best dick I've ever had! Your giving me such good dick! oh god!" She yelled for what seemed like hours.

Finally Kate started riding Jay's cock. With her long and elegant body, she could make amazing motions that was giving both Jay and Kate the best feelings so far.

"Oh yeah babe! Damn you ride that dick well, oh yeah babe stroke it with that sexy body" Jay ordered Kate as she started panting.

"Yes! Yes! Yes! Oh god Yes!" Kate yelled as she started to cum again.

"I'm gonna cum on your sexy body" Jay told her as he was getting close.

"Oh god, you can come anywhere you want you huge cocked stud!" Kate moaned.

Jay pulled like long 9 inch cock out of Kate and started pumping jizz onto her toned stomach muscles. With each pump of jays large cock Kate felt a shiver of ecstasy as her own body spasmed with orgasm. After 5 or 6 long and thick strands of cum, Kate was impressed to see that Jay was still going, his cum covering her stomach and pooling down her crotch.

"Holy shit! You sure are a stud!" Kate told Jay as she started sucking on his cock and swallowing his cum.

"It was better than i ever imagined. What a perfect dick" Kate said.

For the rest of the week Kate and Jay stayed in the master sweet and Jay was Kate's master all week long.

While Jeff was nearly 28 years old, the cocky teen ten years his junior had not only taken his room but had just spent the night giving his supermodel girlfriend the kind of orgasms she had only ever dreamed of.

"Hey..." Kate came out from her bedroom the next morning. Jay was still asleep and Jeff was sleeping on the couch.

"I uhh just wanted to let you know that uhh... Jay is going to be staying here tonight...". She let the point linger for a bit longer than normal, She was gauging to see Jeff's reaction. "And uhh probably tomorrow.... and all next day too... well I hope so..." Kate's beautiful innocent face lit up at the thought of this boy stud coming back to fuck her all day long.

Then remembering she had just delivered him tough news, she looked back empathetically at Jeff.

Jeff was crushed. He had planned this whole trip around his girlfriend's birthday, and now she was spending all her time cock worshiping this overly cocky teenage high school boy.

"Look, his huge dick feels really good ok. That's it. It's just better than yours and I'm going to keep fucking him as long as I can" Kate said bluntly. Kate was trying to make it clear and to the point to Jeff that she was not only letting Jay stay in the bed, but that she was going to be giving her body to him and him alone from now on.

"Your small dick is just going to have to wait until we get home, I'm not touching "that" little thing again, not after the cock that Jay has given me" she laughed, making the small penis sign at Jeff. Jeff held onto the hope that Kate would resume in letting him fuck her after they returned from the trip, and this was one small thread that he clinged onto that kept him from leaving then and there.

Jeff tried to push back against decision that Kate had seemingly made out of no where to spend the rest of her vacation time with this kid and pretty much only him.

"Look, I needed this big dick and I think we both know that you can't give it to me. I didn't know that this

cocky jerk would be the one to give me what I needed, but he was and I am going to enjoy it while I can. Look I'm sorry but you will just have to occupy yourself." Kate told him coldly. She was already bored of this conversation and the pathetic inferior man boy Jeff.

Jeff tried to make an argument, passionately turning red as he tried to explain that love and sex was about more than size, and that "even if Jay was bigger" there was more to it than that.

"Bigger?? Just Bigger?" Kate laughed. She had tried to let Jeff off easy but now he was pushing it, she was going to have to let him how thoroughly the teen had outmanned him in every way.

Kate had enjoyed the fact that the teenaged boy had so well and thoroughly trumped her much older boyfriend, and she took a secret pleasure in the male social domination that the teen had shown, not just to her but to everyone involved. She felt a pleasure from rubbing it in even more. Kate took a sort of reptile brain pleasure in knowing the arrogant brat Jay had been justified in his confidence. She found herself defending Jay and praising him.

"Look his cock is not just Bigger. It's thicker. It's harder, it's longer. And he uses it SOOO WELL. He's better at fucking me than you will ever be at anything. And let me tell you he pumped me with that perfect cock so well last night and now that I know how good a real man feels I don't think you even deserve to stay in the same home as Jay." Kate told him coldly "Now that's a man!" she said fiercely to Jeff, implying that Jeff was not even on the same level of manhood as the teen.

Kate blamed Jeff now for wasting years of her life in sexual frustration, knowing now how the big cock of the young Jay had finally given her the pleasure she always needed.

"Ok" Jeff agreed. I will find another hotel.

"Good" Kate responded, not even looking back at him as she walked back into the bedroom. She was smiling mouth ajar at the sight of Jay's huge perfect cock hanging thickly over the side of his naked torso.

When they got home from the vacation Jeff tried to put all of the deviant behavior that Kate had surprisingly shown behind them. Of course the sexlife between them in bedroom was never the same. Whenever Jeff tried to have sex with her Kate would complain that it wasn't good and didn't feel as good as she wanted. Just like she was picky in all things, she had become much more demanding in bed.

Eventually Kate agreed to let Jeff fuck her, but only if he wore a large penis sleeve that added several inches in length and thickness to his erect size. Even still she would still complain that it wasn't as big "even with the help" as Jay's real size.

As a downside, the apparatus reduced the feeling for Jeff, but Kate was able to sometimes orgasm, but only if she was allowed to think about Jay. Oddly, sometime Kate would even make fun of Jeff, to Jeff, as she was pretending that Jeff's cock sleeve was Jay's cock.

“Oh Jay! Oh yeah, show me who’s the bigger man! Oh Jay yes, you’re bigger than my boyfriend!” She would yell to Jeff that he found humiliating. She would also constantly want to re-enact the “unveiling” as she called it, the first time she laid eyes on the cock . She would even tell her friends about it.

One time Jeff overheard her telling her hot friend Abby about their vacation.

“I mean this kid was just alright looking, I mean he was cute and all but I didn’t think about it you know , he was just sooo young. Like not even in college. But we kept on arguing and he was getting me so mad and you know how angry I get and I just hated him! I think I wanted to kill him but I also loved how much I hated him! But then oh my god Abby, when him and my boyfriend started arguing and they had a size contest and that kid put his “MEAT” out there in comparison with my boyfriend I almost had a panic attack. I mean HUGE! Compared to the cock I had been getting, holy shit! He dominated the contest that’s for sure.” Kate laughed as she told her friend Abby the story.
