

*Priscillas  
Photoshoot*

Hi, I'm Priscilla. I'm 22 years old and work as a lingerie model. Two weeks ago, I was approached by a photographer while shopping in Miami. He introduced himself as Cedric and explained that he was looking for models for his magazine, Triple A. He offered me a photo shoot in his studio. I hesitated a little because I wasn't familiar with him or his work, but I agreed to the following Tuesday.

# TRIPLE A

*I was a little surprised why he named his magazine Triple A. But his work seemed very professional. I also heard that it's often bought by men.*

# TRIPLE A

*And so the following  
Tuesday I was in  
Cedric's studio*

*While taking photos of me, Cedric told me that he wanted to significantly revise the Triple A concept in order to remain competitive.*

TRIPLE A

*At first, I had no idea what he was talking about. But when he asked me to slowly undress, I knew what this was all about. However, he offered a great fee.*

*Something I never  
wanted to agree to. But  
from one second to the  
next, I became Triple  
A's first nude model.*

# TRIPLE A

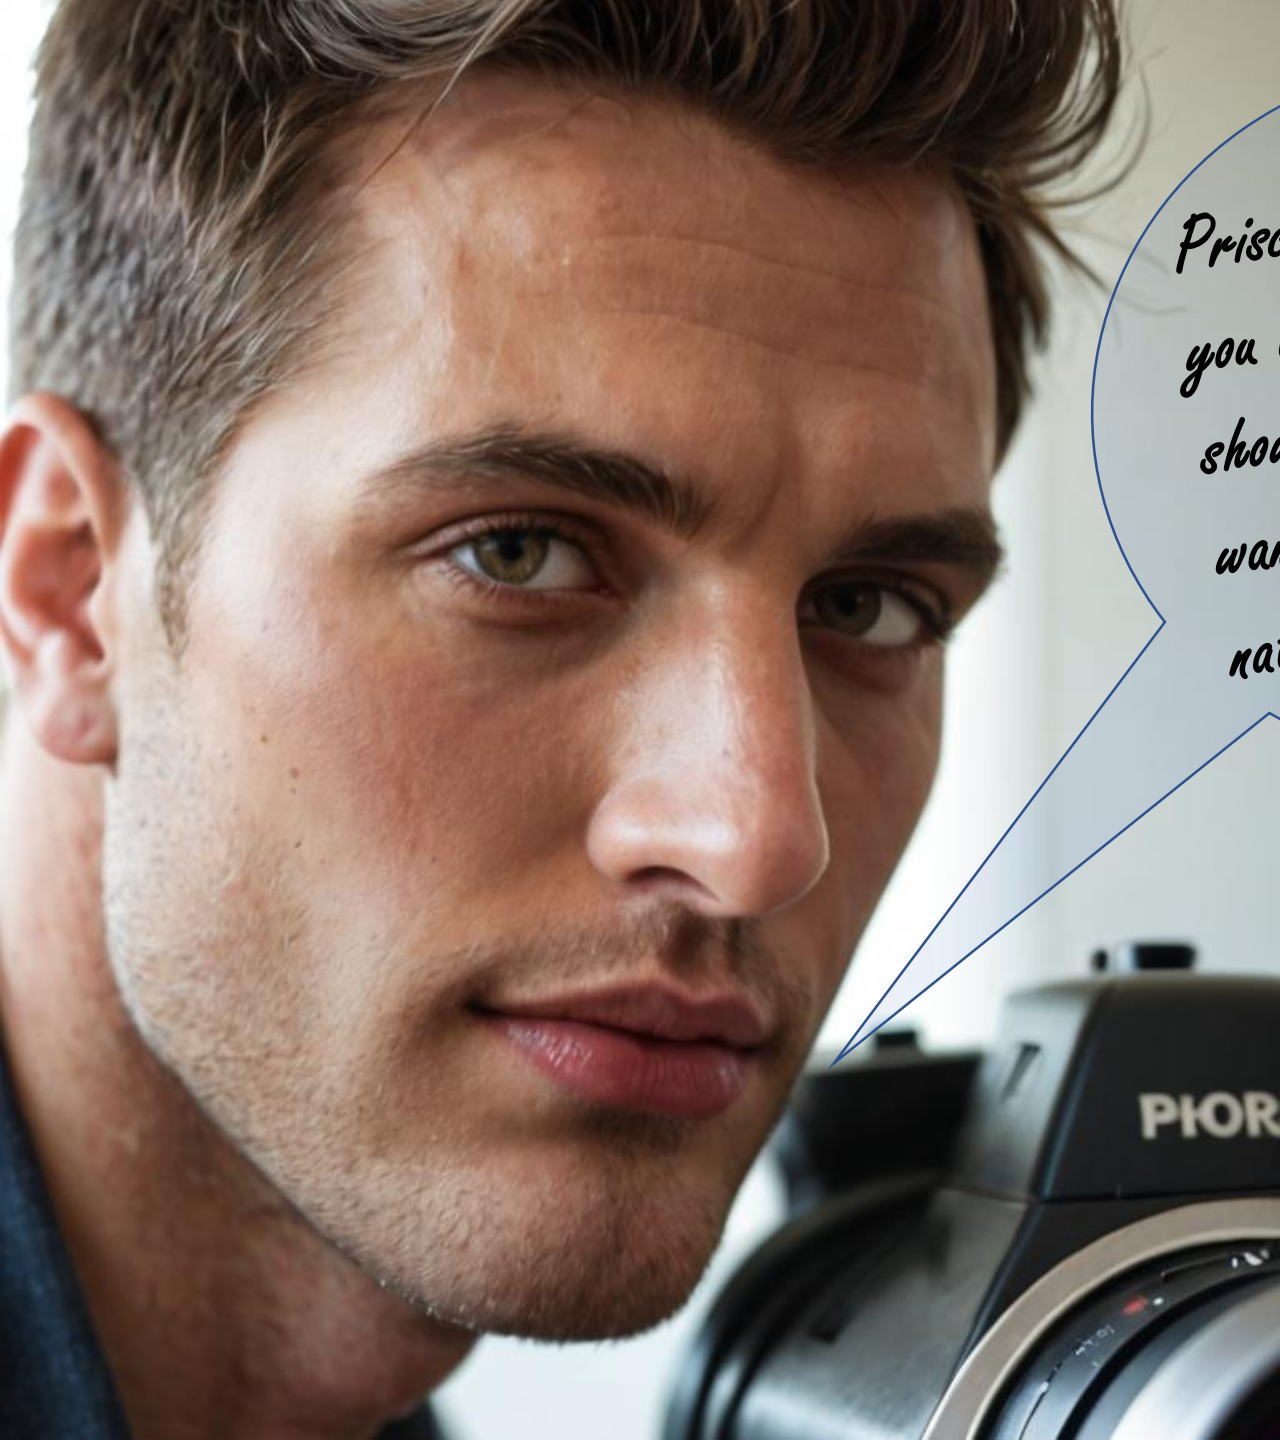

*Cedric cheered me on.  
He enjoyed his workday.*

# TRIPLE A

*Priscilla! Stay where you are. I'm going to show you a surprise and want to capture your natural reaction.*

FLASH

*Pervert! Were the boys watching the whole time?!*

*Hard to admit but the guys have  
some strong tools in their pants*

*Cedric's studio is an entire building complex. The rooms were filling up more and more with all these men. A very irritating situation...*

*Ultimately, I was here to support Triple A's new positioning. So, I tried to handle the situation more calmly.*

*No need to be shy,  
just touch it!*

*Oh wow! I've never  
touched cocks this  
big and hard!*

*Priscilla! Be a good girl! Spread your ass for us!*

*Let it gape!*

*Gape?!*

TRIPLE A

TRIPLE A

*Priscilla, seriously!  
This could be the  
most successful issue  
of my magazine...but  
you have to blow  
now!*

*Cedric! We NEVER  
discussed it like this!*

*Ten seconds later...*

TRIPLE A

*I have the feeling  
Cedric is almost  
finished*

*PRISCILLA!*

*Mhkkkkkk....*

*Cedric opens the pussy fucking*

TRIPLE A

*The still exhausted Cedric asks for volunteers to come inside Priscilla's pussy. A few friendly gentlemen promptly volunteer.*

*Loud groaning was heard*

*The boys were happy to relax*

*Priscilla enjoyed it to the fullest*

*Priscilla's pussy  
throbbed. Cedric put a  
lot of passion into  
capturing all facets of  
her beauty.*

*All that manjuice  
felt fantastic!*

*Priscilla takes a little break and cleans her pussy*

*Cedric instructs his fellow  
contestants: Everyone in turn,  
please. Everyone will come in  
Priscilla's ass.*

PERVERT!

Men! Turn her over  
and stick a second  
cock in her ass!

*Relax!  
Don't fight it.*

*What a  
nightmare!*

UHHH!

FLASH

*Cedric asks all participating men to give Priscilla a proper round of applause. A well-known lingerie model with two cocks in her ass. A world premiere!*

*Priscilla! All three,  
please! You can do it!*

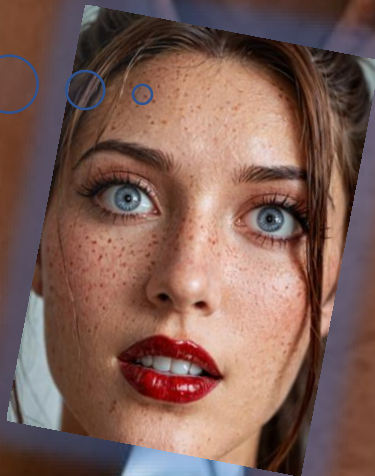

*Priscilla screamed like mad*

FLASH

That's what  
Triple A is all  
about!

*Cedric is finally  
convinced that his  
new concept will  
be a bestseller!*

**TRIPLE A**

The guys went crazy and  
couldn't delay any longer to  
cum in Priscilla's ass

*Guys, what a fantastic rinse!*

The boys left Priscilla and Cedric asked all the helpers to get into position for the final shots.

*It escalated completely...*

*Cedric is back with an erection...*

*Priscilla is very grateful to Cedric and gives him an extended post-game*

*Priscilla made sure  
that everyone got  
their money's worth*

*Thank you!*

*Where is the shower?*

# *The End*

*The men took many cell phone pictures while Priscilla left the scene*

That same day, Priscilla  
went shopping. She  
received a good salary.

*My husband will love my new clothes. I'm curious to see how he reacts when I tell him about my business with Cedric...*

That same evening, Cedric  
flew to Budapest to cast  
new models. Things were  
going well for him.

# TRIPLE A

*They're going to be stars...*
