A woman with dark curly hair, blindfolded with a white cloth, is being held by a man in a dark suit. She is wearing handcuffs on her wrists and ankles. She is holding a handgun. Another man in a dark suit is kneeling on the floor, looking up at her. The background is a dark, textured wall with a metal grate on the right side.

*Yes sir, my name is Laverne

*Without saying anything, the second man makes
his way to the Hotel Metro.*

A woman with dark curly hair is restrained in a metal cage. She is wearing a black blindfold, a red 'whimper' sound effect on her chest, and a yellow 'Hmmpff' sound effect near her shoulder. Her wrists are at the top of the cage, and her ankles are at the bottom. A large black 'X' is visible in the background. A thought bubble above her head contains text about a man's actions. A text box at the bottom left describes the scene.

I told him everything he wanted, why does he do that to me? No no, I'll cum again! Then he said I should have a good night but how about this thing in me?

whimper

Hmmpff

The second man had gone, too. Quiet returned to the room Laverne was alone the only thing she could hear was a quiet but constant brrrrrrr buzzz brrrrrrr buzzz

*Where are you
Laverne?*

*Time for
a nap!*

Meanwhile in the hotel:

Nadine is completely absorbed in the thought of the bathroom of her hotel and does not notice that the light is out and that she is no longer alone.

Good, honey
then let's go to
your *bedroom!*

A man in a dark suit and red tie is kneeling on a blue bed, leaning over a woman who is lying on her back. The woman is restrained with multiple brown straps across her chest, arms, and legs. Her eyes are covered with a white blindfold. The man is looking down at her with a slight smile. A speech bubble is positioned above him, containing text. The background shows a dark room with a glowing cube-shaped lamp on a table.

After Nadine opened the case, she saw a note on the inside of the lid and there were instructions on the note, and one point was to inject the contents of the small syringe. Another point is to put clothes on.

*Can not walk it hurt
so much and I'm so

*Nadine leaves the hotel
and goes to the bank.*

A woman with dark hair, wearing a red double-breasted coat, black tights, and black high-heeled shoes, stands in a control room. She is holding a black briefcase.
