"J... Jessie?!"

A woman with long, wavy brown hair is standing in a locker room. She is wearing a white long-sleeved button-down shirt, a red and yellow striped tie, and a black pleated skirt. She is also wearing dark, patterned thigh-high stockings. She has a slightly nervous or shy expression. The locker room has rows of teal lockers. A speech bubble is positioned above her head.

"H... Hey there you guys..."

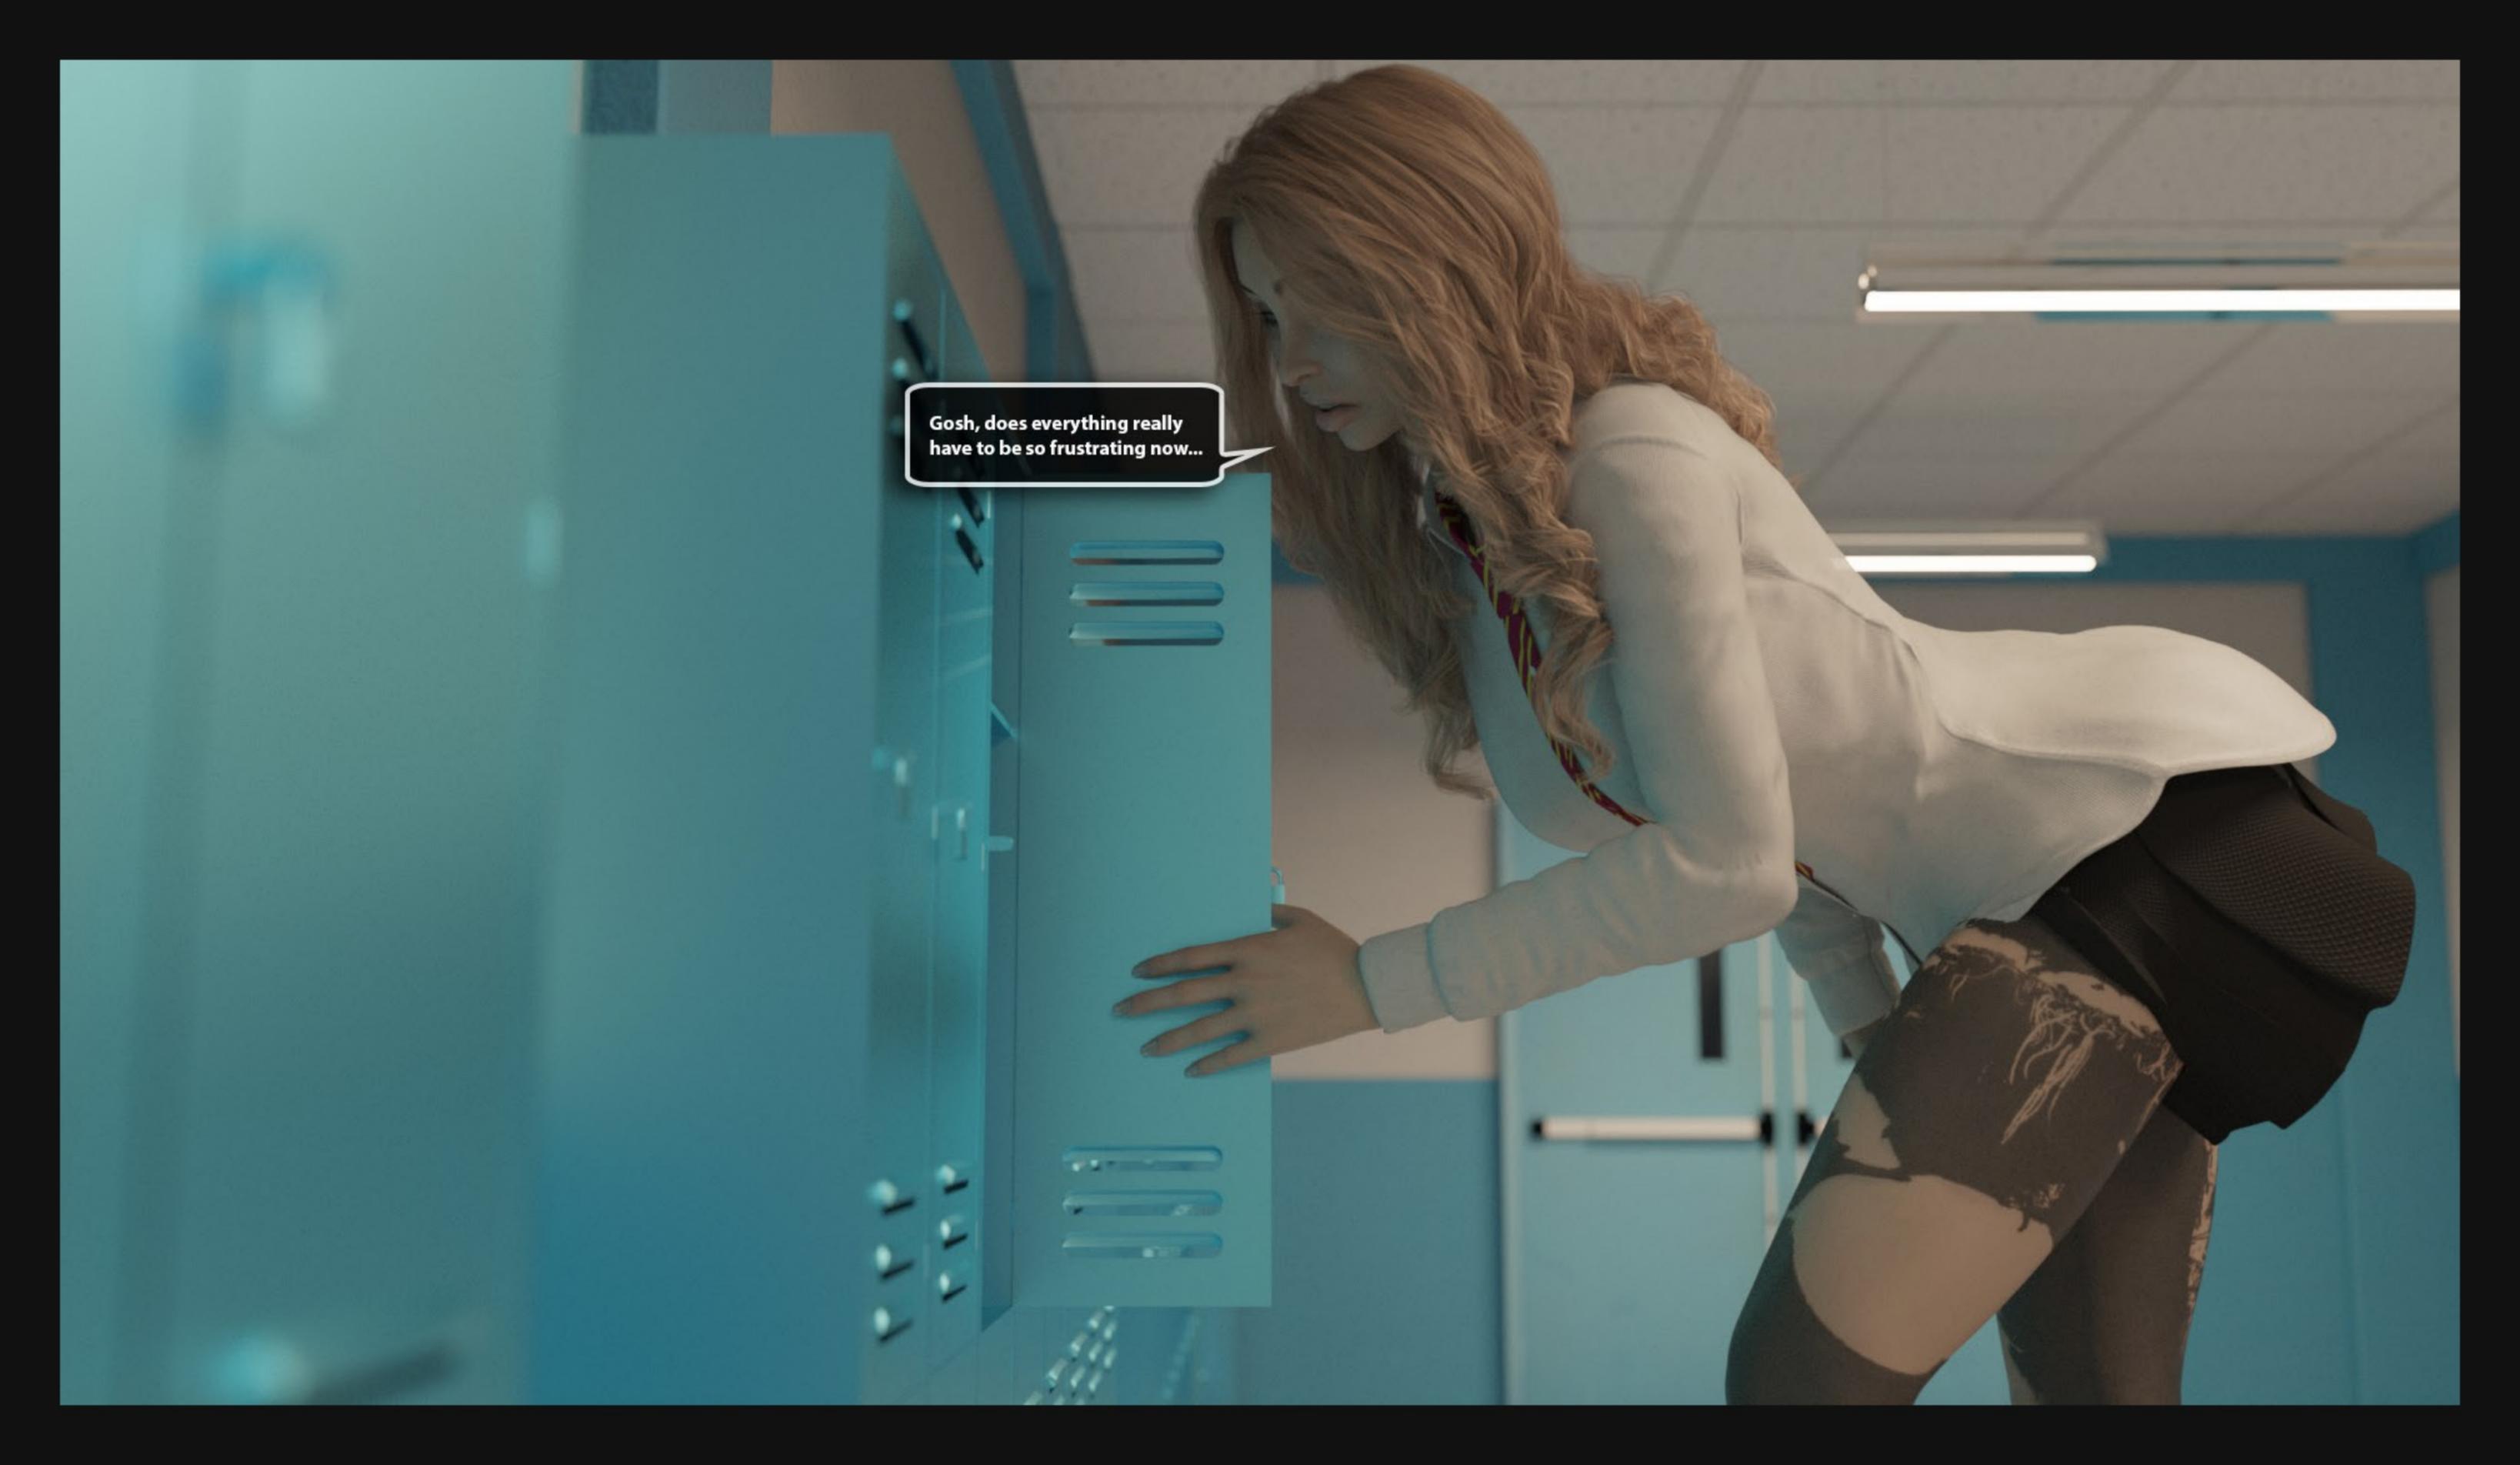

Three weeks had passed since anybody had seen Jessie Templeton in class. To those that now stood side by side with her in the hallways at school it was no wonder why. Having delayed the inevitable for as long as she could, Jessie was forced to finally bite the bullet as she struggled her amazonian frame through the doorways of the school.

Like her friend Yukiko before her, Jessie's life had now been changed by the pill her friend thrust upon her. Ever since that day, she's experienced small, but frequent growth spurts that have yet to cease. Unsure what to do, she tried all she could to live life normally, although at her current size, it already seemed impossible.

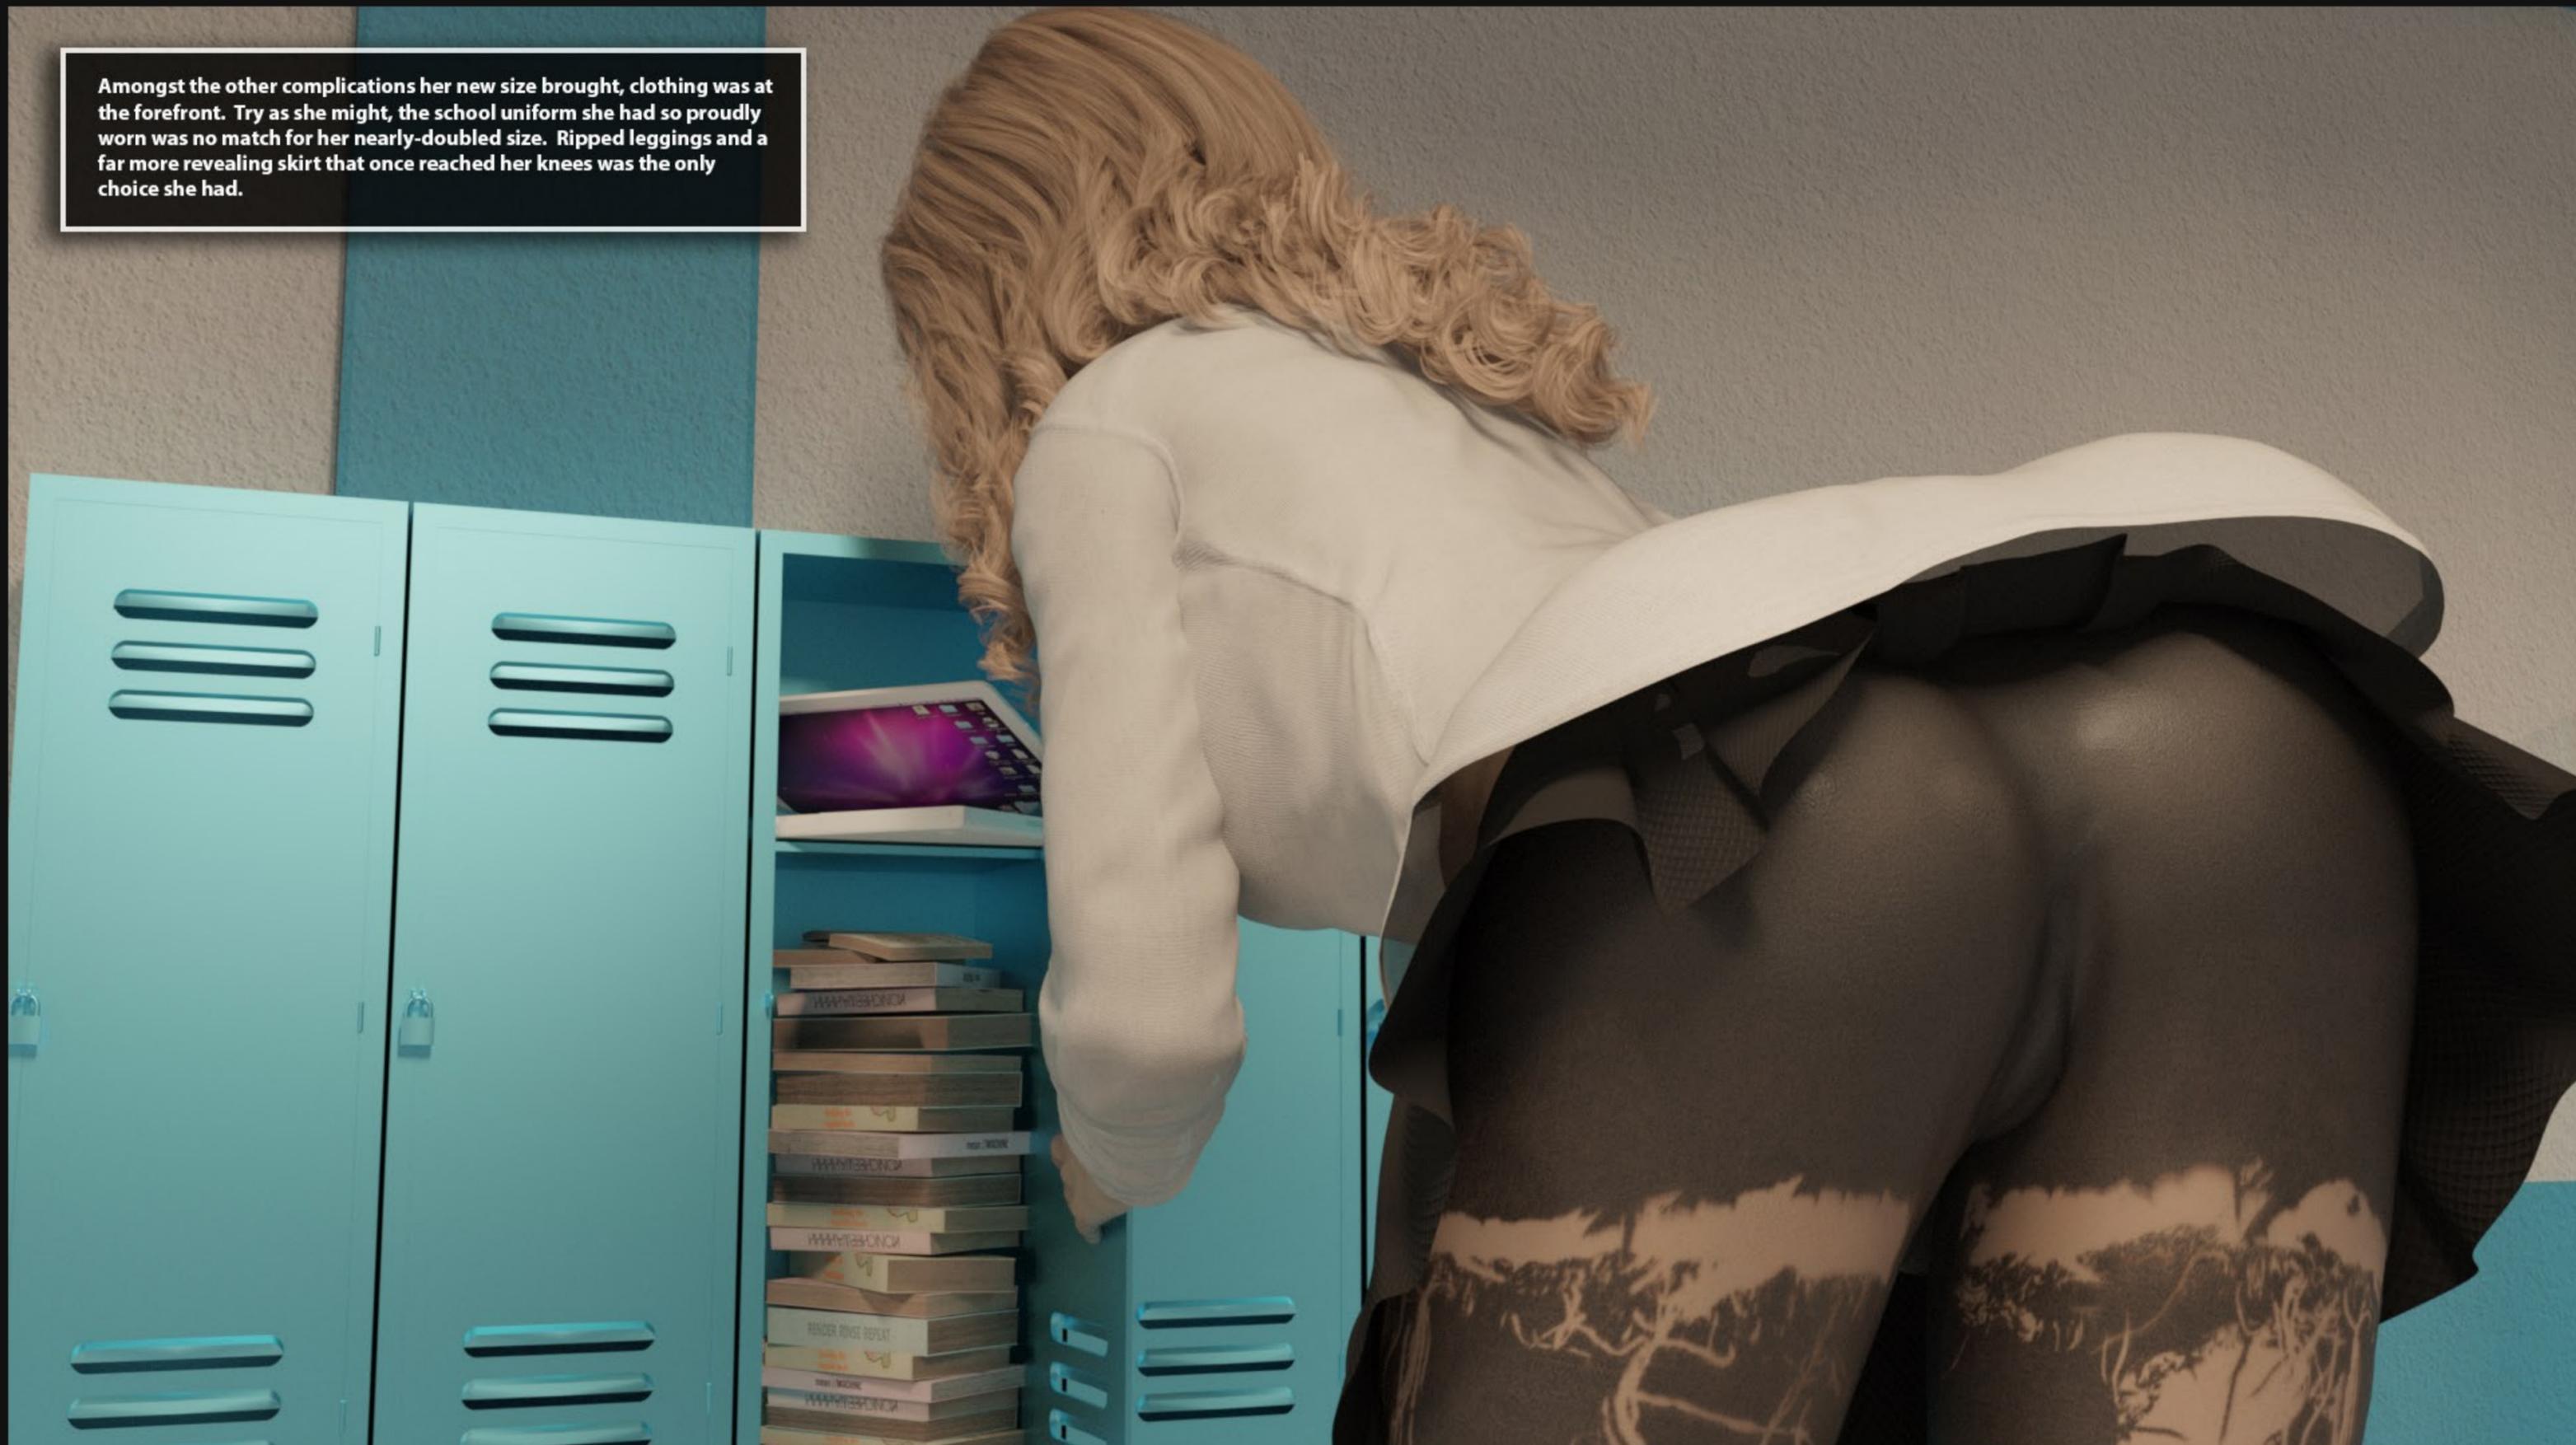

Jessie watched herself as she avoided the lights dangling across the ceiling, now within reach of her head. A hand was casually placed atop the lockers, a struggle for even the tallest of basketball players at the school. With a frustrated groan, Jessie attempted to enter her combination, but her large hands fumbled around with the lock. This was to be the everyday life of Jessie Templeton now. Every moment she thought about it only brought more dread.

Gosh, does everything really
have to be so frustrating now...

Amongst the other complications her new size brought, clothing was at the forefront. Try as she might, the school uniform she had so proudly worn was no match for her nearly-doubled size. Ripped leggings and a far more revealing skirt that once reached her knees was the only choice she had.

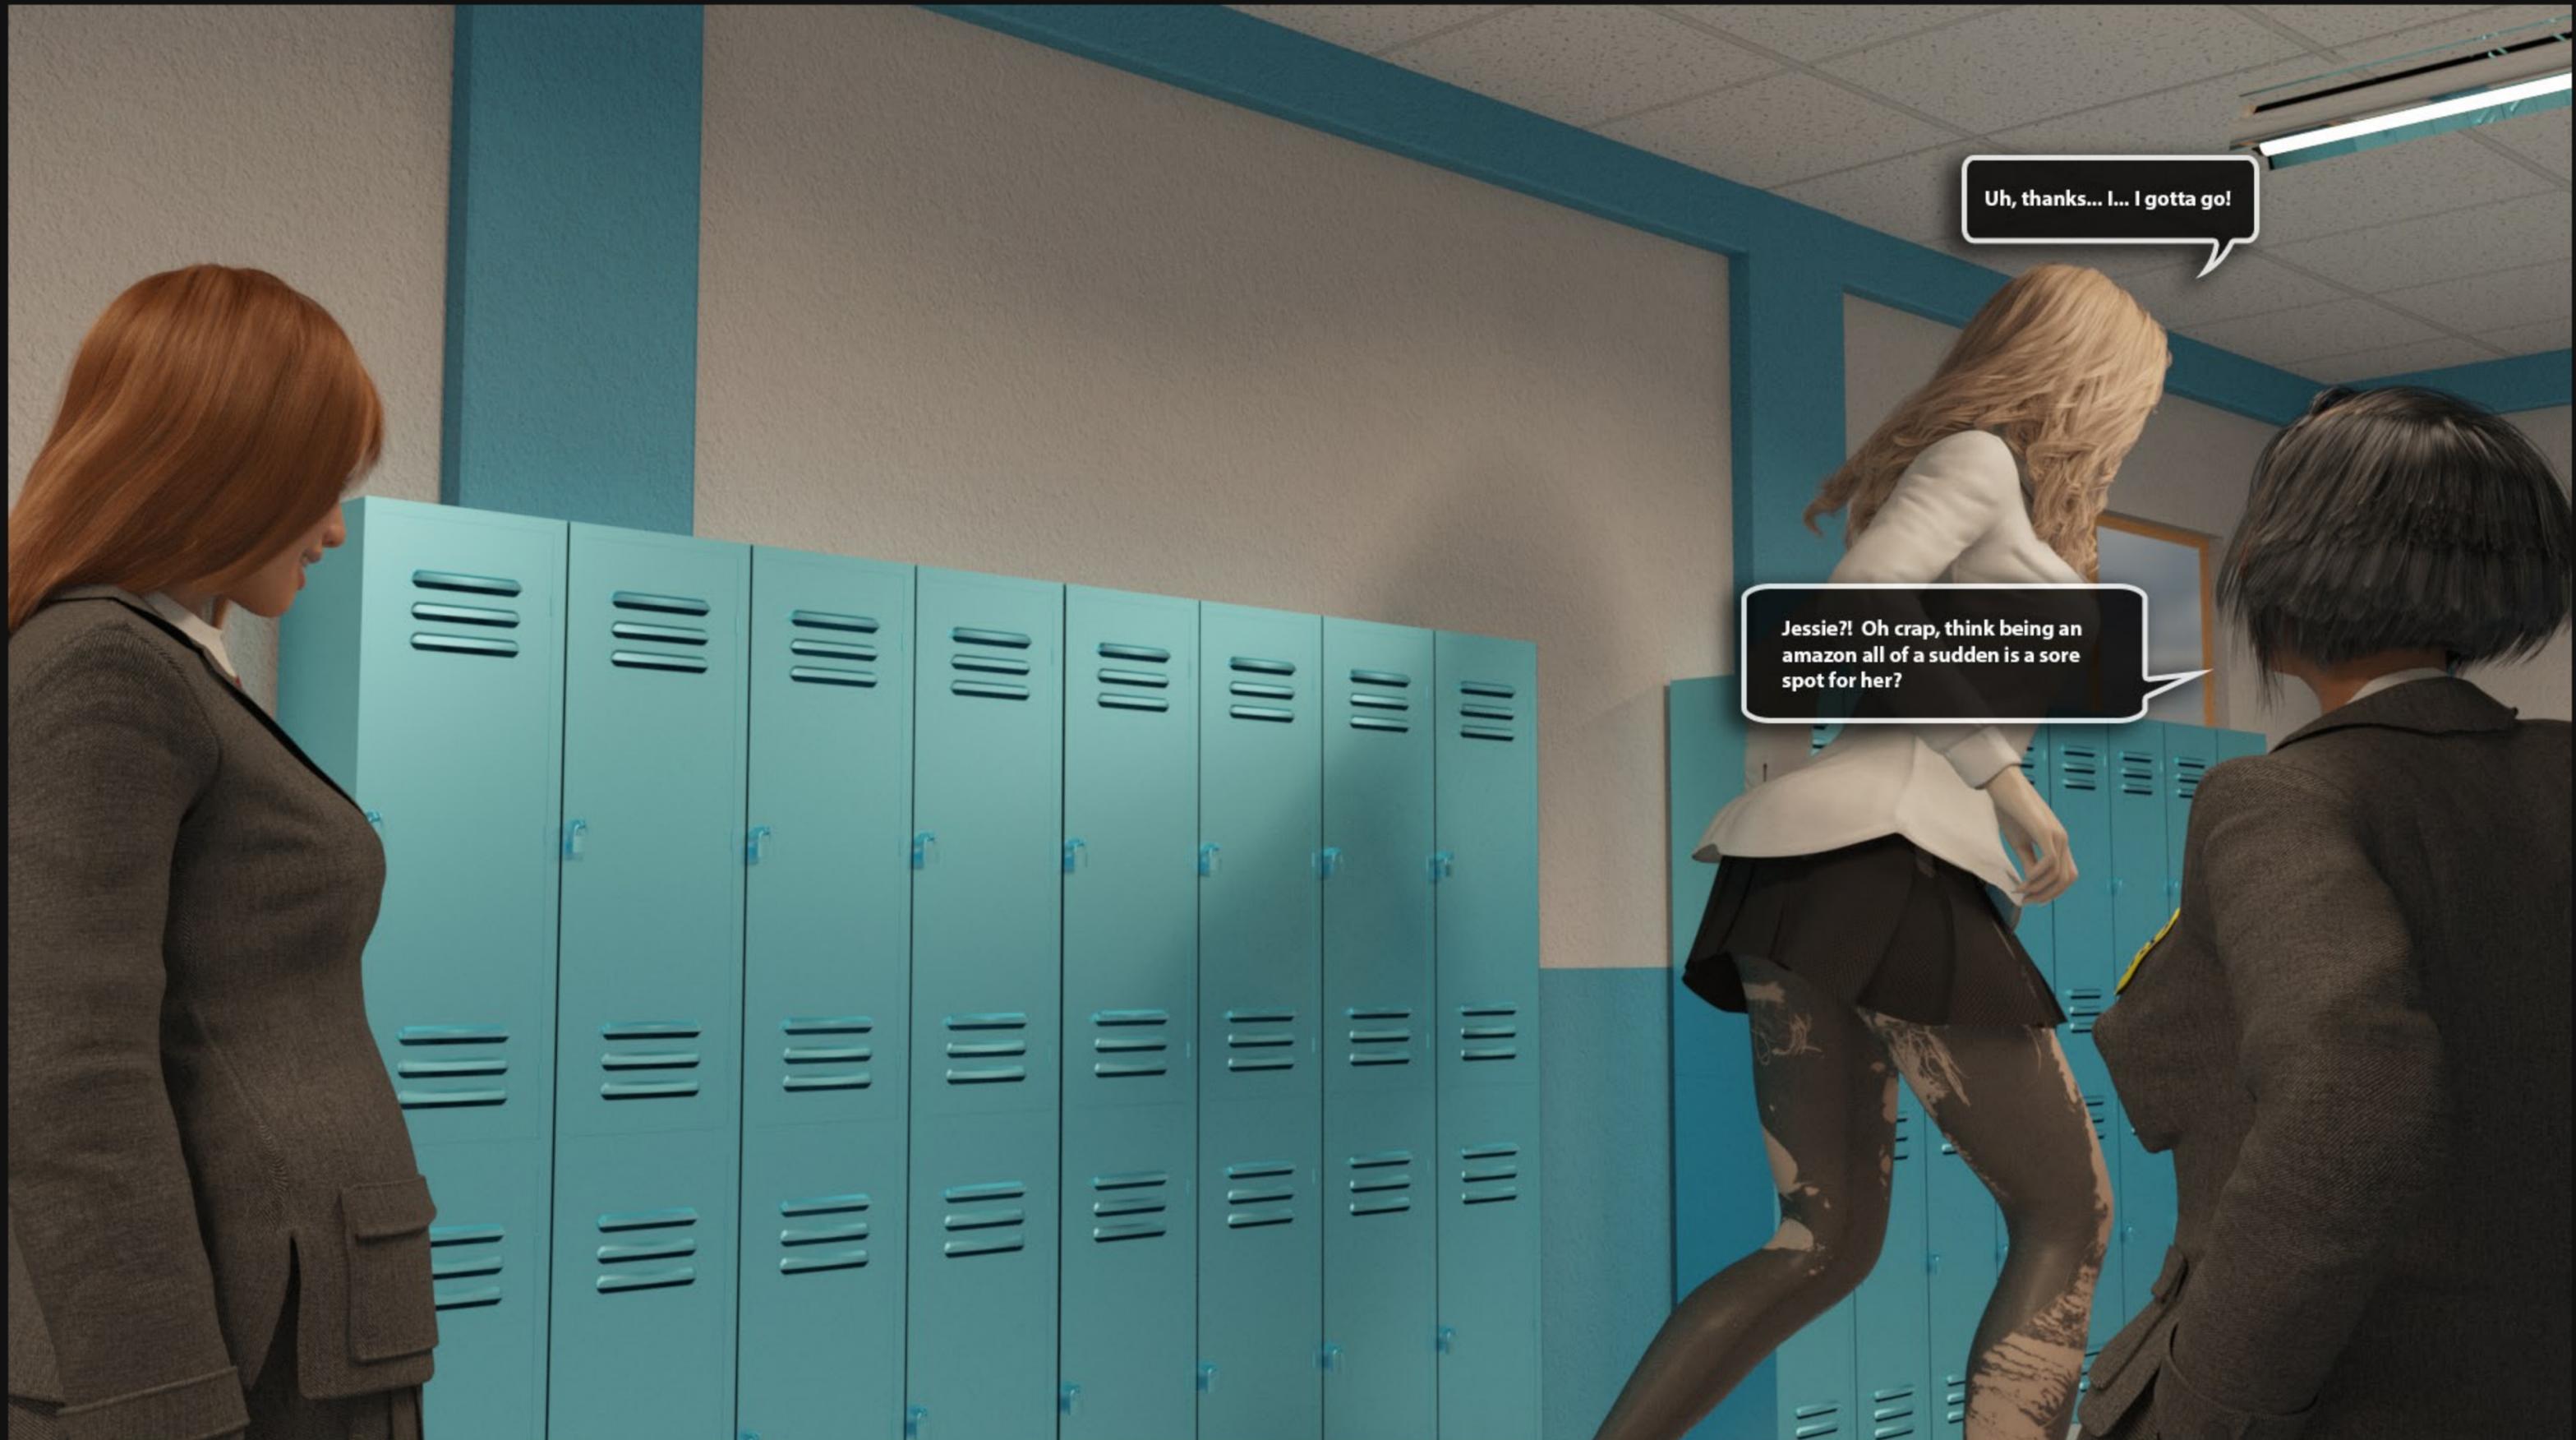

Jeez Jessie, showing off over there much?

I um... Didn't mean to-

Calm down girl! Whatever's been happening to you and Yukiko lately is fucking awesome!

Uh, thanks... I... I gotta go!

Jessie?! Oh crap, think being an amazon all of a sudden is a sore spot for her?

Unsure how to react, Jessie ran to the one place she thought might feel safe, only to realize there were far more eyes centered squarely on her inside the classroom...

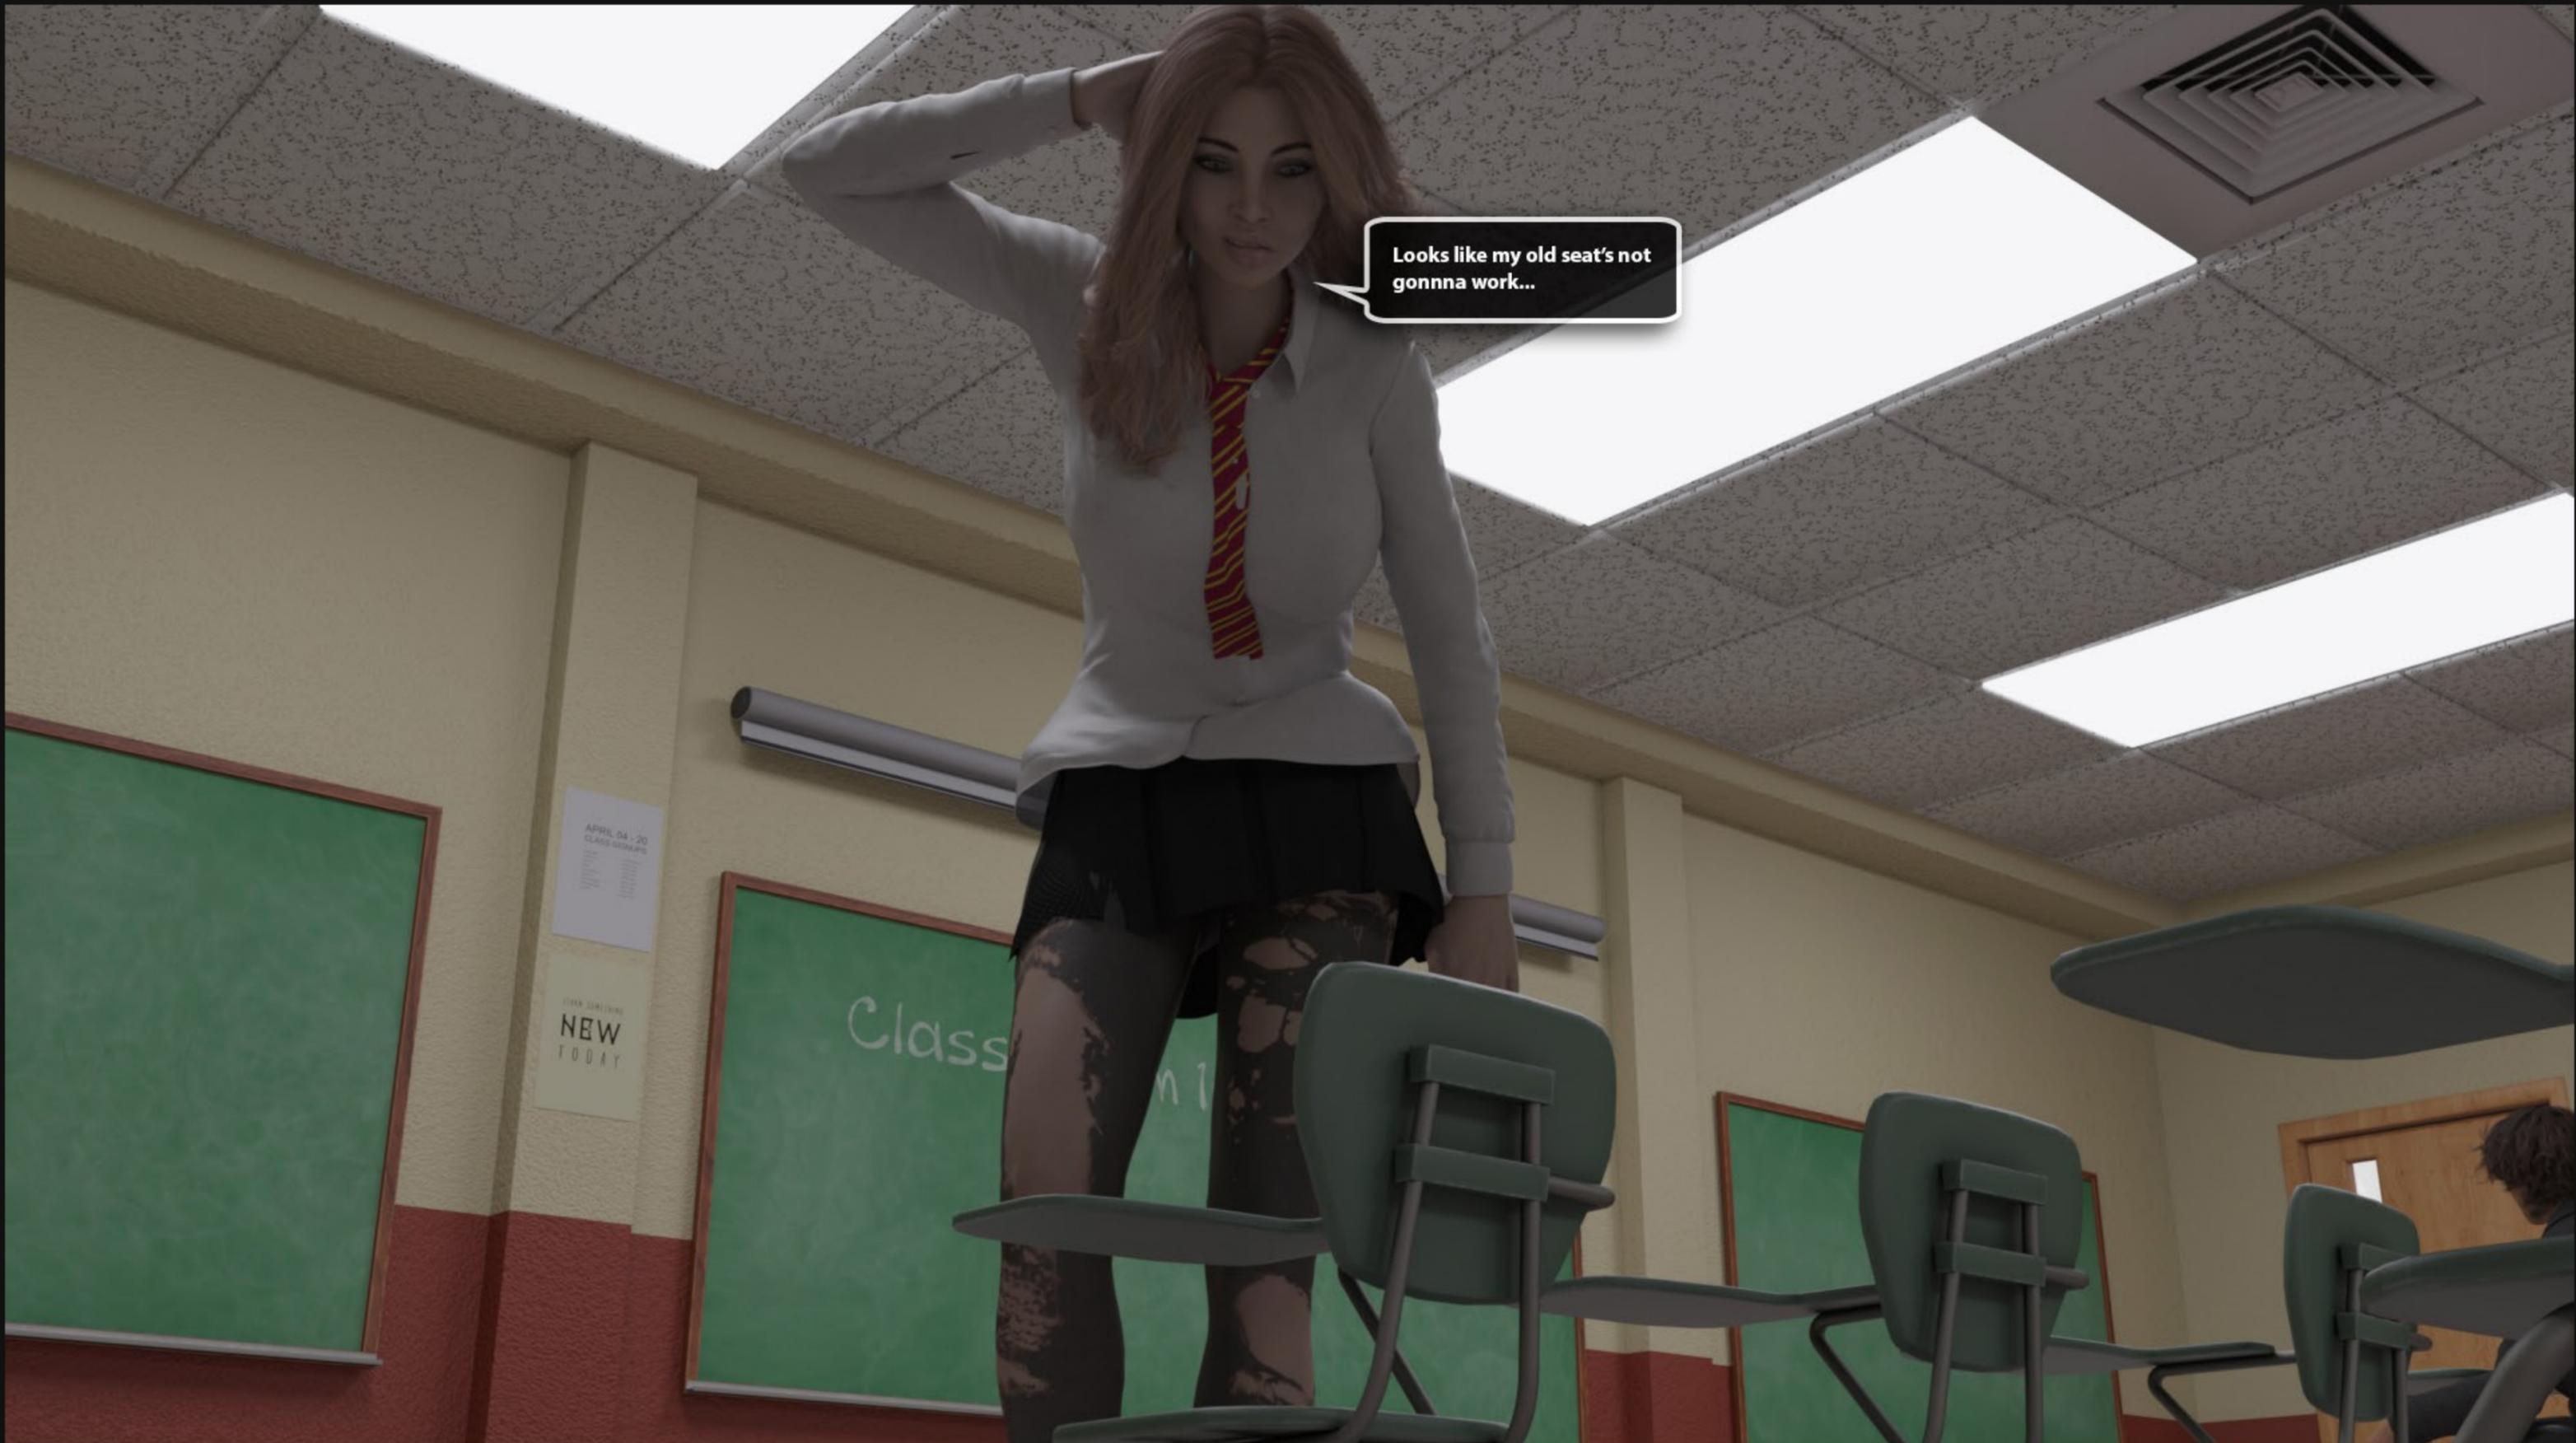

Oh crud... H... Hey everybody...

Holy moly!

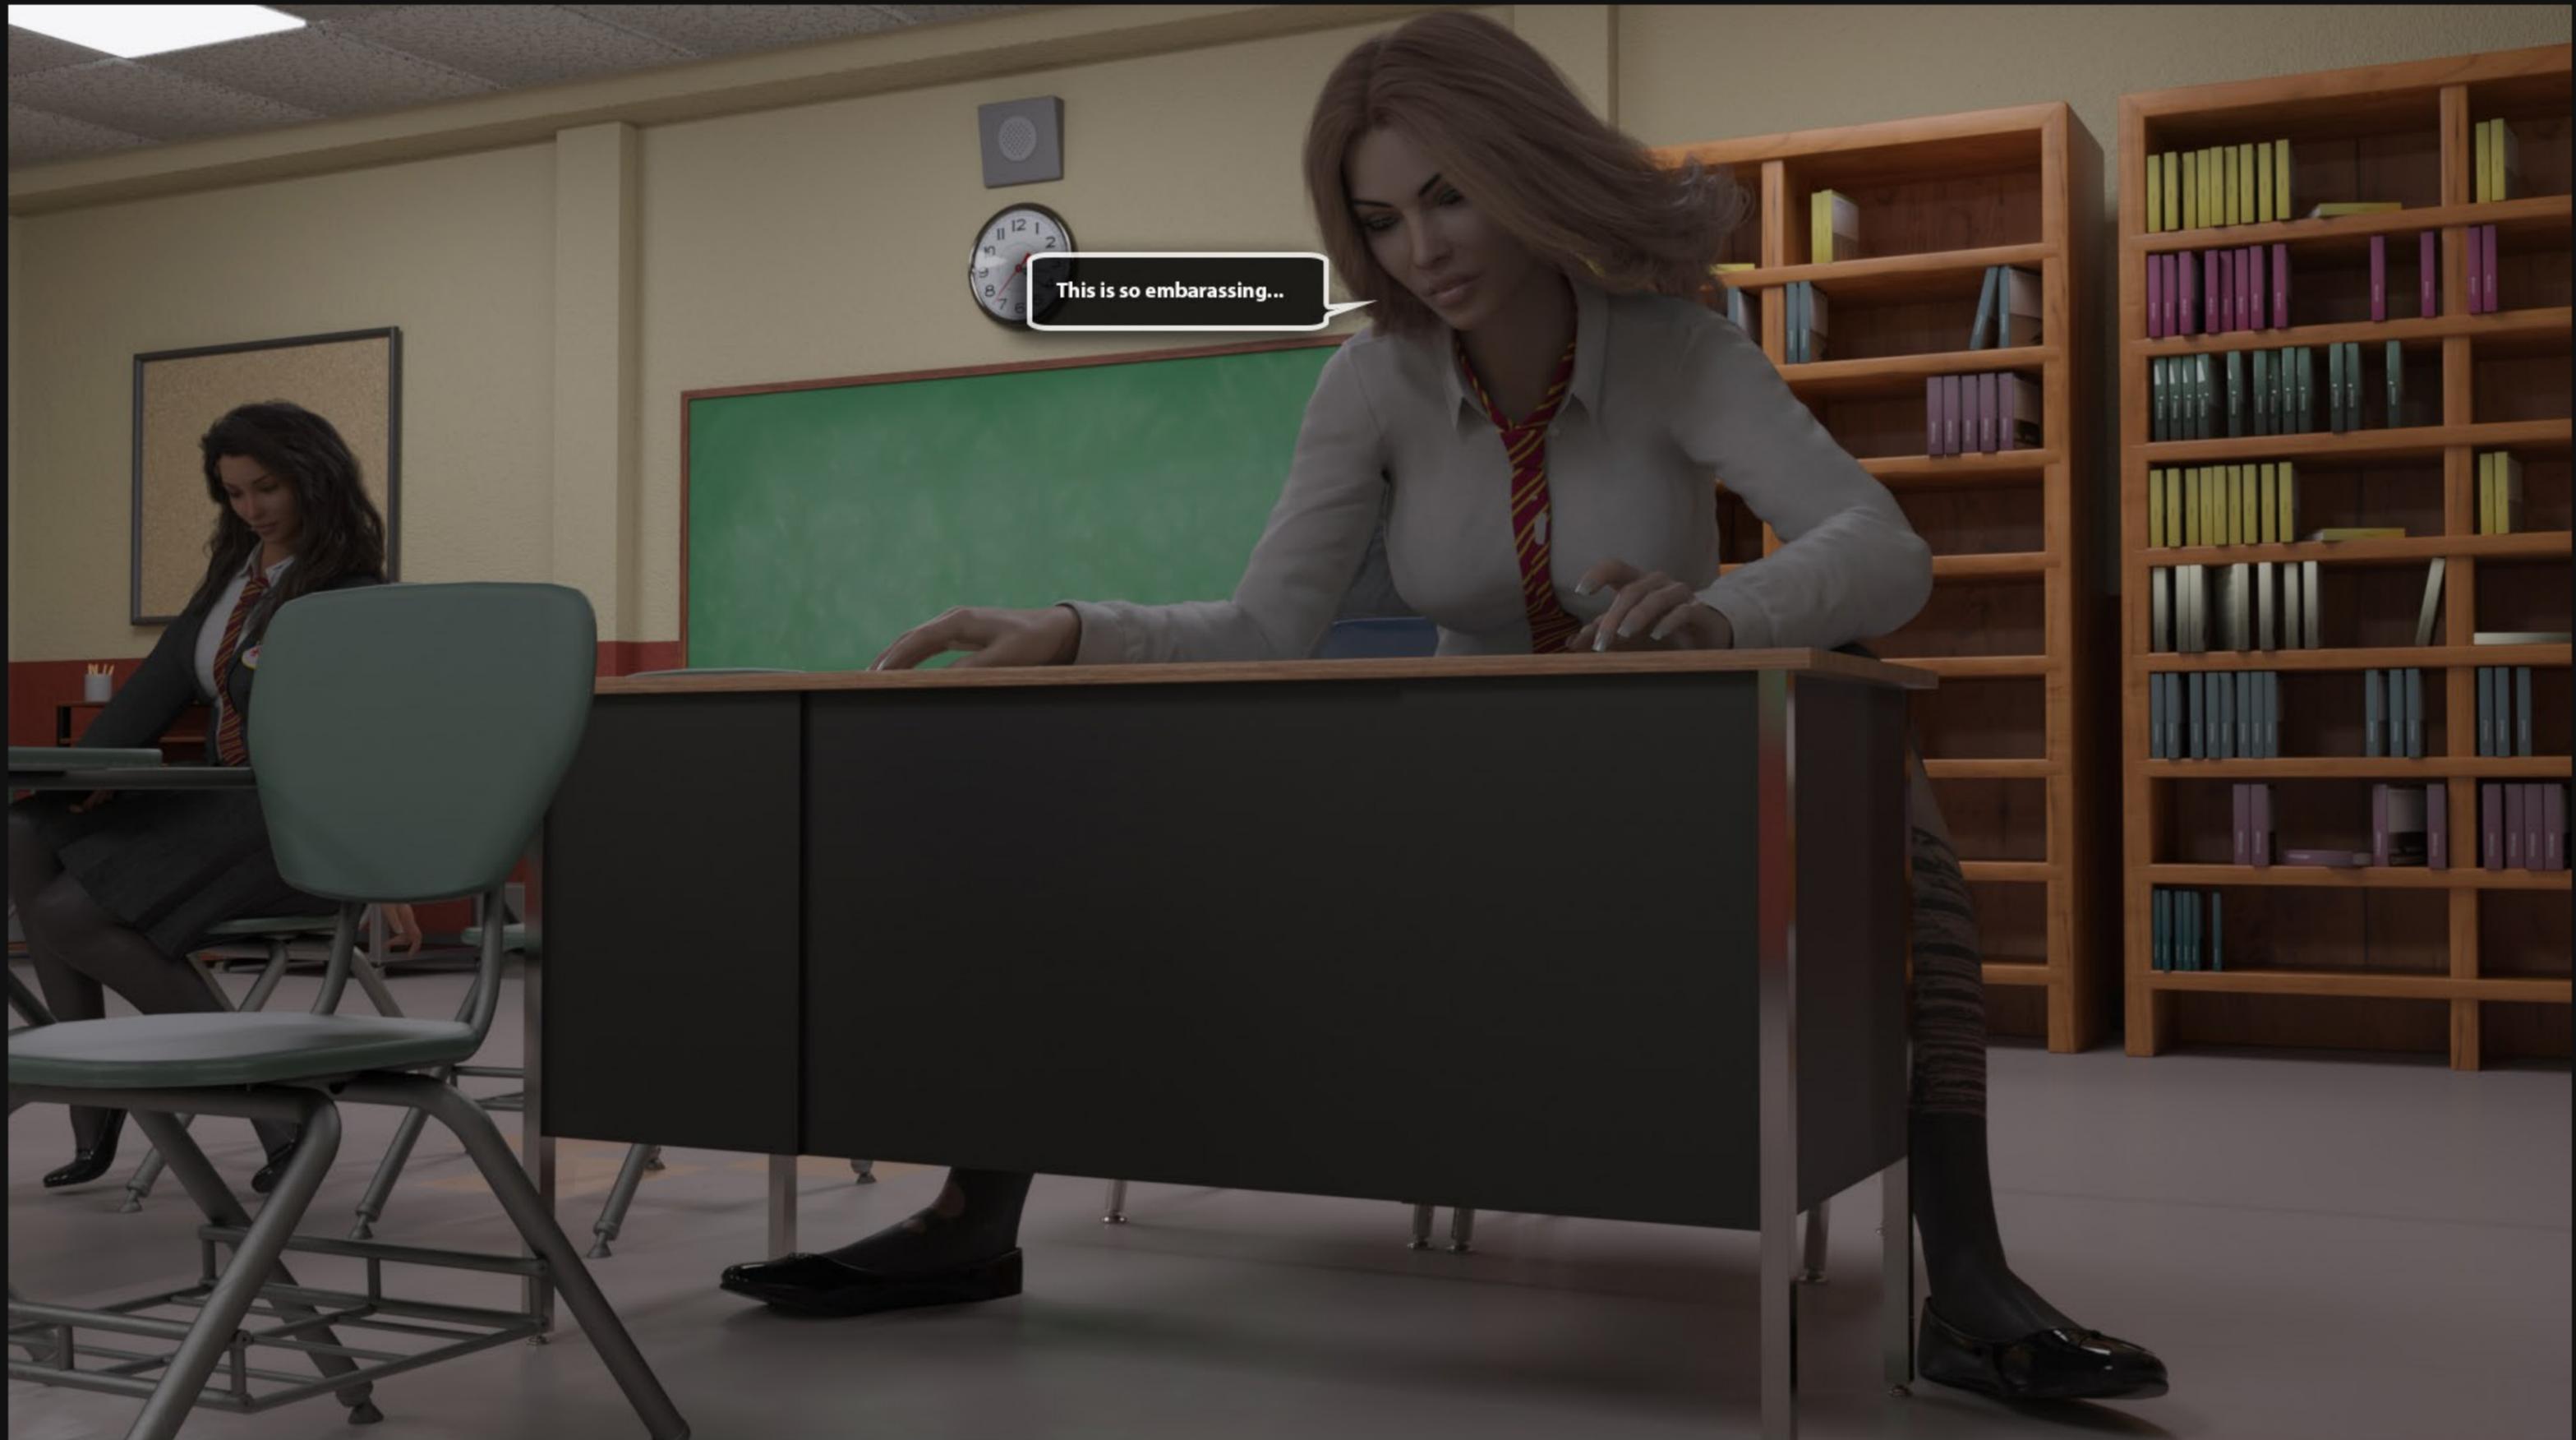

Looks like my old seat's not gonna work...

Guess the only spot I'll fit is... Yuki's table...

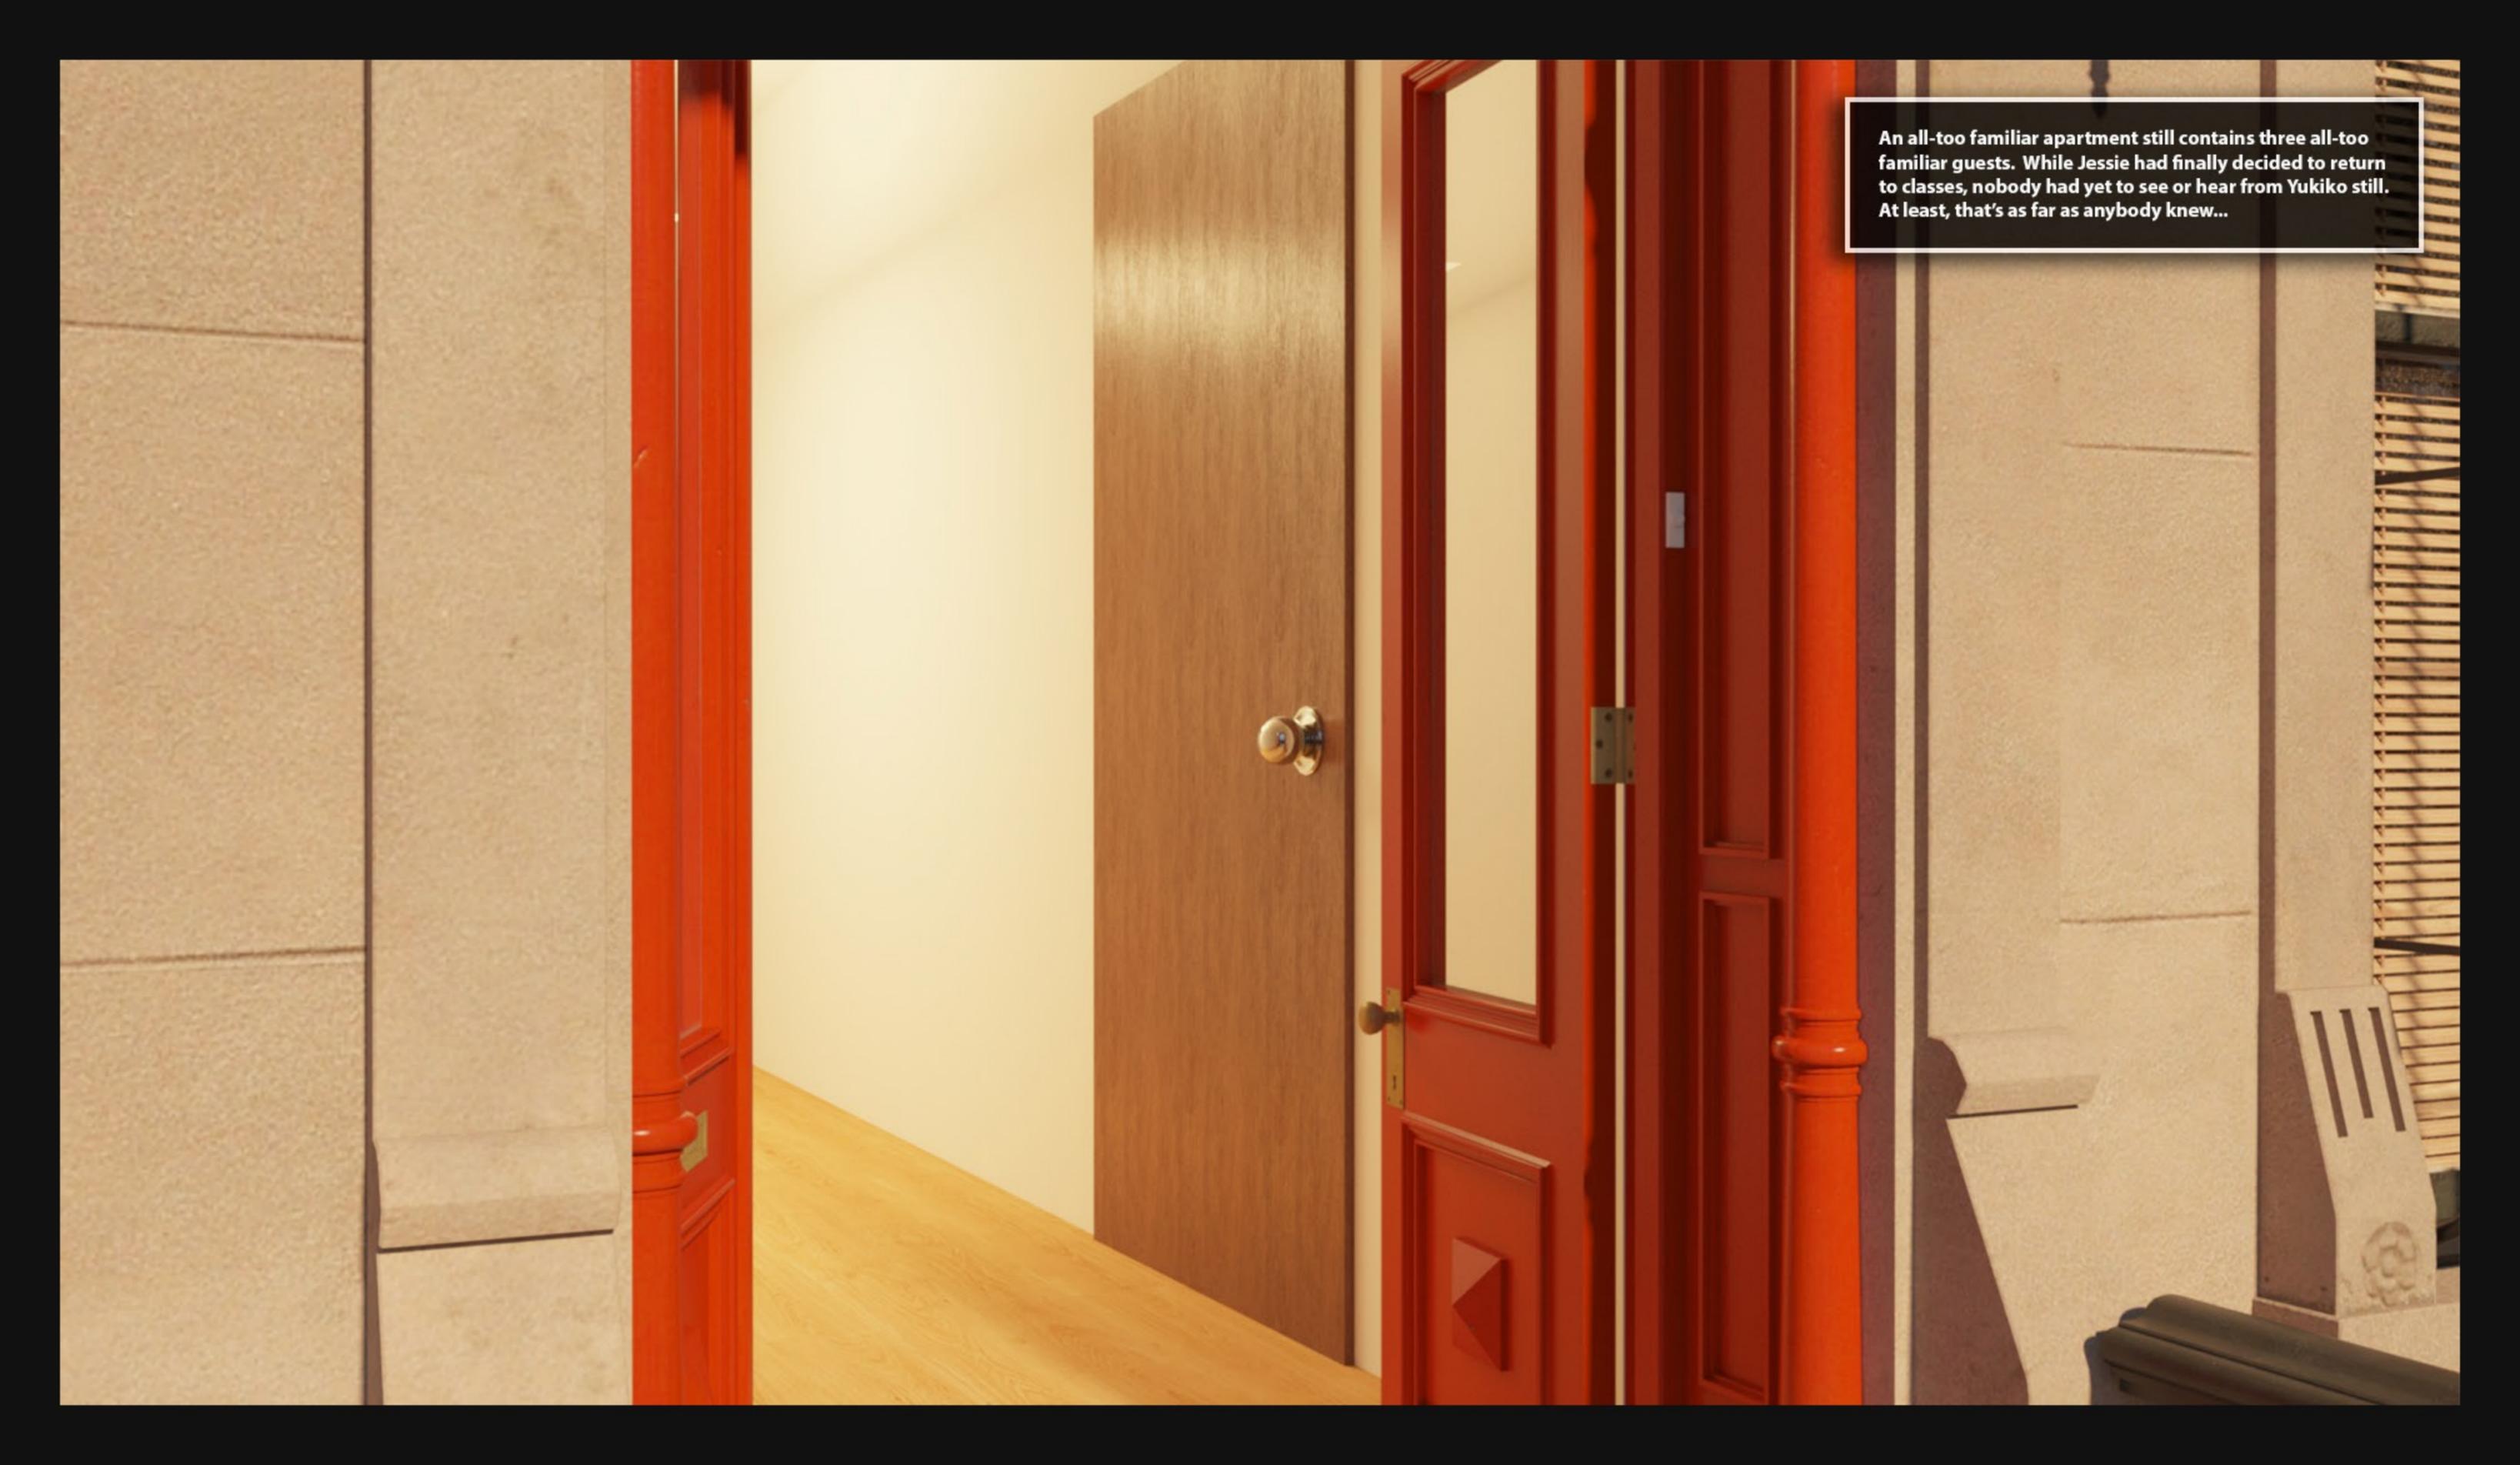

This is so embarrassing...

A woman with shoulder-length brown hair, wearing a white button-down shirt and a red and yellow striped tie, is leaning over a wooden desk in a library. She has a frustrated expression. A speech bubble above her head contains the text: "Ugh! I didn't even remember my books after all that, this day just keeps going downhill...". The library setting includes wooden bookshelves filled with books of various colors (purple, green, yellow, blue) and a window with horizontal blinds in the background. In the foreground, there are two green plastic chairs with attached desks.

Meanwhile, a few blocks away...

A hallway with a wooden door and a red door. The wooden door is on the left, and the red door is on the right. The walls are a light beige color. The floor is a light wood. The red door has a glass panel at the top. The wooden door has a brass doorknob. The red door has a brass doorknob. The walls have a textured appearance. The floor is a light wood. The red door is slightly ajar. The wooden door is closed. The hallway is empty. The lighting is warm and yellowish. The overall atmosphere is quiet and somewhat somber.

An all-too familiar apartment still contains three all-too familiar guests. While Jessie had finally decided to return to classes, nobody had yet to see or hear from Yukiko still. At least, that's as far as anybody knew...

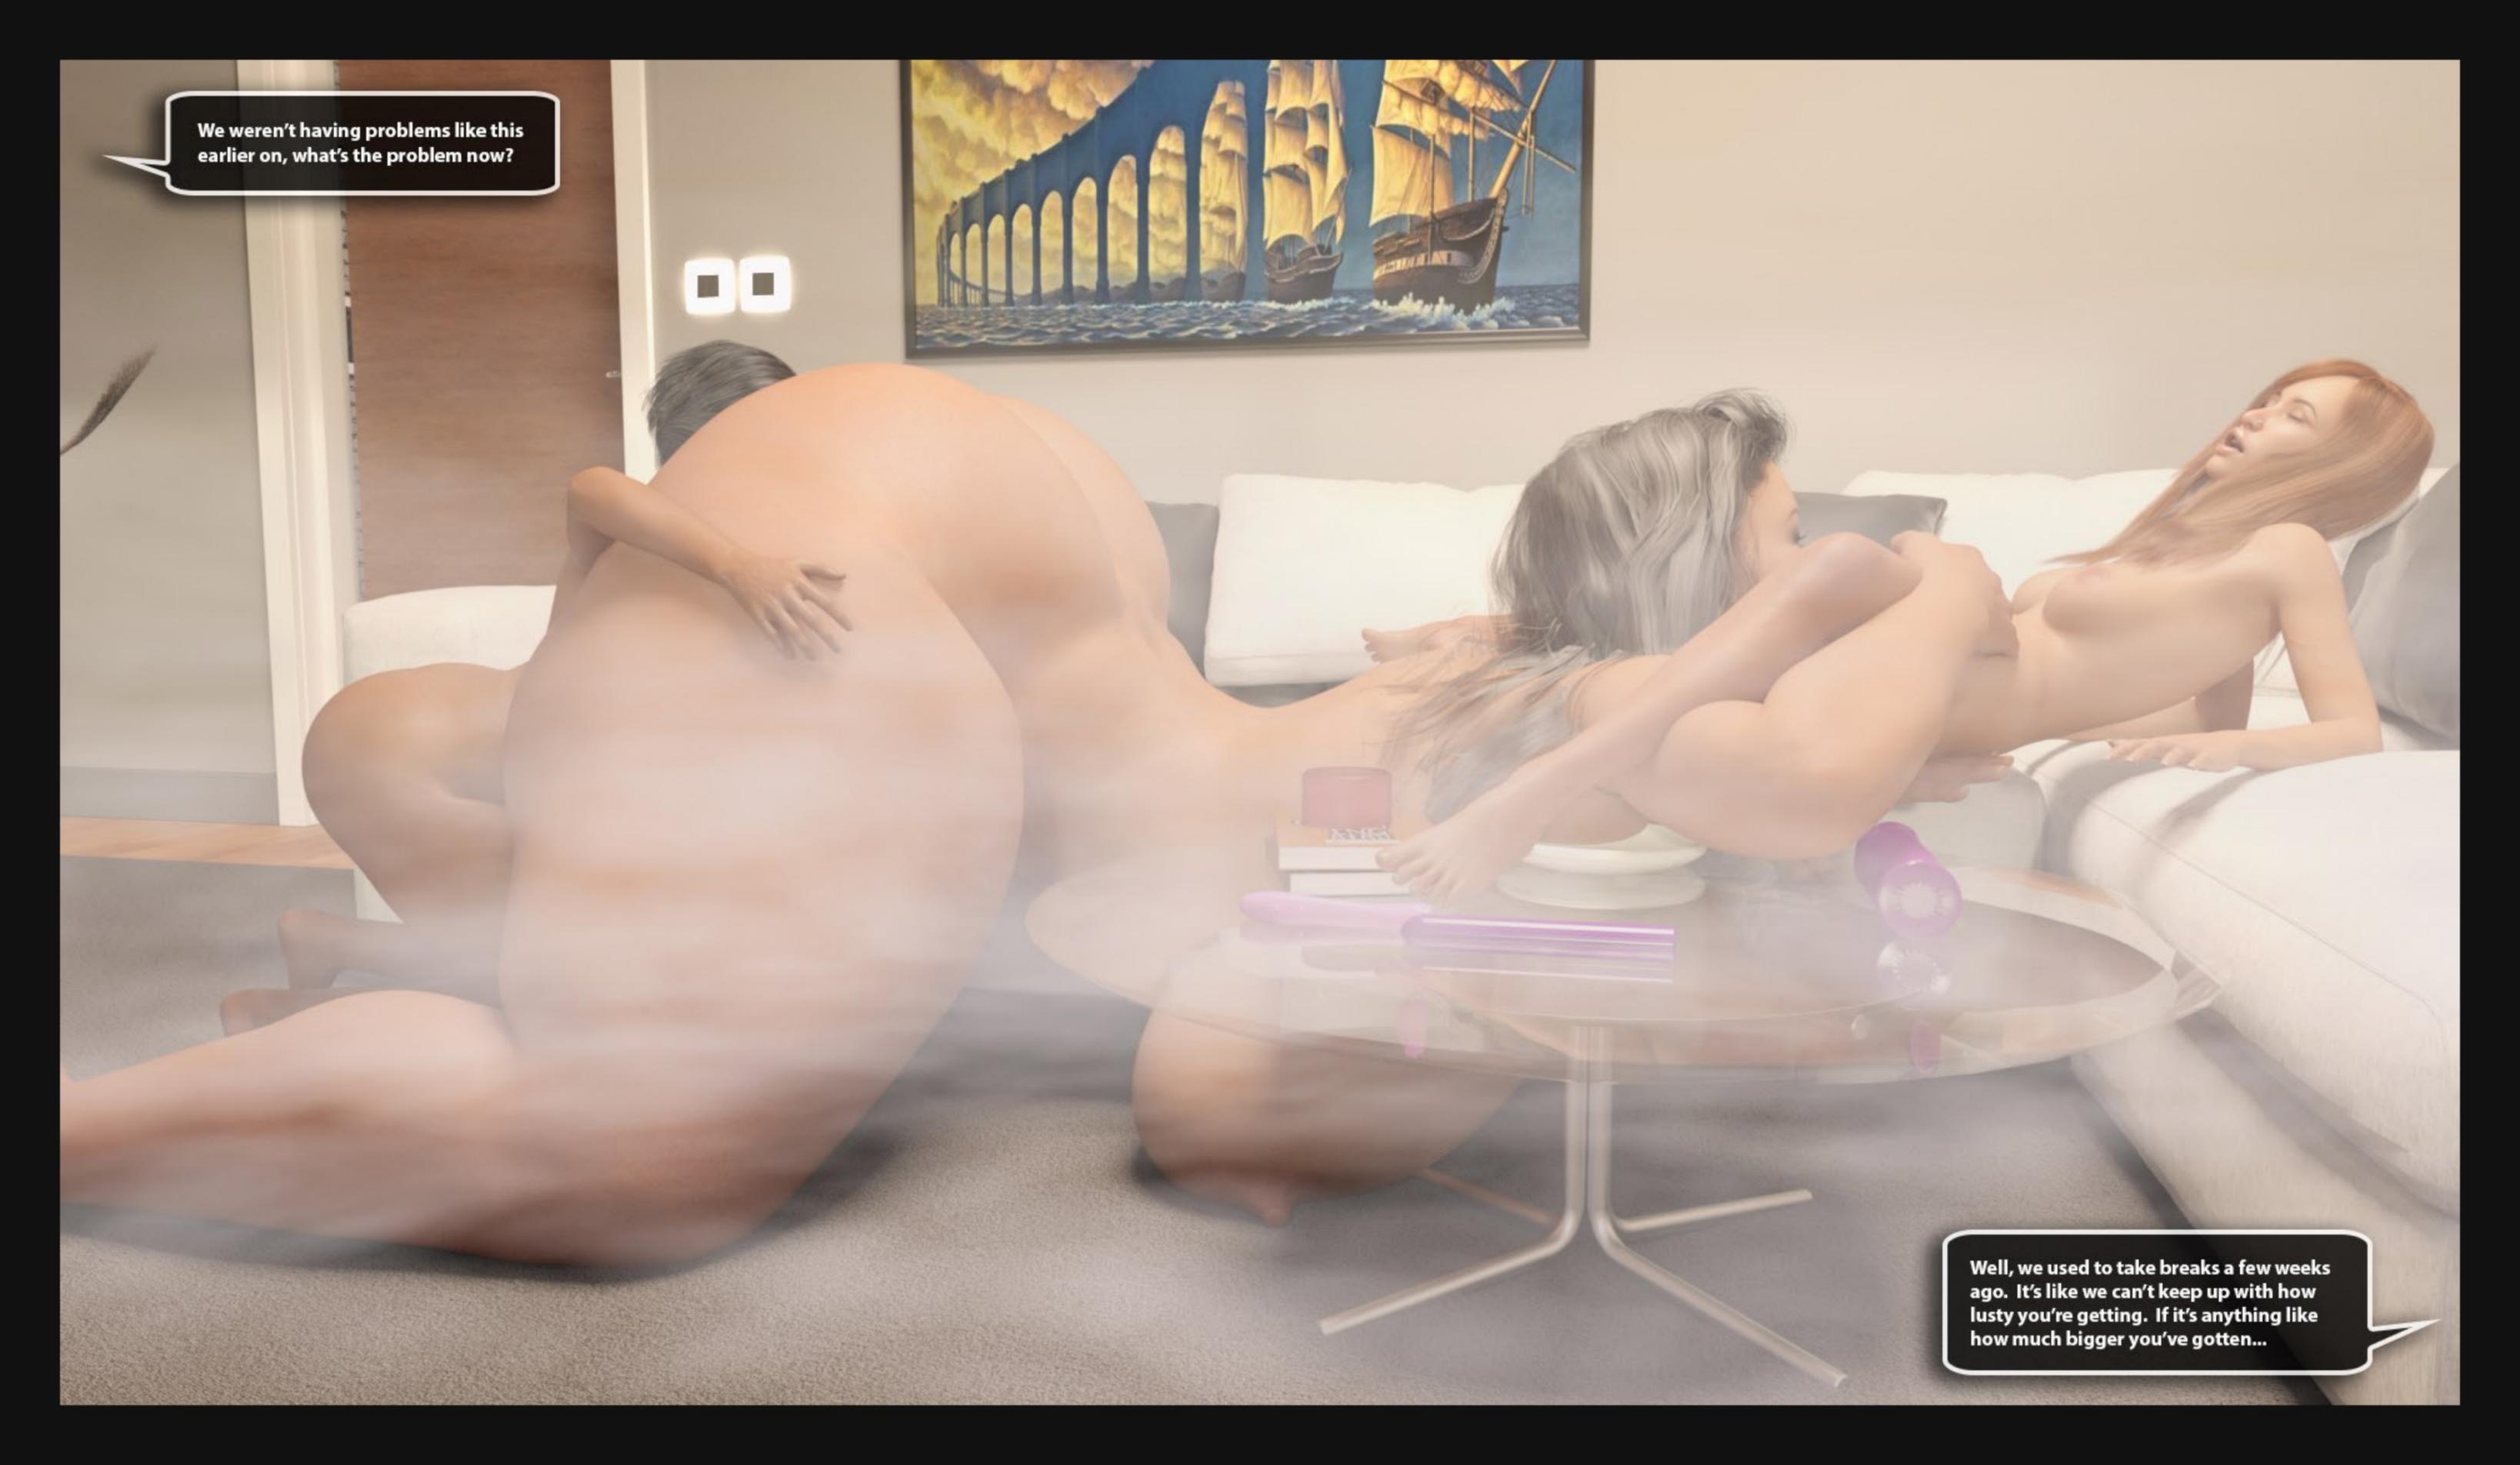

I don't know if I can take it anymore Casey, how long has it been?

About seven straight hours this time...

A 3D rendered woman with long brown hair and large, prominent breasts is shown from the chest up. She is looking slightly to the right with a subtle smile. The setting is an indoor room with a window on the left, a doorway on the right, and recessed ceiling lights. A speech bubble is positioned near her head.

Oh come now ladies, don't tell me you're both tired out already, we've only just started to get to the fun part!

We weren't having problems like this earlier on, what's the problem now?

Well, we used to take breaks a few weeks ago. It's like we can't keep up with how lusty you're getting. If it's anything like how much bigger you've gotten...

Are you saying there's a problem with how big I've gotten?

Far from it! It's just that you know...
You've kind of...

Doubled in size?

Probably more than doubled if we're being honest here.

Just means there's that much more of me to love, ladies. Though I was certainly a handful before!

You're going to need a dozen pairs of hands at this rate!

You know I always love the way you think, Casey!

I was being cynical...

Are you saying it wouldn't be a good idea?

No, it's just-

At this rate, with you two always tiring out before I even get started, I'm going to need a hundred bozos like you two to even try to get going!

Youch, Yuki...

Look, I'm sorry. It's just... You have no idea how it feels to be me right now. It sounds narcissistic but... I can't help myself, I really do NEED it.

It's not like we don't want to try and deliver on it either...

Oh look, at least you'll get the help you brought up on trying to deliver it!

What?! Yuki you told others to come over?!

Welcome to the party you two!

Jeez, Yuki! I had heard something about you getting big, but this is insane!

The longer you two are in clothes, the more time you're wasting!

Looks like there's no need for any foreplay here!

I'm getting excited just thinking about it!

I can already tell this is looking like a top two days of my life sort of deal!

God, this feels unbelievable!

It feels like your tongue is growing around my-

It feels like your tongue is growing around my-

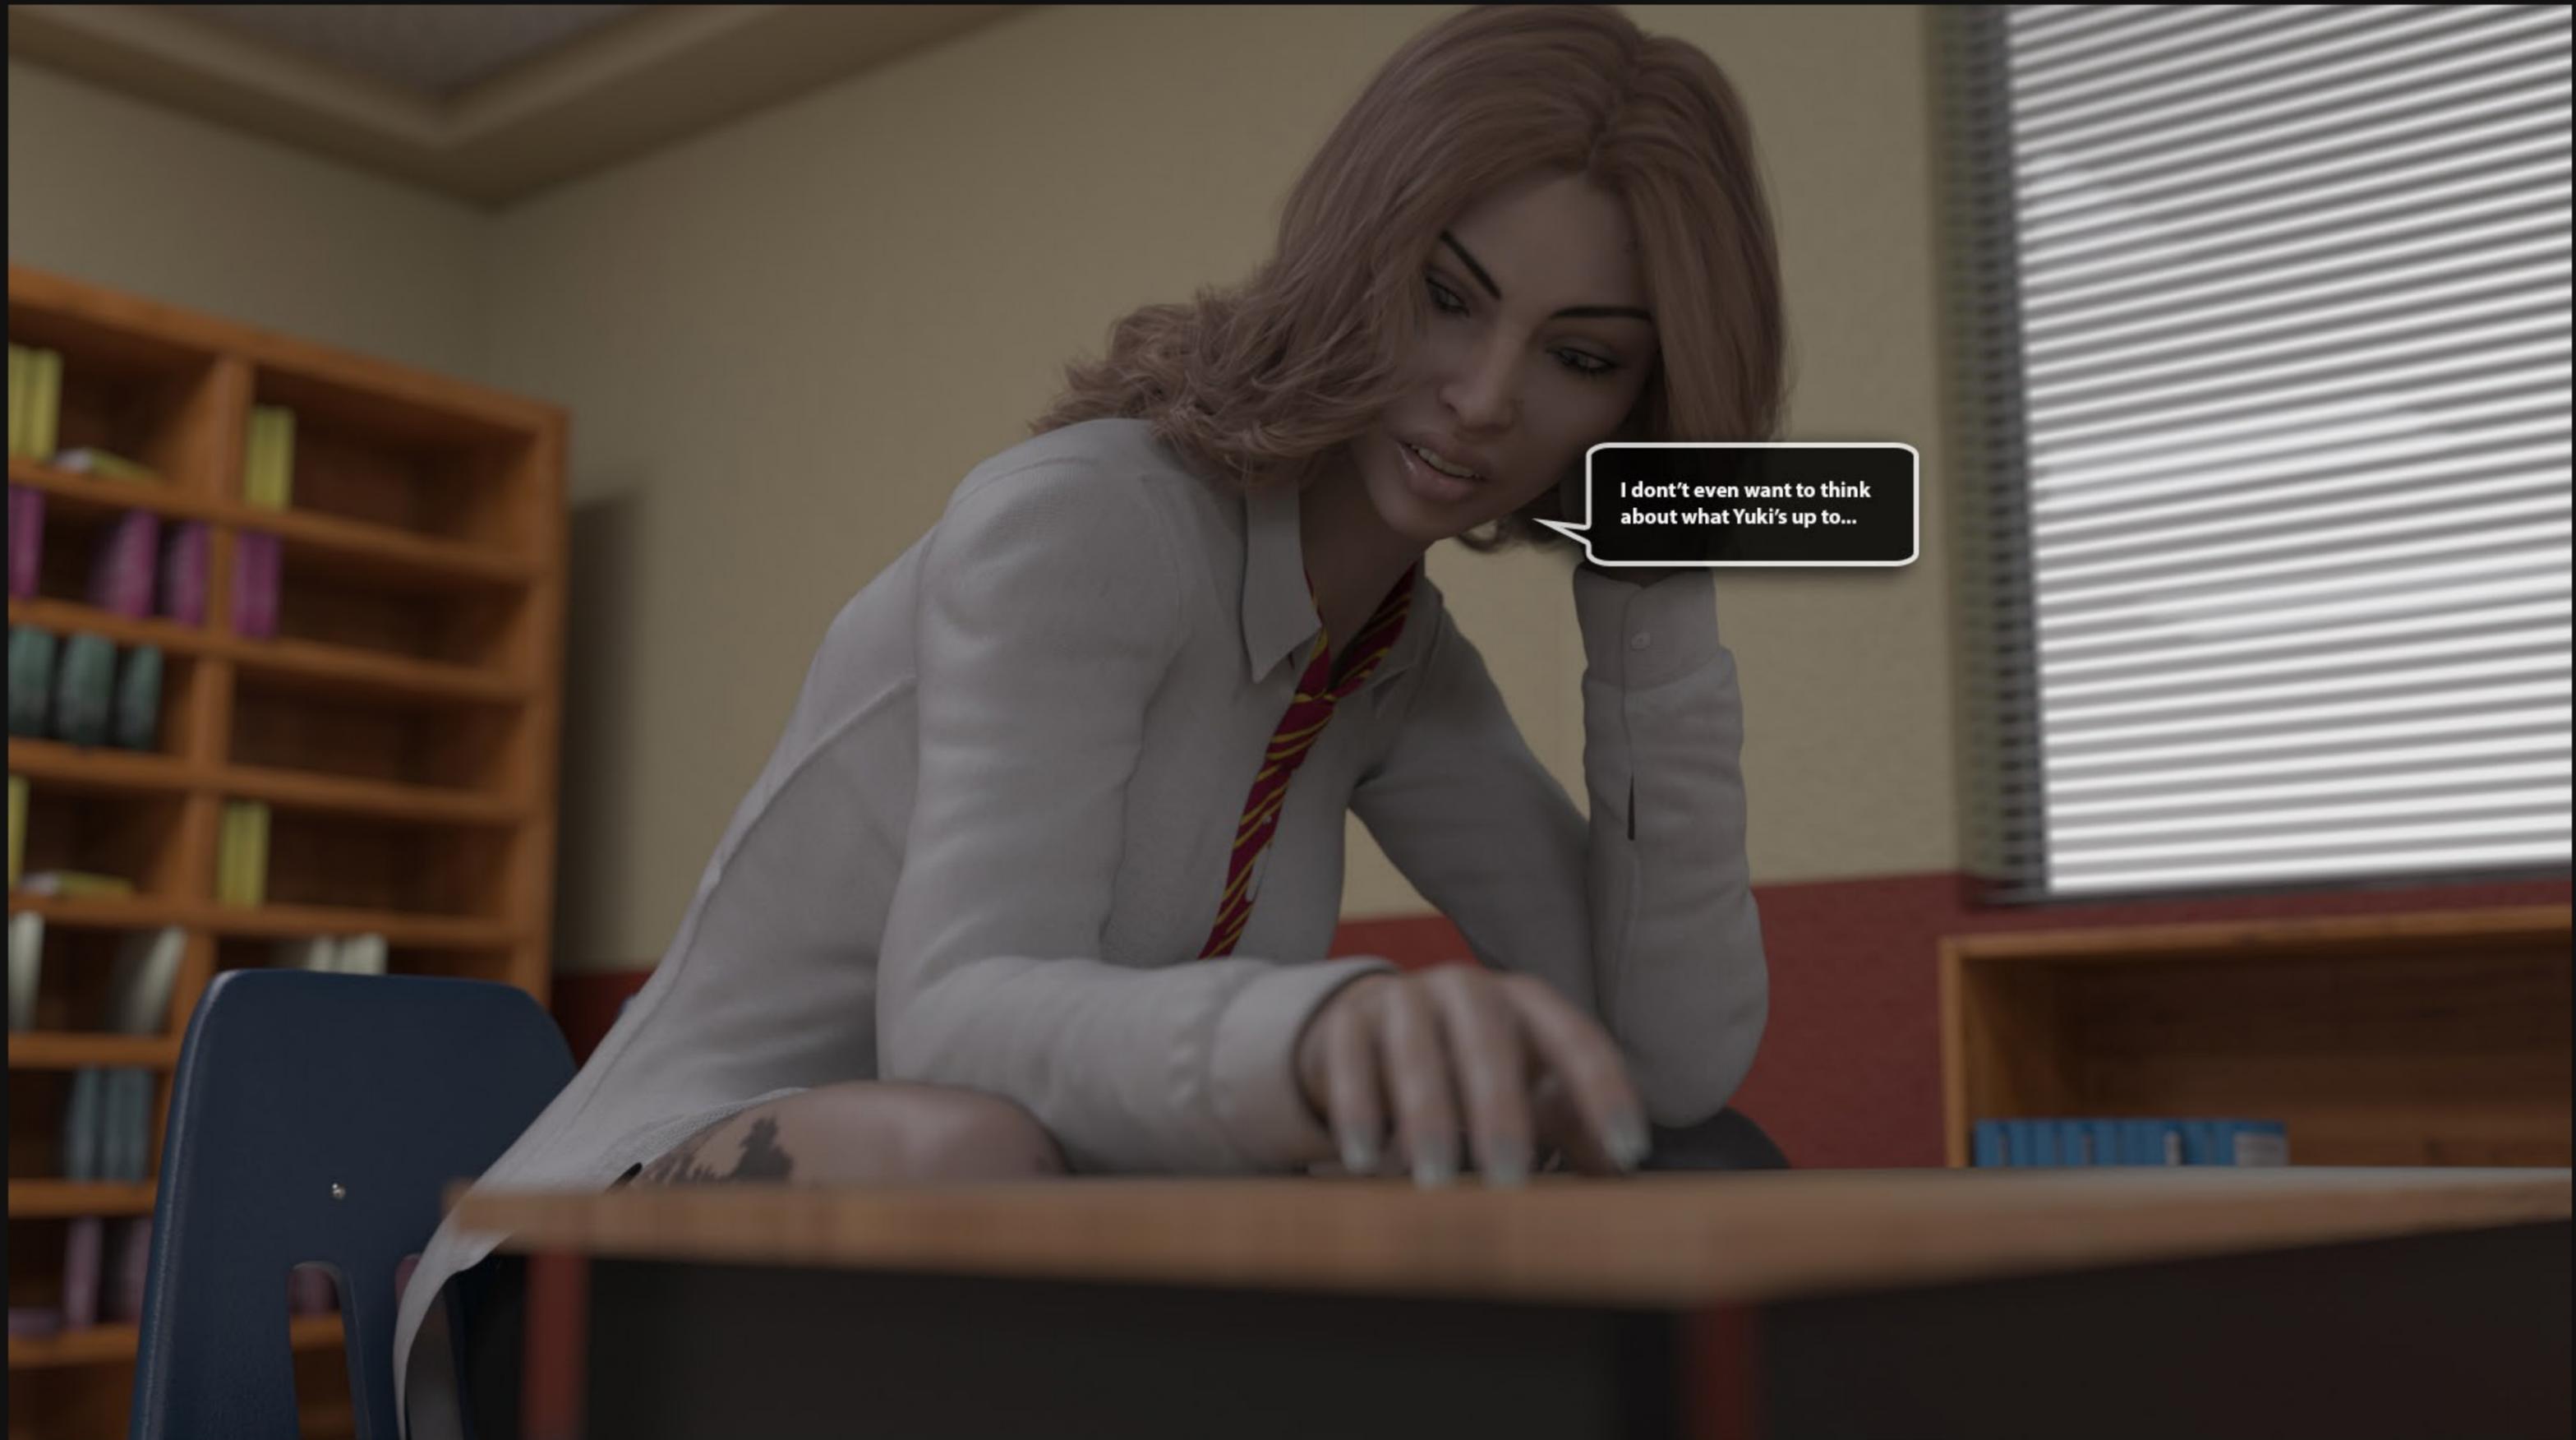

It feels like your tongue is growing around my-

It feels like your tongue is growing around my-

It feels like your tongue is growing around my-

I don't even want to think about what Yuki's up to...

A woman with long, wavy brown hair, wearing a white school uniform shirt and a red and yellow striped tie, is sitting at a wooden desk in a library. She is leaning forward with her hand on her chin, looking thoughtfully towards the camera. The background shows wooden bookshelves filled with books and a window with horizontal blinds. A speech bubble is positioned to the right of her head.

Even if part of me recently has
been feeling a bit...

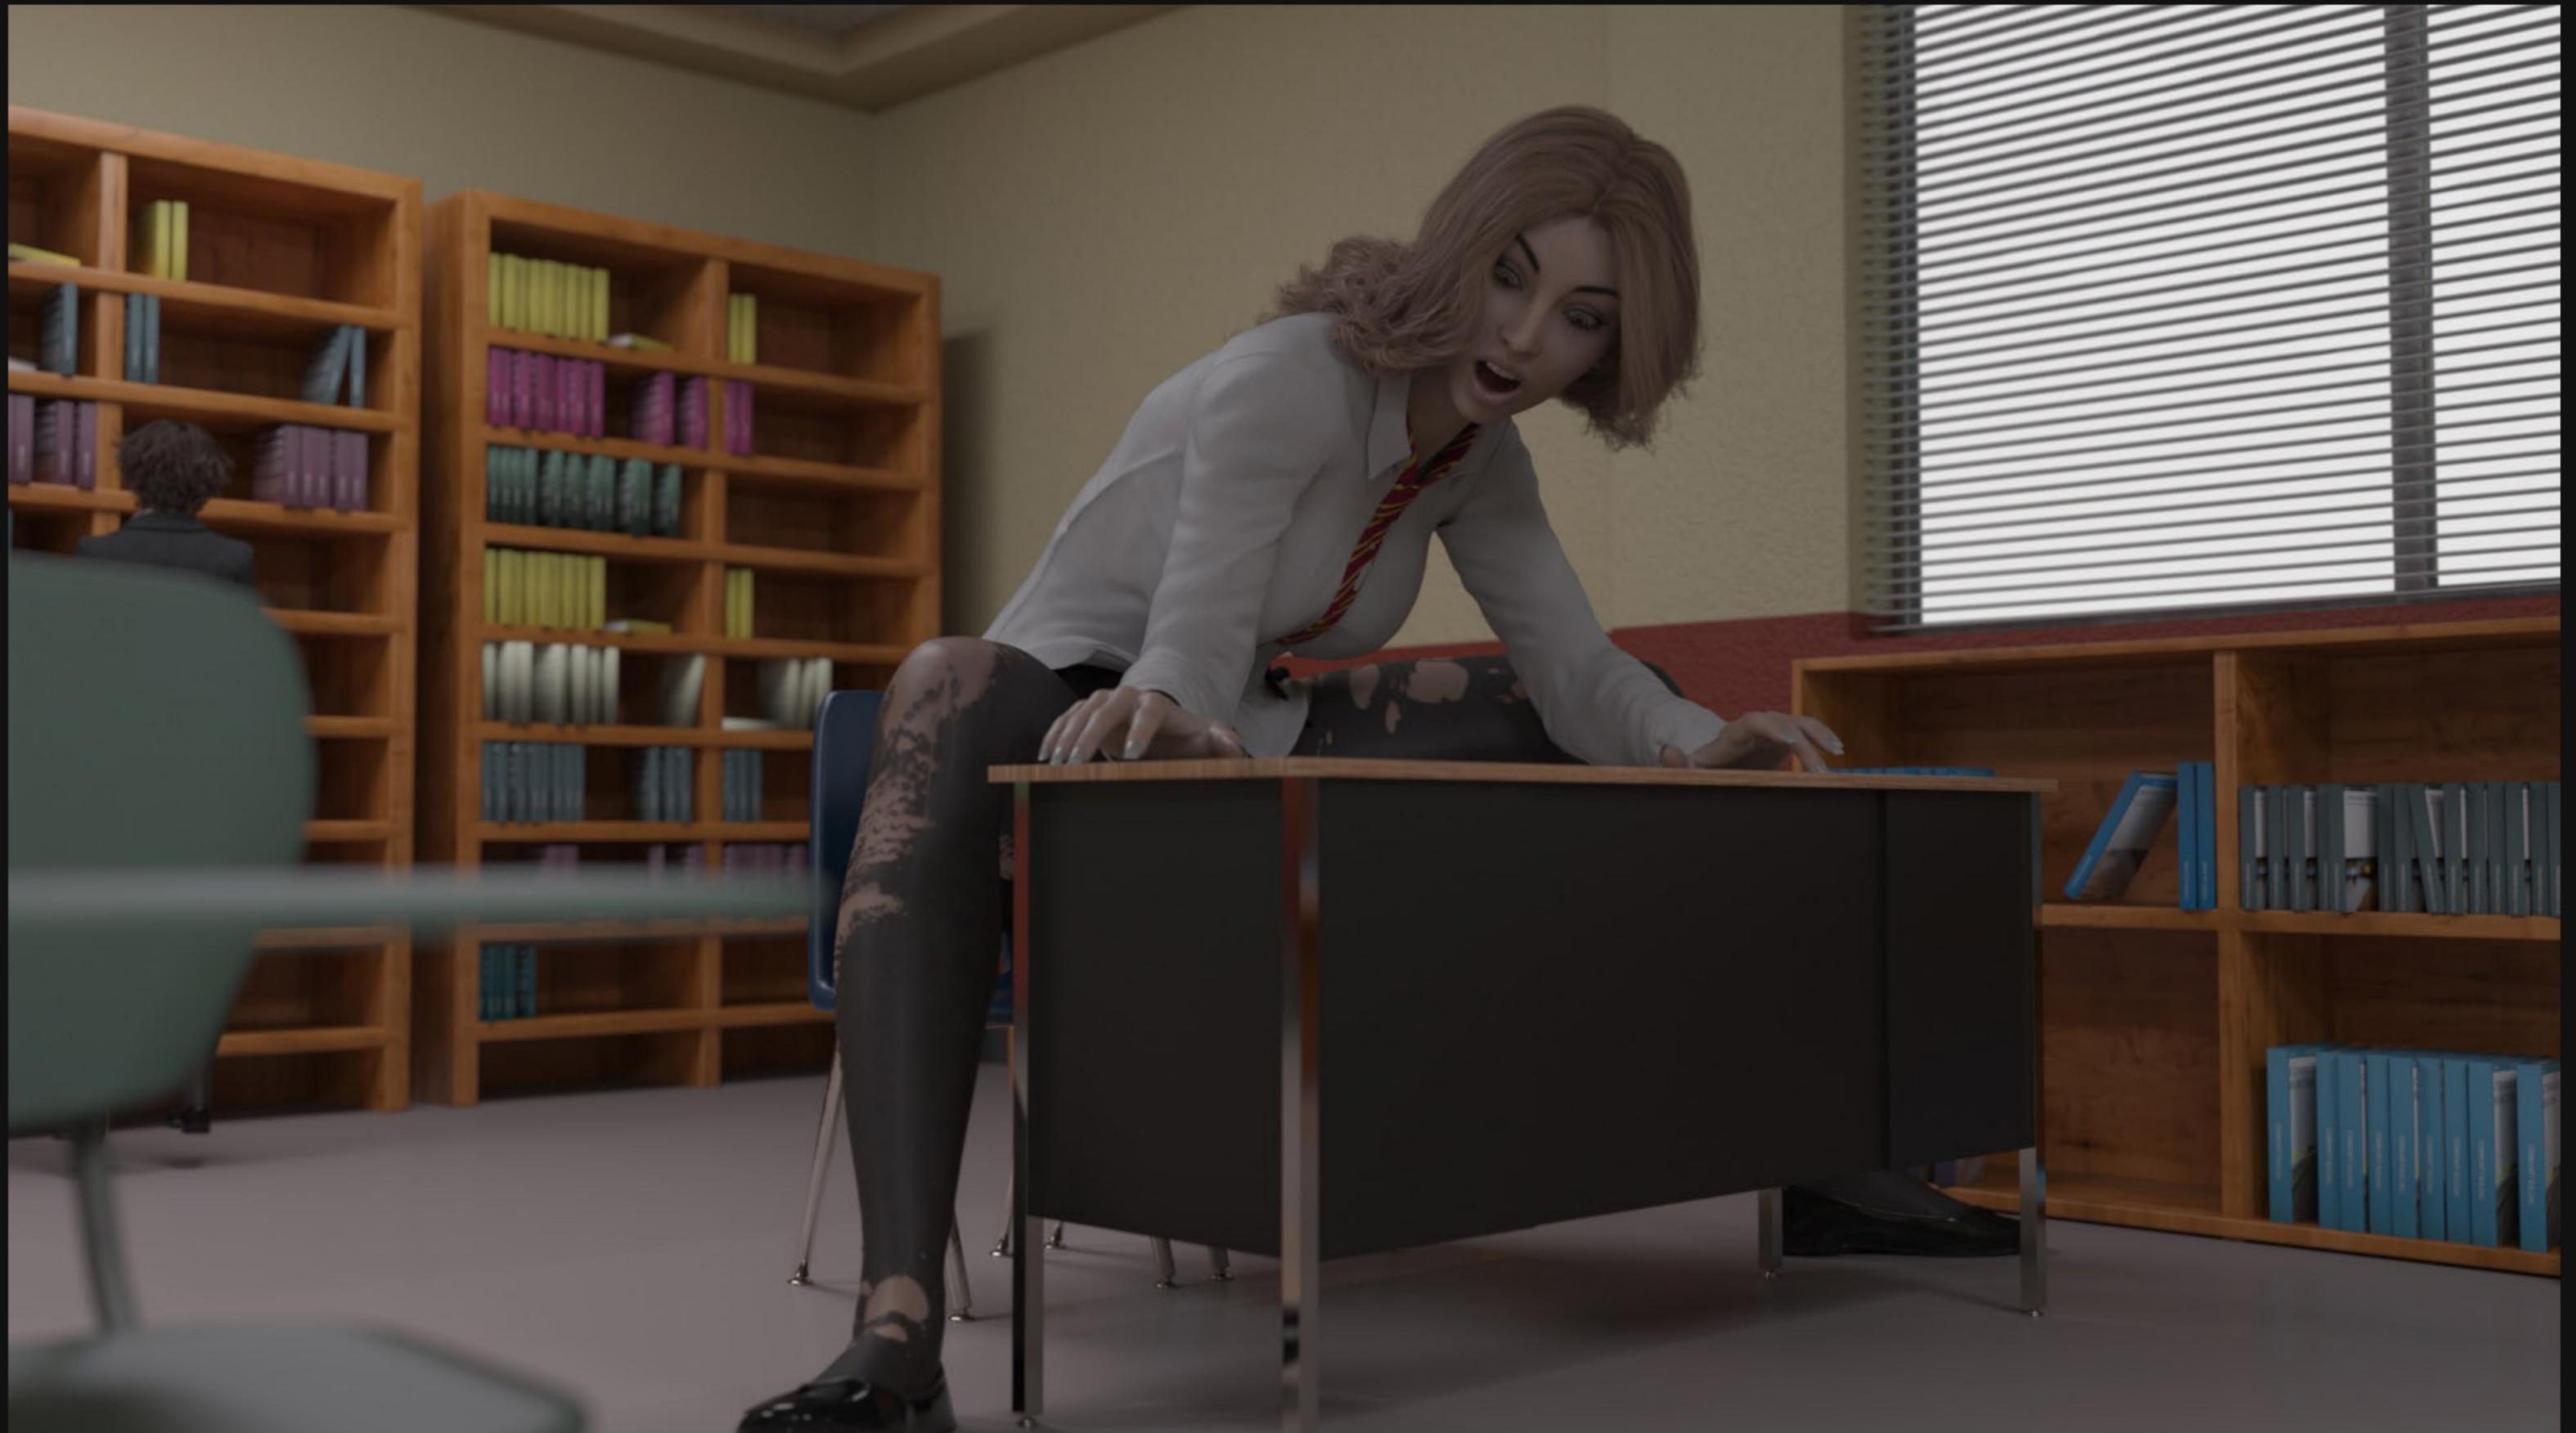

Lusty...

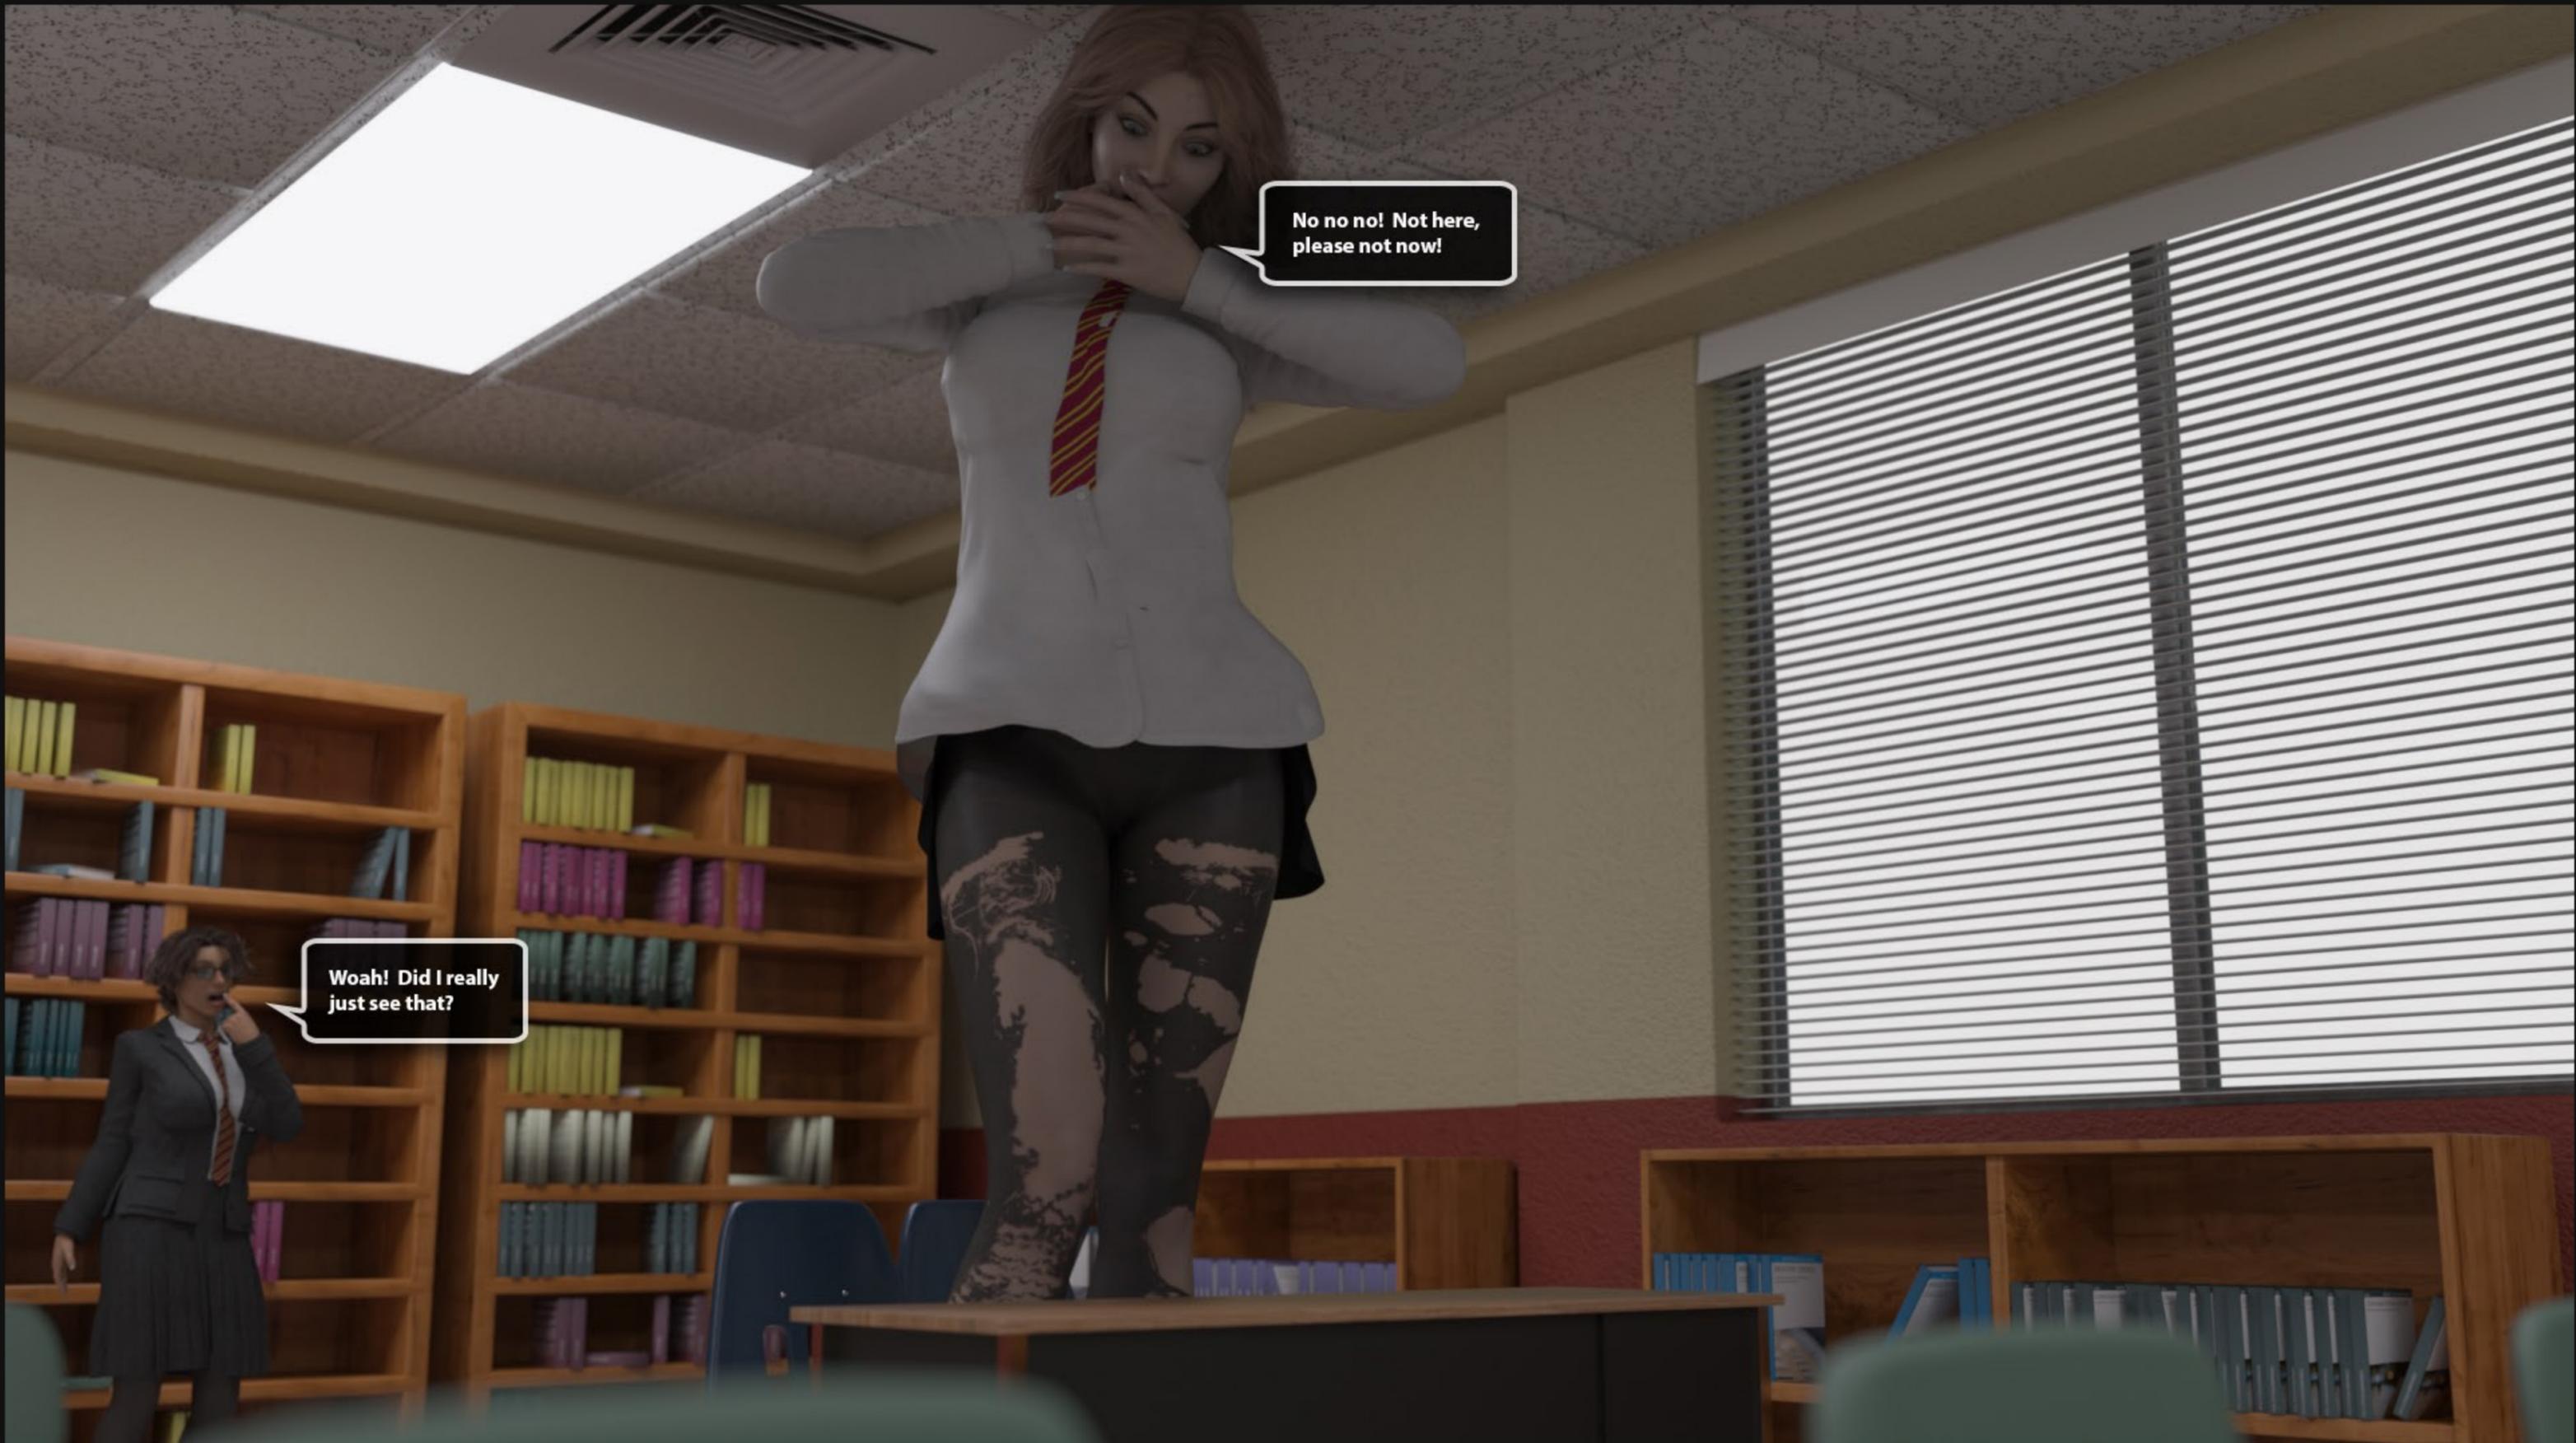

No no no! Not here,
please not now!

Woah! Did I really
just see that?

Why can't my life just be normal anymore!?

Jessie?

Her size is just ridiculous!

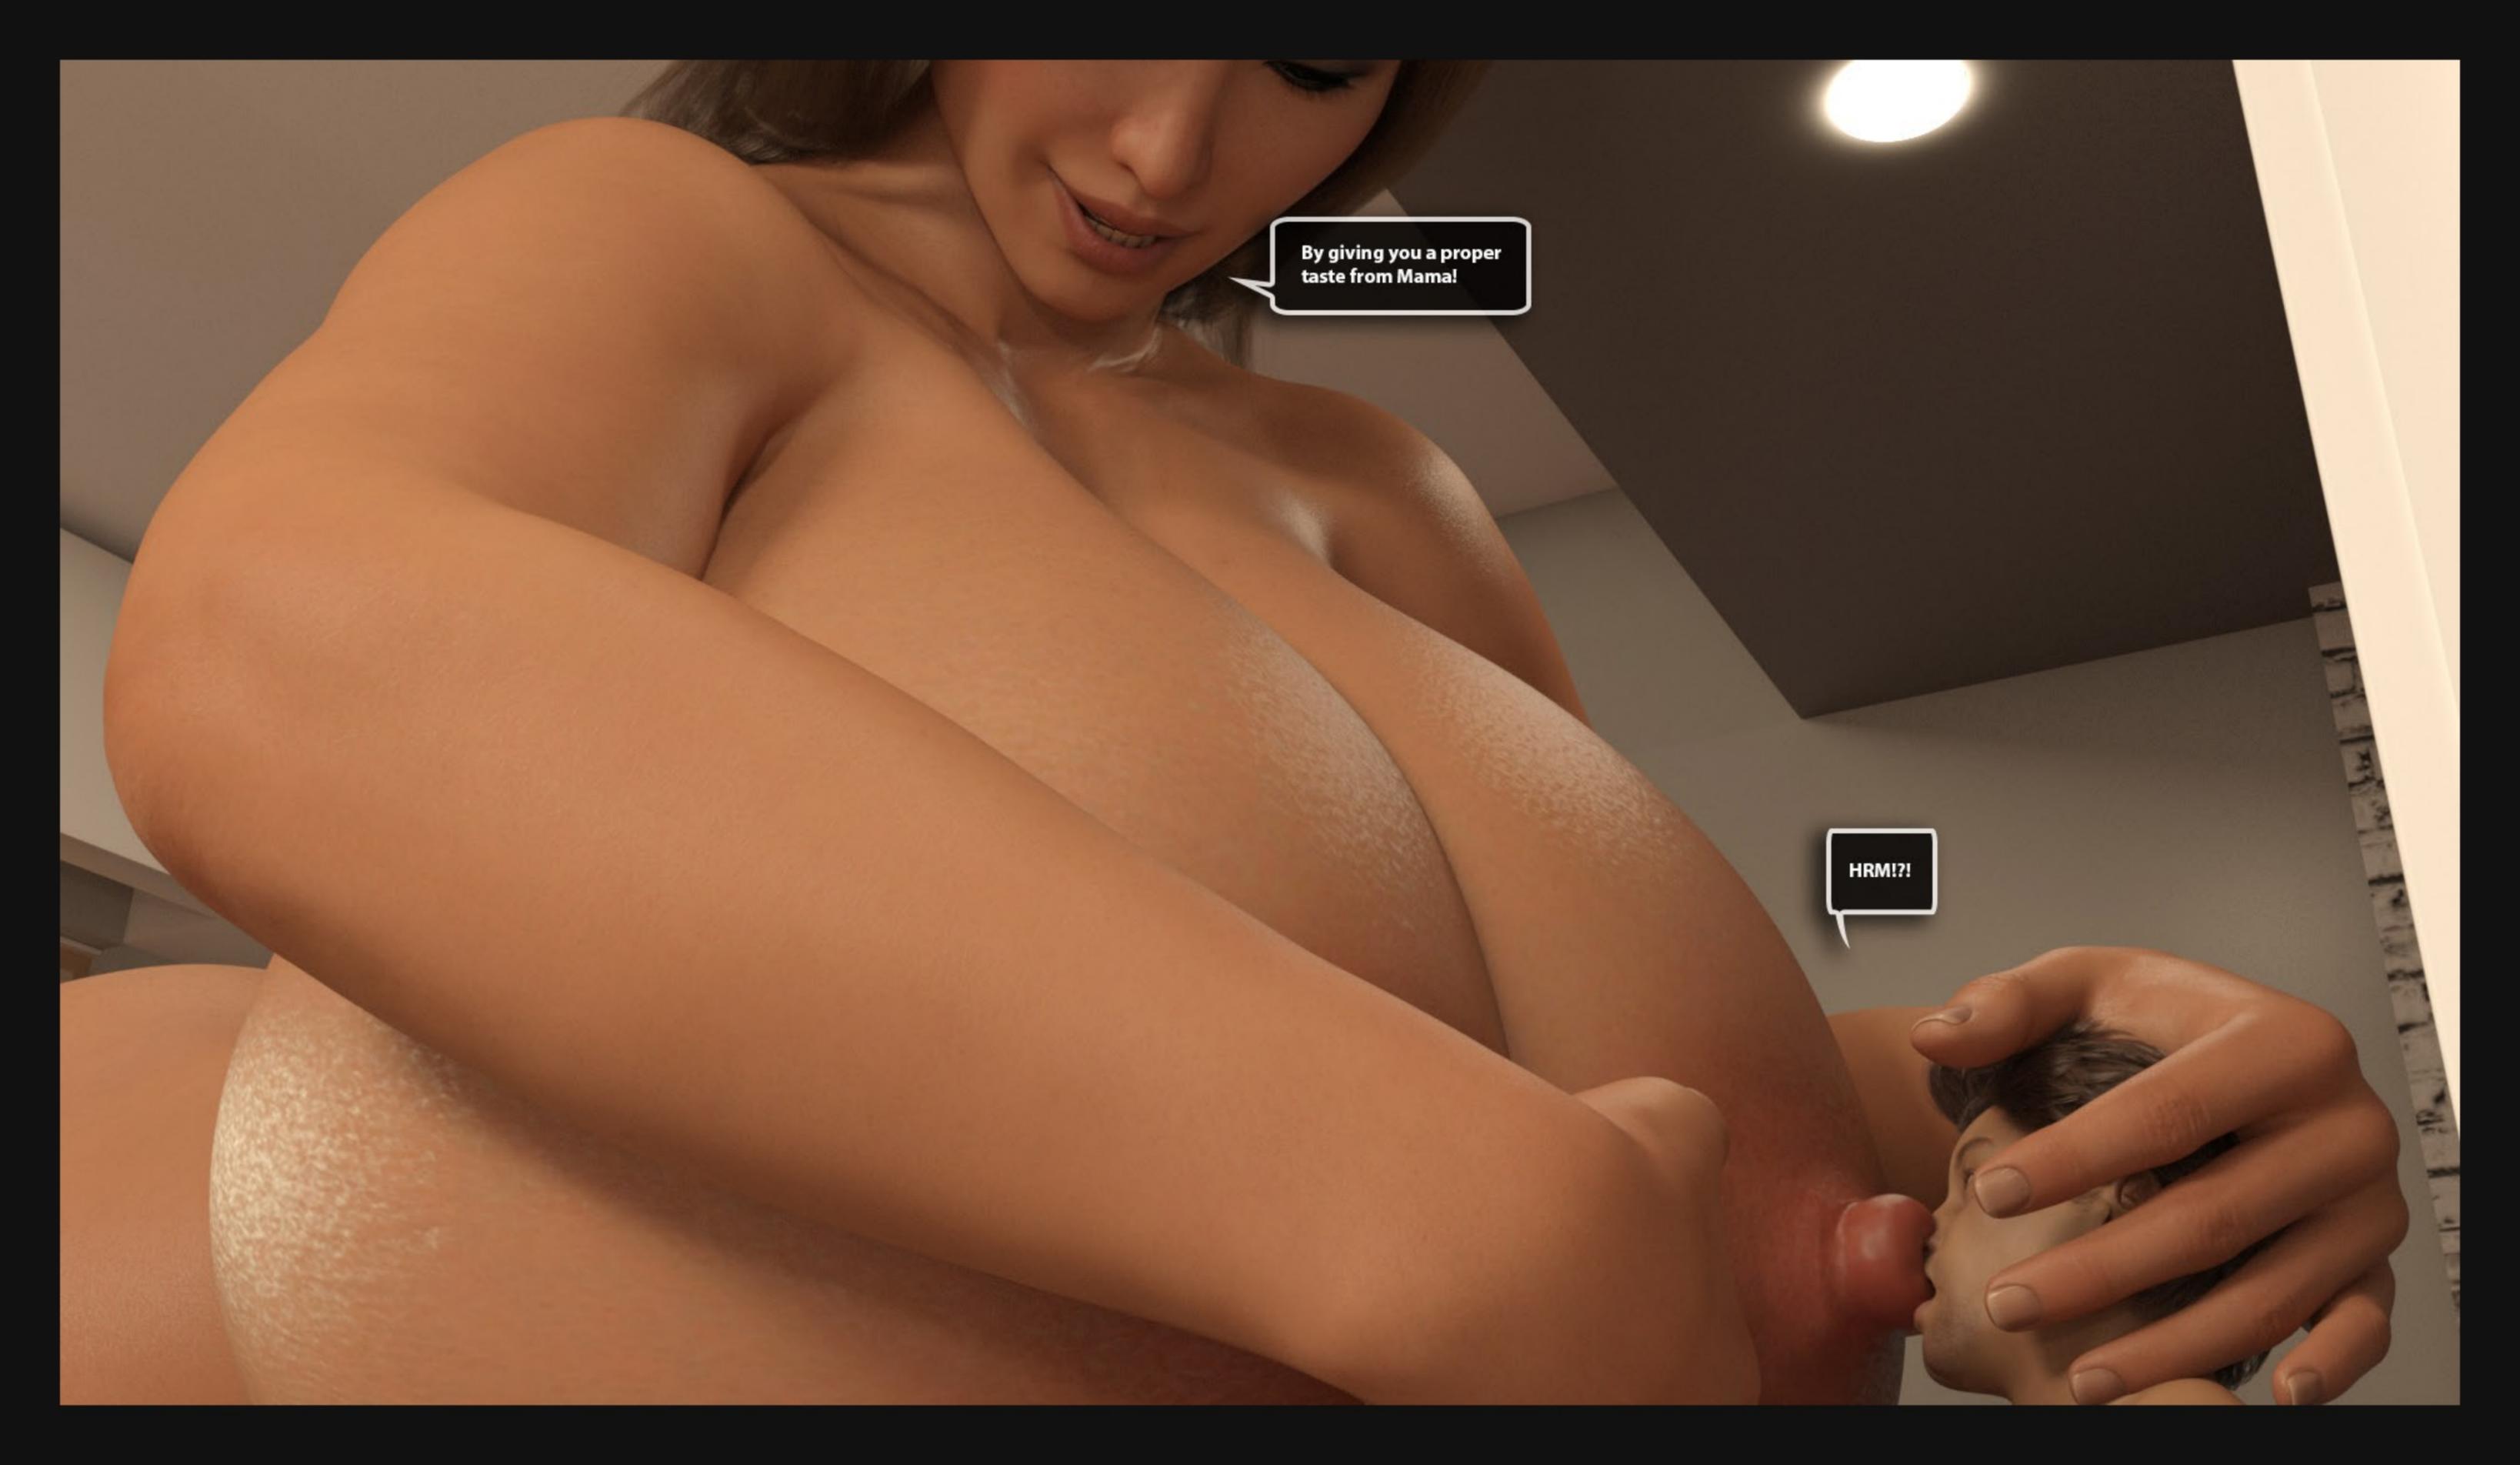

What a tasty little guy you are!

Let's be fair, anything is gonna be small next to you, big gal!

True, though the least I can do is return the favor!

Oh yea? How's that?

By giving you a proper
taste from Mama!

HRM!?!

Don't think I've forgotten about you back there either!

You have the honor of the best seat in the house!

Stuck right under
my massive ass!

Oh, stop being so
overdramatic down there!

You two! Break time's over, get on the train or be left behind!

Wow, such excited expressions from you two...

Sorry Yuki, still a little sore is all.

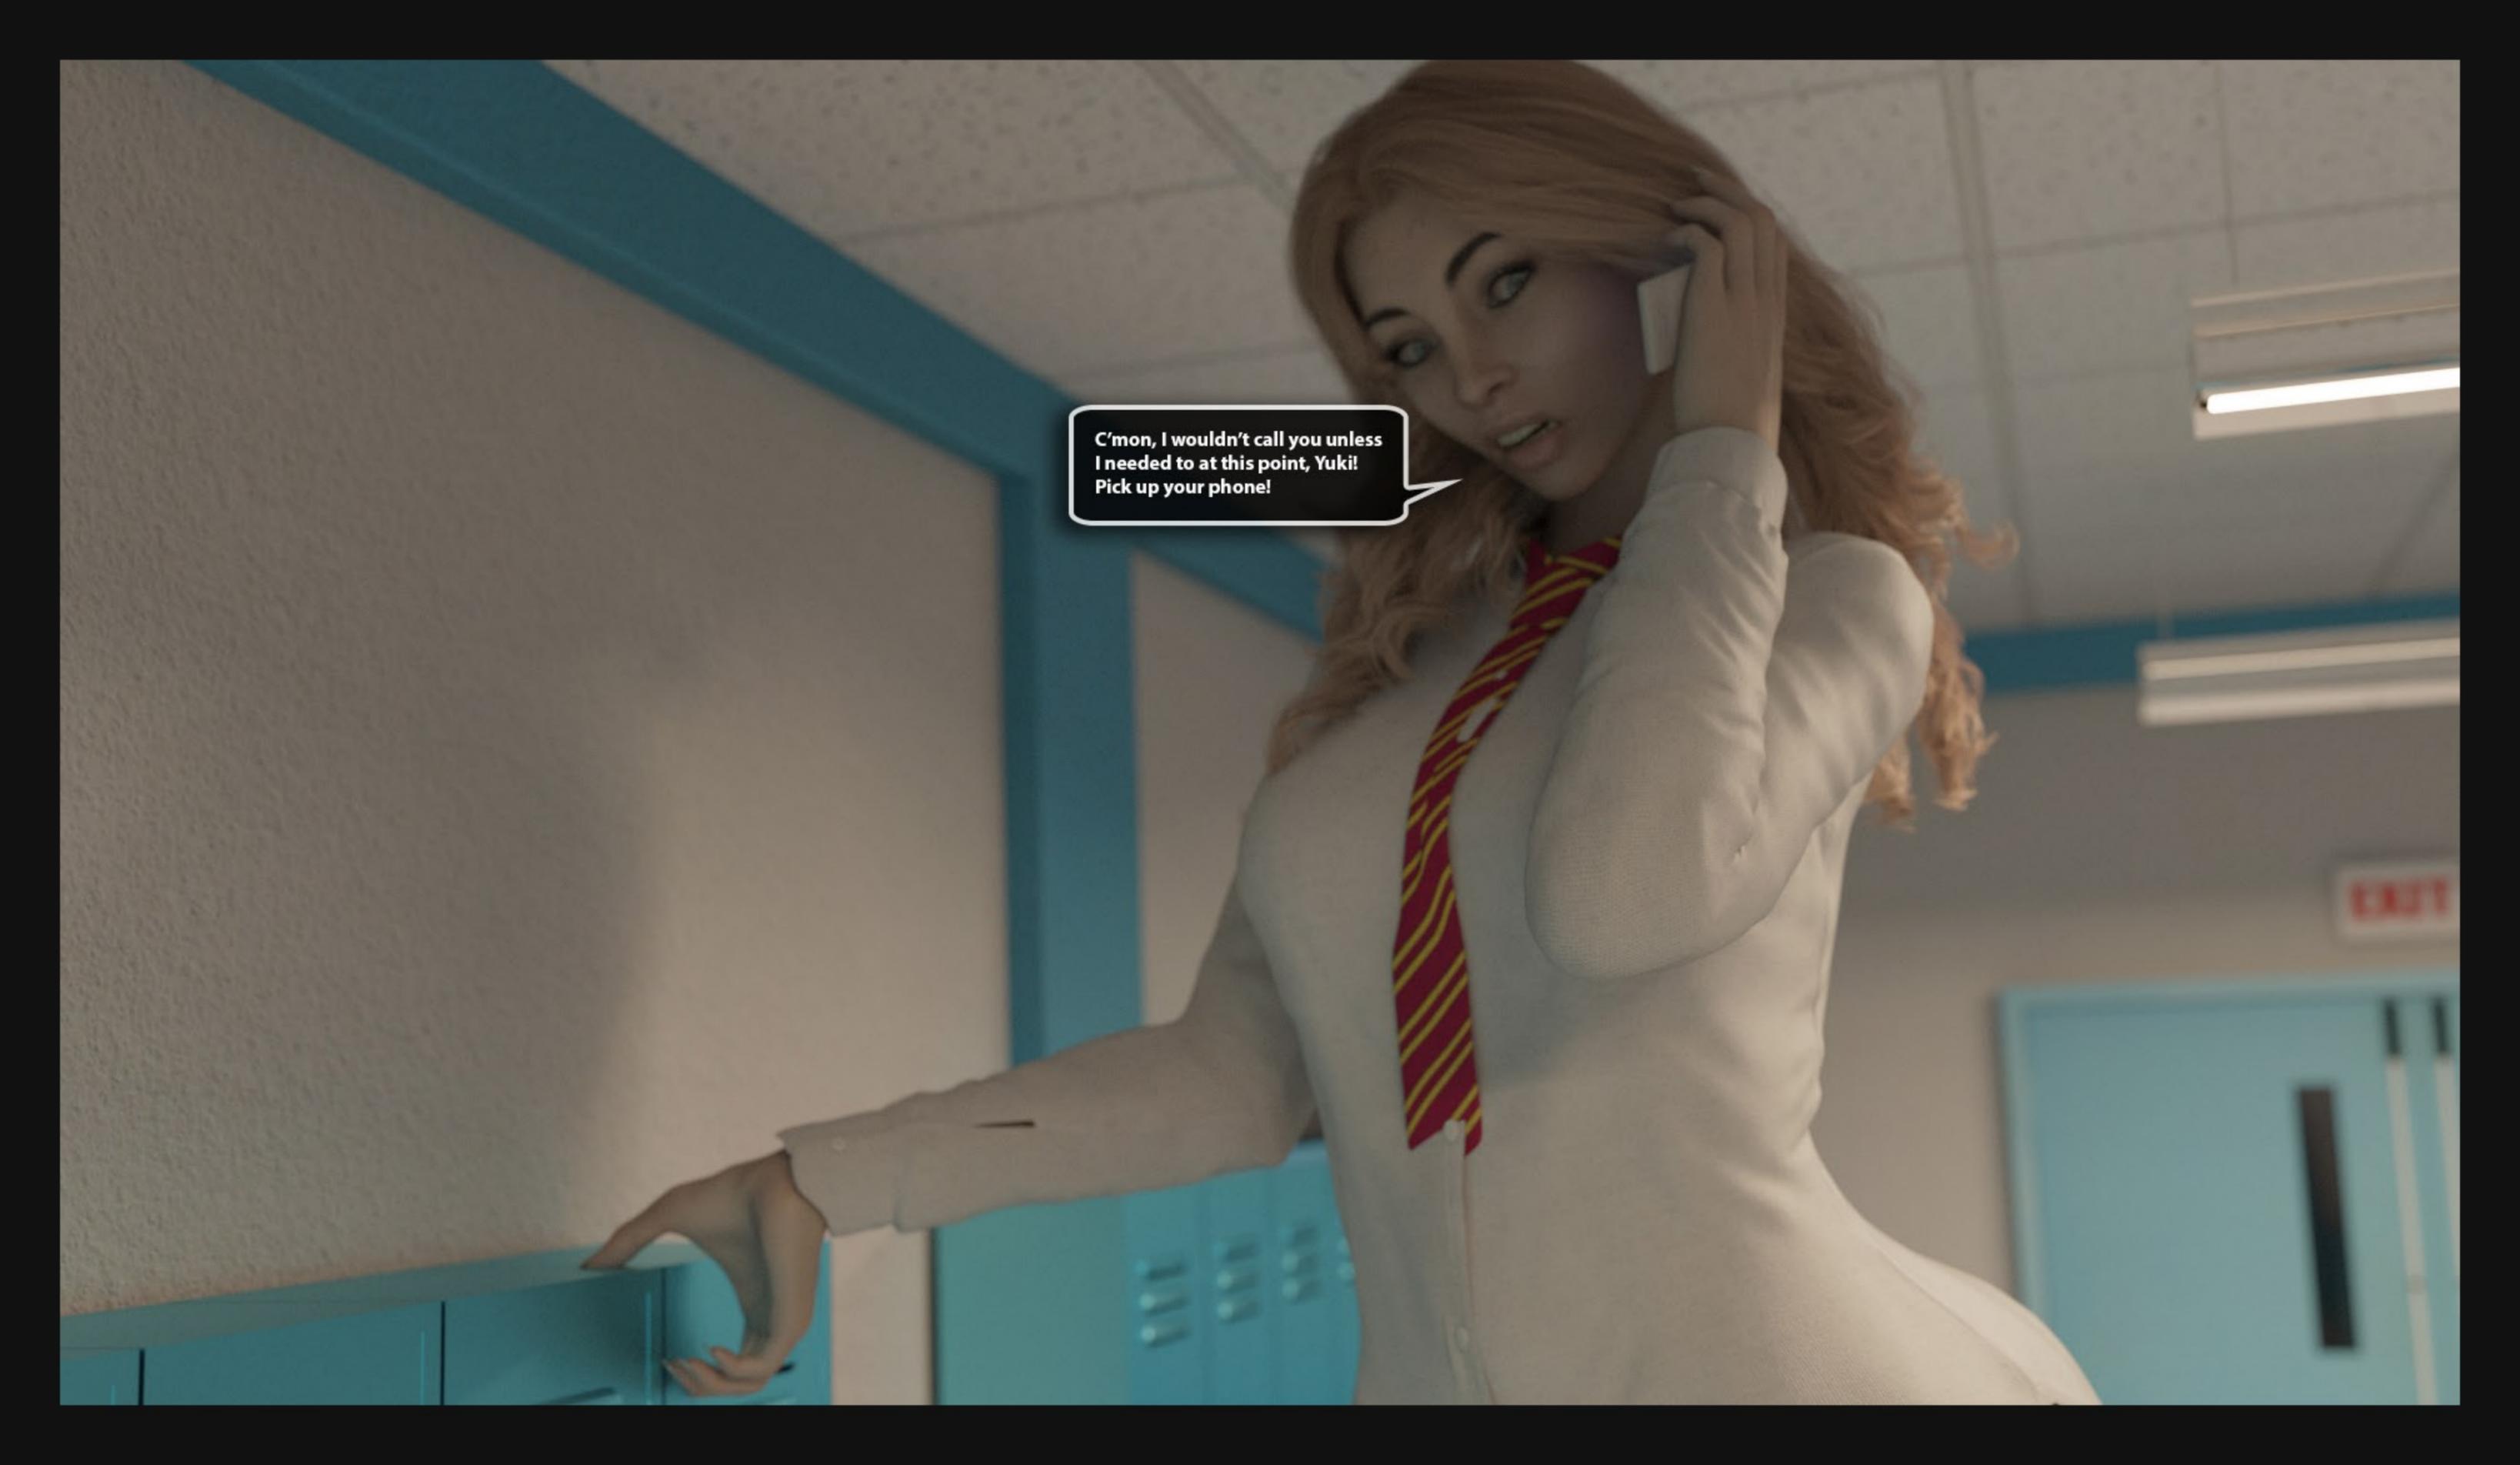

Seems like you're getting off well without us already.

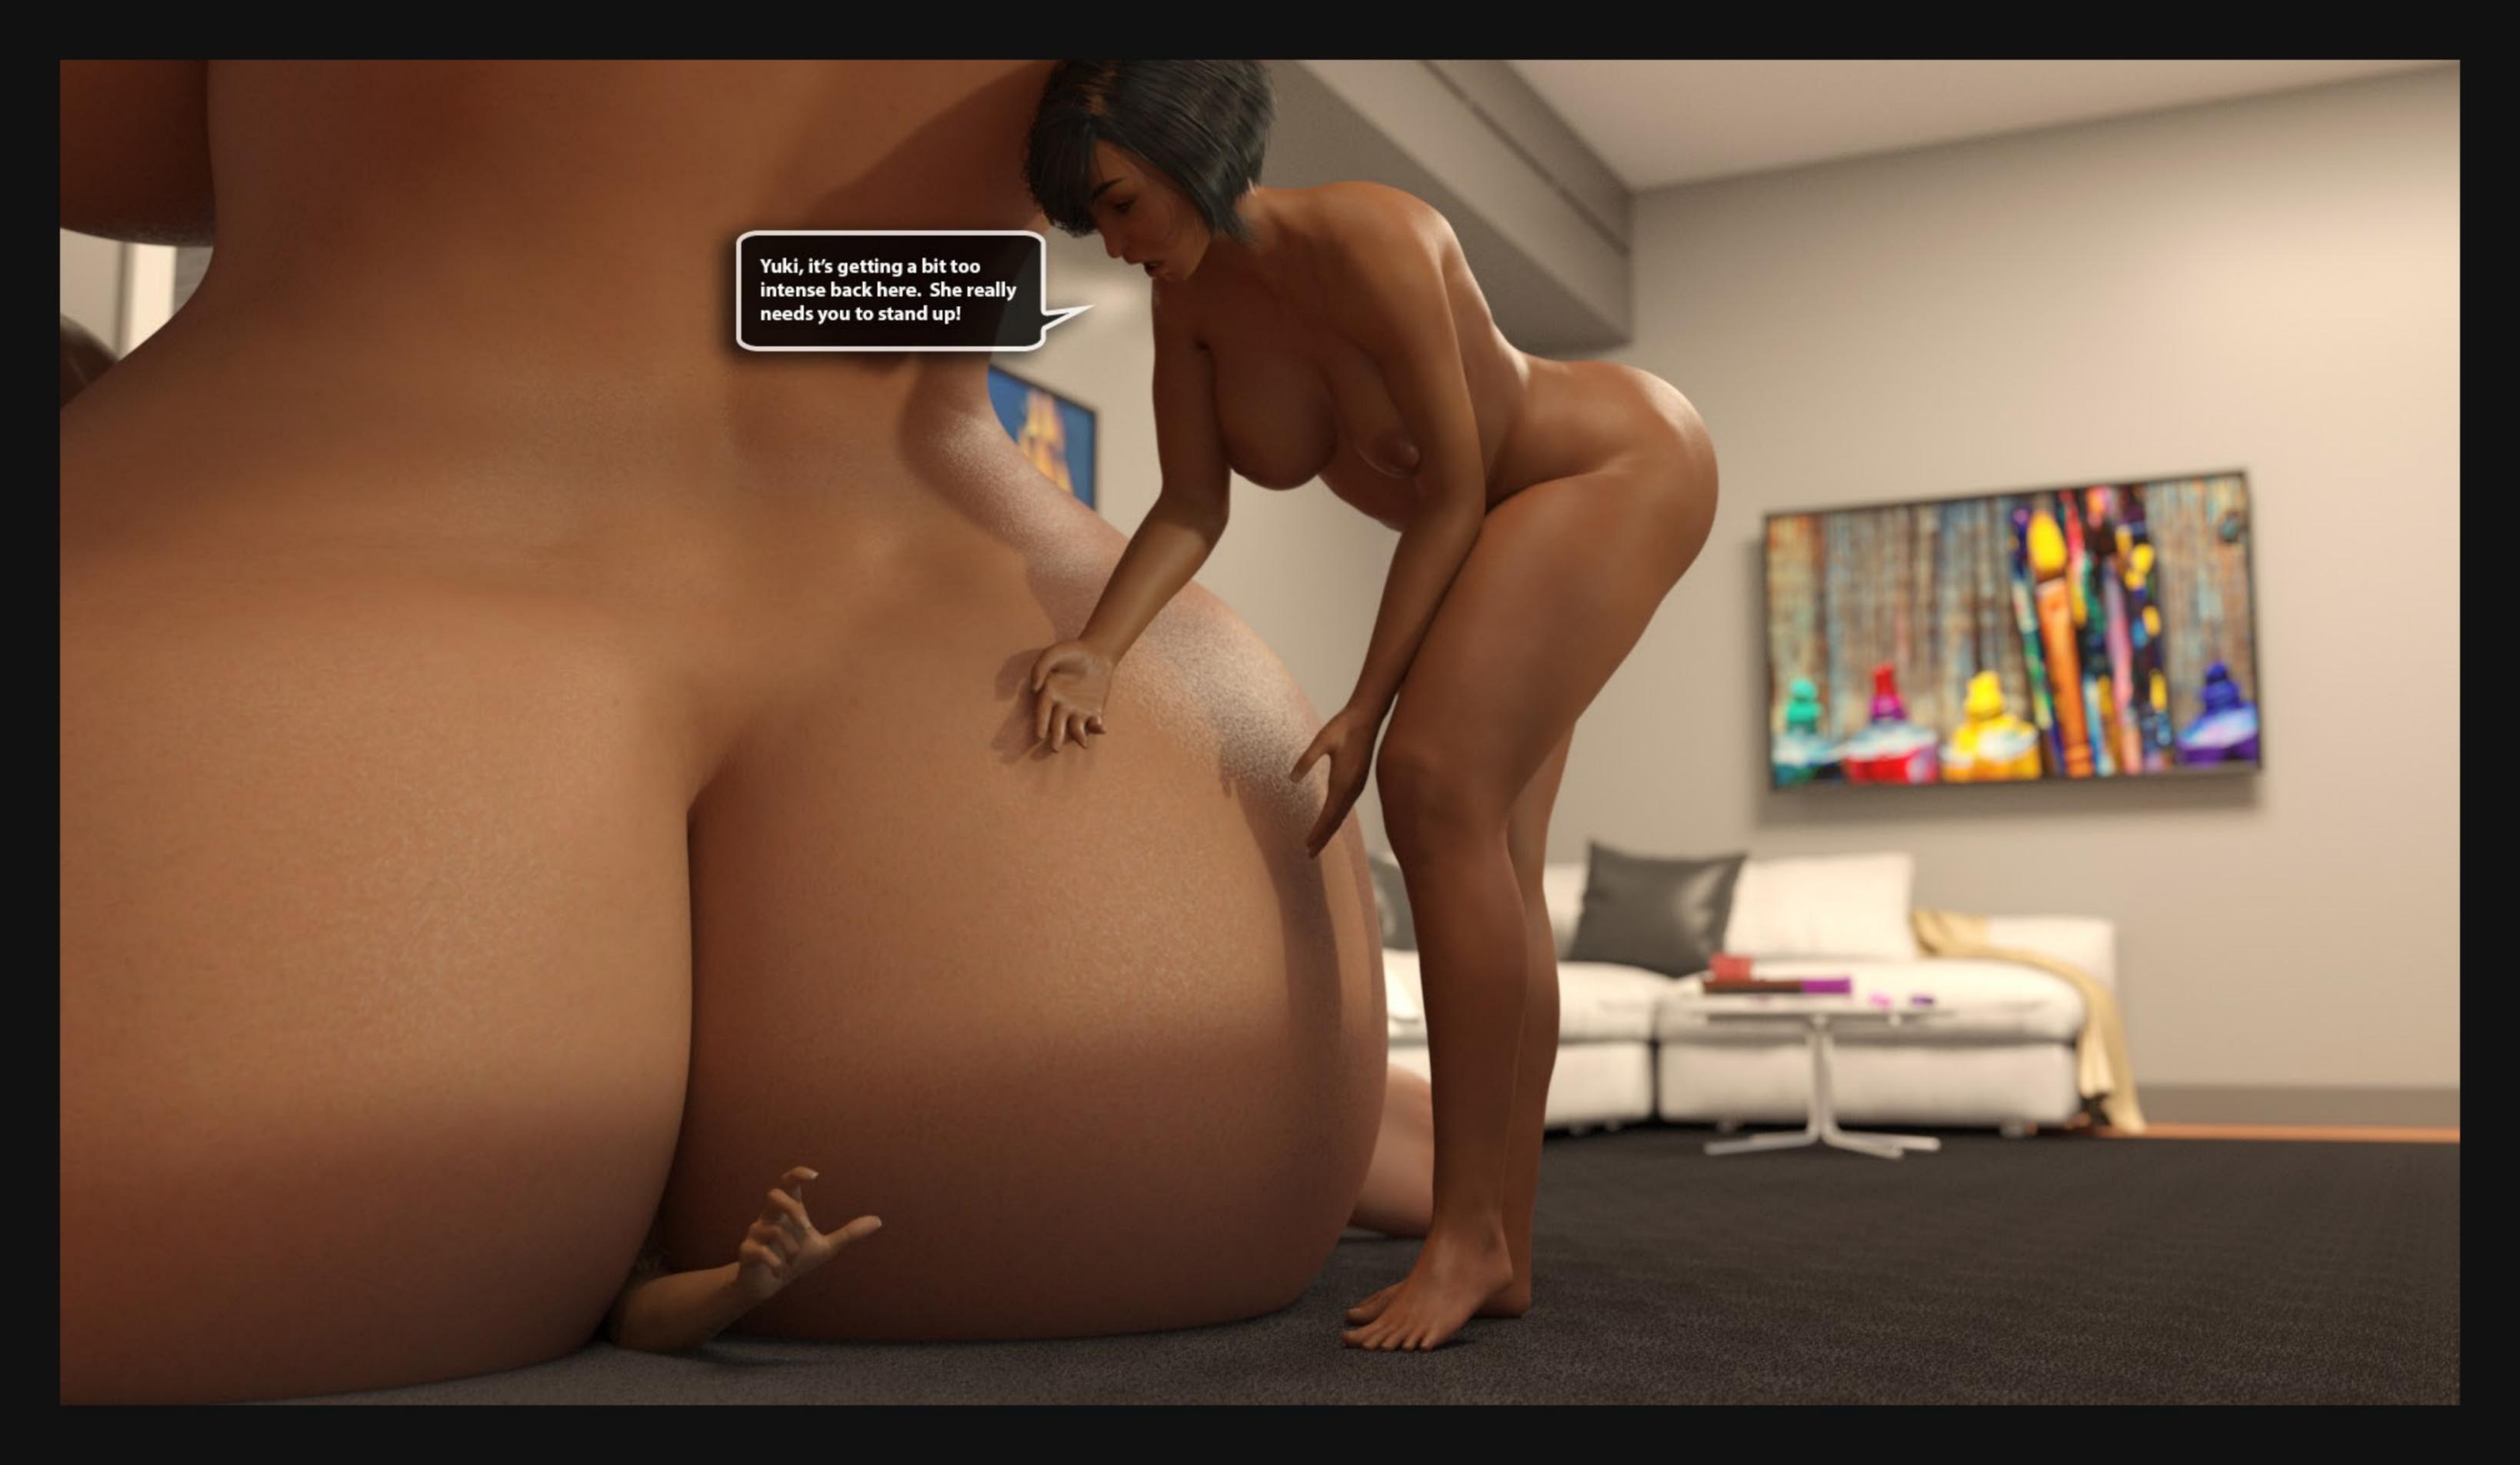

Jeez, those things are bigger than us now!

I have an empty breast with your name on it Abigail!

A woman with long, wavy blonde hair is shown from the waist up, wearing a white, long-sleeved dress with a red and yellow striped tie. She is holding a white mobile phone to her ear with her left hand and has her right hand resting on a blue locker. The background is a school hallway with blue lockers, a white wall, and a ceiling with fluorescent lights. A speech bubble is positioned near her head.

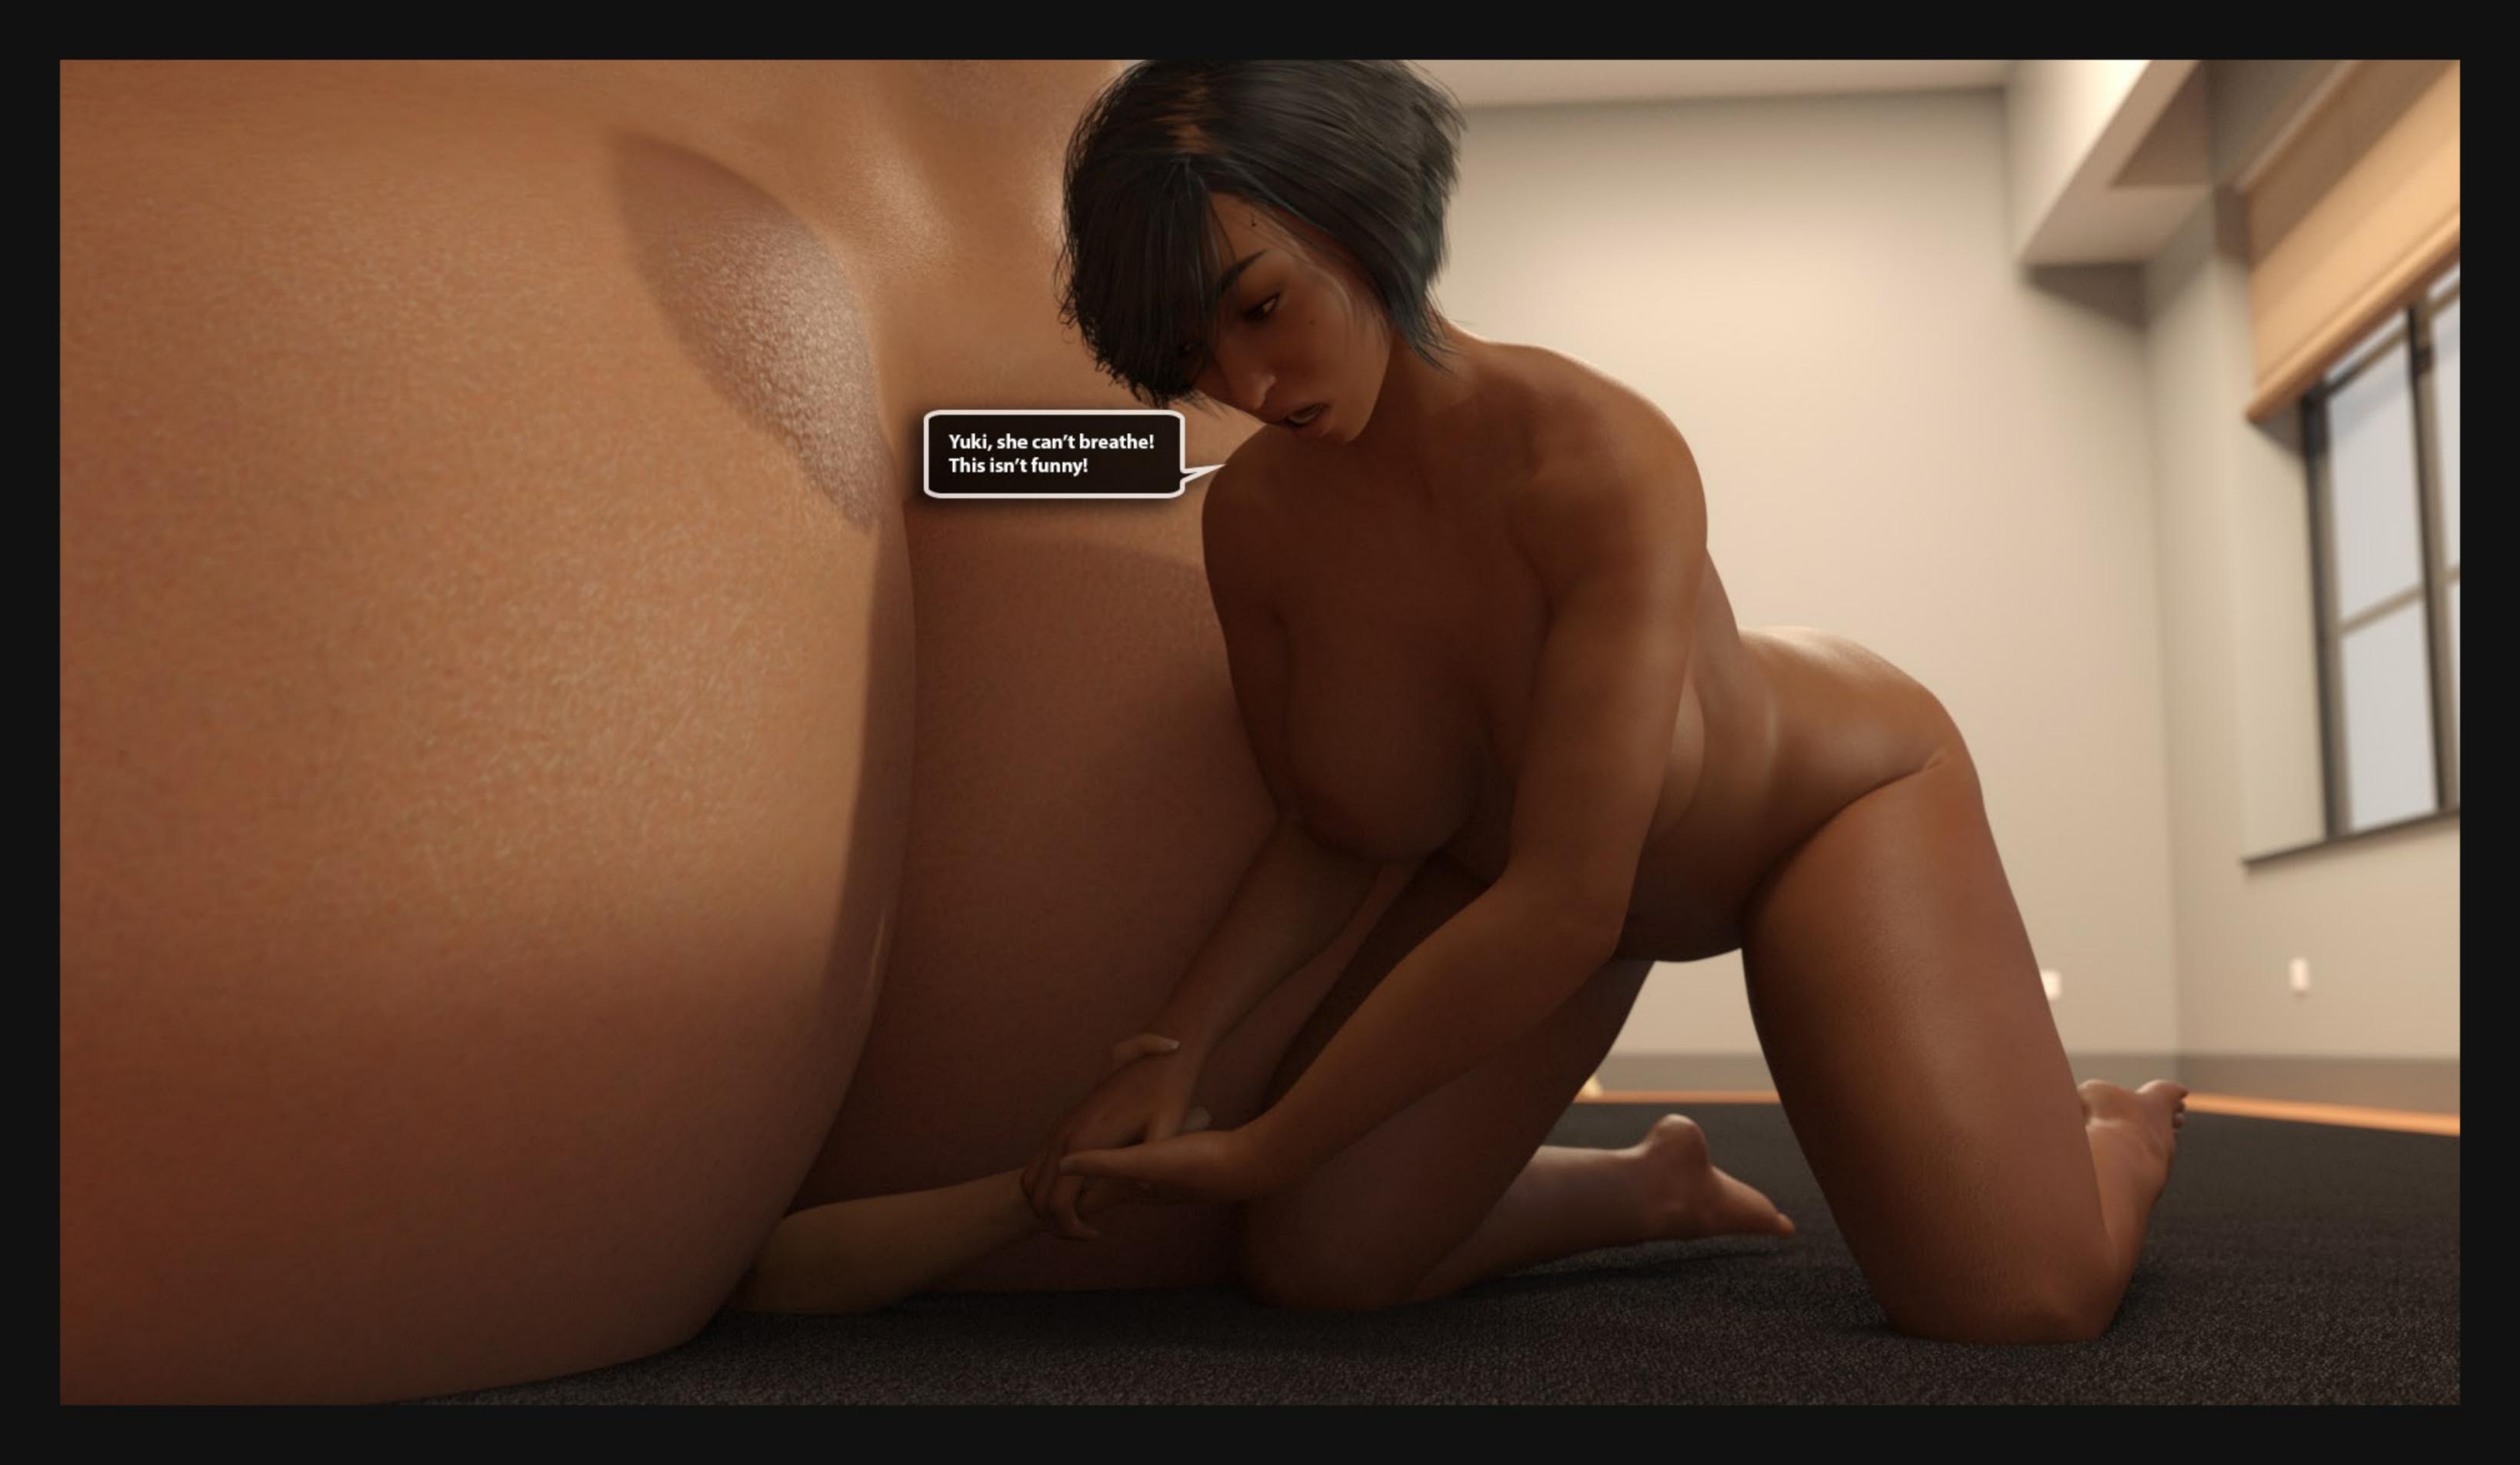

C'mon, I wouldn't call you unless I needed to at this point, Yuki!
Pick up your phone!

Yuki, it's getting a bit too intense back here. She really needs you to stand up!

Come on Yuki! You're the reason I'm stuck like this to begin with!

Yuki, she can't breathe!
This isn't funny!

Oooh, now this is like it!
All this control!

It feels... Beyond compare!

I can't hold my excitement!

I can't hold my excitement!

I can't hold my excitement!

I can't hold my excitement!

I can't hold my excitement!

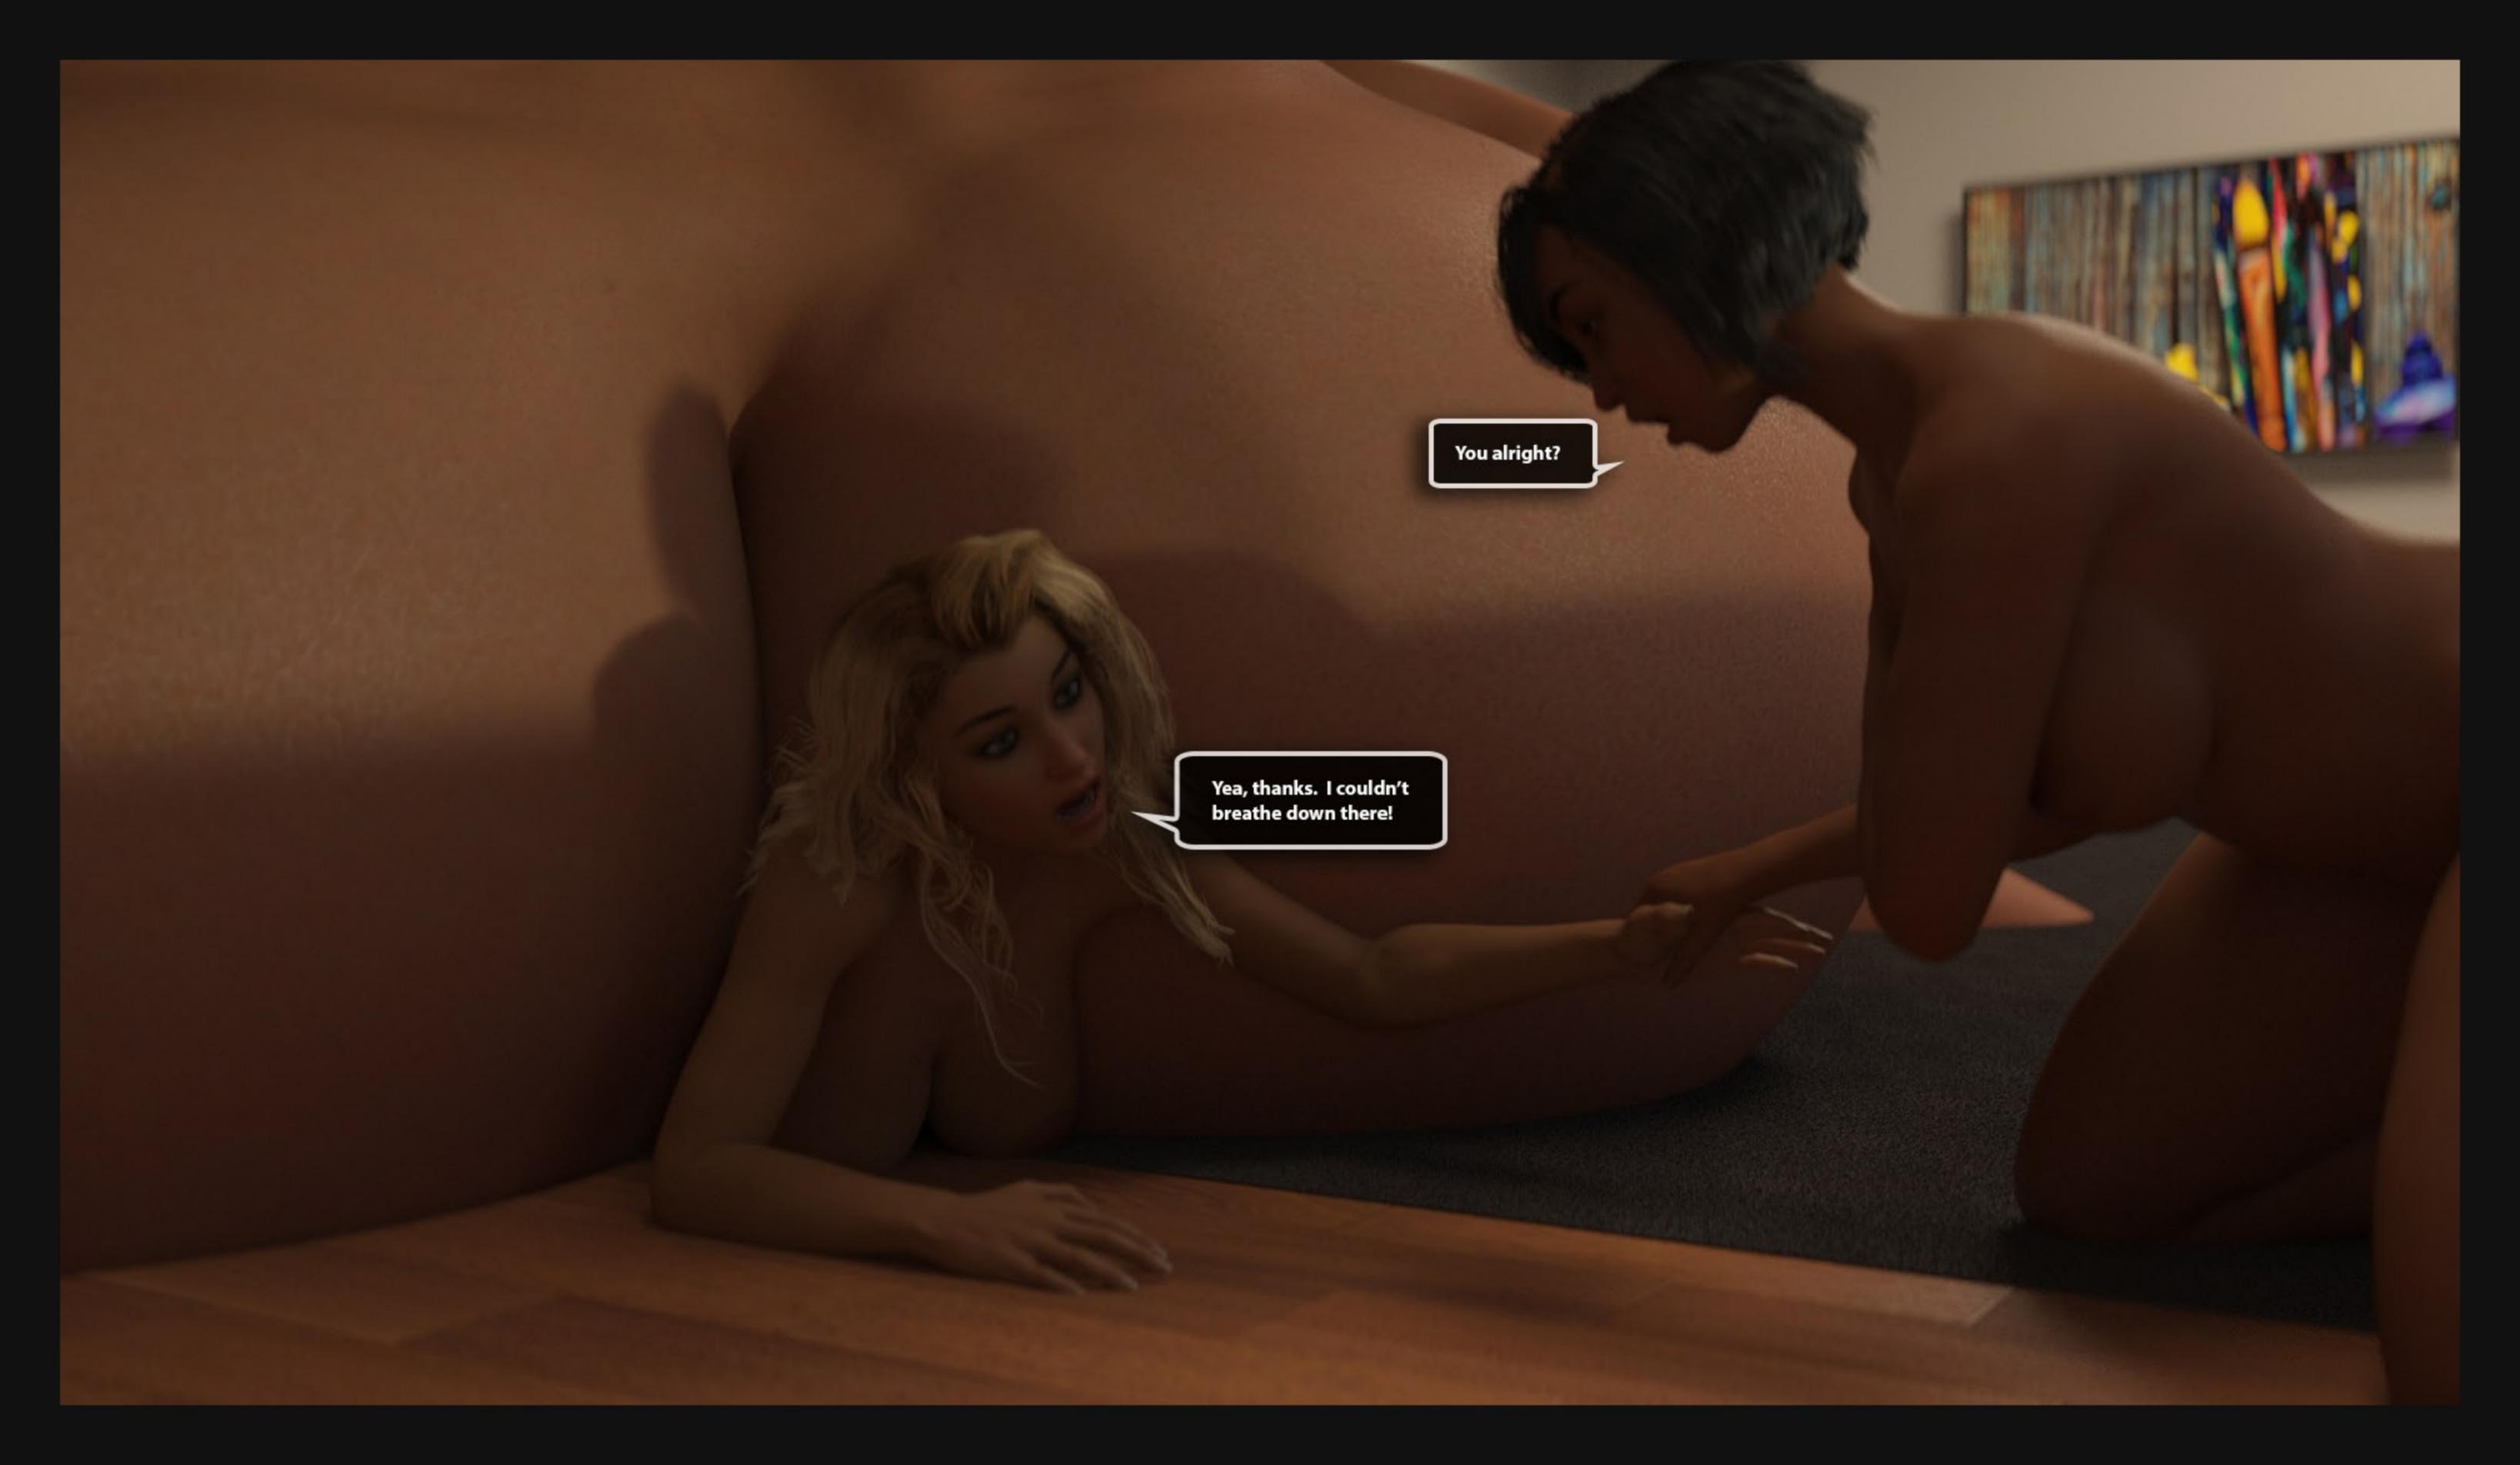

A woman with long brown hair is in a shower, looking surprised. A man's hands are on her back. A speech bubble is next to her.

Oh? Who's calling me at a time like this?

Hmm... Probably Jessie acting up again.

Ahhh!

You alright?

Yea, thanks. I couldn't breathe down there!

Alrighty, need one of you two to go pick that up that phone.

You really stopped everything just for a call?

Sure, I guess...

Wonder who could be so important...

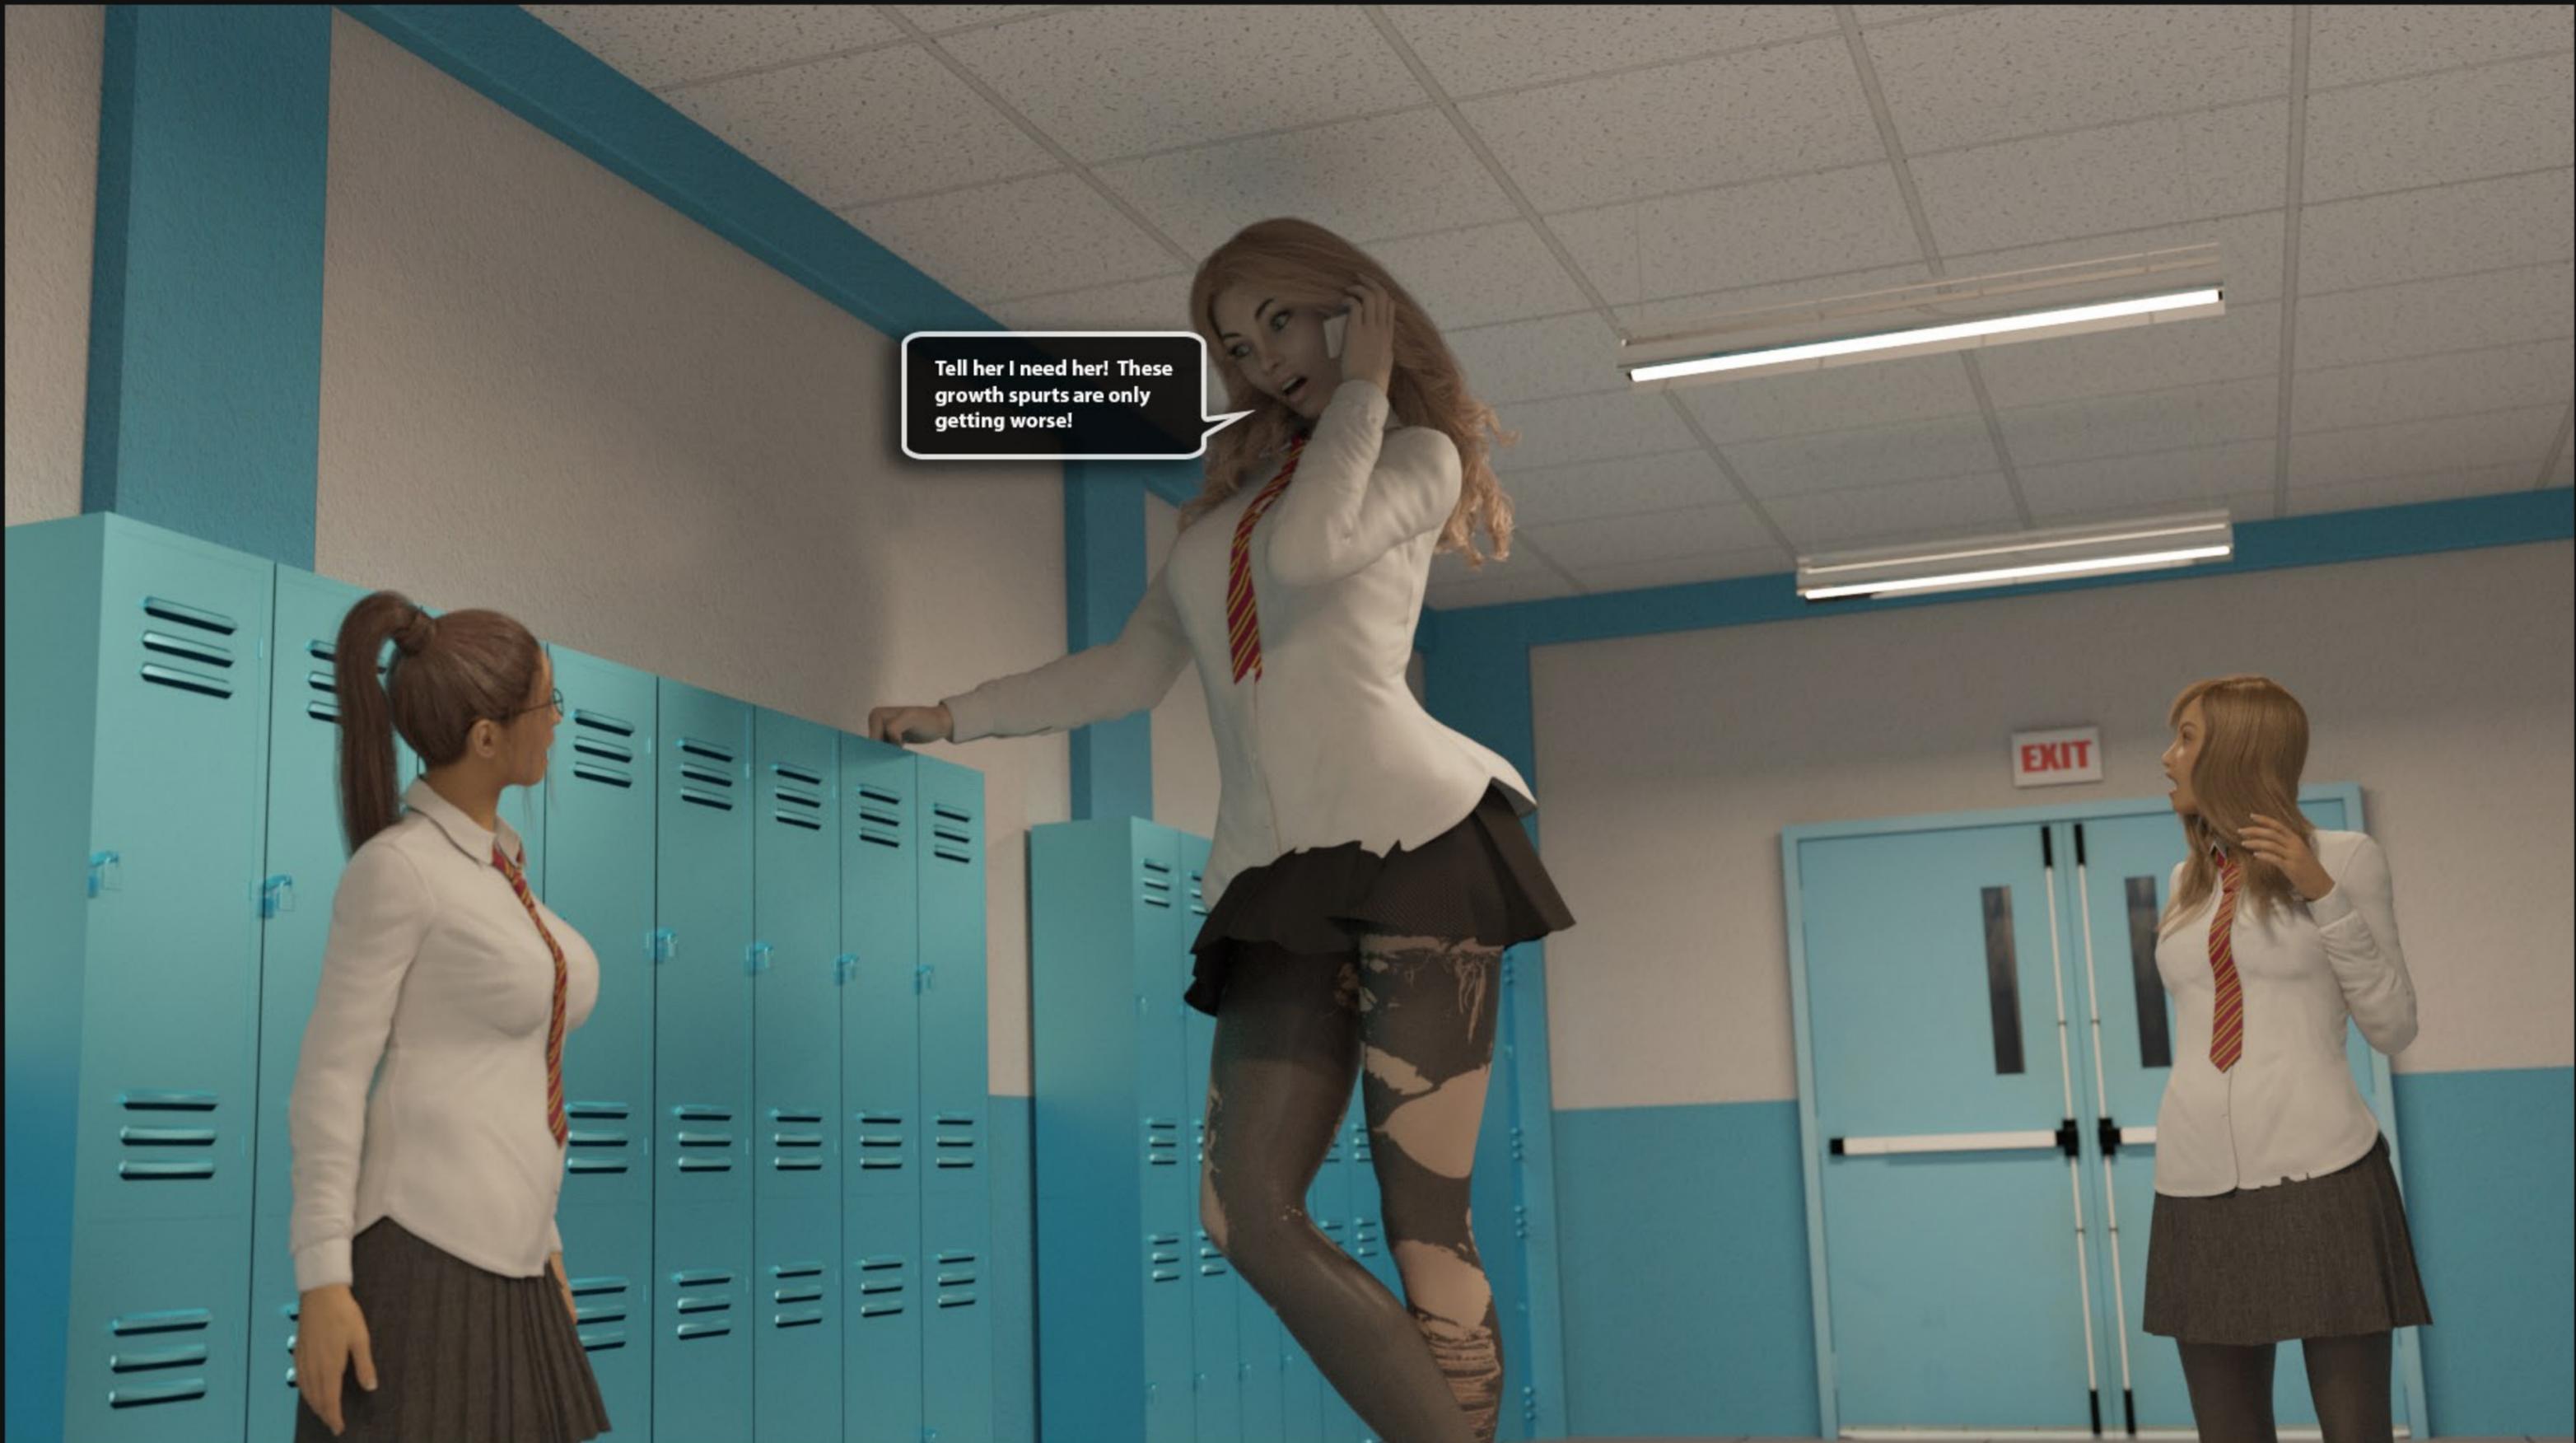

Hello? Jessie, that you?

A woman with long, wavy brown hair is shown from the chest up. She is wearing a white, long-sleeved sweater over a red and yellow striped tie. She is holding a silver mobile phone to her left ear with her left hand. Her right hand is resting on a blue ledge. She has a surprised or concerned expression on her face. The background is a school hallway with a white tiled ceiling, blue trim, and a red "EXIT" sign. A speech bubble is positioned near her head.

Abi? Where's Yuki?

Tell her I need her! These growth spurts are only getting worse!

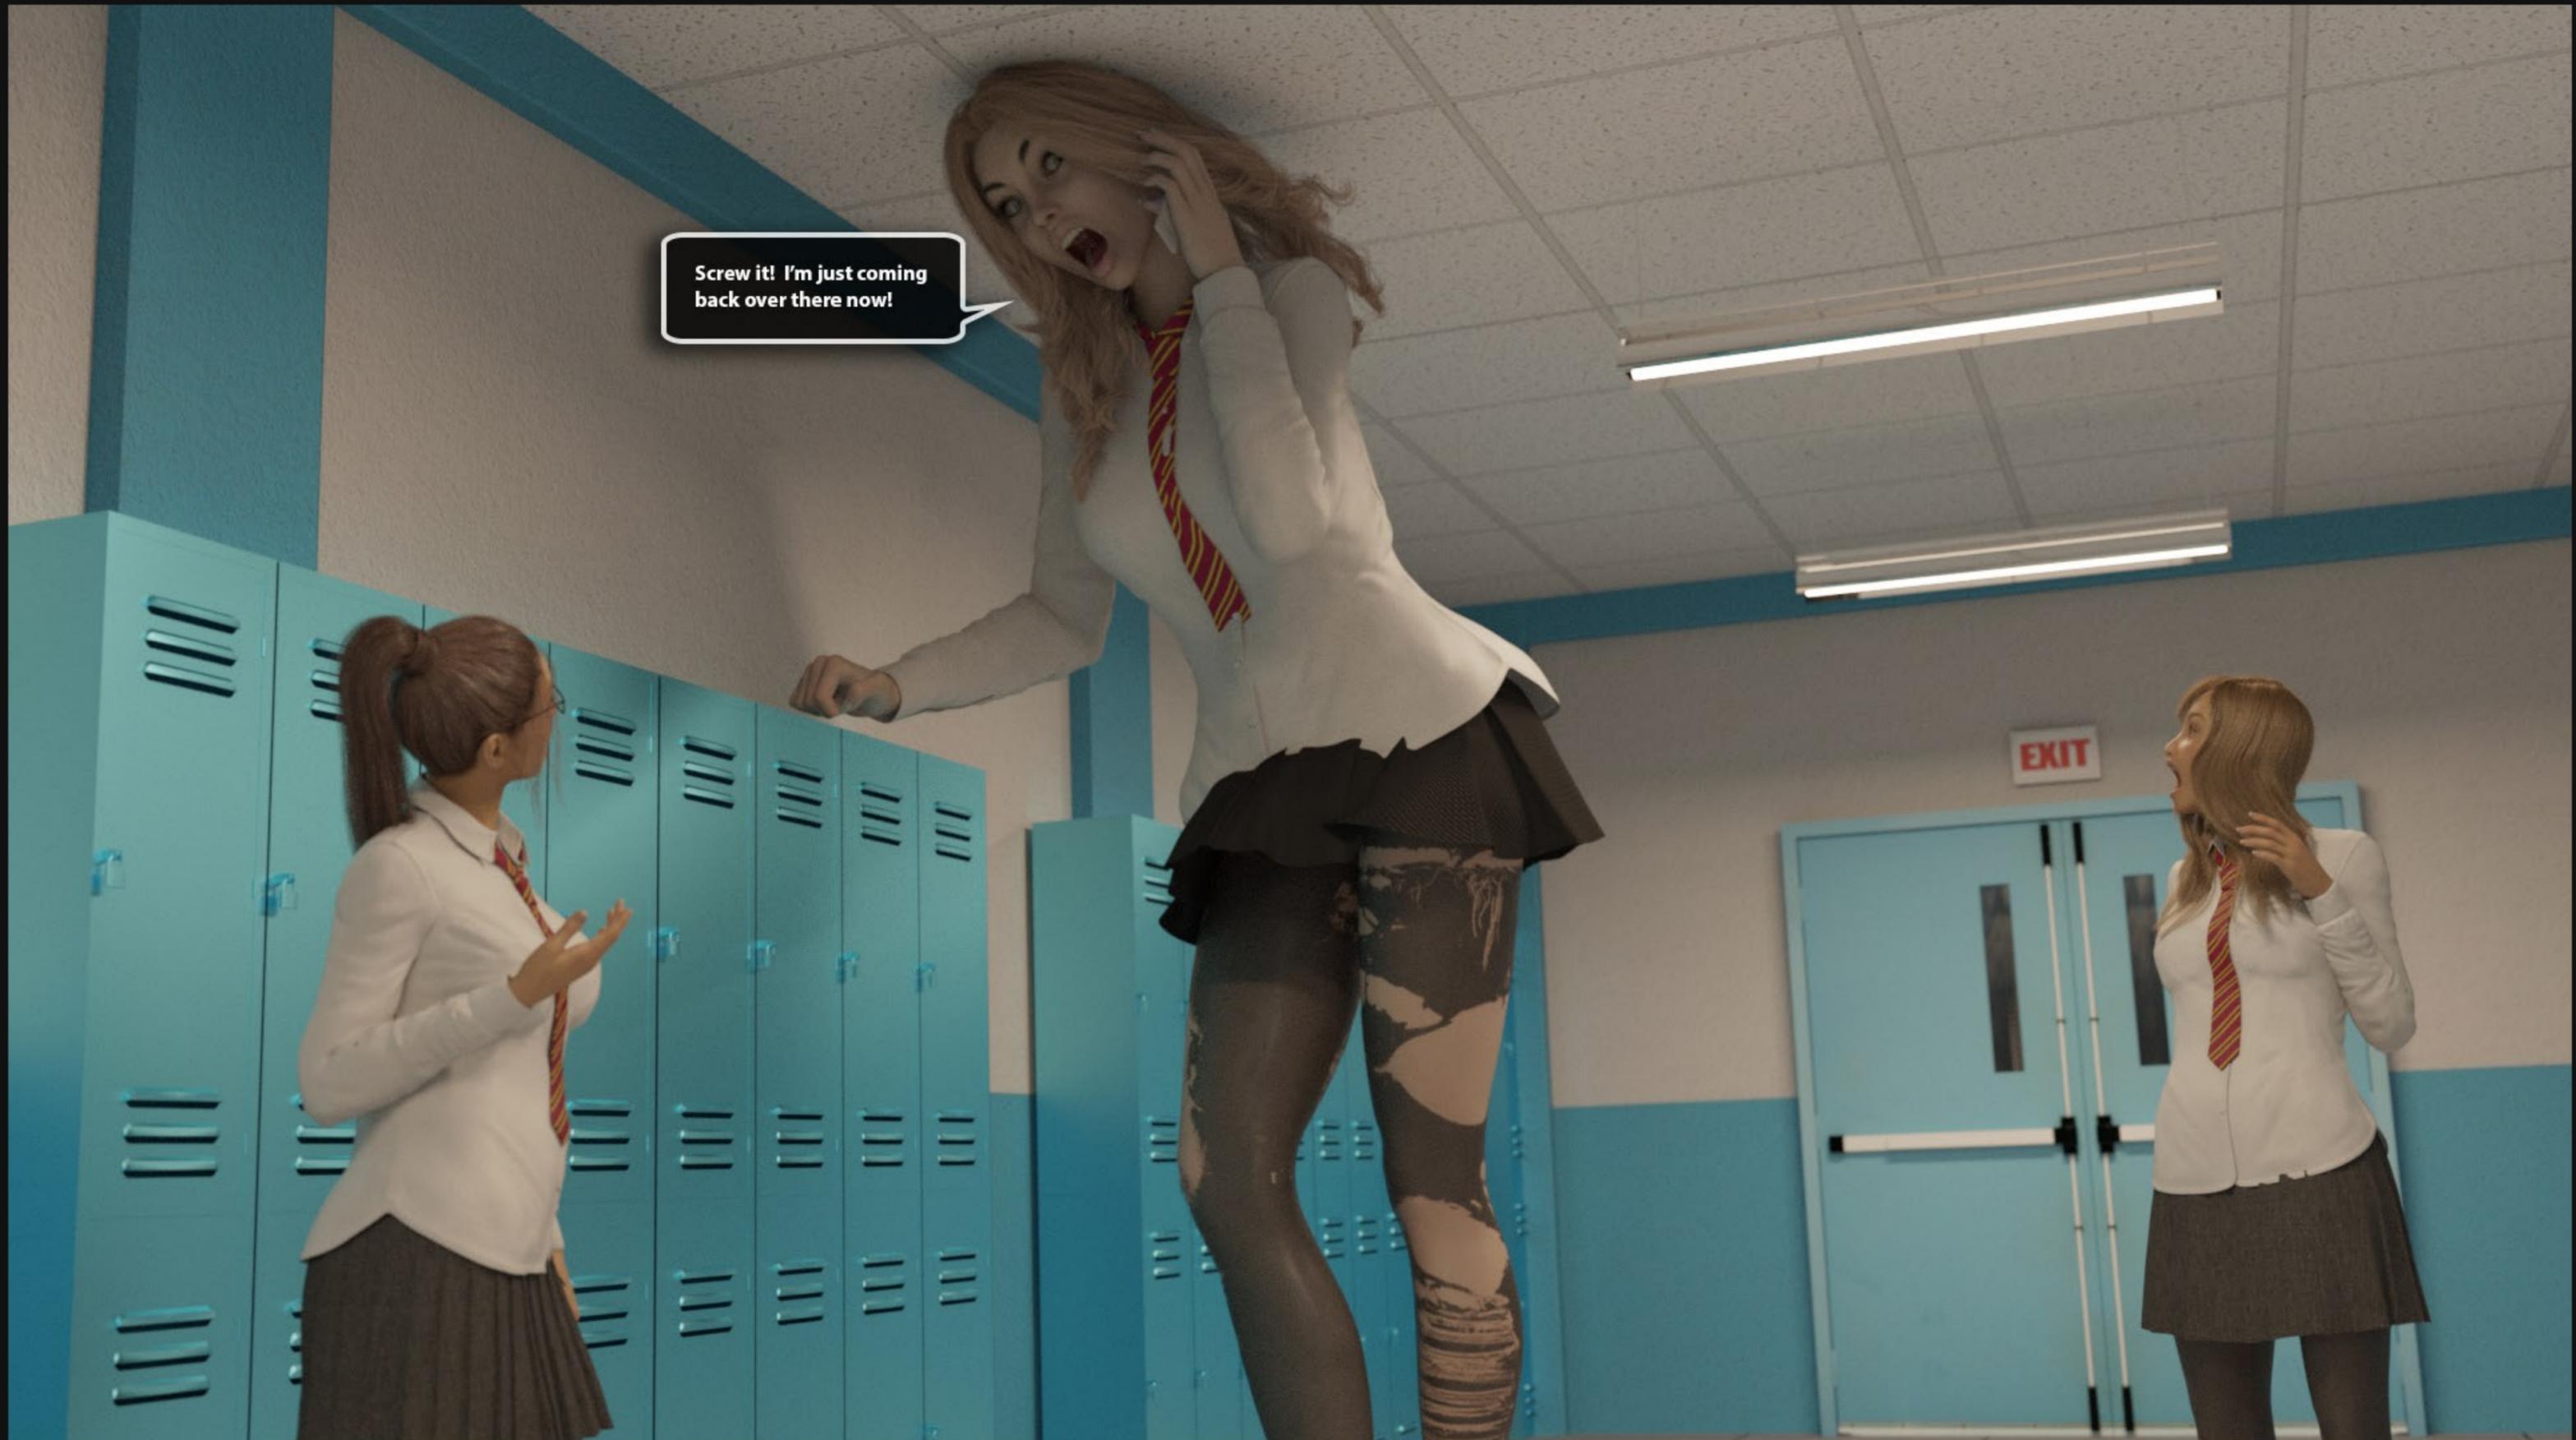

Screw it! I'm just coming back over there now!

Sounds like she's not taking this whole growing thing well still...

What do you think we should do?

Hmm... Well I could use a chance to stretch my legs a bit...

A woman with long, straight dark hair and bangs is looking towards the camera with a thoughtful expression, her hand resting near her chin. In the foreground, a large, detailed close-up of a person's chest and a single nipple is visible. The scene is set in a room with a window and blinds in the background.

Mind checking my closet for me?
There's gotta be **SOMETHING**
that fits even a little bit..

Alright Jessie, stay calm...

Ignore everybody having to stop and stare at you...

Woah, woah! Watch it!

Oh my! I'm so so so sorry!

You have to be more careful, you giant freak!

A woman with long, wavy brown hair is shown from the waist up, wearing a white button-down shirt and a red and yellow striped tie. She is standing in front of a brick building with a concrete ledge. A speech bubble is positioned near her head, containing the text: "Freak... That's a little harsh... Not undeserved though...".

Freak... That's a little harsh...
Not undeserved though...

What the hell is THAT?!

Look at the size of that hamhock!

She's so curvy!

I don't even reach her knees!

Oh Jessie!

Thought I'd find you here! Good thing we've taken the same route to school since we started!
