Oh my God, no !

Oh yes

feeling what you feel, and knowing  
what you know...And what you

healthy! There has been no record of  
anyone like this for over a century!??  
Out here exposed like this but  
no signs of infection!

I'll tell what we gonna do! We gonna have food till next season. This bitch must be tasty!

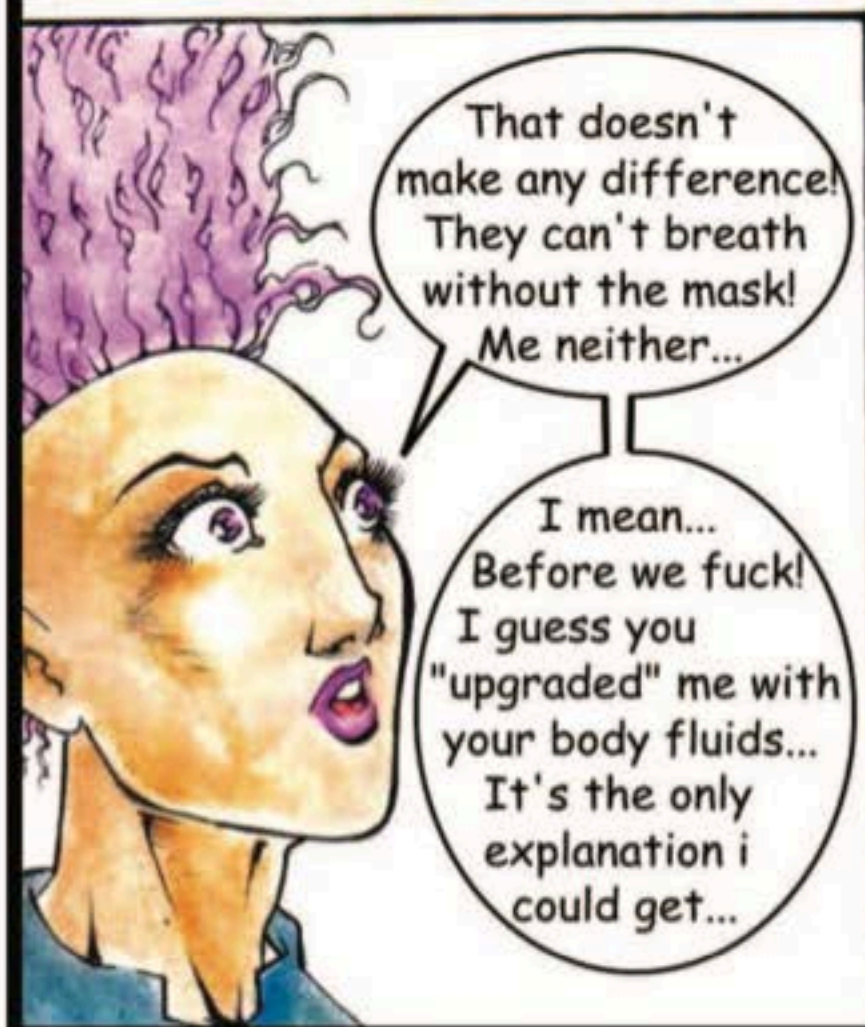

You've got to be kidding... Cannibalism? Is this for real?

Now open wide...  
And take your  
medicine, little  
boy...

So, it's you again...  
what do you want this  
time?

What was this  
all about? Why  
take me there  
and then back  
here?

continuum problems...

I may see you again  
in the future...
