

Personal Slut

Chapter 3

by Madafakir

Come in...

KNOCK!

KNOCK!

KNOCK!

I... I got a message
to come here and...

Holy fuck... is this my
stalker? She... She's...

Hey... Leon,
right?

...she is really
pretty...

Y-yes, but... there must be
some mistake... I really
don't understand what this
is all about...

Oh, you know exactly
what this is about...

This is about your fraud
and attempt to hack into
the school server.

Oh, well, yes, but... you know, it was just some stupid fun... I really didn't mean to do anything wrong...

I think that if I report it to the
police and the school
authorities, they won't
consider it a stupid fun at all...

So this is what you're
after? To report me to
the police?

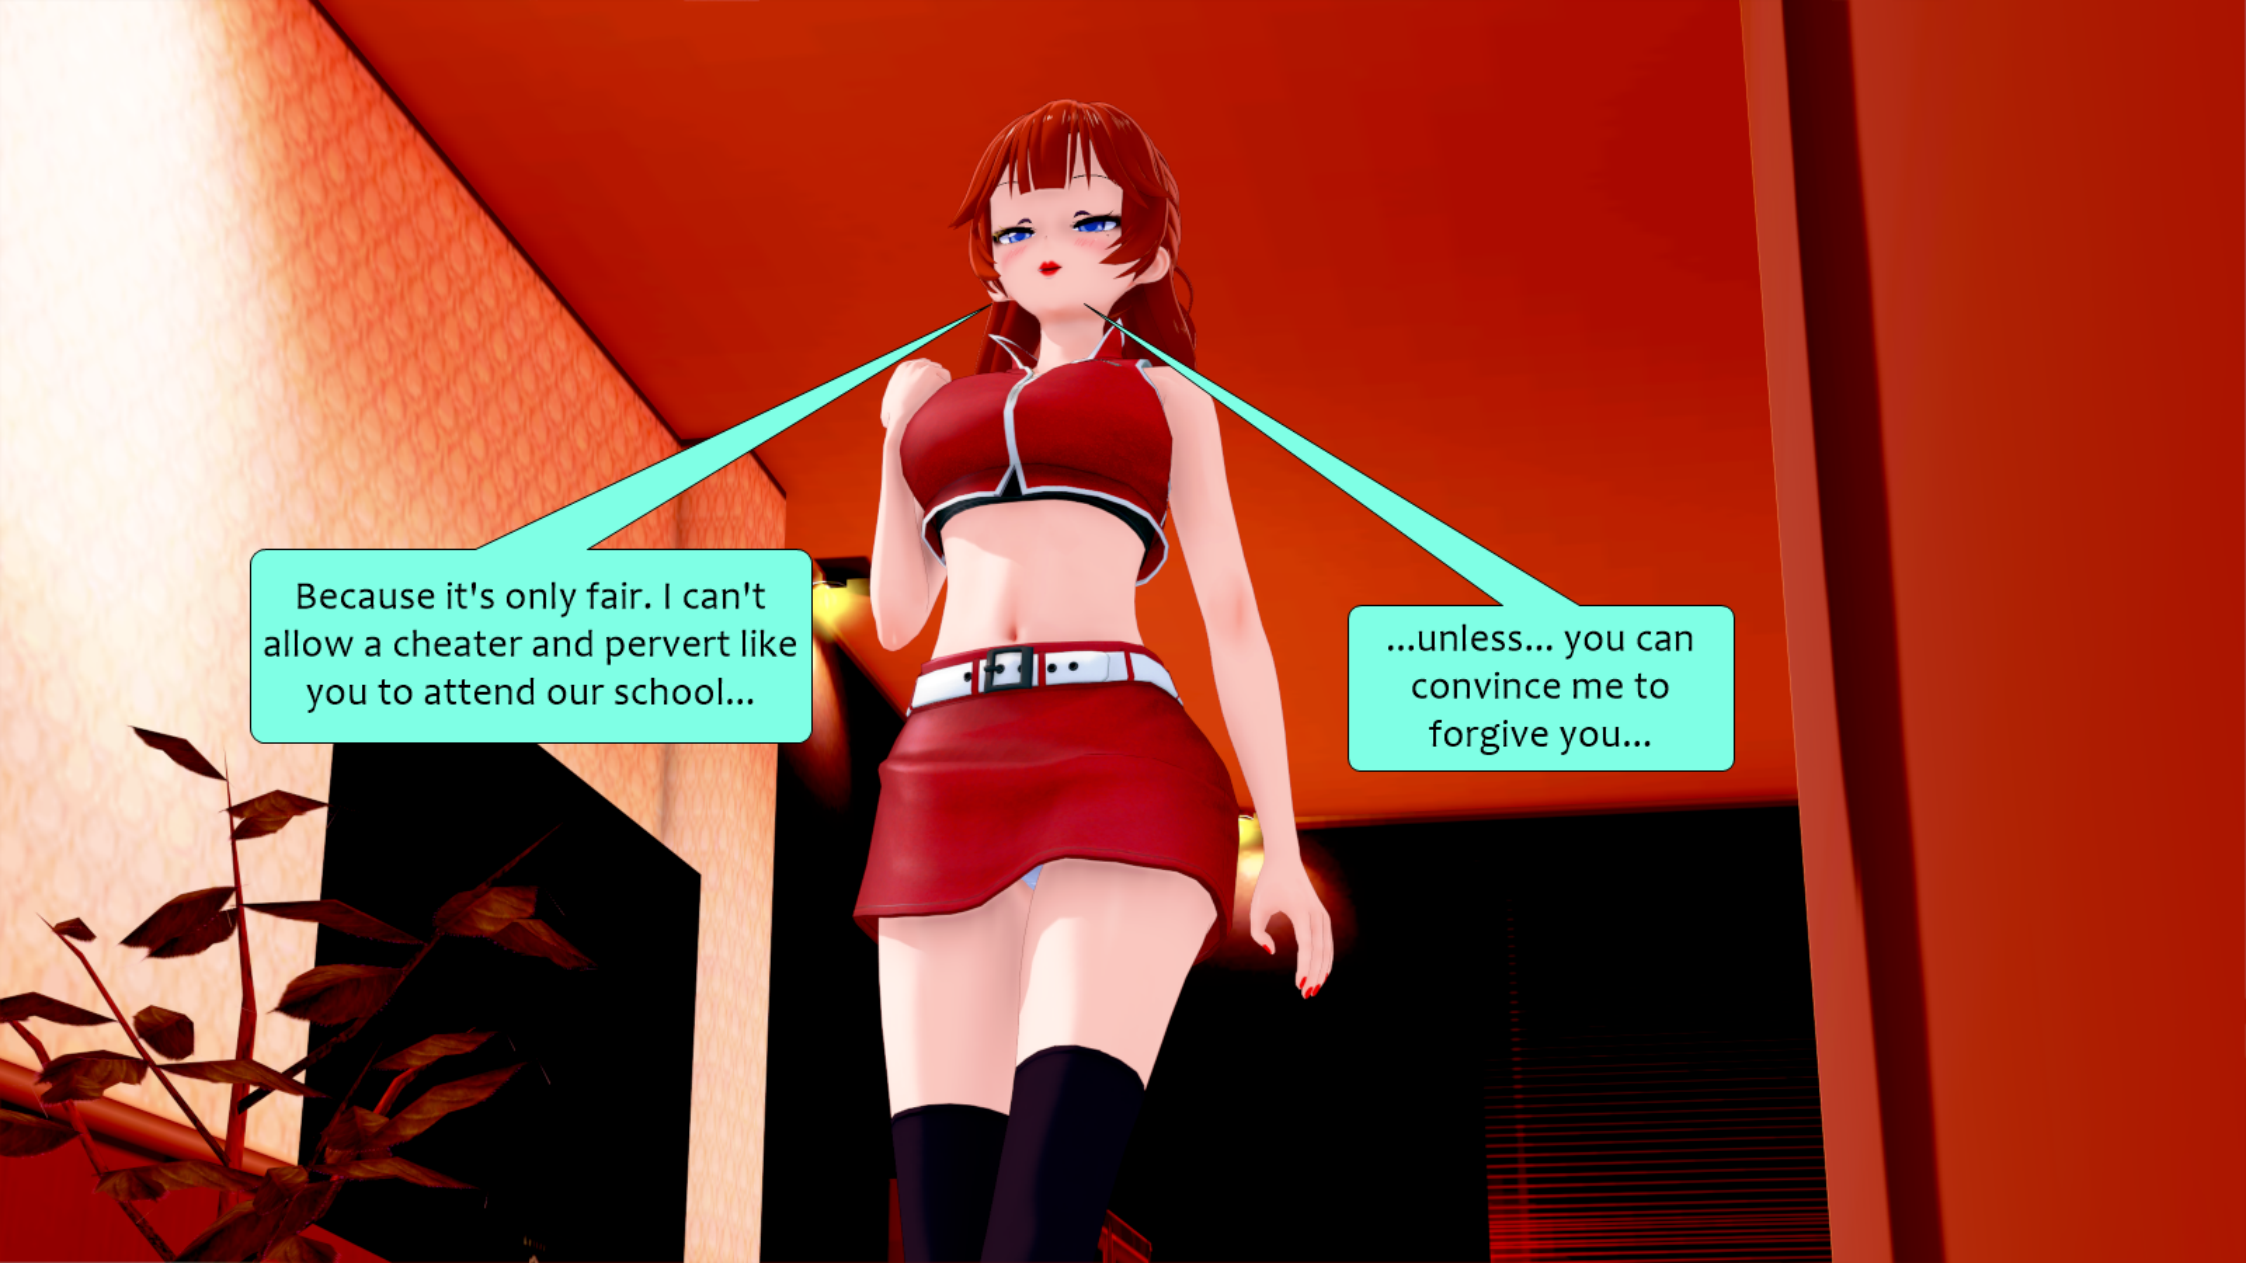

No. That's not all I mean. That'll just be the beginning. They'll take your computer and search it. And then everyone at school and in your family will know what a pervert you are...

You want to... ruin
my life? But... why?

Because it's only fair. I can't allow a cheater and pervert like you to attend our school...

...unless... you can convince me to forgive you...

I... I...

Oh fuck, I can't believe it!
This is straight out of porn!
She's about to ask me to
fuck her, haha! So that's
what it was!

O-okay... so what
should I do?

Hmm... First... you'll
clean my apartment...

WHAT!?

What the fuck is going on!?
I'm supposed to be her cleaning
lady!? She's trying to blackmail
me into serving her!?

SHUSH!

SHUSH!

Or maybe... maybe this is
just the beginning... maybe
she has some weird fetish...
I don't know, it's fucked up...

Sorry about the broom... My vacuum cleaner is broken. So I need some help... When you're done, dust the furniture.

Holy shit... What a stupid cunt...
She's humiliating me... But okay...
I'll do it and maybe she'll leave me
alone. After all, no one will
ever know...

Ye, ye...

Please do it carefully...
I'm allergic to dust...

Okay...

A hand is shown holding a white cloth. Two red starburst shapes with the word 'SHUSH!' are positioned near the hand, one above and one below it. The background is a dark, textured surface with some orange and red highlights.

I want to grab something
heavy and hit her over the
head... But there are cameras
in this neighborhood...
I wouldn't run away...

SHUSH!

SHUSH!

He resists... But
not for long...

Okay. That's enough for today. You can go. I'll let you know if I need help again.

Oh... but it would be good if you lost some weight. You should cut back on fast food and sugary drinks, you know?

WHAT!?

That afternoon...

Holy shit... Come on, Tony...
Tell me you've got
something...

The idiot gave herself away.
I know she's from my school
and her name is Jaz. And
I know where she lives!

Tony will definitely check
her out... and then the roles
will be reversed!

Should I give
up the Coke?
Hah... my ass...

Later...

Fuck... Tony is still
silent... Did he really
find nothing?

BIP!

BIP!

Huh...?

Oh, it's Tony!

Hell yeah! He
tracked her down!

Dude, I got her!

What!?

I tracked her phone! So far only current text messages, but it's still something!

OMG! And what do you have!?

She's going to meet some guy in the red light district tonight. It was a suspicious conversation.

BINGO!

iFakeTextMessage.com

Haha! Oh yeah, I got you,
bitch! I'm gonna find out
what this meeting is about!

I'll find something to
hold you against... and
then... and then...

Ooooh! Oh yes! Like that, bitch!

Work my cock with
those hands!

P-please... Don't
make me... do this...

Oh, now you're asking for
mercy? You shouldn't
have played with me...

I'm sorry... I'm
so sorry...

Oh, are you sorry? Then
show how sorry you are and
put it in your mouth! Haha!

That night...

Hmmm... A completely
empty street...

Have I really come
to the right place?

Hmmm?

Yes! Yes, you
are right!

Oh, there
she is!

バーボンハウス

Yes. I'll get you the goods,
but it will be more
expensive than last time.

Well, well, well... It seems
this bitch is doing some
shady deal here... Maybe
it's about drugs?

Yes, it will be ready tomorrow...

Are you lost,
little boy?

HUH!?

Oh, wouldn't I?
Why?

Fuck! Shit! I'll do anything,

Ooooh, you'll do anything? Really?

GRAB!

In that

You better do it... if you

Gulp...

Oh yes, worm! Kiss

Muah...

And tomorrow evening
you will come to my

you what to do next...
