

Omphale's Realm Lounge, the finest strip club in the city.

Very late at night.

You know me, boss. I have no problem staying late. After all, I love this job.

But when you asked me to do hair and make-up for the new girl...

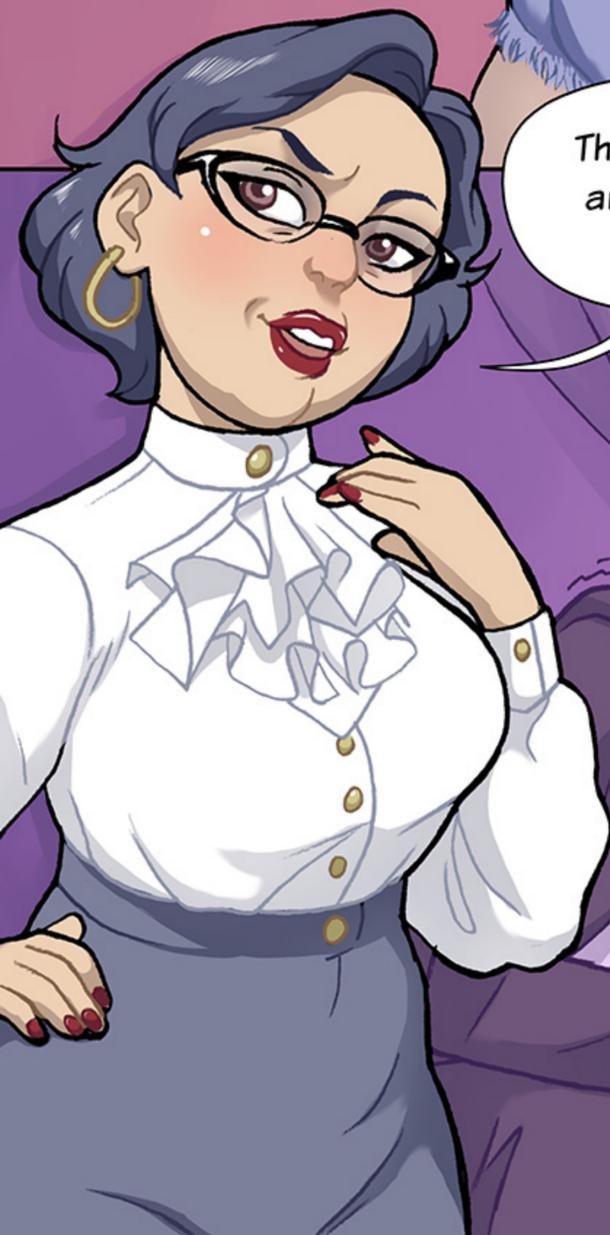

...I didn't expect THIS! So, what's going on here?

Well, sweetie, it's a very funny story...

This young man invited Cherry and Jade into the VIP rooms for a private dance...

He was having such a good time, he wasn't paying attention to the bill he was racking up.

Poor thing... when it came time to settle up, he didn't have enough cash... or credit!

Security brought him to my office and made him explain the situation. "Aww, too bad I'm going to have to call the police," I said.

That was enough to freak the poor guy out! "No please! Don't call the police! I... I could lose my job!" he stuttered.

He even fell to his knees and begged me: "I'll do anything you say! Anything!"

And you know how much I love to see a full grown man beg!

That's a great idea, boss! Give me a few minutes and I'll turn him into the sexiest stripper boy ever!

Oh, I know you will, Lila! I'll be back in a little while.

Oh boy, you're in big trouble, aren't you?

Are the drinks ready, girls?

Drinks are ready, Miss Payne!

Yeah, hurry up before Cherry gets drunk. She's already had three glasses of wine.

Oh, Jade! Don't bother her. We're here to have some fun!

I thought we were here to take care of that guy who couldn't pay us.

Who says we can't do that and have fun at the same time?

Speaking of which, I hear something behind the curtain.

What?

OK,
Girls!!

Let's give a warm
welcome to our newest
dancer... Miss...

*Pixie
LeCoquette!*

What
the...!?

Oh my...!
I-is that
him?

Mhmm!
We're going to teach
Miss Pixie how hard this
job really is.

Then maybe he'll
learn to check his
wallet before going
to a strip club.

OMFG! I thought you were going to make him pay up, but this is like a hundred times better!

Hahahaha! He looks like a little doll!

Thanks, honey! He was easy to doll up!

Glad you girls like my little present! Let's get started with some dance lessons, shall we?

Work those heels, bitch! Stick that ass out... head up high... shoulders back!

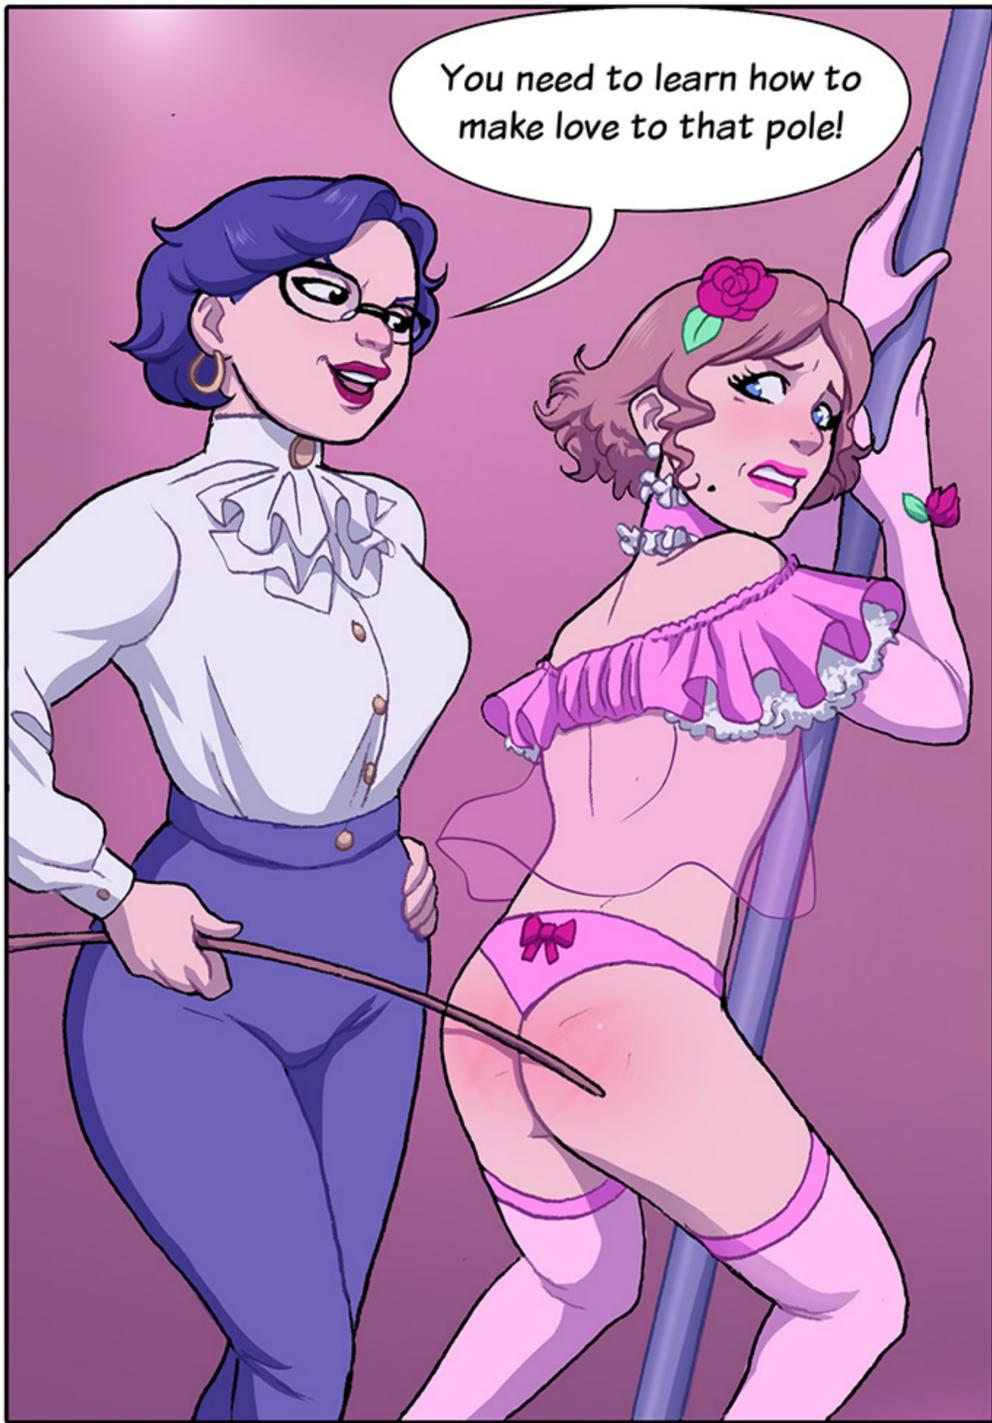

Suck in your belly! NOW!!

Let me see those hips sway. Walk like you're the sluttiest girl in town!

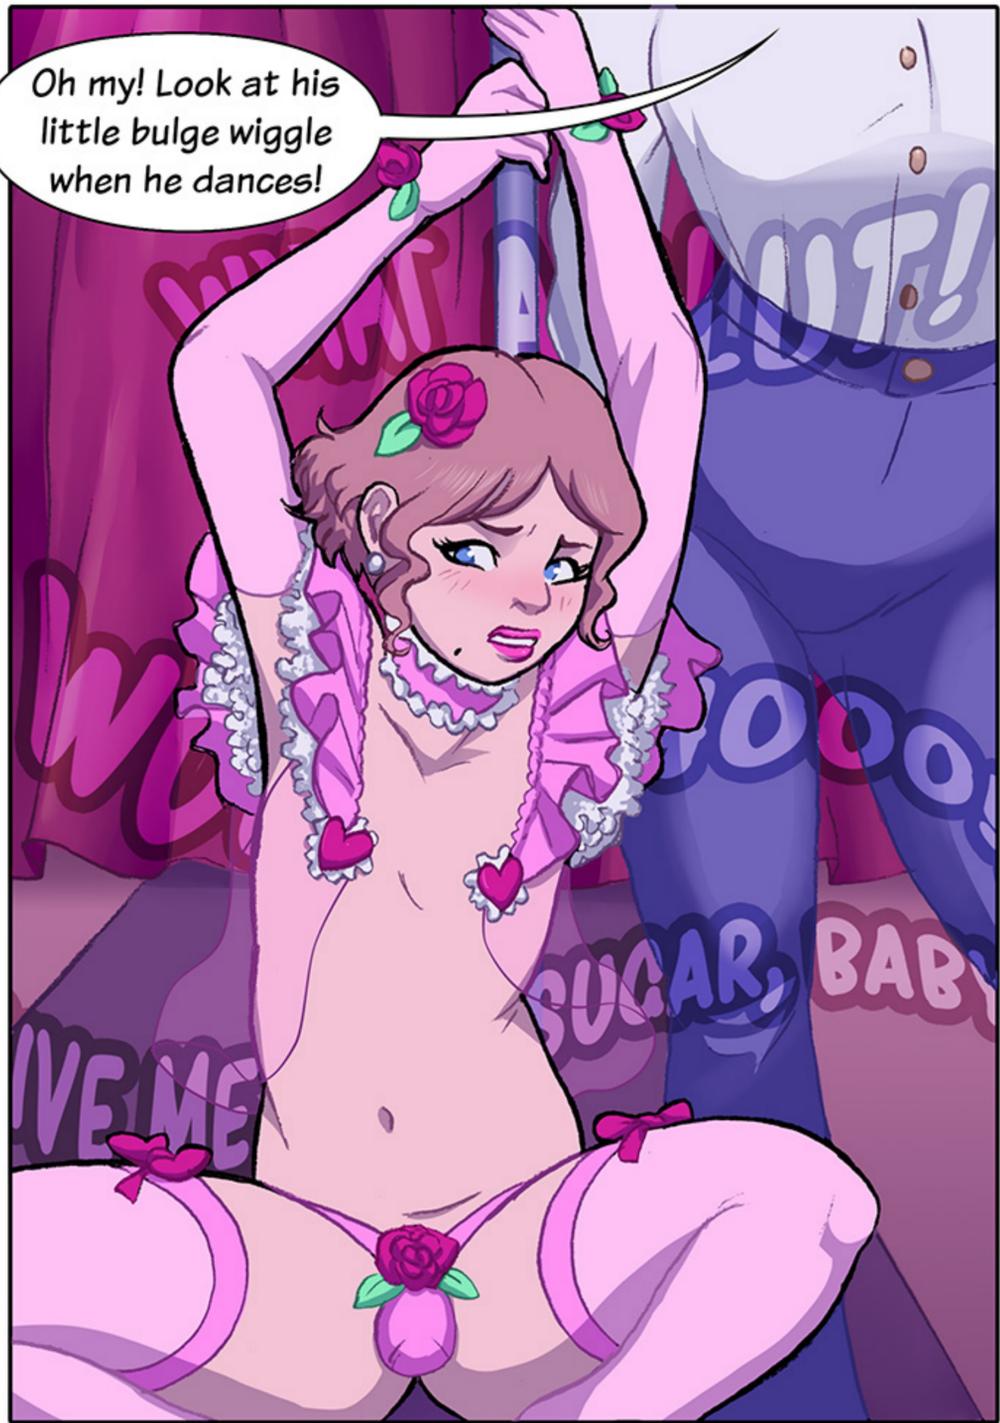

Ouch!

CRACK

CRACK!

You need to learn how to make love to that pole!

Oh my! Look at his little bulge wiggle when he dances!

Yeah... that's it. You're a natural!

Now slide up and down... slowly!

Mmm... that little ass is begging to get fucked!

You'd love it if that pole were a FAT COCK, right, Pixie?!

OK, ladies! who wants the first lap dance?

Oh, me!
Me!

Get over there, Pixie!
And make it very sexy!

Swish that ass
more when you
walk, slut!

You have to look
slutty at all times
in the club!

I'm ready for
my private
show, bitch!

Wow, you're
really good at
this, Pixie!

Yeah, he's a na-
tural WHORE!

This is fun and all, but this is a strip club. Let's see what's under those little pink panties!

YEAH!
Show us some SKIN, Pixie!

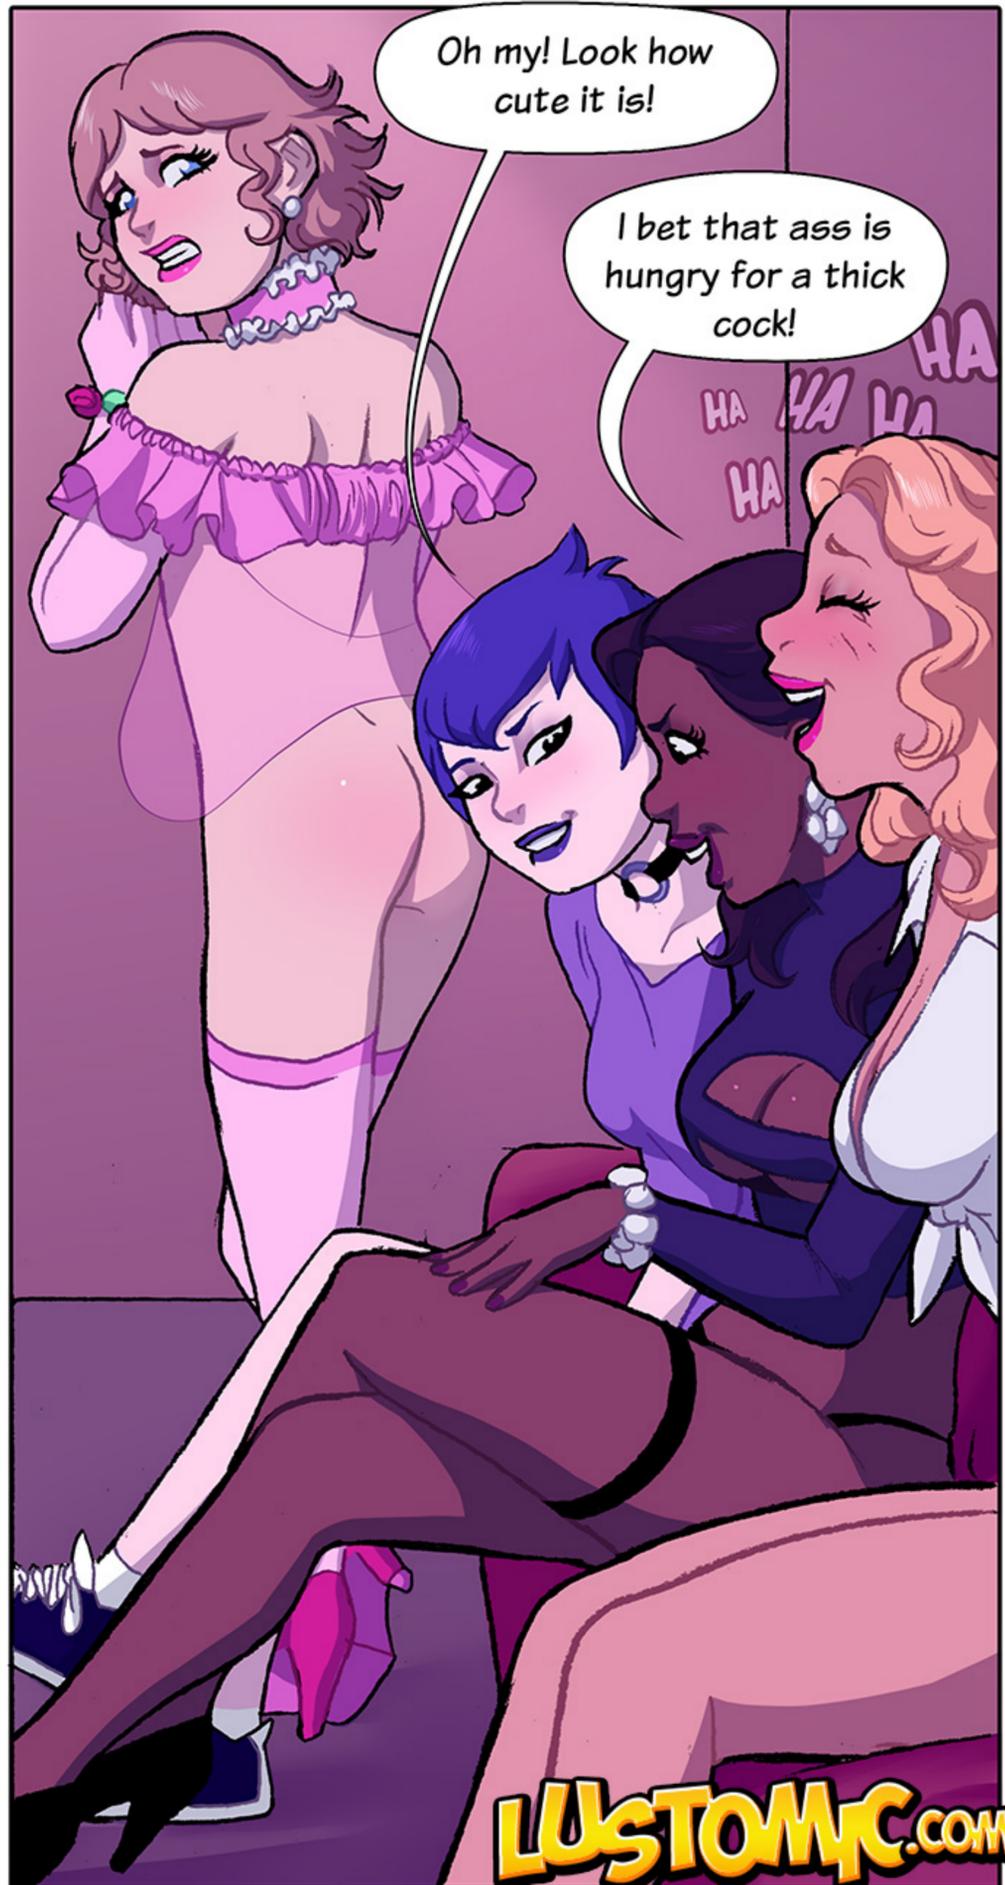

W-What!?

No way!
I won't do that!

You won't do that? Do I need to call the cops? I'd imagine the boys at the county jail would love to see you all dressed up tonight!

S-sorry...

Oh my! Look how cute it is!

I bet that ass is hungry for a thick cock!

HA HA HA
HA HA HA

That's better. Good girl!

You have a cute ass, Pixie, but not sexy enough.

Something's missing... Oh, I know!

I bet it would look a hundred times better if it was a little...

REDDER!!

AAWWWKK!!!

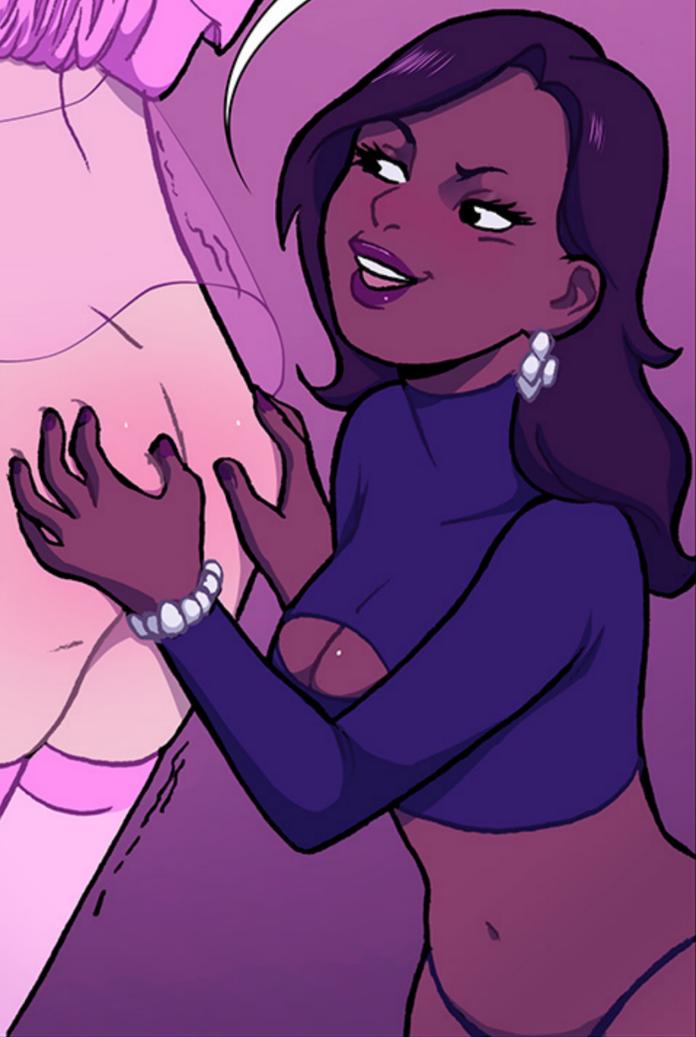

Oh my...!

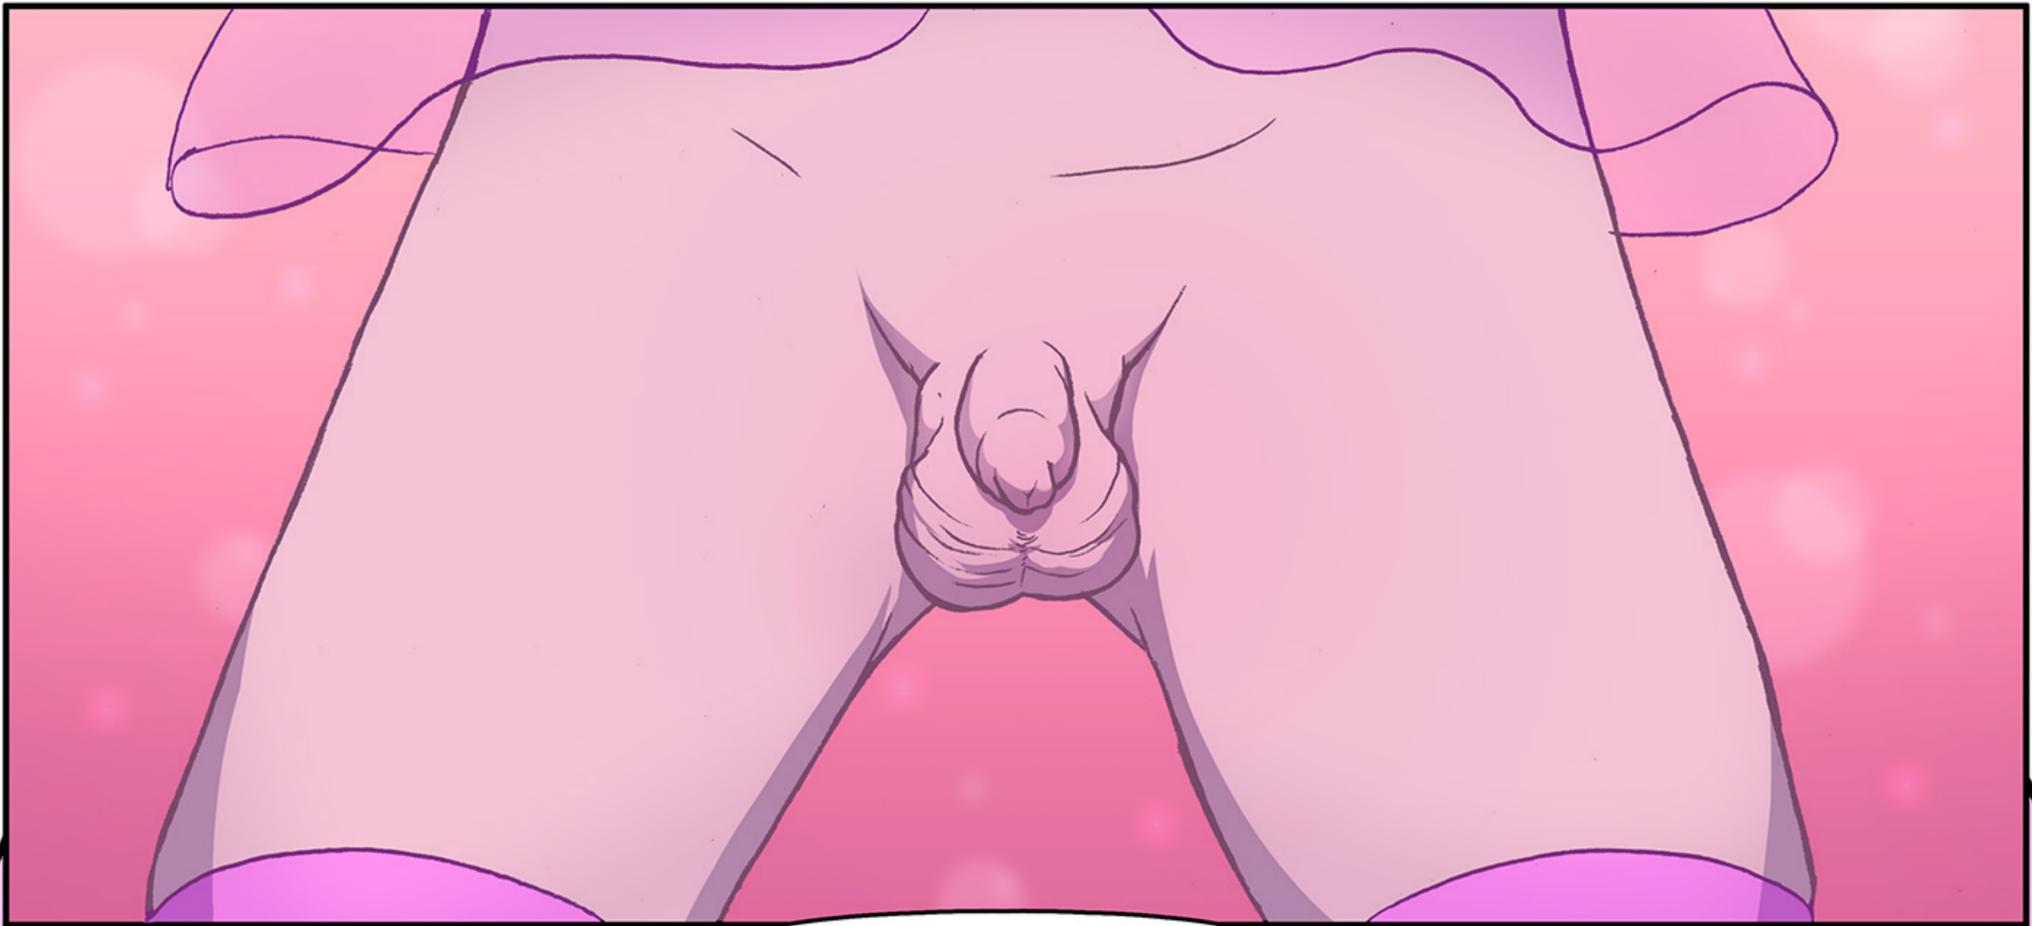

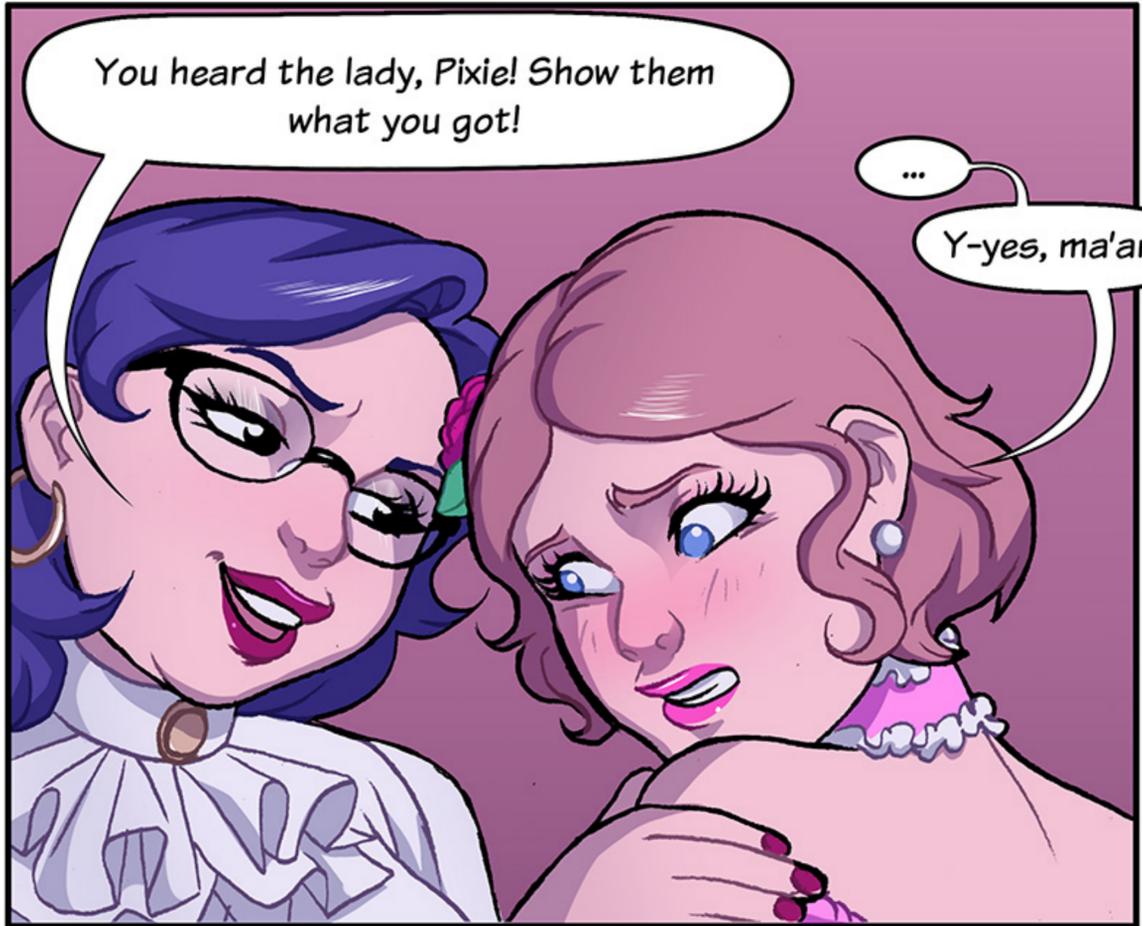

Just look how his ass jiggles when I spank it!

Those rosy pink cheeks suit you, baby!

Oh yeah they do. You can't go around strutting that ass and expect it not to get spanked, doll!

Anyway, I think that's enough.

Come on, girls! You're making it shrivel up even more.

Stop scaring little Pixie!

HAHAHAHA!!

Ha ha ha! He's scared of girls! OMG!

I'd be scared of girls too if I had that little nub between my legs.

Anyway, I guess we have no use for that thing. Get down on all fours and show me that ass, you little whore!

I'm not... I...

NOW, BITCH!!!!

Y-yes, miss!

Hey, Cherry. Pass me the lube in my purse.

L-like this?

Closer... I wanna see that pretty pink ass of yours!

AAAAAIIIIIEEEEEEE!!!

Am I close enou--

Don't be such a drama queen! It's just a four-inch heel!

I wonder if your dick is even that long when it's hard!

What the fuck are you waiting for, bitch? Let me see you ride my heel!

R-ride?! W-what does that mean?

Wow, you really are a stupid ho! Listen closely, slut...

Rock forward a little... just until you feel the tip about to pop out...

...Then rock back on it... squeeze those ass muscles and let it slide all the way inside.

OMG, girls! I think he's actually starting to get a hard-on! I think it twitched a little anyway.

Aahhh... *Oohhh...* *Mmmmm...* *Y-yess...*

Oh My GOSH!

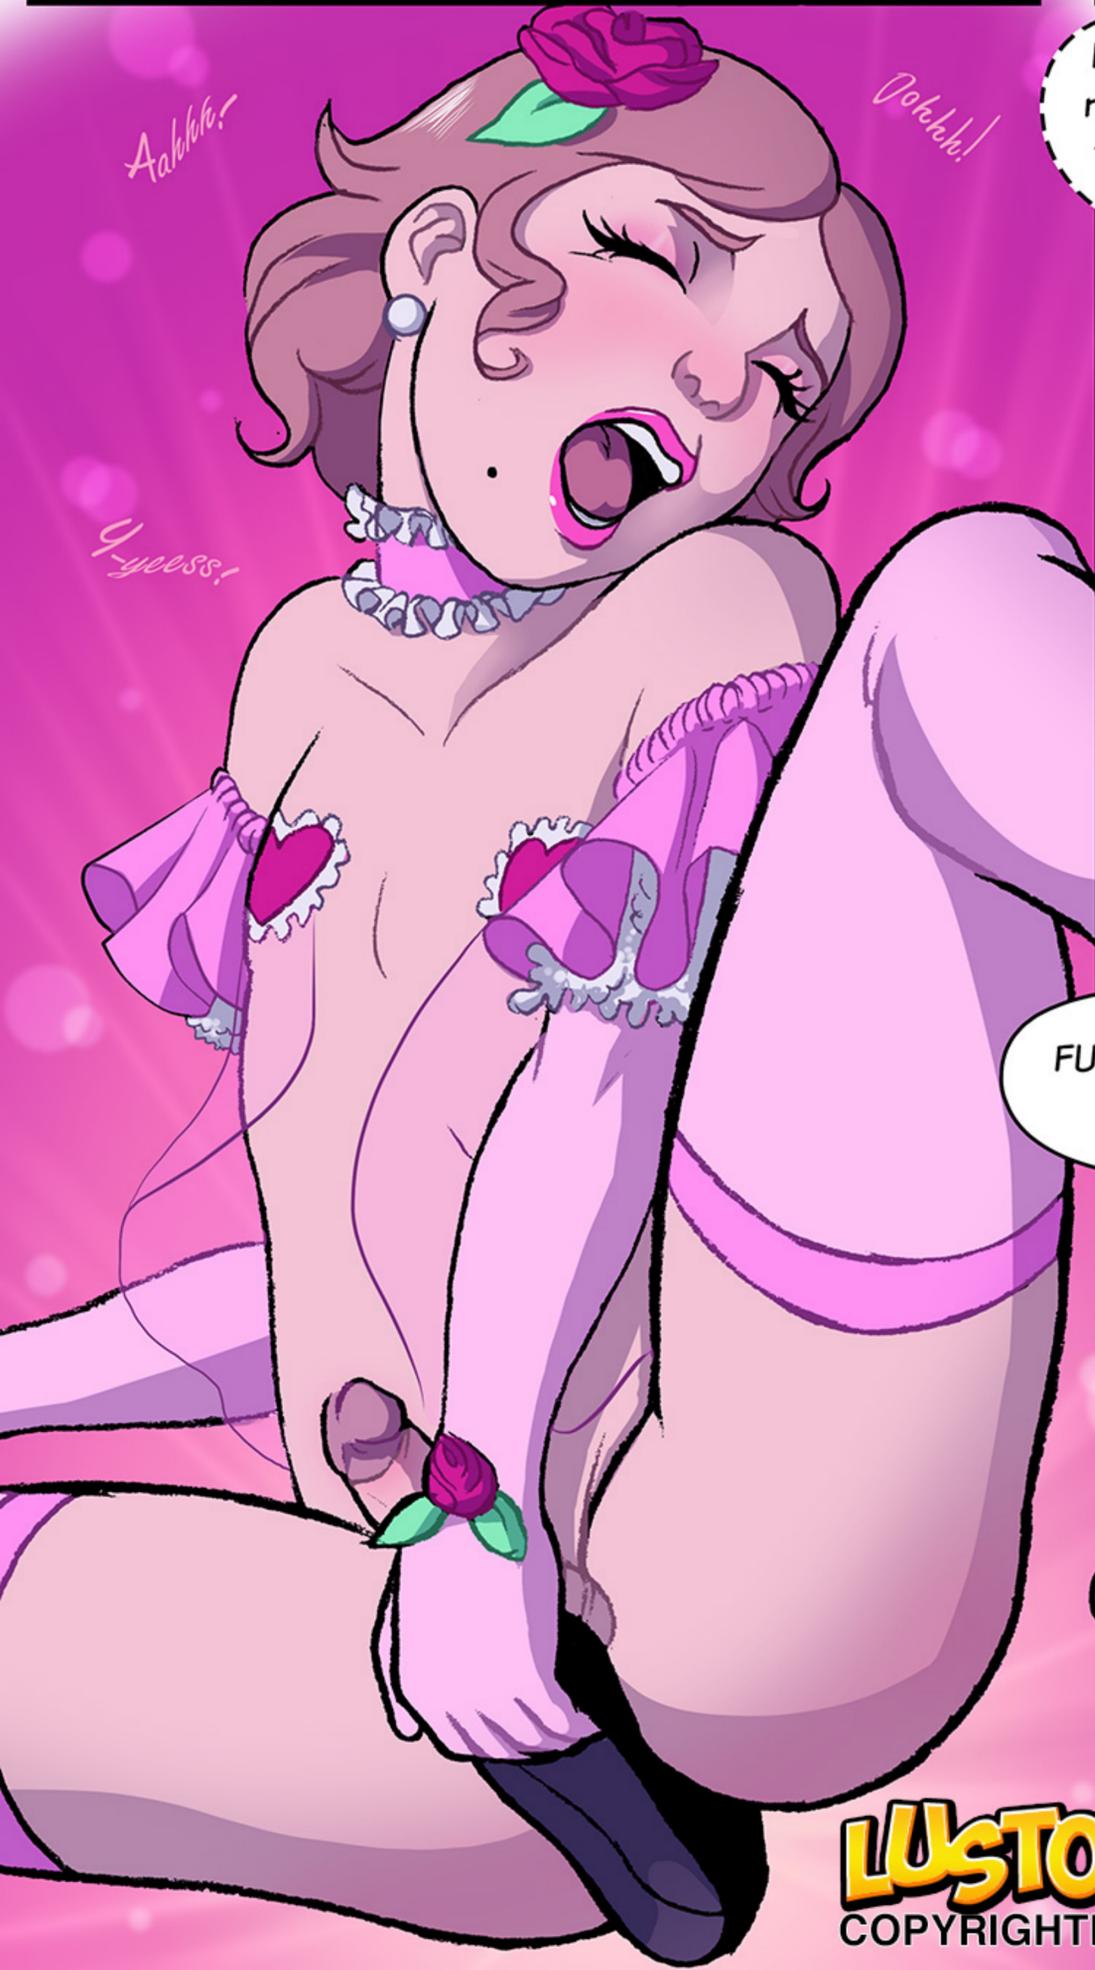

This is so fuckin' **HOT!**

Aahhh... *Oohhh...* *Mmmmm...* *Y-yess...* *O-deeper...* *Y-yess...*

Doesn't matter.

Keep fucking your ass with it, Pixie! You're here to entertain us!

I'm so HORNY right now! If it weren't for the girls bein' here, I'd... I...

FUCK IT! I wanna have some fun too!

Cherry! What the fuck are you doing?
We're supposed to be punishing this guy,
not giving him a free titty show!

God, I hate it when you
get drunk! And get
your hands off my
purse!

Come ON! I just wanna have
some FUN with our new
doll... COOL, handcuffs!

Let her be, Jade.
She just wants to
play!

Besides, now she'll stop hogging
all the drinks. Do you want some
wine, Lila?

Yummy!

Go to the pole, DOLL.
And DON'T make me
say it twice!

Y-yes,
Miss!

TA-DAH!

Don't be
scared, baby.

I'm just gonna
reward ya for
bein' such a
GOOD BITCH!

What do we have HERE? Looks more like a baby chick than a COCK! He he he. Don't worry, mommy's gonna make it nice and warm...

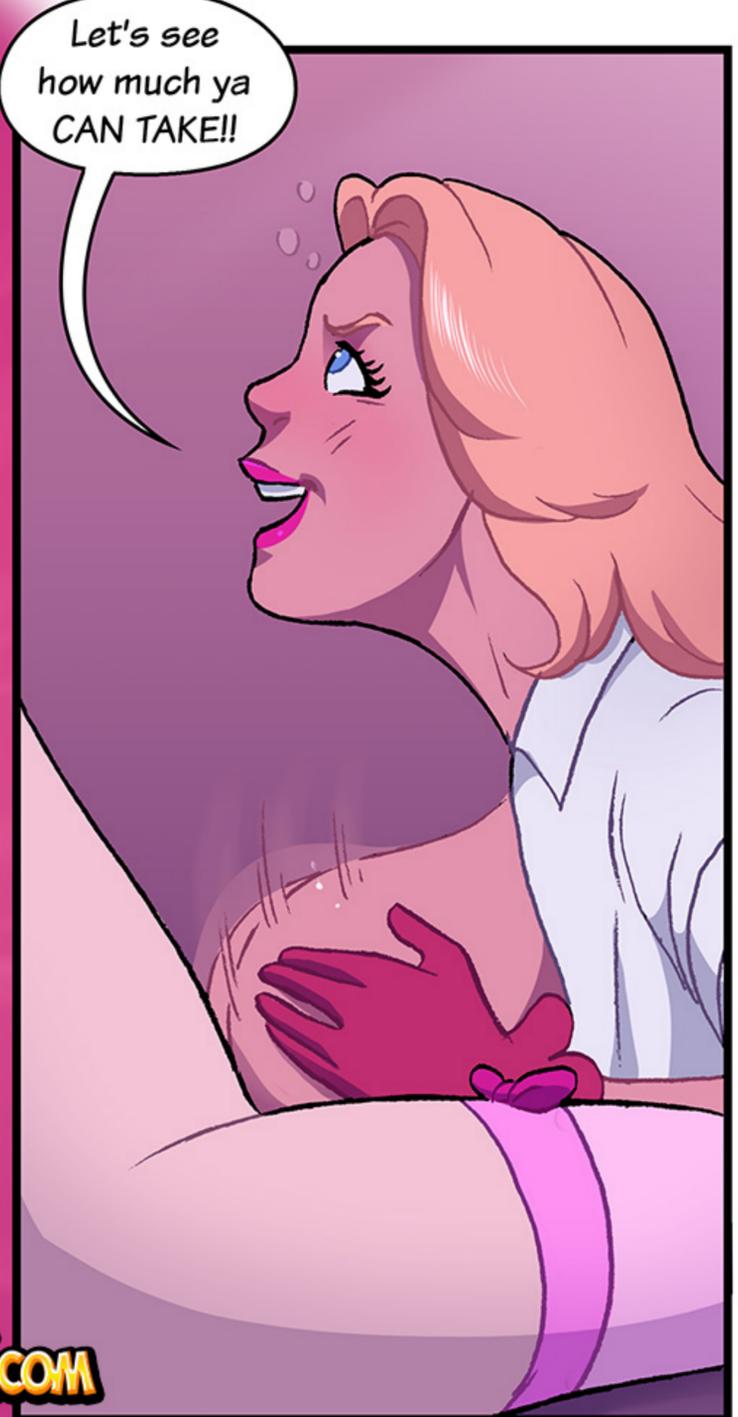

Hahaha!
It's so SMALL it got lost between my BOOBS!

You like that, huh? I BET ya do!

I usually play with cock much much bigger than your little nipple... but it's so cute!

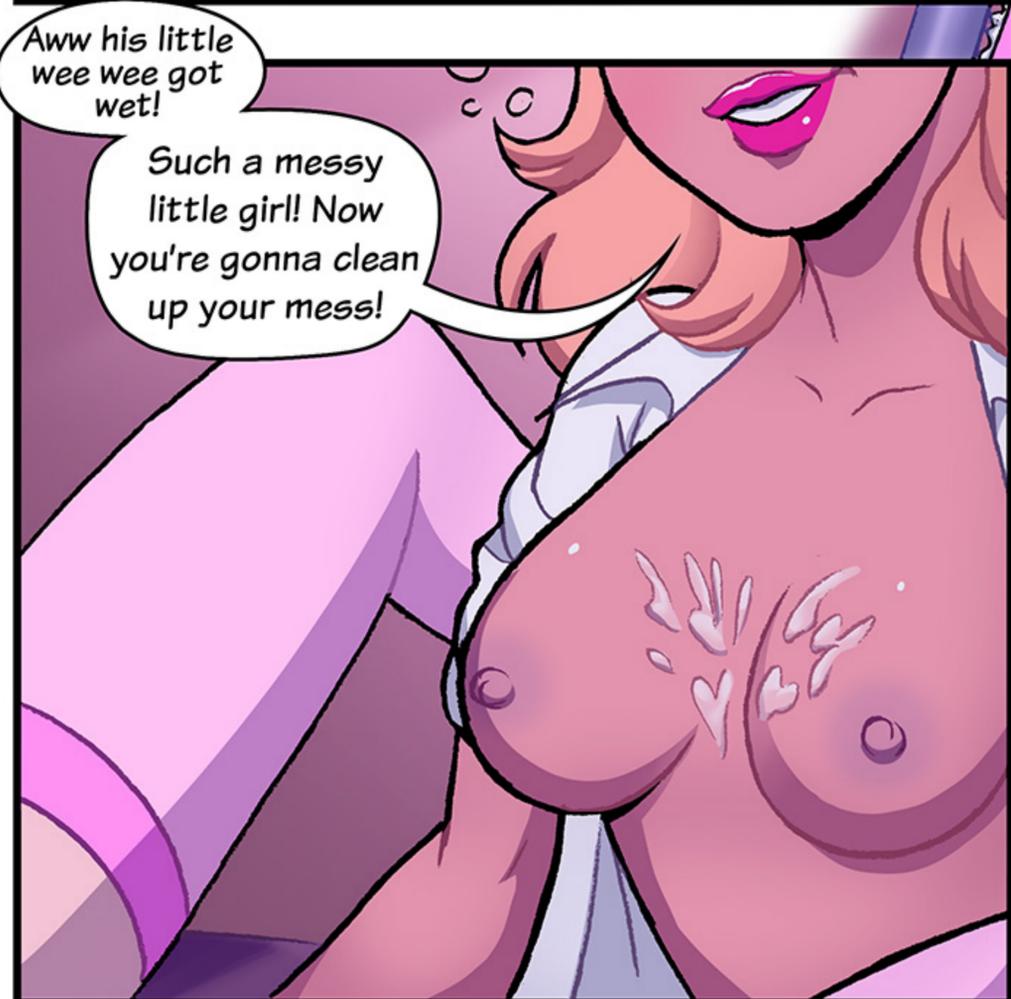

Let's see how much ya CAN TAKE!!

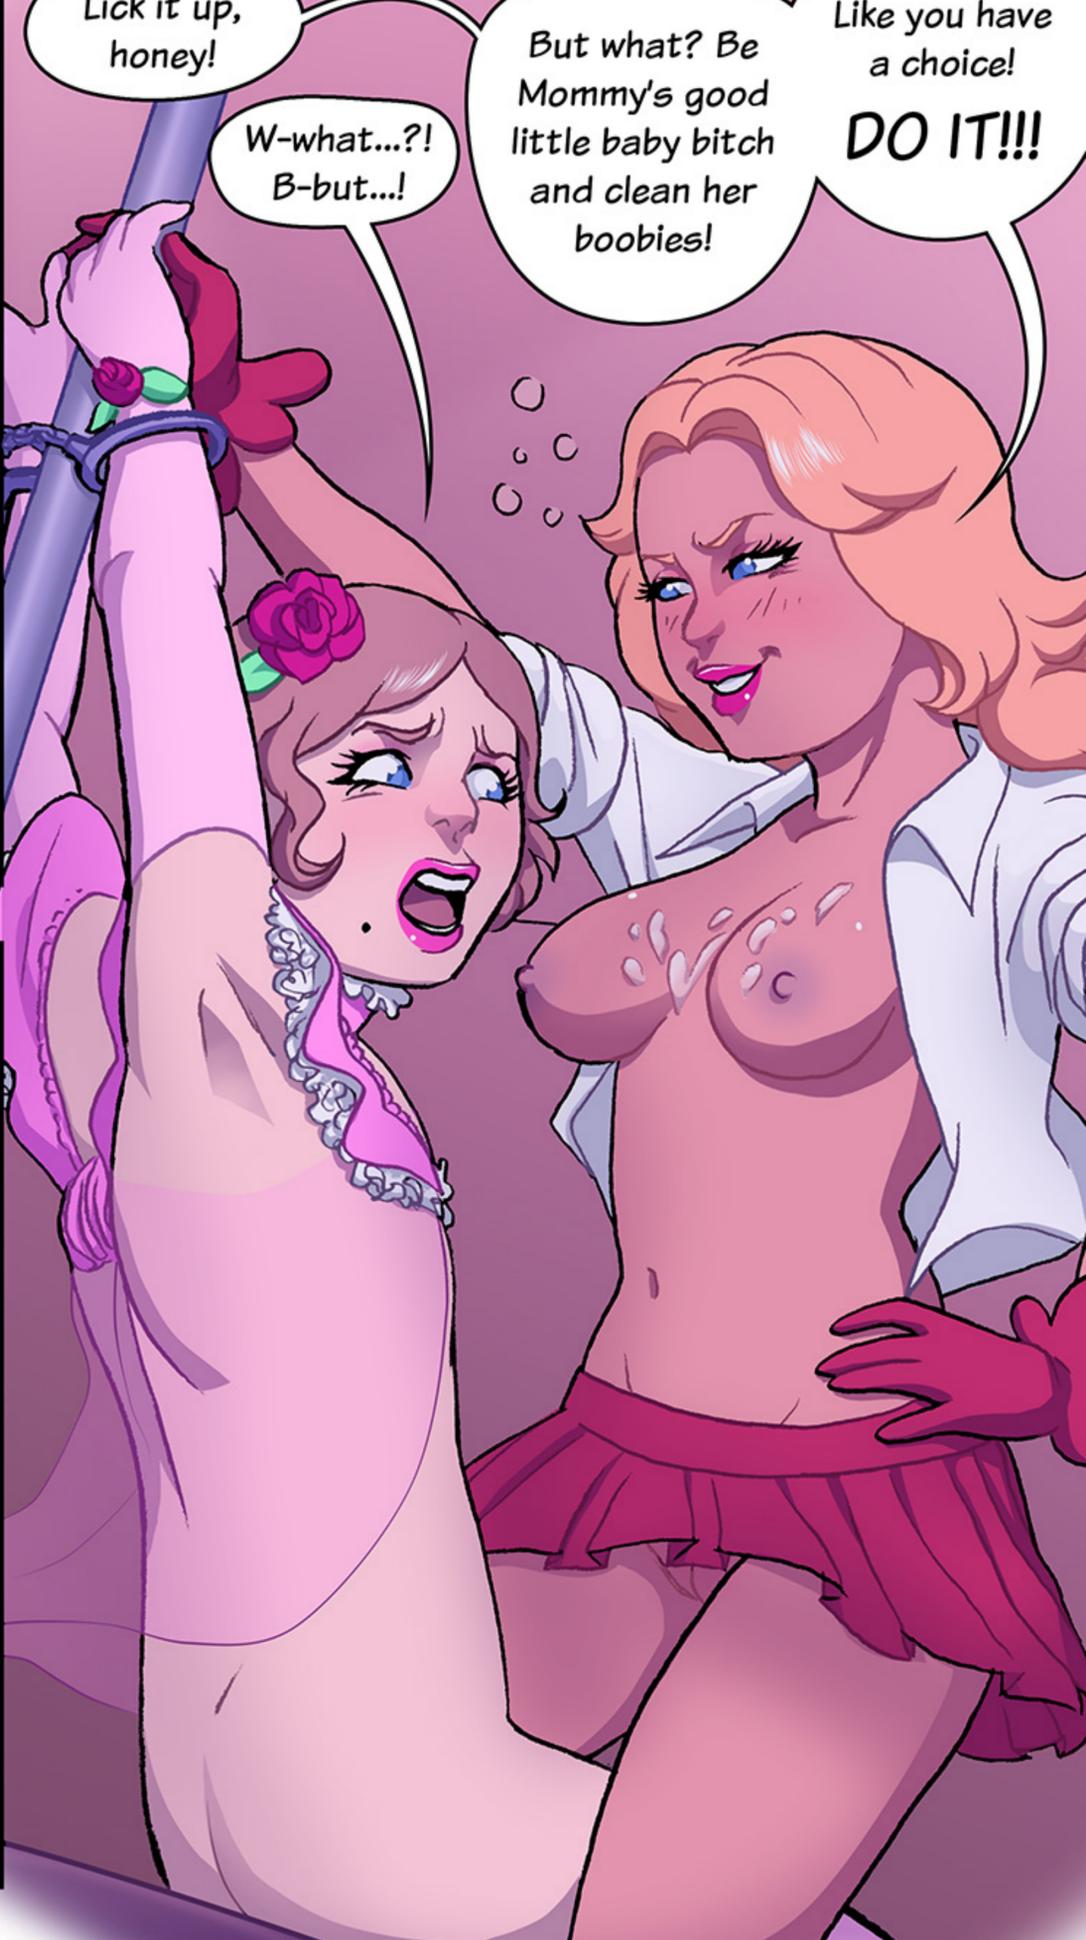

Uh-oh...

Did you... OMG, you did! I could barely feel it!

Aww his little wee wee got wet!

Such a messy little girl! Now you're gonna clean up your mess!

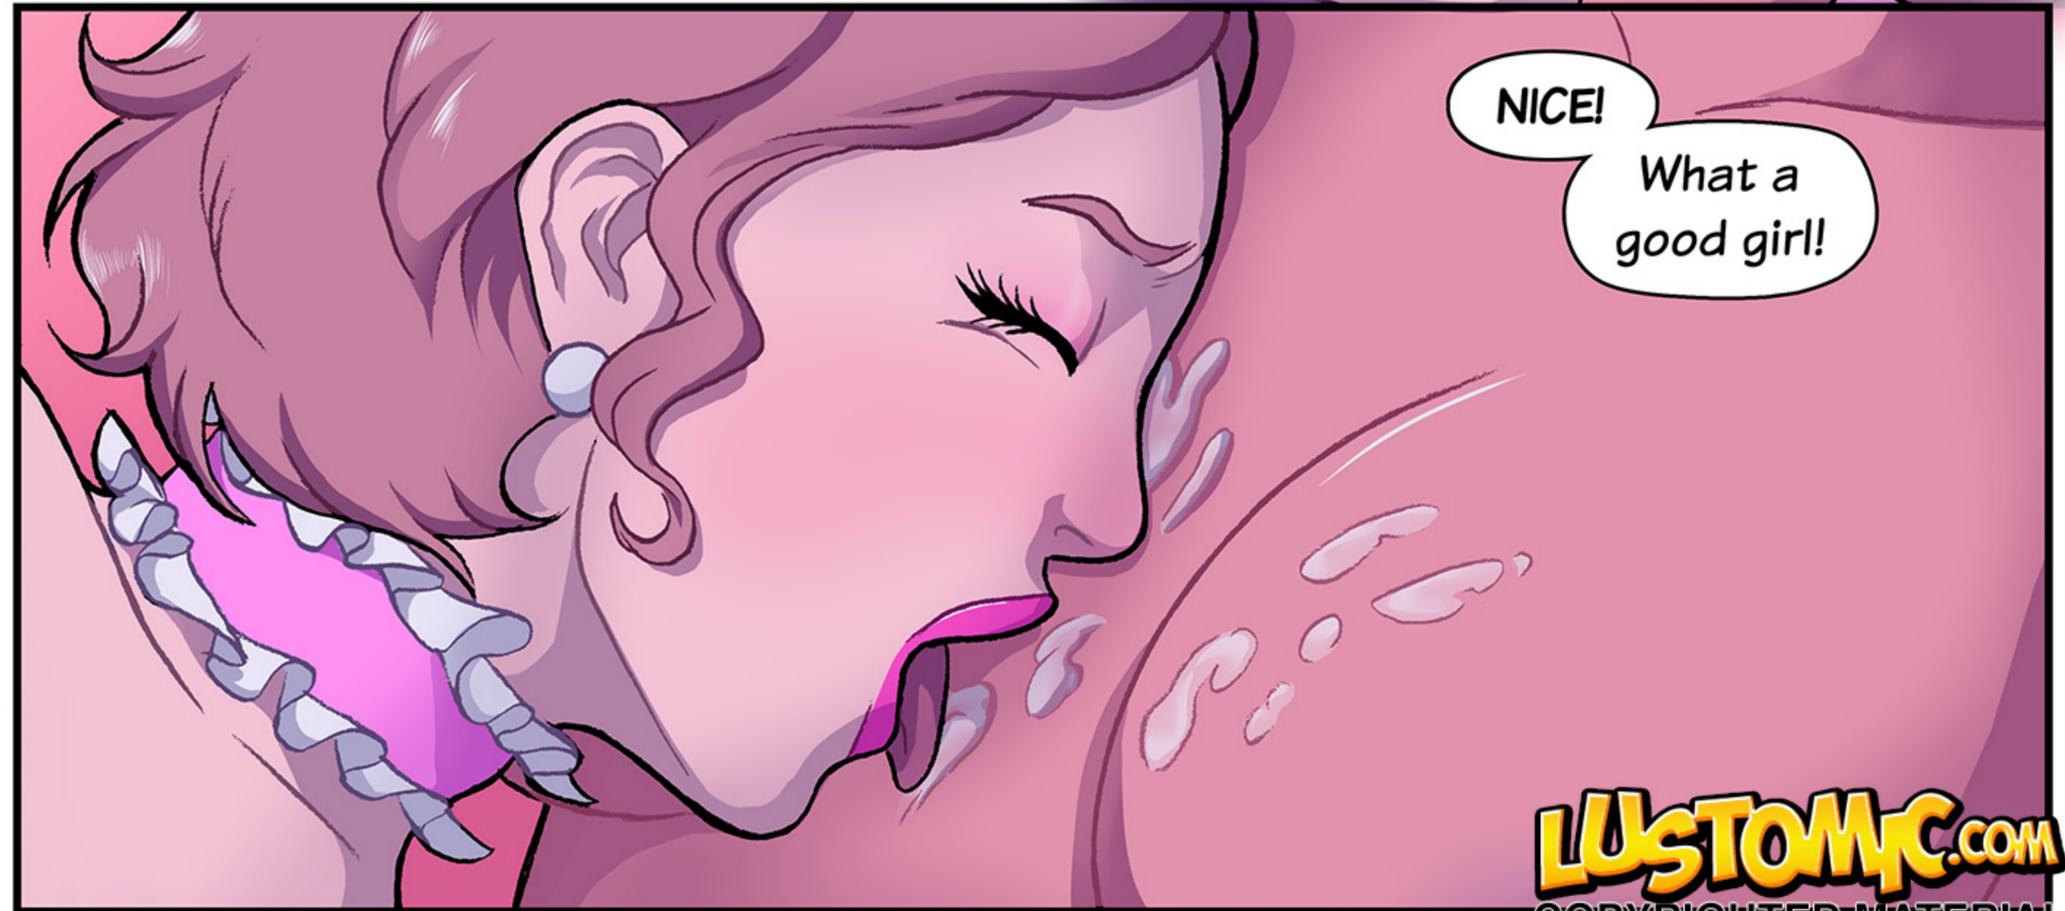

Lick it up, honey!

W-what...?! B-but...!

But what? Be Mommy's good little baby bitch and clean her boobies!

Like you have a choice!
DO IT!!!

NICE!

What a good girl!

That wasn't so bad, was it?

You even got to suck on my tits, baby doll!

OK, ladies... who's next? Who's drinking?

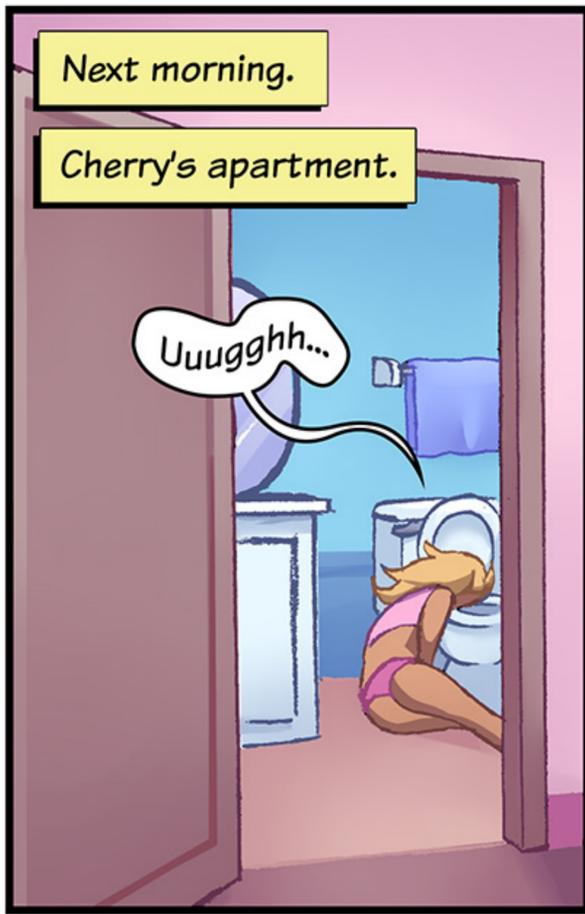

Come ON, I don't want to be the only one partying!

The night is young, so...

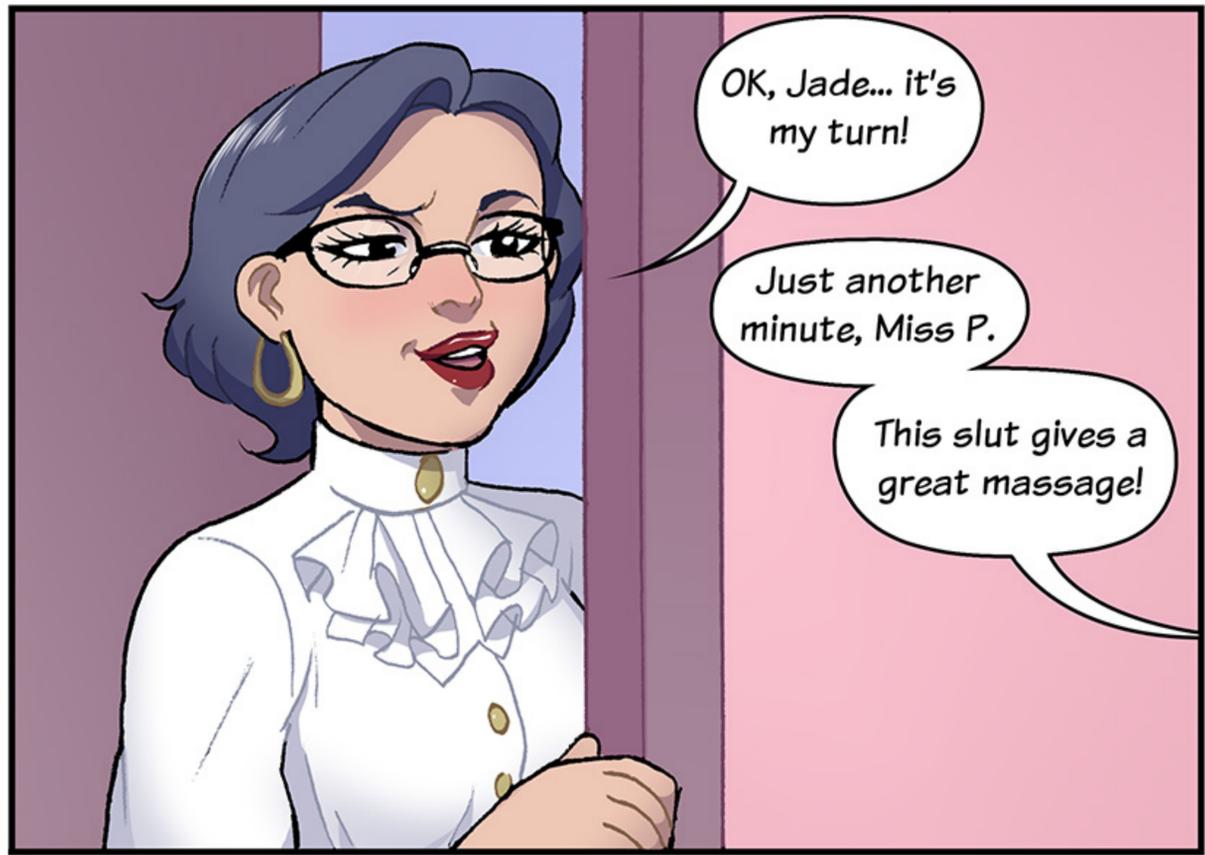

GET ME ANOTHER DRINK!!

A BIG ONE!!

I hope she gets better soon...

OK, Jade... it's my turn!

Just another minute, Miss P.

This slut gives a great massage!

More ice cream, Pixie!

Right away, Miss Lila!

Hey, slut! Did I say you could stop? Get back to work!
