IN ECSTACY.

Ray's job was fairly easy and comfortable. Not many people actually like working at an office, especially one with a somewhat formal dress code. He loved it, though.

His coworkers were beautiful and the outfits fit them nicely, but there was something else. The heels. All the women in the office would wear gorgeous heels that showcased the perfection and beauty of their feet. Ray was a man that enjoyed the sight of beautiful feet, but he was subtle and good at hiding it. Or so he thought.

To Rays good fortune, most of the people at the office were women. Walking in heels all day would naturally make them want a break from it, so they would often take their shoes off during long meetings and in their break room. Ray would catch glimpses of them, but he got bold and careless with time, outright staring at them with decreasing subtlety.

Things started to change during a meeting, when Kara, one of his coworkers, asked them if it was okay for her to finish the presentation barefoot because her feet were killing her.

“I went hiking on the weekend, so I’m not fully back to normal,” she said.

“I know what you mean,” Jess chipped in, “I went hiking last month with my boyfriend and his family, and my feet were destroyed!”

“Ugh, I know. So, none of your mind?”

Kara looked around and saw supporting faces all around the room. Ray was really excited, but he was able to pretend that he was just being a supportive coworker. After confirming that everyone was okay with it, the woman took her heels off with a soft moan and wiggled her toes on the soft carpet. She sighed with relief while Ray focused on her perfect feet.

The woman had the whole package. She was tall and curvaceous, but her business attire kept everything hidden. Instead of hindering her attractiveness, it boosted it. She was a brunette with short hair, which also complimented her brown eyes. Ray had the chance to take glances at her feet in the past, but nothing like this.

The woman’s toes wiggled in a mesmerising way, ten small rubies going up and down on the grey carpet in an otherwise gray landscape. Ray had to stifle a moan of his own to avoid getting caught. He lifted his eyes and noticed that Kara was looking at him with a half-smile on her face.

“Better?” he asked, trying to act normal.

“Very! Let’s continue.”

The woman continued with the presentation, pacing left to right with her heels out of the way. Ray was glued to her legs, ankles, and feet, slowly alternating between them. He could feel his pants getting tighter because of an erection, but he couldn’t do anything about it for now.

Kara finished her presentation and the meeting was over. The man quickly exited the conference room and went to the bathroom, craving the privacy of a stall. He unzipped his pants and whipped out his cock, which was already dripping precum in his underwear.

Unbeknownst to him, a small and secret reunion took place in one of the offices on the same floor. Kara called for it after witnessing Ray’s behavior

during the meeting. The ones present were Kara, Mandy, and Jess. Mandy was a somewhat shy and petite woman with slightly darker hair than Kara. Jess, on the other hand, was a tall blonde, more on the assertive side.

“Have you noticed anything funny about Ray?” Kara asked.

“What do you mean?” Mandy asked.

“I’m not sure,” Jess intervened, “but he gives me weird vibes.”

“Mhm. I was asking because I noticed something funny during my presentation.”

The other two women got closer together as if they were about to be told a secret.

“He couldn’t stop staring at my feet after I took my shoes off. And I’m talking the whole meeting.”

“No way!” Mandy said, surprised.

“I told you,” Jess said, “I didn’t know what it was, but there was something about him...”

Back in the bathroom stall, Ray was moaning loudly, thinking about Kara’s gorgeous feet and her impeccably painted toes wiggling on the carpet. He let out an immense amount of cum, which always happened when he jerked off thinking about feet. He sighed and smiled to himself, thinking about how lucky he was to be in the front row of that free show.

Ray didn’t know that it was at that exact time when the three women decided to have some fun with him.

“Let’s tease him and see where it goes,” Kara said.

“I’m in,” Jess nodded.

“I don’t know,” Mandy said. “I’m not sure how to do it.”

“It’s okay, we’ll coach you if you need help. Come on, it’ll be fun.”

“Fine,” Mandy said with a laugh. “Why not?”

They waited a few days to enact their plan so it wouldn't be too obvious. The goal was to tease Ray and see how he responded to their actions. Neither of them imagined that the conclusion would be the most intense experience of their lives.

Kara took the lead and put their plan in motion. She dropped by Ray's office to ask for his help. She knocked on the door, which was ajar.

"Come in," Ray said without looking away from his computer.

"Hi, I was wondering if you could help me."

Ray looked at Kara as she entered his office and sat in front of his desk.

"Yeah, for sure. How can I help you?"

"There's this thing about the spreadsheets that confuses me, and I need to sort it out for some reports due today."

It was all bullshit, of course. What Kara wanted was to be alone with him.

"I see. Roll over here so I can show you how to do it," he said.

The woman rolled the office chair next to the man and they both focused on the computer screen while he clicked here and there. Kara faked interest as if she was taking mental notes. She intentionally picked something that was lengthy and complicated to explain, and she sneakily loosened up her shoe on one foot and let it hang from her toes. The rest of her beautiful foot was revealed—her soft skin, pronounced arch, pale ankle...

Kara smiled when she noticed that Ray glanced at her feet. It was a quick one, but he definitely picked up on it. She wanted to take it off and walk barefoot in front of him, but she needed to keep things subtle. She glanced at his crotch and smiled to herself when she noticed that he was getting hard.

“Thank you so much for this,” she said while dangling the heel on her toes.
“You’re a lifesaver.”

“No problem. I’m happy to help, so don’t think twice about coming over again if you need anything.”

His voice had a different tone at the end of the invitation. Almost flirty, but not quite there.

“Oh, I’ll probably come around more often, then. Thanks again.”

Kara put on her heels correctly and walked out of Ray's office, leaving the door almost closed, as she found it.

“Fuck,” Ray muttered to himself.

He was a little confused because Kara never behaved like that before, but it was a nice change of pace. He looked at how his pants tightened because of his hard cock and shook his head before going back to work.

Kara couldn’t wait to tell her friends about it. Jess was laughing out loud while Mandy covered her mouth with one hand.

“Is that what I have to do?” Mandy asked.

“Maybe you can do something more daring,” Kara said.

“In fact, you’re the next one on stage,” Jess added. “It’s going to be a good way to get rid of that shyness of yours.”

“But I don’t know how to be confident like you guys!”

“That’s fine. Pretend you’re an actress doing a part. It’ll come to you.”

They agreed to wait until the next day for Mandy to go for it. She couldn’t sleep well enough that night, but she was committed to seeing this thing to the end.

Mandy walked into Ray’s office the next day, acting as carefree as possible while holding a plastic bag.

“Hi, Ray. Are you busy?”

“Just the usual. How can I help you?”

“Do you mind if I close the door?”

The man arched an eyebrow and nodded.

“Thank you. I wanted to ask for your opinion as a guy. I don’t have a lot of male friends so I thought that maybe you could help me.”

“Sure, go for it.”

The woman pulled out a pair of beautiful red heels from the plastic bag and placed them on the floor.

“I want to know if these look good on me. It was an impulse buy and I don’t know if I should return them or not.”

Ray noticed his heartbeat going faster. Mandy was a shy and petite woman that usually acted reserved. He knew that she was friends with Kara, but didn’t suspect anything yet.

The petite woman took her shoes off and put the red ones on, deliberately doing everything slowly and sensually. Ray stifled a moan as the small feet went into the red heels and she stood up to walk around in front of him. She modelled for him, and he felt that he was the luckiest man in the world. He would be really soon.

“What do you think?” she asked.

“You look wonderful in those. Walk around a bit more.”

She did as the man wanted, prolonging the show. The shiny red heels were elegant and daring, and Mandy got more confident as time went by. She sat back down and took them off.

“I say keep them.”

“I think I will.”

She walked around his office completely barefoot, slowly pacing back and forth.

“I hope you don’t mind if I stretch a little. These were tight so my feet feel a bit sore now.”

“I don’t mind at all.”

No more words were exchanged. His cock was furious under his clothes, pulsating and ready to burst at any given second without even touching it. The petite woman walked around his office, looking at the things on his desk and the art on the walls. He was mesmerised by her feet and wondered what color would suit her since her toes weren’t painted.

“Duty calls,” she said. “I need to get back to work.”

“You’re welcome here whenever you feel like... stretching your feet again.”

The woman giggled and left the office. He took his cock out and beat it while closing his eyes. The memory was still fresh on his mind: those beautiful small feet dancing in front of him.

He cleaned up after he orgasmed and went back to work, but he was unable to focus anymore. His mind kept going back to Kara and now Mandy. He didn’t know what he did, but he was so thankful for it.

Mandy rushed to her friends to tell them what happened.

“Did he like it?” Jess asked.

“I’m not sure but I think he was hard,” Mandy said.

They all broke out in laughter.

“I’m not surprised,” Kara said. “That man has a fixation with our feet.”

“We should take it to the next step,” Jess said.

“Like what?” asked Mandy. “He already stared at mine a lot!”

“Don’t be silly. There’s a lot more that we can do, and this is getting fun.”

Kara started it, but Jess was the one who suggested taking it to the next level.

“I say we invite him to a party,” Jess said.

“Which party?” Kara was confused but intrigued.

“The one that we’ll organize and that will consist of only us!”

Mandy was unsure and nervous, but wearing the red heels in Ray’s office and then acting boldly with him gave her more confidence, so she also agreed. The party would take place in Kara’s apartment that Sunday.

Since Kara was going to be the host, she casually invited Ray for a small party, just the three women and him. He accepted, intrigued.

Sunday came along faster than expected. The three friends were at Kara’s apartment with everything ready: music, snacks, and drinks. A knock on the door announced that Ray had arrived.

“Early bird, huh?” Kara asked when she opened the door.

“I like to arrive on time,” he said with a smile. “And I brought some stuff.”

He raised his hands to show the plastic bags with beer and more snacks.

“Come on in. You can put those in the fridge.”

Ray walked into her apartment and was greeted by the other two girls. They were setting things up since it was early.

Even though all of them worked together and interacted plenty in the past, they never socialised outside of the office. Sure, the girls took things further after they suspected that he liked feet, but they were never too close. The party would get them closer than any of them would have expected, though.

They got more comfortable with each other after a couple of drinks, and even Mandy was more outgoing. Things were progressing nicely, but it was time to get to the meat of it and Kara was the one to set things in motion.

“Truth or dare,” she asked Ray.

“Truth,” he fired back without hesitation.

“Are you into feet?”

The silence was absolute and you could cut the tension with a knife. Ray laughed and nodded, to the surprise of no one.

“That’s what we thought,” Kara said.

“We? All of you knew?”

The three friends nodded, but Mandy averted his eyes. She was still a little embarrassed about showing him her feet when she modelled the red heels for him.

“It’s your turn,” Jess said.

“Yeah. All right, truth or dare? All three of you.”

“Dare,” Jess replied before anyone else had a chance to say anything.

“Take off your shoes.”

Ray was so excited that he could barely contain himself. They knew about their fetish and they had been teasing him, so he figured that maybe they’d be open to giving him another private show, but now all three of them at the same time.

“Pfft, you could have dared us to do so much more,” Kara teased him.

The three friends took off their shoes and threw them behind the couch. Kara and Jess stretched their legs and toes while Mandy kept them mostly immobile. Kara’s bright red toes were as sublime as the first time he saw

them, and Jess was sporting a bright purple that went well with her outfit. Mandy didn't have nail polish on hers, but the natural look was just as beautiful.

As they expected, the man was overjoyed.

"Truth or dare?" Kara asked. "And trust me, you want to pick dare."

"Dare it is."

"There's a cloth in that cabinet," Kara said while pointing at it. "Grab it, come back here, and cover your eyes with it."

"That doesn't sound too hard."

"It's not meant to be."

Kara's seductive voice convinced Ray, who went to the cabinet and blindfolded himself after he went back to the girls. With his sight gone, he could feel the rest of his senses sharpening.

"Come to me. Follow the sound of my voice," Kara said.

Ray crawled in the direction of the sound until his hands touched something. It was the woman's feet. Every fibre of his being wanted to enjoy that beautiful pair of feet, but he hesitated, unsure if he was crossing a boundary or not.

"Since you can't see them," Kara said, "would you like to use your other senses?"

The man didn't need to hear more. He quickly grabbed her feet and buried his face in them, sniffing deeply and filling his nostrils with her smell. He massaged them slowly, feeling the curves and even the veins with his fingertips. Needless to say, his cock was already rock solid.

"Use your mouth," Jess added.

He kissed them first, brushing her toes with his lips. He couldn't see them, but he knew that his adored rubies were there, right in front of him. Unable to contain himself any longer, he opened his mouth and wrapped his lips

around her big toe. The man sucked on it, careful not to tickle her. Her skin was soft and he could feel how she reacted to his loving ritual, with small movements and giggles.

“You have more of us to take care of,” Jess said with a smirk.

Following the sound of her voice, Ray went to her and enjoyed her beautiful feet as well. He sucked on her toes and caressed her arch and soles. Jess was more ticklish than Kara, but he didn’t care about the movement and laughing, he was having the time of his life.

Mandy was the first one to spot that his pants had a wet circle right on top of his erect cock.

“You’ve been hard for a long time. You must be uncomfortable,” Mandy said, to the surprise of her friends.

“I could use some help with that,” he replied.

“And I’m happy to give it to you.”

The man didn’t move this time. Mandy walked up and sat on the floor close to him.

“Unzip your pants,” she said.

With the speed that only a horny man can achieve, he unzipped his pants and took out his cock in record time. It was the first time that the girls saw it, and it was quite impressive. His tip was still oozing precum and his veins popped and pulsated.

“Don’t move,” Mandy said while she carefully put her feet on his thighs.

Her small and cute feet easily found their way around his cock. She placed them on its sides and gripped it while slowly moving them up and down. It was such a delicate movement.

Ray was a mess of excitement, sweat, and some tears. His cock was extremely sensitive, and he felt like he was drowning in pleasure every time Mandy brushed his tip with her toes.

“Do you have room for more?” Kara asked.

“For two more, to be exact,” Jess added.

“I have room,” Mandy giggled.

Ray couldn't see but he could hear how the women sat in front of him, next to Mandy. One of them rubbed her feet against his thigh while the other one joined Mandy and massaged his cock. It felt too good and he couldn't keep it inside anymore.

“I'm going to cum...” he announced.

His cock spasmed while he came, covering the women's feet with his warm semen. Jess, the one with her feet on his cock along with Mandy, took the opportunity to up things a notch instead of letting him go. She continued giving him a footjob using his cum as lube, jerking his cock around and using her toes and soles to tease the head.

The man gasped and moan as the gorgeous woman punished his cock in the most perfect way. Mandy continued with her delicate movements while Jess furiously jerked him off with her feet, creating an amazing combination that almost made him black out from the pleasure.

Kara, wanting to join in the fun, asked the other two to let her finish him off again. She was the one who started the whole thing anyway. She got the remnants of his cum on her feet and squeezed his cock, alternating fast and harsh movements and soft and sensual ones.

“Cum for me, Ray. You know you want to.”

The man groaned. The pleasure was too much, but his cock was still hard. The second wave of immeasurable pleasure invaded his body and exploded inside of him. His cock shot more cum, getting not only on Kara's feet but also on her ankles and clothes. His angry cock was finally tired and his balls were empty.

Kara took off his blindfold and used the cloth to clean herself.

“That was a lot of cum, Ray.”

He couldn't respond. His mind was jelly and so were his legs, so he simply lay down on the floor to catch his breath. These women were incredible, and he realised that he was the luckiest man in the world. He would never quit his job and lose sight of these girls.
