

RING OUT!

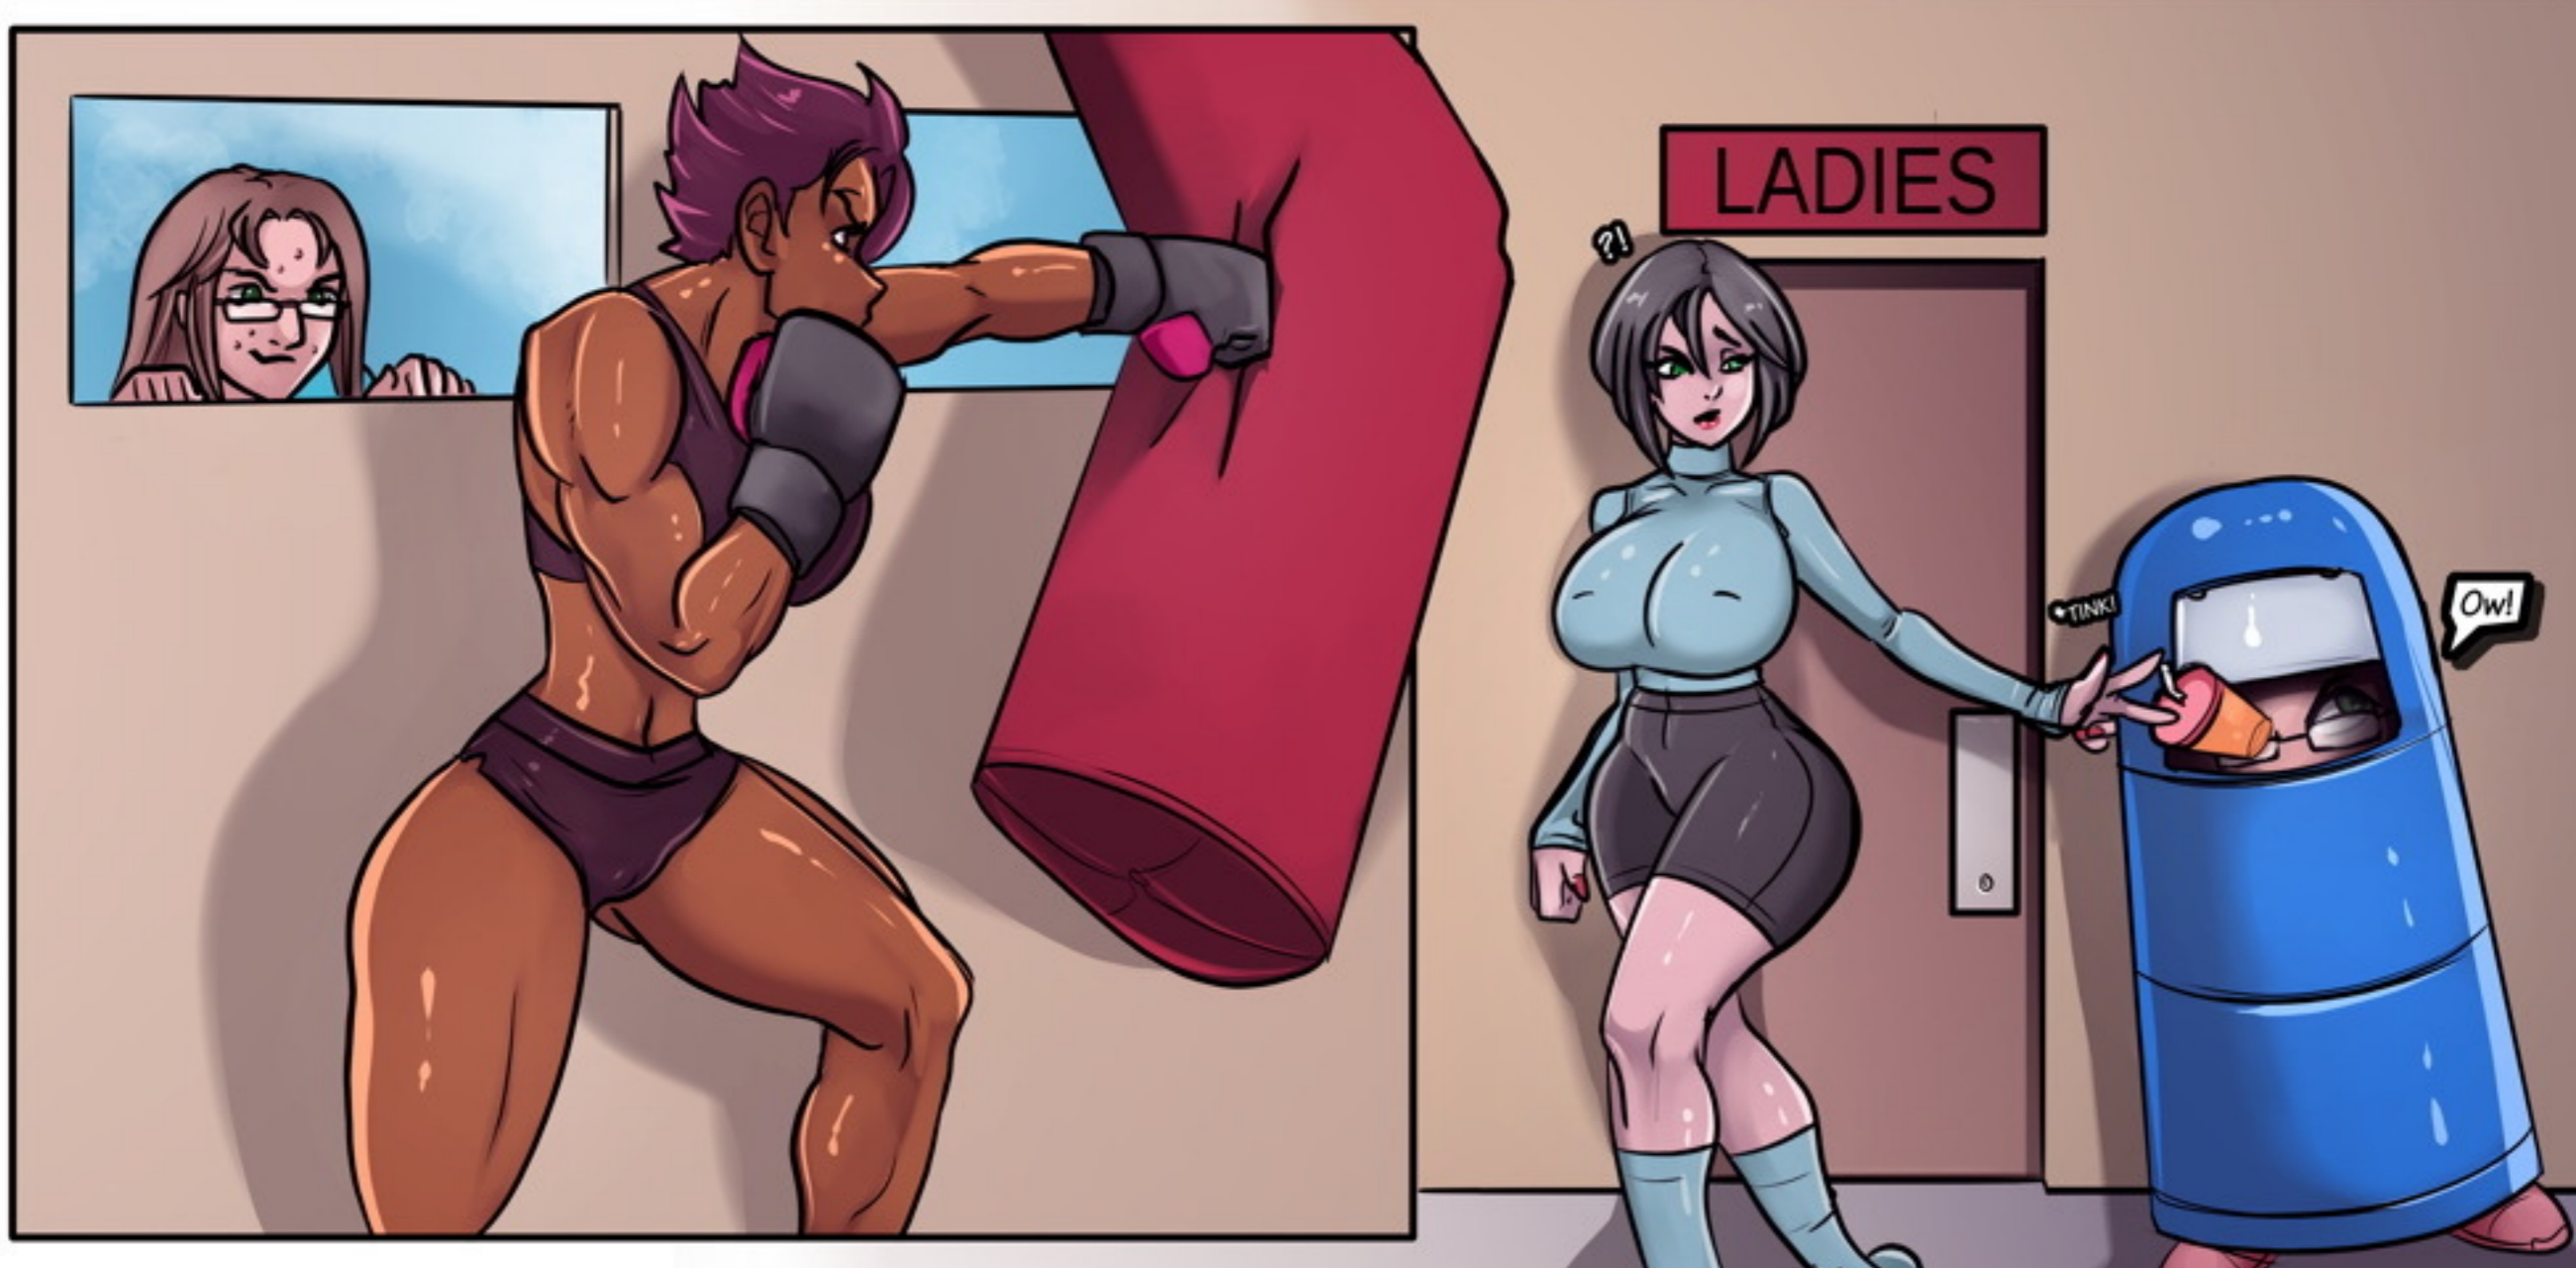

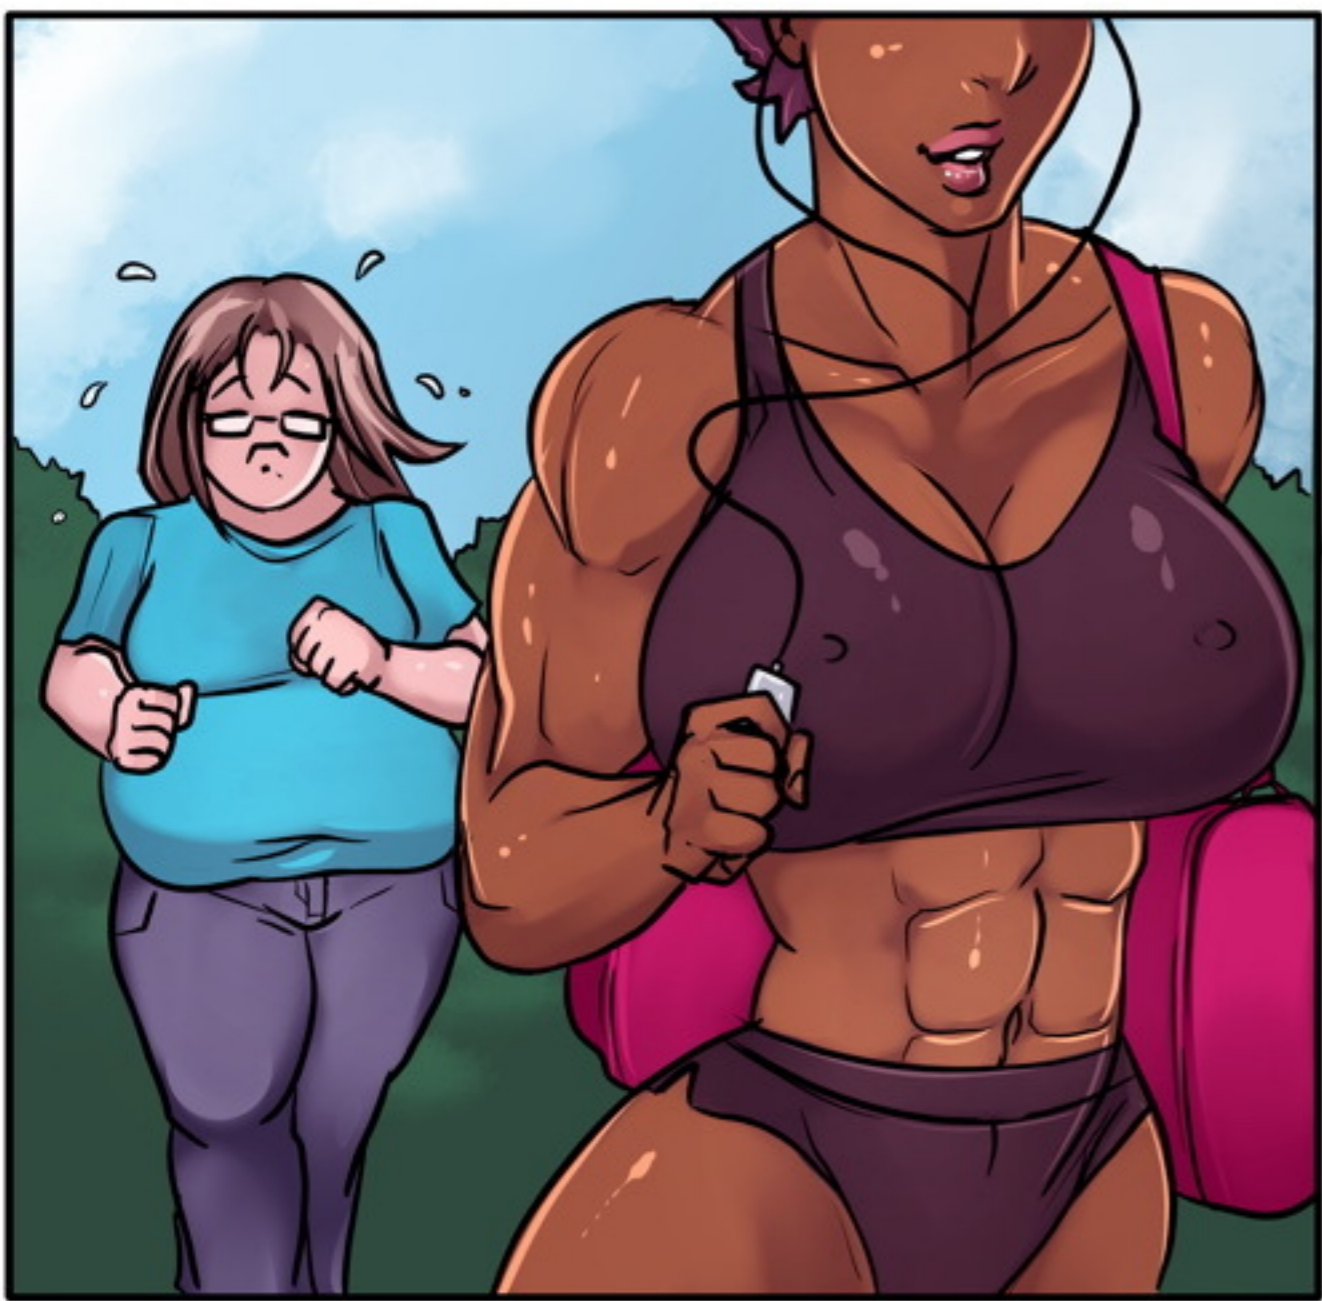

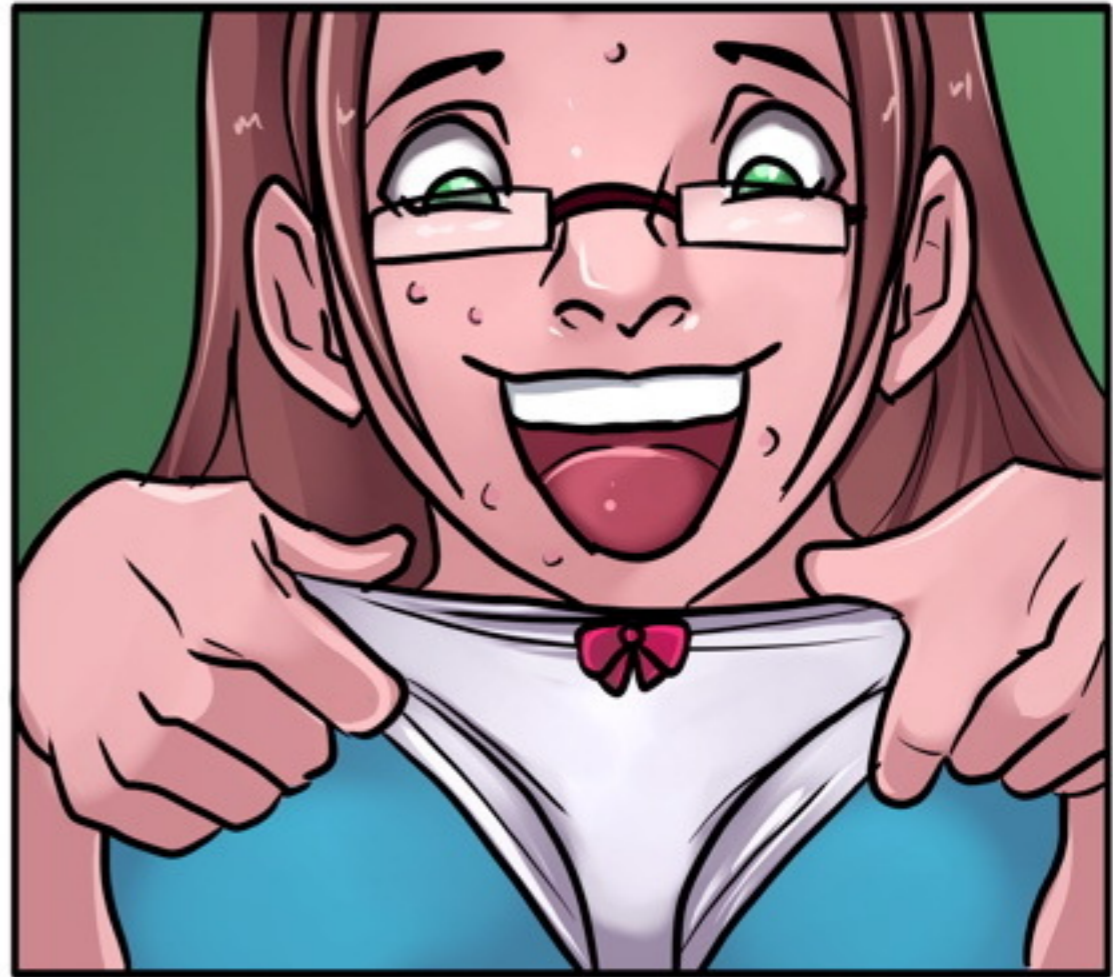

A typical summer afternoon in North Central Park, New York.

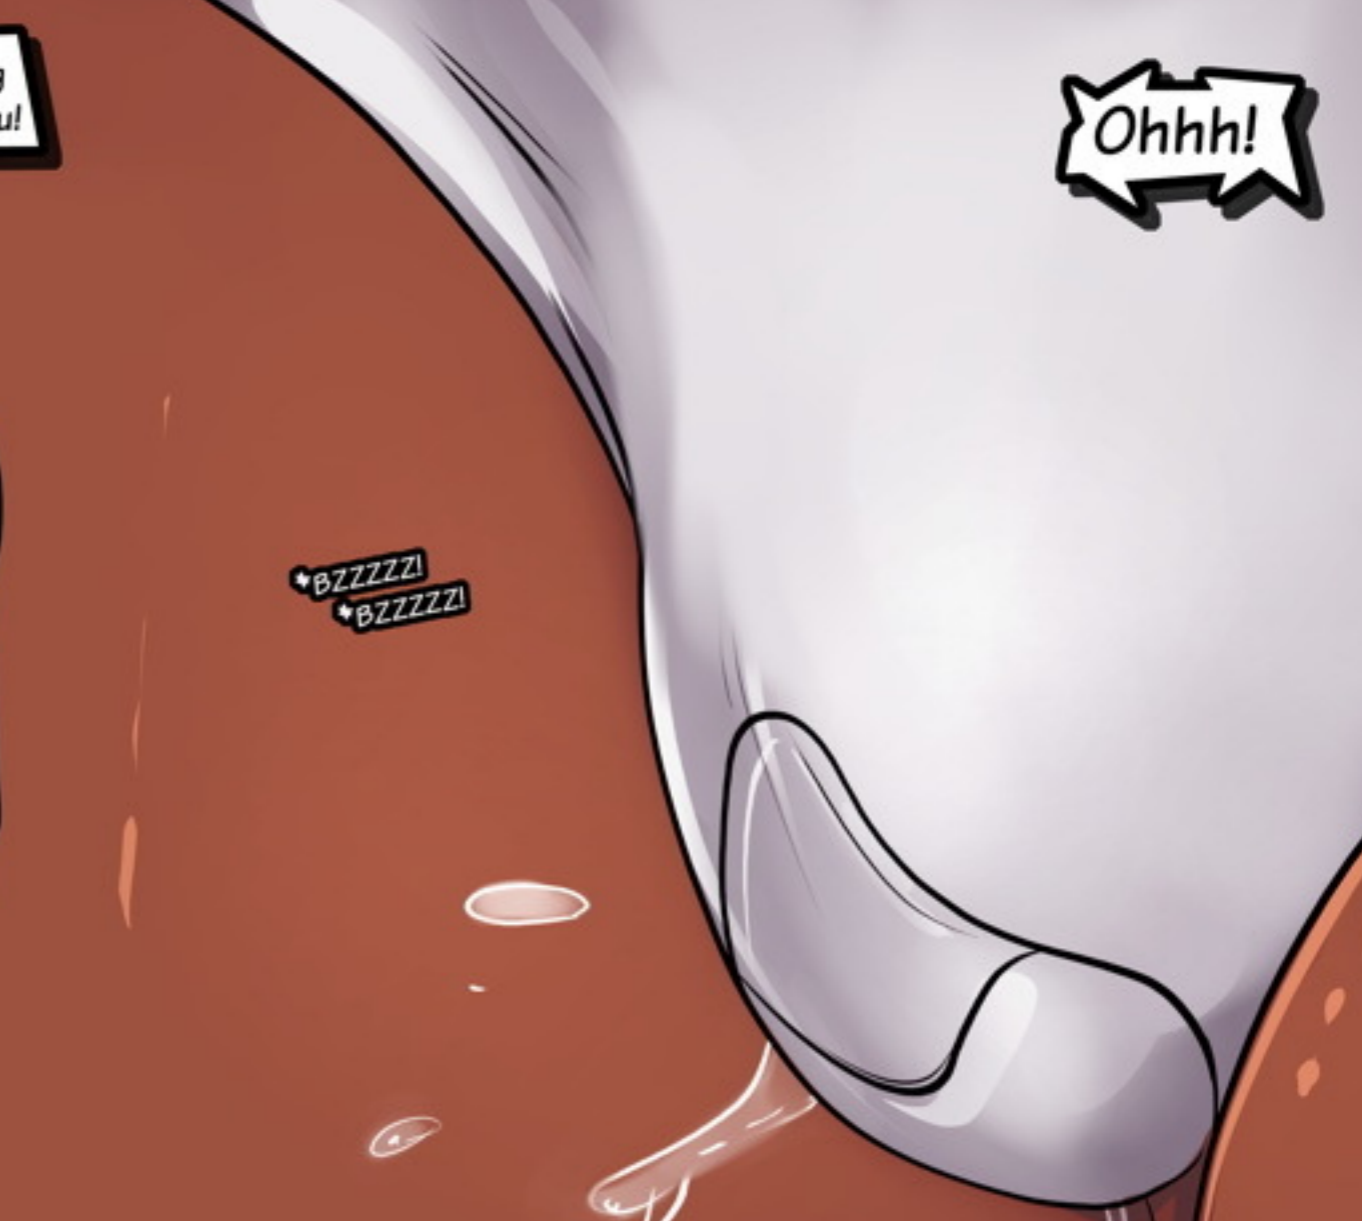

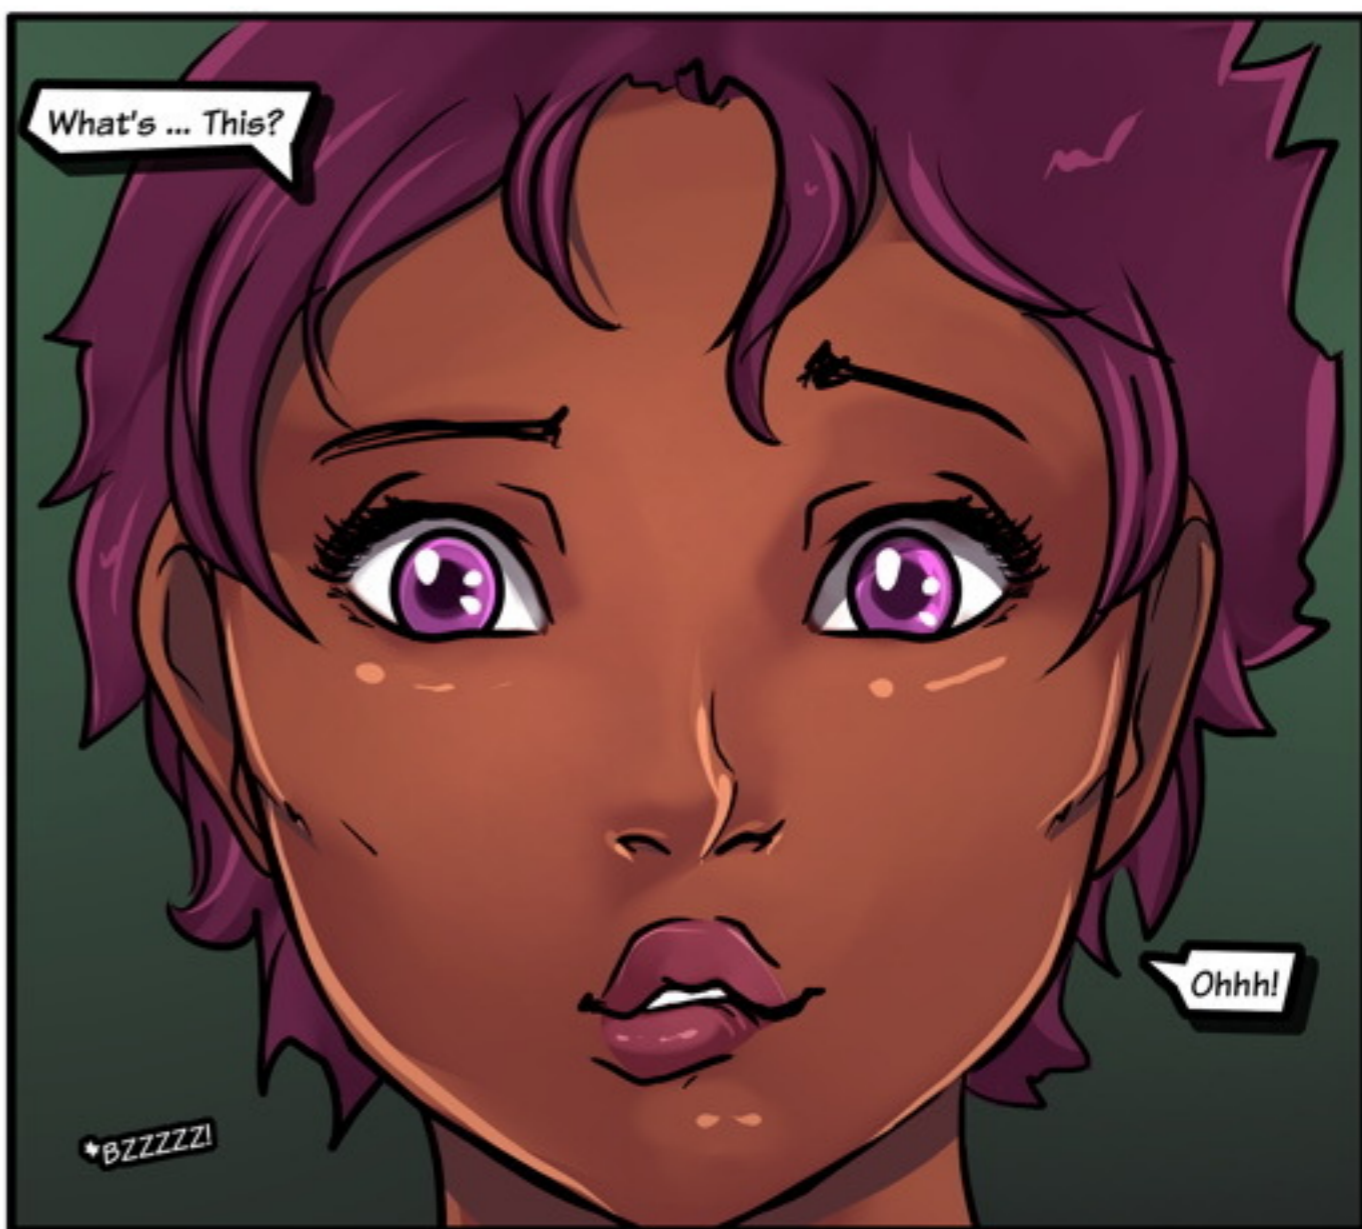

Why isn't she here? She always finishes her roadwork jog here.

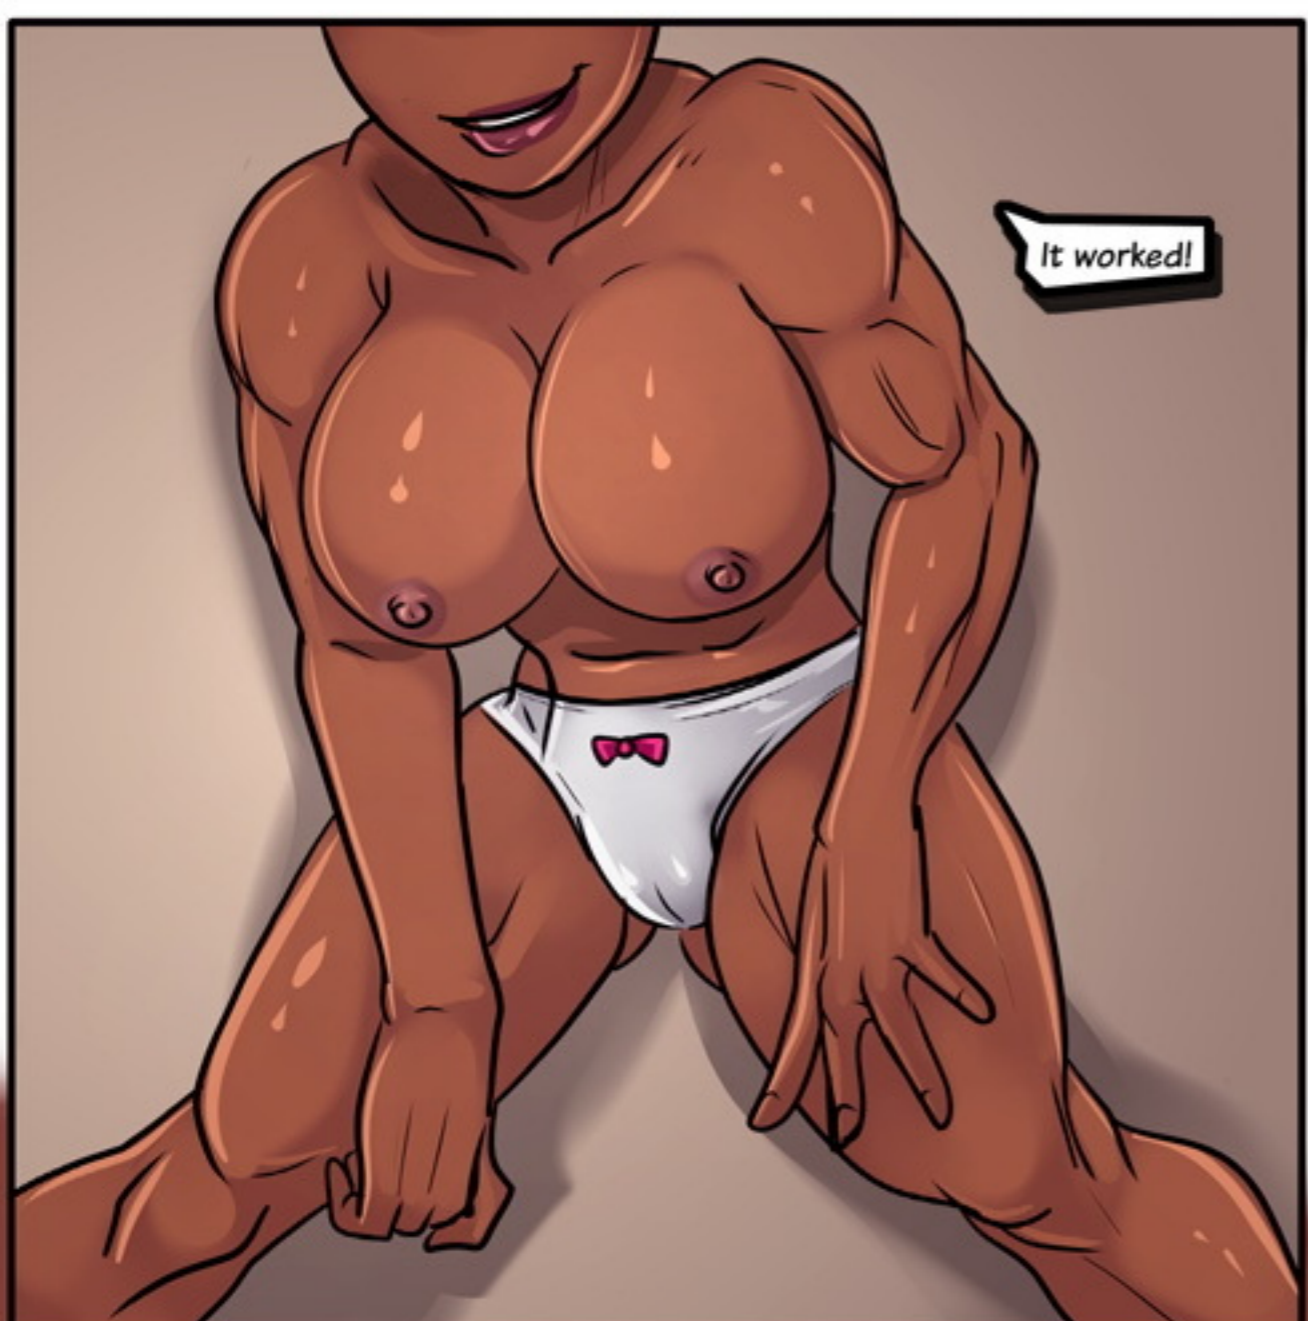

Ooooh fuck!

Ahhhhh!!

Ahh!!

Coming!

Mmmm!

GIVE ME BACK MY...!

EEEE! A PERVERT!

...what...

Looks like your sweet bod remembers the sweet magic.

Aisha! You alright?!?

Look, it's that creepy guy we saw by the gym the past few days!

Don't worry, Aisha, we'll take care of him!

Take your time.

I've got some 'cleaning up' to do.

Man, I feel GREAT!

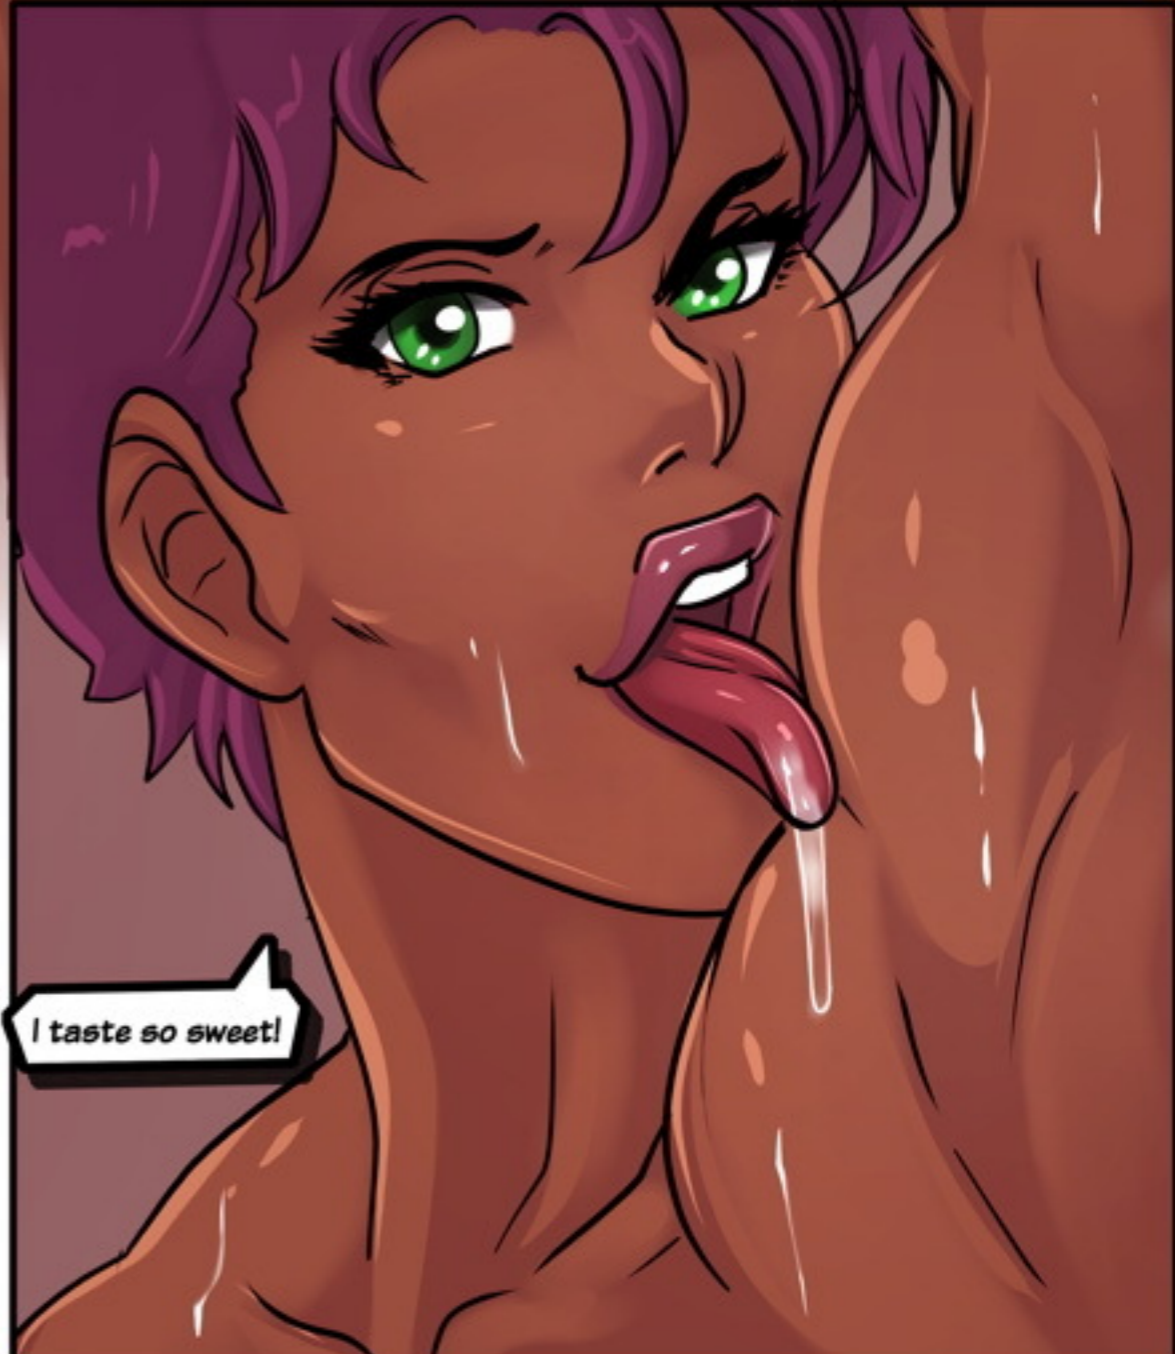

Man, check out my new sweet ass.

Getting wet just staring at my bod.

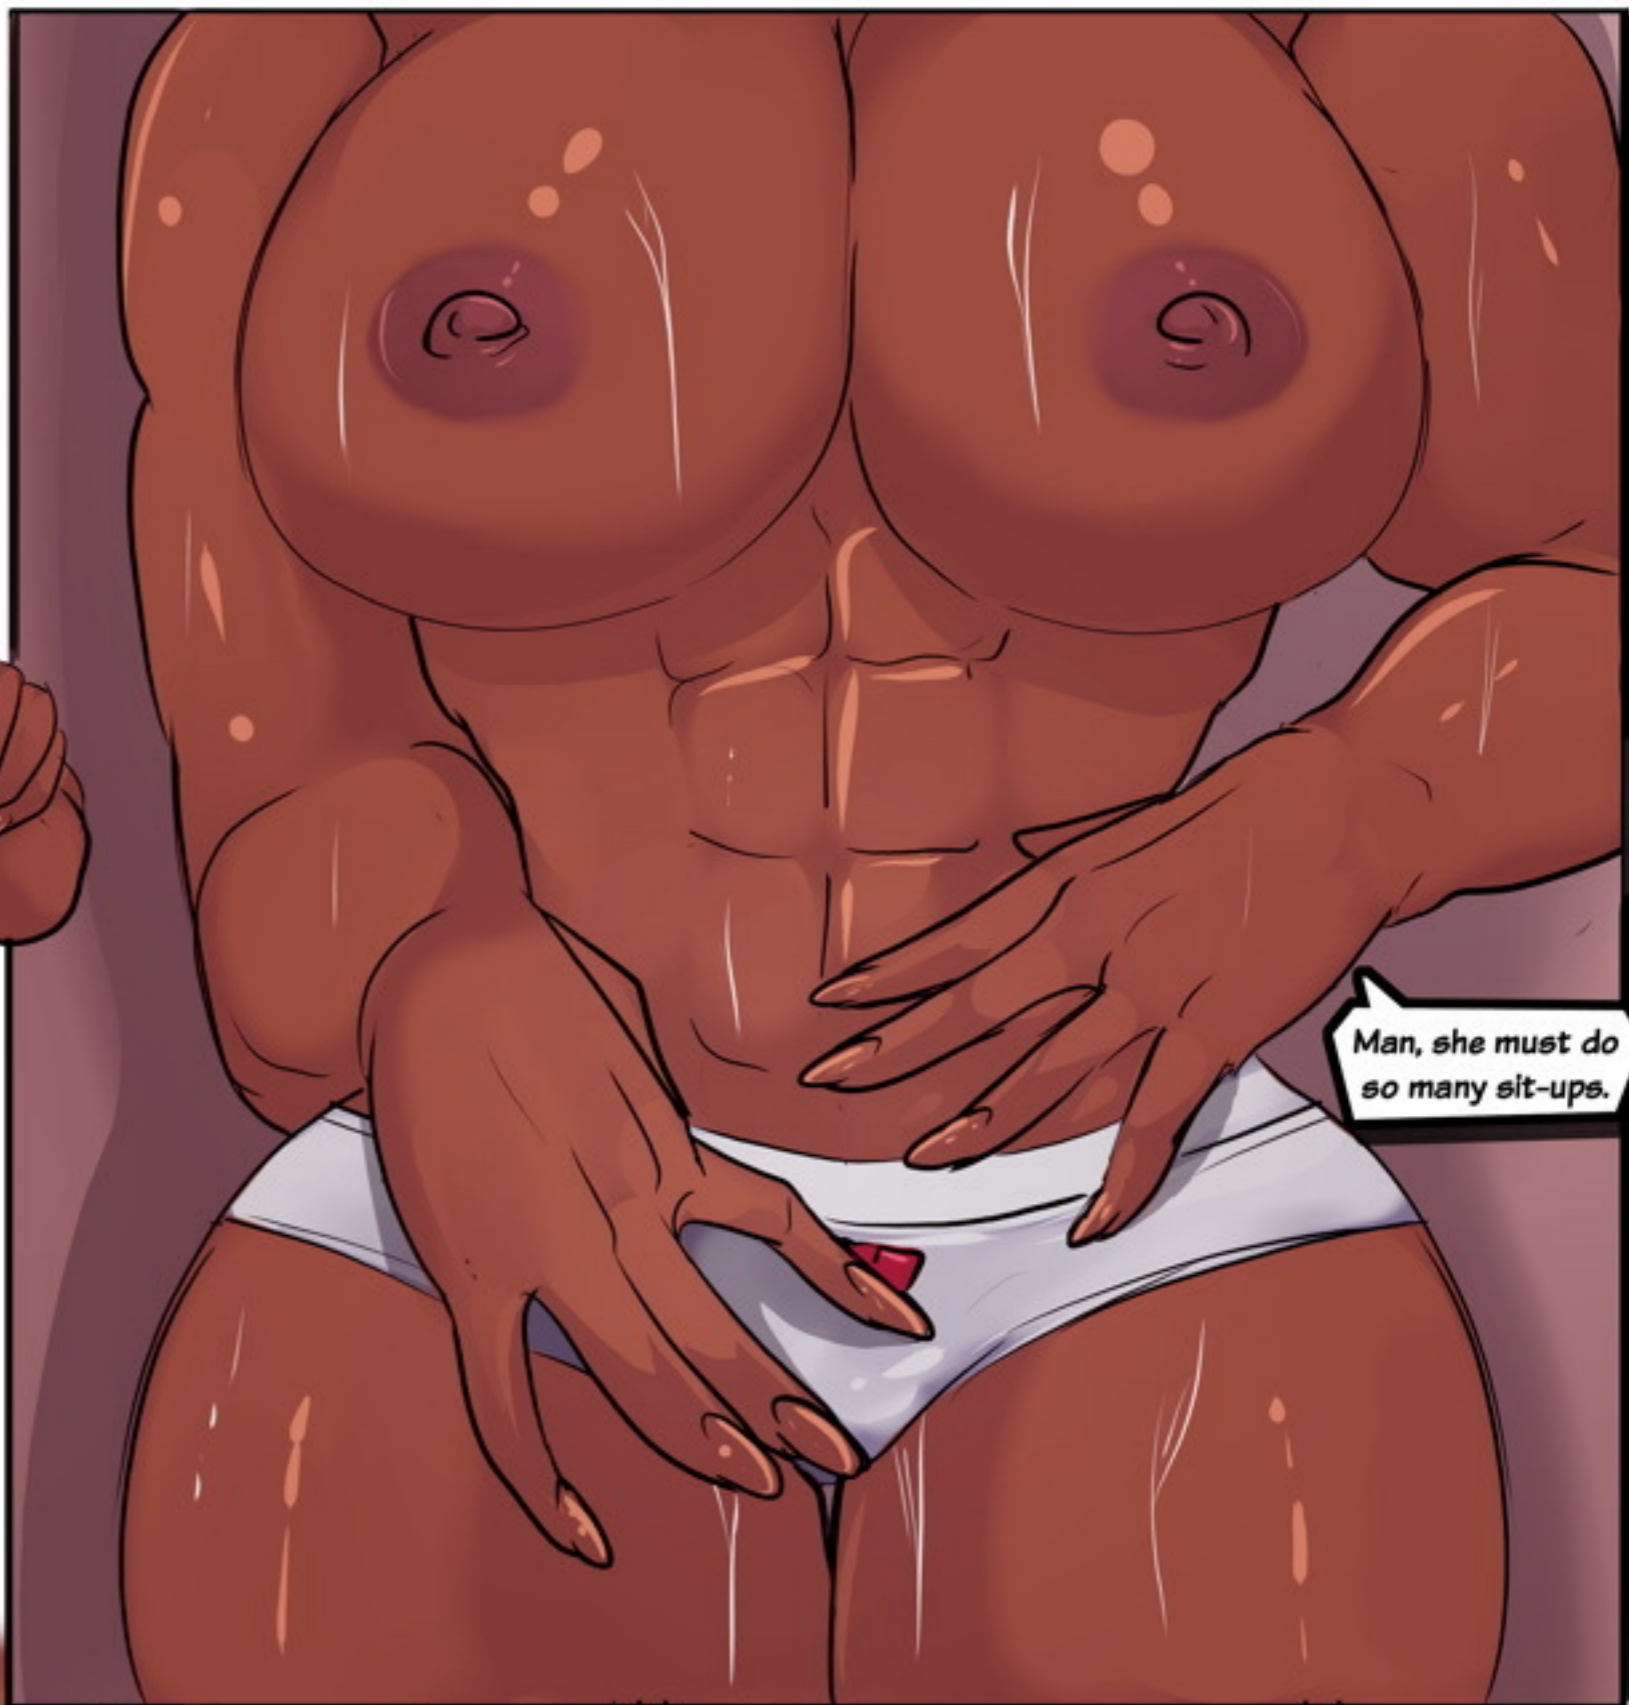

Mmmm, yeah baby!

I taste so sweet!

Feel these tight muscles...

Man, she must do so many sit-ups.

I can feel myself almost cumming.

Can't lose this baby...

Got more use for you.

Same with you.

...Man, her abs are strong to hold this pose!

You beat that pervert up good Aisha, he was sputtering nonsense about not being a man or something.

Are you ok?

Aishall

What!?

What?

Oh yes, I am doing well, it was a bit scary getting assaulted by that pervert.

That's not fair!

Why is it that your boobs seem bigger everytime I see you?

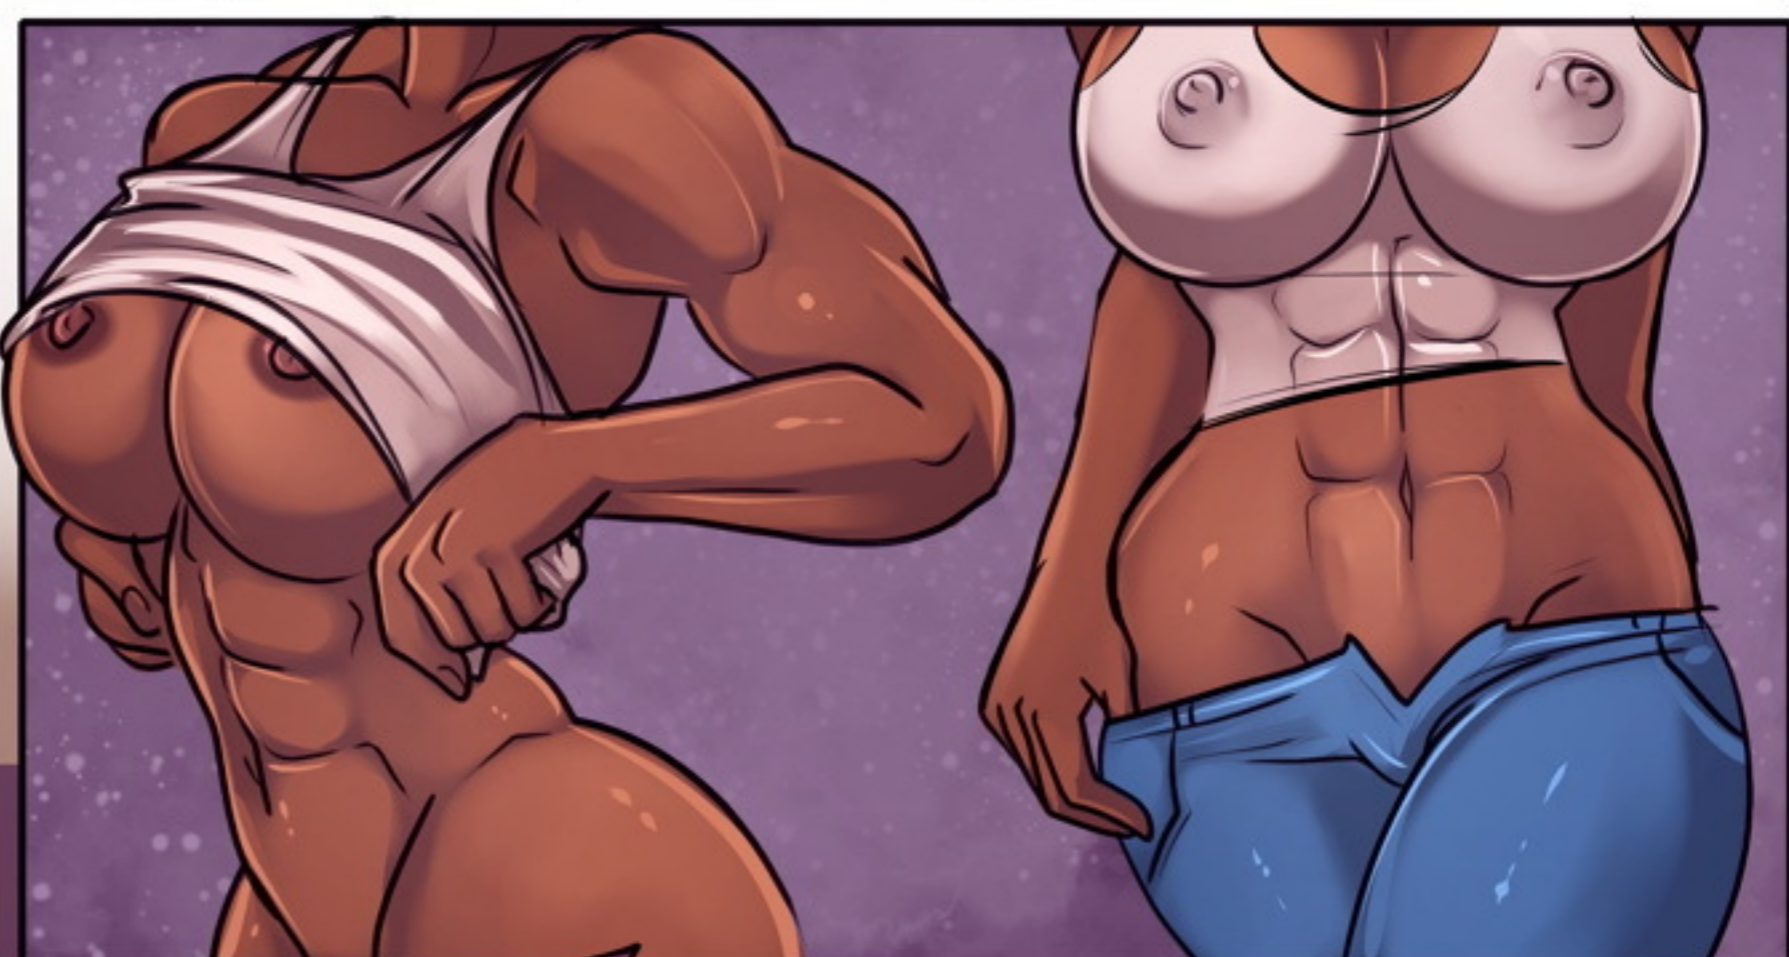

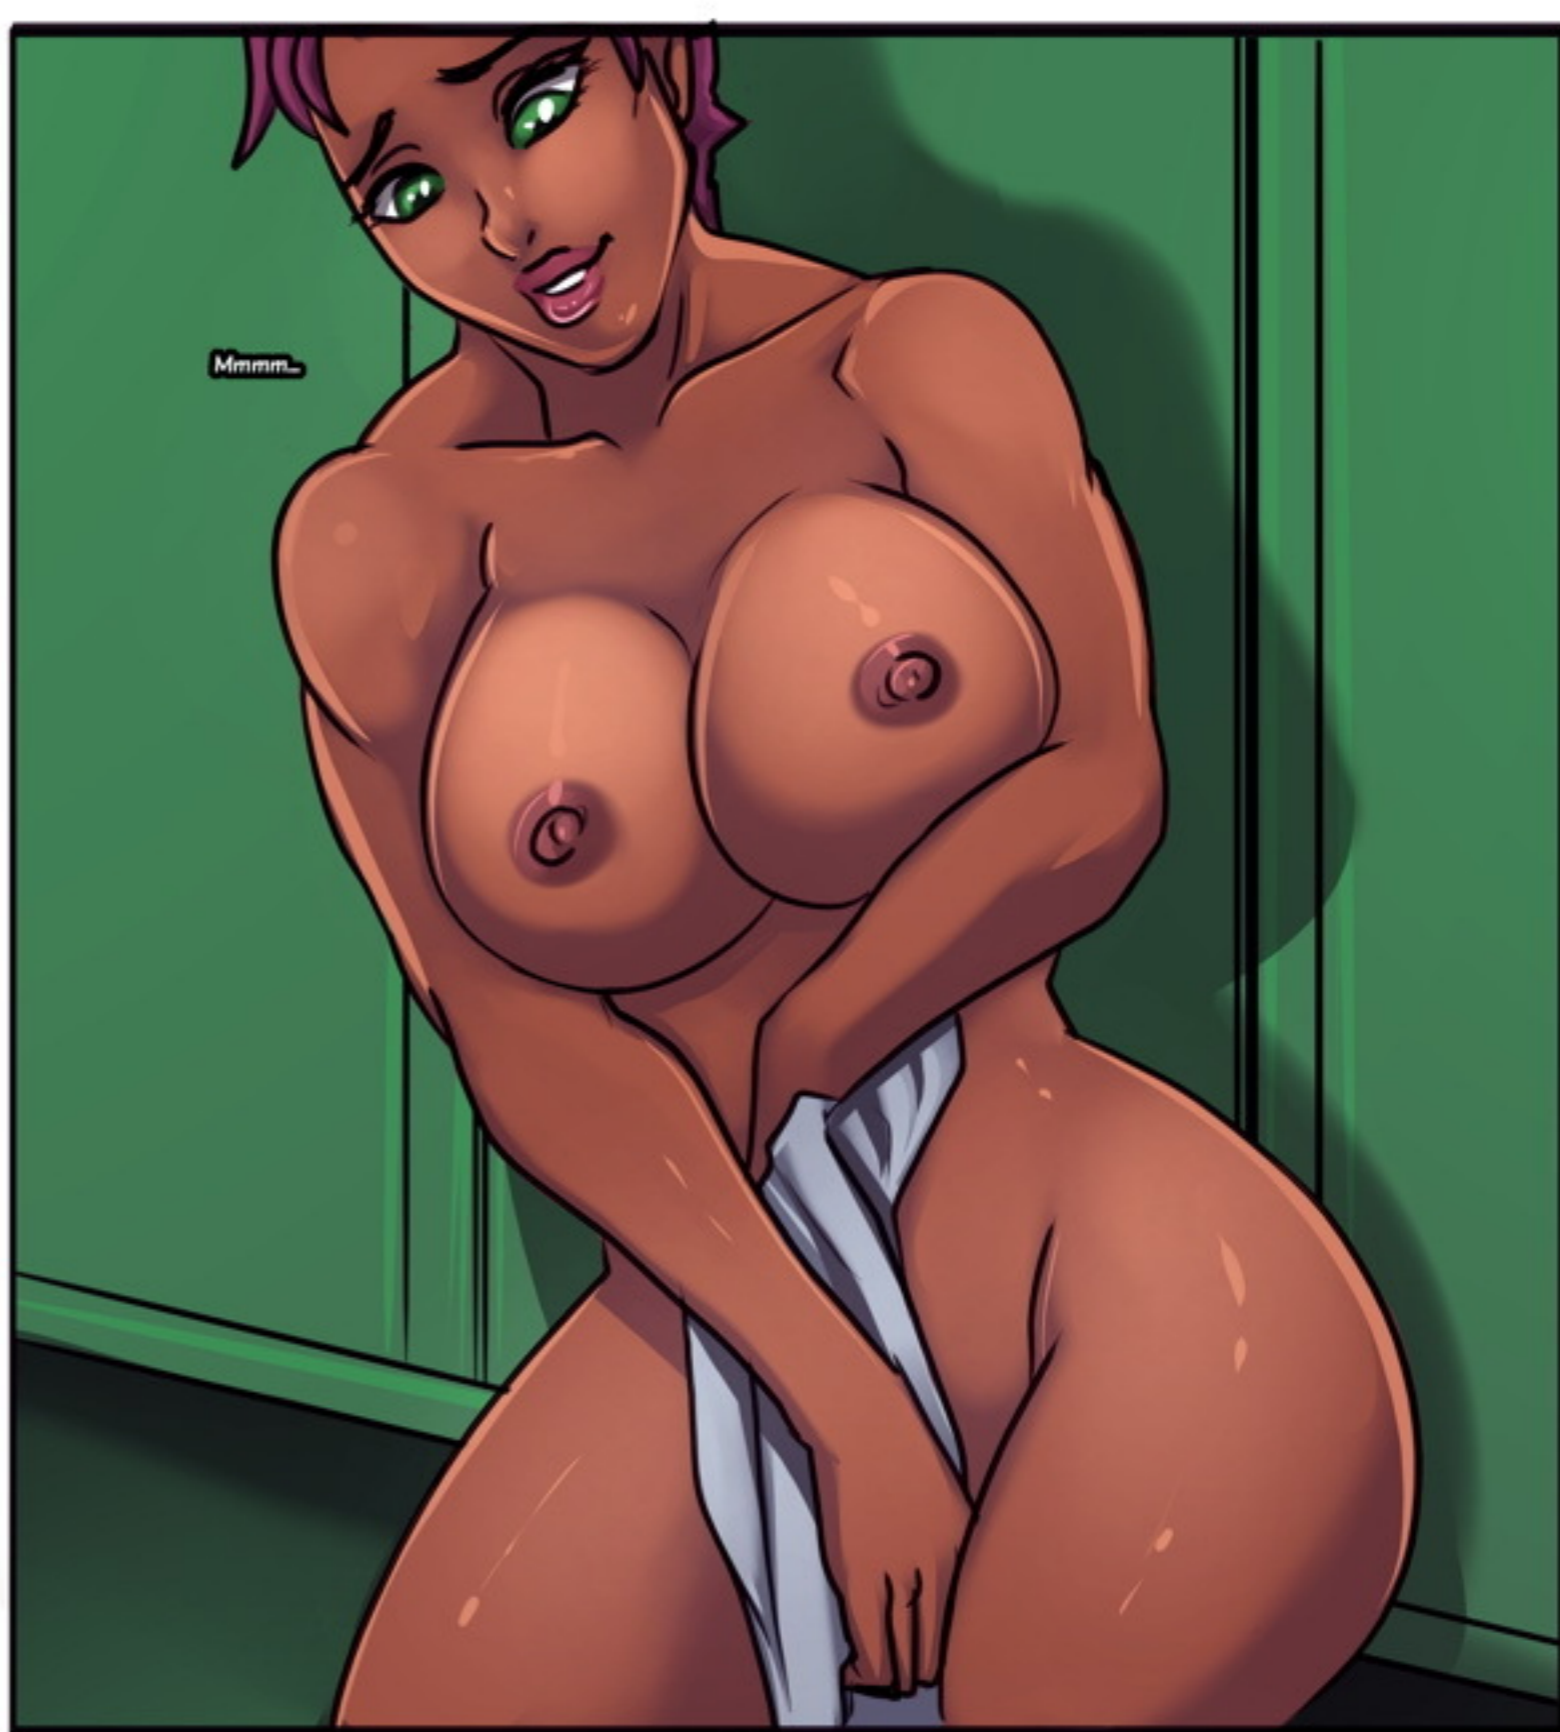

Oh Tiffany, don't be so handsy!

You know Aisha is timid, you're embarrassing her!

Mmm It's ok...

Ahhhh!

Wow everyone is checking me out... this is so exciting.

Damn...

What a pervert..

Well I am one too so let's reward him.

There you go handsome.

*SPLOOSH!

That's the place I saw her exit every morning. She must live here.

Peaceful Brass C Resort 47629

That must be it.
