Someone's calling me

Hello?

Oh fuck!

No, it's nothing..

I'm really busy right now..

Don't worry I'll pay your debt, I'll call you later!

It felt too good to stop, right?

Can you turn her back now?

Well, the plans have changed. I'll borrow her for a bit

What?!

I need to use her body to make money

Why her? Can't you just find somebody else

With this beautiful body
I'm sure I'll earn enough money
to pay off my debts

What are you planning to use her body for?

I'm sure a lot of guys would pay to fuck her

But.. I don't want you to use her body like that!

Oh, there's another way.. but you have to be involved

This is our customer
He likes to watch couples having sex live
And he paid a lot of money for it

I'm not sure if I can do this..

You want me to have sex with someone else?

Welcome! Are you guys ready? I can't wait to see the show!

Yes, we're ready!

Great!

Let's start the show!

You both are great!
I'm looking forward to working with you guys
again in the future!

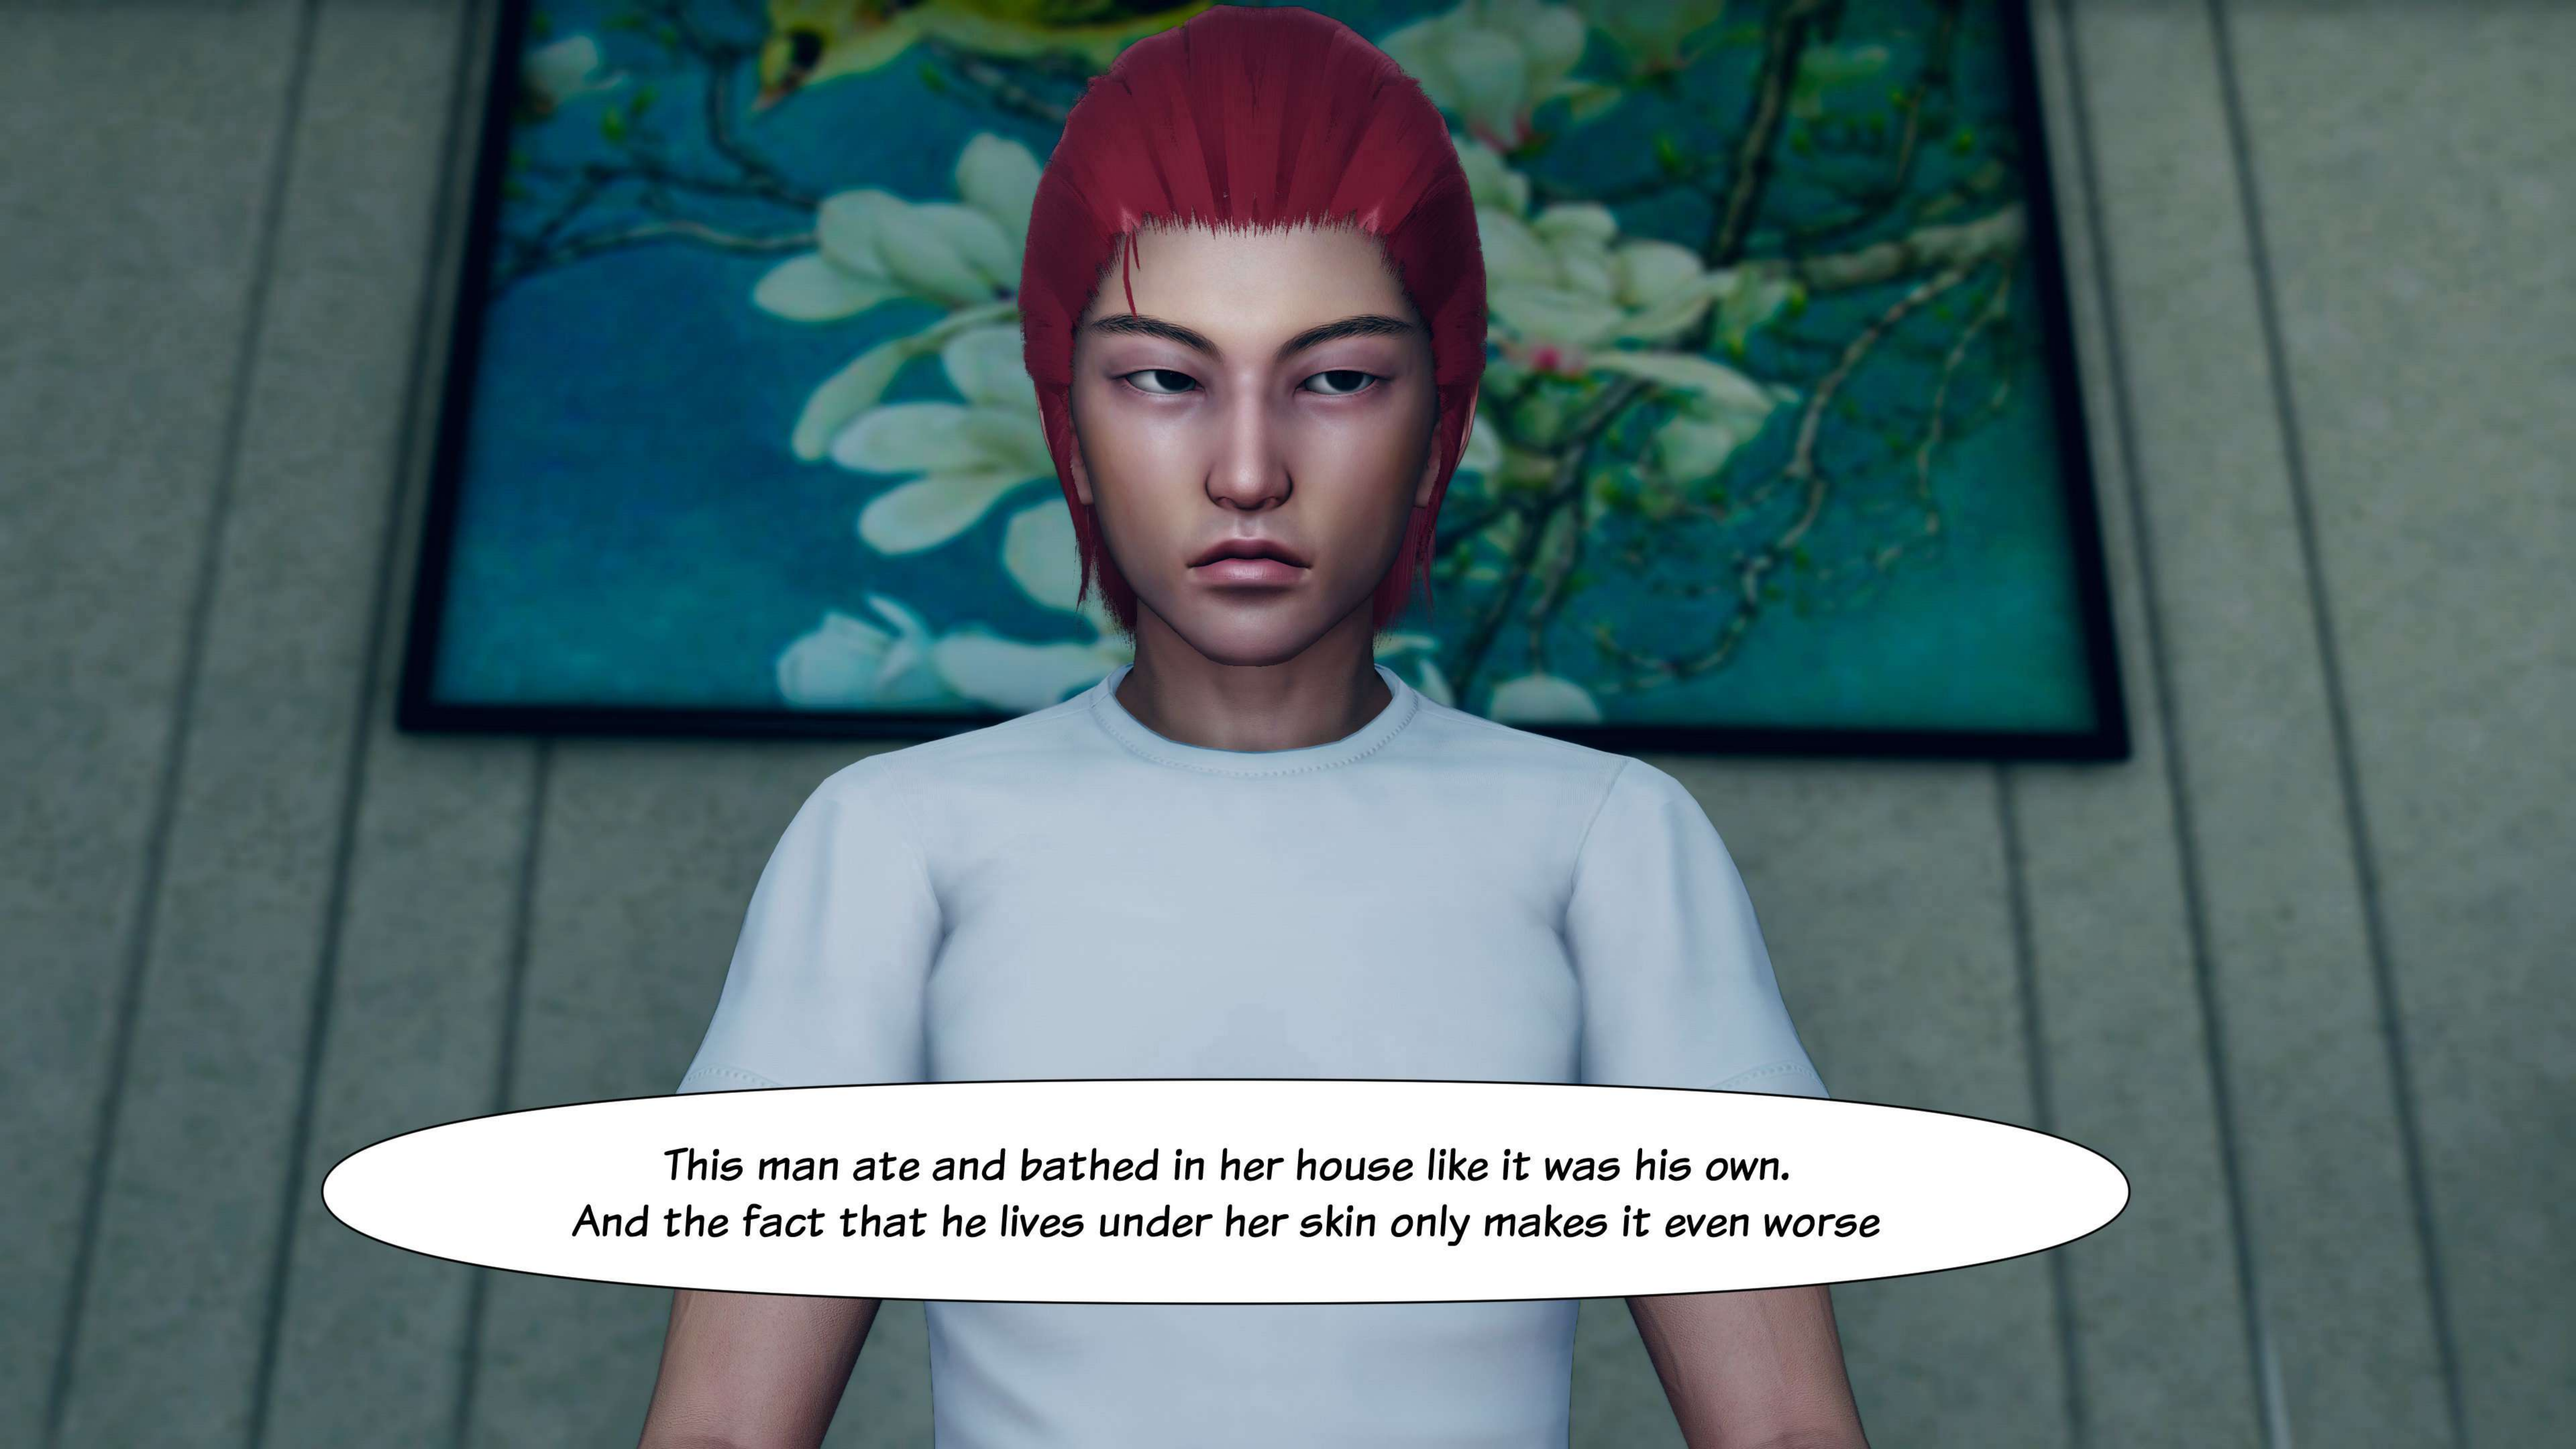
Thank you!

See you later!

What was that?! You shouldn't let him cum on your face!

It has already happened
You can't change it, so.. why don't we go back to her house
and talk about our situation?

Fine..



This man ate and bathed in her house like it was his own.
And the fact that he lives under her skin only makes it even worse

Ahh what a nice place.. my life would be better if I just live her life

What are you talking about? We have a deal.. Now you plan to steal her life?

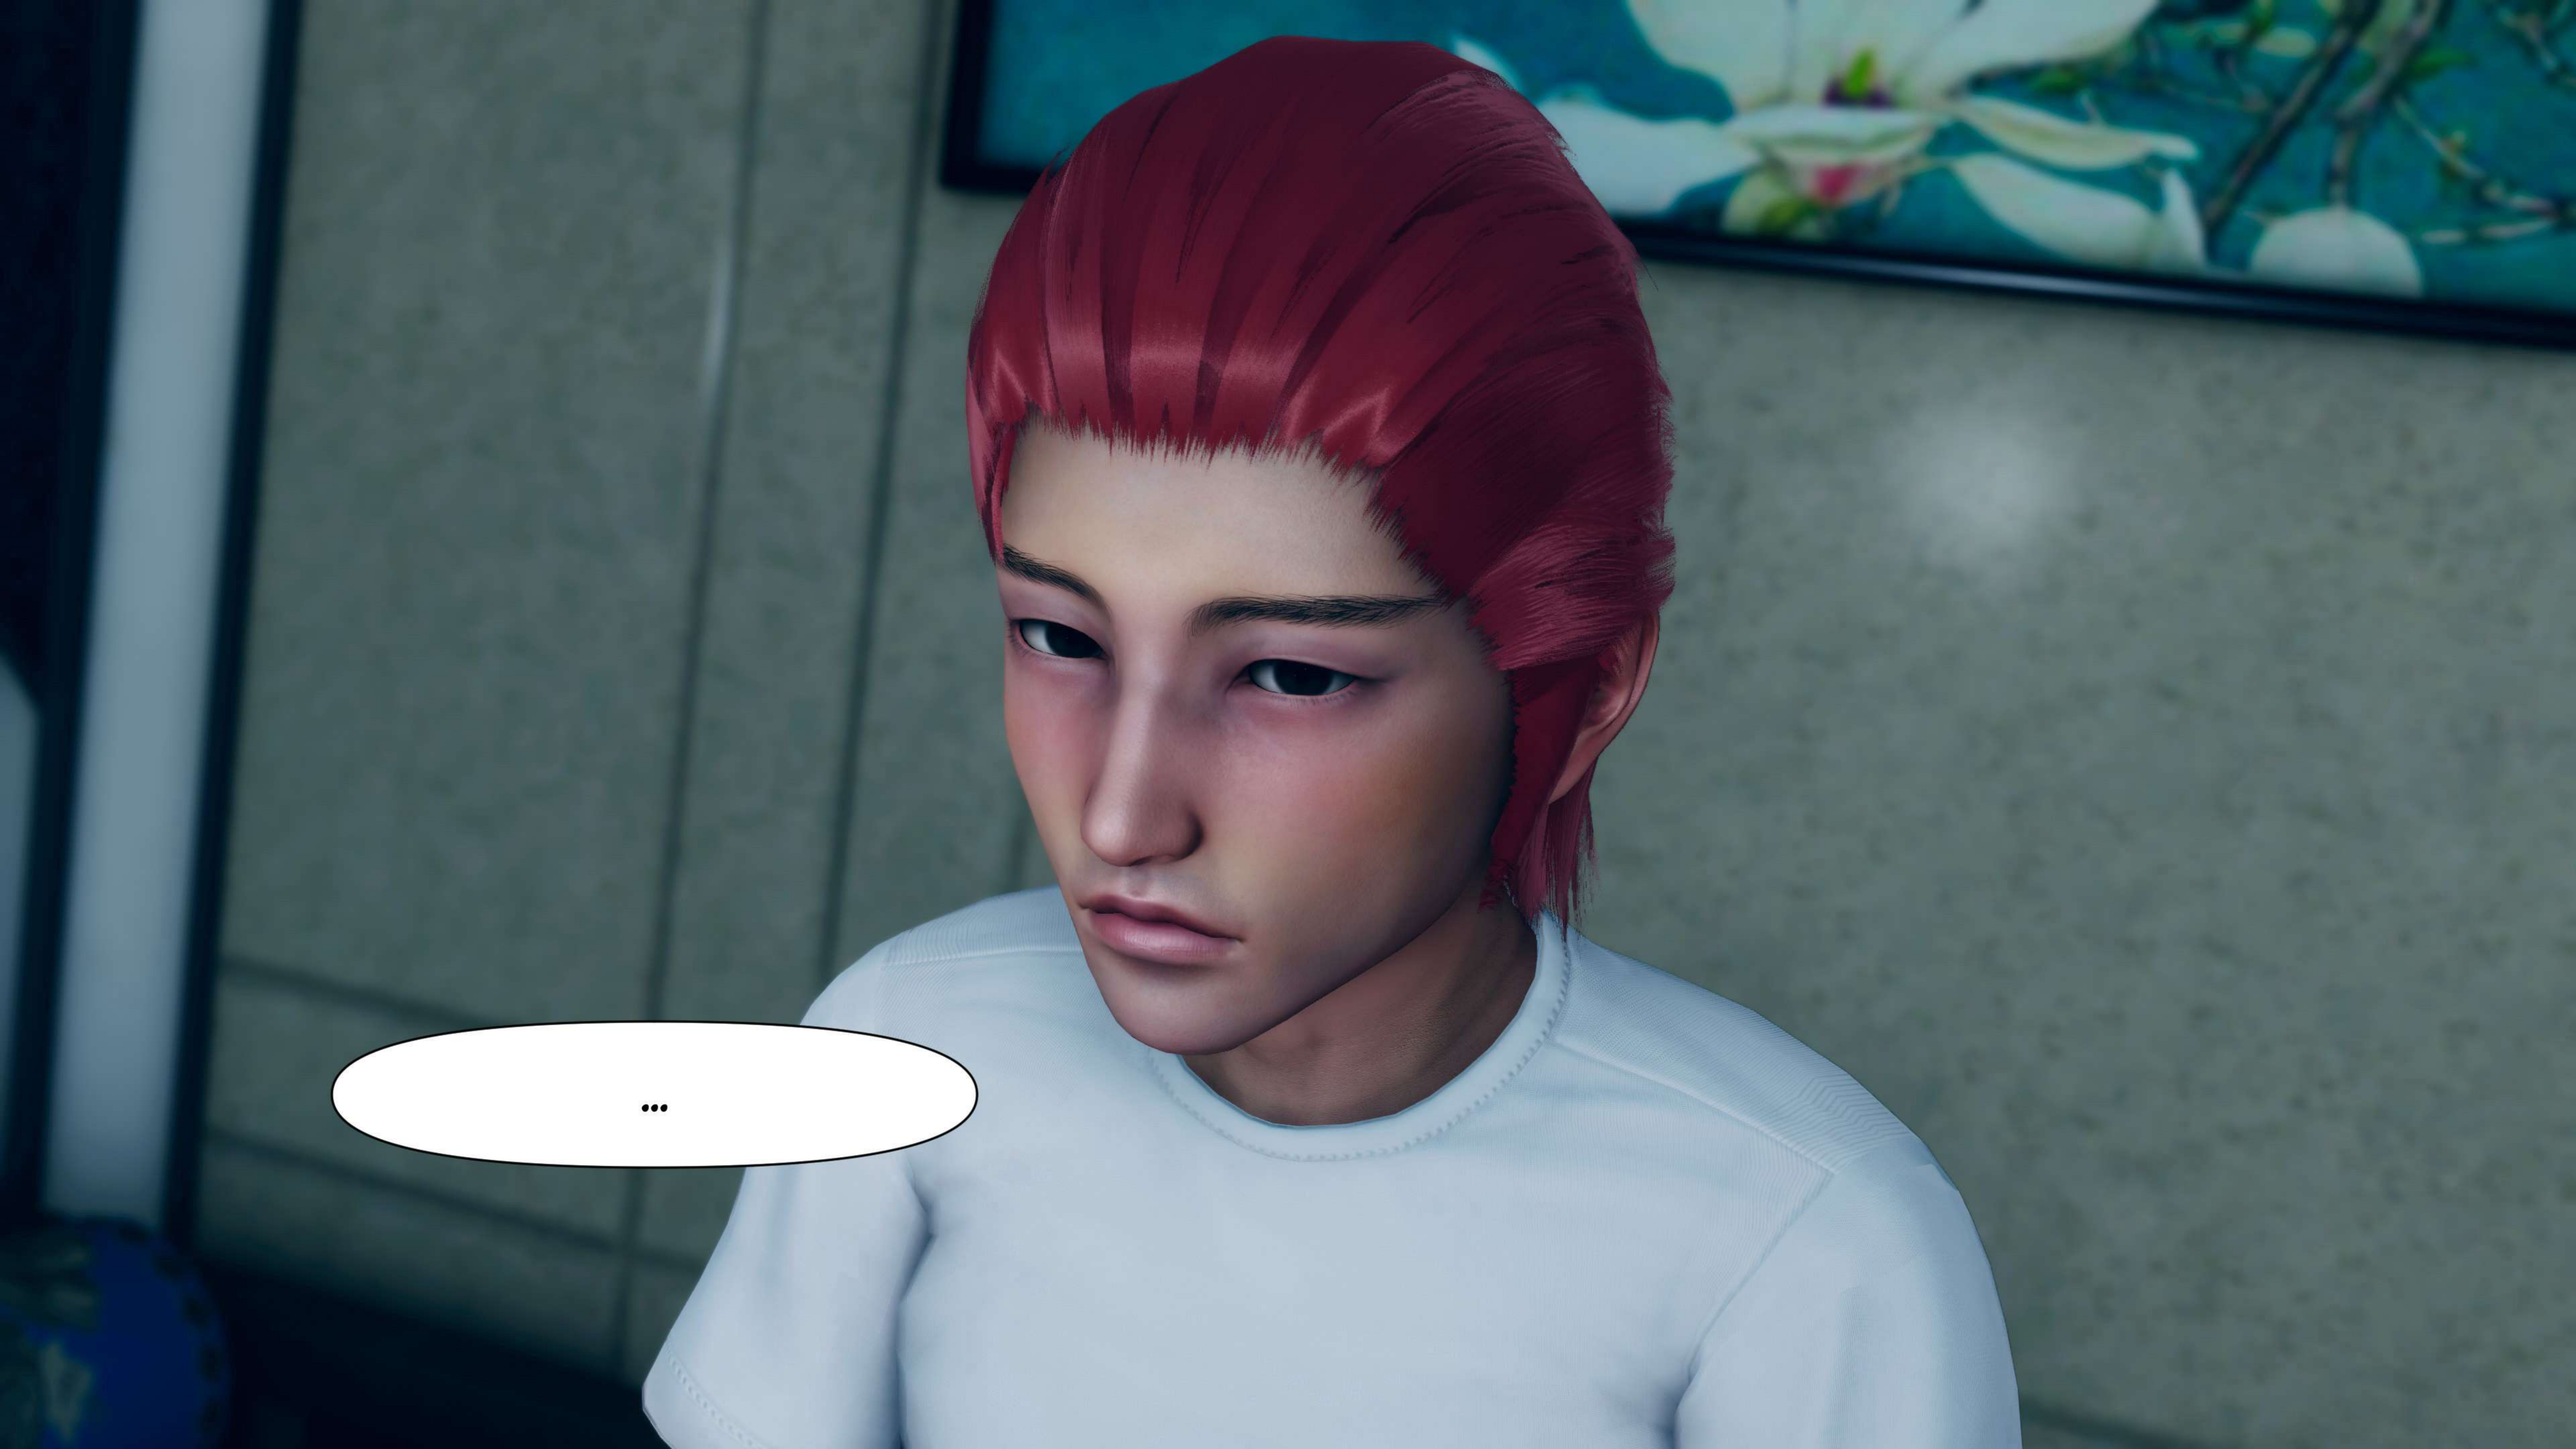
Whoa! Calm down, bro!
That's just my thought.. I won't do that,
I promise

So.. when are you going to leave us alone?

When I paid all my debts..

Fuck...

What's wrong? don't you like me when I'm using her body to suck your cock and let you fuck her body?



You have nothing to say because you like it too, right?

See.. you already hard!!
How can you deny that you don't like
what's going on between us

Admit it.. Admit that you like this new her..

I think you don't really care about who's under this skin..
As long as you can have more fun with her
It's not really important, Am I right?

See.. you just a pervert.. I bet you don't really wants to stop me from doing this..

He's right.. I'm starting to like this new Shoko.. What the hell am I thinking!

We've been together for a while now
But we still haven't had fun with her beautiful tits yet..

Look how big they are.. don't you wanna fuck them?

It would be wasted if we didn't put them to good use, right?

Can you feel her soft tits wrapping around your cock?

Come on! Paint her tits with your cum!

Holy shit, that's a lot!

Alright, I gotta go! I have to meet someone

What about me?

You stay here! I have to go alone

What?!
