

Hey Alex, what's good, man? Looks like it was a long day for you.

Yeah, it was pretty hectic. You wouldn't believe the number of clients I had to meet today. It was nonstop chaos, bro!

I bet. Pharmaceutical sales must be a grind, especially with so many doctors and clinics to visit.

It's always like that, especially with our top products. Barely had a moment to breathe.

What about you? How's the logo project going?

Annoying. The client is never happy no matter how much I tweak it... But hey, that's graphic design for you.

You'll figure it out. You've always been talented at that shit, Brett.

If you say so...

So, what else is going on? Any plans for tonight?

Not really. Was thinking about grabbing a pizza, but that's it.

What about you? Anything exciting?

Nah, nothing. I was supposed to have a date with Melody, but she canceled.

Pretty bummed out about it, if I'm being honest.

Man, that sucks. You've been talking about her for a while now.

Yeah, I'm not happy about it. It's annoying when you make plans and they get canceled at the last minute, you know?

She's lucky she's insanely hot, or I'd ghost her ass.

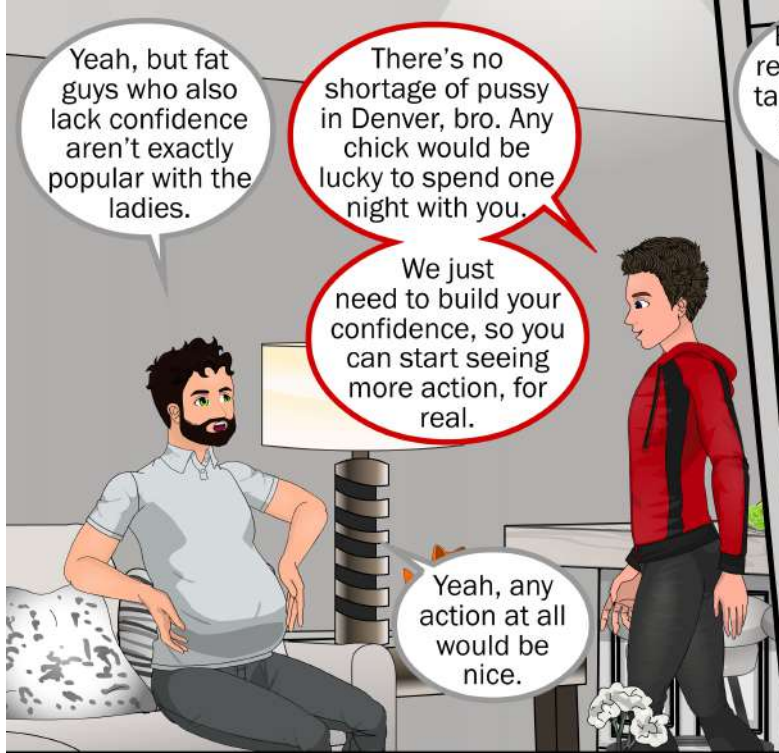

At least you have dates to get cancelled. Some of us aren't so lucky.

I can't even remember the last time I went out with someone.

Yeah, I don't think you've brought one chick home in the entire two years we've been living together.

That's nuts to me, bro! I know guys your size who get laid on the regular.

Yeah, but fat guys who also lack confidence aren't exactly popular with the ladies.

There's no shortage of pussy in Denver, bro. Any chick would be lucky to spend one night with you.

We just need to build your confidence, so you can start seeing more action, for real.

Yeah, any action at all would be nice.

But I don't really want to talk about my situation, man.

Tell me what happened with Melody today. Why'd she cancel, anyway?

Said she's busy with work or some crap. We had this whole night planned out too.

Ughhh, it sucks! I've been on a dry spell for like two weeks now.

It's killing me. I just can't catch a break.

Two weeks? **Chuckle!** That's what you're complaining about?? That's nothing!

I just hate it when things don't go according to plan. It messes with my rhythm.

Plus, I can't think straight when my balls are full. Ha! Know what I'm saying?

Oh, I know all too well...

Seriously, Brett. You should get out there more.

There are plenty of chicks who'd be into you.

Maybe. But it's hard when you don't even know where to start.

That's why you need to come out with me. I'll be your wingman.

We'll find you someone to bang in no time. That's the Alex Pierce guarantee!

Seriously? How the hell does Alex get women when this is his personality?

I love the guy, but he is such a man whore, it's unbelievable!

Thanks, Alex. I'll...think about it.

Whenever you're ready, holla at your boy.

Trust me, I'm well aware of your prowess.

You're like a magnet for women.

I have some chicks on call that I can set you up with.

It's a tough job, but someone's gotta do it.

Hey, where'd that weird fox statue come from?

Over there. That's new, right?

Oh, that? I picked it up at a thrift store today.

The guy said it's supposed to be lucky. Figured it couldn't hurt to have a little extra luck around here.

A lucky statue, huh? Why not just get a Buddha statue then?

Well, it's not just lucky. The guy swore it grants wishes or something.

Besides, it's kinda cool, right? Adds a bit of character to the place.

Yeah, if you're into kitschy, haunted thrift store finds.

That thing is creepy as hell!

You don't really think a statue is gonna grant wishes, do you?

It's not about that. It's about believing in something, you know?

Sometimes, we need a little hope, even if it comes from a thrift store statue.

I'm telling you, it's all in your head, man.

Don't be such a skeptic. You never know, it might actually work!

Okay, let's see if this thing has any magic in it.

I wish... that I could have sex with any woman I want!

No one said it was instant.

Besides, you're supposed to keep your wishes secret.

Oh, come on, dude. Wishing on a statue isn't going to get me laid any faster than usual.

But hey, if it did, that would be pretty awesome, right?

Well, I choose to believe, and my wish is staying a secret, so it has a better chance of coming true.

Fine, stick to your superstitions. Just don't be surprised when it doesn't work.

We'll see. Maybe you'll be the one who's surprised.

I'm more worried about that thing turning on us.

I mean, the last thing we need is a cursed statue in our apartment.

So, you don't believe in a statue that can grant wishes, but you do believe in one that can curse people...?

See, that's the difference between you and me. I'm a glass half-full kind of guy.

Well, as someone who sells hope for a living, trust me when I say there's always a price to pay.

Oh stop. Maybe this statue will end up being a blessing in disguise instead.

Stranger things have happened, Alex.

Ha! Fair point, but I'll believe it when I see it.

You can laugh all you want, but I've got a good feeling about this.

There's something about this statue that feels...magical.

Alright, alright. If it makes you feel better, I'll stop making fun of your little statue.

But seriously, if it grants wishes, I'm expecting to be swimming in women by the end of the week.

I'ma grab a beer out of the fridge. Do you want anything?

Actually, I'm gonna go pick up a pizza down the street.

Wanna come with? They've got some pretty good beer on tap.

Thanks, but I think I'll pass. Planning on turning in soon.

Alright, then. If I don't see you when I get back, have a good night.

Later, man. Save me a slice for breakfast, will ya?

Especially if you grab a supreme pizza.

Yeah, if there's any left. You know how I feel about sharing my supreme pizza!

Come on, don't be stingy, man. Just grab an extra-large.

You know you're going to want some for later, anyway, with that big-boy appetite of yours.

Yeah, yeah. See you in a bit.

Nice! I've got the apartment to myself. It's the perfect opportunity to relieve a little "pressure".

Melody might have canceled on me, but I have a little backup plan lined up.

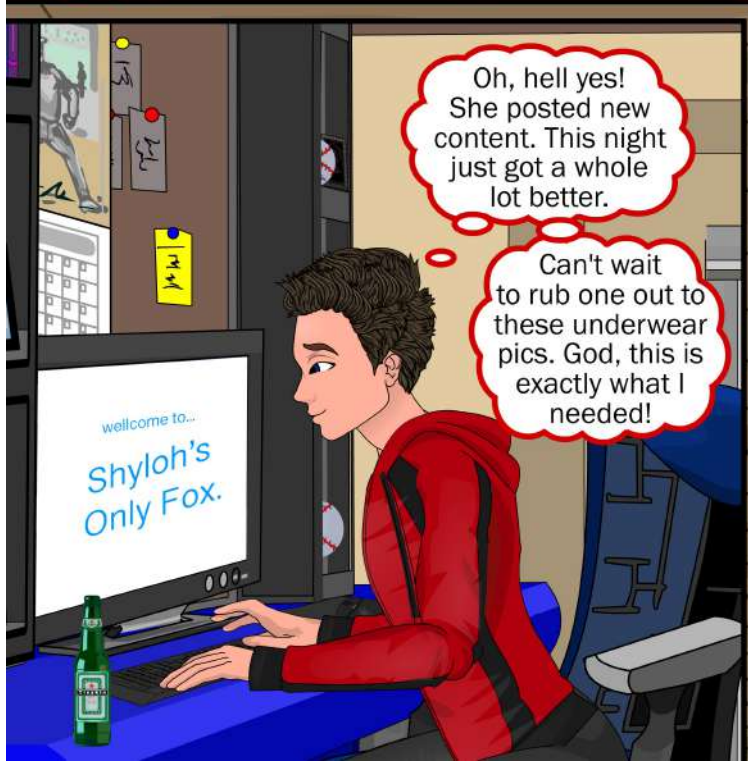

Oh yeah. I've got a date with my Only Fox girl tonight, and she never cancels on me!

It's time to unwind the best way I know how after a long and crappy day at work... with my favorite girl, Shyloh!

Alright, Shyloh, baby. Let's see what you've got for me.

Always my favorite girl, and you never disappoint.

Oh, hell yes! She posted new content. This night just got a whole lot better.

Can't wait to rub one out to these underwear pics. God, this is exactly what I needed!

Ah, time to get comfortable and enjoy the show.

Two full weeks without pussy? Yeah, I'm about to blow my load in no time!

Alright, time to get comfortable and enjoy the show.

Shyloh you always come through for me, baby. I'm willing to bet that tonight's no exception.

Those curves, that smile... She's perfect!

Let's see... What new content do you have for me tonight, girl? I'm ready for some entertainment.

Oh yeah, this is going to be good. I can already tell.

Okay, okay. The classic lollipop pose—an oldie but a goodie.

I'd love to treat her like my lollipop. How many licks does it take, Shyloh?

Mmm. I bet she's sweet like candy, too!

She looks amazing, but this is a little tame for my taste. Where's the good stuff?

Oh, fuck yes! She posted a nude. Now we're getting somewhere.

Damn, look at that body. I'd love to lick the sweat right off of her.

That's hot. But not hot enough... What videos have you uploaded this time?

Hmm, "My trip to Ericka's Secret"? Sounds interesting.

Hey everyone! I went to Ericka's Secret today and bought some new stuff.

I feel super cute in these new panties, and wanted to show it off to all of my beloved subscribers.

What do you guys think?

Oh yes, this is what I'm talking about. You have my full attention now, baby.

Keep this up, and I'll be standing at attention, too! My cock is ready to salute.

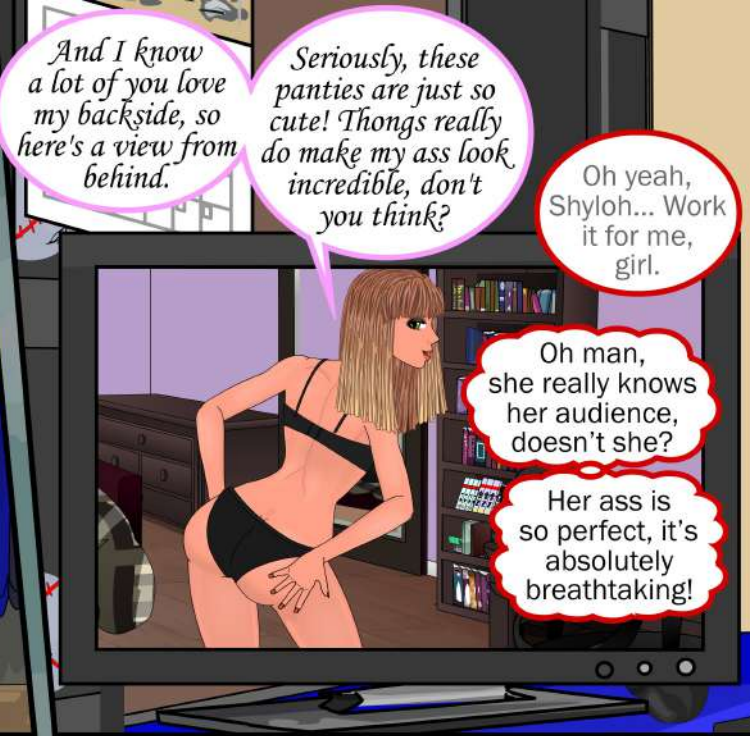

Thank you all for your wonderful donations that fund what I do.

Without you, these Ericka Secret trips wouldn't be possible.

That's right, show me those naughty panties, you dirty girl.

Mmm, show me what you got under those panties too, baby.

And I know a lot of you love my backside, so here's a view from behind.

Seriously, these panties are just so cute! Thongs really do make my ass look incredible, don't you think?

Oh yeah, Shyloh... Work it for me, girl.

Oh man, she really knows her audience, doesn't she?

Her ass is so perfect, it's absolutely breathtaking!

And since this video is for my paying subscribers, I'm going to give you all a strip tease!

Feel free to keep those donations coming if you like what you see. Hope you enjoy!

This is it. She's about to take it to the next level.

Fuck yes, take it all off for me, baby!

So, what do you think of my new panties, now?

They're even better when they're on the floor, aren't they?

Damn, she's really good at this. I can't get enough of her.

Come on, don't be shy. Tell me what you think in the comments below.

I love hearing from all of you!

She's got me completely hooked. She knows exactly how to get my money!

What I wouldn't give to cum all over that body... To rub my dick between those thighs and tits!

THE REAL MONSTER IS MAN
THE WIZARD

I hope you're enjoying the show, because I'm just getting started.

Oh man, she's so hot. I can barely stand it!

I'd give anything to be with her right now. To fuck her the way she deserves to be fucked!

Come here, Alex. Let's make this moment unforgettable.

I want you to fuck me, Alex.

Mmm, get over here and give me that big, hard cock right now, baby!

She's so perfect. All I ever wanted is to feel her from the inside.

Man, how sweet would it be to hear her moan my name... Like music to my ears!

Uh-uh-uh-uh-oh yeah! Give it to me, Alex!

Ungh! Ungh! Ungh!

To feel her warmth. Her soft velvety skin. Her tight, wet pussy clenched around me.

You love my cock, don't you, babe?

Your dick is so big, baby! I never had anyone this goo-ood!

Oh, Shyloh...

I'm right there, baby. Locked and loaded and ready to blow!

I'm going to give you my cum. I'm going to give it all to—

Yoooo! Uggghh! Shyloh!

MOAN!!!

Goddamn, she always makes me cum in no time!

Man, that was good.

Now I feel better. I really needed to cum. I've been pent up for days, now!

Heh. Nothing like a little bit of Shyloh to make everything better.

Whoa, dude. I completely covered my chest!

Blugh! This looks like multiple loads! Thank God it's my own cum.

Guess it had been longer than I realized. Shouldn't have held out for Melody this long...

No wonder I was in such a mood today.

Well, Shyloh, it's been fun, baby. Was it as good for you as it was for me?

Heh. Until next time, gorgeous.

Ahh, I could fall asleep right here, in my own cum, like the disgusting, filthy animal that I am.

Chuckle!

Wouldn't be the first time...

I'd better clean this off me, but first...

I'm going to rest my eyes just for a minute.

Mmm, it feels so good to relax.

Oh man, I'm crashing fast, now.

I swear, Shyloh drains the life essence right out of me, every goddamn time.

Money well spent. I'd give that girl my wallet, if I could.

YAWN!

Just need to get some sleep. What a night...

I think I'm going to call it and lay down.

Where did I leave my towel? I need to clean up this mess.

Can't believe how tired I am. Must've really worn myself out.

What the hell?! Are those...breasts?! This can't be happening!

This isn't right! I must be hallucinating or something. Maybe I'm just overtired.

No, no, no! This isn't possible!

My arms, my hands... What's going on with me, man??

I need to get it together!

Th-that's it. I must've dozed off after I shot my load.

Please, let this be a dream! Just open your eyes, Alex, and everything will be back to normal.

This is a nightmare. It has to be a fucking nightmare!

Fuck! Why can't I just wake up already??

This isn't real... heh. Right? No way this is real.

What do I do? How do I stop this?! Fuck, how did it even start??

I can't be changing. It looks like... like I'm turning into a woman!

Brett, are you home?? Somebody... Anybody... help! Please!

I-I don't think I'm okay!

Oh no... What am I going to do?!

Holy shit, did my... Did my voice change now, too??

No, no this is some whacky daydream or something.

Clearly I'm just sleep deprived...or pussy deprived... or both!

My voice... What the actual fuck is going on here!?

This voice sounds so familiar. Where have I heard it before?

How and why is this happening to me?? I refuse to accept this!

It defies all logic and physics. It's just not... possible!!

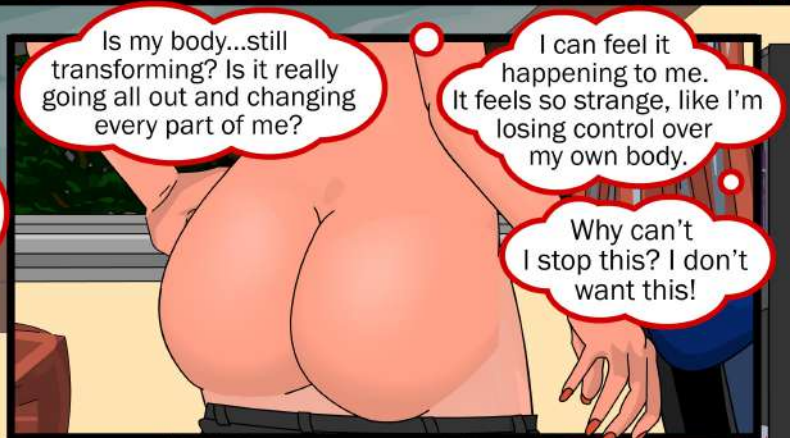

It's... still happening. A-and I'm not waking up.

This isn't a dream. I... I must be certifiable!

It's spreading! What do I do? Brett isn't back yet. I'm alone, and this is getting worse by the second.

I want to run for help, but I can't let just anyone see me like this!

There's no way they'll believe me!

Is my body...still transforming? Is it really going all out and changing every part of me?

I can feel it happening to me. It feels so strange, like I'm losing control over my own body.

Why can't I stop this? I don't want this!

No way. Is that my butt?! It's actually changing shape!

It feels... juicy! Why does my butt feel juicy?!

This is so weird and so wrong!

Holy shit. These curves... They're real, aren't they?

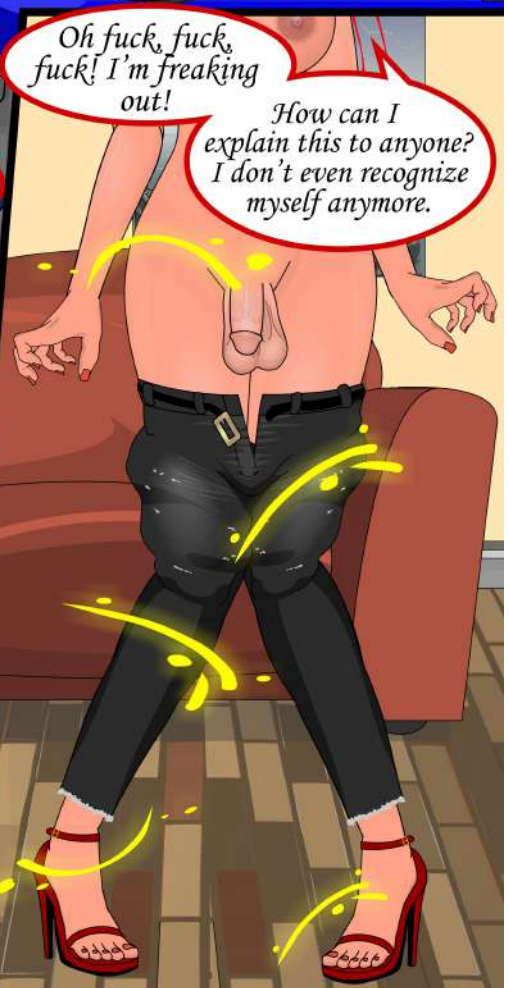

I can't believe this is all me!

How am I supposed to deal with this??

My legs...they're tingling. Are they about to change, too?? This can't be happening.

What am I going to do? I need to reverse this bullshit!

Oh fuck, fuck, fuck! I'm freaking out!

How can I explain this to anyone? I don't even recognize myself anymore.

Holy shit, I have the body of a complete hottie!

No way is this a good look for me!

What the fuck am I going to do from here??

Wait, I know! I need to call Brett.

Maybe he can help me. If I show him what's happening, he has to believe me.

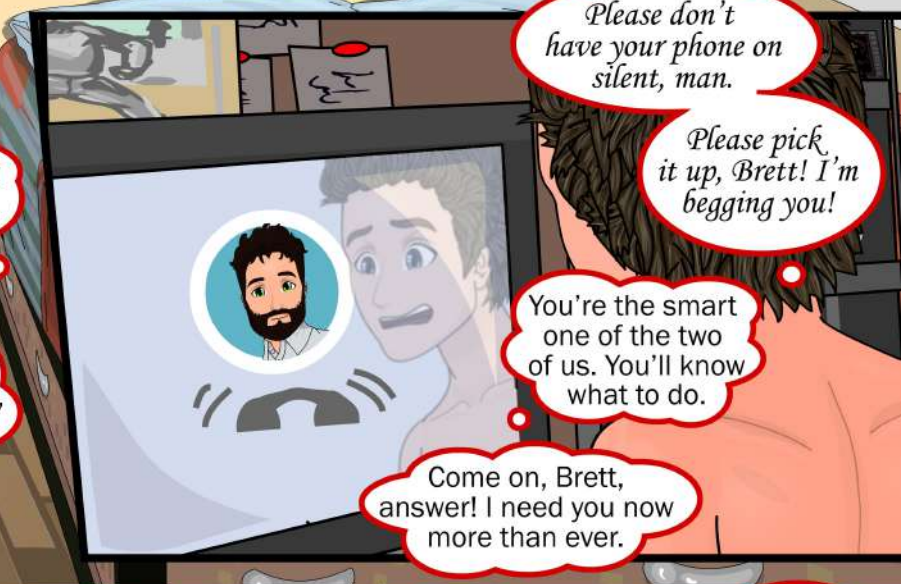

That's it! I'll video call Brett.

Where's my cell phone? I don't remember where I put it!

I need to get him on video call before this gets any worse!

I'm wasting too much time already. I'll just use my laptop.

Please don't have your phone on silent, man.

Please pick it up, Brett! I'm begging you!

You're the smart one of the two of us. You'll know what to do.

Come on, Brett, answer! I need you now more than ever.

Ugh! Of course, Brett didn't answer...

What am I supposed to do now? If he doesn't see the transformation for himself, he'll never believe me!

Without proof, he'll think I'm some crazy chick or something!

Oh my God, please call me back, dude. I need you! I can't handle this on my own.

No, no, no! My head... my hair... I look like... Shyloh!?

Oh God, am I turning into Shyloh??

This is some twisted irony!

Okay, okay, just breathe, Alex...

I need to try and think this through logically.

Panic won't solve anything, so calm down.

What's my next move? Is there any way I can fix this, or anyone I could talk to who might understand??

Shit. How do I even begin to understand this??

Everything has transformed into Shyloh... except my cock,

Oh no. Please, God no. No, no, NO!

GASP!

It's gone... my beautiful, perfect penis... is gone.

What am I supposed to do about my—??

AHHHHH!
Not my dick! This is too much!!

I just lost one of my best attributes... My favorite attribute!

Hell, I've lost everything... How can I live like this? Knowing what I lost. I've completely transformed... into Shyloh.

I am my own online crush, now. This is unreal.

How can I be her? I was just jacking off to her a few minutes ago!

I can't do this, man. I can't be a hot chick! Especially an internet celebrity!

Wait... my phone! I remember! I left it on the kitchen counter.

I can call the police! Maybe they can help me figure this out.

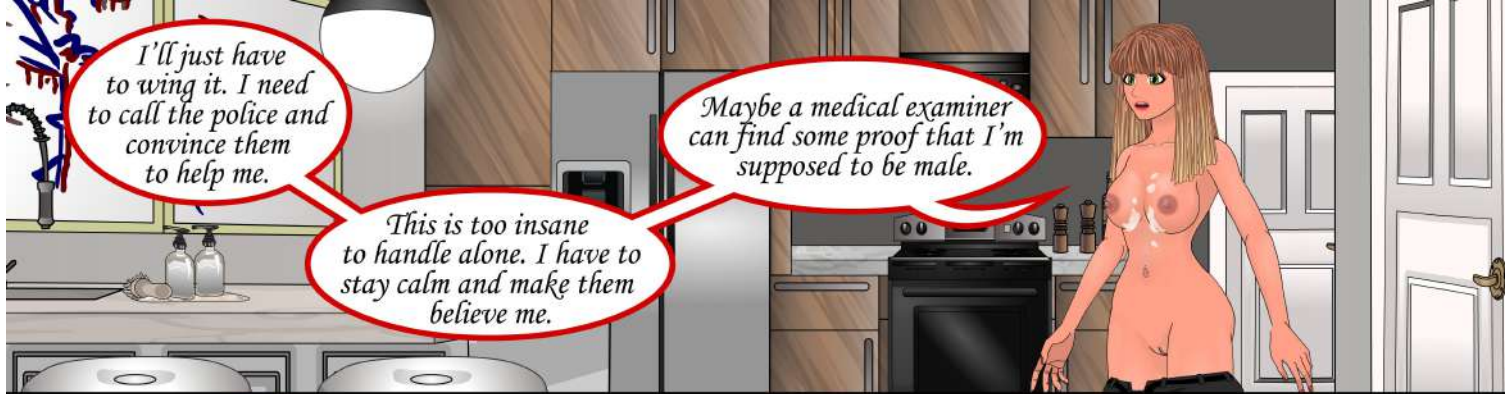

I need to get to it fast!

But how do I explain this to the police? What am I going to say?

"Hi, I've just magically transformed into Shyloh the Only Fox model!"

They'll think I'm crazy!

I'll just have to wing it. I need to call the police and convince them to help me.

Maybe a medical examiner can find some proof that I'm supposed to be male.

This is too insane to handle alone. I have to stay calm and make them believe me.

There it is. Thank God! I just need to make the call and stay calm.

Come on, pick up... Please, I need help... This is getting worse by the second.

Hey, I'm back with the pizza!

Alex, you still up? Hungry? I got our favorite!

What the fuck is going on in here? Did Alex call someone over?

It looks like I interrupted at the worst possible time.

Um...

Oh no... It's Brett. What do I say?

There's nothing I could possibly tell him that doesn't sound absolutely insane!

Sorry, miss. I didn't mean to—

Hey, aren't you Shyloh? The internet star?

What are you doing here? Don't you live in California?

It's a long story...

Should I tell him the truth? Will he even believe me?

I bet it is. This is so unexpected.

You must've flown out for Alex, huh? Did you two meet online or something?

Brett, it's not what it looks like!

I'm not actually Shyloh... I mean, I look like her, but I'm not her.

Heh. Um, okay? I don't get it. Is this some sort of joke that I'm not in on, or what?

What's really going on? Did Alex tell you to mess with me?

I have to tell him the truth... There's no other way.

Brett, it's really me... Alex, I know that sounds crazy, but it's the truth! I need you to believe me on this.

Alex? Come on, that's impossible. How can you be Alex?

I... I don't know how to explain it. One minute I was myself, and then... I started changing. I was just in my room, and...

Yeah, okay. So, you just magically transformed into a well-known internet celebrity for no reason?

Yes! I mean, no. It wasn't completely random, I...

I didn't want to tell you this part but, since you insist...

I was jerking off to Only Fox when you left. I blasted myself in the chest, and before I could fall asleep, I started transforming into Shyloh...

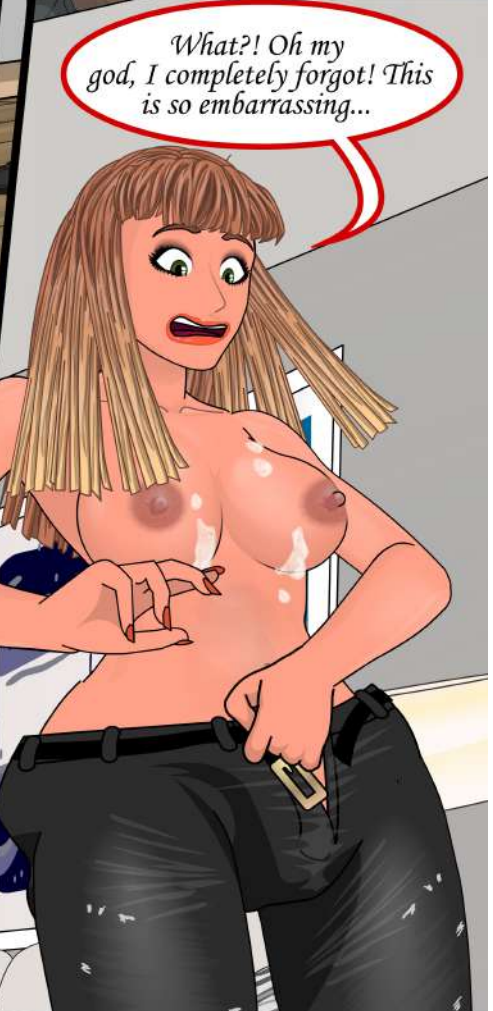

And now I'm the chick I just blew my load over.

And here we are! It's the truth, man. I swear!

Uh, Alex... Or Shyloh, whatever.

You're, uh, topless. And your crotch is exposed. Also, there's... cum on you.

What?! Oh my god, I completely forgot! This is so embarrassing...

How could I forget to clean myself up? Just when I thought things couldn't get worse, I have to completely embarrass myself, too.

Alex, seriously, if this is a prank, it's really elaborate.

I don't know how it happened, but it did. I was hoping you could help me figure this out.

You're saying you just transformed? How?

My bad, dude. I guess I got a little flustered, with everything happening.

I tried calling you, and I even tried calling the cops, but then you arrived, so I dropped the call.

Why are you running around with your pants down and cum on your chest?

I told you, I was overwhelmed, okay??

Yeah, but how could you forget? That's an impressive amount of jizz.

You look like you just left a bukkake party.

This is so bizarre... my roommate looks exactly like Shyloh.

I'm such a huge fan. Damn, this is so weird...

Shyloh is in my kitchen right now, with her tits out, covered in cum.

It's probably my high testosterone levels...or something. I don't know!

Can we just move on from the cum on my chest, please?

We have bigger problems to deal with right now!

I shouldn't be turned on... It's not her, it's Alex...

But goddamn, this is like a real-life fantasy happening before my very eyes!

Shit, I'm definitely turned on over this.

Fuck. What's wrong with me? That's my best friend!

But...I can't help it. My cock has a mind of its own!

Shit, I'm sorry, Alex!

I need to find something to wear that fits my body. I can't just walk around with my tits out all night.

Fuck, I'm hard. Please don't look down...

Please don't notice... This is so awkward.

Maybe we can find something around here that fits you. There has to be something.

I doubt it. I don't keep any of the clothing chicks left behind.

Have to destroy the evidence for the next girl, ya know?

Uh hey, can you go grab my sweater from my bedroom?

Uh, yeah. Sure. It might be the best option for now.

What the hell am I going to do to change back?

I can't be stuck like this forever, right?

Here's your sweater.

Thanks, Brett.

Though I'm not sure it will fit you. Your body is so short and thin, now.

You're right, this thing is like a tent on me! It's way too big.

Guess I won't be winning any fashion awards tonight.

Well, at least you're covered, now.

Whoa, what's happening now? More transformations?

It looks like the sweater is turning into something that fits me.

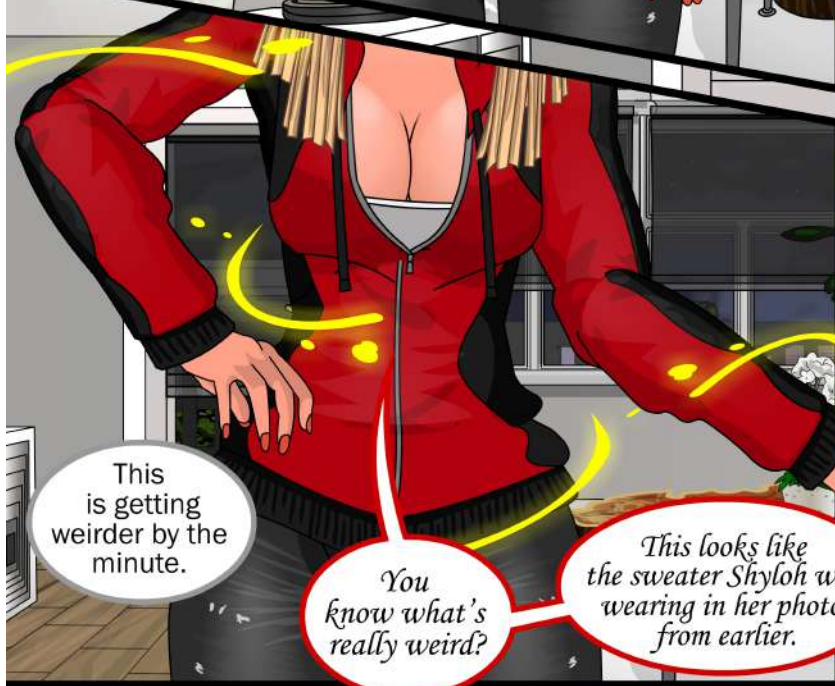

What the hell? How is it doing that??

I told you, this whole night has been trippy as hell!

What kind of magic is this? For whatever reason, it wants me to look my best.

I don't know, but you're right about that. That sweater looks like it's made for you, now.

This is getting weirder by the minute.

You know what's really weird?

This looks like the sweater Shyloh was wearing in her photos from earlier.

Wait, my jeans... They've turned into skinny jeans!

This is the clothing she was wearing earlier!

How did I not notice this sooner?

I did think it was strange that you were wearing chick clothes.

Your work clothes must've changed with you.

This is all so crazy. What does it mean??

You wanna talk crazy? Look at your shoes.

How can you walk in those heels so easily, man?

I... I didn't notice those, either.

I didn't feel them at all. It's like I'm used to wearing them already.

See? This just feels so natural to me.

Alex walks in those heels like he's done it his whole life...

This is both amazing and strangely arousing.

Well, at least you're handling this transformation surprisingly well.

It's almost like you've always been Shyloh.

Let's think this through. Why did you transform into Shyloh after watching her videos?

I have no idea. I was just enjoying some time to myself, and then... this happened.

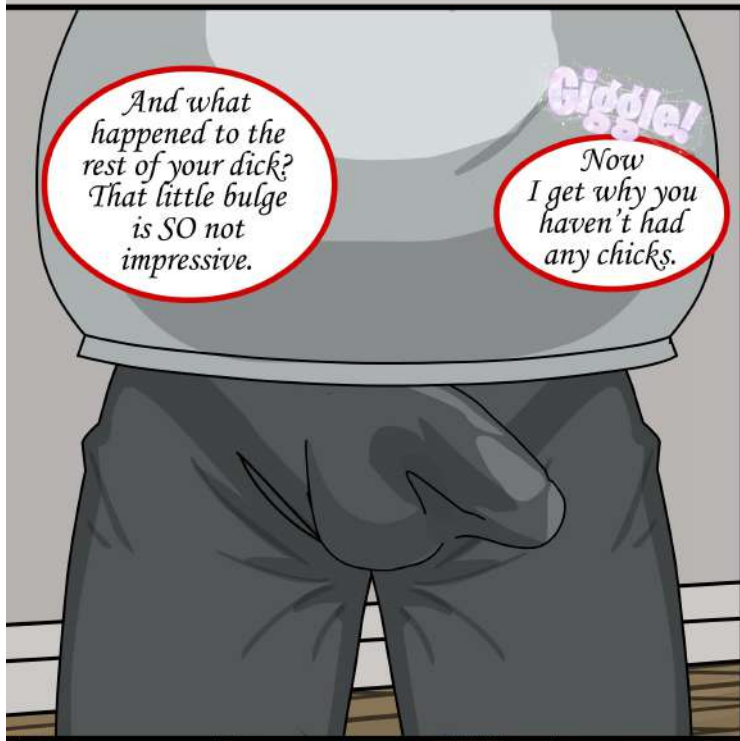

There must be a reason we aren't thinking of...

Ew, dude! What the fuck!? You've got an erection??

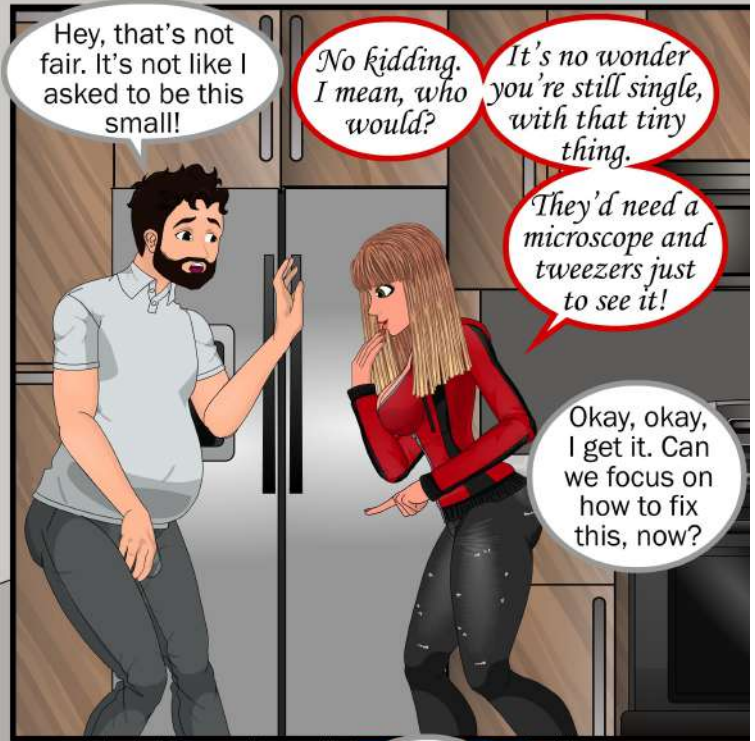

Can you blame me? You're... well, you look like Shyloh, now. It's not like I can control this.

Well, try to keep it under control. This is already weird enough without you popping boners for me!

And what happened to the rest of your dick? That little bulge is SO not impressive.

Giggle!
Now I get why you haven't had any chicks.

Hey, that's not fair. It's not like I asked to be this small!

No kidding. I mean, who would?

It's no wonder you're still single, with that tiny thing.

They'd need a microscope and tweezers just to see it!

Okay, okay, I get it. Can we focus on how to fix this, now?

Well, what do you suggest?

My guess is it has something to do with the statue's wish.

A wish got us into this mess, and it should get us out... theoretically.

That's the only explanation that makes sense.

Okay, so we'll just make a new wish to reverse this one.

Let's grab that statue and turn me back to my old self again!

Wait... where's the statue? It was right there!

It's gone? How could it just disappear like that? We need to find it!

I swear, I didn't take it. It was right here when we left the room.

I didn't take it either. Where could it have gone?

Where did it go after we both left the room? Did someone else take it?

I didn't hear anyone come in after you left.

Maybe it left on its own. I mean, if it's capable of granting wishes, who knows what else it can do?

That's crazy, Brett. Statues don't just walk away on their own.

Think about it. If it can grant wishes, it's not just an ordinary statue.

We're dealing with something beyond our realm of knowledge and life. It could have its own agenda.

My wish was to "have sex with any woman I wanted". This isn't that. It's a nightmare.

In a weird way, this is sort of your wish. You can have sex with any woman, but as that woman instead of with that woman.

It's like a cursed monkey paw wish.

Great, so now I'm the woman I wanted to be with. That's just perfect.

I told you that fucking thing was cursed!

Wait. Didn't you say you made a wish, too?

What was your wish? Did it come true?

I...um... I wished to be very attractive and have a body that women found irresistible.

So, no. I guess my wish didn't come true.

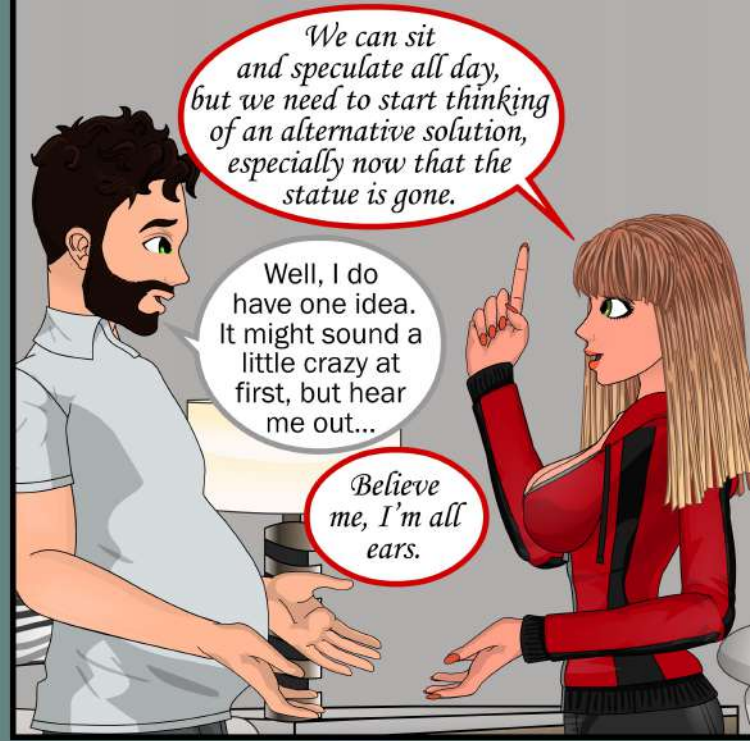

So, why was my wish granted and yours wasn't?

This doesn't make any sense.

Of course Alex always gets all the luck.

Why couldn't I get my wish too, at least?

Maybe the statue only grants one wish at a time. But that still doesn't explain why it chose yours over mine.

We can sit and speculate all day, but we need to start thinking of an alternative solution, especially now that the statue is gone.

Well, I do have one idea. It might sound a little crazy at first, but hear me out...

Believe me, I'm all ears.

What if you masturbate again? If that's what caused the transformation, maybe it's the only way to turn back.

Seriously? You pervert! That's your big idea?

Do you have a better alternative? This is just a hypothesis, but it's based on what we know works so far.

We'll never know for sure if you don't try it.

This is so ridiculous. How could you even suggest—?

Do you have a better idea?

SIGH... Fine. I'll do it. But only because we don't have any other options. This better work...

Good luck, and Godspeed, Shylo—uh, I mean, Alex.

I can't believe I'm doing this. How did my life turn into this mess? I just want things to go back to normal. Please let this work...

I came so fast earlier, I didn't even get to view all of Shyloh's new content.

Hopefully, I'll find something that can turn me on again that quickly.

Shouldn't be too hard. It had been a while before tonight, so I'm sure I've got another round in me.

This should do the trick.

Hot Yoga - Nude Edition.

That sounds perfect!

Welcome, subscribers, to my exclusive yoga session. Today's session is special.

It's completely nude for my paying subscribers only.

Alright. Here goes nothing...

First, I'm going to start with a little "Downward facing Dog" pose.

This is a great starting point for both of us, don't you think?

Hm. Well, this is...different. The equipment is a lot more complicated than what I'm used to working with down here. It doesn't exactly feel amazing...

Come on! I get chicks off all the time, so this shouldn't be too hard to pick up.

Mmm, okay. That feels like the sweet spot. Now I'm cooking with fire!

Damn, this is a lot more sensitive than I thought.

Teasing around my clit feels more satisfying than too much pressure head-on... Who would've thought?

I'm still not getting aroused. This is super frustrating.

It's like I can't focus, with everything on my mind... No matter how hot Shyloh is right now.

Mmm, I really feel it in between my thighs.

Ugh, this sucks! The one time I actually need to masturbate, and I can't because of this messed-up situation.

Normally, Shyloh drives me wild! If she can't get me off, then nothing will.

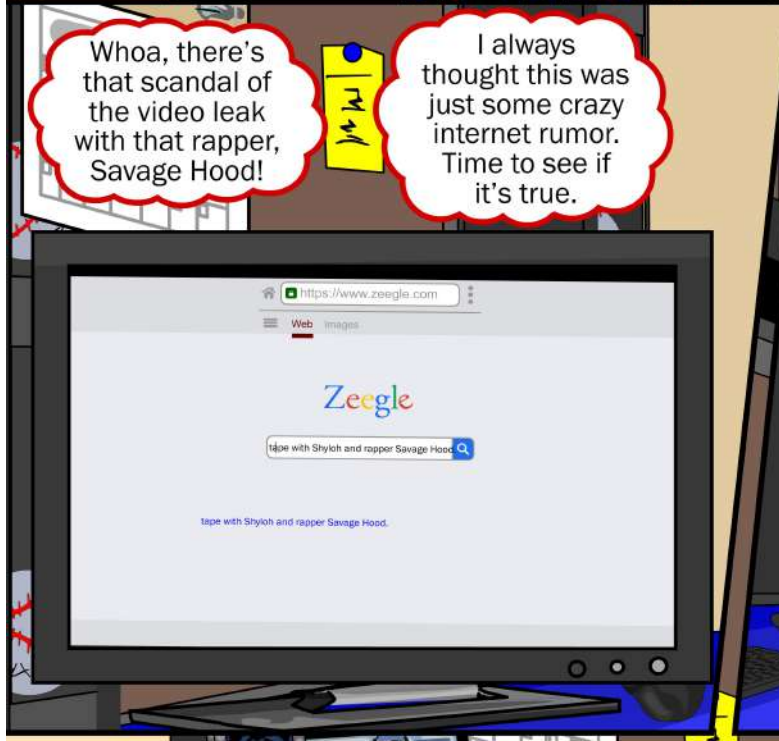

I guess it's hard to get in the mood after you realize you were cursed to change genders...

Or... maybe I need something more intense than just nude pictures and suggestive videos.

I wonder if Shyloh has any actual porn posted of herself.

Considering her following, there has to be something out there. Let's just see what happens after a quick Zeegle search.

Whoa, there's that scandal of the video leak with that rapper, Savage Hood!

I always thought this was just some crazy internet rumor. Time to see if it's true.

You like what you see, don't you, big boy?

Mmm, tell me how much you want it.

You know I do, baby. But enough teasing.

I want you to get over here and suck my dick.

Okay, this is definitely more like it.

Oh God, this is so much hotter than naked yoga.

Oooh... I swear your cock is the biggest I've ever seen, baby!

I can't believe how turned on I am already.

Mmm... This is starting to feel really, really good.

Whoa. Okay, now I'm starting to really feel the difference.

The sensations are far more intense now that I'm actually turned on!

Mmm, so tasty!

You're my favorite treat, baby...

You're my favorite too, girl.

Now, put those perfect tits on me.

Yeah, wrap them around my cock. Just like that.

This feels so different from jerking off...

Everything is so much more sensitive. The pleasure is amplified.

I'm enjoying this way more than I expected!

Her breasts are so perky. So voluptuous...

And Savage... I can't believe the sheer size of him.

His cock is so massive, it pokes out through the top of her tits, filling her cleavage completely as he tit-fucks her.

It's unreal. So hot... Go on, Savage... give her that big black cock.

God, he's incredible... Even better than most porn stars. I just can't look away!

Mmm, this video just makes me wetter and wetter!

My fingers are sliding in and out so easily, it's making me want to...

MOAN!

MOAN!

Oh, yes!! Mmm, fuck that feels good.

Damn, this is so hot... My roommate is a horny hottie like Shyloh, now.

I know it may be wrong, but part of me wishes that she doesn't turn back...

Fuck, forgive me Alex, but... I can't help it... This is just too much...

It's too hot!

I...have to relieve myself... I can't hold it back any longer!

Oh God... this feels so good... I can't stop... I need more...

I...I feel like I'm getting close already.

Damn, baby. You really are a pro at this.

I'm about to be your number one subscriber!

Come here, girl, I want to hit it from behind.

Yes, yes! I want to see him really give it to her.

Show her what you've got, baby!

Mmm, that's right, fuck me, baby. Give me that cock.

Oooh, let me feel all of you!

That's what I'm talking about. Give me that tight, wet pussy.

Wait a minute... Did I just call *him* "baby"??

Holy shit, I'm not turned on by *her*... It's *him*... and his *huge cock*!

Oh God, my sexuality has changed...and I'm getting off to a *guy*!

Ohh, fuck it. It feels too good to stop now. I'm... I'm so close.

At least the second I cum I'll turn back into a dude.

And right now, I think I'm building towards it... I think I'm about to...

Ahhh!
Yes... Oh God, *Savage*... yes!

Oh man, she's climaxing in there. This is so hot.

I'd give anything to have a girl like Shyloh...

The things I'd do to her... God, I want her so bad...

If only I could go in there... If only I could be the one to make her cum... Oh man, the things I'd show her.

She's making me so hard, it feels like my dick is bigger than normal!

I need to hurry and cum before Alex catches me with my pants down...literally. God, I'm so close.

Wait a minute... am I crazy? My dick really *does* feel bigger! This is unreal!

What the...? I've almost doubled in size! This is insane, but... maybe it's a gift from the statue? I did wish to become more desirable.

Although now that I'm looking at it, my skin looks darker, too! Am I tanner than usual? How is this possible?

Wait. Hold on a second. Is my...is my skin color...different?? Holy shit, am I... black?

Why would that be a part of this?? What the hell is going on?! This is beyond crazy!

I'm getting taller too... And these muscles... This is unbelievable!

Why is my body completely changing? It's like what happened to Alex is happening to me! But what does this have to do with my wish??

Phew! Wow, a female orgasm is intense. I'm glad I got to experience that at least once in my lifetime.

Why am I not transforming back into Alex? What's going on? Is something else happening that I don't know about? This is incredibly frustrating!

Well, that was weird. I can't believe I came that hard to a *guy*.

I'm definitely taking this secret to my grave. No one can ever know what happened here today.

Hold on, something feels off. Why haven't I changed back yet?

The transformation should have happened by now, right? How long did it take last time?

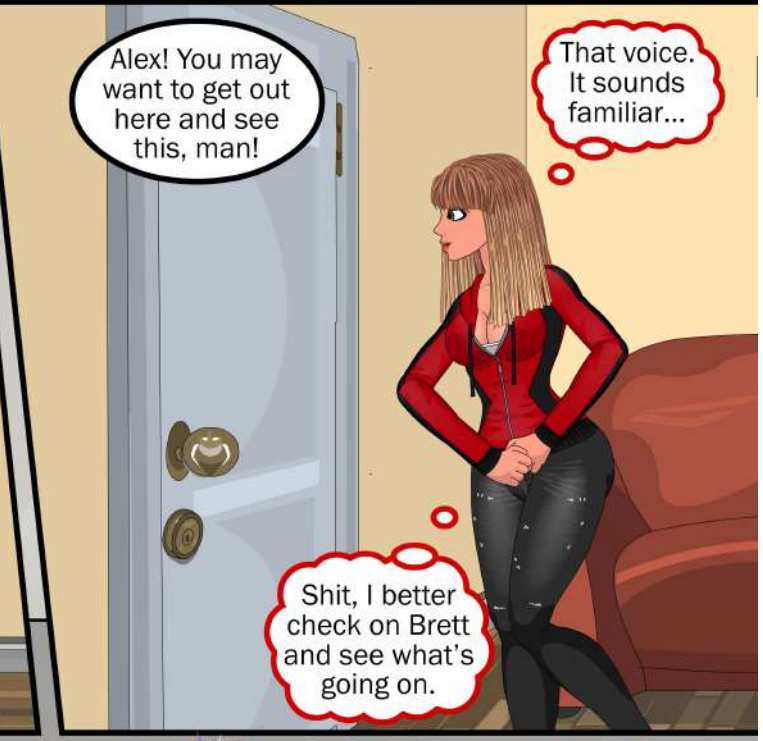

Maybe I'm just misremembering, and it just takes a few minutes longer than I thought.

GASPI!
GAHH!
What the hell is going on?!?!

What the...?!
That sure as hell didn't sound like Brett.

So, who the hell is out there yelling? I don't recall any plans to have company over—not during a time like this, anyway.

Alex! You may want to get out here and see this, man!

That voice. It sounds familiar...

Shit, I better check on Brett and see what's going on.

Shit, shit, shit!
And just when I thought this day couldn't get any more insane!

I better cover up before Shyloh—I mean, Alex comes out and sees me like this.

Fuck, why am I transforming into a completely different person now, too?

GASPI!
Brett?? Is that... you??
What the fuck happened to you??

Why do you look... black??

I-I don't know. I just started changing.

What did you do in there?? Why is happening to me??

I-I didn't do anything I wasn't supposed to in there! I just stuck to the plan!

What the hell did you do when I was away?

I don't know! I didn't do anything, I just started changing!

But how? I was only in the room for a few minutes! You were fine when I left!

I swear, I didn't do anything! One moment, I was just...me, and then **this** started happening!

Well, then who are you turning into? Are you absolutely sure you didn't do anything to cause this??

No weird wishes or anything by accident?

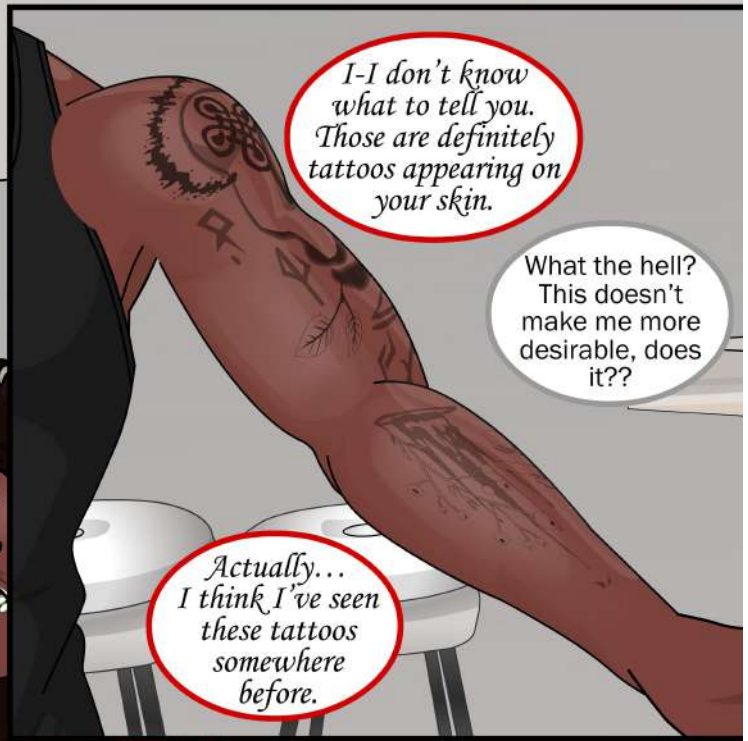

I swear, I didn't do anything! Unless... Do you think it could have something to do with my wish from earlier?

Why would changing your race make you more desirable to women??

Look, you're getting tattoos! The transformation isn't over yet.

Tattoos? I never wanted tattoos! Why would it give me tattoos?

I-I don't know what to tell you. Those are definitely tattoos appearing on your skin.

What the hell? This doesn't make me more desirable, does it??

Actually... I think I've seen these tattoos somewhere before.

Seriously? Where did you see them?

Give me a second. I need to think...

Oh shit. I remember where I saw these...

They're an exact match to the rapper **Savage Hood!**

Rapper Savage Hood? Are you serious? Why would I be turning into someone famous?!

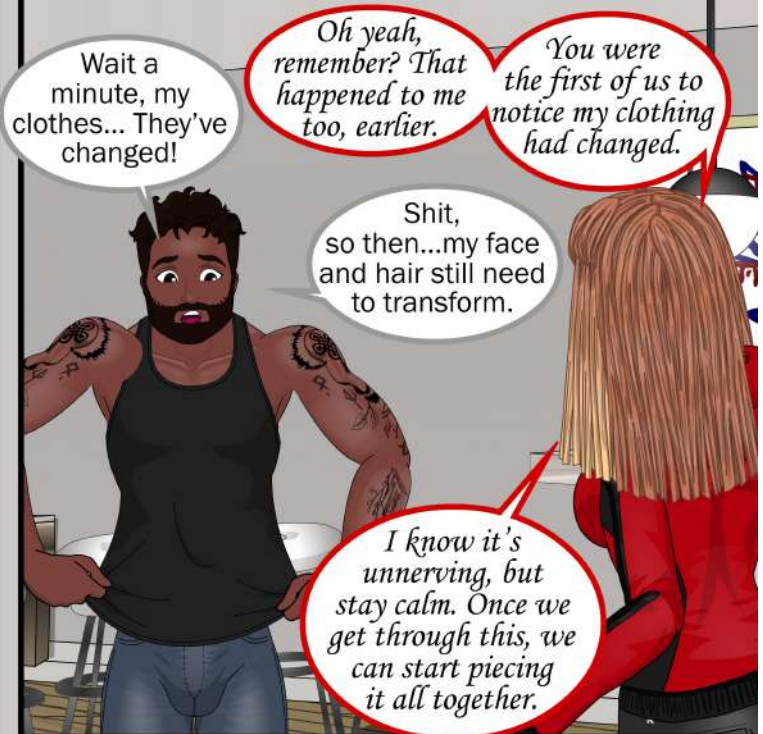

Yeah, the more I look at you, the more it tracks... You're turning into Savage Hood!

I recognize you from...uh, a music video! Off his new album.

This is getting weirder by the minute. So, now we're both going to look like someone famous? Seriously?

Yeah, it's a lot to take in...

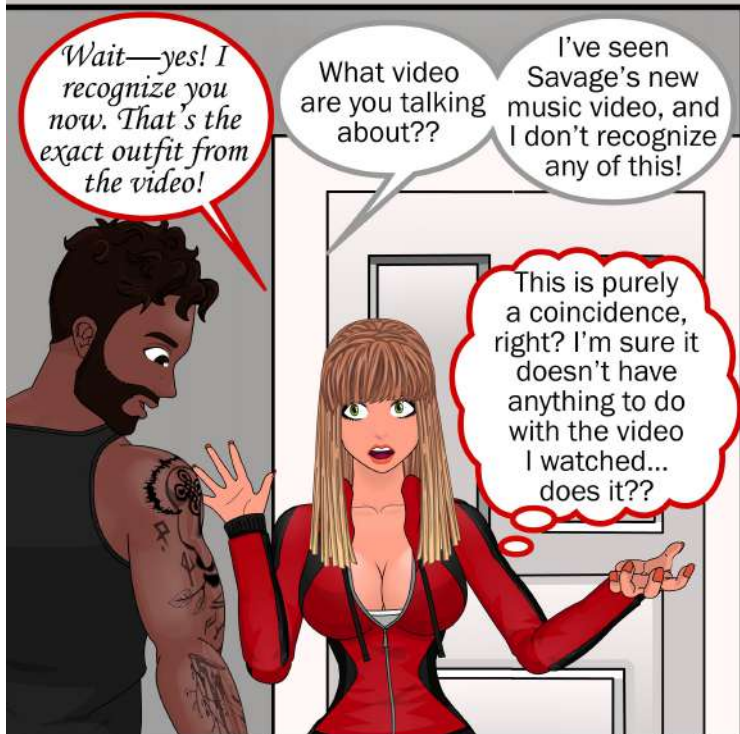

Wait a minute, my clothes... They've changed!

Oh yeah, remember? That happened to me too, earlier.

You were the first of us to notice my clothing had changed.

Shit, so then...my face and hair still need to transform.

I know it's unnerving, but stay calm. Once we get through this, we can start piecing it all together.

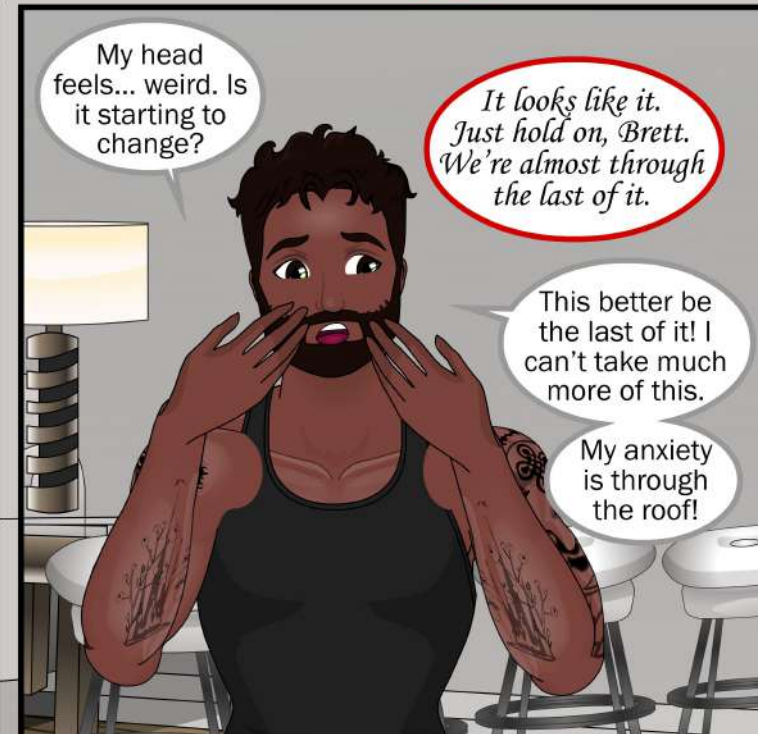

Wait—yes! I recognize you now. That's the exact outfit from the video!

What video are you talking about??

I've seen Savage's new music video, and I don't recognize any of this!

This is purely a coincidence, right? I'm sure it doesn't have anything to do with the video I watched... does it??

My head feels... weird. Is it starting to change?

It looks like it. Just hold on, Brett. We're almost through the last of it.

This better be the last of it! I can't take much more of this.

My anxiety is through the roof!

Oh man, I can feel it. My face... my hair!

It's okay. You're doing great. Just breathe.

Is it... Is it finally over??

Oh yeah. And you look...you look just like him.

It's definitely going to be a shock when you look at yourself in the mirror.

Why the hell did I transform into a famous rapper?

I mean, I get that he's desirable, but I don't see the connection.

Um, I might know why it happened...

You do? Then spill it. What the hell is going on?

Well, it's a bit awkward to explain, but here goes.

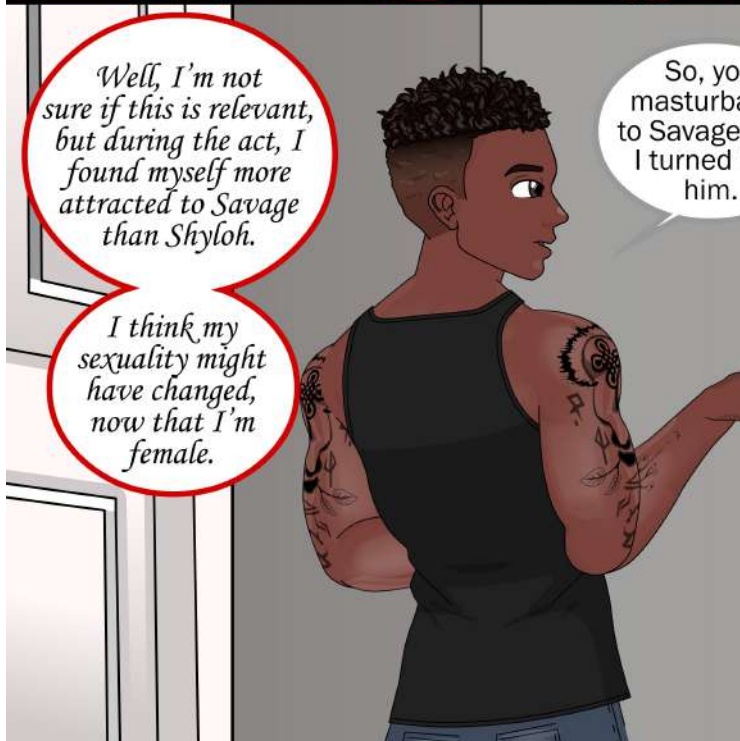

I was having trouble getting off, so I found a sex tape of Shyloh and Savage Hood.

Okay, but why would that make me turn into him? I thought masturbating only made you transform.

I know it sounds weird, but it's the best explanation I have right now.

Yeah, but...there's got to be more to the story. It just doesn't add up.

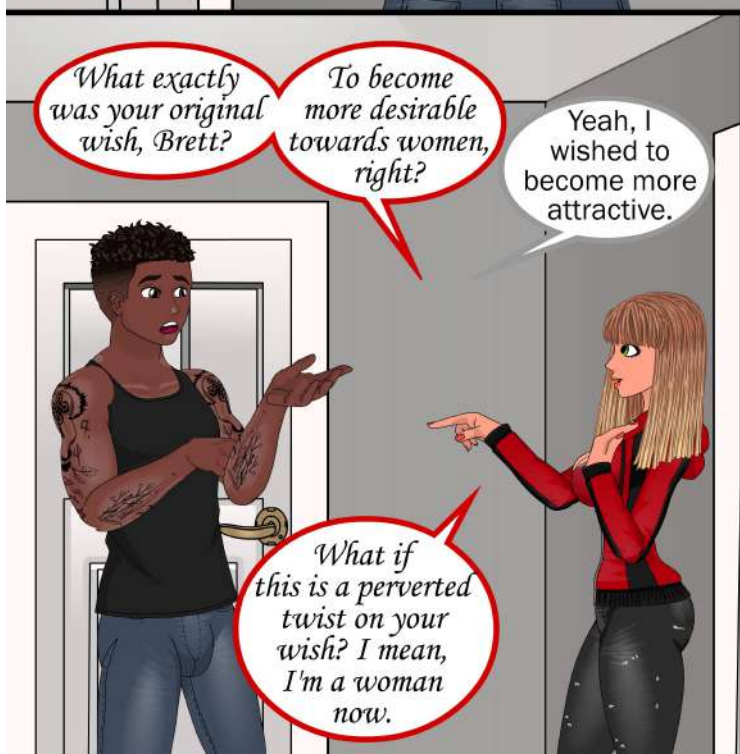

Well, I'm not sure if this is relevant, but during the act, I found myself more attracted to Savage than Shyloh.

So, you masturbated to Savage, and I turned into him.

But why did it only affect me?

I'm not sure. Maybe all this is more complicated than we think.

I think my sexuality might have changed, now that I'm female.

What exactly was your original wish, Brett?

To become more desirable towards women, right?

Yeah, I wished to become more attractive.

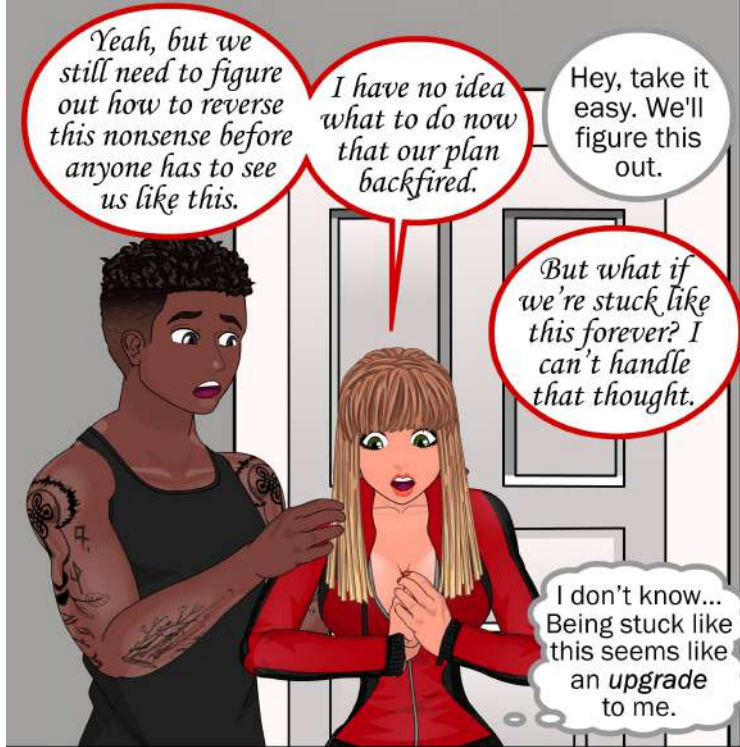

What if this is a perverted twist on your wish? I mean, I'm a woman now.

Oh, so my desire to be attractive made me exactly what turns you on.

Exactly! Your wish twisted into this...

Okay, this is all starting to make sense to me, now.

Yeah, but we still need to figure out how to reverse this nonsense before anyone has to see us like this.

I have no idea what to do now that our plan backfired.

Hey, take it easy. We'll figure this out.

But what if we're stuck like this forever? I can't handle that thought.

I don't know... Being stuck like this seems like an upgrade to me.

Look, let's get some air. Maybe a walk will help clear our heads.

What good will a walk do right now?

Walking always helps with my anxiety. It'll calm you down, and get your mind off things.

We might even find something fun to do.

Trust me, with a clear mind, we can think of a plan B.

Okay, let's give it a shot.

Great. Drinks, dessert, whatever you want. Tonight's my treat.

Thanks, Brett. I appreciate it.

Got everything? We should get going while the night is still young.

Yeah, I'm ready. Let's do this.

Don't worry. I know you're upset now, but we're going to figure this out together.

Downtown Denver

See? Isn't this much better than staying inside and panicking?

Yeah, I do feel a bit more centered. Thanks for talking me down.

Control what you can control. It's something I learned in therapy, and it really helps focus the mind.

That's good advice. I'll try to keep that in mind next time I'm cursed.

This is such a nightmare! But I have to admit, it's kind of nice having someone here who's going through it with me.

That's right, we've got each other. And who knows? Maybe we'll get used to this.

You're at least still a man, but I don't really want to be female.

I don't think I WANT to get used to this!

People look at me differently.

I get that. It's a whole new perspective.

Isn't that Shyloh and Savage Hood? Are they together now?

I heard about their sex tape... Maybe they are officially an item.

People are starting to recognize us. This is gona be tricky.

Yeah, being well-known is a whole new ballgame. I've never dealt with this kind of attention before.

No friggin' way. Dude, isn't that Shyloh?

Damn, bro. She looks even better in person.

Hey, Shyloh! I'm, like, your biggest fan!

This is SO weird. I really don't like this attention.

Just stay close. I've got you.

Hey, give us some privacy, will you?

Oh, sorry, man. Didn't mean to intrude.

Huh. I've never seen this side of Brett before. He's actually kind of attractive when he's being protective.

Thanks, Brett. I appreciate it.

Anytime. We're in this together.

Hey, there's a nightclub down the street. What do you say we check it out?

I don't know, Brett. I'm not really in the mood for a club right now.

Come on. It could be a lot of fun. Trust me on this one.

Look, that's not just any club—that's ELEVATE. It's the hottest club in Denver!

And it's a busy Friday night. I'm sure it's shoulder to shoulder in there right now. I highly doubt there's any room for us.

Uh, don't forget, we're celebs now! There's always room for us!

Now come on, let's check it out.

Everyone is staring at us. I'm not sure if more attention is a good idea.

What if word gets back to the real Shyloh and Savage?

Relax, Ale—I mean, Shyloh. We've got this. Just follow my lead.

Hey man, what's up? We're here to check out the club tonight. Got any room for us?

Hey, aren't you Savage Hood? Of course we've got room!

We've got a VIP section ready for you two. Go on inside.

By the way Miss Shyloh, you look stunning tonight. Huge fan.

Uh, yeah. Thanks...

Ew, is that guy blatantly checking me out? Am I that obvious when I check out women?

I'd better make a mental note to be more subtle from now on.

Wow, this place is even better than I imagined. I've always wanted to check it out, but was never cool enough to get in.

Told you this was a good idea!

Get used to it for now. We're VIPs tonight!

Right this way, sir.

Getting into the VIP section at Elevate? Now this is how you party!

Hey, when you're Savage Hood and Shyloh, the world opens up for you.

I've never been treated with such respect and deference before. This is incredible.

Imagine all the possibilities that statue brings. Being able to turn into whoever we want? This could be huge for us!

It's a good idea in theory, but we still haven't figured out how this whole wish thing really works. Maybe we should focus on that first.

Yeah, but think about it. We could live like this all the time. No more mundane lifestyle.

But we don't even know where the statue is...

Good evening! It's an honor to serve you both during your stay.

To welcome you to our establishment, we wanted to gift you our best champagne!

The first bottle is on the house for our VIPs.

Appreciate it, man. Thanks.

Cheers, buddy. We'll definitely let you know if we need anything else.

Absolutely, sir. Enjoy your evening, and let me know if I can assist you further.

Here's to a bright and beautiful future, filled with endless possibilities.

I knew I was right about that thrift store statue all along.

Yeah, cheers to that...

Is he delusional? We're cursed! This isn't the blessing he keeps making it out to be...

Man, I've never had champagne this good before! What do you think, Shyloh?

It does taste expensive, that's for sure.

It's hard for me to really enjoy it, not knowing if I'll ever change back to my regular self.

You know, what if we could keep transforming into different people, based on who we masturbate to?

That's my point. We need to figure out how the logistics of making wishes work with this statue.

We also need to find the cursed thing!

Lucky statue, Shyloh. Lucky. And I don't care where it is, as long as the magic still works.

You know, we could see what happens when I masturbate instead of you.

See if the magic works both ways.

That's an idea, but who would you need to masturbate to for it to work?

How about someone like Scyler Johnson or Riley Redd?

We could become famous actors, or even porn stars!

I don't like this idea, Brett. I just want to turn back into Alex.

How do we change back into our old selves?

We'll turn back eventually. Right now, we should cherish this opportunity.

If we can turn into anyone without limits, why worry?

We don't know that to be true, yet. We're only guessing.

It's not like the statue came with a manual.

You're being a glass-half-empty kind of person again.

Just relax and trust me. Nothing bad will happen, I promise. You're with me, and I've got you.

Alright, I'll try to relax. It's just hard, with all the uncertainty still lingering over this situation.

I guess I can try to be more positive for the time being.

It is pretty cool, getting all this special treatment from people.

Damn, she's even more beautiful up close. And luckily for me, this new body might give me a chance with her.

Unlike before, when I had zero chance with someone like Shyloh, now I might actually have a shot.

I just have to take it...

Maybe I'm reading too much into this, but is Brett trying to hit on me?

You know, Shyloh, you're even more stunning than I realized.

I feel like we've been given a second chance to explore ourselves, from an entirely new perspective.

What are you—?

Oh no, I'm so sorry! I didn't mean to—

It's fine, really. You don't need to do that.

No, no, let me clean it up for you. I'm really sorry about this.

Brett. It's alright, I can handle it myself.

Here, give me the napkin.

Oh, right. Heh. My bad.

Fuck, I was right. He's totally fixated on me.

How do I draw a boundary without this getting awkward?

Sorry about that. I think chugging that glass of champagne hit me more quickly than I thought...

It's fine, really. Just be careful next time.

Come on, Brett. You're Savage Hood now. You know she has a thing for him!

Be the confident, suave ladies' man you're known to be. Just let it fall into place.

Ahem!

So, where were we?

Here we go again...

If he's going to be hitting on me all night, I'd rather be drunk.

Look, even though I'm having more fun with this situation, your feelings matter to me, because you matter to me.

I want you to know that no matter what we look like, I cherish what we have, and I care about you.

That's... actually really sweet, Brett.

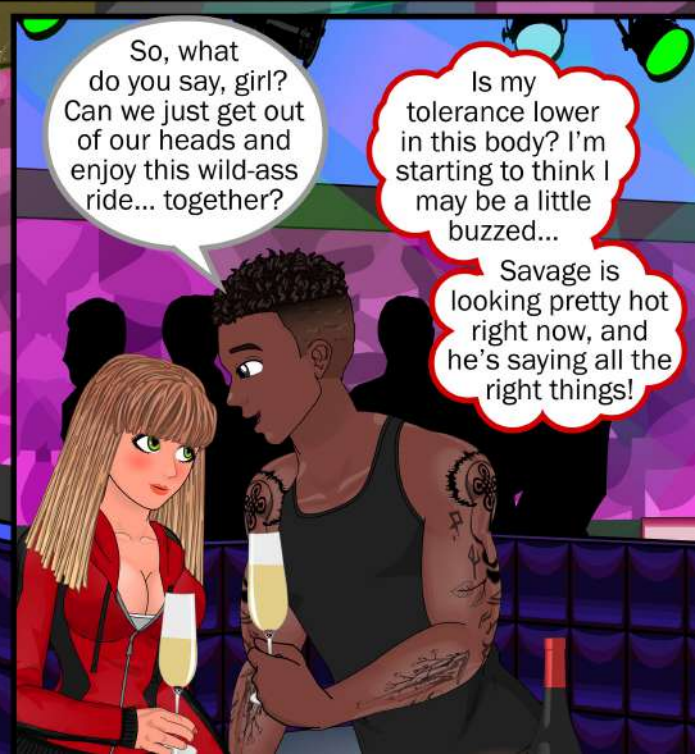

I'm glad, because, well... I can't help but feel nervous around you tonight.

You're so insanely gorgeous, and I know the person inside is just as fun, funny, smart, and fantastic company.

Giggle!

Oh stop! You're making me blush.

So, what do you say, girl? Can we just get out of our heads and enjoy this wild-ass ride... together?

Is my tolerance lower in this body? I'm starting to think I may be a little buzzed...

Savage is looking pretty hot right now, and he's saying all the right things!

You know, Brett, you've never been this much of a charmer. But tonight, you're really on fire.

Well, with a gorgeous woman like you, how could I not be? You've got me feeling things I've never felt before.

I've been thinking about what you said earlier.

It's pretty hot that you were watching your own sex tape.

It's got me curious... Have any more details you can share?

Oh, you want to know more, huh?

The video was pretty long. We got into a lot of positions.

Oh, really? And what kind of things are those?

Like I want to make you feel as special as you make me feel.

Mmm, what kind of positions are we talking about?

We did doggy, reverse cowgirl, even standing up.

It was so hot, I didn't get through all of it before I came.

That sounds incredible. Must have really been something to watch.

You know what the best part was? You were able to cum multiple times and still be ready for more.

It was impressive, to say the least.

Sounds like I'm a real stamina champ. That must have been quite the show.

So, what did you like most about it? Was it the multiple orgasms?

Honestly, it was the pure, animalistic behavior. And he had a very huge—

What is that...? Oh my God, that's his—

I think I've said too much. I'm running my mouth, and it's inappropriate.

No, it's not. I asked you about the porn. You're being an open book, and I like that. I like feeling close to you.

Ugh, his erection is so gross. I can't believe Brett is doing this to me.

Come on, tell me more. It's okay.

I'd rather just change the subject.

Why? Is my erection making you uncomfortable?

You said it yourself a second ago: it was your favorite part about the film.

Since when is Brett this forward? I-I don't even know what to say to that!

Come on, don't be shy with me.

It's impossible not to notice. I saw your eyes go directly to it.

I... didn't notice your erection. I just felt I had taken things too far.

Are you jealous now that I've got a huge cock? It's much bigger than yours was.

That's not fair to say to me.

It's not? That's how I felt when you made fun of me earlier.

Face it. You're turned on by me, and that's okay. I wouldn't be in this body if you weren't attracted to me.

That's not true! Just because my hormones have—

You're the one who masturbated to the rapper. Of course you're turned on by me. Maybe you've 'inherited' the real Shyloh's sexual attraction to me.

I know he's right. I am attracted to Savage Hood in this body. But he's not really Savage, and I'm not really Shyloh!

I can't just give into these feelings without ruining our friendship.

Just relax. You know me. Let go and be yourself.

We're just two friends sharing a deep conversation.

Yeah, you're right... I guess.

I just want to be myself again. Turn back into Alex. You're not really a famous rapper, Brett. Don't get too carried away with this persona.

I get it. But what if... Maybe we'll turn back if we have sex?

I mean, it sounds crazy, but maybe it could work. What do you think?

I don't really think this will work, and I don't want to turn back, anyway.

Hmm, I never thought of that... It might be worth a try.

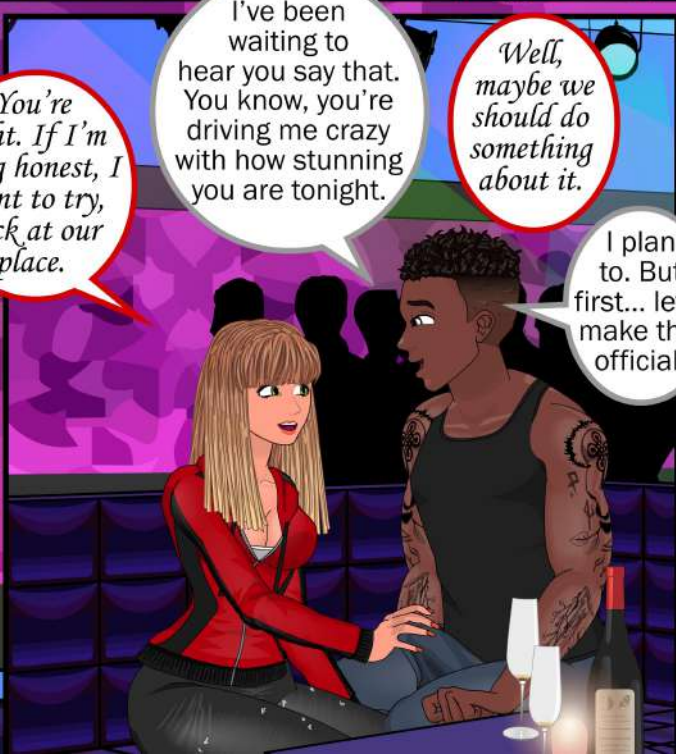

I do feel like I'm wanting him more...

I wanted him so much while watching the video earlier.

He looked so big on screen earlier... And he looks even bigger in person. I AM curious to experience this for myself.

You're right. If I'm being honest, I want to try, back at our place.

I've been waiting to hear you say that. You know, you're driving me crazy with how stunning you are tonight.

Well, maybe we should do something about it.

I plan to. But first... let's make this official.

Mmm...

Holy shit! My first kiss with a woman, and it's with Shyloh of all people!

I can't believe my luck! I never imagined it would be like this!

Huh. Kissing as a woman feels so different than what I'm used to. The roles have reversed completely.

Brett is so assertive, which is normally my role. But now I'm being submissive... And it's kind of nice.

That was amazing. You really know how to use your tongue, don't you? You've piqued my interest.

I could say the same for you, baby.

Then, how about we take this somewhere more... private?

Lead the way, handsome.

You know, I've been waiting for a night like this for a long time.

The night when I get to take home the sexiest woman in the entire club.

Oh really? What else have you been waiting for?

Honestly? Ever since we got here, I've been dying to show you just how good I can make you feel.

Let's see if you can back up those words.

30 minutes later

Home sweet home.

Yeah, but it's about to get a lot sweeter!

Chuckle!

Damn, girl. I like the sound of that.

You impressed me with that kiss at the club earlier.

Got anything else to show me?

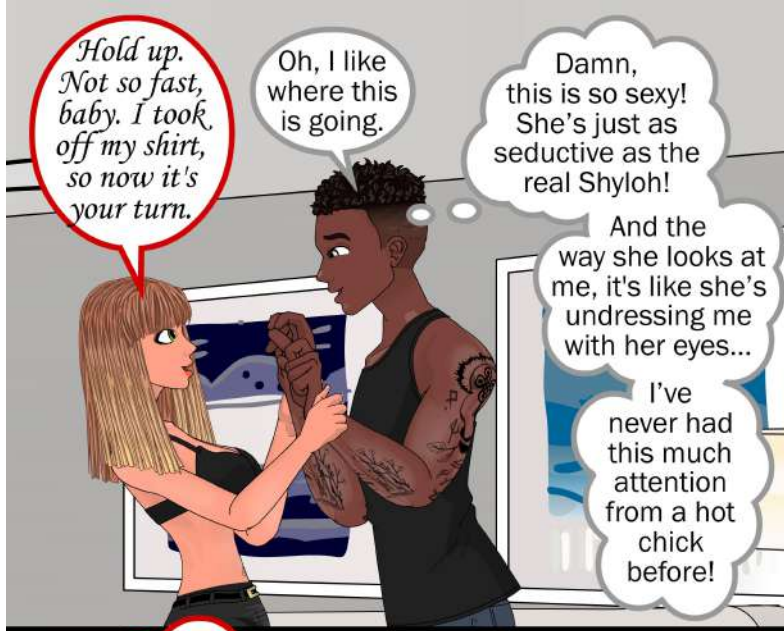

Oh, I've got plenty more where that came from. You want more?

Absolutely. And not just that...

I want it all, Savage.

Then you're gonna get it all, baby.

Hold up. Not so fast, baby. I took off my shirt, so now it's your turn.

Oh, I like where this is going.

Damn, this is so sexy! She's just as seductive as the real Shyloh!

And the way she looks at me, it's like she's undressing me with her eyes...

I've never had this much attention from a hot chick before!

How about now? You like what you see?

Mmm, very much. Come here and kiss me, handsome.

You got it, babe.

I can't wait to see what that big cock of yours can do! It's going to feel so good inside me.

The reality of the situation is setting in... I'm losing my virginity to one of the hottest women on the web.

It's unreal! I never would have imagined this in my wildest dreams!

Mmm, look at this. You're packing some serious heat, aren't you, big boy?

That thing is massive!

And it's all for you, baby. Can't wait to feel those sweet lips wrapped around me.

How about I strip down to my panties? Would you like that, baby? A little peep show?

Would you like that, baby? A little peep show?

Hell yeah, I'm a huge fan. I've been dying for a private show.

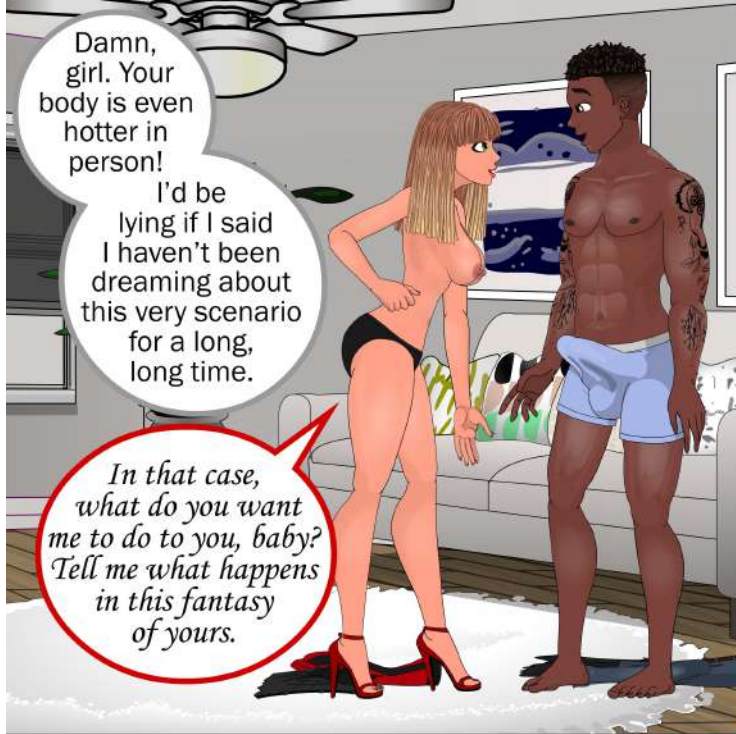

Then sit back and enjoy, baby. This is going to be unforgettable.

What do you think? Enjoying the show so far?

Absolutely. You're making this the best night of my life.

Just wait, it's only going to get better from here.

Damn, girl. Your body is even hotter in person!

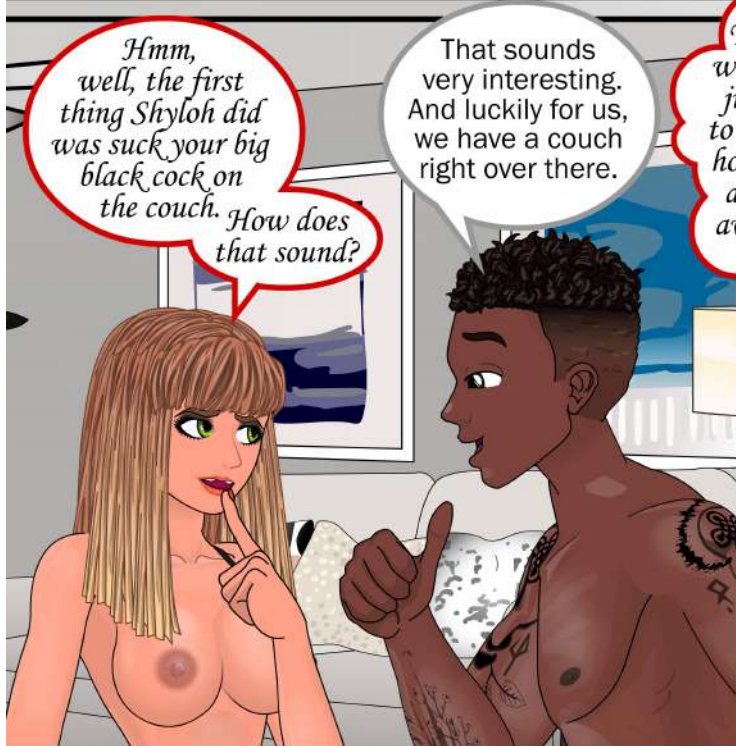

I'd be lying if I said I haven't been dreaming about this very scenario for a long, long time.

In that case, what do you want me to do to you, baby? Tell me what happens in this fantasy of yours.

I've got a better idea. Why don't you tell me what happened in the sex tape?

Ooh, now that IS a good idea!

Hmm, well, the first thing Shyloh did was suck your big black cock on the couch. How does that sound?

That sounds very interesting. And luckily for us, we have a couch right over there.

This feels so wrong, but it's just too good to stop. I'm too horny to worry about future awkwardness.

Besides, we're testing a theory here. Sleeping with Brett might be the only way to change us back.

Why don't you move that fine ass right next to me, baby?

I promise I won't bite... unless you want me to.

You know, I've been dying to see what your big, beautiful beast looks like in person.

You want to see it? You'll have to get over here and unleash it.

You like what you see, don't you, big boy? Mmm, tell me how much you want it.

You know I do, baby. But enough teasing. I want you to get over here and suck my dick.

Huh. That's weird. I just got déjà vu. Isn't that exactly what Savage said to Shyloh in the video?

You ready for this, baby? Mmm, because you won't believe the things my mouth is about to do to you.

I've been ready since the moment I laid eyes on that sexy ass.

Let's see what you're packing, then. I want to see if it's as impressive in person as it was on the screen.

Only one way to find out, babe. Show me what you got.

Oooh... I swear, your cock is the biggest I've ever seen, baby!

It's all yours tonight, girl. I can't wait to see what you do with it.

I've never sucked a dick before, and starting with one this big is... Well, it's pretty fucking intimidating!

That's odd. Was that intentional? But I thought he's running his fingers through my hair. Didn't Savage also do that in the sex tape?

Oh yeah, just like that, baby. Keep going.

Mmm...

Mmm, yeah. You're so talented, girl. You're doing great, babe.

Mmm... mmmhmm!

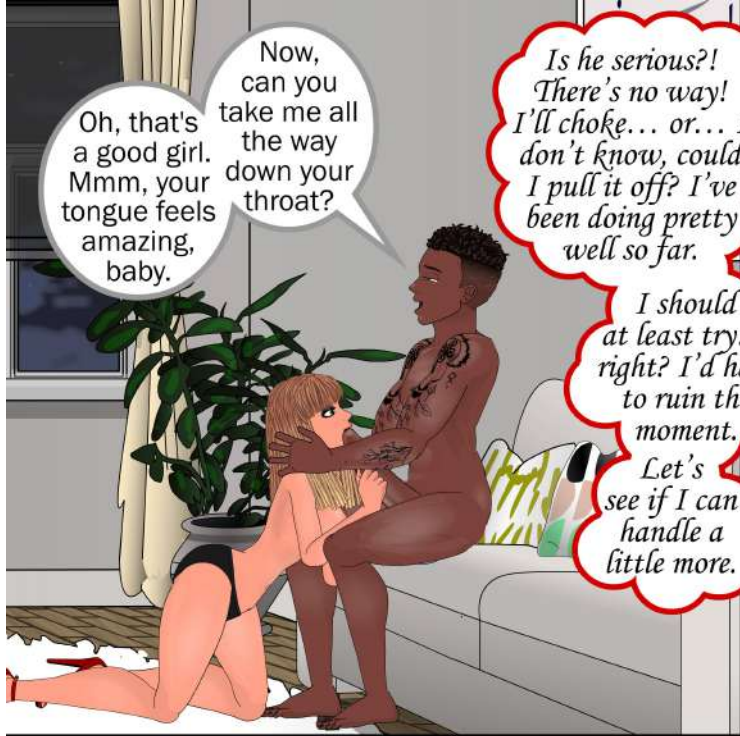

Slurp!

You're amazing, girl. Keep going. I love the way you move your tongue around it.

If I go any lower, I'm going to gag on his giant cock!

Slurp!

Oh, that's a good girl. Mmm, your tongue feels amazing, baby.

Now, can you take me all the way down your throat?

Is he serious?! There's no way! I'll choke... or... I don't know, could I pull it off? I've been doing pretty well so far.

I should at least try... right? I'd hate to ruin the moment.

Let's see if I can handle a little more.

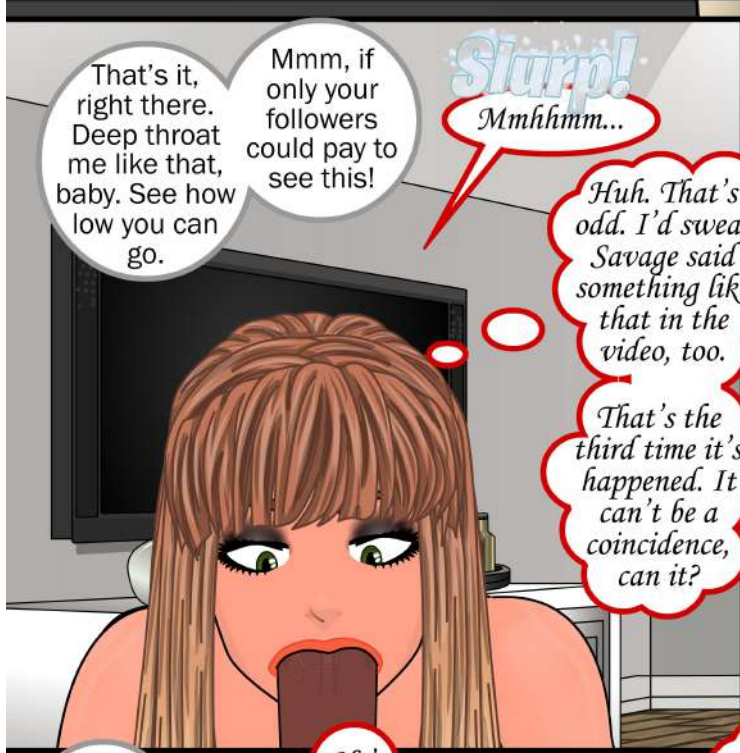

Oh, fuck yeah. Ungh... You're almost there.

Slurp!

Mmmph... glk... glk...

No gag reflex yet... This is incredible! I can't believe how deep I'm taking him.

I don't know how I'm managing to go this far!

That's it, right there. Deep throat me like that, baby. See how low you can go.

Mmm, if only your followers could pay to see this!

Slurp!
Mmhmm...

Huh. That's odd. I'd swear Savage said something like that in the video, too.

That's the third time it's happened. It can't be a coincidence, can it?

Whoa! I took him all the way down my throat?! I guess I don't have any gag reflex anymore.

I must've inherited this skill from the real Shyloh—just like walking in heels.

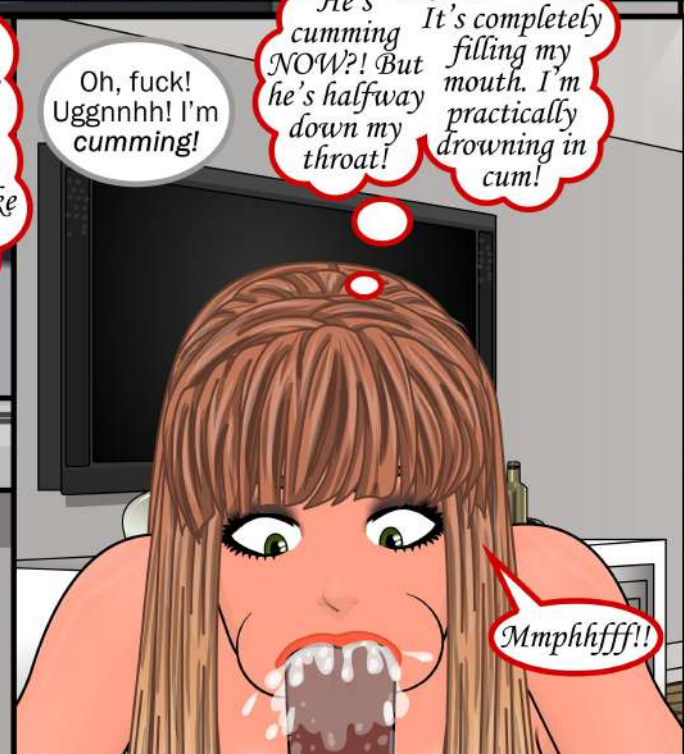

Oh, yeah. Gimme more just like that, baby.

He's getting even harder. His salty precum is oozing into my mouth like he's about to—

Oh, fuck! Uggnnhh! I'm cumming!

He's cumming NOW?! But he's halfway down my throat!

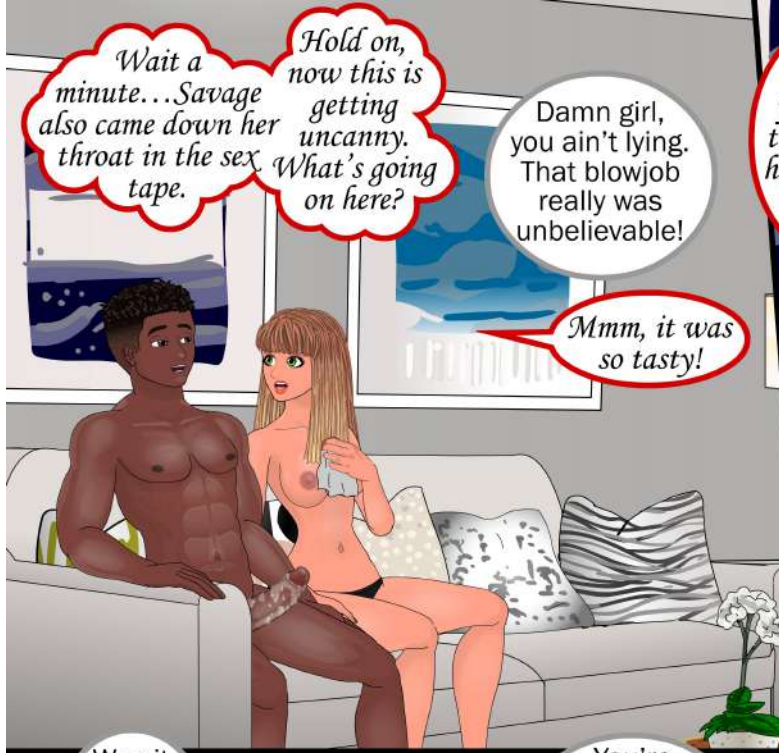

It's completely filling my mouth. I'm practically drowning in cum!

Mmphhfff!!

Gulp!

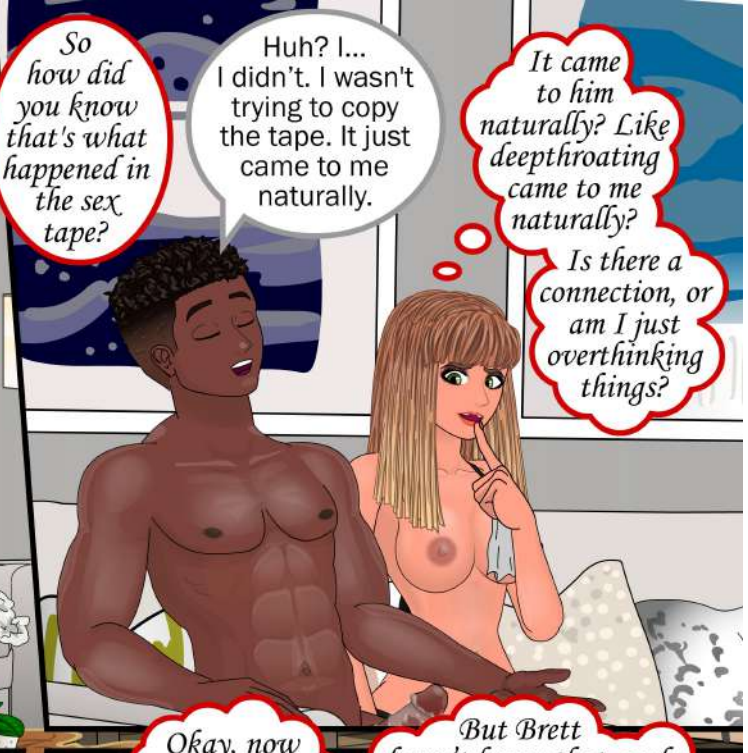

Wait a minute... Savage also came down her throat in the sex tape.

Hold on, now this is getting uncanny. What's going on here?

Damn girl, you ain't lying. That blowjob really was unbelievable!

Mmm, it was so tasty!

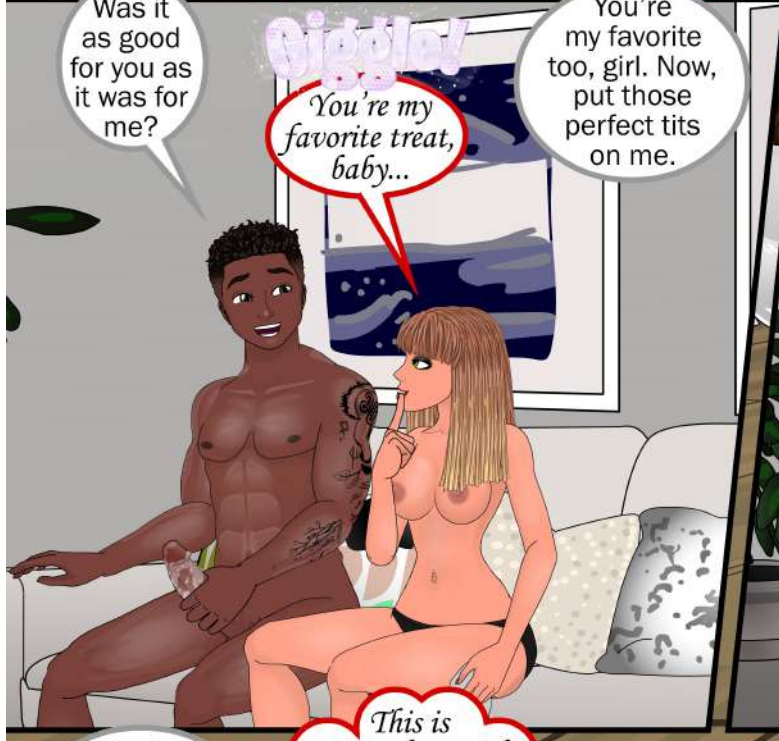

So how did you know that's what happened in the sex tape?

Huh? I... I didn't. I wasn't trying to copy the tape. It just came to me naturally.

It came to him naturally? Like deepthroating came to me naturally?

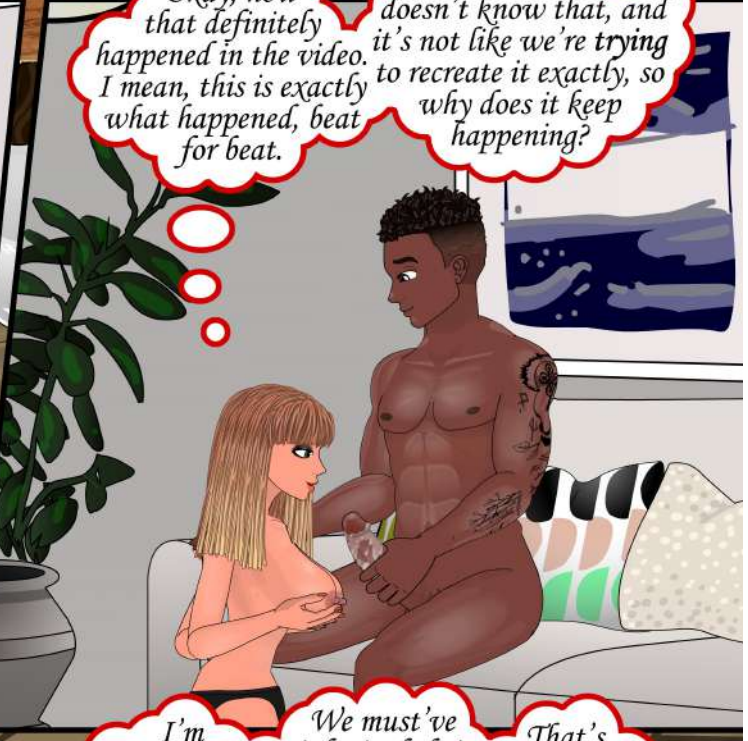

Is there a connection, or am I just overthinking things?

Was it as good for you as it was for me?

Diggle!
You're my favorite treat, baby...

You're my favorite too, girl. Now, put those perfect tits on me.

Okay, now that definitely happened in the video. I mean, this is exactly what happened, beat for beat.

But Brett doesn't know that, and it's not like we're trying to recreate it exactly, so why does it keep happening?

Yeah, wrap those fat titties around my cock. Just like that.

This is getting downright strange! First, Brett looks exactly like the rapper in the video...

And now he's acting exactly like him, too, but without even realizing it?

I'm subconsciously doing the same by acting like Shyloh in the video.

We must've inherited their behavior and thought processes.

That's why we keep unintentionally doing the same things in this situation...

Oh, yeah, baby. That feels so good. Keep going just like that.

Damn right, I do, baby. Keep it up. I'm going to cover those tits in a few moments.

Mmm, you like that, don't you? I can feel you throbbing between my tits.

Damn, baby. You really are a pro at this. Mmm, I'm about to be your number one paying subscriber!

This is really turning me on. I'm living out my ultimate fantasy. Instead of just watching, I get to be IN the video that gave me the most intense orgasm of my life!

Oh god, just like that!

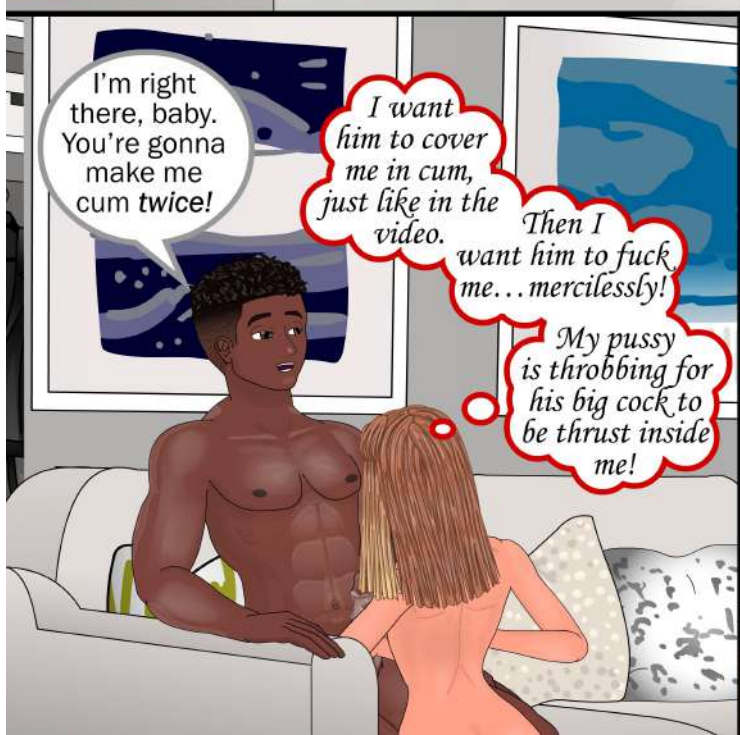

PANT!
Don't stop! You've got me so close!

His pleasure moans are turning me on even more! I'm getting so wet just thinking about what's coming next. I can't wait!

His cock is so massive. It fills my cleavage completely—just like it did on the screen.

Seeing it in person is even hotter!

I'm right there, baby. You're gonna make me cum twice!

I want him to cover me in cum, just like in the video.

Then I want him to fuck me...mercilessly!

My pussy is throbbing for his big cock to be thrust inside me!

Here it comes... Ahhh yeeeahh!

Come on, give me more!

Mmm, I'm going to milk you for every drop until you cover me!

I hope he can still go another round. I need to experience what it's like to be fucked by the famed rapper, Savage Hood!

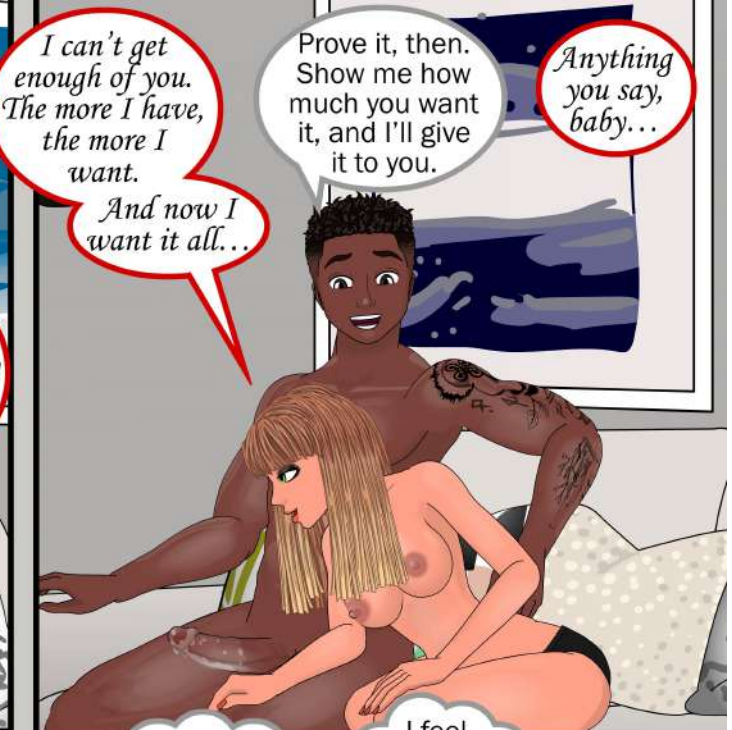

Damn, baby. You've got the biggest loads I've ever seen!

And you're still hard? That's impressive!

You like that, baby? Good, because I'm not done with you yet. I've got plenty more cum, just for you.

Mmm, I love it. That's exactly what I'm craving!

I can't get enough of you. The more I have, the more I want. And now I want it all...

Prove it, then. Show me how much you want it, and I'll give it to you.

Anything you say, baby...

Stump! Mmm...

Yeah, eat it all up, just like that. You're doing so good, baby.

Normally this would disgust me, but as Shyloh, I've developed a taste for cum... And it really is the sweetest nectar!

I'm good to go another round? I've never had stamina like this before! And watching Shyloh lick up my cum is keeping me hard as a rock!

I feel like I can go all night!

Damn, babe, that's so hot. Keep going.

You like watching me clean up, don't you?

It's definitely one of the highlights of your performance tonight.

Come here, girl. I want to hit it from behind. Bend over for me.

Yes, please, fuck me hard. I want it. I NEED it!

Let's get these fucking panties out of my way.

Oh God, I wonder how a cock that size will feel in my virgin pussy. I can't wait to find out...

Do it, baby. Give me everything you've got. Show me why they call you "Savage"!

You ready for this dick?

Mmm, yes, give it to me. I need you inside me right now, baby.

Just remember, you asked for it.

CASP!

Ohhh yeeaaaah! It's... so big... and it's going in... SO deep!

Ung! Damn, girl, that pussy is nice and wet for me. Just the way I like it.

This is nothing like my fingers... this is so much bigger. So much more intense!

Ahhh! Yes, yes! Oh my God!

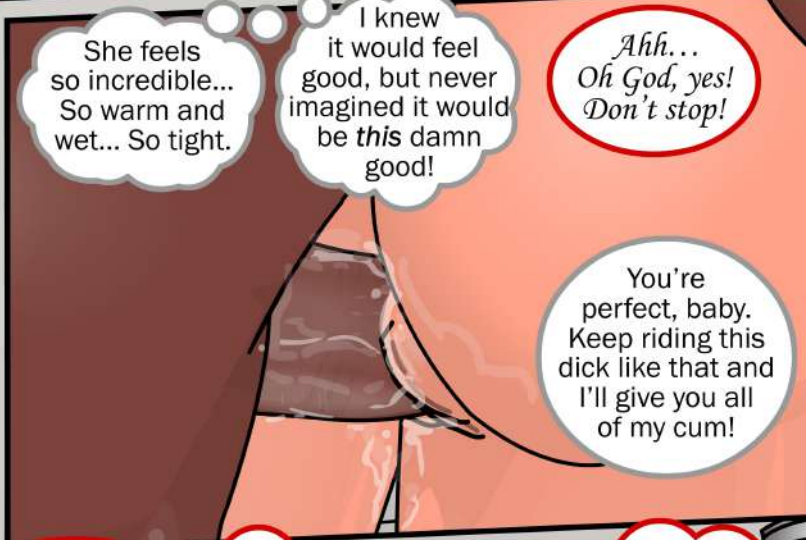

That's what I'm talking about. Give me that tight, wet pussy.

Yes, yes! Fuck me harder, just like that! Oh God, it's so good!

That's right, take it all, and scream for me.

I can't believe I'm losing my virginity to one of the hottest women I've ever seen.

This is a dream come true!

She feels so incredible... So warm and wet... So tight.

I knew it would feel good, but never imagined it would be *this* damn good!

Ahh... Oh God, yes! Don't stop!

You're perfect, baby. Keep riding this dick like that and I'll give you all of my cum!

Fuck, you're so deep. I can feel every inch of you.

Oh God, don't stop!

That's right, baby. Take it all. I'm gonna make you scream.

I feel a familiar warmth radiating from my pussy... I think I'm approaching climax already. The quickest I've ever experienced.

MOAN!

Yes, yes! I'm SO close!

Oh God, baby, I'm so close! Keep going, don't stop!

Take it all, girl. You're so fucking tight. It's driving me wild.

Oh yes! Fuck me harder! I want you deep inside me.

I can feel it building up... It's going to be his biggest orgasm yet—even bigger than the last!

I can feel you tightening around me. Cum for me, baby. Let it all out.

Yes, yes! Just like that! Harder, please! I'm gonna cum!

Oh God, I'm cumming! Yes, yes, yes!

SQUEAL

The sensations are overwhelming me! Every nerve in my body is on fire, my skin has goosebumps, and my pussy is pulsating with pure pleasure!

I want more... I want to see how much I can take. Just like in the sex tape.

I really want to re-enact every position!

This is beyond anything I've ever felt before.

That's it, baby. Scream for me. Show me how much you want it.

Cover my cock in your cum.

Ohhh... it's so intense!

I'm cumming so hard!

MOAN!!!

The overwhelming sensation of cumming during intercourse is unbelievable. And he's not letting up...

Wait, baby. Slow down. I want to change positions.

I need to feel you from every angle! Let's make this even better, what do you say?

Alright, tell me how you want this dick, and I'll give it to you.

Mmm, tell me what you want, girl. What do you want me to do to you?

His touch... His warm breath on my neck... It's sending shivers down my spine.

My body is aching for his touch, begging for more, because it can't get enough!

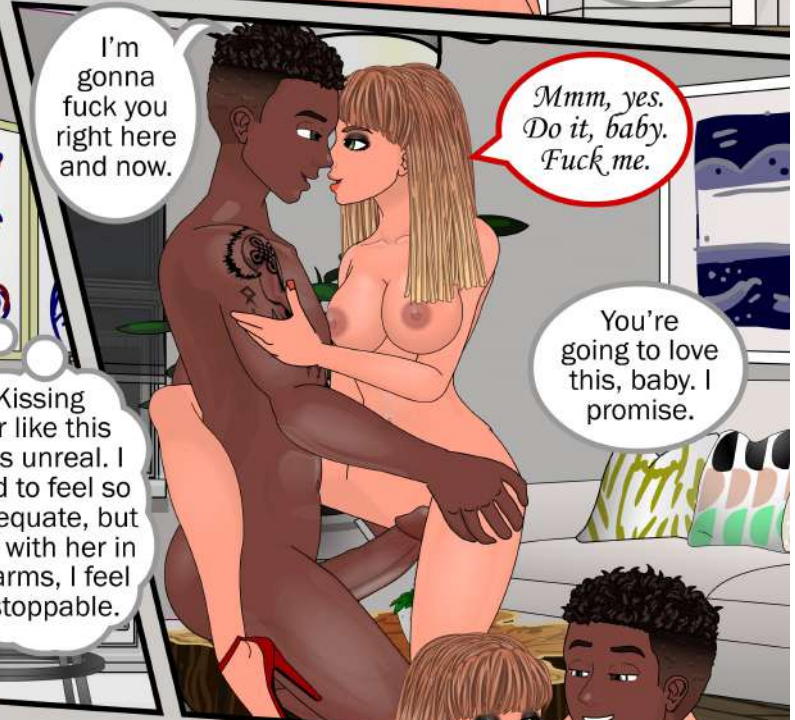

Mmm, keep touching me like that. I want your hands all over my body.

You like that, don't you? Just wait until I'm inside you again.

I'm dying to feel his soft lips pressed against mine. His warm tongue, teasing me as it slides in and out of my mouth.

Mmm, yes. Kiss me harder, Savage. Make me forget everything else.

I'm gonna fuck you right here and now.

Mmm, yes. Do it, baby. Fuck me.

You're going to love this, baby. I promise.

Kissing her like this feels unreal. I used to feel so inadequate, but now, with her in my arms, I feel unstoppable.

Oh God, yes! Don't hold back, I want all of you.

You feel so good, baby. I could do this all night.

Harder! Don't stop! Fuck me, baby!

I forgot about this part in the sex tape...

Even our spontaneous moments are replicating the video. This is surreal.

Mmm, you feel so good, baby. I can't get enough of you.

Fuck, you're amazing. Keep moaning for me, girl.

I want you closer, girl. I want to feel every inch of you.

Oh God, yes! Don't stop! Just like that!

You like that, huh? Tell me how much you want it.

I can't believe how incredible this feels. His cock is stretching me in ways I never imagined!

It's going so deep, and hitting all the right spots!

GASP!

Yes, take me in your arms, baby!

I want it so bad. Give it to me!

That's right, baby. Moan my name. Let me know how much you're loving this.

PANT!

Here we go, girl. Ready for more dick?

I'm not stopping until you're completely satisfied.

This is so intense. I can feel every inch of him filling me up.

Oh my God! Yes!

PANT!

PANT!

Yes! Yes! Just like that! Ah! Ah! Yes! Keep going!

Fuck, your pussy is gripping my cock so tight!

Oh God, I'm so close! Right there! Don't move!

Oh God! I'm cumming! I'm cumming!

I can feel it building. I'm going to cum again.

Cum for me, girl. I want to feel you explode.

Yes! Yes! I'm cumming, baby!

Fuck, yes! Cum for me, girl! Let me feel it all over me!

Ahhhh! Baby! Yes! Yes!

PANT! PANT!

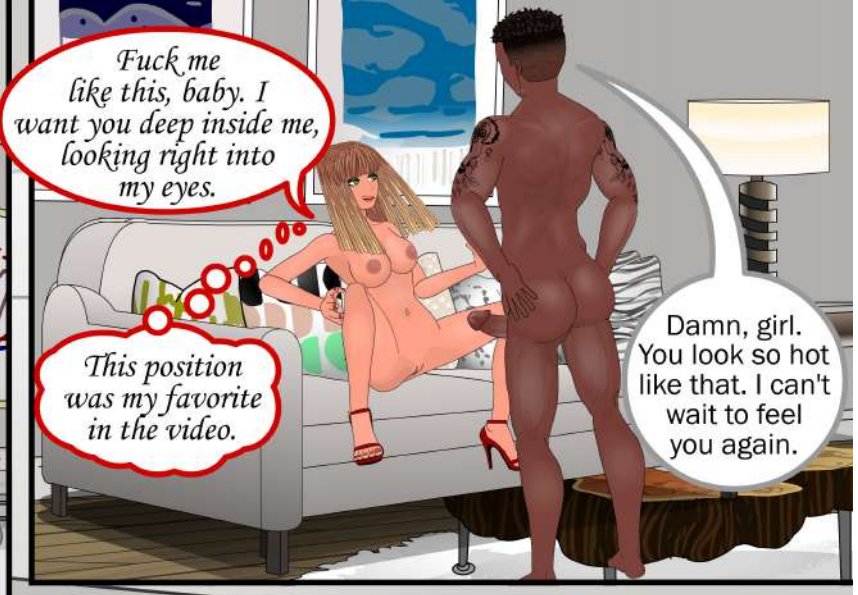

You like how I fucked you hard enough to cum twice?

Mmm, baby, you know I did. But we're not done yet.

Are you ready for more?

Oh, I'm ready. Are you ready?

I won't be done with you until you fill my pussy with cum.

Fuck me like this, baby. I want you deep inside me, looking right into my eyes.

This position was my favorite in the video.

Damn, girl. You look so hot like that. I can't wait to feel you again.

The way he's looking at me... It's purely animalistic... primal... and SUCH a turn on!

God, she's so sexy. I've never seen anything so erotic.

I'm going to fuck you so hard, baby.

Yes, baby. Give it to me. Fill me up completely.

Here I come. Get ready to scream my name.

The sensations are overwhelming. I'm so close... I'm going to cum again!

You feel amazing, baby. So hot and perfect around me.

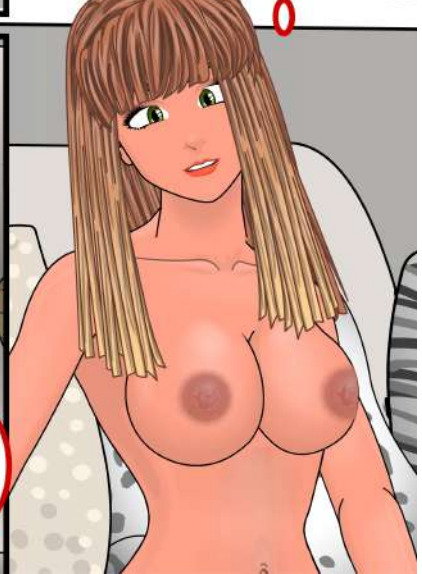

Oh God, yes! Fuck me harder!

Ah! Ah! Yes! Don't stop!

That's it, girl. Take all of me.

I'm going to make you cum again. Just wait.

Yes, baby! Make me cum!

Cum inside me! Fill me up!

God, she's so hot when she begs like that.

I can feel it building up... I'm so turned on I'm going to explode.

Oh fuck, here it comes... I'm gonna cum, girl!

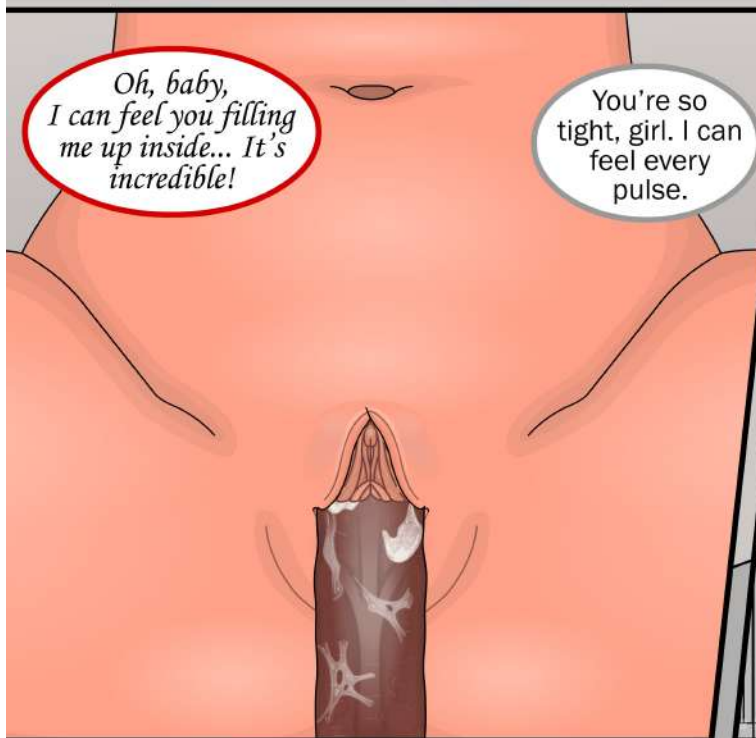

Ah! Fuck! I'm cumming!

Yes! Yes! I want it all! Fill me up! I can feel it!

Don't stop! Keep cumming inside me!

This is exactly like the sex tape... The perfect climax to an unforgettable night.

Oh, baby, I can feel you filling me up inside... It's incredible!

You're so tight, girl. I can feel every pulse.

That was... insanely good sex

I've never cum so hard in my life.

Yeah, me neither. I can't believe how intense that was.

You really know how to make a man feel good.

And YOU know how to make a woman cum so hard her legs shake!

Shit. Can you believe we just had sex?

Heh. That was... nuts, right?

Yeah, it was an unexpected turn of events, that's for sure.

I guess we gave into our hormones, huh?

Totally. These bodies wanted each other.

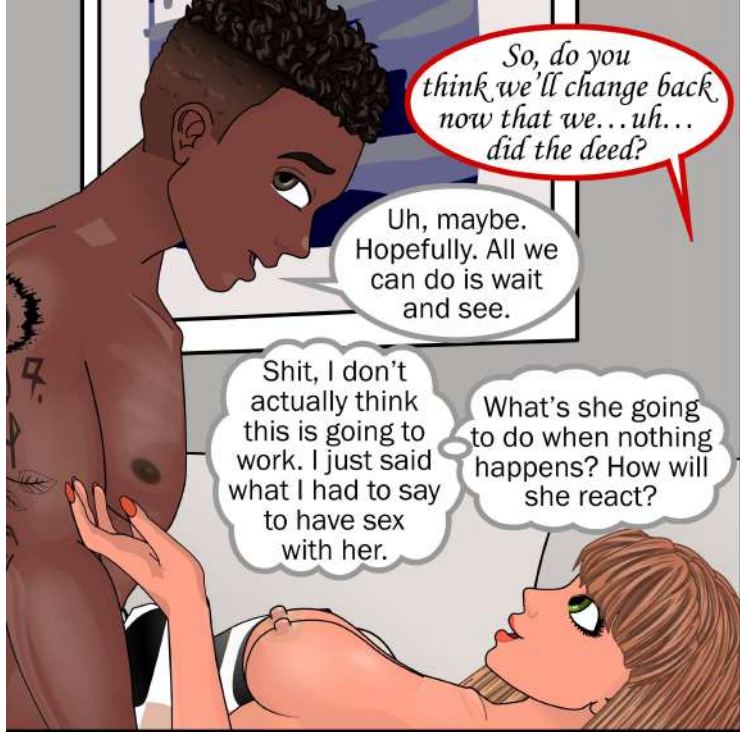

But hey, it was worth it, if we turn back,

So, uh... how does this affect our friendship?

We didn't really talk about that before we got into this.

Don't worry about it. It's something we had to do. We did it for a good reason.

So, do you think we'll change back now that we...uh... did the deed?

Uh, maybe. Hopefully. All we can do is wait and see.

Shit, I don't actually think this is going to work. I just said what I had to say to have sex with her.

What's she going to do when nothing happens? How will she react?

So, um. Maybe you should pull out now.

Your vagina is clinging to me tighter than ever.

Chuckle!

Maybe you should let me go.

What do you mean? I'm not doing anything.

Girl, you're clenching... I thought you wanted me to stay inside you.

No, I'm not clenching, I swear.

Are you sure? Because it feels like—

Whoa! What the fuck?? You're... You're transforming!

Oh my God, it's happening!

Holy shit...

Yes! It's working! I can't believe our plan actually worked!

Wow, you... got your dick back. That's awesome.

Are you kidding?? It's better than awesome! This is incredible!

I'm finally turning back into Alex!

Shit, I don't want this to happen. I want her to stay my hot, sexy roommate. I was just starting to think we could date...

Then she'd be my hot, sexy girlfriend.

I feel warm and tingly all over...

Are you serious? You're actually excited about this?

Yeah, of course! I can't wait to be Alex again!

Yeah, but... what about being Shyloh?

It wasn't that bad, was it?

Who cares? I don't have to be Shyloh anymore.

It's really happening, I'm turning ba—

—ck into Alex! This is amazing! I can feel my old self coming back!

See you later, tits. You were fun while you lasted, but I'd much rather have my pecs back.

They're more my style, anyway.

Yes! I'm back! I've got my body back! I can't believe it worked!

Brett, you're such a fucking genius, man! You figured it out! We actually did it!

I think I... I feel it, too... My body is becoming warm and tingly.

Oh no, it's happening to me now. What if I don't want this?

You'll be fine, Brett. We've been through this before.

Just let it happen, and this will all be over before you know it. Trust me.

But I don't want to be Brett aga—

—in. Damn it! I liked being Savage. It felt...right.

SIGH... Well, I guess we're both back to normal.

This sucks. I was finally confident and attractive. Now, I'm just plain old, fat Brett again.
