«Marc... I mean, Jenny? I am back home! Are you here?» Adam shouted upon closing the door.

«Yes, I am in the kitchen, I needed some refreshment~» Marc said with Jenny's voice, now his own voice forever over the flat, having torn over Melissa's mouth. Jenny carefully put it back, reshaping fully as Melissa.

When Adam finally walked into the kitchen, he froze for a moment, looking at Melissa, her cleavage displaying perfectly her sensual breasts.

«Melissa? What... Why are you here? Have you seen Jenny?» Adam asked, confused, trying not to be too obvious, staring at the hottest girl on their campus.

«Oh yes, we are together now. I mean, I don't know if you know, but this afternoon we... had a hot lesbian session in the girls' changing room. She ate my pussy so well... I ate hers in return... She played with my big perfect tits... groping them so firmly I thought it would leave a mark, but hugh... as you can see they are still perfect~» Melissa explained sensually, playing with her top to display more or less her cleavage as she went through all the crusty details of the intercourse.

«It felt so good, I just couldn't let her slip away, so we decided to stick together from now on and ... so that you know... your gaming chair had my bare butt on it a few hours ago... while we played with my enormous

tits... I hope you don't mind?~»

At those words, Adam said nothing, frozen in his perverted thoughts, imagining Melissa doing all of that.

«Marc, you lucky bastard! I still can't wrap my head around the fact you got to play with such a hottie» Adam thought, feeling his dick react to his perverted thoughts.

«And where is Jenny now? I need to have a word with her»

«Oh, she ran to the toilets... unlucky for you, leaving you alone with me~» Melissa smiled, coming closer to Adam, who gulped down as Melissa stopped pretty close to him.

He could feel her breath; he could see her cleavage better.

«Are you alright, Adam? Your face turned red all of a sudden~»

«Yes... Yes, I am good» Adam managed to reply.

«Are you remembering the nudes of me that Jenny sent you? DON't act surprised, we talked together, and she told me about your perverted side~» Melissa smirked, caressing her cleavage sensually in front of Adam.

«Jenny also told me she was kind of living here with you as a flatmate... well, not officially, but she said she felt at ease to walk around naked... those clothes are pretty tight, I must say... I don't think you would see any problem if I took them off, right?~» Melissa added, looking at Adam, obviously turned on.

«Ye...yes, go on, make yourself at home» Adam gulped his saliva again as he watched Melissa begin to take off her top, then her tight jeans, ending up in her underwear in front of him.

The sight was amazing, far better than Adam's wildest dream. As he thought he wouldn't be able to see more, Melissa put her hands behind her back, and with a light clip sound, her bra fell on the ground, flashing her bare breasts to Adam, whose jaw dropped immediately.

«Aaaaaah, I already feel more relaxed now, hihi~» Melissa purred, cupping her breasts sensually, playing with them a bit under Adam's stare. She followed it, looking down at her own breasts, before going back to Adam.

«Are you alright? Do I have a spider on me?~»

«No, no I...you... I mean, whoa...wasn't expecting this» Adam gulped again, as Melissa came even closer to him.

«Do you want to touch them?~» Melissa asked, making Adam freeze again.

«Come on, Jenny told me everything. While she is away, don't you want to have a little fun? At best, she will have some questions once she comes back, but I don't think she would even care that much~»

«Can I really...?» Adam felt the need to ask. Then, without answering, Melissa took his hand and put it on her breasts, making Adam gasp.

«You really can~» Melissa purred, letting Adam put his second hand on her, and start to fondle her lustfully.

The heat naturally rose between them, soon leading to both kissing each other, Adam's pants dropping under the skilful hands of Melissa.

After a moment, Melissa was sitting all naked on Adam's lap, also fully naked, his hard dick pressed on her vagina, her sweet hands gently caressing it.

«Are we... are we really doing this? I am so shy~» Melissa asked, playing with Adam's tip on her vagina.

«Oh my... I am really going to have sex with Melissa... this is a dream come true!» Adam thought.

Gently, she slid him inside of her, her pussy eating his long, hard dick one part at a time.

«huuuuum, Jenny wasn't lying, your dick feels amazing inside of a pussy. Even more in mine, I feel it all~» Melissa purred, as her buttcheeks clapped Adam's legs once she finished sliding him whole. She stood up a little, groping her breasts, playing with her nipples, hardened by the pleasure wave. «A lot of men on campus dream about touching those, and here you are...having sex with me... how lucky you are~»

Finding it way too amazing to be true, Adam began to have some questions in mind.

Why didn't he hear Jenny move away from the living room, while she was clearly in it when she spoke to her? Why was Melissa so into him all of a sudden?

As Melissa began to move her hips slowly, Adam grabbed her butt, focusing hard on not getting any hornier than he already was, to avoid her from moving.

«Ma...I mean, Jenny, I know it is you» Adam stated, waiting for an answer. He got it without a word, seeing Melissa's face quickly grin before going back to a more serious face.

«What do you mean? I told you Jenny was away for a bit~» Melissa said, trying to move her hips.

«Don't you want to have sex with me? Look at me, I am so hot, don't you want to take your chance?~»

«Jenny, stop this! Look, I am very glad you got me to have this fun with Melissa, really, having her pussy wrapped around my dick, knowing how her kiss feels, how heavy her tits are... But I think you forgot that climaxing inside of her will seal you as her forever, the same way as with Jenny... Which means we will have to explain where Jenny went, why she disappeared, and people will start looking into us!» Adam explained, making Melissa sigh.

«Pffftt, you are no fun! We could have lived together, you could have dated the hottest girl on this campus and all. Don't you want to play with those tits again and again? They are far better than Jenny's one!~» Melissa replied, jiggling her breasts in Adam's face.

«Thanks to you, I already have a hot best friend that I am already dating, Jenny. No need to get Melissa's body for that» Adam added.

«Fine fine...~» Melissa sighed again, putting her finger in her mouth, tearing her face apart, revealing Jenny's one underneath.

«Are you happy now? You know, even if I am now forever Jenny, I still retain all of my previous life, my lust and all. And now that I am Jenny, I am also jealous of other girl, and Melissa is not an exception! If you let me, I could have her perfect body all for myself... I mean, for us~» Jenny explained, still having the rest of Melissa's body on her.

«Look at those tits! Look at that ass! Even her pussy is tighter than mine~»

«Yes, but we can't do this. Not until we find a way to reverse the process and let Jenny go. Then, maybe we could consider letting you be Melissa» Adam added, trying to push Jenny away, his dick still hard inside of Melissa's vagina.

«Where are you going? I am not wearing her completely, so there are no problems continuing fucking her body, don't you think?~» Jenn smiled, leaning on Adam, pressing Melissa's breasts on his face.

«I...I guess so» Adam replied, letting go of Melissa's hips.

She began moving again, making both feel good.

«Adam, you....Aaaaaaaah... you were always my best friend... and now we can be more... I want to make you happy, I love this so much~» Jenny moaned, making

Melissa's tits bounce up and down as she rode Adam, who was on the verge of finishing.

He grabbed her breasts, but it was his mistake. The pleasure given was too much to enjoy, and he came inside Melissa's body quickly after.

Jenny shivered as she felt the hot cum pouring down Melissa's womb, and lay down on Adam, after too climaxing gently.

«This felt... so awesome~» Jenny purred, kissing Adam on the lips, Adam giving her the kiss back.

«Oh yes... I can't realise I had sex with Melissa... Thank you, honey, you are the best of the best» Adam let out, realising he used a nickname he never thought he would use.

«Wait, Adam...did you just call me...honey?~» Jenny smiled.

«I don't know why, but... it shouldn't... yet I feel so happy about this~»

«It also feels weird to me...like you are Jenny for around 2 days only now, so I shouldn't feel this way. i think maybe the fact we have been best friends for years helped shift how I see this, now knowing you are Jenny forever» Adam explained, blushing slightly.

They leaned on top of each other, savouring the moment, Adam gently caressing Jenny's hair, finding it weird whenever his hand landed on Melissa's empty face, still attached behind Jenny's neck.

After a bit, feeling cum slowly pouring down, Jenny stood, sliding Adam off and ran to the bathroom, cleaning herself.

A few minutes later, Jenny came back, wearing fully Melissa.

«I hope you don't mind if I stay as her until tomorrow? As long as I don't forget to take her face off if we fuck again, this will be fine~» Melissa smiled, picking up Adam's shirt and wearing it.

«I also hope you don't mind me borrowing you this? You know, it is a normal thing couples do, hihi~»

«No, of course, do as you please. I won't complain about having Melissa's tits on my favourite shirt, hahaha!» Adam laughed, before going to the shower and coming back in a relaxed outfit.

«Do you want to play some games? I am not really hungry~» Melissa asked after a moment of both doing nothing but scrolling their phone.

«Sure, what do you want to play?» Adam replied, excited to see Melissa this geek, even if Adam knew the truth.

They played some games, and from time to time, Adam really felt with Marc. Then he just had to turn around, to see the hot Melissa, playing and laughing with him.

As the night went on and their gaming session went on, Melissa ended up lying on Adam to play, her breasts just in his line of sight, their legs tangled.

At this moment, both felt something really had changed in their relationship, and now they truly were a couple. They both turned toward each other, and passionately kissed, Melissa shoving her head in Adam's neck once they were done, a cute smile on her face.

They carried on their night, adding more passionate kisses, Jenny taking off Melissa's skin for the night, both realising it was a good choice, spending most of the night time fucking all over Adam's bed.

In the morning, after another sex session, Adam and Jenny dressed up. Adam picked up his usual clothes, watching Jenny pick up Melissa's skin suit from the ground, and wearing it as swiftly as normal clothes, reshaping as her quickly after.

A smile, and another kiss later, both ate their breakfast as if they were used to do so for long time, before Jenny stood up, stretched, and began to pick up Melissa's clothes still on the ground.

For Adam, it felt weird to have Melissa around, acting as if she was used to living with him. But he couldn't complain, also being able to grope her whenever he wanted.

«Why are you keeping her body?» Adam asked, making Melissa stop scrolling her phone and look at him instead. «I prefer to see Jenny, you know, my real girlfriend»

At those words, Melissa blushed, stood up, and went to hug Adam, her huge boobs pressed on his chest.

«I... I got to go bring Melissa to her place. See you soon!~» Melissa said, rushing to her clothes, packing up everything, before going out of Adam's flat.

A few hours passed, Adam wondering what was going on, before Jenny finally went back, fully dressed to impress in her tight latex outfit, jewellery, and makeup.

«Did you miss me, you cute little devil? Sorry for being this long, I was with Melissa, she told me you and her fucked like rabbits... haha, sorry sorry, it feels somewhat weird but pleasant to play in other women's bodies~» Jenny joked, before heading to Adam and passionately kissing him, then letting him off her.

«No, seriously, after I let Melissa reshape at her place, I headed to Jenny's flat to dress myself pretty. But her protective roommate was there, and began to ask me a lot of questions on where I was yesterday, why I didn't warn or call her and all, that she was worried about me and all. I just told her we spent the whole night fucking at your place, and that I want to move in with you ... If you agree, of

course~»

«Of... of course I do want this too! I mean, before you became Jenny, we were already talking about being flatmates. At least now, we don't have to bother anymore about where we could set up your bed» Adam winked, Jenny, replying to him by biting her lips sensually. «But so it means everyone now knows I am going out with Jenny, as you know her roommate is quite talkative»

«And is that a problem to go out with me?~» Jenny smiled, sitting on the couch.

«Aaaaaaaah, it feels nice ot be back at our flat, hihi~»

«Not at all, Jenny is everything a man can dream about... I mean, the new one, of course. You love latex, we have been best friends for years...» Adam began, before Jenny picked up the controller for the game station.

«I love sex with you, I am a gamer... talking about that, what about we play our favourite fighting game? And to spice things up, if I lose, I will give you a blowjob while you play the story mode. However, if I win... You will have to lick my pussy. Deal?~» Jenny suggested.

«I am already loving this relationship» Adam smirked, sitting next to Jenny, kissing her sensually.

«And so do I, my love. I will always be thankful to have asked me for this rubber photoshoot~» Jenny added, as the two started the game, sealing their awesome new relationship.
