«Isn't this a little excessive dude? I mean, if you wanted to take your own pictures of women dressed in latex clothes, why haven't you asked any before? I am sure some would agree to pose for the camera, even more, if you pay them afterward» Jenny explained to Adam, who was setting up the camera.

«That's the problem. Actually, no one wanted to. Even this one hooker refused for some reason...» Adam explained.

«She said it was a bit creepy that I had bought some clothes in her exact size. I mean, her bio on her site is so detailed. I even know she has a birthmark on her right buttcheek!»

«So the only logical action for you was to turn her into a skinsuit and call me to wear her... Also yeah, I thought those were her clothes...you stalked her to buy them?» Jenny added, trying to pull off the tight pants on her legs.

«Damn, those are so tight, I can't even make them move»

«I know you love sexy women in latex, Marc...so why not give you the opportunity to become one?» Adam explained, inputting the last settings.

«I do love it, but being one... I don't know... It really feels as if I was not myself anymore, but her instead.

Her ass is great, but it doesn't feel the same caressing it with her own hands» Jenny said, standing up and caressing her butt, slapping her hand on it, making a loud smacking sound when it landed.

«On the other hand...I can do every sexy pose I want as her!»

«I knew you would like it, hahaha!» Adam laughed, looking at Jenny posing sexily.

«I can also make her say whatever I want...like... Adam...I know you love sexy women in latex...Do you want to slap my ass?~» Jenny smiled, coming toward Adam.

«Ohhh, that's sexy! With pleasure! She wouldn't let me as I didn't pay enough» Adam replied, caressing Jenny's butt wrapped in latex.

«That feels so nice...I fucking love rubber»

«And so do I...especially in this body...as we are now just the two of us, shouldn't we get comfortable? All naked I mean?~» Jenny purred, her hand running on Adam's shirt gently.

«Gulp...I mean...what for...Whoa, never thought you would be that into it...» Adam gulped, feeling horny.

«Well...you know...since I am her from now on, and we have all the time in the world...why not spice your pictures up, and take some sexy underwear pics?~» Jenny smiled, trying to pull off Adam's shirt.

«But I won't feel comfortable until we are both naked~»

«Alright...alright...» Adam agreed, taking his clothes off, and looking at Jenny doing the same sensually, her latex legging rubbing on her smooth legs all the way down until the two were only in underwear.

«Damn, she had no bra? I thought I saw one when she deflated after I shot her with the costume gun»

«She had one, but I could not manage to put it on, so I gave up. I hope you aren't too aroused to see women's breasts in the wild like this?~» Jenny purred, pushing her boobs together.

«You chose her well! I already saw her naked when I wore her earlier, but I can't get over the feeling of rubbing my own breasts~»

Adam couldn't take his eyes off Jenny, who was sensually playing with her assets, grabbing her nipples sensually, moaning gently.

Stopping after a moment, Jenny looked at Adam, realizing he was frozen looking at her.

«Why this face my dear friend? Wanna try these breasts too?~» Jenny smiled, coming toward Adam, releasing

her boobs from her grip.

«Here, they are all yours... have fun~»

Without asking any more questions, Adam put his hands on Jenny's breasts, fondling them firmly, turned on by hearing the sexy blonde gently moan as he pinched her nipples.

While Adam ran his hand on her body, Jenny took the opportunity to let hers slide down gently between Adam's legs, caressing his erection beneath his underwear.

Adam felt it but didn't care, enjoying the gentle touch of the girl's hand on his member.

«Her body is craving for more...I can feel it...sit down, I am just going to sit on you...to slide you all the way down inside of me~» Jenny smiled, pushing Adam onto the couch.

«Some minutes before wearing her I would have never thought I would want this so badly. But now...her desires are flooding me, I want this pussy to wrap around your dick~»

«Wait a minute! It is said that if you have sex in this suit, it will merge with you, all of her memories, he wills, her life!» Adam stated, trying to push Jenny away.

«You won't be yourself anymore, your body...we shouldn't do this!»

«I don't see the problem. I am a bad student, I have no friends except you, and I can never get a girl. You gave me the chance to become better, to start something new, something great. Don't think I will miss this opportunity~» Jenny smiled, sliding her panties away, before trying to sit on Adam's lap, who resisted.

«Why don't you want me to be happy? Look at this dick! It is saying what you refuse to admit~»

«Because this isn't right, I can't let you have sex with m-» Adam tried to say, before Jenny kissed him passionately, turning him on even more, while she ran the tip of her fingers gently on his tip.

«No please...don't...»

«Looks like you lose all of your will when a cute girl teases you~» Jenny purred, sitting on Adam's lap, sliding his dick whole inside of her vagina, moaning loudly when it poked her womb.

«This is the best feeling ever~»

«Fuck you are so tight! Wait no, we shouldn't be doing this, this is wrong!» Adam said, trying to push Jenny away, before she locked his arms in the air, moving her hips gently.

«Oh, my god...»

«Fuck...you are so big inside of me...why did you try

to resist...this hooker's body is so great...thank you for the gift~» Jenny moaned, trying to kiss Adam again.

«Why don't you want to kiss me? You are balls deep inside me already~»

Realizing it was too late to do anything, Adam just went all in it, kissing Jenny back, and letting her have her way with him until he couldn't hold it anymore. He came inside of her, making her moan loudly, sitting back exhausted on the chair.

«Hurgh, my head! What is happening?!» Jenny said, taking her head in her hands.

«I told you...I came inside of you while you were wearing her, and now you are merging with her body forever...» Adam explained.

«The headache...Arrrrgh! If you excuse me, I know nothing that can't be solved with a good hot bath... Now, if you were a good friend, you would bring me a glass of wine to help~» Jenny smiled, caressing Adam's face before she headed towards the bathroom.

After recovering from this intense pleasure, Adam did as she asked, bringing her a glass of wine. When she saw him enter the bathroom with it, she smiled gently, emptying the glass in one go.

«So...what is the plan next?» Jenny asked, giving the glass back to Adam.

«As the headache faded away, I got all of her memories! This is incredible! I can pass as her easily!»

«I'm not sure about the plan...you weren't supposed to go this far...I planned to do some pics, then let her go...» Adam added.

«How will we ever explain where the real you went...»

«Relax, we will make up an answer easily. Do you know she is going to the same college as us?» Jenny asked.

«She is doing this hooker job to earn some money. Well, guess I won't have to continue this activity anymore now since I have enough in my bank account after the huge inheritance I got from my deceased family~»

«Really? Why have I never seen her wandering around?» Adam wondered, curious.

«Because she was often blowing a teacher to get her grades up...that's why. Now we can do a photoshoot whenever you like...of fuck whenever you want~»

Jenny smiled, rinsing herself, before getting out of the bath and taking a towel.

«If she is at the same college as us...maybe you can

help with something actually» Adam said with a smile.

«I know this face...you are thinking of doing something perverted...I'll gladly help~» Jenny purred, going on her knees in front of Adam.

«Does it have something to do with this sexy mouth of mine?~»

«No...yes...Since you can go to the women's locker room, maybe you could...you know...Get some sexy pics of Melissa...» Adam explained, Jenny's smile getting bigger as Adam explained what he had in mind.

«What a good idea...I will get to see her naked, and since she has a little lesbian side...maybe...» Jenny purred, taking Adam's dick in her hand, and sucking it gently.

«The tongue that is on your member, will soon be licking Melissa's private parts~»

«Oh my god! If you do that, I...can you...You are sucking so well!» Adam stated.

«Can I record myself playing with Melissa's titties? Of course I can~» Jenny smiled, licking Adam's tip sexily.

«I can also tell you how great her boobies are~»

«Fuck you! Now I want to do the same...but I don't want to change myself forever as you did» Adam said, looking at Jenny still working on him between his legs.

«What are you whining about? You can touch my tits and fuck me whenever you want, and right now I am even sucking your dick. This is a big upgrade in your life compared to an hour ago~» Jenny stated, repeatedly licking Adam's tip with each word.  
«You would have never scored with a girl like he-»

As she tried to finish her sentence, Adam pushed her head on his member, making her slide it whole down her throat, before he filled it with his cum. With a satisfied smile, he released her head and sat down.

«Sorry...I couldn't hold it...you were doing so great» Adam stated.

«HHurgh...You...Wait...» Jenny wanted to say, stopping a moment, gulping down everything she had inside of her mouth, before resuming.  
«You could have warned me! I choked on your cum!»

«Sorry, I couldn't control it» Adam apologized.

«Don't worry...Somehow it made me happy to know

I got you to this point, haha! And weirdly...I do love the taste...I might suck you off more in the future if you don't mind~» Jenny smiled, before standing up.  
«SO, we better get dressed and I should leave, I am not sure Jenny's flatmate would like it if she didn't return, since she seems to be really worried all the time for her...»

«Wait, Jenny never goes out at night? A girl like her...I would have expected the opposite...» Adam added, surprised about the statement.  
«Is everything going to be alright for you? I mean, what if her flatmate finds out?»

«Find out what?» Jenny asked, cupping her breasts under her clothes.  
«You see that? I am Jenny, nobody can find out anything, you are the only one who knows the truth~»

«Alright alright...See you tomorrow then» Adam added, caressing Jenny's butt wrapped in her latex pants.  
«I still can't believe my best friend is now...this hot girl»

«I am still your best friend mate. Only now...with some benefits~» Jenny smirked, heading out of Adam's place after kissing him passionately.  
«Sleep well, don't have too many naughty dreams~»

Adam barely slept that night, receiving a lot of sexy pictures from Jenny, and eventually even some nudes at the late part of the night.

The next day, Adam went to school as usual. The only thing that changed, was that he didn't meet with his friend before going to class together with him.

Instead, he met with Jenny, who kissed him sweetly on the cheek, before heading to her class with a smile, making all the men around jealous. They didn't understand why Adam was suddenly scoring with one of the hottest girls on the campus.

The day went by as usual for Adam, messaging his friend from time to time, and having almost the same kinds of conversations as before.

For Marc, however, he fully enjoyed his new life as Jenny, discovering how 'easy' it was to be a hot girl, getting a lot of compliments and help whenever he barely asked.

However, he didn't forget the promise he made to Adam, waiting for the sports class, to get some pictures of Melissa.

When the time came, Marc had to contain himself from wetting Jenny's underwear.

He was able to get into the girl's locker room, seeing all the hottest girls on the campus in underwear or naked, unaware of the perverted male among them.

This day, Jenny got a lot handier with the hottest women here with her, before focusing on Melissa. Jenny saw her, and headed in her direction, as Melissa was changing her top for a sports bra.

Jenny came from behind her and firmly grabbed her huge boobs.

«Guess who~? If this is not my favorite big titties girl~» Jenny purred, groping Melissa's boobs firmly, trying to pull down her sports bra.

«Huh? Who...Wait...Jenny? What has gotten into you all of a sudden?» Melissa asked, confused about Jenny's actions, pulling her bra back up.

«Well, we don't know each other well, as we only have a few classes together...but I...I wanted to let you know that I find you really cute and...I heard you were also into girls, so I wanted to try my luck~» Jenny smiled sweetly, looking at Melissa who was suddenly blushing, before giving her an interested look.

«I...I never thought you were into girls. I mean, you have the reputation to...prefer the hottest guy around in this place...including some teachers» Melissa said, still blushing, suddenly looking interested in what Jenny was offering, biting her finger sensually.

«And the lucky few that got lucky with you, always said they saw something wild in you...Huuuum...I won't lie, I am curious about this part~»

Seeing this worked better than expected, Jenny smiled widely, before she got closer to Melissa, grabbed her sensually by the hips, and smiled broadly as she gave her the opportunity to stare directly into her cleavage.

«Damn...In my old body, as Marc, she would have probably humiliated me so much if she caught me staring at her like this. But as Jenny, she is letting me do it as much as I want...and...» Marc said to himself, attempting to gently caress Melissa's boobs.

Not only did she let Jenny do it, but she smiled too, putting her hands on Jenny's ass, and pulling Jenny against her.

«I am drowning in pleasure...the hottest girl on campus is letting me play with her boobs any way I want~»

She lifted her head up, staring into Melissa's huge smile.

Melissa leaned her head in slowly, closing her eyes

before the two girls started to kiss passionately.

«Huuuum, I would have never thought I would enjoy this so much~» Melissa said, hugging Jenny tightly, pressing her boobs against her.

«I am not sure I want to attend this sports class right now~»

«Maybe we can do some other kind of sports instead~» Jenny smirked, running her hand between Melissa's legs.

«Let's wait for everyone to leave first~»

The two waited for the class to start, making sure everyone was gone from the locker room.

«Well, looks like there is only the two of us now~» Melissa said, after finishing inspecting the room.

«I am warning you, I enjoy giving much more than receiving~»

«And I think I don't see any problem with that, as long as this bra is out of the way~» Jenny smirked, sliding her pants down.

«Come lick my pussy~»

«Coming right up~» Melissa purred, took off her bra, bent down on her knees in front of Jenny, and started licking her passionately.

Marc was getting turned on beyond limits, discovering the lesbian pleasure Melissa was giving her.

Wanting to get some souvenirs, and not forgetting Adam, Jenny took her phone out of her purse nearby, opened the camera, and started to shoot a sexy selfie of her pleased face.

Melissa realized this and intentionally put two fingers inside Jenny's pussy to make her moan louder.

«Taking some sexy pics I see?~» Melissa asked, still licking Jenny.

«Yes...sorry I...Aaaaaah...I love to take souvenirs...so whenever I ..OOoooooh... look at them, I remember the pleasure and get turned on again~» Jenny moaned.

«Is it ok if I...Uuuuugh...take pics with you?~»

«As long as you keep them to yourself you can~» Melissa smiled, posing for the camera between Jenny's legs, as Jenny snapped some sexy moments, and immediately sent them to Adam.

On his side, Adam was in the middle of a boring philosophy class, when his phone vibrated inside of his pocket.

Curious, he took it, and immediately turned crimson red when he started to see the pictures he

just received.

Not only was he looking at pictures of Melissa topless, but he also got the confirmation of who Melissa was licking, when he started to watch the small clip sent to him, as Jenny moved the camera from Melissa to Jenny's moaning face, before going back to Melissa.

«This fucker is having sex with Melissa! Oh, the fucking lucky bastard» Adam thought, getting aroused by the latest photoshoot, now knowing what Marc was doing.

Back to Jenny and Melissa, the two women were laid down on a bench, 69ing each other, before climaxing almost at the same time.

«I never thought this would feel that good~» Jenny said, sitting next to the naked Melissa.

«Me neither...we should definitely continue this another time~» Melissa smiled, kissing Jenny on the cheek.

«Adam would have killed to be in my place, for sure~» Jenny thought to herself before she got an idea.

«Wait Melissa, I know how to have a lot more fun... want me to wear you?~»

# Rubber Photoshoot

Page 9/9 - by ARIBETH

«What do you mean, ‘wear me’? That is a very weird question...» Melissa stated, not understanding what Jenny meant.

«I mean...» Jenny added, picking up the costume gun she stole from Adam out of her purse.

«You see this? It is an amazing toy...look into it~»

With a smirk, Jenny shot Melissa with the gun, making her deflate in an instant before she could understand what was going on.

«Should I feel bad for what I just did?» Jenny wondered, picking up Melissa’s empty husk.

«Let’s try her on and see»

she took off all the clothes she had on and started to wear Melissa’s skin.

She slid her legs inside the husk, watching them reshape as Melissa’s skin merged with Jenny’s.

«Oh god, her pussy is way more sensitive than mine... no wonder she is a lesbian~» Jenny smiled, now having Melissa’s butt.

Jenny continued sliding the girl on, until she enclosed her head inside of Melissa’s skin, finally completing the suiting.

After some seconds, Marc felt the same as when he

first merged with Jenny, the first time he was reshaped into her.

He looked at the nearest mirror, and now as Melissa, smiled widely, pressing her boobs together.

«Did I say previously that I should I feel bad? Definitely not...this is clearly an upgrade~» Melissa smirked.

«Now, I just need to have sex while inside her to finally make this my new body~»

Happily, Melissa picked up her clothes from the ground and began to wear them, thoroughly enjoying the dressing process, as Marc was starting to enjoy taking over hot women.

He finished just in time, as the sports class was finished, and the locker room started to fill up again. Melissa took all of Jenny’s clothes and stuffed them inside of her bag, heading out of the gym, a bright smile on her face, trying not to look down too much at her tits bounce with every step.

«Adam is really going to love this~» Melissa said to herself, going back to class.

«I can’t wait for tonight to tease him with this awesome body. And maybe if I find a better one, I can consider being someone else again...as long as I keep this device with me~»
