

Man, last night was so weird. None of it seems real... I mean, turning into my favorite Only Fox girl, Shyloh?

And sleeping with my roommate, Brett? Who, for some reason, was in the body of the rapper Savage Hood?

It's just too bizarre to believe.

The worst part is knowing that some of the most powerful orgasms I've ever had in my life were when I was a woman.

And the best sex I've ever had...was with Brett? No, that's not right.

My brain simply refuses to accept that as truth.

SIGH...
I mean, it can't be true. I've had amazing sex before... haven't I?

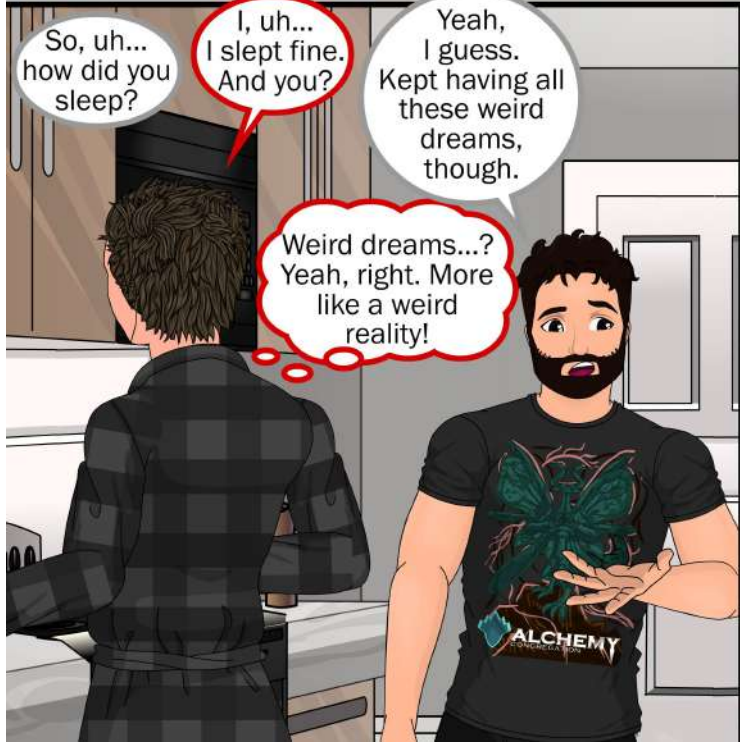

What am I talking about? Of course I have! You'd think I was Denver's Most Eligible Bachelor with the amount of pussy I've—

YAWN!
Oh man. Morning, Alex.

Morning... dude.

Shit. Now's the time I've been dreading... The "morning after" talk.

So, uh... how did you sleep?

I, uh... I slept fine. And you?

Yeah, I guess. Kept having all these weird dreams, though.

Weird dreams...? Yeah, right. More like a weird reality!

So, um... thanks for making breakfast. That's really cool of you.

No problem. I was up early, so...you know. Why not?

God, this is so awkward. How do I even bring up what happened last night?

This silence is killing me. Maybe I should say something... But what?

Breakfast the morning after... I guess that means I really delivered last night, huh?

The sex must've been something special.

Seriously, Brett? *That's* how you want to start this conversation?

I was just joking, man. Heh. Lighten up.

Well, it wasn't funny.

What's with all the tension in the room? I don't like him treating me like this, especially after how close we were last night.

Sorry. Didn't mean to offend you.

Just drop it, okay?

Look at him, taking the bigger sausage for himself. He's always got to be the one in charge.

It'd be nice if he thought about someone other than himself for once.

Hey, how come you got the big sausage, huh?

What are you implying, Brett?

You're always so self-centered. Always playing the alpha. But last night, things were different, weren't they?

For the first time, you were vulnerable with me. Affectionate—you were generous!

Okay, clearly, you're incapable of moving on, so we might as well talk about it.

I mean, what the fuck, right? Do you think this is all over? Can we go back to normal?

Because I'd really love to masturbate again without the fear of transforming into a woman.

I-I don't know. I have a lot of unanswered questions, too. I was also thinking, you know... What happens if I masturbate?

Will anything change for me?

What? Why would you—?

Look, I highly doubt it based on how things turned out last night.

It's weird that you're still focused on making the magic work, rather than wanting things to remain normal. Why are you so obsessed with the statue?

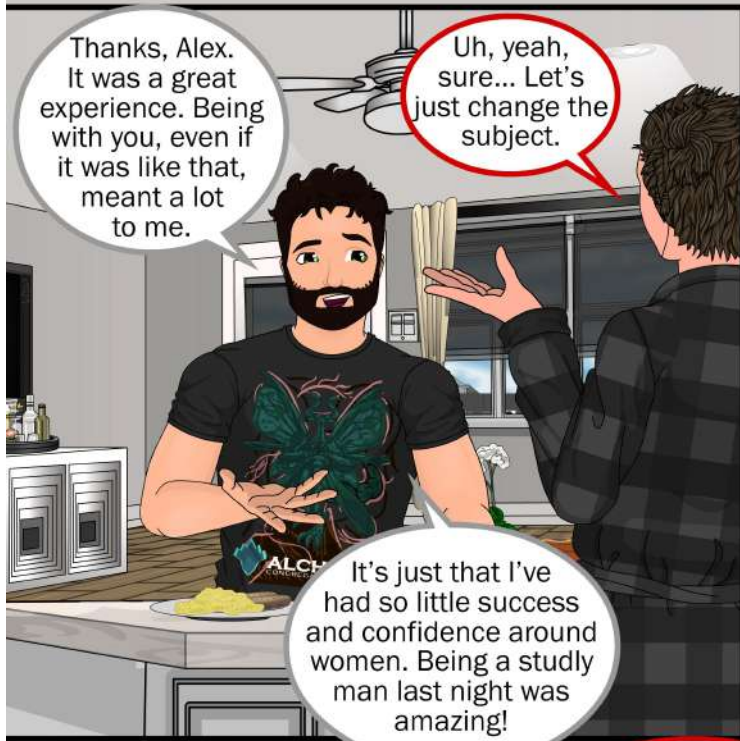

I lost my virginity last night, Alex.

Wait, what? Seriously?

Brett's *my* age and he just lost his virginity...? No wonder he's been acting so weird about all this!

I thought he was just hung up on the alpha thing, but losing his virginity is a big deal. And it was to *me*?

Thanks, Alex. It was a great experience. Being with you, even if it was like that, meant a lot to me.

Uh, yeah, sure... Let's just change the subject.

It's just that I've had so little success and confidence around women. Being a study man last night was amazing!

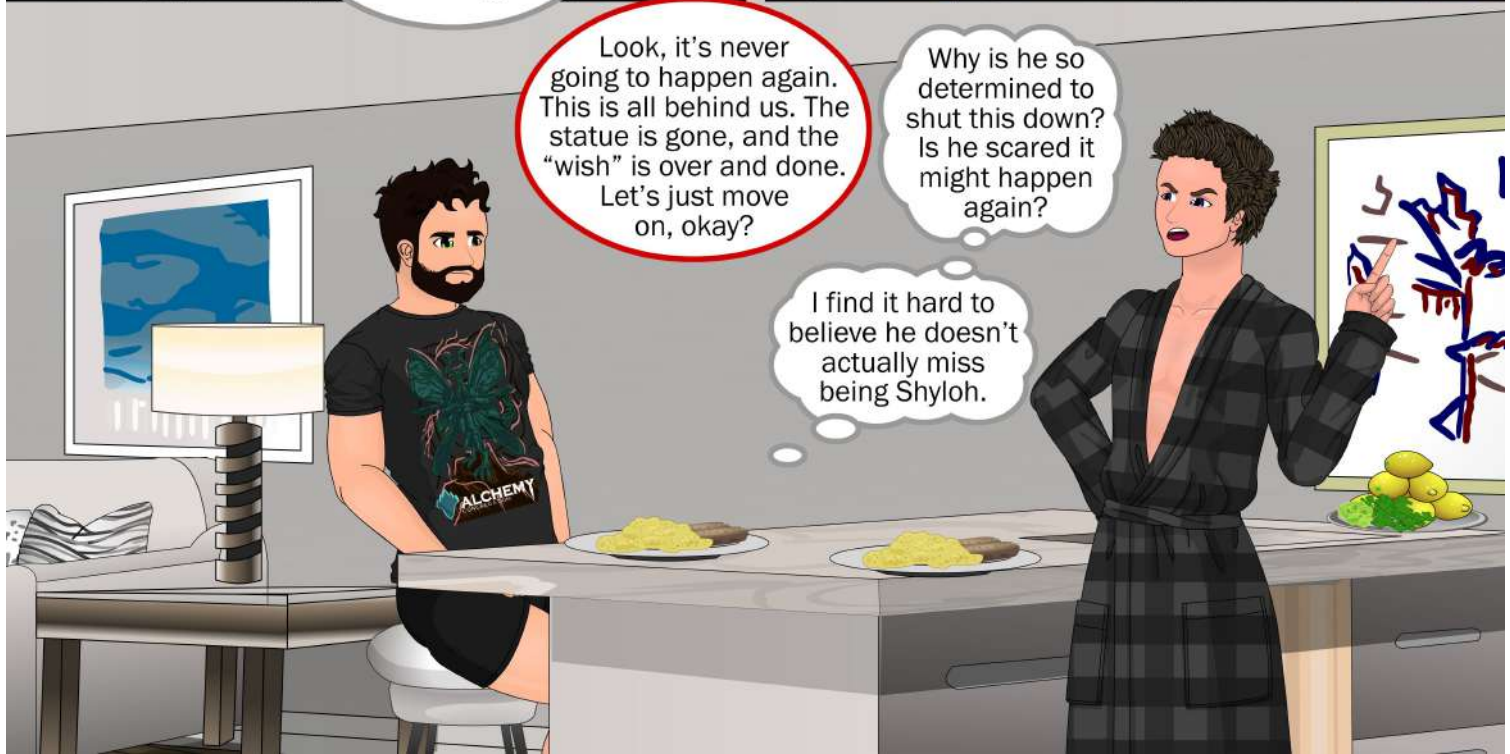

Speaking of last night, out of the sex positions we tried—blowjob, titfuck, and vaginal—only vaginal worked to turn us back to normal.

Great, *just* what I wanted to talk about first thing in the morning—Brett plugging all of my holes!

Do you think other sex positions would work? Do I need to cum inside you every time or what?

Brett...

Look, it's never going to happen again. This is all behind us. The statue is gone, and the "wish" is over and done. Let's just move on, okay?

Why is he so determined to shut this down? Is he scared it might happen again?

I find it hard to believe he doesn't actually miss being Shyloh.

And remember when you were riding me? God, that felt amazing!

He's so delusional. It's not worth my energy to bring him back to earth.

And then when you went down on me... I've never felt anything like that.

Your lips, your tongue... pure ecstasy.

Those orgasms were... so intense. I can't stop thinking about them. I hate to admit it, but he's right about that part.

The pleasure was beyond anything I've experienced. It's hard to ignore how good it felt.

Slurp!
Mmm...

Damn, he's really teasing me... Sucking that sausage like he did my cock last night.

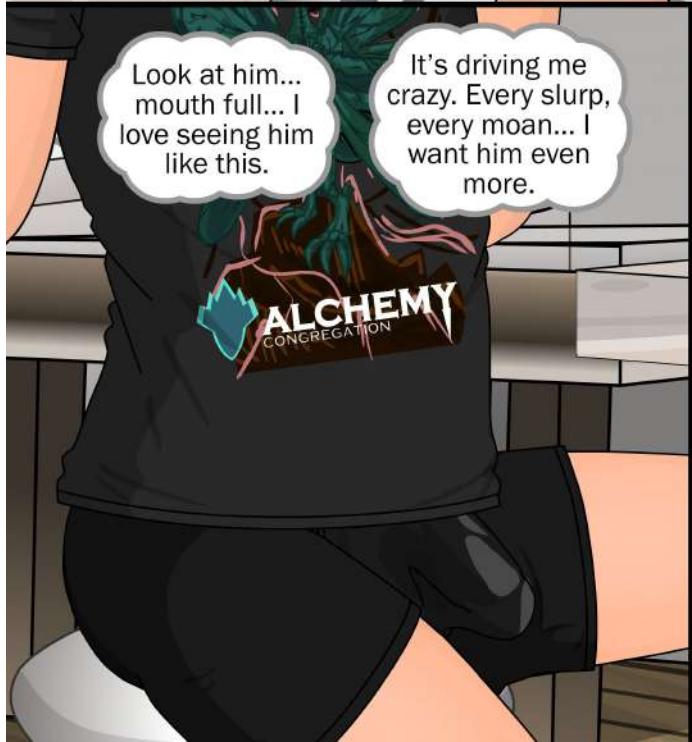

He's got no idea how hot this is. It's making me crave him all over again.

Slurp!
Mmhhmmm...
Slurp!

Those noises... just like last night. God, this is turning me on. I can't believe how easily he can get me worked up.

Just hearing him like that makes me throb.

Look at him... mouth full... I love seeing him like this.

It's driving me crazy. Every slurp, every moan... I want him even more.

God, I'm so hard... Just like last night. I want to do it all over again.

Can't wait to see what happens between us.

I want him, now more than ever.

Looks like you're ready for round two.

You know, I'd be down for another taste.

Damn it, I got carried away, didn't I?

What was that all about? Must be some of Shyloh's residual mindset still lingering.

I'd better be careful to hone that sort of behavior in until it's gone.

Shut up, Brett. It's not like that.

Are you Bi-sexual or something? Because... you know, there's no shame in it.

What?! I'm completely straight!

You can always discover new aspects of yourself this late in the game.

I mean, no judgement, but you seemed really into that sausage just now.

That was just a... side effect from being a woman last night.

That's my point. You really enjoyed it last night, too.

It was actually pretty hot. The way you kept moaning and screaming for more...

Don't flatter yourself, Brett. Your small five-inch dick isn't that impressive.

See this? Seven inches. Much bigger than yours.

Not... whatever you're flaunting over there. That's just sad, bro.

Now *that's* what a real cock looks like!

Nice package, Alex. I'd love to unwrap it.

Yeah, okay "alpha male". If you're so straight, then why are you turned on right now?

Seems like my dick couldn't have been *that* forgettable, if it's got you turned on right now.

It's... it's just a temporary side effect of last night. Nothing more.

Trust me when I say it has absolutely nothing to do with you.

Put that tiny thing away, Brett. And stop hitting on me, bro.

What happened between us was just a one-time fluke.

Whatever, Alex. You're just overcompensating because you feel emasculated after last night.

Damn it, I miss having a big cock. I'd shut Alex up right if I could flaunt an even bigger dick than his!

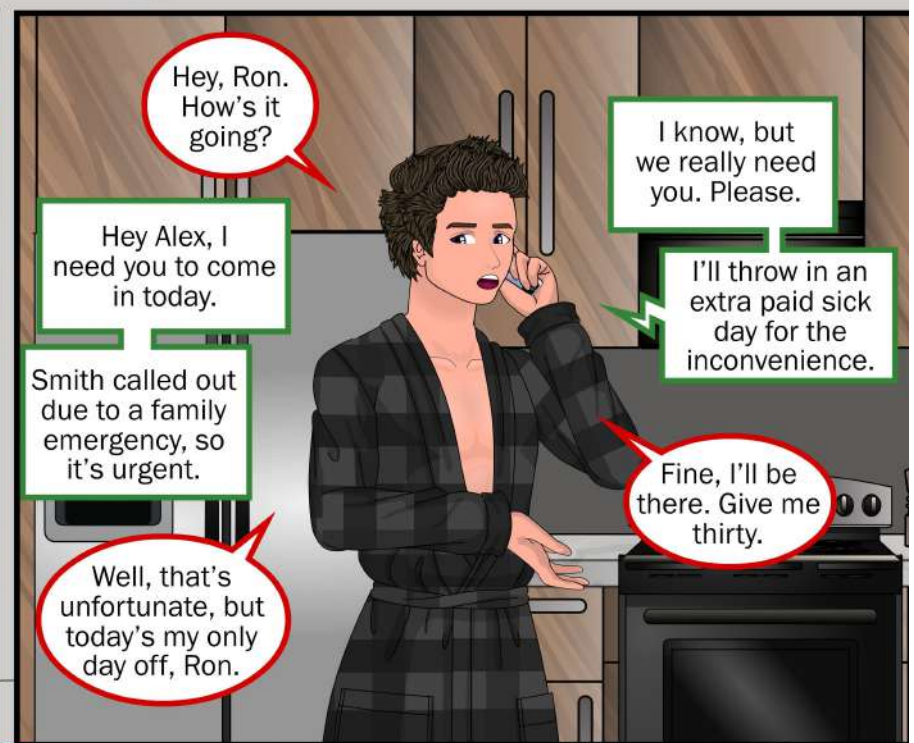

Then I could feel like the alpha-male for once.

BUZZ!
BUZZ!

Fuck, it's work. Of course they'd bother me on my off day.

My boss Ron loves busting my balls. What does he want now?

Hey, Ron. How's it going?

I know, but we really need you. Please.

Hey Alex, I need you to come in today.

Smith called out due to a family emergency, so it's urgent.

I'll throw in an extra paid sick day for the inconvenience.

Fine, I'll be there. Give me thirty.

Well, that's unfortunate, but today's my only day off, Ron.

Great, there goes my plans with Jane. I was supposed to hang out with her today.

Yeah, I had to bail on her last week, too. Today was supposed to be my chance to make it up to her.

Your sister? That sucks, man. I'm sorry.

She's definitely going to be pissed.

Can you call Jane and cancel for me?

She won't give you any attitude, but she will with me.

No problem. I'll take care of it. You just... do your thing.

I've got to hurry to be on time. I need to get ready for work and leave.

You'll call Jane for me, right? Please don't forget.

Sure thing, man. Don't worry about it. I'll handle it.

Great, so Alex is going to get to see Melody, and I'm stuck here alone...

Back to being my loser self. And with a small dick, no less.

Thanks, Brett. I'd better start getting ready, then.

ALCHEMY

I miss my sexy body from last night. I miss being desirable, being famous, VIP material...

And my cock? Even bigger than I imagined myself having in my dreams.

Who am I kidding? I'll never be with a woman again like this...

Alright, I'm off. Thanks for handling Jane for me.

Have a good day, okay?

No problem, man. Good luck at work.

Say hey to Melody for me.

If she's even there... Wish me luck.

ALCHEMY

Bye, Brett. See you later.

See you, Alex. Hang in there.

I can't keep living like this.

I need to figure out a way to change things for good. I need to find a way back to being the best.

ALCHEMY

I wonder if anything will happen if I masturbate. Is the wish still active? I mean, Alex said it was over, but how can we be sure?

Maybe there's some residual magic left. It's worth a shot, right?

Well, there's only one way to find out. Let's see if this wish is still working. It felt so good last night, maybe I can experience it again.

Hey Alex, good to see you.

Morning, Alex!

Morning, everyone.

I really don't want to be here today. I had plans, damn it. All I can think about is what happened last night.

It's so hard to focus on work right now. Why did Ron have to call me in?

Melody? I haven't talked to her since she canceled on me.

Shit... Should I play it cool or just ignore her?

Oh, who am I kidding? This is going to be awkward no matter what I do.

Um... Hey, there... stranger.

Alex! Hey! Long time no see. I thought you were off today.

Oh yeah, I was, but...you know how it goes. The boss called me in.

That's what I get for being such a good salesman, am I right? Heh.

I'm glad you're here. I wanted to say I'm really sorry I had to cancel our date last night. Something urgent came up.

It's okay, Melody. I get it. Things happen.

If it wasn't for the canceled date, I never would have been transformed and fucked last night.

What a weird turn of events...

I promise to make it up to you next time. How about we reschedule? I'll make it worth your while.

Sounds good to me. I'm looking forward to it.

Maybe next time we can... take things to the next level.

Oh, she's definitely hinting at sex. This could be interesting.

What do you think?

Can you handle it?

Gulp!
Uh, yeah. Definitely.

Normally, I'd lose interest with chicks who string me along, but she's so hot.

And those tits! Oh man... I've been wanting her so bad.

Morning, guys! How's everyone doing today?

Hey, Josh. Just trying to survive another day at the office. You know how it is.

Doing great! Got some coffee in me and I'm ready to tackle the day.

So, that guy's name is Josh? He's been saying hello for weeks and I never caught his name.

Glad I have someone like you to help.

Eh, you'll get to know everyone over time. When you work with the same people for so long, you tend to remember them.

Makes sense. I'm still figuring things out and trying to get comfortable with everyone.

Just be yourself and take your time. Everyone here is pretty welcoming.

Thanks, Alex. You know, you've been so helpful around the office lately.

Just doing my part. You can always thank me properly when we pick up where we left off on that date we missed.

You've got it, stud.

Hey, you two. What's going on over here?

Getting to know each other better?

Hey Ron, just catching up with Melody.

Hey, Boss. How's your day treating you? Good, I hope.

It's always a good day for me at the office.

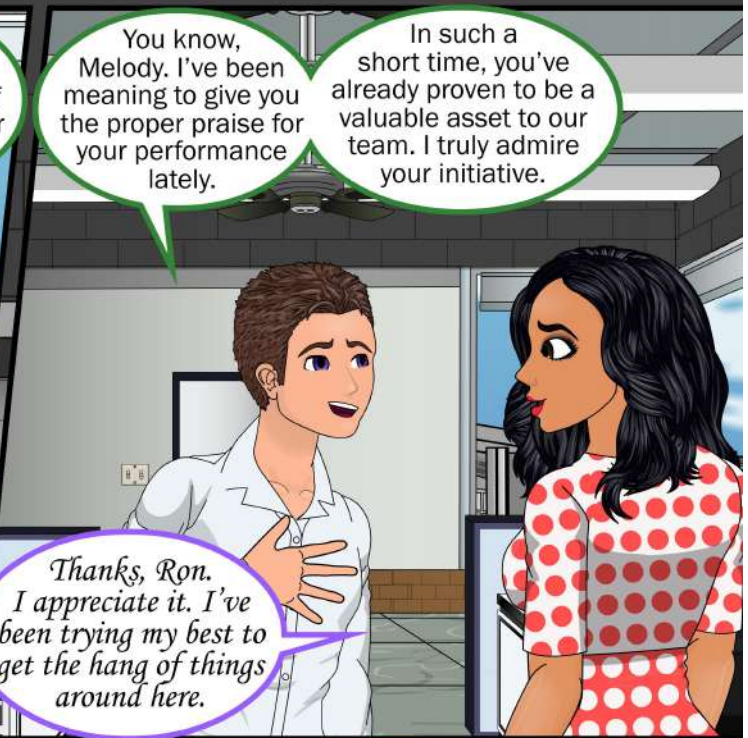

Adjusting well, I hope?

That's our Alex! Always making himself useful. Good for you, Alex.

What about yourself? How are you finding everything here at the company?

It's been great. Everyone's been really welcoming, especially Alex.

Way to patronize me, asshole.

You know, Melody. I've been meaning to give you the proper praise for your performance lately.

In such a short time, you've already proven to be a valuable asset to our team. I truly admire your initiative.

Thanks, Ron. I appreciate it. I've been trying my best to get the hang of things around here.

And your best is quite extraordinary.

By the way, your perfume is amazing.

What is that intoxicating scent of yours?

Oh, just something I picked up recently. I'm glad you like it.

Like it? I love it. It suits you perfectly.

Is Ron seriously hitting on Melody during work hours?? The guy couldn't be more obvious...

Shouldn't he be worried about HR or something like that?

Anyway, I wanted to make sure I came by today and give you my personal number, just in case. I want to make sure you're well-supported.

If you ever have any issues or questions, feel free to contact me directly.

Oh, um... great! That's so considerate of you, Ron.

His personal number? That seems a bit out of the ordinary.

Ron never gave me his personal number when I was a new hire.

It's the least I can do for our new MVP.

Trust me, I know talent when I see it.

It's great to hear you think so highly of me, Ron.

Ugh! Get this creep off of me! Why isn't Alex doing anything?

I know we're keeping our status a secret, but the guy is basically all over me!

What am I supposed to do?

By the way, I couldn't help but notice your shirt came, uh, well unbuttoned.

Oops! Silly me, I... didn't notice.

Oh, no complaints here, I just thought you should know. If it happens again, I wouldn't mind at all.

I figured it was an accident, after all...unless you simply wanted to distract me.

In that case, great work, once again!

Heh. Right. Well... I do aim to please.

At this point, I can't tell if she's actually into him or not!

Is this how she's decided to let me know??

Meanwhile...

Okay, let's see if this wish thing still works.

I need to find the right video to test out this theory.

If the magic is still active, who do I want to become this time?

The first video that comes to mind is Kendall Love and Shawn Steel... That one video they did together is my favorite.

Hell yeah, this is perfect! Knowing myself, this is gonna get the job done fast.

Kendall and Shawn are my ultimate fantasy partners.

I'd give anything to have sex with either of them!

Oh Shawn, your body makes me so hot... I've been waiting all day for this.

You like what you see, baby? Every inch of me is yours tonight.

Mmm, every inch? That's a pretty tall order, baby.

Sizzle!
You promise, I can have it all?

If you can take it all...

Shit, I didn't think about the logistics of this if it works...

Am I going to turn into Kendall or Shawn? I hope it's Shawn.

Kendall's got that perfect body, the perfect curves...

And Shawn, he's everything I wish I could be. Strong, confident, and huge...

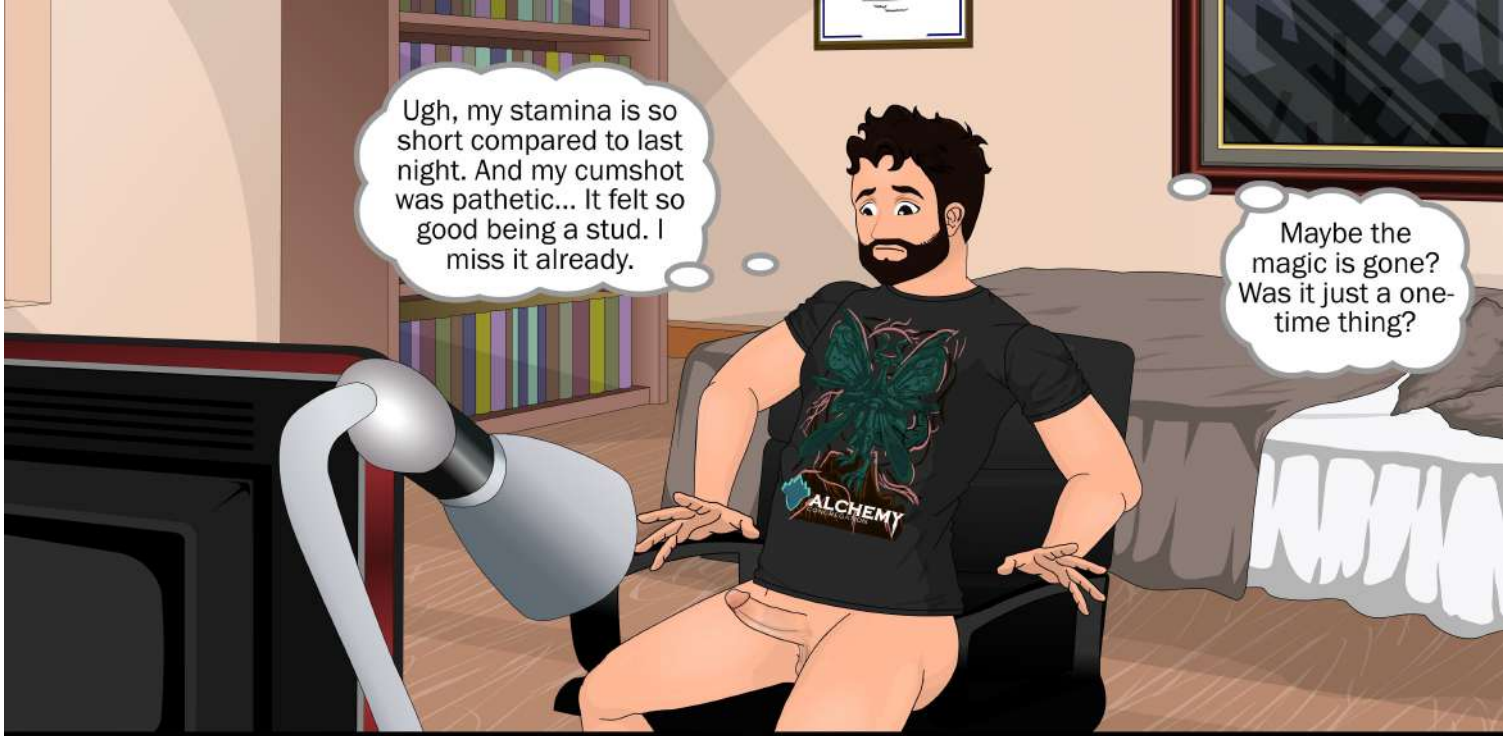

Damn, Kendall, your pussy feels incredible. I can't get enough of you.

Yes, Shawn, fuck me harder! Don't stop!

Oh god, here it comes...

moan...
Fuuuuuucckk!

Ugh, my stamina is so short compared to last night. And my cumshot was pathetic... It felt so good being a stud. I miss it already.

Maybe the magic is gone? Was it just a one-time thing?

Wait, this feeling... It's happening again! I thought it was over, but maybe...just maybe...it was only the beginning!

Hold on, my body feels tingly. Could it be? Did my wish come true?!

GASP!

It would've sucked if that was all, just one night... But this... this is real. I can feel it!

Oh my God! It's happening again! YES!

My legs, my cock...oh, how glorious. It's all changing!

This is amazing! I'm growing again, just like last time!

I'm going to be Shawn fucking Steel!!

Look at this! Ten inches... I've got the dick of a fucking porn star!

Yes! I knew it wasn't over. This is incredible!

Here we go again. I can feel it spreading through my body! What's happening now?

I'm about to have his incredible abs, I can feel it. This is going to be amazing!

My arms... they're getting bigger. Look at my chest! This is unreal! I feel so powerful!

I can't wait to show everyone the new me! Think of the praise, the admiration, the sick-ass parties!

I've got Shawn's body... This is incredible. I'm a total beast! This is exactly what I wanted!

Imagine the looks I'll get when people recognize me!

Now my head... I can feel it. This is going to be wild. I'm about to be one of the hottest men on the planet!

Imagine how women and men will treat me now! I can have my pick!

My face... it's changing. I'm becoming him... People won't believe their eyes when they see me coming down the street!

Every woman will want me, and every guy will want to be me.

This is unbelievable... I'm Shawn now. My voice, my face, everything. It's all him!

I can't believe this is real! My plan worked, and now... I'm my favorite porn star!

Wow, this is even better than being Savage Hood. I love being tall, muscular, and... damn, look at this huge cock! It's even bigger than last time!

I'm so glad it worked. The wish is still active!

I wonder what, if anything, happened to Alex. Did he transform, too?

And I can't wait to rub it in his face that I was right!

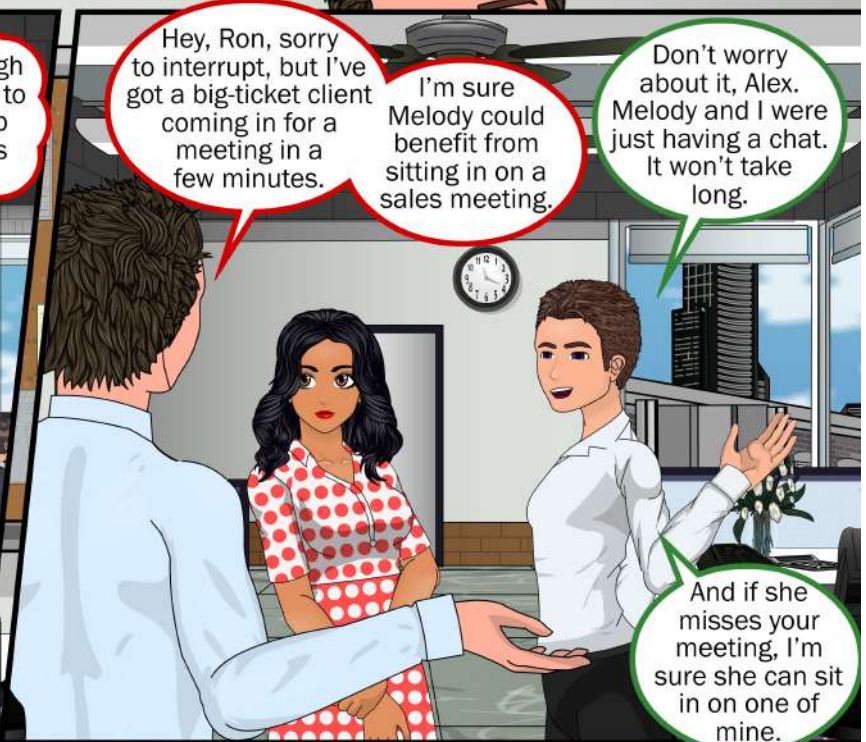

I'm sure I'll know in a few minutes. If the transformation happens at work, he'll be calling me to see what's up.

You know, Melody, that blouse really brings out the color in your eyes. You're quite the sight around here.

Oh, um, thanks, Ron. That's very kind of you.

I've had enough of this. I need to break this up before it gets worse.

Hey, Ron, sorry to interrupt, but I've got a big-ticket client coming in for a meeting in a few minutes.

I'm sure Melody could benefit from sitting in on a sales meeting.

Don't worry about it, Alex. Melody and I were just having a chat. It won't take long.

And if she misses your meeting, I'm sure she can sit in on one of mine.

The balls on this guy! Hitting on Melody right in front of me!

Even if our dating is a secret, he had to know he was stepping on my toes when he came over here.

This is ridiculous. I need to get Ron away from Melody, somehow.

Think, Alex, think! What would shut this guy up??

Anyway, Ron, about that client meeting...

Um, this can... I mean, I can always wait, if Alex needs me.

Oh, don't be ridiculous, Melody. Alex is a big boy, he can handle his own clients.

Alex, this can wait. Melody and I are talking about some important company matters.

So, have you had a chance to explore the city? I know some great spots.

Not really, but I'd love some recommendations.

Actually, Melody, I could show you around sometime...

I think she'd prefer some real insider knowledge, Alex.

Hey, is something different with Alex? His body looks like... like it's changed.

He didn't look like that a minute ago, did he?

Alex, did something happen? You look so... small all of a sudden. Even Ron looks bigger in comparison.

Wait, what? What do you mean?

She's right, you know. You look different, Alex. Smaller.

You do seem... diminished

Seriously, Alex, did you shrink?

Maybe you need to hit the gym more often, Alex.

What in the fuck are they-?!

Oh no, they're right! I... I'm shrinking!

Fuck! I must be transforming again.

See these? Hours of dedication at the gym.

Now *that's* what a real man looks like.

Wow, Ron, you're really in great shape.

I can't believe this. He's loving this, and I'm stuck here shrinking.

I'm being cucked by my own fucking boss, as if the past twenty-four hours haven't been humiliating enough.

I have to figure out why this is happening again. It's not like I masturbated, or made a new wish...

I swear, if I ever find that cursed statue, I will smash it to pieces!

Oh no, I'm growing breasts!

Right here in the middle of the office? Could there be a worse time for this bullshit?!

I have to get out of here before they notice...

If Melody sees that I have tits, that's it for our sex life.

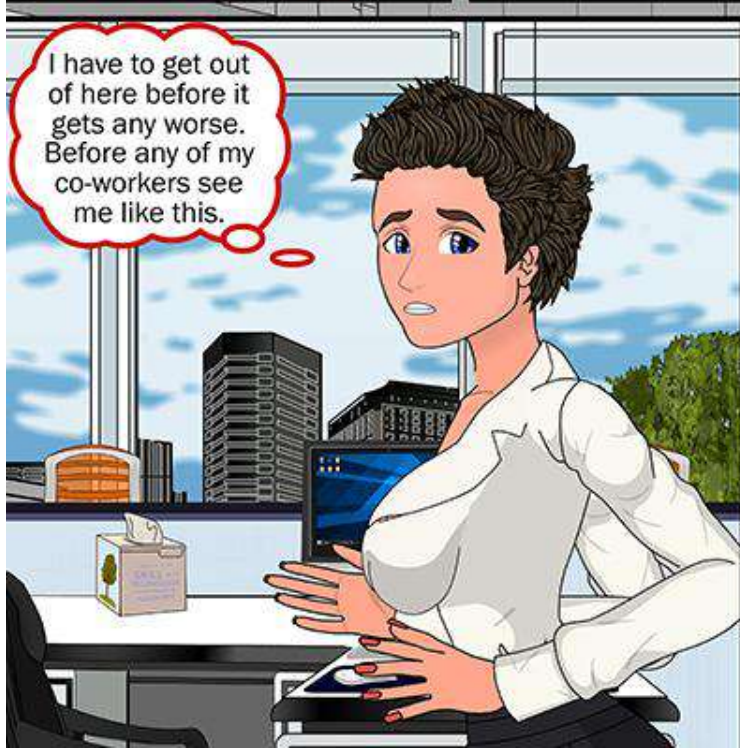

I... I need to go. Something came up.

Seriously, Alex? Now?

But what about the meeting??

Worry not, Melody. We can continue our conversation now, uninterrupted.

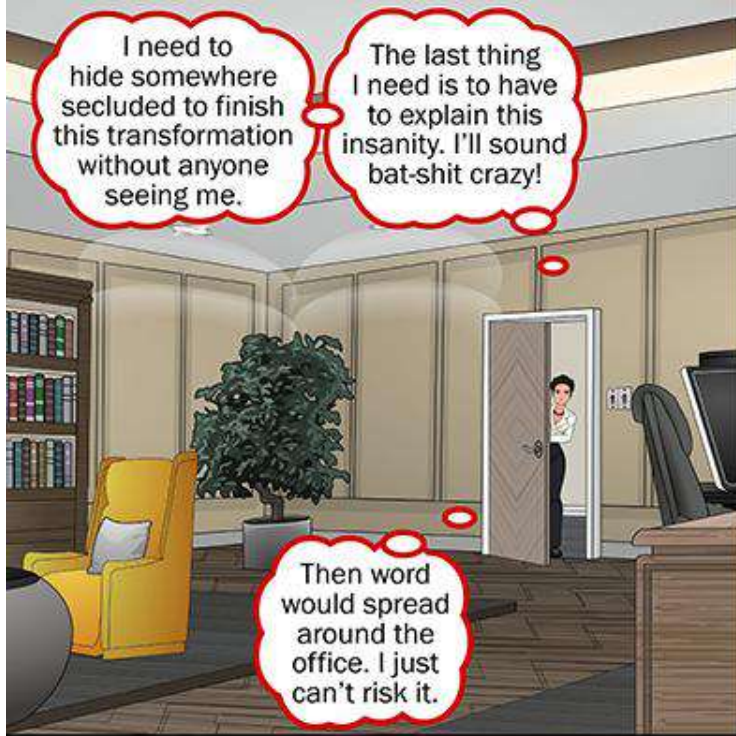

I have to get out of here before it gets any worse. Before any of my co-workers see me like this.

This is getting out of control. I need to escape now!

But where can I go for some privacy??

I need to hide somewhere secluded to finish this transformation without anyone seeing me.

The last thing I need is to have to explain this insanity. I'll sound bat-shit crazy!

Then word would spread around the office. I just can't risk it.

This should be a good spot. Ron's too busy being "preoccupied", so chances are good that no one will find me here.

I should have plenty of time to transform in peace.

Shit, I'm not too thrilled over the thought of leaving him alone with Melody though... Fucking cock-block!

Whoa! Are they still growing? How big are they going to get?

Who the fuck am I transforming into that has tits this big?

This is like a porn star level bust! No waaay are these babies natural.

These are massive... and they're still growing!?

Jesus, this is going to kill my back. I can already tell.

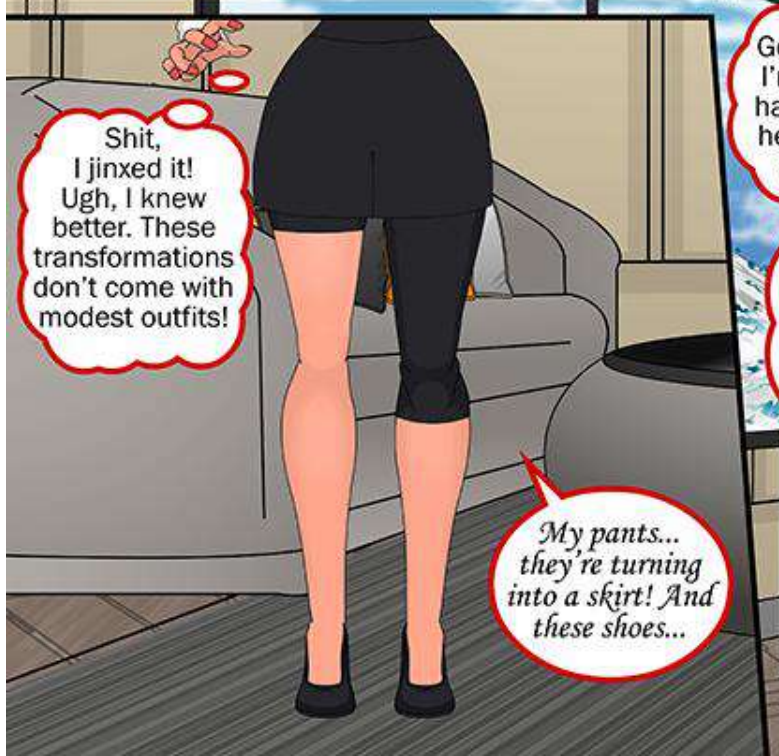

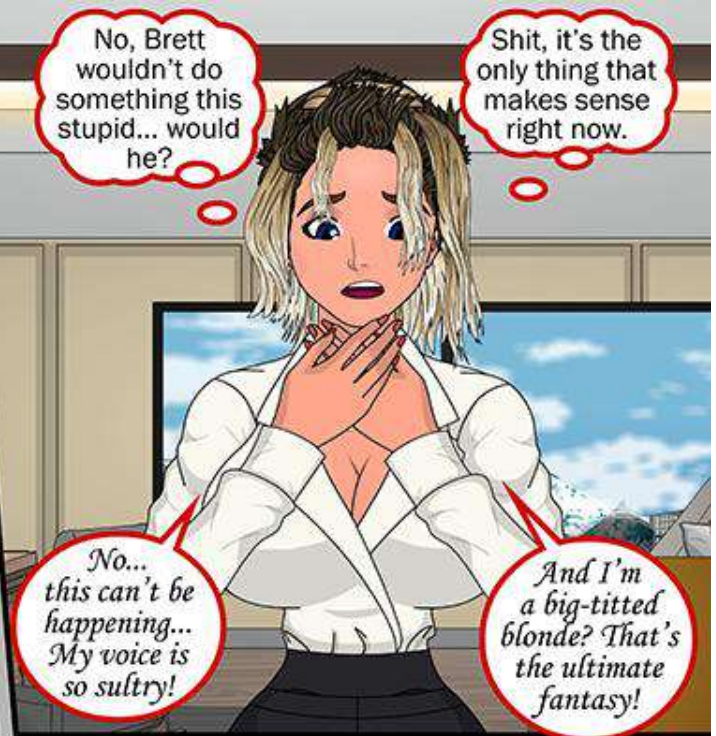

Plus, this is going to draw a lot of unwanted attention to me.

My tits are even bigger than last night. Shyloh was close to Melody's size, but now I'm much bigger than both of them.

This is insane... I can't believe how huge they are!

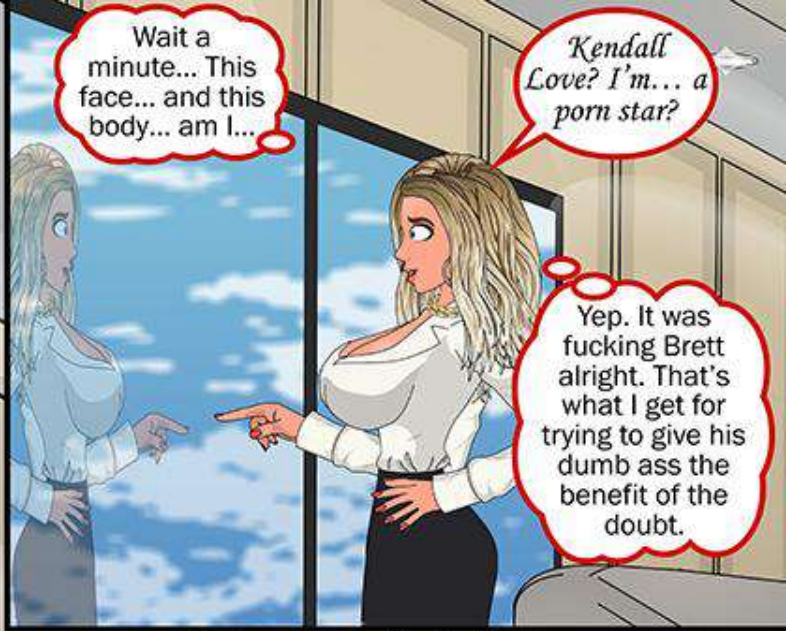

What am I supposed to do with these? They're literally the size of melons!

Alright, I think it's safe to say the transformation is over... For the most part, at least.

It's time to solve the mystery, and see who I am today.

Wait a minute... This face... and this body... am I...

Kendall Love? I'm... a porn star?

Yep. It was fucking Brett alright. That's what I get for trying to give his dumb ass the benefit of the doubt.

Brett is obviously the one behind this. He loves Kendall!

And the fucker knew I didn't want to transform again! I should call him and give him a piece of my mind!

But... maybe I should wait until this transformation is completely finished.

Because I can think of one area that still needs to transform.

As much as I don't want it to, I'd rather this be over with.

This is so bizarre... The feeling of my dick converting into a pussy is a sensation that I will never get used to...

Hopefully I'll never have to...

That's it. It's gone... I'm fully transformed, now.

No time to lament the loss of a true hero.

I'll miss you for the time being, dick. You always serve me well.

Brett's going to get his ass kicked if he decided to experiment on us during my work hours.

Couldn't he at least wait until I got home? This is a major risk for me!

He better answer his phone. I swear, I'm going to be so pissed if he's behind this bullshit.

I hope I'm wrong about this... for his sake!

And there's Alex with the phone call. I probably have some explaining to do...

Or maybe it's just a coincidence? I'd better play it cool.

Hey, what's up, Alex? To what do I owe the pleasure?

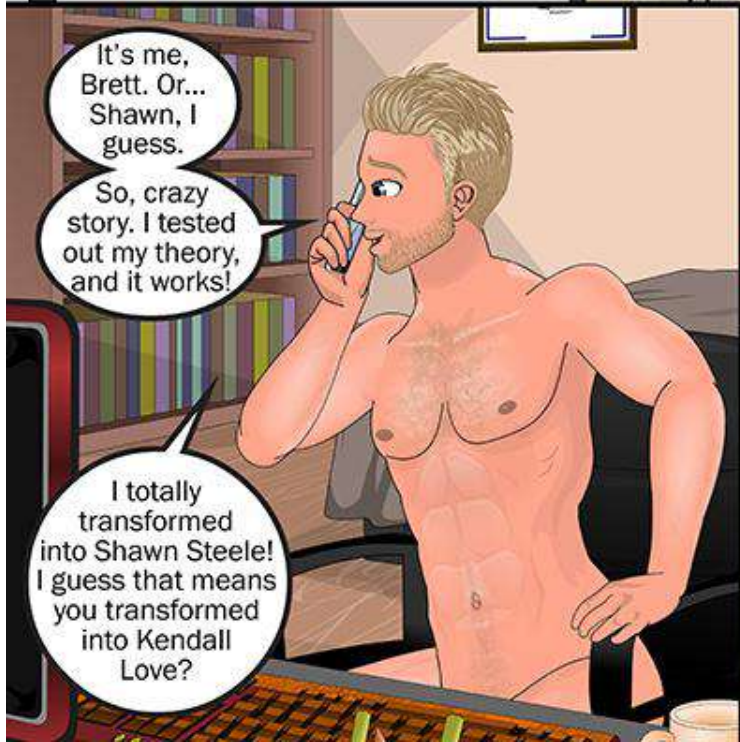

What the—who just answered? Did someone steal Brett's phone?

It's not like him to have company over in the middle of the day...

Who is this? Put Brett on the phone. I don't have time for games. Where is he?

I have a rather pressing matter I need to bring to his attention NOW!

It's me, Brett. Or... Shawn, I guess.

So, crazy story. I tested out my theory, and it works!

I totally transformed into Shawn Steele! I guess that means you transformed into Kendall Love?

So, he's able to transform us after all...

I didn't think he was affected by the wish like I was...

But what does it mean if Brett's the one who transforms us? Are the rules still the same?

Seriously, Brett? I didn't want to transform again! I just got my old self back,

Sorry... it was just an experiment. I wasn't sure it would work.

Well, now I'm stuck as a woman at work, And a porn star, at that!

I said I'm sorry! There was no way I could have known it would affect you, too.

It affected me last time, so why wouldn't it affect me this time??

My career is on the line here, all because of some stupid fantasy of yours!

This isn't a fantasy anymore. This is an actual dream come true for me.

You can't blame me for trying.

What if something goes wrong? How are you not worried?

Maybe we should just embrace it. For all we know, this wish magic is permanent.

You mean... every time either one of us enjoys ourselves, we might transform again?

Oh God. That can't be true... But what if it is??

I'll never be able to masturbate again!

Like I said... dream come true.

So, hey, while I've got you on the phone... what's it like being Kendall Love? I bet you look smoking hot!

Enough playing around, Brett. That isn't acceptable. I need to turn back now!

Well... there's at least one way we know of to change back.

Sex can't be the only way to reverse this transformation.

There has to be another!

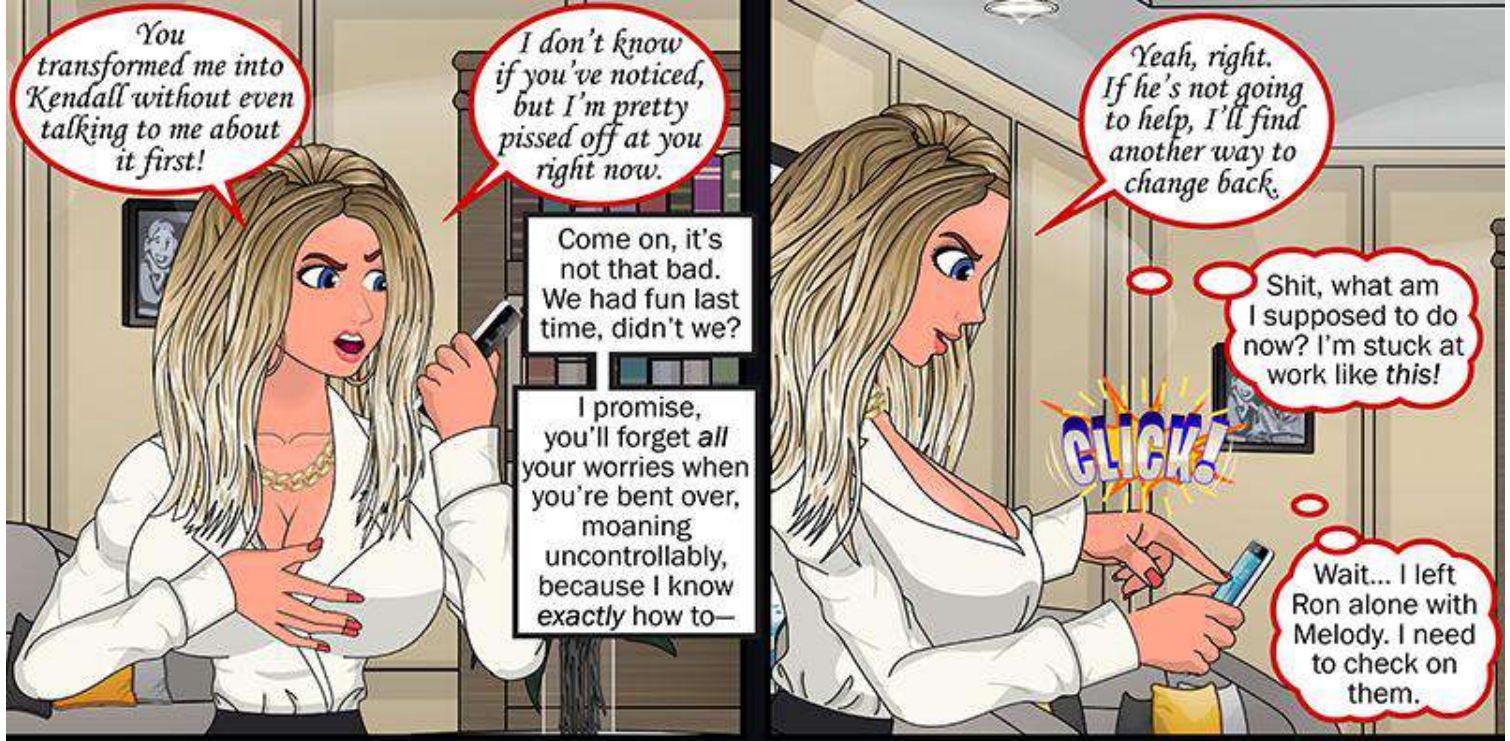

That's not funny. I'm at work, Brett. What am I supposed to do right now?

I can't just disappear for the day!

Who cares? Just come home. You should see this, anyway.

I've got the perfect body, now—huge dick and all.

It's even bigger than my cock last night!

You transformed me into Kendall without even talking to me about it first!

I don't know if you've noticed, but I'm pretty pissed off at you right now.

Come on, it's not that bad. We had fun last time, didn't we?

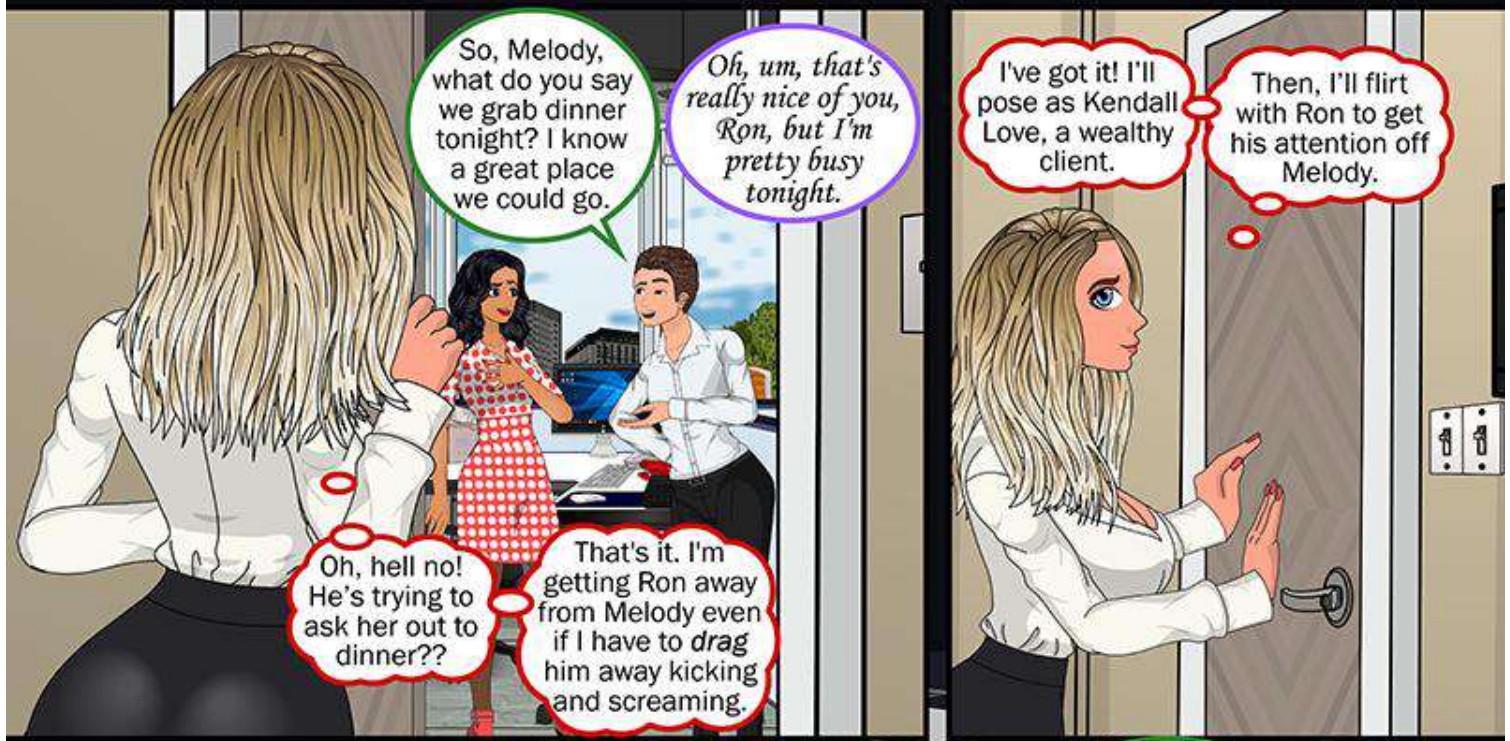

I promise, you'll forget all your worries when you're bent over, moaning uncontrollably, because I know exactly how to—

Yeah, right. If he's not going to help, I'll find another way to change back.

Shit, what am I supposed to do now? I'm stuck at work like this!

GLINK!

Wait... I left Ron alone with Melody. I need to check on them.

So, Melody, what do you say we grab dinner tonight? I know a great place we could go.

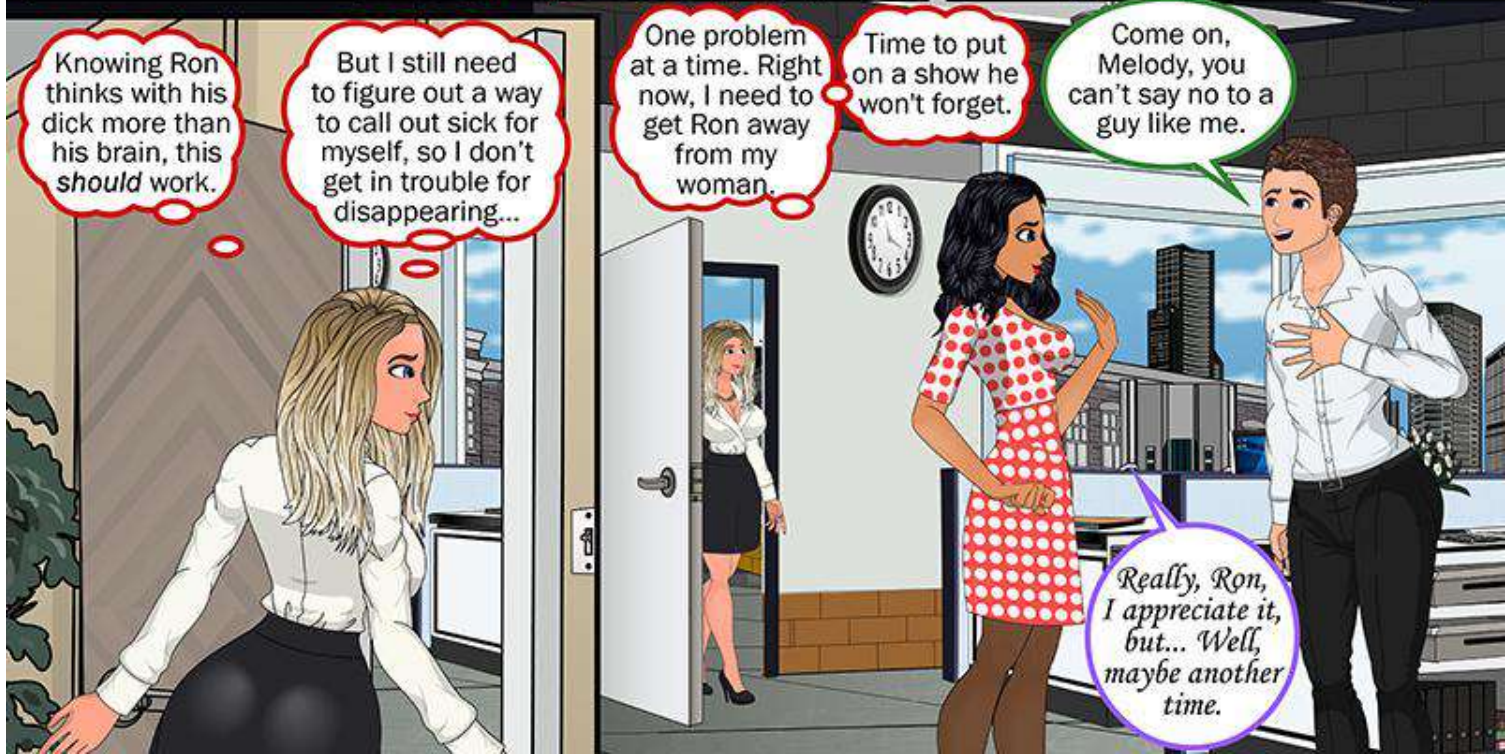

Oh, um, that's really nice of you, Ron, but I'm pretty busy tonight.

I've got it! I'll pose as Kendall Love, a wealthy client.

Then, I'll flirt with Ron to get his attention off Melody.

Oh, hell no! He's trying to ask her out to dinner??

That's it. I'm getting Ron away from Melody even if I have to drag him away kicking and screaming.

Knowing Ron thinks with his dick more than his brain, this should work.

But I still need to figure out a way to call out sick for myself, so I don't get in trouble for disappearing...

One problem at a time. Right now, I need to get Ron away from my woman.

Time to put on a show he won't forget.

Come on, Melody, you can't say no to a guy like me.

Really, Ron, I appreciate it, but... Well, maybe another time.

Come on, Melody. It'll be fun. I'll spare no expense for a woman like you.

And for dessert, well, I have a few ideas that are just... delicious!

Ron, that's very flattering, but I'm just not interested.

I appreciate the offer, though.

He may be into Melody now, but that's all about to change the second he sees my body.

Hi, there. Sorry to interrupt—

Hey there, Alex! It's good to see you. Working hard, as usual?

Hi, Alex! How's it going today, girl?

Uh, sorry, did you just call me Alex?

Well yes, of course! Who else would you be?

By the way, how was your meeting?

Yeah, you were supposed to meet with a big client today.

Hold on. What's happening right now? They don't recognize me as Kendall?

They're talking as if I'm still me, but I'm a woman. So... their memories have been changed?

Was it like this when I was Shyloh? I never saw anyone last night who would recognize me.

Or maybe the magic works differently, now that Brett is running the show?

The meeting was... great! But I came over here to interject on a different subject.

Ron, it sounds like Melody is busy tonight. Why don't you save that dinner invitation for me? I'd love to see what you have in mind for dessert.

Well, Alex, I mean, I had no idea you'd be interested. I'd be delighted!

You're looking... absolutely stunning today, by the way.

Phew! Thank you for intercepting, Alex. You're a lifesaver.

How about tonight at seven? You can pick me up.

I'll give you my number and text my address.

Perfect. I'll be sure to make the proper arrangements.

I hope you're ready for an unforgettable evening!

I'm counting on it, handsome.

You've really been putting in the effort lately, Alex. Even coming in on your day off. I've been meaning to find a way to repay you.

Oh, I'm sure you'll find a way to repay me, Ron.

In fact, I can think of a few ways you might start.

I'm glad Alex took the pressure off me, but she's kind of taking things a bit too far...

She's all over Ron, and it's getting hard to watch.

My plan worked like a charm! Melody is in the clear.

After a few more minutes, I'll dump Ron, leave the office, and figure out how to turn back to normal.

You know, Alex. Maybe I shouldn't admit this so soon, but I've wanted to ask you out since the moment I laid eyes on you.

Oh? And what have you been waiting for?

A woman as gorgeous as you can be intimidating, but it didn't stop me from day-dreaming.

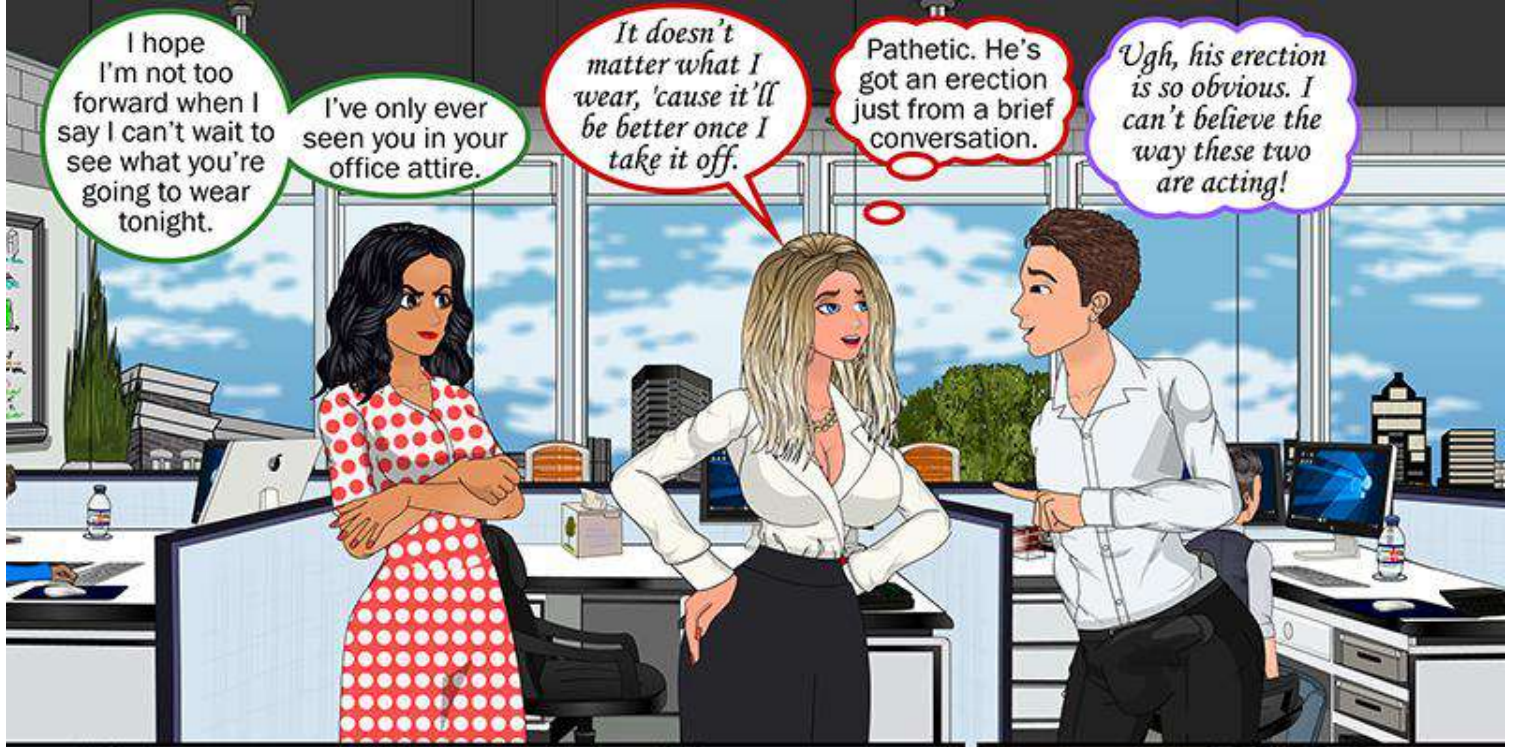

Thinking about how incredible you'd look in my arms. How you'd feel...

Is that so? Well, maybe you'll find out sooner than you think.

I can't wait to find out, frankly. The very thought excites me!

Well, I am the kind of girl who can make all of your fantasies come true.

I hope I'm not too forward when I say I can't wait to see what you're going to wear tonight.

I've only ever seen you in your office attire.

It doesn't matter what I wear, 'cause it'll be better once I take it off.

Pathetic. He's got an erection just from a brief conversation.

Ugh, his erection is so obvious. I can't believe the way these two are acting!

Looks like you're already excited for tonight, Ron.

Uh, y-yeah, absolutely. I can't wait.

This is gross, but I have to admit, it's a bit satisfying knowing I have this effect over men.

How did I get this lucky? Alex is insanely attractive—way hotter than Melody—and she's definitely a sure thing!

MEANWHILE

The thought of Alex now having Kendall Love's body is making me crazy. Just imagining her in those sexy office clothes...

Seriously, I really hit the jackpot when I brought home that wishing statue.

I can't stop thinking about how incredible it's going to feel when I get to fuck her.

God, even the thought has me hard as a rock! I think another round is in order.

You've really been putting in the effort lately. Even coming in on your day off.

I've been meaning to find a way to repay you.

Oh, I'm sure you'll find a way to repay me.

In fact, I can think of a few ways you might start.

I can't wait to see what you're going to wear tonight.

I've only ever seen you in your office attire.

It doesn't matter what I wear, 'cause it'll be better once I take it off.

God, this is so hot. Just look at her massive tits!

I'm going to cum all over those titties tonight.

I can't wait to find out. The very thought excites me!

Well, I am the kind of girl who can make all of your fantasies come true.

This is so incredible. I can't believe this is my life, now.

Maybe we can roleplay this scene later, just like we did with Savage and Shyloh!

Hey there, big boss man. You're looking really good today.

Your biceps look like they're about to bust out of your shirt! Mmm, I love a man who works out.

Oh, who is this sexy little vixen there to compete with Kendall? This just keeps getting better.

Can't you see the boss is already preoccupied... with me?

Sorry, girl. But this one is all mine tonight.

You're going to have to wait your turn.

Aww, but can't we share him?

Ladies, ladies, calm down. There's enough of me to go around.

You're so strong and handsome, Ron. I want to feel your body up against mine.

Oh God, the way you talk to me. You're so sexy it's killing me, Alex!

If you keep this up, we'll have to leave early. I won't be able to wait a second longer!

Sorry, I know I'm being highly inappropriate for the workplace, it's just...

I find you so irresistible, Ron.

Oh, well... there's no reason to be ashamed. At the end of the day, we are just human, after all.

I may be human, but rest assured, I'm an animal in the bedroom, baby.

Then you're exactly my type. I'm rather skilled in taming wild... pussy cats.

Chuckle!
If you catch my drift.

Am I crazy, or did Ron just get bigger? His muscles look like they've doubled in size!

Or perhaps I should stop beating around the bush and just say...

I'm going to give you the most memorable fuck of your life tonight.

Oh, Ron! I love a man who knows what he wants, and takes it.

What... what's going on? Has Ron become... hotter?

Did Ron just transform, too??

Alex, did you notice Ron growing bigger? He's hot now, right?

I think maybe he's just exuding more confidence than usual?

He must be flexing harder or something.

This has to be Brett's doing. He must be masturbating and causing the people around me to transform.

I'm so attracted to him all of a sudden. What's happening?

I don't know, but it's definitely turning me on, too.

Enjoying the view, ladies?

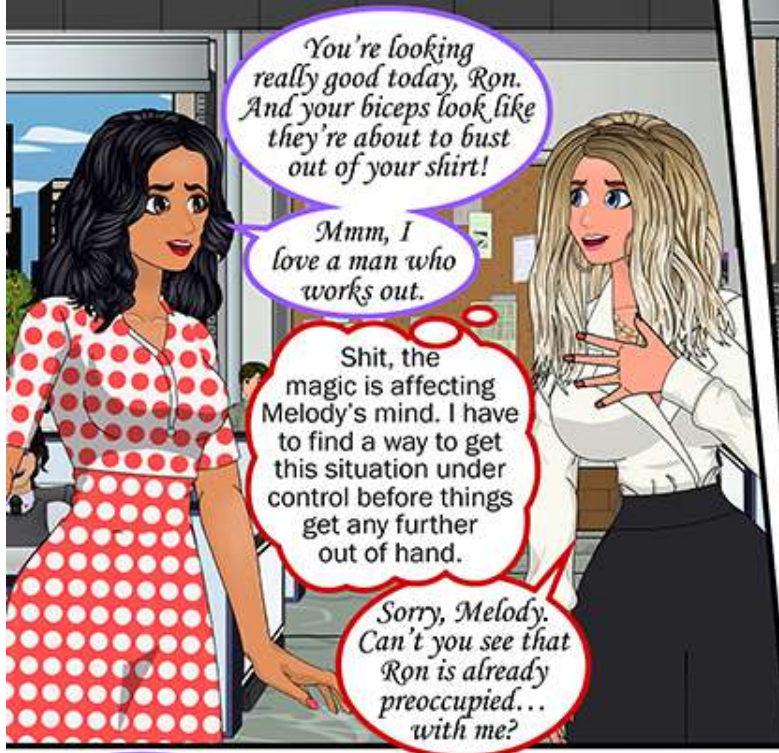

I hear you both whispering over there.

Let me guess, you girls like what you see?

My god, Ron... you could say that again!

That bulge. Has it always been so big??

You're looking really good today, Ron. And your biceps look like they're about to bust out of your shirt!

Mmm, I love a man who works out.

Shit, the magic is affecting Melody's mind. I have to find a way to get this situation under control before things get any further out of hand.

Sorry, Melody. Can't you see that Ron is already preoccupied... with me?

Sorry, girl. But this one is all mine tonight. You're going to have to wait your turn.

Aww, but can't we share him?

Ladies, ladies, calm down. There's enough of me to go around.

See? Ron can handle the both of us. We should let him decide.

He's the big boss around here, after all. Aren't you, baby?

Oh, I'm "big" in every sense of the word.

Is Melody looking... curvier? Shit, the magic must be transforming her body now, too!

Mmm, but can you handle all this, Ron?

I'm willing to bet I can do things to you that you've never experienced before.

Something tells me you're not lying, but I may need a little proof.

Seeing is believing, wouldn't you agree?

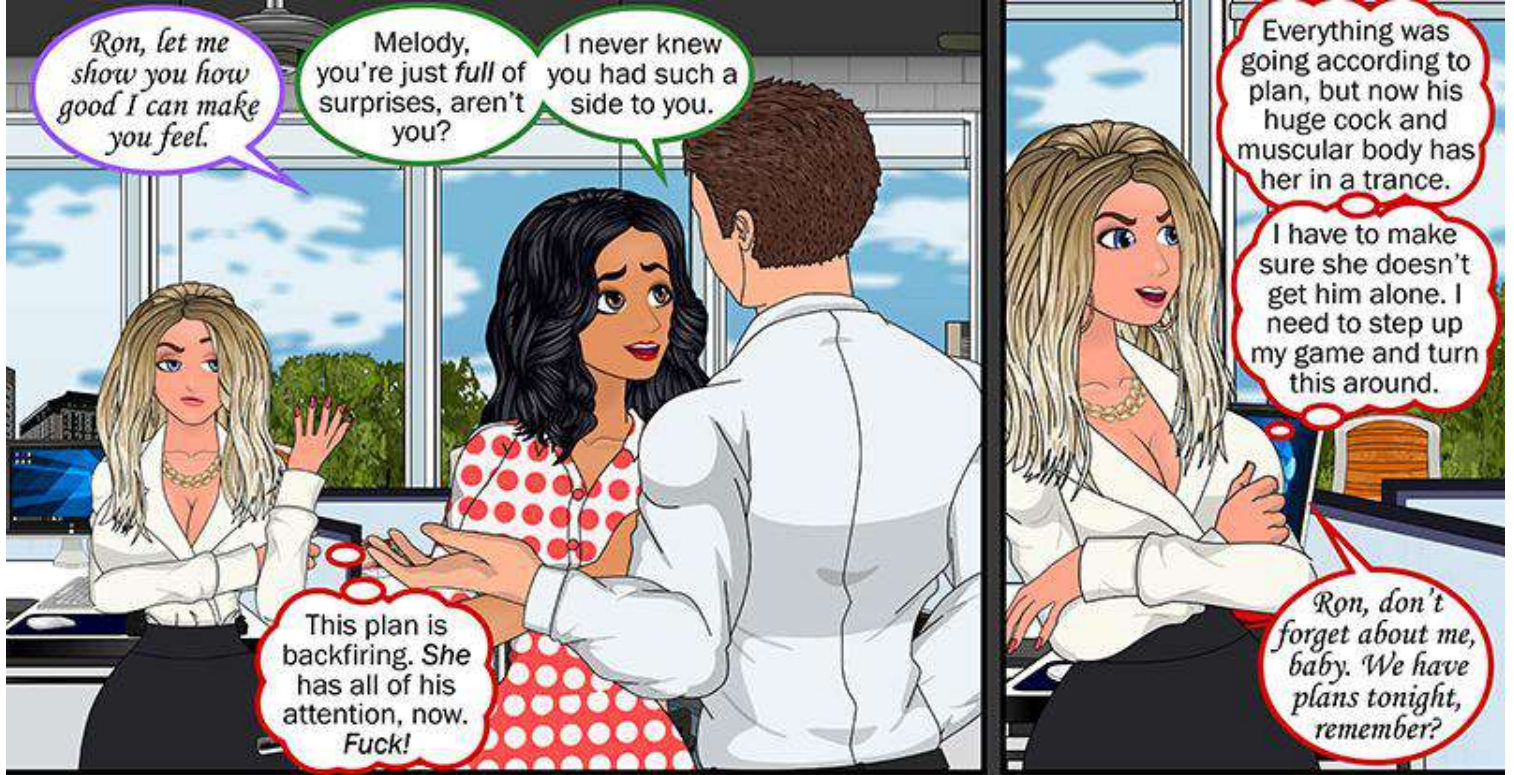

Oh, I'll show you everything, baby. Just tell me when you're ready for the main event, and I'll be sure to rock your world!

My God, Melody. I love this bold, new attitude of yours.

If you look down, you'll see I'm filled with anticipation.

Shit, the situation is escalating.

I need to find a way to turn this around, before it's too late!

Ron, let me show you how good I can make you feel.

Melody, you're just full of surprises, aren't you?

I never knew you had such a side to you.

This plan is backfiring. She has all of his attention, now. Fuck!

Everything was going according to plan, but now his huge cock and muscular body has her in a trance.

I have to make sure she doesn't get him alone. I need to step up my game and turn this around.

Ron, don't forget about me, baby. We have plans tonight, remember?

Don't you want to see what else I can do, Ron? I promise you won't regret it.

In a minute, Alex. Melody and I are talking.

Mmm. Melody, your body is incredible. I can't keep my hands off you.

Enjoy it, Ron. It's all for you, baby.

He's not getting her without a fight! I don't care what I have to do...

No one can fuck you better than me, Ron. Just give me the chance.

Don't listen to her, Ron. I'm the one who can make you feel things you've never felt before.

This is incredible. You both want me so badly, don't you?

You deserve someone who can satisfy you completely. That's me.

No, Ron, it's me. I can make you feel amazing.

I was just going to get him away from Melody and ditch him. But now...

I'm actually getting a little turned on by his hot new body!

Feel that, Ron? Imagine what I can do for you.

Melody, you're driving me crazy.

Jesus, Melody! What do I have to do to get you off this guy??

If I just give in to my urges and fuck Ron, I'll have all of his attention again, and Melody will be forced to step back.

No! I need to stay focused. I have to regain control, and get Melody away from him.

But isn't fucking him the best way to keep his attention off her?

Plus, if I have sex with him, maybe I'll turn back into a man!

Enough teasing, Ron. Why don't we go to your office right now and have a little "business meeting". Just the two of us?

What do you say, baby?

But Ron. Don't you want to—?

Another time, Melody. Right now, Alex and I have much to discuss...

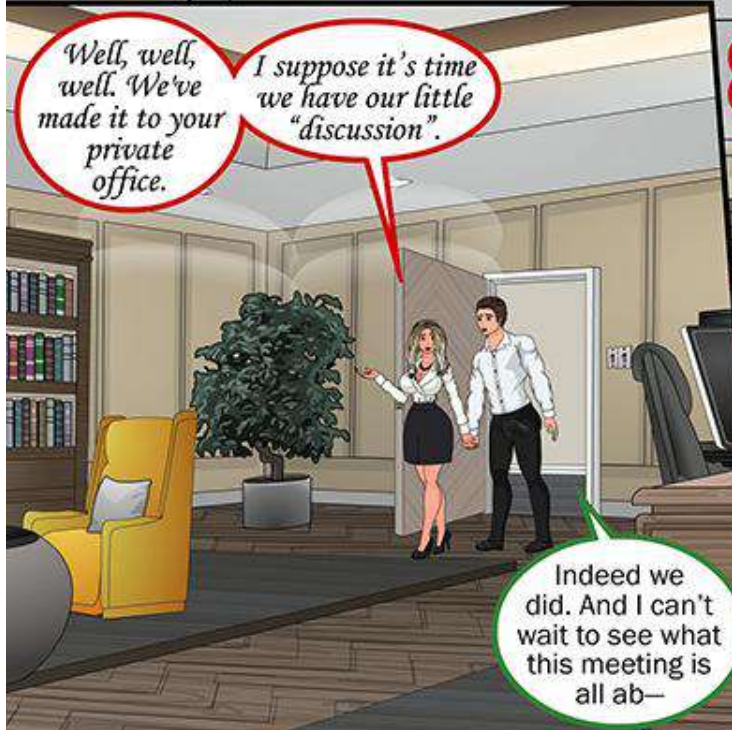

You made the right choice. I promise you won't be disappointed.

I can't imagine that I would be. I get the feeling I'm in for a real treat.

You have no idea, baby. Just wait until we get into that office.

I won't give up that easily. Next time, Ron.

Well, well, well. We've made it to your private office.

I suppose it's time we have our little "discussion".

Indeed we did. And I can't wait to see what this meeting is all ab—

Why waste another second? I'm ready to get down and dirty now!

What an aggressive woman! I've never been so turned on before in my entire life!

I'm only doing what's necessary to change back...

But I might as well have a little fun while I'm at it!

I can't believe this is happening. I almost feel like I'm in some type of office porn video!

I hate to admit how much he's turning me on with his touch... How much I'm actually enjoying this.

I'm so hard, I feel like I'm about to explode. I need her now!

Your tits are amazing, Alex. I can't wait to finally feel them for myself.

And you're so big, Ron. I want you inside me.

MEANWHILE

This is too hot. I keep imagining Alex doing everything she's doing to him in the video, but to me in real life.

Your tits are amazing, Kendall. I can't wait to feel them.

And you're SO big, baby. I want you inside me.

Get ready. I'm going to blow your mind... Along with a few other things.

I can't get enough of this. She's perfect. And she's about to be all mine!

giggles

Are you ready for this, baby? I'm going to make you feel so good.

Mmm, I'm ready. Bring it on, you sexy little slut.

BACK IN THE OFFICE

Are you ready for this, baby? I'm going to make you feel so good.

Mmm, I'm ready. Bring it on, you sexy little slut.

This feels incredible, Alex. The way you stroke it like that. Mmm...

I can tell you know how to please a man.

Just wait. You won't be able to get enough of me after this...

That's right. Show me what you can do.

Your lips look so soft. I can't wait to feel them all over my member.

I'm just getting started. He has no idea what I'm capable of just yet.

But he's about to find out.

Mmm, oh God, yes.

Ungh! I can feel you going deeper. Taking me all the way down your throat.

Oh yeah, baby. Don't stop.

I'm going to take him all the way. I can't wait to feel him deep in my throat.

Oh god, Alex, that's incredible.

All the way down... Yes!

My deep-throating skills have improved since last night!

Must be because I'm in the body of an actual pro!

That's it, take it all. You're so good at this. Keep going.

Slurp!
Mmm...
mmhmm...
Slurp!

MEANWHILE

That's it, take it all. You know exactly how I like it, baby. Keep going.

Slurp!
Mmmm...

I can't wait to see if the real her does it exactly like this. It's going to be perfect.

Look at her go. Damn, I want her to deepthroat me like that.

Just imagining her lips wrapped around me, tongue massaging my cock...

Mmm, fuck yeah.

Sharp!
Mmmm...

I'm about to cum, baby.

Already? But you haven't even felt my pussy.

Oh no, I'm not done with you, yet.

If that were me, I'd have blown my load all over her and been ready for the next round by now.

How the hell is he lasting so long?

BACK IN THE OFFICE

That's it, take it all. You know exactly how I like it, baby. Keep going.

Sharp!
Mmmm...

GASP!

Don't stop now, Alex. I'm about to cum, baby.

Not yet. As far as I know, the magic doesn't work from just blowjobs.

Already? But you haven't even felt my pussy.

Oh no, I'm not done with you, yet.

PANT!
Oh god, Alex. I want to fuck you so bad.

That was absolutely fantastic, baby.

I've never had someone suck me off that hard before.

Mmm, it was my pleasure, babe. You're so fucking tasty.

Now, kiss me. I want you to taste yourself on my lips.

Damn, you're such a naughty girl, aren't you?

Mmm... Nnmpph...

Alright, now that I've got him nice and warmed up, it's time we take this to the next level...

Mmm...

This was supposed to be just a means to an end, but now... I can't wait to feel him inside me.

She's so irresistible. Every curve of her body is beckoning me. The way she moves... The softness of her skin... It's driving me mad!

Nmmph...

I need to feel her completely. To taste every inch of her...

Damn, I'm not sure if it's the magic or if it's his own experience, but he's pressing all of the right buttons.

I feel myself getting wetter for him with every touch.

I love the way you feel, baby. Your body pulls me in closer, making me want you more and more with each and every touch.

Oh, yes... You're driving me crazy.

Your pussy is so wet, baby. You're ready for me, aren't you?

Mmm, yes. I need you inside me, Ron.

I want you so badly.

Enough foreplay, Ron. I don't want to cum from your fingers...

Not before I have the chance to feel your big, hard cock inside of me!

I knew it. You can't wait any longer, can you?

You must want me badly, baby. You want me now, don't you?

Tell me how fucking badly you want my cock, Alex.

I don't just want it... I NEED your cock, baby.

Now, come on. I'm ready for you to please me.

Baby, you look incredible. The way your body moves... what a spectacle.

I could watch you all day.

Keep watching, sexy. I want you to see everything.

I'm gonna fuck you the hardest you've ever been fucked, Alex.

Please, Ron. I need you to fuck me right now.

God, you're perfect like this—bent over my desk and begging for my cock!

Make me yours, right here on this desk.

Make me scream your name so loudly the whole office can hear.

Oh, I'm going to make you scream. Just let me just get this on first, baby.

No, don't! I want to feel you completely.

No condom? Are you sure?

Yes, I'm sure. I don't want anything in between us.

I'm not sure if the transformation will happen if there's a condom. Better play it safe and go without.

I need to feel every inch of you inside of my pussy!

You're such a slut, baby. You want it raw, don't you?

I love it when you talk like that.

Yes, I want you to fuck me raw. Give it to me now, baby.

Get ready, because I'm about to bust you wide open!

Are you ready for this, baby? I'm going to give you everything.

Mmm... Yes, I want you so badly, babe. I can't take it.

You're so wet, baby. I can feel how much you want this dick.

Please, don't tease me anymore. I can't take it.

My pussy is aching. It's throbbing to feel you!

Here it comes, baby. How does it feel?

I'm going to shove it in deep and fill you all the way up.

Oh yes, just like that.

Mmm! Fuck, baby. I can feel you stretching me out.

Ahhh! YES! Mmm, oh fuck yes, Ron!

He's so deep inside me. The sensation is overwhelming.

Every inch of him is filling me up completely!

I almost missed how good this feels!

You feel amazing, baby. So tight and wet.

Yes, keep going! I love the way you're filling me up.

The way he moves inside me... it's like nothing I've ever felt. The pleasure is intense. Waves of ecstasy coursing throughout my body.

You like it when I take you like this, don't you?

Right here, in the middle of the day, in the middle of the office.

Yes, yes, yes! I love it. Don't stop!

Make me your little office whore, baby!

Oh God! UGH! Right there!!
MOAN!

I can't believe how much better sex feels as a woman. Every thrust is pure bliss! My entire body is on fire.

The extreme sense of pleasure is... It's indescribable!

God, you feel so good, baby—so nice and tight!

Fuck, you're gripping me! Pulling me in deeper.

I... I can't get enough!

Yes, just like that! Keep going. Don't stop!

Every thrust sends waves of pleasure throughout my entire body!

I can feel his long, thick, and hard cock filling me to my limit.

The sensation is causing my pussy to flood as though it were begging for his cock to pound me harder... and faster!

Fuck, babe. Your pussy is unreal.

I've never had it this good before!

Uh-huh! Uh-uh-uh-UNGH!

I'm so close. The pleasure is building up. I can't hold back.

His large size is pushing and tickling my clit to the brink of climax!

You're close, aren't you? I can feel you tightening around me.

MOAN!
Yes, I'm going to cum!

Oh God, I'm cumming! It's so intense! UGH!

Fuuuuuck, yeeess!!

I'm close too, baby. Where do you want it? Where to you want my cum?

Inside me! Fill me up with your cum, please!

Ohhh! Yeeess! Mmm!

Ahhh! Fuck, Alex....

I can feel him cumming inside me, filling my pussy.

It's so warm! And there's so much, it's spilling out of me...

I fucking love how it feels!

MEANWHILE

Fuck, babe. Your pussy is unreal.

I've never had it this good before!

Uh-huh! Uh-uh-uh-UNGH!

Fuck yes, really give it to her, bro.

God, I wish it were me... I could fuck Kendall Love for hours!

You're close, aren't you? I can feel you tightening around me.

moan...
Yes, I'm going to cum!

Watching them fuck this hard is getting me excited!

Look at all the precum oozing out of my cock...

I'm already close to nutting again.

You're so tight, baby. I'm going to make you scream.

They look incredible together. I can't wait to feel that with Kendall. Her body against mine, filling her up completely.

Please, don't tease me. I need you inside me.

Ahhh...

That round was so intense...even better than before.

The size of my load is impressive! It's covering me all over my chest.

Mmm...I've always loved the taste of my cum.

The consistency, the salty flavor... It's all so satisfying.

And now there's way more than before. Why waste it?

I'm glad jerking off didn't transform me back. I can't wait for the real thing with Kendall.

This new body can last so much longer. I can't wait to see how Shawn's stamina compares to Savage's, from last night.

Damn, I'm still hard? This new body is amazing! I can cum multiple times and still want more.

I'll need that sort of track record to keep up with Kendall tonight.

Just thinking of her sweet, sweet pussy wrapped around me...

DING!
DONG!

Shit. Is someone at the door?

Who could that be?

Who could be dropping by in the middle of the day like this? Did Alex have a package arriving today or something?

I'd better check it out, and see what's going on.

Oh, hey, Jane. What's up?

Brett? Wow, sorry. Am I interrupting something?

Did she just call me Brett? So, she doesn't remember what I used to look like... Now that's interesting.

This wish works even more in my favor than I realized.

Oh no, you're not interrupting anything. You just caught me on my way out of the shower.

Let me guess, you're here for Alex?

Yeah, I- I was supposed to meet him here. We had plans today. Is he home?

Did she just check out my body?

Holy shit. Jane is into me! What an interesting turn of events.

Oh sorry, but Alex got called into work at the last minute. He's not home right now.

Oh, that's... annoying. We had plans. I don't get why he wouldn't call.

It's actually my bad. Alex asked me to give you a call, but I totally forgot.

Heh. Sorry about that, girl.

Oh, that's okay. I couldn't possibly stay mad at you, Brett.

Wow, look at those arms. His chest and abs are amazing...

And that bulge... Oh my God!

Well, can you let Alex know I was here?
I'll get out of here and let you get back to your day.

You're leaving so soon?

Maybe... Oh, I don't know... maybe we could hang out instead?

You know, I've always enjoyed your company.

You're smart, funny, and I always thought you were really attractive, Jane.

R-Really? You think that... about me? I never noticed. But I always thought...

Well, you always look pretty great too, Brett.

Why don't we make the most of this time alone?

We can watch a movie, share a few drinks, or just talk. It's been a while since we caught up.

I... I think I'd like that. As long as... well, I'm not imposing on your alone time or anything.

Trust me, Jane. A woman as hot as you is never imposing on a man's time.

Let's take this inside. I promise, it'll be fun.

Okay, whatever you say. I could go for a drink or two.

That's my girl! Now we're talking. Let's have a few drinks and see where the day takes us...

BACK AT THE OFFICE

You're quick to get your clothes back on.

Why are you in such a rush, babe?

I need to get out of here before I transform back into a man.

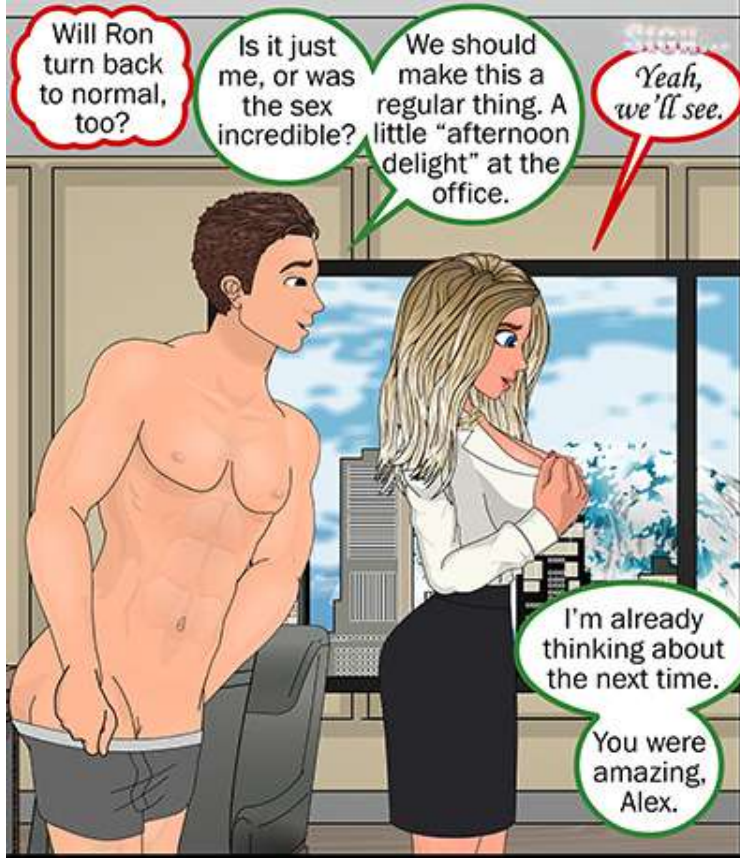

Oh, just have some things to take care of before the day is done.

You sure? We could go another round.

Maybe later. I really have to go.

Any moment now, I should be turning back...

Will Ron turn back to normal, too?

Is it just me, or was the sex incredible?

We should make this a regular thing. A little "afternoon delight" at the office.

Yeah, we'll see.

I'm already thinking about the next time.

You were amazing, Alex.

We have a little office secret, now. A forbidden romance between boss and employee.

Chuckle!
It's so deliciously taboo.

Fuck! Why hasn't the transformation happened yet?

It has to work, right?? I didn't just have sex with Ron for nothing... did I?

Uh, sure, Ron. It's super hot and...

Whatever you said.

Who am I kidding? If it was going to work, it would have by now.

I need sex with Brett to turn back into a man.

Great. Now I have to spend the rest of the day as a woman, AND I still need to have sex again.

This is so frustrating. Not only am I stuck like this, but now I have this... this thing with Ron to deal with.

I know him. He'll never be able to let this go.

I'm really looking forward to our next session, Alex.

This is a great start to a beautiful new beginning between us.

Fantastic. Just fantastic! My boss expects me to fuck him every time he sees me in the office, now.

Yeah, Ron. We'll see about that.

You've really turned things around for me today.

SMELL!
Mmm...You smell amazing, Alex. I can't get enough of you.

SMELL!
Ron, we really should get back to work.

Just a few more seconds, babe. You're irresistible.

Seriously?? How horny IS this guy?

We JUST fucked, and he's already all over me again!

And now he's got the body and cock of a porn star.

What's going to change him back to normal? Will he be like this forever?

You feel so good, baby. I can't get enough of your body up against mine.

Ron, I have a big-ticket client to deal with today. We need to stay professional.

Mmm, okay. I'll try, but no promises, baby.

He's not getting that I'm not into him.

This is not what I signed up for!!

Thanks, Ron. Let's focus on the tasks at hand.

This is infuriating. I regret everything that happened between us...

If only I could go back and undo everything that just happened.

I've...got to go. See you later, Ron.

Hate to see you leave, but love to watch you go, baby.

LATER THAT DAY

Finally, I'm home. What a day! Thank God it's nearly over.

I need to find Brett and fix this mess before it gets any worse.

Dealing with Ron was a nightmare. Dealing with Brett is a nightmare.

I can't keep doing this. I just want to be Alex again.

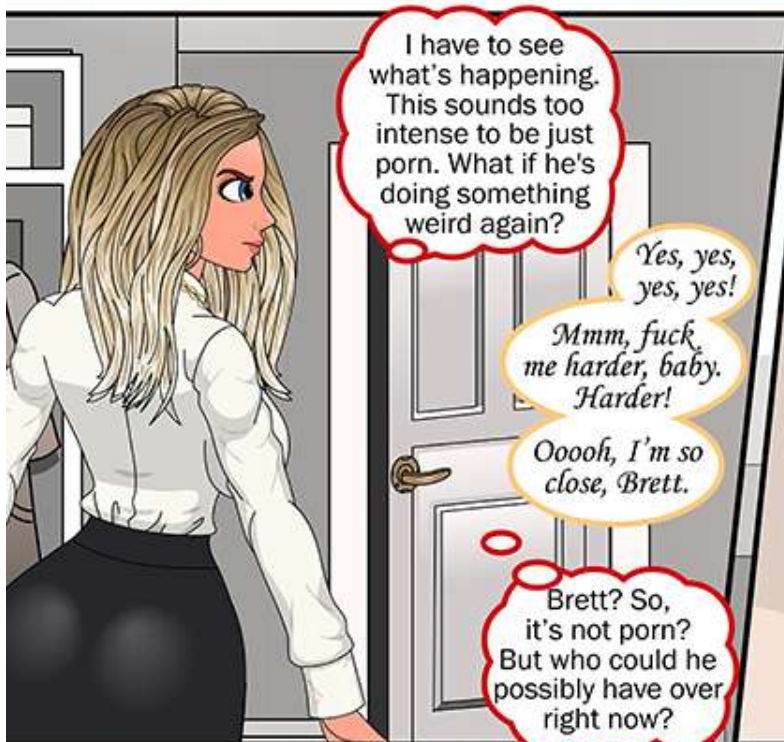

How did it all get so complicated?

moan...
Oh, yes! Ugh! YES!

What's going on? Is Brett watching porn again?

That moaning is so loud... it almost sounds... real!

I have to see what's happening. This sounds too intense to be just porn. What if he's doing something weird again?

Yes, yes, yes, yes!

Mmm, fuck me harder, baby. Harder!

Ooooh, I'm so close, Brett.

Brett? So, it's not porn? But who could he possibly have over right now?

Uh-uh-uh-uh-uh! Oh fuck, Here we go!

GASP!
No... Oh my fucking God, NO!

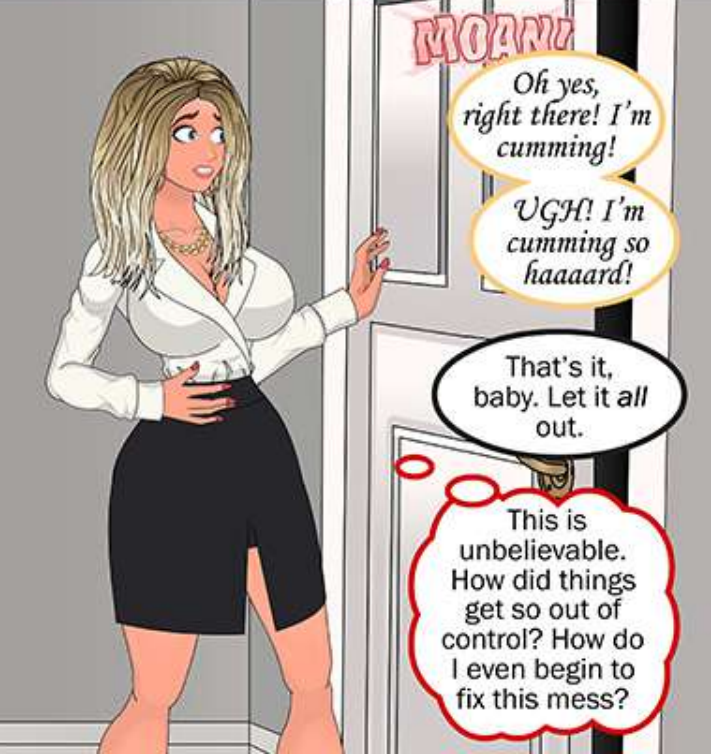

Yes! Oh! I'm... I'm cumming, baby!

That's right. Cum for me, baby.

Cum all over my big, fat cock, Jane!

Is that... Jane? With Brett?? What the hell is going on?!

This is insane! How could he sleep with my baby sister!?

MOAN!
Oh yes, right there! I'm cumming!

UGH! I'm cumming so haaaard!

That's it, baby. Let it all out.

This is unbelievable. How did things get so out of control? How do I even begin to fix this mess?

Mmm... Ahhh...

PANT!
Oh my GOD,
that was fucking
incredible!

You're fucking
incredible!

I love the
way you ride
me—you're a
work of art,
baby.

Mmm,
keep up the
good work. I'm
almost there.

Oh, yes,
right there!

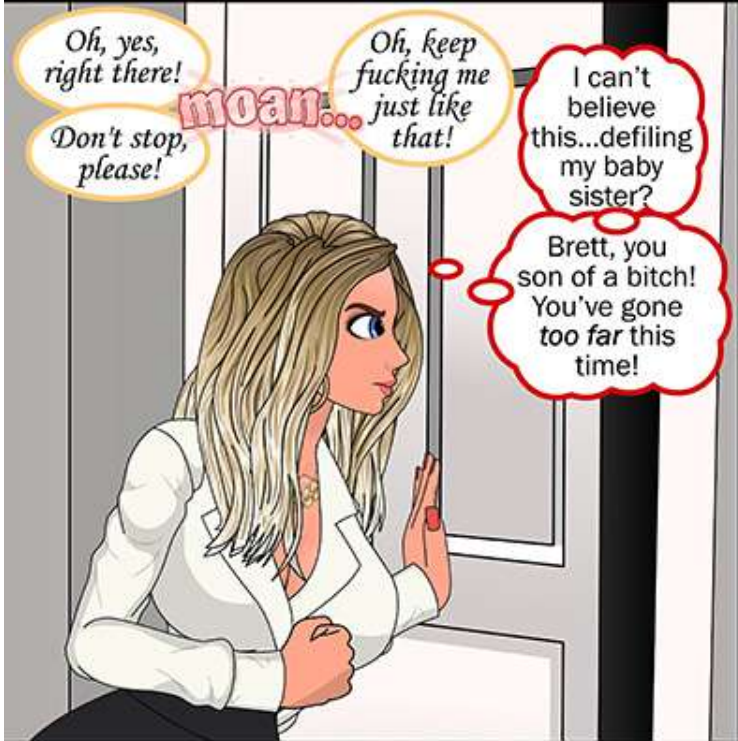

Don't stop,
please!

moan...

Oh, keep
fucking me
just like
that!

I can't
believe
this...defiling
my baby
sister?

Brett, you
son of a bitch!
You've gone
too far this
time!

I'm going to
kick the living
shit out of him,
the second I get
the chance!

Oh GOD Yes!
Yes, yes, yes!!

Uggghh!!
I've never had
an orgasm this
good!

Fuck, Jane.
You're so hot,
baby.

Mmm...
your dick... It's
the best I've ever
had, baby.

It feels so good
I'm shaking!

I'm close,
Jane... You
need to get
off me...

I'm going
to blow any
second
now.

No way,
I'm not stopping
now! I want it
inside me.

I want to
feel your cum.
Brett...

Give it to
me. Give it
all to me!

Ugh!
What—whatever
you say.

This is so
hot! Women are
begging for my
cum, now...

Yes! Oh my God, yes!

I'm cumming...! UGH! Holy shit, I'm cumming!

Mmm, it's so warm, baby. It feels amazing.

I love it. I want more! Keep giving it to me, baby.

I want to drain every ounce from you!

This is incredible... This is the second woman I've cum into in less than twenty-four hours!

That was absolutely incredible, Brett. I haven't felt anything like that before.

We should definitely do this again soon.

And just like that...she's hooked. I knew this new body would work wonders.

I was a virgin yesterday, and now look at me!

Heh. I told you we were going to have fun together, didn't I?

I can't believe I just watched that... And now it can never be unseen.

Ugh, my little sister and my best friend...that vision is going to haunt me.

Let's get dressed. Alex will be home soon.

Shit. I need to get out of here before they catch me.

I can't stop thinking about it, even though it just happened...

When can we do this again?

Whenever you want, babe. You just let me know.

I'll hold you to that. Just don't keep me waiting too long.

Don't worry, I wouldn't dream of it.

Score! My first regular hookup! And it's with Jane, no less!

I'm starving. I could probably eat a horse right now.

We worked up an appetite, didn't we?

How about we treat that beautiful ass to a five-star meal, instead? You deserve the best.

Ooh, five stars, huh? I like the sound of that.

Good, because I'm not taking no for an answer.

Oh! Um, hey Alex. Didn't expect to see you home so soon.

Jane stopped by earlier to see you. We were just—

We were just hanging out! You know, trying to pass the time.

Keep it together. Just play it cool...

It's always good to see you, Jane.

Although, I'm not exactly sure why you're here.

You don't sound too happy to see me, Sis. Is something wrong?

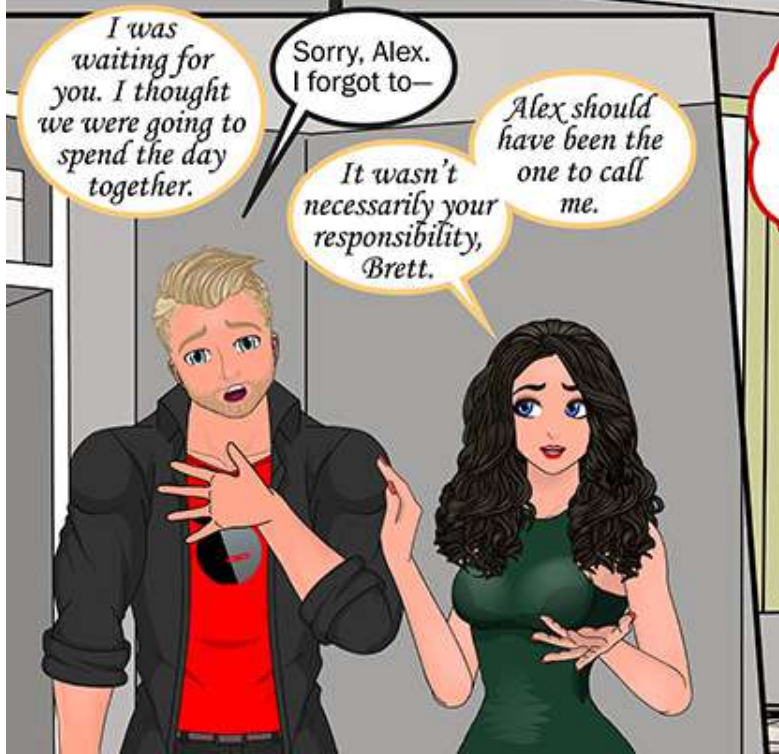

No, just... surprised, that's all. Didn't expect to see you here.

"Sis"? She... she doesn't remember me as her brother.

Apparently, "Alex her brother" never existed in her mind...just like with the others.

We had plans today, remember?

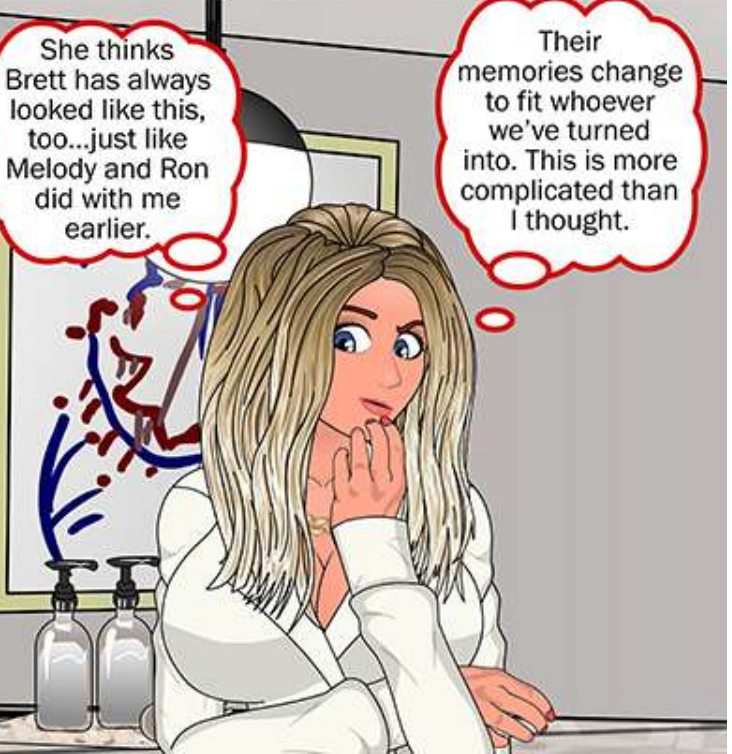

I was waiting for you. I thought we were going to spend the day together.

Sorry, Alex. I forgot to—

It wasn't necessarily your responsibility, Brett.

Alex should have been the one to call me.

She thinks Brett has always looked like this, too...just like Melody and Ron did with me earlier.

Their memories change to fit whoever we've turned into. This is more complicated than I thought.

Sorry. I asked Brett to do it because I was in a hurry. There's been a lot on my mind lately...

It's fine, really. Just next time, a heads-up would be nice.

Okay, so then why are you still here with Brett?

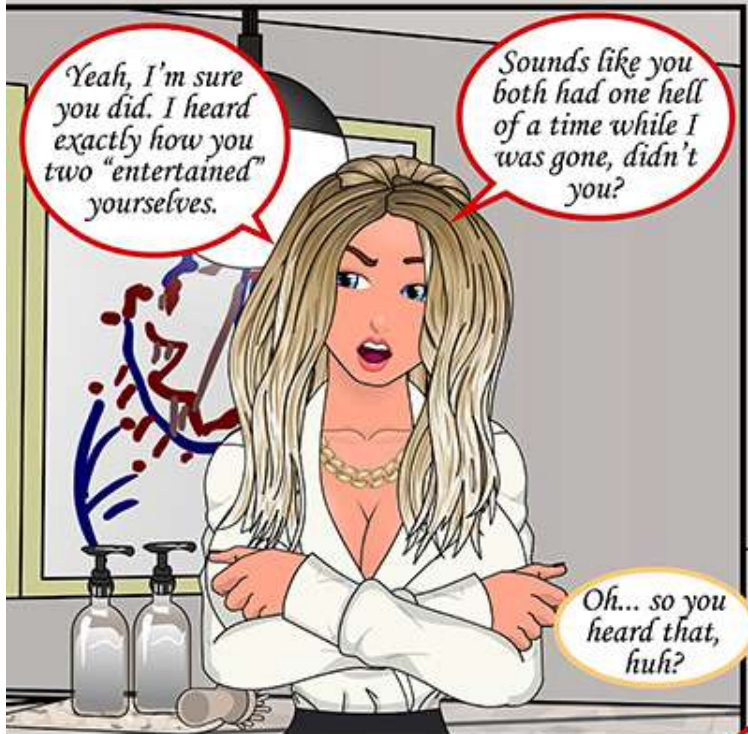

Brett was considerate enough to invite me in and keep me company while you were gone.

Sorry I wasn't here when you arrived, Jane. Trust me, I would've much rather spent the day with you than have to go in to work.

I get it. Work comes first. It's no big deal.

Brett and I managed to entertain ourselves in the meantime.

Yeah, I'm sure you did. I heard exactly how you two "entertained" yourselves.

Sounds like you both had one hell of a time while I was gone, didn't you?

Oh... so you heard that, huh?

Yeah... that wasn't really planned. We didn't mean for you to find out like that.

We got carried away in the moment. I'm sorry, Alex.

I didn't mean to make things awkward. I know he's your roommate and all...

It's... fine, Jane. Just a bit surprising, that's all.

One thing lead to another and... well, it wasn't intentional.

Right... well, next time, maybe a little warning before you decide to hump my roommate?

Come on, Alex! Don't be like that.

I would've never done anything if I thought it was going to hurt you.

I'm not hurt, I'm disappointed in you both— Specifically Brett, for crossing a line.

What line? You just said it was fine!

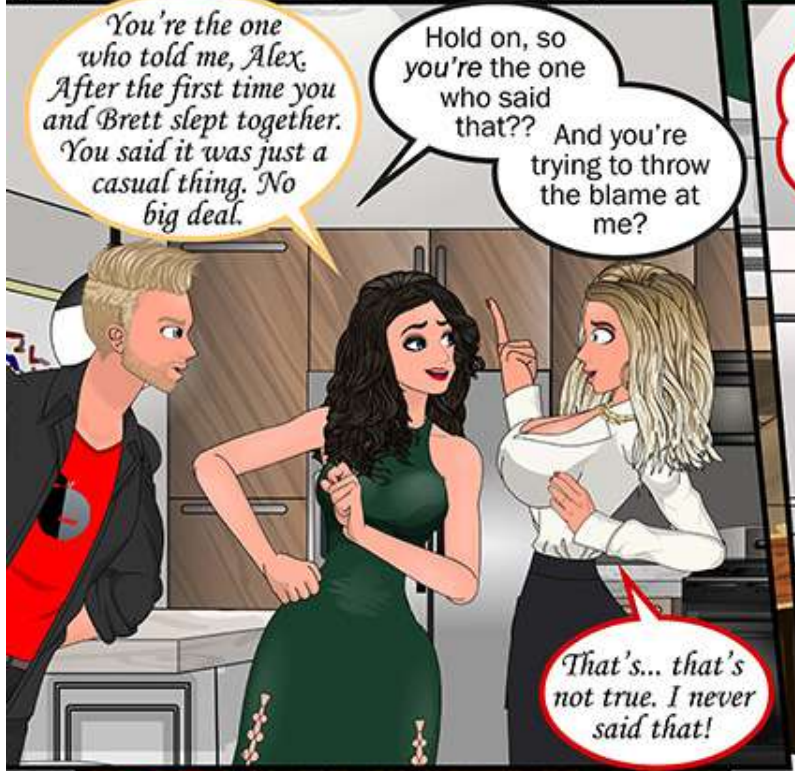

Look, you two always referred to yourselves as "roommates with benefits".

I thought things were casual between you two, so it wouldn't matter.

What? We never agreed to that. Where did you get that idea?

Did you tell her that, Brett?

No, I didn't say anything like that. I swear!

You're the one who told me, Alex. After the first time you and Brett slept together. You said it was just a casual thing. No big deal.

Hold on, so you're the one who said that?? And you're trying to throw the blame at me?

That's... that's not true. I never said that!

This must be another memory change... But why does it have to be so specific? So definite?

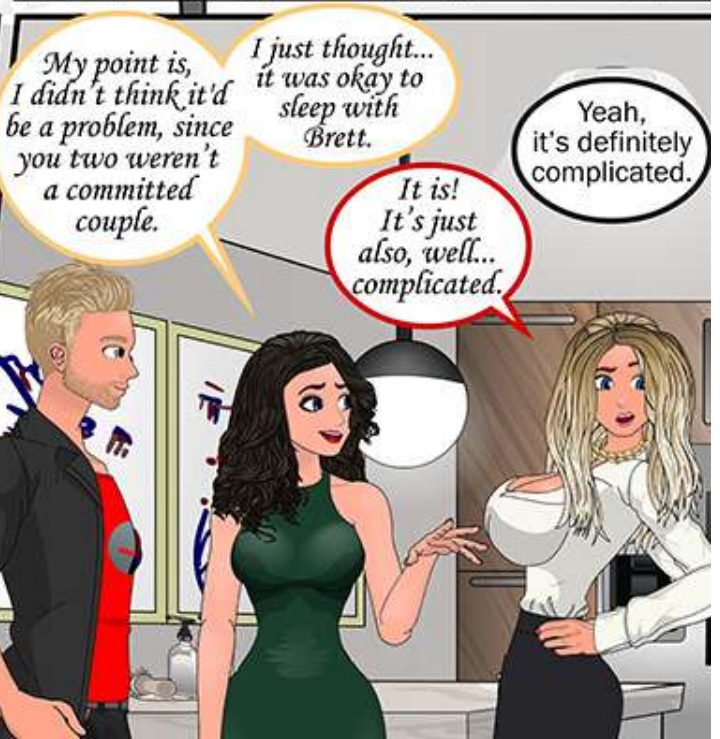

And how many people know about this little setup??

I feel like "roommates with benefits" is too much of a label for what happened between us.

It's not exactly wrong, is it? I mean, considering our history... it's not far off.

Brett, it's not like that because it's not an ongoing arrangement. More like a one-time fluke.

My point is, I didn't think it'd be a problem, since you two weren't a committed couple.

I just thought... it was okay to sleep with Brett.

It is! It's just also, well... complicated.

Yeah, it's definitely complicated.

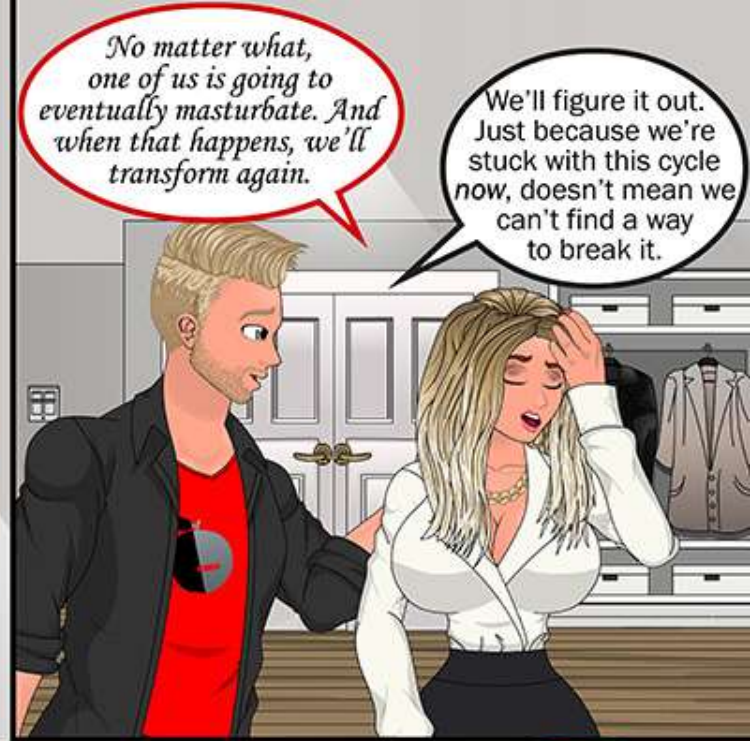

You know what? It's fine. I'm not being fair. It's not really your fault.

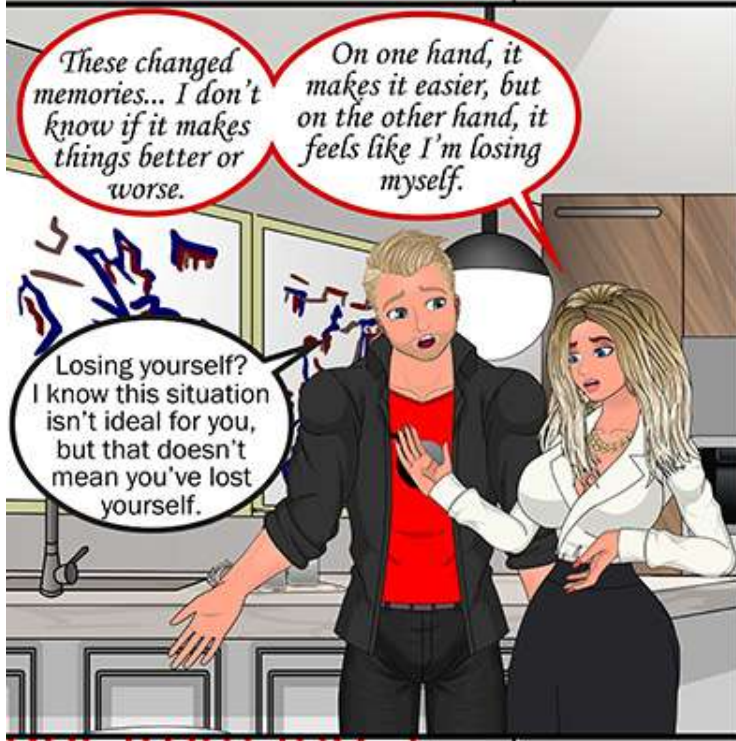

I just... I'm frustrated.

I get it, Alex. It's a lot to deal with.

No matter what, one of us is going to eventually masturbate. And when that happens, we'll transform again.

We'll figure it out. Just because we're stuck with this cycle now, doesn't mean we can't find a way to break it.

These changed memories... I don't know if it makes things better or worse.

On one hand, it makes it easier, but on the other hand, it feels like I'm losing myself.

Losing yourself? I know this situation isn't ideal for you, but that doesn't mean you've lost yourself.

Jane called me her sister... like I've always been a woman. And Melody and Ron did the same thing at the office.

Everyone's memories change to fit who we've turned into, and that makes it feel like the real me doesn't exist anymore.

It's not just our memories. Our clothing has changed, too.

And I don't just mean what we're wearing.

Have you looked in your closet lately?

No, I... It didn't occur to me. Why?

Wait! The clothes in the laundry hamper—Those aren't ours!

No, they belong to the "new" us. That's exactly what I'm talking about.

Even the shoes by the door have changed!

Are those... high heels? They were my sneakers.

This is... It's like my entire life is rewriting itself.

How are we going to figure this out? After what happened with Jane, it's obvious we can't just have sex with anyone.

If that worked, you would've turned back after being with her.

I know... I guess that means only sex with each other changes us back.

But maybe you could try sleeping with someone else? See if that works?

I... I already tried that. I, uh... had sex with my boss at work.

Wait, what?! You slept with your boss??

Wow! I totally didn't see that coming.

You must be really getting into this new role if you're banging your boss at work.

It's not like that! I just... I didn't have a choice, okay? I thought it would change me back.

And now you're telling me the only way to turn back into a man is to have sex with YOU?

Look, I don't want to do anything you don't want to do, okay?

You don't have to sleep with me just because it will change us back.

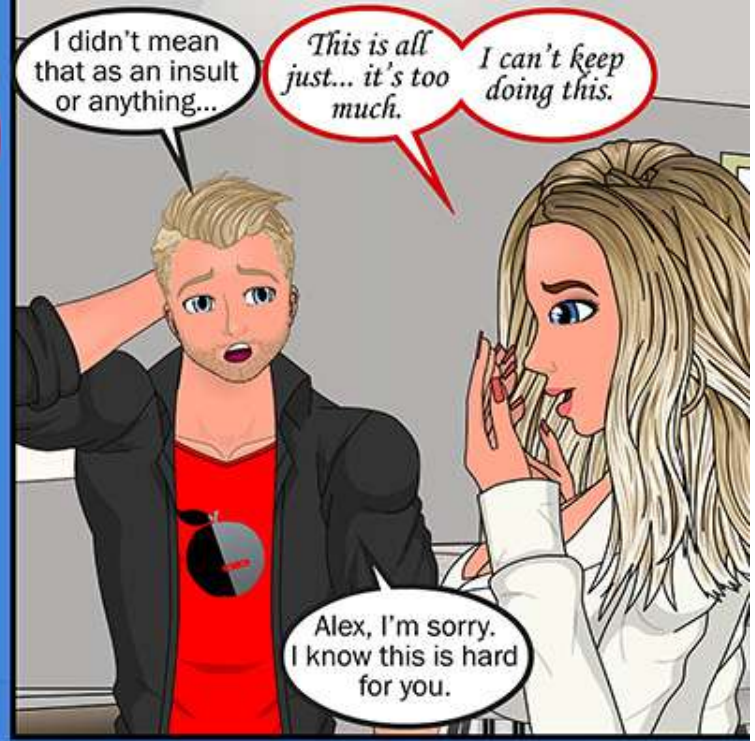

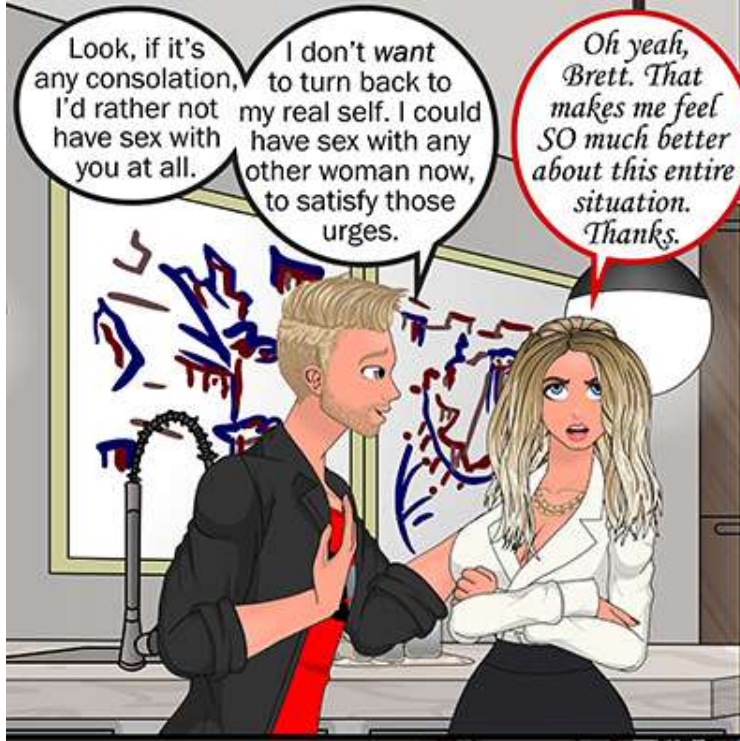

Sigh...
This isn't fair. None of this is fair.

I'm just saying... it's your choice. You can always stay in that body. At least until we find another solution.

What if we don't find another solution? Then my only options are to sleep with you, or stay like this forever. What kind of choice is that?

It's not ideal, I know. And I definitely don't want you doing anything you're not comfortable doing.

Hey, are you okay? You look upset.

Do you... want to talk about it?

I'm fine, Jane. Let's just go, okay?

I have to keep it together. Jane can't know how messed up this situation really is... I mean, she wouldn't believe me even if I tried to explain.

I just need to play along. Be the sister she thinks I am.

I'm glad you're feeling better. Let's go to the mall and have some fun.

We deserve it, right?

Yeah, definitely. Let's just... enjoy the day.

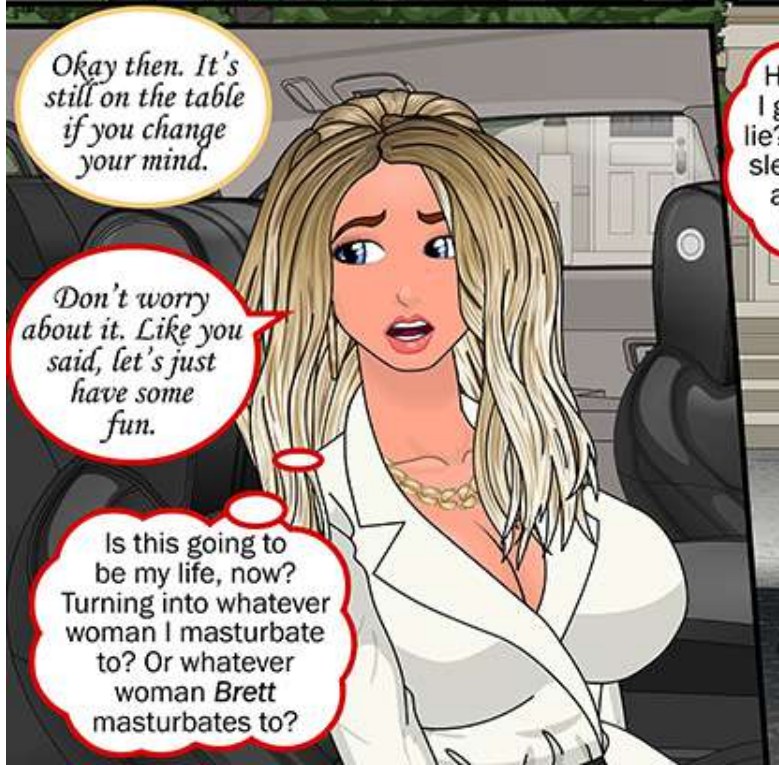

But how can I enjoy my day when I'm not myself?

How long can I keep this up? It's only a matter of time before I let something slip. Then Jane will think I've lost it.

You okay, Alex? You seem a little out of it.

Are you sure you don't want to talk about... well, what happened?

I'm fine, Jane. Just thinking about what to buy.

Okay then. It's still on the table if you change your mind.

Don't worry about it. Like you said, let's just have some fun.

Is this going to be my life, now? Turning into whatever woman I masturbate to? Or whatever woman Brett masturbates to?

How long can I go on living a lie? Should I just sleep with Brett and get it all over with?

But what happens when one of us feels the urge again? Are we forever bound to this never-ending cycle of transformations?

I need answers, and I need them now!
