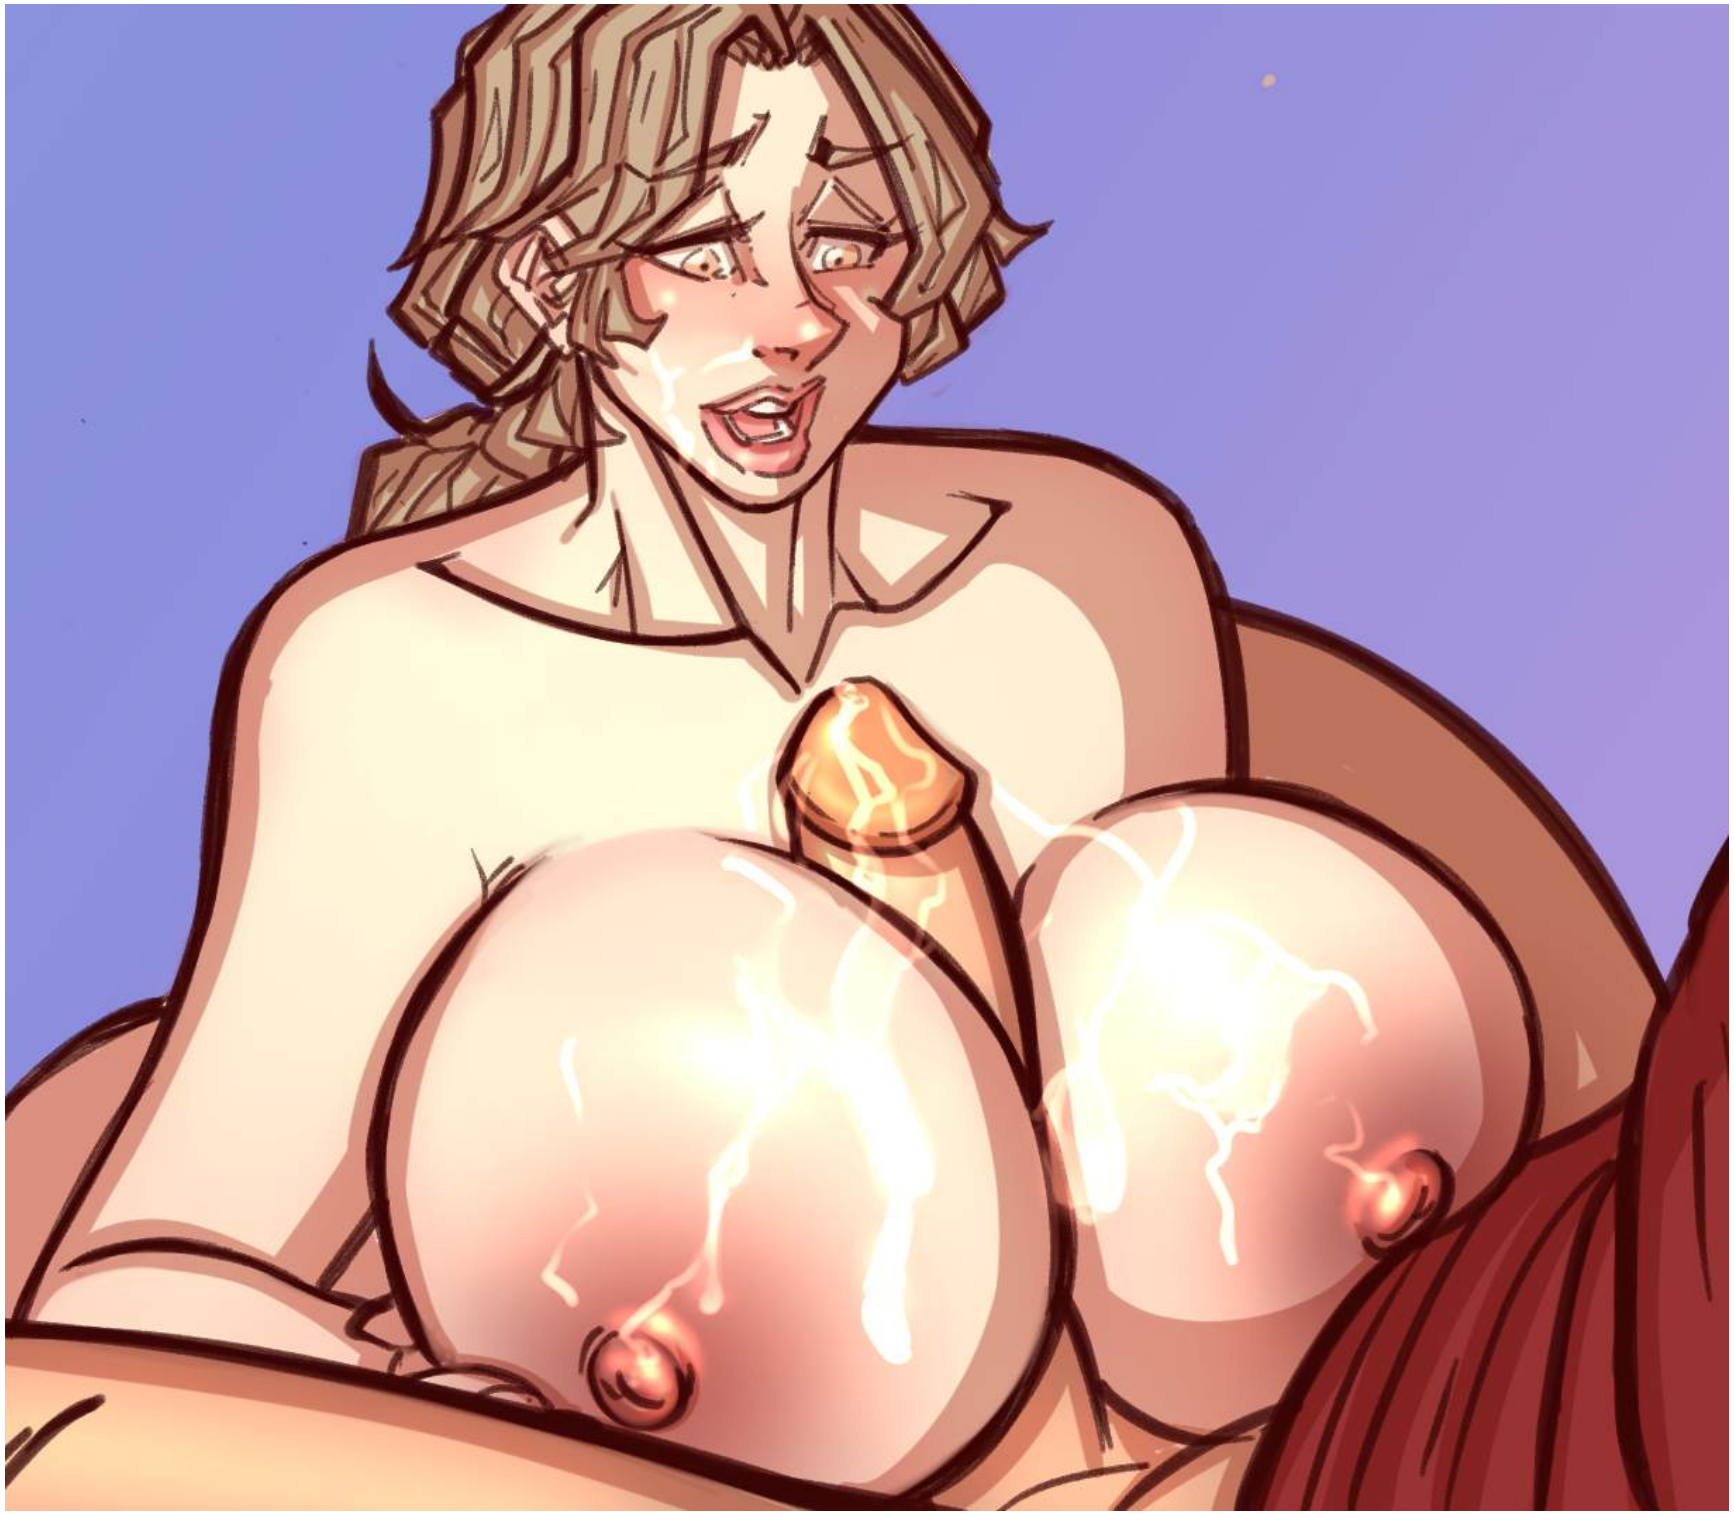
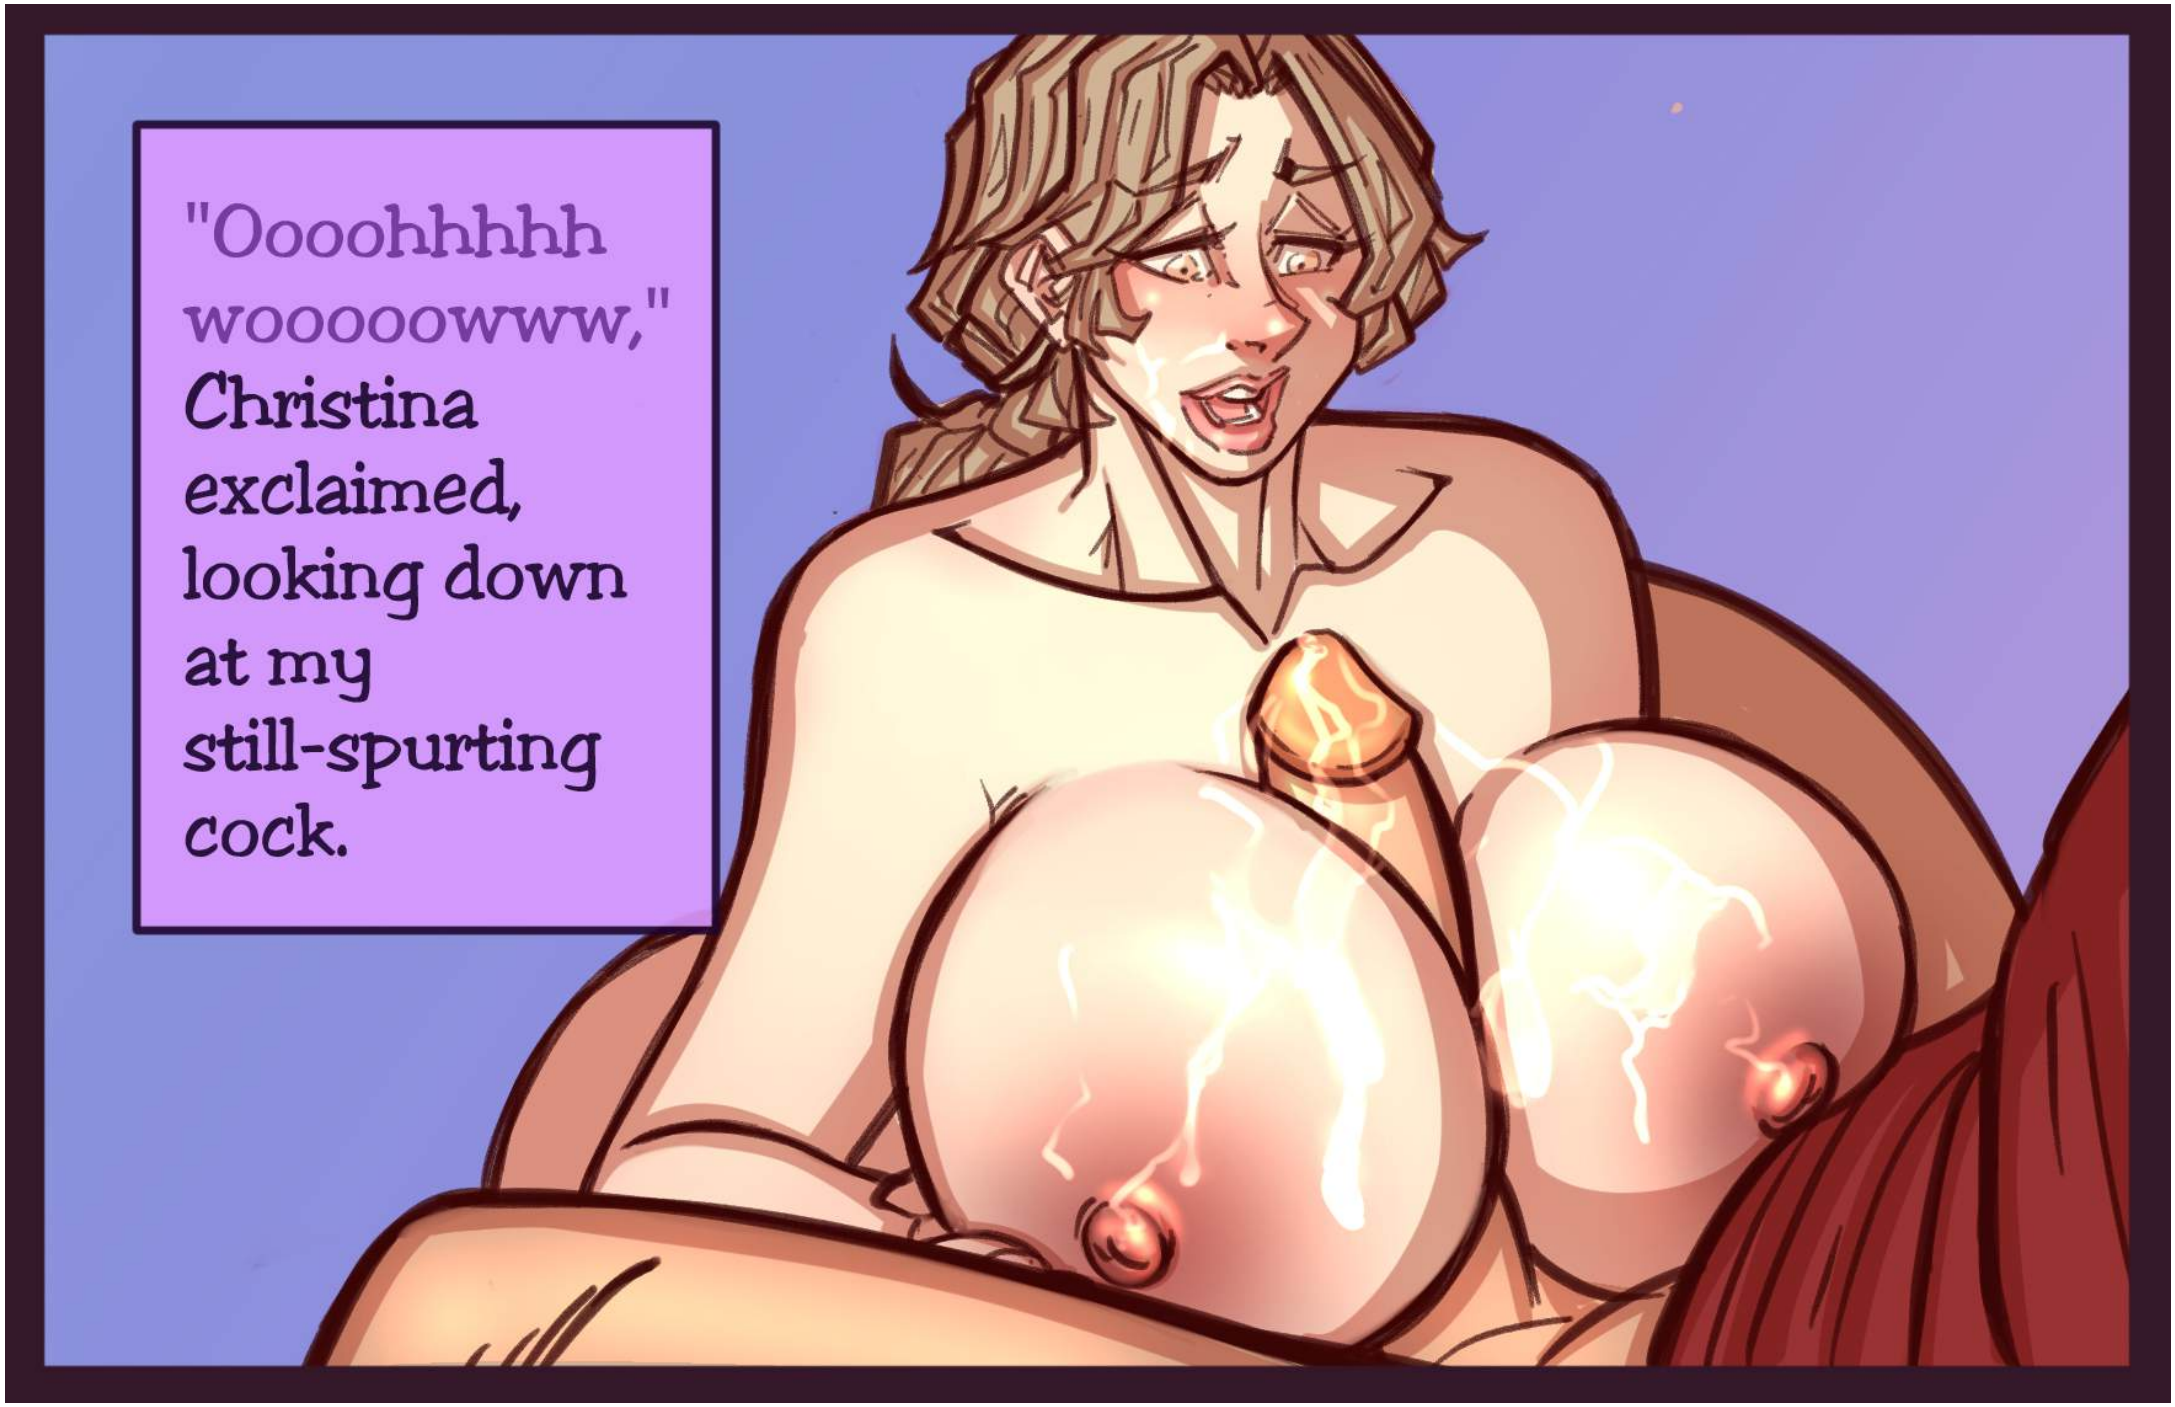
CHAPTER 08



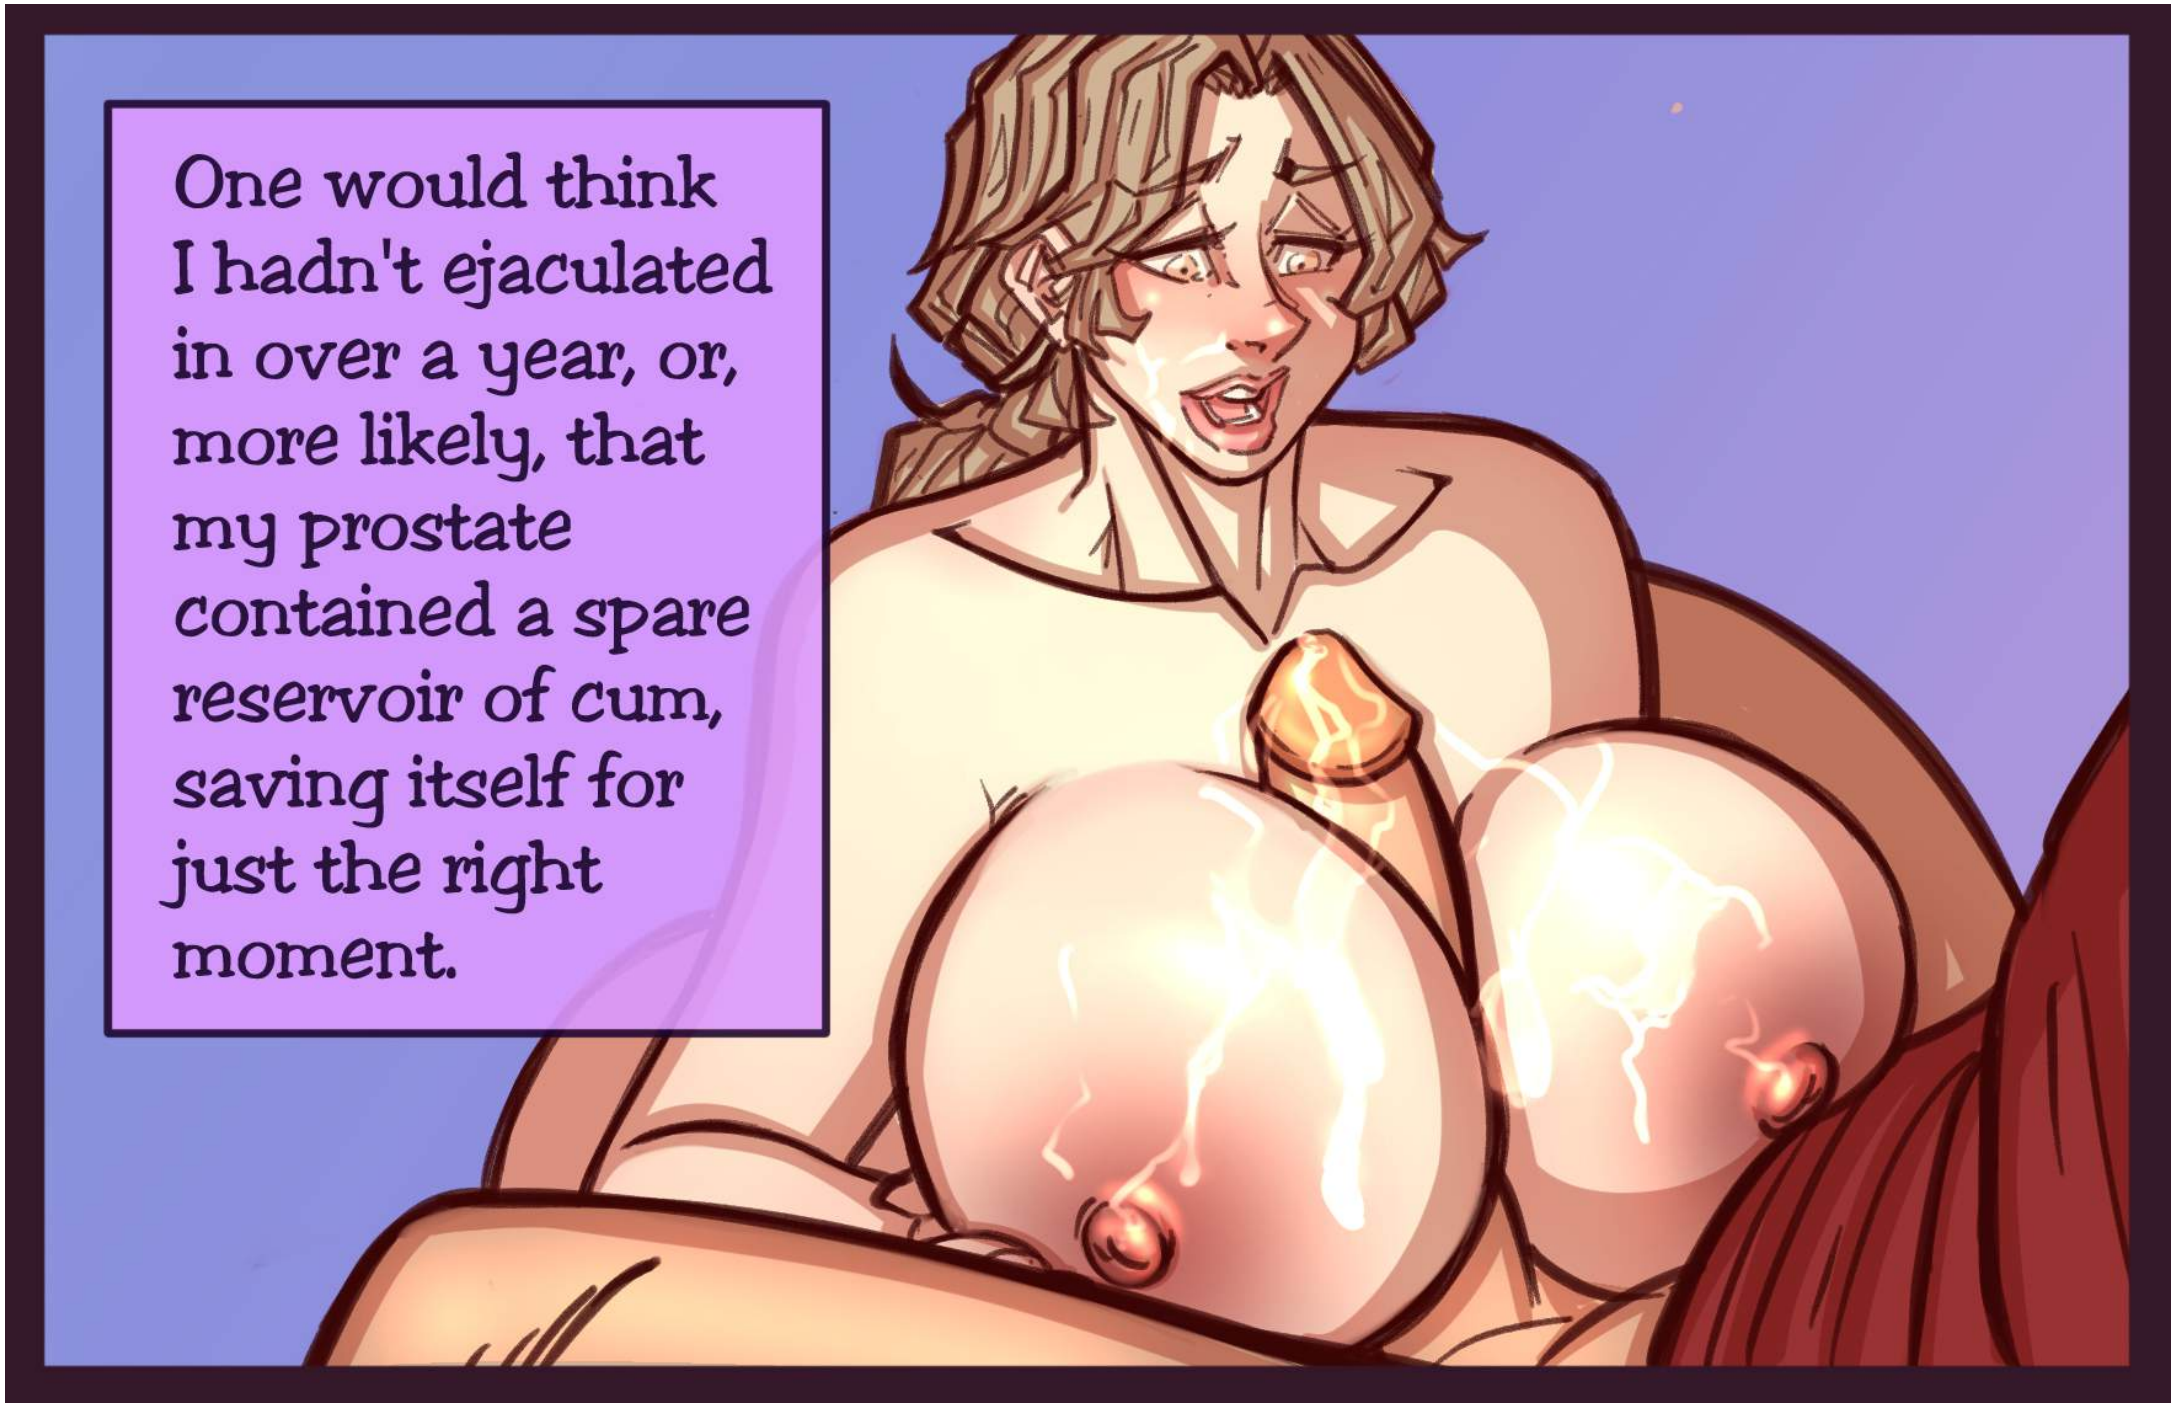


"Oooohhhhh wooooowww," Christina exclaimed, looking down at my still-spurting cock.

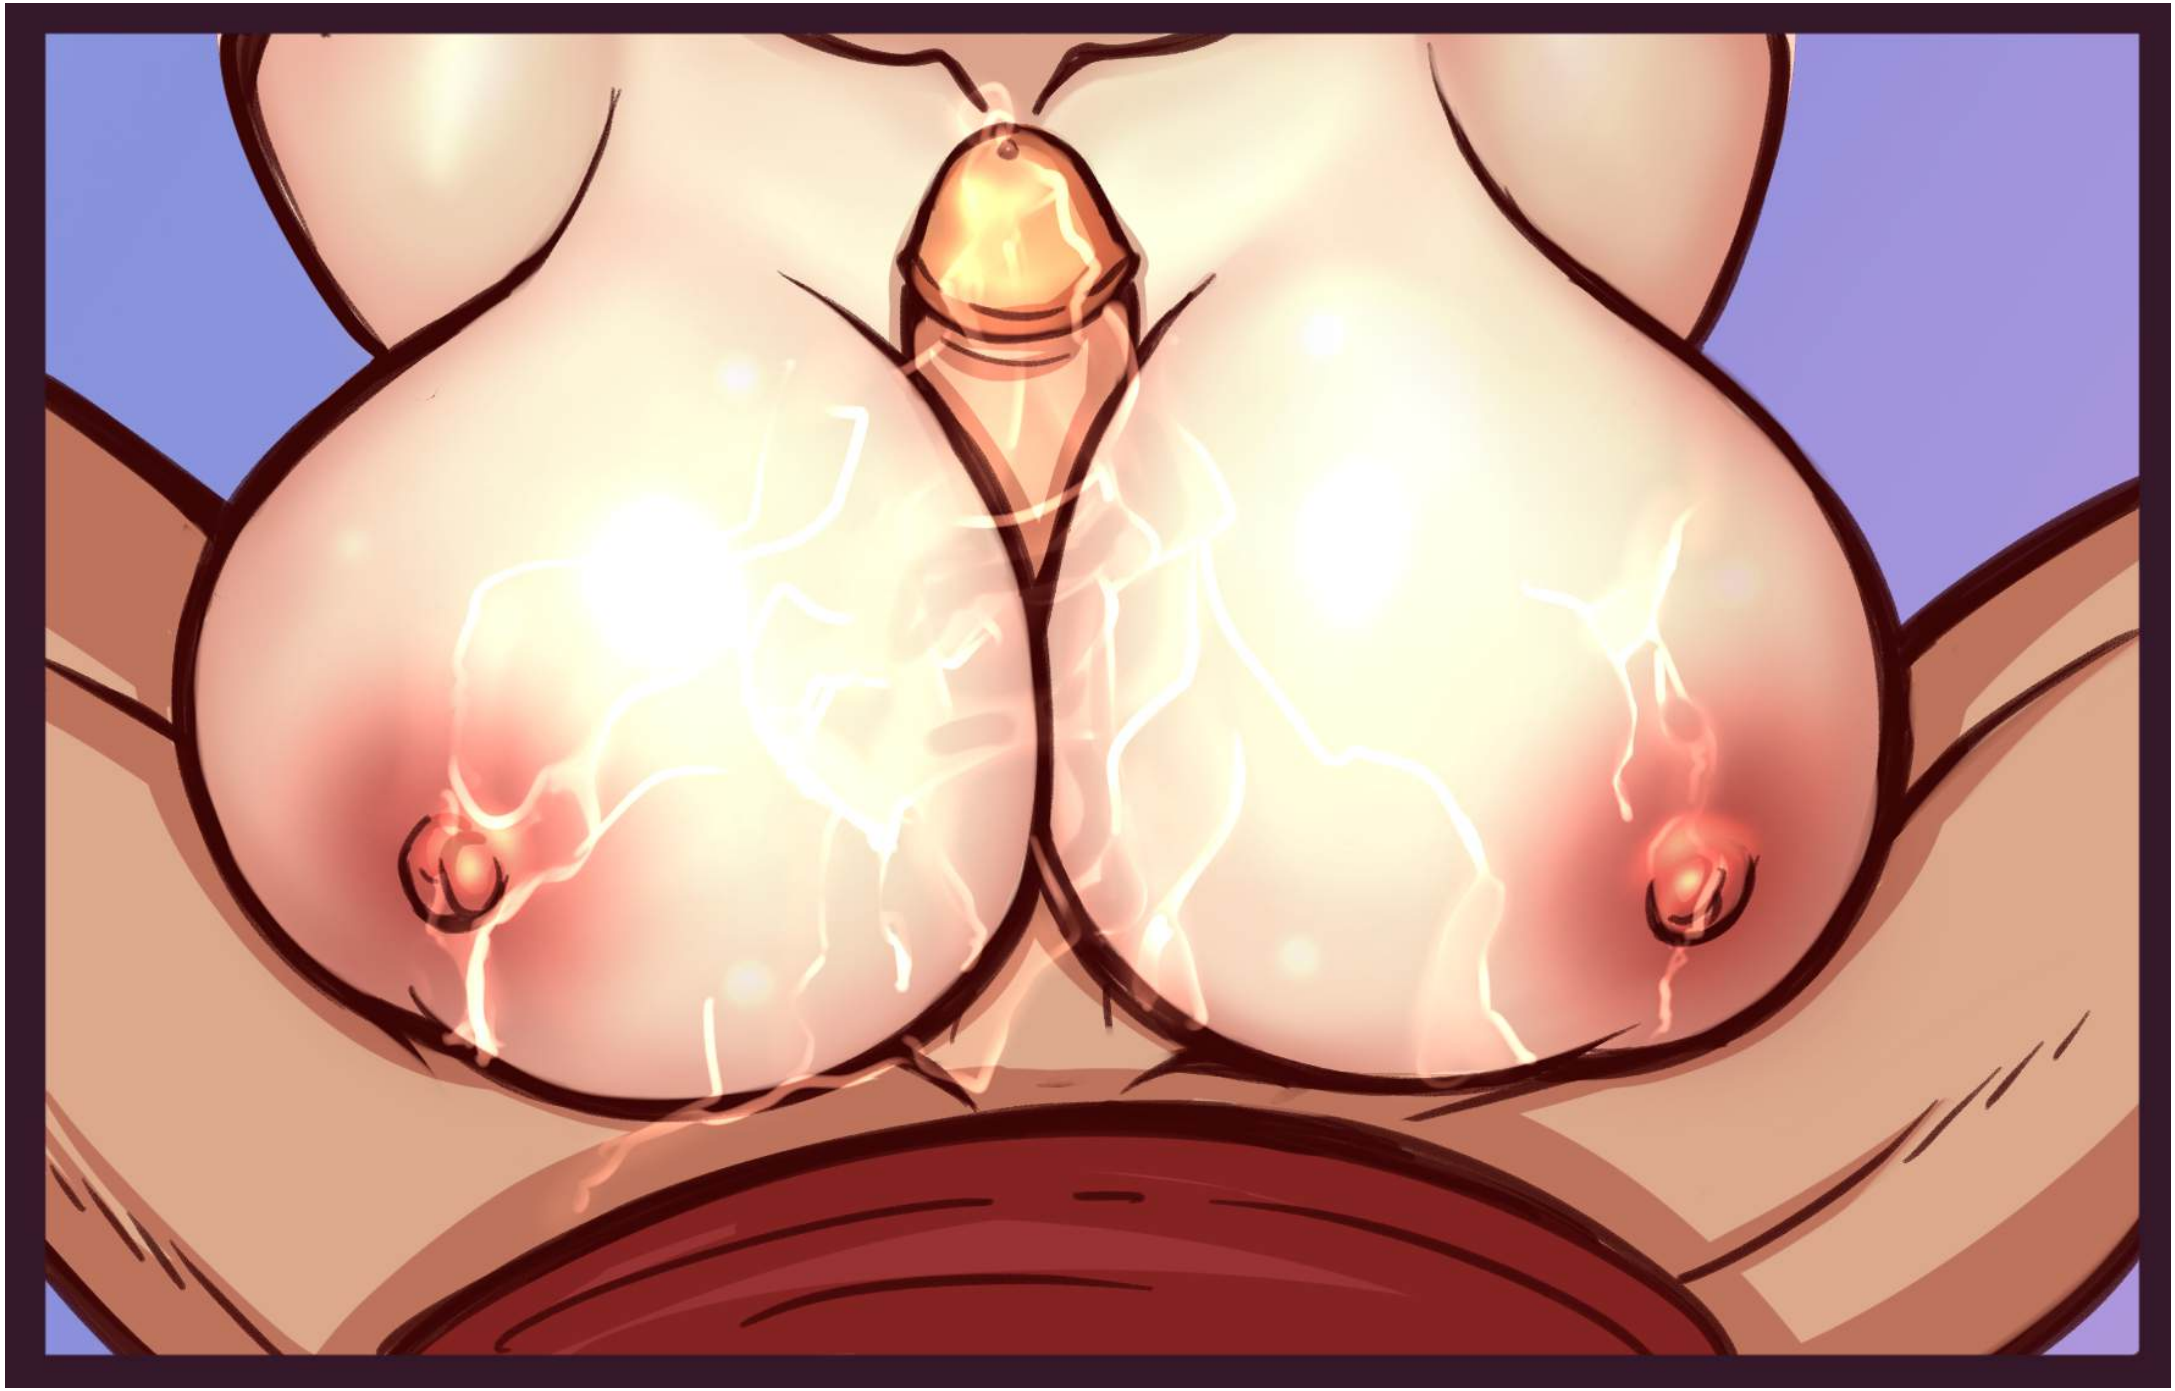
"You really have wanted this your whole life, haven't you? Holy shit!"

I never counted how many spurts of jizz had shot out.

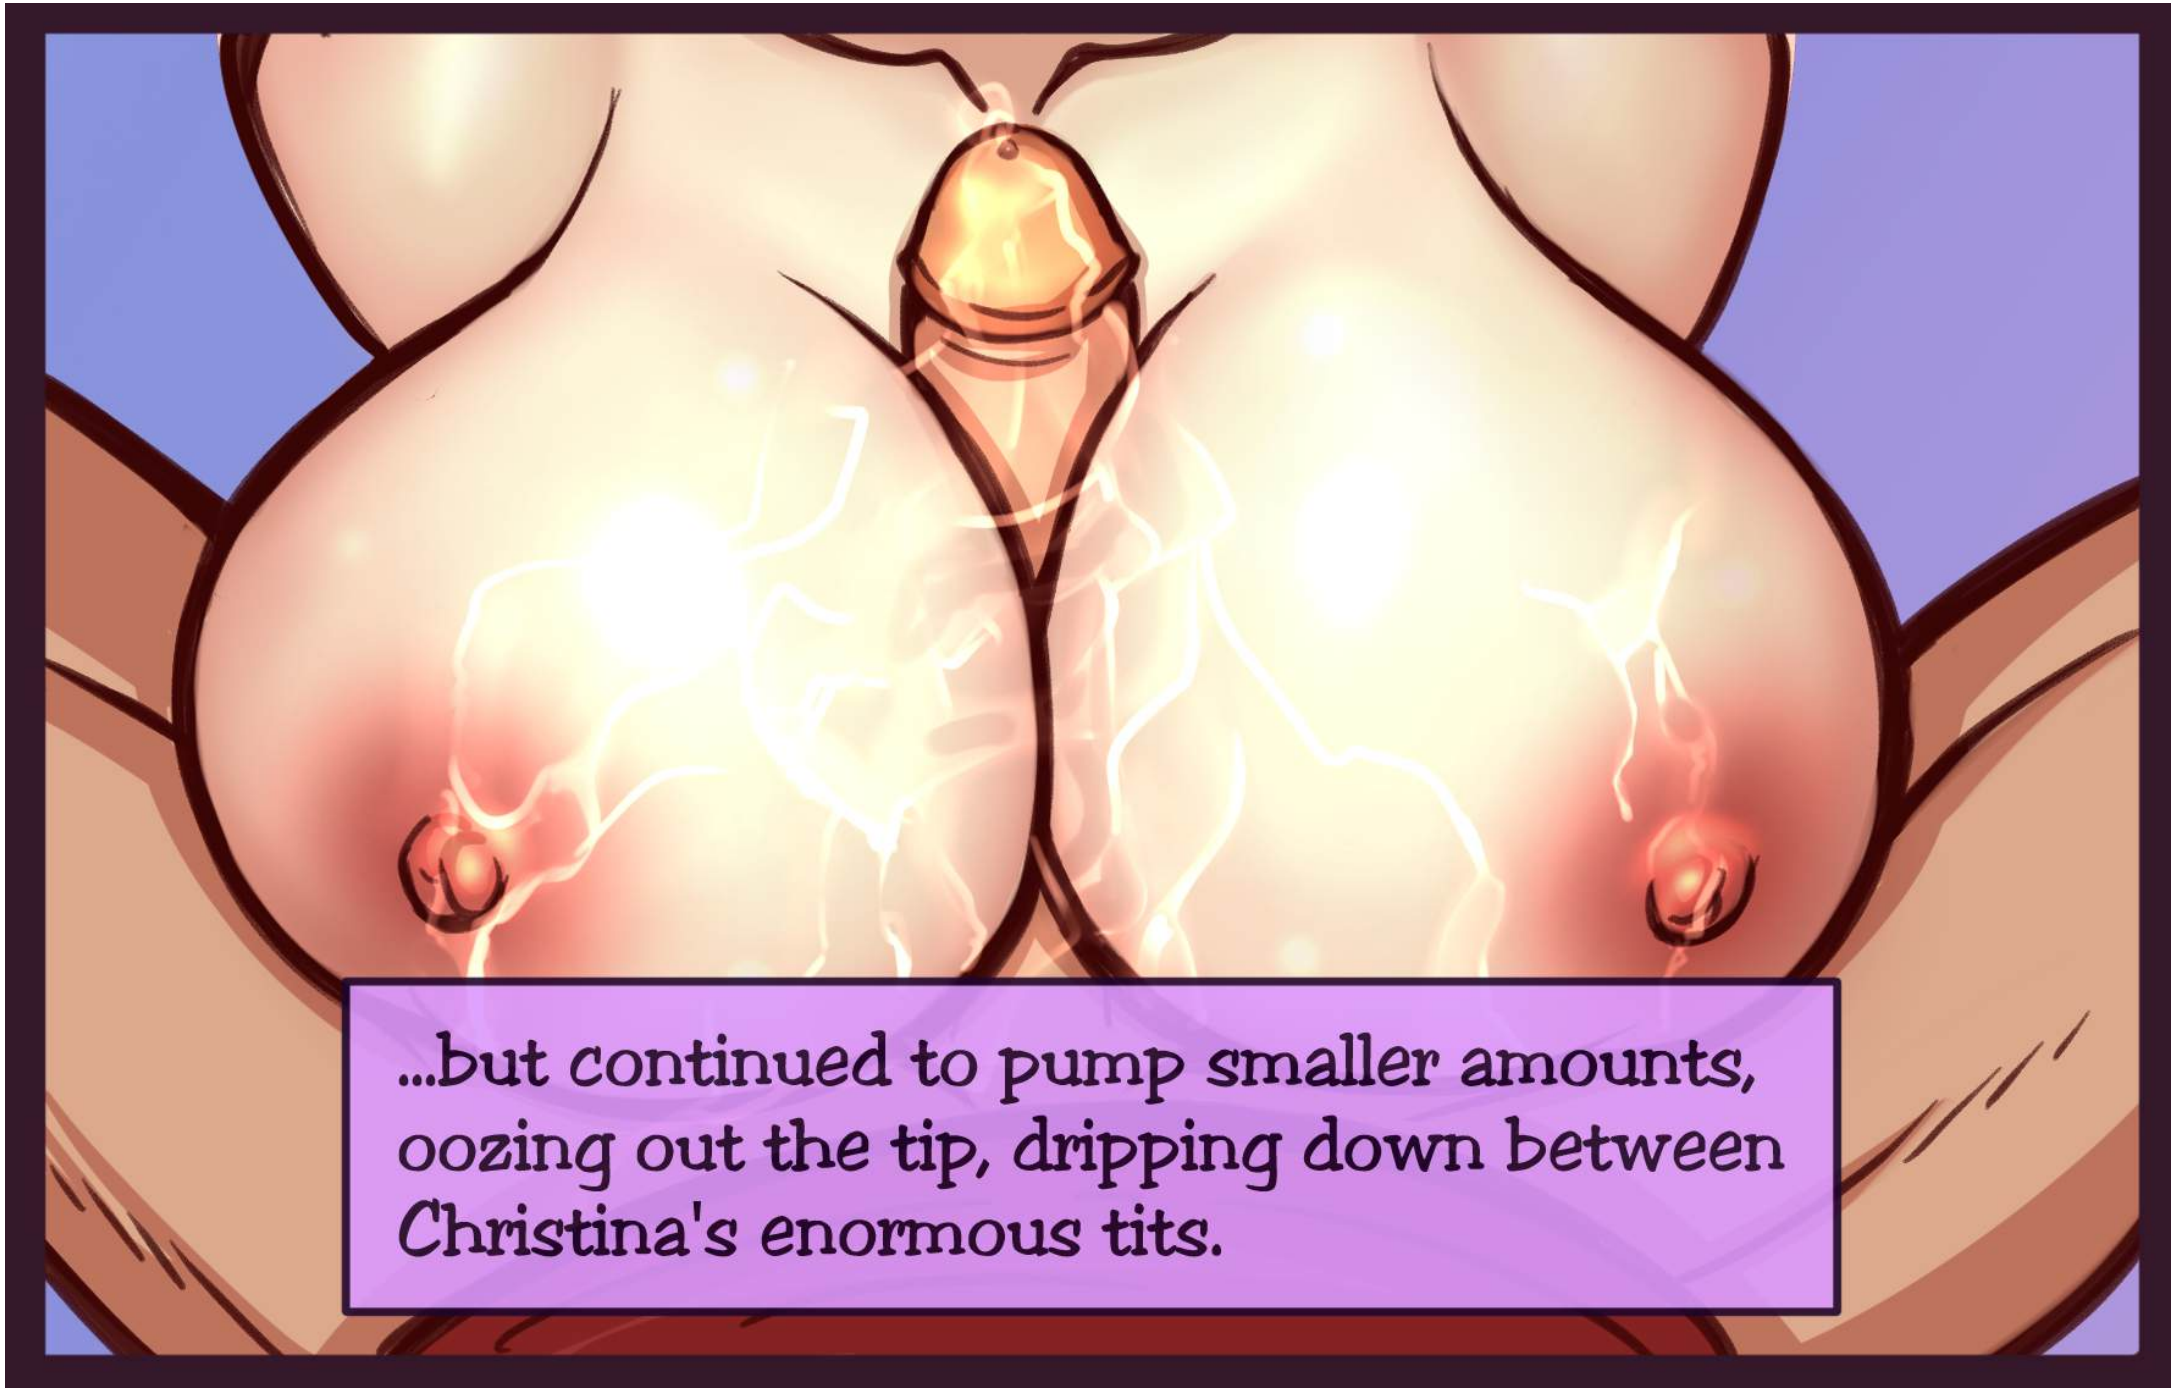
I doubt I'd be exaggerating if I said it was at least 20 spurts, and it still wasn't even done.



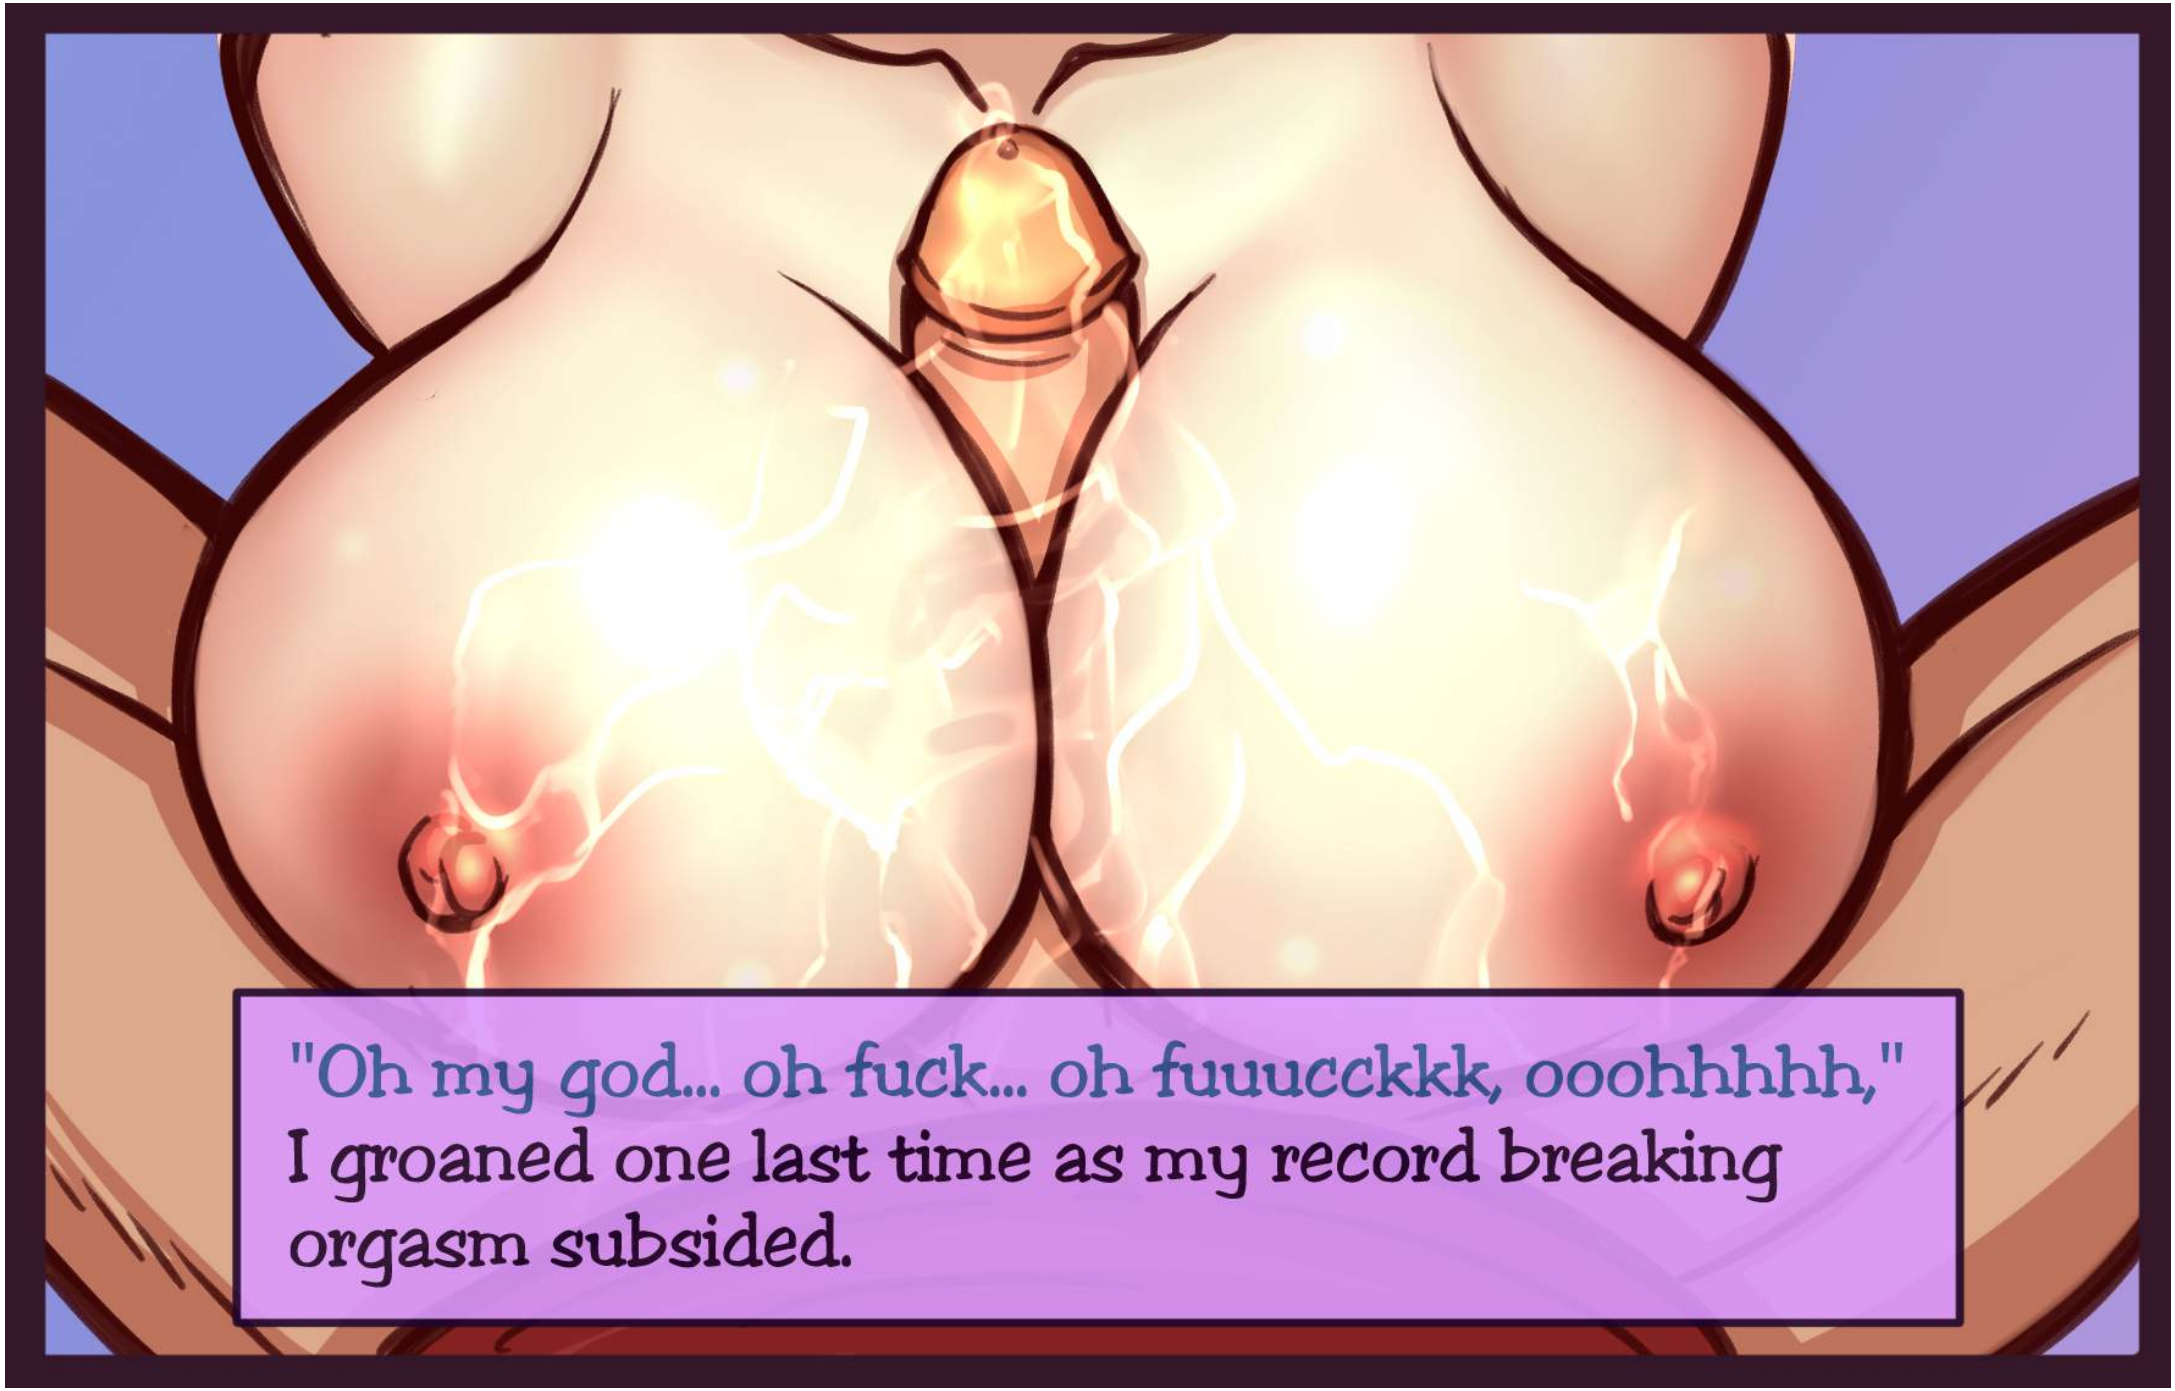
One would think I hadn't ejaculated in over a year, or, more likely, that my prostate contained a spare reservoir of cum, saving itself for just the right moment.



Soon, after about twenty seconds, my cock finally stopped pumping out large, thick ropes of cum...



...but continued to pump smaller amounts, oozing out the tip, dripping down between Christina's enormous tits.



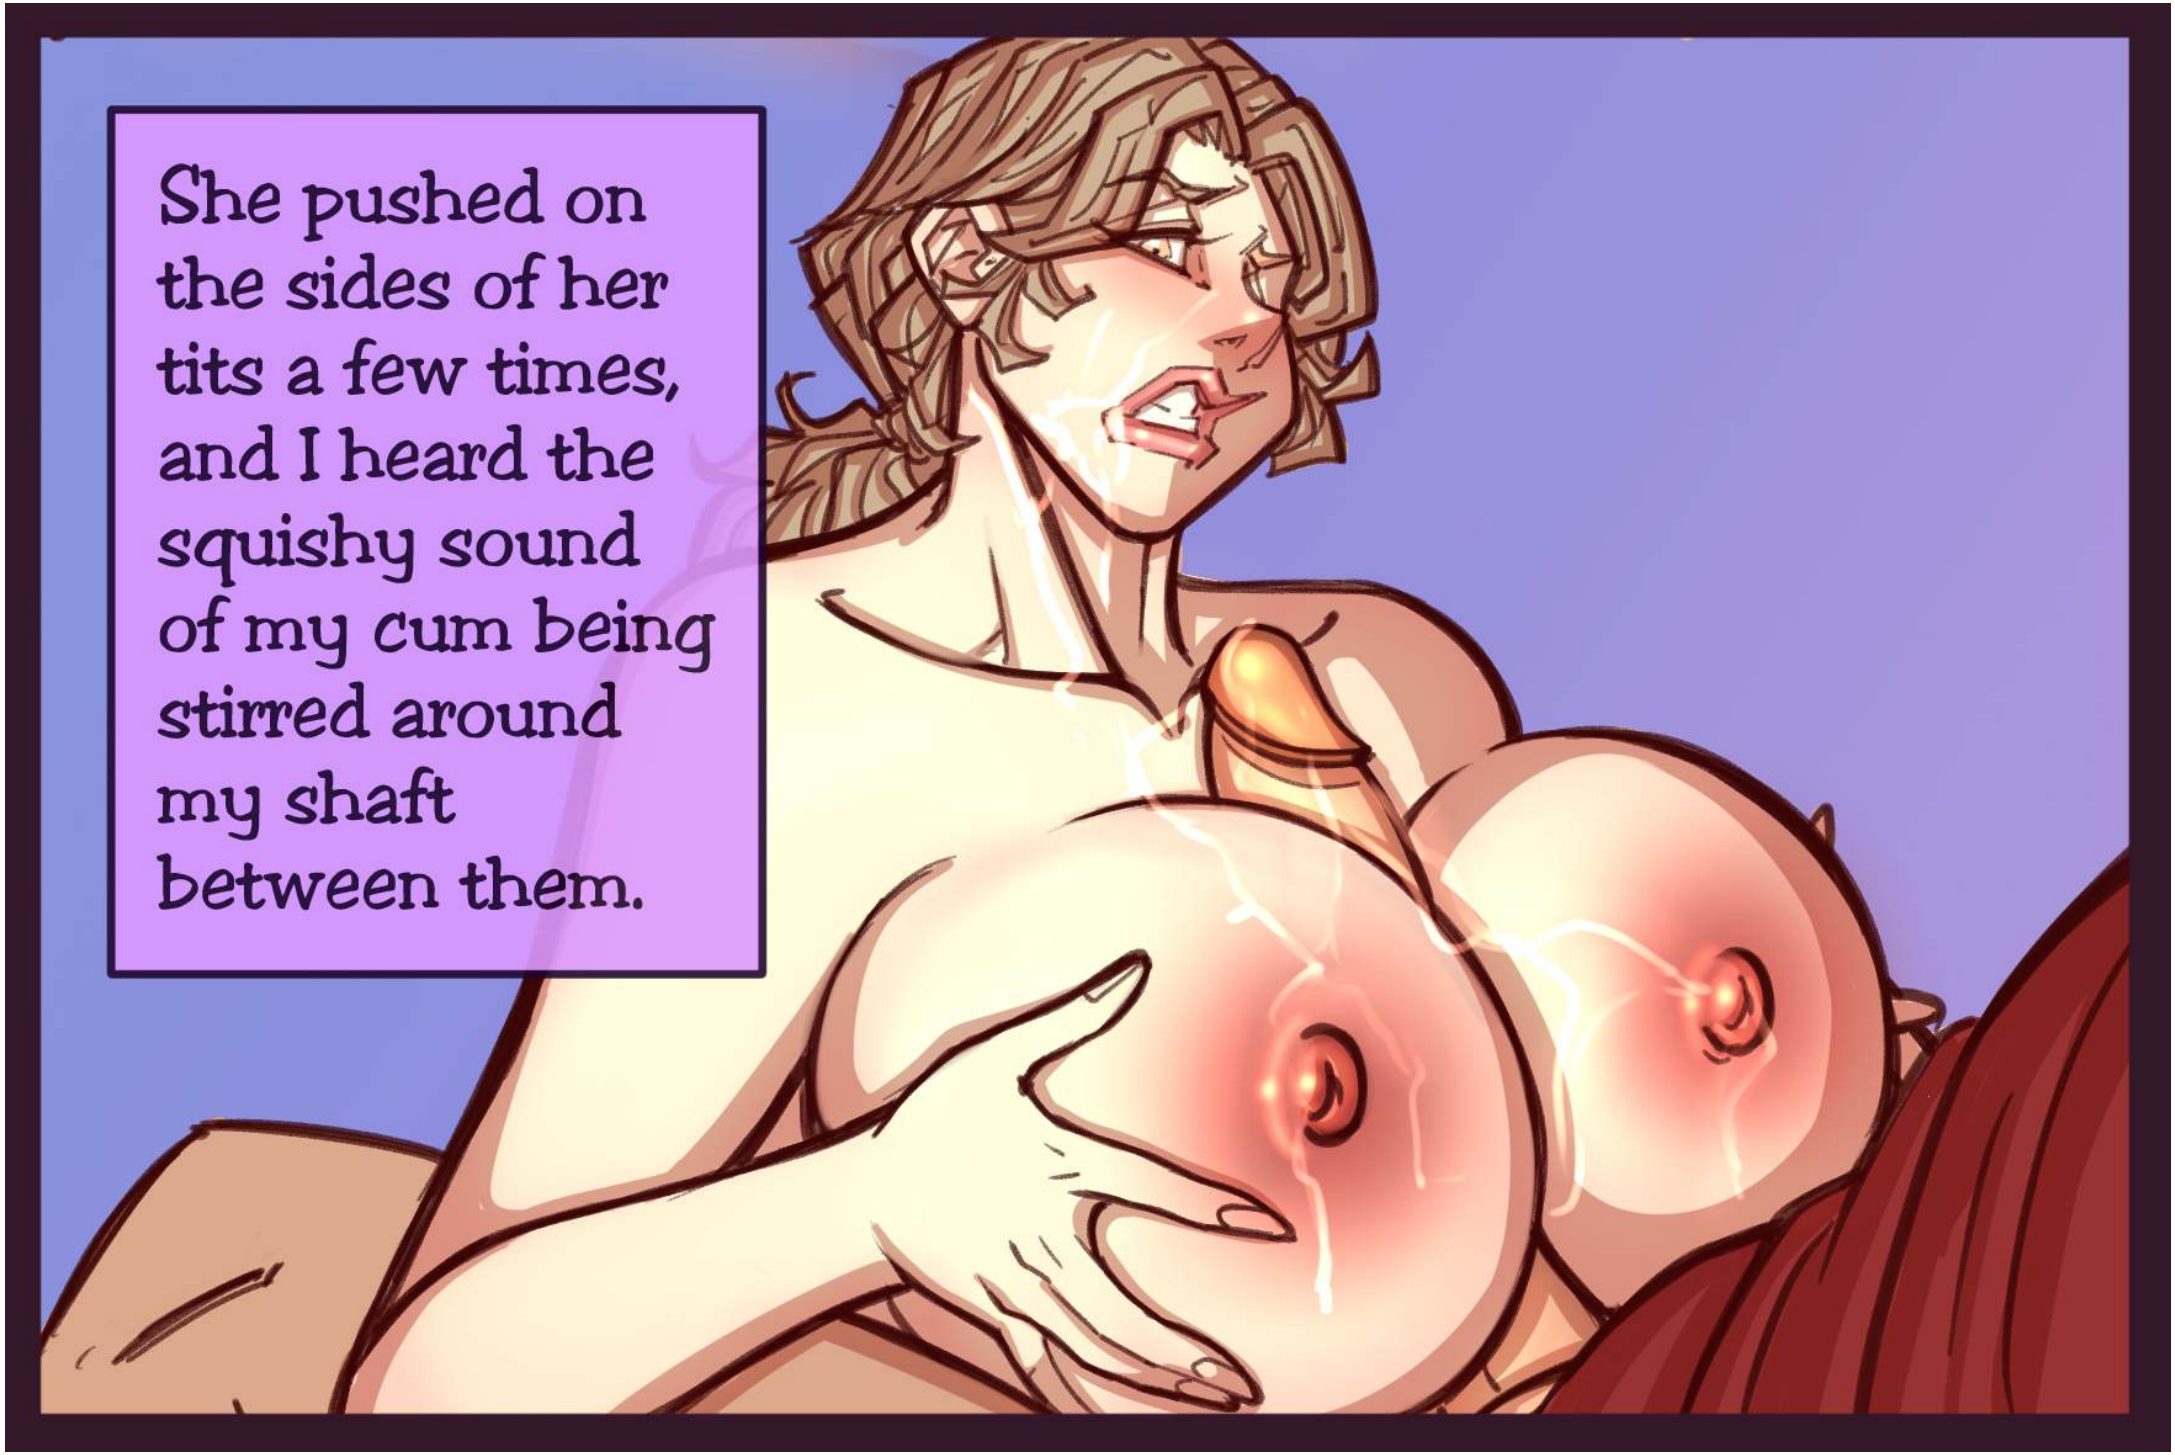
"Oh my god... oh fuck... oh fuuucckkk, ooohhhhh,"
I groaned one last time as my record breaking orgasm subsided.

Christina's chin, neck, and tits were glazed with the largest amount of cum I had ever produced in my life by far.

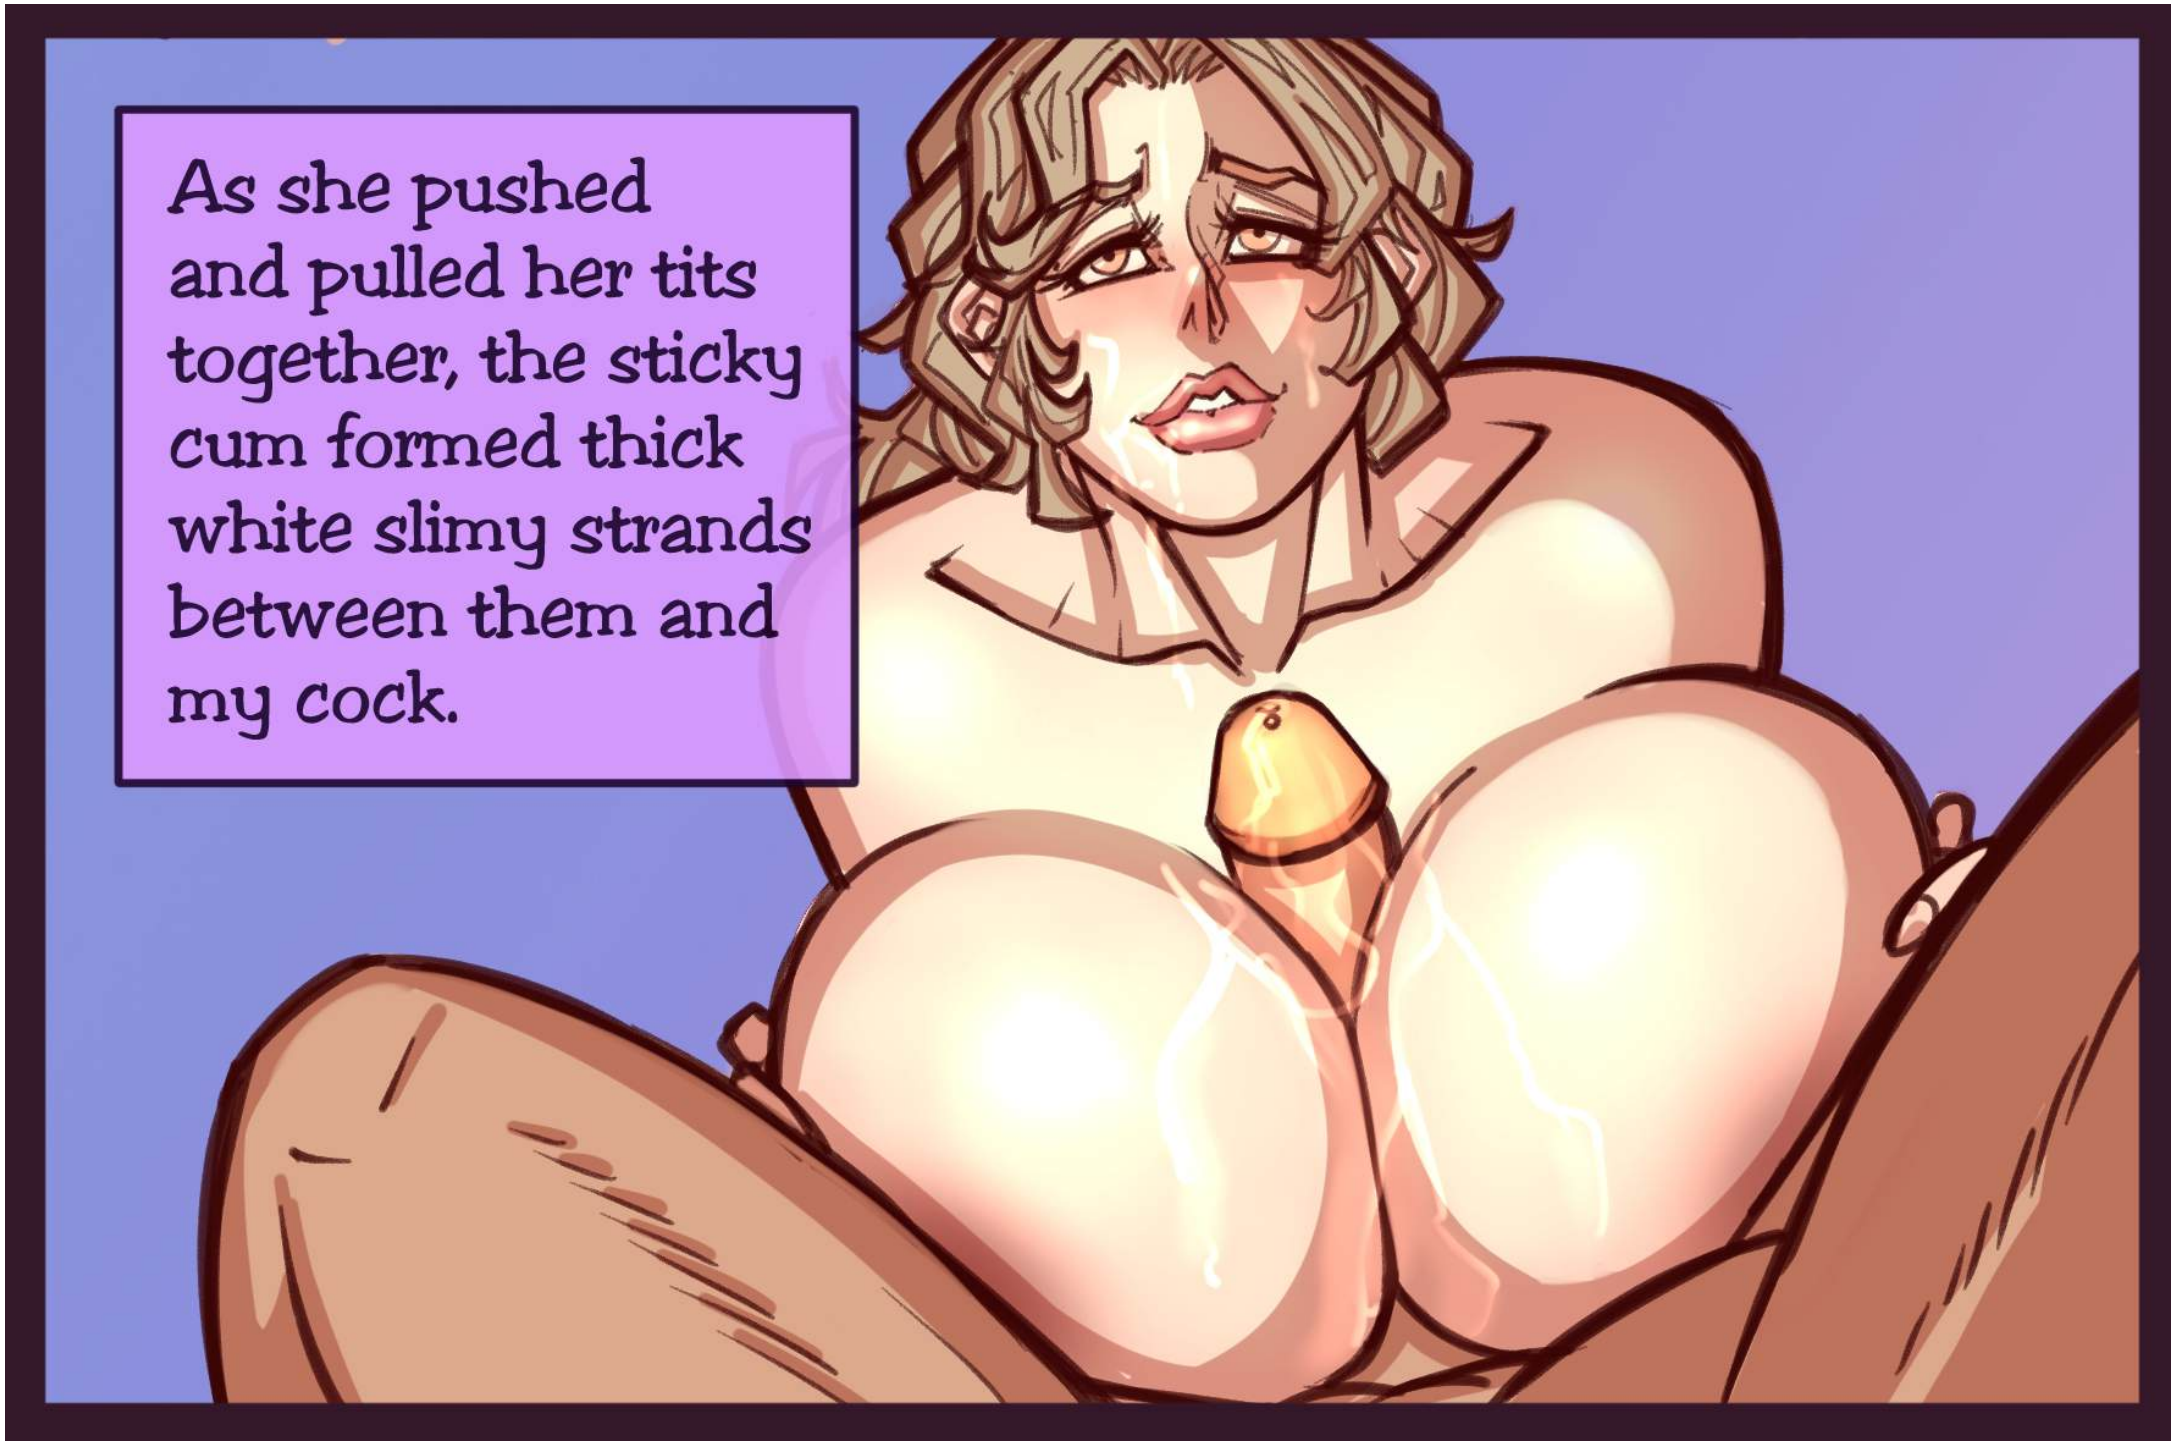
The black leather couch was also neatly decorated with all the ropes that flew up and missed her entirely.

"Holy shit, Johnny!"
Christina cried,
"I've never seen so much cum!"

She looked down at the oozing tip of my still fully hard cock.
"Oh my god... oh wow. Mmmm."



She pushed on the sides of her tits a few times, and I heard the squishy sound of my cum being stirred around my shaft between them.



As she pushed and pulled her tits together, the sticky cum formed thick white slimy strands between them and my cock.

"Mmmmm wow. Oh my god, look at all that! Mmm..."

"Don't tell me your greatest fantasy is over already, is it?"

My eyes pierced her with my burning soul.

"Not a fucking chance..."
