CHAPTER 09

I grabbed onto her
giant cum-covered
tits and squished
them tight around
my cock.

These were by far
the heaviest tits
I had ever felt; they
were at least five
pounds each.

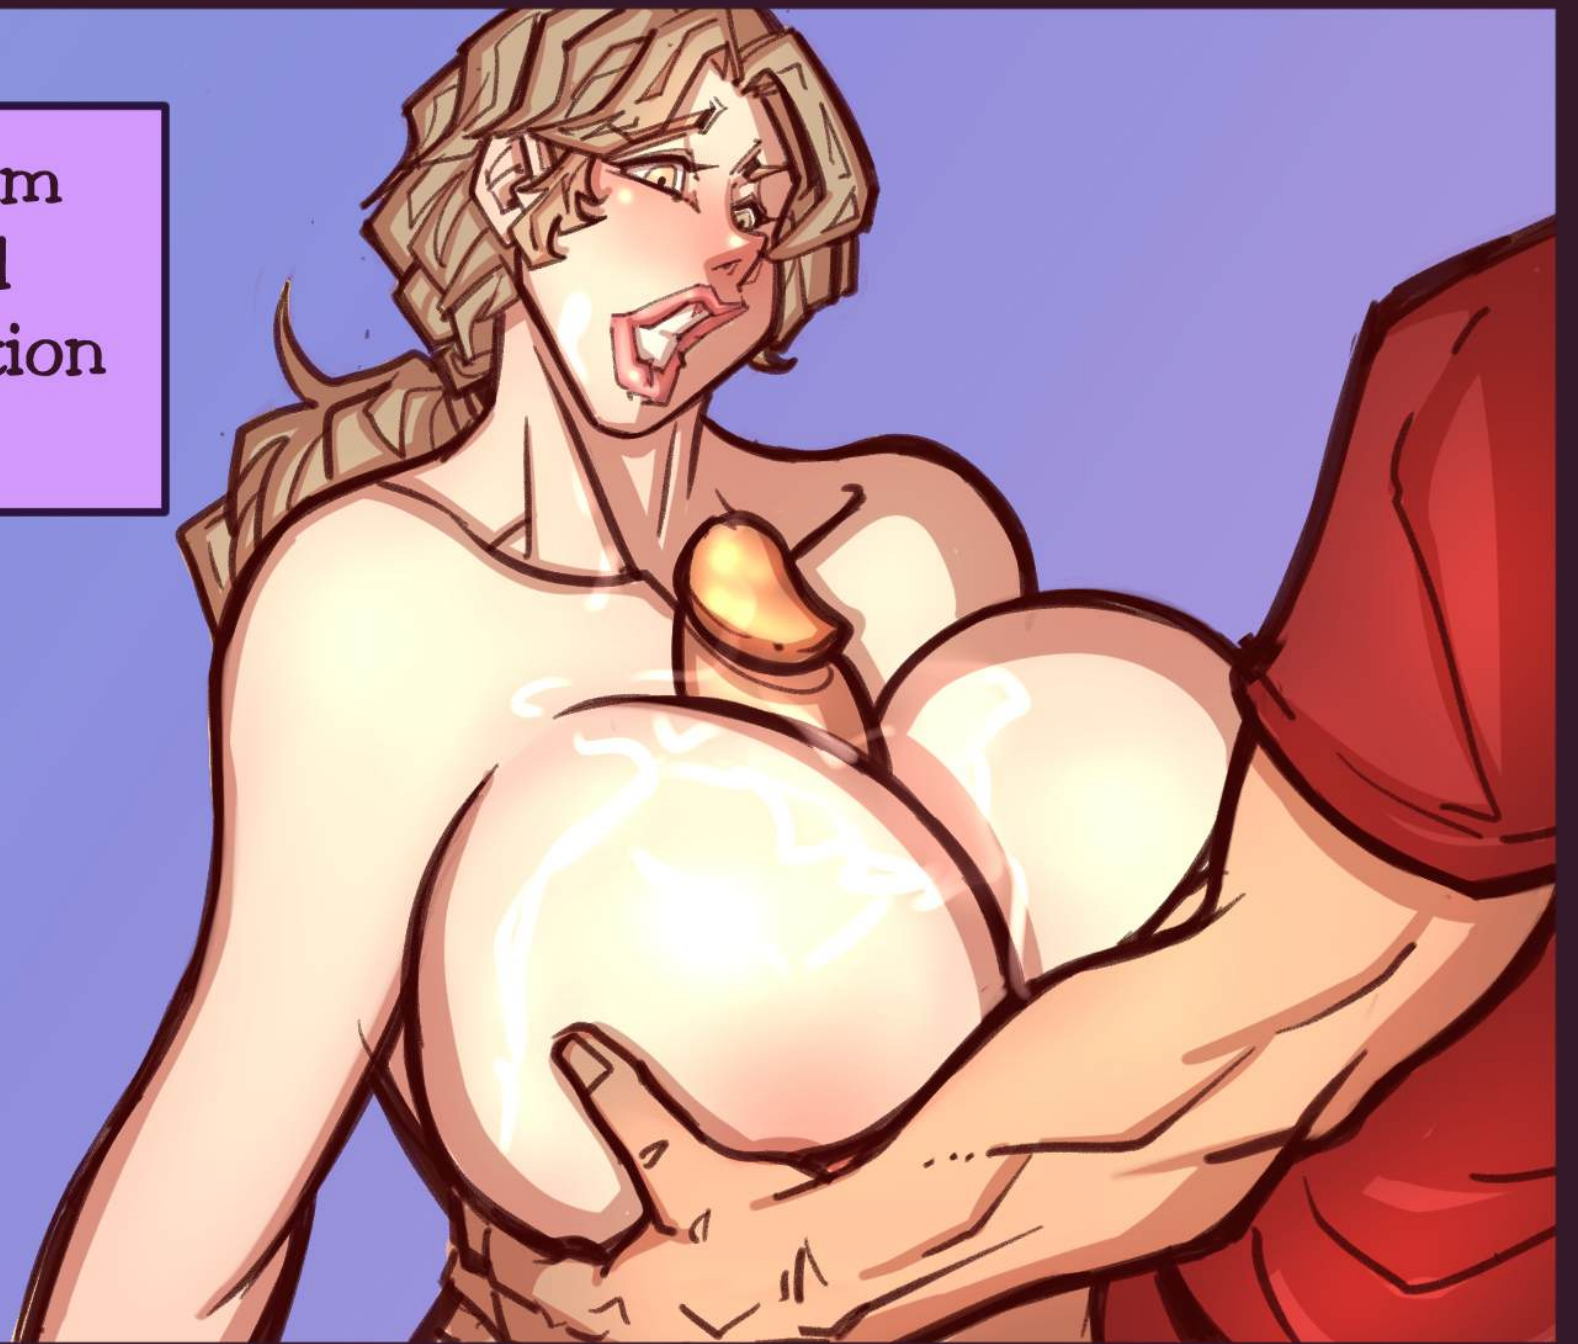

The soft all-natural breast flesh was so heavenly, and I gave them a few hard, vicious squeezes as I pressed them as tight as possible together.

I started bucking
my hips at great
speed, mercilessly
fucking my
mother-in-law's
gargantuan tits.

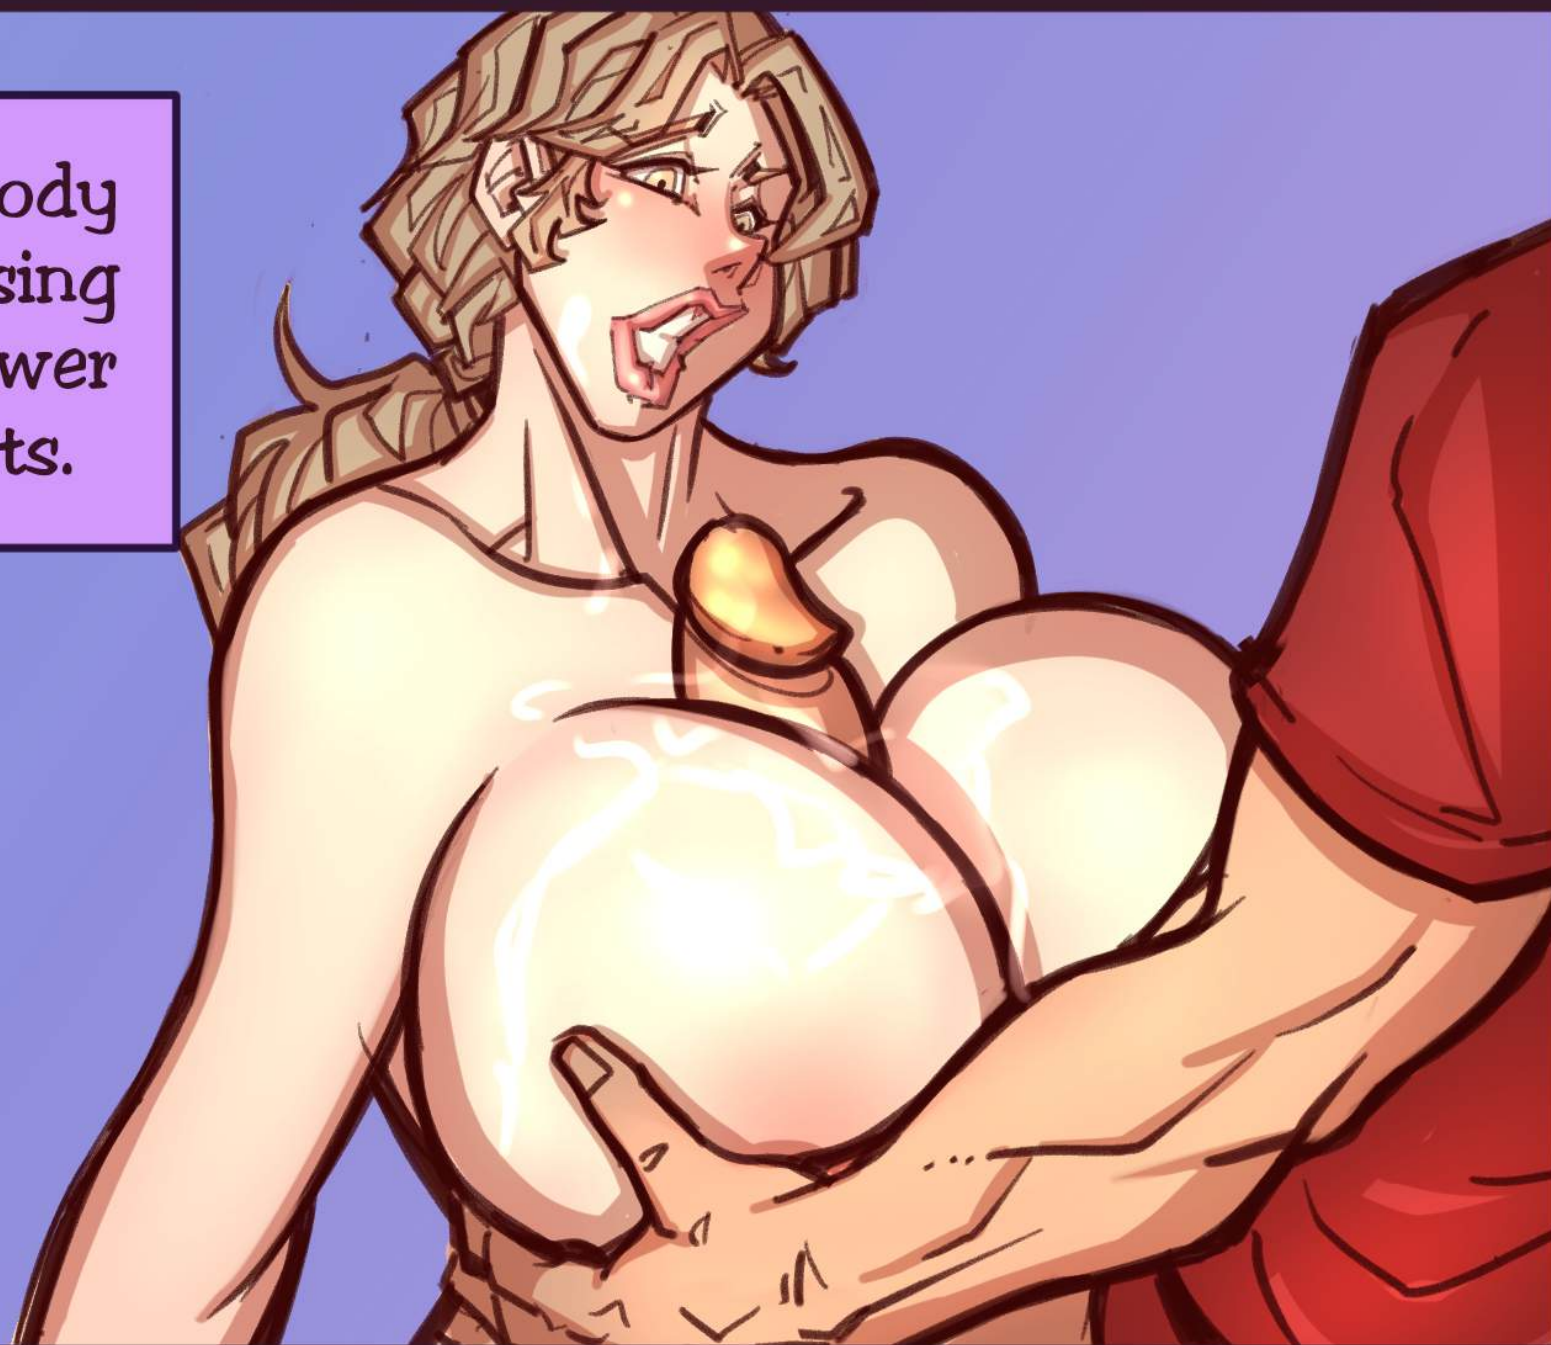

My own cum
provided all
the lubrication
I needed.

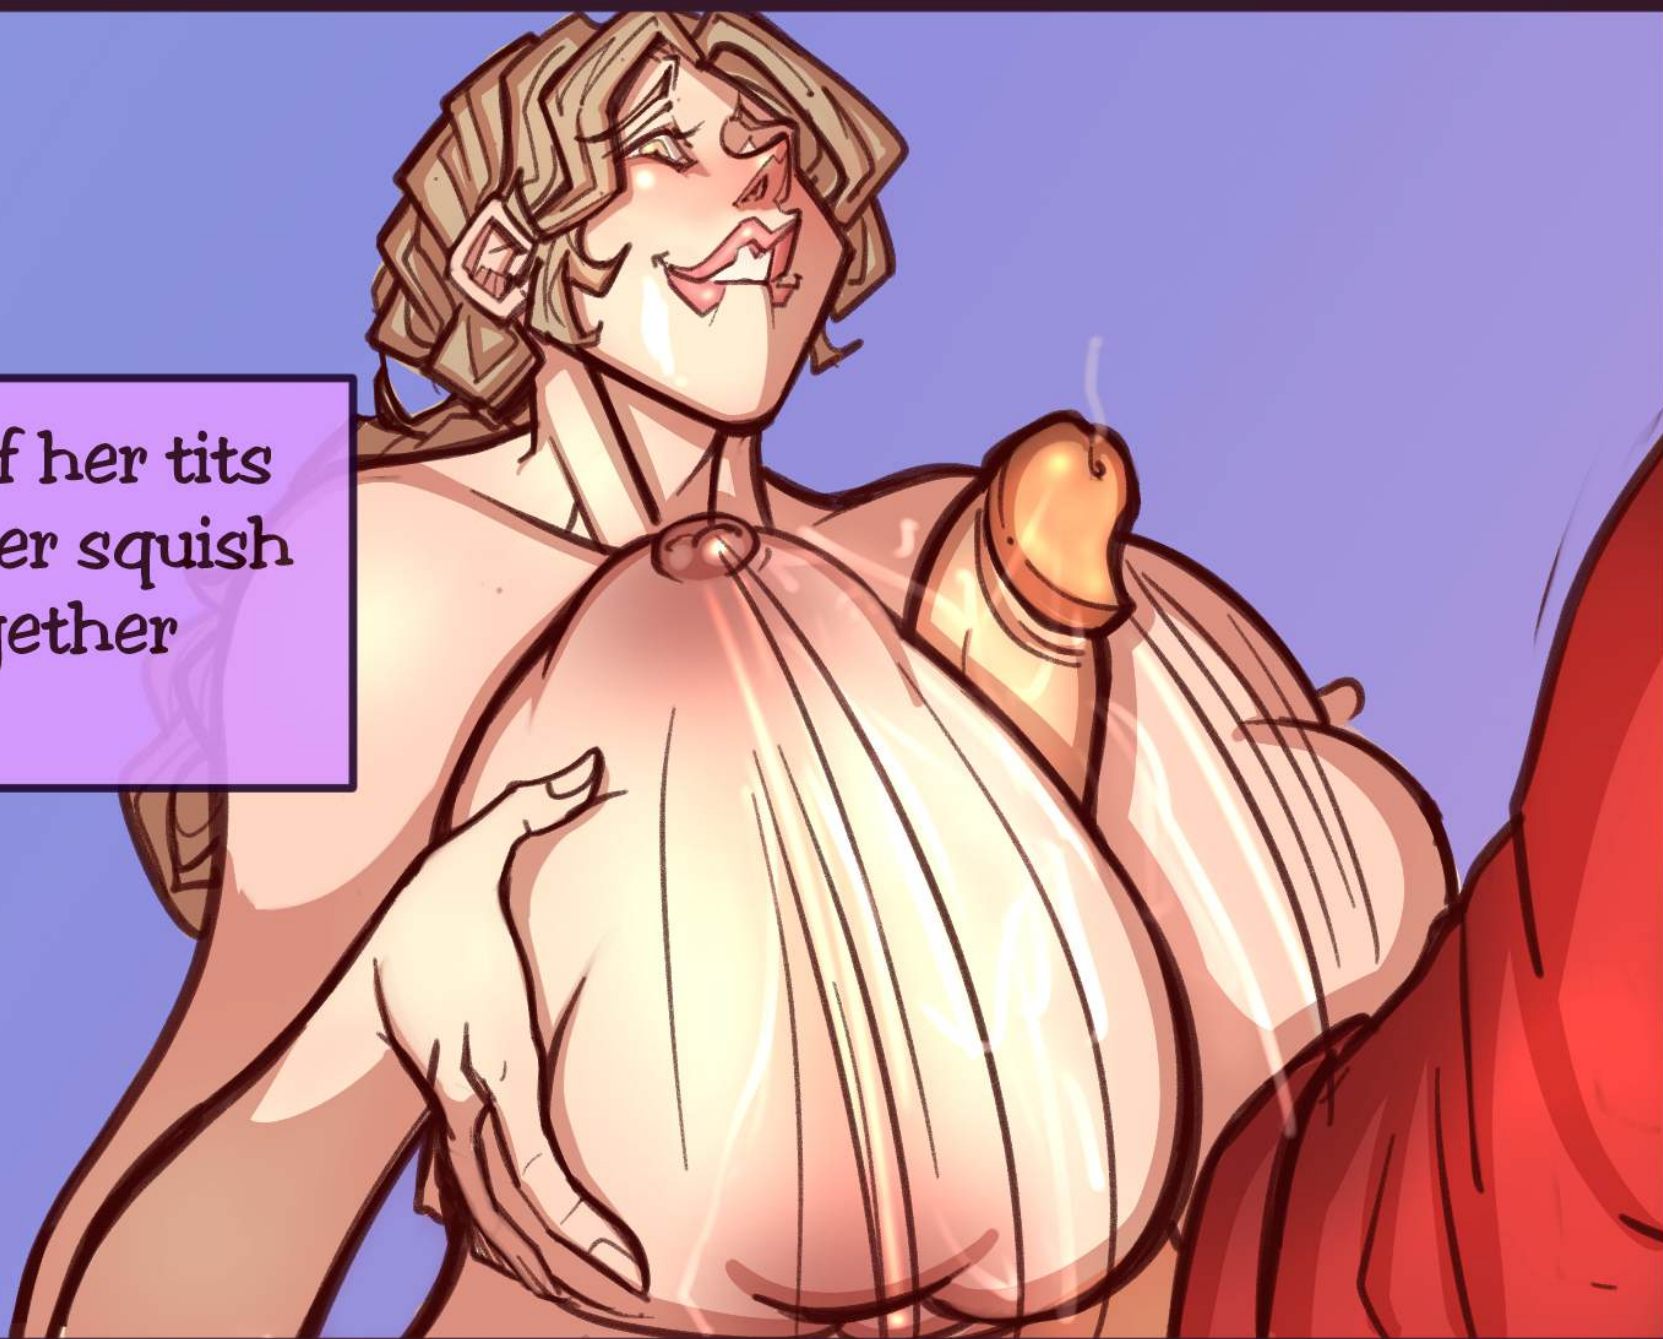

"Oh my god, yes!"
she cried out.
"Yes! Fuck my tits!
Fuck my huge
fucking tits with
your huge fucking
cock! Oh my god!"

Her entire body
was convulsing
with the power
of my thrusts.

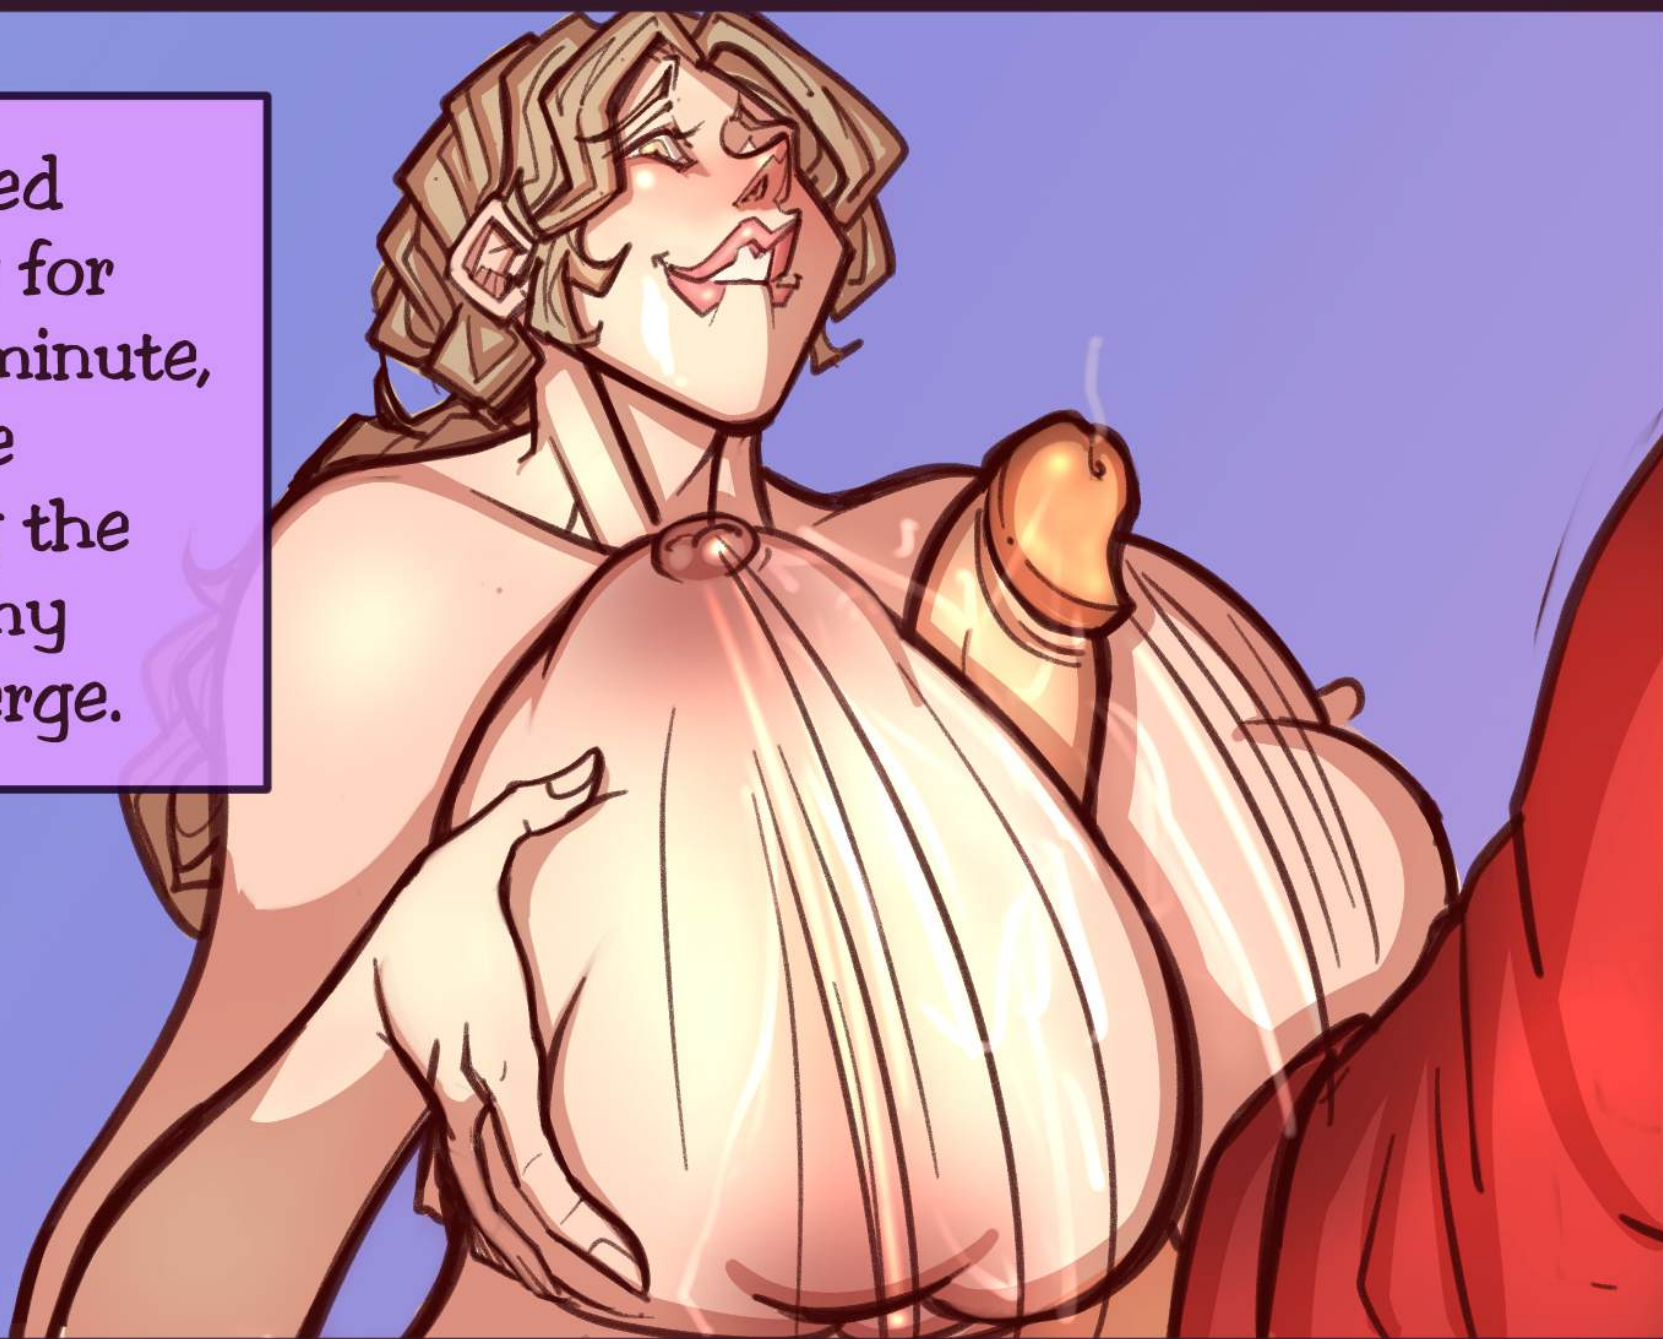

I let go of her tits
and let her squish
them together
herself.

Oh my god I'm
going to cum
so fucking hard
again. Fuck
these fucking
tits.

I continued
thrusting for
another minute,
each time
watching the
head of my
cock emerge.

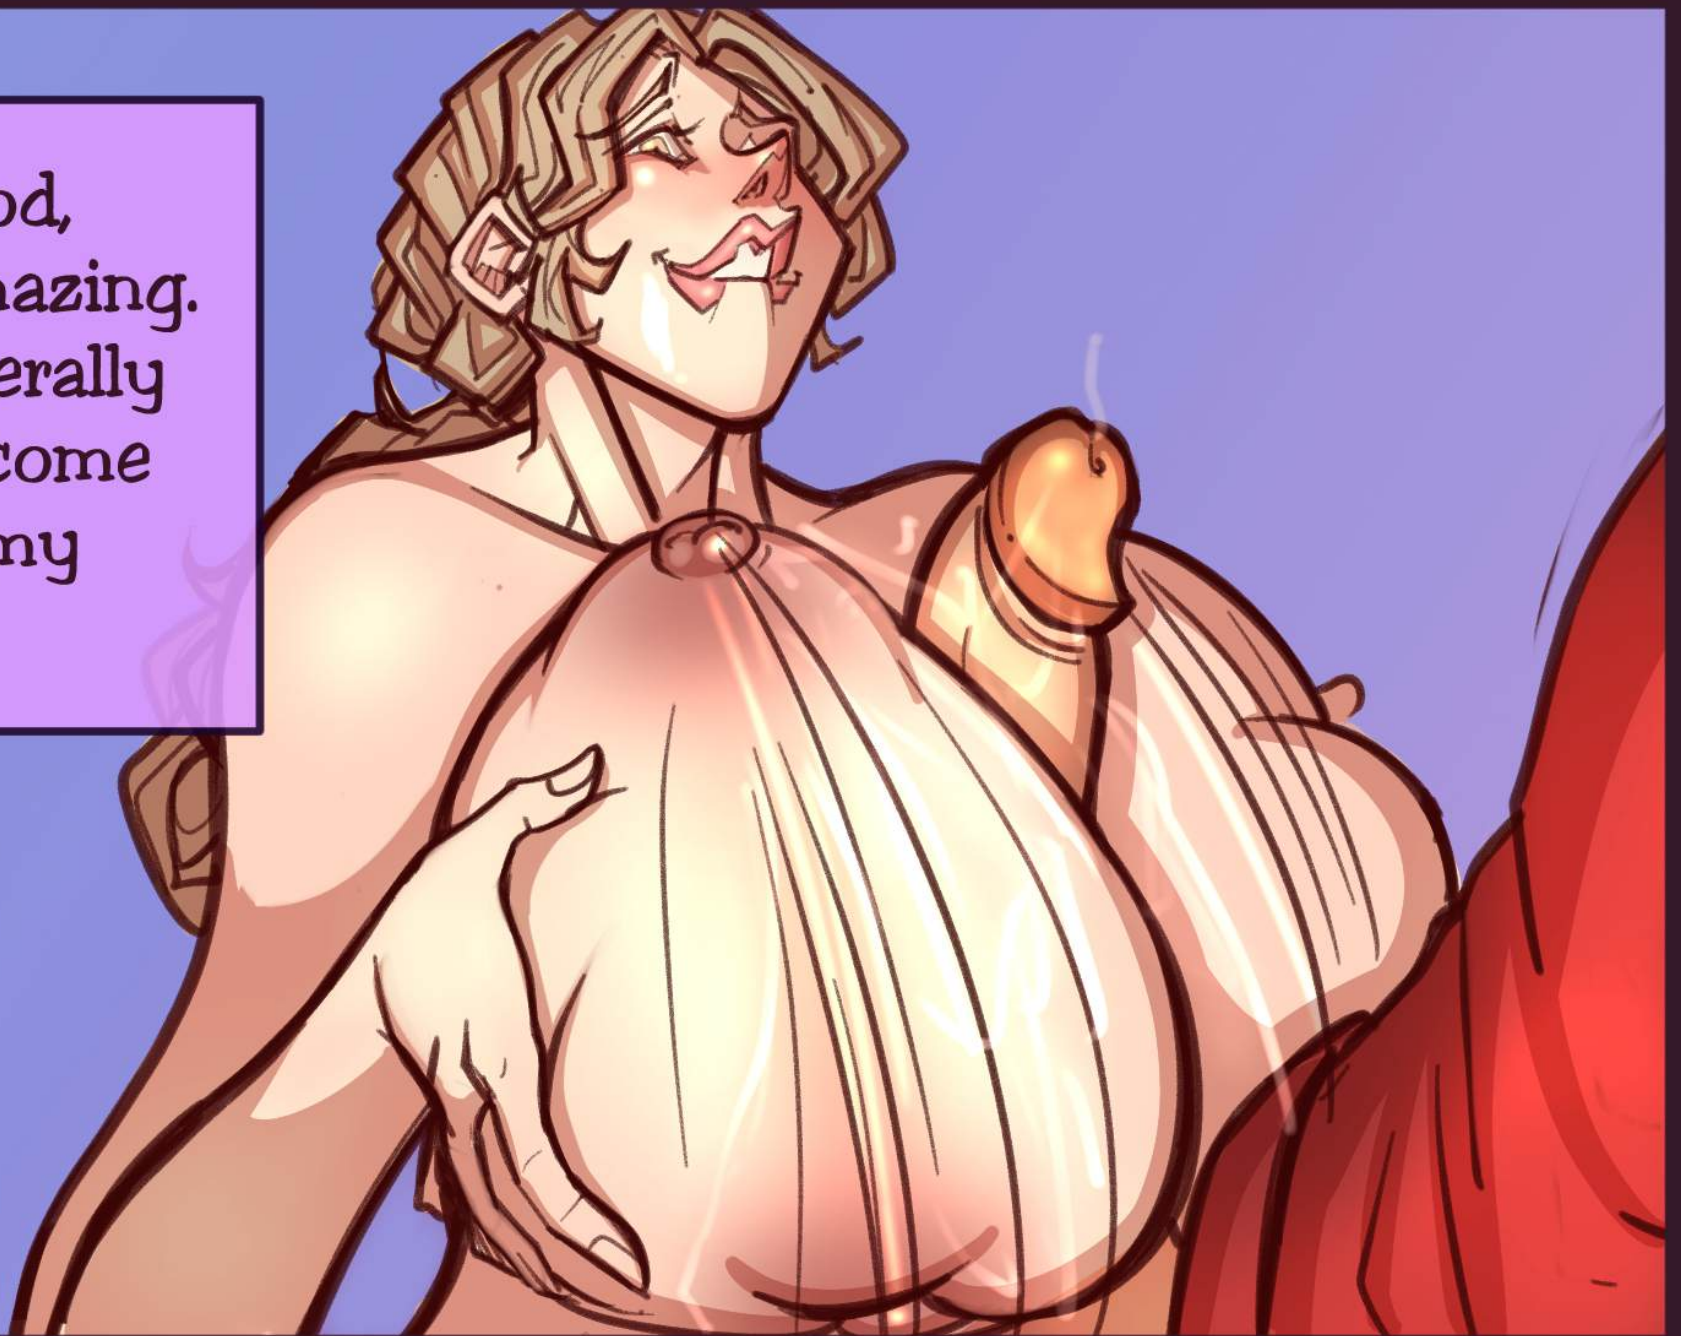

Her heavy
breathing and
intense moaning...
I didn't think she
would like this
that much.

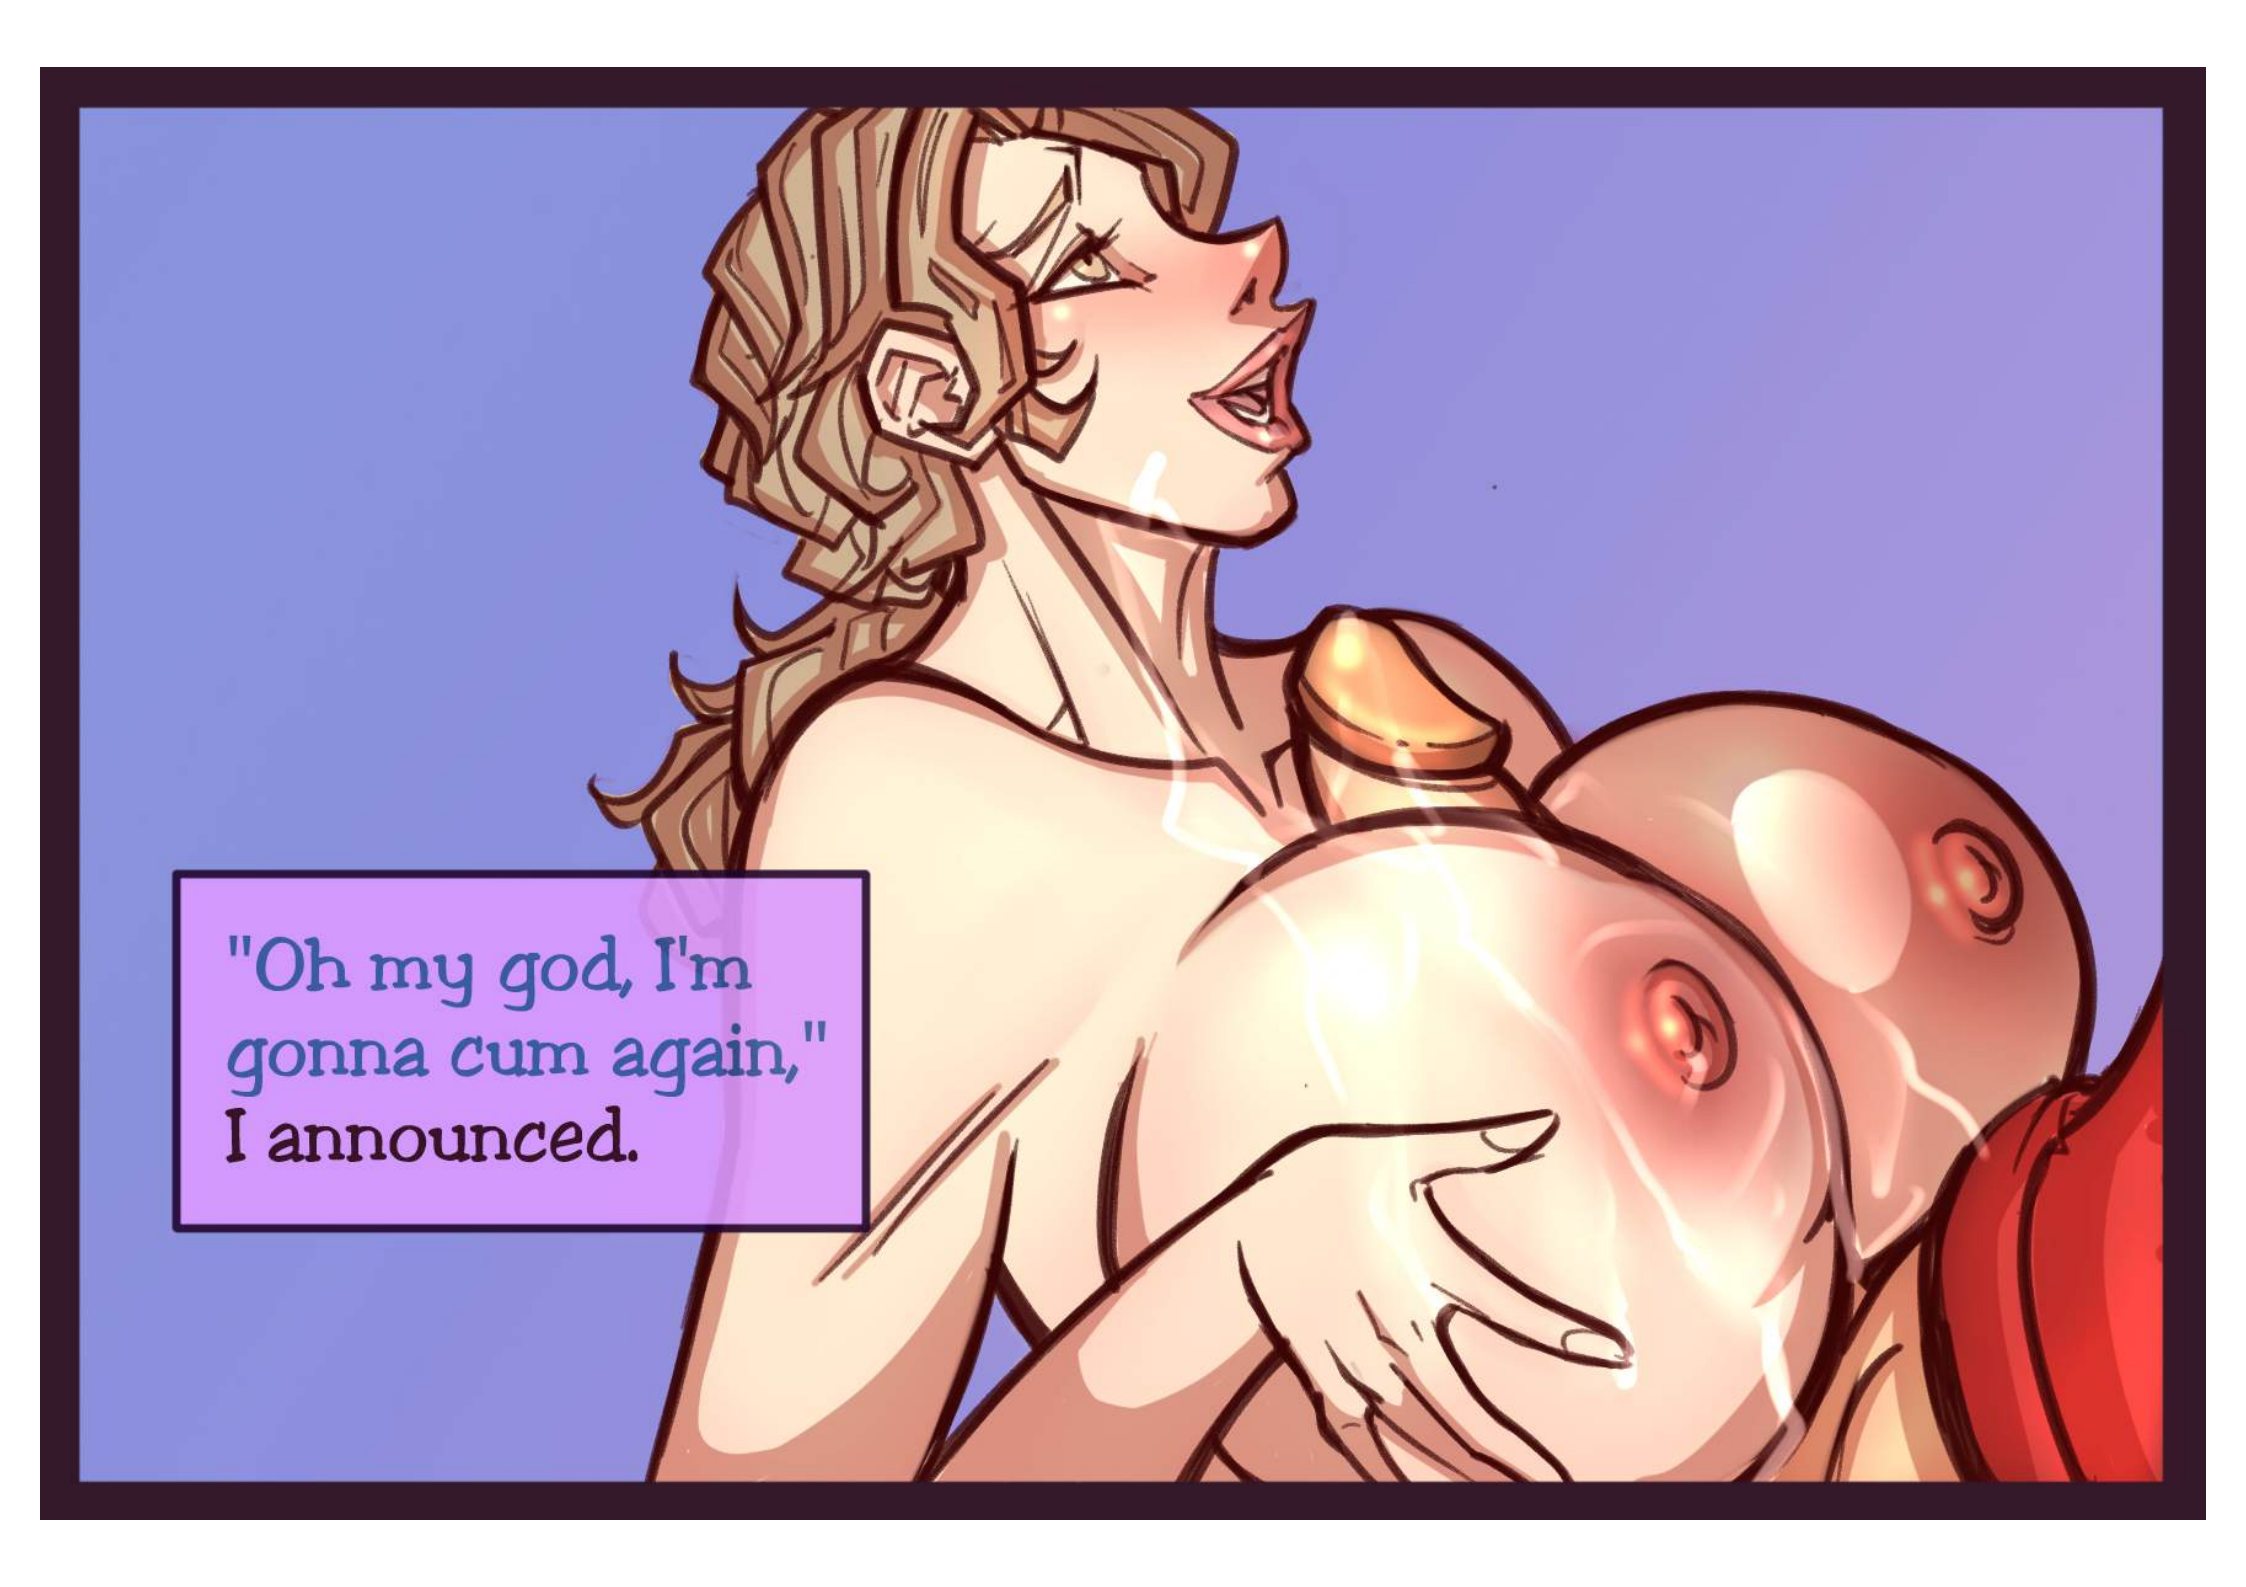

The inevitable
feeling began
building up
down below.

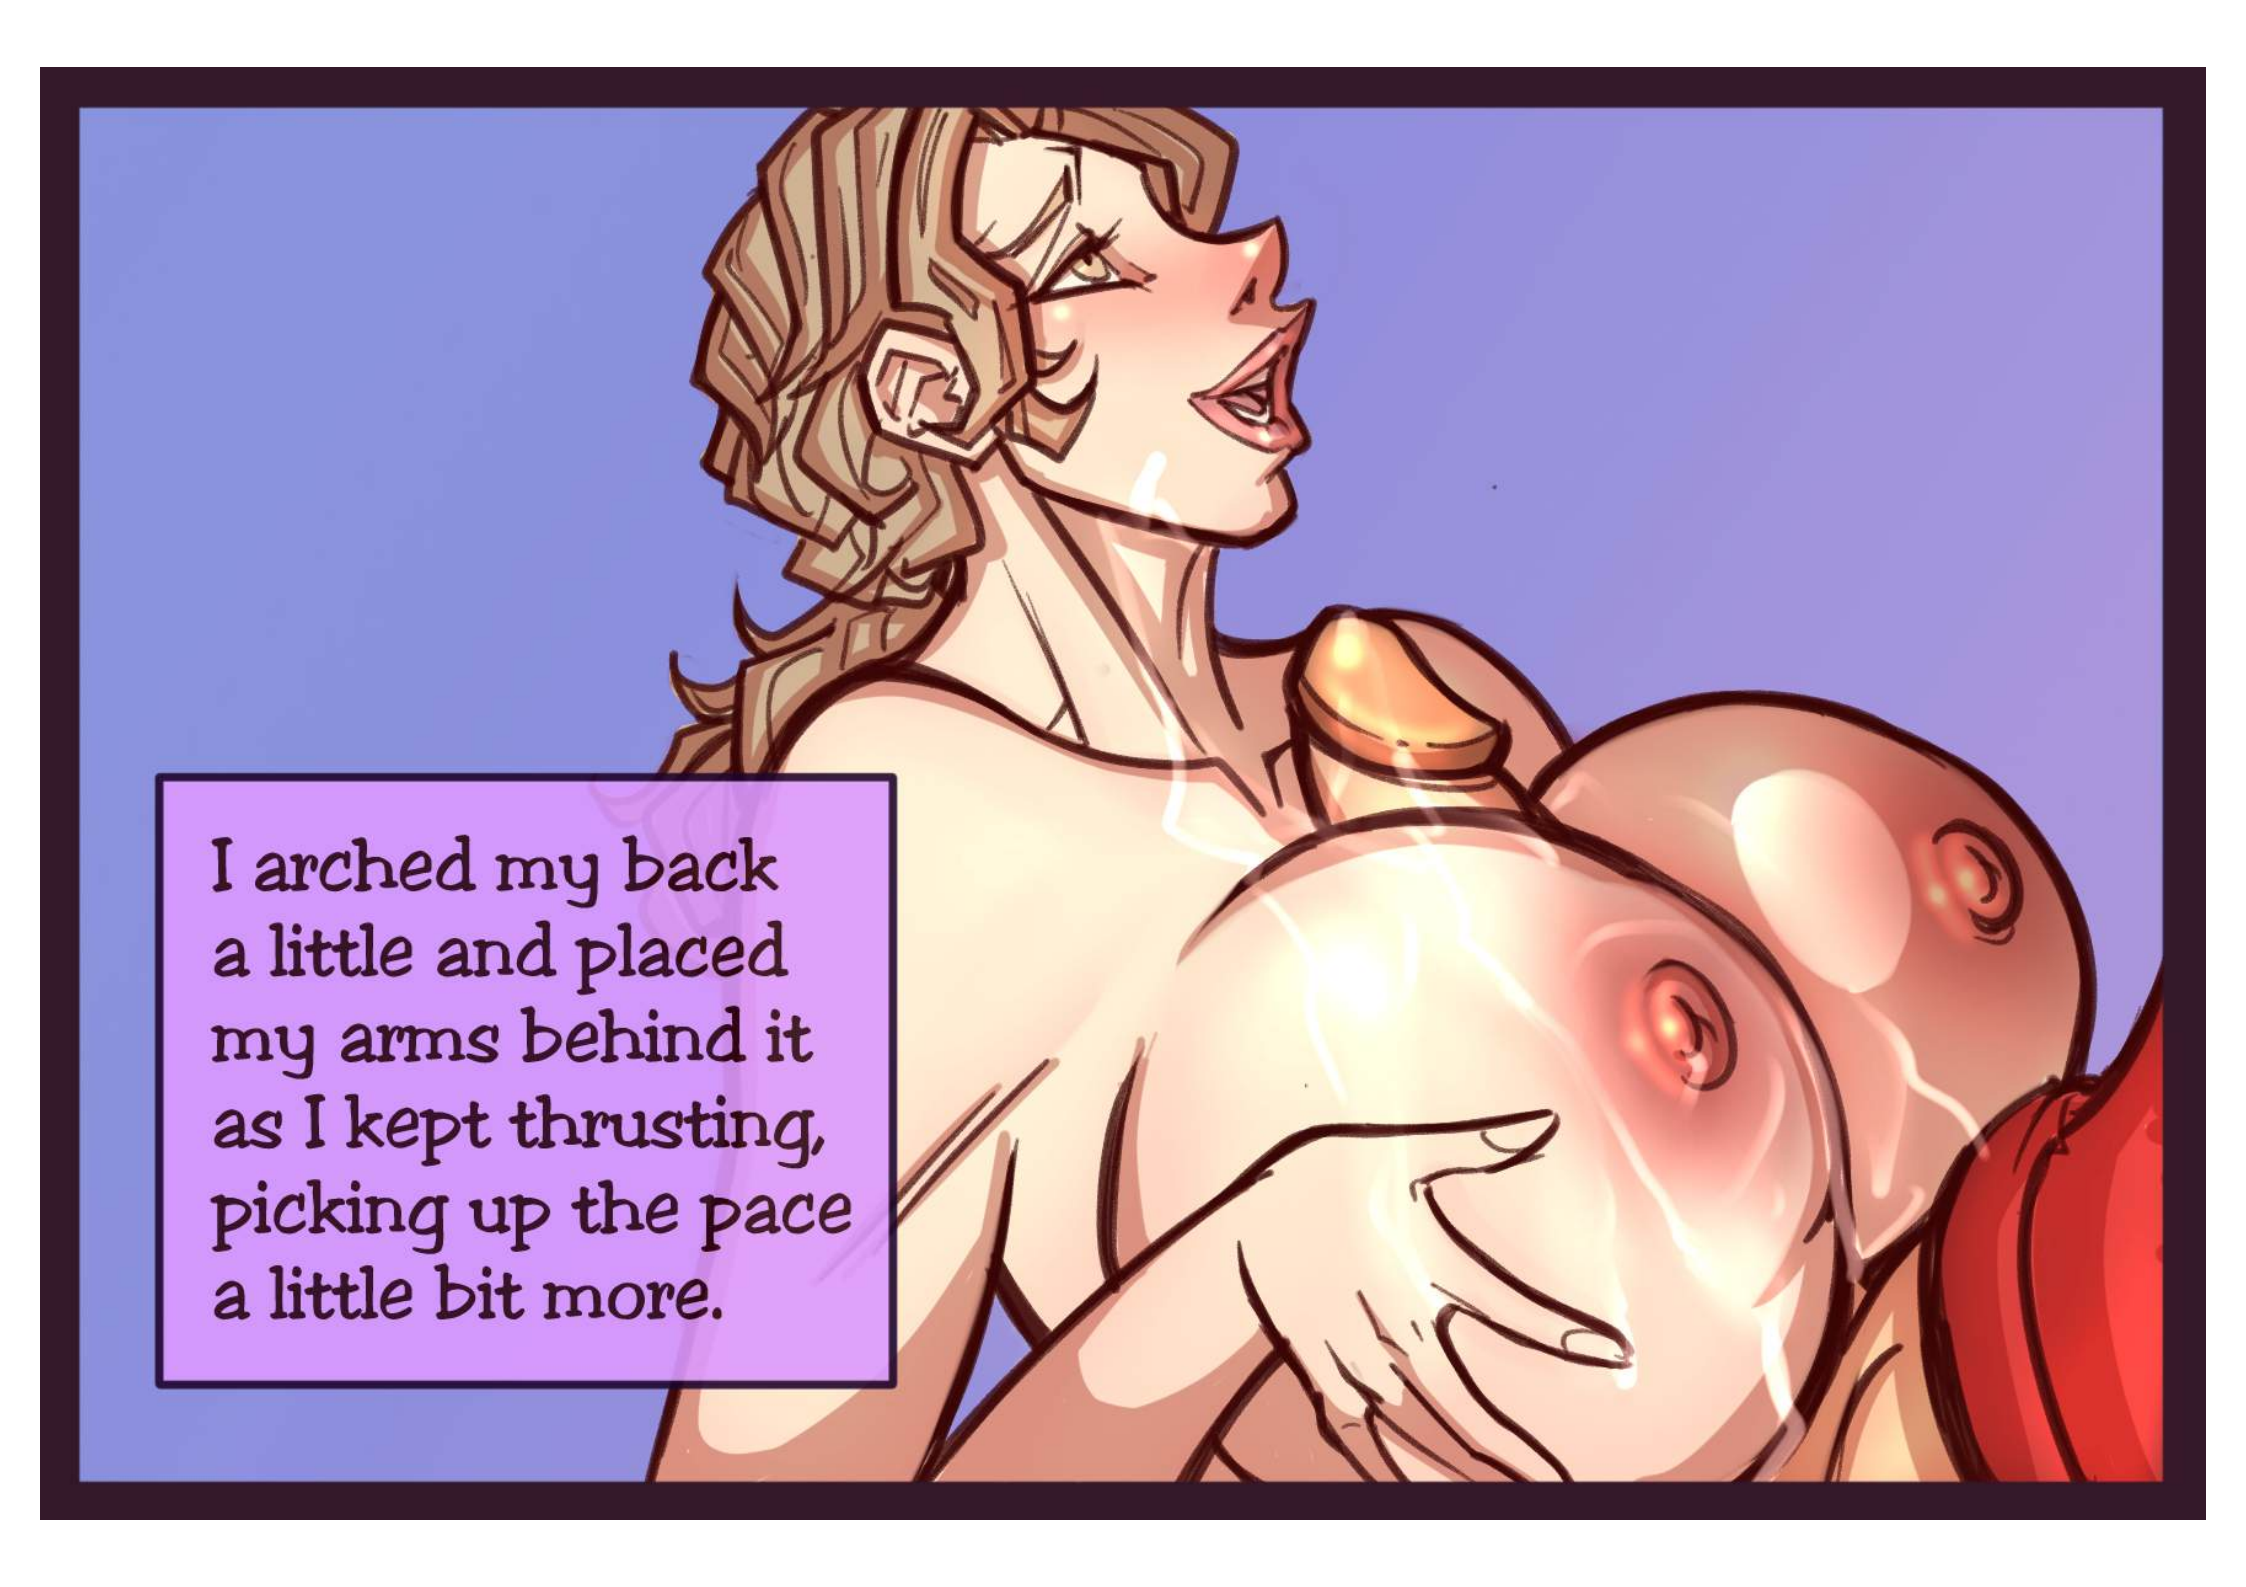

Oh my god,
this is amazing.
This is literally
a dream come
true. Oh my
god!

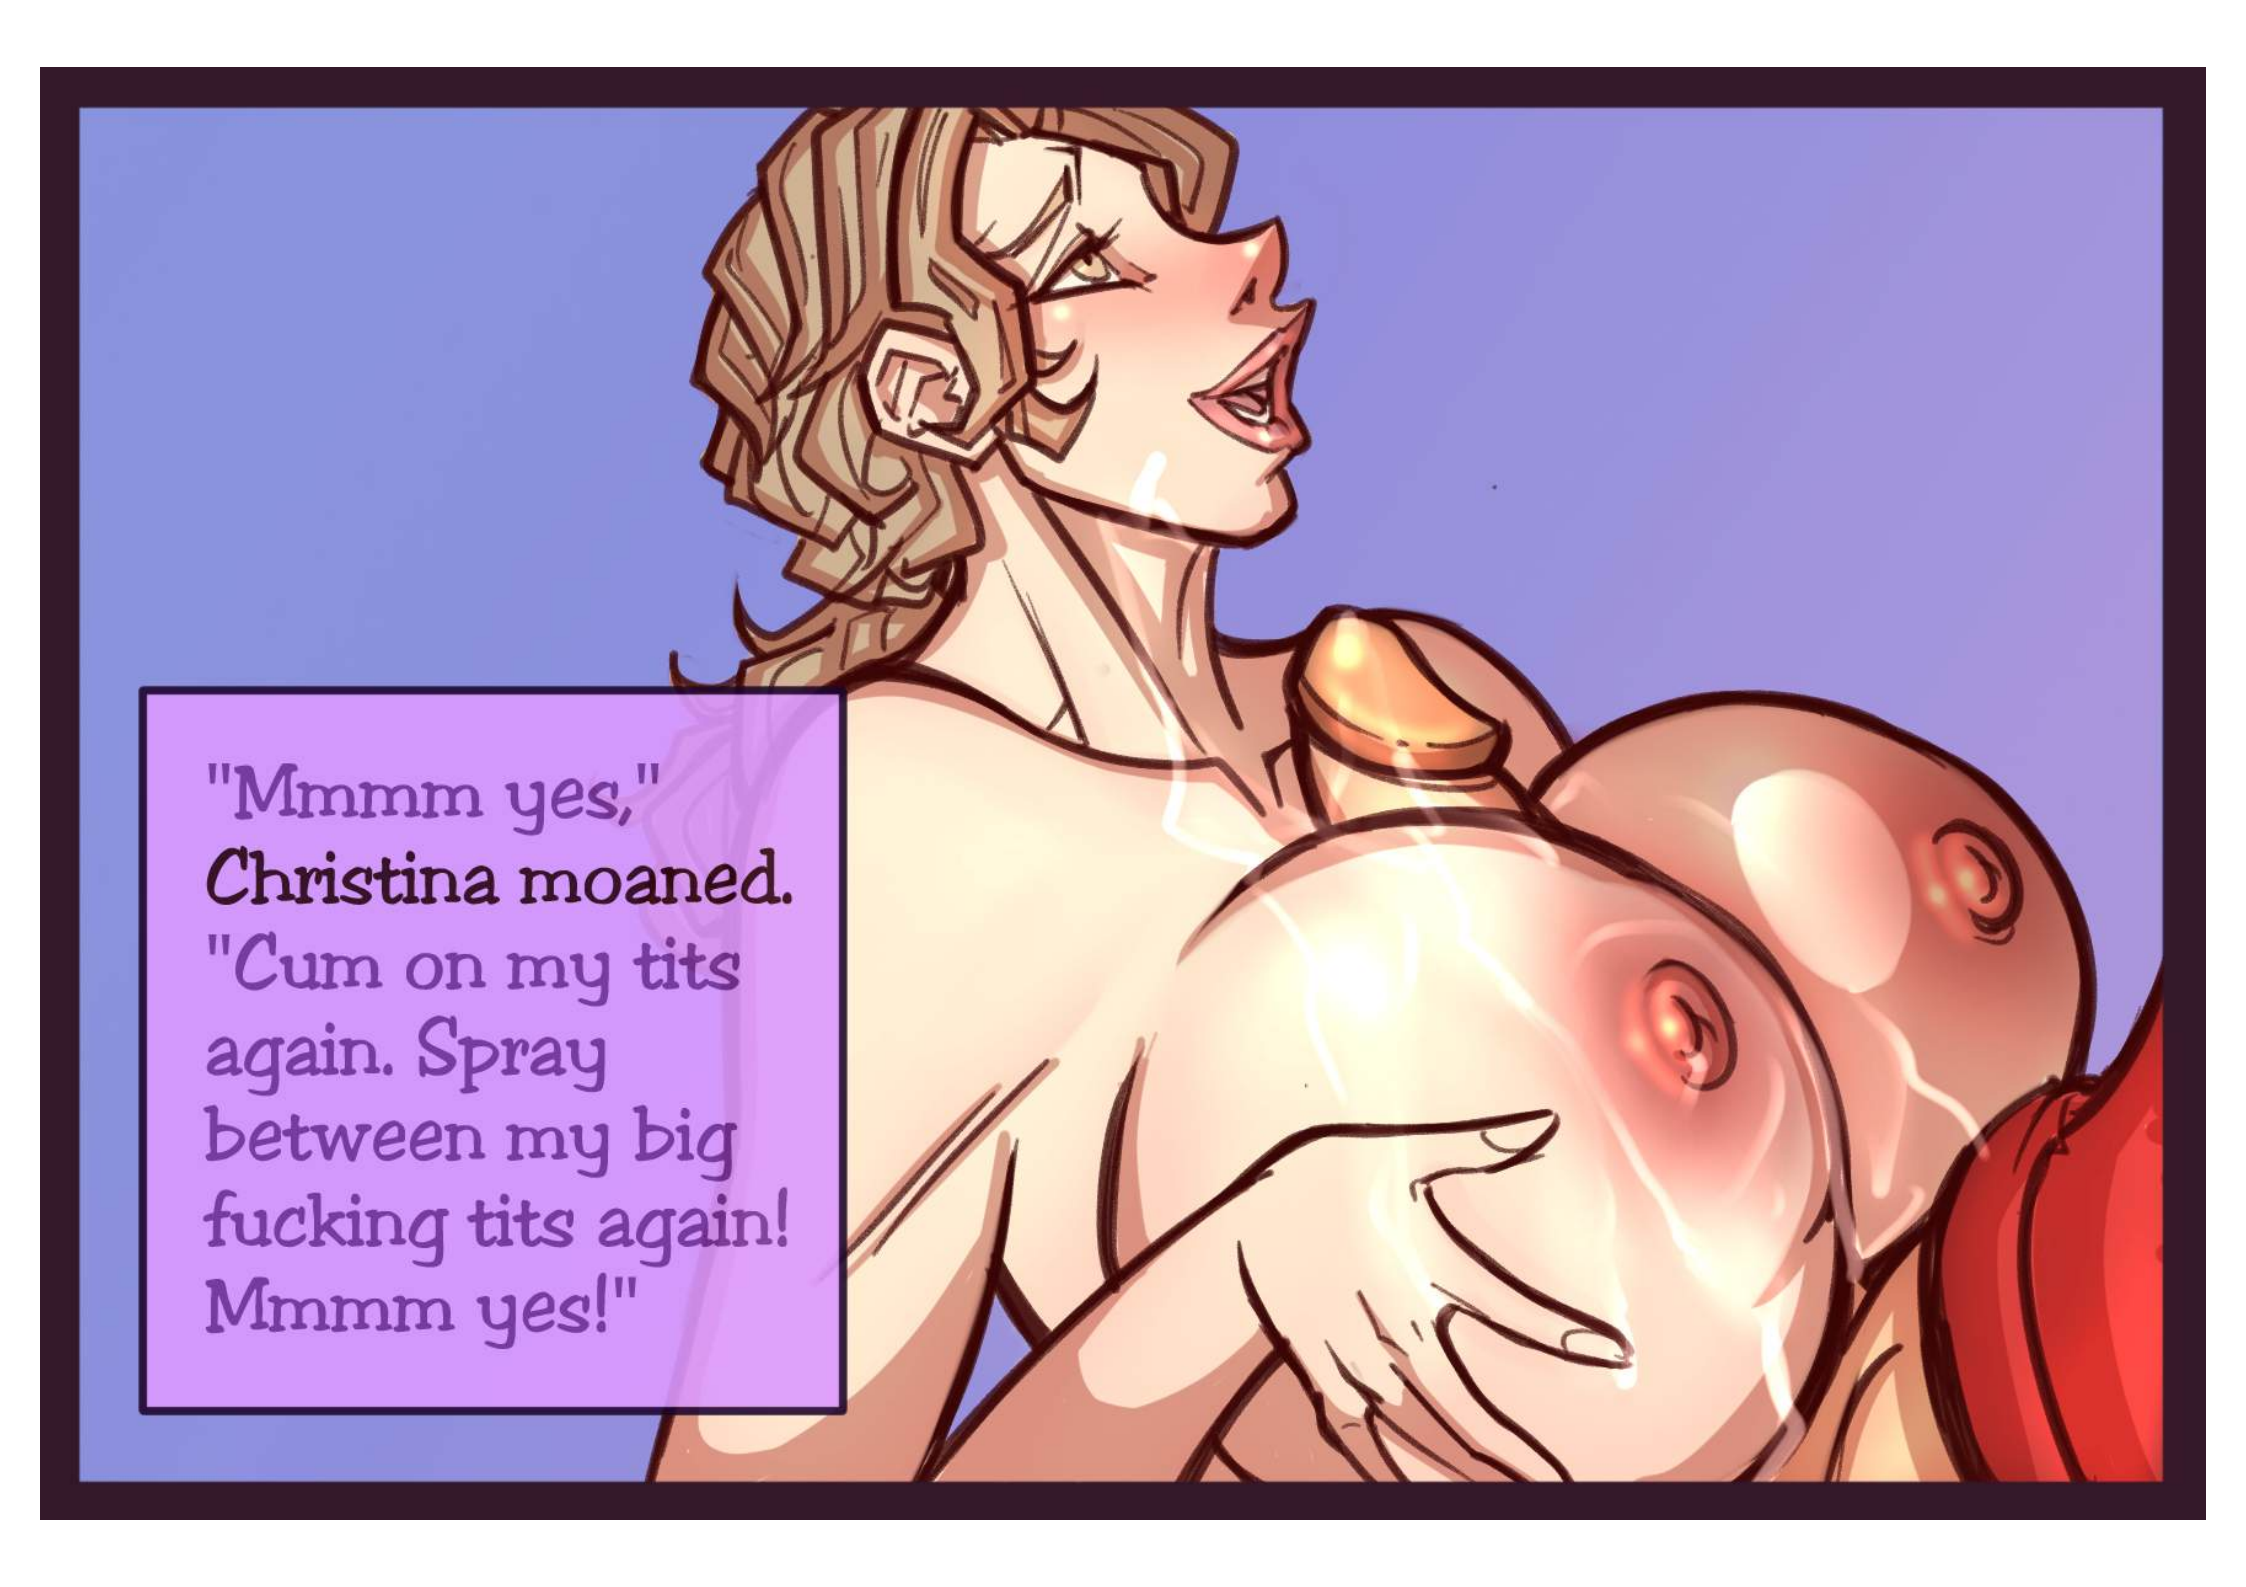

A woman with blonde, wavy hair and a large, ornate earring is shown from the chest up. She is looking down with a surprised expression at a large, glowing, fleshy, tentacle-like object. The object has a bright yellow light emanating from its center and is surrounded by a reddish, tentacle-like structure. The background is a solid light blue.

"Oh my god, I'm gonna cum again," I announced.

I arched my back a little and placed my arms behind it as I kept thrusting, picking up the pace a little bit more.

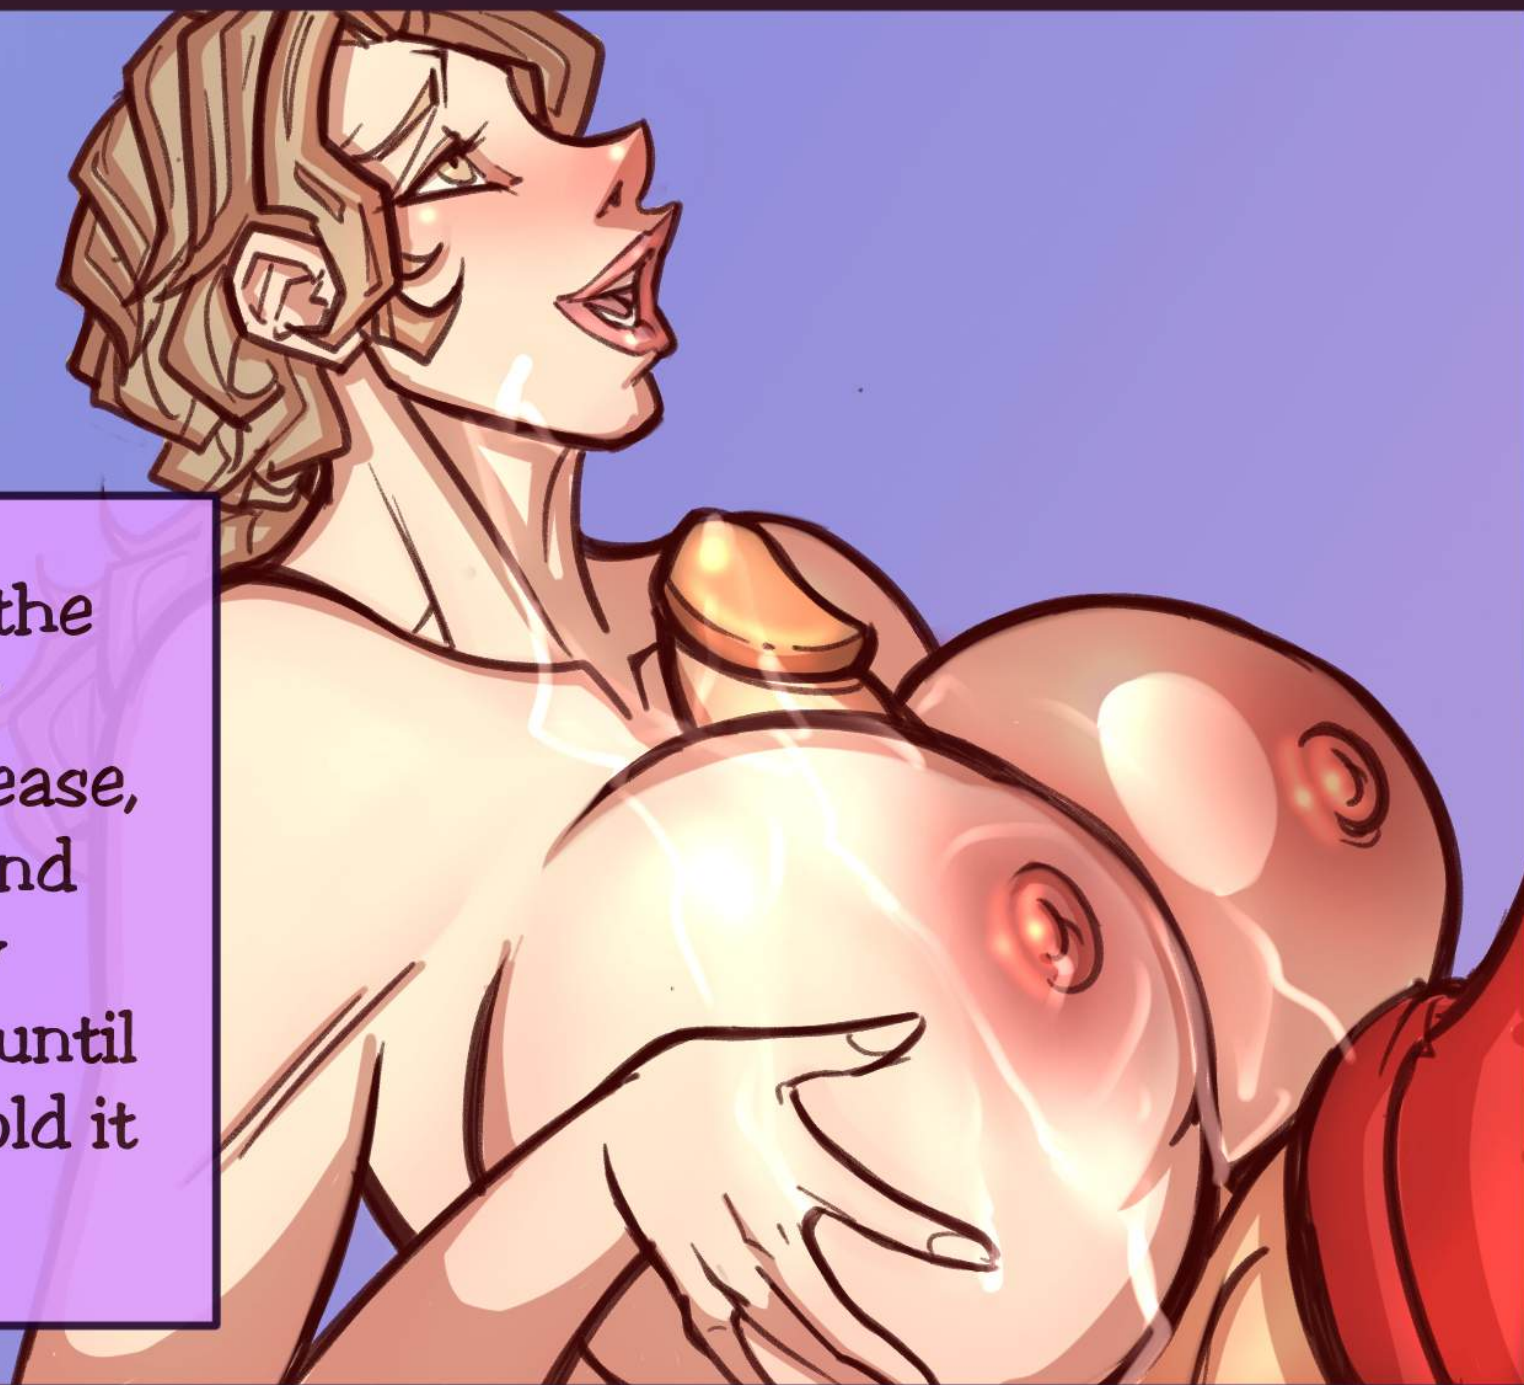

"Mmmm yes,"
Christina moaned.
"Cum on my tits
again. Spray
between my big
fucking tits again!
Mmmm yes!"

A stylized illustration of a woman with blonde, wavy hair, wearing a large, ornate, golden earring. She is shown from the chest up, looking down with a focused expression. Her hands are squeezing two large, pinkish-red breasts. A large, realistic-looking penis is positioned between the breasts, with its head visible. The background is a solid light blue. The entire scene is framed by a thick black border.

She squeezed them
as tight as she could
and looked down at
my cock playing
whack-a-mole.

When I felt the cum getting ready to release, I clenched and thrust a few more times until I couldn't hold it in anymore.

"Nnnngghh oh my god,
here it comes!

"FUUUUCCKKKK!
AAAGGGHHHH!!!"

She thought she was prepared for it, but this blast was even stronger than the first one.

There was about
11 or 12 large
spurts this time,
far more than
I normally shoot
in a normal
ejaculation, it felt
so fucking
amazing.

This was a dream
come true for me,
so it didn't surprise
me that I would
produce this much.

My cock
continued to
pump and ooze
out what
I believed to be
the last drop
of semen in my
body.

It wasn't...
