

Phew...  
So tired.

I just want to  
wash up and  
go to sleep.

Huh?

Why is the  
window open?

?!

Kate...?

The police were even patrolling in front of your house.

Sorry for scaring you.

It's okay.

So everyone at your workplace went crazy?

Yeah.

They all had the same look in their eyes as Mia.

I have no idea what on earth happened...

.....

Hmm...  
Hearing that  
reminds me of  
something.

By any  
chance...

did you see  
this at the  
office?

!

Oh...yeah,  
I remember  
that!

I saw them  
on every  
desk!

But what  
about it?

This is a genetically modified plant that debilitates human cognitive abilities.

The hacker group Anonymous recently hacked the messaging app of the international terrorist organization IWA.

This is what they leaked...

## Pre-Experiment

2023/05/02

YOU SON OF A BITCH! JUST TRY AND TOUCH ME!

Name: Rosemary Bennett  
Age: 28  
Lieutenant assigned to private military company M65

00:11

02:00

I'LL BITE YOUR FUCKING DICK OFF!

CLICK

## Post-Experiment

2023/05/03

Hehe♡  
I'll drain your balls... until there's no sperm left♡

00:53

02:00

It's so potent that your mind is destroyed upon exposure. In an enclosed space, it can cause mass brainwashing.

I can't believe it.  
How could  
something like  
that...

But why wasn't  
I affected?

The theory is that  
the stronger a person's  
mental fortitude, the  
slower the symptoms  
appear.

But it's  
only a matter  
of time.

If you had  
stayed in the  
office exposed  
to it,

H  
A  
A  
H

SQUELCH

FWOP

O  
H  
H  
H

you might  
have become  
just like them.

And although  
it's mild, you're  
also showing signs  
of addiction.

What?  
I'm perfectly  
fine.

I can tell by looking at your pupils.

You would normally realize how dangerous of a situation you were in the moment you saw your coworkers.

Your judgment was clouded without you even realizing it.

N-Now that you mention it...!

Fortunately, I have a sample at home.

Let's start with the detoxification first.

Your symptoms are mild now, but it could be dangerous if left untreated.

Ah... Okay.

Mei...

?

Thanks.

If it weren't for you, I would've been caught for sure.

Please make more of this antidote.

Once we're ready, I'll coordinate with other investigative agencies and immediately launch a...

Pfft!

?

Hehehe...

Ahahaha!

Heheh!

Oh...

Sorry...

*The sight of you,  
not realizin'  
there's nobody  
left on your side,*

*still deludin'  
yourself into  
thinkin' you can  
win, was just too  
funny...*

!!

N-No way!

**Coming October 4 !**
