LICK

Please...

Tee-hee...

She said the exact same thin' when we caught her.

Such a remarkable friendship.

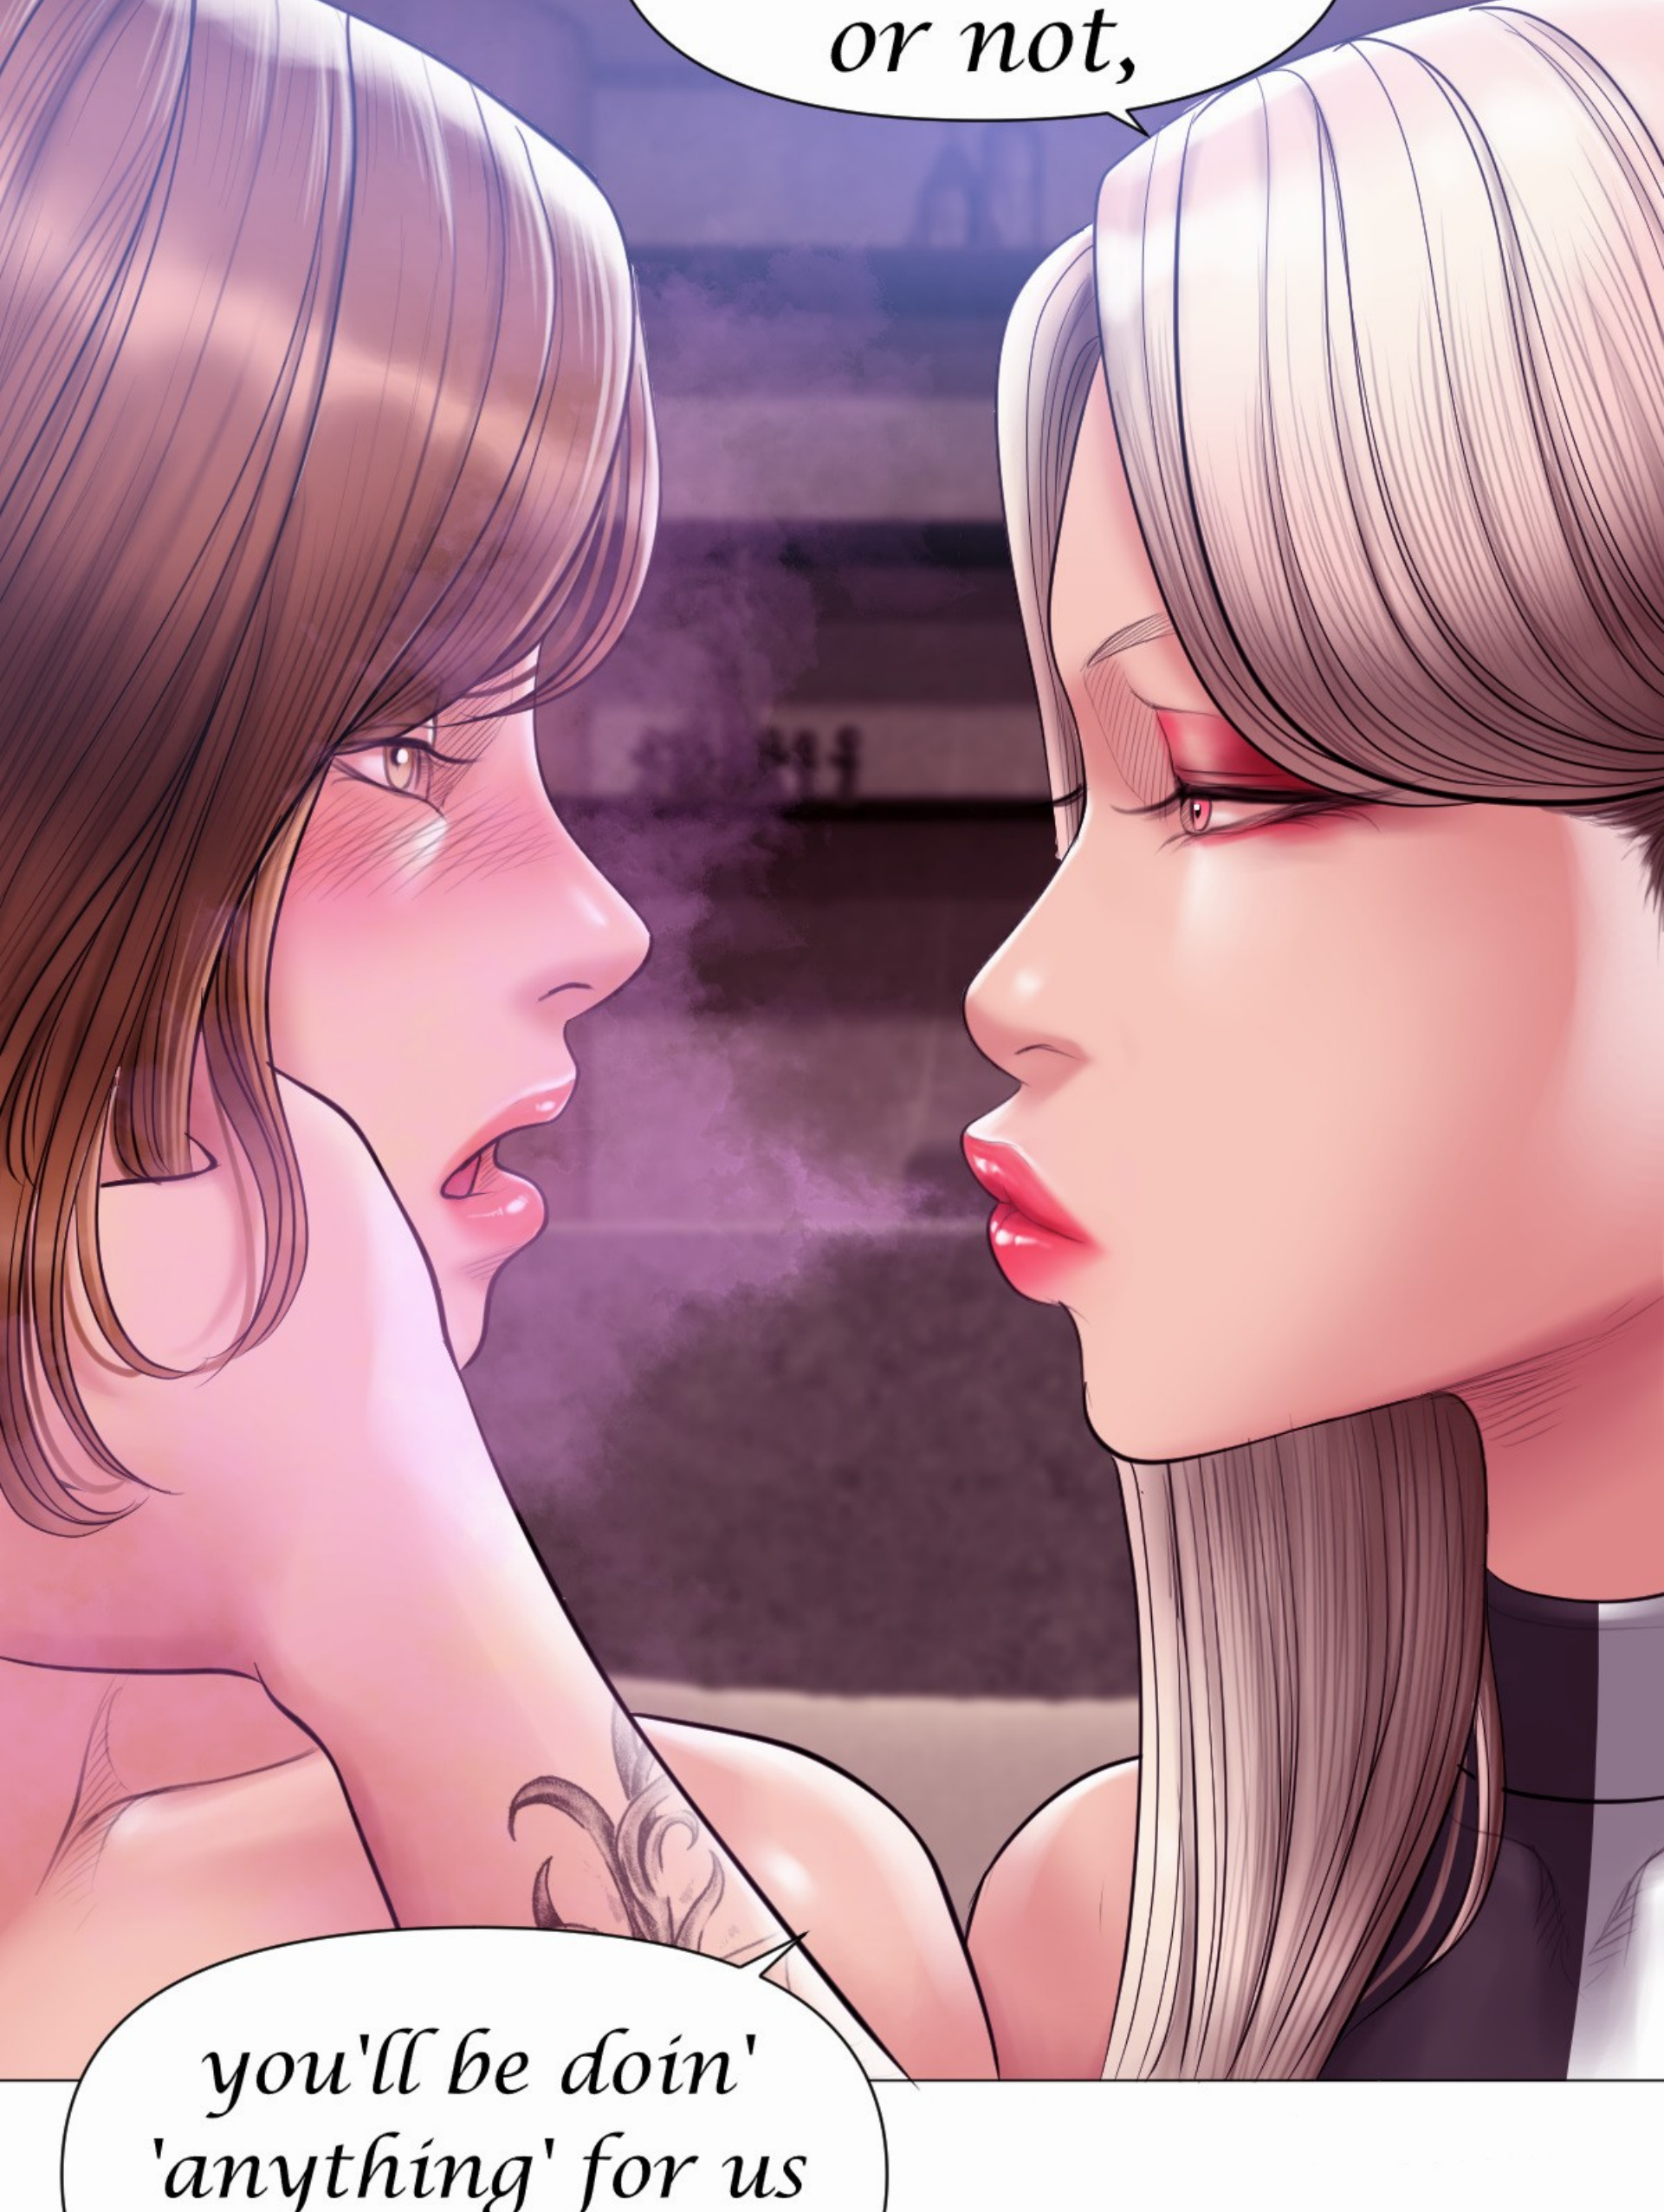

But you know full well that kind of cliché line won't work, right?

SWISH

....!

Whether you beg or not,

you'll be doin' 'anything' for us no matter what.

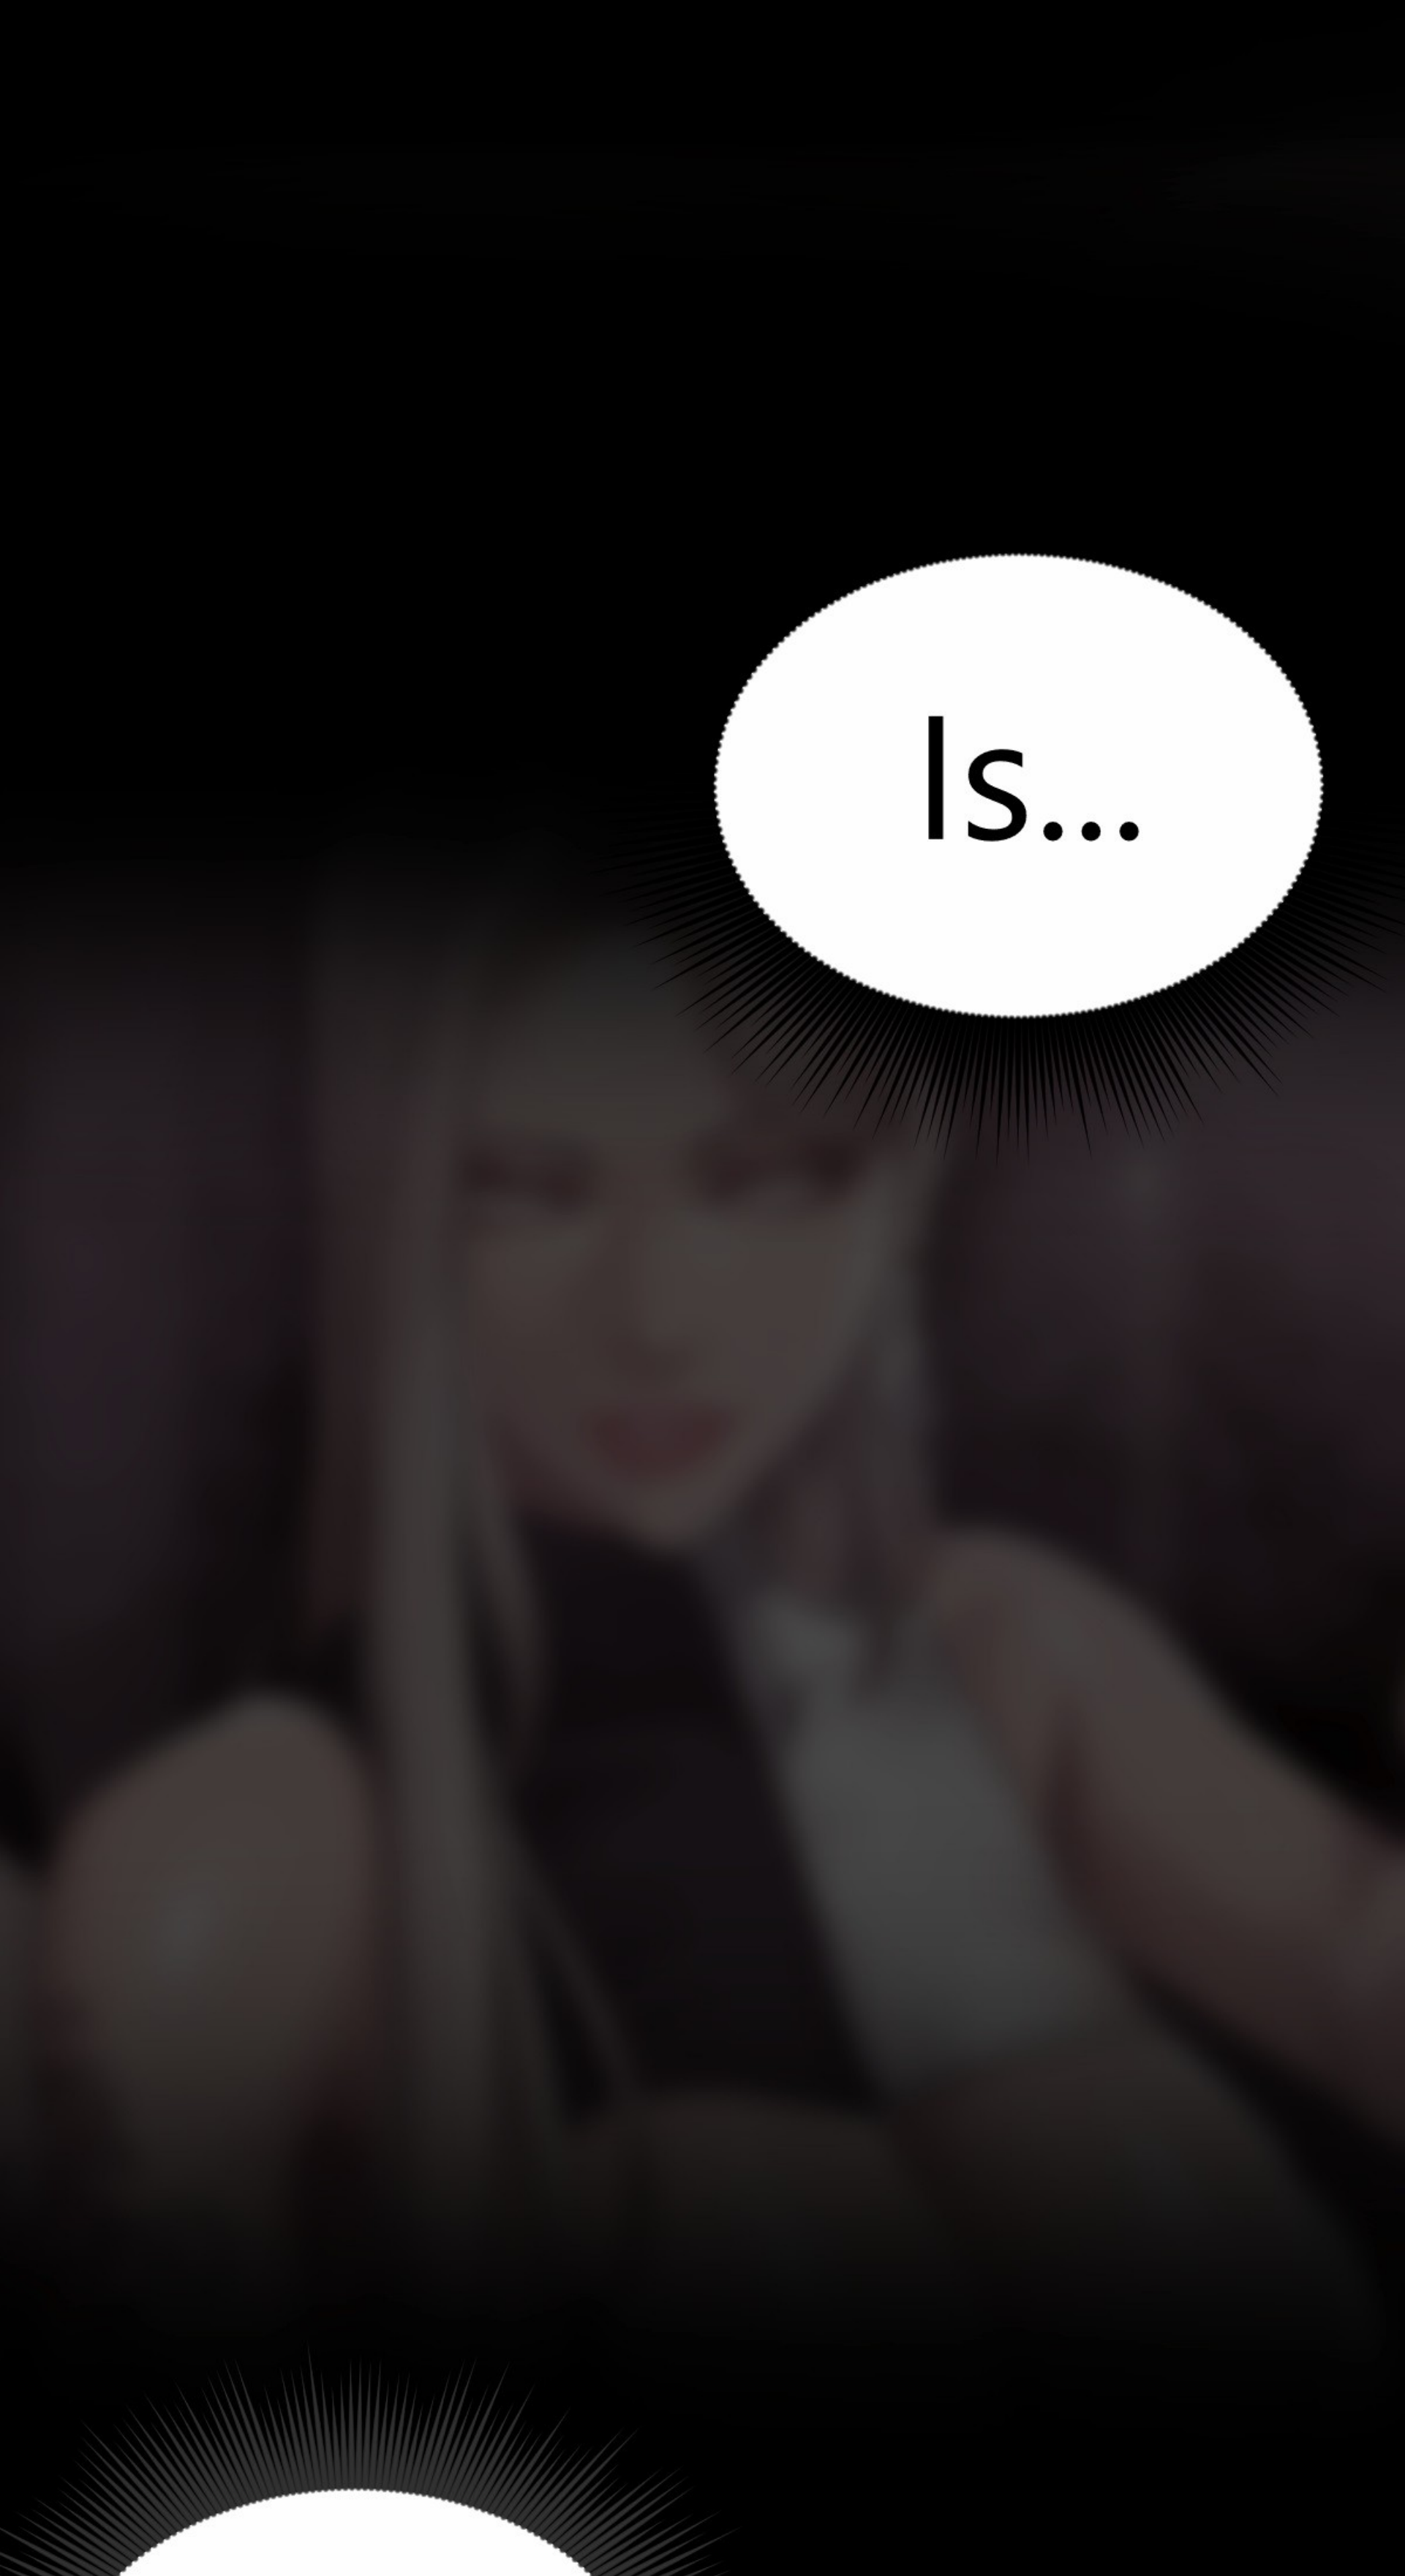

Hah...

D-Damn it...

My consciousness...

Is...

Fading...

You must have felt so lonely, bein' the only outsider, right?

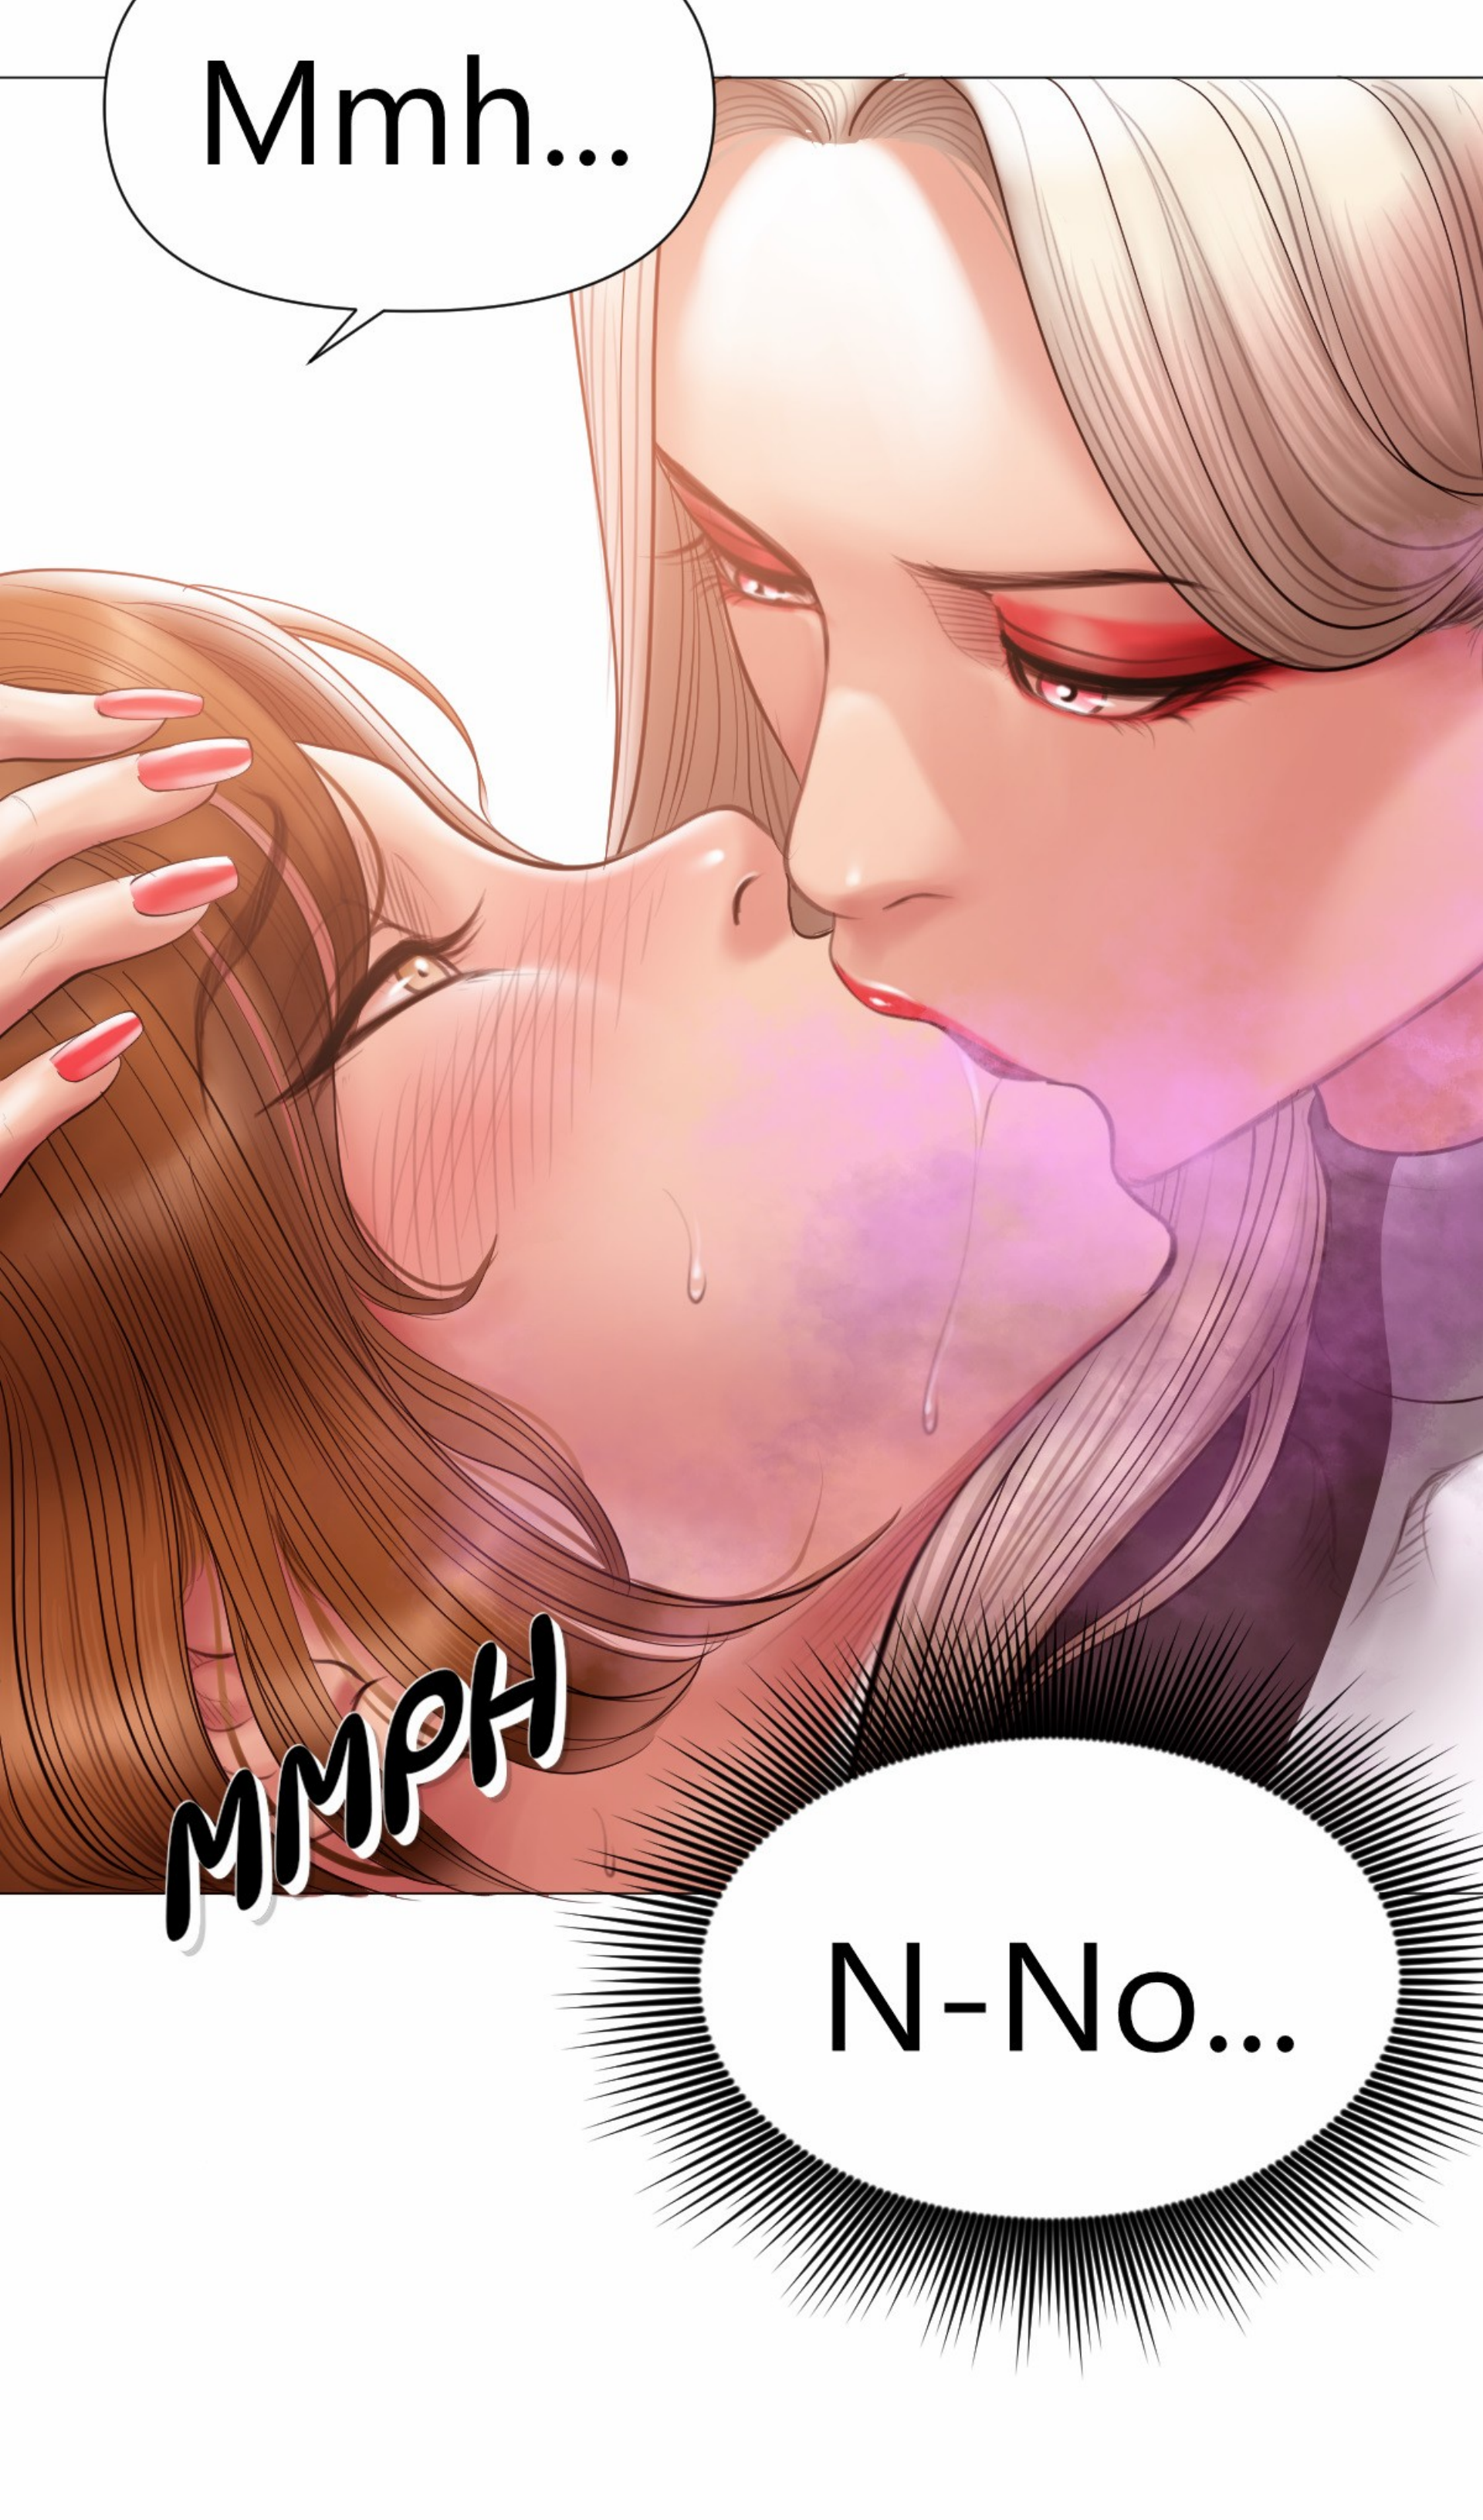

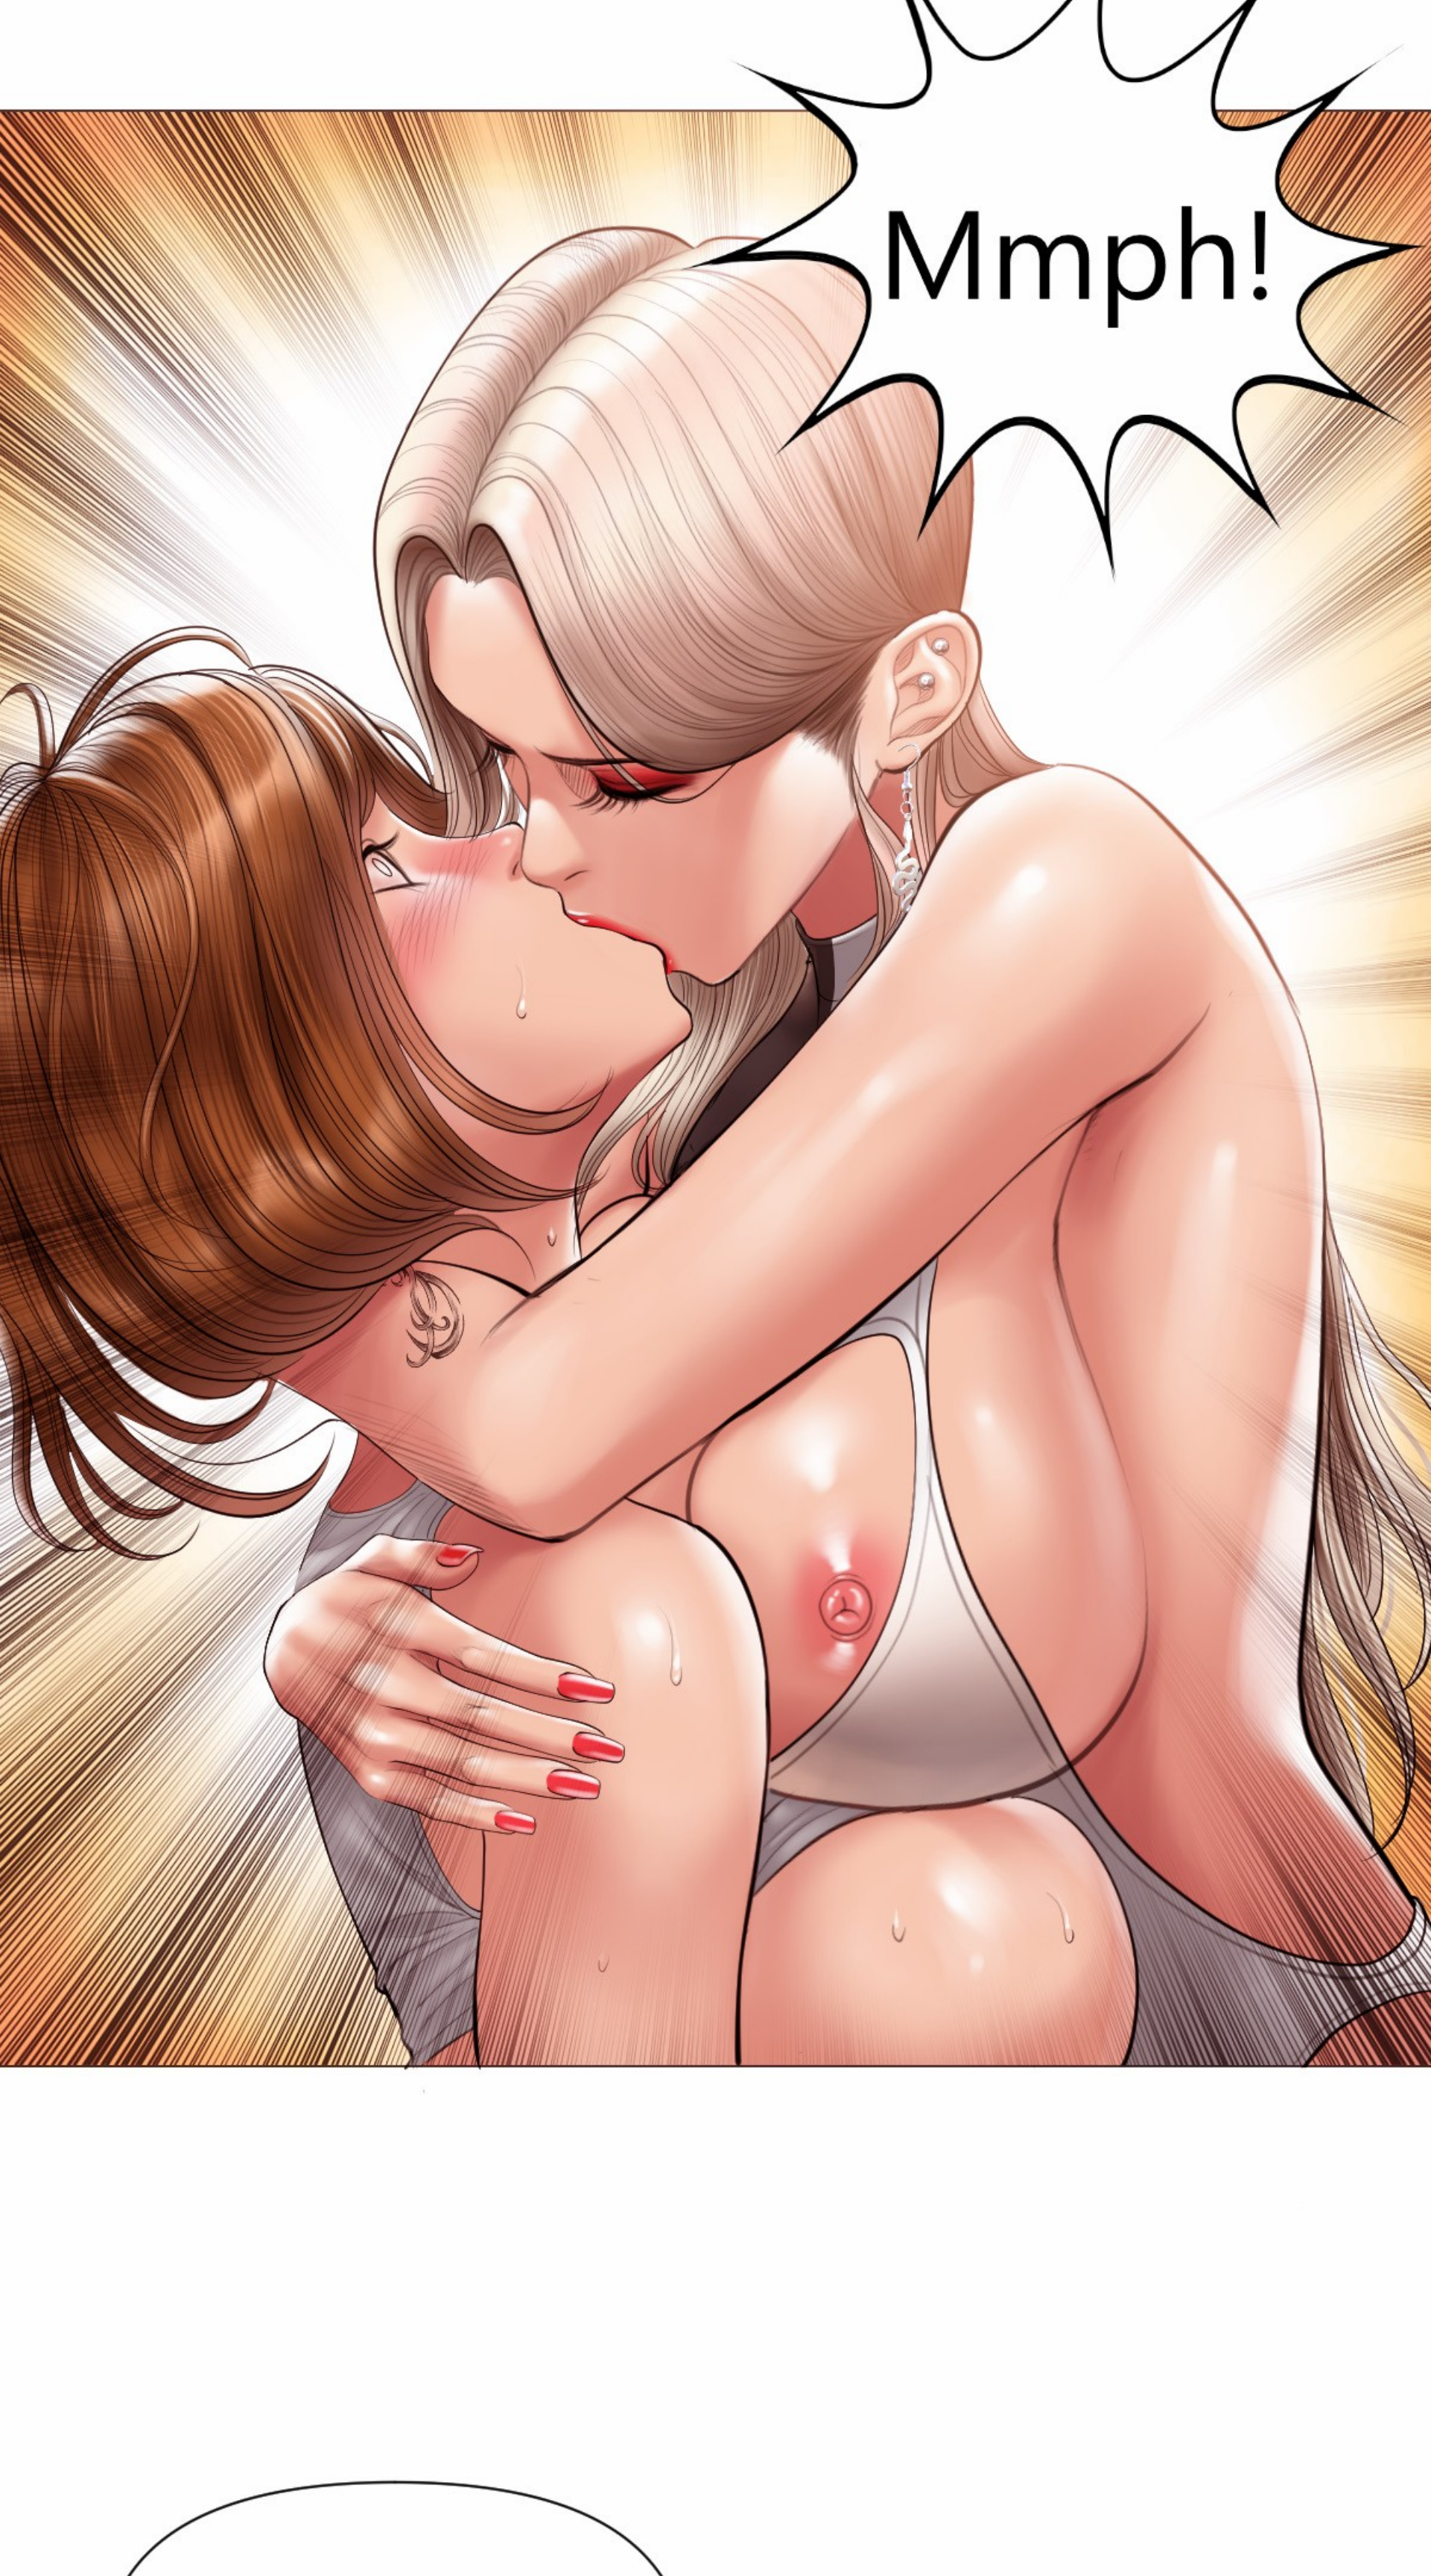

**H

Well, you don't have to worry anymore.

You'll naturally assimilate into our 'culture' too...

Why are you zoning out during a sparring match?

You're finally wearing an outfit appropriate for that erotic ass, huh?

Bitches are at their best when they wear titillatin' clothes... Kukukuk!

!

Ah... N-No!
It's nothing...

Stupid... Why
did I suddenly
do that?

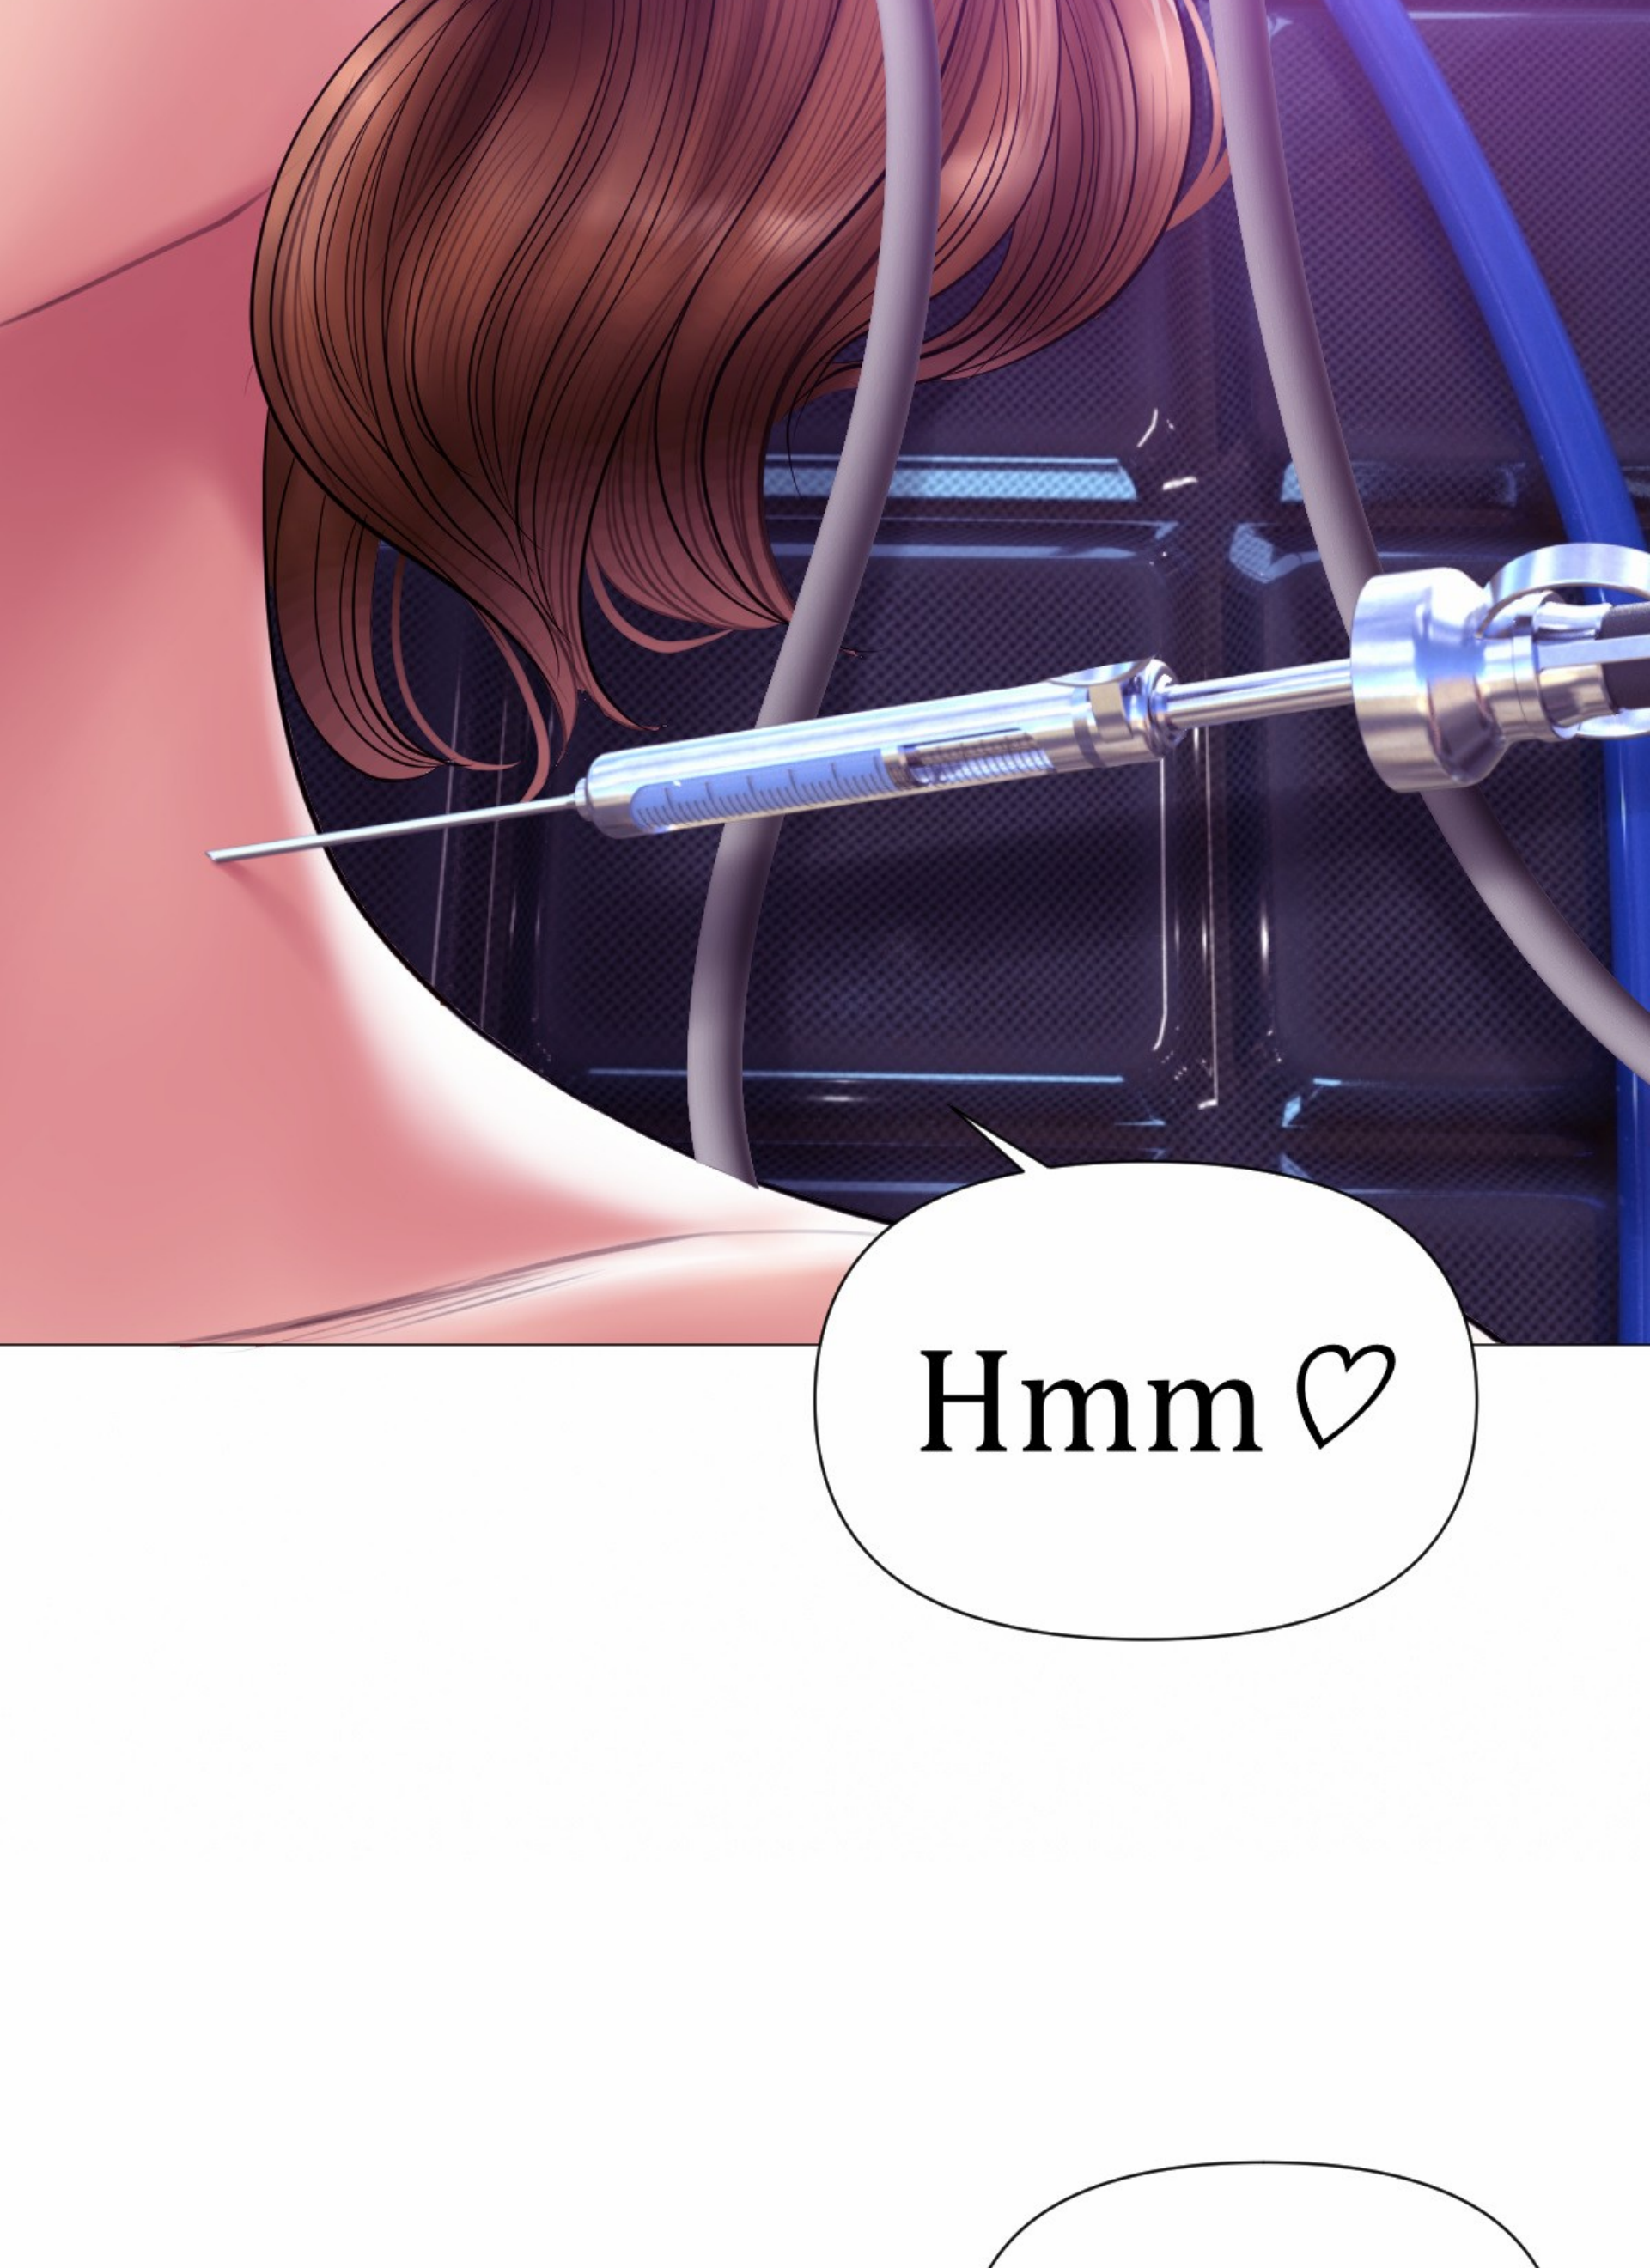

My uniform was...

always like this.

Hmm ♡

Hahh...

What did you inject her with?

It's a neuromodulator that weakens the sense of incongruity.

It hinders logical thinkin' in the brainwashin' program, makin' one accept any situation naturally.

But Kate's mental strenght is strong, so this alone won't brainwash her in one go.

♦♦♦♦♦♦♦♦

We need to break down the pride that supports her mind first, then gradually imprint obedience.

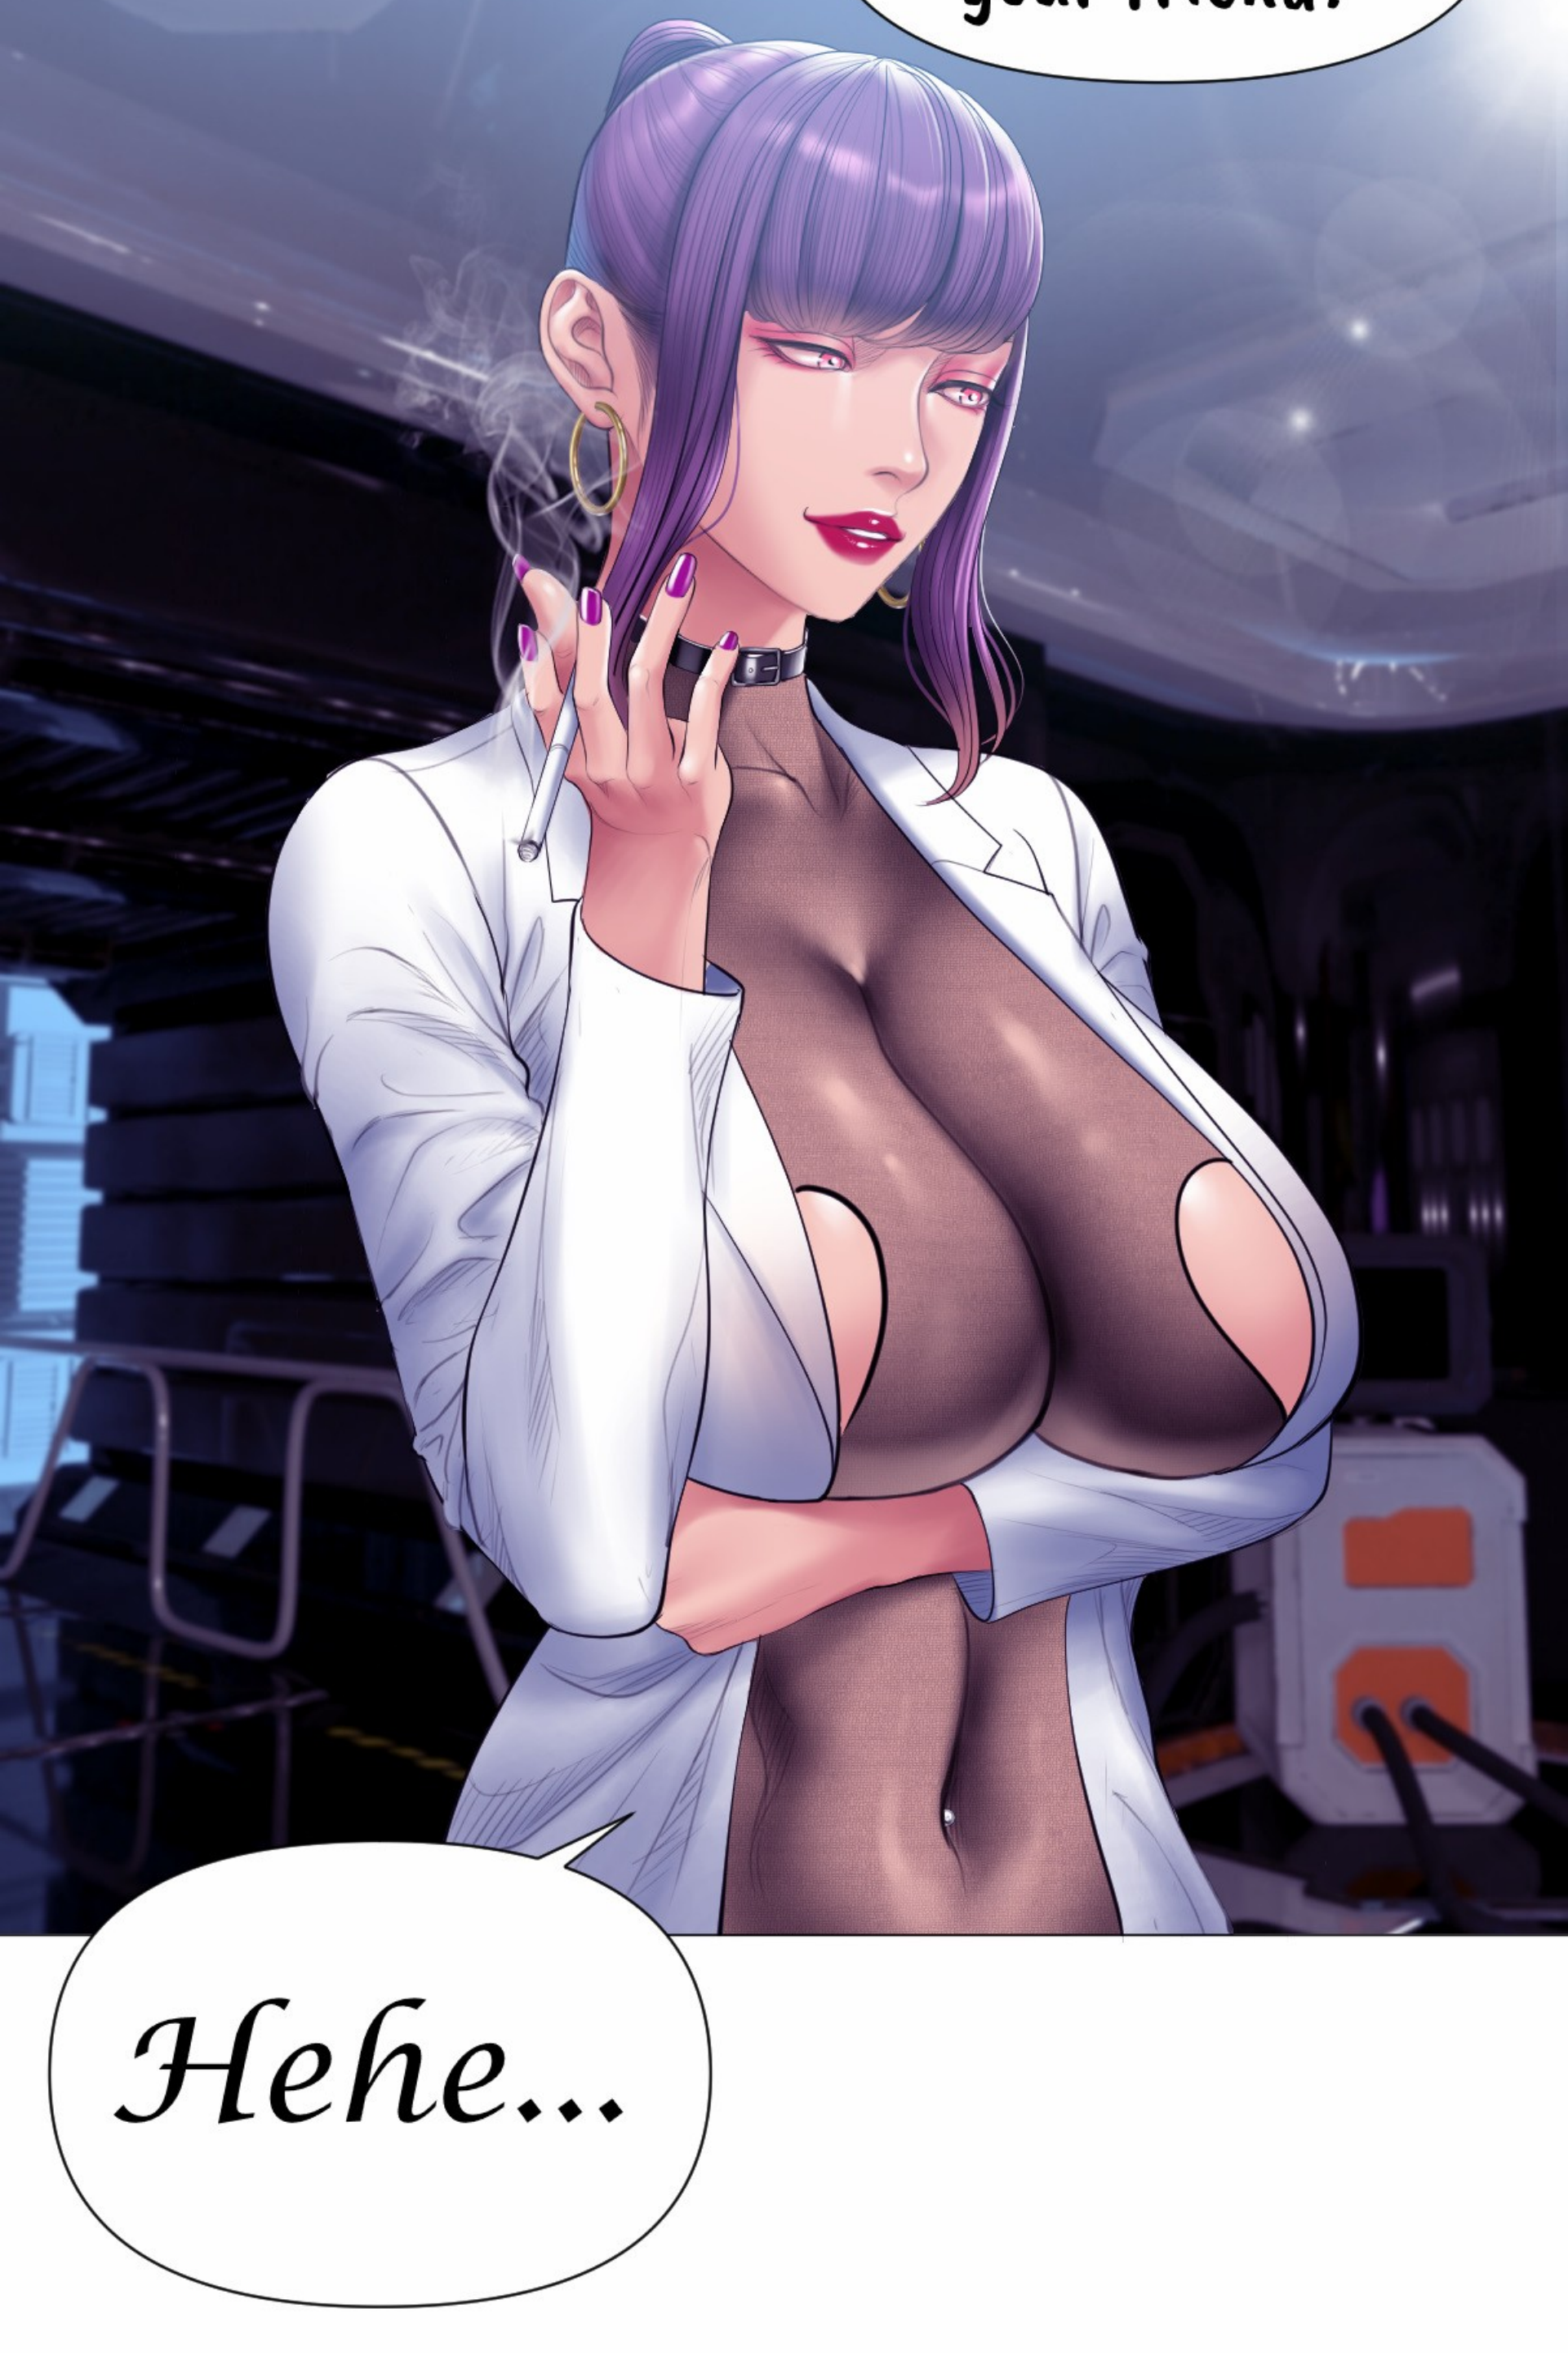

●●●●●●●●

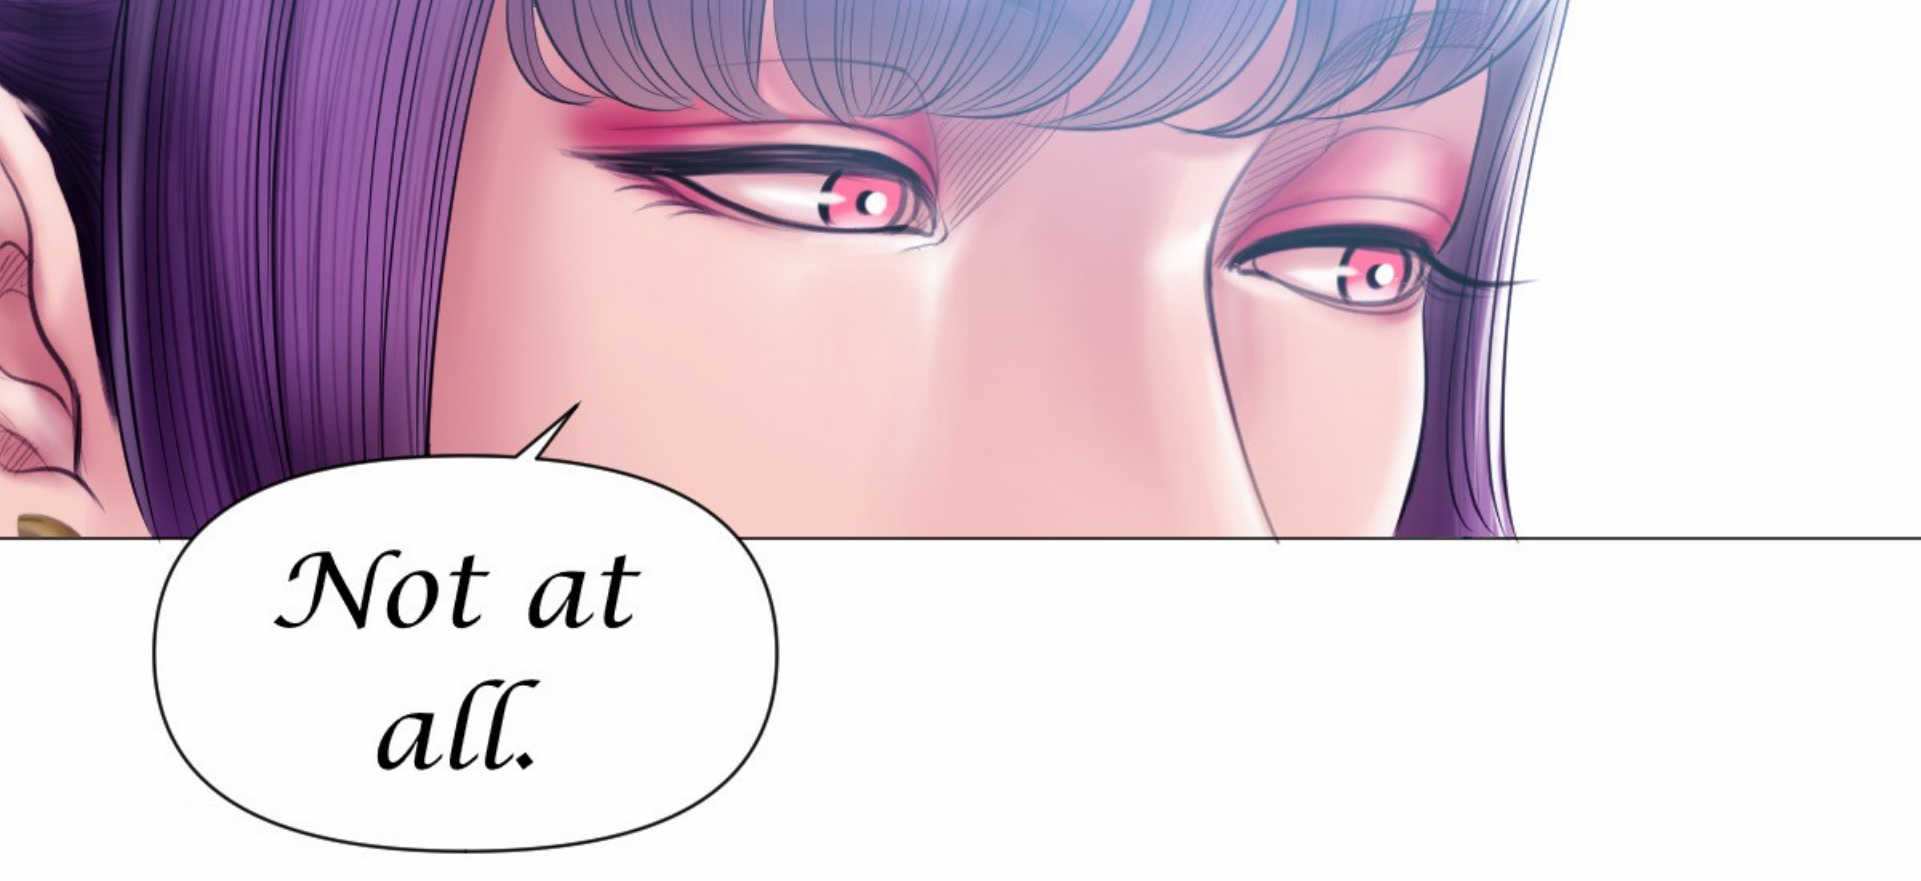

You're bein' quite proactive.

Don't you feel any guilt towards your friend?

Hehe...

Not at all.

This is the best gift I can give my best friend.

Once she realizes what true pleasure is,

all her past resistance will feel foolish.

I want to share this happiness

with Kate as soon as possible...

Huff...

Why...

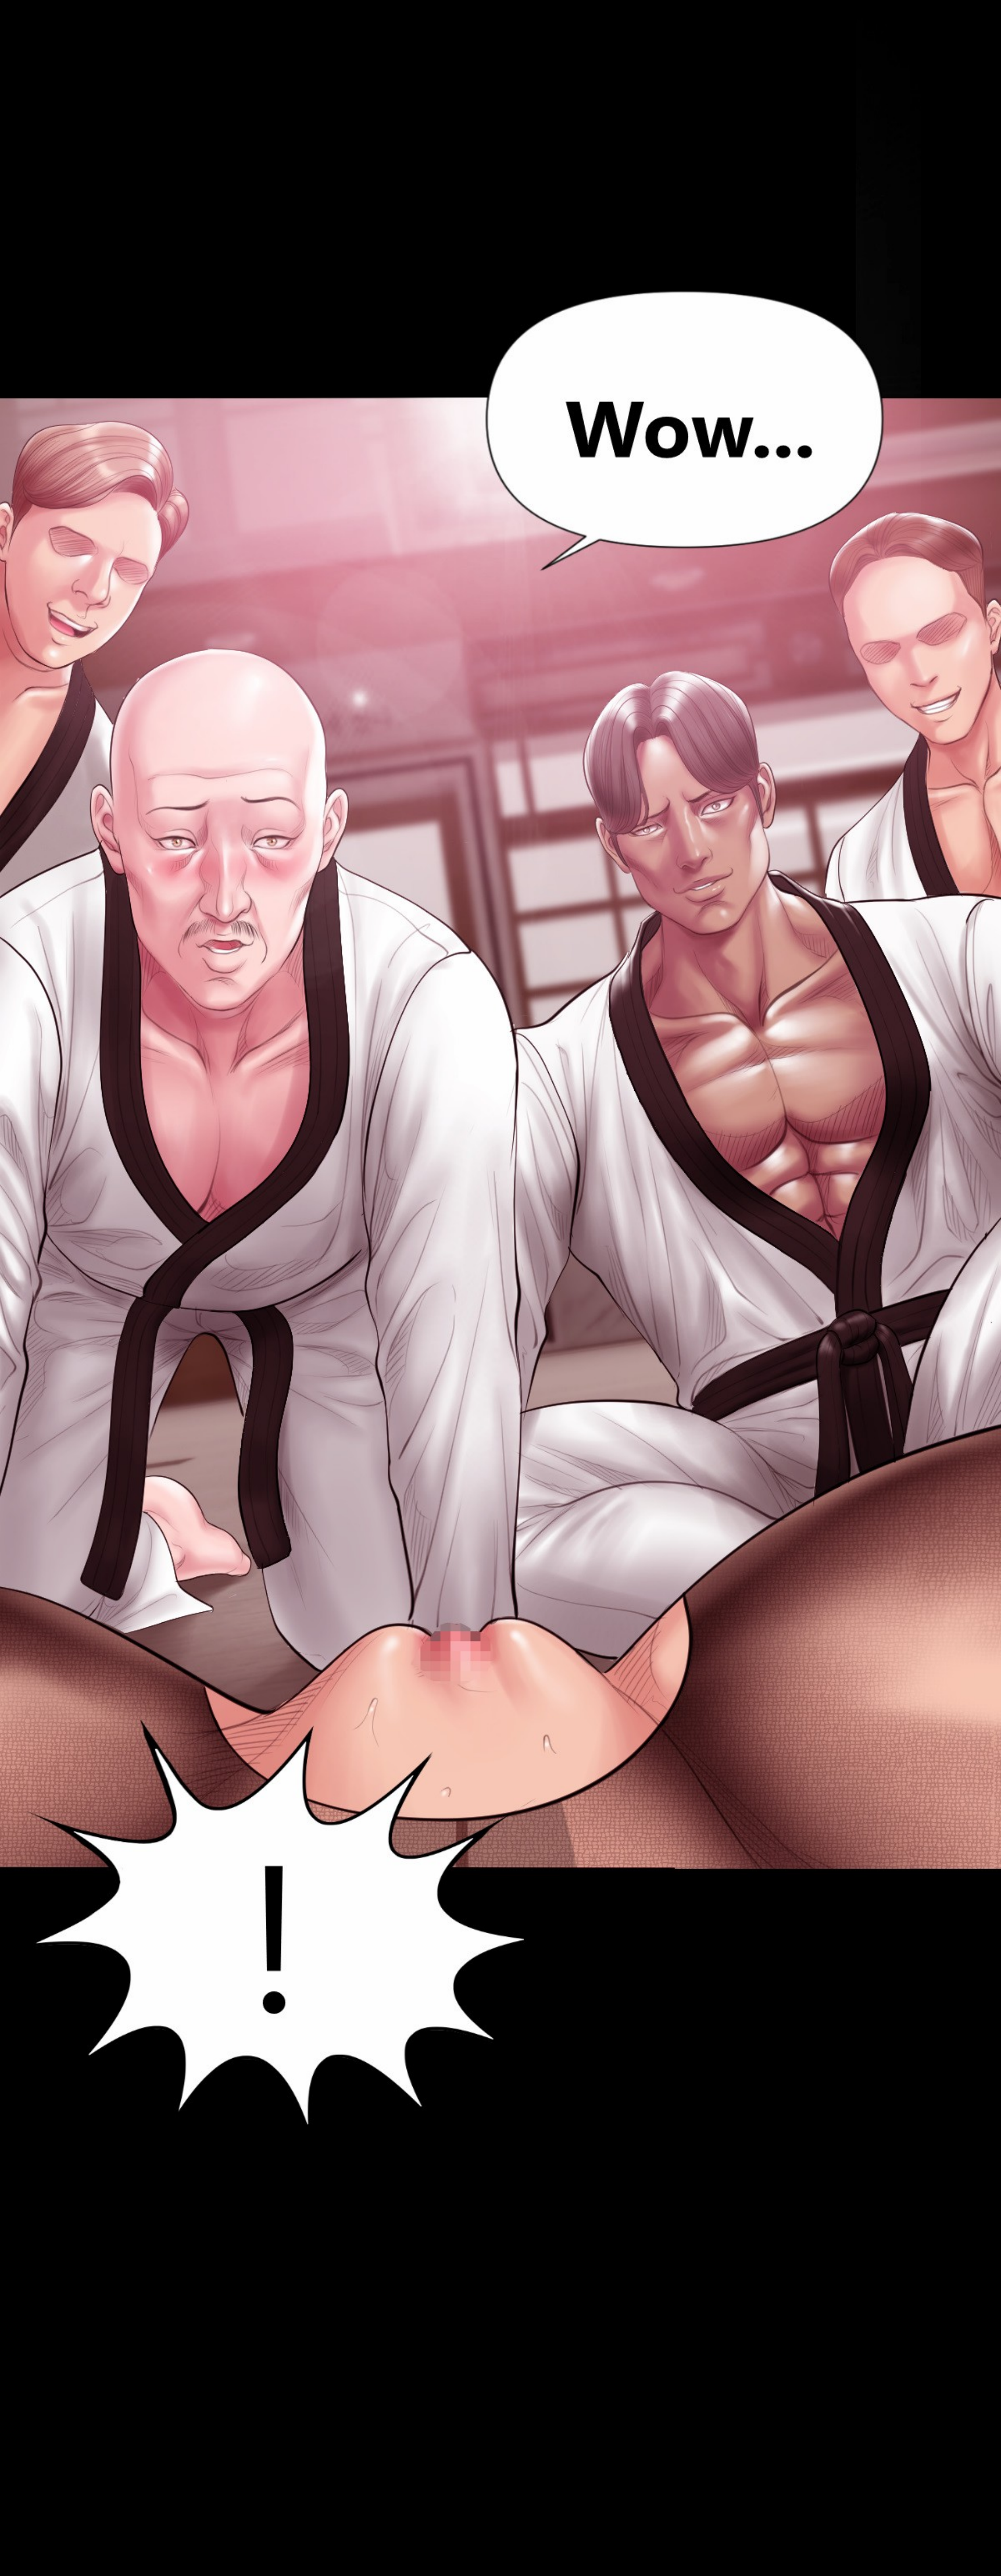

Why can't
I land a

With skills like that, it's no wonder you're always getting beaten by criminals.
