*I thought I told you not to touch Kate yet. Did you forget my orders?*

**Kuaargh!  
S-Stop!**

*How dare you covet the one the boss has chosen...*

*Lose that arrogance and learn your place. Got it?*

◆◆◆◆◆

What?

You want me to apologize... to Alex?!

He says he suffered immense damages due to your illegal investigation.

He's threatenin' to file a formal complaint against our station if you don't go see him in person.

No!

Even if the charges were dropped, how can I bow my head to a bastard like that!

I won't do it!

.....

*How irresponsible.*

*This all happened because of your rash judgment.*

!

*Are you sayin' your personal grudge is more important than the well-being of your colleagues?*

Th-That's...

*Just close your eyes and get it over with.*

**FWOOO**

*You can use this chance to get solid evidence and lock him up again.*

*Right?*

.....Ahh...

Y...es...

That reminds me,

*it would be rude to meet with him lookin' like that.*

!

From now on,

*you need to learn how to doll yourself up like a proper bitch.*

.....Doll myself....

like a bitch....

*There...*

*Hehe...*

*It suits you very well.*

*Lookin' like this,*

*no man could resist you.*

*Is this really...*

*...me?*

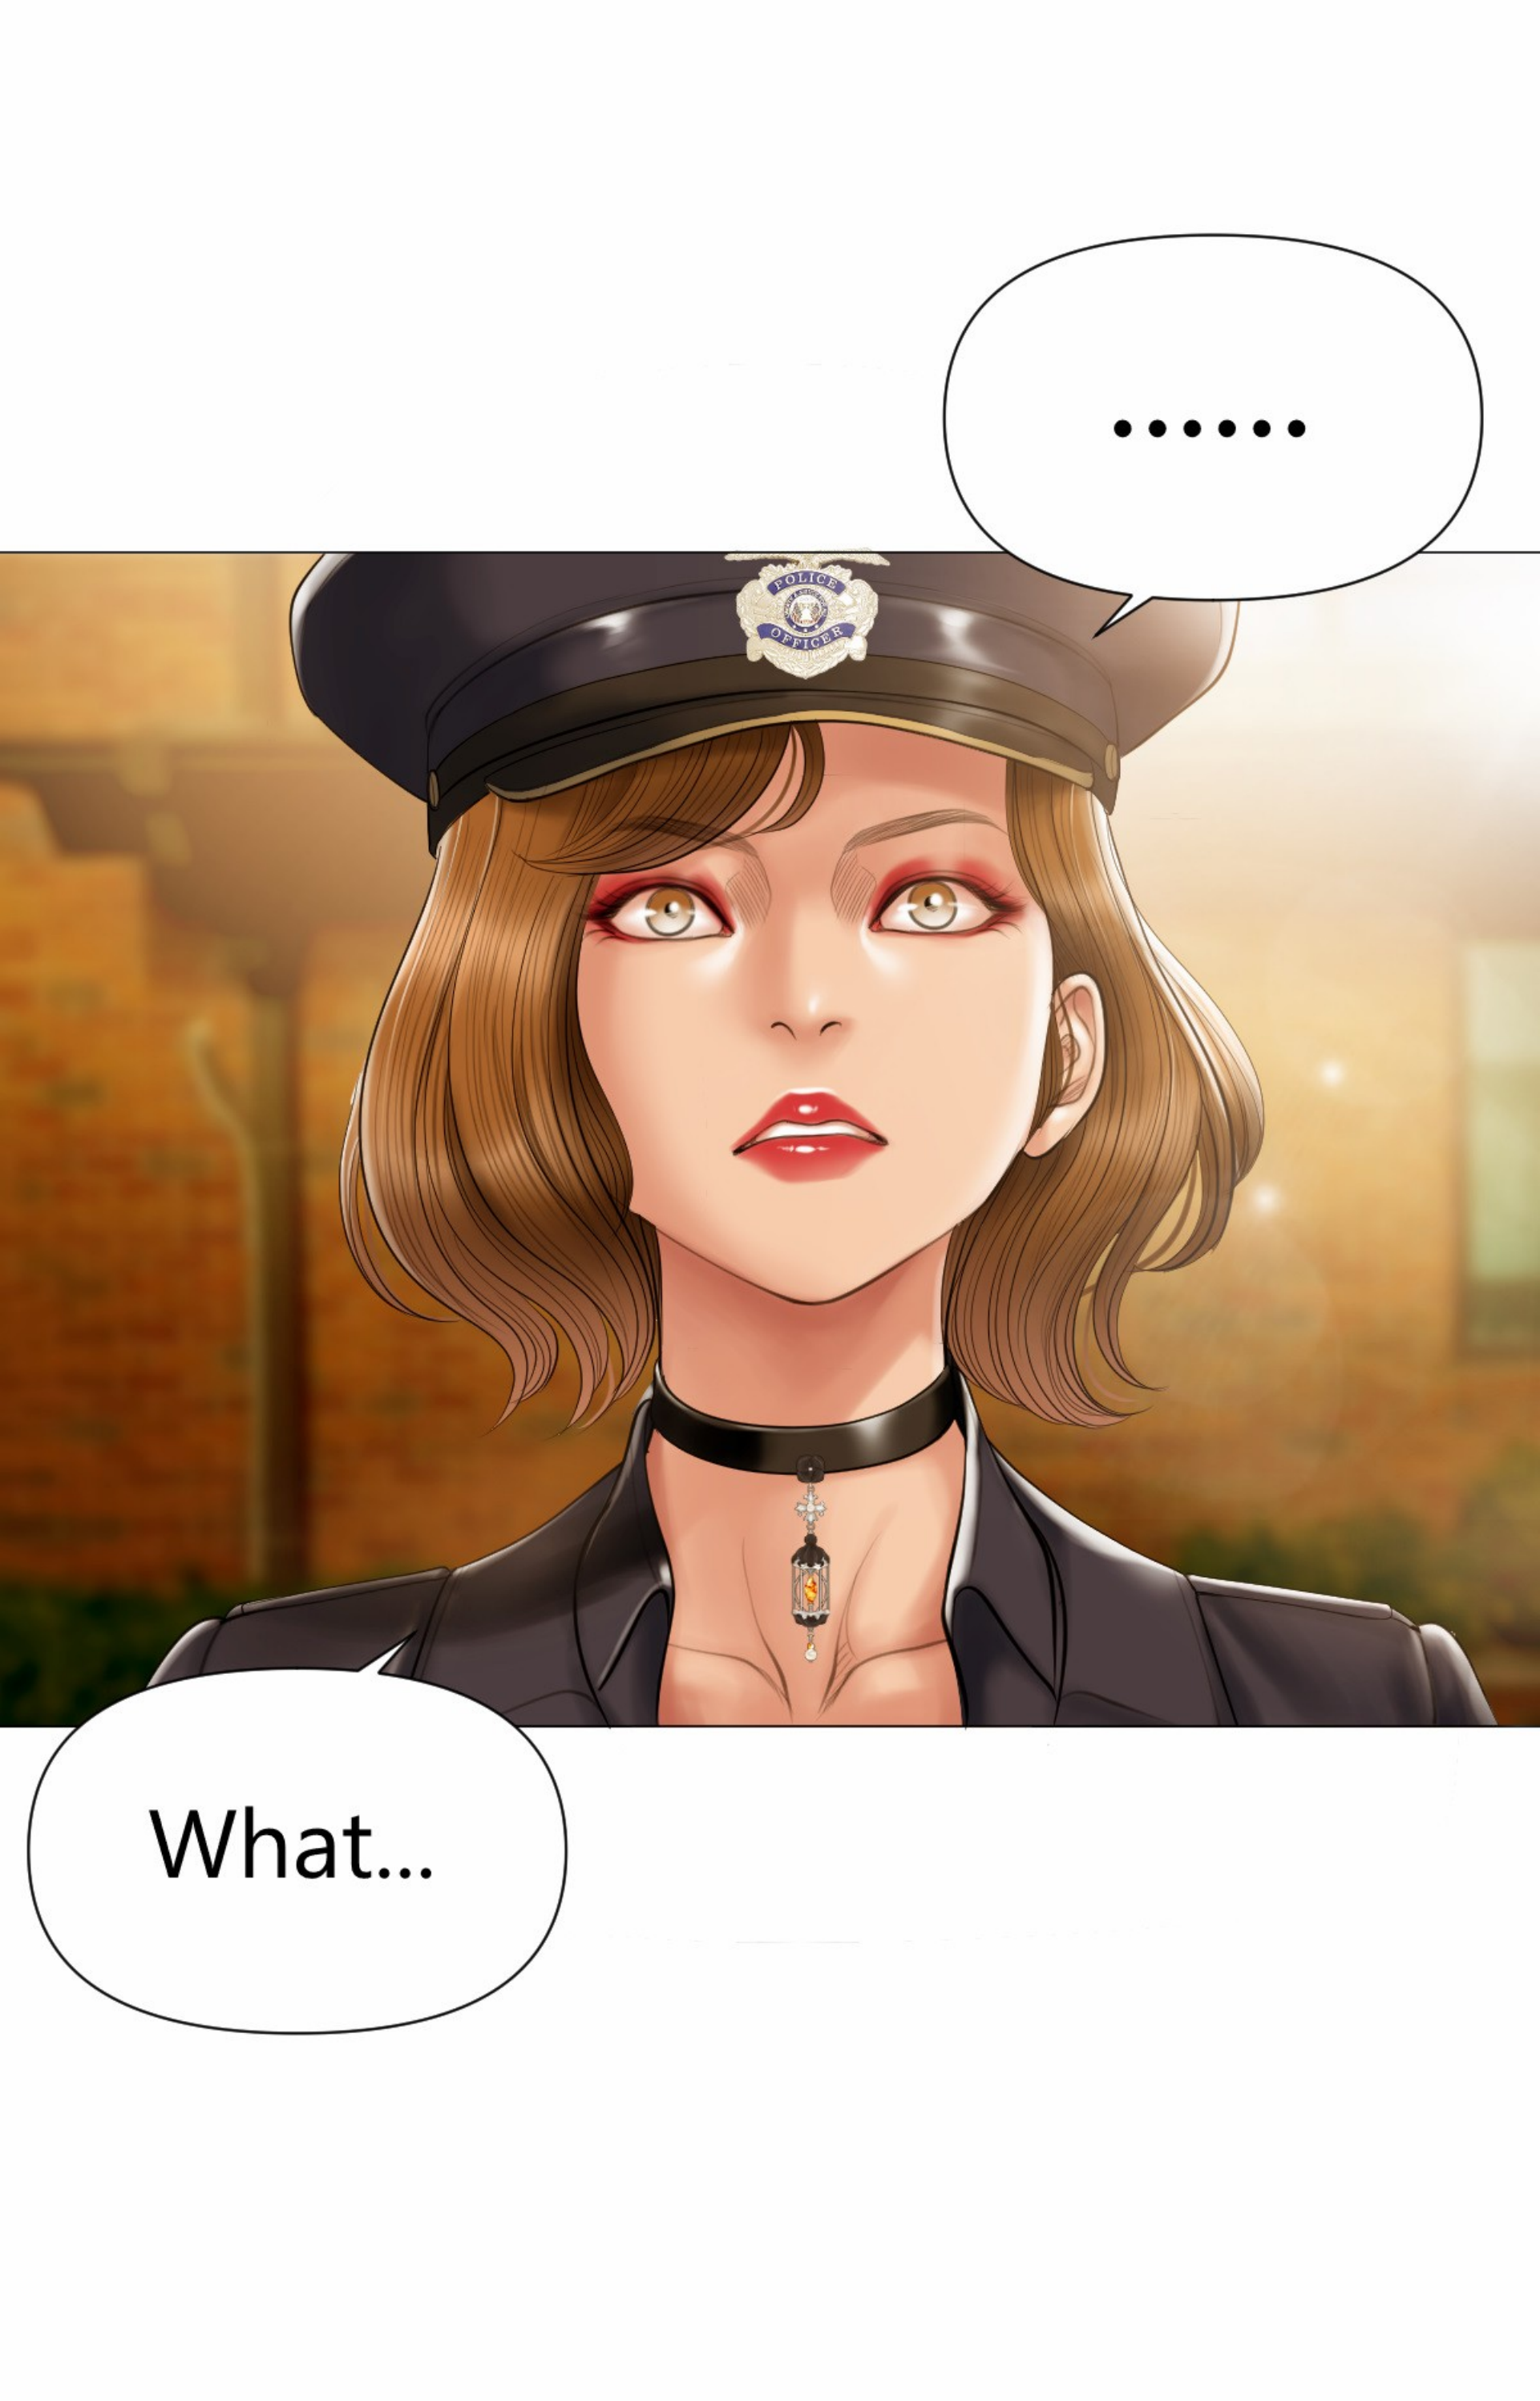

*No way...*

*I look so vulgar...*

*and lewd...*

.....

What...

When on earth did he move to a place like this?

*Please come in.*

*Master is waiting for you inside.*

Mia changed her statement, saying you two were just lovers...

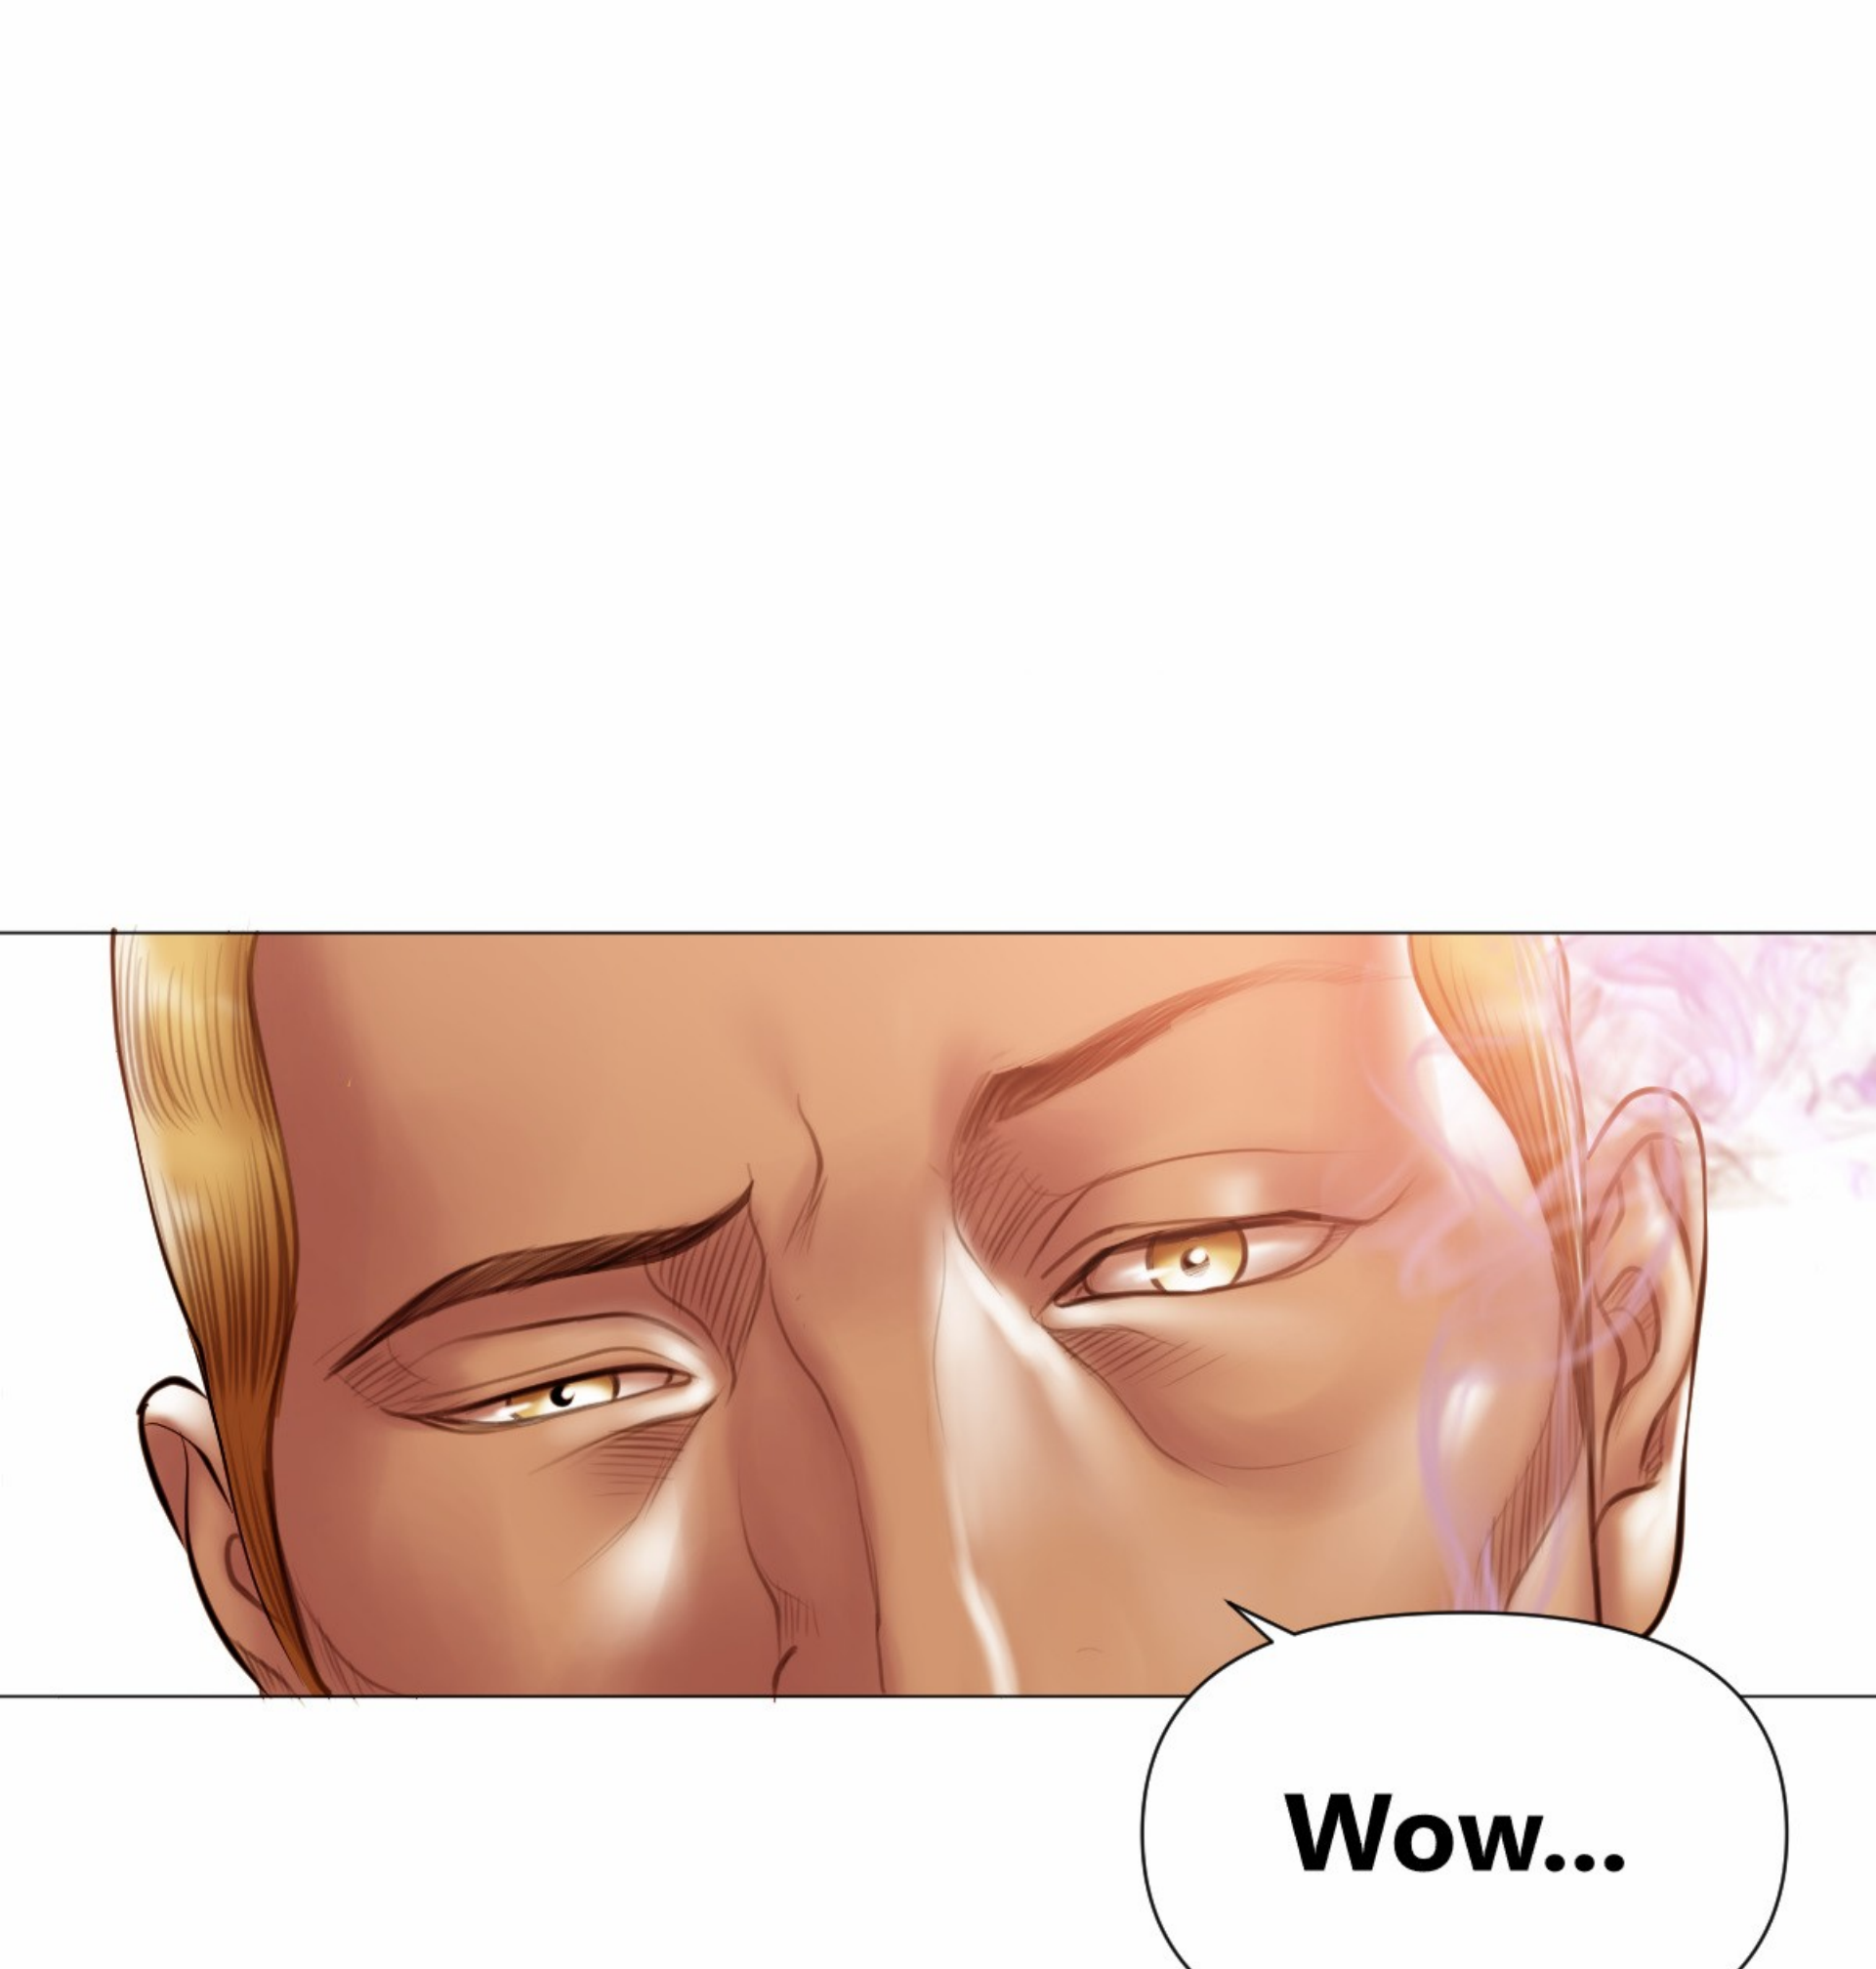

and that you weren't involved in any crime...

Anyway, regarding the... da-damage caused by this inappropriate investigation...

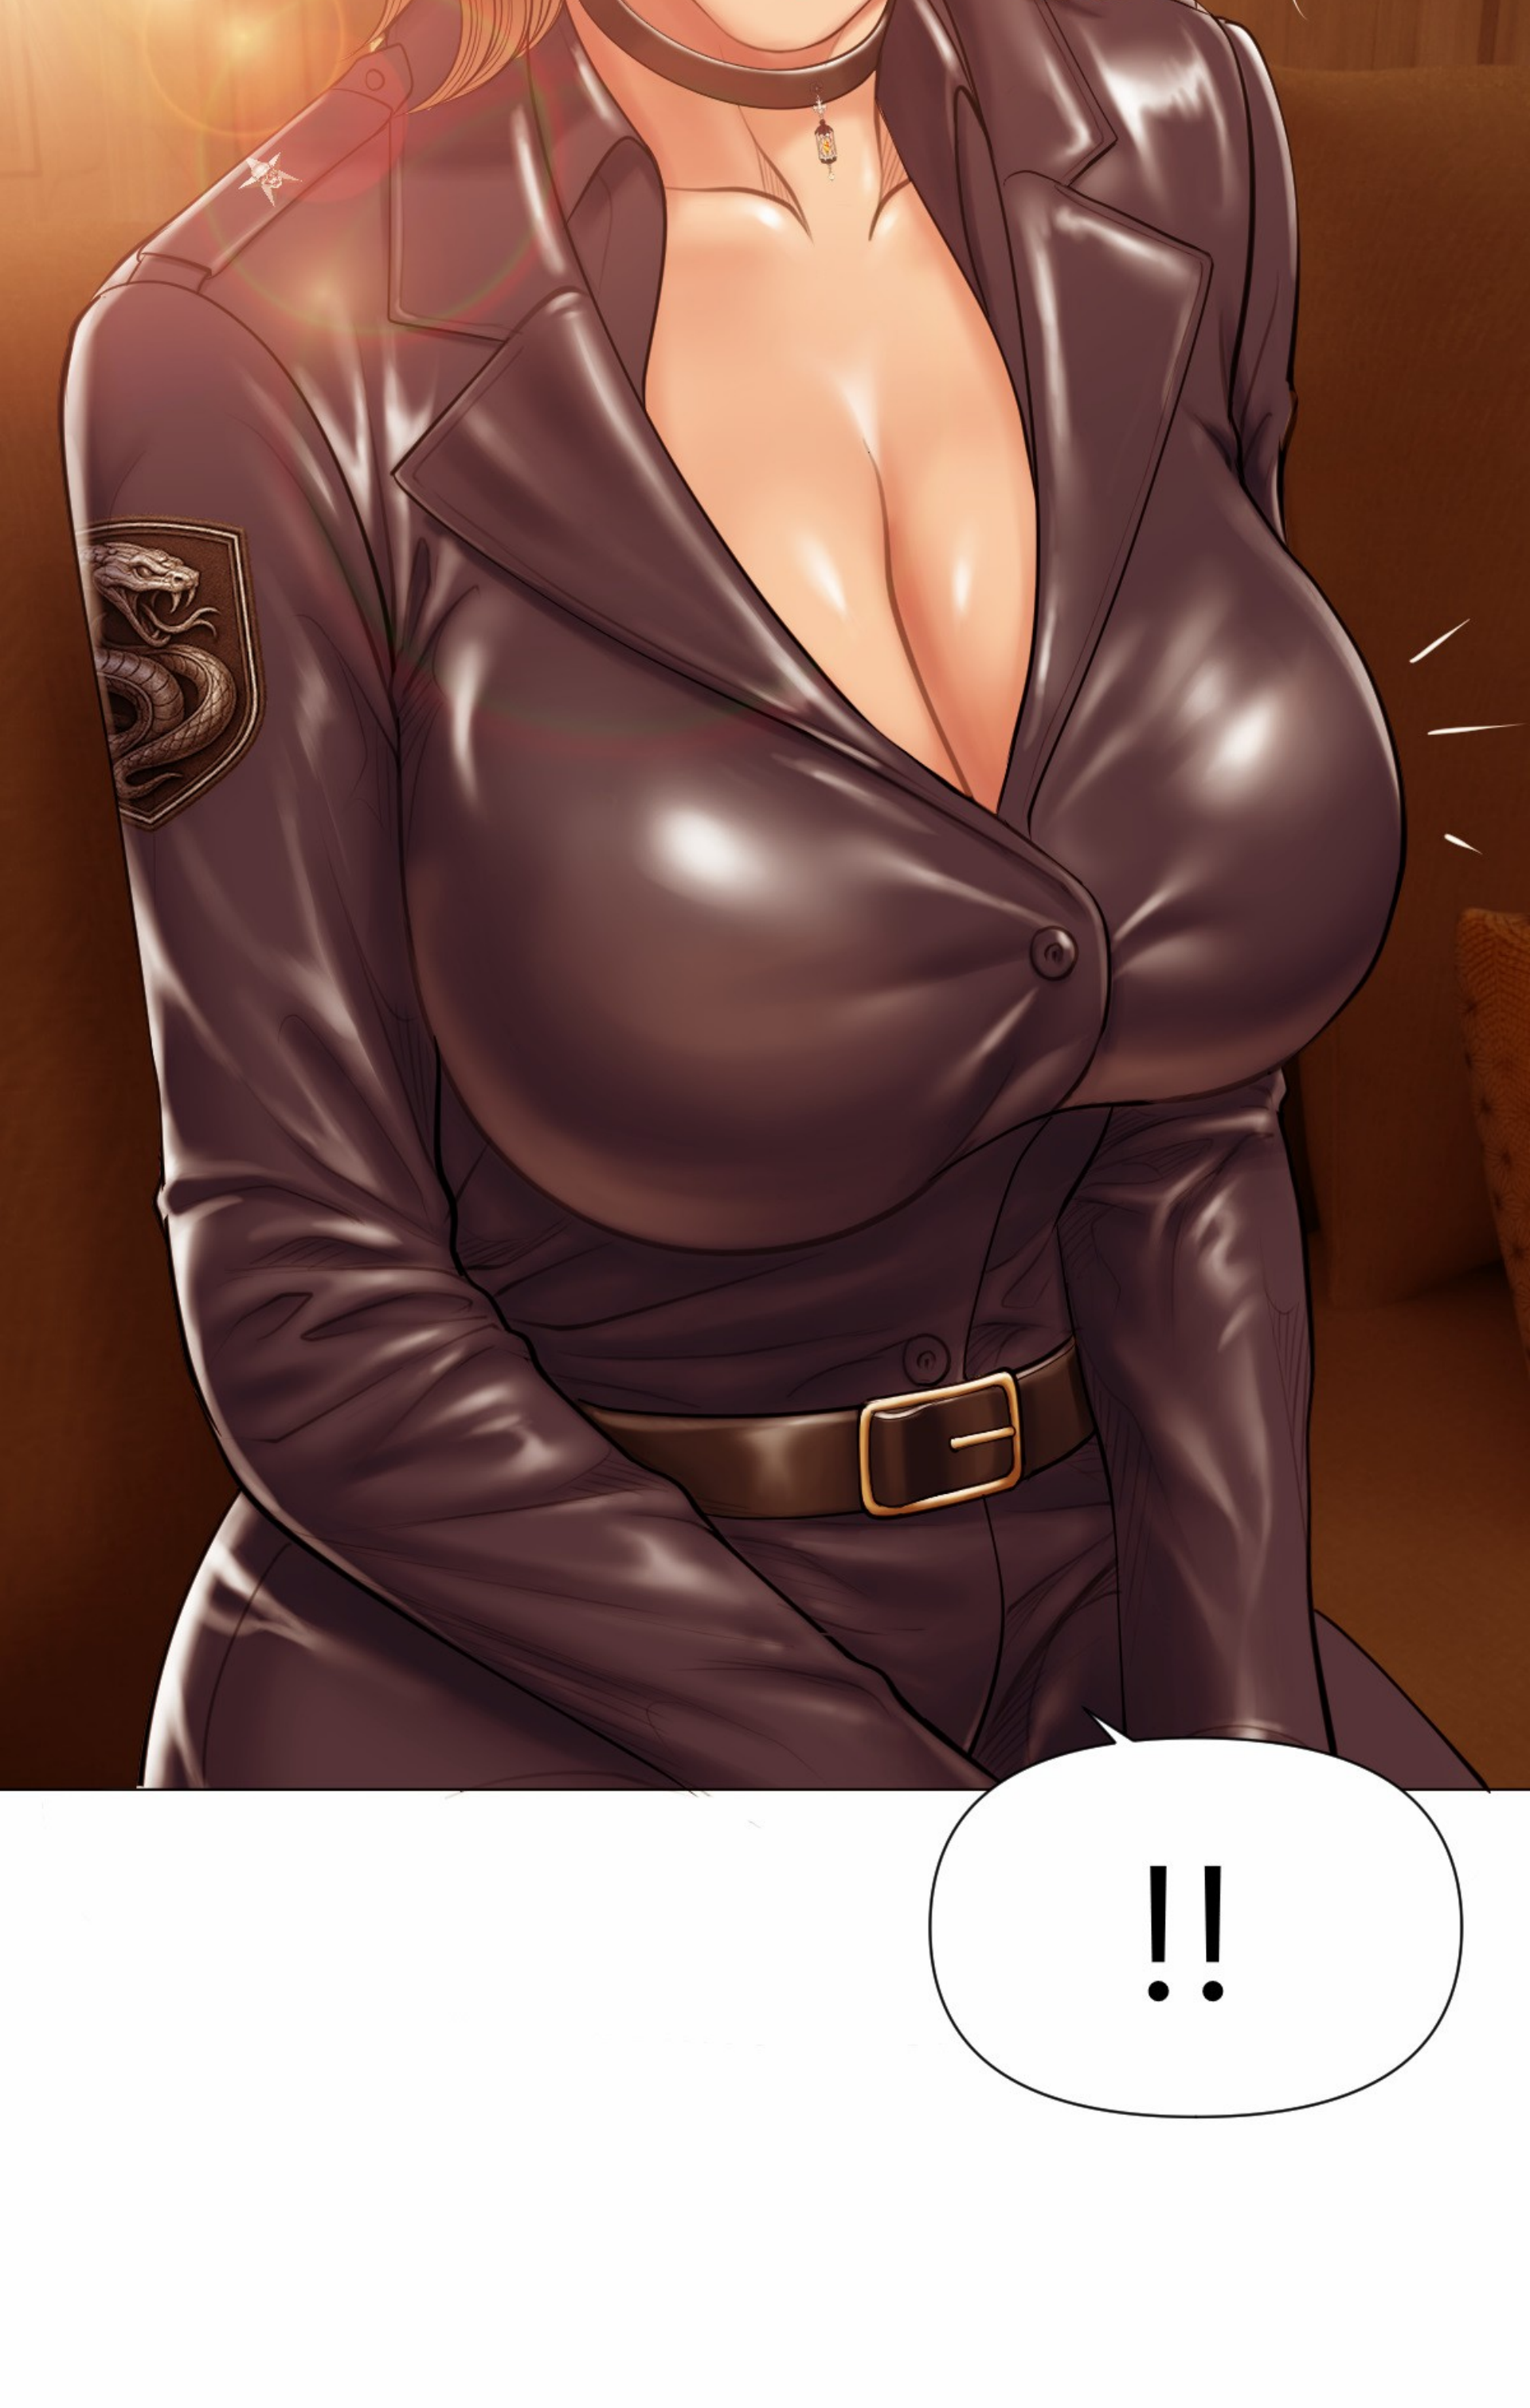

I... I regret.....

**Wow...**

**Those are pretty perky, huh?**

**!!**

Hey!

Where are you looking?!

Not sincere enough.

You should act more polite. You're too stiff, aren't you?

Cut the crap you don't mean...

SMACK

Come on!

Take off that cumbersome coat and serve me a drink.

With your pretty 'mouth pussy'.

Ugh...

St-Stop it!

Hmm...

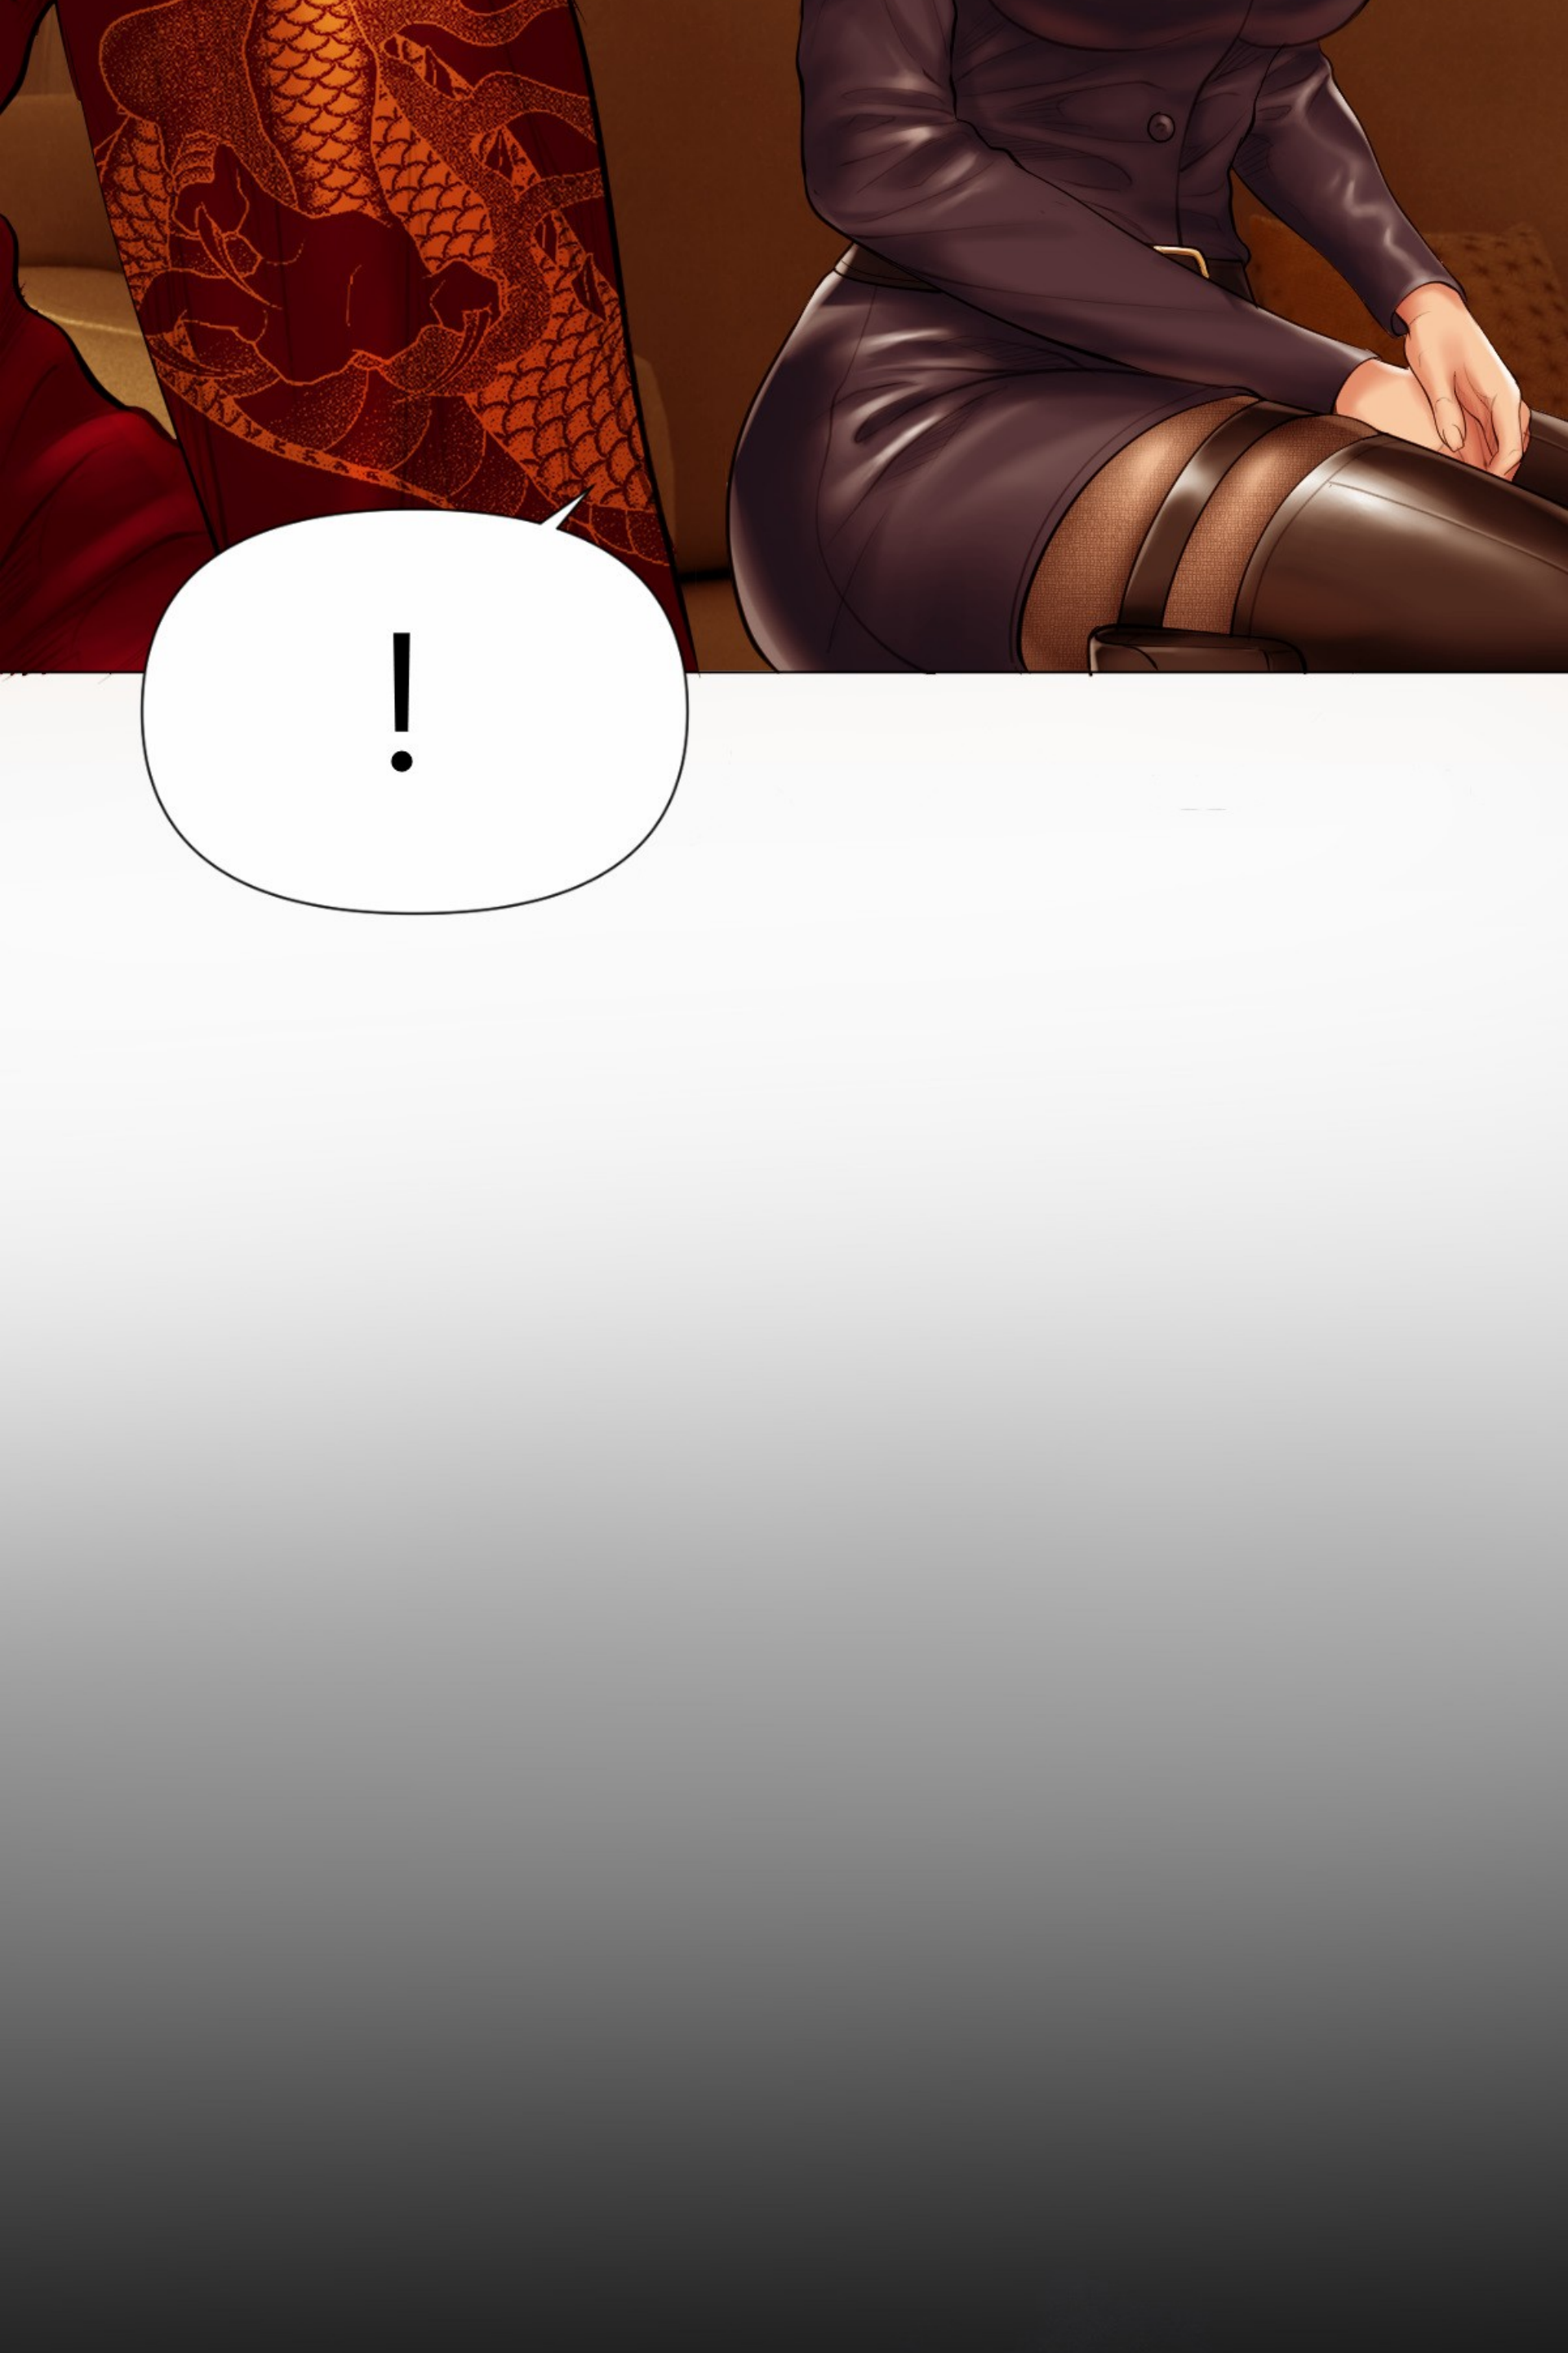

You don't seem very desperate, do you?

Okay, I guess you don't care what happens to your friends...

!

*There's no need to be ashamed.*

*Achievin' your goal by any means necessary...*

*that's the duty of an investigator.*

...W-Wait!

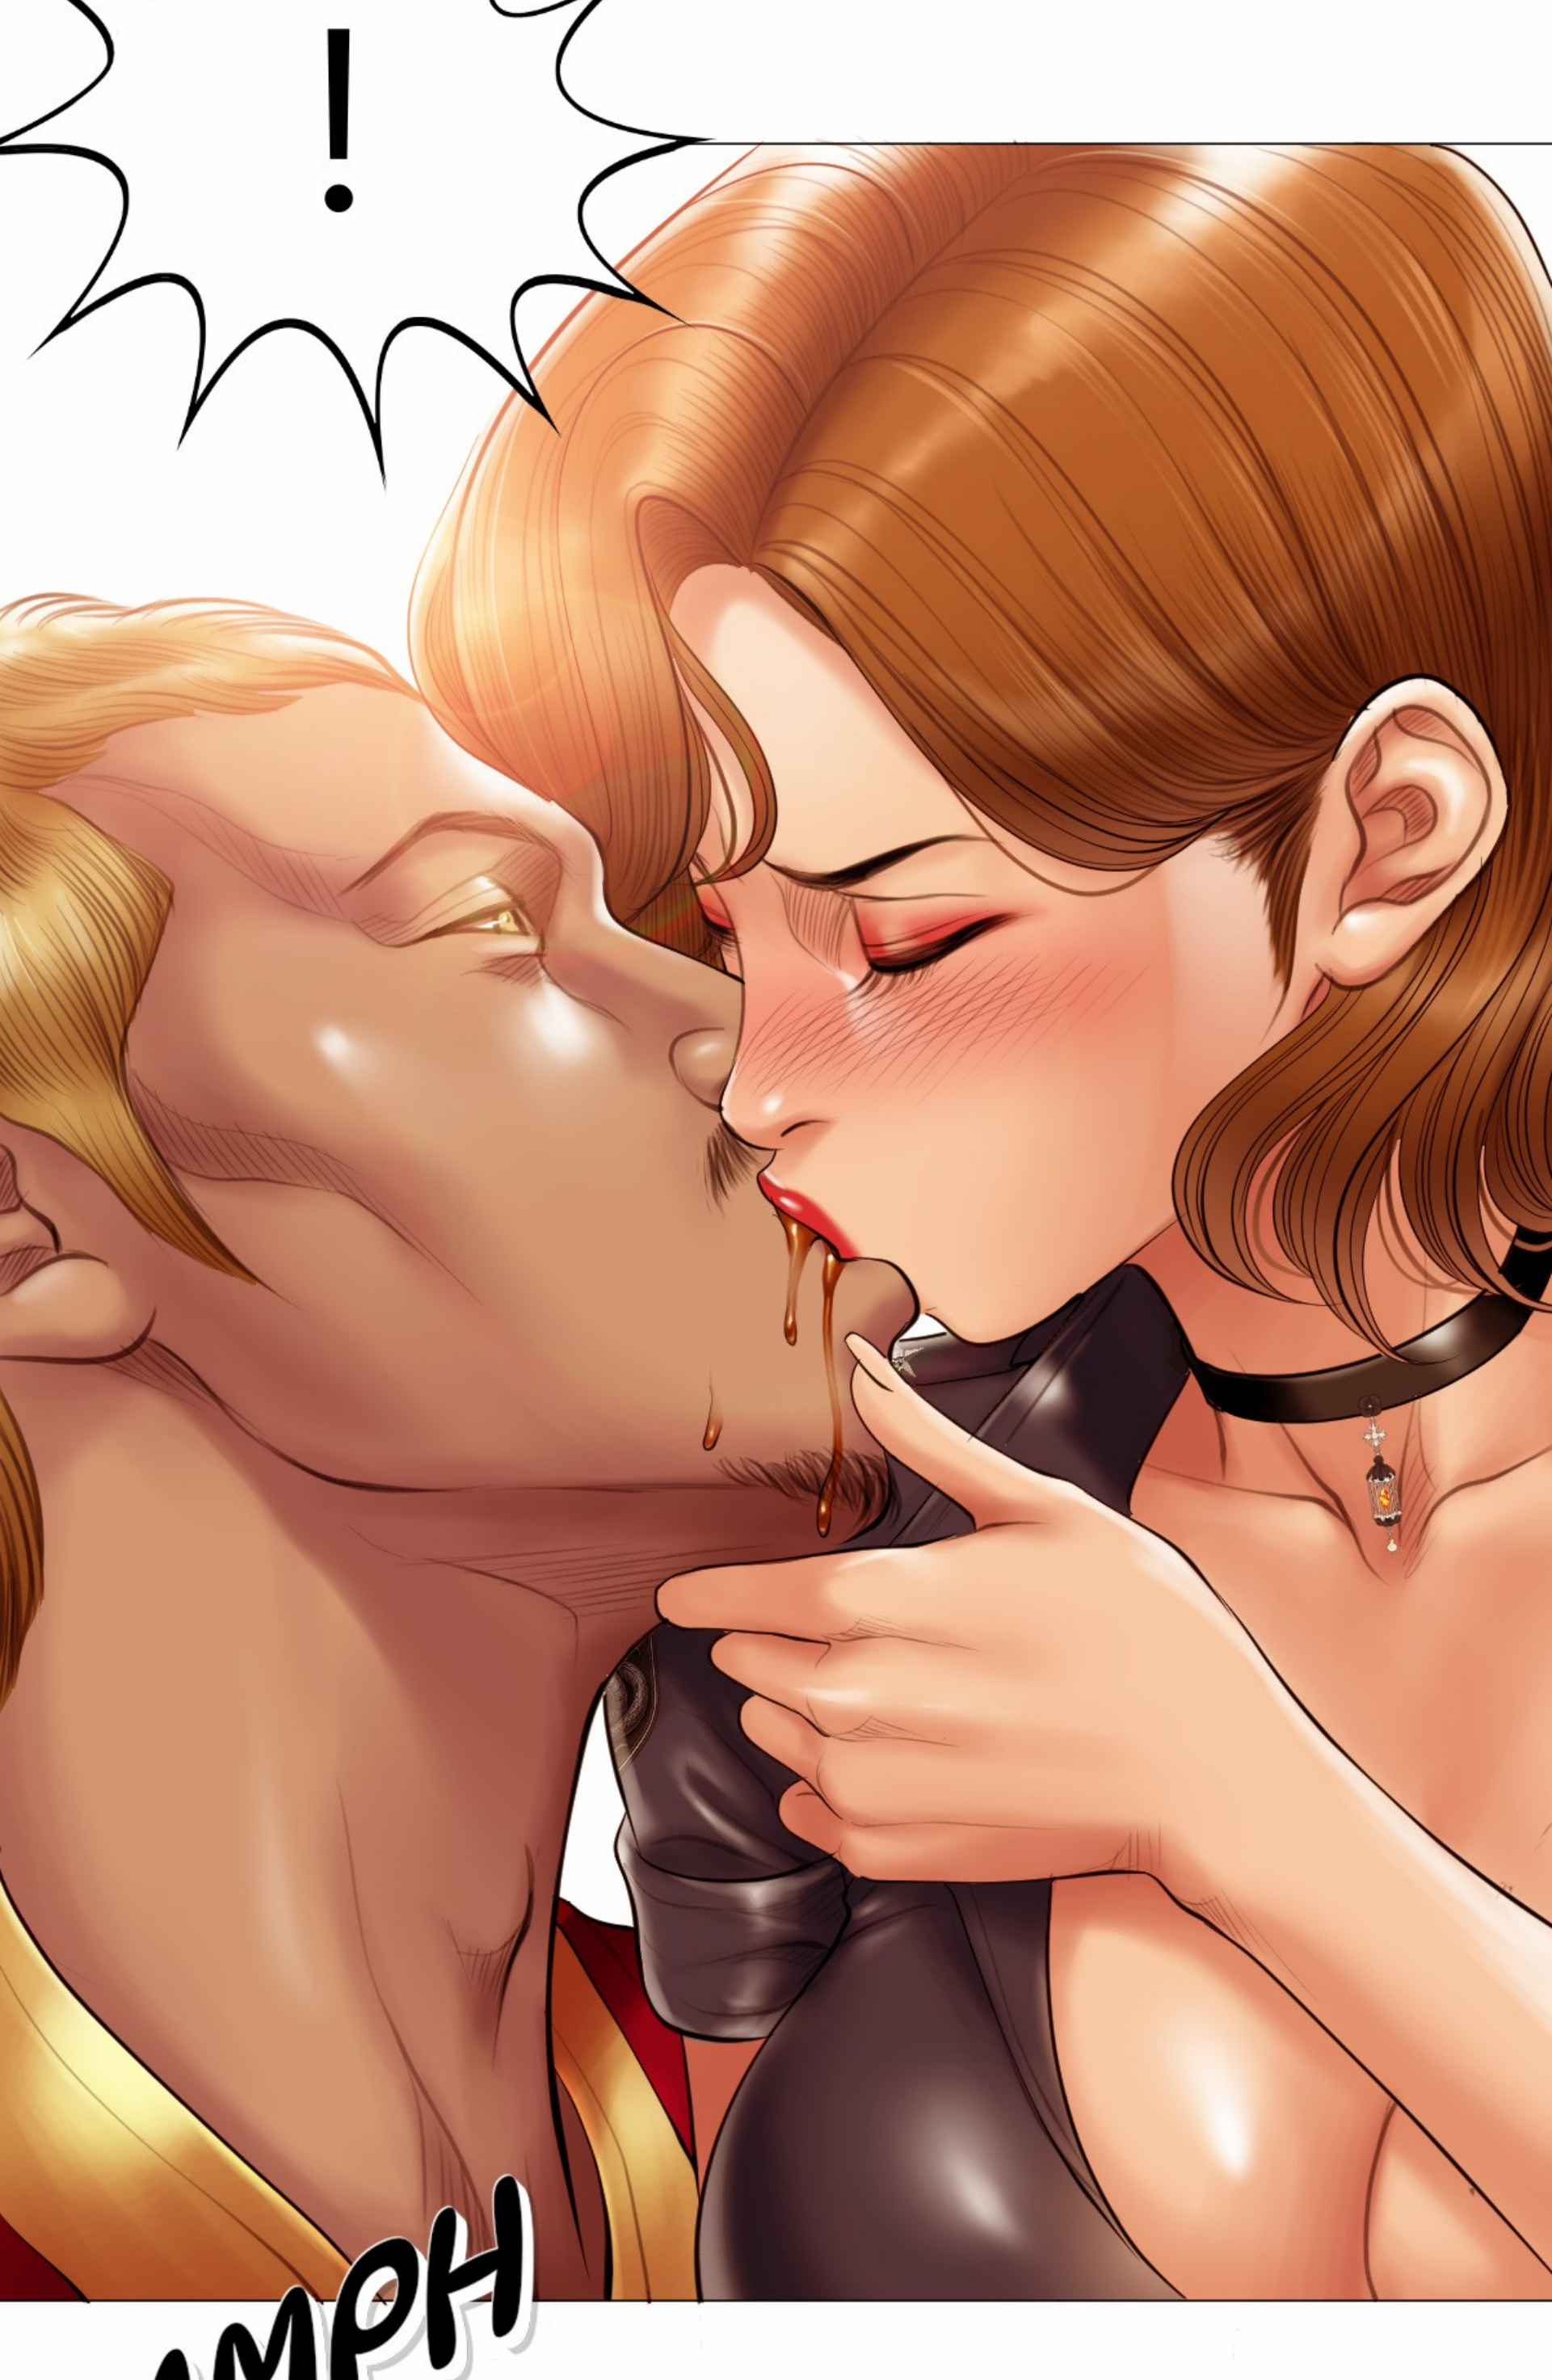

Hehehe...  
That's right, this is  
how it should be.

**GULP**

!

**MMPH**

Damn it...

**SLURP**

Even if  
it's for my  
colleagues...

**MMPH**

Doing  
this kind of  
thing...

It makes  
me feel like a  
prostitute...
