

Smoking Hypnosis 2

Dr. stein

*No
way...*

*did you
check my...*

**Heh-Heh...
To think your
brother is a stalker...
Hard to believe,
isn't it?**

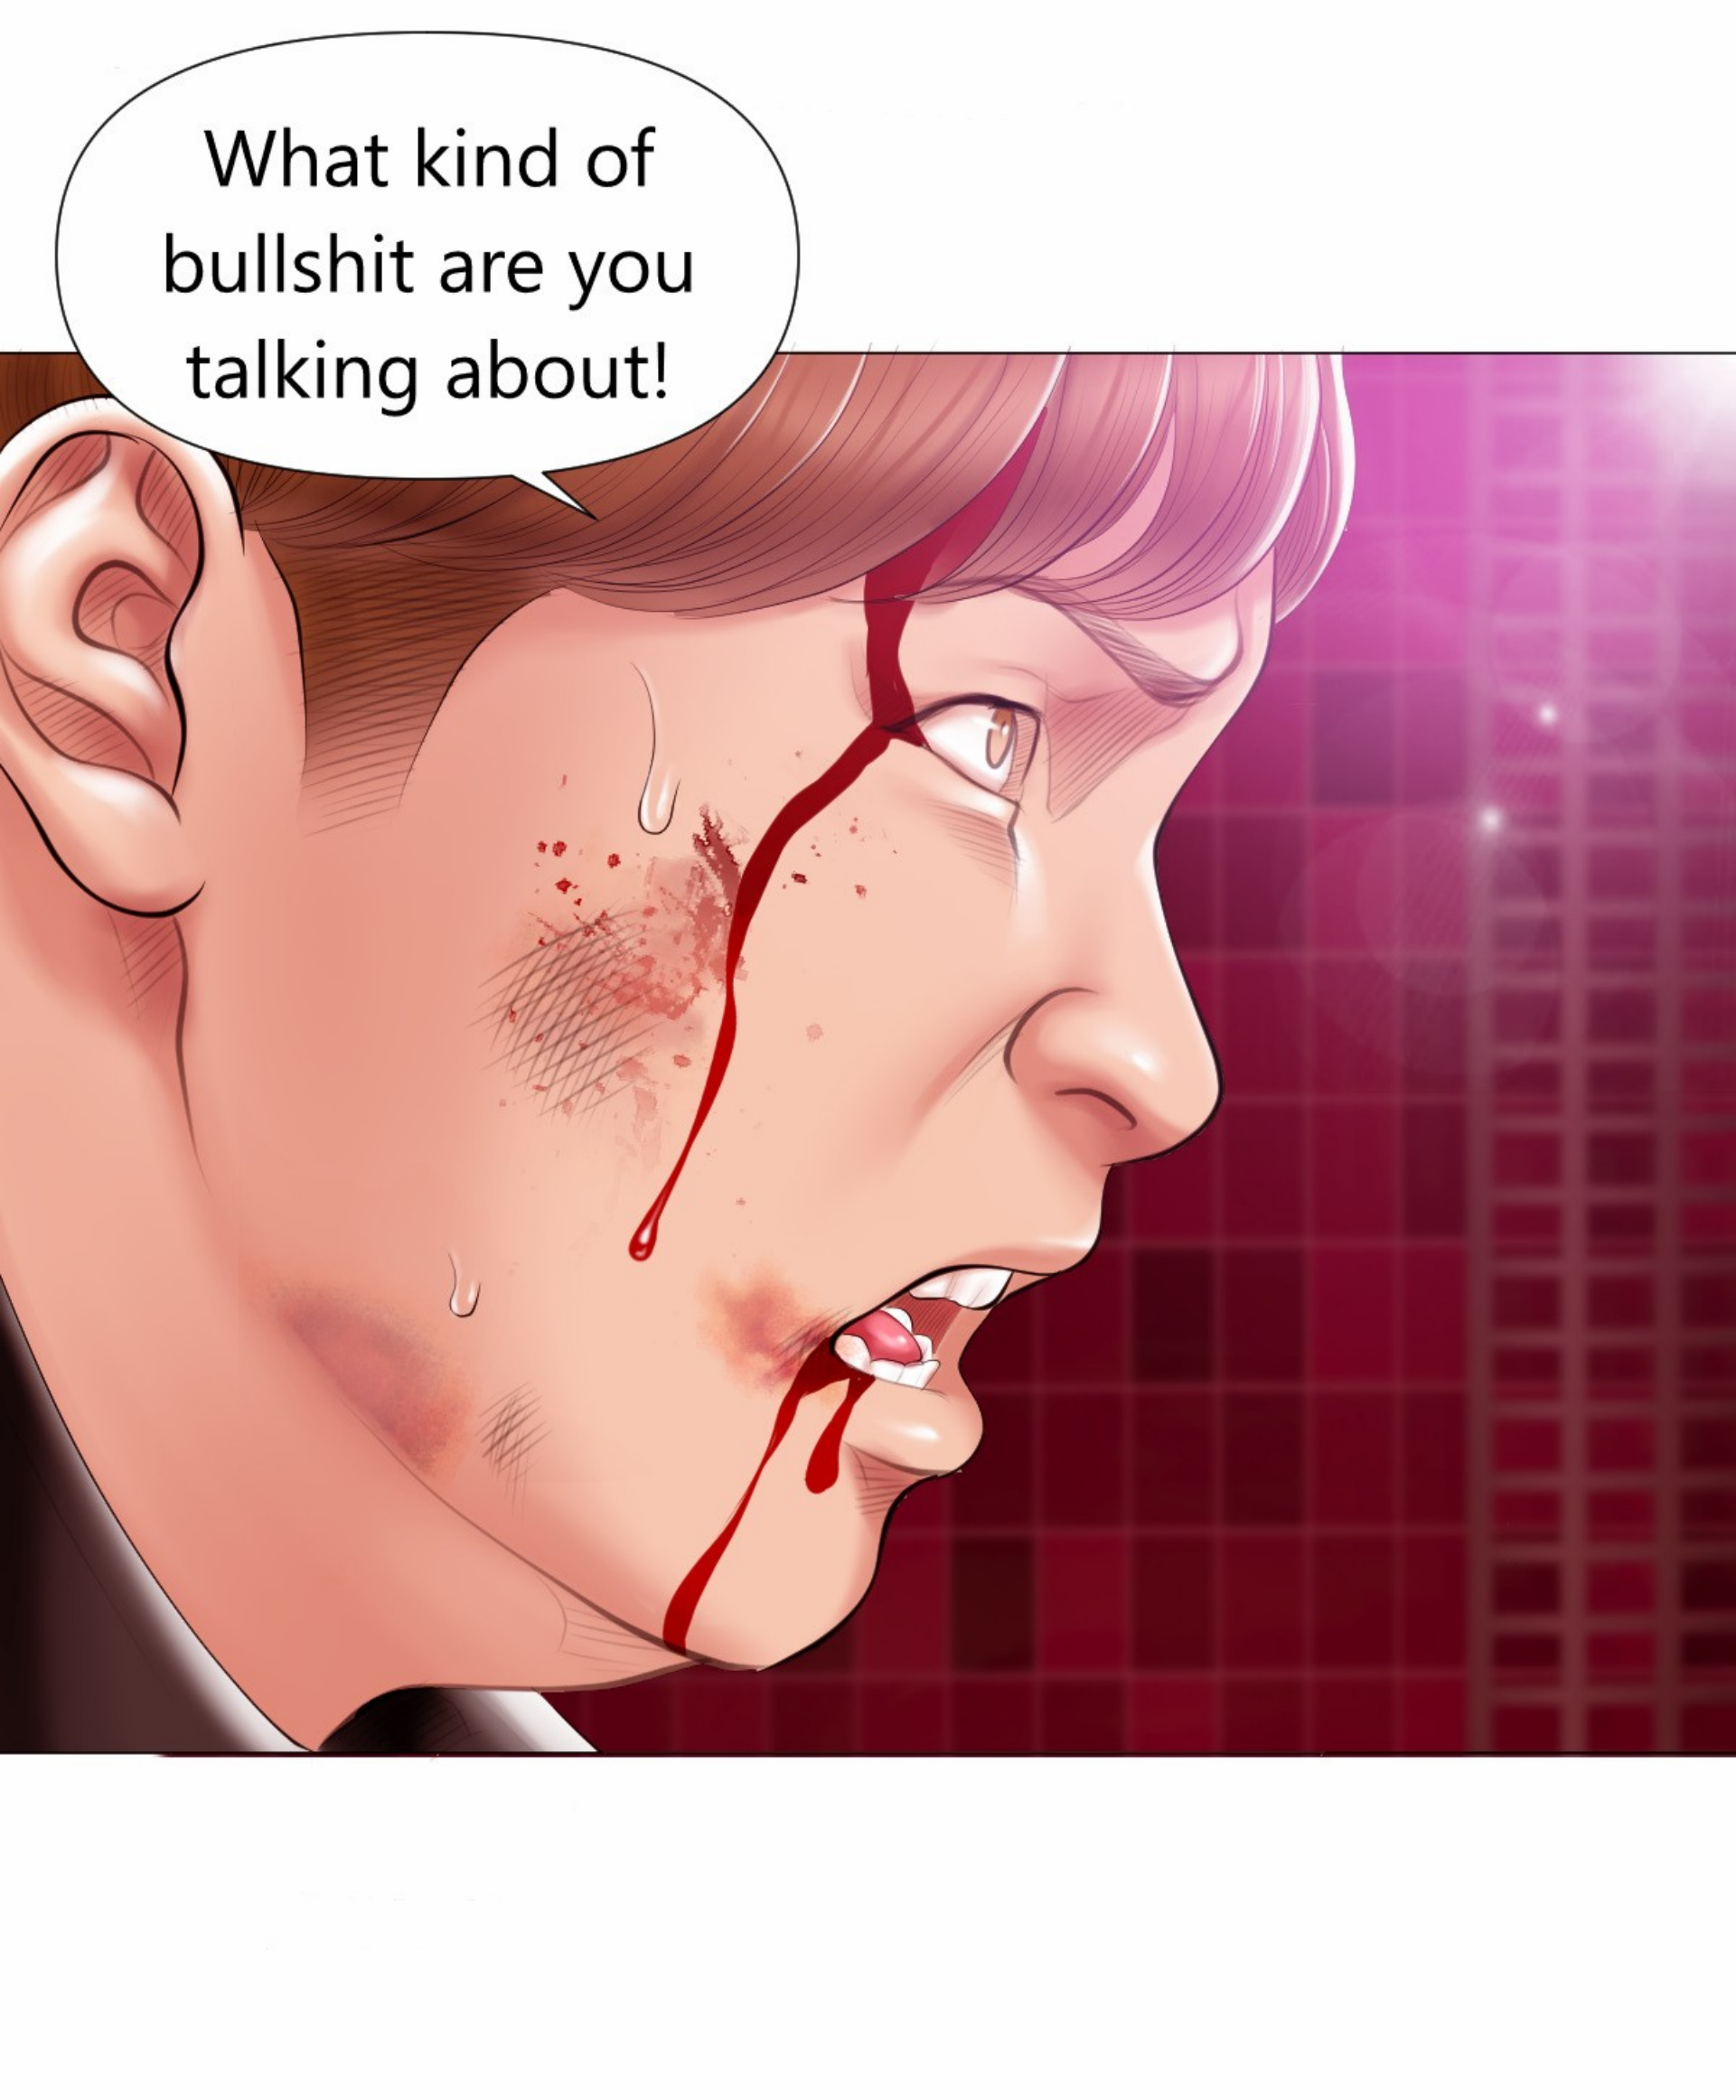

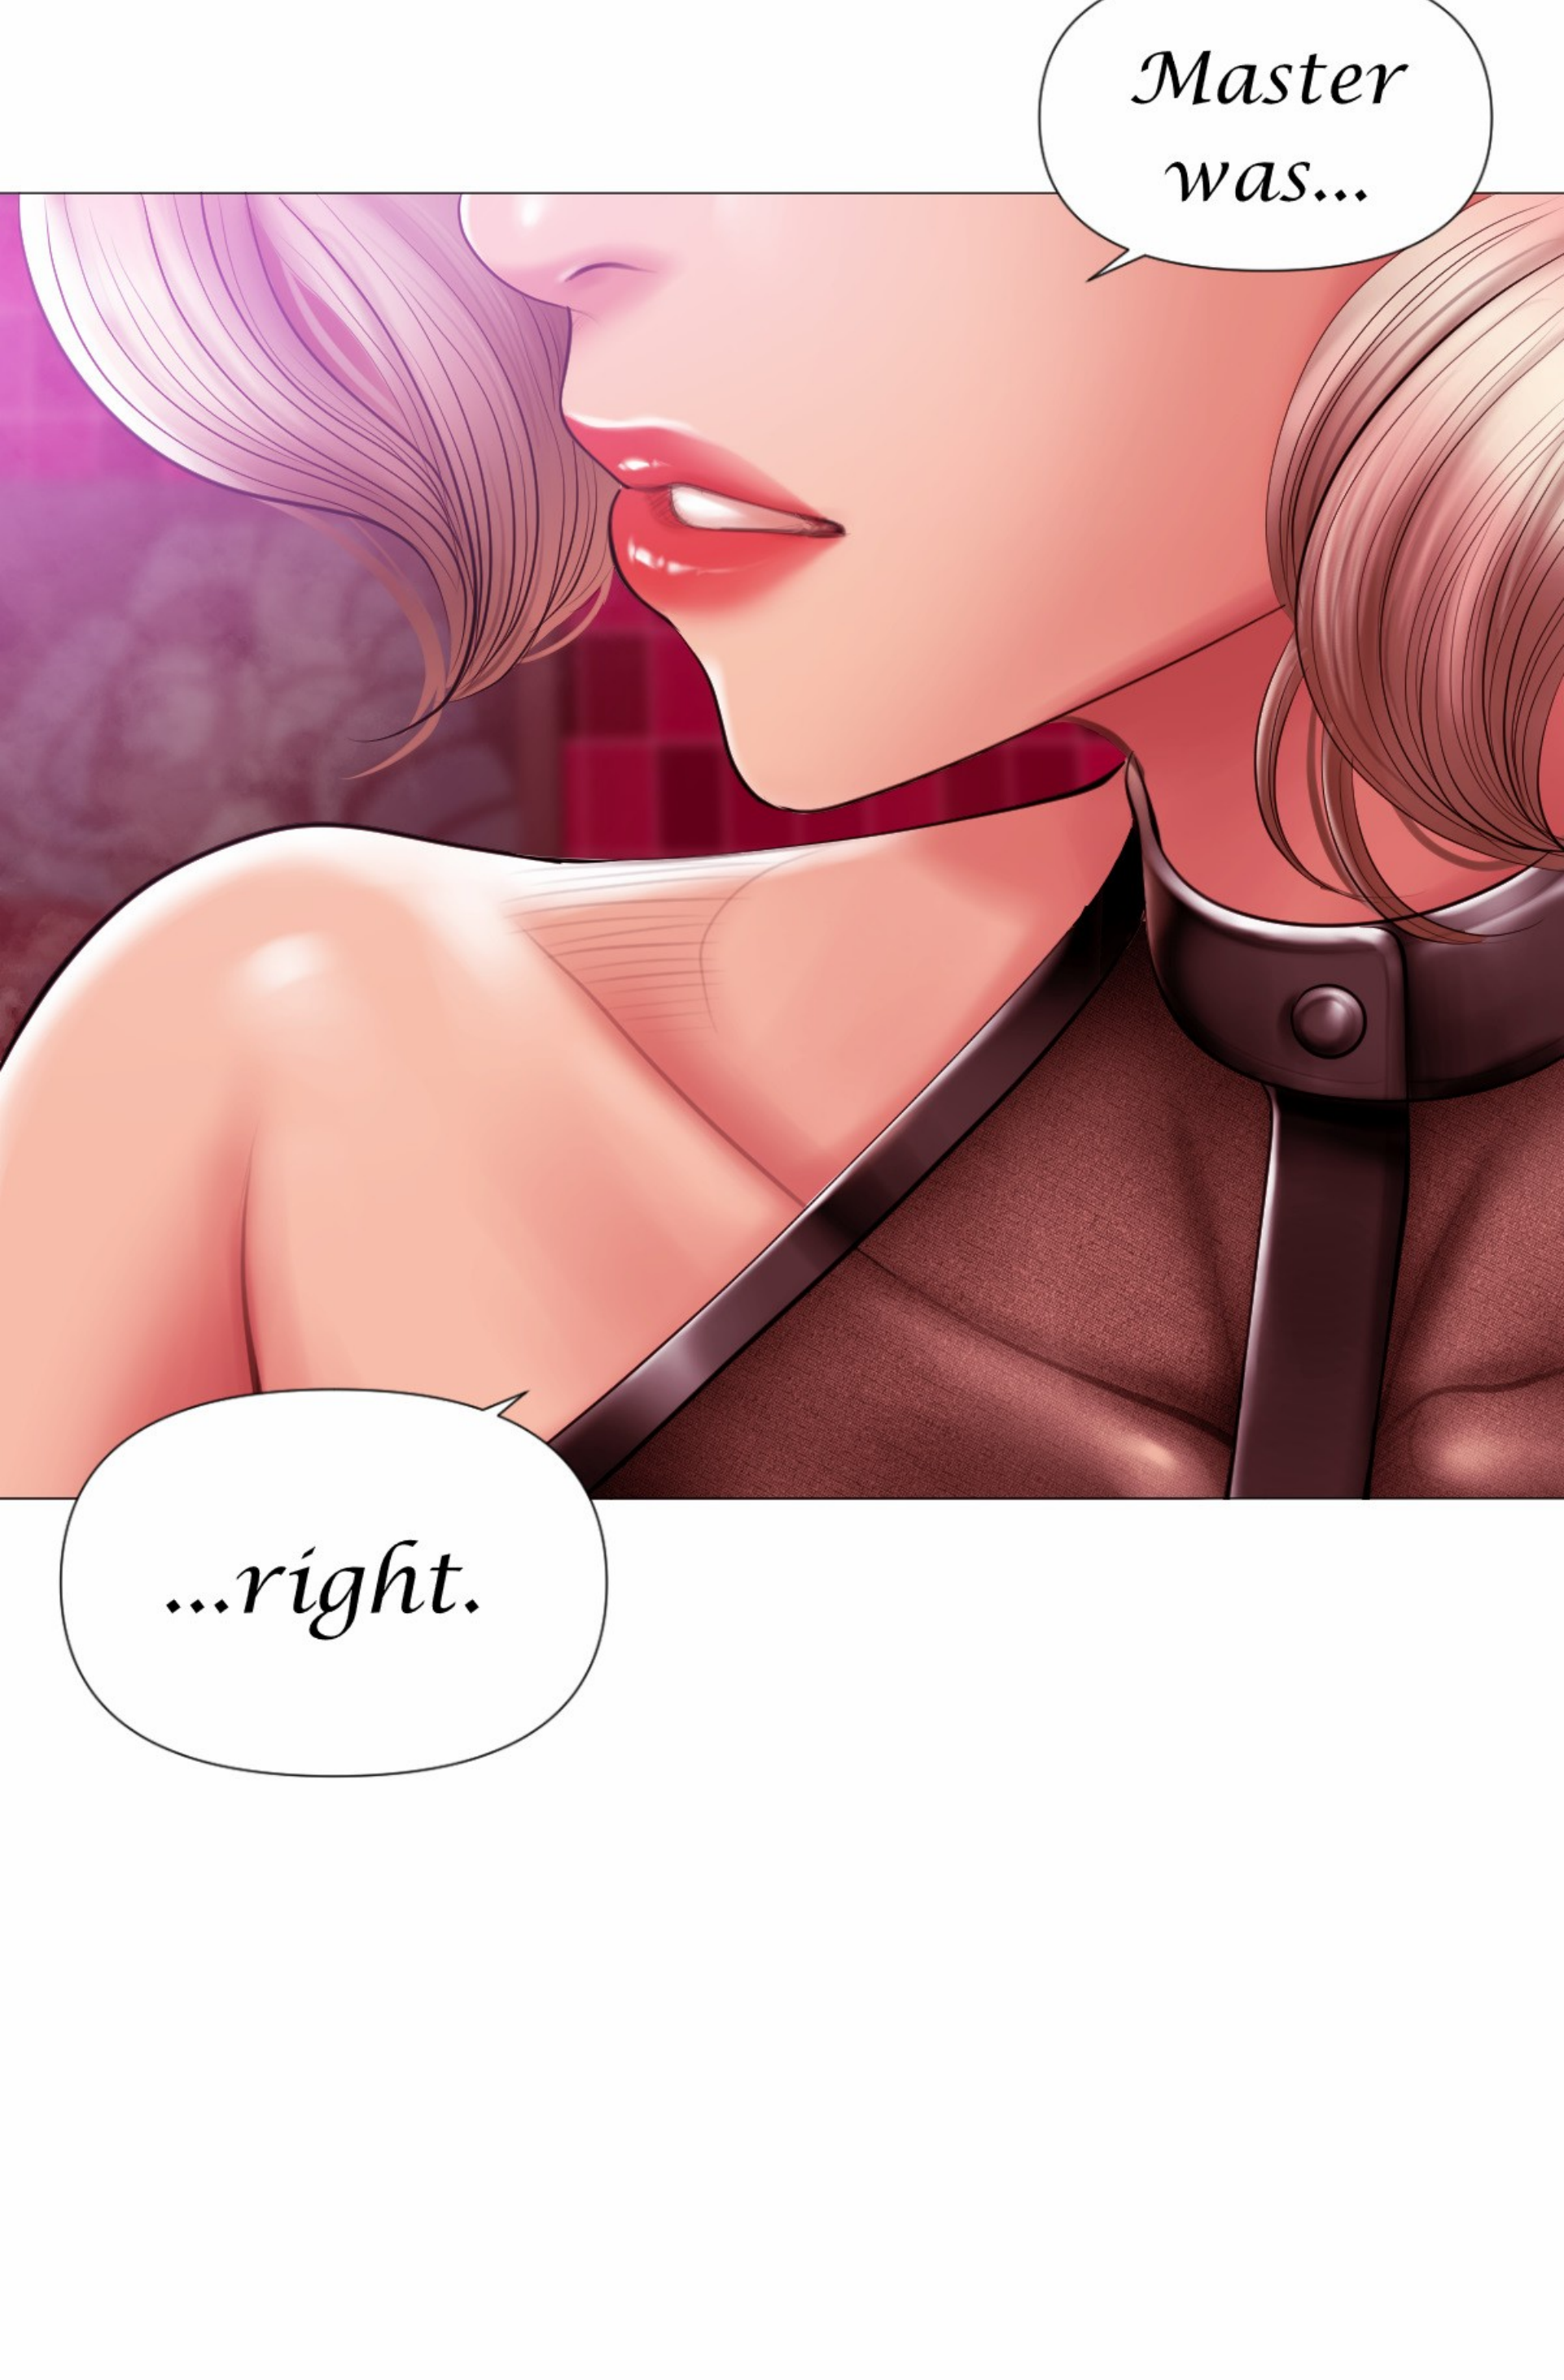

**I think
you're a
victim too.**

**Just like
with Mia, he
probably tried to
bind and control
you.**

**If you truly
want to be
free...**

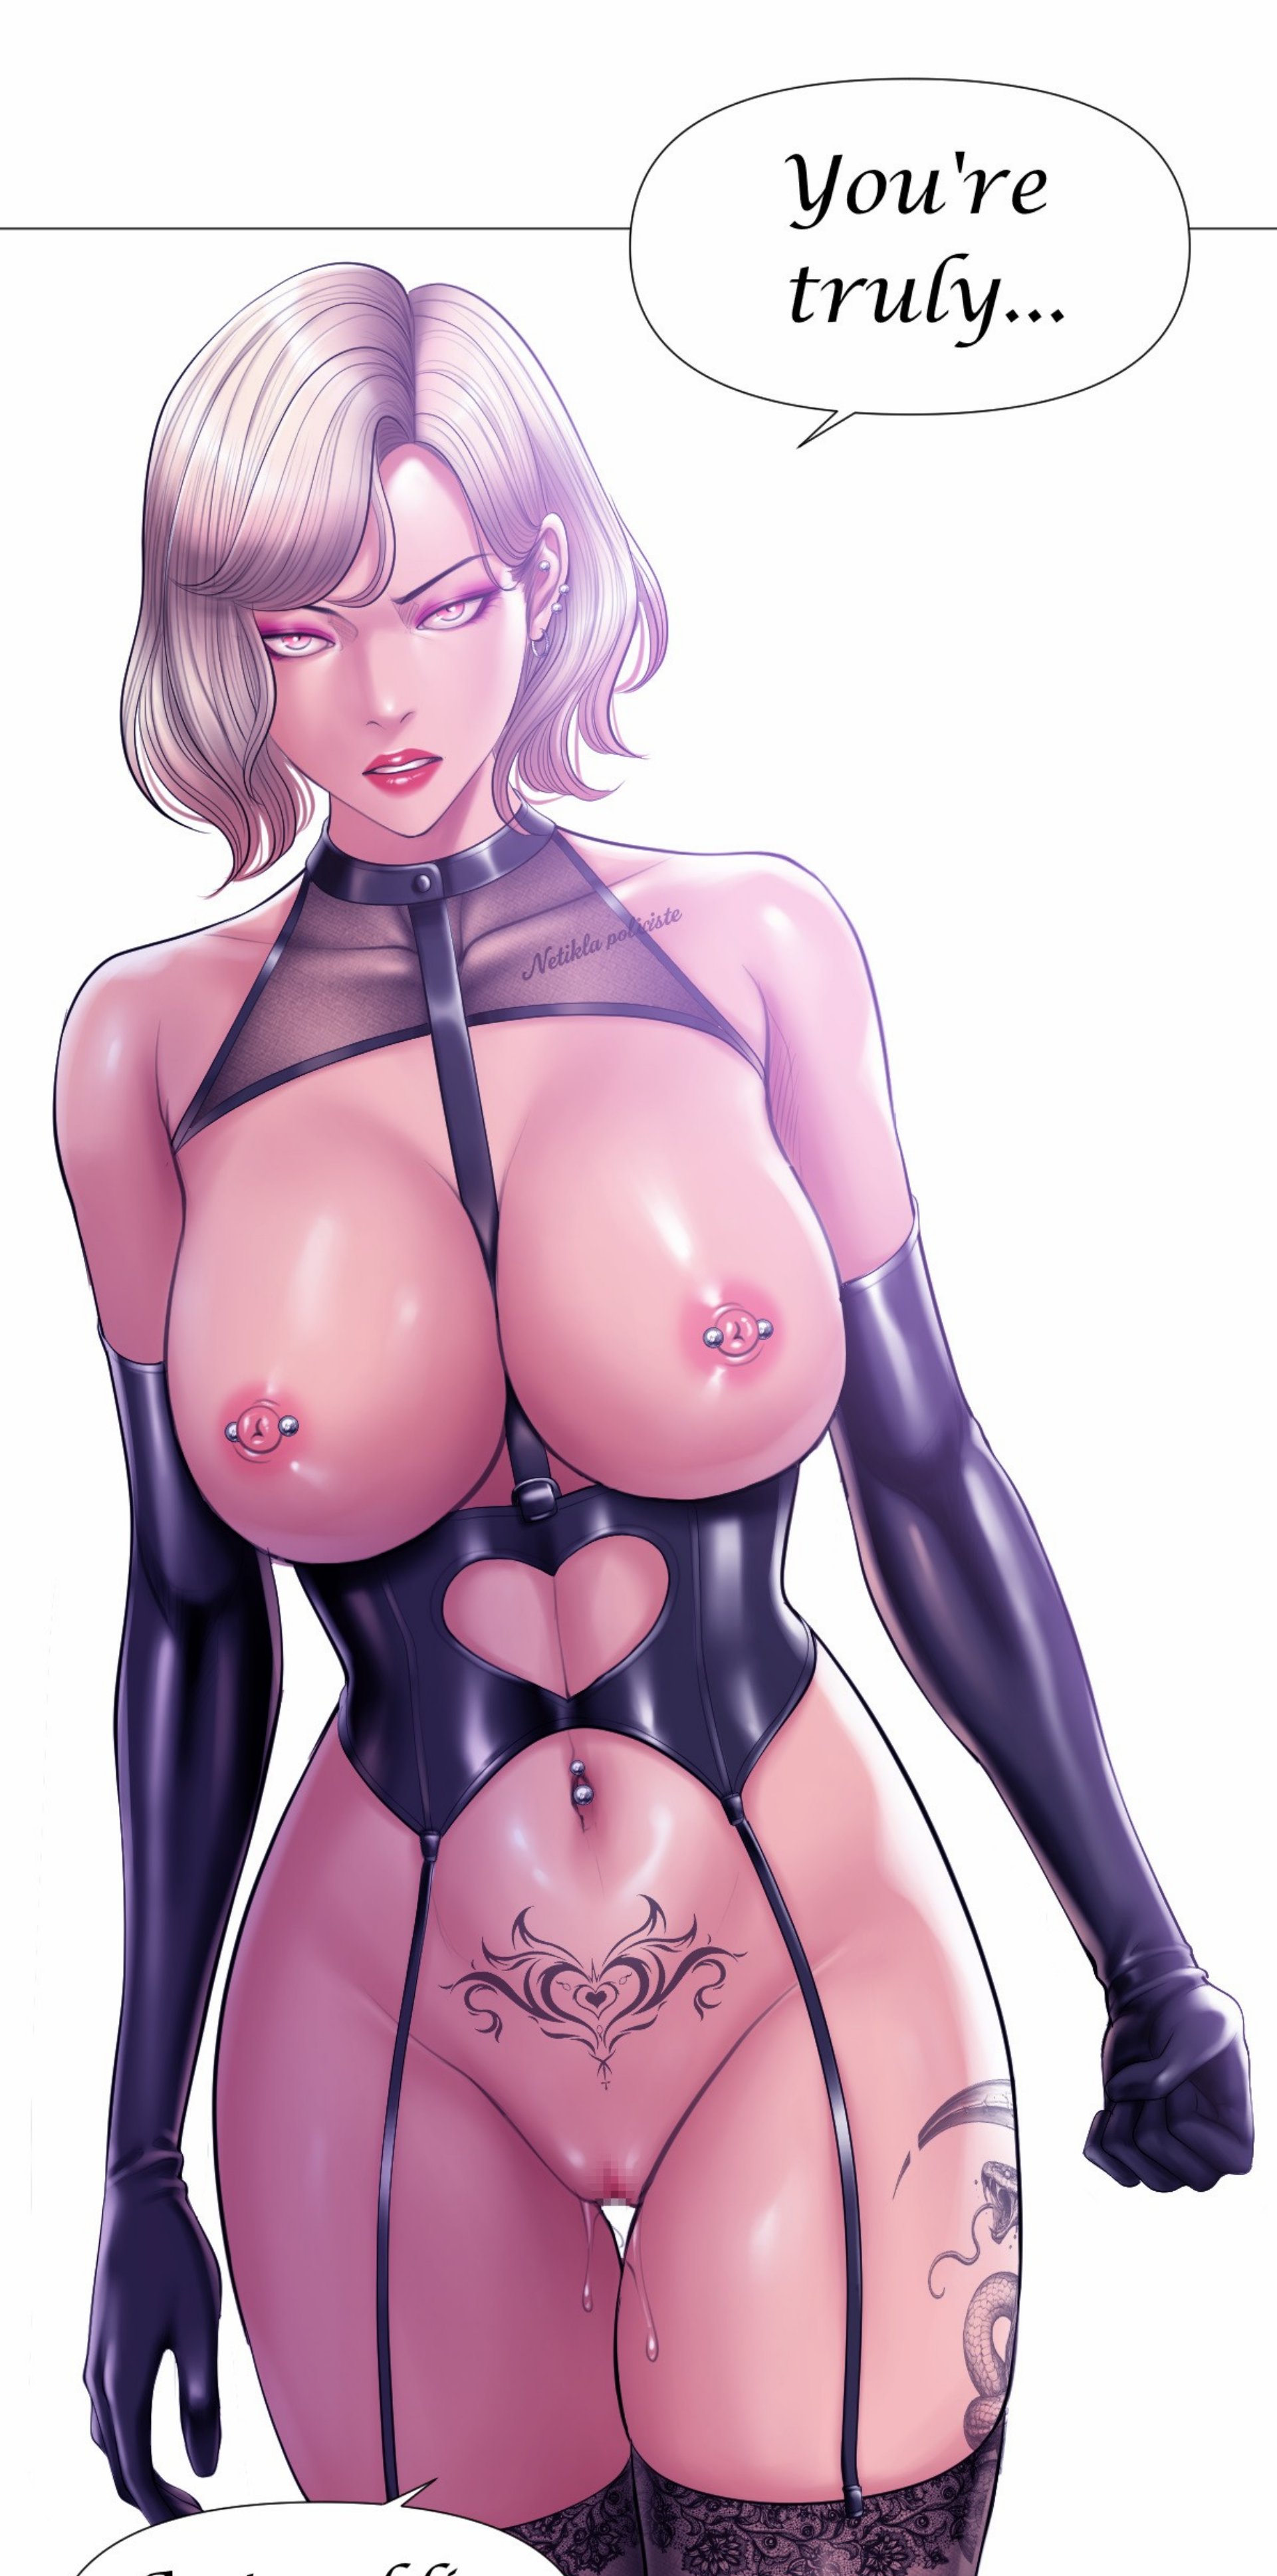

**...abandon
your
brother.**

*As
expected...*

You're my only sibling so I couldn't bring myself to throw you away, but I can't take this anymore.

A stumbling block in my life.

We need to get you treated first...

My...
Sis...ter...

*Haah...
You're so
pathetic.*

This dick is... way too feeble compared to Darling's piece.

You've got such a big build, so I secretly had high hopes...

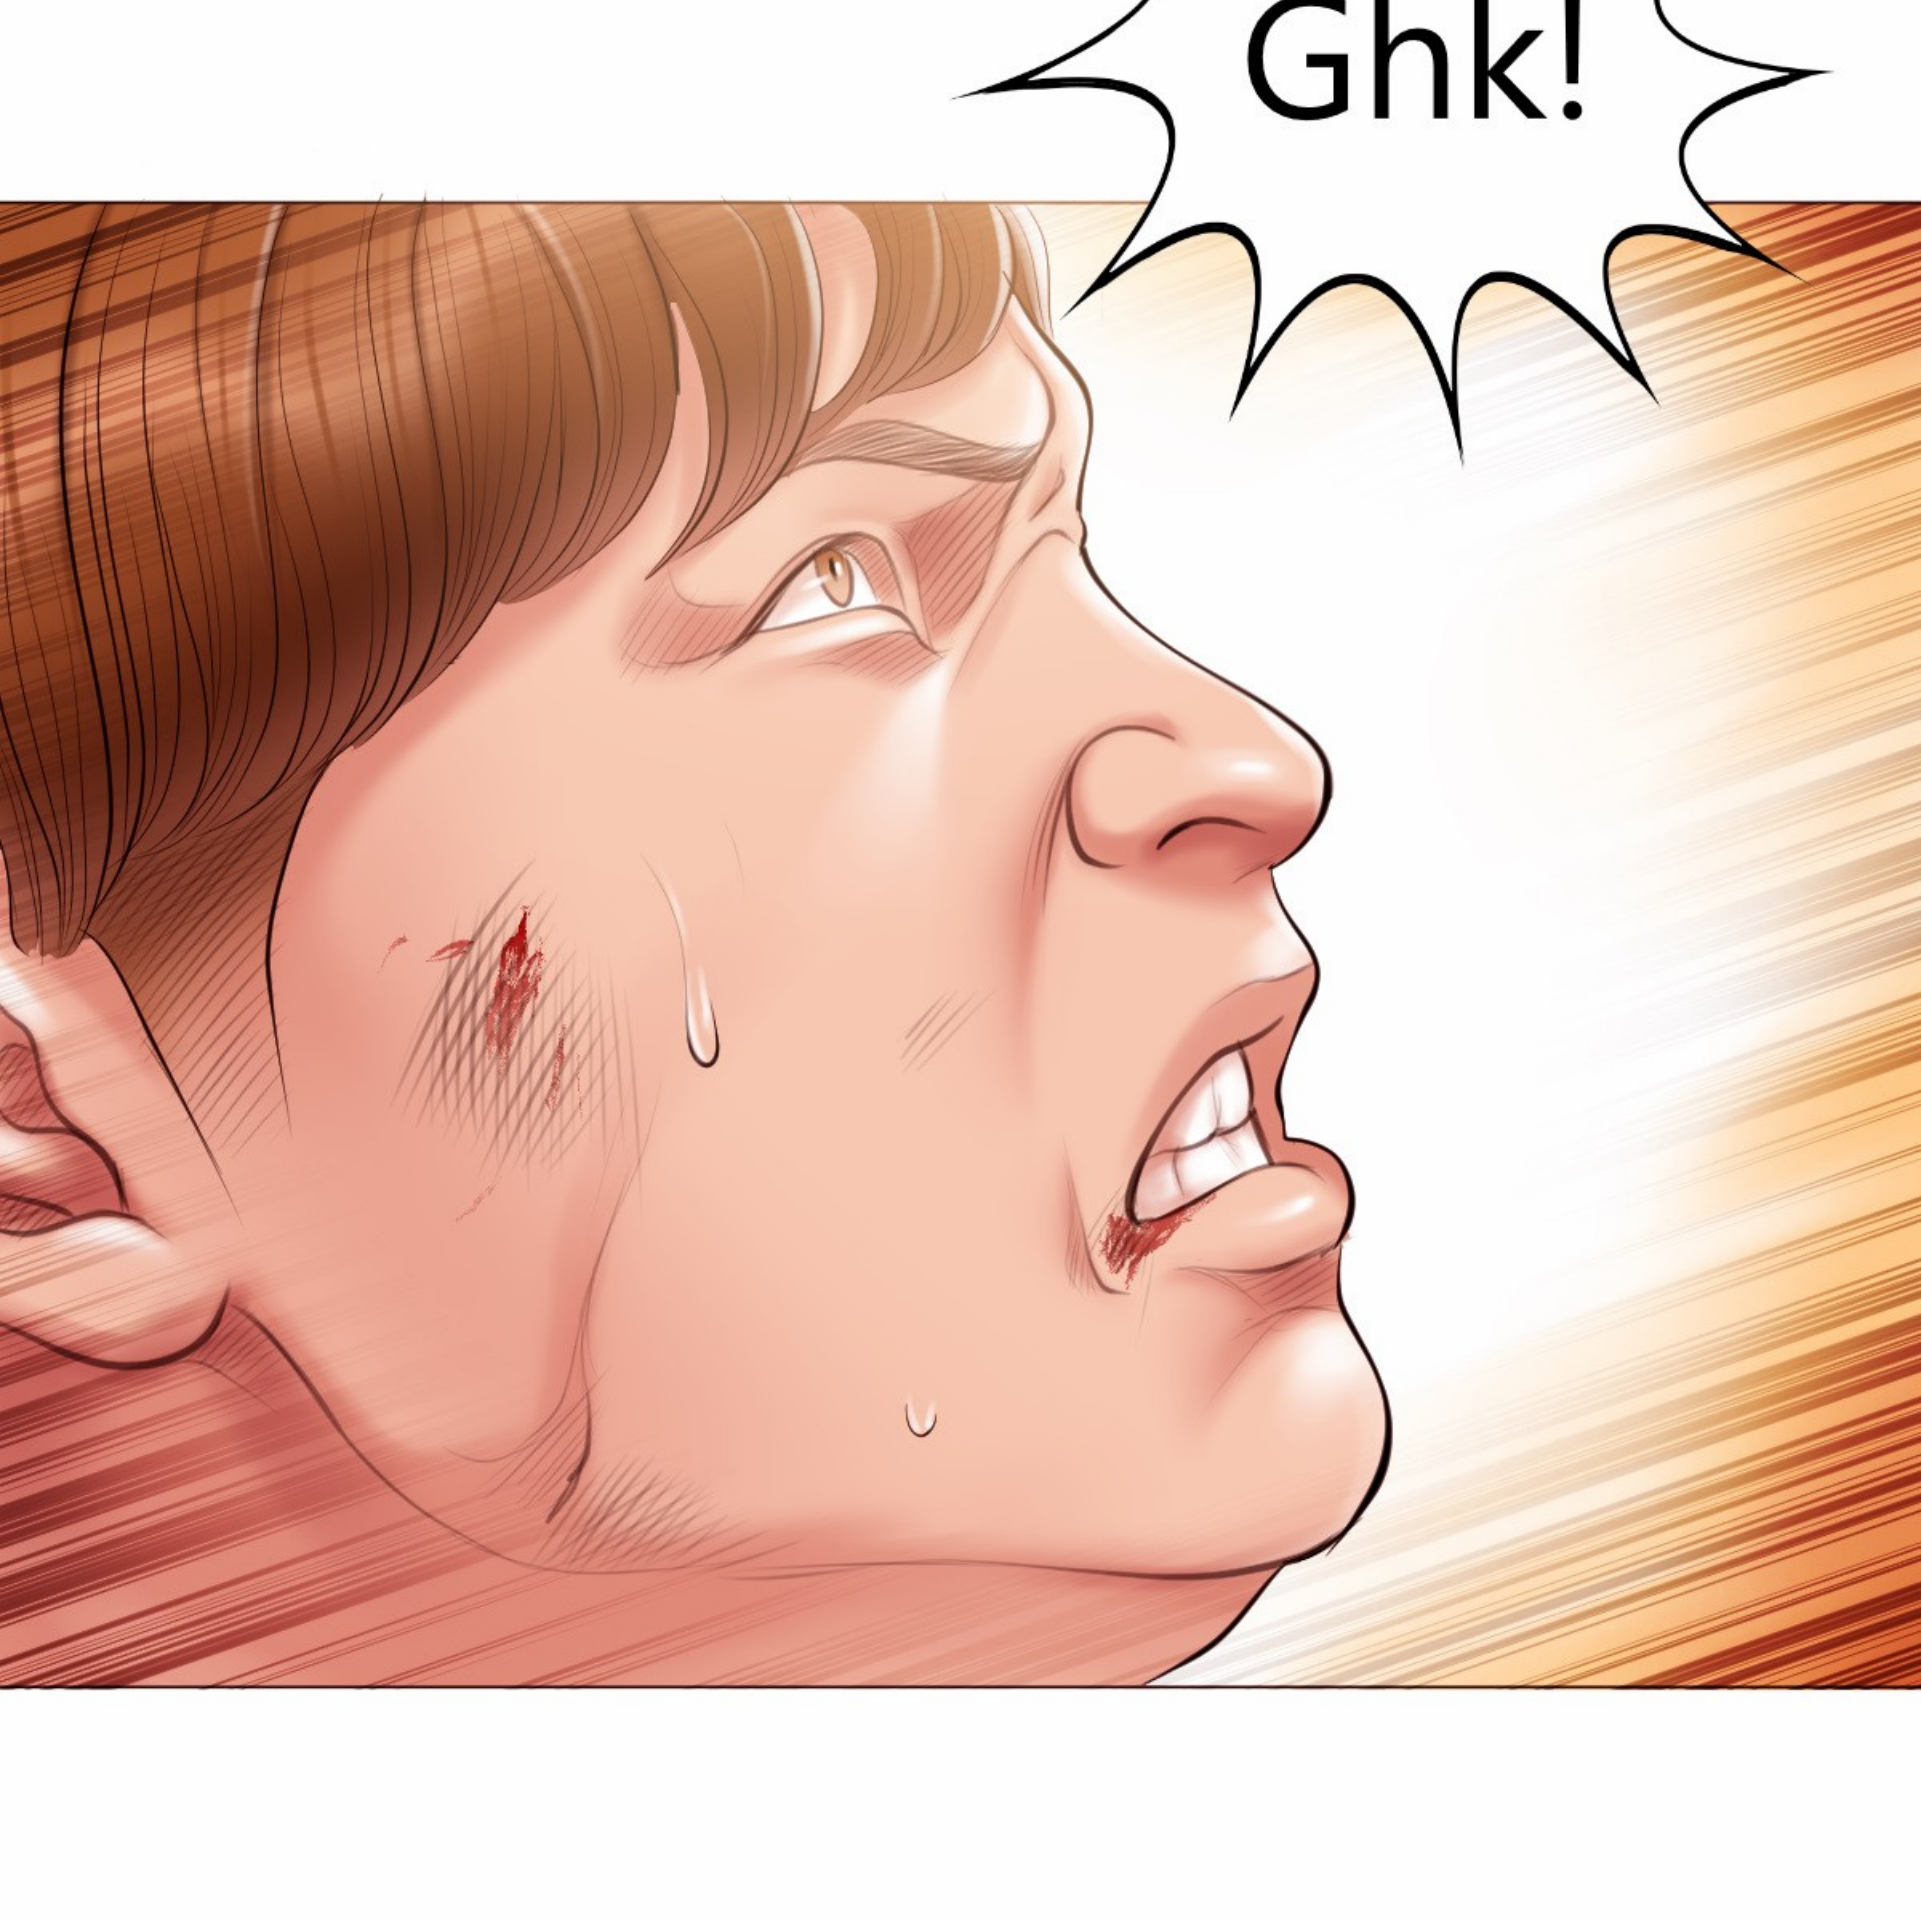

Carter, did you really think you could fuck me with a measly little cock like this?

Too bad.

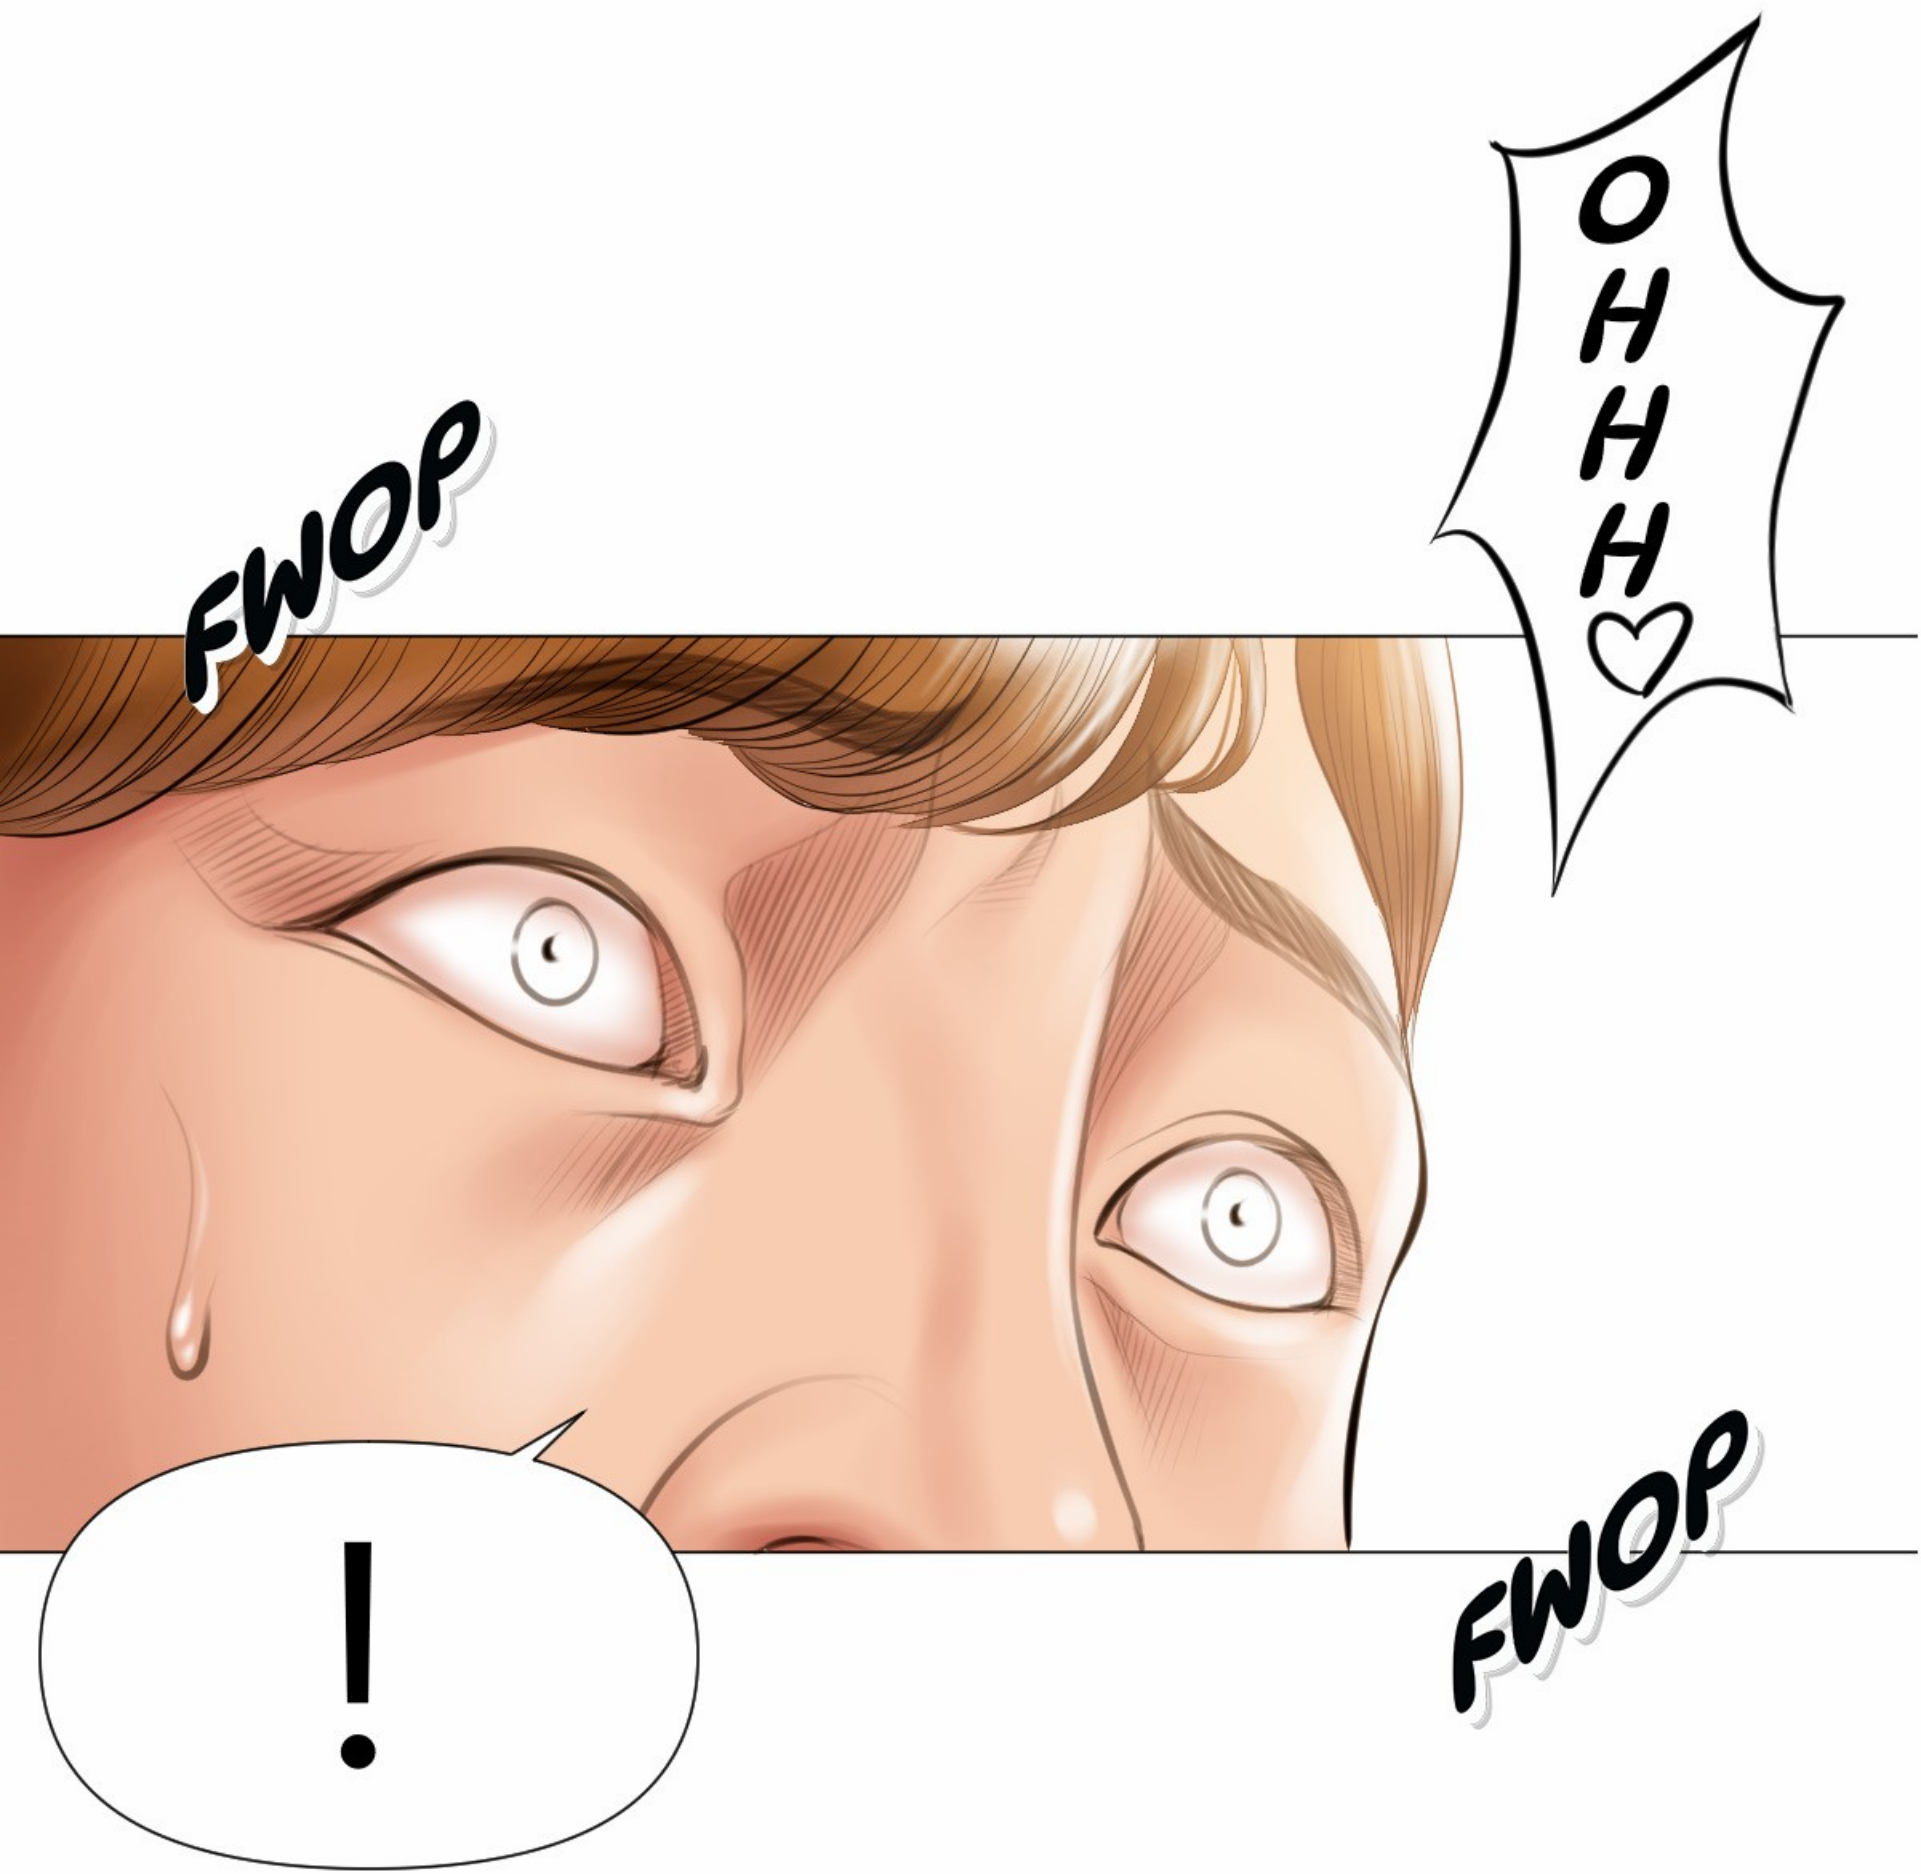

My pussy belongs to

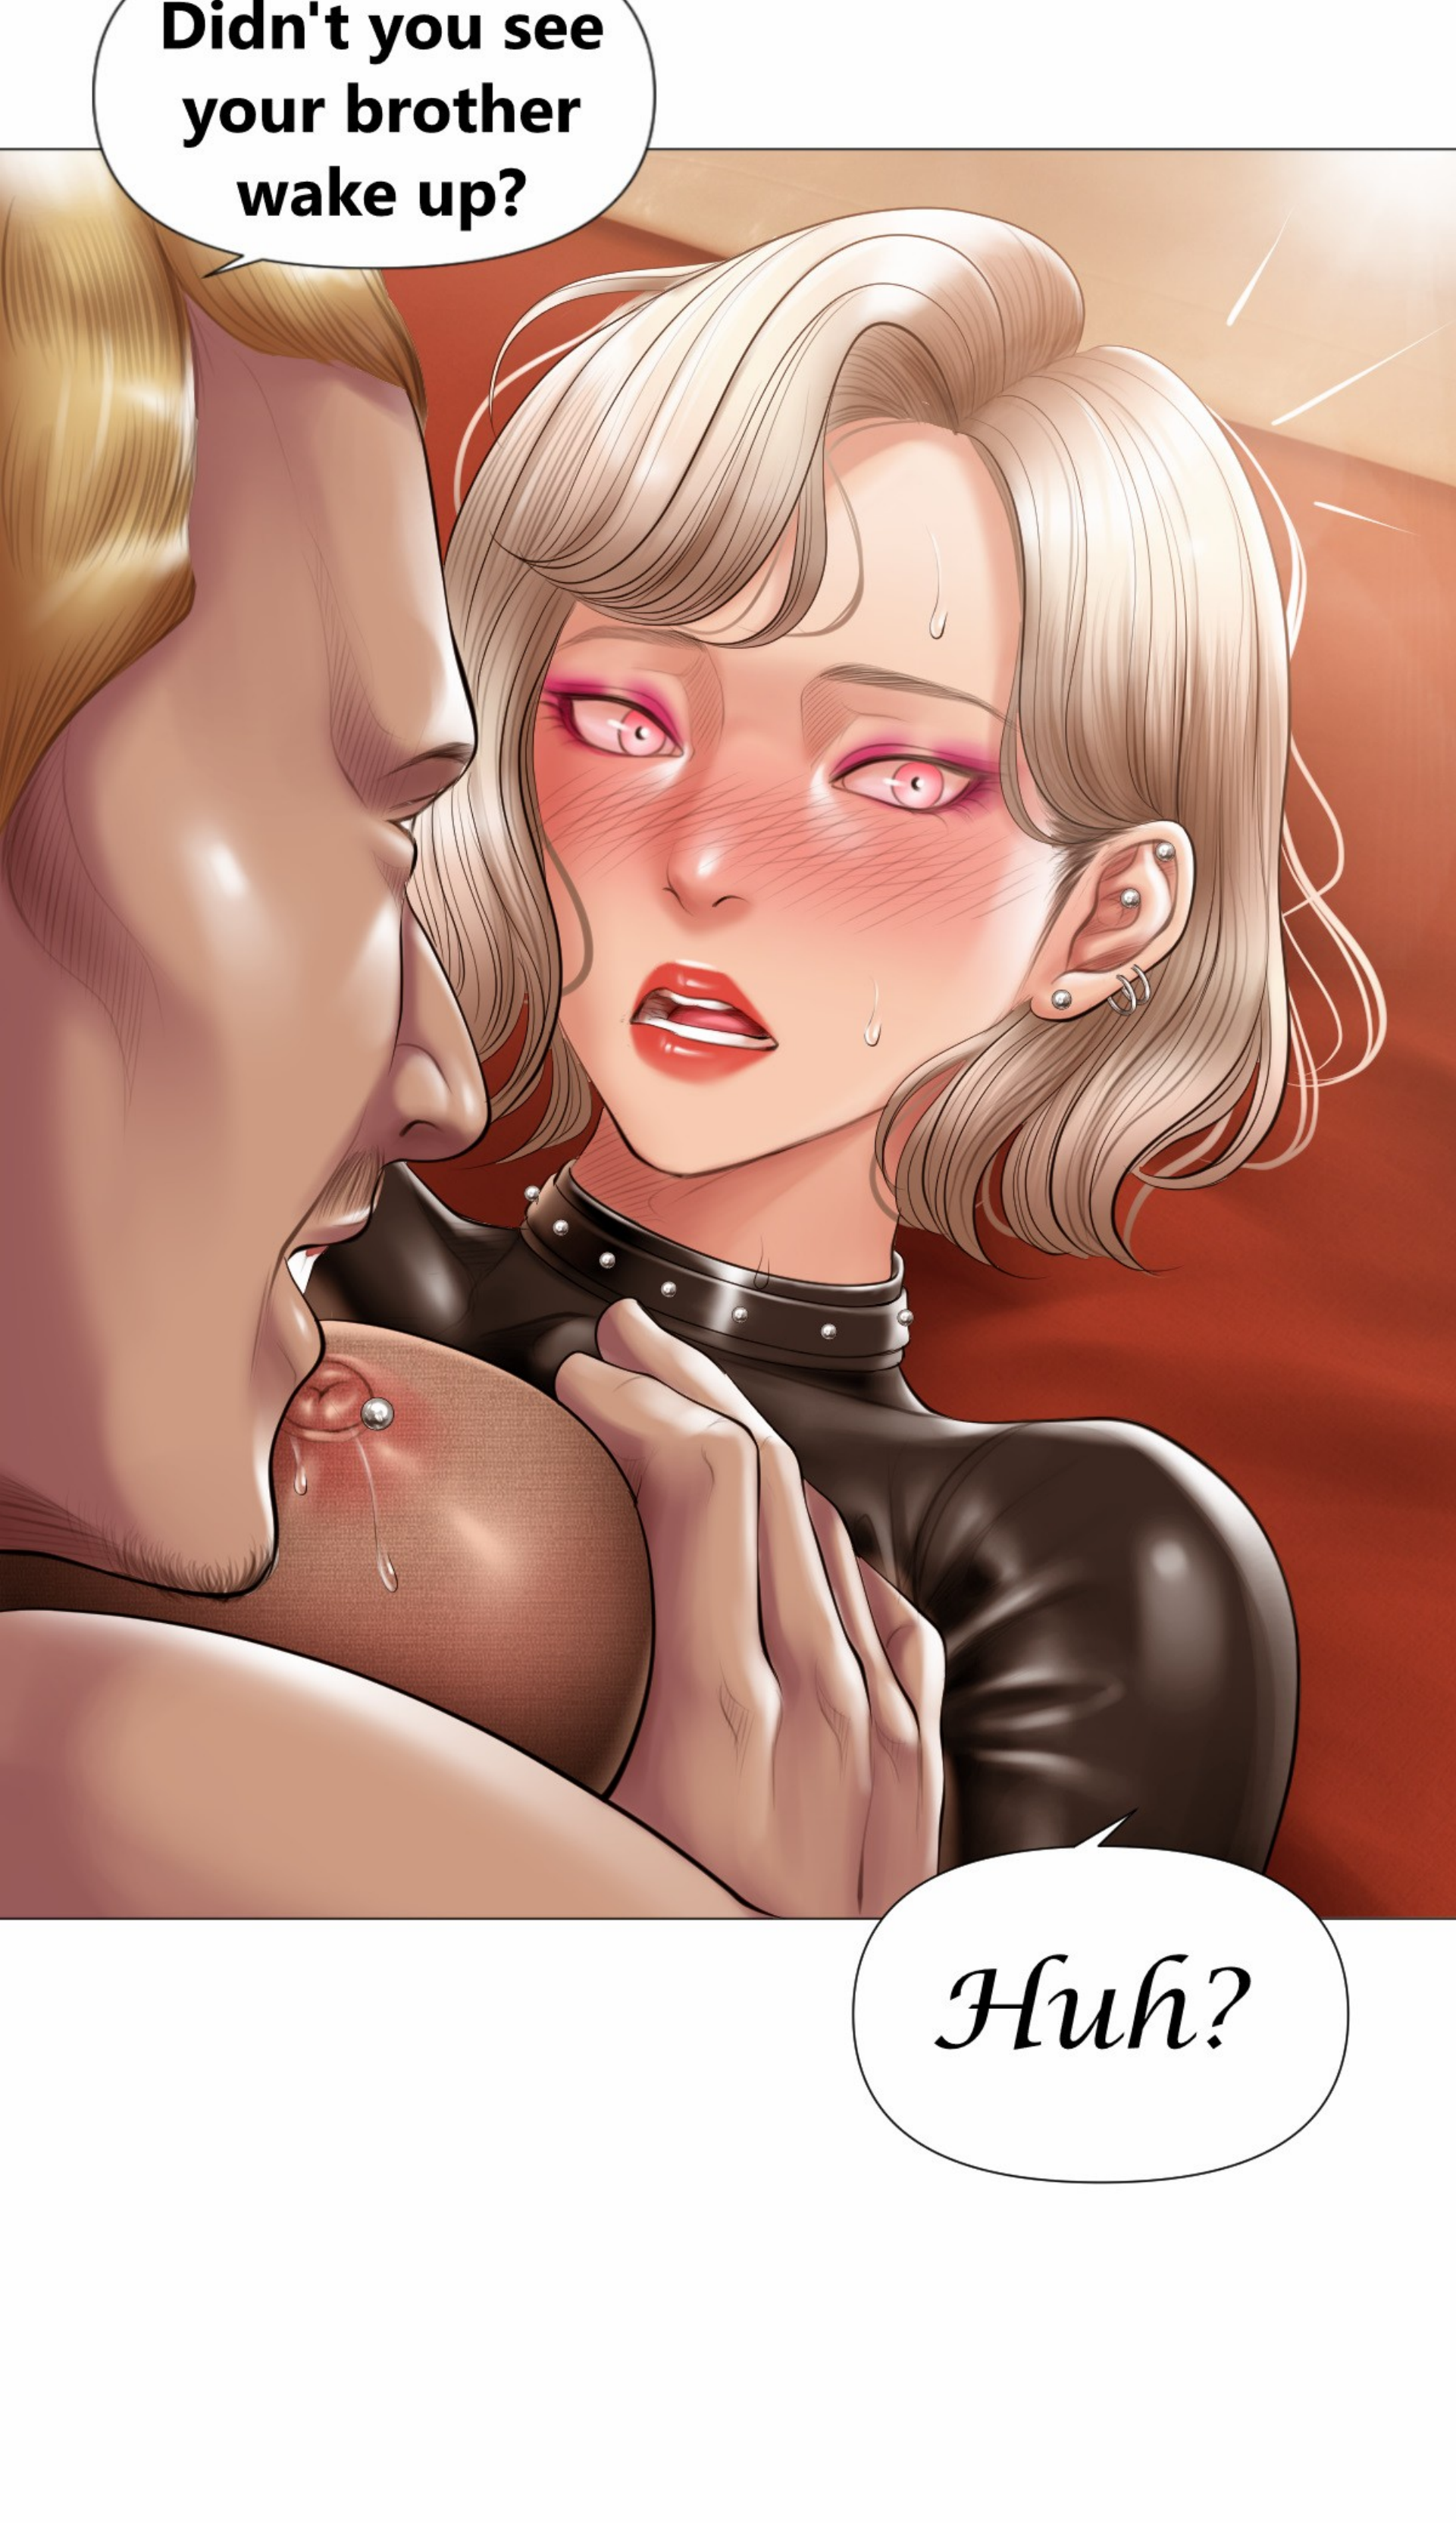

my Darling now♡

Ghk!

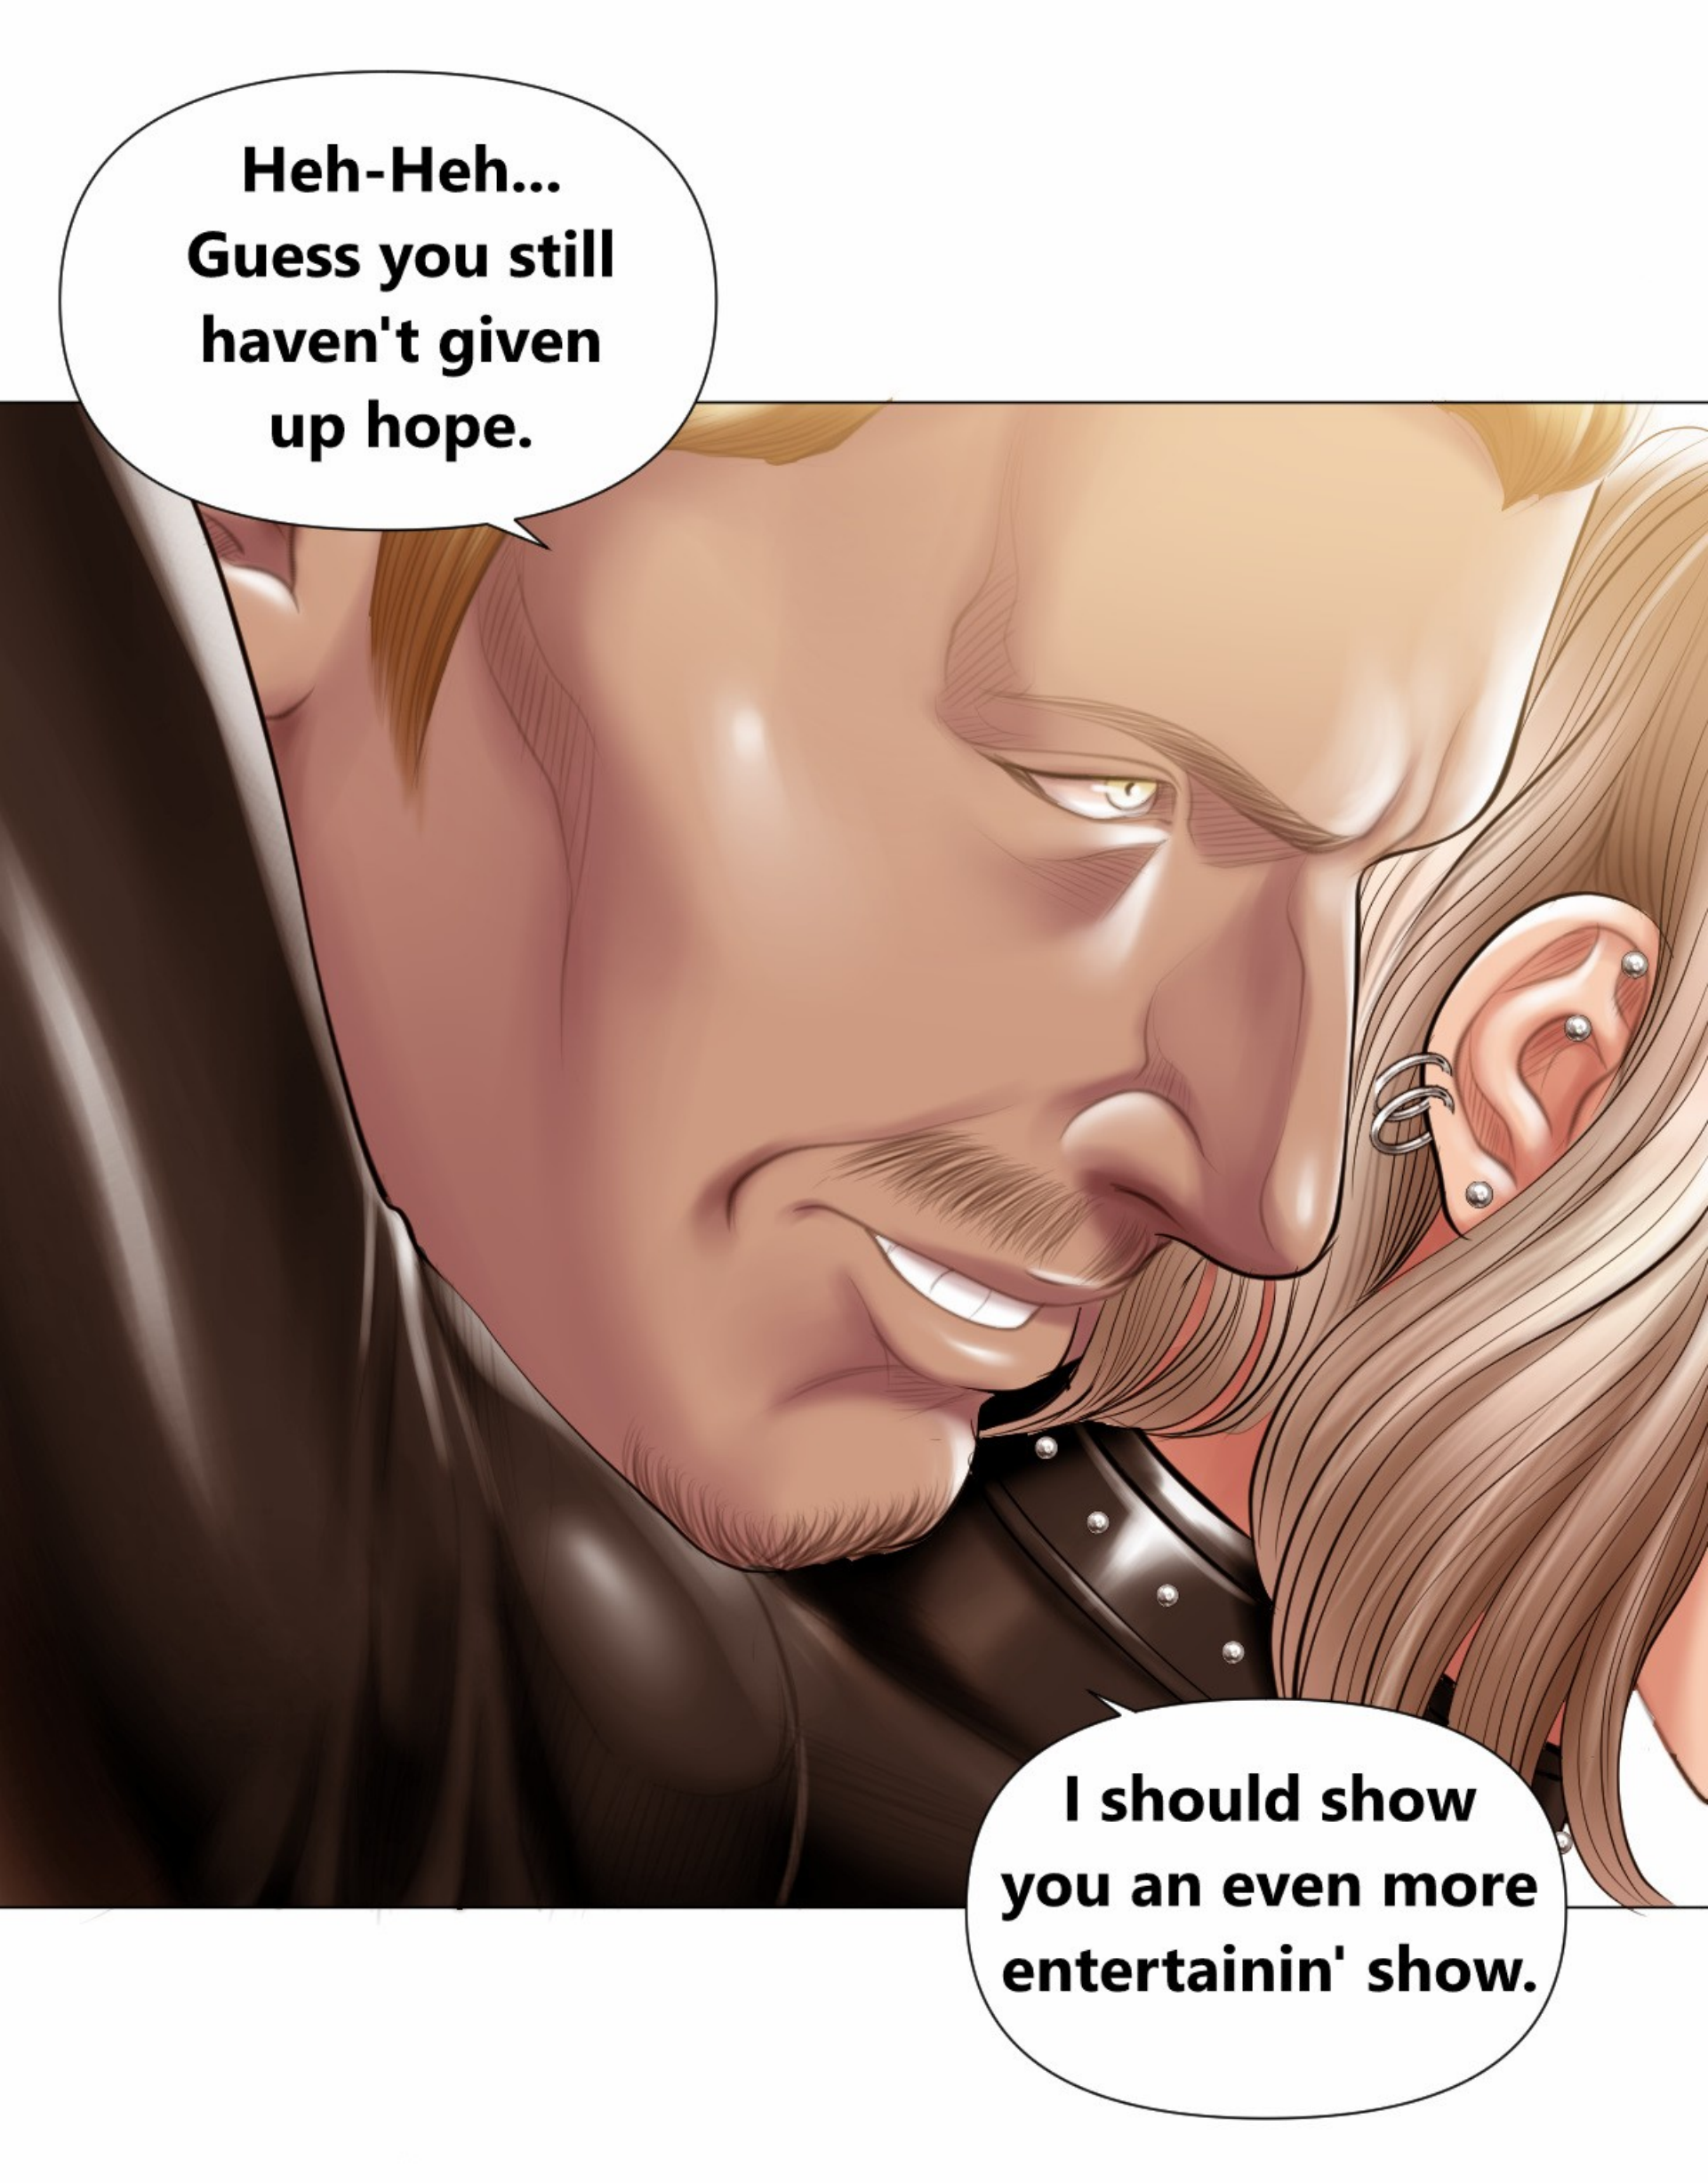

*You wanna die?
How dare you raise
your voice.*

Ghrrrgh...
Shit...

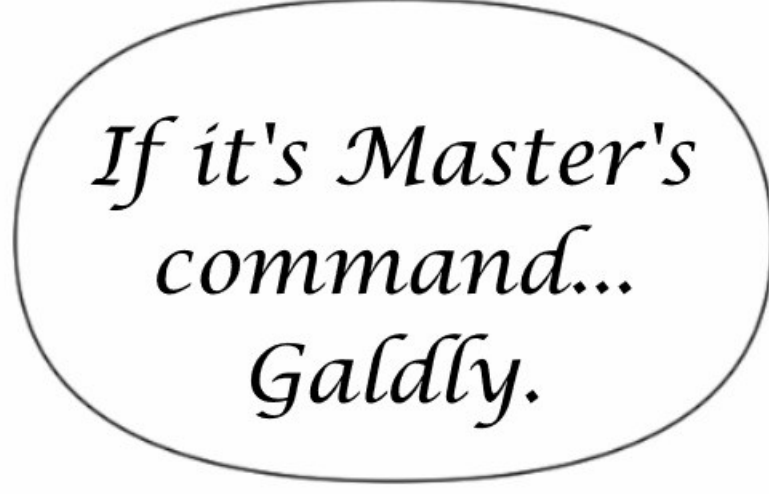

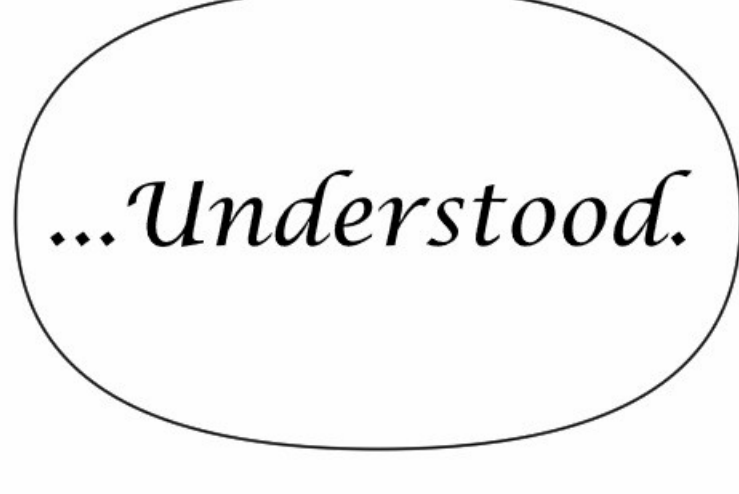

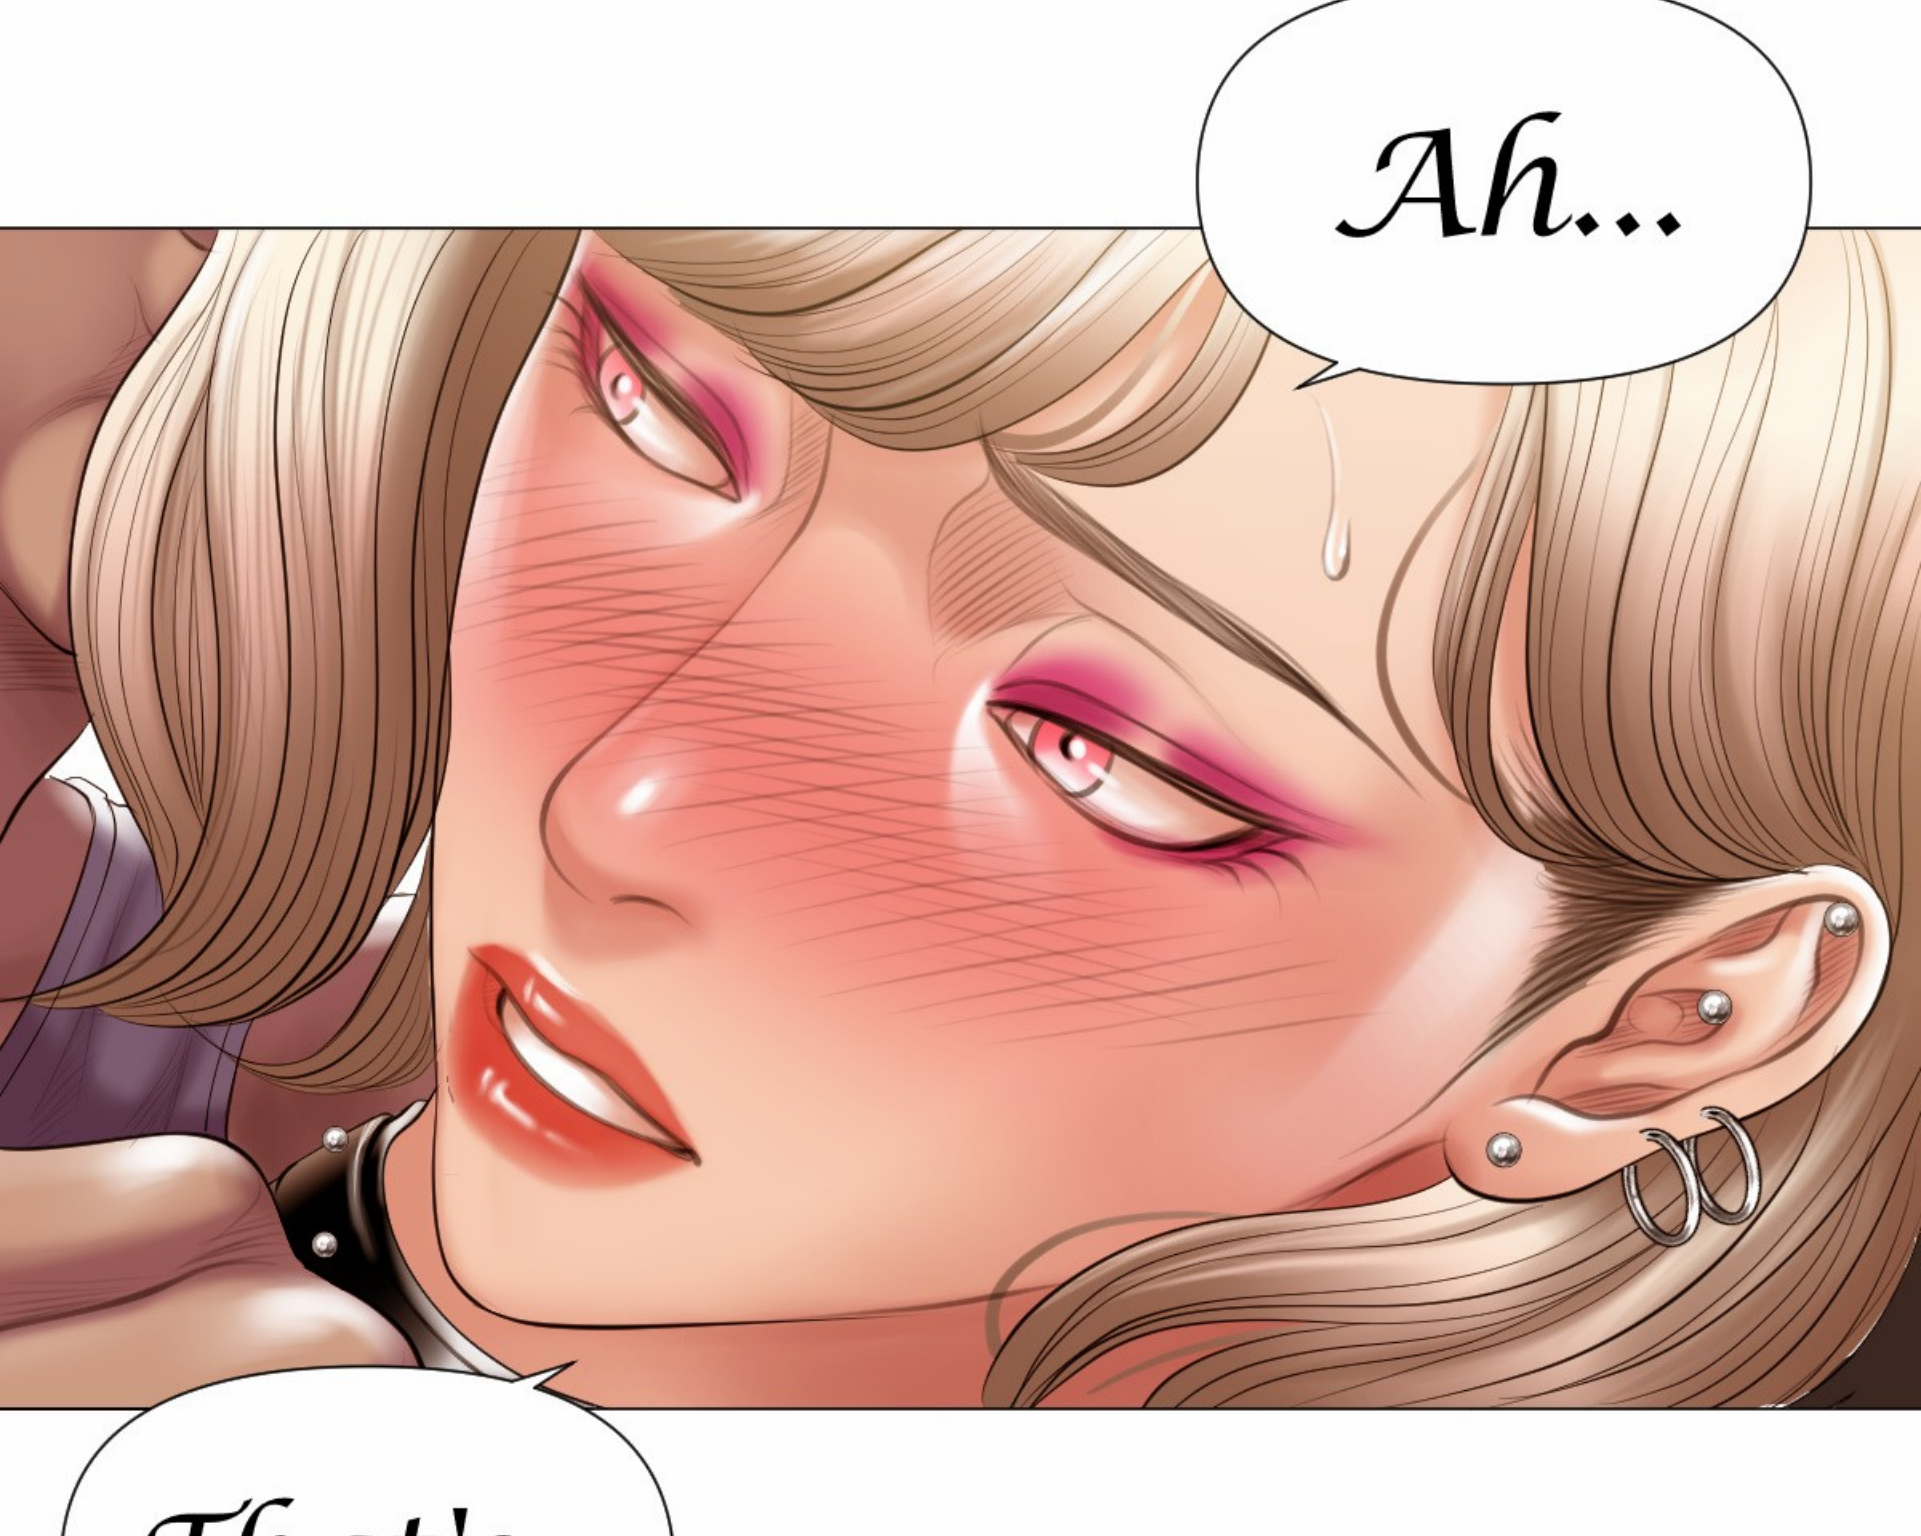

My mind's hazy
and I've got no
strength...

What the hell
did they do to
me...

Heh-Heh...
Guess you still
haven't given
up hope.

I should show
you an even more
entertainin' show.

Look...

SPREAD

Do you see it?

My worn-out,

used-up slutty pussy♡

I've lost track of how many men have passed through it...

It must be close to the number of guys Mia's been with♡

!!

Heh-Heh... I know you don't want to accept it...

But this is the true nature of the "sisters"

you were so desperate to save♡
