

Groom

Carter Lee,

do you vow to
truly love, cherish,

and spend the rest of
your life with the bride
Mia Chin?

.....

...What are you doing,
Carter?

!

It's your turn.

What on earth are you
daydreaming about so deeply?

Oh...

...!

Well, you see...

Strangely,
it doesn't feel real.

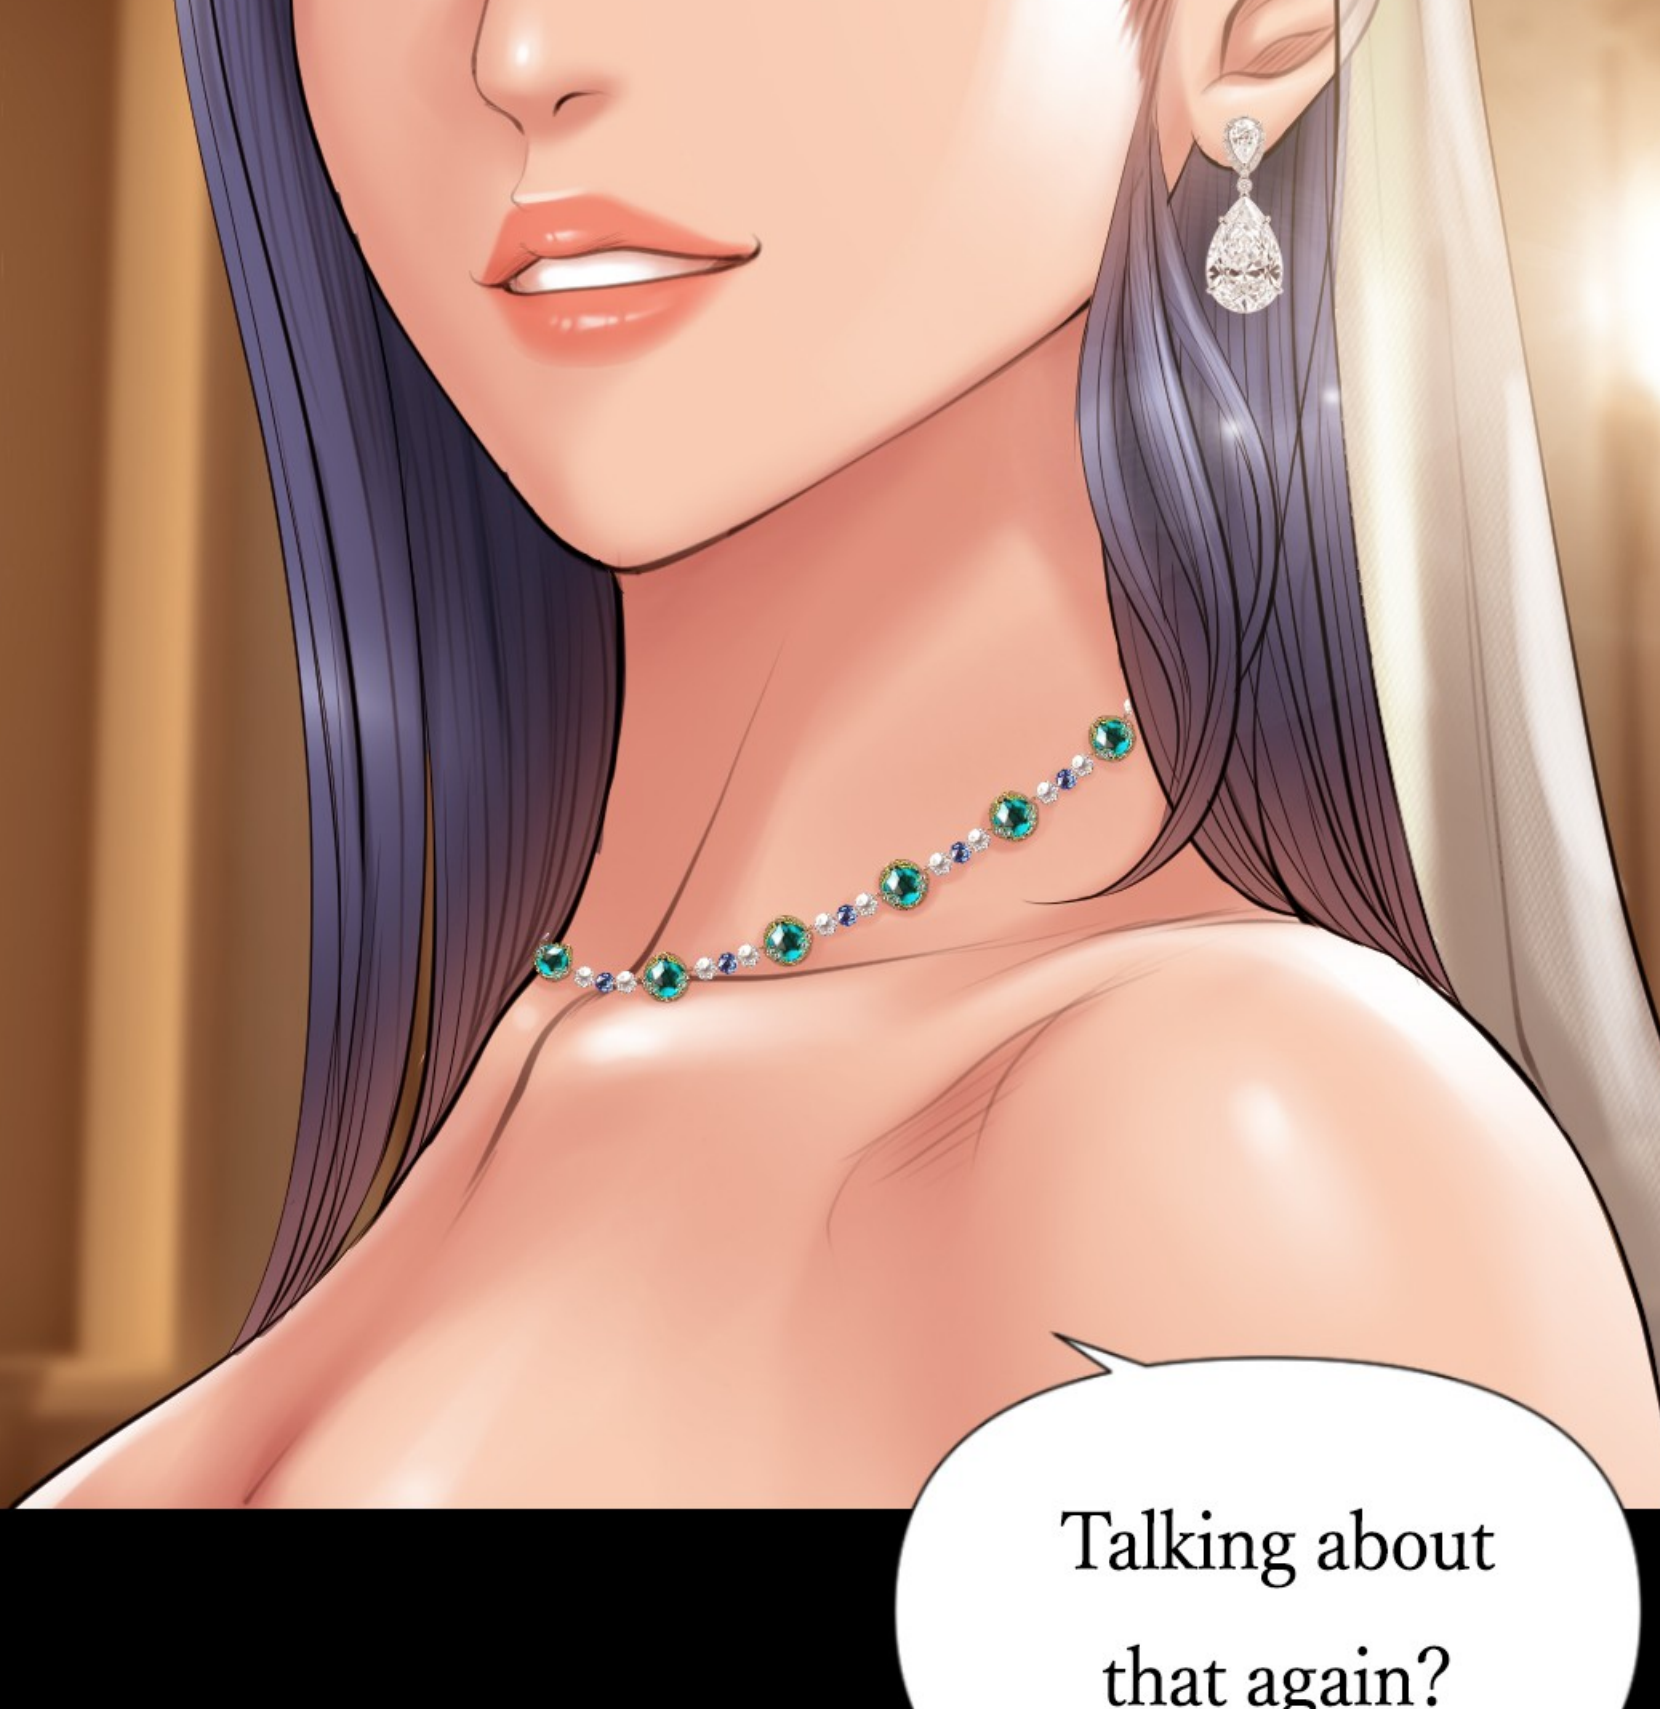

I still...

feel like I'm stuck
in that horrific day...

Oh, Carter...

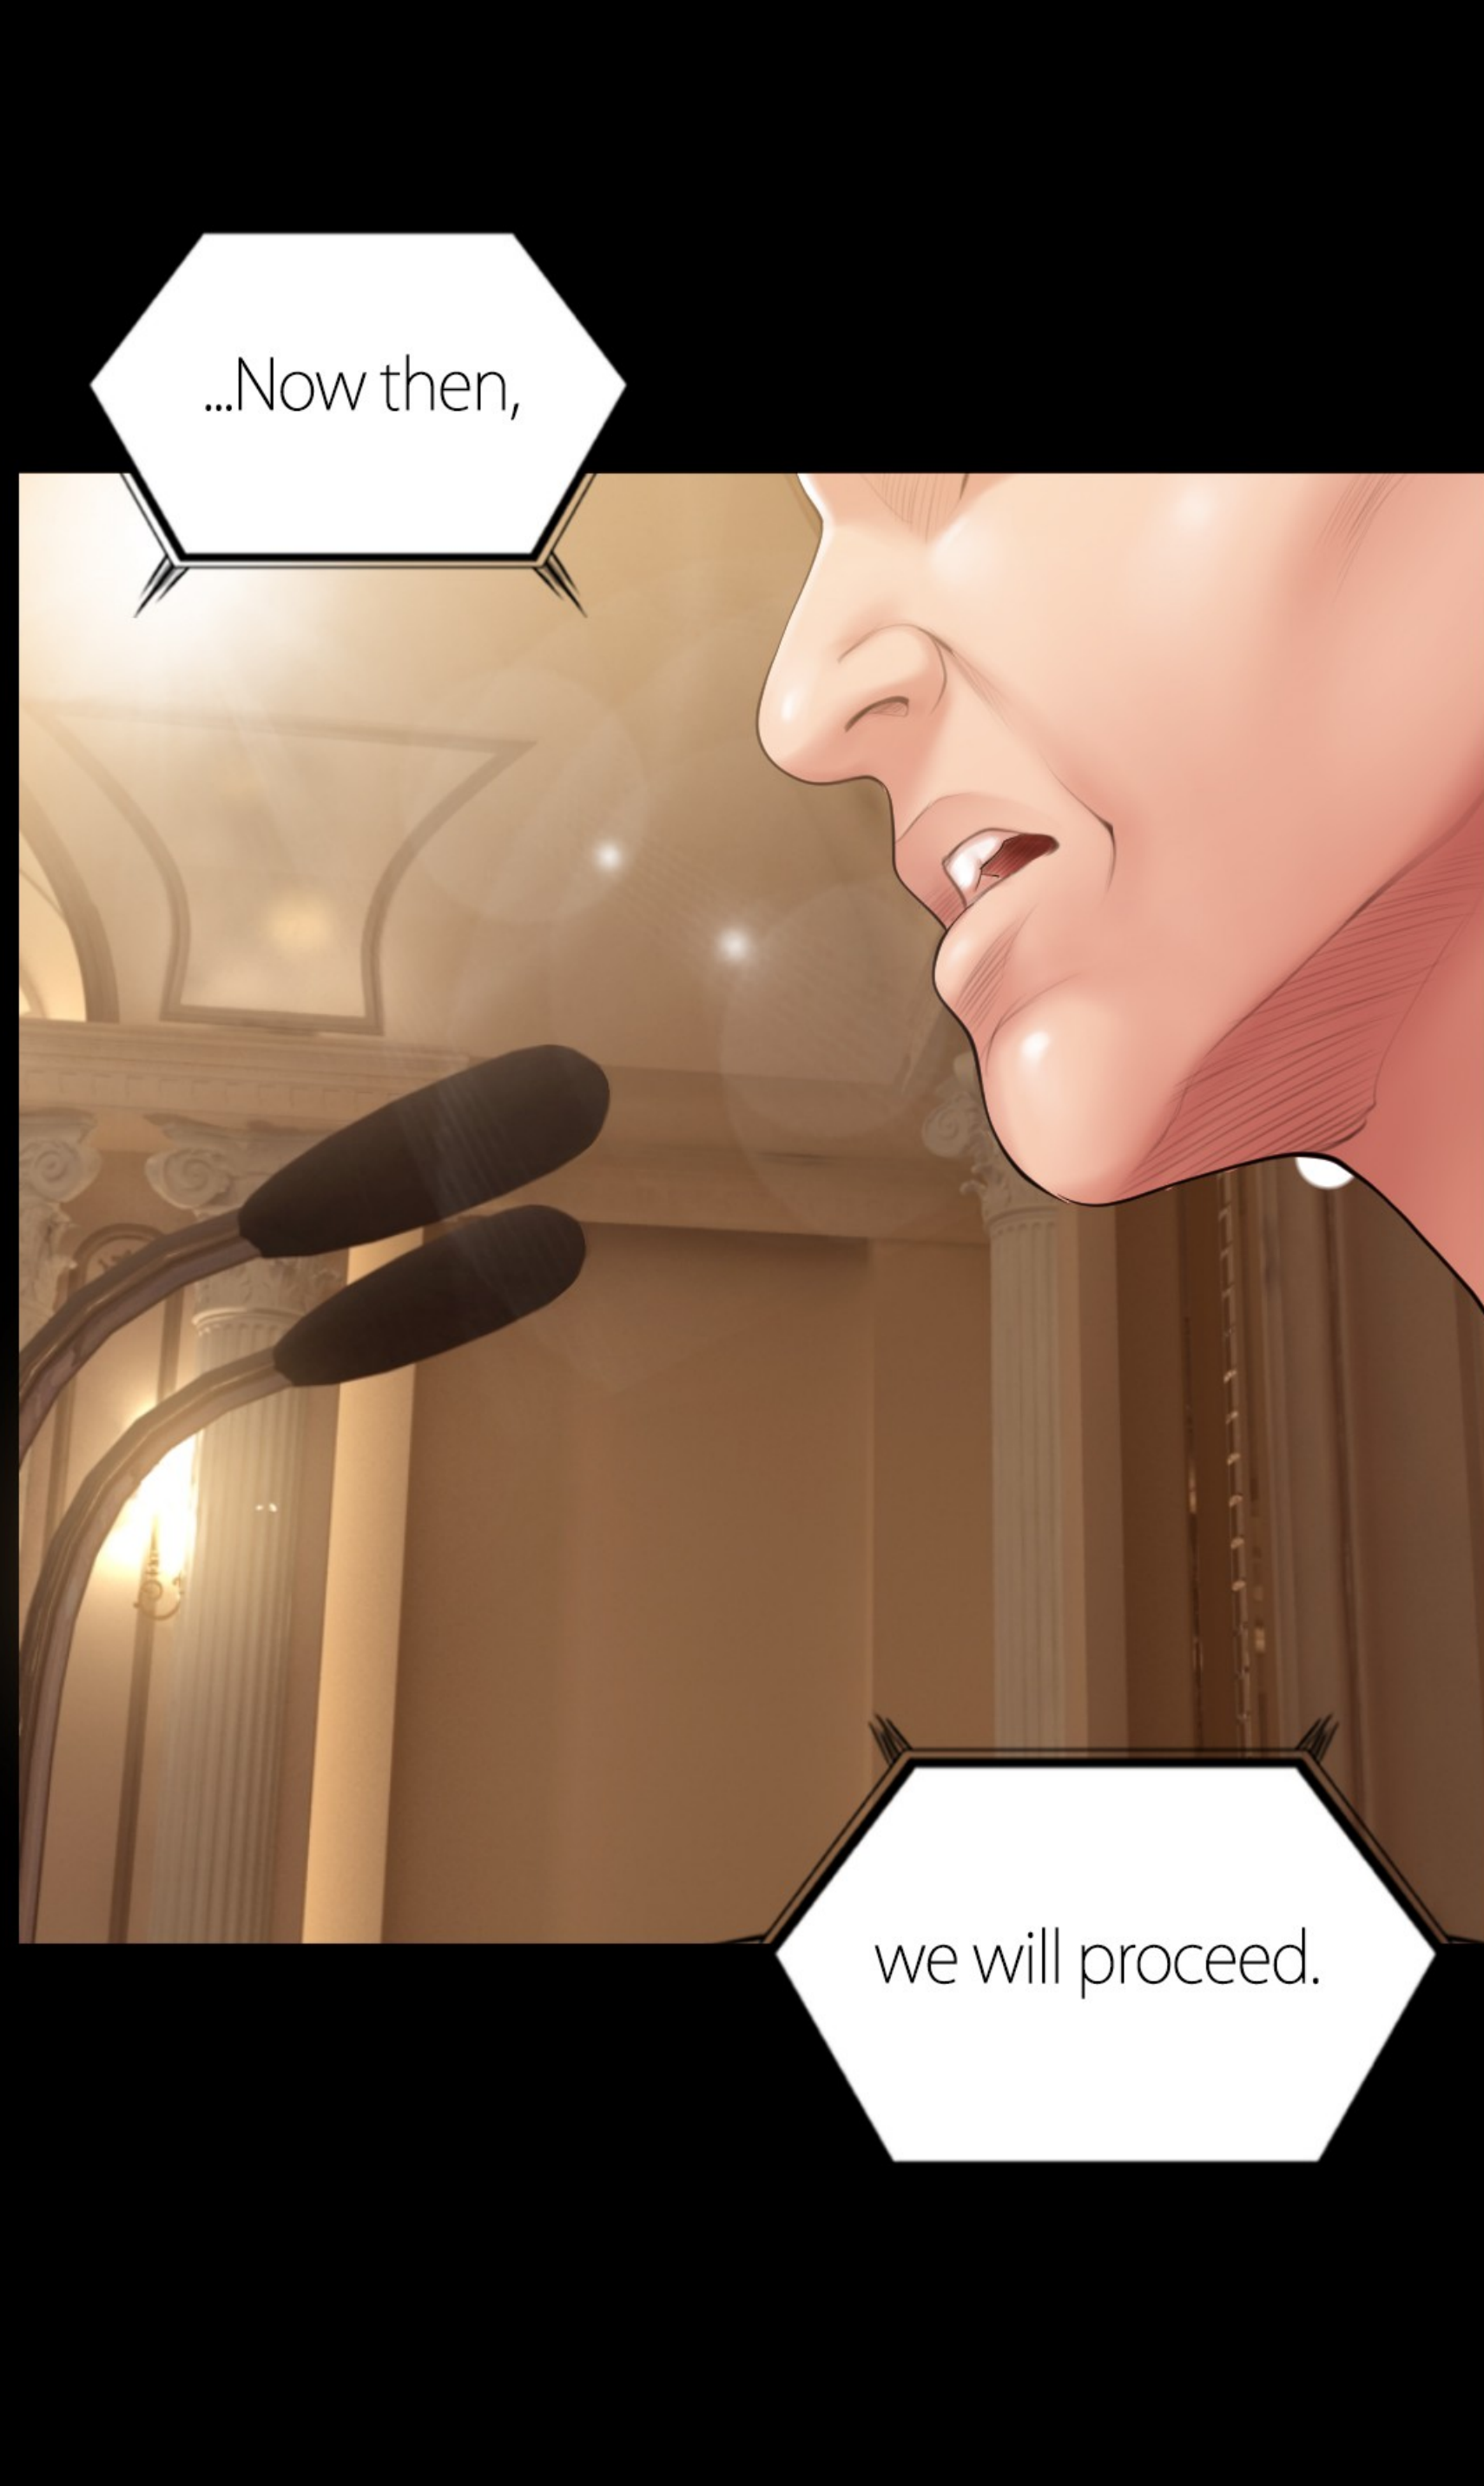

Talking about
that again?

Don't you
remember?

You resolved everything.

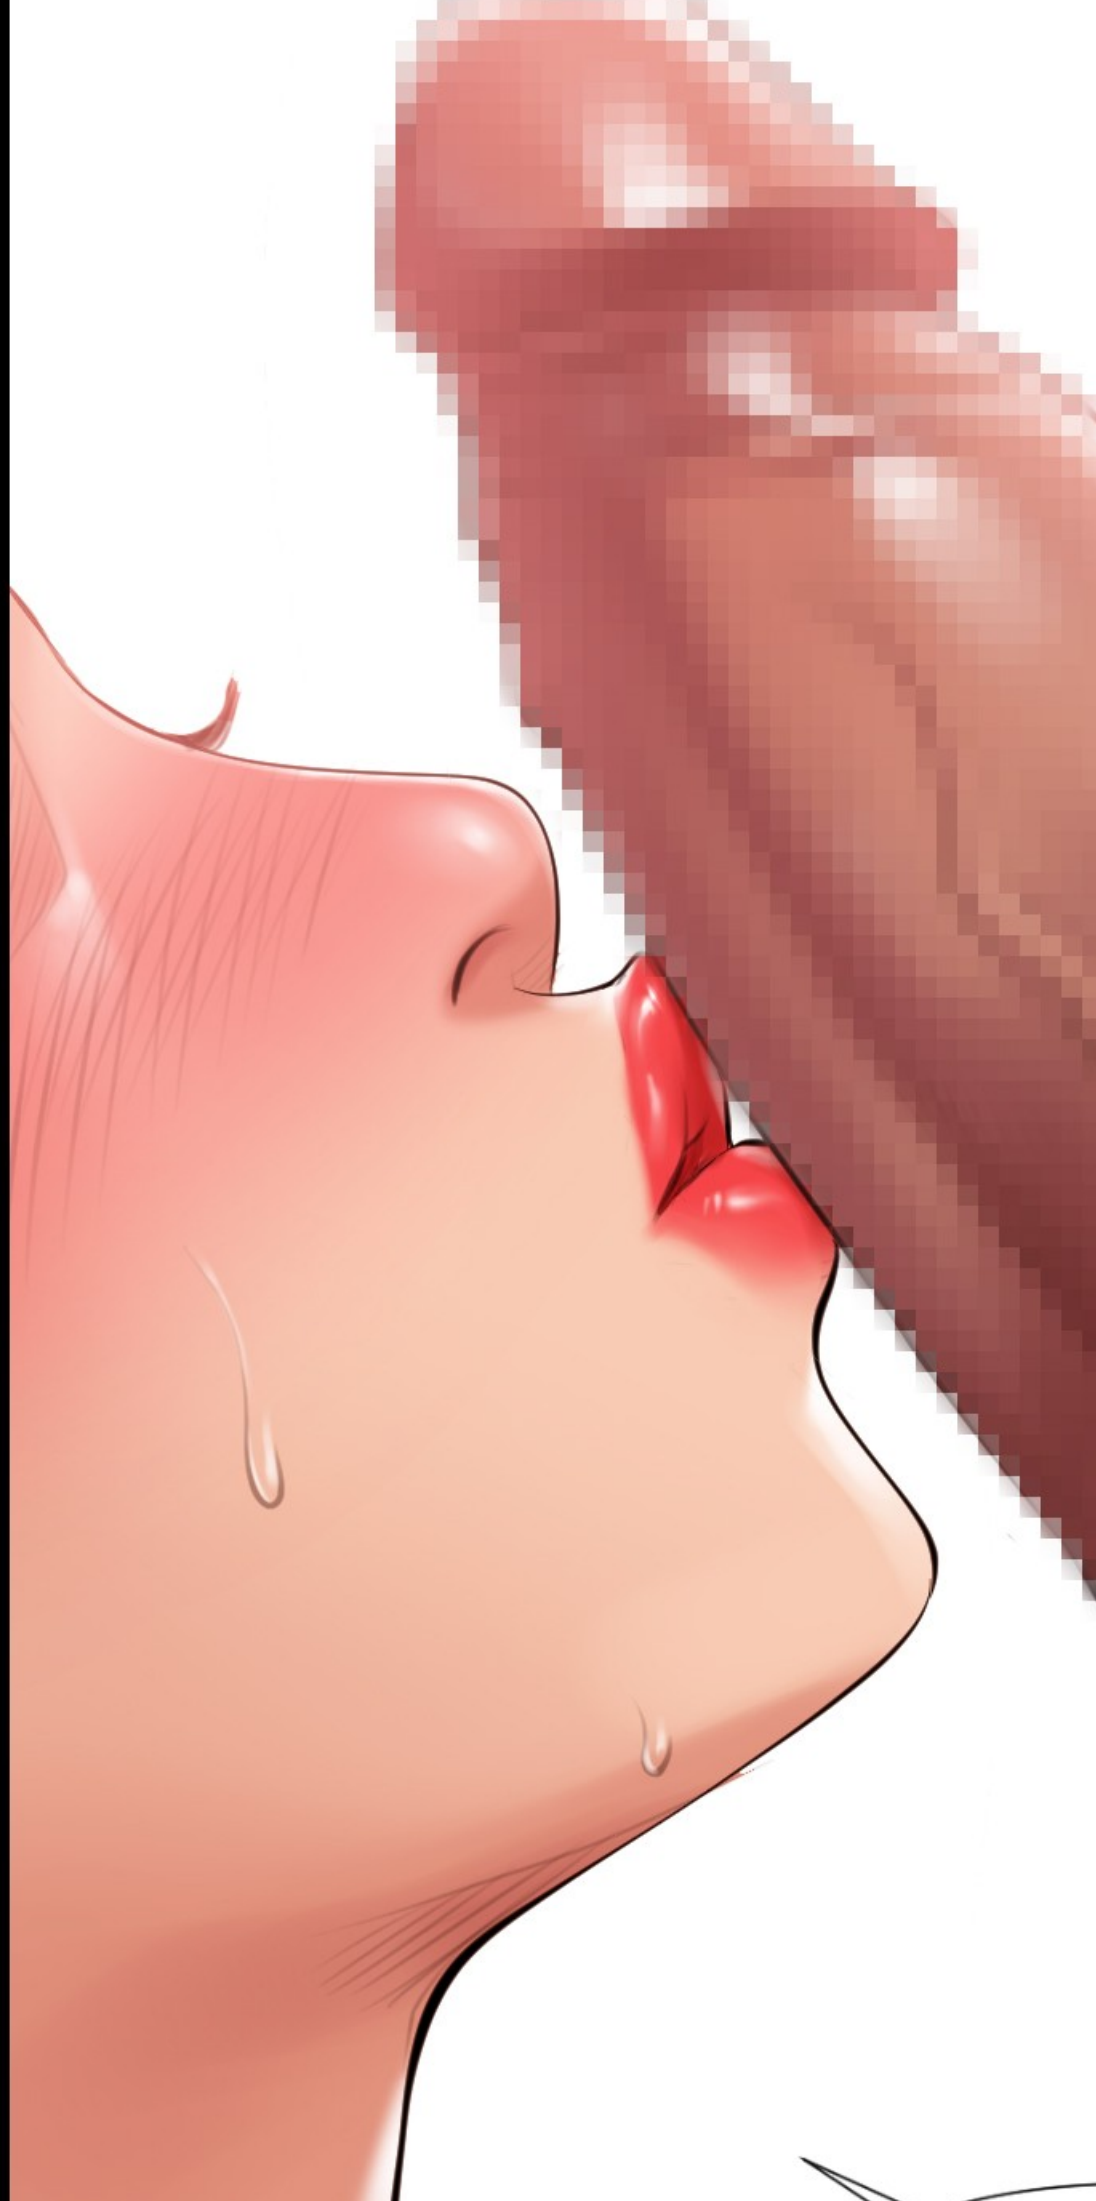

swear to serve Alex as
your eternal master

with unwavering loyalty,

... for all eternity?

Chu....
