I still think this is too much.

Let me have a treat, just once.

You have nothing but treats.

* WELCOME TO THE OPENING OF THE NEW STUDY ROOM.

A teacher. From our school? That makes no sense! Are you sure?

Very sure, my friend.

And she told us to come to her house and get in the basement.

And we always do what she tells us.

Samantha 09 - Study Room

And this would be her basement? Isn't this weird?

Actually, if you knew her it would make perfect sense.

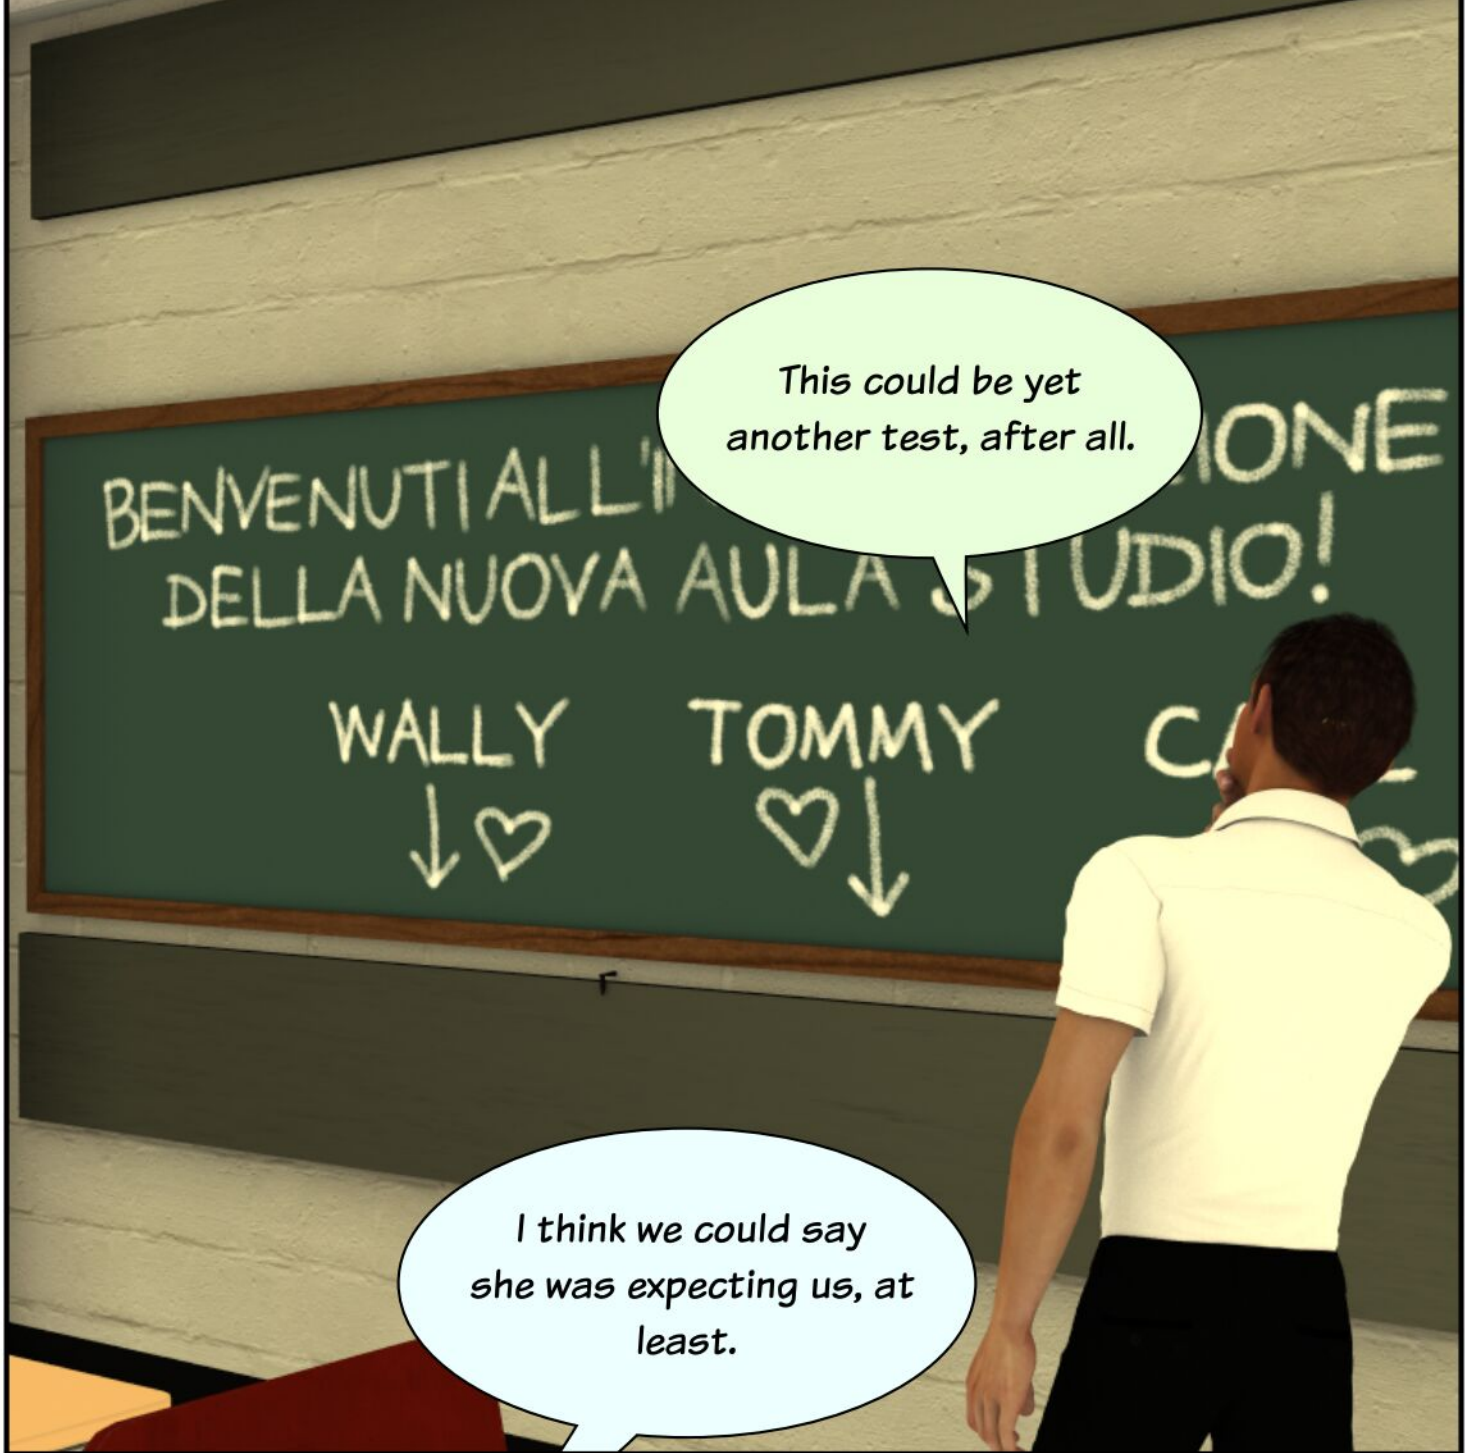

They will never figure this out on their own. Not everybody is crazy like you.

And this is exactly the kind of furniture I would expect in a study room created by her.

I expected her to be here, though.

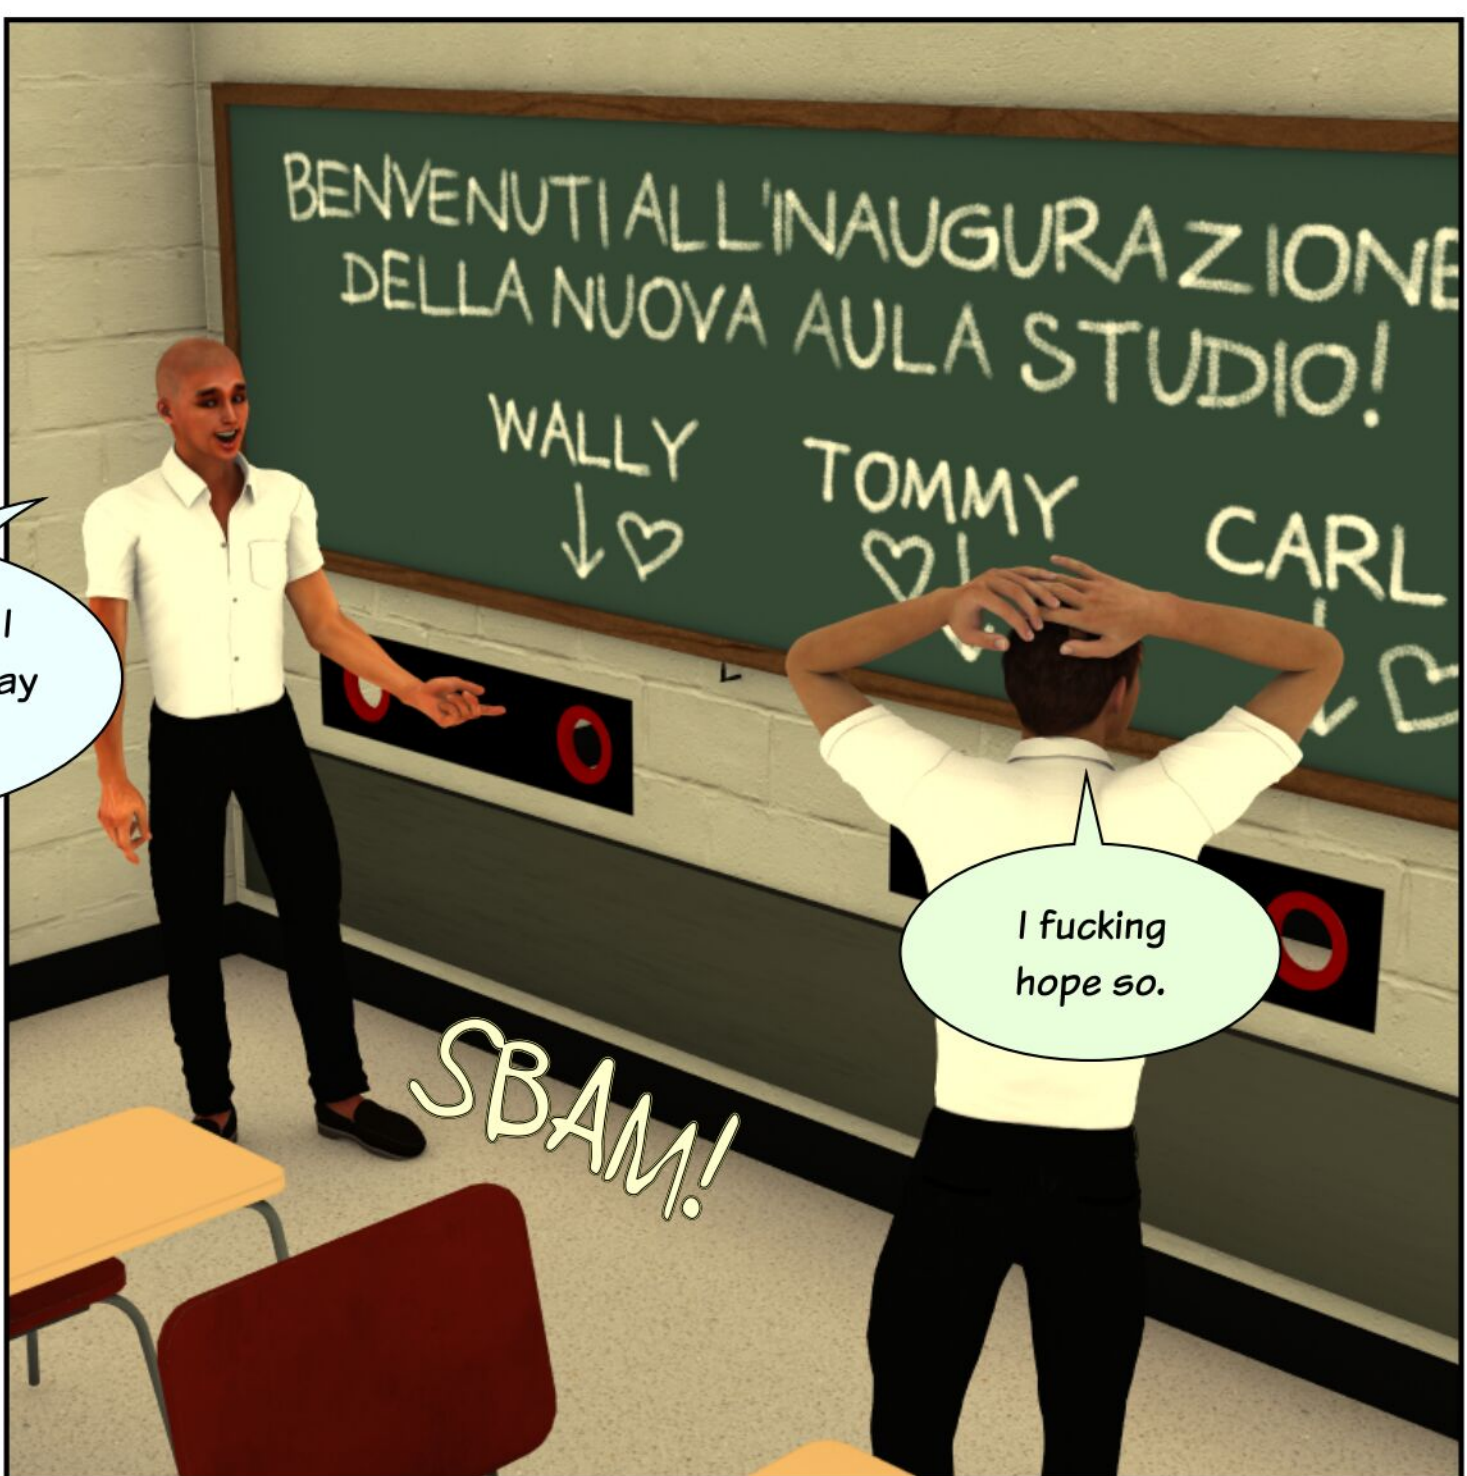

This could be yet another test, after all.

I think we could say she was expecting us, at least.

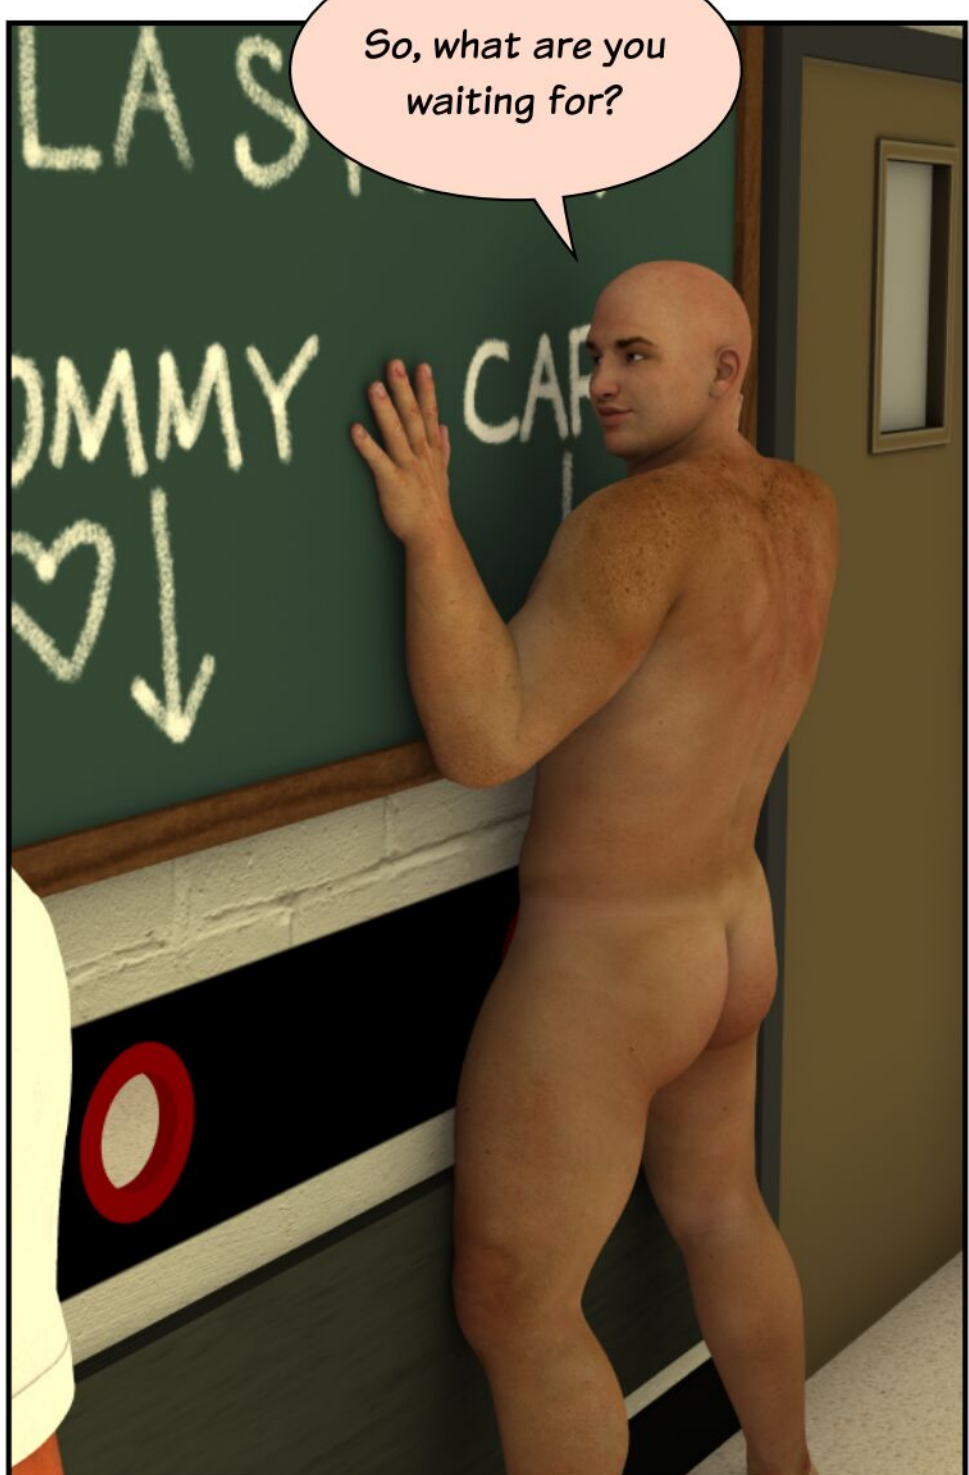

Do you think this one turns around?

Could this be what I think it is? Please, say yes.

I fucking hope so.

So, what are you waiting for?

Seriously? Just like this?

Come on. Three names... three holes.

It's obvious, I think.

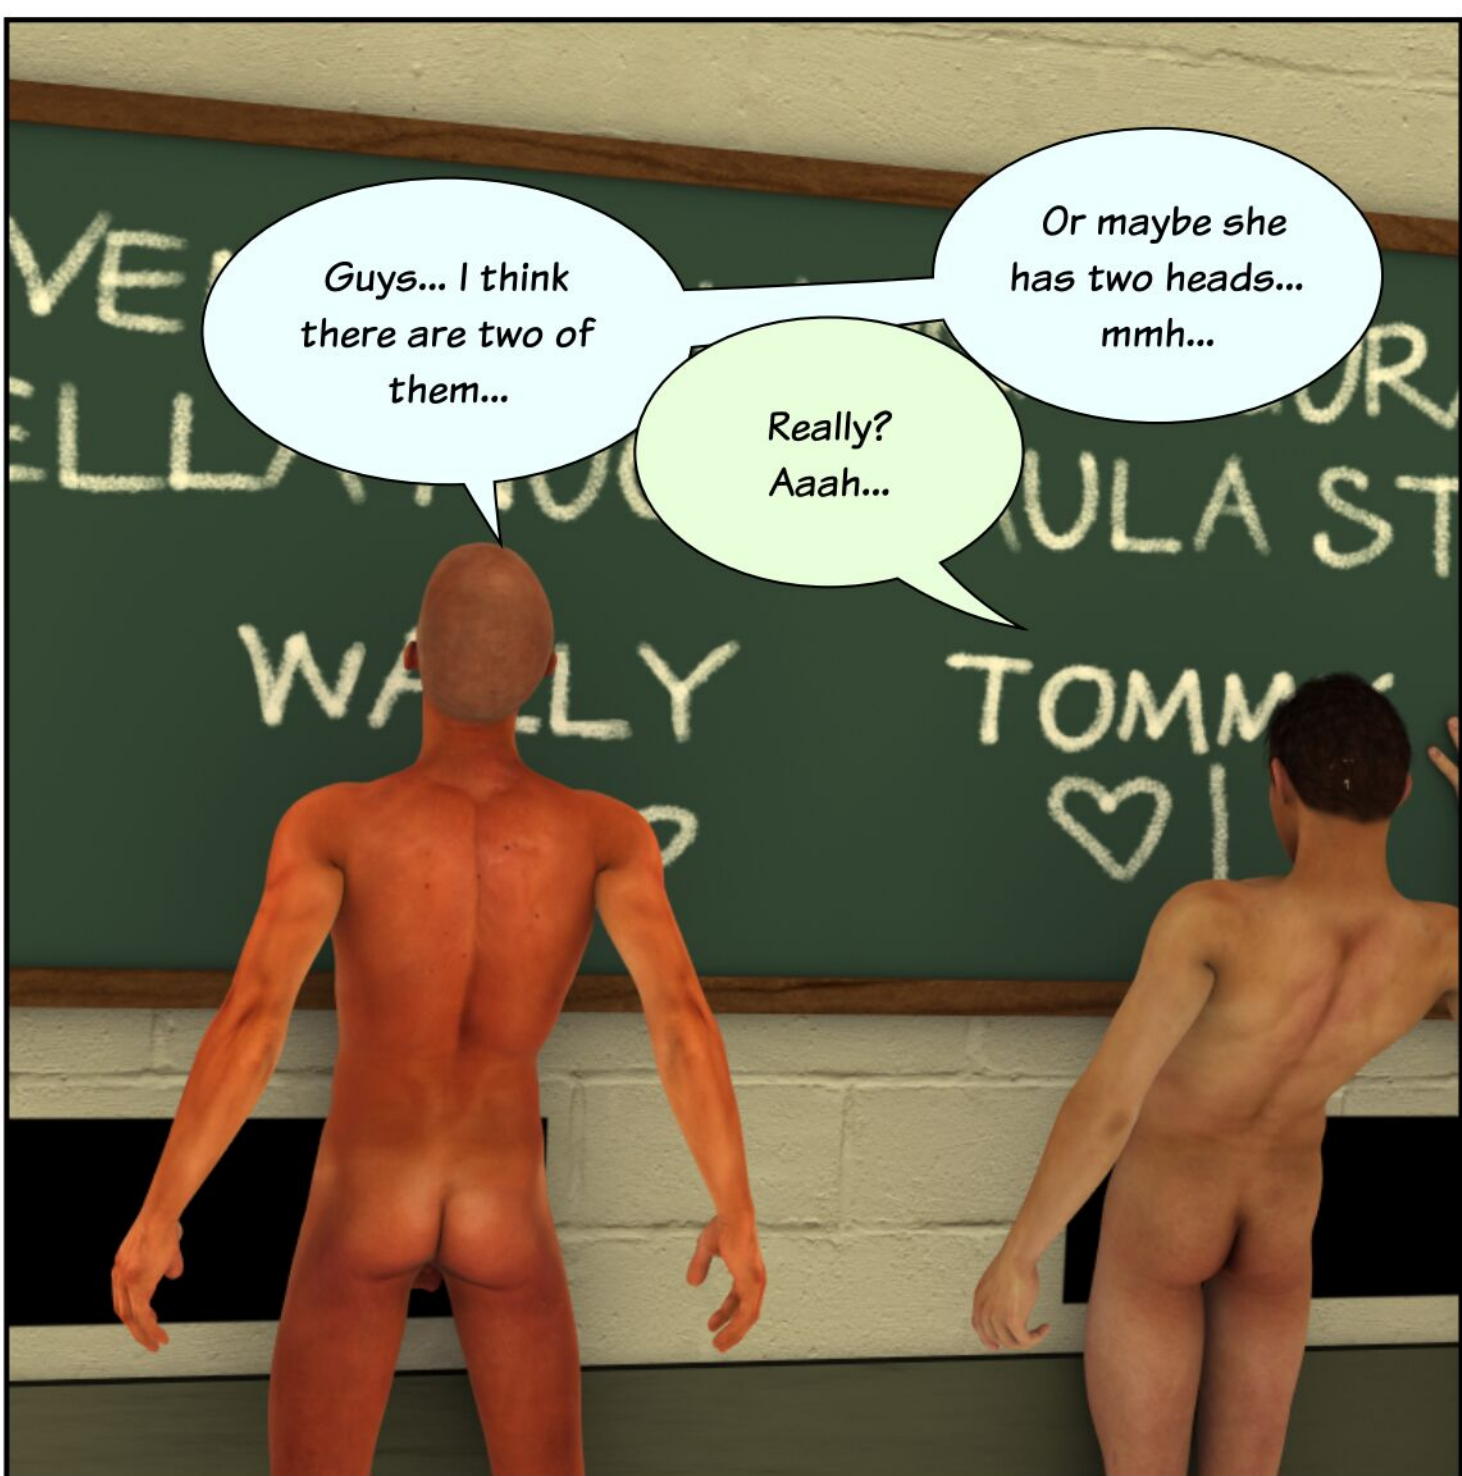

See? You shouldn't underestimate them.

Aaah... Gooood morning, Teacher!

Did you miss us?

Guys... I think there are two of them...

Really? Aaah...

Or maybe she has two heads... mmh...

Told you to wait a minute! Impatient, as usual.

We should come out at this point, don't you think?

Please...

Mmh... not bad at all.

You still don't trust me? Really?

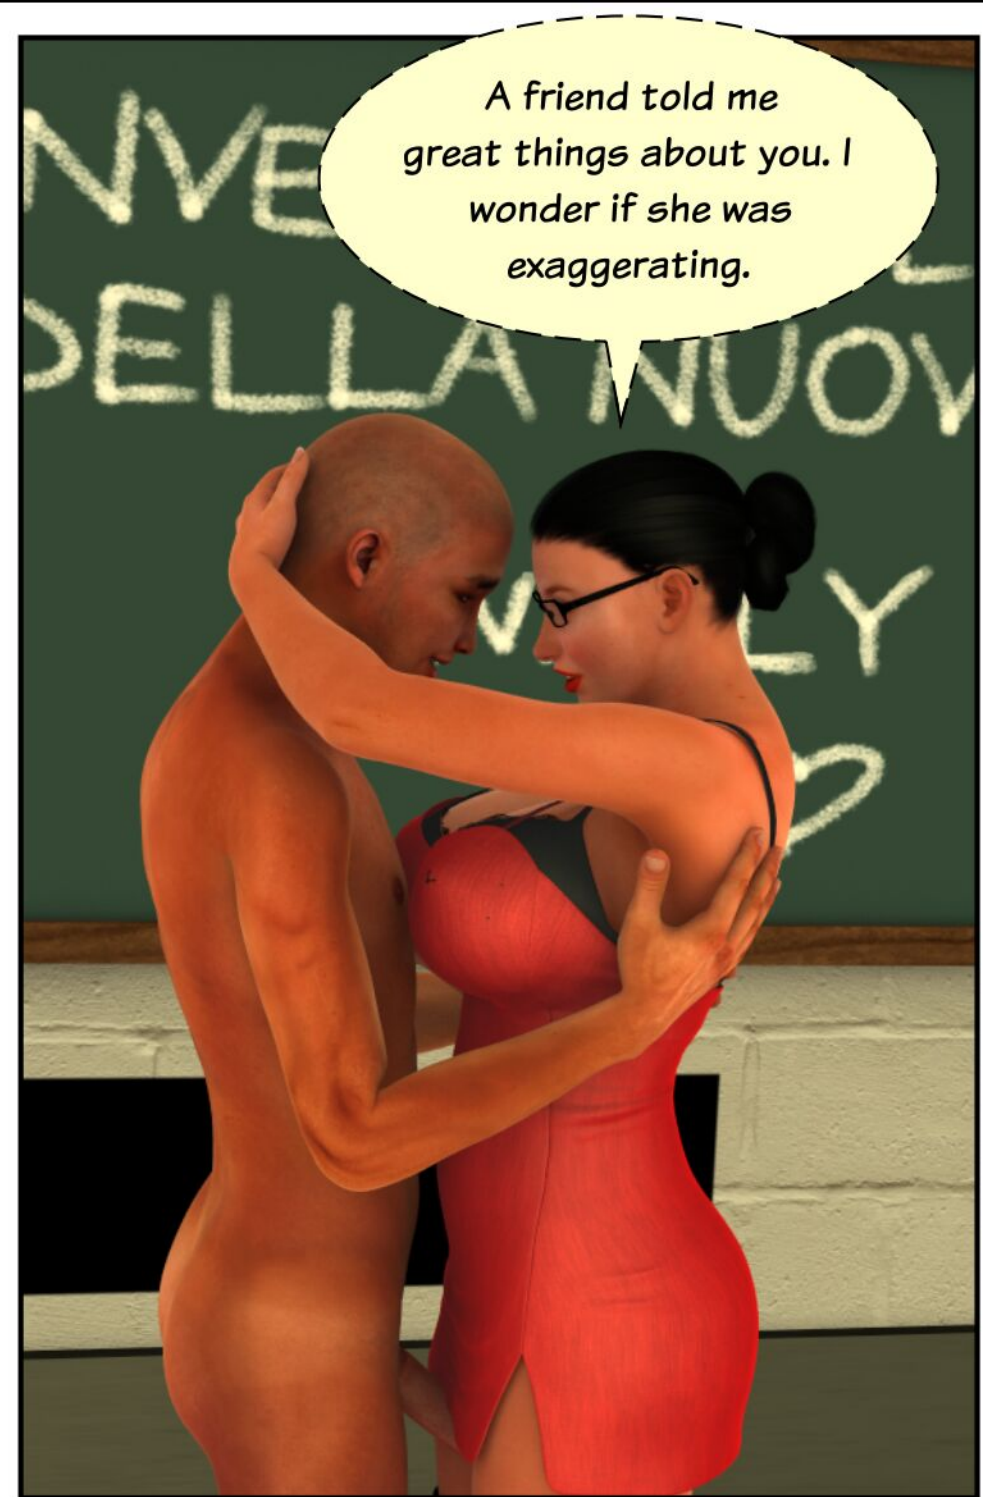

Oh my gosh. Is she Mrs Bianchi?

I'll be there in a minute.

Hello...

Suck!

A common friend? A girl? What the?

A friend told me great things about you. I wonder if she was exaggerating.

Who are you? Wow...

Mrs Bianchi is sucking my dick... I can't believe it...

mmh!

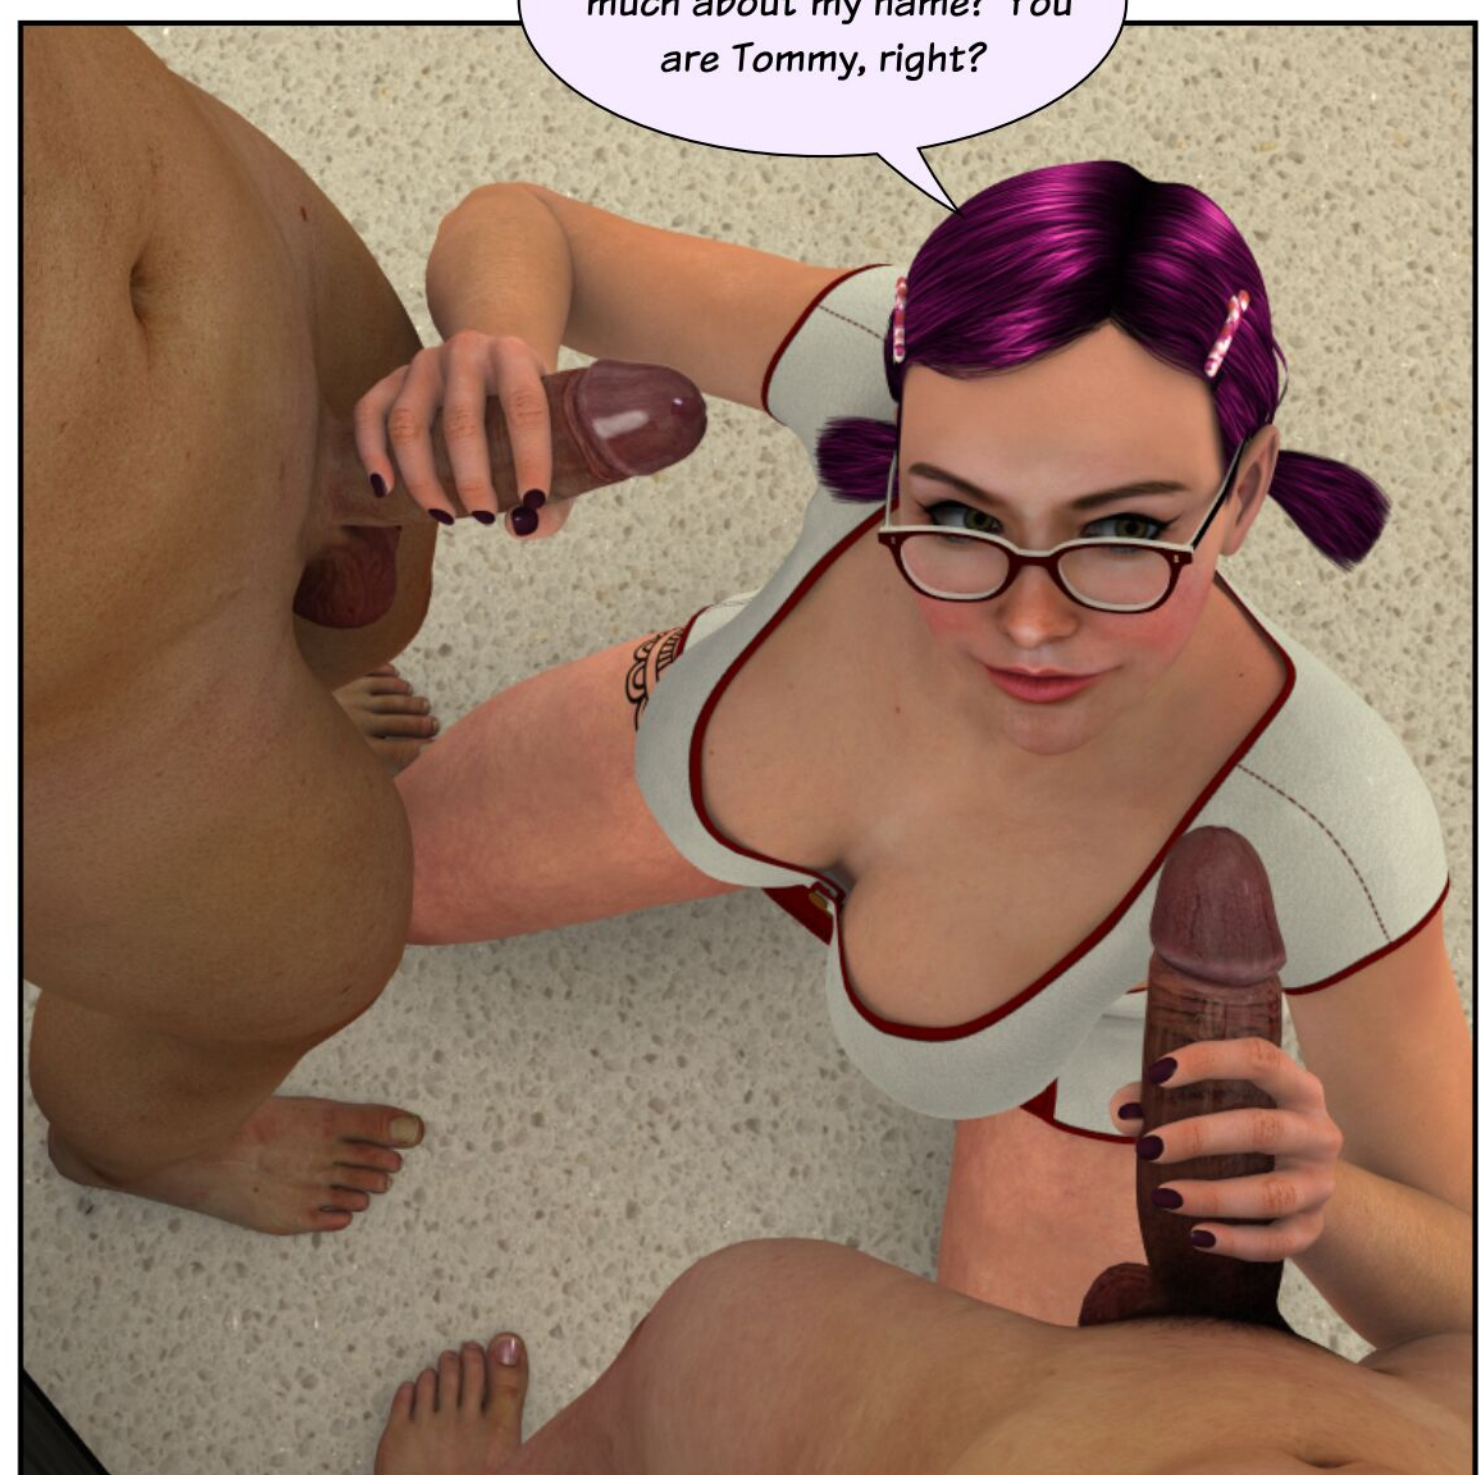

ghnn!

Do you really care so much about my name? You are Tommy, right?

Could you at least... aaah... tell me your name?

Seriously?

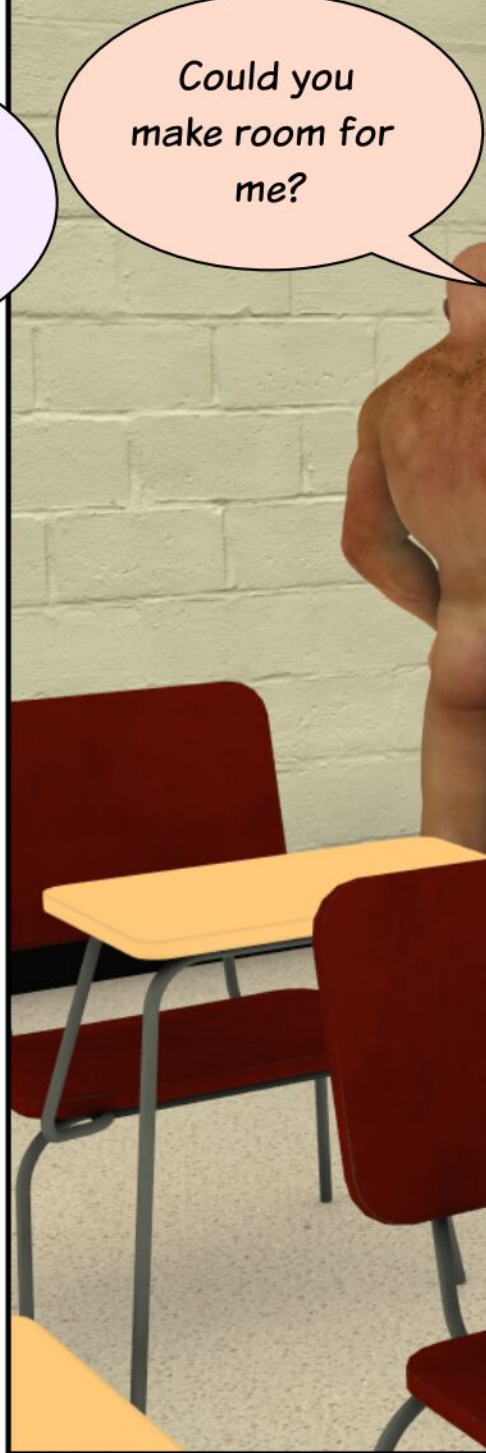

Do you really care so much about my name? You are Tommy, right?

Have we met? I think I'd remember you...

You were standing in front of a hole with your name on it.

Could you make room for me?

Tommy... I've heard great stuff about your tongue... Care to use it?

Can't you see I'm already on my knees?

Let's see if you're really that good.

A skirt with a flap... That's cute.

Do you remember me, teacher?

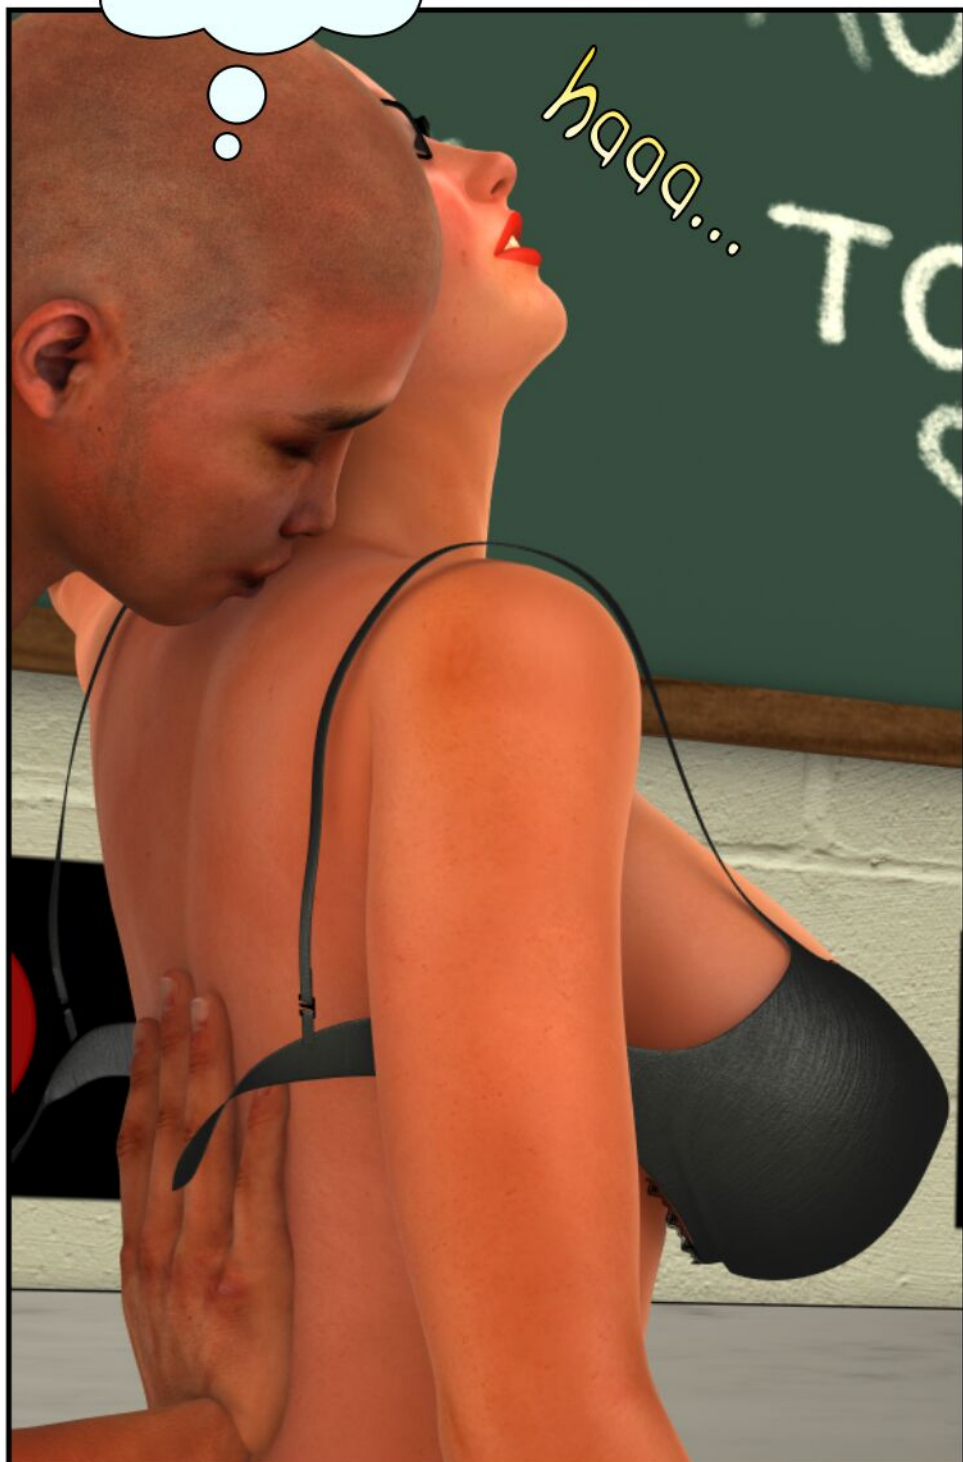

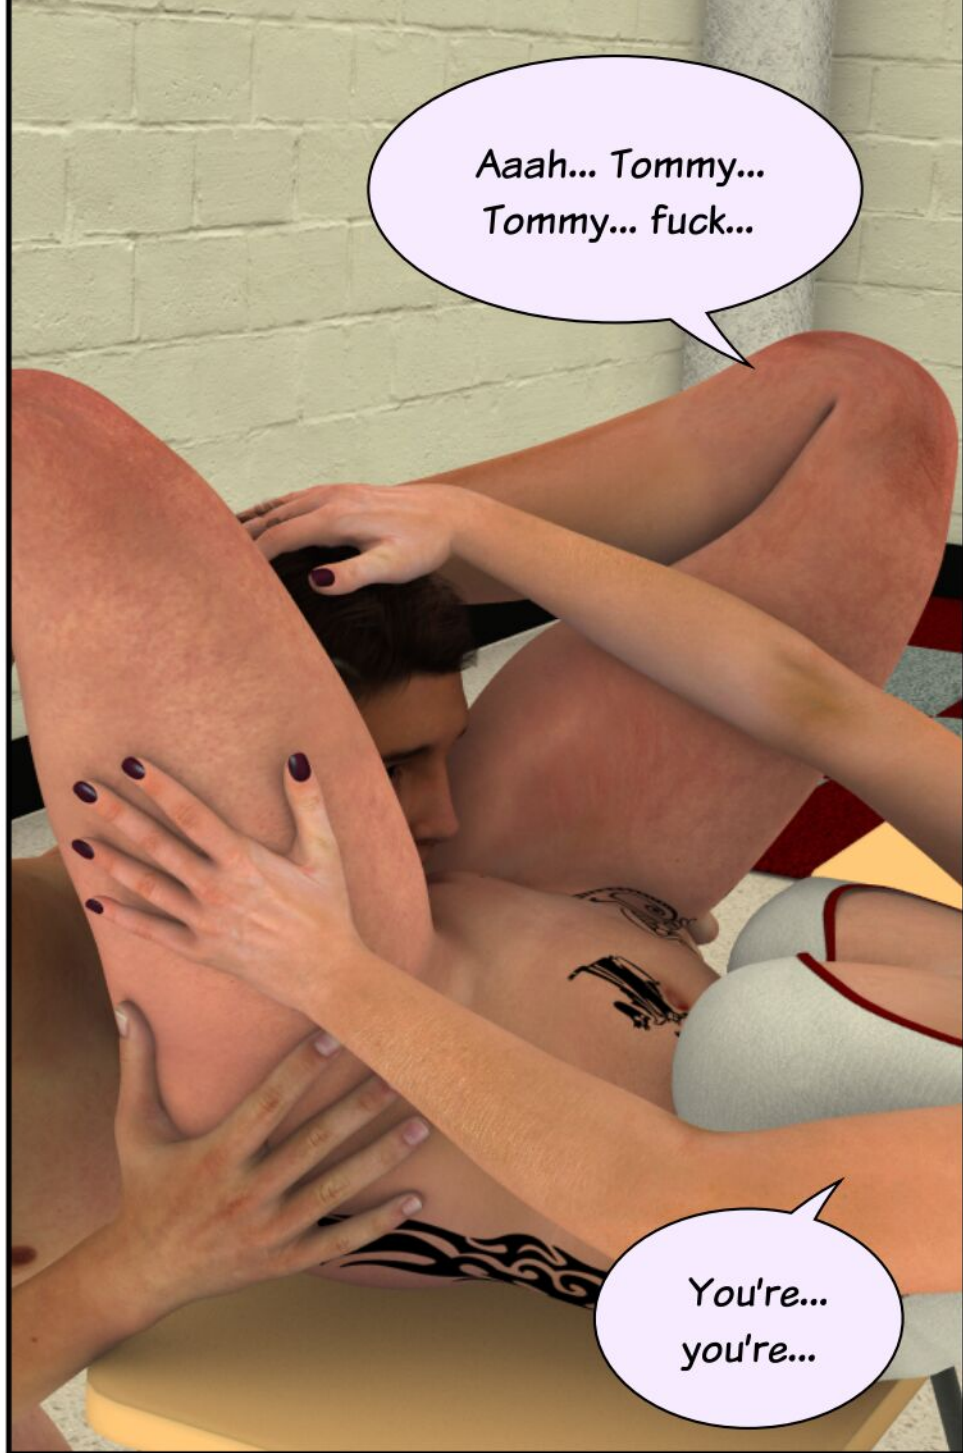

Sure I remember you, Wally. From now on you can call me Samantha.

Do you know each other?

He was in my class for two years...

And you haven't aged a day.

Now it's your turn.

aaah... yeah... like this...

You're so good, Sam... aah...

Suck!
Suck!

I still want to eat you... Sixty-nine?

MMNH!

Never seen a pair like this in your life, huh?

What an amazing woman... Aaah...

I did see a few pairs already, actually... But she IS beautiful...

Suck!
Suck!

Never seen anyone like her... Let me get a better look...

NGGH!

Good girl Sam... Another master pick!

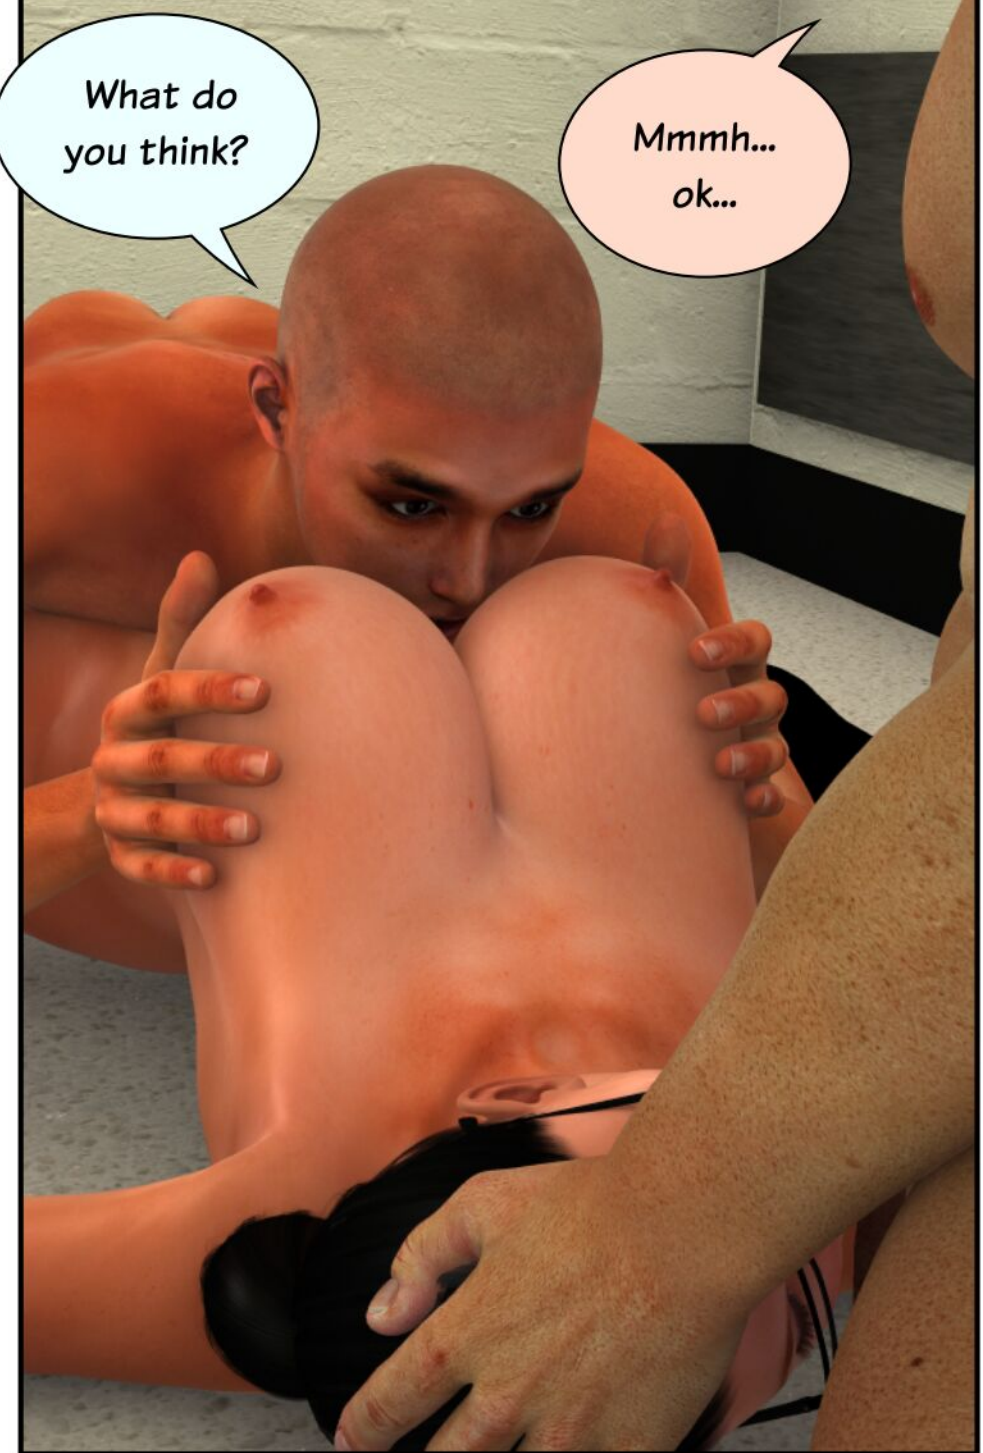

mmh!
mmh!

mmh!

Come here too... This is very comfy...

Stop thinking about them, come on...

What do you think?

Mmmh... ok...

Teacher...

Do you love sucking my dick, huh?

Your ass is... Wow. Gonna fuck you now.

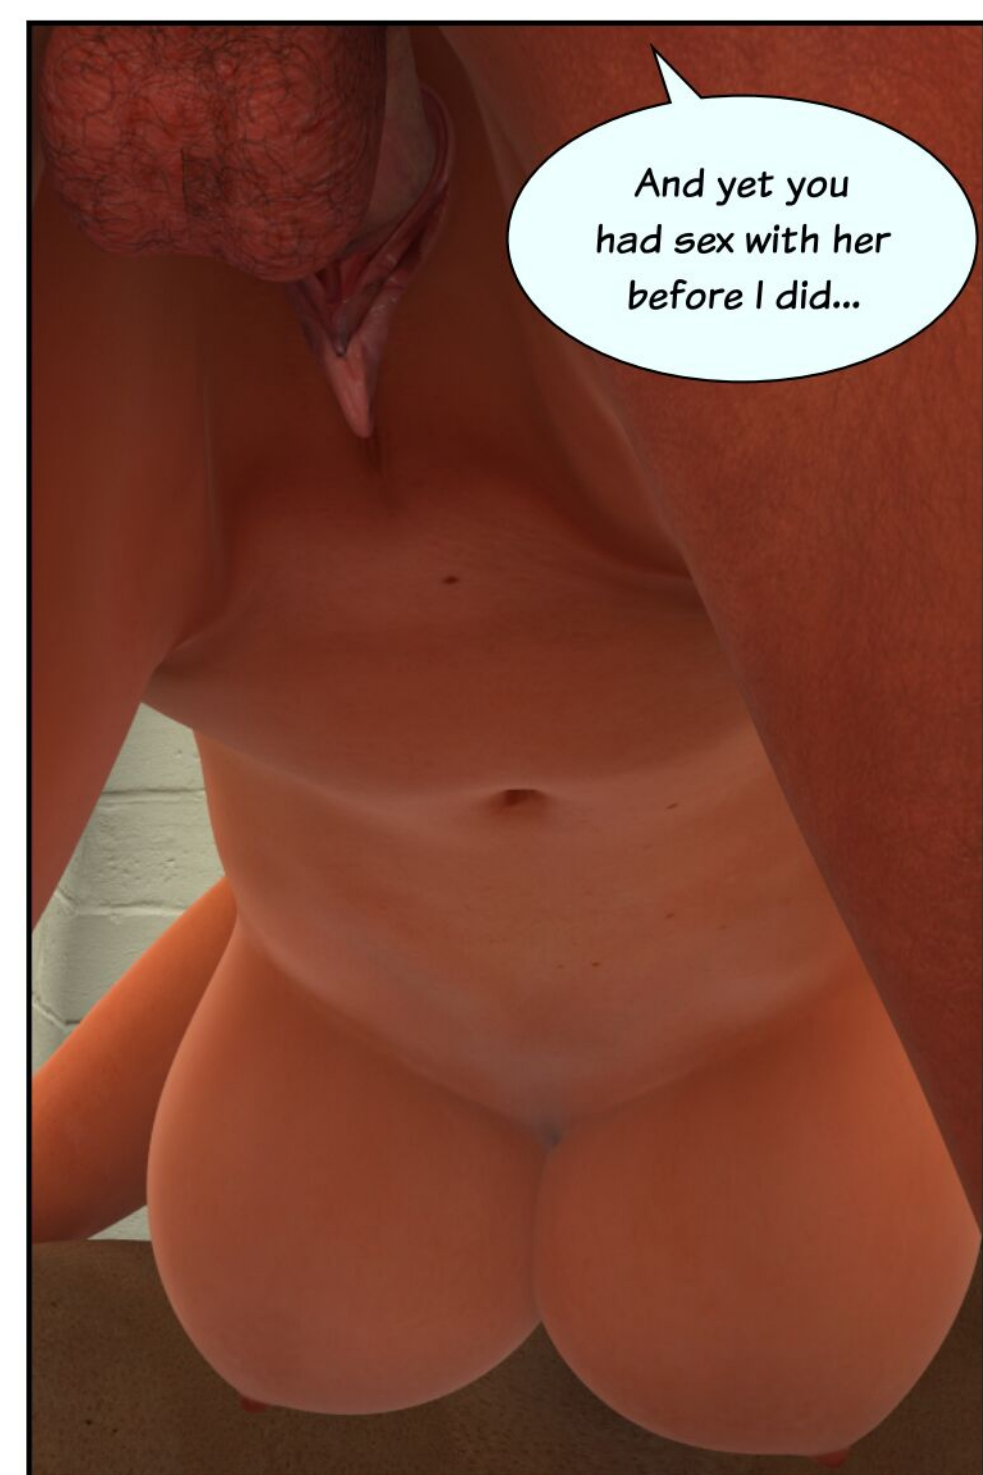

Mmmh!

Sam... I spent your lessons dreaming about touching you... and now here I am..

This is awesome.

Never had a teacher like her at school...

And yet you had sex with her before I did...

Carl, go to Vanessa, now.

nghh

nghh

Anyway Tommy won't cum with a blowjob... It's useless.

Don't think I'm giving up...

You were so good in math, even if I did distract you so much...

I didn't want to make a bad impression on you...

MNNHH!

I wouldn't have been able to do sums, with you as my teacher...

You're so cute... And my study room? Do you like it?

Not sure about the holes... The rest is great!

Don't you like my gloryholes? Always wanted one of them in my house.

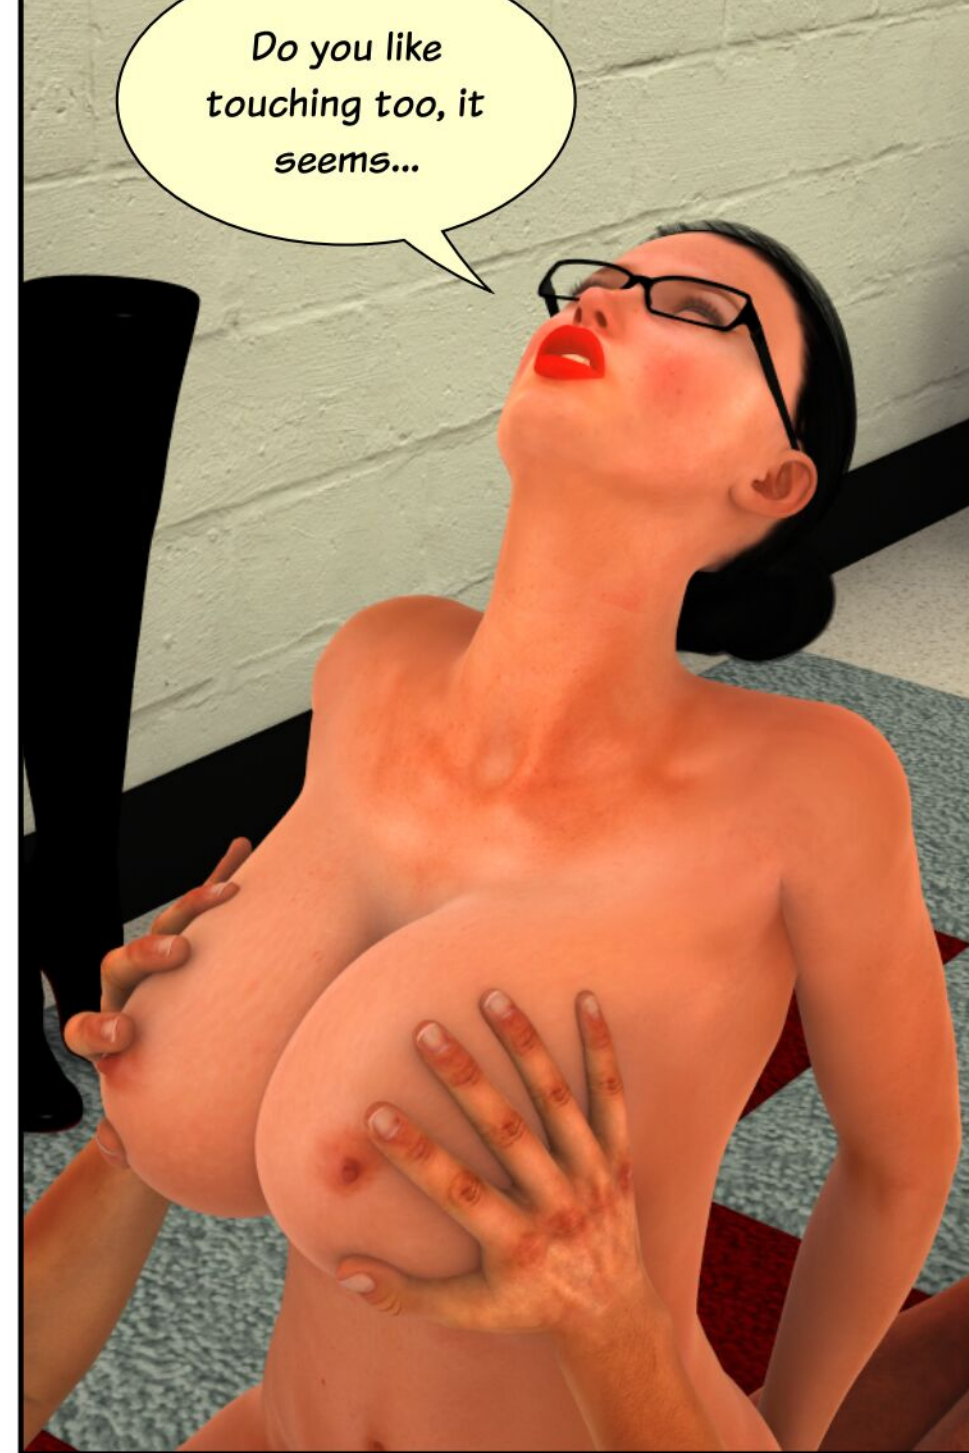

Sorry, but if a girl like you is sucking me off I want to look at her.

This is not right! I'm doing everything I can! Why is he not coming?

Mghh!
Suck!

He's right. Not watching is dumb.

Do you like touching too, it seems...

For example, I'm sure you've got a great ass... Why don't you turn around and show me if I'm right?

No! Don't stop her... She's so good... aah...

Not good enough to make you cum...

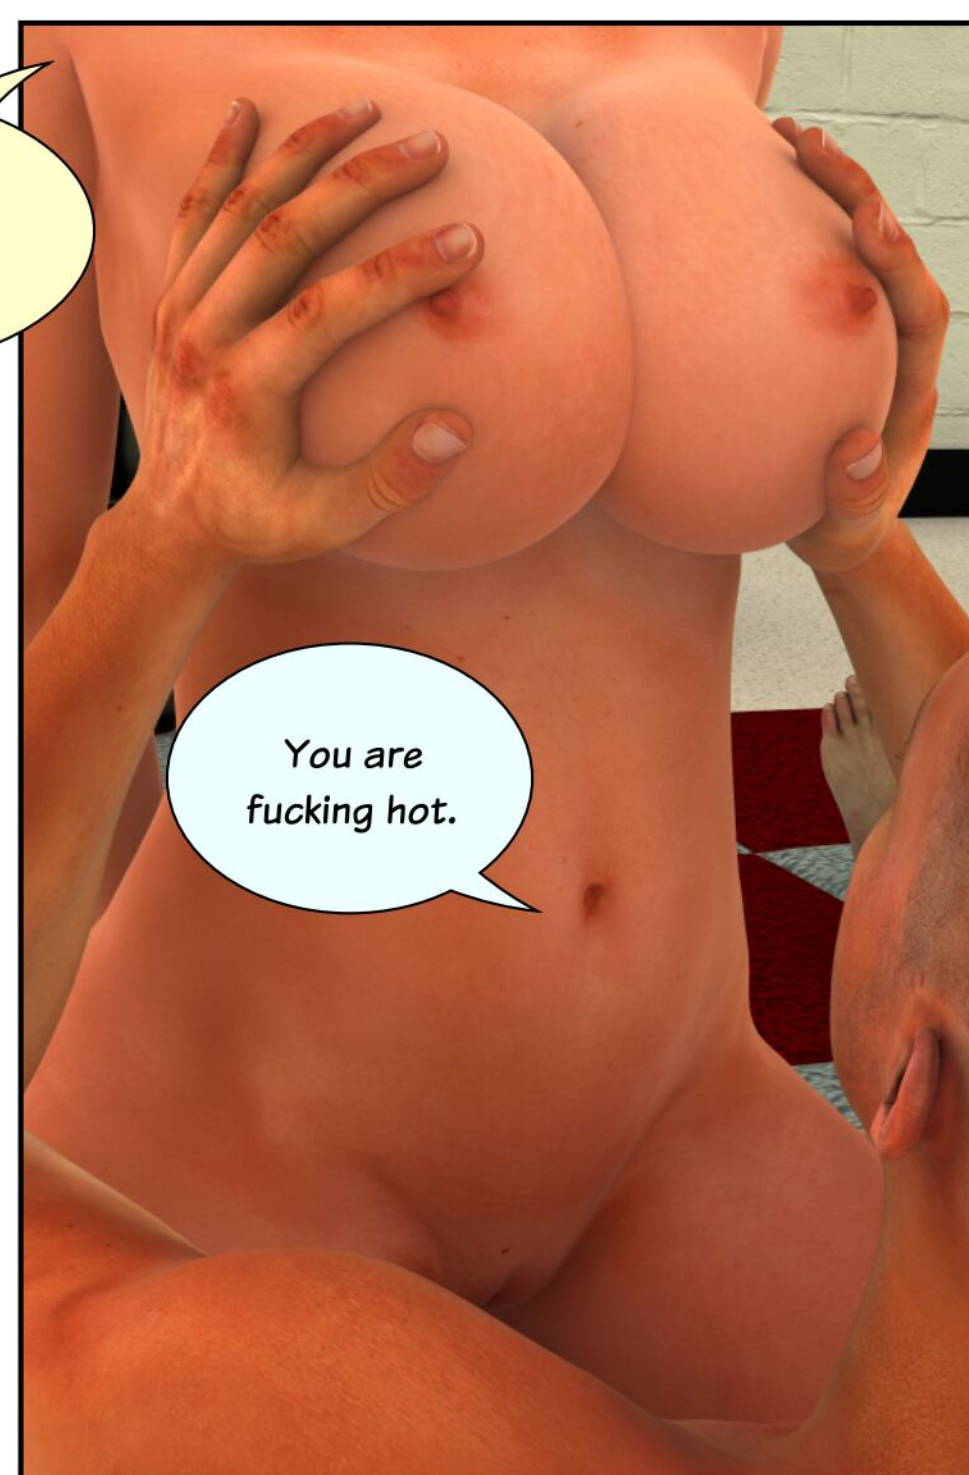

Told you... He doesn't come with blowjobs...

He doesn't cum with YOUR blowjobs.

You guys should tell.. aaah...

It looks like she's great, tho... Is she as good as you are?

WHY!
WHY!
WHY!

You are fucking hot.

I'll turn around...
aah... so you both can be
happy...

Thank you,
beautiful...

You're good too...
mmh...

Let me put my dick
between them.

aaah! My
God... Yeah...
yeah...

You look so
good...

Let me stay on
your cock a few
minutes more...

aaah...
Ok...

AAH!
AAH!

suck!
suck!

A determined
girl, huh? Mmh...

And so good...
aaah... God...

I can feel it...
He's close...

AAAAAAAH!

So? Who's the best? Who's the queen?

Look at that, she made it... Let's go on the sofa.

Brand new, I hope the four of us don't break it...

It looks good.

Now on the big bro.

Now we're talking.

Do you want to cum too?

No hurry.

Tits as good as Lucia's, and twenty years older... Incredible.

Just want to enjoy this as long as possible.

Do you want your titfuck?

I need it.

You deserved it...

Thank you, teacher... aah...

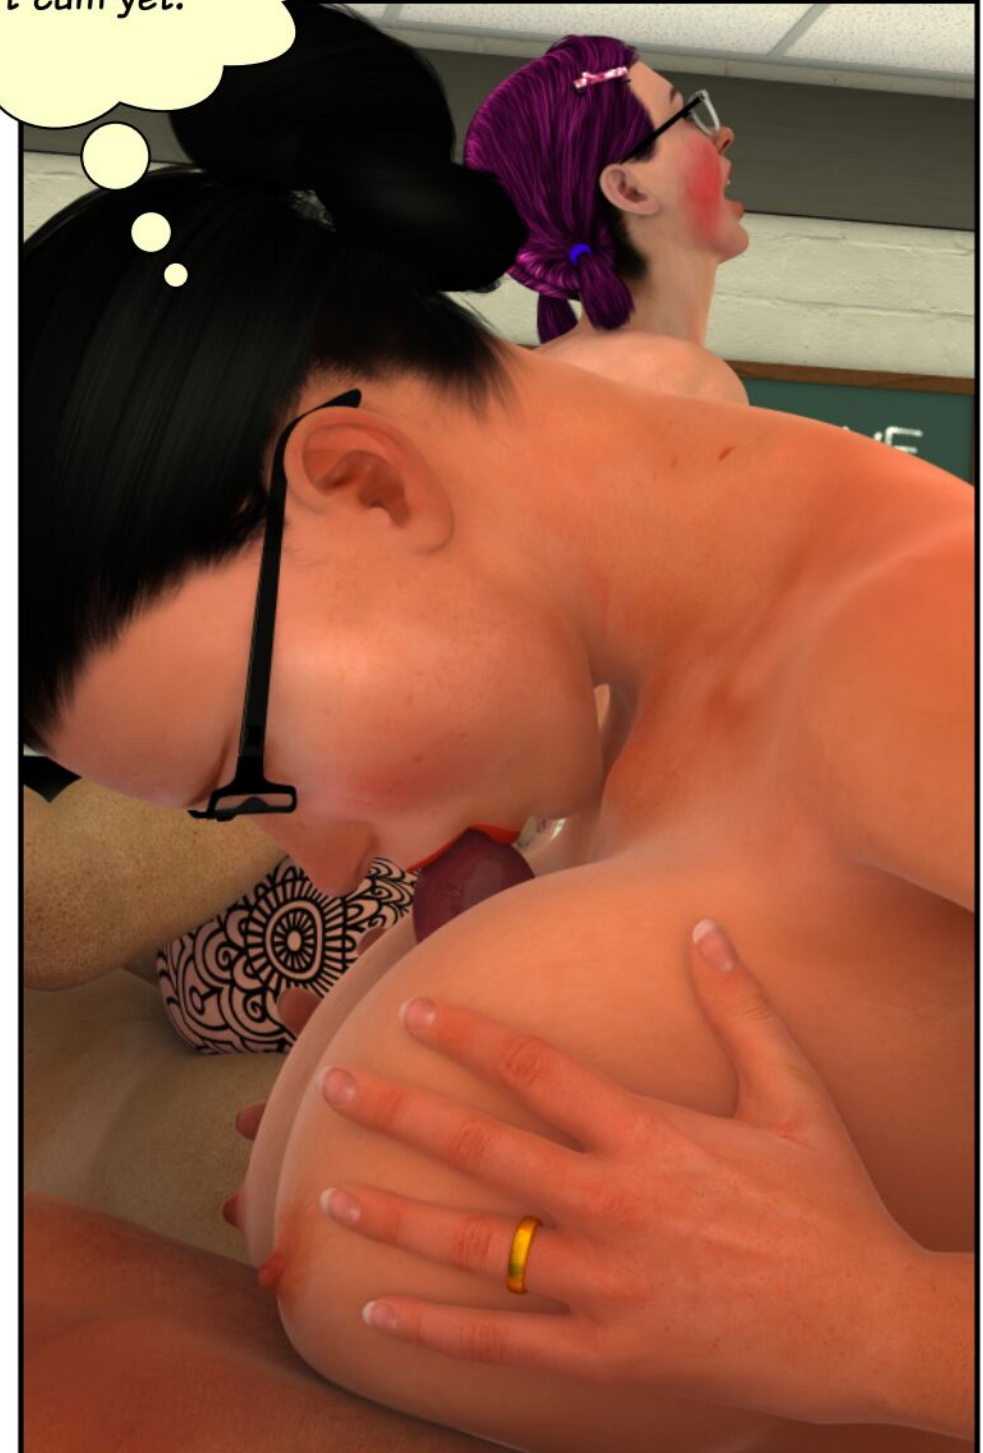

May I?

Sorry, Wally... You can't cum yet.

Sure. Come here, Carl?

Wait... Just one moment...

Sorry, Wally... You can't cum yet.

All right... Go to her...

WHAH!
WHAH!

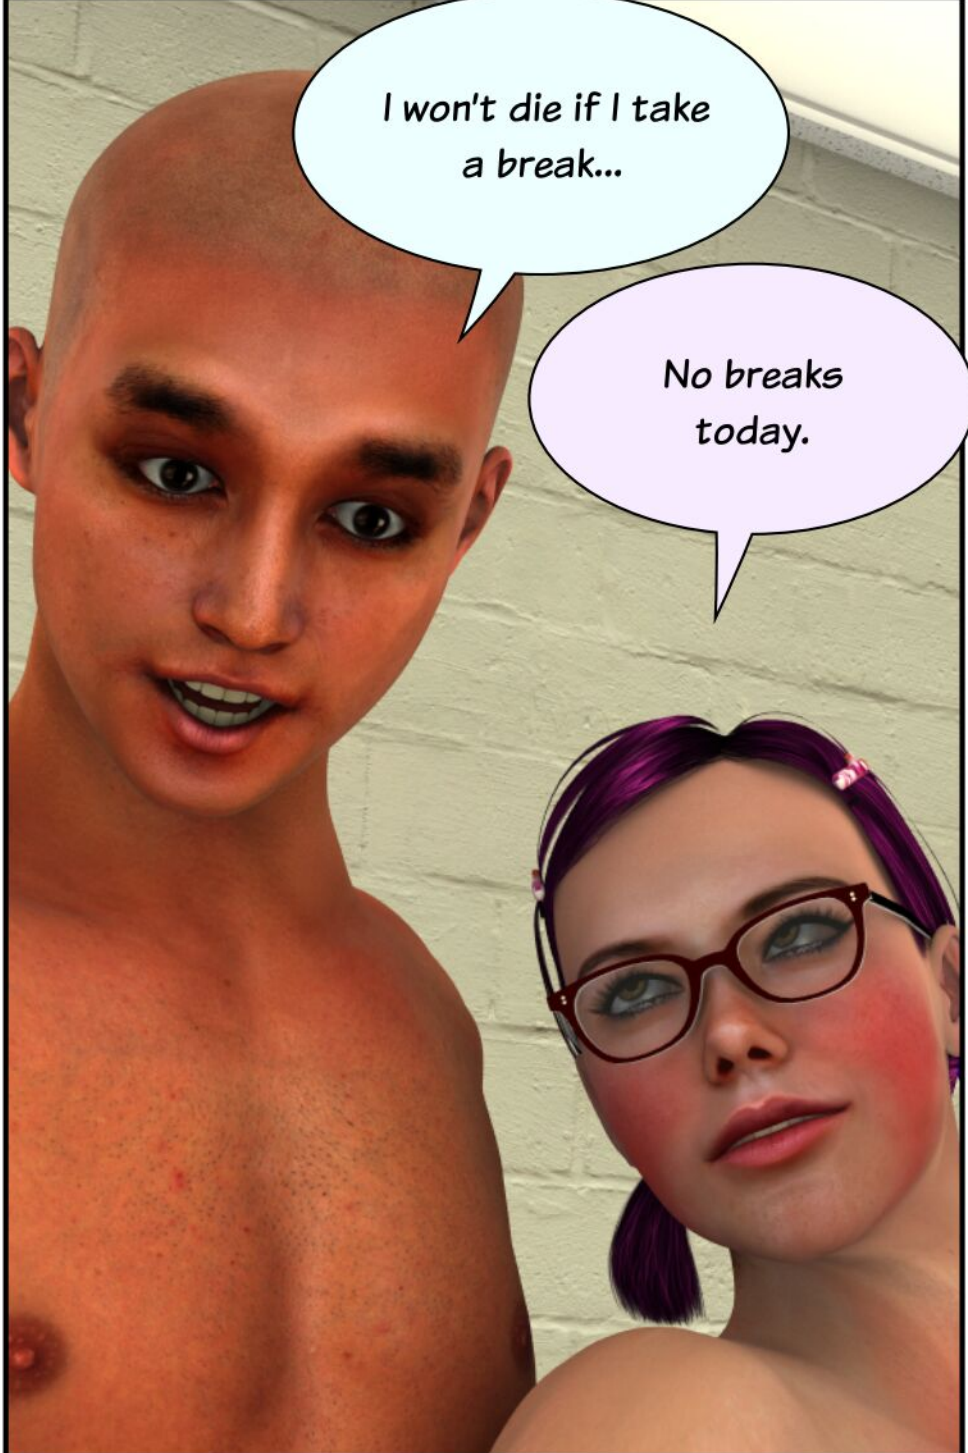

Yes... come here, all of you...

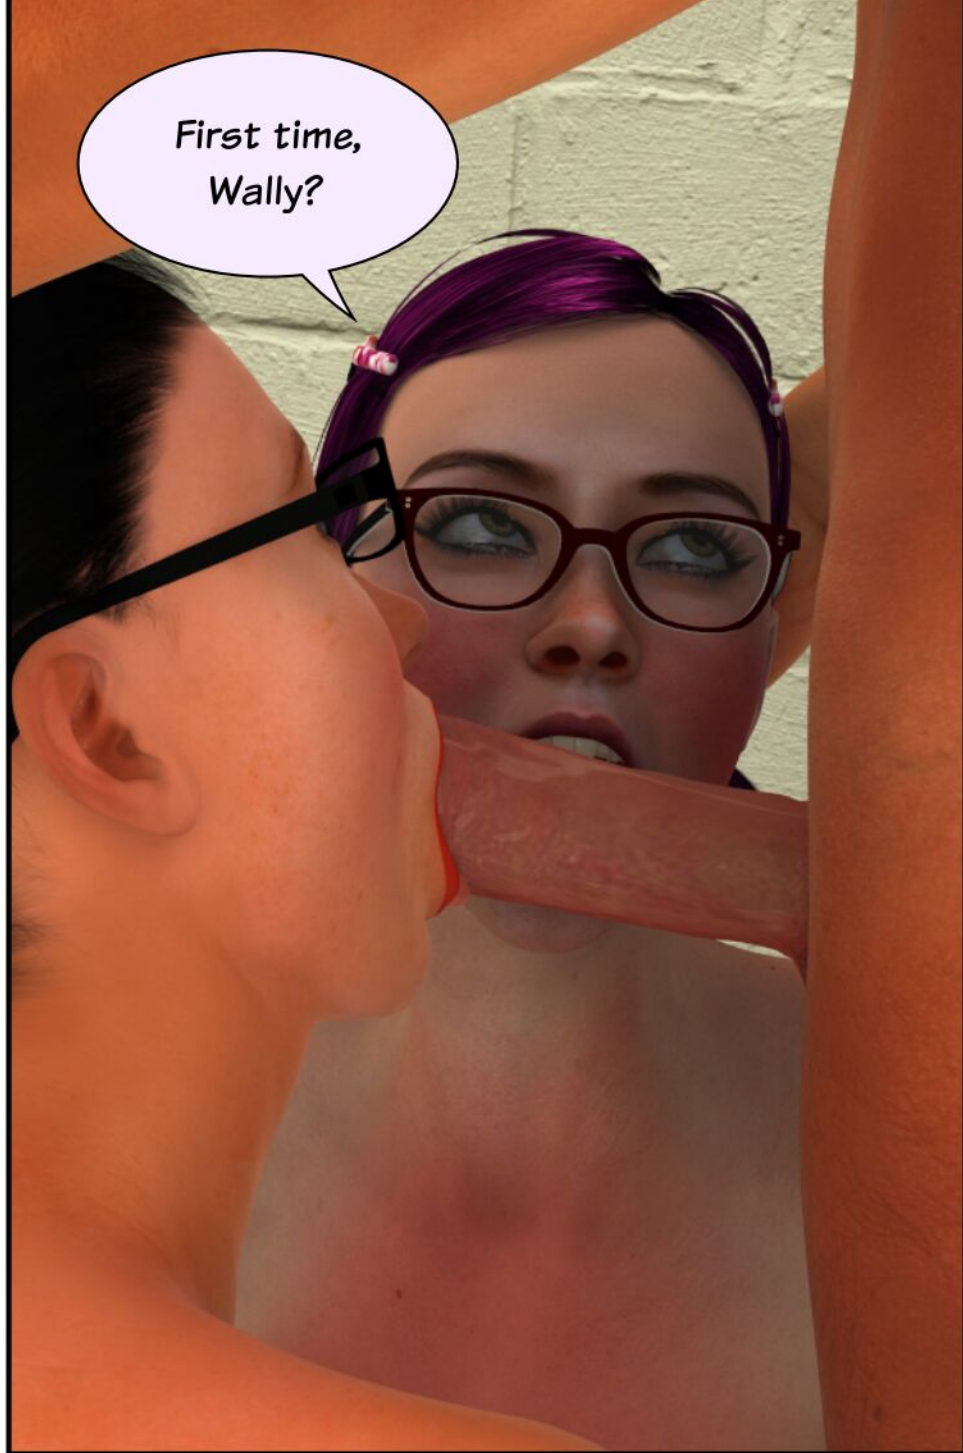

We're for you, Teach... aaah...

What a woman... Fuck.

Would you rather have her sucking you than having me on top?

First time, Wally?

Gosh, this is a dream...

Suck!

Sure is his first time, come on... aah...

Lick!

Stop!

HAAA!
HAAA!

mmbh!
mmbh!

He's going to blow up... It's all yours, teacher.

Samantha... teacher... aah...

Cumming! I'm cumming!

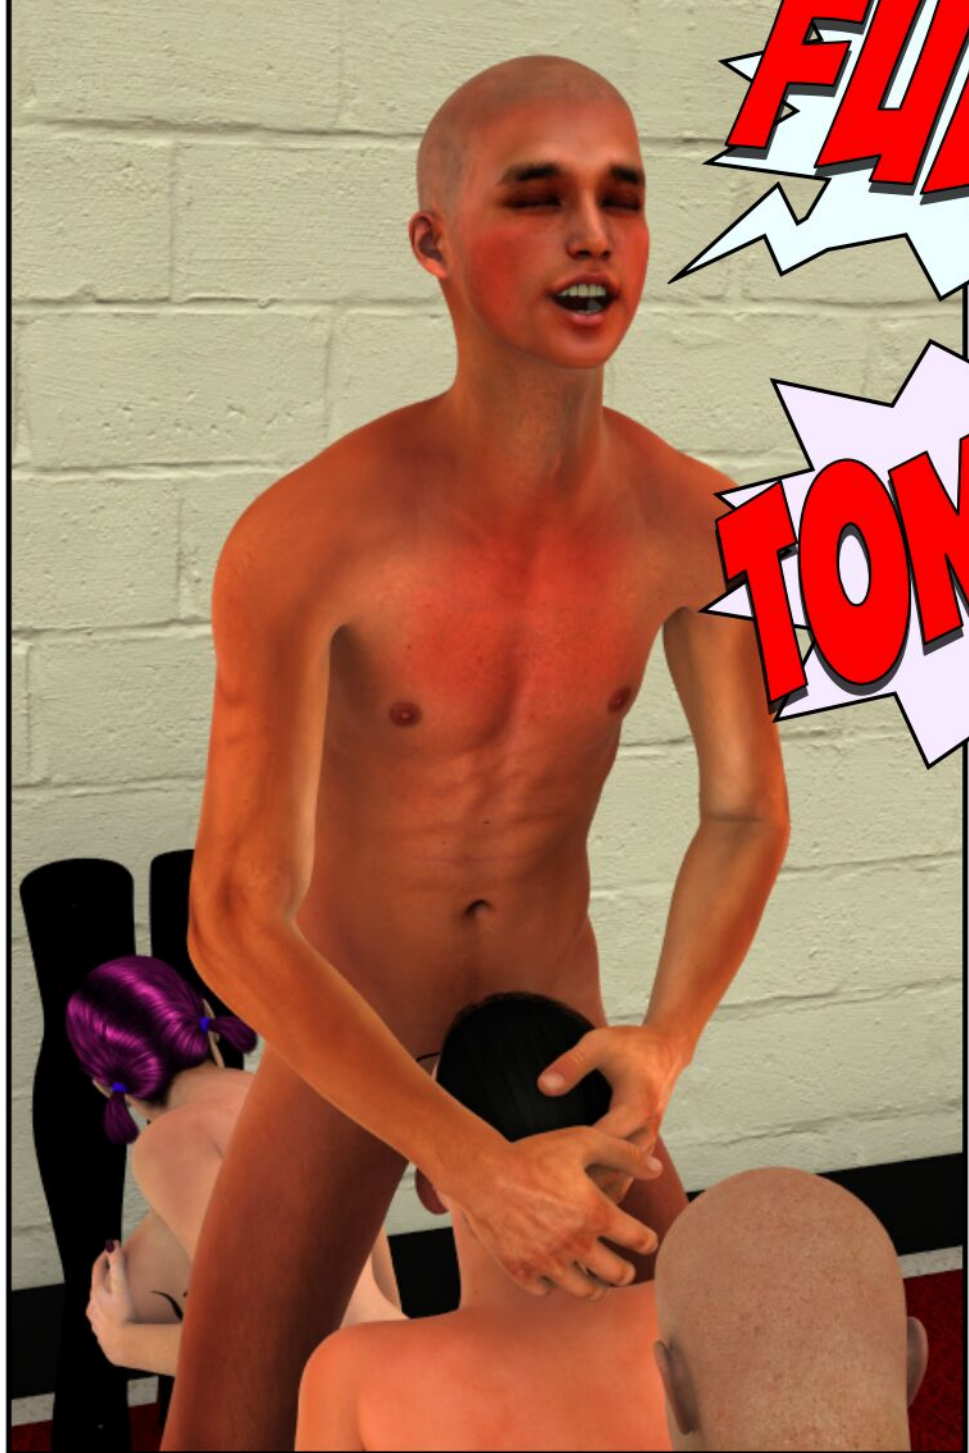

I've been riding you for half an hour. Of course you're cumming.

nggh!

nggh!

Wow... Tommy... me too...

FWUCK!
TOMMY!

gulp!
gulp!

SAM!

Come here,
Wally... Your turn
to lick me.

Carl ran away and
Tommy is busy... You don't
have any other option.

I want you. I just
came, so take it easy...

But me? I
came three times,
boy.

Everybody here came
but you, Sam.

Bouncing on your
friend is fun.

Come on,
three?

Wally... Are you hard again?

Yeah...

lick
lick

Why don't you use that instead of your finger?

Yeah?

Yeah.

Your tongue made Vane cum twice.

You guys are good.

How are you already this hard? Fuck...

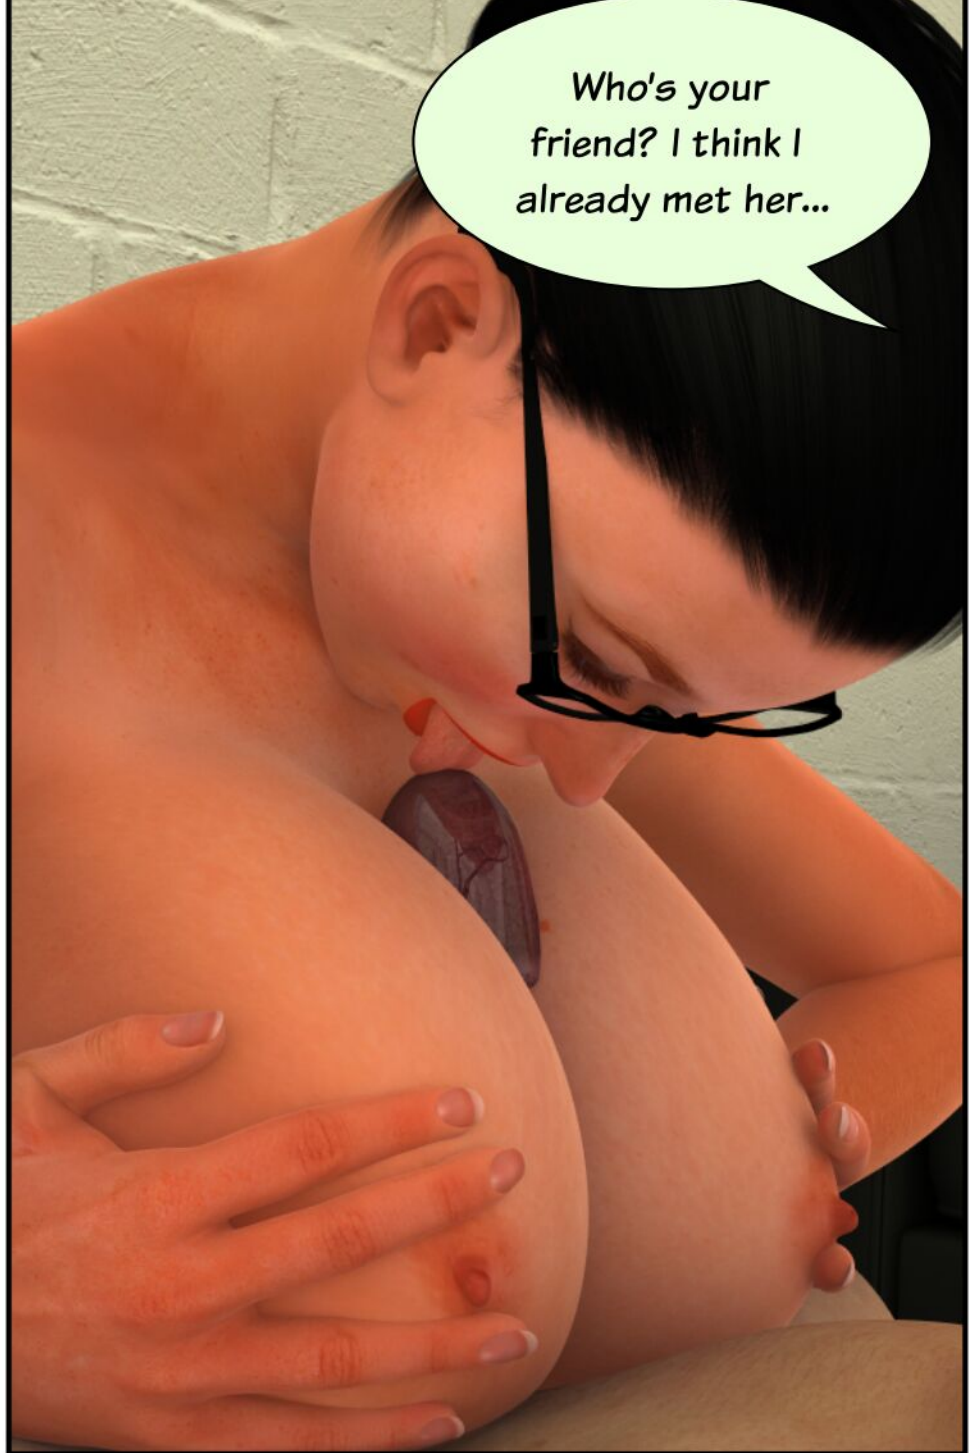

There's room for me too?

Come here, stick it in my mouth.

And don't stop, Wally!

Who's your friend? I think I already met her...

Me too... somewhere at school maybe...

ngh!

suck!

suck!

Perhaps you're related? Is she your niece?

I can see a likeness... aaah...

mmh!

mmh!

No kinship... She was a student of mine too... Now I'd call her a friend.

You could reach her too, now...

oah!
oah!

mngghh!

Fuck, Carl! Slow down, this is too much!

Carl! Stop! She wants you to stop!

Does she? I can't see her...

Carl... aah... try to be more careful... Why don't you go to Sammy now?

Poor me, all alone...

Do you want us to stop? Is everything ok?

Perfect... don't stop... aah...

Are you sure you don't want them? Should I call Carl?

I want to fuck you. Stay right where you are.

You're waaay better than he is... aah...

This could be our last fuck, you know? This Saturday I'm going out with a girl... And if everything goes as planned...

You'll want to give yourself to her only. Good boy.

We already have a replacement for you... aahn...

What? Where?

We come here to see her each saturday... aahn...

I could spare some time too...

No. Saturday is my day... aah... If you want to tag along, we'll pick another day...

mmbh...

Any day is good to me...

Well... If this girl is smart, maybe you'll bring her here and introduce us...

God! You're so good!

Don't know... Maybe...

You don't want your bro to bang her, I get it.

Cum inside me...

Don't want to... This is too good...

Go on the sofa. Let me do it.

I can't do it anymore... haaa... aah...

Suck my finger.

FUUCK!

Yeah... suck it as if you want it to cum...

This is my last goodbye to you... mmh...

mmh!

I sure hope Carl and that girl gets along... The boy never impressed me... Wally, on the other hand...

Fuck... Want to wait for her?

Fuck... yeah...

Almost there!

I'm gonna have a ton of fun with him and Tommy!

Suck!

Suck!

mmh! mmh!

And I didn't even have to find an excuse to drop him!

mmnghh!

Samantha... I'll never forget you, I swear.

Sure you won't.

Here I am!

Since you're the last boy standing, we could try something special...

Whatever you want.

Your body is SCORCHING hot.

Come here, girl.

I'm going to take you to the edge and leave the rest to her, ok? Just enjoy the show.

You're the best.

Gosh, they look even bigger...

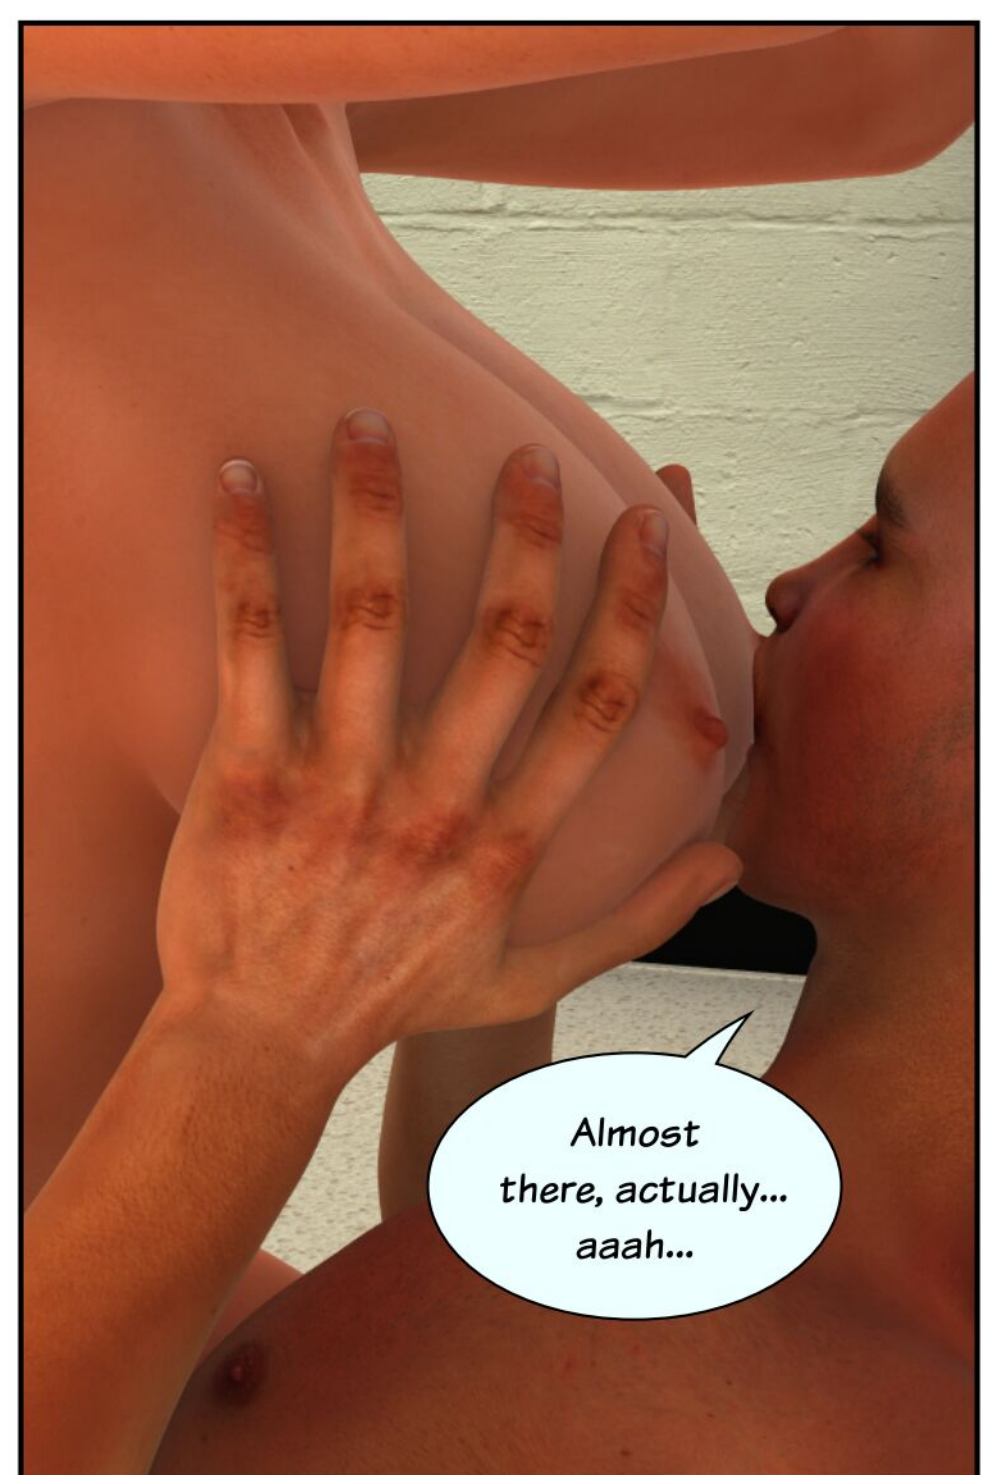

Well, I'm here too. I hope you aren't totally spent.

Really? You still got some?

I thought you passed out... Once I'm done with him, I'll take care of you.

Sure, I can't leave like this.

Good. I want to feel you right away... cumming... inside me...

WHYD!!
WHYD!!
WHYD!!

My god... My god...

This time I had some help, but I still made him cum with my mouth TWICE.

Just luck...

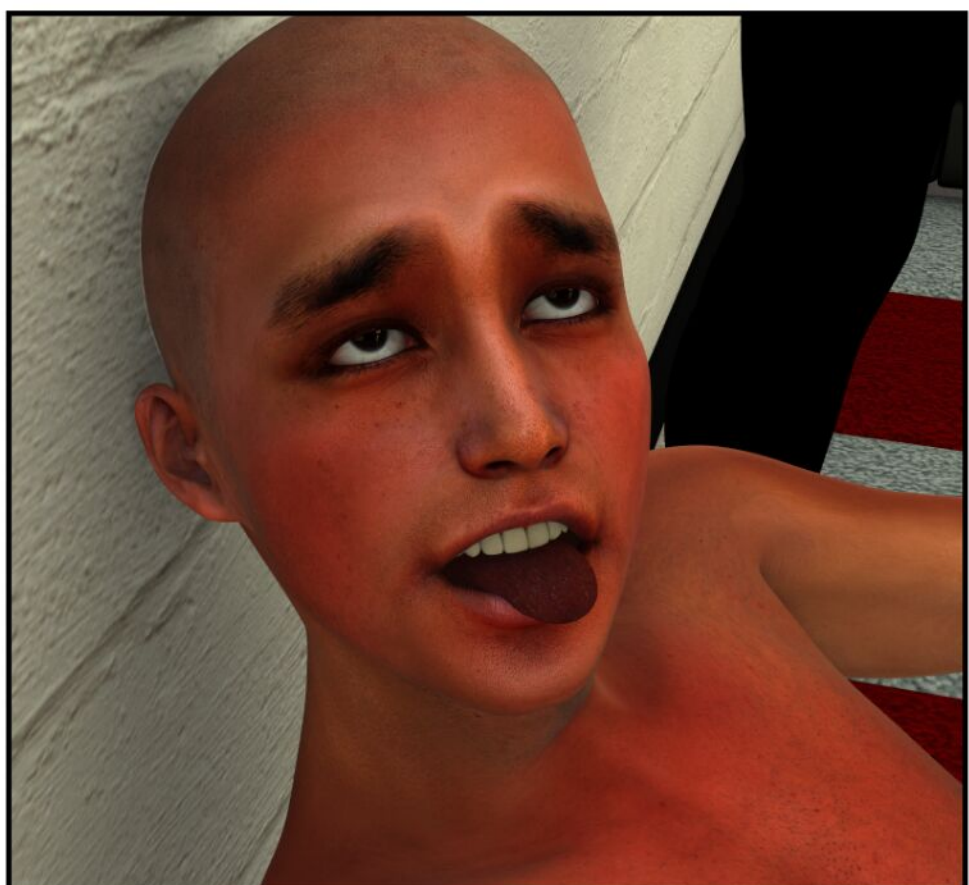

ouyghhhh!

Or maybe I'm better than you.

HAHAHA!

But I must admit they were great too. I would tell them, if they were awake.

END OF CHAPTER.
