

A digital illustration of Santa Claus with a long white beard, wearing a red suit with white fur trim. He is holding a large, wrapped gift box with a blue and gold checkered pattern and a large white bow. The scene is set in a doorway with a red frame, looking out onto a snowy night with a blue sky and falling snow. The text "SANTA'S NIGHT" is written in a stylized, red, outlined font across the bottom of the image.

**SANTA'S NIGHT**

What a busy day! Spent a whole day with the kids. Now I finally have time to spend my own christmas!

The day is for the kids, and  
the night is for the men.

Prepared the gifts for kids in this house for a whole year. And I can only get out of here on this day.

This job is hard, but I love it because of one thing....

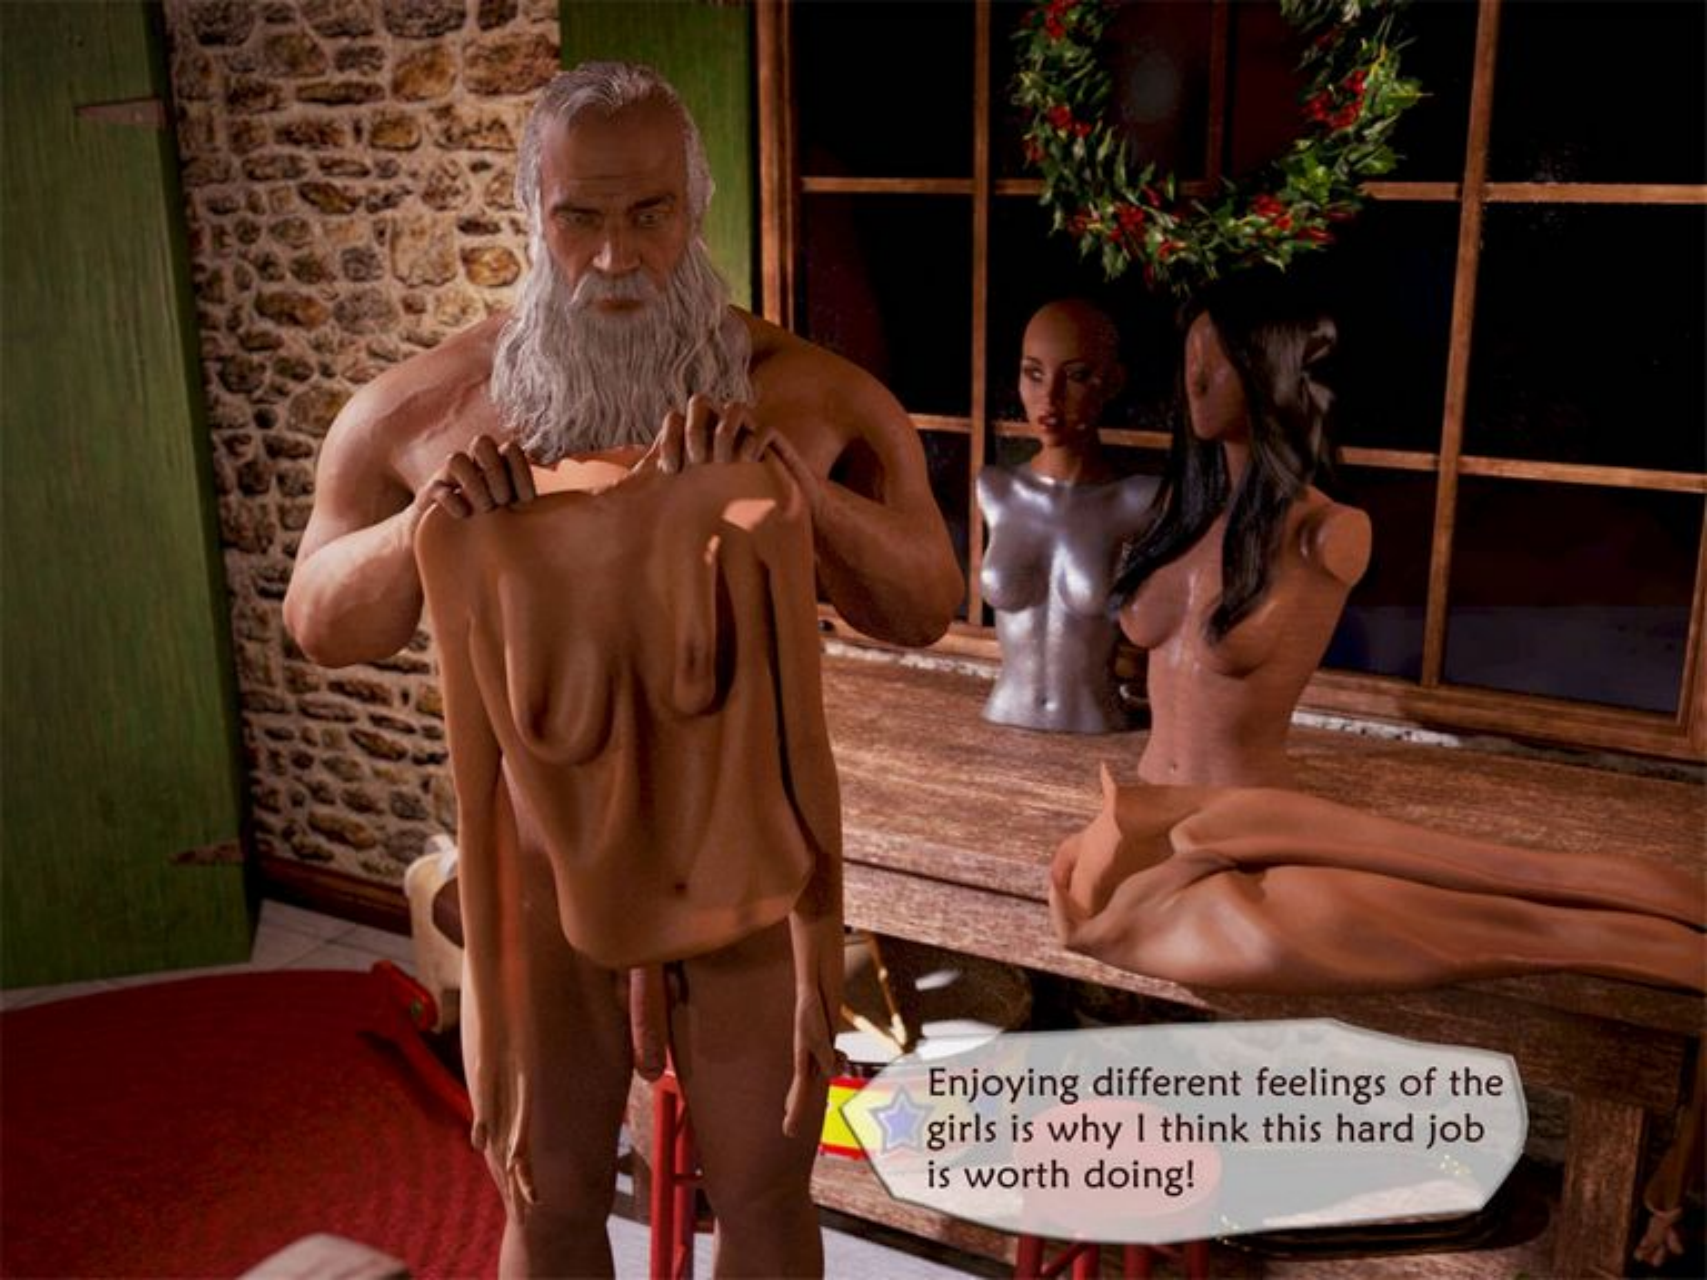

The suit for the night!

I use this set of suits to please the guys in the night...

Last year I was a cute Asian girl,  
but this time I prepared a super sexy  
model's skin.

Enjoying different feelings of the girls is why I think this hard job is worth doing!

Damn! I've got fatter this year...  
But I don't have to worry

Haha! Perfect!

Then... the legs...

Ooohh, it's so tight!  
Now I have to wait for the  
skin to act.

A man with a long white beard and a woman with a new, very slim body are in a child's room. The man is sitting on a red chair, and the woman is sitting on his lap. The room is filled with toys, including rocking horses and a soccer ball. A speech bubble is overlaid on the image.

OK! Now they are the beautiful legs again... The new body is so slim

Then... the most uncomfortable step

Emmm...

Wow.. It feels really bad!  
I couldn't think of anything...

The breasts also feel good

Black is my favorite hair color.

Great! This wig fits me well

Now I'm a perfect lady!  
Time to send the night special gifts!

It's time to put on another outfit

My well-prepared santa girl's outfit!

Wow, my hands  
are really beautiful

And then put the pants on

The collar....

And the dress

Finally, the shoes..

Now I'm ready to go out!

No man will resist this body!

There are four clubs to visit this night. Will be a busy night! But I love it
