"Really?" Jen asked, smiling at Sheryl. "Just what did you have in mind, hmm?"
Sheryl grinned back. "We know how horny you are when you wake up. Let Kelly and I take care of that for you."
Wait, aren't you the one who's always horny when we wake up? Jen thought. But even as the thought formed, she felt her body filling with a deep need for sex, far beyond anything she'd felt before.
"Oh! Yes, please do!" Jen moaned.

Needing no further invitation, Kelly lept up onto the bed, then jumped up into Jen's arms. "My, you are eager, aren't you?" Jen gasped, letting herself fall to the bed as Kelly shoved her backwards.

"You have no idea, Jen. I'm going to make you cum so hard!" Kelly purred, trailing kisses down Jen's chest. She slowly circled Jen's nipple, before taking it into her mouth.

"Ahh! Yes!" Jen gasped. She felt movement below her, and moaned as Sheryl spread her legs apart.

"She's ready, Kelly. Come on down and show Jen just how good you are with that tongue of yours." Sheryl called out.

"Okay!" Kelly said, scrambling down Jen's body. "Oooh, you're already dripping for me!" She said, staring at Jen's crotch.

Jen sat up, looking down at the eager young woman between her legs. She still didn't remember this woman who seemed to know her so well. She hesitated, conflicting feelings running through her.

Kelly crawled forward, kissing Jen's pussy and driving all hesitation from Jen's mind. The woman was really good, and Jen felt an orgasm building already.

"Yes! Oh, Kelly!" Jen sang, giving herself over to the orgasm.

Jen's orgasm faded as Kelly came up for air, and Jen whimpered with disappointment. The hunger inside her was even stronger now. "Don't stop, please!"
"Here, let me help." Sheryl said, crawling forward.
"Sheryl? What are you doing? Mmmph!" Kelly cried out as Sheryl shoved her forward.

Sheryl kept pushing, even as Kelly tried to push herself back out. Jen hesitated, but then her hunger surged and she spread her legs wider, allowing more of Kelly inside. Her body shook with another orgasm as Kelly's shoulders started to enter her.

"I guess you need a hands-on approach." Jen said, reaching down with her hands to break Kelly's grip.

"In you go!" Jen moaned, thrusting
the woman into herself.

Jen concentrated, gripping Kelly's head and shoulders with her vaginal muscles. She took a deep breath, preparing to pull the woman deeper.

As Kelly slowly slid inside her, still kicking and struggling, Jen saw Sheryl stroking herself, a huge grin on her face.

“Enjoying the show, love? Here, watch this!” Jen said, sucking Kelly deeper.

Jen felt another orgasm build as Kelly's torso slipped inside her. The woman's struggles stimulated Jen more than she thought possible, and the burning hunger inside her grew even stronger.

"Ahh!" Jen cried out as the orgasm rolled through her.

Jen's body relaxed, having sucked Kelly in up to her knees. The hunger was starting to recede, but Jen knew she needed the rest of Kelly inside her.

"Sheryl? Do you want to help finish her off?" Jen asked, remembering how much she always enjoyed that part.

"I thought you'd never ask." Sheryl answered. She gave Kelly's feet a shove, sliding them all the way into Jen. Jen moaned as Sheryl stroked her pussy, bringing her to one more orgasm as her body set to work on Kelly.

"Oh wow, that was intense." Jen said, starting to sit up. She could feel Kelly's struggles growing weaker as her body started to absorb the woman. The sensation was intense, and soothed the raging hunger inside her.

Jen sat up as her belly flattened. She could feel her body growing as it put Kelly to good use.

"Thank you, Sheryl. That was just what I needed." Jen said, smiling down at her lover.

She pulled Sheryl in close, enjoying the contact.
"So this is what it feels like to be Alf, big, bad wolf.
I like it..." Jen mused as they cuddled. She felt the
hunger grow again, not quite satisfied.

"In fact, I like it enough to do it again."
Jen said, reaching towards Sheryl.

"Hold on, Jen. I can get you someone else, but you'll have to give me a bit of time." Sheryl said, looking nervous as she backed away.

"No need to bother, Sheryl. I think you can satisfy me just fine." Jen answered, reaching for her lover.

"Jen, no! You can't do this to me!" Sheryl screamed.

"Really?" Jen answered. "Let me think." She paused, pretending to think as the hunger inside her grew.

"Yep, I'm pretty sure that I can. Let's find out." She said, pulling Sheryl's feet closer.

Jen felt a little sorry for doing this to Sheryl, but the hunger inside her was just too great. She moaned as she slid Sheryl's foot inside, the pleasure driving away her hesitation.

"Mmm, you feel great in there, Sheryl. But I need more than just your feet." Jen said, flexing her vaginal muscles to pull Sheryl in slowly.

“You aren’t really going to absorb me, are you Jen? This is just one of your games, right?” Sh

"No, Sheryl, you're going all the way." Jen said, feeling another twinge of regret at the terrified look on Sheryl's face.
"Jen, you evil bitch! I should have known better than to trust you!" Sheryl screamed.

That insult shoved aside Jen's regret, and she glared at Sheryl. "You're hardly one to talk about that. I'm just doing what you did to me. Turnabout is fair play, after all." She said, pulling Sheryl in just a little more.

"What? What are you talking about, Jen?" Sheryl asked, beginning to struggle in earnest now.
Jen laughed. "Oh come on, Sheryl, you know exactly what I mean. Now you get to see what it's like."

"I knew you were playing after all, Jen. You're on." Sheryl said, starting to push herself out.
Jen waited just long enough for Sheryl to get her butt back out, then clenched down, hard.
"Ahh!" Sheryl screamed as she was sucked inside all the way back to her breasts again. "Jen!"

"Better try again, Sheryl." Jen said wickedly. This time, she didn't relax as Sheryl pushed against her, and the other woman didn't budge at all. "Not good enough. Maybe you want to become part of me, hmm?" She asked with a smile.

Sheryl struggled to escape, pressing against Jen's G-spot as she did. "Ahh! Oh, Sheryl!" Jen cried out as she came.

Jen finally came down from her orgasm and smiled at the pair of hands flailing away between her legs. Even now, she thought about pulling Sheryl back out, but another wave of pleasure ran through her and her pussy clenched involuntarily. When she looked back down, Sheryl was gone.

"Whoops, I guess I went and sucked you right up, Sheryl. You feel great in there!" Jen said, laying back on the bed and enjoying the afterglow of her orgasm.

Jen felt Sheryl kicking and struggling inside her, clearly unhappy with the situation. Sheryl pressed outward frantically.

"No, Sheryl, it's too late now. No one gets out once they've gone all the way, not even you." Jen said to her belly.

“Don’t worry, I’ll never forget you, love. You’ll always be part of me now.” Jen said, sitting up as her body began to absorb Sheryl. She closed her eyes and focused on the sensations, not wanting to miss Sheryl becoming one with her.

Jen opened her eyes to see a mass of brown hair filling her vision. She blinked once, and Sheryl's head came into focus. Her lover was next to her, back to her usual massive size, and Jen realized that she hav

The bed shook as Sheryl yawned, then turned to look at Jen. "Oh, you're awake! I woke up a while ago, but wanted to let you sleep. You're just so cute and innocent when you're sleeping that I can't bring myself to wake you." Sheryl said.

Jen smiled at her lover. “Mmm, just wait until I tell you about the dreams I just had. They were far from innocent.”
“Really?” Sheryl raised an eyebrow. “Tell me all about them, love.” She said, reaching to pull Jen close.
