The door to Sheryl's office creaked as it swung open, and Katharina heard Caroline's voice call out. "I'm here for our meeting, Ms. Connors."
"Excellent, Caroline, do come in." Sheryl said. She shifted in her seat, and Katharina gripped the chair more tightly as the movement shoved her deeper into Sheryl's pussy.

Sheryl's voice sounded loud in Katharina's ears. "Excellent work. In that case, your first assignment as OmniCorp Vice President in charge of PeriTech is to do whatever it takes to keep them in our new organization. You can offer them anything you think is reasonable. Just run anything particularly unusual past Jen first."

Katharina kicked at Sheryl, suddenly angry. That should be her job, not Caroline's!

Caroline sounded as surprised as Katharina. "Me? You're putting me in charge?"

Sheryl's voice boomed again, with no sign that she had noticed her toy's displeasure. "Your colleagues weren't what I'm looking for in my executives, but between your record and Jen's endorsement of you, I think you'll do an excellent job. I look forward to working with you, Caroline."

"I look forward to it as well, Ms. Connors," Caroline responded.

"Jen, please show Caroline out. I've got something to take care of before my next appointment." Katharina heard Sheryl say, then felt the giantess' pussy clench tightly around her as Sheryl settled back against the chair. It was all Katharina could do to keep hold of the chair as Sheryl came, her pussy doing its best to suck the former executive inside.

Jen ushered Caroline out of the room quickly, recognizing the signs that her lover was about to lose her composure. Once the soundproofed door was securely closed behind them, she turned to the newly promoted woman, smiling broadly. "Congratulations, Caroline."

Caroline turned to face the secretary. "Thank you, Jen. I never expected anything like this."

Jen smiled. "I admire your loyalty to your people, and we value that around here. I assume Gabrielle's file is in the green section?" She said, nodding towards the folder Caroline held.

Caroline nodded. "Of course. I'll give her the good news, and we'll get started contacting the rest of the people that will be staying with the company."

Jen nodded. "Good. Just one more thing before you get going. I'd like to know who your top priorities are in the red section. Sheryl's all set to break the bad news to a few more people today."

Caroline smiled, and handed Jen a post-it. "Here you are. I got that ready just in case."

"Excellent. I knew you were a good choice for the job. If you or Gabrielle need anything, just call. I'll be glad to help, at least until Sheryl and I run off to get married next week." Jen said. "Now, I'd better get back to Sheryl."

Jen waited until Caroline had left, then carefully opened the door to Sheryl's office and went back inside.

"I felt the floor shake from out there. Is there anything left of our toy, or did she give up once you really got going?" She asked, walking over to Sheryl. Looking down, she saw Katharina's hand still desperately gripping the chair. "Still hanging on, I see."

Sheryl moaned, as she shuddered in orgasm once again. "God, Jen, you have no idea how good this feels. It was all I could do to keep from screaming out while Caroline was in here."
A soft moan from between Sheryl's legs drew Jen's attention, and she chuckled. "It looks like someone else has been enjoying herself too." She said, seeing what Katharina was doing with her other hand.

Katharina shuddered, crying out her own orgasm, then sank back against the chair. "If I've got to go, at least I'll enjoy it." She whispered, though Jen saw that the woman still didn't relax her grip on the chair one bit.
"Ooh, I think she really could be a lot of fun to keep around, Sheryl. What do you say?" Jen asked her giant lover.

Sheryl nodded. "If it means I get to do this more often, sure," the giantess said. "But that means you'd better get her out now. She's making me really hungry again." Sheryl said.
Jen grabbed Katharina's shoulders and began to pull. "You can go ahead and let go now, toy. You passed the test, and Sheryl's finished with you for the moment."
www.erofus.com

"Oh thank God." Katharina said, relaxing into Jen's arms. "So what happens to me now?" She asked as she slid out of Sheryl's pussy. "You can't just let me go, not after what I've seen."

Sheryl smiled. "Well, that depends on you. You made my pussy hungry again, and you're still the closest snack. If you want to stay outside of me, pick some of your former co-workers to take your place."

Katharina's eyes went wide. "You can't mean that, can you?" She shivered at the hungry look Sheryl gave her, and a smile came to her lips. "Well, Tak won't be sheltering his favorites anymore, will he?" She looked meaningfully at Sheryl's flat belly. "I know the perfect candidates. Our unlamented CEO's 'personal assistants'. Tell them you want a show, and you'll get them exactly where you want them. Don't worry about getting dressed first, they won't think anything of it."

A short time later, Dani and Rose were going at each other on the floor in front of Sheryl's desk. They were sharing a double-ended dlido between them, each one trying to make the other cum first.

"You're right, Katharina, they do put on quite a show. But I don't think Sheryl's going to be able to wait for them to finish." Jen said, watching her lover fidget on her desk.
The girls continued their show, clearly both about to reach their limit. Finally, Rose shuddered in orgasm, unable to hold back any longer.

"Ha! I win again!" Dani exclaimed, shifting to a dominant position atop Rose and giving herself over to her own orgasm.

Just then, Sheryl slid off her desk, landing with a thump behind the two women. "My turn." She growled, pushing them both to the floor.

Beside her, Jen heard Katharina snicker at the shocked expressions on Dani and Rose's faces as they stared up at Sheryl.

Sheryl squatted down and grabbed both Dani's and Rose's legs, pushing their feet inside herself.
"Time to get better acquainted with your new boss, girls." Katharina called out to them.

"Hey! Careful there!" Dani yelped as Sheryl settled herself onto the floor, using her weight to shove the pair deeper before fully sitting down, legs spread wide. "You could have squashed us!"

"Oh no, that would have been a waste. You're exactly where I want you." Sheryl said, leaning back and pulling the pair inward with her powerful muscles.

"See, I told you she wouldn't wait." Jen said, moving in for a closer look.

Rose's face lit up with a knowing grin. "Oh, I see! You really should have told us what you wanted, boss. If we knew you wanted to join in, we'd have made sure you got some attention too, wouldn't we, Dani?" She asked her partner.

"We sure would, Rose." Dani answered. "I've never fucked anyone with my legs before." She wiggled her legs experimentally, and Sheryl moaned in delight.

Sheryl smiled at them. "Well, now's your chance. Go ahead, show me what you can do to please me from there. But don't ignore each other. I like the show you've been putting on."

www.erofus.com

"You've got it, boss!" Rose said enthusiastically.
She pulled Dani into a close embrace.
www.erofus.com

"Come on, you heard the boss." Rose said to Dani as she stroked her lover's cheek. "Let's welcome her to the company properly."

www.erofus.com

"Umm. Oh! Oh my!" Dani gasped as Rose slid a hand down her body to caress her. The touch made her writhe in pleasure, and Sheryl's body shook in response, pulling them deeper.

"Oh yes, more!" Sheryl gasped as the lovers began to make out inside her. Her pussy clenched as she came, and they slid in all the way up to their necks.
www.erofus.com

"Um, Boss? Just how deep are we going?" Dani asked, looking worried.
www.erofus.com
Jen answered for Sheryl, who was still shaking as a second orgasm built. "You're going all the way. Sheryl's got your new permanent position all ready for you, all you have to do is go a little deeper." She said, winking at Katharina.

"Wait, what?" Dani gasped, shocked. "Look, this has been fun, but we can't go deeper! How are we going to breathe in there?"
"Don't worry, you won't need to breathe much longer. Now, in you go!" Jen replied with a grin.
Jen's cheerful tone made Katharina shiver, she wasn't sure if it was in delight or fear. This was so wrong, but she couldn't help being aroused as the pair were sucked deeper still.

"Ahh! Almost there!" Sheryl's voice boomed as Dani and Rose's screams were silenced by her pussy lips. Katharina watched in awe as the giantess began to cum yet again as her victims' hands flailed uselessly against her thighs.

Sheryl smiled up at her from the floor. "Good. You might have a future with us after all. Now pick one more snack for my pussy. And you're going to push this one into me when they get here." She added before Katharina could react.
Katharina swallowed, then nodded. "Fine. I've been wanting to get rid of Bambi for years. She'll be a perfect fit."

Some time later, there came the sound of someone knocking on Sheryl's office door. "I'm here for my meeting. Is anyone there?" A woman's voice called out.

Katharina took her place next to the door as Jen called back though the hairline crack in the door. “Come on in, Sheryl’s expecting you.”

Jen grinned. "He's not here to shelter you any more, so it's time to reassign you. Meet Sheryl, your new boss. Don't bother getting to know her, it won't matter soon."
www.erofus.com

"What? What's going on? Ow! Let me go, that hurts!" Bambi said as Katharina pulled her arms behind her.
"You'll find out in a moment." Sheryl answered, smiling. "Now, Katharina, give her to me. Unless you want to join her, that is."
Katharina only hesitated a moment before moving forward, pushing Bambi along ahead of her.

"Mmm, very good." Sheryl purred, grabbing Bambi's head with her inner muscles and pulling. "She's going to be perfect."

Bambi tried to pull away as her shoulders began to follow her head, and Katharina watched in awe as the giantess' pussy easily took in the struggling woman.

"Oh yes!" Sheryl came, her pussy contracting and sucking Bambi's entire torso into herself.

Just then, Jen came over, pressing her body close to Katharina's. "I'm getting horny, and Sheryl's not going to be good for anything until she's done here. Let's do something about that, together, hmm? I saw how excited you were last time." Jen purred in Katharina's ear, and she shivered in pleasure.

"Ahh!" The floor shook as Sheryl came, sucking in more of her victim. Katharina felt her own orgasm building as she worked to get Jen off.

Inside Sheryl, Bambi struggled for purchase against the slick walls surrounding her. She kicked her legs to let in some more air, then screamed as loudly as she could, praying someone would come help.

Bambi screamed again, kicking wildly as Sheryl slurped up her knees. All it did was make Sheryl moan more loudly.

Bambi felt the walls of Sheryl's pussy tighten around her, pulling her deeper still. She could barely move, but still kicked out at Sheryl, desperate to escape.

Bambi's feet brushed against Sheryl's clit, and the giantess screamed in delight, sucking the last of her victim deep into herself. Bambi was plunged into darkness as Sheryl's labia closed behind her. She barely had time for a final scream before Sheryl's body began absorbing her.

The floor stopped shaking as Sheryl relaxed, finally satisfied for the moment. She slowly lowered herself to the ground, careful not to crush Jen or Katharina.

Katharina lay between Jen and Sheryl, utterly exhausted. They all basked in the afterglow from their orgy for quite a while, Sheryl's body slowly altering as she made Bambi part of herself.

Eventually, Jen stood and handed Katharina her clothes. "Here, Katharina. You've earned these back, I think."
"You're really letting me go?" Katharina asked. She blinked in surprise, then began to dress quickly, before either woman changed her mind.
www.erofus.com

Jen smiled. “Only for a little while. Sheryl’s finished with you for now, so it’s time for you to head home and get your affairs in order before you come back on Friday. We’re going to be gone for a month, so pack accordingly.”
Katharina reached down for her top, trying to hide her concern. “Where am I going?” She asked uncertainly.
www.erofus.com

Sheryl grinned at her. "You're coming with Jen and I on our honeymoon, little toy. Consider it your probationary period. Survive it, and we might offer you a permanent position."

Katharina's eyes widened in shock, but she said nothing as she finished dressing and left the room. Once the door had closed behind her, she sagged against the wall, trying to decide what to do. She should flee and never come back, but Katharina couldn't get the image of Jen and Sheryl's naked bodies out of her head. As she walked out of Jen's office, Katharina knew she would be back in a few days.

After the door had closed behind Katharina, Sheryl turned to Jen. "I assume that's what you had in mind, love. But why Friday? The wedding isn't until Saturday."
Jen grinned. "Because, Sheryl, after watching how turned on you got with her inside you all afternoon, I want that for our wedding day."

www.erofus.com

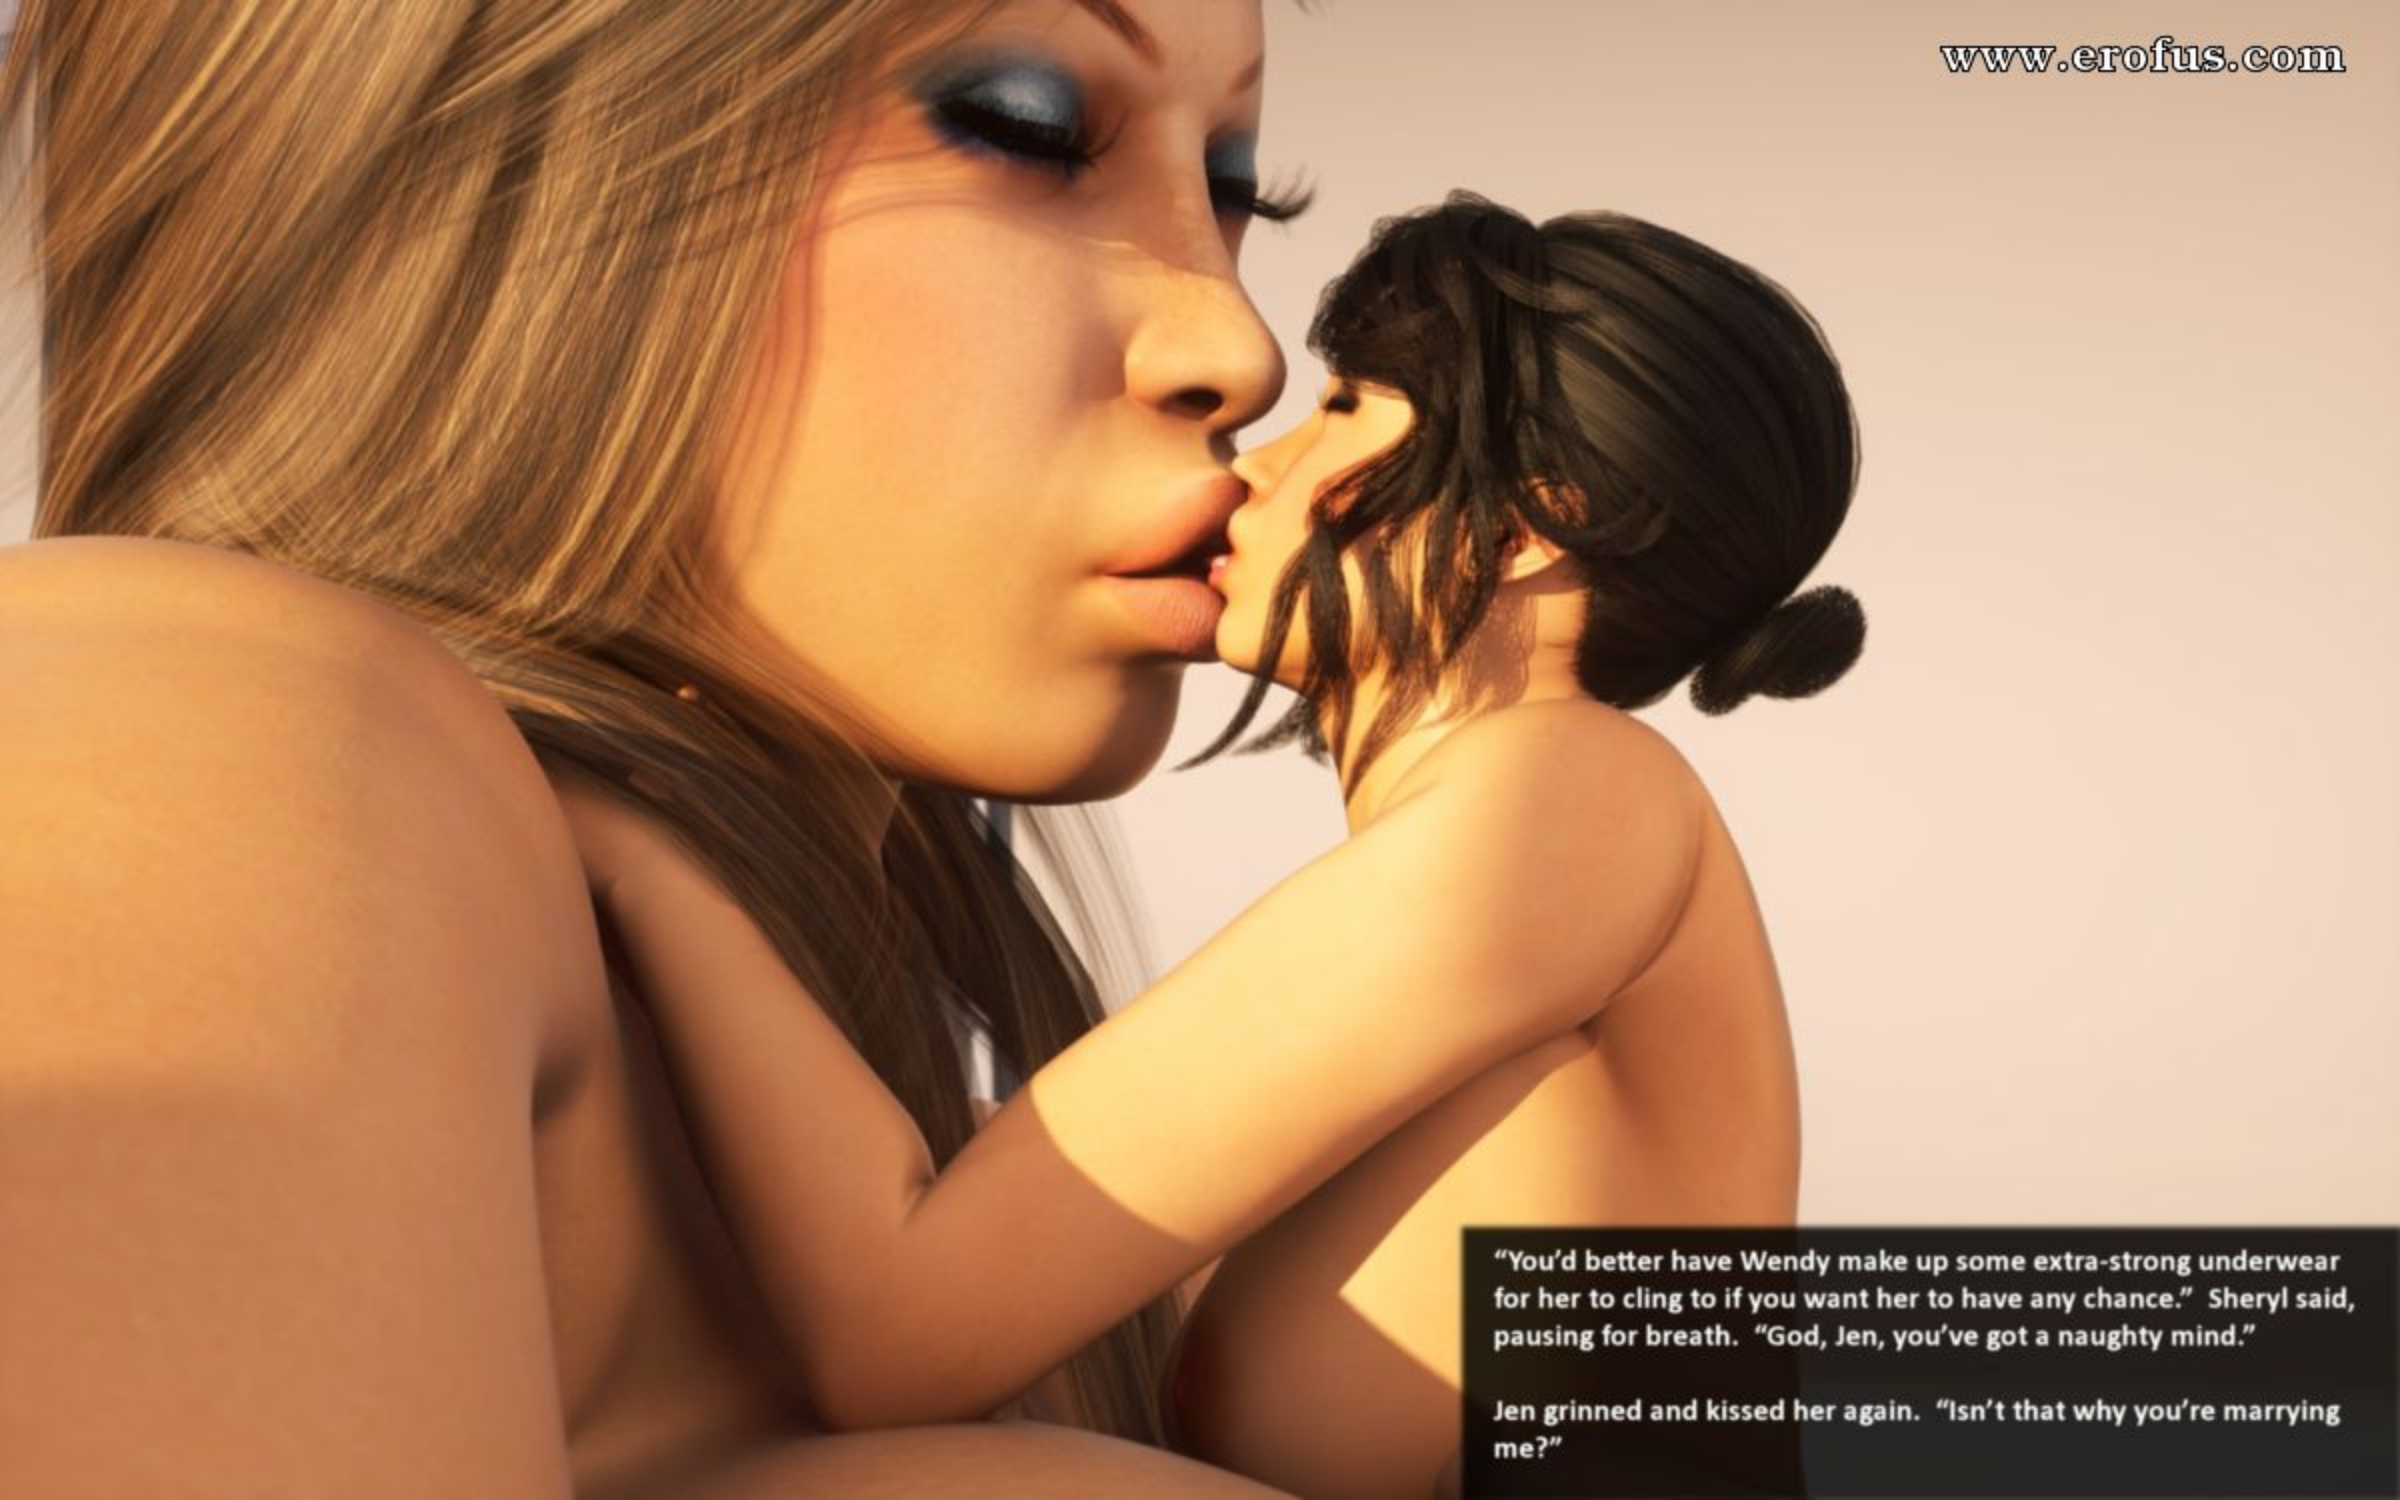

Sheryl gathered her fianceé into her arms, pulling her close. "You don't mean..." She caught her fiancée's nod and stopped.

"I mean, I want to stuff her up inside you before the ceremony, and leave her there until we check into our hotel that night. If she can cling to your undergarments for that long. I want to marry you, knowing that your pussy might be finishing her off even as we kiss."

"You'd better have Wendy make up some extra-strong underwear for her to cling to if you want her to have any chance." Sheryl said, pausing for breath. "God, Jen, you've got a naughty mind."

Jen grinned and kissed her again. "Isn't that why you're marrying me?"
