"Great!" Jen slid down her wife's body onto the beach. "Let's go get them."

Sheryl got to her feet, letting Kathi drop to the sand as she did so. "Weren't you the one arguing for letting them go a moment ago, Jen?" She asked, starting to walk towards the lifeguards.

They drew closer to the lifeguards, and Jen called out to the pair. “Hey, hey lifeguards! We forgot something!”
The two of them turned around and gasped as they saw Sheryl coming towards them, completely naked.
www.erofus.com

"What is it?" The woman asked.
"We forgot that I've got room for two more!" Sheryl said, looming menacingly over the two lifeguards. As she reached for them, they scattered, trying to get away.
www.erofus.com

“Oh no you don’t. I’ve got you, you delicious-looking man.” Sheryl said, grabbing the male lifeguard by the shoulders.
“What are you doing, let me go!” He yelled as Sheryl pulled him towards her.
www.erofus.com

"Nope, not until you've satisfied my hunger." Sheryl said, pressing his back against her crotch. "My pussy needs filling, and you're the perfect size." She began to rub him against her labia as she stood up, coating his torso with her juices.
www.erofus.com

"This is assault! Mmmph!" The man yelled as Sheryl slid his head and shoulders in between her pussy lips.
"So? By the time my wife finishes with you, there won't be anyone left to complain." Jen said, leaning in to watch. Sheryl's scent filled the air as her juices continued to drip down the lifeguard's body.
www.erofus.com

"Aw, you started without me!" Kathi called out, running up just as Sheryl stood up.
"That's what happens when you're slow, Kathi." Sheryl replied. "Don't worry, I'll make sure you get to watch me deal with the other one." Her prey's legs kicked frantically as the doomed lifeguard struggled against the giantess' powerful inner muscles.

Becky gasped for breath as she cowered behind a sand dune. What the hell were those women doing to Mike? Could he breathe? She cursed herself for leaving her cell phone back at the base station. She desperately needed backup.

As the footsteps came closer, Becky curled herself into a ball, praying that the women would pass her by. Her heart sank as a shadow darkened the sky and the giantess' voice boomed in her ears.

"There you are, little snack. Not very good at hiding, are you?"

www.erofus.com

She looked up to see the woman leaning over her, her enormous breasts blotting out the sun. Mike's legs still dangled from the woman's crotch, and Becky could see them twitch as he fought his fate. Becky felt a surge of anger run through her, and yelled as she stood up.

"Let him out of there, you freak! I'll have you arrested if you don't drop my partner right now!"

"Nice try, but I won't be doing anything of the sort. But don't worry, you'll be following him into my pussy in just a moment." Sheryl answered with a laugh.

"No!" Becky's courage failed her, and she turned to run, but was stopped by a firm hand on her shoulder.
"It's not nice to run out on a horny woman." Jen said with a smirk. "My wife needs you, and you don't get to say no."
www.erofus.com

"Almost ready!" Sheryl moaned. "Just a little longer!"
Becky watched in horror as Mike's legs sank into the giantess, leaving just his feet sticking out.
"Watch, we're getting to the best part." Jen said to the terrified lifeguard.
www.erofus.com

"Please, just let us go." Becky pleaded.

"Ahh, there he goes." Sheryl said, moaning with pleasure as Mike's wiggling toes slid past her pussy lips. "Now it's your turn."

"No, please!" Becky screamed as Sheryl reached for her.
www.erofus.com

The sand scraped against Becky's back as the giantess dragged her closer.
"I think I'll let you watch. Your friend didn't fight nearly enough to be fun." Sheryl said, and Becky felt her feet engulfed in a warm, wet embrace.

“You’re going to be in so much trouble when we call the police on you!” Becky screamed, despite a sinking feeling that neither of them would be telling anyone about this. She kicked her legs, trying desperately to free them from the woman’s giant pussy.

www.erofus.com

"What?" Becky asked, confused. The bulge in Sheryl's belly squished as her head was pressed into it, and she heard a muffled scream from within as her partner's struggles weakened. "Ow, Mike! Careful where you're kicking!"

"There we go, all done!" Sheryl sang out happily. The lifeguard felt her partner's struggles stop entirely, and a gurgling, churning sound came from deep within the giantess. Sheryl's belly suddenly felt soft against her head, all the hard edges of Mike's body somehow smoothed away.
www.erofus.com

"What the hell did you do to him?!" She screamed, lifting her head up as Sheryl released her.
"Should I tell her?" Sheryl asked, reaching over to fondle her wife.
Jen laughed. "Like you have to ask. Of course you should, we both enjoy it more when they know what's going on."
www.erofus.com

"My pussy ate him, little snack. And now it's going to do the same to you!" Sheryl said to the lifeguard, flexing her muscles and pulling the woman inward.
"Ate him? With your pussy? You can't do that! Bodies don't work that way!" Becky screamed, renewing her struggles to escape. As she sank deeper into Sheryl's pussy, she felt the space around her tightening, as though Mike's remains were being absorbed into the giantess' body.
www.erofus.com

"Oh yes I can. I really, really can. My pussy is very, very special." Sheryl responded, laughing. "But please do try to stop me. It's so much more fun that way."
"Let me go!" Becky screamed as her hips were slurped up by Sheryl's greedy pussy
www.erofus.com

Becky turned her attention to Jen, hoping for some sympathy from the woman. “Please, you can’t let her do this!”

Jen grinned down at her. “Oh hon, we get off watching Sheryl do her thing. Be a good girl and make my wife cum. If you make her happy, it’ll be all over quickly.”

"I wasn't even supposed to be here today!" Becky wailed as the giantess flexed her vaginal muscles. Her world went dark as her head slid effortlessly inside Sheryl.
www.erofus.com

Becky flailed her hands around for a moment before she too were pulled inside. She began to feel tingly all over where the giantess' pussy juice touched her, and she screamed with fear, lashing out at her fleshy prison with renewed energy.
www.erofus.com

"Thanks, Jen. I really needed this." Sheryl said, slurping up the last of the lifeguard.
"I'm always glad to feed your hunger, love." Jen said with a grin. "As long as I'm feeding someone else to it, that is."
www.erofus.com

"Ooh, she's still fighting! I knew saving her for last was the way to go. Wanna feel her go away?" Sheryl said as her belly shook with the lifeguard's struggles.
"Always." Jen and Kathi answered in unison.
"After that, we'd better get going, Sheryl." Jen said with a smile at her wife. "But it's been a wonderful trip."
www.erofus.com

That evening, Sheryl was reclining alone in her bed when Kathi brought someone into their hotel room. “Sheryl, I’ve brought someone I’d like you to meet.” Kathi said as she led another woman into the room.
www.erofus.com

www.erofus.com

Sheryl: "Oh really? Go on, introduce me to your friend."

Kathi pulled Gwen inside, and hesitated at the door, nervous. "Are you sure about this, Gwen?" She whispered to her friend.

"Don't keep me waiting, pet." Sheryl said, peering down at the pair, an edge of annoyance creeping into her voice.
Gwen stepped forward, taking the decision away from Kathi, who drew a deep breath and began making introductions.
www.erofus.com

"This is Gwen, the one I told you about." Kathi said "The one who really likes giantess stories. She made me promise to bring her to you today."
"Pleased to meet you, mistress Sheryl." Gwen said. "I hope we can become very close soon."
www.erofus.com

www.erofus.com

Gwen looked Sheryl over, smiling at what she saw. "That's not all you promised to do, Kathi." She said chidingly, then turned back to Sheryl. "Kathi tells me that you have a certain hunger between your legs. I'd like to help you fill it."

Kathi sighed, clearly unhappy about this. "Gwen, are you really sure you want to do this?"

www.erofus.com

Sheryl raised an eyebrow in surprise. "And you're still interested?"
Gwen nodded. "I've got an inoperable brain tumor, which will probably kill me in six months or so, and in a really nasty way too. I made Kathi promise to help me go out on my own terms, so she brought me to you." She smiled up at the giantess. "At least this way, I'll get to fulfill one of my fantasies as I go. If you'll do it, that is."
Sheryl grinned at her. "Oh, you bet I will. That was certain the moment Kathi brought you here. I'm hungry for you, and I take what I want."
www.erofus.com

Gwen's eyes widened as she realized that she'd already lost control of the situation, but the giantess went on. "You intrigue me, Gwen. I've never had a snack go willingly, not when she knew what my body would do to her." She reached a hand out invitingly. "Get those clothes off and let's get started. I'm still full enough right now to enjoy taking things slow, so if you hurry, I promise to let you experience me for as long as possible."
www.erofus.com

Gwen's eyes gleamed with excitement. "As you command!" She began undoing her dress. "Can Kathi join us? I'd like her to help."
"Of course. Kathi, strip and help your friend." Sheryl ordered. She grinned when she saw that Kathi was already undressing.
www.erofus.com

"Mmm, you certainly look delicious. Leave that on for now, it suits you." Sheryl said, admiring the lingerie Gwen had on under her dress. "Come here and let me get a closer look at you."
"Certainly, as long as I can do the same to you, Mistress Sheryl." Gwen answered, coming close enough for Sheryl to reach out and pinch her bottom.

Sheryl lay back, and Gwen reached out to gently touch the giantess' drooling pussy. "What about here, will any of me get to become part of this?" She ran her hands over Sheryl's parted labia, wetting the tips of her fingers with Sheryl's pussy juice.

Sheryl moaned, reaching behind Gwen and pressing her between her pussy lips. “Oooh, now you’ve got me going, little snack! But don’t just tease like that. I need a firmer touch, like this!” She pressed Gwen hard against her pussy and bucked her hips, squeezing the woman tightly.
www.erofus.com

"Ahh," she moaned, "like that, little snack."

With the edge taken off her arousal, Sheryl smiled down at Gwen again. "To answer your question, it's possible that some of you will end up there. But my hungry pussy doesn't need to grow much anymore. It's more than big enough to handle my meals."

www.erofus.com

www.erofus.com
Gwen shrugged. "I don't think I'll feel anything after I die, no matter how it happens. But this way, if I'm wrong, I'll really enjoy the afterlife."
Sheryl laughed. "I like your style, Gwen. I've never tried to control what happens when my pussy eats someone, but I'll make you a deal. You make me cum one more time, and I'll try to make you into as much of my pussy as I can."

Gwen reached out and began stroking the lips of Sheryl's pussy. "Deal. Let's get started."
Sheryl leaned back onto her bed, then motioned for Kathi to join her. "Kathi, strip her, then get up here. I need someone to kiss while your friend gets to work on my lower lips."
www.erofus.com

"As you command, Mistress Sheryl." She took Gwen's shoes off, and reached up to grab her friend's panties. "Get in there with your mouth, Gwen. You always knew how to drive me wild with that tongue, and it'll work just as well on her, trust me."
www.erofus.com

"Are you giving my snack ideas, pet?" Sheryl boomed in feigned outrage as Kathi slid Gwen's panties off. "Get up here so I can give you the punishment you deserve for that!"
www.erofus.com

Kathi felt Sheryl shake with pleasure as Gwen followed her advice. She climbed up Sheryl's body and perched on her Mistress' breasts. "What do I deserve, Mistress?" she asked playfully.
"Mmm! No, right here. Oh, yes!" Sheryl moaned, adjusting Gwen's position a little.

Sheryl came, and Kathi felt the orgasm roll through her Mistress' body.
www.erofus.com

As Sheryl's body relaxed from her orgasm, Kathi heard Gwen's voice from between Sheryl's legs. "Thanks for the tip, Kathi!"
Kathi turned to smile at her friend. "That's what friends are for, isn't it?"
www.erofus.com

www.erofus.com

"Now that your friend has earned her favor from me, I'm getting really hungry." Sheryl boomed. "Climb down and help her in."

"So, once I go in here, what happens to me?" Gwen asked, crouching down and staring into Sheryl's glistening cavern.

Sheryl looked down at Gwen, smiling. "Most people start struggling to escape once my pussy gets a grip on their feet. It never does any good, but I enjoy it."
"You mean like this?" Gwen asked mischievously, parting Sheryl's labia and sliding her feet inside. Kathi moved down Sheryl's body to get a better view. "Help! I'm stuck in this monster's pussy!" Gwen added, writhing her body around and intentionally brushing Sheryl's clit.
www.erofus.com

www.erofus.com

"Yipe!" Gwen let out a startled yelp as she was dragged inside, then recovered, reaching out to stroke Sheryl's pussy lips, feeling how tightly they gripped her legs. "And once they're inside? What is your big, strong, hungry pussy going to do to me then?" One of her hands drifted between her legs, stroking herself as she asked the question.
www.erofus.com

Kathi watched her friend, amazed to see just how aroused Gwen was becoming. Sheryl pulled Gwen a little deeper, and to Kathi's surprise, her friend's body shook in the beginnings of an orgasm.
www.erofus.com

"After my pussy lips close over you, I'll feel you struggle for a moment or two, then you'll start to go soft inside me, and I'll cum all over Kathi here. By the time I finish cumming, you'll be gone."
Gwen moaned, her orgasm cresting. "Yes! Do it, Goddess! Take me away from this world!"
www.erofus.com

"Goddess, is it? I like the sound of that, Sacrifice." Sheryl said, letting her new meal come down from her orgasm.
www.erofus.com

Kathi stared at her friend in shock as Gwen's body relaxed. "I knew you were into this, Gwen, but I had no idea you wanted it this much."
www.erofus.com

"Almost more than anything, 'Lina. Please, kiss me while your Goddess consumes me." Gwen pleaded.
"Gladly, Winnie my sweet." Kathi replied, leaning in to share a tender kiss with her friend and occasional lover. "I'm going to miss you terribly."
www.erofus.com

"Don't. Every time you kiss your Goddess' pussy, you'll be kissing me." Gwen said, as she ended the kiss. "Remember me every time you look at her."

www.erofus.com

"Here, Goddess, let me help you." Gwen said, reaching a hand to the giantess' clit as she slid deeper.

"Ooh! Oh yes, little Sacrifice! Do that again!" Sheryl demanded, moaning in delight.

www.erofus.com

www.erofus.com
Kathi leaned in for another kiss, surprised by the passion Gwen put into it. She wanted it to last longer, but Sheryl shuddered in pleasure and Gwen sank still deeper.

www.erofus.com

"Touching, but it's time for me to cum, and for you to go, Sacrifice. Feed your Goddess!" Sheryl moaned, her orgasm pulling Gwen's head the rest of the way inside.
www.erofus.com

Gwen's progress suddenly halted as she briefly got a grip on Sheryl's pussy. "What are you doing, Sacrifice?" Sheryl asked, then was answered as Gwen's hands set to work stimulating her most sensitive areas. "OH! Yes, keep doing that!"
www.erofus.com

www.erofus.com

Kathi shifted, trying to get a good view into Sheryl and see what her friend was doing. She managed to catch a glimpse of Gwen's grinning face just before Sheryl came a second time.

www.erofus.com

This time, Gwen's hands lost their grip and began to slide the rest of the way into Sheryl. Kathi blew her friend a kiss as Sheryl's labia closed up, leaving Gwen's fingertips as the only parts remaining outside.

"Mmm, that was a nice surprise, but you need to get all the way in now." Sheryl said, coming down from her orgasm and slurping up the last of Gwen. "Finish us off, Kathi." She commanded. "I need one more good orgasm while your friend melts away in here."
"Gladly, Goddess Sheryl." Kathi replied, leaning in to kiss Sheryl's clit.
www.erofus.com

www.erofus.com

"Thanks for being kind to Gwen, Sheryl." Kathi said sleepily, she lay next to her giant Mistress. "I'm sad to lose her, but at least I know she died happy."
www.erofus.com

Sheryl smiled. "You're welcome to bring me a snack like that anytime. She was a lot of fun." She looked thoughtful. "I wonder if there are more people out there who have that kink. If I don't tell them that I'm not pretending, maybe I can find some more who will play with me while they go."
"Sheryl!" Kathi looked shocked, then thoughtful. "Hmm... Actually, I think I remember a couple of the websites she mentioned."
www.erofus.com

"Good. When Jen gets back, you two can go hunting for me."
Kathi grinned. "You'll make Gwen happy, wherever she is now. Maybe you really did make her part of your pussy, and she'd love being part of that kind of trick."
www.erofus.com

Sheryl laughed, rolling over and gesturing to her enormous ass. "Hah! I was happy to play along with her, but I'm sure your friend went mostly to my ass. What a silly idea! If we could pick where our food went, the diet companies would all go out of business."
Kathi stared, then shook her head. "Whatever you say, Mistress. But I know what I think happened to her."
"Believe whatever you like, Pet. It doesn't matter to me, as long as I get fed." Sheryl said, still laughing.
