Sheryl's hand brought the woman down between her legs, and she rubbed her victim's feet against her labia, then pressed them into herself. The swimmer struggled, but that just aroused Sheryl even more.
"Down you go, and in you go!" Sheryl said, moaning with pleasure.
"What the hell, freak?! I'm not your sex toy!" The swimmer said as Sheryl thrust her deeper.

“Of course you aren’t, silly, you’re not good enough for that. You’re just a snack. Don’t worry, I’ll be done with you in a moment.” Sheryl answered, pressing the woman deeper.

Sheryl flexed her pussy muscles as she took her hand off the woman, feeling her snack's struggles increase.
"Go ahead, try to escape. My pussy is stronger than your entire body." Sheryl taunted the woman as her hungry pussy sucked on the swimmer's body.

“Please, let me go!” The woman started to beg as her breasts were slurped up into Sheryl’s pussy. “I haven’t done anything to you!”
Sheryl shook her head. “I can’t possibly let you go, little snack. I need you all the way inside.”
“What? No, I’ll suffocate in there!” The woman screamed, pounding her fists against Sheryl’s thigh.

“Don’t worry, you won’t be around long enough to suffocate. My pussy’s a fast eater.” Sheryl said, flexing her inner muscles. The woman let out a final shriek, just before Sheryl’s labia closed over her head.

"What's happening?" The woman called out, kicking frantically against the sudden current as she was pulled away from the edge of the pool.

"Let me go!" The woman called out as her feet slid into Sheryl's warm slit. "I promise I won't tell anyone about you, just leave me alone!"

Sheryl laughed, pulling the woman in up to her waist. “You’re right, you won’t tell anyone. Now get in there, little snack!”

The woman screamed as her breasts were sucked into Sheryl's hungry vagina. Sheryl moaned in delight as her prey began to struggle in earnest.

"There you go, just a little deeper!" Sheryl moaned as she sucked the struggling woman's head inside herself. The swimmer's arm flailed around, brushing her clit and she gasped in delight. "Oh yes, do that again!"

The swimmer's arm moved lower, reaching desperately for some sort of handhold, and Sheryl gave a final pull. "Bye now, snack." She said as the woman's hand disappeared into her depths.

The woman struggled inside Sheryl as she was swept deep into the giantess, sending Sheryl over the edge to a massive orgasm. “Ahh!” She exclaimed, her pussy spasming and sucking in gallons more water to wash down her meal.

Sheryl lay back in the pool enjoying the afterglow of her orgasm as her body began to absorb her meals, adding them and all the pool water to her massive self.

Her nerves sang with the familiar tingle of growth as her belly shrank and the rest of her grew.

And grew.

And grew! Sheryl's body shook with another orgasm as her body swelled, the pool sloshing around her.

"Jen, you can come out now!" Sheryl called as her body finally settled into its new form.

Jen came over to the edge of the pool, admiring her wife's new growth. "You look amazing, love. All that water's made you bigger and stronger than ever."

Just then, they heard the sound of a car pull up, and two women's voices in conversation.

"Ahh, Kathi's back with my gift for you, Jen." Sheryl said.

Jen turned and began walking towards the entryway. "I'll go meet them in front. I don't want to miss the look on Lacey's face when she sees you."

"Jen, you've got a visitor!" Kathi's voice called out as she led another woman deep into the courtyard. The woman behind her looked nervous, and the hotel grounds were silent enough that Jen could hear their conversation.
"You're sure that Jen will be glad to see me? We didn't exactly part on good terms." Lacey said.
"Trust me, you'll make her day, Lacey." Kathi answered confidently. "And I know she'll love introducing you to Sheryl."
Jen smiled at that. The thought of her ex being swallowed up by her giant lover's pussy thrilled her, making her own pussy ache with desire.

"So, you thought you could just walk back into my life, after everything you did to me?" Jen said sternly, old memories putting a bit of real bite into her words. Lacey winced, but didn't stop walking. "What makes you think you're welcome here, hmm?" She asked.
"Your wife sent me an invitation." Lacey said. "Look, Jen, I want to apologize. For everything."

Jen let her voice soften, starting to walk towards her ex-girlfriend. “Oh? Is that right? And why do you think I want your apology?” She said, trying to keep up her stern act, though seeing Lacey again reminded her just why she’d been attracted to the woman in the first place.

Jen strode forward, pressing her breasts up against Lacey, enjoying the way she now towered over her former lover. The touch of Lacey's body against hers turned Jen's arousal into an aching hunger, and her expression softened.

"Go on, I'm listening." Jen urged.

"Look, Jen, I'm sorry about how things ended between us. I never should have let Samantha lure me away from you. Is there any way I can make it up to you?" Lacey asked, looking up into Jen's eyes.

Jen thought for a moment, then smiled. “Remind me how much fun we used to have together, and maybe we can work something out.” She said, pulling Lacey even closer to her.

Lacey leaned forward, planting her face in Jen’s cleavage and eagerly kissing her soft breasts.

“Oooh!” Jen gasped at the sensations. She wasn’t usually this sensitive, but the hunger inside her was making even the slightest touch feel delightful.

"I see you're starting to remember." Lacey said, smiling up at Jen. "Should I keep going?"

Jen moaned in delight, then gasped as Lacey ran a hand along her buttocks. Everywhere seemed so sensitive, it was driving her crazy. She could see that Lacey recognized the signs of her arousal, and knew exactly how turned on Jen was getting.

"Wow, Jen, you've gotten a lot stronger while I was gone." Lacey said, and Jen could hear the arousal in her ex's voice. "You were always the short, quiet one... what changed?"

"You have no idea how much stronger I am now, Lacey. Jen said. "Why, if I'm not careful, I might just break a cute little woman like you."

She heard Lacey gasp in delight, and possibly a little fear. "Please, be careful. I won't be any good to you broken." Lacey said in a voice husky with arousal.

"Oh God, that's hot, Jen. How did you become so confident? And so big?" Lacey asked, staring up at Jen with an awed expression on her face.
"Sheryl's been good for me." Jen answered, sliding her fingers under the thin straps of her bikini top. "Let me give you a good look at my new body."

Jen lifted off her top, letting her nipples free. Lacey was clearly awestruck as Jen continued undressing.
"You'd better get those clothes off if you want any of this." Jen said as she reached for her bikini bottom. Suddenly Lacey was moving again, scrambling to get her clothes off.

"I've never ridden another woman quite this way before, Jen. You're going to spoil me for anyone else." Lacey moaned.
Jen smiled to herself. *You have no idea, Lacey.* Aloud, she said, "Just wait until Sheryl gets ahold of you, Lacey. I'm good, but you'll never have an experience like her."
Or any other experience, once her pussy gets hold of you. The thought of her ex disappearing into Sheryl made Jen's hunger grow even stronger, and she carried Lacey towards the back, where she'd left her wife.
