SATISFYING THE BOSS'S HUNGER PART 18

BY REDFIREDOG AND GROBLEK

Suddenly, the walls around Lacey tightened, squeezing her into a tight, uncomfortable, ball. She cried out in dismay as the tingling sensation increased.

"Oof! Careful, Jen, you'll knock me over!" Kathi exclaimed as Jen shifted forward, shoving her squirming belly against Kathi's face.
"That's the idea, Kathi." Jen answered. "Lacey's really active in there, so I think it's time to change positions a bit, let you really feel what's going on."
www.erofus.com

"Woah!" Kathi yelped as she dropped to the ground beneath Jen.
Jen squatted down atop her pet, licking her lips in anticipation. She slid her bulging belly and its squirming contents down Kathi's body, watching Kathi shiver in delight.

"I hope she lasts a long time, this feels amazing!" Jen responded. "My ex is completely at my mercy, and so are you, pet." She announced, pushing forward to pin Kathi against the ground with her enormous belly.

Kathi gasped, but it sounded more aroused than afraid, and Jen smiled as she ground her squirming belly against the former executive.

"Well, do you have something to ask me, pet?"

"What... What do you plan to do to me, Mistress Jen?" Kathi asked.

"Mmm, well to start out, I want you to pleasure me. Let's see if you can make Lacey melt away faster if you make me cum." Jen said, shifting to sit on Kathi's face.
www.erofus.com

"Yes, just like that!" Jen moaned as Kathi set eagerly to work. She felt her belly squeeze her prey tightly as she came.
www.erofus.com

As her orgasm subsided, Jen looked down, surprised to see that Lacey was still struggling as hard as ever.
www.erofus.com

www.erofus.com

Inside Jen, Lacey grimaced in pain as Jen's body forced hers to bend in ways that shouldn't have been possible. But something had happened when her ex orgasmed. That tingling sensation had flared, then subsided, and Lacey somehow felt like part of her had gone with it.

"I expect you'll get several more orgasms out of her before she's gone, Jen." Sheryl's voice boomed from above them. "My first snack took a whole day to shrink down before he was finally gone. I almost miss being able to savor them like that."

Jen grinned, rubbing her still-struggling belly. "Did you hear that, Lacey? My body's going to squeeze you down to nothing, one orgasm at a time, and I'm going to enjoy every moment of it!" She said as Lacey's struggles aroused her again.

Lacey pounded her hands against the walls of her prison as it contracted again. She needed to escape, she could tell, but her muscles only answered her commands weakly, and she wasn't even able to shift to a more comfortable position, much less try and force her way out again.

"No, please!" A woman screamed as Jen grabbed her by the legs. Jen just laughed and shoved the squirming woman's feet into her pussy as her hunger flared.

Jen took a deep breath and pulled with her inner muscles as she shoved her hips forward. The woman screamed as her torso slid into Jen's slick depths, and tried frantically to grab hold of something as her shoulders were sucked inside. Then Jen let her breath out in a scream of pleasure as she came. "Oh yes, yes, YES!"

Seconds later, there was a flash of blonde hair, a final scream, and silence returned to the courtyard as Jen's body tucked away her second meal.

www.erofus.com

The sound of applause broke the silence, and Jen looked over to see Kathi clapping, a big grin on her face. "Wow, Jen, I didn't think you could do that again so soon!"

Jen smiled weakly at the smaller woman. "Neither did I, but my body had other plans. God, that felt good. Bring me a drink, Kathi, I'm suddenly really thirsty."

"Coming right up!" Kathi said cheerfully as she filled a cup with water and brought it over to Jen.

Jen drained it in one gulp and set it down on a nearby table. "Ahh, much better."

www.erofus.com

Jen lay in one of the chairs, both of her daughters cuddled up exhausted from the effort of unbirthing a second person so soon after the first. Her belly writhed and squirmed still more now that she had given it fresh prey, and Jen found the movement soothing, almost relaxing.

"Whew, I think we'll have to wait a bit to play some more, Kathi. I need a nap." Jen said.

Kathi smiled. "You've earned a rest, that was amazing. Did you get a good look at the girl who was hiding in there? All I saw was a blur, but she looked kinda familiar."

Jen grinned. "Yeah, I did. She kinda looked like you, actually."

Kathi's face lit up with delight. "Really? Ooh, that's going to feature in my daydreams for a while. And maybe in my nightmares, too."

www.erofus.com

Inside Jen, Lacey squirmed, trying without success to untangle herself from the new girl. Her own body felt weaker than ever now, and she was easily overpowered by the other woman, who made herself as comfortable as possible by shoving Lacey aside. Then Jen's womb squeezed tightly around them, and there was no comfort to be found anywhere.

Jen yawned, then closed her eyes and drifted off to sleep, lulled by the swaying of her belly as her body went to work on her prey.
www.erofus.com

Lacey screamed as the walls of Jen's womb contracted again, then released. These contractions were coming in a steady rhythm now, and every time they stopped, she felt as though a little more of her had slipped away. The tingling sensation on her skin had become more intense, almost burning, and the tingling had spread deep into her entire body. She wasn't sure what was happening to them in here, but Lacey didn't like it one bit.

www.erofus.com

Jen snored softly as she slept, erotic thoughts filling her dreams.
www.erofus.com

www.erofus.com

The walls were closing in tighter with every squeeze, and now Lacey knew why she felt drained after each one. Their bodies were shrinking away, flesh and muscle shrinking tighter and tighter against their skeletons. She felt ravenously hungry, as though starved of food, adding to the discomfort.

Jen's womb contracted yet again, and Lacey felt her bones bend as she was compacted even more tightly against the other woman. She screamed, but the contractions continued relentlessly, milking more of their essences out of them each time.

As Jen continued to dream, her belly began to shrink down as her prey's absorption really got going.
www.erofus.com

www.erofus.com

After a half-hour, Jen could have been mistaken for merely pregnant. She was smiling in her sleep as her belly dwindled away.

www.erofus.com

Lacey could barely believe she was still conscious. She and the other woman were crushed together into such a tight ball that she could barely tell where one of them ended and the other began. The burning sensation in her body flared, and she felt her skin begin to run like wax as the rhythm of Jen's contractions changed. Instead of a steady pressure, the walls were rippling in a circular pattern, causing the liquid inside to swirl. As it did, more and more of Lacey swirled away too.

www.erofus.com

www.erofus.com

At the very end, Lacey's head began to melt again the other woman's, and she felt her very sense of identity waver as they blended together. She screamed as her consciousness began to fragment, then the walls closed in on them one final time and she felt nothing at all. Seconds later, the last of their combined essences was absorbed into Jen, removing all trace that the two women had ever existed.

www.erofus.com

A mini-orgasm ran through Jen's body as her womb finished with her prey, stirring her from her sleep. She blinked to clear the sleep from her eyes, then looked down at her newly improved body.

www.erofus.com

"It's a great feeling, isn't it?" Sheryl said, and Jen looked up at the smiling face of her giant wife. "You want more?"
Jen thought for a moment, then gave a slight shake of her head. "Not yet. I mean yes, but right now I feel full. Or maybe satisfied is a better term. Also horny as hell. But I definitely want to do that again later."
"Oh, Jen! Take me!" Kathi moaned from the lawn next to the pool.
"It looks like you're not the only one turned on right now, Jen." Sheryl said with a laugh.

"I just want to make sure you two remember who's the top predator around here, that's all." Sheryl said, crouching down to lok Kathi in the eye. "If anyone's pussy's going to devour you, it's mine, little Kathi. So if you two want to play dangerously, you'll do it in me."

Jen felt Kathi squirm with arousal as Sheryl talked.

"You can't mean what I think you do, Sheryl." Jen said.

"Oh yes I can, and I do, Jen. I'm going to stuff you both into my pussy, then you can do whatever you want with each other. You'll be fine, Jen, I promise to keep a good grip on your feet. But you'd better not let go of Kathi while you're in there, or she might disappear for good." She smiled down at them. "Does that get your fantasies going, Kathi my pet? How about yours, Jen?"

www.erofus.com

"God yes!" Kathi moaned in delight.

Jen felt herself get wet at the thought, though she tried to keep her own arousal off her face. "I'm not sure this is a good idea, Sheryl."

"I'm not asking if it's a good idea, just if it turns you on. Tell me that you don't love the idea of fucking our pet while I cum all around you." Sheryl said as she sat up and spread her legs, her pussy at the height of Jen's face.

Jen bit her lip with arousal. "The idea's really hot, I'll give you that, love. But…"

Before Jen could finish, Sheryl had grabbed her by the head and shoulders. "Then it's settled, you're going in!"

Despite her misgivings, Jen didn't try to fight, she just grabbed Kathi in a tight embrace and let Sheryl's pussy engulf them. Once their torsos were fully inside, she pulled Kathi into a kiss and began to wiggle just enough to make Sheryl moan with delight.
"See, I knew you'd enjoy it, Jen." Sheryl said, sliding the pair deeper into herself.
www.erofus.com

"Mmm, you're lucky I've had such a big meal, otherwise I might just let you both go all the way." Jen heard Sheryl say as she slid them both the rest of the way inside.

www.erofus.com

"Well, Kathi, here we are." Jen said, smiling at her smaller lover.
"Your fantasy got us here, so why don't you pick what to do first?"

www.erofus.com
Sheryl's grip on them relaxed, her fingers loosening around Kathi, and Jen felt the smaller woman struggle to free herself from Jen's newly-enlarged breasts.
"How about another kiss before we get started?" Kathi asked.

“Gladly.: Jen responded, pulling Kathi in for a kiss as Sheryl’s hand slid all the way down to her ankles, releasing Kathi entirely.

www.erofus.com

Outside, Sheryl concentrated on maintaining her grip on Jen as their squirming brought her close to orgasm.

Jen's own orgasm washed over her, and she felt Sheryl's body tighten around them both as her wife came too. Kathi was more enthusiastic than ever, and Jen let the sensations wash over her.
www.erofus.com

Her orgasm subsided, and Jen basked in the afterglow. “Ooh, that was amazing, Kathi!”

From between her legs came a muffled “I’m not done yet.” from Kathi, and Jen moaned as Kathi began licking and sucking more.

www.erofus.com

Outside, Sheryl moaned as Jen and Kathi squirming inside her brought her to the brink of orgasm. Part of her wanted to just let go and suck them both all the way inside her, but she resisted the urge.
www.erofus.com

Jen finally pulled Kathi away from her pussy and held her between her breasts. "What do you say to taking a little more risk, Kathi? Sit on my shoulders and I'll eat you out while you get that much deeper into Sheryl."

www.erofus.com

Kathi grinned with delight. “Ooh, you know how to get me going, Jen!” She said, sliding herself up Jen’s body. Jen trailed kisses down the smaller woman’s belly, guiding Kathi into a sitting position on her shoulders.

Kathi moaned in delight as Sheryl's body shook around them.
"Let's see if you can make me and Sheryl cum at the same time!" Kathi gasped as Jen's mouth moved to her thighs.
www.erofus.com

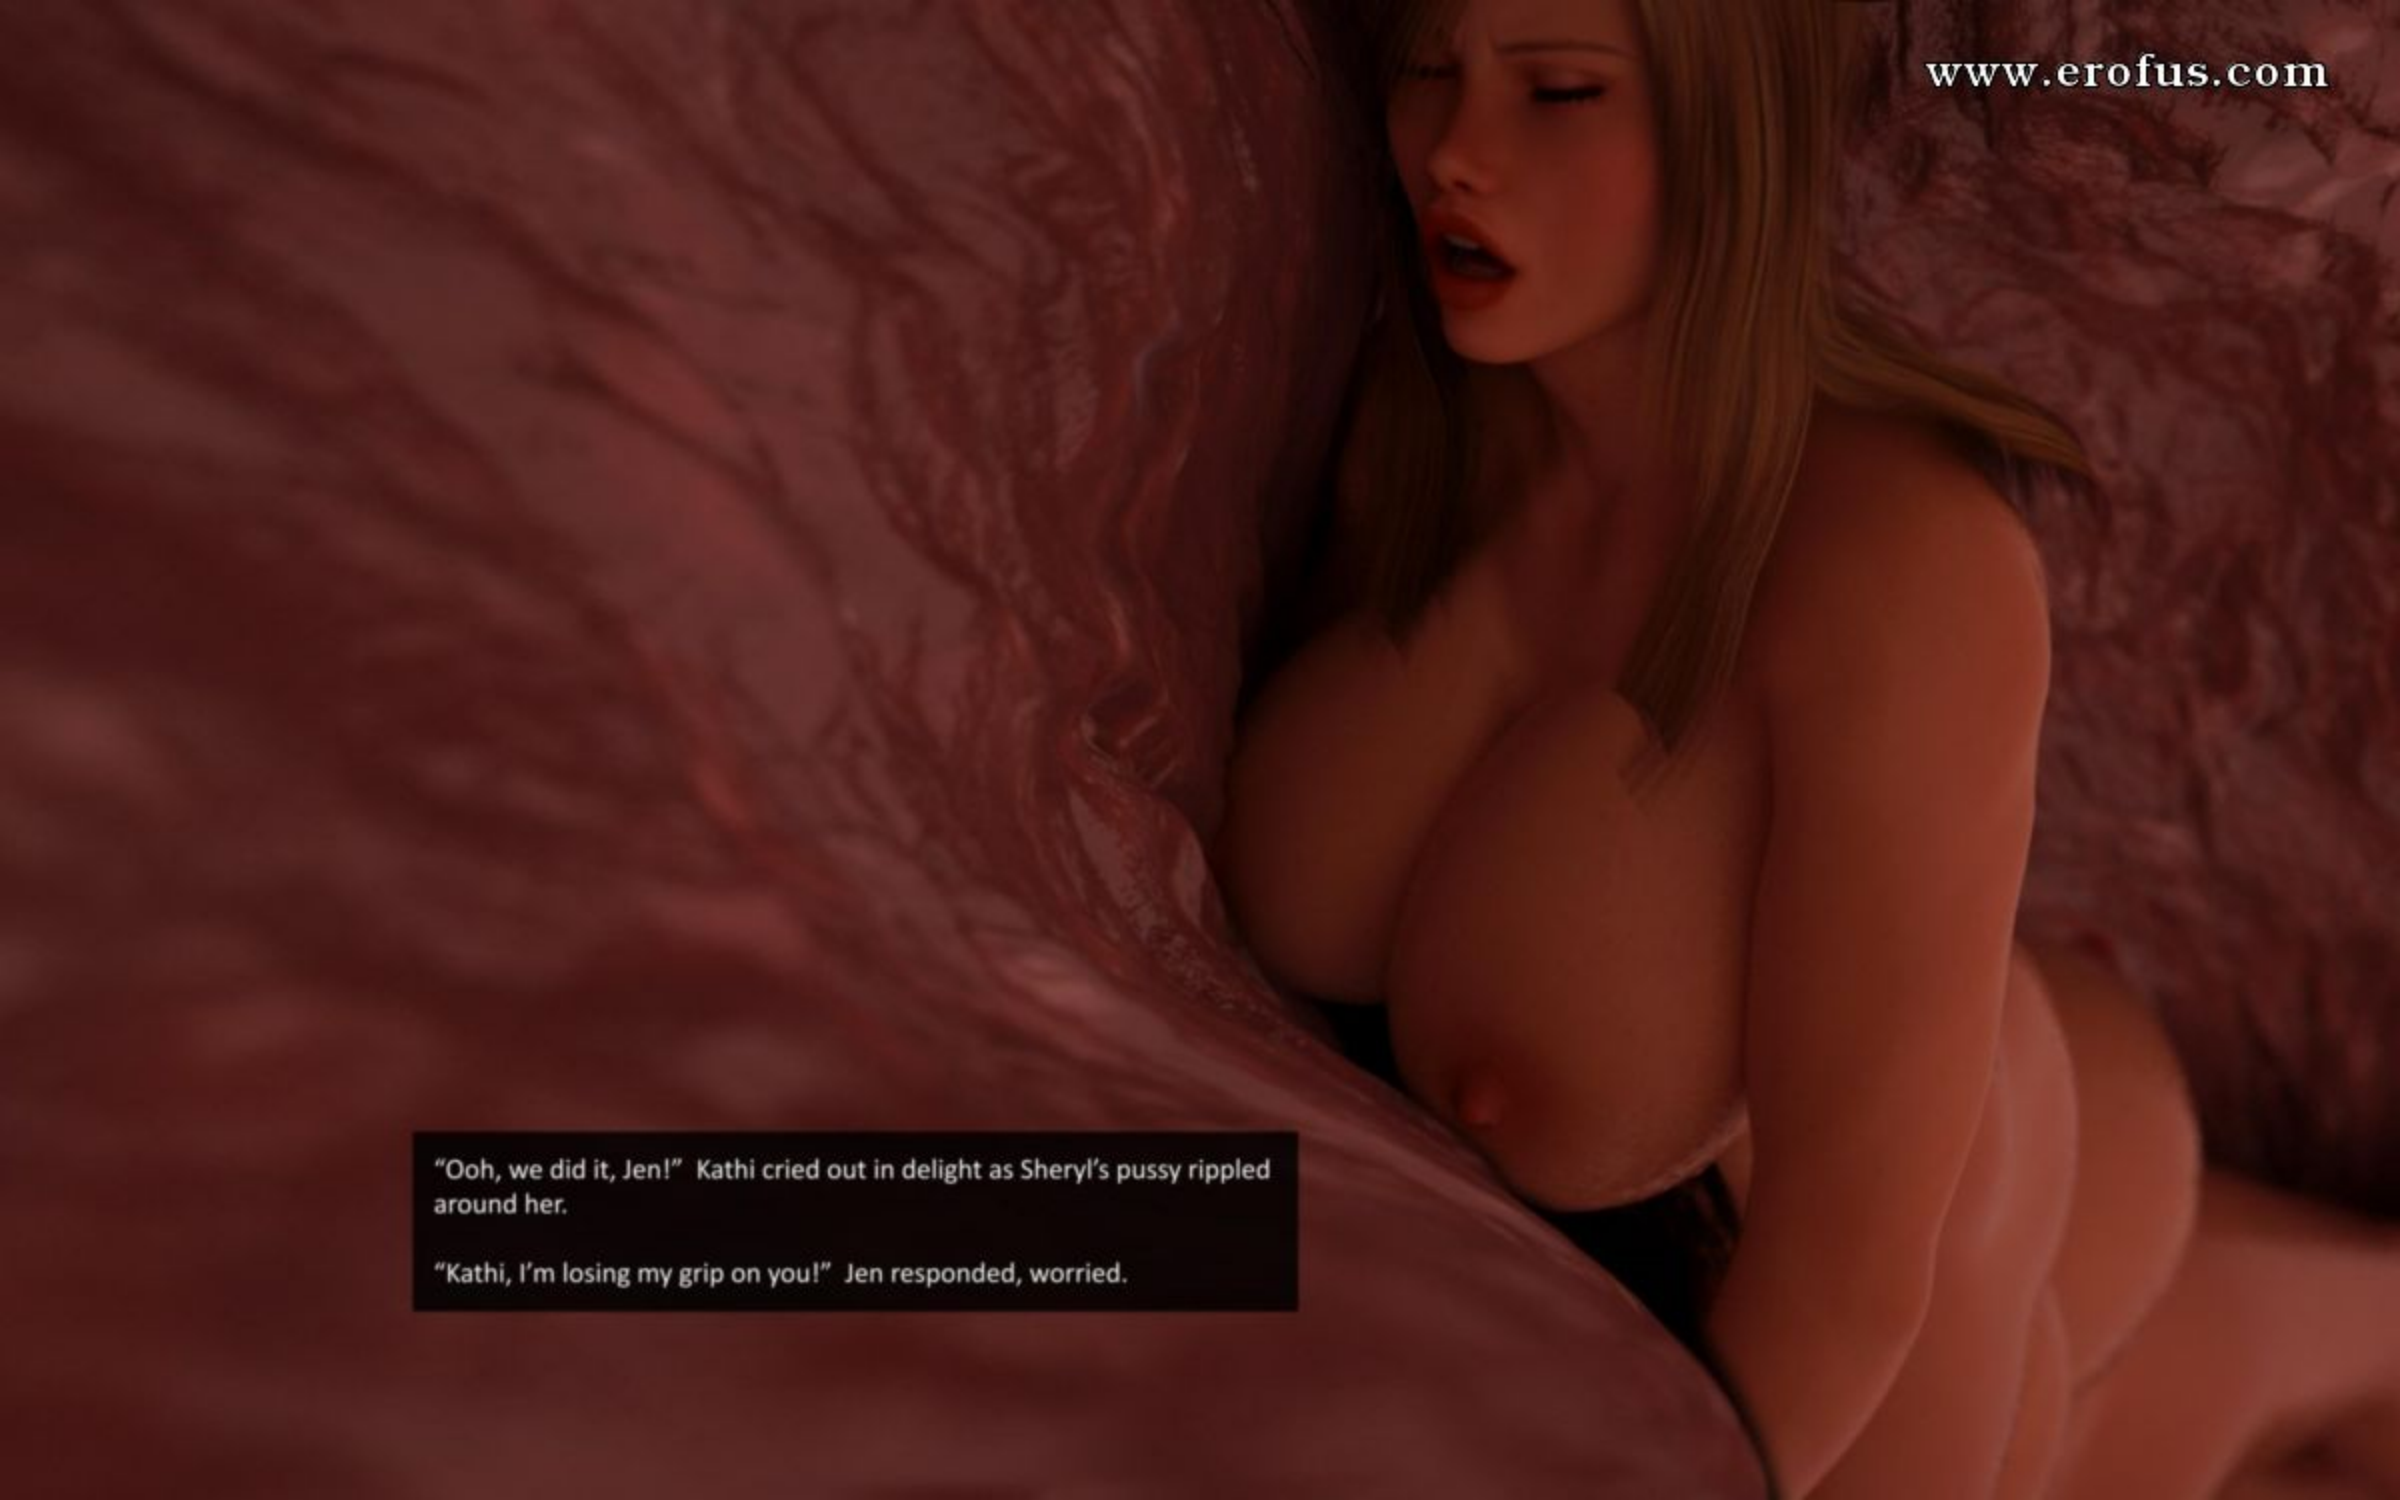

Jen nibbled along Kathi's inner thighs, working her way to her lover's pussy before finally sliding her tongue deep inside Kathi, making her scream in orgasm.

Outside, Sheryl felt herself losing control as her orgasm became inescapable. “Jen! I can’t hold back much longer!” She moaned.

Deep inside Sheryl, Jen was eating Kathi out as Sheryl's pussy began to tighten around them.
Kathi slid herself deeper, trying to position Jen in just the right spot.

"Ooh, we did it, Jen!" Kathi cried out in delight as Sheryl's pussy rippled around her.
"Kathi, I'm losing my grip on you!" Jen responded, worried.

www.erofus.com

Jen grabbed frantically for Kathi, but they were both coated in Sheryl's slippery juices and she felt her hands slide down Kathi's legs as Sheryl's hungry pussy pulled the woman deeper.

"Oh God, this is it!" Kathi called out, horror mixed with arousal in her voice. "But what a way to go!"

As her hand slipped down to Kathi's ankle, Jen clamped down as hard as she could, clinging to Kathi's foot with both hands. The woman's inward progress slowed, then stopped, but Jen knew she couldn't hold on much longer. "Please, Sheryl, pull us out!" She yelled, hoping that Sheryl could hear her.

www.erofus.com

Just as Kathi was about to slip out of her hands forever, Jen felt them both slide backwards, out of Sheryl's cavern. Light returned to Jen's world, and she found herself flying through the air as Sheryl tossed her away from her hungry pussy.
www.erofus.com

"That was hot, Jen, but I almost couldn't let you out. Next time, let's make sure we do that with someone we don't mind feeding to my pussy. You can just push her on in right before I pull you out."
Kathi stared into Sheryl's depths for a long time. "I really am going to end up as part of you someday, aren't I?" She asked, looking up at Sheryl.

Sheryl stretched, making herself comfortable on the ground. "But right now, I'm going to take a nap. Holding back from eating you was exhausting work."

Sheryl lay back and dozed off, dreaming of sex and stuffing endless numbers of people into her ever-hungry depths.

Sheryl awoke to the sound of Jen and Kathi having sex again, and lay still for a while, just enjoying the sounds. She finally opened her eyes a crack and saw them on the roof of one of the buildings, with Kathi just settling in astride Jen's face.

Unable to restrain herself any longer, Sheryl walked over to the rooftop where Jen and Kathi were continuing to fuck each other silly.

"All right you two, I'm rested and ready to join in, whether you're ready for me or not!" Sheryl called out as she moved closer to her wife and their pet.

END OF PART 16

UBPD
PREVIEW
My name is Illa Fressman, and I'm an officer in the UBPD. That's me in the picture, the Jewish girl with the big nose, the nose that you probably didn't even notice because I've got a pair of tits that's bigger than my head.
I'm a deputy police chief for the local UBPD. Us officers have something called the blue wall of silence, and I'm usually not much for opening up on paper, but someone in the publishing business offered me one hell of an advance if I write a memoir. They said plenty of pervs who would pay top dollar to know what goes on in my line of work, and if I can make a few million people orgasm while getting paid for it, that's fine by me. I'm all for honesty, at least when it helps my bottom line.
I like books that start out with a little action, so I'll jump right in.
www.erofus.com

www.erofus.com

All you need to know is that I'm chasing is one nasty piece of work. She may not look like a seasoned criminal, but I'm doing you a favor by taking her off the street, believe me.

You might think a girl my size would be slow, and you'd be wrong. These thick legs carry me faster than any normal-sized human could hope to run. The perp I'm chasing a bit quicker when it comes to sudden changes of direction, but as we enter an open area, I close in on her.

www.erofus.com

I catch up to her right in the middle of the courtyard. She looks back at me, and she knows I'm toast. I'm drenched from the run, and I don't mean just sweat. Nothing gets my juices flowing more than hunting some terrified prey.

I reach out with both arms, and grab her up in a single, quick motion.

Not that I need both hands. All it takes is one of my hands, wrapped firmly around her head, and I yank her whole body towards me.
You may be wondering what the reasoning is behind some of my wardrobe choices. Well, the history of war shows that certain uniform choices can be an effective way to terrorize your enemies. You can make yourself look bigger or stronger than you really are, or play into the enemy's psychology. The Romans knew it, and the Nazi's wore those snappy black ensembles for a reason.
www.erofus.com

www.erofus.com

The context is a bit different for me, but the principle is the same. Sex is my weapon. Anyone who sees my monster tits hanging out in the open, seven feet off the ground, is going to know right away I'm a UBPD officer. My pants, which leave my pussy open except for a thin strap that barely covers my pussy lips, serves the same purpose. It shows that my monster pussy is out and ready to party, and it's easy access. Same thing as a quick-draw.

It also has the effect, in many cases, of making those around me aroused. Since I'm the last thing many people see, I think it's only fair to make sure they enjoy the sight as much as possible.

I shove the little blonde bitch's head down right between my legs. She only had to bend down the tiniest bit, and her head was below my pussy. More of a snack than a meal, really. And she's a cryer, too. Not that I have a problem with that. The pleading just makes my pussy wetter.

Oh, and somewhere around here I of course read her the full Miranda rights, as regulation would require.

www.erofus.com

I shove her onto her knee, and pull her closer to my drenching wet pussy. She has a front row view of my cunt, and it's happy to see her. My pussy juices drip onto her face.The makeup is running down her face, but I'm not sure if it's because of my pussy juice, or her crying, but it's making me even wetter.

"Fuck my pussy is hungry, get in there!" I said with a loud moan. Not exactly Shakesphere, but in the heat of the moment it's my pussy doing all the thinking.

This little bitch is half my height. Make a note that's not the same thing as half my size. See, if you're twice as tall as someone, you're twice their height. Obviously. But that's only one dimension. If you look at us next to each other in a photo, that's two dimensions, which means I'll look four times as big as her. Volume and weight are both three dimensional. That means that all things being equal, I'll weigh no less than eight times more than someone half my size.
You follow along? So I'm eight times stronger than her just by virtue of being twice her height, which would be more than enough to let me utterly dominate her physically. But as it turns out, I also have a much more robust physique than she does. And while I'm not going to claim that it's all muscle, or that I spend a lot of time at the gym, I do have other advantages.
See, us preds are about twice as strong as a normal person of the same size. Taking that into consideration, and the fact that I do lift weights now and again, I'm probably at least twenty times stronger than her. That means that once I have my hands on someone, I can treat them like a little plaything, and there's nothing they can do about it. And I don't know about you, but for me, knowing that is hot as fuck.
www.erofus.com

I crouch down just a little lower. My pussy lips rub against the side of her face. She's feeling it. Oh yeah.
That's when I feel her face glide between my pussy lips. It felt fucking incredible.
www.erofus.com

I'm, like, incredibly strong in general. I can bench press a fucking smart car. I could probably arm wrestle a bear without breaking a sweat. But that's just my normal muscles: my pussy is something else entirely.
I clench my muscles, and my pussy clenches around her head. (That's a good word, clench.) I can only imagine what it feels like to her right now.
www.erofus.com

In terms of raw power, my pussy could crack her little head like an egg. But I don't think I could actually do something like that if I wanted to. If I put someone between my legs, it's absolutely overpowering. Resisting the urge is almost impossible. Sometimes it feels like it has a mind of its own.
The muscles in my pussy are moving in unison, pulling her deeper in. I know there's a whole complex physiology that goes along with it, but to me, in the moment, it feels like one thing: complete and utter ecstasy, mixed with incredible power. Two things.
