SATISFYING THE BOSS'S HUNGER PART 18

BY REDFIREDOG AND GROBLEK

"Mistress Sheryl's coming." Jen heard Kathi say, as though she hadn't been able to hear her wife's booming voice for herself. Even with Kathi's thighs covering her ears, Jen could hear her wife just fine. She responded by shifting Kathi atop her and licking at a spot she knew would drive her lover over the edge.

That sent the smaller woman over the edge, just as Jen knew it would. She felt Kathi's body shake with orgasm, and heard her cry out in delight.

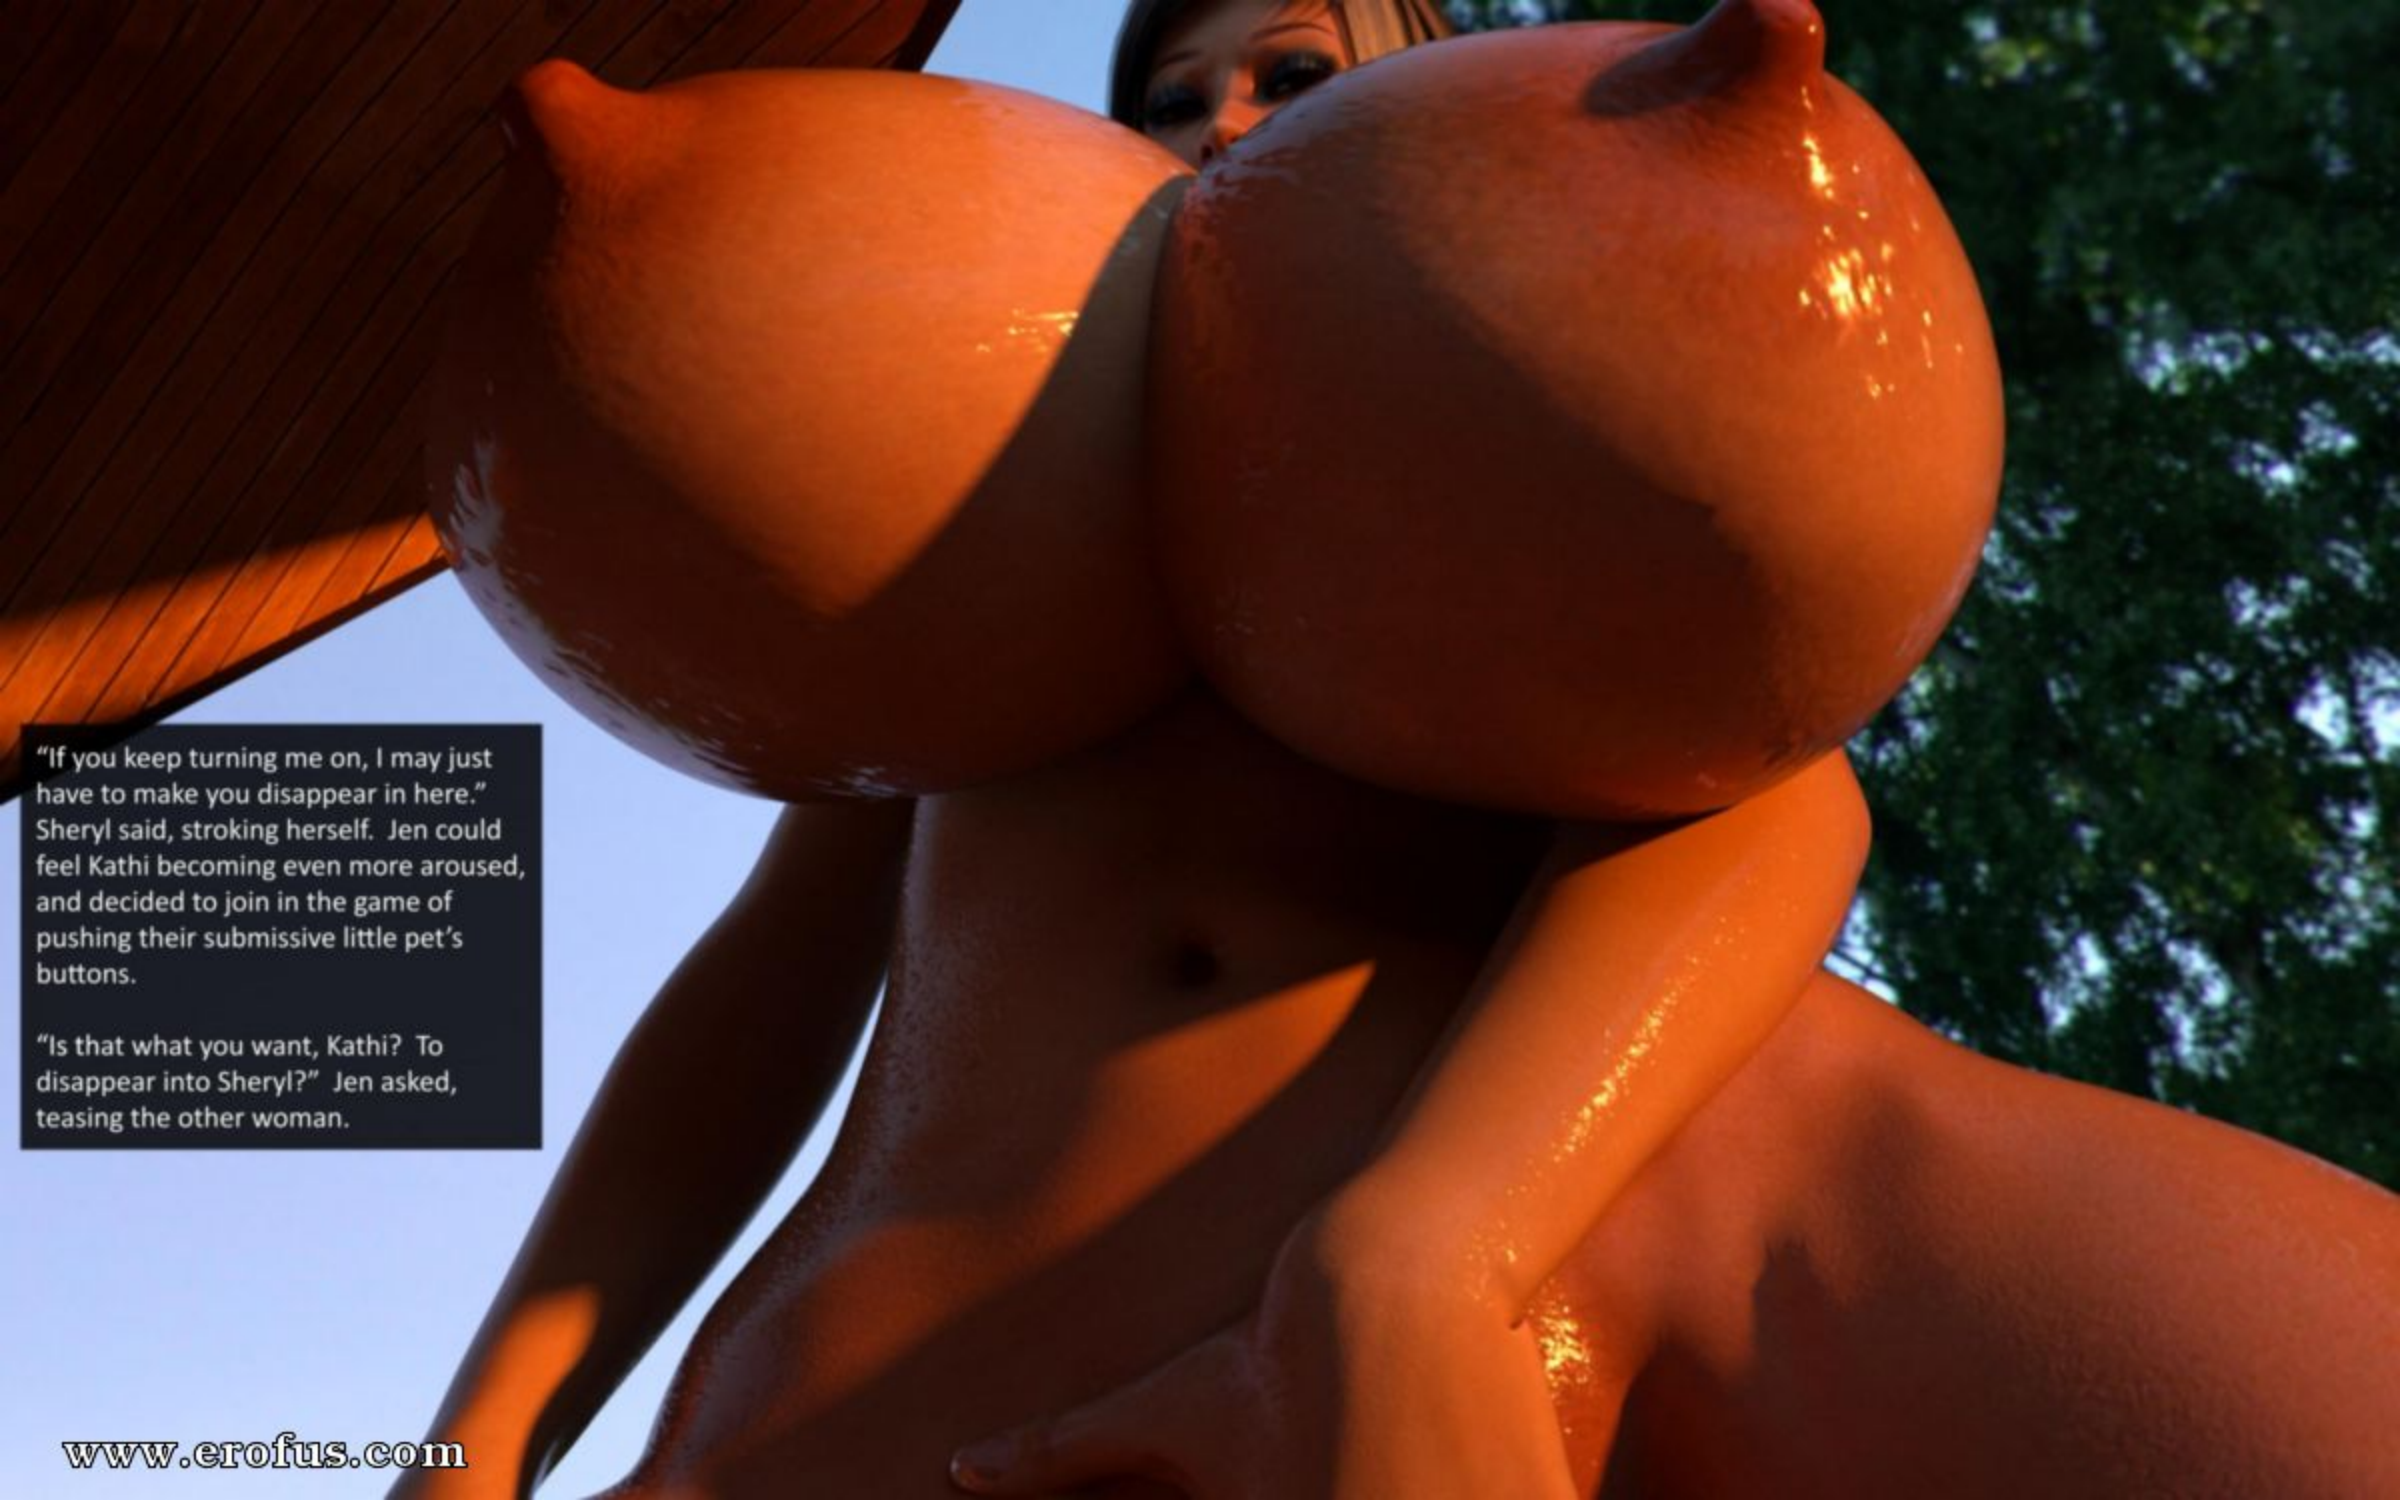

"Jen! Sheryl! OH!"

www.erofus.com

"If you keep turning me on, I may just have to make you disappear in here." Sheryl said, stroking herself. Jen could feel Kathi becoming even more aroused, and decided to join in the game of pushing their submissive little pet's buttons.
"Is that what you want, Kathi? To disappear into Sheryl?" Jen asked, teasing the other woman.

Sheryl dropped closer, moaning in pleasure as she came. Jen felt some of her wife's cum drip onto them both.

"You know where I want you, so get in there! Sheryl said, and Jen smiled as Kathi slid her head in between Sheryl's lower lips, kissing and sucking them as they surrounded her face.

As Sheryl withdrew her hand, Kathi kept licking away, eager to please her giant mistress.
“Here, mistress?”

"Yes, right there!" Sheryl moaned as Kathi tilted her head up to kiss Sheryl's clit.
Jen's own arousal grew as she watched Kathi draw back and blow on Sheryl's engorged clit, eliciting further moans from Sheryl.

Leaning closer, Jen watched Kathi plunge her face between Sheryl's folds again without hesitation, sucking and nibbling at Sheryl's sensitive areas.
www.erofus.com

"I think she's about to cum, Kathi!" Jen called out in delight as Kathi stopped to take a breath.
"Almost, maybe if I do this..." Kathi said as she slid her face back into Sheryl's depths.

www.erofus.com

"Your hands too, pet!" Sheryl moaned, wanting more. Jen watched in delight as Kathi slipped her fingers into Sheryl and began stroking the inside of Sheryl's giant labia.

"That's it, Kathi, make my wife cum!" Jen said, leaning in to watch more closely.
www.erofus.com

www.erofus.com

Kathi slid her arms up to the elbows in Sheryl's pussy, making Sheryl shudder in delight.

"Careful, Kathi, you might get stuck in there." Jen said, unable to resist pushing Kathi's buttons a little more.

"Mmm, I think... I think today might be that day, little snack." Sheryl's voice boomed as her breathing quickened. "Unless you can convince me not to, that is."

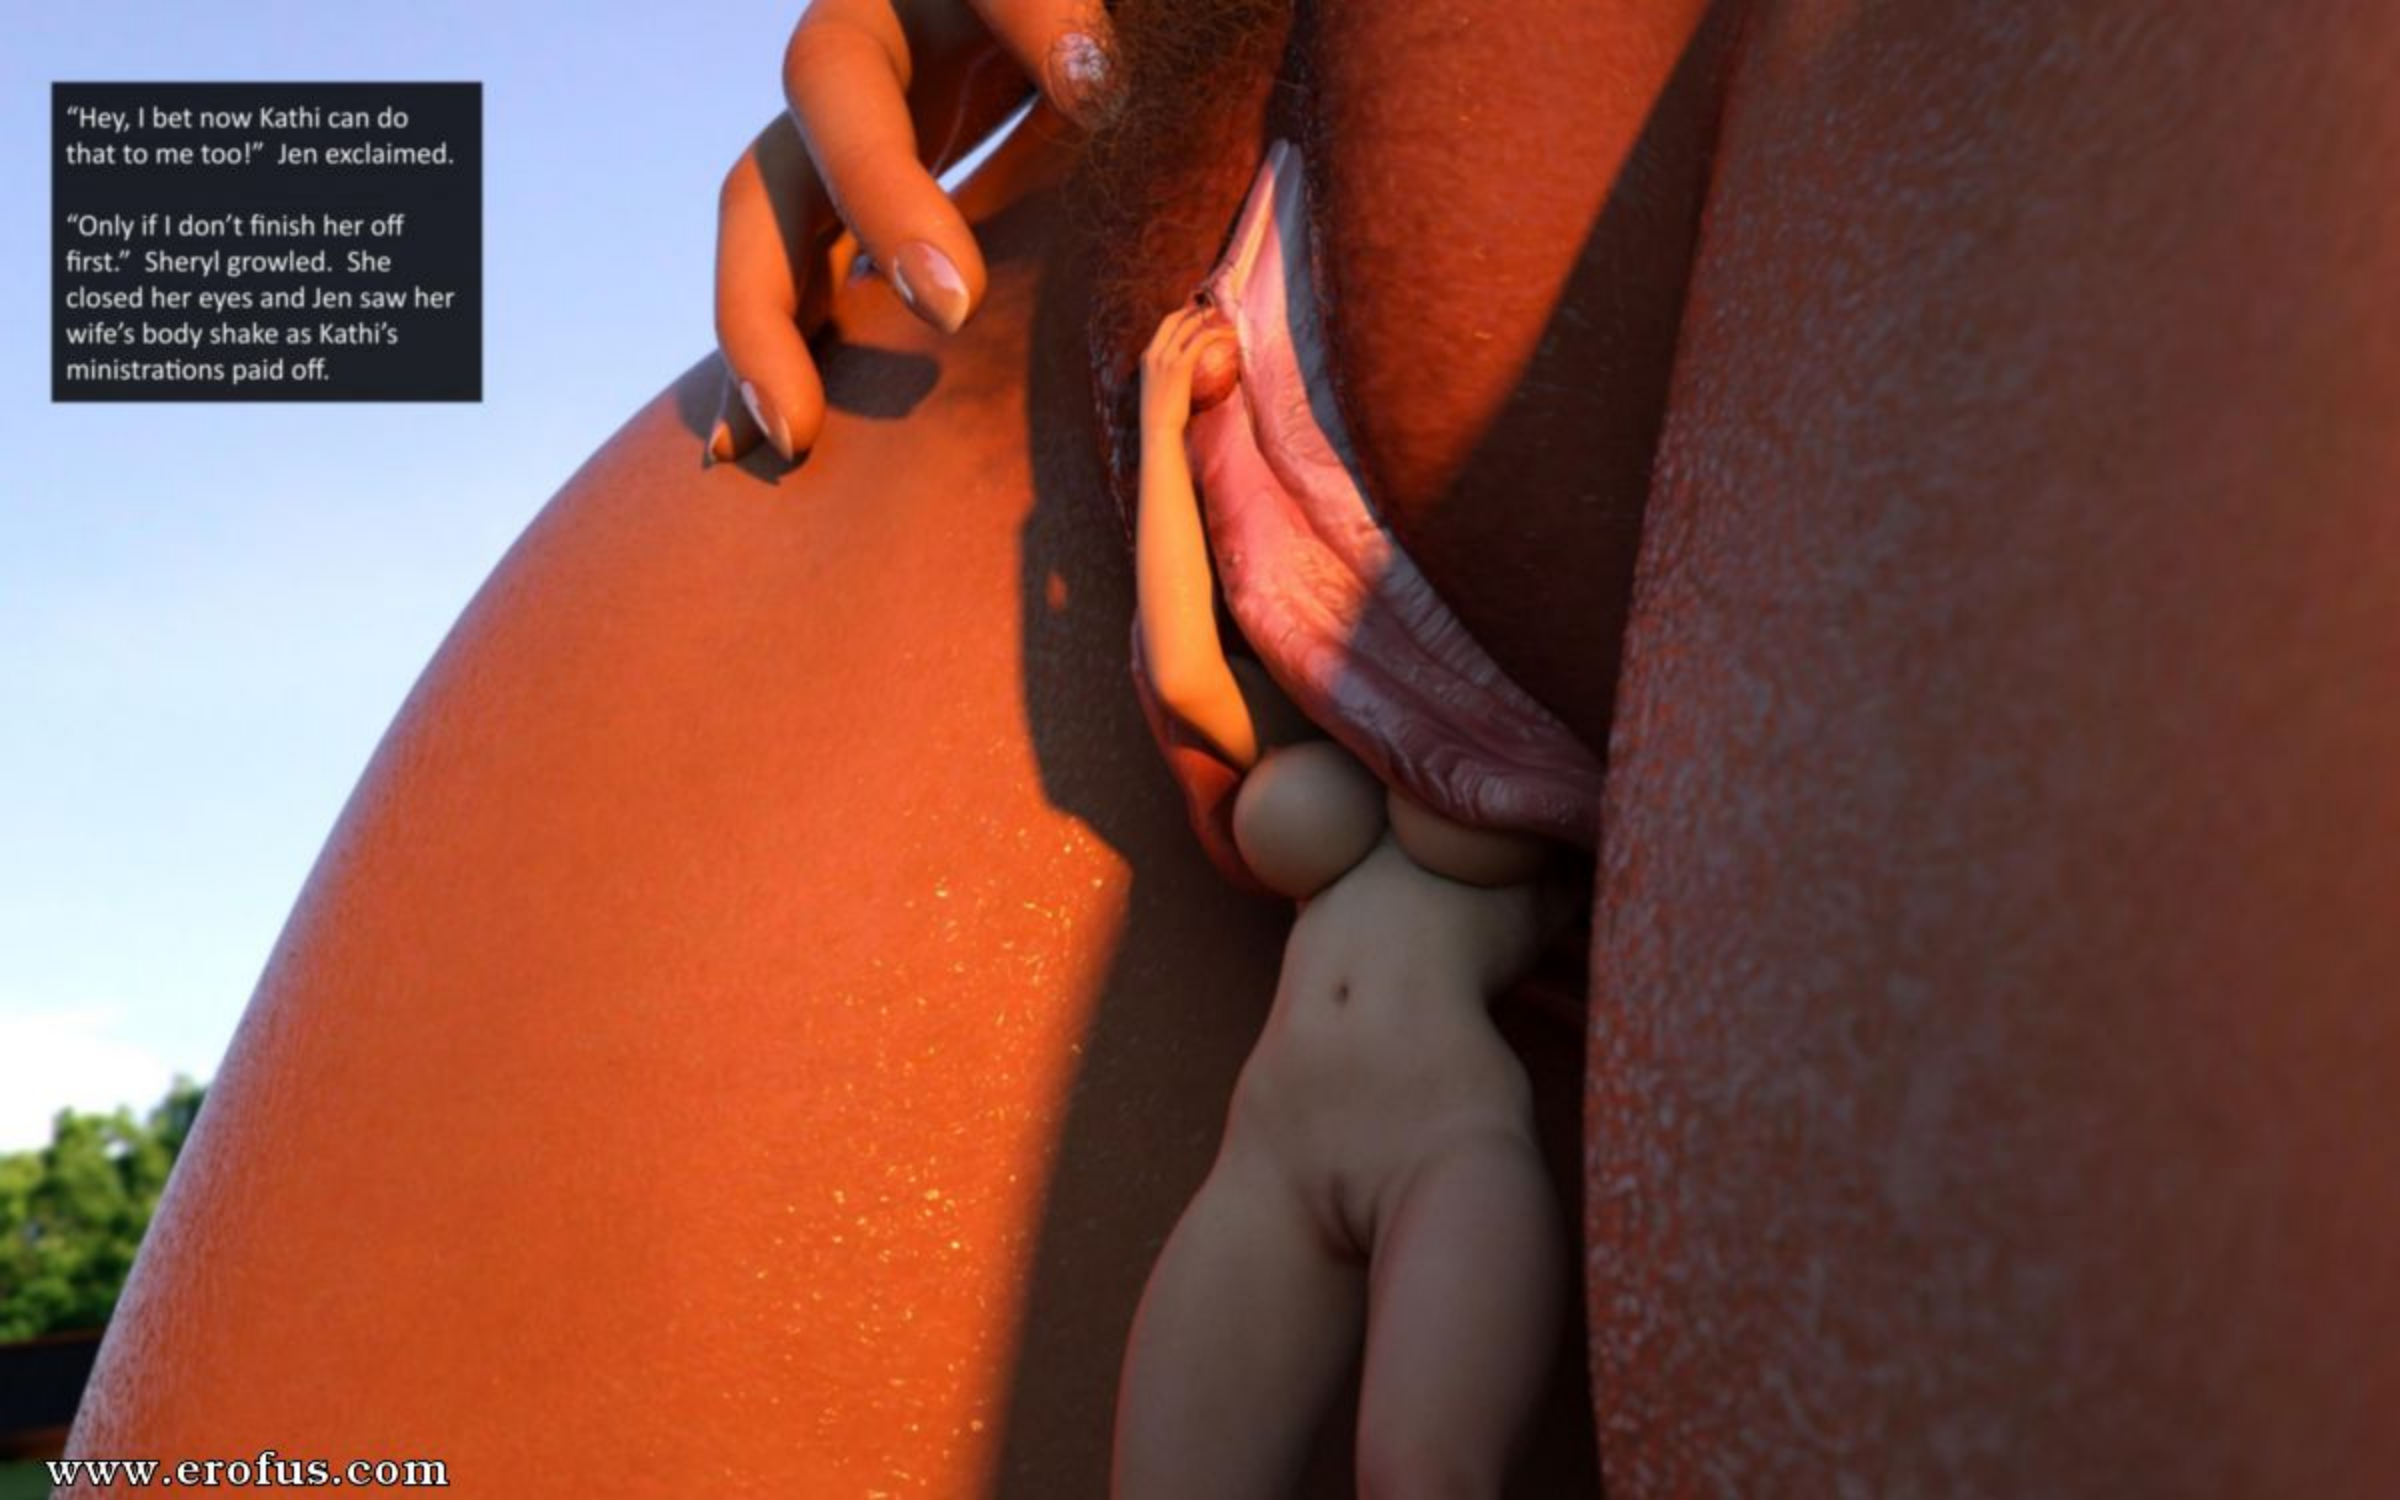

Jen watched as Kathi's hand slid out of Sheryl's pussy and began stroking her wife's clit. Sheryl writhed and moaned at the stimulation.
"Ooh, that's a good start, but you'll have to do more than that!" Sheryl gasped.
www.erofus.com

www.erofus.com

Kathi's hand kept stroking, and Jen knew that inside Sheryl's pussy, their pet was reaching for the giantess' g-spot with her other hand. It was one of Kathi's favorite ways to play with Sheryl, and never failed to get the giantess off.

Sheryl gasped in delight, and Jen knew Kathi had found the right spot. For a moment, she envied her giant wife, then a deliciously naughty thought came to her mind.

"Hey, I bet now Kathi can do that to me too!" Jen exclaimed.
"Only if I don't finish her off first." Sheryl growled. She closed her eyes and Jen saw her wife's body shake as Kathi's ministrations paid off.
www.erofus.com

www.erofus.com

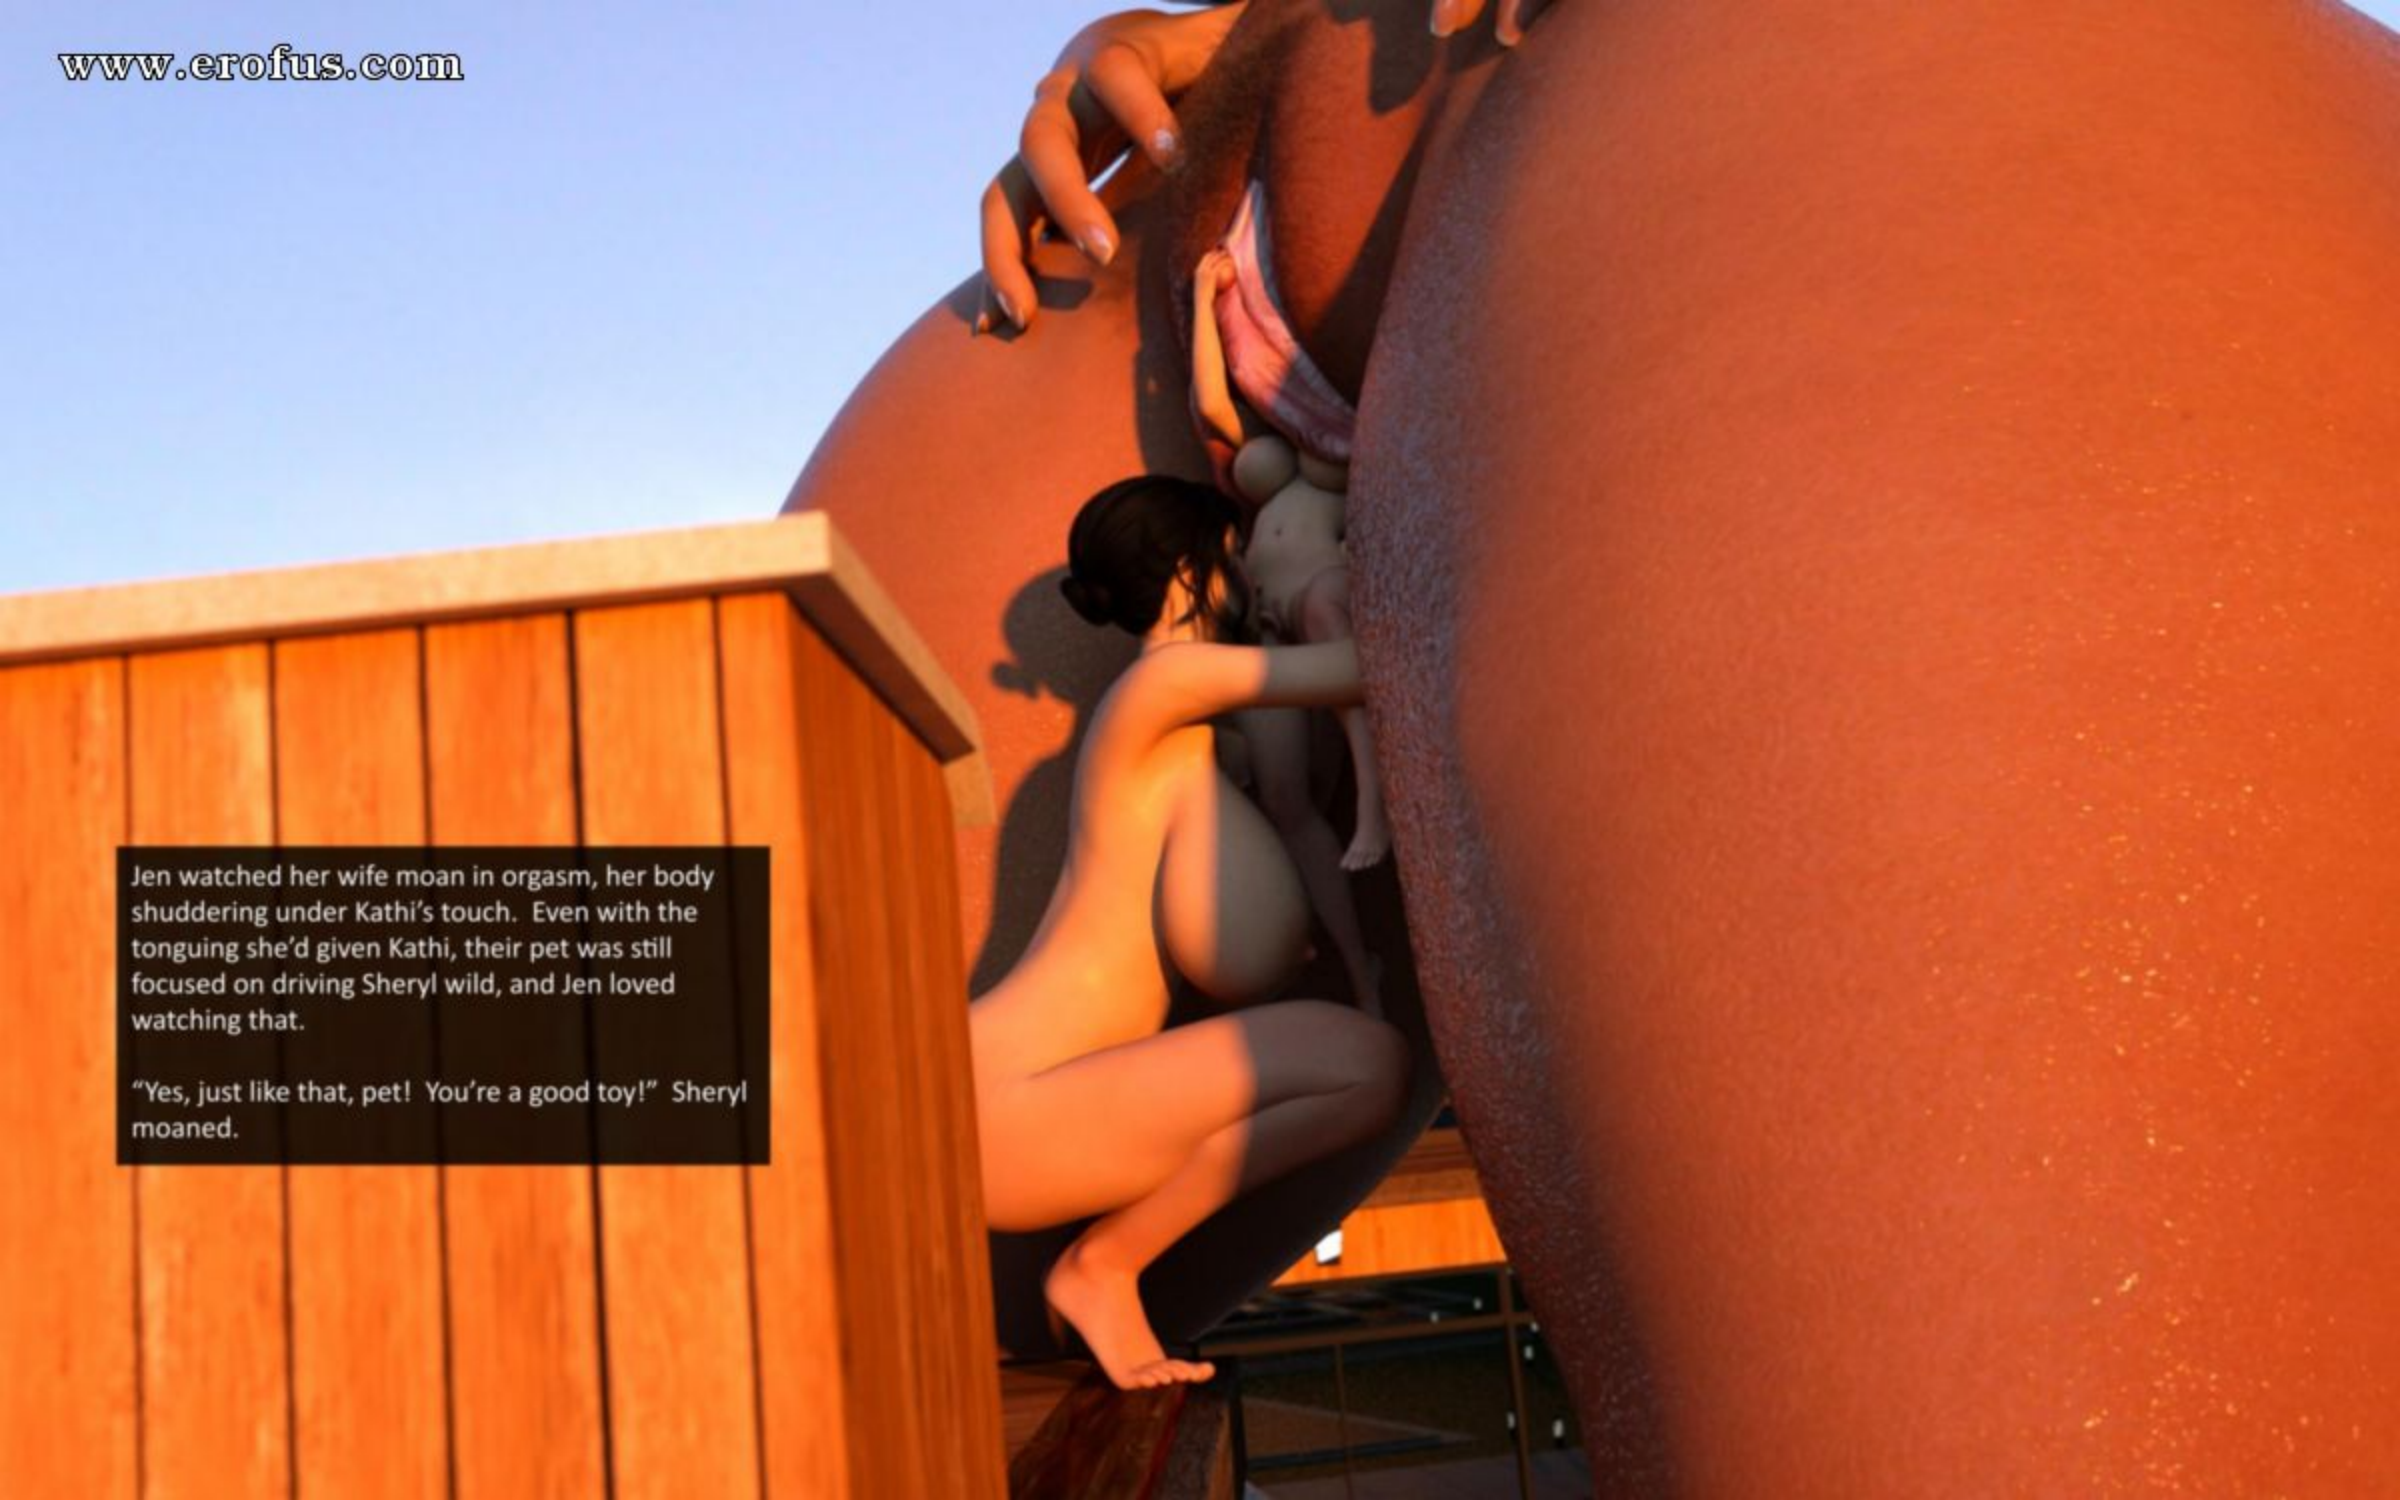

Jen felt Kathi shudder in delight as her tongue lapped at the other woman's pussy. Sheryl's gasp told her that her wife felt it too, and Jen set to work making Kathi squirm still more.

Jen watched her wife moan in orgasm, her body shuddering under Kathi's touch. Even with the tonguing she'd given Kathi, their pet was still focused on driving Sheryl wild, and Jen loved watching that.

"Yes, just like that, pet! You're a good toy!" Sheryl moaned.

www.erofus.com

Then Sheryl's pussy twitched, and Kathi's torso slid all the way inside. Sheryl moaned again, and Jen watched delightedly.
"But not good enough, this time." Sheryl said, and Jen's breath caught in her throat. Surely Sheryl wasn't serious, was she?
www.erofus.com

Sheryl stood up, her pussy still slowly pulling Kathi deeper. "So, in you go, little snack."
Jen stood up herself, pointing at where Kathi dangled from Sheryl's pussy. "Hang on a moment, wife! I wasn't finished with her yet!" She said, reaching to grab Kathi's leg.
www.erofus.com

Sheryl looked down at her and laughed. “Oh Jen, you’ll never be finished with her, I know that. But I’m tired of waiting to slurp up this little treat. So just enjoy the show, I promise I’ll make her last for you.”
She backed up slightly, pulling Kathi’s leg out of Jen’s grasp.
www.erofus.com

Jen stared as her wife turned around and shook her enormous butt as Kathi slid slowly deeper. As always, the sight turned her on, but it wasn't enough. And Kathi didn't seem to be trying to escape - if anything, she was helping Sheryl devour her!
www.erofus.com

www.erofus.com

Inside Sheryl, Kathi licked at the giantess' G-spot, determined to make her last moments ones that Sheryl would never forget.

"See, she knows it's time too, Jen." Sheryl said smugly.
www.erofus.com

Sheryl backed up, getting to her hands and knees as she got ready to sit down.
"I don't agree, Sheryl. I didn't even get to say goodbye properly!" Jen fumed.
www.erofus.com

Sheryl looked back at Jen. "Well, you'd better come on down and say it soon, because she won't be here much longer!" She moaned.
www.erofus.com

www.erofus.com

Jen stared at her wife's spread legs as Kathi's legs slipped inside. Her own hunger stirred within her, giving her a truly naughty idea. But she hesitated, unsure if even Kathi was worth crossing Sheryl.

"Here she goes!" Sheryl moaned, as Kathi's ankles slid inside too.
Jen's hunger increased, and her resolve hardened.
www.erofus.com

www.erofus.com

Sheryl's body shook with another orgasm, and Jen stood up, knowing she needed to act while Sheryl was distracted.

Inside the giantess, Kathi felt herself pulled even deeper, and knew that this time, she wasn't going to be coming back out. She wriggled against Sheryl's most sensitive areas, trying to give the giantess one more orgasm before she became part of her Mistress.

www.erofus.com

"Oh! Oh yes, pet, do that again!" Sheryl moaned.
"Soon you'll just be an orgasm!"
www.erofus.com

Jen watched Kathi's toes disappear between Sheryl's labia and made her decision. It was now or never, and she chose now.
www.erofus.com

"Not yet, Sheryl! I think my pussy deserves a chance to taste our little snack too!" Jen declared, jumping down from the roof where she'd been watching.
www.erofus.com

She landed between Sheryl's legs and glared up at her wife, but Sheryl wasn't looking, still coming down from her latest orgasm.

"Let's find out." Jen said, sliding herself down onto Kathi's feet. Her muscles tightened, pulling hard on Kathi's body..

Jen moaned, feeling her body get a good grip on Kathi's legs. The pleasure was exquisite, and she knew she had to win, had to feel the rest of Kathi inside her.

pulled some of Kathi back inside herself.

"Oh no you don't!" Jen exclaimed, taking deep breaths as she slid herself down over Kathi's legs.

"No, I don't think you will. Not if I do this!!" Jen said, twisting her body and spreading her legs to straddle Sheryl's pelvis and keep herself from sliding into Sheryl.

"Oh! Oh Jen! Do that again!" Sheryl moaned, stimulated by Jen's movements.

Jen twisted her body again, stroking Sheryl's clit with her leg. She pulled hard with her inner muscles and felt more of Kathi slide into her.

Jen and Sheryl came together, and Jen felt her womb fill with Kathi's body as Sheryl's muscles briefly relaxed their grip.

"Hah! I won!" Jen exclaimed, delighted to feel Kathi squirming around inside her.

Kathi found herself curled up in a much tighter, smaller space. As she heard Jen's voice boom through the fleshy walls surrounding her, she realized that she'd been pulled from Sheryl's body into Jen's.

www.erofus.com

www.erofus.com

"I think you'll have to, wife." Jen said, meeting Sheryl's eyes. "I can feel my body closing up behind her. She's all mine now."

To Jen's surprise, Sheryl laughed at her. "Oh Jen, you should know by now that I always get what I want. I'll just have to get creative, that's all."
www.erofus.com

"Now, come here, my feisty little wife and let me have a look at you." Sheryl said, reaching her giant hand down to scoop Jen up.
www.erofus.com

Jen felt Kathi continuing to squirm inside her as Sheryl looked her over. “The easy option would be to just devour you both, of course. But I don’t want to be single again just yet. Not when we haven’t even finished our honeymoon!. So, I’ll just have to do this the hard way.”
www.erofus.com

Kathi heard Sheryl's declaration and braced herself for whatever was coming. Being fought over by the two of them was turning her on, but the idea of Sheryl doing anything "the hard way" made her nervous. She reached a hand towards her crotch, deciding to drown her nerves in orgasms.

www.erofus.com

www.erofus.com

www.erofus.com

wife lifted her to her mouth.

"You're so worked up right now that it won't even take very long, will it, Jen?" Sheryl said, just before she fastened her lips around Jen's crotch and began running her tongue around Jen's labia.

Jen moaned in delight, her arousal growing. She suddenly knew what Sheryl was going to do, and was helpless to stop it as her wife's tongue slid between her legs, filling her pussy.
"Oh! Oh Sheryl, fuck me!" She cried out in delight.
www.erofus.com

Inside Jen, Kathi could hear every word of her Mistress's exchange, and having the two of them fight over her had been good for several orgasms already. Then her surroundings shook, and she saw Sheryl's tongue slide through Jen's cervix to join her in Jen's womb. She spread her legs and offered her pussy to her Mistress' searching tongue.
www.erofus.com

Jen cried out in delight as Sheryl filled her deeply, the familiar sensation magnified by the feeling of Kathi's own movements inside her. As Kathi's movements synchronized with Sheryl's thrusts, she realized that her wife was tonguing them both at the same time, and the thought drove her wild.
www.erofus.com

www.erofus.com

Kathi moaned as Sheryl's tongue found her and lapped at her pussy. She felt Jen's body shake around her, and her own arousal flared anew.

"Please, Sheryl!" She cried out, knowing there was no way anyone would hear her.

Sheryl's tongue slid deeper still, and Jen's orgasm peaked, her body clenching tightly around Sheryl's tongue, then relaxing as the moment passed.
www.erofus.com

Kathi's eyes went wide as Sheryl's tongue pressed tightly against her opening, then slid inside, stretching her more fully than anything she'd ever had inside her before.
www.erofus.com

Jen felt Kathi squirm inside her, and the movement made her cum even harder. As she came, she felt something relax inside her, and moaned softly as Sheryl slowly withdrew her tongue. That motion sent pleasant shivers throughout her body, and Jen closed her eyes to enjoy the feeling.
www.erofus.com

www.erofus.com

Kathi's entire body convulsed as she came, and she felt her flailing legs slide down along Sheryl's tongue and into Jen's vagina. As Sheryl pulled her tongue out of Jen, Kathi was sucked along behind it, pulling her lower body back through Jen's cervix.

The suction stopped when Kathi felt the outside air against her bare feet again. Despite it being a warm day, the air was chilly compared to the warmth inside her giant lovers, and Kathi shivered. A moment later, her feet were engulfed by a new warm, wet place, and she wondered what Sheryl had in store for her next.

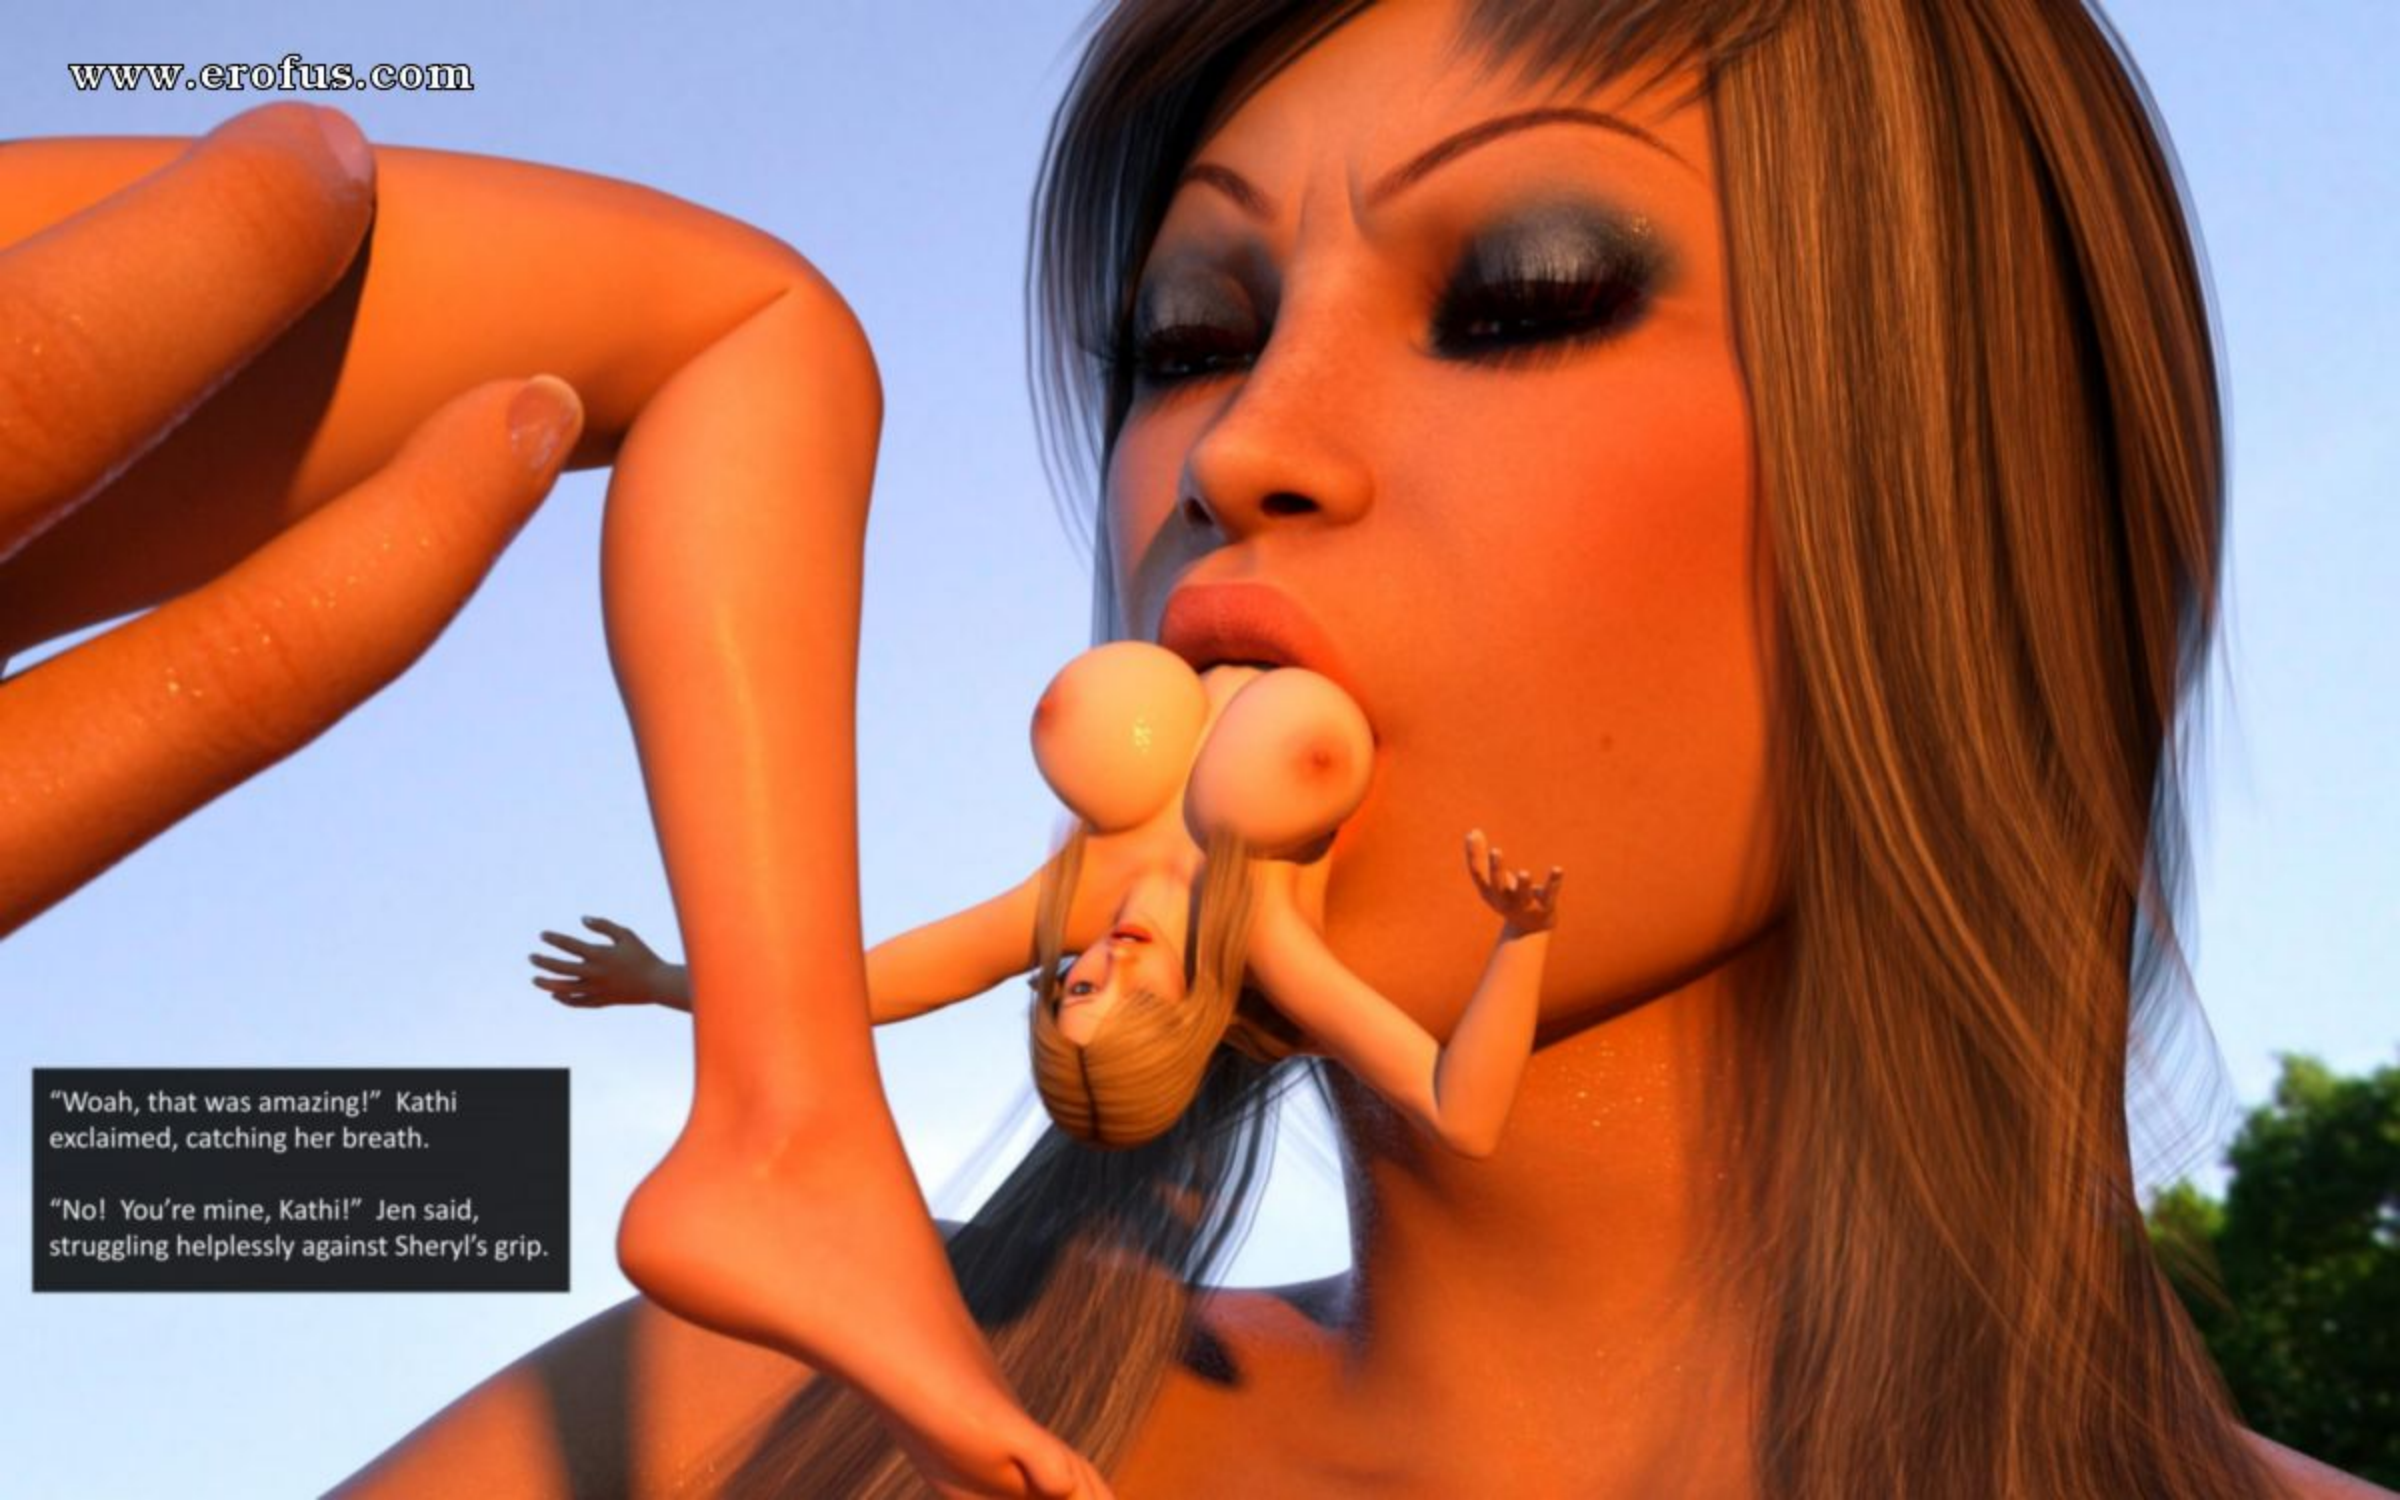

www.erofus.com

Sheryl gave Jen a smug look, as Jen realized that part of Kathi had slid free of her womb. She tried to pull the woman back in, but Sheryl's mouth wrapped around Kathi's feet and began to suck.

www.erofus.com

"Woah, that was amazing!" Kathi exclaimed, catching her breath.

"No! You're mine, Kathi!" Jen said, struggling helplessly against Sheryl's grip.

Kathi placed her hands on either side of Sheryl's mouth, trying to stop herself from being sucked up more as her breasts caught on the giantess' lips.
"Wait, are you going to eat me? I thought I was pussy food, not food food!" Kathi said.
www.erofus.com

www.erofus.com

"That was before Jen decided to steal you from my pussy." Sheryl said, her voice a bit muffled by Kathi's body.

"Come on, Sheryl. I don't think it's fair for you to eat Kathi that way. Or at all, not until we settle who gets her." Jen said. "We should come up with a fair way to decide who gets her."

www.erofus.com

"Why? I'm stronger, so I should get her." Sheryl said. Her mouth was full, but her tongue was still dextrous enough to get the words out. "I could just swallow her right now and settle it."

Jen gave her wife a pleading look. "Please, Sheryl? I'm sure I can find a way to make it worth your while to wait. And we can still have fun with her while we decide."

"Hmm. I don't know, Jen. Maybe." Sheryl said, pausing in her swallowing of Kathi. Jen held her breath, waiting for her wife to make a decision. Then Sheryl began to move as she reached a decision.

Slowly, Sheryl lowered Jen to the ground, not saying anything. Jen got her feet under her and stood waiting for her wife's decision.
www.erofus.com

Sheryl slid her tongue between Kathi's legs one last time, before she grudgingly let Kathi slide out of her mouth.
www.erofus.com

www.erofus.com

"Alright, Jen, you win. For now. But I'm going to hold you to that promise to make this worth my while."

"Of course," Jen replied with a faint laugh. "Don't I always?"

"Better get ready to catch her, Jen!" Sheryl called out as she parted her breasts and let Kathi slide down between them, then down her belly.

www.erofus.com

Jen caught Kathi as she slid over Sheryl's pussy.

"I've got you, Kathi." She said, scooping up the smaller woman with ease.

www.erofus.com
"How are you doing, little one? You certainly seemed to be enjoying yourself in there." Jen asked, smiling at Kathi.

www.erofus.com

"God, that was hot!" Kathi exclaimed. "But you two had me worried for a little there, I thought for sure I was going to melt away inside one of you."

"You almost did." Sheryl interjected. "And someday, it could still end that way, little pet."

Kathi shivered, and Jen couldn't tell whether it was in fear or arousal. She squirmed out of Jen's hold and slid to her feet. Jen smiled as Kathi leaned up against her affectionately.
"But not today, right? I'm not ready to be done with what we have going here." Kathi said, looking up at Jen with love in her eyes.
www.erofus.com

Jen felt a sharp pang of hunger deep inside her, and a growing ache in her pussy. She looked around the poolside, but didn't see any sign of any other life besides the three of them.
"I don't know, Kathi, my pussy's starting to complain about letting you go. I need to keep her happy." She tried to keep her voice light and teasing, but the hunger inside was getting really uncomfortable.
She heard a deep sigh from Sheryl. "I should have remembered how bad the hunger gets right after your first meal. I guess you can have her after all, Jen."
www.erofus.com

www.erofus.com

Jen put a hand on her belly as a hunger cramp hit.

"Thanks, I guess. I just hope that I won't have to take you up on that." She looked sadly down at Kathi.

"I don't want to do this," Jen said as she stared into Kathi's eyes. "There has to be some other way. Someone still hiding in one of the rooms, something... I can wait a few minutes, but anything longer than that, I don't know..."

"I'm sorry Jen, but there's nothing. No one. We cleared the place out, I'm sure of it. And it's a long walk to the closest town."

"Just make sure you give me a good show." Sheryl said, looking down at the two of them. Jen felt the ground shake as her wife shifted positions to get comfortable. She heard a noise in the distance, but another hunger cramp distracted her.

"Jesus, I've never felt this hungry before." I feel like my body is eating itself," Jen sighed. "I need something inside of me, and I don't know how much longer I can hold out..."

"Jen, you can't mean that, can you? You're just playing with me again, right?" Kathi said, concern in her voice, and a little fear. "I think I'd like to take a break from that game for a bit."
Another hunger pang hit, and Jen winced. "I'm sorry, Kathi, but I'm not playing this time. I need to be fed, and you're the only one left."

"Come on, Jen, it's time to get going. All good things have to end sometime." Sheryl's voice came from behind Jen, startling her out of her reverie.

"Hang on, Sheryl, I want to watch the rest of the sunset before we go." Jen answered, not taking her eyes off the resort.

www.erofus.com

"Well, OK. I can't say I really want our honeymoon to end yet either. But then we really will need to get going." Sheryl said. "There's a small town not too far from here. I want to make it over there before I get hungry again. At this size, I bet that I can practically eat the whole town! ! It'll be like another little resort for us, just you and me, and a town full of people to eat. Doesn't that sound nice?."

"It does. And thank you, Sheryl. For everything." Jen said, smiling up at her wife. "This has been the best honeymoon I could have ever had."
www.erofus.com

"You two are adorable, you know that, right?" Kathi called out from off to the side.
www.erofus.com

www.erofus.com

"I don't doubt it." She started walking towards them, and smiled up at Sheryl. "I'm so thankful that you found that couple hiding on the balcony. I thought for sure I wasn't going to make it to the end."
"That was lucky for all of us." Jen said, smiling at Kathi. "If she hadn't spotted them, you'd just be another snack for my insatiable pussy."
www.erofus.com

www.erofus.com

"And Jen, that was incredibly hot [illegible] into you! I've never seen you be that rough with anyone." Kathi practically purred as she came close to Jen.

Jen smiled at her. "What can I say, I get aggressive when I'm hungry." Jen shrugged. "You weren't scared, were you?"

Kathi giggled. "Honestly, yeah, I was. But it was sexy as hell too. You know, I'm pretty sure they were on their honeymoon too. I hope they had a good time up until... well, you know. Weird to think they're going to be gone soon, though."

"Gone to my ass!" Jen said with a laugh. "But seriously. I hope that's the next thing that grows. I want my ass to get even bigger than Sheryl's! Proportionately, I mean."

"Ha," Kathi said, "I can't wait. I hope you don't grow as tall as Sheryl, though. I kind of like you this size. Your belly at eye-level, not to mention your pussy..."

"Hey," Jen said, "want to feel them struggle? They're slowing down, but haven't given up just yet."

www.erofus.com

Kathi came over and hugged Jen's belly. "Ooh, yeah, they're really thrashing around in there!" Kathi said with excitement.

"Yeah, something tells me the process isn't as much fun for them as it is for me," Jen said with a laugh.

"Really? You think?" Kathi said with a chuckle. "What tipped you off? All the screaming?"

"Hey, don't you guilt trip me. I've gotta eat too! It's the law of the jungle. Dog eat dog. And I'm the biggest dog there is!"

"Second biggest," Sheryl pointed out. "Ruff ruff!"

Kathi burst out in laughter. "Oh my God," Kathi said, "you guys are both such dorks! This is why I love you two."

"Aww, stop," Jen said.

"No, I mean it," Kathi swooned. "I mean, hell, you both tried to eat me like an hour ago! But I still love you. I know that as long as I'm with you, they'll always be a chance you get too hungry and lose control, like you almost did today. But I don't care. I want to stay with you as long as I can. And if I'm going to die, I want to become part of that amazing body of yours. That's love. Crazy, stupid, suicidal love. But I couldn't quit you if I tried."

The three of them stayed there for a while, watching the sunset while the struggles in Jen's belly grew weaker and weaker.

"There it goes, Jen. Time for our little family to head on home." Sheryl said as the last of the sun disappeared below the horizon. "I still have plans for you both tonight, once we stop at that cute little town down the road."
"Okay, so we'll terrorize the local populace, cause millions in property damage, devour the townsfolk, and have some freaky sex," Jen said with a laugh. "A little more exciting than the average night out for a married couple, isn't it?"
"Sounds like a great plan. Then, in the morning, we can wake up early and go antiquing!" Sheryl said with excitement.
"Dear God, we are a married couple, aren't we?" Jen said, as the three of them burst into laughter.
