"Jen? How long have you been there?" Sheryl asked, trying to sound casual. *Maybe she didn't see anything I can't explain away. I really don't want to replace her, but I really can't afford to let anyone find out about this.* Sheryl thought, watching the other woman carefully.

"Sheryl? What the hell did you just do! Your pussy just *ate* Pauline!" Jen exclaimed, putting a hand to her mouth in shock. "Is that what happened to the others?" She asked, the pitch of her voice rising as she started to panic.

*Oh hell, she noticed.* Sheryl sighed as she pushed herself to her feet. She strode towards the door, getting between it and Jen before her secretary could recover from her shock. "I really wish you hadn't seen that, Jen." Sheryl said sadly.

Sheryl pulled the door closed and reached for Jen, who looked up at her nervously.
"Sheryl, what are you doing?" Jen asked. "Look, I'm sorry I interrupted. I'll just go back to my desk and we'll pretend this never happened, OK?" Her voice was desperate, and Sheryl felt truly guilty for the first time since discovering her new ability.
*Damnit, I *like* Jen. But she's seen too much.* Sheryl thought, pushing her secretary to the ground and standing over her.

"I'm sorry, Jen, but I can't do that." Sheryl said, looking down at Jen. "I need to keep this a secret. If anyone finds out, there's going to be hell to pay." She spread her legs wider over Jen. "So you're going to get a very close look at just where Pauline went, Jen." Despite the tension, Sheryl felt her body respond to the thought of being filled again. *She's going to feel so good inside me.* Sheryl thought, and her pussy began to actually drip with moisture. "Do me a favor and squirm for me once you're in there, it feels amazing."

Sheryl lowered herself to her hands and knees atop Jen, bringing her face within inches of the other woman's. "Are you offering to have sex with me if I'll let you go?" She asked slyly, pretending to consider the idea. "Why do you think I'll agree to that?"

Jen met her boss' gaze, starting to regain her composure. "Because I know you don't really want to get rid of me, Sheryl. I'm too valuable as your secretary." She grinned slyly at Sheryl. "And I've been wanting to get you naked for *months*."

Sheryl raised an eyebrow at that confession. *Really? No, I'd have noticed. She's just looking for a way to convince me to let her go.* Sheryl thought to herself. She rose to her knees, giving Jen a little room to move. "All right, Jen, show me." She said, smiling down at the other woman. She watched as Jen disrobed, admiring her secretary's naked form. *It's a shame, really. I've never noticed how good she looks, and now it's too late.* Sheryl thought regretfully.

Sheryl lifted her arms above her head, enjoying the way Jen stared in fascination, as though she really *did* like what she saw. *Jen really puts on a good act. If only I could believe her, I might actually consider trusting her with this secret. Oh well, at least I'm going to enjoy this part. Maybe she will too.* Sheryl thought as she reached her hands down behind Jen's head and gently pulled her secretary forward. "Now, Jen. My pussy needs some attention."

"As you wish, Sheryl." Jen said, then leaned in, starting to nibble and suck at Sheryl's folds. Sheryl moaned, letting herself enjoy the sensations. Her arousal built, but to Sheryl's surprise, the deeper hunger that had driven her to consume Pauline was absent.
"Oh! Just like that, Jen!" Sheryl gasped as Jen hit a particularly good spot. Her secretary redoubled her efforts, and Sheryl felt the warmth of an orgasm building inside her.

"I've wanted to hear you say that for a long time, Sheryl." Jen said as she took a breath. "Now I'll show you what you've been missing by ignoring me all this time."

Sheryl expected the hunger to awaken any moment now, as she grew closer and closer to orgasm. Instead, Jen's fingers and tongue drove Sheryl to a screaming orgasm, the first one in months that didn't involve someone disappearing inside her. "Oh Jen!" Sheryl cried out, shaking as she lost control.

Sheryl's orgasm began to subside. Then Jen swirled her tongue around once more, and another one built, stronger than the first. "JEN!" She screamed as she came. "Oh Jen!"

Jen held Sheryl in mid-orgasm until her need to take a breath made her shift her position. Sheryl lay back, panting for breath herself, then gasped as Jen set to work again.

"OH! God, Jen, you're amazing!" Sheryl cried out as she sat up, holding Jen's head in place with one hand. As she came down from a last orgasm, she shifted her legs, signaling Jen to start to rise. "You can come up now, Jen."

*No one's done that to me in years.* Sheryl thought as she let Jen rise from her crotch. *Jen's been keeping my secrets well so far, I wonder if...* She sighed and lay back down, staring at the ceiling. *No, probably not. This is far more serious than any business deal. If I were Jen, I'd run to the police as soon as I got out of here.*

"See, I told you that this was a better plan." Jen's voice broke Sheryl's reverie, and she felt the other woman slide up next to her on the floor. Sheryl turned to look, and saw Jen looking at her, a smile on her face. She leaned forward, lips parting in invitation.

Sheryl took Jen in her arms and kissed her, enjoying the moment.
*Oh Jen, if only I could trust you.* She thought as the kiss went on.

Sheryl sat up, grabbing one of Jen's legs in a firm grip. "I'm sorry, Jen, but I'm not willing to spend the rest of my life in a lab, or worse." She pushed Jen's leg into her still-wet pussy, moaning as it filled her up. Jen's other leg followed, and Sheryl smiled as it sent shivers of pleasure through her. "You got me nicely warmed up there, but now it's time for the main event."

"Please, Sheryl! Don't do this, I beg you!" Jen struggled, trying to free herself, but Sheryl held her secretary's hips in a firm grip, pushing the other woman deeper.
"Oooh, keep that up, it feels great!" Sheryl gasped, enjoying the vibrations Jen's struggles sent through her. Her hunger still hadn't reappeared, but Jen's entry into her vagina was as pleasurable as any of Sheryl's other victims had been.

Sheryl leaned back to rest on the floor, slipping one hand down to caress her clit as Jen struggled to escape. "Mmm, just like that, Jen!" She murmured, feeling another orgasm building.
"I'll be missed! Things will fall apart around here without me!" Jen pleaded frantically as Sheryl's muscles contracted, sucking her farther inside. "Sheryl!"

"No, not like this!" Jen screamed.
Her struggles set Sheryl off again. "Yes, Yes! Deeper, Jen!" She moaned. Sheryl felt wonderfully full, and slowed down a bit to savor the sensation. She knew it wouldn't last once Jen was fully inside her.

“Mmm, oh, that feels good! Sorry Jen, I’ll just have to get a new secretary.” Sheryl said, teetering on the edge of another orgasm. "For what it's worth, I am sorry it has to end like this.” She said softly.

Sheryl kept her eyes shut, not wanting to see Jen's look of betrayal at the end. As she was pulled in, Jen's chin brushed Sheryl's clit. "Oh Jen! OH!" Sheryl screamed Jen's name, even as her body pulled the other woman deeper inside. As she came down from the orgasm, Sheryl felt Jen's arms tighten on her legs, stopping her inward progress momentarily. As Sheryl took a breath, preparing for one last pull, Jen sobbed out a final plea.

"Please, Sheryl! You don't have to do this! I love you, damnit!" Jen's voice was full of sorrow. "For a moment there, I dared hope you could love me back." She sobbed, no longer struggling. "But I guess I was wrong."

Sheryl opened her eyes and looked down into Jen's terrified face. She sighed, letting her muscles relax. "Do you really mean that, Jen? You'd better not be lying to me." Sheryl asked.

Jen frantically nodded, the motion sending shivers of pleasure through Sheryl. "Of course I mean that, Sheryl! I've never lied to you before, have I?" She asked, looking offended, despite the situation.

Sheryl stared into her secretary's eyes for a long moment. "Jen, I'm a monster, you can see it for yourself. Even if I believed you, I'd be a fool to think you could still want me after this." She sighed. "But you're right, Jen. I do think there could be something between us, under other circumstances."

Sheryl watched in surprise as Jen released her legs, instead taking Sheryl by the hands and holding her gaze. "Maybe I'm foolish enough to want you anyway. Let me go, and we can find out together." Jen pleaded.

Sheryl stared into Jen's eyes for a long moment, then grabbed Jen's wrists and pulled. She winced as something inside her tried to hold on to Jen. Sheryl tugged again and her secretary began to slide back out into the world. "You've got a deal, Jen. But you're going to have to help. My pussy doesn't want to let you go." As she spoke, Sheryl felt the hunger return, urging her to consume Jen, NOW. She fought it down and pulled harder. Jen slid her legs free just as the hunger became unbearable, and Sheryl collapsed, exhausted from the effort.

"Did your pussy just growl?" Jen asked, as a low rumbling came from Sheryl's body.

Sheryl winced, placing her hands over her crotch. "Yes. I've never been this hungry before. I need someone in me to take your place, Jen." Her pussy rumbled again, louder this time.

Jen's thoughts whirled as she backed away from Sheryl. *Oh Shit! I can't do that to someone else, can I? Wait, that's it!* Jen grinned triumphantly as she reached for the phone on Sheryl's desk. "I have an idea! Samantha from Sales has been trying to see you for weeks now. Let me call her in. No one's going to miss her."
Sheryl nodded. "Do it, Jen. But hurry, I'm not going to wait long. If I don't get someone inside me soon, I'm not going to care who fills me up."
Jen dialed Samantha's extension, praying that the other woman would pick up her phone. "Samantha, it's Jen. Sheryl's just had an opening in her schedule, and if you can get here in the next five minutes, you can have it."
"What? But you said..." Samantha started, but Jen cut her off.
"Look, if you don't want it, I'll call Gary." Jen said, trying to sound casual.
"No! I'll be there. You'd better not be fucking with me, Jen." Samantha growled.
Jen smiled. "No tricks, Samantha. Just come on into Sheryl's office, we'll be waiting for you."

Jen pushed the door closed behind Samantha, then kicked her rival's legs out from under her. "Sorry, Samantha, but Sheryl's still not interested in your project." She grinned, grabbing Samantha's arms and holding her down.
"No, but I do have a use for you. Sheryl said, crouching down in front of Samantha and pulling off the woman's shoes. "First, these have got to go."
"What the hell do you think you're doing? Let go of me, Jen!" Samantha said, struggling to break Jen's grip on her shoulders.

"Deeper, Samantha!" Sheryl called out as she took in the woman's knees. "Oh yes, right there!" She moaned.
Jen got on her hands and knees and moved to get a better view. She grinned with delight as she saw Sheryl stroke herself as her vaginal muscles continued to pull her victim deeper. "Go ahead and struggle, Samantha. It's not going to do you any good, but I'll enjoy the show." She said mockingly.

"Let me go! You're in for one hell of a sexual harassment suit if ... Samantha screamed as her breasts squished into Sheryl's passage.

"Don't care. I'm almost there. I just need you a little deeper." Sheryl moaned, flexing her muscles.

The scent of Sheryl's arousal filled the room, and Jen found herself turned on by the scene in front of her, despite knowing what would happen to Samantha. *No, because of what Sheryl's going to do to her.* Jen corrected herself. *That bitch is finally getting everything she deserves.* Jen thought with a smile.

Samantha kicked and struggled, making Sheryl's bulging belly jump, but to no avail. Her boss' labia settled around her armpits, and Sheryl began to moan in pleasure. "Yes, right there! You've almost got it!"

"Please, I'm begging you!" Samantha cried out, beating uselessly against Sheryl's thighs. "Just let me go!"

"Bye, Samantha!" Jen said wickedly, fondling herself as she watched her rival disappear into Sheryl.
"Oh! OH!" Sheryl moaned, pulling Samantha's head and arms into herself. "Yes!"
"No!" Samantha gasped as she was pulled inside Sheryl and silenced.

Samantha's hands flailed for another moment, until they too disappeared into Sheryl, one after the other. Jen watched in fascination as Sheryl's belly writhed and shook with Samantha's struggles.
"Hey, no! Stay in there!" Sheryl gasped, looking down in shock. Hands pushed her labia apart from the inside, and Samantha hauled herself out of her boss' vagina with a mighty heave. She was naked, with no sign remaining of the clothes she'd been wearing a moment earlier. Pussy juice glistened on her skin, and dripped from her hair onto the

"What the hell, Sheryl?! Your pussy ate my clothes!" Samantha gasped as Sheryl's muscles clamped down on her hips. She pushed against Sheryl's thighs, but the fluids coating her body made her hands slip. "Let me go!"
"Get back in there! I'm not finished with you yet!" Sheryl growled. She flexed her inner muscles, and Samantha began to slide back into her depths.
www.erofus.com

Samantha turned to look at Jen. "Please, Jen, you've got to help me! Her pussy's going to EAT me!" She slid backwards, her breasts beginning to slide back into Sheryl. "Look, I'm sorry for everything, just HELP!"
Jen shook her head, smiling at her rival's predicament. "Nope. I'm enjoying watching Sheryl put you to good use for a change." She took a deep breath, inhaling the musky scent of Sheryl's arousal. Jen ran a hand through Samantha's hair, coating it in Sheryl's slippery fluids, before resuming pleasuring herself. She closed her eyes and listened to Sheryl's moans of pleasure as Samantha struggled.

"Please! Have mercy!" Samantha screamed.
"Yes! Just like that! OH!" Sheryl's body began to shake with orgasm, and Jen felt her own body respond.
"Oh yes, Sheryl! Take her!" Jen moaned as she came.

Jen opened her eyes to see Samantha's chin sliding into Sheryl. "Any last words, Samantha?" She asked, unable to resist taunting the woman one last time.
"No! Please don't..." Samantha's final plea was cut off as Sheryl's labia settled over her mouth.

Jen watched intently as the last of Samantha disappeared. A moment later, Sheryl's belly shook, then went abruptly still. Sheryl cried out in orgasm once more.
"I don't think she's coming back out." Jen observed, laying on the floor between Sheryl's legs."

"Are you growing? Jen asked, eyes wide as Sheryl's body began to get bigger. The space she was laying in suddenly became a bit less roomy.
"I sure am. She was a good choice, Jen." Sheryl moaned as her body expanded rapidly. "Oh, that feels so good!"

Sheryl laughed as her body finished growing. "Sure, why not? Samantha was a great choice. Sometime, you'll have to tell me about the history between you two. I didn't expect you to enjoy watching that much."

"Hey, it was hot!" Jen said, grinning. She moved to lay next to Sheryl. "And she earned every bit of that, the big cunt." Jen spat vehemently.

www.erofus.com

Jen changed the subject. "So, um, what exactly did you do to them to get them?" She asked, fascinated by the changes she'd seen take place. Sheryl's belly was flat and toned once more, with no sign of anyone inside.

Sheryl shrugged. "Honestly, I don't really know. Once they get all the way inside me, they get smaller, and I get bigger. I've never had anyone push themselves out like Samantha did - maybe it was the clothes that did it. Everyone else was naked when I took them." She said, looking thoughtful.

"Can I take a look?" Jen asked, her curiosity growing.

www.erofus.com

Sheryl spread her legs again. "Sure, go ahead. But be careful, Jen. I'm not sure I can let you out a second time." She said warningly.

Jen swallowed nervously, but her curiosity got the better of her and she knelt between Sheryl's legs. She gently slid her fingers into Sheryl's pussy and parted the giantess's labia, peering into her depths.

She moved her head back and forth, trying to let the light in. "I don't see anything, not even the buttons from Samantha's shirt. Maybe there's something deeper." Jen said, sliding a finger up against the ring of Sheryl's cervix.

www.erofus.com

"Jen, I think you'd better stop that." Sheryl's words were a sharp command, and Jen looked up, startled.
"I didn't hurt you, did I?" She asked, concerned.
"No, but you were starting to make me hungry again." Sheryl said, gently pushing Jen away from her crotch.
www.erofus.com

Jen shivered briefly as she realized what that meant. "Oh! Um, I don't think we want that, do we?" She looked up at Sheryl, nervous.
Sheryl's arms wrapped around her, and pulled her into a hug, her giant breasts surrounding Jen's arms. "No, Jen, I don't want that. I just went to a lot of trouble to give you the chance to be my girlfriend, and I don't want you to cut that short before we get started."
www.erofus.com

Jen smiled. "Neither do I." She said, lifting her gaze to meet Sheryl's. "So I'm your girlfriend now, hmm?" She asked slyly. "Do I get to put that title on my door along with 'Secretary'?"
Sheryl chuckled. "Just shut up and kiss me, Jen." She said, leaning down and silencing Jen with a passionate kiss.
